## Chevrolet's first economy car of the '80s.

Citation 4-Door Hatchback

# CHEVY CITATION.

Citation goes a long way on a tank of gas. But that's just the start. Citation has the traction of front wheel drive, rack-and-pinion steering, front disc brakes, and a transverse-mounted engine that's cradled in rubber-cushioned mountings to reduce engine vibration. Sleek Citation is easy to park, yet big enough for five adults and lots of cargo. See Chevy Citation for yourself. And to really appreciate it, get behind the wheel.

EPA ESTIMATED MPG **24** CITY ESTIMATE

**38** HIGHWAY ESTIMATE

With standard 4-cylinder engine and manual transmission

*Remember:* Compare the estimated MPG to the "estimated MPG" of other

cars. You may get different mileage depending on your speed, trip length, and weather. Your actual mileage will be lower in heavy city traffic, and your actual highway mileage will probably be less than the estimated highway fuel economy. The "estimated MPG" is more likely to reflect actual overall mileage than the "combined estimate". Chevrolet cars are equipped with GM-built engines produced by various divisions.

# Cystic Fibrosis Bike-Hike-A-Thon May 5

BAIRD—Pat Dyer, Chairman of the Breath of Spring Bike-A-Thon, has announced that Saturday, May 5, has been selected as the official date for the Cystic Fibrosis Bike-A-Hike-A-Thon here in Baird.

Funds received in the event will support research and care for children affected by cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis and other related lung-damaging diseases.

Cystic Fibrosis, an incurable genetic disease, is inherited by one in every 1500 babies born in the United States. Both parents carry the recessive gene for CF and number among one in twenty persons in the U.S. who may be carriers, usually without knowing it. With improved therapy and constant research, many CF patients are now living into early adulthood.

Participants in the Bike-A-Hike are to meet at the cemetery on the Albany Hwy. (283) at approximately 9 a.m. to kickoff the fun.

Refreshments will be provided, and there will be adult supervision at all times.

Bikers will be divided into four categories: pre-school and kindergarten, 1st thru 6th, 7th thru 12 and adult. Parents are encouraged to ride with the younger children.

In the hikers' division, there will be no age breakdown.

Anyone wishing to participate in this worthwhile event can obtain entry blanks in the Baird grade school or high school offices or at the local churches. Entrants will then be contacting individuals to sponsor them during the Bike-A-Hike-A-Thon. Persons are asked to support these participants by pledging a set amount for each mile an individual rides or walks.

Prizes will be awarded for the top finishers.

Make plans to be a major part of the Bike-A-Hike-A-Thon. We need your help!

## Why settle for less? Choose Frigidaire Quality And Dependability...

### Frigidaire 30" Range

- You can program the oven to start baking or roasting at the time and temperature you desire, — even tell it when to stop — thanks to automatic Cookmaster controls.
- Put the drudgery of oven cleaning behind you. The Electri-Clean oven can clean itself automatically.
- For better, more uniform broiling, a self-cleaning Broiler Shield reflects heat from the broiler unit away from the top of the oven and back across the broil area.

### Frigidaire 40" Range

- The Electri-Clean oven can clean itself automatically, electrically, reducing baked on food spatters to a trace of ash that can be wiped away with a damp cloth.
- To help radiate heat upward, — and provide positive contact with your pots and pans — the exclusive Radiantube surface units are V-shaped ... with wide, flat tops.
- To help you find room for those pots, pans, and other large utensils you need for big-family cooking, this Frigidaire Range offers a roomy waist-high storage drawer — as well as a full-width drawer underneath.

## Blackburn Club To Meet April 30

BAIRD — The Corinne Blackburn Club met April 9 in the home of Burma Warren, with Johnsie Mae Allen as co-hostess.

The subject under study was "World Affairs". Maurine Nichols presented a paper on "Space-2000 A.D. What is anticipated?" Johnsie Mae Allen then presented a film on "Training Dogs for the Blind". Quite a bit of discussion

arose about what the year 2000 might bring.

"Profiles of Famous Women" was selected as the subject of next year's discussion or study. The Club voted to decorate a table for the Chamber of Commerce banquet. Also, they will enter a car in the Rodeo Parade in May. Plans were discussed for making a tour of the Mat-

hews Ranch near Albany.

Other members present were: Eulala Ault, Juanita Danielson, Beatrice Deal, Mary Martin, Asenith Pruitt, Margie Sullivan, Bessie Mae Borden, Clara White, Eldena Williams, Lucy Manion and Merlyn Jones.

The next meeting of the Club will be April 30 at the home of Mary Martin for a Social and Salad Supper.
