L. D. Ratliff Opens Law Office In Spur

L. D. Ratliff, Jr., formerly with the law firm of Ratliff & Ratliff of Haskell, will open an office this week in the Spur National Bank Building. The rooms formerly occupied by the Spur Mutual Life Insurance Association have been rented by Mr. Ratliff.

Mr. Ratliff comes to Dickens County to make his home and is recommended as a first rate and efficient lawyer. He informs the Times that he will begin his practice here Monday, July 3.

Crosbyton Takes Lead in Golf League

The Crosbyton-Rails golf team scored 15 1-2 points to the Spur team's 14 1-2 points Sunday afternoon at Spur. This was the first time in several years that the Spur team scored the lowest number of points in matches on their home course.

Crosbyton is now leading the Cap-Rock Golf League with 85 1-2 points and it looks as though they might win the cup this year. Spur is second with 73 points, Matador 65, Lockney 46 1-2.

The results of Sunday's matches are as follows:

Miss Bertha Young, who is attending a business college at Lubbock, spent the week end here with relatives and friends.

BEDROOM TOUR CONDUCTED BY 4-H CLUB GIRLS AND HOME AGENT

The work of improving and properly arranging bed rooms was one of the projects of the county home demonstration agent with the club girls over the county the past year. Last Wednesday afternoon was designated as visitors day by the department, and the bed rooms of the various club demonstrators were inspected by a number of visitors.

The motorcade left Spur about two o'clock in the afternoon and the first stop was at the home of J. L. Hutto in Dry Lake community. In the home Miss Pauline Hutto explained to the visitors how she had changed a bed room of ordinary condition into one of the nicest to be found in any home. The room had been furnished with a closet, remodeled chairs, book shelf, lamp stand, reading table, dresser, home made rugs and mats. The floors had been refinished and the walls and ceiling papered. Miss Hutto stated that it had cost her \$9.70 to make these changes including a bath unit. This room had been previously judged as first place winner in the county contest.

The next stop was at the home of W. T. Harris in Dry Lake. Miss Neva Harris met the guests and explained how she had arranged her bedroom at practically no cost. The bed had been enameled, floors finished, the closet arranged, the walls refinished, a modern dresser made from an old one, a book shelf and a reading table furnished, and many other improvements made. The total cost of improving this room was \$1.40, aside from the material she had. Most of the material used was that which had been about the place for two or three years. Indeed it was a nice bed room. Miss Harris is a cooperator and not a demonstrator.

The next stop was at the home of W. F. Foreman in Foreman Chapel community. Miss Nadine Foreman received the guests and explained her work. Here was a bedroom of old rose tinting that would please any one. She explained that she had finished the bed and dresser in ivory enamel, that she had made a reading table of two orange crates, that she had secured an old chair from the cellar and covered it with cretonne making it look beautiful, that she had changed the closet to comply with modern ideas and did many other things at a cost of only \$7.16. She stated she is proud of her room. This room took third place in the county contest.

The guests then went to the home of Miss Wanda Taylor near Dickens. Miss Taylor exhibited a room in a boxed home that would make royalty take notice. She explained how the room had been painted, the floor finished, the dresser remodeled and painted, the bed enameled. The room was adorned with home made mats, a book case with ten new books added, pictures, etc., and all at a cost of \$1.55. It was a nice room made so with a few modern ideas and some work.

The next stop was at the home of Miss Mildred Bradley in Croton community. Miss Bradley welcomed the guests into her home and explained her work. She had converted an old dresser into a dressing table, changed an old chair into a stool to be used at the dressing table. She explained how she took two bottles and converted them into beautiful vases.

Golf Rally At Spur July 4th

The members of the Espuela Golf and Country Club will enjoy a golf rally on the local course on Tuesday, July 4th. This being a national holiday, it is thought proper by the officers and all members consulted that the day be given over to gratify the excellent golf spirit in our community.

There will be a tournament of some kind during the day. The tournament committee has not yet outlined what will be the order of contest. However, it will be to the interest of all members to be ready for the program. Members in good standing only will be permitted to take part. Should any be delinquent on dues, it will be best for them to see the membership committee and make proper arrangements. In the afternoon, after the tournament has closed there will be a driving contest and other amusements. All members are solicited to be prepared for the occasion.

The day will be closed with a barbecue which will be served about 6:30 in the afternoon. This will be for members and their families. The day is intended for the membership to enjoy a good time without having to leave home for amusement. See the officers and committees for any information desired.

VAUDEVILLE AT PALACE TO CONTINUE THROUGH WEEK

Manager H. O. Everts of the Palace Theatre, announces that the Jack and June Alfred comedians will continue their programs at the Palace through Saturday night's program. A complete change of program is made every night with special numbers between acts. Good attendance was had at the first of the week performances and a special double header is planned for Saturday and Saturday night. The merchants are cooperating with the manager of the show in issuing guest tickets in the promotion of buying at home.

Word has been broadcasted that some farmers have begun plowing up their cotton on the cotton acreage reduction plan. Please do not plow up your cotton until after your fields have been inspected and your contracts have been approved. You will be notified as to the proper time of plowing up cotton.

CHRISTIAN CHURCH REVIVAL CLOSES

Excellent results are reported by members of the First Christian Church in their series of revival services which closed with the Sunday evening services. Five additions reported and the whole church received much benefit from the fine preaching of Rev. LeMay, who was pastor here 16 years ago.

The membership extends their thanks to the other churches of the town for their wonderful cooperation, especially for the fine singing and special numbers.

Regular services will be held next Sunday.

Bailey Food Store To Open Saturday

Acie Bailey of New Home, announces that the Bailey Food Store, which he is opening in Spur, will be ready for the opening Saturday, July 1. The Spot Cash Grocery building has been completely remodeled and a complete stock of fresh new merchandise is being installed.

Mr. Bailey will act as manager and buyer of the store. Dalton Johnston, formerly in business at Spur and Roaring Springs will be the head sales man. Mr. Johnston is well known in Spur country and is an efficient groceryman.

Sandwiches will be served free on opening day.

Geo. Lisenby will conduct the market. "Everybody knows George."

Read their opening announcement on another page of this issue.

FRED C. HAILE ADDRESSES LEGIONAIRES

At the regular meeting of the American Legion, Boyd M. Williams Post, here Monday night, Fred C. Haile addressed the meeting giving statistics on the social, economic and political situations of the country for the past several years. He emphasized the fact that every American should stand ready to support his country, and that this means the rich as well as the poor should fall in line. Why not draft the capital of the country as well as the man power to pull out of the present crisis, was among the many thoughts put forth by the speaker.

The members of the local post hold regular meetings and ask for all ex-service men to visit these meetings.

FAIR STORE TO HAVE 88c SALE

G. Gabriel, manager of the Fair Store announces that Saturday and Monday at his store will be 88c days. This is a third of a series of these special price days run by this store and widespread interested has been manifested heretofore.

Prof. Dooley, singing school teacher of Greenville, spent Sunday with B. T. Moore and family.

NOTICE TO FARMERS

Word has been broadcasted that some farmers have begun plowing up their cotton on the cotton acreage reduction plan. Please do not plow up your cotton until after your fields have been inspected and your contracts have been approved. You will be notified as to the proper time of plowing up cotton.

COMMUNITY MEETINGS ON COTTON ABANDONMENT HELD TUESDAY

FIRE AT LEWIS PLACE

Thursday afternoon the fire alarm sounded and the fire boys made a call to the W. R. Lewis home west of town. Mr. Lewis had gone to his garage to do some work on his car. He went in at side door and did not observe that the gas tank had lost a quantity of gasoline on the floor of the garage. He stepped on the starter to determine if his car would start, and with the first exhaust flames went over his car and filled the garage.

Mr. Lewis was almost overcome with the fumes but managed to get to the door and out into the fresh air. He had no opportunity to get to the car and get it out. He ran to the barn and secured a rope and with it threw a loop around one of the bumpers of the car, and with Mrs. Lewis' assistance, was able to roll the car back out of the flames.

There were slight damages to the car and considerably greater damages to the garage. Mr. Lewis was feeling much improved Friday over his experiences. He stated that he did not care to have any more similar experiences.

Just the amount of damage has not been determined yet. The polish on the car was injured some, and the garage was burned considerably in several places.

Rain Falls Over County

Rain, varying from a light sprinkle to one and one-half inches fell over the county Monday and Tuesday. The showers were gladly received by the farmers and hope is still held for a good general rain.

Highway country and west reports a good shower that played out at the edge of Spur. Parts of the Espuela, Dry Lake and Dickens sections received helpful moisture from this Monday rain. Northwest of Dickens reports better than an inch in places.

Tuesday afternoon's rain fell east of Spur taking in most of the Red Hill and Duck Creek sections with a good soaking rain in the region north of Gilpin.

WETS AND DRIES SELECT DELEGATES

At separate meetings in Austin Tuesday the Wets and Dry of Texas selected delegates to be voted on at the August 26 election to be members of the convention, November 24, to vote on the repeal of the Eighteenth Amendment (adoption of the Twenty-First Amendment which repeals the Eighteenth). The Wets had quite a lively time and seemed a little unorganized at first, but eventually got on working terms. The Dries in their convention were practically agreed and got down to business at once.

The delegates were selected, one delegate and one alternate on each side from each of the 31 Senatorial Districts. The delegates of the 30th Senatorial District in which Dickens County is located are as follows:

Wets were E. H. Robertson of Lubbock and C. P. Rogers of Big Spring.

Dries were George R. Bean of Lubbock and Clyde Thomas of Big Spring.

The men will be voted on August 26 and the delegate and alternate receiving a majority will be in the convention.

Nichols Sanitarium

Mrs. Joe Pearce of Steel Hill community, is in the hospital pending an operation.

Miss Estelle Dawson of Afton, who has been in the hospital for two weeks is able to be up.

Mrs. Homer Johnston of Afton, who has been in the hospital for ten days is doing nicely at this time.

Mrs. J. R. Speight of Afton, is in the hospital for major surgery and is doing fine.

Mary Holman of Calgary, who has been in the hospital for two weeks is able to be up.

J. L. Mercer of Peacock, is able to be up after a major operation.

R. D. Hill's little son, T. J., had the misfortune of getting his head cut while he and some other boys were playing golf Tuesday and came to the Nichols Sanitarium for treatment.

V. J. Campbell To Practice Law Here

I will be in Spur, Texas, after July first, ready to do general law practice in all courts. Your business will be appreciated and given prompt attention.

V. J. CAMPBELL, Attorney-at-Law.

COTTON CENSUS TAKER'S APPLICATION TIME EXTENDED

The time for filing applications for the taking of cotton census has been extended by the U. S. Civil Service to July 10 according to Guy Karr of the local civil service committee. Application blanks can be had the last of the week at the Spur post office.

The cotton abandonment program of President Roosevelt and the United States Department of Agriculture was placed before the farmers of Dickens County in community meeting held in 20 different places Tuesday by agricultural and business leaders of the county. From 100 to 250 farmers gathered at each meeting and heard the plan of the government explained.

The quota of acres to be plowed up as set by the extension service was 8,162 acres which is about 1-8 of the cotton acreage of the county in the past five years. Indications from 777 that 24,223 acres will be plowed under upon approval of the Secretary of Agriculture received in the meetings are Agriculture. No contracts have as yet been signed but the work has started and the contracts have been received and as soon as the local committees can be instructed, the contracts will be signed, County Agent G. J. Lane, who is supervising the work states that time will be saved if each farmer will check the land to be plowed under by him and have all information and his plan drawn when the committee visits him. It is the hope of authorities that the work in Dickens County will be completed as soon as possible and that approximately 35 to 40 per cent of the present cotton acreage will be included in the program. Whole hearted support and endorsement of the plan on the part of the farmers in this county has been manifested to date.

The following community committees were selected:

Spur—A. W. Watson, Albert Power, Pen Shugart.
Twin Wells—W. L. Farmer, L. B. McMeans, E. W. Yeakley.
Peaceful Hill—W. A. Craddock, R. R. Smith, W. B. Reed.

Tire Manufacture and Singing Color Fountain Draw Huge Crowds At "A Century of Progress"

Harvey S. Firestone and son Russell take the first tire from the mold at "A Century of Progress."

building with its singing color fountain, has been a magnetic drawing power. Always noted for his advanced factory engineering, Harvey S. Firestone is the only manufacturer with an exhibition of tire making at the Fair, making it possible for millions of visitors to see the patented processes and world's most efficient tire machinery. The crowds have flocked to the amazing modernistic building at Lief

Erickson Drive and 23rd Street. Thousands of people have always wanted to see tires manufactured—and particularly have wanted to see how Firestone Tires were Gum-Dipped. They see at this Fair exhibition automatic machines that are almost human—chromium plated machinery that gleams as it rapidly transforms rubber into automobile tires. First in the production line, for instance, is a huge mixing machine—it weighs almost 50 tons—as the rubber is massed and crackling sounds fill the building as if some giant were amusing himself with chewing gum.

The Firestone building differs widely from the majority in that much of the Firestone space is devoted to gardens where visitors may relax and enjoy the beauty of the spectacle.

Science' Firestone has prepared for "A Century of Progress" an educational and scientific exhibit of rubber which is attracting unusual attention.

In the gardens in front of the building is a pool 100 feet long by 15 feet wide, in which are installed six beautiful dome-shaped fountains of mist-like spray, with a jet of water in the center rising twenty feet above the surface. This marvelous fountain is known as the "Firestone Singing Color Fountain"—the first one of its kind in the world. It is a marvel of beauty and scientific development. The world's greatest electrical engineers have worked for years on the various principles combined in this construction. Voice and instrumental concerts are given day and night by this Singing Color Fountain.

Submerged beneath each fountain dome is a battery of colored lights that will reflect varied hues and shades upon the misty fountain domes, and these variations of color will be synchronized perfectly with the shadings of the musical notes, and with the rise and fall of the water.

Overlooking the building and gardens is another scientific marvel that is the first construction of its kind. It is in the form of a sign eighty feet long. Its shadow planes are placed one upon the other and the result that you get is an ever changing multi-colored array of gorgeous shadow effects, melting into one another—advancing toward you and then receding. In the Exhibition Hall are the dynamic displays showing by the aid of scientific and engineering development and by electrical devices the marvelous automotive products and their serviceous progress that has been made in the motoring public. There is a remarkable racing display including famous cars and trophies. Other dynamic displays show tire developments, batteries, spark plugs, brake linings, and other products manufactured by the company. There are displays of cotton and rubber in all their stages.

CHURCH OF CHRIST AT DICKENS TO HOLD REVIVAL

Guy N. Woods, minister of the Church of Christ at Post, will begin a meeting in Dickens Wednesday night, July 5. Just how long the meeting will remain in progress has not been announced. It will be remembered that Bro. Woods was in Spur a few months ago in a revival and people of this community praised his messages greatly.

On Thursday night, July 6, Mr. and Mrs. C. E. Bishop of the Tipton Orphan Home, will be at Dickens with three girls from the home, who will join the services of this revival with a number of song selections.

The church at Dickens extends the public an invitation to attend any of the services.

John Hiner and Miss Betsy Wilson of Lubbock spent Sunday here visiting friends.

Mr. and Mrs. Jephtha Craig returned Sunday from Conway and Cotter, Arkansas, where they had been visiting relatives and friends.

COWBOY REUNION OPENS NEXT MONDAY AT STAMFORD With the opening of the Fourth Annual Texas Cowboy Reunion still three days off, visitors already are drifting into Stamford in readiness for the celebration which opens Monday, July 3, to continue through the 4th and 5th. Reunion officials are predicting a total attendance of 40,000 this year, an increase of 10,000 over last year's record crowd. From a small beginning in 1930, the Texas Cowboy Reunion has grown in three years into a celebration which attracts attention throughout the Southwest and draws interested visitors from the North and East. Visitors this year will find the Reunion grounds much improved, the seating capacity of the grandstand at the rodeo arena doubled and an improved traffic system, all of which is expected to add to the comfort and convenience of the crowds who attend the celebration. The assembling of pioneer cowboys and cattlemen to renew acquaintances, swap stories and revive memories of the Old West is one of the big features of the annual Reunion. These Oldtimers have their own organization and 543 members registered at the Reunion last year. Men who were actively employed as cowboys on the ranches 35 years ago are entitled to membership. Frank Rhoades of Throckmorton is president of the organization. Badges will be issued to all old-time cowboys over 55 years of age which will entitle them to free admission to the square dance each night and other courtesies. The cowboy rodeo, which is the feature attraction of the Reunion, is different from the usual run of rodeos in that cowhands from the ranches, rather than professional rodeo performers, are featured. Improvements on the pens and chutes this year are expected to add more speed to performances. More than \$1,400.00 in prizes will be given. Contests will be held twice daily—2:30 p. m. and 8:00 p. m. in bronco-busting, calf-roping, steer-riding and wild-cow milking. The 10 cowboys making the best time in the roping events will compete for the championship on the night of July 5. Winners will receive special prizes. In addition to these attractions, a cutting-horse contest will be held on July 5, and a special calf-roping contest for cowboys over 55 years of age on July 3rd and 4th. A unique feature of the Texas Cowboy Reunion rodeo is the contest for the best cutting-horse which was inaugurated last year. The event is judged on the performance and ability of the horse, the and ability of the rider and speed of the work. Eight horses judged best in an elimination contest to be held on the morning of July 4 will compete for the \$150.00 in cash prizes, which will be awarded in the finals in this event, on the afternoon of July 5. Free beef, wood and water will be provided for visiting chuck wagons. Improved grounds and new arrangement will provide convenience and privacy for ranch outfits or towns who bring their own wagons. The Reunion management will provide the owner of each chuck wagon with a supply of meal tickets which he may issue to such guests as he wishes to invite to meals and these tickets will be taken up at the entrance gates. There will be a wagon on the grounds at which meals may be bought. The Reunion management does not undertake to furnish free chuck-wagon meals, except the one each day for the pioneer cowboys, the sponsors, and the bands. Each city and town has been invited to send a young lady as sponsor, and more than thirty towns have responded. The girls will ride in the big parade and must furnish their own mounts. The sponsor having the best mount, the most attractive riding outfit, and showing the best horsemanship will receive a pair of bid riding boots. Second and third prizes will each be a pair of silver mounted spurs. The sponsors will be honored with a ball on the night of July 3. Another feature of the Reunion will be the selection of the most typical cowboy—one over 55 years of age and the other under 55. Each will receive a Stetson hat. Secret judges will make the selection, observing the cowboys on the streets, at the rodeo ground and in the parade. Typical cowboy clothes, such as are worn on the ranches by real cowpunchers will play an important part in the judging. The big parade of the Reunion featuring merchants floats, individual decorated floats and cars, cowboys, mounted girl sponsors, junior cowboys, chuck wagons, clowns, and brass bands, will be held on July 4, starting at 12:00 noon. Prizes will be given for the best entries. Less elaborate parades will be held on the other two days of the Reunion, July 3 and 5. The old fiddlers' contest will be held on the second day, July 4, starting at 9 a. m. Only fiddlers 50 years of age and older are eligible. Thirty dollars in cash prizes will be awarded and no entry fee will be charged. Spectators will be admitted free to the City Auditorium (up-town) where the contest will be held. An old-time square dance will be held in the Swenson Building each night during the Reunion. Good music will be provided. Dancers and spectators alike will be charged 25 cents per person, for admission and there will be no further charges. LINDBERG GIVES HOME TO ORPHAN CHILDREN Press reports last week stated that Col. Charles A. Lindberg had given his Sour Lake home in New Jersey to a benevolent organization to be used as a children's home in memory of his son, Charles, Jr., who was kidnapped from there last year and later found dead near by. Col. Lindberg states that he will serve as a member of the board for the home and assist in the work.

AN OLD FASHIONED PICNIC

Last Friday a very pleasant evening was spent by a few couples at Swenson Tank. The amusement of the evening was swimming and all kinds of out door games. After the swim came the big spread and it was some feed, in fact the group hasn't fully recovered yet.

Those enjoying the evening were Mr. and Mrs. Jno. A. Moore, Mr. and Mrs. Lee Snodgrass, Mr. and Mrs. Alf Glasgow, Mr. and Mrs. Coy McMahan, Mr. and Mrs. Dick Speer, Misses Vera Sheppard, Dorothy Carson and Robbie Lee Abernathy, Crate Snider and Fred Cairnes.

AVE JOHNSTON AND JERRY DYE ARE MARRIED

Miss Ave Johnston of Jayton and Mr. Jerry Dye of Amarillo, were married Friday evening in the home of the brides parents, Mr. and Mrs. Jimmie Johnston of Jayton. Rev. F. G. Rodgers, Pastor of the First Baptist

Church of Spur, read the double ring ceremony in the presence of relatives and a few close friends of the family.

Preceding the ceremony Mrs. C. A. LeMaster of Cheyenne, Wyoming, sang, "I Love You Truly", accompanied at the piano by Mrs. Tom Flowers.

The couple entered to Lohengrin's bridal chorus and during the ceremony Mrs. Flowers played Libaestraum.

Miss Johnston was dressed in white satin with a white silk net over the dress and wore a short white veil, carrying a bouquet of pink opelia rose buds and gypsophila.

The bride was given in marriage by her father, Mr. Jimmie Johnston. Maurice Dye was ring barrier.

The vows were taken before an altar of palms, ferns and roses. Roses were used as decorations in the home.

Immediately after the wedding, refreshments were served to about sixty five guests, the bride presiding at the big three tier cake and after her wish, each guest did likewise.

The bride and groom left immediately on their honeymoon and will return in a short time to Amarillo where they will make their home.

Guests from Spur were: Mr. and Mrs. Tom Dickey, Mr. and Mrs. Ned Hogan, Mr. Patton and Rev. F. G. Rodgers.

CHEVROLET STANDARD SIX COACH \$455 F.O.B. FLINT, MICH.

With such a car at such a price, why deny yourself these important features that have made Chevrolet the world's most popular car:

Talk about smartness—here's the last word in really eye-stopping lines. Look at that big two-door sedan illustrated above. Those aer-stream lines, deep-skirted fenders and beaver-tail back are to be found in no other lowest-priced car. Talk about luxury—the same model has No Draft Ventilation, safety plate glass windshield, real mohair upholstery, an adjustable sun visor, and a movable driver's seat. And it is Chevrolet alone who offers them at that price. When it comes to

No Draft Ventilation Modern Aer-Stream Styling The Comfort, Silence and Safety of Fisher Bodies Unequalled Gas, Oil and Upkeep Economy

economy and dependability—well, over the months and miles you'll spend less for gas and oil, and less for servicing than you'll spend with any other car. And remember, all these great features are wrapped up in the lowest-priced five-passenger six-cylinder two-door sedan you can buy. It doesn't cost much to join the swing to Chevrolet. But it will make all the difference in the world in the pleasure you get from motoring.

It looks like the Farmers and the Government are going to win. Who could have thought three months ago that wheat would reach the dollar mark and cotton near the 10c mark by now. We are glad to see prosperity starting, and want to do our bit to help and encourage.

We are taking inventory this week. After the inventory period we will increase our stocks.

We have a Big Car of Furniture Coming. And want to say to any interested in Furniture, we can give you better values than you can get in any of the cities if you count your delivery expense. We are going to do our best to make Spur known as the place to buy Furniture—See Tom the Furniture Man.

Our Ladies Wear Department—Mrs. Rosamond is just back from Dallas, where she selected the new things for summer—Dresses priced 49c and up. We can't understand how they can be sold so low and these prices cannot last.

Dry Goods and Mens Wear—Our Mr. Ensey was in market last week buying some bargains and checking up on the advances in merchandise, and his opinion is it will pay you to buy now. Men's clothing at special prices.

GROCERIES—We don't care whether you buy our flour now or not. We have as good flour as can be made of wheat. Yes, the wheat is washed. Flour is advancing. We are selling Groceries too cheap but we like to do business. See Pat, the grocery man.

We are thankful for the showers, and the good rain that's coming.

tige and have a better choice of business opportunities than ever before. There are many good business training schools in America. They survive in competition with schools whose services are free, because they fill an important place in our general educational scheme. Most of these schools—and we are glad to include ours among them—are improving year by year. Good teachers are maintained in our school on a yearly salary basis, instead of eight or nine months. Good courses of study, good executive management, a good student body, good equipment and good facilities for the placement of graduates are considered the most important factors of the Tyler Commercial College and School of Business Administration.

The most valuable asset that any institution depending upon the public for patronage can have is a reputation for leadership in its field. The name of the school on a diploma must give prestige to its graduates, otherwise the applicant for a position it at a great disadvantage.

The Tyler Commercial College and School of Business Administration has been the leader in its field for thirty-two years. Every business training school that has been in existence long enough to be familiar with schools will vouch for this statement.

Our school is accredited by the National Association of Accredited Commercial Schools. Our graduates are preferred by the larger business concerns throughout the United States. It costs no more to attend our school that has both a national and an international reputation than it does to a small school. CITATION BY PUBLICATION
THE STATE OF TEXAS
TO THE SHERIFF OR ANY CONSTABLE OF DICKENS COUNTY—
GREETING:

YOU ARE HEREBY COMMANDED to summon J. L. Hawkins, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the nearest county, to appear at the next regular term of the County Court of Dickens County, to be holden at the Court House thereof, in Dickens, Texas, on the Third Monday in July, A. D. 1933, the same being the 17th day of July, A. D. 1933, then and there to answer a petition filed in said court on the 8th day of May, A. D. 1933, in a suit, numbered on the docket of said Court, No. 589, wherein The First National Bank of Fort Worth, Texas, a private National Banking Association, is Plaintiff, and J. L. Hawkins and R. L. Mithms are Defendants, and the nature of the plaintiff's demand being as follows, to wit:

Suit on one promissory note in writing, dated June 6th, 1930, payable to the City National Bank of Spur, Texas, for the principal sum of One Hundred Seventy-five and 50/100 (\$175.50) Dollars, due November 5, 1930, bearing interest at the rate of 10 per cent per annum from maturity until paid and providing for 10 per cent attorney's fees if placed in the hands of an attorney for collection.

That Plaintiff is now the legal owner and holder of said note; that the same was duly transferred by the City National Bank of Spur, Texas, to plaintiff on the 12th day of June, 1930, in due course of trade, for a valuable consideration and plaintiff is now the legal owner and holder of said note.

Plaintiff has placed said note in the hands of Coombs & Andrews, attorney-at-law, for collection and has agreed to pay said Coombs & Andrews the 10 per cent attorney's fees provided in said note.

That by an Act of the Legislature of the State of Texas, passed March 15, 1915, and being Chapter 59, page 108 of the Acts of 1915, the jurisdiction of the County Court of Dickens County, Texas, was increased to and made concurrent with jurisdiction of the Justice Court of Dickens County, Texas.

Plaintiff prays for judgement for the amount of its debt as herein sued upon, with interest and attorney's fees; together with all costs of suit, against the defendant J. L. Hawkins, and for such other and further relief general and special, in law and in equity, as it may be justly entitled to receive.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Dickens, Texas, this, the 22nd day of May, A. D. 1933.

Neal Fortson, Clerk,
County Court, Dickens County.

CHURCH ANNOUNCEMENTS

BAPTIST CHURCH

On last Sunday more than one hundred and forty who are on the roll, were absent from Sunday school. The S. S. is an important part of the church organization, being the teaching service. It is true that the weather is hot but does it keep us from doing the other things we want to do? Are you getting the training the B. T. S. has to offer? It is wonderful!

training in that it is preparation for carrying on the work of the church in the future. As the older ones are called from the walks of life the younger ones have to fall in line and take up the work. Those who take advantage of the training service will be prepared to carry on the work in an acceptable manner.

Sunday evening, the pastor's subject was "What will you do with Jesus?" One came as a applicant for church membership by baptism having decided for Christ one week ago.

The pastor is conducting a meeting this week at Wilson Draw, services being held in the evening at eight o'clock. Mr. Willis King will assist in the capacity of song leader.

The Leuders encampment begins July 11th and lasts through the 23rd. Attendance at any or all of the services will be time well spent.

Come to church Sunday with your family. On next Wednesday night, July 5, the monthly business meeting of the church will be held.

SPUR CIRCUIT

Owing to crop conditions I am postponing our meeting at Girard. I will

announce the date later. Will be at Duck Creek Sunday morning and night. We want every one to come and be with us in these services. Come, let us reason together.
S. A. Sifford.

METHODIST CHURCH

We are glad to report that last Sunday was a good day with us at the Methodist Church. The attendance was fine considering the hot weather and so many out of town. We hope none will let the weather or any other self excuses keep you out of the services from Sunday to Sunday. A business institution would not last very long if the manager and the clerks came and opened up one day and then not go back any more for a week or a month. If the Church maintains her usefulness in the world it will be because the membership stays open for business at the hours of worship with the the membership sympathetically and prayerfully participating in each service.

The Vacation Bible School has been a great success and the closing program will be given at the church Friday night, June 30 at 8:30 o'clock. The exhibit will be on display of the hand work in the basement of the church Friday evening and you can see this work either before the service or after.

The pastor will speak on the Characteristics of Good Citizenship Sunday morning and the Second Best at the night service. Join with us in the services of the day. You are welcome.

Modern Electric Service . . . Partner of Industry

Modern transmission line electric service has played an important and vital part in the progress and development of West Texas. With a new period of expansion awaiting this territory during the next few years—this dependable, economical and elastic power supply is destined to play an even greater role in the industrial drama to be enacted here.

Electricity has been the equalizing force that has enabled progressive small towns to compete on an industrial basis with large centers of population. Because of the adequate, inexpensive power supply furnished to this territory by the West Texas Utilities Company, it is possible for West Texas cities to go after, and secure, the valuable payrolls of industrial establishments. Much progress has been made during the past ten years—and considerably greater advances will be made during the coming decade.

The West Texas Utilities Company, serving 161 progressive cities, towns and communities in this "Land of Opportunity," will continue to work for the development of West Texas. With three major generating stations, nineteen auxiliary plants, more than 2,600 miles of transmission lines and scores of office buildings and warehouses throughout the 250,000 square miles it serves—this company's future and yours are inseparably linked. Working together we will accomplish marvels of progress during the next few years.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

GEORGE RICE

We were called to Jayton on June 21 to conduct the funeral of our good friend and beloved brother Geo. Rice. Mr. Rice was born in Milan County, Tenn., August 12, 1878, and grew to manhood in that part of the state, and was known as a fine young man and at the early age of twenty-five he was happily married to Miss Lula Knudsen, and to this happy union was born four wonderful children, and they are all here to bless their good mother with the exception of little Janet who went home to be with Jesus in the year, 1918.

Mr. Rice moved to Jayton twenty-five years ago, and has been the very efficient postmaster most of the time since 1911. He did his task well and was loved by all, and was found faithful in all his works, and his dealings with his fellow-man.

He leaves his good wife, two daughters, Misses Nannie Beth and Carmen, a son, Geo. Jr., (these fine daughters and son are a wonderful stay to their mother) three brothers, a sister, and a host of friends all over the land, and his life will be a benediction to them. Bro. Rice was a loyal Baptist Deacon, and one of the stays to the First Baptist Church of Jayton. He loved the Lord and lost souls, and was not ashamed to speak for the Lord at any time or place, and it was the crowning thought of the last days of his life, "I am going home to be with Christ and loved ones there".

May the richest of heaven's blessing ever be upon his good family is the prayer of the one who loves them. One of the most beautiful floral offerings ever assembled at Jayton was placed with the deceased as tokens of respect and love.

Pastor F. G. Rodgers.

ROYCE WILLIAMS PASSES AWAY

Royce Williams, son of Mr. and Mrs. W. B. Williams, passed away Tuesday morning after an illness of about two weeks. Young Williams, in company with some of his friends, was in a lake swimming about two weeks ago. The boys had a horse in the lake and were using the animal for diving purposes. Royce climbed on the horse and attempted to dive off its back. He slipped and fell across the animal on his stomach.

There was not much thought of the injury, but he and his parents thinking that he would be all right after the soreness had subsided. However, within a few days swelling of the abdomen set in and before long the young man was considered in serious condition. He was taken to the West Texas Hospital at Lubbock, but appears that medical attendants there felt nothing could be done.

Funeral services were held at Red Top church Wednesday afternoon at two o'clock. Rev. J. V. Bilberry, a friend of the family, delivered the sermon. Interment was in Red Top cemetery.

Royce is survived by his parents, Mr. and Mrs. W. B. Williams; and two sisters, Misses Hazel and Oran Williams. The family lives in the Catfish community.
