### An Appreciation

St. 50 per year

Make It Hard
For the Criminal
There is a whole lot of talk about the crime wave and how to reduce crime. A few practical suggestions have been made, but most of the publicity is given to proposals which would favor and pamper the criminal at the expense of the law-abiding citizen.

There are times when prizes are given or drawn that it is said of the winner that he or she were not deserving of such prizes not the winner that he or she were not deserving of such prizes as well as others. The winner of the bedroom suite last Saturday is duly apprecia-tive and wishes to take this means of thanking the merbaros and pamper the criminal at the expense of the law-abiding citizen.

# at A. & M. College

is to make it more unpleasant for the criminal.

A law to deny the private citzen the right to buy and own a pistol or revolver merely gives the criminal a safer field in which to operate. We aiready have regulatory laws regarding the sale of revolvers and the carrying of concealed weapons.

These laws, in the past, have been effective when they were enforced.

The average man has no business carrying a concealed weapon. If he has occasion to, he foreford Counter Wed.

A Dew Year's Conscience by Wartha Banning Thomas =

Some of us were born in New England and have that kind of a conscience. Why New England should produce a particular conscience seems a little difficult to explicit to explicate the conscience of the conscience is conscience. It gives us a faint set of circumstances. Well, then—the to think we obeyour conscience is—"a still, small volce," unscience is a sill, small volce, unscience is a sill, small volce, un

owner.

Let this year's conscience be noured by that higher, unwritten reonsibility which answers the quiet,
however knowledge of life carried forurd with the utmost strength and

age. appy New Year to our con-

### A Good Resolution

# A PSALM FOR NEW YEAR'S EVE

By Dinah Muloch Craik 

O good New Year, we clusp This warm shut hand of think, Loosing forever, with half sleb, half gasp. That which from ours falls like dead fingers' twine: Ay, whether derce its grasp Has been, or gentle, having been, we know Tai' i was blessed; let the Oid Year less.

Confort our souls with love— Love of all human kind; Love special, close—in which, like sheltered dove, Each weary heart its own safe nest may find; And love that turns above Adoringly, contented to re-sign All loves, if need be, for the Love Divine.

Friend, come thou like a friend,
And whether bright thy face,
or dim with clouds we comprehend,
We'll hold out patient hands,
each in his place,
And trust there to the end,
Knowing thou leadest
on Willers there are neither days,
nor months, nor years,

### Every Year a Milestone

The Lord bless thee and keep thee. The Lord make fils face to shine upon thee, and be gracious unto thee. The Lord lift up his countenance upon thee, and give thee peace.—Numbers 6:24-20.

"To think my year's work was to turn out like this. A softy, a sup-what thinks a New Year says a new start—and after that thing, too." His laughter subsided as the scraping of a Ley and the tumblers of the lock garea warning note. Four feet found their way over the window slin to the durkness of the hight. (20, 1921, Western Newspaper Gabra.)

As the Old Year Dies

To most people the passing of the year, even though the new period holds hope of ndvance and greater happiness, has its sad aspect. There itse hell an neglected opertunities, wasted heurs and days, chances for work; endoard ignored. The retrespense has been been described by the presence of the presenting of the presence of the presence of the presence of the pres

### Lesson for January 1

JOHN THE BAPTIST AND JESUS

LESSON TEXT—Mark 1:1-13.
GOLDEN TEXT—He must increase,
but I must decrease.
PRIMARY TOPIC—John Tells About
Jesus.

Jesus.
JUNIOR TOPIC—John Welcomes and
Baptizes Jesus.
INTERMEDIATE AND SENIOR TOFIOS—John Frenares the Way for Jesus.
YOUNG PEOPLE AND ADULT TOPIC—John Heraids the Mighty One.

YOUNG PEOPLE AND ADULT TOT—
John Heralds the Mighty One.

In order to inderstand the lessons for the first six months of the year it is necessary to grasp the central purpose of the Gospel according to Mark. In the Old Testament is set forth an angust portrait of Jesus Christ. He is the Branch, the King (Jer. 23:5); the Branch, the Sann (Zech. 35); the Branch the Sevenat (Zech. 35); the Branch of the Lord (Isa. 42).

The fourfold account in the New Lord of the Control of the Contro

ediately."
Who is Jesus Christ (1:1)?
is none other than God's Be-

He is none other than Gous be-loved Son.

11. The Forerunner of Jesus Christ
(vv. 28).

1. Who he was (vv. 23).

He was John, the Baplet, who was
proplessed of more than five hundred
years before (fis. 49.2).

His mission was to prepare the way
for Christ's coming. He represented
binself as but a volce of one crylic
fineth wilderness. He was therefore
Golfs voice sounding forth the divine
will and purpose. He was content to
be but a voice. 2. John's message (vv. 3-8).

(1). Prepare ye the way of the ord (v. 3).

(1). Prepare ye the way of the Lord (v. 3).

It was customary for servants to go before distinguished personages and prepare the read over which they were to travel, in this preparation was the leveling of the surface, etc. John's message mean therefore that the people should remove from their hearts everything which hindered the incoming of the Lord.

(2) The baptism of repentance (v. 4).

(3) The baptism of repentance for the coming Christ the people were to repent of their sins. Those who repented were to be published to the propie were to repent of their sins. Those who repented were to be published to those who repented as an expression of penilence which led to forgiveness of sin.

(3) The coming of the Messtah

control of the contro

death.
(1) The opened heavens. This indicated His connection with heaven.
(2) The descent of the Spirit upon Him. This gave the divine seal to His

Him. This gave the divine seal to His with The voice of appreval from heaven. This made clear to John the fact that Jewes was the Messiah.

IV. Jesus Christ Tempted by Satar, V. Jesus Christ Tempted by Satar, This took place immediately after the heavenly recognition. This testing was to demonstrate the reality of demonstration believerse of this demonstration believerse of this demonstration believerse of the sured that the Son of God has become incorporated with humanity for the purpose of its salvation.

From Beginning to End
But the land, whither ye go to
possess it, is a land of hills and valleys, and drinketh water of the rain
of heaven; a land which the Lord
thy God careth for; the eyes of the
Lord thy God are always upon it,
from she beginning of the year even
unto the end of the year,—Deut.
11:11-12.

From God's Hand Whatever comes from God's hand bears good fruit.—Fenelon.

# Famous for Ability

to Design Furniture
Important as an induence on furniture forms of Eighteenth century
America was the work of the four
Adam brothers of England, chiefly the
work of Robert Adam, whose influence on the furniture of England from
1700 to 1780 was marked.

1760 to 1780 was marked.

He was a man of means, a traveler, but he was not a cabinet maker. He never made a pleee of furniture in his life, though it is on his furniture that his fame rests. When he designed a house he also designed the furniture to go in it, even going so far as to mark chalk spots on the floors in the floor of marked points and the spots of the spots of

of "Antiques."

He drew his inspiration directly from ancient Pompeli, uninducenced by his trip through France. His furniture legs were straight, his hoes were straight, his hoes wround or oval. His decoration was purely classic; he often employed the well known classic ura. Adam may have snubbed Chippendale, for not one trace of Adam's influence is found in the other's work.

### INFANTS' KNIT ENSEMBLES; HANDWORK FEATURES HATS

Z IP1 And the little slipon sweater kint of fleecy angora wool is fastend with a single gesture, perfectly near and secure, so that not even a mile of a breeze ean creep in. Z[p1] And right down its front fastening at the touch of derl fingers. As is even to the left has one of these zipoer fastenings. In fact most new-type sweaters, likewise leggins, are equipped with them and they are proving a real

the collection of hats in this picture. The beguiling detail lavished on these delectable models is characteristic of the midwinter trend. Of course, in keeping with festive occasions of the social season, there is a note of dressiness such as the early hats tid not possess. The tendents which makes the fashions of today is particularly reflected in the lovely hats shown here. Not only its this attained with the popular metallic touch,

Two Cute Outfits.

Two Cute Outfits.
but the newest medels are displaying exquisite beed embeddery.
Speaking of beeds, if you are wanting something new in the way of a chedee boutonniere, yon will find it in dainty little bouquets made of tiny coloral beeds strung on fine wire, then worked into petals and teadris and leaves.
Very lovely beedwork enhances the distinguished tittle sint hant shown and the strength of the structure of the left, and as to the shape fisself, one cannot but be impressed with its novelty and charm.
The hat with the wee brim cleverify suggests a heimet at the sides without detracting from a becoming clucke contour. The beals are gold worked on a broane satin background.
"different" about the finance crown which imparts such effective "lines" to the chapeau in the center. The beadwork displays an exquisiteness which appeals to discriminating taste A touch of the oriental is suggested in the beautiful evening chapeau of cloth of gold and metal brocade, to which the long frings side trim inspections.

California Has Claim

California Has Claim

to Heaviest Rainfall

Up to the time of this writing, the
world's record rainfall was observed
in a district on the west front of
the San Gabriel range, a writer in
the Kansas City Times suys. Here,
on April 5, 1920, a fall of 1.02 inches
in one minute was measured on a
weighing rain gauge and was reported by the United States weather bureau and the Los Angeles council
the control of the same
pattern had been installed near the
other, for test purposes, and as both
instruments made the same record
additional testimony of its accuracy
was afforded. The previous fainfall
record was observed in Panama. On
November 20, 1911, a fall of 2.47
inches was registered in three minteror'd Bello.

# Story for the Children

"Oh, dear, oh, dear, oh, deer," said Maggie, "whatever will I do, I've lost my stocking and I'm getting dressed to go to the party. "I's one of my best stockings, too. Dear me, where can it be?" "Where could that stocking go?" "Where could that stocking go?" She milliot can be able to the stocked and she looked and she she million to the stocked and she she million to the she was to the stocked and she she million to the she was the s

looked.

She pulled out her bureau drawers, she pulled out things from her shelves. She looked under chairs, under the bed, behind chairs, behind the bed. She looked everywhere, and she kept calling out to everyone in the house:

sept caning out to everyone in the house;

"Please took for my stocking."

"Ill agroupe find my stocking."

"Ill give a penny to anyone who flost my stocking."

Quite often Maggie did ofter a reward like that, for she thought it made people look for her things a little harder, and she was apt to lose her things.

Not for long, of course, but she had put them somewhere else than she remembered.

memored.

For instance if she said to herself:

"Now I'll remember and put my
plece of candy to eat after lunch on
the mantlepiece instead of on the

### JERUSALEM ARTICHOKES GOOD BAKED OR BOILED

GOOD BAKED OR COLLED

(Prepared by the United States Department In many localities Jerusateun artithokes grow shundantly when once started in the garden. Their cutture is like that of corn, and they are due by hand. In food value the United States Department of Agricultude saythey are similar to the points. They states Department of Agricultude saythey are similar to the points. They states Department of Agricultude saythey are similar to the points. They have need to be of their contraction of the states of the states of the points. They have need to be of the states of th when properly cooked.

As these tubers are irregular is shape they are relianous to perpare for the table, as they must be scraped out the stable, as they must be scraped out the stable, as they must be scraped out. The stable is sufficient to the stable as they must be scraped out. The stable is sufficient to the stable as they must be scraped out, must be scraped out, must be stable or boil them in their skins and ear with butter, sail and perper, or they may be scraped out, must be stable as made, and then served. Boiled Jerns sound, and then served. Boiled Jerns sound, and then served. Boiled Jerns sound, and then served. Boiled Jerns while succeeding. They may be screed the stocking she had on his washstand and she removed the stocking she had on her washstand er cooking. They may be served the stocking she had on her washstand are sooning. A little lemon julce or united the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand there is made the other washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand and she removed the stocking she had on the washstand is continued to the stocking she had on the washstand and s

she would be sure to be tooking for in the side-board and would be say ling:

In the side-board and would be say ling:

In sure it must be on the side-board for it thought it would be so much better to have it in the common where I was finishing my dimon."

So Maggle offered a penny reward for the stocking.

Every one began to hunt once more, It was true they did hunt for her things more when she offered a retaining more when she offered a retaining the side of the side

Take the stew from the store with the stew will cook the egg sufficiently. How to Prepare Very
Tasty Meat, Toast Dish
Oriental cookery furnishes a suggestion for preparing meat in a way
that is somewhat out of the ordinary.
The raw meat is cut into thin shreds,
preferably with selssors, and then
cooked with savory flavors, combined
so as to make a gravy, which can be
served en tonst. In a Chinese restar
ant you would probably find this
meat served with fried noodles or
French fried onlons, or both, and a
little bowl of delictous flaky grains
of rice would take the place of the
toast. The Japanese would use most
of the same ingredients put tegether
in a different way.

# New Velvet Frocks

NATURE is somewhat a fashionist heraelf, changing her garb with the coming of each season. And what a shilling example does alse set of the appropriate of the season of t

being typically approps for the midwinter style picture.

Every one must admit that costurnes of multi-colored plaid and
checked velvet, such as are shown in
tha picture "look the part" of wintry
cheer. One could not choose a frock
of greater enchantment for immediate
wear than either of these models. In
destructible velvet check in royal blue
for the gown to the right in the filtustration. Not only is the material itself beautiful beyond words, but it
emphasizes the cleverest sort of fabric
manipulation, combatting the checks in
artful ways both on the bias or the
straight as well as circular cut.

Speaking of the combination of purple and blue as stressed in this
checked velvet of which this frock is
fashioned, these two colors frequently
form an alliance. As to purple or
amethyst, all Taris is exploiting these
course to the velvet frock.

The other velvet dress complements

syst, all Paris is exploiting these lass deep violet, especially when here to the velvet frock.

### A Good Resolution

# A PSALM FOR NEW YEAR'S EVE By Dinah Muloch Craik

\*\*\*\*\*\*\*\*\*\*\*\*\*\*

FRIEND stands at the

A rations and the second and filling rich gifts, three hundred and three score; Even as seed the sower. Each drop, he treads it in, and passes by; It cannot be made fruitful till it die.

O good New Year, we clasp , This warm shut hand of thine, Loosing forever, with half sigh, half gasp, That which from ours falls like dead fingers' twine: Ay, whether fierce its grasp Has been, or gentle, having that it was blessed: let the Old Year go.

O New Year, teach us faith!
The road of life is hard:
When our feet bleed, and accurging winds us seathe,
Point thou to Him whose visage was more marred
Than any man's; who saith for your
"Make straight paths for your
"Come ye to Me, and I will
give you rest."

Friend, come thou like a friend,
And whether bright thy face,
Or dim with clouds we cannot
comprehend,
We'll hold out patient hands,
each in his place,
And trust thece to the end,
Knowing thou leadest onwards to those spheres
Where there are neither days,
nor months, nor years,

### As the Old Year Dies

Date's hands in hers, "You win," she said.
"But I don't understand! Why did you turn me down last night?"
"I'll tell you on the way home. Amery can help Dad out. After all, i'ts his car."
As they drove on together Adaline explained. "I've been trying to get Dad to trade in the old car," she said, "but he and Mr. Hodge couldn't agree on the price. After eight dances last night Amery raised his bid a hundred dollars. That's a little better than dollars. That's a little better than

# A THRIFTY NEW YEAR

A THRIFTY NEW YEAR

New YEAR'S resolutions are so often broken and leave many regrets, and the following year have to be made all over again. Why not try this resolution which cannot be broken and the next year will not bring regrets, but loy and a sense of security against the rainy day: Try buying several banks at the toy store or seal up an old balking powder can, slitting the balking powder can, slitting the strength of the security of th

### Lesson for January 1

JOHN THE BAPTIST AND JESUS

LESSON TEXT—Mark 1:1-13.
GOLDEN TEXT—He must increase,
ut I must decrease.
PRIMARY TOPIC—John Tells About
saus.

Jesus.

JUNIOR TOPIC—John Welcomes and
Baptizes Jesus.

INTERMEDIATE AND SENIOR TOFICS—John Prepares the Way for Jesus.

YOUNG PEOPLE AND ADULT TOPICS—John Heralds the Mighty One.

In order to understand the lessons for the first six months of the year it is necessary to grasp the central purpose of the Gospel according to Mark. In the Old Testament is set forth an august portrait of Jesus Lessons in the Control of the State of t

are reprinting which minested the income of the form of the baptism of repentance (v. 4).

In preparation for the coming Christ the people were to repent of their inst. Those who repented were to be baptized. Baptism was to be administered to these who repented as an observed of the strength of the st

righteousness through death.

(1) The opened heavens. This indicated His connection with heaven.

(2) The descent of the Spirit upon Him. This gave the divine seal to His work.

The voice of approval from

Him. This gave the divine seal to His with the word. The voice of approval from beaven. This made clear to John the fact that Jeeus war the Messiah.

IV. Jesus Christ Temptad by Satan (IV. 22,13).

This took place immediately after the heavenly recognition. This testing was to demonstrate the reality of the incuration. Because of this sured that the Son of God has become incorporated with humanity for the purpose of its salvation.

From Beginning to End
But the land, whither ye go to
possess it, is a land of hills and valsays, and drinketh water of the rain
of heaven; a land which the Lord
thy God careth for; the eyes of the
Lord thy God are siways upon it,
mote the god of the year even
into the end of the year.—Deut
11:11-12.

From God's Hand Whatever comes from God's hand ars good fruit.—Fenelon.

# What's the Answer.

Answers No. 27

1—Greater Antilles.

Advertiser, Philadelphia.

16—From Panama to Cape Horn.

17—Buenos Aires.

18—Twenty-five years.

19—In 1896 by Frederick J. Goodrich, a sophomore at Harvard.

20—Gen. Joseph Wheeler.

# Philology Tells Story of Long-Vanished Race

Somewhere, and so long ago that it is equally impossible to say when, there dwelt in Europe or Asia a most remarkable tribe of mankful, says a few to the control of the co

These people were the fathers of the so-called Aryans, who in growing numbers swelled beyond the boundary of the so-called Aryans, who in growing numbers swelled beyond the boundary of the swelled by the same of the carth. Knowledge of this ancient race has been brought about solely by workers in comparative philology—the study of words. Word by word the language of the original Aryans has been exhumed from the descendent modern languages until, pleced together, they tell the story of a vanished people.

### Famous for Ability

to Design Furniture
Important as an influence on furniture forms of Elighteenth century
America was the work of the four
Adam brothers of England, chiefly the
work of Robert Adam, whose influence on the furniture of England from
1700 to 1780 was marked.

1700 to 1780 was marked.

He was man of nesine, a travelor, but he was not a cubinet maker. He never made a piece of furniture in his life, though it is on his furniture that his fame rests. When he designed a house he also designed the furniture to go in it, even going so far as to mark chalk spots on the floors to show where each piece of furniture show where each piece of furniture taking, exquisite in the spirit of aniquity, says Sarah Lockwood, author of "Antiques."

He drew his inspiration directive

of "Anliques."

He drew his inspiration directly from ancient Pompeli, unbufuenced by his trip through France. His farniture legs were straight, his lines were straight, his backs round or oral. His decoration was purely classic; he december of the well known classic urn. Adam may have snubbed Chippendale, for not one trace of Adam's influence is found in the other's work.—Exchange.

### Islanders Evade Tax

Islanders Evade Tax
Eddy Island, of the coast of Galway, Ireland, is so close to above that
its few inhabitants can observe boats
leaving the mainland and prepare an
appropriate reception for visitors. Nobody on the island has paid anything
toward the maintenance of the Galway county council for years, and the
last time builties landed the inhabelast time builties landed the inhabity exists of selsing the cattle on the
island as they are driven to almost inaccessible hiding places when builties
appear. The Islanders owe the county
about \$100,000.—New York Times.

Various School Terms
The bureau of education says the
school term extends over a period of
180 Jays in Italy (sexclusive of Sundays and holidays); 215 days in Eathonia; over 200 in Germany; over 200
in France; 202 in Czechosłovakia; 227
in Hungary; 200 in Lithuania; 200 in

Two Cute Outfits.

Two Cute Outfits.

The deep seems to models are displaying exquisite bead embroidery.

Speaking of beads, if you are wanting something new in the way of a choice boutonniere, you will find it in dainty little houquets made of tiny colorful bends strung on fine wire, then worked into petals and tendris and leaves.

Very lovely beadwork enhances the distinguished little satin hat shown at the top of this group to the left, and as to the shape lised, one cannot have the content of the structure of the content of the left, and as to the shape lised, one cannot have the structure of the left, and as to the shape lised, one cannot have the left of the left, and as to the shape lised, one cannot have the left of the left, and as to the shape shape of left, and the left of left, and it is not left, and it is not

The last hat in the group is won drously all-over patterned in beads

California Has Claim

California Has Claim
to Heaviest Rainfall
Up to the time of the writing the
world's record rainfall was observed
in a district on the west front of
the San Gabriel range, a writer in
the Kanasa City Times says. Here,
on April 5, 1923, a fall of 1.02 inches
in one minute was measured on a
weighing rain gauge and was reportreau and the Los Angeles council
od-centric commission, spint operaread by the United States weather birreau and the Los Angeles council
producentre commission, spint operaread by the United States weather birreau and the Los Angeles council
producentre commission, spint operaread by the United States weather birnear and the search of the same
record additional testimony of its accuracy
was afforded. The previous fainfall
record was observed in Panama. Og
inches was registered in three minture at the weather bureau station in
Porto Bello.

His Preference

A farmer took his wife to a concert, and after listening with apparent joy the pair haddenly became interested in one of the choruses: "All we, like sheep, have gone astray."

First a sharp soprano voice exclaimed: "All we, like sheep"; next a deep voice uttered in a most earnest tone: "All we, like sheep." Then all the singers at once asserted: "All we, like sheep." "I'me all the singers at once asserted: "All we, like sheep." "Then all the singers at once asserted: "All we, like sheep." Then all the singers at once asserted: "All we can be a singer and the singers at once asserted: "All we can be a singer at the singer a
