FFA Chapter Wins Top WT Fair Award

Cross Plains chapter took top honors in the Agriculture and Horticulture Department of the West Texas Fair at Abilene in August.

The local high school earned \$227 in prize money. That included \$65 earned for its third

place in Agriculture Education Department display. It answers the question "Is agriculture becoming less important?" by showing that agriculture is growing in importance.

O. B. Edmondson, local FFA instructor, reported Tuesday morning that the local future

farmers garnered 30 first places in 39 classes entered. The chapter also took 29 seconds, 14 thirds and two fourth places. Up to three entries were made in some classes by the FFA chapter.

Cross Plains FFA has been the top award winner in many of the agriculture shows at the fair in the past several years.

Blue ribbons were taken by the Cross Plains chapter in the following categories: white milo, yellow corn, rye, barley, sweet sorghum, vetch, field peas, Spanish peanuts, native grasses, King Ranch bluestem, bundle sideots, gramma, bundle Indian grass, bundle bluestem grass, Irish potatoes, sweet potatoes, onions, eggplant, watermelon, cantaloupes, peppers, okra, cucumbers, green black-eyed peas, pears, yellow corn grains, pecans in shells and dry pinto beans.

In many of the above categories second and third places were also won, as were lower places in other classes.

Cross Plains Cemetery Association received \$215.42 in contributions for maintenance of the local cemetery during the month of August, according to a report by Mrs. Paul McCowen, secretary-treasurer of the organization.

Persons with loved ones buried in Cross Plains Cemetery

and other persons interested in seeing the burial ground maintained in an attractive manner are urged to help with the upkeep. Donations may be made at the Citizens State Bank or mailed to Mrs. McCowen in care of the bank. All gifts will be acknowledged on a monthly basis in columns of the Review.

Rabies Shot For Dogs To Be Given Here

An announcement has been made that Dr. Ray Martin, Coleman veterinarian, will be at the Vocational Agriculture Building on the Cross Plains school campus Thursday, Sept. 20, to vaccinate dogs for rabies. It was pointed out that he will be here from 3 to 6 p.m. on that day only.

Cost will be \$3.50 per animal, same charge as is made at his clinic.

The local Future Farmers of America chapter is cooperating in this program, enabling local dog owners to have a trip to a veterinarian.

It was explained that at the present time individuals are not able to purchase rabies vaccine to do vaccinating.

Local Flower Entries Rate High At WT Fair

Three Cross Plains area ladies, all members of the Cross Plains Garden Club, won several high places in flower arranging competition at the West Texas Fair at Abilene this week. They are Mrs. N. V. Gibbs, Mrs. Sterling Odom and Mrs. Glenn Payne.

Mrs. Odom claimed three first places and a like number of runnerup ribbons.

Mrs. Gibbs displayed two blue ribbon winners and a pair of second place winners.

Mrs. Payne also had two first place entries and one second place arrangement.

Telephone Company Begins New Office

West Texas Telephone Company announces that the construction for a new central office building on South Main in Cross Plains has begun this week.

Harvey Womack of Baird, business manager, said that new equipment will be installed in the new central office building. Womack also stated that the new equipment will improve the quality of service offered to the customers.

Bufs Rip Blanket 53-0; Travel To Wylie Friday

Cross Plains Buffaloes thundered past an out-manned team of Blanket Tigers 53-0 in the 1973 football season opener here last Friday.

The Herd put points on the scoreboard in every quarter en route to the biggest score a group of Bisons has rolled up in many years.

The triumph was regarded as a team effort, although there were sterling individual performances. Cross Plains gridgers made many scoring opportunities and capitalized on most of them.

Cross Plains racked up 15 first downs to 8 for the visiting Tigers, and held an even more lop-sided edge in rushing yardage. Bisons netted 385 yards with much of that coming on romps by Halfback Randy Hunter and Fullback Rickey Kirkham. Blanket netted just 63 yards from scrimmage, with Buff defenders throwing Tiger backs for losses repeatedly.

Buffaloes quickly gained the upper hand, scoring with just over three minutes having elapsed in the initial quarter. After Blanket recovered a Bison fumble an unidentified Bison blocked a Tiger punt and Glen Phillips recovered for the Herd.

Kirkham reeled off 32 yards, then Hunter circled right end for 15 and the tally, Hunter's kick was the good.

Buff Greg Turner recovered a fumbled Cross Plains punt at the Blanket 25, and five plays later Kirkham cracked over right tackle from the two for the tally. That gave the Bisons a 12-0 lead with 2:16 left in the first quarter.

Tiger Floyd Christian romped 53 yards on the return, and Blanket penetrated to the Buff 11 before Kirkham intercepted a pass. A Buff punt followed, then Bruce Lawrence recovered Tiger bobble, but Buffs returned the favor on first play.

Cross Plains blitzed 84 yards for its third touchdown. On fourth play of the drive Hunter raced 68 yards to paydirt, and Kirkham went over the net side for the two extra points for a 20-0 score with 6:04 left in the first half.

With just 1:17 remaining in second period Quarterback Roger Crawford passed 10 yards to End Royce Lawrence for six more points, capping a six play, 40-yard drive. Again Kirkham slammed over the right side for the two bonus points and a 28-0 lead.

Bruce Lawrence blocked and recovered Tiger punt early in the third period, and Kirkham got the last yard of the 18-yard drive with 8:35 left.

Hunter rambled 64 yards on first play with 34 seconds left in the third canto for a 40-0 advantage.

Bill Nickerson made a line-man's dream come true as the Buff tackle grabbed a deflected pass and rumbled about 40 yards to paydirt for six points. Hunter's kick was good for a 47-0 lead with 7:10 left.

Bufs tried not to score again after driving to the Tiger 3. Hunter tried a field goal, but a penalty nullified it. A fake attempt on next play saw Hunter race around end, for the final 53-0 tally.

Buffaloes travel to Wylie Friday night to take on the District 8-A Bulldogs. Wylie is reported to be rebuilding this year, but have nine lettermen back from the squad which thumped the Herd 27-0 last year.

Wylie dropped a 20-0 decision to Rising Star last week, but that is qualified by injuries to key Bulldog personnel and an exceptionally strong Wildcat squad. Wylie is not exceptionally large, but possesses speed.

BUFFS OF 1967—Shown here is the Cross Plains High School Buffaloes of 1967. Many of these gridgers are planning to return to Cross Plains and watch the 1973 Bisons tangle with the Rising Star Wildcats in homecoming game on September 29. That game will begin at

9 Constitutional Changes Published In The Review

Editor's Note: A large display advertisement is found in this week's Review briefly explaining nine amendments to the Texas Constitution which will be voted upon in the general election on November 6. Following is a release from Lieutenant Governor Bill Hobby explaining each of the proposed amendments.

"In the 97-year history of our state's Constitution a total of 334 amendments have been proposed. So far, 212 of them have been adopted by Texas voters.

"Rarely does a general election not have special proposed amendments on the ballot. And the election on November 6 is no exception.

"Nine amendments will be on this fall's ballot.

"The volume of amendments has been the subject of much criticism. It inspired the Constitutional Convention which was discussed in a previous report.

"The large number of amendments is, I believe, the most compelling argument for rewriting the Texas Constitution. A broad, brief document similar to the U. S. Constitution—which seldom has required amendment—is needed.

"Regardless of what the eventual outcome of the Constitutional Convention is, the nine proposed amendments to be voted on in November deserve every citizen's attention.

"This and subsequent reports on these amendments hopefully will help you become better informed.

"Briefly, the amendments contain the following provisions:

"Amendment 1 provides for annual regular sessions of the Legislature and for an annual salary for legislators of \$15,000 and a daily allowance of \$18 when the Legislature is in session.

"Amendment 2 would permit single adults, who otherwise qualify, to claim homestead protection of their property.

"Amendment 3 would extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults.

"Amendment 4 provides that cities and counties be given notice of and approval or disapproval of the creation of conservation and reclamation districts within or partially within their boundaries.

"Amendment 5 would allow cities and counties bordering on the Gulf of Mexico to levy taxes for building sea walls and breakwater if such projects are approved by a majority of the resident taxpayers.

"Amendment 6 grants district courts the general jurisdiction of a probate court and authorizes the Legislature to adjust the jurisdiction of the courts in probate matters.

"Amendment 7 provides authorization for the Veterans Land Board to extend its lending authority by \$100 million.

"Amendment 8 authorizes and requires cities and towns to levy ad valorem taxes sufficient to pay the principal and interest on their general obligations.

"Amendment 9 allows the Legislature to exempt certain water supply corporation and cooperatives from the property tax on certain facilities."

General Rains Break Month-Long Dry Spell

A general average of about three inches of rain fell over the Cross Plains area Wednesday and Thursday of last week. In Cross Plains the two-day total was 2.92, according to records of F. C. Newton, local official weather observer. It was the first measurable moisture gauged here since July 30. The rainfall was considered a boon for late peanut crops, as cotton was also thought to benefit. The slow rains did not produce much stock water, but pastures were soaked adding late growing grasses to winter pasturage. Grain farmers were also elated over the rains. Fields were too dry in most local areas to plant small grains. Top rainfall in this area which was learned by the Review was at Cottonwood where Coffey measured 3.80 inches. B. F. Hutchins at Atwell gauged 3.75 inches, and

Bill Lawrence in the Rowden area reported 3.60 inches. An even three inches was reported by Edwin Erwin at Sabanno and by J. T. Beggs at Pioneer. Louis Richardson in the Cross Cut community gauged 2.60 inches. Rainfall in the Burkett sector seemed to average between 2.50 and 3.00 inches. The 2.92 inches received in Cross Plains brings the year's aggregate to 24.64 inches, about a year's average rainfall here.

\$70 Given Buffalo Band Uniform Fund

A total of \$70 was donated to the Buffalo Marching Band Uniform Fund during the past week. The money came in four gifts.

Reported donors and respective amounts were listed as Mr. and Mrs. Roland Brown \$10, Juan L. Saenz \$25, Mr. and Mrs. Harold Garrett \$25 and Mr. and Mrs. J. L. Bonner \$10. All gifts of \$10 or more will be placed on pride board at two local businesses. Gifts may be made at Citizens State Bank.

The new band uniforms cost \$8,750, and only \$2,038.79 had been collected during the campaign. The Band Booster Club, sponsoring organization, had \$4,091.35 on hand for the fund at the beginning. Another \$42,619.86 is needed to pay for the new uniforms before delivery slated in mid-October.

FAMILY NIGHT SLATED AT PIONEER CLUB THURSDAY

Thursday, Sept. 13, will be family night at the Pioneer Community Center. A spokesman for the Pioneer Ladies Club said that everyone in the community and surrounding areas is invited, and guests are welcome.

It was pointed out that the Pioneer Ladies Club will meet each Tuesday to quilt.

Mrs. LaCour had suffered an apparent heart attack earlier but was reported to be improving middle of the week.

Mrs. Oneta Gwin of Abilene is visiting in the home of her sister, Mr and Mrs. C. L. (Charlie) Smith.

Shanks Trial Re-Set Again; Due Thursday

Reports reaching Cross Plains first of the week stated that James Paul Shanks, Callahan County Attorney, will go before the 167th District Court Judge Thomas Blackwell in Austin Thursday on a charge of sodomy.

On Monday, date of the trial reported by the district clerk's office in Austin last week, Shanks told this newspaper that a trial date had not been set. At least four other trial dates have been re-scheduled.

Latest reports also indicate that the Thursday trial will be without a jury, whereas the Austin district clerk's office reported last week that the case would be a jury trial.

Shanks and two other men, Ronald Burke and Roberto Caraveo, both of Austin were arrested in an Austin park restroom on February 13 and charged with sodomy.

Monday Burke entered a guilty plea before Judge Blackwell, according to reports received in Cross Plains. Travis County district attorney's office recommended five years probation in the case. Formal sentencing is slated for September 27.

Visiting Ethel Brown Sunday and during the week end were Miss Marie Bryson of Cross Plains, Richard Purvis of Junction City, Mrs. Evelyn Young of San Marcos and Mrs. Mildred Purvis of Midland.

Mr. and Mrs. Bob Lane recently returned to their home here after a two week vacation spent in the Fort Worth-Dallas area and at Texarkana.

Rain Means Busy Times Face Rowden Farmers

This area had over three inches of rain last week along with high winds and dust that preceded it. Pastures, crops and gardens will benefit from the moisture.

Farmers will be sowing grain as soon as the ground is ready. Mr. and Mrs. Jimmy Harris of Abilene spent the week end in the Tommie Harris home.

Bill Lawrence visited Jake Brooks of Cross Plains, who is a patient at West Texas Medical Center in Abilene one day last week.

Terrel Harris enjoyed a fishing trip with his grandfather, Duke McIntosh of Baird. The fish were biting and they made a good catch.

The Great Pickup Mystery

When most people think about buying a pickup they usually think about just two makes — Ford and Chevy.

Which is precisely why we call INTERNATIONAL "The Other Pickup".

But just because we're not exactly a household word doesn't mean we don't make a great pickup truck. We do.

And if we could just get people to look at us they'd make some surprising discoveries.

First, we have a really smooth ride. And we handle beautifully. And you can select an economical six or any one of three powerful V-8's. Or choose between torsion bar or leaf spring suspension. Or have automatic transmission, power steering and power brakes.

And there's important safety features like a collapsible steering column, a fuel tank located outside the cab and an anti-skid system, available on two models.

So before you buy a pickup, try ours.

The Other Pickup. At your International dealer.

Some people come away saying it's not The Other Pickup, it's the only pickup.

INTERNATIONAL. THE OTHER PICKUP.
