Crane Game Sunday Crucial One For Station A Team

Possible For Sonora-Ozona Entry To Tie Iraan Before Permian Season Ends

On the home stretch of the last half of the 1937 Permian Basin League race the Sonora-Ozona team Sunday afternoon at three o'clock will cross bats on the Sonora diamond with the Crane team.

Tomorrow (Saturday) afternoon the two teams will play in Crane.

The games this week-end are the only scheduled ones the Station A team will play except those of the week-end of August 27-28 when Texon will be the opponent. The Saturday Texon game (August 28) will be in Texon and the Sunday one in Ozona.

The league standing as figured out by one Sonora enthusiast this week is as follows:

	W.	L.	Pct.
Iraan	8	4	.666
Crane	5	3	.625
Station A	4	4	.500
Texon	4	6	.400

The Sonora-Ozona team by winning all its remaining games (two with Crane this week-end and two with Texon next week-end) would end the season tied with Iraan, league-leading team now. In such a case a play-off series for the league championship would be required with Station A and Iraan contesting.

Iraan has no more games to play. Saturday and Sunday, September 4 and 5, Texon and Crane have a couple of games that will find two strong teams pitted against each other.

The Station A-Crane battles this week-end will be the only ones in the Permian Basin League. The scheduled Texon games with McCamey have been cancelled recently because of the latter team's withdrawal from league play.

POPULAR NEWS REPORTER WILL BE BURIED TODAY

Funeral services will be held in San Angelo at five this afternoon for Sam Ashburn, "Top of the Windmill" columnist for the San Angelo Morning Times.

Known far and wide by West Texans in all walks of life, "Sam," as nearly everyone knew him, died of a heart attack Thursday. He had been employed by the San Angelo newspaper more than twelve years.

Ever-affable and hail fellow well met at all times, Ashburn was a friend of Sutton people as he was of other people wherever he met them. His position as an expert writer of the life of the range area was made possible by his ability to make friends and to retain them as he went about his work of "keeping up with 'things'."

Jim Caldwell Better

Able to be downtown this week was Jim Caldwell, Sonora contractor, who suffered a broken leg early in June. Mr. Caldwell was walking without crutches for the first time this week.

Miss Annella Stites of Houston is visiting her parents, Mr. and Mrs. C. E. Stites.

School Days Coming

Before leaving Tuesday for a short vacation trip in Goree F. T. Jones, superintendent of Sonora schools, reminded that the Sutton county schools will open Monday, September 6, at nine o'clock.

The usual opening convocation will be in the high school auditorium at that time.

The Pecan Springs school will be the only rural school this year. The one at Owensville will not be maintained.

Austin Librarian Visits Here Monday

E. R. Dabney Formerly School Man in West Texas

On his way back to Austin to aid in the moving of the newspaper library into the new library building, E. R. Dabney, newspaper librarian, University of Texas, was in Sonora a short time Monday.

Mr. Dabney and his wife and son, Kelso, were returning after a vacation trip to New Mexico and El Paso. The younger Dabney is a student in the university and is also assistant manager of football and basketball teams of the university. The newspaper library will be moved August 25, Mr. Dabney stated. More than 200 Texas newspapers and periodicals are received by the library. Many of these are bound and taken care of as a matter of historical record.

Mr. Dabney, a Spanish-American war veteran, has been in his present work ten years and before that was superintendent of schools in Kerrville and Mason. He has completed work for a Doctor of Philosophy degree with the exception of his dissertation.

Friday Thirteenth Happy Day For One

Business Investment Completed Two Weeks Early

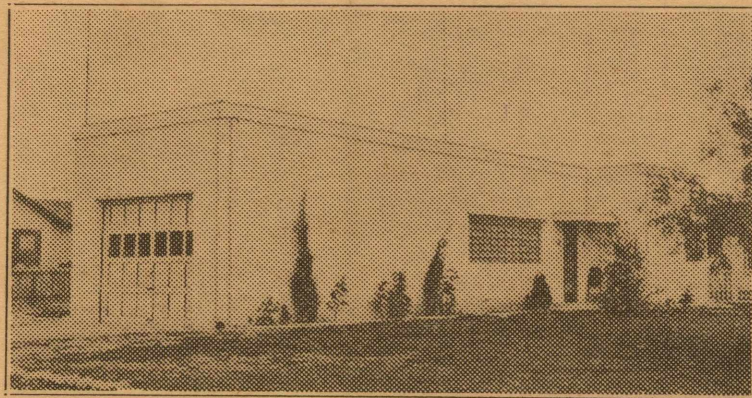

R. L. Hallum doesn't know whether "Friday the thirteenth" had anything to do with it but he's sold on that date in August, A. D. 1937.

Originally expecting to have his four new cottages at Sonora Courts completed September 1, furnishings were moved in Friday and that night tourists used them. The construction work was begun July 13 when staking out was done.

The four new rooms are so arranged that they may be used in pairs or singly. A connecting door between each two permits their use by as many as six persons. Toilet and bath facilities are provided in each room.

The new accommodations for tourists bring to a total of ten cottages built by Mr. Hallum and his brother, Asa, in the last year. A modern service station and an office for the tourist business were built last summer. Mr. Hallum says that since the adding of the new cottages he has enjoyed a very good business. In his opinion the flow of tourist traffic through Sonora is greater than it has been since 1929.

Sutton County Is Building!

Most unusual in design of the houses built in Sonora recently is that of Mr. and Mrs. F. J. Wood which was constructed since the first of the year.

Modernistic in planning, corners of the house, built of tile and stucco, are rounded. In the front a glass block window is made of 147 blocks through which a maximum of light may enter.

Costing approximately \$4500, the Wood home has casement windows throughout, is fireproof and has a built-up fireproof floor. Inside walls are plastered and papered. A six-inch insulation of mineral

wool will make easy the adding of air conditioning facilities when desired. The house has five rooms and bathroom with the garage an integral part of the structure.

The house was built by Ted Schultz and Leonard Caldwell.

The picture of the Wood home is the fourth of the NEWS' series being used in connection with its "Home Builders' Page" on Page Six. Other homes pictured recently have been those of Mr. and Mrs. John Fields, Mr. and Mrs. Neill Roueche and Mr. and Mrs. Joe B. Ross.

Turn Now To The "Home Builders' Page"

Bids For Drilling of City Well Asked

Contract Scheduled To Be Let Saturday, September 4

A greater volume of water with which to supply Sonora water users is the goal toward which a final step was taken this week by the city commission as it authorized advertising for bids for the drilling of a well.

The advertisement for bids appears in this issue of the NEWS.

Bids, accompanied by certified checks, must be received by two o'clock Saturday, September 4. Specifications, plans and contract

CONSERVATION OF WATER IN SONORA ASKED

O. C. Ogden, manager of the water system, Thursday asked the NEWS to request that Sonorans be "thrifty" in their use of water.

The new well to be drilled will do much toward giving Sonora adequate supply. Until that time the plant on Eaton Hill will likely be hard pressed to supply the demand, especially in hot summer weather.

Mr. Ogden said that the plant is producing 200 gallons a minute from the six wells. Saturday and Sunday each week an attempt is made to build a reserve. Toward the last of each week the supply becomes short. Last Sunday, according to Mr. Ogden, little could be done toward building a reserve because of the large amount of water being used.

information can be secured from H. R. F. Helland, San Antonio consulting engineer. A performance bond will be required from the successful bidder.

Price is asked of bidders for drilling of the well, casing with 10 3/4-inch O. D. casing and testing well to full capacity.

CHILD WELFARE FUNDS WILL BE SECURED AT BENEFIT PARTY

Both bridge and forty-two will be played Monday evening at 8:30 when a benefit party begins on the courthouse lawn.

Directed by Dr. Joel Shelton and Homer Harris, Child Welfare committee of the Lions Club, the party will provide money for child welfare work, especially that of feeding needy school children. Cards were mailed this week to many players but others who will play are asked to call one of the two men in charge.

Music and the serving of refreshments will be features of the evening's entertainment. In case of inclement weather the party will be held in some nearby building.

Texans' Ballots To Determine Fate of Six Amendments

People's Votes Monday Decide Six Questions Varied in Nature

Sutton county people, along with those of the other 253 Texas counties, Monday may express themselves on the proposal by the state legislature that the Texas constitution be changed by the adding of six amendments.

The 17-article constitution by which Texas people are governed was adopted in 1875 and ratified by the people February 15, 1876. It has been amended a number of times since then and is often criticized, without a doubt justifiably, as being unwieldy and not at all suitable to the governing of a state as great as is the Texas of today.

Amendments Varied in Nature Voters will cast ballots at the regular polling places in Sutton county Monday. They are: No. 1, Courthouse; No. 2, Mrs. Velma Shurley ranch; No. 3, Cedar Hill School; No. 4, Owensville School; No. 5; Joe M. Vander Stucken ranch.

A resume of the amendments on which an expression will be asked is given below:

The first amendment proposes to authorize the incorporation of banking bodies and to limit the liability of stockholders in state banks to 100 per cent of their capital stock, rather than double the value of such stock as the law now provides.

The second would authorize the state legislature to pass legislation as would enable the state to obtain federal aid in the assistance of destitute children under the Social Security Act.

New Payment Method Sought The third amendment would abolish the salary method of compensating certain county officials and empower the legislature to prescribe some other means of

(Continued on page 4)

Lamb, Visitor Here In November, Killed

Outlaw Brought Here November 25 Shot By Arkansas Officers

The story book career of Alfred (Sonny) Lamb, criminal who was brought here by Hayden Gibson, assistant sheriff in King county, to look for a rifle was ended Sunday.

Lamb was shot by police in Hot Springs, Ark., when they surrounded the house in which he had been living a week.

Hunted since April 24 when he escaped down the wall of the jail in Fort Worth, Lamb had a black trail behind him that made officers wary of anything that appeared like a false move on his part. He is said to have been shot as he reached for a gun.

Lamb had 114 years of King and Knox county sentences over him when brought here. A trip with Lamb by the deputy sheriff, Dr. J. W. Melton, former Knox sheriff, and B. W. Hutcherson, Sutton sheriff, failed to disclose the gun he said he left on the Fort Terrett ranch. Lamb did lead officers to a bucket under a cedar tree where he said the gun had been left.

When he escaped in Fort Worth Lamb and his father were under indictment for the murder of a Menard county storekeeper.

Tax Rate For 1937 Set at 83 Cents; 73 Cents in 1936

Recent Reduction By State of 13 Cents Makes Net Total 3c Per \$100 Lower

Sutton county's tax rate for 1937 assessed valuations of \$4,624,598 will be 83 cents per \$100, according to Judge Alvis Johnson's announcement this week following the holding of the required 1938 budget hearing Monday afternoon at one o'clock.

Last year's rate was 73c per \$100 on valuations of \$4,348,098.

The "breakdown" of the tax rate structure for 1937, with comparative figures for the previous years, is:

	1937	1936
Jury Fund	.01	----
Road and Bridge	.15	.15
General Fund	.25	.25
Courthouse and Jail	.03	.04
Road Bonds "A"	.11	.06
Road Bonds "B"	.09	.06
Road Bonds "C"	.05	.06
Road Bonds—1931	.10	.06
Park Fund	.02	.05
Improvement Fund	.02	----

The net increase of ten cents is caused chiefly, according to Judge Johnson, by the amount of interest required by the state being larger on the road bonds than heretofore.

State Asks Incorrect Amount

The state has been asking \$1,133 on "A" bonds, \$1,133 on "B" bonds, \$1,133 on "C" bonds. Notice has been given the county that interest payment must be \$3,020.06 on "A," \$2,436.56 on "B" and \$2,015.68 on "C." Such payments, the county has been informed, should have been made yearly since 1933 rather than the much smaller amounts asked for and received by the state.

The 1931 Road Bonds series, of which there are six (four maturing in 1938 and two in 1939), is owned by the county's own Series A Sinking Fund and no reserve for retirement established. Three of the bonds, \$3000, matured in 1937. The tax rate increase of 4 cents for the 1931 Series is necessary in order to meet maturities in 1938 and 1939.

State Rate 49 Cents

The Jury Fund 1-cent allotment is a variable one from year to year depending upon requirements. Road and Bridge and General fund allotments remain stationary, usually, from year to year. The 1-cent increase for Courthouse and Jail is needed, Judge Johnson said, so that the county may build toward 1942 maturities.

The budget for 1938, an elastic article that is required by law, allows the Park Fund (Sutton County Burial Park) \$2,105, less an estimated balance carried over of \$1, 219.34. The Permanent Improvement Fund is allotted \$1,200, less an estimated \$337.47 carry-over balance.

The state tax rate for 1937 will (Continued on page 4)

RAIN!

The Ranch Experiment Station reported as the NEWS went to press that 1.39 inches of rain fell Thursday afternoon and Friday morning. Other ranches in that section did not get as much. Less than 1/4-inch fell on the Ben Cusenbary place, a "light sprinkle" fell on the Joe M. Vander Stucken ranch. The J. A. Cauthorn place was favored with between one-half and three-fourths of an inch. The Roy Hudspeth ranch got one-half to one-inch.

New Pharmacist At Drug Store

William T. Salyers of Dallas, is employed as pharmacist at the Corner Drug Store. Mr. Salyers came to Sonora Tuesday.

National Commander

An attorney by profession, Harry W. Colmery of Topeka, Kansas, is national commander of the American Legion, the state convention of which organization will be held in San Angelo next week.

Miss Logan Returns Home Miss Emmalou Logan, daughter of Mr. and Mrs. Joe F. Logan, came home yesterday from a San Angelo hospital. Miss Logan underwent an appendicitis operation Friday.

Flower Garden at Roadside Station Sutton Beauty Place

Probably the most inviting stopping place between Junction and Sonora is the service station owned by Mr. and Mrs. Asa Hallum close to the North Llano river, beauty spots of which are known to many Texans and to many others who travel through this section.

Mrs. Hallum's flower garden adjoining the station proper is a mass of beauty and has been so for a number of weeks.

Enclosed by a rustic fence the garden is entered through turnstiles. The visitor's attention is first attracted by the background of jack bean and madeira vines which provide admirable "base" for the floral beauty nearby.

There are two beds of zinnias and daisies with a fish pond and lily pool as a center piece for the

garden. The pool, oval in shape, has a rock in the center through which a very fine spray of water shoots continually. A wooden cut-out of a negro boy fishing adds a comic touch to the pool as he sits on the edge with pole extended, never getting a bite but ever-patient.

Not content with the long flower garden adjoining their station the Hallums have a shaded arbor, made pleasant by grapevines, which provides a "lean-to" at the side of their business place.

Besides making their business place a much more pleasing place to serve the public the Hallum floral improvements without a doubt attract a great many customers to their place who otherwise might speed by on their way westward or eastward over the transcontinental Old Spanish Trail.

Rock Work Done On Doctors' Residence Near Camp Allison

Life in Sutton county along the Llano river has pleased Dr. J. H. Caton of Eastland and Dr. Sam Parks of Dallas who have been coming to this section for hunting and fishing for the last thirteen years.

In fact, they like it so well that they are investing in what will be an attractive, two-story stone residence, rock work on which was completed last week.

The house is located in the Camp Allison community not far from the Earl Adams home. Mr. Adams has been employed on the house as have Ernest Bode, Pete Adams and Leo Adams. Mrs. Earl Adams' father, Bud Bishop, and his partner, Gabe Britt, of Center Point have done the stone work.

The house will have a 40-foot east porch as well as an 8-foot one

on the west. Inside dimensions are twenty feet by forty feet. The lower floor will have living room, dining room, kitchen and bathroom while the upstairs will be made into three bedrooms and bathroom.

A large fireplace will be a feature of the living room while in the other end of the house a flue will provide for other heating facilities upstairs and down. The large stone chimney at the end of the home gives it a distinctive appearance that adds to its charm as a home created out of native stone found on nearby ranches.

Dr. and Mrs. Caton are usually accompanied to Sutton county by his sister, Miss Nell Caton. Dr. Parks is not married but his mother, father and sister often come with him to share the pleasures of life along the Llano river.

VETERANS' LEADER

When American Legion members of Texas gather in San Angelo next week Drury Phillips, state commander, will preside at the business sessions. Mr. Phillips is a Huntsville, Texas, resident.

Personals

Word B. Sherrill of San Angelo was a guest here last week-end.

Mr. and Mrs. D. B. Wall of San Angelo spent Saturday here with Mr. and Mrs. O. R. Oxford.

Mrs. O. R. Oxford left Wednesday for a visit in Junction with her mother, Mrs. M. E. Highsmith.

Mr. and Mrs. Ray Glasscock of San Angelo are visiting his parents, Mr. and Mrs. R. E. Glasscock.

Hugh Pullen of Fort McKavett is spending the week with his uncle and aunt, Mr. and Mrs. J. C. Baker.

Mr. and Mrs. Charles Harris of Jacksonville are guests at the ranch home of Mr. and Mrs. E. D. Shurley.

Notice is hereby given that I, Jesse Green Barton, whose place of business is located on Lot 2, Block U, in the city of Sonora, Sutton county, Texas, have applied to the Texas Liquor Control Board at its office in the city of Austin, Texas, for a retail package store permit under provisions of the Texas Liquor Control Act.

Jesse Green Barton.

Notice is hereby given that I, R. L. Hallum, whose place of business is located 30 mi., east of Sonora on Junction highway, Sutton county, Texas, have applied to the Liquor Control Board at its office in the city of Austin, Texas, for a retail package store permit under provisions of the Texas Liquor Control Act.

R. L. Hallum.

Notice is hereby given that I, Amador Castillo, whose place of business is located on Lot 9 1/2, Block K, in the city of Sonora, Sutton county, Texas, have applied to the Texas Liquor Control Board at its office in the city of Austin, Texas, for a retail package store permit under provisions of the Texas Liquor Control Act.

Amador Castillo.

Notice is hereby given that I, Alfred Brown whose place of business is located on Lot 2, Block Y, in the city of Sonora, Sutton county, Texas, have applied to the Texas Liquor Control Board at its office in the city of Austin, Texas, for a retail package store permit under provisions of the Texas Liquor Control Act.

Alfred Brown.

federal courts

SONORA, TEXAS

NOTICE TO BIDDERS

Sealed proposals, addressed to W. C. Gilmore, Mayor of Sonora, Texas, for the drilling, casing and testing of a water well for the Sonora City waterworks in accordance with the plans and specifications and instructions to bidders prepared by H. R. F. Helland, Consulting Engineer, will be received at the City Hall, Sonora, Texas, until 2 p. m., September 4, 1937.

The Works will consist of the furnishing of all labor and materials for drilling a well and casing with 10 3-4 O. D. Casing, and testing well to full capacity.

A Cashier's or Certified Check, payable without recourse to the order of W. C. Gilmore, Mayor, or an acceptable Bidders' Bond in an amount of not less than five per cent (5 per cent) of the largest possible total bid must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into contract and execute a bond on the forms provided, as outlined in the specifications and contract documents.

A performance bond, in an amount not less than one hundred per cent (100 per cent) of the contract price, conditioned upon the faithful performance of the contract and the payment of all persons supplying labor or furnishing materials, will be required.

The Bidder's attention is called to Chapter 45, Acts of the Regular Session of the 43rd Legislature relating to penalties for underpayment of workmen, et cetera.

All lump sum and unit prices must be stated both in script and figures. The City reserves the right to reject any or all bids and to waive formalities. Bidders are expected to inspect the site of the work and inform themselves regarding all local conditions.

Specifications, plans and contract documents are on file at the City Hall, Sonora, Texas, and at the office of H. R. F. Helland, Consulting Engineer, Frost National Bank Building, San Antonio, Texas. Copies may be secured from H. R. F. Helland upon deposit of \$10.00, of which \$8.00 will be returned upon submission of a bona fide bid on the work with such plans and specifications, or upon immediate return of the plans and specifications after examination of same with the advice that no bid will be submitted, otherwise the deposit will be forfeited. 42-2tc

W. C. Gilmore, Mayor
George E. Smith, City Secretary.

Californians Visiting Here

Mr. and Mrs. J. W. Martin and son, Milton, and Mrs. Martin of Brawley, California, came Sunday for a fifteen-day visit here. They were accompanied by Miss L. C. Mathis, Mrs. Milton Martin's sister, who will visit Mr. and Mrs. G. H. Davis. The Martins are visiting their sons, J. L. of Ozona, and W. D., and a daughter, Mrs. H. V. Morris of Sonora.

Wedding Anniversary Observed
Married thirty-five years ago, Mr. and Mrs. J. C. Baker Monday observed their wedding anniversary. Mr. Baker presented Mrs. Baker with a new automobile as an anniversary gift.

Before you go elsewhere to buy, try George Barrow's. He can supply anything in jewelry. Buy on time; no carrying charges—adv.

Twenty Million To Texans Who Need It

Administering of Law Only Policy of State Commission

Austin, Aug. 18.—More than \$20,000,000 has been distributed to Texas needy aged in the last fourteen months, W. A. Little, acting director of old age assistance commission, said this week as he explained that the real purpose of the program was to help those aged who could not help themselves.

"The purpose of old age assistance under both the Texas statute and the federal social security act is to furnish sustenance to those aged who, without state-federal aid, would be in necessitous circumstances," he pointed out.

"The old age assistance commission is not a policy-forming, rule-making agency. Our sole duty is to administer the law as passed by the Texas legislature," Little said.

He went on to show that old age assistance could not be construed as a pension because aid is limited to the needy only and is paid them in the amount of their need. The criteria of eligibility, he explained, is "can this old person get along without state-federal assistance?"

Sonorans Visit in San Antonio

Mr. and Mrs. Ernest McClelland and daughter, Raymie Jo, and Mr. and Mrs. Sam T. Thomas and sons, Sam Harold and J. W., spent the week-end in San Antonio.

Sonorans To San Antonio

Mrs. J. C. Stephen and son, Ernest Carroll, and her parents, Mr. and Mrs. J. L. Cook, went to San Antonio Wednesday. M. S. Stephen and Ernest Carroll will return tomorrow, while Mr. and

Mrs. Cook will visit their daughter, Mrs. Troy White, and family in Somerset.

Mrs. Lee Labenske and daughter, Mildred, spent several days this week in San Antonio.

National child safety education began in 1922. Since then, the traffic death rate for children in the 5 to 14 years age group has dropped six per cent to 13.2 deaths per 100,000.

Wise To Feed Out Cattle By February

A. & M. Man Thinks Beef Market Prospects Very Good

College Station, Aug. 18.—Texas feeders have prospects of an exceptional market for such heaves as they can finish out by the end of the year and the first two months of 1938, according to G. W. Barnes, animal husbandman of the Texas A. and M. Extension Service.

Barnes, who has recently completed a tour of the major grain and livestock areas, reports that the grain crop is good over a major portion of Texas.

"The good grain crop over a large part of the state, in combination with the shortage of grain for early feeding in the corn belt, makes this an ideal year for Texas feeders," Barnes said. He warned, however, that feeders should start their operations at once in order to get their animals well finished and on the market before corn belt heaves begin to move.

The excellent grain prospects in the corn belt have strengthened the demand for feeders and stocker animals, Barnes pointed out. Texas normally sells about two million feeders and stockers each year, he said and feeds out around 150,000 heaves.

If heaves are placed on feed as soon as the grain supply warrants, so that the animals can be marketed before early April of 1938, Barnes believes that Texas feeders could profitably finish out from 300,000 to 500,000 animals.

SUTTON MEN LESSORS OF LAND FOR OIL DRILLING

Oil and gas lease recordings in the county clerk's office recently included:

D. Q. Adams to Ordovician Oil Co., San Antonio, west 320 acres, Section 83, Block A, GWT&P Ry. land, 10-year lease beginning Nov. 28, 1937.

C. W. Adams to Ordovician Oil Co., lease on 1038.9 acres, Section 61 (S½) and Section 64, Block A, GWT&P Ry. lands.

C. W. Adams to Ordovician Oil Co., lease on 1,694.2 acres, in Sections 65 & 66 and 59 (S½) and Section 83 (Npt.)

MASONS' LEADER

An address was made in Uvalde Wednesday night before Masons of that section by Galloway Calhoun, Grand Master of the Grand Lodge of Texas.

Mr. Calhoun, pictured above, spoke in Fort Stockton last week.

H. M. Overstreet of Del Rio, district deputy Grand Master, presided at the Uvalde meeting.

State Commission Tells of Game Laws

Legislation Wanted To Clear State-Federal Middle

Detailed explanation of the desired legislation regarding mourning dove and white-winged dove shooting in Texas has been received by R. H. Renschel, game warden, from the Game, Fish and Oyster Commission by which he is employed.

William J. Tucker, executive secretary of the board, states that a simple bill passed by the Texas legislature at the special session will harmonize state and federal regulations regarding bird shooting. At present, confusing and conflicting regulations are in effect.

The desired legislation, if passed, will provide the following mourning dove and white-wing dove seasons:

In the Panhandle section, September and October.

In the remainder of the state, September 15 to November 15.

Examination of a map showing open and closed seasons in Texas at present shows that open season vary greatly in the 254 counties which make up Texas.

In Sutton county, under present regulations, mourning doves and white-wing doves may be shot from September 15 to October 31. The bag limit for mourning doves and white-wing doves is fifteen a day and not more than fifteen in possession at any one time. Where white-winged doves and mourning doves are both taken in the same day not more than fifteen in the aggregate of both species may be taken.

WARDS AVERAGE \$70 HEAD IN JUNCTION GOAT SALE

Forty-two billies sold at Junction last week by Mrs. J. A. Ward and Son brought an average price of \$70 a head, J. A. Ward, Jr., said in the NEWS office yesterday.

Thirty-six of the Angoras were sold at private sale and the remaining six in the auction ring.

One billy was sold by the Wards for \$230 to Robert Reid of Kingston, N. M., a well known goatman of that section. The six animals sold in the ring brought the following prices: three at \$35; one at \$60; one at \$100; one at \$230.

J. A. Ward Lambs Delivered Fifteen hundred mutton lambs, averaging 57 pounds, were delivered last week and this by J. A. Ward, Jr., Sutton county ranchman. Eight cents a pound was paid for the animals which were bought by Dee Finley.

CAN YOU MATCH IT?

This week's prize for frankness in advertising as well as originality of appeal goes to the Kerrville plumber who bought eight inches of space in the Kerrville Mountain Sun last week to say this:

This Is NO BULL—to run from

When we plumb your plumbing it stays plumbed...or words to that effect, meaning that we GUARANTEE OUR WORK.

IF we can't satisfy you, you sure are hard to please, (probably beat your wife, too).

Then there was the Sonora business man who walked in a business house the other day, handed the cashier a check with this remark:

"That doesn't pay it all but it will help. I'll finish it next month."

After he had gone and book posting was being done it was found he had not only paid his bill in full but had overpaid it by several dollars.

35 Years Ago

Jas. Hinds a cowboy from Bandera was here this week.

Sam Hatcher boss of the Collins ranch was in town Monday.

Miss Leta Moss who has been visiting in Sherwood returned this week.

Bob Dawson the saddler has just received a nice line of lap robes and whips.

Tom Newton the good-looking young sheepman was in Sonora Thursday.

Joe Ross the cattleman frof the North Llano country was in Sonora Friday.

We are constantly replenishing our lace and embroidery stock, Hagerlund Bros. & Co.

Mrs. J. W. Reiley was in from the ranch several days this week at the Commercial hotel.

Miss Luella Word returned Monday from a short visit with friends at Ballinger and San Angelo.

Mike O'Meara left Wednesday on a business trip to San Antonio. We are sorry we couldn't go.

Herbert Palmer has gone out to the sheep camp. His whiskers will be long when he comes back.

Prof. Lewis who has been teaching school in the Stribling neighborhood was in Sonora this week.

W. A. Glasscock of Sonora sold 1000 yearling steers to Bevans & Russell of Menardville at \$15.50.

Hollie Berry, a first-class barber, from Lampasas arrived here Tuesday and will work with his brother, Dave.

Nat Saunders the sheepman from Menardville was here Tuesday and says he could not describe the awfulness of the flood.

The NEWS will print it for you.

Record Number of Trench Silos Built

McCulloch County Feed Crop One of Best Ever Harvested

A record feed crop in many West Texas counties is resulting in the construction of a record number of trench silos there, county agricultural agents report. Many farmers and ranchmen are putting down enough silage to last them two or even three years.

Some 200 farmers and ranchmen were present at a trench silo filling demonstration at the W. P. Stobaugh ranch in Coleman county. The silos have a capacity of 350 tons and were filled with seeded ribbon cane and Johnson grass. Cost of digging the two silos was \$113.

The first trench silo in Reagan county was recently constructed by J. F. Holt. Holt plans to fill two trenches of approximately 50 tons capacity with grain sorghum. If his fall crop warrants, he will dig and fill a third trench.

"My neighbors had such fine luck with their trench silo that I have built and filled one this year," Leroy Dillard recently told the King county agricultural agent. More than seven per cent of all farmers and ranchmen in King county have constructed trench silos during the current year.

McCulloch county farmers and ranchmen are beginning to harvest one of the largest and best feed crops ever grown in the county. The 25 trench silos dug in the past have been filled; 15 new trenches have been dug; and a large number of people are planning to dig and fill trench silos before the year is over.

SUTTON RANCHMAN BUYER AND SELLER OF ANGORAS

Six registered yearling ewes, three in the hair and three out, were bought by W. L. Davis, Sutton county ranchman, last week while he attended the Texas Angora Goat Raisers' Association annual show and the Hill Country Fair in Junction.

All of the animals were Bullard stock bought from C. B. Hudspeth. Thirty dollars a head was paid for the ewes in the hair and \$21 a head for those out of the hair.

Mr. Davis bought one yearling billy at \$45 from Jack Turner of Junction and another from Sam Cooper of Leakey at \$37.50.

Recently Mr. Davis has sold five yearling billies to Bill Hoover of Ozona, four to Carnie Wyatt of Sonora, three to Glen Reeves of Camp Allison and two to G. B. Baker.

Attending Omaha Meeting
The long trip to Omaha, Nebraska, was begun Friday by Dr. I. B. Boughton, veterinarian on the Ranch Experiment Station Staff. This week Dr. Boughton is attending the annual convention of the American Veterinary Medical Association which will be in session there through today.

OTTO MUND'S FAIR TRIP WITH GOATS PROFITABLE

At a cost of about \$10 Otto Mund, Sutton county ranchman, won \$50 in prizes with his goats last week at the Texas Angora Goat Raisers' Association showing in Junction.

Mr. Mund said Saturday that he took six goats, five of which won premiums. His "B" type nanny, in the 2-year-old and over class, won first place. Other premiums won were: third, "B" type yearling doe; second and fourth, "C" type buck kids; third, "B" type yearling doe; fifth, "B" type doe kid, short fleece class.

BANDERA FAIR PRIZES FOR GOATS, SHEEP, FLEECES

Bandera, Aug. 18.—Sheep and goat exhibitors will be given \$100 in premiums next Wednesday and Thursday for the animals they exhibit in contests at the Bandera County Fair.

H. F. Schlemmer, county agent, has announced the following prizes for sheep, goats and fleeces:

Champion ram, \$25; champion ewe, \$10; champion doe, \$10. (Champions to be selected from—first prize aged ram, yearling ram, ram lamb; first prize aged ewe, yearling ewe, ewe lamb; first prize aged billy, yearling billy, billy kid; first prize aged doe, yearling doe, doe kid.)

Best fleece, 12-mo., \$5 and \$2.50; best fleece, 8-mo., \$5 and \$2.50; best fleece, mohair, \$5 and \$2.50; best fleece, kid hair, \$5 and \$2.50.

Mr. and Mrs. C. R. Crokerham and Mrs. Rena Trainer were in Houston last week-end.

After Sundown— Slow Down!

A recent survey of Michigan traffic, made officially by the traffic branch of the State Highway Planning Department of the highway department, showed that motorists throttle their speed very little during dark hours.

Highest average speeds were recorded during daylight. The average dropped to 40 m.p.h. between midnight and 3 a. m. A tip: Accidental Facts (National Safety Council publication) totals for 1936 read:

"One-third of all traffic moves after dark. Two-thirds of the traffic accident deaths are suffered in mishaps that occur after sundown."

Twenty-six states reporting to the National Safety Council show that, during daytime only one in every forty-five motor vehicle accident injuries proves fatal; at night one death results for every twenty-eight injuries.

Onondaga County, N. Y., plans treatment for this night-accident problem. On the nine-mile stretch from Syracuse to Lafayette 200 sodium vapor lamps, each rated at 10,000-lumen, will be turned on late in the summer to flood a mellow orange-yellow light that will provide long-range visibility for motorists and pedestrians.

The safety lighting system will be the largest of its kind in Onondaga county, second largest in New York State.—National Safety Council.

Texans' Ballots To— (Continued from page 1)

paying such officials.

The fourth amendment would provide that no property of any kind would be assessed at greater than its fair cash value for ad valorem purposes and would empower various taxing bodies, state, county and city, to allow a scale of discounts for paying taxes before date of delinquency.

The fifth proposal is unique in that it provides for a purely local constitutional amendment. It would authorize Harris county to adopt a plan of constructing local roads and to levy special taxes to pay for such construction.

The final proposal would authorize the state to pass such legislation as would be required to meet federal regulations in providing aid for the blind.

Guest At Brasher Home

Miss Opal Utt of San Angelo was a guest Wednesday at the home of Mr. and Mrs. Joe H. Brasher. Miss Utt, an employee at the San Angelo Telephone Company left yesterday for Dallas, where she will attend the Greater Texas and Pan American Exposition.

Sonoran's Mother Critically Ill

Mrs. Mary Fields who has been seriously ill for some time in Austin was slightly better this week. Mrs. Fields is the mother of J. W. Fields, who is there with her. Mr. and Mrs. Alvis Johnson were in Austin Sunday and W. J. Fields, Jr., was there last week.

Mrs. James Better This Week

Mrs. W. E. James, who has been ill in Austin several weeks, is much better this week. Mrs. James plans to go to San Antonio Monday to be with her sister, Mrs. P. A. Diehl, and expects to be home about September 1.

Mr. Taylor Better This Week

P. J. Taylor, who has been ill several weeks, was able to be down town this week. Mr. Taylor returned Monday from San Angelo where he had been ill in a hospital.

Joseph Sauer of San Francisco was sentenced to prison after admitting that he had robbed sixty churches of \$100,000.

Personals

Miss Bobbie Halbert visited in Alpine during the week-end.

Mary Sue Blanton is visiting on the ranch with Mrs. Edna Wheat Beam.

Norton Balch of Spofford visited his sister, Mrs. A. C. Fambrough, several days this week.

Mrs. Birdie Rutledge spent Tuesday in Ozona with her daughter, Mrs. George Russell, and family.

Mrs. Ben Martin and son, Ben Edward, of Brackettville are visiting her mother, Mrs. A. G. Blanton.

Kenneth Crawford, who is employed with the state highway department, is visiting his brother, Gayle.

O. W. Bell of Odessa was a guest Wednesday and Thursday at the home of Mr. and Mrs. Louis Roueche.

Mr. and Mrs. R. A. Halbert went to San Angelo Sunday, and her father, B. E. Huggins, returned with them.

Louise Morris and Lois Morris spent this week in Fort Stockton with their uncle and aunt, Mr. and Mrs. Ed Pfeister.

Mr. and Mrs. H. A. Pearson and daughter, Phoebe Ann, returned to Dallas Thursday after a visit with his sister, Mrs. L. W. Elliott, and Mr. Elliott.

Mr. and Mrs. F. T. Jones and daughter, Sandra Ruth, left Wednesday for a visit in Goree with their parents, Mr. and Mrs. E. J. Jones and Mr. and Mrs. F. T. Jones. They also plan to visit in Dallas.

Tax Rate For 1937—

(Continued from page 1)

be 49 cents—a decrease from the 1936 rate of 13 cents.

Refunding Will Help

Assuming that the school remains at 80 cents, as last year, the taxpayer in Sutton county will pay a 3-cent lower total tax rate than he did for 1936, despite the 10-cent higher county rate.

Judge Johnson pointed out that settling of the Courthouse and Jail bonds in 1942, along with refunding of road bonds in 1939, 1943 and 1944 and the retirement of the 1931 series in 1939, will place the county in a much more desirable financial condition.

The refunding and retiring procedures will make the bonds "hurt" taxpayers far less and will be a long step in the direction of what Judge Johnson terms an ideal tax rate—somewhere in the neighborhood of 45 cents per \$100 valuation.

MANY LOOK TO THOSE ON WPA ROLL FOR SUSTENANCE

San Antonio, Aug. 18.—More than twenty-eight thousand Texas children under the age of 14 years are dependent upon the wages of 12,723 mothers employed on WPA projects, it was estimated today by Val M. Keating, associate state director of employment for the federal agency.

Mrs. Keating's estimate was based upon the results of a 25-county survey of women wage-earners on WPA projects. Of the 7,685 women employed in the 25 counties, 3,989 were found to be providing for 8,979 dependent children. Cases studied included only women certified as in need of relief and who were classified as primary bread-winners for their family groups.

Young Man Back From Colorado

A week's trip to Colorado was enjoyed by Lem Eriel Johnson who returned this week from Colorado Springs. Johnson brought back to West Texas one of the cars of Mr. and Mrs. Lea Aldwell who are vacationing in Colorado Springs. The Aldwells took a number of polo horses with them to the western state.

Sonora Man Ill in Hospital

W. M. Mittel who was taken to a San Angelo hospital Monday is slightly improved. Mr. Mittel is the father of Ben Mittel, Perry Mittel and Bill Mittel, Sonora ranchmen, Mrs. Joe Berger, Mrs. Charles Hull, Archie Mittel of San Angelo and Henry Mittel who lives near Christoval.

San Antonians Visiting Here

Mrs. Fred Ross and son, Johnnie, and Mrs. Nora Davenport and daughter, Billy Marie, are visiting Mrs. Ross' mother, Mrs. Neill Roueche, and Mr. Roueche. Vada Jean Ross, who has been visiting here, will return to San Antonio today with her mother.

Lions Club Learns More About Project

Benefit Party By Committee of Club Monday Evening

Further discussion of the proposed examination of Sonora school children occupied the time of Lions Club members Tuesday noon at their regular luncheon.

Correspondence with a specialist regarding the work has brought forth the information that the work might be done each Wednesday afternoon and that the hiring of a nurse as assistant would facilitate the work. It was estimated that twenty-five or thirty children could be examined each afternoon if both physician and nurse were engaged in the work.

Piano solos by Billy Shurley, son of Mr. and Mrs. E. D. Shurley, constituted the entertainment program.

Dr. Joel Shelton of the Child Welfare Committee of the club outlined in detail plans made by Homer Harris and himself for a benefit bridge and domino party Monday evening on the courthouse lawn. All money received will be used in child welfare work, particularly that of feeding underprivileged school children. Other details of the party appear elsewhere in the NEWS.

Guests at the luncheon were: A. W. Awalt, Scoutmaster, Troop 19, Boy Scouts of America; Charles Harris of Jacksonville, Texas, a guest in the home of E. D. Shurley; E. C. Saunders, Sutton county surveyor many years; O. W. Smith, San Angelo, working with Mr. Saunders.

SONORANS ATTEND CHURCH 3-DAY MENARD INSTITUTE

Seven Sonora boys and girls as well as the Methodist Church pastor, the Rev. R. F. Davis, will return today from Menard where they have been attending an institute for young people of the San Angelo district of the Methodist Church.

Morning sessions this week have been taken up by Bible study and afternoons have been given over to entertainment of various types.

Those from Sonora who attended the institute are: Robbie Jo Wyatt, Wirt Ellis Stephenson, Louise Briscoe, Ina Archer, Basil Taylor, A. W. Awalt, J. L. Barnes.

Penicks Return From Georgia

Mr. and Mrs. J. T. Penick returned Sunday from a two weeks' visit with relatives in Georgia. Frank Stovall, Jr., of Madison, Georgia, returned with them for a visit here.

Labenskies Return Home

Mrs. Lee Labenske and daughter, Mildred, and Mrs. Frank Grimes of Robert Lee, have returned from a visit in San Antonio and Corpus Christi. Mrs. Grimes formerly lived here.

Personals

Pat Cooper made a business trip to Fort Stockton Saturday.

Mrs. Joe B. Ross and children are visiting her parents, Mr. and Mrs. D. T. Briggs, in Lampasas.

Miss Joyce McGilvray of San Angelo visited her parents, Mr. and Mrs. B. C. McGilvray, during the week-end.

Mrs. Wiley Akins and children, Billy, Homer, Kenneth, of Dallas are visiting her brother, H. L. Taylor, and Mrs. Taylor.

Mrs. Jesse G. Barton and Mrs. Hayne Graves of Eldorado are visiting Mrs. Barton's mother, Mrs. O. C. Gerdes, in San Antonio.

Miss Edythe Carson returned Sunday night from Austin where she visited Miss Jane Ormond and Miss Christine Zahirniak, University of Texas students.

Mr. and Mrs. W. M. Russell and daughter, Opal Jane, of Megargel came Thursday of last week for a visit with their daughter, Mrs. R. C. Brinkley, and the Reverend Mr. Brinkley.

Mrs. J. W. Hutcheson returned to Monahans Friday after a visit here with her parents, Mr. and Mrs. J. C. Baker. Mrs. Hutcheson was accompanied to San Angelo by her mother who returned to Sonora Sunday.

BAPTIST MINISTER WILL PREACH SUNDAY EVENING

Sunday morning service at the Methodist Church will be conducted by the Rev. R. F. Davis, pastor, but that night he will be in Eden assisting the Rev. W. H. Gaston with a revival meeting there.

The Rev. R. C. Brinkley, pastor of the Baptist Church, will be in the Methodist pulpit at night with members of both churches urged to attend the service there.

The Reverend Mr. Davis will return to Sonora sometime the week of August 29th. An announcement will be made later regarding the "fifth Sunday" associated service of the Baptist and Methodist churches, scheduled for August 29.

More Halbert Lambs Shipped

An average weight of 65.33 pounds was chalked up Friday for 913 lambs shipped by R. A. Halbert from the Sonora pens. The livestock was sold recently to Finley and Kitchens.

Pastime Club Entertained By Mrs. J. W. Trainer

An event of Thursday was the party given by Mrs. J. W. Trainer, when she was hostess to the Pastime Club. Summer cut flowers, placed at vantage points, formed an attractive setting in the rooms where forty-two was played. At the tea hour a salad plate was served. Club guests were: Mesdames Joe Berger, H. L. Taylor, George Trainer, R. D. Trainer. Club members present were: Mesdames W. C. Warren, C. E. Stites, W. E. Caldwell, O. G. Babcock, W. D. Wallace, Hi Eastland, F. T. Jones, Auther Simmons. Mrs. Berger and Mrs. Warren held high scores for guest and club respectively.

Wednesday Dance Honoring Visitor From Alpine

Thirty were guests Wednesday night of Miss Cathryn Trainer and Mr. and Mrs. Robert W. Jacobs when they entertained with a dance at the Scout Hall. Honoree was Miss Juanita Fowler, niece of Mrs. Jacobs, who is visiting here. Miss Fowler attended high school in Alpine last year and next month will enroll in Sul Ross College there. Punch was served throughout the evening. Colored balloons were used for decorations.

SAN ANGELO, TEXAS

Black Again Will Be Leader in Fall

Plaids, Checks Stripes Again in Favor; Bedford Cord Here

Denton, Aug. 18.—Jewels, satins, metal cloths and velvets—these luscious words echo the luxury and sophistication of the 1937 fall fashions.

With a slim silhouette completely in possession of the field, Paris and Hollywood designers have made the most of drapes and lovely molded lines. Necklines are scandalously low, waists are normally high, and many beltless dresses are in evidence. Shoulders are natural for dressy occasions and moderately squared for sports wear. Paris says that skirts must be a little longer, Hollywood says shorter, and milady is left to her own desires.

Hip length jackets prevail for daytime suits, but swing backs are definitely going, going, gone. Uptown suits are shown always in two or more colors, jacket one color, skirt another, and blouse completing the mix-up. There are reams of full-length fitted coats, with sporty models in tweed showing an unexaggerated flare.

Plaids, checks and stripes are as good as ever, with pink and dark combinations favored. Students at Texas State College for Women note with interest the new ideas on trimming, which range from velvet on wool to braid, quilting, rich embroidery and fur.

Everything but trains will appear on fall evenings, and not in years has there been such an outburst of gorgeous materials. Black, of course, is reaching an all-time high in popularity this season, and materials favored for general wear are woolen broadcloth, bedford cord (shades of grandmother!), non-crushable velvet, dull and satin back crepes.

Mayfields Have Guests

Miss Margaret Hearn and her brother, Robert, of Houston, are guests of Stanley Mayfield and his parents, Mr. and Mrs. Ed C. Mayfield. The Houston visitors are enjoying swimming and horseback riding this week at the Mayfield ranch.

Phone us when you have news.

Martin Family Reunion Wednesday at Ranch

Mr. and Mrs. J. W. Martin and children and relatives and friends were entertained Wednesday at ranch home of their daughter and son-in-law, Mr. and Mrs. H. V. Morris.

Swimming was enjoyed by the young people and at noon a barbecue dinner was served.

Mr. and Mrs. J. W. Martin and son, Milton, and Mrs. Martin of Brawley, California, are visiting here.

Those attending the all-day affair were:

Mr. and Mrs. W. D. Martin and daughter, Margaret Ada; Mr. and Mrs. J. L. Martin and children, Marjorie, Doris and Wayne, of Ozona; Mrs. E. E. Green; John Green; Mrs. A. J. Owens and daughter, Lillie; Mrs. Ellen Ray and children, Mrs. Doris and Billy;

Mrs. Alfred Cooper and children, Roy, Raymond, Phillip; Mrs. G. H. Raymond and Phillip; Mrs. G. H. Davis and daughter, Flora Dell; Miss L. C. Mathis of Lometa, L. M. Rouche and Vernon Morris.

Sunday School Class Enjoys Party

The Sunday School class taught by G. B. Rankhorn, at the Baptist Church, enjoyed a party Friday afternoon at the roadside park on the Ozona highway.

Iced watermelon was served to: Charlene Hull, Lois Whiddon, Betty Gene Rankhorn, Willie Nell Hale, Betty Lou Shoemaker, Lois Morris, Elizabeth Taylor, Geraldine Meckel, Alta Pearl Lively, Mary Jo Rape, Georgia Kisselberg, Mary G. Wyatt, Esta Lee Birch, Kathleen Brinkley, Peggy Gilmore, Flora Kisselberg, Georgia Nance, Frances Jo Lancaster, Billie Henderson,

Raymond Cooper, Jack Lindsey, Justin Odom, Sanford Trainer, Louie Andrews, Delma Lee Sloan, Tac Smith, K. C. Collier, Horace Cross, Robert Askew,

Victor Cross, J. D. Birch, Junior Roberts, Robert Wilson, Carl Cross, Perry R. Henderson, Ben Davis, Clyde Henderson, Buster Harris, Jack Harrison, and Miss Audrey Rankhorn.

Miss Karnes Party Hostess Saturday Morning

Bowls of vari-colored zennias were placed at vantage points in the rooms where bridge was played Saturday morning when Miss Alice Karnes was hostess to the Girls' Club.

Breakfast was served as the guests arrived.

Club guests present were: Mesdames Fred Simmons, R. A. Halbert, and Alton Hightower, who held high score.

Club members present were: Mesdames John Fields, W. P. McConnell, Jr., Louie Stuart of Eldorado, R. C. Vickers, J. A. Ward, Jr., Sam Karnes, Duke Wilson, Frank Bond, Miss Ada Steen.

Mrs. Bond won high club score award, and Mrs. Fields second high.

SONORANS RETURN FROM OKLAHOMA VACATION TRIP

A pleasant visit with relatives and friends in Oklahoma was ended Sunday by Mr. and Mrs. N. T. Poindexter and son, Noble, who had been away two weeks.

They visited at Dewey, close to Bartlesville, after traveling across Oklahoma from Dalhart, Texas.

While at the grounds of the Pan-American Exposition grounds in Dallas the Poindexters met Mrs. C. H. Jennings, former Sonoran who lives in Corpus Christi. Mrs. Jennings has been a student at Texas Technological College this summer and told the Poindexters she is to go to Lubbock this month to receive her degree.

Young Man Home From Hospital V. J. Glasscock, who has been ill in a San Angelo hospital has returned home and is able to be down town.

MEAT COURSE HELPED BY SERVING OF FROZEN ICE

We thrive on contrasts, it is said, and perhaps this quirk in human nature is responsible for the vogue of serving frozen ices with the meat course. But whatever the reason, the vogue is desirable.

Mint ice is a favorite with lamb, because it is thought that the flavor of mint enhances that of lamb. It does, but try serving mint ice with ham and you will agree that the combination is excellent.

A combination of orange and grapefruit juice with syrup and frozen is a real tempter with pork chops or a pork roast.

Frozen tomato juice seasoned with a dash of onion or lemon juice is ideal when served with roast beef.

The flavors of grape juice and ham go well together, so why not frozen grape juice served as a complement to baked ham? It is delicious.

Try serving lemon ice with roast pork. The tart flavor of the lemon enhances the tasty flavor of the pork remarkably.

Baptist W. M. S. Meets Wednesday at Church

A Bible study of "Called To Regions Beyond," was led Wednesday afternoon by Mrs. T. L. Harrison when the Baptist Woman's Missionary Society met at the church.

The program given was:

"The Indian, Our Host," by Mrs. J. A. Cauthorn; "The Red Race," Mrs. Ban Odom; "Treaties Made and Broken," Mrs. Roy Largent; "Early Indian Missions," by Mrs. Doyle James; prayer by Mrs. Joe H. Brasher; "Indian Baptists," Mrs. Leonard Caldwell; "Present Day Problems," by Mrs. R. C. Brinkley; closing prayer by Mrs. G. G. Stephenson.

Mrs. Hi Eastland showed the group a picture of an Indian village, taken in 1886 when Mr. Eastland's father was appointed Indian trader by the government.

Mrs. Brasher served punch to fifteen members and guests.

Mrs. Neill Club Hostess Monday Afternoon

Miss Bertha Harris of Cuero won high score Monday afternoon when her sister, Mrs. George H. Neill, was hostess to the Monday Contract Club.

Mrs. Neill's other guests included: Mesdames Mike Murphy, A. G. Blanton, Sam R. Hull, John L. Nisbet, J. A. Ward, Jr., Joel Shelton, T. A. Williams of San Antonio.

Mrs. Taylor Club Hostess Saturday Night

Members of the Friday Night Bridge Club enjoyed a delightful evening Saturday when Mrs. P. J. Taylor was hostess at three tables of bridge. Summer cut flowers added a pleasing note to the party. Cake and ice cream were served after several games of bridge.

Mrs. W. C. Gilmore won high score for ladies and A. C. Elliott high for men. Miss Ada Steen won high cut award.

Those attending were: Messrs. and Mesdames W. C. Gilmore, L. E. Johnson, A. C. Elliott, R. C. Vickers, R. A. Halbert, Miss Ada Steen and George Wynn.

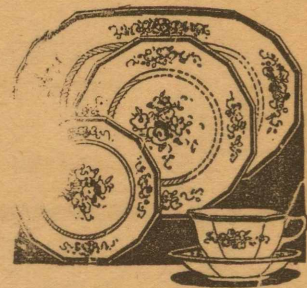

Twenty Members Present Tuesday at O. E. S. Meeting

Members of the Sonora chapter of the Order of the Eastern Star met Tuesday evening at the Masonic building to observe the birthday anniversary of Robert Morris, founder of the organization.

Those on the program were: Mesdames Buena Davis, Guila Vickers, Winnie Fields, Vida Lightfoot and Mrs. Pearl Lee Shurley who played special musical numbers.

After a business session, Mrs. Mary Lee Hull and Mrs. Jessie Johnson served iced watermelon to about twenty members.

Chinaware... Glassware

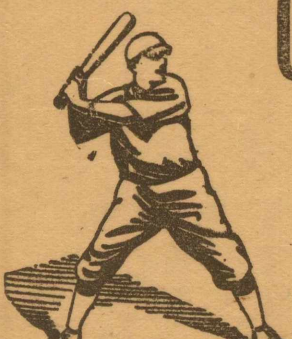

Surely... at Vander Stucken's

You'll like the patterns of glassware and chinaware you'll find in our stock. Quality ware all of it, you'll be pleased with the selection you'll find.

Replace worn-out dishes and glasses now. Busy fall days will find you with other duties than shopping. Come in now and select a new pattern--or replace odd pieces that you have with new and pleasing ones.

This Will Save Your Temper—
A swinging door between kitchen, pantry and dining room is a great convenience. This should be remembered when a new home is being built. The Federal Housing Administration insures mortgages for the construction of purchase of houses.

Over the Kitchen Sink—
Architects have found it practical to specify casement windows when a window is located over a sink. This type is much easier to operate from such a distance, and a 100 per cent opening provides more ventilation.

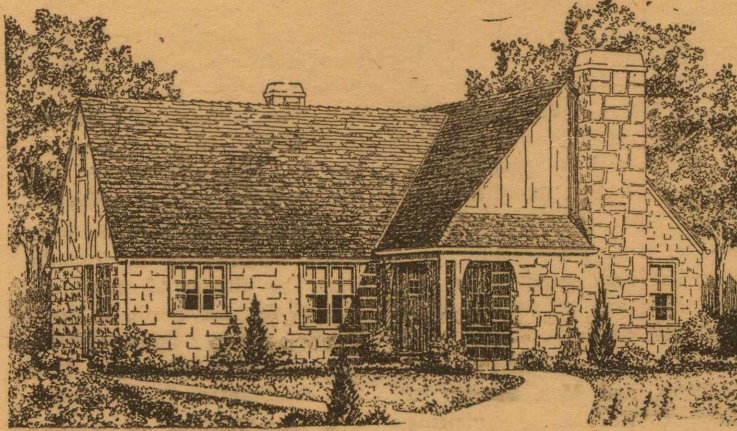

Tidy Drawer Space Necessary
The drawers of a linen closet in a new home have glass fronts, keeping the contents free from dust but making it possible for the housewife to see at a glance which space contains the articles she wants.

--or if you want something English

Well defined in its interpretation of the English style, this home, with its low broad lines and massive chimney is highly attractive to the person who seeks something out of the ordinary.

The plan, for a small home, achieves real distinction, thru the use of a small central hall,

Consider Furniture When Planning Home

Color Consideration of Value For Pleasing Results

If you plan to use your present furniture in the new home you are going to build, this should be considered when the architect draws up the plans.

Harmony is an important factor in adjoining rooms and if you are planning on an informal modern dining room, when your living-room furniture is, for instance, formal Georgian, it would be well to choose a plan that has the two rooms well separated.

Color may be the keynote on which two rooms of the same general character meet. One may have figured wallpaper, while the other has plain walls of one of the predominating colors in the paper. Carpeting, walls, and draperies may be identical with a difference in the type of furniture or the color schemes of the room may be reversed, such as yellow walls and blue draperies in one, and blue walls and yellow draperies in the other.

A new home may be financed under the Insured Mortgage System of the Federal Housing Administration.

QUESTIONS AND ANSWERS

Q. How can I repair cracks in my concrete foundation wall?

A. Open up and clean out the crack; roughen the edges, moisten the old concrete and fill crack with mix 1 part portland cement and 3 parts sand mixed with just enough water to make a workable paste; when patch has set it should be dampened and kept damp for several days.

Q. Is indoor paint suitable for exterior use?

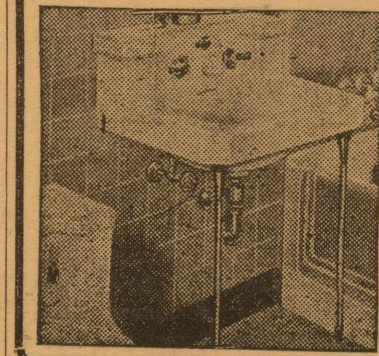

A. Outdoor paint can be used anywhere, but paints intended for indoor use should not be exposed either to weather or to air that is continuously moist. Paint for use outdoors must have qualities suited to exposure. It should have elasticity, that quality which allows it to expand and contract with extremes of temperature; also tightness which causes it to hold to its base and be proof against hard-driven rain; toughness to stand the beating of sleet storms and other severe exposure.

Q. Is it practical to replace ordinary glass with plate glass in windows with small panes?

A. Yes, it is. It may be necessary to increase the size of the sash weights, as plate glass is a little heavier than ordinary grades. If you use thin plate glass, however, the difference may not be great enough to necessitate a change.

Dr. N. W. Squire of London "incapable of caring for cats." must pay Mrs. Phyllis Hancock \$1,250 because he said she was

Switch To ELECTRIC COOKERY with NEW LOW RATE!

Rate Reduced to

2 1/2¢

Per Kilowatt Hour.

Electric Cookery Averages No More than One Cent a Meal per Person

NEW RATE EFFECTIVE NOW!

Requiring usage of the modernized, speedier, and cleaner type of cookery provided by the Electric Range, a new, comprehensive rate, conducive to greater use of Electric Service, becomes effective with this month's payment of bills. Under its provisions ALL OVER 50 kilowatt-hours of electric current used each month costs only 2 1/2 cents per kilowatt-hour. The basis for the reduction is the proven theory that "the more you use, the less it costs."

This reduction, amounting to 16 2/3 per cent, is designed to make Electric Cookery as practical, from the standpoint of fuel, as any other type. The fact that there is no combustion makes Electric Cookery *cleaner*. A greatly improved flattened calrod heats almost instantaneously and hugs the bottom of utensils to prevent escape of heat. There is no flame to burn up oxygen, thus making air fresher and *cooler* in the kitchen. It is automatic, thus making it *easier*. Cleaner! Cooler! Easier! And this new, low rate makes Electric Cookery just as cheap or, in many instances, *cheaper*. Add *faster*. It's another reason for switching to Electric Cookery.

Lowers Cost of Lighting, Refrigeration And All Other Residential Usage Over 50 K. W. H. per Month

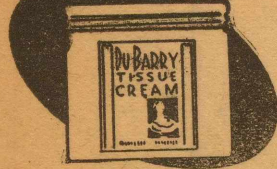

Many, many homes already use over 50 kilowatt-hours of electric current each month. By adding the electric range to kitchen equipment (*it has proven itself the most valuable of all Electric Servants*) you secure a rate of 2 1/2 cents per kilowatt-hour on ALL current used over 50 K. W. H. used monthly.

This means that when you reach the higher usage brackets for light, refrigeration, and all other domestic purposes, your electric bill is calculated at a rate which actually amounts to a saving. It permits increased usage at no additional cost. Best of all, it permits Electric Cookery to enter homes which heretofore considered it "too high."

We invite you to come in so that we may show you the latest models in Electric Ranges. We believe you will approve of Electric Cookery—and the new rate that permits you to use the *switch*.

SONORA SCOUTS ENJOYING DAYS IN STRANGE LANDS

Bearing a postage stamp reproducing the head of the Hermes of Praxiteles a 12-view "letter card" came Monday to Mr. and Mrs. M. G. Shurley from their son, Jack, who with Wesley Sawyer, son of Mrs. E. E. Sawyer, is touring Europe after attending the World Jamboree in the Netherlands.

The pictures are of London's military life although the letter was written July 30, the day the World Jamboree began. The event ended last week and now the boys are traveling.

Jack's letter, in part, is reprinted here:

"...We landed at Liverpool July 26th, got on the train and went straight to London. We missed

chapel and graveyard five or six hundred years old.

"We went to Windsor and saw the castle. It looks as if it would be impossible to capture it. We went up in the round tower, state department and the chapel where they had the coronation. In one room there was enough armor to have a war.

"The next day we went to St. Paul's Cathedral and Westminster Abbey, the latter of which was partly closed because of work of tearing down Coronation seats. The crown jewels were interesting as were the Tower of London, London Bridge and the Big Bend clock.

"...We are in camp and all fixed. This morning James E. West inspected all the camps and said ours was the best one of all the American camps. We have U. S., Texas and New Mexico flags flying. Regular army tents are used... A rope is stretched between the tents with an extra neckerchief on it.

"I have bought a pair of klompen (wooden shoes) and have been wearing them around camp. Yesterday we went to the Dutch Scout Shop and bank. We got some Dutch money, signed autographs, bought shoes and came back to camp.

"Our Patrol has been on K. P. duty yesterday and today...

"This afternoon I did some trading. I managed even though I couldn't talk Dutch or French. I got a Dutch Cub Leader's Badge, a foreign coin of some kind and a neckerchief slide..."

JACOB'S STAFF OFFICIAL
JAMBOREE EMBLEM

Boys who attended the World Jamboree near Amsterdam, Holland, which ended last week became well acquainted with this odd-shaped character that was the official insignia of the world gathering of Boy Scouts.

It is a Jacob's Staff, a primitive form of sextant used by Dutch navigators on their voyages around the world.

ed the Shakespeare country around Leamington. In London we saw the Duke of Kent's home and went out to the Stake Pages, a little

COUNTY COMMISSIONERS BUY NEW MOTOR TRUCK

Purchase of a 3-4-ton truck for use by the county was authorized last week by the county commissioners.

C. H. Carson was the seller. The truck, with ground grip tires and overloading springs, was bought for \$835 less \$330 allowed for a truck that was traded in by the county.

The payroll for road workers was examined and approved as were the reports of the justice of the peace, and monthly and annual reports of the tax collector.

B. W. Hutcherson, assessor-tax-collector-sheriff, was allowed \$600 advance to apply on his fee for assessing of 1937 taxes.

Sonorans Visit Last Week

The pleasure of a trip to Hobbs, N. M., and through Carlsbad Caverns was enjoyed last week by Mrs. Cashes Taylor and children, Billy Wright and Blanche Lavonne. The Sonora people were accompanied by Mrs. Taylor's sister, Mrs. Palmer West of Eldorado, and Miss Etta Teague of Stiles. In Hobbs they visited Mrs. Elizabeth Wright, mother of Mrs. Taylor and Mrs. West. They were accompanied as far as Andrews by Miss Pauline West, sister of Mr. West. They returned Saturday.

Business Man Ill At Home

Still confined to his home this week was J. J. Armour, Sonora business man. Mr. and Mrs. Armour returned last week from Temple where Mr. Armour went through a clinic. When has improved sufficiently Mr. Armour will undergo a tonsillectomy.
