

A WEST TEXAS PAPER FOR WEST TEXAS PEOPLE

Dickens Co. Times

VOLUME 9

SPUR, DICKENS COUNTY, TEXAS,

THURSDAY, SEPTEMBER 14, 1933

WHOLE NUMBER 427

SCHOOL OPENED MONDAY WITH BIG ENROLLMENT

With more than 700 students present and a great number of patrons Spur schools started the years work Monday. Opening exercises were held at each of the three buildings, all exercises being at the same hour.

Sam Z. Hall, city superintendent of schools, made a welcome address at the high school, extending a special welcome to those students from other schools. The song, "America" was sung by the congregation and Rev. Joe E. Boyd, of the First Methodist Church gave the invocation.

Rev. Boyd was asked to speak. He read a scripture and spoke on opportunities of the day, and in his remarks he recited some of the early day school experiences. The school then was favored with a quartet by Messrs. Seale, Ivey, Read and Langston with Mrs. J. C. McNeill, III, at the piano.

Mrs. Madge D. Twaddell, county superintendent of schools, was asked to address the students. Her address was interesting and was illustrated by many stories. She complimented our fine school affiliation and the excellent faculty. Every teacher in Spur high school has a bachelor degree and many of them have their master degree.

George S. Link, one of Spur's business men, talked to the student body, using as his theme, "honesty." He gave many illustrations of how honesty had carried people to success where schemes and tricks had failed. A very interesting talk was given by Fred C. Haile, using as his theme "How to succeed." He stated that many people go to school hoping to learn a lot in books in order that they will not have to work. He stated that is the wrong principle. That people go to school and acquire knowledge in order to be able to do more efficient work and be of more service to humanity.

Supt. Hall made some general arrangements relative to the courses of study. Then he asked if all former graduates of the school would go to the front and 22 responded. Then the congregation was asked to stand and all joined in singing the school song, and Mr. Link dismissed them with a short prayer.

The school faculty is: Sam Z. Hall, Supt., R. B. Neilson, Principal, David Sisto, Spanish, Miss Julia Maxwell, History, C. B. Middleton, Vocational Agriculture, Thad Murley, coach and science, Oliver Brinell, Mathematics, Mrs. Alton Chapman, home economics, Miss Pauline Buster, English, Miss Ha Lassiter, English-History, Miss Sarah McNeill, English.

Junior High School Opening

F. F. Vernon, Principal, asked that all join in singing America. Rev. F. G. Rodgers, of the First Baptist Church, gave the invocation. Rev. Rodgers then conducted the devotional exercises, reading some scripture and making a very fine talk on "Building." He stated that if people expected to erect good buildings they must use good materials.

Devey L. Granberry, secretary of the Spur Chamber of Commerce, was asked to make a talk. He stated that everybody knew he could not make a speech, but that he did want to say a few things to the students. He said he guessed the people could name his subject "Horse Sense." During his address he outlined the different types of people found in school and stated that they were about the same kind of folk after they left school.

Mr. Vernon asked if some of the other patrons desired to say a few words. No one responded. Mr. Vernon then made announcements about registration and assigned rooms to each division. After this he asked the faculty to be introduced. One new teacher is in the faculty at the Junior High this year.

F. F. Vernon, Principal, Mrs. O. A. White, Reading, Mrs. L. B. Tillotson, Writing and Spelling, Mrs. O. L. Kelley, Geography, H. C. Foote, History, English teacher not yet provided.

There were about 170 students enrolled the first day in this school.

East Side School Opening

This school has a large enrollment. O. L. Kelley, Principal, asked that all stand and they joined in singing, "America." They were favored with a quartet by F. G. Collier, G. J. Lane, Mrs. Dan H. Zachry and Mrs. J. W. Henry.

Announcements were made and the faculty announced as follows:

O. L. Kelley, Principal.
Miss Jane D. Wilson, Low Fourth.
Miss Ella Mae Hogan, High Third.
Miss Charles Hayes, Low Third.
Miss Mary E. Hogan, High Second.
Mrs. F. G. Collier, Low Second.
Miss Alice Wright, 1st Grade A.
Miss Anna Mae Lassiter, 1st Grade B.

Mrs. Dan H. Zachry, Low 5th A.
Mr. Kelley, Low 5th B.
The enrollment by grades at this school the first day was as follows:
Low 5th grade A, 31; Low 5th

NOTICE

B. Schwarz & Son will be closed Wednesday, September 20th to Observe Religious Holiday.
We ask our friends and customers to please arrange their shopping accordingly.
M. C. Golding, Mgr.

Acreege Reduction Checks Arriving

This week the checks with which to pay the lease on the cotton acreage program for Dickens County began to arrive. Monday and Tuesday the local agricultural agents office received 128 checks amounting to \$27,888. Mr. Lane stated more are coming and probably a few will arrive daily for the next week.

Farmers need not come to Spur to get their checks until they receive notice they have been received. Mr. Sandidge or Mr. Lane or the Committee will send a notice out as soon as the checks arrive in order to save the farmers extra trips to town.

DICKENS COUNTY FARMERS DAY AT SPUR EX-STATION

Farmers of Dickens County are invited to bring their lunch and spend the day Friday at the Spur Experiment Station and study some of the great agricultural problems. A number of business men of Spur probably will be interested in these problems and many of them are expecting to be present for the day.

There are many things which confront the farmers of this country at this time, and which will be discussed and experiments shown Friday. Among these are:

Runoff water and how it can be saved.
Wide and narrow rows in field crops and their results.

What causes cotton to shed.
The use of alfalfa and sudan grass in cattle feeding.

The different types of silos.
And a great many other problems which the farmers here are, or should be interested in. Don't forget the day. Pack a lunch and come to the station for the day and learn a lot in the future.

P. T. A. MEETING SEPT. 22

A meeting of the Parent-Teachers Associations of Dickens County has been called to meet in Spur at eight o'clock Friday evening, September 22. The meeting will be held in the auditorium of the First Methodist Church and it is hoped that all Parent-Teachers organizations in the county will be well represented.

Mrs. Day, of Rotan, district supervisor of P. T. A. work, will be the principal speaker of the evening. The Spur Parent-Teachers Association will act as host of the evening. The last hour will be given to social features, allowing the teachers and parents to get acquainted, probably followed by refreshments.

Mrs. Twaddell states that any who fails to hear Mrs. Day on P. T. A. work will miss a great treat.

Club Work To Include Yard Improvement

Beginning in October each home demonstration club in the county will begin an active program in yard improvement. Demonstrators for that work are being enrolled this month so that the October program may be given at the home of the yard demonstrator when a study of the house and surroundings will be made and a planting plan drawn. The planting plan will include a well-sodded lawn, foundation plantings to tie the house to the ground, and the setting of trees. Each club member will be a cooperater in yard improvement next year and will be expected to clean up the premises and put out door step plantings using native shrubs.

The following quotation from The American Home magazine shows the value of a well kept yard: "A group of mortgage bankers and appraisers were studying the factors and items that are taken into consideration in deciding what amount of money might safely be loaned on a piece of property. It was interesting to hear these men discuss and analyze your home and mine from this standpoint. Among the factors was the value of a good lawn as an indicator of the character of the person living in the property."

"The lawn is a reflector of character. The home maker who keeps his yard in good shape, shows a pride and permanence that has considerable value. Likewise the owner who gives weeds take the grass and who gives but scant consideration to the appearance of his front yard is likely to deal just as carelessly with his financial affairs. Then too, there is something about a well-kept lawn that marks a house as a home that is really lived in rather than a mere place of shelter."
CLARA PRATT, H. D. A.

REVIVAL AT McADOO CLOSING

The revival at McAdoo which had been in progress for several days, closed Sunday night. Rev. Frank M. Neal, of Amarillo, general evangelist of the Southern Methodist Church, did the preaching. There were 110 people in attendance. Rev. Neal is pastor of the church. The singing was in charge of local people.

EASTERN STAR MEETING TONIGHT

The Spur Chapter of Eastern Star will hold a meeting in the Masonic Hall tonight for the purpose of conferring degrees. The Worthy Matron and other officers entertain all members who can be present for this meeting. A great time has been promised those who attend.

ART INSPUR

Mrs. W. P. McDonald is opening her fall class of art at the Spur Inn Wednesday. If interested call Mrs. McDonald at the Inn.

HIGH SCHOOL TUITION

BY MADGE D. TWADDELL
There have been many questions asked recently about the high school tuition law until it seems that an explanation is in order.

The high school tuition law was passed by way of trying to equalize educational opportunities. Every person between the ages of six and twenty one whose grade is not taught in the home school is entitled to attend an accredited high school. The State will pay up to seven fifty for his tuition monthly and up to \$2.00 per month for transportation. This cares for the high school child without taking any tax money out of the local district.

I believe we now have transportation arrangements made whereby all high school tuition pupils from the south end of the county can be transported into the Spur High School.

We hope that every eligible boy or girl will take advantage of this splendid opportunity. In many cases not working this fall will carry with it a real sacrifice, but we must remember that this is a high school age. The young people of today are going into the world to compete with people who have at least finished high school. Taking a good high school course is now almost a necessity. Much honor and future reward will go to the boy or girl who attends school with very few clothes, when he might stay out of school and dress up. This is a time when we have learned to evaluate more properly than probably ever before. I know a high school girl who will go to school if she has only one dress and has to wash it every night. This is the kind of an individual who arrives. We are proud of our people who are sacrificing for education.

County Council Met Saturday

Eight home demonstration clubs were represented in the meeting of the Dickens county council Saturday afternoon of last week. Mrs. L. B. McMeans, Twin Wells, vice-president of the county organization had charge of the meeting in the absence of the chairman.

roll call all the clubs seem to be busy preparing for the club exhibit to be held in November. The Council voted for the clubs to furnish prizes for the various entries in the exhibit. Mrs. J. L. Hagins, president of Duck Creek Club made the suggestion to council and said her club already had a quilt ready to be given as a prize. Other prizes suggested were baskets of canned meals, gift baskets of canned food, needles and thread, and baked goods.

Mrs. L. B. McMeans gave a report of the work of the Texas Home Demonstration Association during the Short Course.

Those attending council were Mrs. W. M. Hunter, Steel Hill; Mrs. L. B. McMeans, Mrs. Tom Gilmore, Mrs. C. C. McCombs, Mrs. Waters, Twin Wells; Mrs. F. B. Crockett, Mrs. Wylie Ball, Espuela; Mrs. W. R. King, Mrs. Cecil Fox, Spur; Mrs. J. L. Hagins, Duck Creek; Mrs. Paul Braddock, Mrs. Hagins, Mrs. S. C. Alexander, Prairie Chapel; and Mrs. Thurmond Moore, Peaceful Hill.

National Red Cross Calls On County

The National Red Cross made an emergency call on the Red Cross of Dickens County to relieve the suffering in the lower Rio Grande Valley caused from the terrific storm. The message from the Red Cross came Thursday at ten o'clock asking for fifty dollars. Within one hour Dickens County had gone over the quota. The people of this county had not forgotten about the help furnished the past few years.

Dickens was asked for \$5.00 and sent in \$7.51. Z. W. Fowler was in charge there. McAdoo was asked for \$5.00 and sent in \$7.50. Mrs. A. M. Lay was in charge there. Mr. Lawson at Afton was in charge of the work there and sent in \$2.50. Mrs. Senning assisted Mr. Granberry at Spur and \$47.00 was raised here. A check of \$65.00 was sent to the Red Cross to assist in the relief work.

Club Girl To Dallas State Fair

The 4-H club girl who makes the best record as garden demonstrator for her club this year will receive a trip to the Educational Encampment as a guest of the State Fair at Dallas in October. The demonstrators are finishing up their reports this month in order to have them in the home agent's office by Sept. 23rd. The winning girl must send at least three entries to the Dallas Fair including her record books and history of her work. The other two entries may be anything from the list for girls' work.

The Girls who are garden demonstrators this year are Merle Bennett, Prairie Chapel; Bernice Mayo, Croton; Lizzie Lou Baxter, Afton; Nell Van Leer, McAdoo; Clarice Hughes, Duncan Flat; Marie Ball, Espuela; Norwetta Smith, Dry Lake; and Marjorie Ward, Highway.

CLARA PRATT, H. D. A.

ATTENTION! TAXPAYERS!

The Forty Third Legislature passed House Bill No. 261 authorizing any tax payer of any common or independent school district to pay his school taxes without paying his county and state or any other taxes assessed on the tax roll.

This year we have a State Aid law that rewards the districts that are paying their taxes or in other words, puts a premium on the payment of taxes.

Dickens County people have probably never been as much interested in schools as they are right now. Many are all ready planning to pay delinquent school taxes out of some cotton money. I know that everybody who can will pay at this time.

MADGE D. TWADDELL, County School Superintendent.

BAPTIST CHURCH

On last Sunday at both the morning and evening services the pastor's text was, "Be still and know that I am God," Psalms 46. Among the great truths brought out he said that when a people or nation forget God, desecrated His sabbath and failed to seek His counsel, that people or nation falls. "Jehovah is God, and He will be exalted among the nations."

About 55 attended the B. T. S. association meeting at Dry Lake church Sunday afternoon. A good program on "Looking unto Jesus" in the organization and maintenance of a B. Y. P. U. The Spur church received the attendance banner which was given on the percentage basis.

Let us not forget that Sunday, September 24 is promotion day in the Sunday School. The general superintendent, the departmental superintendents and teachers are planning a good program for that day.

The pastor goes next Monday to hold a two weeks meeting with the Aspermont church. Let us remember him at a throne of grace. —Reporter.

EAT AT BELL'S CAFE

MEETINGS IN PROGRESS

Rev. J. V. Bilberry began a series of meetings at Highway last week, and reports are that a very interesting time and much good is being accomplished. Rev. Bilberry is one of the pioneer ministers of West Texas and has been preaching in this section nearly thirty five years. The public is invited to these services. The meeting will continue through the week.

Wright Randolphs, minister of the Church of Christ at Floydada, is in a meeting at Wichita community this week. He was in town Saturday and stated he would be glad if friends of Spur would join in and assist all they can with the meeting. Large congregations and good interest prevails.

A meeting is in progress at Twin Wells school house under the auspices of the Church of Christ. Good sermons are being delivered every night and fine interest prevails. The people are extended an invitation to attend these services.

SCHOOL DAYS

By DWIG

THE IMP OF THE PERVERSE

"JUST MAKE YOURSELF AT HOME"

It's an old expression, but it's typical of the warm, friendly atmosphere at the Crazy Water Hotel.

People get acquainted here, because so many of them come back year after year to drink Crazy Mineral Water and take a course of Crazy Mineral Baths. They enjoy meeting their old friends just as you will . . . But more than that, you too can get back "in condition" for another year just through drinking Crazy Mineral Water and enjoying those baths under the supervision of tained masseurs.

This year all the facilities of the Crazy Water Hotel, including a large, comfortable room, all your meals, mineral baths, and all the Crazy Water you can drink served to you in your room or at the noted Crazy Water bar may be yours for as low as \$20.00 per week.

ENTERTAINS FRIENDS AT BIRTHDAY PARTY

Master Billie D. Starcher entertained a number of little friends at his parent's home at the corner of Harris Street and Lee Avenue Saturday afternoon in honor of his sixth birthday. He was not six until Monday, but a number of the friends he desired to be present would have been in school Monday. Hence, the entertainment was held Saturday afternoon.

Billie D. met his friends as they arrived and told them he wanted them to enjoy a nice time. There were 12 boys and 20 girls present for the occasion. Games were played and a very nice time was enjoyed.

Tea cakes and lemonade were served to the guests in bounteous quantities. Then Billie D. opened two large boxes and passed souvenirs to his little friends, the boys receiving little guns, belts and scabbards and the girls receiving little dolls. A large table on the lawn was loaded with nice presents in honor of the host. The great thrill came when the gifts were unwrapped. Billie D. thanked everyone for the nice remembrance.

MRS. JOHN J. PAYNE SHOWERED

Mesdames Lavis E. Lee and S. H. Twaddell entertained on last Thursday evening at the Lee home with a miscellaneous shower honoring Mrs. John J. Payne a recent bride.

After a number of games were played the last "pleased or displeased" the bride being sent around the house to return with a wagon loaded with gifts.

It was several minutes before Nina Mae got the full significance of the packages but as she opened present after present with its accompanying she was overcome with joy.

Many beautiful and useful gifts were received by the honoree. Refreshments consisting of salad, ice box cookies and tea were served.

The following is the list of names of persons who took or sent presents: Mesdames Luther Hindman, Jerry Ensey, J. E. Johnson, Roy L. Harkey, J. P. Caudle, Mayfield, Joe E. Boyd, J. W. Horner, A. M. Walker, Tom Verner, Tom Dickey, E. D. Engleman, C. J. Ensey, Miss Alice Brashier, Miss Louise Collier, Mesdames W. C. Presley, J. P. Carson, S. H. Twaddell, H. P. Gibson, E. S. Lee, T. C. Ensey, S. R. Bowman, W. S. Campbell, J. C. Payne, M. H. Brannen, Leona Mott, I. E. Abernathy, Miss Eloise Lane, Miss Frances Lane, Misses Weldon and Winifred Bell, Mesdames G. S. Link, Ralph Sherrill, G. J. Lane, Donald Ensey, Lee Gilbert, Miss Winnie McKeever, Mesdames W. R. Stroud, B. Williamson, G. L. Barber, W. T. Andrews, Uileen Robinson, Bessie Johnson, Mary Wooten, T. A. Johnson, M. Hargrove, Lucille Hargrove, Mary Belle Ensey, C. P. Ensey, J. M. Foster, J. C. McKeever, Beth Blackwell, L. E. Lee, Ned Hogan, J. Ensey, J. A. Brown, M. C. Golding, J. C. Keese, Elizabeth Keene, Ruby Rae Williamson, Hatti Ann King, Mrs. J. L. Rosamond, G. R. Elkins, Koon, M. E. Manning.

Mr. and Mrs. A. L. Robinson and children, of Mountainair, New Mexico, are here visiting Mrs. Robinson's father and sister, A. L. Jackson and Miss Viola Jackson.

—EAT AT BELL'S CAFE—
M. E. Franklin of Prairie Chapel, community, was attending to business matters in our city Tuesday.

Mrs. P. T. Atchison and little daughter, of Elton, spent a few days in our city this week visiting their father and grandfather, A. L. Jackson.

Mr. McCauley, of Lubbock, district appraiser for the Home Owners Loan Corporation, was in our city Tuesday

visitor in Spur Wednesday of this week.

H. E. Bennett was attending to business in Dickens Thursday.

Dr. and Mrs. J. N. Haney and others returned from a trip through East Texas and Arkansas this week, where they were visiting with relatives and friends.

Byron Haney was a business visitor in Spur Friday.

Mr. and Mrs. Jess Powell and children drove over to Lubbock for the weekend Wednesday.

Rev. and Mrs. Jack McCormick were in Afton Sunday.

Misses Nora, Lizzie Lou Baxter, E. L. Hooker, Miss Eusa Smith and John Baxter were in Dry Lake Sunday attending the B. T. S. meeting.

Ferrel Smith moved to Spur where he will attend school.

A number of Afton folks were attending singing at the Duncan Flat school house Sunday.

CLUB ELECTS OFFICERS

Doris Neaves was elected president of the Espuela 4-H club Thursday morning when the club met and found that all the officers are to attend school at Spur this year. Eula B. McMahan was elected vice-president; Marie Ball, secretary; Elaine Neaves, song leader; and Vada Bell Murphy, reporter.

Arrangements were made for a tomato canning demonstration for the next meeting to be held at the home of Eula B. McMahan.

Vada Bell Murphy, reporter.

CLUB GIRLS WORKING FOR PINS

A check up of the goals to be reached before receiving a 4-H club pin for this year's work in the Prairie Chapel 4-H club Friday morning showed that several girls have nearly reached their goal and a number of others are planning to finish up.

The goals in bedroom work were to arrange the furniture correctly; build or improve clothes closet; make a braided table mat. In garden work each girl was to grow 25 feet each lettuce and string beans, and 150 tomato plants, and have for exhibit quarts canned tomatoes and 1 pint chili sauce.

Paula Mae Johnson was elected reporter to fill the vacancy made by the absence of Hazel Benham.

There were 17 present as follows: Merle Bennett, Ruth Goodwin, Lyndell Mae Glenn, Vera Livingston, Gay

Does The Eagle Represent The Beast?

Some people are going about our country telling the world that the Blue Eagle and the NRA represent the beast as spoken of in the book of Revelations. It could do so, for it is difficult for the limited wisdom of man to know what is contained in that book.

This beast is described in the 13th chapter of Revelations as follows: "And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy."

"And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion." Rev. 13-1-2. We wish to ask if the above described beast favors the Blue Eagle. Some say the seven points on one wing represent the seven heads of the beast, and the ten points on the other wing represent the ten horns of the beast. Could this beast be represented by a fowl with heads on one side and horns on the other? Would it not be more in keeping with God's creation that the heads and horns be more adjacent to each other? The Book further says, "And the Beast which I saw was like unto a leopard." Does the Blue Eagle represent this description? And it goes on, "And his feet were as the feet of a bear, and his mouth as the mouth of a lion." Is this described in the Blue Eagle?

Now people, there is little foundation for the Blue Eagle representing the beast. It does represent the difference between "hard times" and prosperity if what it stands for is carried out. Why not say the ten points on the right wing represent the ten years of prosperity we passed through up to 1929, and the seven points on the left wing represent the seven bad years we are passing thru now. The head of that eagle is turned toward the right which is the stronger side—the side of prosperity.

The Blue Eagle is the emblem of recovery for the poor people. With it and the NRA our President expects to whip the moneyed powers into line and make them give the unemployed work. It is by this means that a demand will be made on the markets for the farmers live stock, cream, cotton and other products. The buying power of approximately 50,000,000 people has been killed for three years. The laborer cannot buy what his family needs to eat and wear at this time. Cotton prices were good when the more than ten million laboring men now out of employment had work and drew their salaries, and were able to buy what their families needed. Big interests speculated in the stock markets and soon all available cash in the country was in their hands. Then men began to lose jobs, the price of farm products took a nose-dive and want and suffering ruled the land. Big interests found no excuse to turn money lose and still held on while millions suffered.

Our President said it is enough. The Industrial Recovery Act was passed, and this Act requires all business firms to reduce the hours of their employees each week and to add extra men to make up the difference which will give more people work to do. Already there have been two million people put back to work. But it is going to take time, and people must be patient, and cooperate with our President's plan.

The R. F. C. work, the Public Works program and the great demand for farm labor to harvest the crop in this country is going to give everybody work if they are willing to accept it. There has been \$24,000,000 allocated to Texas for public road work, and it is thought this will be increased before the year is over. There will be some aged men and some widows who will not be able to work on public works. These will have to be looked after from a charitable viewpoint. But before long all able bodied men can secure work at a reasonable wage.

The Cotton Checks
Some have said the government did not intend to pay the checks for the cotton acreage reduction. The government never has failed the people. The government has always made good its promises. True, it has seemed a long time to wait, but there were several million farmers concerned in this movement and it takes time. It is better that the checks are a little late. Every farmer who signed that agreement also signed an agreement that the government should hold out any money which the farmer owes the government in any form. Within

OUR PART

The Flag Goes Up....

This company has subscribed to the National Recovery Act and accepts, the moral and financial responsibilities that are involved.

The Price of Electricity Comes Down!

Beginning September 1st, the 3 per cent Federal tax on domestic and commercial electric bills will no longer be paid by our customers. Hereafter the tax will be paid by the company.

THIS IS A REDUCTION IN YOUR COST FOR ELECTRICITY

But it decreases our earnings from commercial and domestic use by 3 per cent. The National Recovery Act also subjects this company to additional operating expenses. . . Under the code for the industry which now governs this company, we are re-arranging personnel and working schedules which will result in increased payrolls.

These conditions create new, difficult and costly problems for us, but we approach them willingly, glad to contribute what we can to help the nation to better times.

YOUR PART

USE MORE ELECTRICITY In your business and in your home. Your business will be stimulated, your home will become more livable. . . and you will be playing the game.

As always, the real interests of the company and its consumers are identical. That community of interest is the foundation of the policy of the NRA. That spirit will insure its success.

the next few days the crop condition of this country will be judged as a reasonably safe bet. Then the government's agent will go out and inspect the farmers crops, and if conditions show that the farmer will be able to pay the government what he owes out of the remainder of the crop, then that farmer may be privileged to take his check and use it. But who could have told the condition three or four weeks ago? At that time the government would have been forced to take out the amount owed to it in order to have been secure. It looks like it might have been better to have waited until the farmers crops are more developed. Don't worry, you will get your money. To us it looks like the sensible thing to do is to fall in line with our President and all work to pull our country out of the pit of "hard times" Let's cooperate and refuse to listen to far fetched ideas that we, nor any one else knows anything about. Let's live honest, upright lives, treat our fellow men with respect and our Divine Creator with reverence, and it will not matter whether the end of time comes now or a century hence. We are taught in Divine Work not to be concerned as to the time, but to be prepared.

WILSON DRAW SCHOOL OPENED MONDAY

The school at Wilson Draw, about four miles east of Spur, began the regular 1933-34 term Monday. Of the 36 scolarstics in the district, 27 were enrolled the first day of school.

The school work is carried through the seventh grade. Two teachers will do the work this year. Mrs. Magnolia Ellis is principal, and Mrs. Katie Conatser has charge of the primary department.

Quite a number of patrons were present for the opening exercises. Wilson Draw has been known for its fine school interest.

You're The Loser

WHEN you allow Headache, Neuralgia, Muscular, Rheumatic, Sciatic or Periodic Pains to keep you from work or pleasure.

You can't go places and do things when you are suffering—and the work or good times won't wait for you.

Why allow Pain to rob you of Health, Friends, Happiness, Money?

DR. MILES ANTI-PAIN PILLS have been used for the relief of pain for more than forty years. They taste good, act quickly, do not upset the stomach, nor cause constipation, leave no dull, depressed feeling.

Thousands have used them for twenty, thirty, forty years, and still find that nothing else relieves pain so promptly and effectively.

Why don't you try them? Once you know how pleasant they are to take, how quickly and effectively they relieve, you won't want to go back to disagreeable, slow acting medicines.

I have been using Dr. Miles Anti-Pain Pills for thirty years. No matter what kind of pain I have, they stop it almost instantly. Never without them in the house.

Mrs. Chas. W. Webb, Indio, Calif.

You too may find quick relief. Why wait forty minutes for relief when Dr. Miles Anti-Pain Pills will relieve you in ten to twenty minutes?

As a household remedy I have never found anything that equalled Dr. Miles Anti-Pain Pills. Mrs. Silas D. Keller, Fenfield, Pa. I never found anything that was so good to stop pain as Dr. Miles Anti-Pain Pills. I have told many about them and I find they are all using them.

Mrs. Martha Lacy, Davenport, Iowa I have been using Dr. Miles Anti-Pain Pills for years. I keep them on hand all the time. I can certainly recommend them for pain.

Miss Audra Seybold, 2417 W. 2nd St., Dayton, Ohio Your Anti-Pain Pills have been a wonderful help to me. I have used them for three years and always keep them on hand.

Mrs. E. Pierce, Lapwai, Idaho I have used quite a lot of Dr. Miles Anti-Pain Pills. They are fine pills to stop pain.

Mrs. J. L. Kester, Shickshinny, Pa.

Landlord-Tenant Wheat Allotment Plan Explained

College Station—Questions about landlord-tenant relationships in the domestic allotment plan for wheat seem to be the most troublesome to growers, judging by inquiries received at Extension Service headquarters and by county agents.

Two guiding principles help to explain most such questions, students of the plan state. In the first place the contract follows the farm and not the farmer, and in the second place the right to share in benefits depends upon having a vested interest in the crop.

Farmers sign up land and not themselves, but in signing up the land they obligate themselves and all who come after them in the farming of that land for the duration of the contract.

If a landlord rents for cash he cannot share in the benefits, but must sign the contract with tenant. If a succeeding tenant next year or the year following should break the contract, all advances made previously are collectible by the Government, and the landlord and not the 1933 tenant is liable for the 1933 payments.

COTTON GRADES LOWERING

According to report from the United States Department of Agriculture the amount of Strict Middling White cotton had decreased some since the report of August 26. Reports received from seven districts classified as to soil texture showed that the Fort Worth prairie section led in the percentage of Strict Middling or better white, it rating at 85% in this section.

The average of the seven districts reported Saturday showed an average of 67 percent of the states production was strict Middling or better. Of this amount 46.15 per cent of the production of the seven districts was 15.16 and longer staple.

From the report sent out it seems that less than half of the states production is of the longer staple class. Nothing from the three West Texas districts was reported.

CHICAGO JUDGE SUSTAINS THEN ADMINISTERS NRA

CHICAGO—Judge H. M. Fisher upheld the constitutionality of NRA in promptly denying an injunction to La Mode garment factory of this city against striking employees. The court held that the company was operating in violation of the Recovery Act in not fixing minimum wages and maxi-

When in Sweetwater make your headquarters at the HOTEL MACIE and Coffee Shop. Everything Modern G. H. Johnson, Prop.

NERVES

Here's a good way to quiet "NERVES"—A Dr. Miles' Effervescent Nervine Tablet, a glass of water, a pleasant, sparkling drink. Nerves relax. You can rest, sleep, enjoy life. At your drug store. 25c and \$1.00.

mum hours and also in "not recognizing the existence of a national emergency as set out in the act itself." He ordered cessation of the strike pending acceptance of both sides of a 40-hour week and minimum wage of \$12 a week. The evidence showed, and the company admitted, it had been working 52 hours a week "at from \$6 to \$8.50 per week."

Wheat Farmers Must Abide By Three Year Average

College Station—Farmers who sign contracts with the Agricultural Adjustment Administration to reduce their wheat acreage for 1934 and 1935 are expected to retire from any and all kinds of cash crops only that part of their reduced acres known as the "contracted acreage", Extension Service officials declare. Reduction is based on the three-year average acreage of 1930-31-32, and not on last year's acreage, which may have been higher or lower. This reduction from the three-year average is known as the "contracted acreage."

A farmer may have increased his acreage from 1930 onward until he grew 60 acres in 1933, yet his three-year average may have been only 40 acres. Since a 15% cut has been ordered he could not sow more than 34 acres this fall and the difference between this figure and 40 acres would

be his "contracted acreage", or six acres. On this six acres he could plant nothing in the way of a cash crop. He really reduces down from 60 acres last year to 34 acres next year, a total of 26 acres, but on 20 acres of this he can do as he pleases except sow wheat. He is only prohibited from the free use of six acres, his "contracted acreage."

On the other hand a farmer may have been reducing acreage through this period and while his three-year average acreage might have been 40 acres, last year he might only have grown 30 acres. Again his contracted acreage would be six acres. He might increase his acreage four acres from 30 acres to 34 acres, but he would nevertheless have to take six acres from other crops and retire them from the production of cash crops.

Approved practices in the use of contracted acres in the wheat allotment contract as given by the Agricultural Adjustment Administration are: 1. permit ground to lie unplanted, 2. practice summer fallowing, 3. plant to permanent pasture, but land so planted is not eligible as contracted acreage during the second year if used for pasture or hay, 4. plant to hay crops, but such land will not count as contracted acreage the second year when hay is cut, 5. practice wee decontrol, 6. plant forest trees or windbreaks, or 7. plant soil improvement crops.

G. G. Rutherford New Manager Johnson's Gin

J. E. Johnson, one of our progressive citizens and prominent ginners, came into our office the last of the week and informed us that he had secured a new manager for his gin here in Spur. G. G. Rutherford, of Ennis, has assumed charge of the Johnson Gin and will take care of the business this year. On account of bad health Mr. Johnson is not able to look after the business this season.

Mr. Rutherford has had 25 years of experience in the gin business in East Texas, Oklahoma and West Texas. He stated that he had ginned all kinds of cotton including the worst kind to gin and feels that he is capable of handling all of it irrespective of condition. In addition to ginning Mr. Rutherford is an experienced cotton buyer and will buy cotton here, paying the top prices according to grades and staple.

Mr. and Mrs. Johnson are moving to Dallas temporarily where Mr. Johnson will be close to a specialist to treat his condition. He has been in poor health the past two or three years and last spring he had to undergo an operation. His condition was very serious and it was thought for many months he could not recover. He requires the attention of a physician who makes his condition a special study. They have reserved an apartment in their home here in order

that they may return when they desire. Mr. Johnson said, "Spur is my home and I expect it to be as long as I stay on earth."

E. J. Lassiter and daughters have rented the Johnson home and will occupy it during the school term. The daughters are teachers in Spur schools.

FORMBY DRUG STORE BURGLARIZED The Formby Drug Store at McAdoo

was burglarized sometime Sunday night. A quantity of cigars, chewing gum, soap and a mint vendor was taken. The mint machine was taken outside and broken into. It is thought to have contained about \$15 in cash. The entrance was affected by pressing back the lock on the door with a knife or other flat instrument. The door was fastened with a night lock.

The Times sells adding machine paper

Wake Up Your Liver Bile - Without Calomel

And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick head taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 35c at drug stores. ©1931 C. M. Co.

"Proud and glad to do our part"

WITH President Roosevelt's acceptance of the NRA Automobile Code, Chevrolet, the world's largest builder of motor cars, officially begins operations in accordance with the administration's recovery program.

Although the official code was signed only a few days ago, it will be of interest to Chevrolet's many friends to learn that the Chevrolet Motor Company started to carry out the spirit of today's recovery program over three years ago!

At that time, we put into operation a "share-the-work" plan, whereby our workmen cooperated in spreading the work to give more men jobs. By means of this plan, as well as by regulating hours of work per week to meet retail demand, and by building up parts stocks in lean seasons, it was possible to carry 33,000 men on our payroll through the depression. For eleven months of each year since 1929, we have kept our employment within 10 per cent of this average. We are justly proud of that record. We are also proud to say that Chevrolet workmen did not, at any time during the depression, become a burden on public welfare departments.

On August 1st of this year, Chevrolet announced a blanket wage increase as well as the adoption of a 7 1/2-hour, 5-day week and the employment of 12,000 additional men. This wage increase was the second in the last 4 months, Chevrolet having been among the first to put a blanket wage increase into effect.

We feel that the President's recovery program deserves the whole-hearted support of every citizen and manufacturer in America. It is a bold, swift, courageous plan to start the ball rolling toward economic recovery. Its sincerity is unquestioned. Its objectives are admirable. And the direct, forceful steps the President and his associates are taking to make it a success, should stir the pride and admiration of every American.

We are proud and glad to do our part. And we are deeply grateful to the American people for the patronage that has enabled us to anticipate the present recovery program and to play our part today. After all, the immense number of men employed by Chevrolet is a direct result of the continued preference America has shown for Chevrolet.

METHODIST CHURCH

We were glad to have Brother Siford preach for us last Sunday as the pastor was at Girard in a meeting. The pastor was in the pulpit Sunday night and a fine crowd was present regardless of the rain. Church school attendance was still on the increase and we are sure that next Sunday will find us with a larger attendance. The pastor will be in the pulpit Sunday morning and the evening service will be one of song. "The theme, "The Heavenly Home" will be presented in song by the senior choir. F. G. Collier, choir director, has been working hard on this program for some time and with the loyal support he has received from the members of the choir has enabled us to announce to you at this time a worship program Sunday night that will be worth your while in coming. Come and bring your friends and join us in worship as the gospel is sung. Be sure to look for a similar service to be given by the young people's choir on the Life of Christ in the near future. You should hear the young people sing every Sunday night. They are a fine bunch of young people and you can render no greater service to day than that of standing by our young people in their endeavors for God. One and all are welcome in the service at the Methodist Church. Joe E. Boyd, Pastor.

DUNCAN FLAT

This community was blessed with a nice rain Sunday evening. It will be a nice rain Sunday evening. It will do much toward development the crops and will aid greatly the fall and winter gardens of this section. The regular singing was held here Sunday afternoon. The house was full and some splendid singing was enjoyed by all. The local class was aided greatly by the presence of a number of people from adjoining communities.

Miss Ethel Hulsey and Miss Joyce Dobbins spent the week end in Lubbock.

School is progressing nicely. Several new pupils enrolled Monday.

Many people in this community were disappointed over the outcome of the school election last week. While the vote in this community was 20 and 2 in favor of consolidation, the fact that the vote was against consolidation in the Prairie Chapel district disrupted plans for the large school this section hoped for. However every effort is being made to carry the project over with the four remaining districts whose vote was favorable.

Miss Madge Rose left last Friday for Plainview where she is entering business college.

D. P. Smiley and family left Sunday for a few days fishing in Stone-wall County.

Mr. and Mrs. A. L. McCarty of Haskell, visited with F. M. McCarty and family Sunday and Monday.

Some few in this section are picking cotton. Fred Christopher and Mr. Woods have had a bale each ginned. Noble Dunlap and Earl Jackson visited home folks this week end. These boys are attending business college in Plainview.

CLUB ORGANIZED AT RED HILL

For the first time in the history of the community Red Hill has a home demonstration club for one was organized Tuesday afternoon of last week with 13 members. The women met with Mrs. Floy Watson for the organization meeting. Mrs. Floy Watson was elected president; Mrs. Roy Arrington vice-president; Mrs. L. A. Grantham, secretary-treasurer; Mrs. Clyde Horn, parliamentarian; Mrs. Will Watson, council member; and Mrs. Elmer Frazier, reporter.

Miss Pratt gave a demonstration on making foundation patterns. The club will hold an all day meeting soon to make patterns.

Club will meet with Mrs. John Cozby September 22 at 3:00.

Those present for the first meeting were: Mrs. Will Watson, Mrs. W. F. Shugart, Mrs. Elmer Shugart, Mrs. W. R. Horn, Mrs. Clyde Horn, Mrs. W. H. Young, Mrs. J. F. Blair, Mrs. L. A. Grantham, Mrs. Don Brewster, Mrs. John Cozby, Mrs. Floy Watson, Mrs. Floyd Hynes, Misses Alba and Laura Cozby, Watson, Miss Evelyn Jennings, Lubbock; Miss Edith Pratt, Willis; Miss Clara Pratt, and Mrs. Elmer Frazier. —Mrs. Elmer Frazier, Reporter.

GIRARD

Mr. and Mrs. Tommy Verner of Spur, were visiting her parents, Mr. and Mrs. J. W. Waggoner, Sr., Friday night of last week.

McGaha's had relatives visiting them the first of the week.

Miss Priscilla Watson made a business trip to Slaton last week end.

Mr. and Mrs. Doug Graves were the guests of her parents in Floydada Sunday.

Dunk Fuqua, of Seminole, spent last week end here with relatives and friends.

Mr. and Mrs. Tobe Westfall of Red Hill, were the guests of Parks' Sunday.

Pete Sherer is visiting in Seminole at this writing.

Carlos Dickerson was a Spur visitor Saturday.

Clarence Phipps is driving a new Chevrolet.

Several of the men have been attending court this week.

Several people of the community have been attending church at Jayton the past week.

Miss Dottie Simmons was a Jayton visitor Saturday.

A shower was given in honor of Mrs. Tommy Verner at the home of Mrs. Jerome Blackwell Wednesday afternoon. Thirty two were present and the bride received many useful gifts. Ice cream and cake were served to those present.

Mrs. Ianna Hunter of Clairemont, was visiting here Wednesday.

Misses Priscilla Watson and Lulu Waggoner made a business trip to Spur Wednesday.

Charlie Fincher and family are visiting in Breckenridge at this writing.

ing. Mrs. Ralph Noble was shopping in Spur Monday.

Mrs. Parks spent part of last week in Lamesa visiting her sister.

Mr. and Mrs. George Spradling were shopping in Spur Thursday.

Mrs. Raleigh Beaver was shopping in Spur Monday.

Mr. and Mrs. Charles Hunter of Clairemont, were visiting her parents, Mr. and Mrs. E. Peek Wednesday.

Mrs. F. S. Woody made a business trip to Slaton and Lubbock last week end.

Miss Dottie Simmons was shopping in Spur Saturday morning.

Mr. and Mrs. John Boland spent Sunday in Swenson with Mr. and Mrs. John Gregory.

Mr. and Mrs. A. M. Turner were shopping in Spur Saturday.

Red Long and Clyde Jackson made a business trip to Jayton Saturday.

Clayton Simmons of Plainview, is visiting relatives and friends here at this writing.

Bonnie Spradling was a Spur visitor Thursday.

Arthur Boland was trading in Spur one day last week.

Mr. and Mrs. Alvin Luna entertained the young folks with a party Saturday night.

Mr. and Mrs. Pete Williams of Jayton, spent Saturday night and Sunday here with relatives.

Mrs. Emmet Raney of Jayton, was visiting Mrs. Frank Pearson Wednesday.

R. Z. Carr made a business trip to Spur Saturday.

Grace Langford and Lola Mae Oiliff spent Saturday and Sunday at Clairemont with Dials.

Little Pauline Long, daughter of Mr. and Mrs. Cliff Long, has been ill the past few days.

Mr. and Mrs. Arthur Boland and children spent the week end in Stephenville. Fred will stay and attend John Tarleton College.

Dean Fuqua was a Spur visitor Saturday.

HIGHWAY SCHOOL BOARD MEETS

The Highway School Board, faculty and County Superintendent met Tuesday night September 5. They will meet on the first Tuesday night of every month for the purpose of seeing after the needs of the school and threshing out any difficulties that may arise.

At the meeting Tuesday night the requirements which must be met in

order to secure State Aid was discussed. It was decided that reading tables could be made from large wooden boxes. At least three magazines per room are to be subscribed for. A standardization committee is to be appointed whose duty it will be to check up on the school to see how it is meeting standardization requirements. They are determined for their school to be standardized.

This is the fourth week of what bids fair to be a very successful school year. The teachers are: Hubert Taylor, Principal, Lena Goodrich, and Imogene Neaves.

F. F. Henry, of Duncan Flat, was greeting friends and attending to business matters here Wednesday.

G. H. Watson, of Dickens, was looking after business affairs here Wednesday.

UNCLE DICK HOLLY
PASSES AWAY

Uncle Dick Holly, who drank gaso- week, passed away Tuesday after- line by mistake Wednesday of last noon about five o'clock. Funeral services were held at Dickens Wednes- day afternoon at two o'clock, Wright Randolph, minister of the Church of Christ, reading the funeral rites. In- terment followed in Dickens cemetery with Z. W. Fowler acting as funeral director.

Uncle Dick was 84 years old his last birthday. He came to Dickens County, bringing his family, in 1899 and has made his home here ever since. His wife passed away in March 1921, and since that time he has made his home with his children most of the time.

He made a profession of the Christ- ian religion in an early day and be- came affiliated with the Church of Christ. He lived an honest and exem- plary life in the church of which he was a member more than fifty years.

There were a number of nephews and nieces and a large number of grandchildren in the family.

—EAT AT BELL'S CAFE—

VACANCIES IN HISTORIC CORPS

It is announced by Major P. D. Cornell, U. S. Marine Corps, that a few vacancies now existing in this famous military organization will be filled through the Marine Corps Re- cruiting Station at 535 St. Charles Street, New Orleans, La., during the month of October.

All applicants for enlistment must have been graduated from an accredited high school or attended an institu- tion of higher learning, and, due to the high qualifications required of an applicant he must be of the highest type both physically and morally.

Men enlisted at the New Orleans office, after a period of intensive train- ing, which consists of close and open order drills, the use of rifles, mach- ine guns, bayonet, automatic rifles, Stokes mortars and all other imple- ments of modern warfare, are trans- ferred from Parris Island, S. C., where they receive this initial train- ing, to one of the many Marine Corps Posts at home or abroad. Many of these men, who desire to serve at sea with the Fleet are sent to the Sea School Detachment at Norfolk, Va.

Any young man desiring informa- tion about this service should write Major Cornell at the above address and he will furnish him with full in-

Foods Demonstrator Is Filling Budget

"I am going to be able to fill my food supply budget easily from my garden and the farm except for fruit and we are providing for that gradu- ally," says Mrs. F. B. Crockett, farm food supply demonstrator for the Es- puela home demonstration club.

"My tomatoes are fine. I have al- ready put up three dozen cans of to- matoes and tomato juice. My budget calls for 125 cans and I will have that many. We like tomato juice, I use a berry seed extractor to extract the juice from the cold tomatoes. Us- ing the cold tomatoes gives a better flavored product having the raw to- mato flavor and is bright, good color. When the juice is extracted I heat to the simmering point, fill into cans or jars, seal and process No. 2 cans for 10 minutes in boiling water."

"We are using fresh mustard, let- tuce, and turnips from our fall gar- den and will soon have English peas, string beans, beets, spinach and rad- ishes. We still have beans, okra, peas, butter beans, tomatoes, kershaw, and pumpkin from the spring and summer planting."

"To fill the requirements of my budget for pickles and relish I have five gallons of cucumbers in brine, have made 15 pints each corn relish and chili sauce, and will make green tomato pickles and watermelon rind pickles, and chow-chows yet. For the corn relish I use a medium sized head of cabbage, a bunch of celery, 12 ears corn, 2 cups sugar, 2 table- spoon salt, 2 sweet green peppers and 2 sweet red peppers, and 2 teaspoon celery seed, and vinegar to cover about six cups for this amount. I chop the cabbage, celery, and peppers rather than put them through a food chopper, and cut the corn from the cob just above the tip of the grain. Mix and allow to simmer for 30 min- utes. Seal while hot."

"Later I am going to can some chicken and a turkey and a beef. That will give us a variety of canned meat and be all we can use for we shall have some cured meat," she finish- ed.

CLARA PRATT, H. D. A.

DR. HORNE TO LOCATE HERE

Dr. A. H. Horne from Carrizozo Springs, will open an office in the Spur National Bank Building, Spur, Texas, on or near October the first. Dr. Horne is a graduate of the Texas Chiropractic College, and member of the Texas State Chiropractic Asso- ciation.

He has been very successful in his work, and brings to the people of this community the latest methods in chiropractic. Opening announcement will appear later.

LANDERS STORE NO. 1

Here's One Leather That Dries Soft WOLVERINE SHELL HORSEHIDE!

"Work shoe foot." That curse of the working man—that "torment of the damned" feeling that bum shoes give you. Pinched, blistered, gouged — wrecked.

No more of that if you'll only switch to Wolverines!

They're marvelous. Magically soft. The secret is a triple tanning process known only to Wolverine PLUS genuine SHELL Horsehide leather.

You can't stiffen them up. Walk in fire, mud, water, grease, they stay soft as buckskin. Even the soles stay flexible.

They're scuff proof too. And they wear like battleship armour. Two million men know the joy of Wolverines — never wear anything else.

Now with the last of depression time prices is the very time for you to get started. Come in, today if you can — let us show you the greatest aid to man since Noah built his ark!
