Three candidates are seeking three places on the Cross Plains City Council. Aspirants thus far are Oscar Koenig, J. P. Mc-Cord and Jimmielee Payne. Koenig and Payne are asking re-election, and McCord is a new candidate, although he formally served as a council man. Term of Gerald Bowden is also expiring, and McCord seeks that place. Aldermen are elected to two-year tenures. Holdover members of the city council are T. T. Nichols, Alvin

# Now you can get one that is.

SANCAP.<sup>®</sup> It's made specially for your sandy soils. It's made for cotton on your land.

You can forget about experimenting with rates to adjust for sandy soils. Just follow the recommendations, and you'll get weed control you can depend on-without injuring your cotton.

You'll get control of the most troublesome weeds in this area-carelessweed and Russian thistle.

And you can forget about moisture loss due to incorporation. Just apply Sancap at planting, or within two days after.

Then watch your cotton come through, clean and healthy. No more experiments. No more mistakes.

Because now you've got a herbicide for sandy soils.

Agricultural Division, CIBA-GEIGY Corporation, P.O. Box 11422. Greensboro, NC 27409. Sancap. The first and only herbicide made for sandy soils.
