County Home Demonstration Club News

CLARA PRATT
County Home Demonstration Agent
Plans for Clothing Contest

Various committees were named by the chairman of the county council Saturday to take care of the work of the county clothing contest to be held Saturday, July 8th in the Spur Baptist church. Judging of the dresses will be in the morning. As the women arrive they will be registered by clubs and scored by the judges.

Miss Myrtle Murray, district home demonstration agent, and Miss Pauline Loke, home demonstration agent of Crosby and Briscoe counties, will be the judges.

Women Are Proud Of Their Bedrooms

Every achievement day program in the woman's home demonstration clubs the past month has shown bedroom demonstrators happy over their improved rooms and especially over their enthusiastic about improved clothes closets. The following are from their stories of bedroom work:

"I improved my bedroom with new wall paper and window curtains at a cost of \$2.35," reports Mrs. H. K. Young, demonstrator for Chandler club. The nine cooperators present reported five bedrooms papered, three chairs and a dresser added and one dresser refinished, three built permanent clothes closets, and 30 sheets, 20 pair pillow cases, 75 towels, 6 blankets and 10 comforters were added.

"My closet was not large enough so I enlarged it and extended it to the ceiling. Then the hanging rod was raised and a shelf put in for hats and a rack for shoes. I like it so much better. I also made a hooked rug," says Mrs. R. S. McMahan, demonstrator in the Espuela club. "Eleven cooperators papered five rooms, built three permanent clothes closets, refinished three pieces of furniture, added 28 sheets, 24 pairs pillow cases, 10 towels, 3 bedspreads, 9 blankets, and 13 comforters."

"I first had to move a door to make room for a closet. I am very proud of the closet for it has a hanging rod, shelf for clothes and hats, and a medicine cabinet," reports Mrs. Donnie Pace, of Peaceful Hill. "I have made two hooked rugs for the room. This course it took quite a lot of work and planning to make the improvements we did but I am doubly sure the result is worth the effort and expense."

"To get my closet built I ran the go-devil in order to give my husband time to be carpenter," said Mrs. Rex Carlisle in showing her bedroom to the Steel Hill club members. "With the help of different members of my family I have been able to achieve a comfortable and attractive room with a minimum of labor and expense and much experience. The six cooperators here today have papered three bedrooms, finished four floors, built three closets, refinished two pieces of furniture, added bookstands and dressing table, 22 sheets, 14 pairs pillow cases, 20 towels, three comforters and two bedspreads."

"The folks said there is nothing here to make a closet, but I had been looking around and discovered several pieces of lumber I could use and as I intended to use four inch strips with cardboard panels I had all I needed. I now have a nice closet with a full length shelf at top for hats and boxes, a short shelf and two drawers in one end, two hanging rods and a shoe rack. Where there's a will there's a way," declares Mrs. Matt Howell, bedroom demonstrator for Red Top home demonstration club.

WOMEN ATTEND DEMONSTRATION

A demonstration on the use of canned food and judging canned corn and string beans with a view of raising standards was given to the foods demonstrators Saturday morning in the home of the agent. Each demonstrator brought cans of corn and string beans which were opened and the contents compared and standards for canned vegetables studied. The foods demonstrators will give a similar demonstration in their clubs in July.

Those attending were: Mrs. W. R. King, Spur; Mrs. Buren Smith, Dry Lake; Mrs. E. B. Crockett, Espuela; Mrs. I. S. Clower, and Mrs. A. T. Bural, Duck Creek; Mrs. E. W. Yeakley, Twin Wells; and Mrs. Matt Howell, Red Top.

ASSOCIATIONAL B. T. S. TO MEET SUNDAY

The Associational B. T. S. will meet with the Espuela church Sunday afternoon at 3:00, July 9. The following program will be given: Song service led by Associational choir, T. J. Seale. Devotional—"Lift up your eyes, and look on the fields"—W. R. King. Business and records. Musical reading—Malissa McKay. The Heavenly Vision—Esther Lee Mitchell. Special music—William Rodgers and Truman Moore. "Looking unto Jesus for a vision of the World's Needs"—Rev. H. T. Harris.

Spur Golfers Enjoy Great Fourth

The Fourth of July was a great day with the members of the Espuela Golf and Country Club. With sixty per cent of the membership represented on the course for a 36-hole medal play tournament the entire day was filled with thrilling drives, approaches and putts. A perfect day was closed with one of the most delicious barbecues at seven o'clock in which all members and their families had a part. In the forenoon the players played an 18 hole qualifying round. The tournament committee took these records and divided the qualifications into four flights of afternoon plays, the winner of each flight to be awarded a prize. Charlie Powell proved to be the club champion, shooting five under par for the course. He made the 18 hole flight round with 65, or seven under par. No one above 74 qualified for the first flight. E. L. Caraway was second at 145.

The record of rounds for the day were as follows:

First Flight

E. L. Caraway	33-37-35-40-145
Harvy Holly	34-38-38-37-147
T. A. Parrish	36-38-40-37-151
L. Culbert	38-36-36-42-154
Chas. Powell	36-38-32-33-139
Clinton Barrett	37-37-36-38-148
R. Draper	39-35-38-36-148
B. Hight	37-37-45-41-160

Second Flight

W. T. Andrews	36-40-41-44-161
T. H. Dickey	40-36-38-39-153
F. G. Clouse	37-41-38-42-168
W. Williams	40-39-37-40-156
L. E. Lee	44-37-40-40-161
W. D. Starcher	43-39-40-37-159
H. P. Gibson	41-41-39-42-162
B. Williamson	40-42-44-42-168
W. P. Simpson	43-39-43-44-169

Third Flight

C. P. Ensey	42-41-45-43-171
Tom Johnson	39-45-44-43-171
Loyd Womack	46-39-48-48-181
M. C. Golding	44-44-44-49-181
Dr. B. F. Hale	43-43-43-172
Bill Kyle	43-44-44-43-174
Pete Carney	46-40-46-45-177
F. Watson	44-44-47-47-182
T. B. Watson	44-44-41-47-176
W. M. Bumpus	41-45-44-47-177

Fourth Flight

E. Watson	44-46-38-39-167
Edwin Hight	46-44-49-49-188
Fred Hisey	45-46-43-42-176
E. C. George	46-46-46-43-181
L. A. Hindman	47-46-45-45-183
F. W. Jennings	45-48-48-48-189
L. Harkey	46-50-47-47-190
Joe Boyd	45-52-04-194
A. B. Chapman	50-49-54-48-201
O. L. Kelley	51-51-52-53-207
E. D. Engelman	50-46-44-44-184
G. Hankins	46-45-48-45-184

The above record is strictly mail order, and should there be any mistakes we are willing to make corrections. It was a great day for Spur golfers.

Will Marshall, of Steel Hill community, was attending to business affairs in our city Monday.

S. P. Orand, of Red Mud, was transacting business in our city Monday.

G. T. O'Guinn, northeast of town, was in Monday doing some trading.

F. C. Gipsom, business man of Dickens, was in our city Monday looking after business matters.

Fred Slough, of Dickens, was greeting friends and attending to business affairs here Monday.

L. G. Crabtree, of Croton, was in our city Monday attending to business matters and greeting friends.

COUNCIL HAS RECORD ATTENDANCE

Eleven clubs were represented in the County Home Demonstration Council in its meeting Saturday when 25 club women were gathered to transact the business of the council.

Plans for the county clothing contest to be held at the Baptist church in Spur, Saturday, July 8th were completed when the chairman read the various committees necessary to carry out the event. Mrs. W. R. King was appointed chairman of the serving committee; Mrs. F. C. Falls, chairman of clean-up committee; Mrs. I. E. Abernathy, chairman of standing exhibit committee of the Council will have charge of the rugs and mats on exhibit.

The council after some discussion decided to have an encampment August 3rd and 4th on Cliff Bird's ranch about 8 miles west of Spur. Shade, cold water, a tank for swimming, and other ideal camp conditions are available, according to Mrs. Thurmond Moore, president of the Peaceful Hill club, who urged that that place be selected as the encampment site.

Production Loan Cotton Sold

Last week the Farm Credit Administration made a sale of cotton to the Secretary of Agriculture of 788,000 bales. This is cotton which was taken from growers as payment of Seed and Crop production loans.

The Farm Credit Administration has made arrangements whereby final settlement for this cotton with growers will be made on the basis of 9-1-2 cents per pound, based on July, New York, for middling 7-8 cotton, with current adjustments for variations in grade, staple and location.

The various agencies handling this cotton are rapidly developing final settlement reports for the farmers on this price basis. These reports will be mailed in the near future. In cases where sales proceeds exceed the loans and costs, the difference will be paid to the growers. In cases where the proceeds are less than the loan and where the collateralized value placed on the cotton is greater than the sales proceeds, the growers note will be credited with the amount of the collateralized value in an amount not in excess of the note.

Many farmers in Dickens County will be affected by this sale, and probably some of them will receive a check for a small amount—the excess of the proceeds of the sale over the loan. At least a great number of farmers will receive credit on their notes to the extent of the collateralized value of the cotton they put up.

Mr. and Mrs. W. D. Wilson of Lubbock, were in our city the last of the week greeting friends.

Mr. and Mrs. M. V. Tidwell spent the week end in Hico visiting relatives and friends.

Mr. and Mrs. L. D. Ratliff, formerly of Haskell, arrived in our city the last of the week and have an apartment at the S. R. Bowman home. Mr. Ratliff has opened a law office in the Spur National bank building and is now ready to attend to legal matters for the public.

S. M. Baker, of Dry Lake, was attending to business matters in our city Monday.

Kirk Bingham Of Jayton Receives Broken Leg In Car Accident

Kirk Bingham of Jayton, received a broken leg Saturday night in a car smash. Mr. Bingham was at a social during the night and after the guests were preparing to leave he was making some repairs on his car lights. Another car refused to start and a friend was pushing it which it was headed toward Mr. Bingham's car. As the car came near Mr. Bingham it started and before the owner could get control of it the car had pined Mr. Bingham between it and another car. He suffered a compound fracture of his left leg between the knees and ankle and received other injuries.

ATHENAEUM STUDY CLUB

The last meeting of the Athenaeum Study Club for this year was an all day social get-together at the home of Mrs. W. A. Hart Wednesday. An original program and songs were given with Mrs. W. R. Jimison as leader. Songs, Club. Club Crossword, Mrs. R. C. Crockett Song, Mrs. W. A. Hart. Why I married my Husband (Original Poem) Mrs. Murray Lea.

Each member present brought a covered dish and after the program lunch was served and enjoyed by all. Everyone spent a pleasant day.

Those present were: Mesdames W. R. Jimison, Tom Dickey, Ernest George, George Sloan, Frank Watson, W. A. Hart and R. C. Crockett.

W. E. Reeves, of Matador, was in our city the first of the week visiting his daughter, Miss Verlin, who was in the Nichols Sanitarium as a patient. He stated he was going on to Stamford to attend the Texas Cowboy Reunion.

HESITATE BEFORE YOU BRING LIQUOR BACK

I'm quoting from that matchless Southern Statesman and Author whose life was taken because of his stand for right. It sounds like a message of this morning rather than 62 years ago. These words were uttered by none other than Henry W. Grady at Atlanta, Ga., in 1887.

THE MESSAGE

"My friends, hesitate before you vote Liquor back now that it is shut out. Do not trust it. It is powerful, aggressive and universal in its attacks. Tonight it enters an humble home to strike the roses from a woman's cheek. Tomorrow it challenges this Republic in the halls of Congress. Today it strikes a crust from the lips of a starving child. Tomorrow it levies tribute from the Government itself."

There is no cottage humble enough to escape it, no place strong enough to shut it out. It is flexible to cajole but merciless in victory. It is the mortal enemy of peace and order. It is the despoiler of men, the terror of women. It is the cloud that shadows the faces of children. It is the Demon that has dug more graves and sent more souls unsaved to judgment than all the pestilences that have wasted life since God sent the plagues to Egypt, and all the wars that have been fought since Joshua stood beyond Jericho.

Oh, My Countrymen, loving God and Humanity, do not bring this grand old city again under the dominion of that power! It can profit no man by its return. It can uplift no industry, revive no interest, remedy no wrong. You know that it cannot. It comes to destroy, and it shall profit mainly by the ruin of your sons and daughters, or mine. It comes to mislead human souls, and to crush human hearts under its rumbling wheels. It comes to convert the wife's love into despair, and her pride into shame. It comes to still the laughter on the lips of little children. It comes to stifle all the music of the home and fill it with silence and desolation. It comes to ruin your body and mind. It comes to wreck your home. And it knows that it must measure its prosperity by the swiftness and certainty with which it wrecks. NOW WILL YOU VOTE IT BACK?"

No the fight for right against wrong has been going on since the old devil induced Adam and Eve to take his poisoned fruit and there will always be a war between these two great forces. The thing for us to decide in which is the side of right, if it is the saloon side we should go from our knees asking God to help bring back the saloon, if it is to keep Texas Dry then ask God's help on that side. It's a good old world if we look for the good and a bad old world if we look for the bad. I want to congratulate the farmers of Dickens County for the way they have joined with the Government in the move to reduce the cotton acreage. It just proves to me we have a fine class of men and women on the farms of this country. Good folks the way you have stood through drouth, hail and low prices makes me know you are going to win the fight for better conditions in your homes. You are entitled to a period of real opportunity, and I believe its coming. Your Friend, GEO. S. LINK.

Nichols Sanitarium

Kirt Bingham, of Jayton, who has a broken left leg, is resting fine. Mrs. Joe Pierce of Steel Hill, underwent an operation last Thursday and is getting along fine.

Mr. and Mrs. Austin C. Rose, of McAdoo, are the proud parents of a new girl born Tuesday. Mother and baby are in the sanitarium and getting along fine.

Mr. A. T. Martin of Red Mud, underwent a very serious operation Monday. She has been in a very grave condition but is doing very well now. Miss Verlin Reeves of Matador, was in the sanitarium from Saturday until Tuesday recuperating from an operation she underwent in Abilene. A pus sack formed and had to be treated.

Mrs. Homer Johnston, of Afton, who underwent an operation three weeks ago, had recovered sufficiently to return home Saturday.

Mrs. J. R. Speights, of Afton, was able to return home Saturday after an operation several days ago.

V-8 10,000 Terrific Miles Test

WHAT A DRIVE! WHAT A RECORD! Convinced that most so-called economy tests are staged under conditions pre-arranged to be the most favorable, J. S. Leach, Bartlesville, Okla., publisher, decided to hold a real economy test—put on under TOUGHER conditions than any ever experienced by the average driver. And he did.

The Golden Ford, a stock V-8 "40" Tudor Sedan selected by Leach for the test, started from Bartlesville Saturday morning, May 14, on its whirlwind tour. For 11 days and nights it tore around a 462 mile circuit in Oklahoma, stopping only to refuel and, every thousand miles, to change oil. No oil was added. Traveling 10,054 miles the Golden Ford averaged 43 miles per hour.

Four drivers, Al Springer of Oklahoma City, and Charles Christian, George Mizer and Jay Pierce of Bartlesville herded the Golden Ford around the loop on its furious journey. It was up to them to carry out Leach's idea that THIS test was to be a grueling one. And they had plenty of co-operation from the weather man.

Slashing through rain, plowing thru mud, bucking blinding Oklahoma sand in the Golden Ford. From hoarfog and weather conditions—on they went storms—fighting every kind of road seven in traffic to stepping at 70 on the few good straightaways which graced the route they gave the Golden Ford a golden opportunity to throw oil and to waste gasoline. But it could not.

Phillips 66 gasoline was in the tank; Phillips 66 motor oil was in the crankcase. In spite of the grueling punishment meted out by road and weather, the Golden Ford averaged 18.8 miles per gallon of gasoline. And NO T A DROP OF OIL WAS ADDED. Every thousand miles the padlock on the hood was unlocked, the crankcase was drained and filled with fresh Phillips 66 motor oil, in accordance with regular instructions to Ford owners in the Ford operation manual. The last crank case drain took out 4 1-4 quarts of 1,000 mile old oil. The crankcase of a Ford V-8 holds five quarts of oil which shows the Golden Ford used three fourths of a quart of oil the last 1,000 miles.

Everyone interested in the economy test was enthusiastic over the results. "If Phillips 66 motor oil and gasoline will do this well under those strenuous conditions they're the best," was the consensus of opinion.

Phillips, of course, was glad to get an opportunity to show its stuff under any kind of test—was more than glad when the results of the intense grind became known.

"These economy records are just another addition to the many conclusive proofs which have accumulated showing that Phillips 66 gasoline and Phillips 66 motor oil can't be beat," said R. C. Jopling, Phillips sales manager, in commenting on the test run Adv.

HOUSTON STUDENT WINS CULVER SCHOLARSHIP

Garfield H. Horn, the Houston high school student who won the Texas scholarship in Culver Military Academy for next session, has received instructions to report for the opening of the Academy next September 6th. He is one of twelve high school freshmen awarded Culver scholarships for outstanding scholarship and general ability, which they displayed in exacting tests administered by committees of prominent educators. Each of the twelve scholars stood highest in a state-wide competition. Horn will have \$100.00 per month for room, board and tuition paid at Culver until his graduation in June, 1936.

E. F. Laverly is leaving this week for Arizona and California where he will be gone about two weeks. Mrs. Laverly and children will be in Fort Worth during the time.

Robt. Nickels, of McAdoo, was transacting business in our city Monday. He stated the weather on the Plains is not as hot as it is in the brakes.

Mr. and Mrs. Bill Berry of Dumas and Mrs. Nancy Stevens of Rochester were in our city the first of the week greeting friends.

H. R. Black Dies Suddenly

Henry R. Black, 63, died at his home on West Harris street of heart trouble about 5:30 o'clock Tuesday afternoon. Mr. Black had suffered considerably of high blood pressure the past few years which probably was the cause of his untimely death.

Mr. Black had complained greatly of heat the past few days. He spent Tuesday with his family and seemed in as good condition as he ordinarily felt. He joined them in the holiday enjoyment and exhibited his customary cheerfulness. He was taken ill very suddenly and lasted only a short time.

He was a native Texan and was born in Fannin County, May 9, 1870. He celebrated his 63rd birthday anniversary last May. He came to West Texas when a child about nine years of age and settled in Stephens county. He moved to Motley county many years ago and served that county as sheriff several terms. He was associated with the Matador Mercantile company a number of years as a stockholder and active member of the firm. After Roaring Springs became a town he moved there and was engaged in the real estate business. After that he went to New Mexico and became engaged in the cattle business.

He moved to Dallas in 1921 and became affiliated with the North Texas Adjustment Company and was with that firm about ten years. He came to Spur in 1931 in the interest of the G. H. Connel estate, and since February 1932 he has served the county as deputy sheriff.

June 24, 1894, he was married to Miss Nellie Lynn at Crystal Falls, Texas, who still survives him. Seven children graced the home, six of whom still live. They are: Mrs. Flora Prejean of Houston, Coleman Black of Moran, Mrs. O. E. Hause of Houston, Mrs. J. A. Cunningham of Miami, Fla., Ralph Black of Crane and Mrs. Bess Pickard of Spur. He is survived by two brothers and two sisters: Bob Black of Moran, Arch Black of Matador, Mrs. Joe Meadors of Matador and Mrs. Sam Jones of Woonson.

In an early day Mr. Black made a profession of religion and became affiliated with the Methodist Church at Matador. He never moved his membership from that church, although he took interest in church work at other places where he lived. The body was prepared for burial by Campbell Undertaking Parlor. Funeral services will be held at Matador at 3:30 o'clock this afternoon if the children who were in Chicago arrive in time. The funeral rites will be read by Rev. Luber, pastor of the First Methodist Church, Webber Williams will act as funeral director.

Active pall bearers selected are: Farnse Moore, J. E. Russell, Doug Meador, Dr. Trawick, C. D. Bird, Charlie Morris and W. B. Arthur. Honorary pallbearers named are: Dr. B. F. Hale, Dr. M. H. Brannen, Dr. T. H. Blackwell, L. N. Ritter, Preston McClanahan, R. C. Forbis, all of Spur; A. M. Bourland, L. A. Stearns, Dr. McKenzie, R. P. Moore, W. A. Moore, J. D. Morris, Claude Martin, Roy Burleson and Harry Campbell, all of Matador; Claude Warren of Stamford and Judge H. A. C. Brummett of Lubbock.

Mr. Black had many friends in every section in which he lived. He had a great deal of sympathy for his fellowman and always tried to treat the other fellow as he would wish to be treated by others. His wife has lost a loving companion, his children a good father, and the community has lost a good citizen.

TEXAS TECH OFFERS TWO COTTON COURSES DURING SUMMER TERMS

Lubbock, June 27.—Coincident with the huge Federal cotton production control plan, which tends to raise the cotton and allied industries on a more profitable basis, the Texas Technological College textile engineering department announces two practical cotton courses for the second summer term.

Both courses have greater inducements for the adult than for the undergraduate students. Starting July 10, H. E. Blocker, one of Lubbock's leading cotton brokers will conduct the annual cotton school which offers practical classing of cotton, analysis of the mathematics of marketing, processing and the handling of a bale of cotton from the gin through its various phases to the manufacturer and other details. This course will last four weeks.

M. E. Heard, member of the college faculty, beginning July 17, will conduct a two week course on the construction and operation of the hand weaving loom for cotton, wool, and other fabrics.

This course will enable the student to set up a loom at a small cost and then weave clothing for his own and commercial use.

Materials for suitings, overcoats, blankets, scarfs and many other fabrics may be easily woven on this loom at a minimum of expense.

Full information regarding both courses may be had by writing the instructors or the Texas Technological College.

Geo. S. Link, Roy Stovall, and W. J. Bryant of Stamford, left Monday for the mountains of New Mexico to enjoy a few days vacation.

Mrs. S. S. Noblett, who has been visiting her sister, Mrs. E. F. Laverly, and mother, Mrs. Hattie Turvey, returned to her home in Fort Worth Sunday.

M. V. JACKSON PASSES AWAY

M. V. Jackson, 90, father of A. L. Jackson of the Helpy-Self grocery, died at his home in Byars yesterday morning. His health had been failing the past year and his advanced age seemed to be the chief cause for the demise.

Mr. Jackson was a native of Georgia. He came to Texas in an early day and settled near Fort Worth when that city was a mere village.

He is survived by his widow, Mrs. Mary Jackson and his children as follows: John Jackson, William Jackson, Mrs. Bettye Felding, Dan Jackson, Mrs. Fannie Allen, all of whom live in Oklahoma; A. L. Jackson of Spur; A. C. Jackson of Floydada, Mrs. Josie Cunningham of Kootz and Mrs. Sophia Vinson of Byars.

Mr. Jackson, here, left yesterday afternoon for Byars to attend the funeral services.

Increase In Wheat Prices on Reduction Of Acreage Plan

An extra 30 cents per bushel is in store this fall for Texas wheat growers for that part of their crop that goes into domestic human consumption in the United States if the domestic allotment plan of the Agricultural Adjustment Act works out satisfactorily, says O. B. Martin, director of Texas A. and M. College Extension Service. Returning from a regional wheat conference for representatives of 9 Southwestern states last week he pointed out that it is the firm intention of the Administration to force wheat prices up to a parity with the general price level through distribution of a 30-cent per bushel processing tax proclaimed effective July 8th by the Secretary of Agriculture.

"On the other hand," says Mr. Martin, "by the plans tentatively announced Texas growers would have to reduce their acreages an average of 25% in order to participate in the benefits if a 20% reduction is ordered. In some counties growers might have to reduce acreage by as much as 50% to receive benefits. This is due to the fact that the five year acreage averages on which state and county allotments are based is not as high in Texas as the three-year average on which the individual farm allotment is based. This in turn is due to the newly settled wheat lands of the Panhandle. The same problem exists in Oklahoma, Kansas and Colorado. We are presenting a brief for Texas to the Agricultural Adjustment Act officials pointing out the injustice and suggesting changes."

National campaign plans call for preliminary conferences as early as July 15th and an active contract signing campaign beginning early in Aug-

ust, Mr. Martin reports. Plans for the Texas campaign are being held up pending a satisfactory adjustment of the plan for computing the individual farm acreage. The Extension Service has been drafted to conduct the work of informing growers of the details of the plan.

As planned by the Administration, signers of contracts would organize local county wheat production control associations which would handle the relief through direct contact with regional wheat offices. It is proposed to meet the local expense of administration in the counties by levies on farmers' benefits, estimated to amount to an average of the country over of about 2 cents per bushel.

The plan in brief consists of the grower signing a three-year contract to reduce acreage as directed by the Administration and to farm the remaining wheat acres in a workmanlike manner, in return for which the farmer would be paid each fall 30 cents per bushel for the portion of the expected crop that is estimated to go into domestic human consumption. Payments would be made in two installments, the first about September 15th and the other after seeding time. First payments would be made this fall, which means that in exchange for a reduced acreage for 1934 and 1935 the grower would receive three yearly payments, in the autumns of 1933, 1934 and 1935.

Of vital interest to Texas is the crop insurance feature which provides that payments will be made if the farmer fulfills his part of the contract even though the crop is destroyed by hail, wind, drought or insects.

On the other hand, a farmer must contract this year for three years and he may not withdraw. Failure to comply with the contract later this year or in the succeeding two years would result in the Government declaring the advance payments a lien against future crops.

As the plan stands now farmers who have grown wheat one and two years would have to reckon their acreages on a three year average which would virtually eliminate them. This provision is being protested by Texas and other states where new settlers have recently opened up farms.

"The plan for the relief of the wheat farmer is in a formative stage and may be modified later," by direction of M. L. Wilson, United States wheat administrator," states Mr. Martin.

Rotary's Recent Growth Reported to Convention Shows Depression Over

Rotary Convention week in Boston began with a throng of more than 8,000 Rotarians from all over the world arriving in Boston.

From the attendance, and the reports of Rotary's growth in recent months which was made to the convention by the officials, the depression appears to be over as far as Rotary is concerned.

There are today nearly 3,600 Rotary clubs and almost 150,000 Rotarians. These figures were given to the delegates on Monday afternoon by President Clinton P. Anderson, of Albuquerque, New Mexico, in his annual message.

In Europe, 39 new Rotary clubs have been organized in the past year, the most recent one at Sofia, Bulgaria. In Latin-America 19 new clubs have been formed. In the United States, where there are already nearly 2,500 clubs, there have been 12 new ones organized since last July 1.

In his official call for the convention President Anderson emphasized the need for an attitude of optimism. He said:

"The task of Rotary is only well begun. A new economic order arises. Our opportunity is not so much to correct the old as to direct the new. It is Rotary's pledge to help sound in the world of today a note of optimism and idealism, of faith, mutual helpfulness and courage.

"Let us unite to send forth at Boston a note that may be heard outside our crafts, beyond our communities, before all men. Let us put Rotary more fully at the service of the world."

President Anderson and a group of about 150 Rotary officials arrived in Boston from Poland Spring, Maine, where the board of directors and the newly elected governors of the 78 Rotary districts had been in session.

Many of the delegates from distant countries also arrived Saturday. The first of a dozen or more special trains came in Sunday morning and by noon Monday more than 8,000 Rotarians and members of their families were in the city.

The convention opened formally on Monday afternoon in Mechanics Hall, where most of the business activities are centered. The program of the business sessions presents a crowded calendar.

The first session on Monday afternoon was devoted to the messages of greeting and response, a resume of the problems facing the convention, reports of the international officers, and an address by President Anderson.

Every phase of the operations of the individual Rotary club were discussed at Tuesday's meetings, first in a plenary session and then in small informal assemblies.

The international viewpoint held sway on Wednesday. Speakers talked on "The New World Over," from many different standpoints. Following these addresses there was in the afternoon an assembly for discussion of international business practices.

There is a longer list of proposed Rotary legislation than for many years. A whole day was given over to debate and action on the proposed enactments and resolutions affecting the Rotary organization.

Friday morning will be the closing session of the convention. The general theme will be the interdependence of nations and the development of international understanding. New officers for the coming year will be announced, the new president will make his inaugural address, and the outgoing leader, President Anderson, will review briefly his year of service.

Most of the social activities of the convention are being held in Mechanics Hall. Adjoining the auditorium, has been furnished a vast lounge known as the convention "House of Friendship." Governor Joseph B. Ely of Massachusetts presented a miniature of the Boston State House for the chief decorative feature. Grass, trees, and shrubs surround this miniature building in resemblance to the Boston "Common" in front of the real State House. A beautiful collection of New England landscape paintings hangs on the walls.

A small dance floor, special lounges for ladies and for overseas delegates, offices for information, mail and telegraph, golf bookings and other conveniences fill this hall.

Two golf tournaments were held for low and for high handicap players. Both these cups were in possession of Seattle Rotary Club players who won them last year.

The trophy for the largest club delegation (on a percentage basis) which has traveled the greatest distance to the convention, was forwarded to Boston by the Rotary Club of Holton, Kansas, winner last year. (Slaton, Texas as the winner this year). This cup has twice gone to Australia, once to Italy, once to England, and several times to cities in the United States.

The founder of Rotary, Paul P. Harris, a Chicago lawyer was present to deliver a message to the convention. With three friends, he launched Rotary on February 23, 1905, and when the first 16 Rotary clubs formed an association, he was the first president. His title now is president emeritus of Rotary International.

W. F. Cathey, of near Dickens, was attending to business matters in our city Monday. He stated he has a good cow for sale.

Mr. and Mrs. D. D. Dunwoody and Novis Ousley of Anson, were here the first of the week visiting relatives and friends. Mr. and Mrs. Dunwoody are former citizens of our town.

G. M. Cox, northeast of town, was in Monday looking after business affairs.

P. E. Hugins, of Duck Creek, was transacting business here Monday.

W. D. Blair, east of town, was in Monday greeting friends and looking after business affairs. He stated his arm is improving rapidly.

Tom McArthur, of Red Mud, was attending to business matters here Monday.

MR. AND MRS. ALLEN DEATON ENTERTAIN YOUNG PEOPLE OF DICKENS

On Thursday night of last week Mr. and Mrs. Allen Deaton of Dickens, entertained a number of young people with a party in their home. Many interesting games were played and a number of musical stunts were performed. Refreshments of cake and lemonade were served to thirty-eight. Everyone reported a nice time.

WHITE RIVER

Orie Smith of McDonald, were in the community Sunday.

Mr. and Mrs. Veto Austin and son returned to their home at Stamford Wednesday.

Mr. and Mrs. J. T. Cozby and daughters were in Spur Saturday.

Forest Martin and Bill Greer of Highway, were in the community Tuesday.

Mr. and Mrs. Fred Reed entertained Tuesday night with a farewell dance.

Mr. and Mrs. J. T. Cozby and daughter were in Spur Saturday.

Miss Vivian Rankin was shopping in Spur Saturday.

Robert Cannon and Lynn and Leland Rankin were in Spur one day the past week.

Otis Smith was in the community one night the past week.

Ray Tuckerman left one day last week for Arkansas.

Mr. and Mrs. Alf Gilmore of McDonald, moved into the community one day this week.

Mr. and Mrs. Fred Reed and daughter, Anda Vee, left Thursday for Mineral Wells where they will make their home.

SKETCHES OVER THE NATION

Albert R. Erskine, president of the Studebaker Motor Company at South Bend, Indiana, committed suicide Saturday while his wife was out in the city looking after her marketing affairs. His adopted son, Albert Russell Erskine, Jr., found the body while Mrs. Erskine was away. A note read: "I sell, I cannot go on any longer. Devotedly, A. R. E."

In Fort Worth last Saturday wheat sold at a peak price of \$1.08 1-2 per bushel. This was on a basis of No. 1 hard wheat and was the highest market price in three years.

President Roosevelt, who has been at Campo Bello Island, New Brunswick, left Saturday for Washington after having enjoyed a very restful vacation. The President developed a good coat of tan, and started back to the capitol eager to attend to his many duties concerning the nation. The London Economic Conference is one important feature of the national capitol.

Young Man Here Is Your Opportunity

The South's most staple crop, King Cotton, seems to be coming back into its own after about three years of depression prices caused by over-production. The price of cotton has gained about one hundred per cent in the past four months. Many predict that we will receive from ten to twelve cents per pound for our 1933 crop. The market quotation as this is written is nine and seven-eighths cents per pound.

If the above predictions are true, which is based on the market activities of the past few months, then it would seem to us that the young man who has the desire to engage in the vocation of cotton classing and grading should seize quickly the opportunity to qualify for one of the many places which are bound to be open this fall for cotton classers.

Ours is the oldest Cotton Classing School in the Southwest. We have successfully trained more young men for this profession than any other school outside of the A. & M. Colleges. (It is too late now to get course in Cotton Classing at the A. & M. for this coming crop.)

We will, for the next sixty days, offer an intensive course in grading, sampling, classing and stapling at the very low price of sixty-eight dollars. We furnish all necessary samples and other laboratory material. It will require about four weeks of intensive work to complete the course. We are taking reservations in the order made. If you are interested in taking up this work, please communicate with us at once. If you cannot enter school immediately, send us ten dollars for your reservation and we will hold a place for you.

CHURCH ANNOUNCEMENTS

ASSEMBLY OF GOD CHURCH

Sunday School at 10:00. Preaching at 11:00. Young People meet at 6:00. Evangelistic services at 7:30. Prayer meeting, Thursday evening at 8:00.

Everybody invited to worship with us. N. C. Whitlock, Pastor.

CHURCH OF THE NAZARENE

Sunday School at 10:00. Preaching at 11:00 and 8:00. Prayer meeting Thursday nights. Everybody cordially invited to be with us.

W. S. Lockhart, Pastor. G. L. Gibson, S. Supt.

PRESBYTERIAN CHURCH

Sunday morning at 10 o'clock, Sunday school. Sunday morning at 11 o'clock, morning worship.

The subject for the morning worship period will be, "In Partnership with God." The text is found in the Book of Malachi, the 3rd Chapter and

the 10th verse. Sunday evening at 8:30 o'clock, evening worship. The subject for the evening will be "The Tragedy of a Wasted Life", based on the story of the life of Samson. On Wednesday evening, July 12th, at 8:30 o'clock, we will study another novel written by Dr. Lloyd C. Douglas, "The Magnificent Obsession." Church members are urged to be present. Visitors are cordially invited and will be welcomed most heartily.

BAPTIST CHURCH

On last Sunday there was an increase in Sunday school although more than one hundred who are on the roll were absent. This should not be so, in fact the enrollment should be much greater. Every member of the church should be in the Sunday school. At the morning service the pastor brought a message on the importance of standing for the right. We are going to meet God at the day of judgment and will have to answer as to our stand. What will our answer be? The meeting at Wilson Draw was scheduled to close Tuesday night. The messages brought by Bro. Rodgers fulfilled the desire of the people to hear the Gospel. Three souls were saved at the Monday night service. "My word shall not return unto me void." Let us keep in mind the series of services we are to hold beginning the first Sunday in August, with Dr. Pierce doing the preaching. Come and take your place at all the services. —Reporter.

CITATION BY PUBLICATION THE STATE OF TEXAS TO THE SHERIFF OR ANY CONSTABLE OF DICKENS COUNTY—GREETING:

YOU ARE HEREBY COMMANDED to summon J. L. Hawkins, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the nearest county, to appear at the next regular term of the County Court of Dickens County, to be held at the Court House thereof, in Dickens, Texas, on the Third Monday in July, A. D. 1933, the same being the 17th day of July, A. D. 1933, then and there to answer a petition filed in said court on the 8th day of May, A. D. 1933, in a suit, numbered on the docket of said Court, No. 539, wherein The First National Bank of Fort Worth, Texas, a private National Banking Association, is Plaintiff, and J. L. Hawkins and R. L. Mimms are Defendants, and the nature of the plaintiff's demand being as follows, to wit:

Suit on one promissory note in writing, dated June 6th, 1930, payable to the City National Bank of Spur, Texas, for the principal sum of One Hundred Seventy-five and 56-100 (\$175.56) Dollars, due November 5, 1930, bearing interest at the rate of 10 per cent per annum from maturity until paid and providing for 10 per cent attorney's fees if placed in the hands of an attorney for collection.

That Plaintiff is now the legal owner and holder of said note; that the same was duly transferred by the City National Bank of Spur, Texas, to plaintiff on the 12th day of June, 1930, in due course of trade, for a valuable consideration and plaintiff is now the legal owner and holder of said note.

Plaintiff has placed said note in the hands of Coombs & Andrews, attorneys-at-law, for collection and has agreed to pay said Coombs & Andrews the 10 per cent attorney's fees provided in said note. That by an Act of the Legislature of the State of Texas, passed March 15, 1915, and being Chapter 59, page 108 of the Acts of 1915, the jurisdiction of the County Court of Dickens County, Texas, was increased to and made concurrent with jurisdiction of Justice Court of Dickens County, Texas.

Plaintiff prays for judgment for the amount of its debt as herein sued upon, with interest and attorney's fees, together with all costs of suit, against the defendant J. L. Hawkins, and for such other and further relief general and special, in law and in equity, as it may be justly entitled to receive.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Dickens, Texas, this, the 22nd day of May, A. D. 1933.

Neal Fortson, Clerk, County Court, Dickens County.

es in this observance but desires that it be as free from accidents as possible and have issued a warning in this connection.

Perhaps it is asking too much of "Young America" to insist that the use of blank cartridges, firecrackers, and other dangerous noise-makers be dispensed with, but certainly their use should be indulged in with great caution. If an accident should happen with any of the above articles, the first thought should be of lock-jaw or tetanus. Every wound should be cleaned and all foreign matter removed. Every puncture or lacerated wound should receive prompt attention. A doctor should be consulted at once and tetanus antitoxin administered if necessary. The use of this serum is a preventive of lockjaw. Care should also be exercised in the case of burns.

If swimming is to be a part of the day's activities, care should be taken to select a safe place. Of course pools that have guards are the safest places but unprotected places will claim their number of bathers, and those who cannot swim should be careful and not venture beyond their depth. In case of accidental drowning artificial respiration should be started at once and continued until medical assistance arrives.

According to the Vital Statistics records automobile accidents always show an increase on holidays as there are more people on the road on those days. Care should be used in driving; stay on your side of the road, give the other fellow a little more than half the road and have all your lights tested and inspect your brakes. If everyone would drive carefully and practice common courtesy a large number of accidents and deaths would be avoided.

"Pop Eye" Favorite Comic At CIA

Pop Eye, famous lover and fighter

of funny paper fame, is the favorite comic feature on the campus of Texas State College for Women, as proved by answers to the question, "Who is your favorite comic character?"

One of the reasons given for this unusual liking for Pop Eye was that he has a sound philosophy of life and lives up to it. Other reasons given were that he has a sense of humor, is kind to children and dogs, is a great lover, has the soul of a poet, finds pleasure in simple things and is a square fighter.

It may be assumed that this popu-

larity of Pop Eye is the result of simplified tastes of young women, but to the effect of the record

A NEW DEAL

Stop Gambling!

Place your risk where it is safe. A NEW DEAL IS OFFERED THE PEOPLE OF THIS TERRITORY. The record of Spur Mutual is the most outstanding of any organization of its kind operating in Texas at the present time.

Our policy is for \$1500.00, and is worth face value, and in addition, it carries with it the wonderful attraction of the return premium feature. The initiation fee for this attractive policy is \$7.50.

The NEW DEAL is for the people of the counties in which we are chartered to do business: HASKELL, KNOX, COTTLE, STONEWALL, FISHER, SCURRY, KENT, DICKENS, MOTLEY, FLOYD, CROSBY, GARZA, BORDEN, LYNN, LUBBOCK, HALE AND KING COUNTIES. The ages are from 12 to 50 inclusive. To take advantage of this offer you shall have carried a Mutual Policy operating in Texas, and said policy shall have lapsed previous to July 1, 1933.

To you we are offering a SPUR MUTUAL POLICY worth \$1500.00 TODAY for the sum of ONLY \$1.50. This offer is open for a limited time, namely, from JULY 1st to AUGUST 31, 1933.

For twelve years Spur Mutual has continued to give life insurance to people of this territory, and the administration realizes the sacrifice of the gigantic amount of insurance lapsed because of hard times. In spite of this fact Spur Mutual has continued to grow and serve the people. The Administration of the Spur Mutual appreciates the effort of the government to restore prosperity. We feel that we should offer the people of this territory our services in this supreme effort. Hence comes this VERY ATTRACTIVE OFFER OF THE NEW DEAL.

For your sake, your family's sake and the sake of your creditors you cannot afford to neglect this opportunity to place in force a fifteen hundred dollar policy for ONLY \$1.50.
