PRESIDENT HOOVER ISSUES HUNTING PROCLAMATION

President Hoover the first of the veek isued a proclamation relative to the hunting of brant, wild duck, and wild geese. The date set in the proclamation is from November 15 to December 16 inclusive and this proclamation will be executed by the game wardens throughout

O. D. Cardwell, of Post, game warden for this district, was in our ity Wednesday and stated the aove stated proclamation would replace the state law in regard to the birds named in it. He stated that the hunting license would have the date specified by state law, but for all hunters to disregard the dates on the license and bserve the dates specified in the President's proclamation.

Rev. H. L. Burnam, of Whiteflat, vas attending to business matters and greeting friends here Tuesday. He stated Spur seems like northern and eastern markets evhome to him.

rst Tuesday in October, 1931, Dickens County, Texas, in the Lube same being the 6th day of said onth, at the Court House door of lickens County, Texas, in the District of Teras, between the hours of 10 A. M. and 4 P. M., by the pastor, who is not able to asgive this notice by publication, in

WITNESS MY HAND, this the continue.

WITNESS MY HAND, this the 15th day of August, 1931.
S. L. GROSS, MARSHAL OF THE NORTHERN DISTRICT OF TEXAS.

At the close of the days session Tuesday the Texas Legislature had accomplished nothing in regard to the cotton relief situation. There is one asserted action taken in regard to the Long Plan which aviant Texas solons, probably not so much from lack of merit in the plan, but it seems the Louisana executive has aroused the fire of both the Texas governor and the legislators. Governor Long aserted that paid lobbyists would be at Austin en-NOTICE IS HEREBY GIVEN deavoring to influence Texas law makers against his plan, and fur-

cords of said County. The S. E. uarter of Sur. 221, Certificate 0/2026, Abst. 117, H. & G. N. R.

WHAT IS BEST TOWARD ALL

In conversation with a number of farmers all of whom have expressed the themselves relative to the financial condition of the country, it is difficult to tell just what is best. The farmers realize that they are government feed and seed loan, the payments to the federal Land Bank and still have enough to help out the local people—the people who have stood by Abilene Sunday to take Miss Ar-
