"A Student's Insight Following a Disaster"

By VANDA ANDERSON-CREECH Editor

I would like to thank everyone who prayed for rain -- once again it worked! Thank you Lord. We received 1 1/2 inches in the Sabanna Community and John Adams reported 1 1/4 inches west of Cross Plains, while a large area of Texas was blessed. We still need rain, so continue to pray in this direction.

I am a firm believer that something good can come from a bad experience. A Columbine High School student's writing was published in the Graham Street Church of Christ Bulletin and the Cross Plains Church of Christ Bulletin followed suit. It was read at Nimrod Baptist Church when a member saw it in the local Church of Christ Bulletin.

There was so much truth in the words that I felt it needed to be published for more people to hear the wake-up call.

Once again, from the mouth of babes, words of wisdom are derived. I wish we could identify the writer, but haven't you noticed that often compositions signed Author Unknown hold such power. Haven't you ever wondered if it isn't the direct words of God sent to us in this fashion?

We need to all read with conviction to change the shortcomings this student cites.

A Columbine High School Student's Thoughts

The paradox of our time in history is that we have taller buildings, but shorter tempers; wider freeways, but narrower viewpoints; we spend more, but have less; we buy more, but enjoy it less. We have bigger houses and smaller families; more conveniences, but less time; we have more degrees, but less sense; more knowledge, but less judgment; more experts, but more problems; more medicine, but less wellness.

We have multiplied our possessions, but reduced our values. We talk too much, love too seldom, and hate too often. We've learned how to make a living, but not a life; we've added years to life, not life to years. We've been all the way to the moon and back, but have trouble crossing the street to meet the new neighbor. We've conquered outer space, but not inner space; we've cleaned up the air, but polluted the soul; we've split the atom, but not our prejudice. We have higher incomes, but lower morals; we've become long on quantity, but short on quality.

These are the times of tall men, and short character; steep profits and shallow relationships. These are the times of world peace, but domestic warfare; more leisure, but less fun; more kinds of food, but less nutrition. These are days of two incomes, but more divorce; of fancier houses, but broken homes.

It is a time when there is much in the show window and nothing in the stockroom; a time when technology can bring this letter to you, and a time when you can choose either to make a difference.... or to just hit delete!

# Thanksgiving Meal Served At Senior Citizens Center Nov. 12

The Senior Citizens of Cross Plains would like for anyone who wishes to come and eat Thanksgiving lunch with them on Friday, November 12 at the center. A meal of turkey and dressing with all the trimmings will be served at 12 noon.

If you would like to eat lunch with these lovely people please call and let Kathy know by 9:30 the morning of the 12th so she can have an estimate of how many people to plan for.

# Stanley Coppinger recently honored at Baylor University

Baylor University has named Stanley Coppinger as one of their outstanding students. Others who were named to the outstanding list included one each from the school of arts and sciences, the school of business, the school of education, the school of engineering, the school of nursing, the school of law, and Truett Theological Seminary. Stan was named the outstanding graduate student representing all the graduate programs of the university.

The students were honored at a special ceremony Saturday, October 23, in Baylor's Fine Arts building. Stan's wife, Sharon, and his parents, Joe and Delma Coppinger of Cross Plains, were in attendance. Dr. Robert Sloan Jr., president of the university, was the principal speaker. The theme for the special program was "The Power of One." Edward Everett Hale's well-known poem supported the theme and appeared in the front of the beautifully prepared program.

I am only one,
but I am one.
I cannot do everything,
but I can do something.
And by the grace of God,
what I can do,
I will do.

Each honoree was featured in a special slide presentation, and each had a page in the program. The following was written about Coppinger.

After graduating cum laude from Biola University in Southern California with a bachelor of arts degree in biblical studies, Stanley Coppinger returned to his native Texas. His passion for reading and writing and the desire to teach others led him to pursue a master of arts degree in English.

He received his master's from Tarleton State University in 1990 where he graduated summa cum laude. Stan began teaching at Howard Payne University, but left briefly to teach at Grand Canyon University in Phoenix from 1994-1996. Prior to becoming an English doctoral candidate at Baylor, he returned to Howard Payne where he served as an assistant professor.

In his second year as a contemporary American literature doctoral candidate, Stan has maintained a 3.69 grade point average. He is the recipient of the Young Christian Scholar's fellowship, which allows him to resume teaching at Howard Payne University when he completes his doctoral degree at Baylor.

Stan chose to attend Baylor because of its strong reputation, Christian commitment and the program in place between Baylor and Howard Payne. The friendly students and faculty immediately overwhelmed him.

"I felt very comfortable in my tight-knit group. The faculty treated See COPPINGER page 8

# The Band Boosters Christmas Store Needs Your Help!

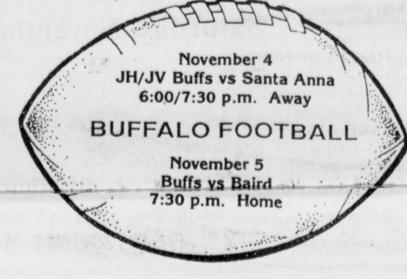

It's almost time again for the Band Booster's Annual Christmas Store! And they're asking for YOUR help! They are going back to their "original" Christmas Store where the gift items are handcrafted and donated by the band parents and generous people in the community so that quality merchandise at affordable prices to the students may be provided.

The Christmas Store has become an annual fund-raiser and service project for the Band Boosters now for several years. They provide a festive "store" atmosphere for the students, at least K-6, so that the children may shop for Mom, Dad, Grandma, Grandpa, sister, and brother all by themselves. (They shop at school during school hours so that Mom and Dad can't sneak a peak!) The Band Boosters even "gift wrap" and tag the items in gift bags.

This event was organized originally to serve two purposes. First of all, of course, it is a fund-raiser for See CHRISTMAS page 8

# CPISD & Village Market Partners in Education

By PAT STEPHENS

For the past eight years Cross Plains I.S.D. and Village Market have been partners in education through the Teachers' Helpers Program. Parents, students and community members have been saving Village Market receipts. These receipts are collected then returned for the purchase of many new and useful things at school.

This program has helped the school purchase overhead projectors, math manipulative, additional reading books for kindergarten, computers, children thesauruses, computer programs and many other items.

Cross Plains I.S.D. would like to thank Village Market and its employees, memoers of the community, students and parents who have helped make this program a great success. There are boxes in the forums of Village Market and the elementary school. Keep the tickets

We are now saving box tops from General Mills. Please place your box tops in the ticket box.

# Brownfield man loses life in early morning accident

2-Cross Plains Review November 4, 1999

**Billy Harris Baird Correspondent** 

**CROSS PLAINS - A Brownfield** man died in a one vehicle accident about 7 miles west of here on State Highway 36 early Monday morning, October 25th.

Wendell David Click, 38, was driving a milk tanker south bound when he left the road on the right / side. It appeared that he tried to bring the eighteen-wheeler back onto the road when it overturned. The tractor ended up in a creek bottom, after knocking down several feet of guardrail. The cab was nearly ripped off the Kenworth and Click was ejected from the rig owned by Milk Transport Services. He was pronounced dead at the scene and local arrangements were handled by Higginbotham Funeral Home.

The accident was reported at 5:50 am. A clock found at the scene had stopped at 4:01 a.m., but DPS Trooper Jim Cook said he had no definite time on the incident. A cause for the wreck had not been determined.

A Magi's Bazaar will be presented by Holy Rosary Altar Society at the Holy Rosary Catholic Church, 12th at F Street in Cisco. This is the first one in 30 years!

This special event is planned for Saturday, November 6, from 8:00 a.m. to 6:00 p.m.

Gifts, food, furniture and flowers will be available at the Magi's Bazaar. Make plans to attend!

Hwy 36 met with delays during the day as wrecker crews worked for several hours to remove the truck from scene. The rig was tangled in some large trees.

According to Fuzzy Harrel, Transportation Manager for MTS. Click had left Roswell, N.M. headed for Brenham, Tx. with 5,500 gallons of cream. The whole load was lost in the accident along with the rig being totally destroyed.

Texas DPS Troopers and Texas Department of Transportation personnel directed traffic around the equipment used to remove the wreckage.

were the only ones who could be delinquent. Another poem that addresses part

Of killing and stealing and crime everywhere.

"This young generation...where will it end?"

Too many things that lead them astray?

Too much movies of passion and crime.

Too many parents who won't stay at home.

That's all done by older folks...eager for gain.

The sins of the nation, and blame it all on them.

They don't paint the pictures of gangsters and crooks.

They don't change the laws, and they don't make the cars.

Too much evil in what they hear said.

"WHAT'S NEXT"

I know you've probably heard somewhere, somehow, about the ongoing, everlasting search for what happens to all those lost and/or missing socks (sox) which have mysteriously, frantically, continuously and disturbingly disappeared from the clothes dryer. Not just one family's dryer but from just about everyones. The saga of the missing sox has been surfacing practically ever since the invention of the clothes dryer.

Anyone of you have a similar unsolved mystery or controversial history of items coming up missing at your place of residence??

We once had the case of the disappearing flowers at our place. I bought some lupine seed and planted in the front flowerbed. We also transplanted newly bought begonias in the midst of begonias already existing there and bought and transplanted some lovely cinnamon pinks. Well the lupines came up alright and when they'd get to about 1/2 inch high, why they'd disappear overnight. Then...yes, then I noticed the begonias seemed to just deteriorate over the course of a day or so, they just looked as if they'd been crumbled. Then my beautiful cinnamon pinks just up and disintegrated positively over one night. The whole plant, stems, blossoms and all -- I was so mad, not just angry, MAD. Finally after several months I began to cool down some. Yep, we figured out the culprits. Yep! It was the snails eating them. My other half soon put out tons of snail bait. It seemed to solve the problem as long as we kept putting out the snail bait, no more MIA flowers.

I have another big mystery at home now. I'm trying to figure out or pinpoint who is kidnapping my books, magazines, and catalogues. EVERYTIME, almost, I look for them they seem to have gone the same way my flowers did! I hoard the catalogues with the items I'm considering purchasing in them and the magazines I've not finished read-

I then store them in special places until I'm ready for them. Then it hits me in the face. They aren't where I placed them.

I keep accusing my 'nother half of doing these dastardly deeds, but he always categorically denies it.

I don't know but I just keep seeing in my mind's eye this huge snail making off with all my catalogues, magazines and a large card and the culprits name is on that card. Looks kinda like other 1/2! Well--Well--What'll come next?

# Meals-On-Wheels benefit dance set for Nov. 13

The Meals-On-Wheels program of Callahan County prepares and delivers approximately 1000 meals per month for individuals that are unable to prepare for themselves and have no family members available to help them. We receive some federal funding, but depend on volunteers and private donations to help pay for supplies.

For the past three years we have sponsored a fund-raiser dance to support this program. We have had such a show of support and positive response that we will be featuring Muddy Creek Band again this year. In the past, the Cross Plains Center has been the host for the dance. Due to over-crowding on the dance floor, we will be hosting the dance at the Grand Old Oplin Community Center in Oplin this year.

We ask that everyone bring a snack to share. There will be no smoking or alcoholic beverages allowed. Admission price will be \$3.00 for adults, children 5-12 years, \$1.00 and under the age of 5 years will be

All proceeds will benefit the Callahan County Meals-On-Wheels Program.

Music will begin at 7:30 p.m., Saturday, November 13, 1999, and the band will play until 10:30 p.m. Make plans to attend and expect to have a fun time and support a very worthy program.

Tips

**Cross Plains Church of Christ** November is a good time to 433 N. Main At 12th prepare your soil for next spring's (254) 725-6117 planting.

Good soil preparation is the first major key to success in any gardening effort.

Start by removing all the existing vegetation in the bed, either with a hoe or a square bladed shovel. Be especially careful to remove

Bermuda grass runners and all roots. Next, rototill the area to a depth of 8-12 inches. Go over it several times until all the soil particles are golfball size or smaller. Next add organic matter - compost in a three

(3) to four (4) inch layer. If you rework the soil annually, add one (1) to two (2) inches of organic matter each year. Rototill all of this together, again to 8-12 inches below the original soil grade. Rake the area to establish the final grade and plant with a cover crop such as rye or sweet clover. Next spring, rototill 3-4 weeks before planting time.

Game night at Pioneer was well attended. There were two tables of six to play 84. We all had a good time and some good food for supper. The next meeting, November 4, will be the annual "Harvest Supper". Come on out and feast with us, then play "42" for a spell. Everyone in the area is invited. We will have lots of food and fun. Be there around 6:00

Earlene Burge went to Cisco with her daughter, Jessica Stultz. They had dinner before they left. It was a very enjoyable day, talking of old times. Jessica and her husband, Jack, only get home on the weekend every two or three weeks so they enjoy what time they spend together.

Oliver and Frankie attended the musical at Rising Star Friday night. Jean and Vi attended also. Saturday they attended a musical at Clyde.

Sunday Oliver and Frankie traveled to Ranger after church to eat lunch and watch the Cowboy's game with Frankie's sister Mrs. Dorthy

Glenda Phillips went to Alpine with her sister and husband for a week. He is interim superintendent at Marfa until they hire a new superintendent. Her sister came after her each day. Glenda got to see her oldest granddaughter play volleyball and cheerlead and saw the youngest granddaughter practice soccer. She and Glen Dale ate lunch with her youngest granddaughter Friday in the cafeteria. She got home Saturday night and really enjoyed her visit. Just really lonesome

James and Jean Alexander and May Jones visited with Jim and Marla Alexander and children Will and Ashley on Thursday of last week. We attended Will's Junior High, Appolo, ball game. Will and his teammates put on quite a show for us. Will scored 24 points, passed on and option play for 6 more, kicked 6 extra points in a 55 to 19 victory. Will plays full back on offense and tackle on defense. We really enjoyed the game. Ashley was in a style show at her school PTA program. The ball game lasted so long, we were unable to watch her. Next time, Ashley. We all had a "great" time.

The quilting ladies are working on Earlene's quilt, a type of "Windmill." We are about finished with the rehab quilt. Charlene's "Ohio Star" is being put in. There are always enough to keep up busy. If you are interested in quilting, come out on Tuesday and help us.

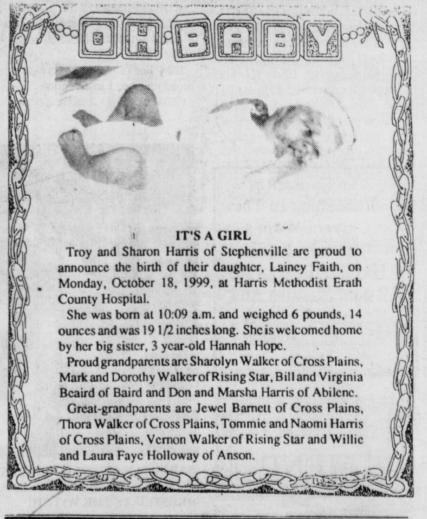

Jean Fore is in the Brownwood hospital. We hope she will be home soon. Her sister, Vi Harlow, is still her keeping Jean company and looking after things.

Migraines can start at any age and are one of the most common causes of headache in children. A child with a migraine may complain that his head hurts, become nauscous, dizzy, confused, and suffer visual disturbances. Your child's doctor should be consulted to rule out other conditions if these symptoms occur. Most childhood migraines are not cause for alarm. The best way to identify what triggers the migraines is to keep a diary listing time, date, and what happened and what was caten before the attack.

BUFFALOES CELEBRATE VICTORY OVER SANTA ANNA

# Cross Plains Buffaloes Defeat Santa Anna 27-0

By COACH CORD WOERNER

The Buffaloes got a much needed boost Friday with a 27-0 shutout over Santa Anna. That will be important going into Fridays ballgame, with 13 healthy players squaring off against State Ranked Baird, who wrapped up a playoff spot last week when they defeated Bronte.

The game with Santa Anna saw the Buffaloes move the ball well, only to have our first 3 of 4 possessions of the first half end with turnovers.

The defense played extremely well; giving up only four 1st downs and 65 total yards of offense. We were able to gain possession of 5 turnovers which kept Santa Anna out of scoring position all night. The score was 0-0 at the half.

The Buffs received the second half kick-off and drove the ball 80 yards on 8 plays with Chris Kitchens capping the drive with a 33 yard T.D. run. Santa Anna fumbled on the second play following the kick-off,

To Guarantee

and with good field position, the Buffaloes scored again 6 plays later with a 6 yard run by Kitchens.

Following a punt, Tim Butler finished off another good drive on a 1 yard run. Butler also ended the scoring with a very nice 43 yard TD run in the 4th quarter.

Offensive Leaders Chris Kitchens - 23 carries for 156

yds and 2 T.D.s

Tim Butler - 10 carries for 110 yds and 2 T.D.s

Coby Richards - 6 for 9 passing for 79 yds

Kenny Callaway - 3 catches for 43 yds

Defensive Leaders

Jaden Winfrey - 7 solos, 2 assists, 1 recovered fumble, 1 QB hurry

Matt Nickerson - 4 solos, 2 assists Chris Kitchens - 4 solos, 1 assist, 1 interception

Tony Beggs - 2 solos, 4 assists, 1 broke up pass, 1 interception Coby Richards - 2 interceptions

# JV Defeated Gorman 28-0

By TERESA KOENIG

The Junior Varsity traveled to Gorman last Thursday night. Captain was Brandon Mahler, who also kicked off leaving Gorman on the 5 yard line. The Buff defense kept the Panthers from gaining any yardage and even managed to block their punt.

The Buffaloes' 1st down of the night got them 6 points, with some fancy footwork from Jordan Durant. Mahler got in the action with a bad snap, he ran in for the 2-point conversion.

After the kickoff, major tackles from Hill, Allen, Potter and Mahler once again gained the Buffaloes the ball, with a couple minutes in the 1st quarter.

The Buffs led 8-0 with carries from Durant, Gilliam and Wilson. A great run from Durant got the Buffaloes into the endzone for another T.D. With 4:31 in the half, the score was Buffs 14 Gorman 0. Big tackles from Landon Hill and Ricky Allen held the Panthers. Gilliam, Wilson and Hopkins carried the ball for the Buffs. A pass from Hopkins to T.J. Harris secured another 6 points and Mahler added the extra point. The Buffaloes dominated 21-0.

Seth Potter kicked off to the Panthers, who were taken down by Cole Koenig. With one final tackle from Kevin Wilson, the buzzer sounded for the half.

The Panthers kicked off leaving the Buffalo offense in great field position. The Buffs moved the ball down the field and Clay Wilson ran in for 6 points. Mahler added the extra point.

With 4:19 in the 3rd quarter, the Buff defense didn't give the Panthers any room to move. Mahler blocked their punt.

The Buffs took over on the 30 yard line and for the first time all night, the Panthers held off the Buff offense. The Panthers got a spark of energy but tackles from Mahler, Kevin Wilson, Koenig, Harris and Chris Sliger held them within a few yards of the goal line with 1:51 remaining in the game. The Panthers punted and there was time for a couple of runs from Durant and Hopkins before the buzzer sounded.

The Buffaloes were victorious 28-0. They will travel to Baird for their final game of the season Thursday. Come out and support the team!

Many times children do not have the opportunity OR much money to buy Christmas gifts for their families. This provides the opportunity for the children to shop all on their own, and this provides nice gifts at affordable prices so the children may buy a gift

for everyone in their immediate families.

The Band Boosters can only provide nice gifts at very low prices if the merchandise is donated. In the past, this has been the greatest struggle, and the boosters were forced to buy from wholesale companies. However, that forces costs to rise and quality to suffer. # Rush Party Held for Sorority

Back to the '50's was the theme of the annual Rush Party for the Alpha Rho Zeta Chapter of Beta Sigma Phi. The chapter met in the home of Mary Ann Chaffin and enjoyed a delicious covered dish dinner.

After the Opening Ritual, guests for the evening were introduced. The sorority members were happy to have Melissa Wooten, Melanie Long, Jacque Childress and Lavonne Childress as guests of honor.

All those attending were dressed in '50's outfits. In fact everyone looked like a bunch of clones in their big shirts, rolled up jeans, Bobby sox and loafers. Winner of "best dressed '50's" was Jacque Childress who sported an authentic letter jacket!

Quizzes about the 1950's stretched the brains of everyone present to remember "those good old days" and even a bubble gum blowing contest was held. (The winner of this event did not wish her name to be published.) The usual secret sister gifts were exchanged and the meeting was adjourned with the Closing Ritual

Members attending were Kelly Lafoon, Kathy Anderson, Elizabeth Hunsaker, Janice Phillips, Jamie Apple, Cathy Wood, Wanda Merryman, Mary Ann Chaffin, Joyce McCoy, Bobbie Johnston, Sarah Brashear, Nora Odom, Sharon Parr, Carol Rogers and Pam Cummings.

### **Texas Fort Trails**

Fort Richardson, located just outside the present day city of Jacksboro, was founded on November 26, 1867. Estimated costs for the fort ranged as high as \$800,000, but the plans laid out by the government were not followed. Instead the picket style barracks built for the troops were poor and inadequate and the post hospital, bakery, guard house, and magazine were built of native limestone. Fort Richardson's location, only seventy miles from Indian territory, placed it in a strategic position - the fort was charged with the protection of settlers of the area - a big job for this

The major event that altered the future of Fort Richardson involved William Tecumseh Sherman and Randolph Barnes Marcy. These military officers were inspecting the Texas frontier and were almost victims of the Warren Wagon Train Massacre in 1871.

On November 13-14 of 1999, the history of Fort Richardson will be reenacted and an incredible handson learning opportunity will be available to the public. Be sure to see this historically significant site.

Also, November brings many hunters to West Central Texas and many communities along the trail invite hunters and their families to Hunter Appreciation Dinners. Check with the chambers of commerce in Comanche, Ballinger, Mason, Breckenridge, and many more towns.

November also marks the beginning on holiday festivities throughout the region and again, check with the local chamber of commerce for a complete listing of these events. Sweetwater, lights up, beginning on Thanksgiving weekend, and the trail of lights continues until New Year's Day. Sweetwater boasts a lighted parade and special events and entertainment throughout the month.

WE invite everyone to experience West Texas hospitality at its finest! See you on the Texas Forts Trail!

## 5-Cross Plains Review November 4, 1999

# Pfc. Chris Maddox Completes Marine Basic Training

Marine Pfc. Chris E. Maddox, a 1995 graduate of Cross Plains High School, recently completed basic training at Marine, Corps Recruit Deport, San Diego.

Maddox successfully completed 12 weeks of training designed to challenge new Marine recruits both physically and mentally.

Maddox and fellow recruits began their training at 5 a.m., by running three miles and performing calisthenics. In addition to the physical conditioning program, Maddox spent numerous hours in classroom and field assignments which included learning first aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training. They performed close order drill and

operated as a small infantry unit during field training.

Maddox and other recruits also received instruction on the Marine Corps' core values -- honor, courage and commitment, and what the words mean in guiding personal and professional conduct.

Maddox and fellow recruits ended the training phase with The Crucible, a 54-hour team effort, problem solving evolution which culminated with an emotional ceremony in which the recruits were presented the Marine Corps Emblem, and were addressed as "Marines" for the first time since boot camp began.

Maddox joins 41,000 men and women who will enter the Marine Corps this year from all over the country.

# Fall Trail Ride for Rehab Successful

The 12th Trail Ride for Rehab was held October 16-17 at historic Chadbourne Ranch near Bronte. This semi-annual event raised over \$16,500 for the West Texas Rehabilitation Center (WTRC) in Abilene, San Angelo and Ozona. The 12 Trail Rides for Rehab held since 1994 have raised more than \$130,000 to further the mission of WTRC.

The 188 individuals attending the trail ride took pleasure in the outdoors, enjoyed great company,

and traveled by horseback and wagon more than 17 miles over the varied terrain of the Chadbourne Ranch.

Hosts for the 12 Trail Rides for Rehab have included such famous area ranches as the Chadbourne, Lambshead, Spade, Pitchfork, Mesquite Grove, Nails and the Brooks.

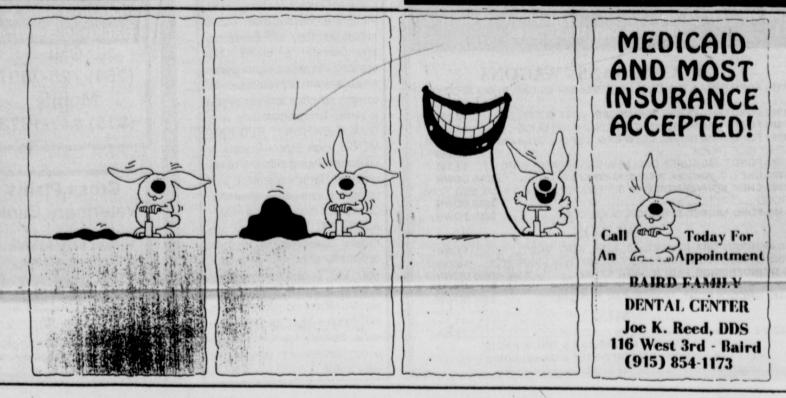

The Spring Trail Ride for Rehab is scheduled for April 2000. The location will be announced early next year.

# CARD OF THANKS

Card of Thanks The Cross Plains Band would like

to thank the following people who helped provide many of the services for this marching season: Ron Bell -- flat bed & truck for the parade; Mike and Robbie McClure and Donald Strength for preparing and painting the trailer; Jim Dunn for painting the sign on the trailer; Jacob Easterling for spearheading the student committee that arranged for many services and ideas; Higginbothams for providing paint and other decorating supplies; Johnson's Dry Goods; Bus sponsors that endured teenagers and their "cheerful songs" Linda Reed, Bobby and Cheryl Beaty, Melissa Wooten, Phillip and Sheri Bennett, Debbie Bennett, Polly Byrd, Jamie Apple, Cindy Payne, Kathy Chesshir and Pat Stephens; the Band Boosters who have put in many hours for concessions and preparing for activities and fund-raisers; and the high school students who were on the Band Committee that helped make all of this possible..

All of these people and businesses plus others who I hope have not been overlooked have helped to make this a successful year.

Also a big thanks to everyone who came and supported us at our con-

6-Cross Plains Review November 4, 1999

To Our Friends & Neighbors, We appreciate all the acts of kindness during the illness and loss of our loved one, Jim Baum.

Your thoughtfulness was very comforting and will long be remembered.

We thank everyone for the visits; calls, cards, food, hugs, flowers and especially the prayers.

We would like to extend a very special thanks to the Masonic Lodge 627 for the graveside service. It was a fitting tribute and a true comfort to everyone in attendance.

We are so thankful to live in Cross Plains with such wonderful people. We love you.

The family of Jim Baum

#### Card of Thanks

The Bacon Family would like to thank all of the family members and friends and everyone else who gave grocenes, love offerings, food and mostly for the prayers, extended to us in the loss of our son, Ben Bacon.

Ben was a special child and he knew Jesus, and we take comfort in knowing he is with our God in Heaven. All of the friends and family members who supported us in our time of need are dear to our hearts.

We say thank you and God bless each and everyone.

The anointing storm...

There were booms and crashes and crackles all around, while I sat scrunched in a big chair, wringing my hands and fretting. The TV was tuned to the weather report, as was the radio. Clutched in my hand was a hastily scrawled sketch mapping out the Big Country counties. A flashlight lay beside me, right next to the dogs who were quivering as

I wished I could wiggle my nose and find myself back in Seattle where the worst is mostly mists and fogs and three-day drizzles, all dreary and grey

The storm had oozed in like slime, pointed north by the long finger of a cold-front cloud.

New residents, we didn't yet know how to read Texas storm language, so we had watched the front drag the storm clouds across the blue sky, erasing the puffy white clouds as it came.

Dense clouds packed together until they had to wrestle for space. By late afternoon, there was no sun left, only a dark brooding sky and buzzards tickling the underbellies of the heavy, low-slung clouds.

In no mood for play, the storm howled, enraged, and threw flashing daggers. Thunder roared and lightning blazed the miles across the heavens, lighting cloud profiles in spilt-second flickers.

The lightning was constant, leaping from cloud to cloud and jab-

bing at the earth, I had never seen anything like it, so I was staying up late with the weatherman, keeping track of the storm as it bellowed its way over the Big Country.

The brute came out of the south, a bear on the rampage with nothing to stop it from sweeping across this great flat land. Then it loomed overhead and pounded out its fury, so loud I couldn't hear the radio at

Frightened, I dashed down the hall to wake MyKeeper, who can sleep through anything. He ummphed and frmmphed and grumbled, "Go back to sleep," until .BANG!!!...right outside the south

"I'm awake!" he sputtered, lurching bolt upright. And a short second later-BOOOOOM!! Another direct hit to the ground on the north side. It was so close I heard the sizzle and smelled something burn. And something else, the sharp,

awful smell of ozone. "So," I said, "We're still alive! I guess this is Welcome To Texas, sung by a massive, marching cho-

We'd been anointed on the right and on the left. In the frenzy of the battle, we had heard the voice of the great sovereign. We'd felt the flat edge of the sword tap our shoulders as the thunderous voice intoned, "You are hereby dubbed West Texans, if you're brave enough to dare."

After completing his doctoral work in the spring of 2001, Stan will return to Howard Payne and resume his teaching career. Stan is grateful to Baylor and the generosity of the fellowship program. "This program has allowed me to achieve an important career goal. The relationships I have built at Baylor will last a life-time," he said.

# County Commissioners Vote to Leave Tax Office As Is

Callahan County Commissioners voted to keep tax collections in the County Tax Assessor/Collector's office instead of moving the collections to the Central Appraisal District office.

On a motion by Tommy Holland and second by Charlie Grider, commissioners voted unanimously to continue to maintain tax collections in the County Tax Assessor/Collector's office in the County Courthouse in Baird.

County Judge Roger Corn said commissioners voted to leave the tax collections as is for now and may consider the move at another time. "We want was is in the best interest of the taxpayers in the county," Judge Corn said. "We (county officials) all have the same goal to keep collections high," said Judge Corn.

Other agenda items commissioners considered included:

-On a motion by Harold Hicks and second by Grider, commissioners voted unanimously to approve a bid from West Texas Cat for a motor grader for Precinct #1 Commissioner. The bid from West Texas Cat was the only bid received. The bid included the motor grader at a cost of \$114,400 and the motion was approved to accept the bid option on a rear-mounted ripper with shanks and push block for \$9,725.

—On a motion by Bryan Farmer and second by Hicks, commissioners voted unanimously to adopt an order to extend bids for two weeks if the county receives no bids after the first advertised. Judge Corn said the 76th Legislature approved the new regulation so that counties do not have to readvertise for bids if no bids are received after the first try.

-On a motion by Farmer and second by Holland, commission-

-On a motion by Grider and second by Hicks, commissioners voted unanimously to 1,275 square feet of county-owned land to Marsha Blackstock for \$50.00.
