Oliver Jones was returning of rom a trip to Lubbock Sunday pemiums are the best we have proposed inght when his car turned turtle somewhere in the Fairview community on the No. 7 highway. A traveling man ceme along and found the car overturned in the bar pit. When he stopped and looked it over he found Oliver Jones in an unconscious condition. He was rushed to Muleshoe where medical attention was given at once. It is reported that world that was respectively and a sear on the back of his head showed he had received a lick in the accident.

Late reports say he is doing nicely.

10.000 Egg Incubator

# 10,000 Egg Incubator

L. O. Wiseman of Sudan was here Tuesday looking out a location to install a 10,000 capacity modern electric incubator. He realizes the need of such an institution, and is taking advantage of the opportunity. All the farmers, who have full blooded flocks of hens, are urged to keep every nen, and get them ready for the incubator season, which will begin early in January. Mr. Wiseman is going to expect the farmers to be able to supply his machine with tegss. There is a fine market here at Muleshoe forday old chicks. We ordered thousands last season. ordered thousands last season. They will be hatched here if you save your hens.

Program committee of Bailey County Institute will please meet at Court House, Saturday, Oct. 1st, 2 p. m., to arrange program for our next institute

J. E. ADAMS, Conductor.

G. W. Bigler and family of Amarillo have moved here to make their home. They are located in the Howard Carlye house. We are glad to welcome them to our city. He expects to purchase a tract of the shallow water land and go in to farming on a his read.

W. B. Scott of Long Beach, Calif., is here visiting his father, A. J. Scott.

### The Lubbock Fair Program Attractive

"Come on along. Ten thousand dollars worth of free attractions, 3 big circus acts, more ug and the rig is going up rap-lly.

This gives Bailey county two ests below the sand hills. The This gives Bailey county the tests below the sand hills. The Panhandle South Plains rain contract calls for 3500 feet, unless oil or gas is found in paying conantities at lesser depth.

The people the Panhandle South Plains rain which will be held here for the fourteenth annual year, Sept. 27, 28, 29, 30 and Oct 1.

Tuesday of this week. Lubbock citizens on this trip told of the fair and urged and the needle of the southers.

duel with the French bully. Captain
Shunan for Shunary and the dime
novel type of writer especially has
told it with much sensational detail.
Here is the way Carson tells of the
affair:

come Gollath, who had defled the living God.

Lesson for July 31.

The riendship of David and Jonathan has become immortalized in the world's thought. It was unique in that it occurred between two men of rival worldly interests. Jonathan, the crown prince, knew that God had chosen David, therefore he waived his natural rights.

Lesson for August 7.

David knew that God had rejected Saul and chosen himself to be king. Though relentiessly pursued by Saul, and Chosen himself to be king. Though relentiessly pursued by Saul, and Chosen himself to be king. Though relentiessly pursued by Saul, and Chosen himself to be king. Though relentiessly pursued by Saul, Casson for August 14.

When David was made king he desired to bring up the ark, the symbol of God's presence, to the center of the nation's life. Though his desire was worthy, he was not careful to do according to God's way. Doing a right hing in a wrong way is displeasing to God.

Lesson for August 21. Here is the way Carson tells of the faller:

There was in the party of Captain pripa a large Prenchman, one of those overbearing kind and very strong. He was that he was displeased with—and that was nearly all One day, after he lad that was nearly all One day, after he lad that was nearly all One day, after he lad to the prenchment of the prenchment of

cording to God's way. Doing a right thing in a wrong way is displeasing to God.

Lesson for August 21.

Though God did not permit David to build a house for tilm, the did some thing better: the promised to build for the did not better for us than we are able to ask or think.

Lesson for August 23.

Through neglected duty David fell into temptation and grievously sinned by means of a parable Nathan the prophet convicted him of his shi Upon confession to God forgiveness was granted.

Eschember 4.

Hecause Solomon chose wisdom in order to intelligently relign over the nation, God abundantly bestowed upon him wisdom and riches. God's bless ings exceed our asking.

Lesson for September 11.

Solomon's first task after his coronation was building the temple, and privilege which was denied to David his father. Because of Solomon's own and this made the temple, by Lesson for September 18.

Rebohoma's pride and arrogane lost to himself the support of the milror portion of the nation, Ford and arrogane lost to himself the support of the milror portion of the nation, of the nation.

## Community Building

#### City Beautiful Resta With Whim of Builders

Market demands as well as civic duty should cause owners to give architects the latitude to plan proper decorative finish for their buildings.

be on the same side of the lot, if pos-sible.

Sometimes a small garage can be moved a short distance at small ex-pense, providing there is not already a permanent drive. At least as many service units as possible should be cogether. Garage, drive, kitchen en-trance, laundry yard, vegetable gar-ten and possibly swings, trapeze or sandpiles should be grouped together just as much as possible, and ar-ranged in the least amount of space. Next, we must try to relate some portion of the living side of the house to the grounds, which is not strays casy and sometimes impossi-ble.

### Most Fires Avoidable

Most Fires Avoidable

A very small proportion of our anacid fire loss, probably less than a
form to be total, may be classed
as unachine total, may be classed
as unachine total, may be classed
be prevented and if the rest could
be prevented built the rest could
be prevented to the country
of all it is necessary for research of all it is necessary for the
total characteristic. Fire losses can
never be appreciably reduced until the
human equation is altered radically
for the better. It will be a long
time, if ever, before all structures
used and occupied by the people of
this country are sufficiently proof
against fire to offset the carelessness
that is responsible for the greater part
of our current fire losses.

### Summer Work

Summer Work
During the summer is the proper
time to go over the house and pick
out spots that need repairing, and
when the work is completed it is advisable to give the house a new coat
of paint. Painting will reduce the decay and wear on the home and will
give a better appearance.
good time
to go over the interior of a home and
see that all the woodwork is in a
condition that will make the dwelling have a neat appearance.

### Have Well-Built House

Have Well-Built House
The less expensive the lot the more
snoney is left for the house itself, and
a well-constructed house on a cheap
lot is more desirable than an unsatisfactory house on an expensive lot. Although a house that is very much
more expensive than its neighbors
might be hard to sell at a good price,
and the characteristic of the selfmight have brown may add nothing
at all to the sale value of an expensive
lot.

### Civic Duty

Civic Duty

Would you do your part—perhaps
saily a very small part—to make the
city cleaner and more sanilary and
to lower the fire huzard? If so, co
operate with the city administration,
in its clean-up program. If your prem
isses need putting in order, if your

### Castaway in Mid-Ocean

Cataway in Mid-Ocean
About 800 miles of Boston in the
North Atlantic the lookout on the
Steamer Preddent Garfield saw a
piece off-wreckage. It was a hatch
cover with a live object on it. The
steamer stopped and rowing out to
the wreckage saltors found a Slamese
kitten, wet to the skin and half
starved but still alive. Where it came
from will remain a mystery of the sea.
It is now a mascot of the Garfield's
crew.—Capper's Weekly.

For true blue, use Red Cross Ball Blue. Snowy-white clothes will be sure to result. Try it and you will always use it. All good grocers have it.—Adv.

Got His Money Back
In plowing near Pairiee, Md., a
Jamer turned up a pockebook which
he had lost two years ago while at
work in the same spot. The wallet
was practically decayed and a \$5. bill
it contained had fallen into seven
pieces. The money was forwarded to
Washington to be redeemed for the
benefit of the owner.

### CHAPTER IX—Continued

"A home a home!" repeated the other, mody eyes on the pipe which he rubbed in his broad palin. "It doesn't mean anything to me, John."

"Yes, I know," and Skene looked pityingly at his chief. Then voices on deck straightened them in the distribution of the control of the door of the cabin. "There's an Injun, here with some news."

"Well, 11 be d-d I Who found him?
This Bird?"
"No, he see some Cree crossin' rea
at de Beep solut-dey rell him."
With a quick movement, McDondtwell and drew the interpreter to
him. "You say some of the Indians
are crossing to the maintain?"
For a space the harsh phonetics of
the Cree tongue filled the cabin.
"At Beeg point, pesterday, he see
many degicean from de nord' cross
de fee, A Canoe Ribiers hunter say
the fill McKoman dead in snow by
riviers shore."
"But where's eld Somet? Didn's he

he fin' Mokoman dend in anow by riviere shore.

"But where's old Souel? Didn't he make blis medicine on the Canoe?"

"Tea, he say Souel man' beeg medi-che two steep bast—all de houser cen-ber to steep bast—all de houser cen-che was steep bast—all de houser cen-le was steep bast—all de houser cen-"Good! Souel is bringing them down the coast."

But as the interpreter continued to laterrogate the Indian his eyes widened in surprise, which swiftly gave way so constrained. Turning excitedly, he cried, "Soud tell dem Cree dat de-den crasee—he he he ret les seare dem crasee—he he he ret les seare dem crasee—he he he ret les seare dem crasee—he he he ret see.

McDonald and Skene were on their feet, "What?" roared the free-truder, "He's taken them — to Elkwan? Stunned, the white men sought each other's trees.

Stunned, the white men sought each other's faces.

"South, he come here to fool us," went on Miche, "He work all tam for de Hudson's Bay,"

"Whipsawed!" And McDonald's built sild illimply into his chair.

"The old beggar! He fed it to us like a lot of schoolboys!" sputered skene, warging his grizzled lend. "He sure put it over in style."

"Played like a pair of fish!" Mc-"like a

Skene looked suggestively at his chief, as he added: "We have-and you

chief, as he have."

The other shifted his gaze as he muttered, "Yes—that's only too true."

"But Mokoman! What'd you say happened to him?" Skene asked Michel. "He was killed by de dog—hees troat tore."

ably. A small fortune! H—It" In his chaprin Skene crashed his hard fist on the table.

"You're a judge of men, John, That fellow sure licked us," McDonald as district under the southern bentied under the southern bentied under the southern bentied under the southern bentied to hear the white part of the southern bentied under the southern bentied to the southern bentied to the southern bentied to the southern bentied under the southern annual with this devil talk, they'd follow the observable the southern canna with this devil talk, they'd follow the observable the southern annual to the southern bentied under the southern bentied und

which stratagem and proud of the praise which Garth had given unstitutedly in the privacy of his tent, had led the Akinlask hunters with their valuable fur-packs. In the trade-room Garth and Ellenne were busy perparing for the trade which had not yet begun, for an Indian makes a ceremony of his Christmas visit to a post and in contrast to the speed with which as contrast to the speed with which as on the way in, is the deliberation with which he proceeds to barter his hunt when he has reached the fur post. It was a happy pair that were opening bundles of biankets, getting out sugar and flour, ten and tobacco, from the store-room-filling the shelves with the trade-goods of the company. "Ah-hah! W'at goin' on out deve?" Eltenne fooked from a window. "De mail ces counds" he cried, and slipping on his parka, went out followed by Garth.

by Garth
The Albamy mult! Garth Gathrie's thoughts were a medley of surmises, quoestions, hopes. Letters from home!
There would be little from his family—Ethel, that would bring cheer to an exite's thristmans. But the letter that the late with the control of th

In the heart of the Santa Claus of Eliwan, the pleasure lighting the dark faces of his friends at his unexpected gifts reacted manyfold. Besides, at the top of the tree, his own Christmas walted his eager eyes.

When with much bustle and chatter his friends returned to their cabin and old Anne left him, Garth sat down to read the letters from home. The first opened was his brother's, which ran as follows own brother was to disgrace himself as you have seen fit to do up there on James bay, I should have knocked down the liar who said it, We understand now your strange refusal to return home, your indifference to Ethet and the business. Professor Quarriet has given me the whole shameful story. A white woman would have been had enough—but a squaw! Fuh!"

Pah!"

Guthrie's lean face set hard as he read the first lines. Slowly the blood pushed up under the wind-burned skin.

pushed up unuer sue skin.

"A witte woman would have been had enough—but a squaw;" Reading no further, he crushed the letter in his hand and let it full "Yoor Ninda!"

The letter from Clara was a medley of hysteria, reproach, and unnistaka ble evidence of a sincere affection for

"De Mail Ees Comin'," He Cried.

"De Mail Ees Comin'," He Cried. her erring brother-la-law. His eyes softened as he followed the misguiled woman's effort to appeal to his sentiment—to his old love for Ethel.

"Of course she knows, Garth. That may be comeditive to the country of the country of

month earlier than the other and he read that first, "I imagine your life in France," rat the letter, "was similar to that of the last year on James bay. I have there, Was it a French stirt or a srm, nurse?"
She had unwittingly hurt him in the only way it was now possible for Ethel Falcener to reach the man who had once loved her. Army nurse? What had Ethel done for Cannota to the hadron of the stirken had been been as the stirken had been been as the lines, that stricken men might live? He read ou: "Of course, Garth, this your answer. I was willing to forget the slight, the neglect, but when

we learned how you had been living, my love died. To share your affec-tions with an ignorant, immoral squaw was asking a little too much, Garth."

The man who read laughed outright.
"Your love died, my poor child, on the
sharf at Quebe, when you saw what
the Huns had done to your solution."
Well, when he possesset the
"Well, when he possesset the
"Well, when he possesset the
"Well, when he possesset the
went on. "She throws me over in the
first letter, horse, foot and dragons;
why continue the agony?"
Opening the second envelop, he
read: "When I wrote you. Garth,
dear, I did not understand that she
had died, but Mr. Quarrier tells me
course, It was all a hurrible shock,
but now that it is over and you may
come home, I am willing to forget the
past—if you want me to."
Hishing indigust, Guthrie paced the
floor. "Mercful heavens! She's willing to forget the past! Poor, shallow,
schening. Ethel: I rather than lose
at humble-ple, growel on your knees.
Was it a French girl or a nurse?"
du quoted scathingly. "Leady to
swallow that, too, are you, my dear?"
Guthrie finished the letter. So
Ethel Falconer waited with open arms
for the prodigal lover But unlike the
son of the tale, the prodigal lover was
red to try to forget its black sheep.

Shakespeare Held as

Leader of New Art

The masterpieces of one art were
produced at its birth. The theater
was a new institution in the social life
of Shakespeare's youth, and the first
dozen years old when the great poet
arrived in London. The Middle ages
had gratified its love of mimicry by
miracle plays, which devolped into
moralities and interludes. The middie of the Sixteenth century Latin and
Greek plays were crudely imitated in
English, but of peetic, literary, rolate of the Sixteenth century Latin and
Greek plays were crudely imitated in
English, but of peetic, literary, roknew practically nothing until Shakespeare was of age.

"Here," it seems he must have said.
"Is a land just discovered—I shall be
the leader of its exploration." A
young man of twenty-two, burdened
with a wife and three children, he
had left his home in his native town

#### Sweet Ad-a-Line

Three things that I
Could do withoutAre spinach, kale
And sauerkraut.

I'd surely think It was no loss,
If they'd not give
Me applesauce.

-Adam Breede

And I believe That I could bear it If I should never See a carrot -Judd Mortimer Lewis

Gladly could I Endure all these If someone'd eat

My cottage cheese.

- Donne Keichel. I hate, I hate O how I hate, O

How I hate The red tomato.

—Elmo Scott Watson

I think is fine.

'Tis quite a trick. Ere I can bite,

It slides so slick

Eating corn Is quite a treat, But corn to drink corn to Grin.
Is sure defeat.
-R. B. Boyle.

Miss Helen Carles returned Monday from a trip to Amarillo, Clarendon, Borger and other Panhandle points. She was ac-companied on the trio by Miss Vera Eller of Clovis, N. M., who is visiting here this week.

John Lacy of the bank re-turned from his vacation Mon-day. He has been visiting in Kansas City.

For SALE-Windmill and tow elevated tank and tower, about 80 feet of pipe.

L. S. Barron.

Miss Virgie Roach left Saturday for Sweetwater, where she will enter school. She has been assisting at the telephone office.
