Local P. T. A. Entertains County Representatives

A very fine representation of teachers, school board members and patrons attended the educational rally held under the auspices of the local Parent-Teachers Association Friday evening. The meeting was held in the auditorium of the East Side school.

Mrs. L. R. Barrett, incoming president of the local P. T. A. made the address of welcome, emphasizing the importance of parents working in cooperation with teachers for the education of the children.

Mrs. Day, of Rotan, District President of the state work, was introduced and spoke on the importance of the home and the school as a basis of training children into citizenship. Mrs. Day spoke for about thirty minutes and her thoughts were along the line of how the home life and the school life of children should co-ordinate.

Mrs. Strahorn, chairman of the district publicity committee, was asked to speak in regard to her work. She stated that no business ever progressed very rapidly unless that business was emphasized before the public through the press. She brought out some very fine thoughts of how humanity in general can be benefitted through publicity of various projects and work of P. T. A. organizations.

Mrs. Myers, assistant state director of Child Welfare Work, made an excellent talk on how P. T. A. workers can assist children who are unfortunate in many ways. She gave a number of illustrations of where Parent Teachers organizations had been the means of taking care of the unruly boys in the community. She brought out the idea that somebody manifesting a little interest in the boys is a great incentive to those boys to become useful men. Mrs. Myers has been in child welfare work as a P. T. A. worker and state worker for a number of years and understands many of the problems of today.

The quartet of the Methodist Church, the quartet of the Baptist Church, Mrs. Dewey L. Granberry and others gave special numbers which were enjoyed greatly.

After the meeting closed the local P. T. A. organization served refreshments of punch and cake, and a very fine social hour was enjoyed. It was declared to be the best educational meeting held in Spur in a long time. It is hoped people will take more interest in educational problems in the future and attend more meetings.

Afton Girl Wins Trip to State Fair

Lizzie Lou Baxter, garden demonstrator for the Afton 4-H club won the trip to the Educational Encampment at the State Fair in October, in the county contest for the garden demonstrators in the girls' clubs.

Norweta Smith, Dry Lake, won second place in the county. The winner will attend the encampment October 16-20 along with club girls from all parts of the state, joining the girls from this district at Stamford.

Lizzie Lou's record shows a net profit on her garden produce to be \$392.92 while Norweta's record is \$150.24. Each demonstrator took over the family garden, planned the varieties and amounts of vegetables to plant for her family, kept a record of the expense of seed, labor, etc.; a record of the vegetables produced and used fresh at home and sold, and the vegetables canned. The fresh vegetables are valued at .04 per pound and the canned vegetables at 10 cents per No. 2 can.

The winner must send besides her story and records at least two other entries to the club girls' exhibit to the State Fair. She is sending canned tomatoes, carrots and plums.

The girls' stories will be given in full later.

B. Schwarz & Son's Store Closed Saturday

The store of B. Schwarz & Son will be closed from six o'clock Friday evening until six o'clock Saturday evening, Saturday being a Jewish Religious Holiday. It is the Day of Atonement and all persons of the Jewish faith will spend the day in fast and prayer.

After six o'clock Saturday evening the store will be open for business until nine o'clock that night. They are featuring some specials for these three hours Saturday night in their advertisement this week.

Ever since the firm of B. Schwarz & Son have been doing business in Spur this store has observed their Religious Holidays. Mr. Golding and his family have been very loyal in this respect, and it does not matter on what day of the week these religious rites come, the store is closed that day. It is very commendable in any people to show loyalty in their religious belief.

INSTALLS GENERAL STORE AT AFTON

Byron Haney, merchant at Afton, was in our city Tuesday and stated he had formed a partnership with Jack Barton and Mrs. Allie Barton and the new firm had installed a general merchandising store. The new firm is known as Haney & Barton and is stocking a line of drugs, groceries, dry goods, hardware, and all other lines to meet the needs of the people.

Mr. Haney said business is good with them and is picking up all the time. He reported they had ginned 152 bales of cotton at Afton up to Tuesday morning.

Babies Born Saturday, Sunday or Monday Get Bank Account

A \$3 bank account! That's the swell gift which awaits those babies who will be fortunate enough to be born in Spur between next Friday midnight and next Monday midnight!

The idea of presenting this gift was prompted by Maurice Chevalier's new starring picture, Paramount's "A Bedtime Story," which comes to the Palace Theatre Sunday, featuring Helen Twelvetrees and Edward Everett Horton with the Baby Leroy. And the gift is being presented by the management of the Palace Theatre who has asked this paper to act as intermediary.

When this romantic film was being planned, an important baby role was included. And Maurice Chevalier took upon himself the task of finding the ideal baby for the role. He found him! Baby Leroy, one year old, with the biggest eyes and the tiniest toes you ever saw. Monsieur Chevalier liked his little friend so much that he fairly availed himself with gifts, gifts and more gifts. As a fitting tribute to Spur's beautiful babies—and to Spur's mothers too—the Palace wants to present a gift to those infants who make their world premiere about the time "A Bedtime Story" makes its local premiere. And what better gift than a new bank account—which will grow and grow just like the babies will?

So—between Friday midnight and Monday midnight, one, two or more babies will enter this world with a tiny cry and a big bank account—\$3 at the Spur National Bank. And to the very first baby born within that period, \$5 will be given as a sort of bonus for being on time!

We're not as smart as Mr. Walter Winchell—and don't know how many babies will be awarded these accounts. But watch results.

GOVERNMENT CHECKS CONTINUE TO ARRIVE

Including Tuesday there had been 480 government checks received to distribute to the farmers for cotton acreage reduction. This backed 25 checks of being half the number due in this county. The total amounted to \$108,503.

Cotton Pool Sale Wednesday, Oct. 11th

At a meeting of cotton raisers held on Saturday it was agreed, that the first sales day for the cotton pool would be on the second Wednesday of October, the same being the 11th day and all who wish to offer their cotton for sale on that day please let Mr. Rash know so he can keep it apart. W. E. Dortch and Mr. Lilly were chosen to see to the getting of samples ready for the grader on that day.

It was also agreed that all bids for the cotton, after it has been graded, be in writing, so that there be no error, or doubt as to the price for each bale.

L. R. Terry Becomes Safeway Manager Here

L. R. (Jack) Terry, formerly of Colorado, has assumed the management of the local Safeway Store. He has been with the firm many years and was transferred here by his company. He is a young man of good business appearance and meets the public in a very fine way.

C. A. Hamilton, who has been the manager here for some time, is being transferred to Breckenridge. During his stay in our city he has made many friends here.

M. H. Costelow will remain here as assistant manager of the local store.

M. V. Whitback has become district manager, filling the vacancy caused by the resignation of Mr. Swaggert. He will have his headquarters in Abilene but will visit the store here often and give his assistance to it when needed.

Singing Convention Meets At Dickens

The Dickens County Singing Convention will hold its regular meeting at Dickens next Sunday, October 1. An all day session will be held at the high school auditorium.

All persons are invited to prepare a basket lunch and be present for the day. Many out of county singers have been invited and a good program of local people has been prepared.

It will be a fine day for everybody to take their dinner and enjoy some good singing, meet friends and visit. The people of Dickens bid you welcome.

Refinancing Your Farm Loan

At the last session of Congress provision was made whereby land owners having mortgages on their farm and running a chance of losing them, might have these loans refinanced through the government loan agency known as the Federal Land Commission. The basis of refinancing is upon the appraised value set by the Federal Land Bank, and provision for loans up to 75 per cent of the appraised value of the land can be secured under certain conditions.

In the event any loan company has closed out on a tract of land and still has it in their possession, the former owner of the land can secure a loan through the federal land commission and repossess the land. However, if the loan company has sold the land there is no way to recover it unless you can make a deal with the person who bought it.

You make application with the land correspondent in your county. He takes the application and is allowed a fee of \$1.00 for this work. In addition to this you are required to put up \$10.00 appraisal fee. This goes to pay the expense of checking the appraised value of your farm. Then your application goes to the state representative of the Federal Land Commission who checks it over, then orders the land appraised, and if the appraisal shows up all right, he recommends the loan and you get it.

James B. Reed is correspondent for the Federal Land Commission in Dickens and King counties. Any one desiring to secure a renewal of their loan may make application through Mr. Reed. He will be glad to give any one his best attention in regard to loans from the Federal Land Commission.

Do not get the Federal Land Commission and the Federal Land Bank confused. There is as much difference in the two institutions as can be. Mr. Reed is secretary of the Dickens County National Farm Loan Association, but his duties in the Federal Land Commission is very different from that of the loan association.

Spur Mutual Offers Schools Proposition

Fred C. Haile, Secretary of the Spur Mutual Life Insurance Association, announced this week that he is offering an essay proposition to the high schools in the seventeen counties in which they are operating.

The Spur Mutual is offering a prize for the best paper on the subject: "Why my father and mother should No one but a regular student in high carry Spur Mutual life insurance." school an enter this contest. The prize for the best paper on this subject is \$25.00; the prize for the second best paper on the subject is \$12.50.

In conjunction with this contest the Spur Mutual is offering a negative contest to the high school students in is: "Why My Father and Mother the 17 counties. The subject to be used Should NOT Carry Spur Mutual Life Insurance." The prize for the best paper on this subject will be \$25.00, and the prize for the second best will be \$12.50.

Mr. Haile asks the contestants to get in touch with the Spur Mutual agent in the county in which they live for any desired information, or they may write the home office of Spur Mutual Life Insurance Association in Spur.

All papers of the contest must be in the Spur Mutual office by December 10th. Mr. Haile stated that he wanted to get the judges to mark the papers and get the prizes out to the winners by Christmas morning.

English teachers can use the subject on theme work if they desire and in this manner assist their pupils. However, the pupil must secure all subject matter and prepare outline and write the story.

Spur Mutual is going strong with a good field force and a fine prospect of securing the greatest membership in its history.

REST ROOM READY BY SATURDAY

The City of Spur is installing a ladies rest room in the Hale building just west of the post office where the saddle shop was located. This room is being equipped with chairs and settees, affording the ladies coming to town an opportunity to get off the streets and rest for a time. Those in charge of the work are endeavoring to have the room ready by Saturday. Merchants are making donations for the equipment and the city is furnishing the room and other conven-

Spur To Play Knox City Here Friday

(JEP)

The Spur Bulldogs open their home season Friday afternoon at 3:30 at Fair Park against Knox City high. Suffering a 21 to 0 defeat at Matador last Friday, the Bulldogs are being put through a hard week of training by Coach Thad Murley. Several members of the squad are suffering from injuries, some of which will probably be well by Friday. Big Jim McArthur sprained an ankle in practice Monday and probably will be out for two weeks. Bostic, Seogins and Suits are others having injuries.

Knox City promises to bring a tough team, with a number of veterans on the squad. They have played one game in which they showed up well.

A pep rally will be held down town Thursday by the local high school with Grays Stock Company band furnishing the music. The public is invited to attend. The band will also play at the game Friday.

The athletic association wishes to express its sincere thanks to the Palace Theatre management for the two benefit shows last week. \$9.25 was turned over to the association to apply on its obligations. Manager Everts is a strong booster for the Bulldogs.

TAYLOR'S DEPARTMENT STORE ANNOUNCES OPENING

The Taylor's Department Store, which was announced installing a new store last week, will have their formal opening Friday, Mr. Taylor, in making the announcement, stated that this firm will run on the President's recovery program and they are members of the NRA.

This is one of the newest stores in our city and is stocked with a complete line of fine merchandise they are running a full page advertisement this week announcing some of the many bargains they are offering the people.

These are new people and seem to be real folk. They will appreciate visits to their store and desire to get acquainted with people of Spur trade territory.

Committee Sets Home Dem. Clubs Achievement Days

Dickens County home demonstration club women are to have six achievement days for the farm food supply demonstration according to the plan of the committee appointed by the Council Chairman to work out the dates and groupings for the clubs. Each club is to have an exhibit of canned tomatoes, tomato mince meat, and chili sauce, and an educational exhibit besides the demonstrators pantry which will be on display.

The dates set by the committee are as follows:

- November 1—Red Hill, 2:00 p. m.; Duck Creek 3:30; Steel Hill, 4:50.
 - November 2—Spur 2:00 p. m.; Twin Wells 3:00; Red Top 4:00.
 - November 3—Peaceful Hill 2:00 p. m.; Highway 4:00.
 - November 7—McAdoo 2:00 p. m.; Chandler 3:45.
 - November 8—Dry Lake 1:45 p. m.; Espuela 3:00; Soldier Mound 4:30.
 - November 9—Dickens 1:45 p. m.; Midway 2:35; Prairie Chapel 4:00.
- Mrs. L. B. McMeans, Twin Wells; Mrs. Cecil Fox, Spur; and Mrs. Will Watson, Red Hill, composed the committee.

NRA COMPLIANCE BOARD

An NRA compliance board has been selected for Spur to assist and advise people relative to the National Recovery program, and to receive all complaints to be filed. Any person who knows of any firm violating the NRA code should not talk about it to neighbors, but should report it in writing to this compliance board. The name of the person filing the complaint cannot be divulged unless they are willing.

The names of the members of the board are: Webber B. Williams, chairman; E. A. Russell, Geo. S. Link, M. C. Golding, F. W. Jennings, L. D. Ratliff as secretary, and Ned Hogan.

PERMITS NOT ISSUED BY COUNTY AGENT

Many people have consulted the County Agent relative to permits to sell hogs to the government. These permits are not issued by the county agent and should be secured from the commission companies. These companies are instructed by the government to issue so many each day.

GINNING REPORT FOR SPUR

According to reports turned in by ginner of Spur at two o'clock Wednesday there had been 288 bales of cotton ginned here this fall. The gins are turning out good samples and the farmers are well pleased with their turnouts generally.

Cotton was selling at from 9c to as high as 9.65 cents middling basis.

Mrs. W. W. Newby, of Snyder, underwent an operation Thursday and is getting along fine at this time.

AN OPEN LETTER TO ALL LOCAL ORGANIZATIONS

The time is at hand when the Officers and Members of the several local organizations will be approached by advance men of Traveling Amusement Enterprises, with offers to donate a part of the receipts of the enterprise to the organization sponsoring their appearance in Spur.

The City of Spur has an Ordinance providing for a license fee of \$100.00 per week applying to these enterprises, which is always rebated if they are sponsored locally and to escape this tax, they ask you to sponsor them for 10% of the gross receipts. The gross for the week is, say \$500.00. You receive for your part, \$50.00. You can readily see they are ahead \$50.00 on the week because they have not paid the tax. In other words, they have made \$50.00 by having your sponsorship even though they donated? \$50.00 to your organization.

Your local theatre pays its taxes, School, City, County and State. It is here the year 'round to assist financially any worthy project. It attempts to the best of its ability to give you the best in entertainment through good times and bad, at popular prices. When you buy a ticket to your local theatre you are entitled to a comfortable chair in a building that is cool in summer and warm in winter and you are not charged extra for the privilege of sitting in the chair. You are patronizing a local entertainment business which has been through several trying years with you, that has operated on borrowed money through summer months when a traveling organization would not think of coming here, so that you might still have the best in entertainment and now that the prospects are good for a fall season, the management is asking your co-operation in the subject of traveling amusement enterprises.

The Palace Theatre Management is always ready and encourages benefit performances in the Theatre for any local organization or club.

H. O. EVERTS, Mgr., PALACE THEATRE.

Bulldogs Lose Opening Game to Matador

(JEP)
The Spur High School Bulldogs opened their 1933 football season at Matador Friday afternoon with a 21 to 0 loss. Matador proved too powerful for the local team from the start scoring late in the first quarter, the third and fourth quarters and placed kicked one goal, receiving the other point when Spur was off side.

An unusual number of fumbles was registered on both sides, probably costing each team a touchdown as they both fumbled at different times within the five yard line. Matador made 16 first downs to Spur's 3. Harry Martin was the outstanding ball carrier for Spur with Pyron, Pritchett and Burnam carrying the mail for Matador. Scoggins, Bostic, and Green were the outstanding line men on the Bulldog team. Heavy penalties were assessed against both teams for nearly everything in the rule book.

FIRST QUARTER

Pyron kicked to end zone in two kicks, the second time the ball went in play on Spur's 20 yard line. Foreman fumbled on the first play and Matador recovered on the 24. Burnam went around right end for 5 yards. Pyron made 1 at left end and Burnam lost 3 at right end. Pritchett made 3 yards at right tackle and the ball went to Spur on their 17 yard line on downs. Martin made 4 and then 6 yards at right tackle. McArthur failed to gain and Morgan punted to Matador's 30 yard line.

Pyron and Burnam alternated at carrying the ball to make another first down and Pritchett fumbled to be covered by Teague for Spur but Matador was given the ball. Matador penalized 15 yards. Burnam made 4 at right tackle and Burleson lost 10 on a fumble. Martin intercepted a pass on Spur's 23 yard line. Spur fumbled and Matador covered

on Spur's 26 yard line. Pritchett carried the ball three times for 20 yards when he fumbled and Green covered for Spur on the five yard line. Morgan punted to Spur 31. Pyron made 11 at left tackle and Spur was penalized 15 more for slugging. Burnam scored at right end, Pyron failed to place kick goal but Spur was off side on the point counted. Pyron kicked to Morgan, who received on Spur's 10, returning to 35. Spur lost 2 yards on a back field fumble.

SECOND QUARTER

Martin made 1 at left end, then lost 11. Matador penalized 15 for roughing the punter. Morgan kicked to Matador's 30. Burleson returned to 35. Pritchett made 4 at left end, Pyron 5 at center, Burnam 4 at right guard. Burnam lost 7, Pyron made 7 at left tackle. Burnam failed to gain and Pyron's kick was blocked Spur getting the ball on Matador's 45 yard line. Spur made 3 yards in 3 plays and Morgan punted to end zone. Matador getting the ball on their 20 yard line. Pritchett made 3 at left end, Pyron 3 at right tackle and 8 at the same place. Gates made 7 at right end. Pyron no gain, Gates another 7 yard advance at right end. Pyron made 11 and 7 yards at left end. Gates lost 7, Spencer regained the 7. Pyron made 2 yards at right tackle and the ball went to Spur on their 30 yard line. In complete pass, Martin made 4 at left end and Morgan passed to Martin for 42 yard gain. Incomplete pass. Martin 6 at center, McArthur 4 at left tackle, Martin no gain at center, 5 yard penalty on Spur for off side. Incomplete pass. Martin lost 7 at left end.

THIRD QUARTER

Pyron kicked to Spur 30, return to 41. 5 yard penalty on Matador. Martin made 3 at left end, McArthur lost 5. Morgan kicked to Matador 10, return to 17. Pritchett made 2 at left end, Pyron 7 at right end and Pyron 4 at center. Pritchett 3 at left tackle and Matador penalized 15 yards for clipping. Burleson fumbled losing 14 yards. Burnam made 10 at right end, Pritchett 2 at left tackle and Matador punted out of bounds on their 37. Martin made 4 yards at center, McArthur 3 at center and 4 at left tackle. McArthur last 12, pass Morgan to Martin for 14. McArthur at left tackle for 3, incomplete pass, 5 yard penalty on Matador. Martin one at center and 6 at left end. McArthur 2 at right tackle. On the next play the Spur backfield fumbled on their 1 yard line losing their one chance to score. Burleson kicked to 19, incomplete pass, 5 yard penalty on Spur, 15 yard penalty on Spur, Matador 5 yard penalty. McArthur made 4 at right end, Martin lost 2 at left end and Morgan punted to end zone Matador getting the ball on their 20 yards line. Spencer 1 at left tackle and 7 at left end, Burnam 12 at right end, Spencer 2 at left end, Burleson 8 at left end, Pyron 11 at right tackle, Spencer 7 at left end, Burnam 19 at right end and Spencer went around left end for the touchdown completing a straight 80 yard drive. Pyron failed to place kick goal.

Kuykendall kicked to end zone, ball going in play on 20 yard line. Spur kicked to 33. Gates made 6 at right tackle, Pyron 3 at left tackle and 6 at center.

REDDTOP-CATFISH

Folks I am really sorry to not get the news in the paper for the last week or two, but a housewife can be busy part, or most of the time especially during canning time, and I failed to get to town till too late to have it published.

The Christian meeting has closed at Red Top and there is a holiness meeting in Progress there now. At night everyone is invited to come.

The schools at both Red Top and Catfish opened for the 1933 session, Monday, September 4th. They both have good attendance considering they are state aid schools and teach only through the 7th grade. Mrs. Otis Garrison and Miss Lilly McArthur, both of Red Top are the teachers at Red Top, while Miss Nelda Shields is again teaching at Catfish.

Mrs. Alf Manning of Spur, came out Tuesday to Red Top to visit with her niece and nephews families, Mrs. A. McClain and R. F. Harrell.

Ray Stonman, wife and little son have been visiting with Mrs. Stonman's parents, Mr. and Mrs. E. Fuqua for the past week.

Last Friday night, Mr. and Mrs. Bill Rucker of the Swensons Catfish camp gave Nellie May Jones a farewell party. Nellie May left next day for Snyder, Texas, where she will attend school this term. Then this Friday night Mrs. Jake Jones of Catfish gave Lucille Fry a farewell party as Lucille goes to Spur to start school Monday. Several other youngsters leave for school, or drive in Monday too.

Everyone is enjoying nice watermelons and roasting ears now.

Mrs. Clyde Fluid of Lower Red Mud, was hurt painfully and may be serious, by a cow running over her. They took her to Spur Monday and on out to her mother's at Red Top, where she will be taken care of.

Mrs. Wallace Hinson of Red Top, is back home in time to get the boy in school. Mrs. Hinson has been gone nearly all summer and has been missed very much, that means we are glad to have her back.

Mrs. Jim McArthur and Mrs. Faubus of Red Top, were among the Spur visitors last Saturday. Mrs. J. C. Childress, Carrie and Harvey, with a married daughter, Mrs. William Love were mingling with friends on

the streets of Spur Saturday. Albert Fry took Lucille in to Spur Saturday to get located for school Monday.

Mrs. Wesley Lewis does not seem to improve in health and her father was to come for her Saturday to try Temple to see if she can get relief. We hope she comes back much

improved. Mrs. Ward and Leonard and family were in Spur Saturday trading with the merchants and marketing produce and visiting with friends. Milton Spith and family were among the Spur visitors Saturday.

WHAT THE BLUE EAGLE STANDS FOR

The following is an extract taken from the September issue of the Rotarian:

Many business men have erroneously thought of business solely as an exchange of goods, commodities, or service through the medium of money.

The past three years have demonstrated that it is more than that. Goods and commodities are produced only by work, and services, are, of course, work. Therefore, business is an exchange of your work for my work. This is a fundamental concept in the New Deal.

Many an employer thinking to decrease his costs of manufacturing,

is increased production to make more money. Machines have been installed which turn out many times as much work as had been produced by one man. Though this man works no harder, he produces more but gets no more money.

The employer overlooked the fact that he should not only have cut down the hours of labor, but he should have raised the workman's pay. Had this been done, more workmen would have been employed, with the resulting purchasing power and its demand for increased supply of goods.

This seems very obvious now, but the time to have kept our supply and demand in balance was when we were bringing our new machine into production. It is, therefore, in the spirit of "live and let live" that every NRA ode must arrange to shorten the hours of work and increase the wages of workmen.

In buying and selling, many unfair and questionable practices have crept in, most of them based on greed, and greed has taken a heavy toll. Probably the most glaring of these abuses has been selling below cost to take business away from a competitor—without any very clear conception of the Golden Rule which, while classed as a spiritual law, is really the soundest economic doctrine. Other violations of this principle are price discrimination, secret rebates, commercial bribery, misleading advertising, mislabeling and misbranding, false invoicing, lack filled containers or short weight and dumping.

Buyer and seller must realize the mutuality of interest. Both are trying to make a profit, but each must realize the economic truth that the only way this can be accomplished is for one to allow the other to do likewise. Hence, all codes should stress the fact that it is unsound to sell below full cost, plus a fair profit.

Competitor relationship must be based upon the law of "live and let live". Each must fully realize that his actions have a direct influence on the actions of others. Any one who misappropriates a competitor's business by false invoicing, causes a customer to breach a contract, practices espionage, pirates styles, imitates trade marks and trade names, or untruthfully defames a competitor or his products, is starting a chain of events bound to react not only on the one who starts such practices but on his industry.

Rotary has long tried to impress upon the Rotarian the fact that he is an ambassador of Rotary to his craft. Now comes to the member in the United States the opportunity to be Rotary's ambassador, and more. He is asked a patriotic duty to enroll under the banner of the Blue Eagle, emblem of NRA, by joining the association of his craft (taking the initiative in organizing one if none is in existence), and then seeing to it that his group adopts a code of business practices approved by the Na-

tional Recovery Administration.

Here is a man's size job that holds a challenge for virtually every Rotarian in America. What are we going to do about it?

Editor's Note: It should be the aim of every business firm who comes under the NRA program to strictly follow it out and it should be the principle of every business firm who does not come directly under this program, to try to build that business until it will need more employees in it. When the working population of America gets back on a production basis then it will be proven that consumption will increase accordingly. It is the laboring class who buys cotton manufactured goods, consumes the farm products, and keeps money in circulation. For three years the laboring people have had no jobs.

Six Thousand School Children Examined

Over 6 thousand children ready to enter school life this month have been given complete physical examinations since the first of May, according to Dr. H. N. Barnett, Director Bureau of Child Hygiene, State Department of Health. These examinations were accomplished under the program sponsored by the Parent Teacher Associations throughout the State.

These Summer Round-Ups of preschool children were initiated by Parent Teacher Associations in 1925 and carried on in cooperation with the Bureau of Child Hygiene, they have been so successful that each year has shown an increased interest in this movement. These examinations and corrections are done by doctors and dentists and this group of apparently healthy children showed at least 1 physical defect the majority of which could be remedied without much cost

or loss of time.

The aim of these Round-Ups is to have the child entering school 100% free from remedial physical and mental defects before the child enters school. Sometime these can be corrected by health habits of more rest, better food, exercises for posture, etc. The chief advantage of such health

work is not only to discover such defects but to help the parents to strive for better health for their children and to convince them that physical and dental defects uncorrected will prove to be handicaps in later life.

AFTON FAMILY SUFFERS TRAGEDY

Edgar Hilton, eldest son of Mr and Mrs. J. W. Hilton of Afton, committed suicide Monday afternoon. He had been in poor health for about a year and had seemed greatly disturbed about conditions for the past several weeks.

Monday he assisted his father in the field shocking some cane. In the afternoon Mr. Hilton did not go to the field to work feeling that he should remain at the house for some reason he could not explain. Edgar remained at the house with the family. A neighbor came in and visited for a time and while this neighbor was there Edgar left the house and went to a rent house on the place where some cotton pickers were living. He knew they owned a shot gun and he went into the house and got it. Then he went to the home of Mrs. Lillian Bird, just east of his father's home, and asked for a shell for the gun.

Mrs. Bird gave him a shell and he placed it in the gun in her presence, then placed the muzzle of the gun against his left breast and discharged the full content of the shell into his body. He died instantly without uttering a word. Mrs. Bird called for help and sent a messenger to inform Mr. and Mrs. Hilton of what had transpired.

In conversation with his father a few days before the tragedy young Hilton had stated that his mind was not right. The father talked with him not to give up, that everything would come out all right within a few weeks.

Funeral services were held at the home at eleven o'clock Tuesday morning, followed by a short service at the cemetery. Rev. H. T. Harris and Rev. A. P. Stokes conducted the services. Interment followed in Afton cemetery.

Young Hilton was born and reared in Dickens County. His father came to this country in an early day and taught school in several communities. The young man celebrated his 22nd birthday anniversary July 22, and was one of the most exemplary young men in the county. He graduated from Spur High School with the Class of '29, and had been in the employ of Montgomery Ward & Company at Sweetwater. During his high school work in Spur he worked at the Spur Inn in order to defray part of his expenses. When about 14 years of age he made a profession of the Christian religion and became affiliated with the Baptist Church, and lived a devoted Christian life after that time.

He is survived by his father and mother and two brothers, J. C. Hilton and Loyd Harold Hilton, both of whom are still at the family home.

PRESBYTERIAN CHURCH

Beginning with the month of October and continuing during the school year, church services will be held at the Spur Presbyterian Church only on the second and the fourth Sunday in each month, at which time Rev. Fred I. Cairns will officiate. Sunday school services will, of course, be held every Sunday. The services for Sunday, October 1, will be as follows: Sunday school at 10 a. m.

PONDER-PENINGER NUPTIALS

Miss Estelle Ponder and Mr. Lee Peninger, of Breckenridge, were married Sunday at Jayton. Rev. W. T. North, pastor of the Baptist Church there, reading the ceremony in the presence of a few friends.

The bride is a daughter of Mr. and Mrs. L. C. Ponder just east of Spur, and is one of the most accomplished and charming young ladies of this community. She is a graduate of Spur schools, and has many friends here.

The groom is an employe of the Kansas City Gas & Oil Company and has charge of that company's business in Breckenridge. He is a good business man and an efficient manager for his company.

Mr. and Mrs. Peninger left soon after their wedding for Breckenridge where they will make their home.

SIMPSON'S SHOP HAS NEW BARBER

O. R. Derricksen, formerly of Mator, has accepted a chair at the Simpson Barber Shop. Mr. Derricksen once owned a shop at Mator but sold it recently. He is a fine barber, and excellent young man.

Mr. Simpson stated this week that he expects to keep plenty of workers in his shop to take care of the people's needs.

BIRTHDAY PARTY

Under the direction of her mother little Miss Iris Maurene Smith was a very nice hostess to a number of little friends at her home on West Harris Street last Friday. The occasion was in honor of her fourth birthday anniversary. About 35 little friends were present and enjoyed a wonderful time playing games. The hostess gave as favors little dolls to the girls and whistles to the boys. She received many nice presents. Cookies and punch made up the refreshments.

DEAR CUSTOMER:—

WE ARE DOING OUR PART:

This laundry is now operating in full compliance with the President's Re-employment Agreement Plan as to wages and hours for our workers.

We are glad to do this, as our contribution to the cause of prosperity. It has been necessary to increase our prices slightly because of a 20 to 40 per cent increase in the cost of our fuel and other supplies. But the added cost of wages under the NRA plan has not been passed on to our customers—nor shall we do this if you will help.

Here's what we ask: Will you cooperate by sending us, regularly, everything launderable in your home? And will you assist us also by supplying our routemen with the names of any of your friends who might be interested in our service?

Remember, any additional work you send us means additional employment for citizens of this city. And it means, too, a lightening of your home burdens, with the assurance that the task you entrust to us will be as carefully done as if you had done them yourself.

May we rely upon your support in making our NRA program a permanent asset in the welfare of our city? Be assured that your cooperation will be genuinely appreciated.

Sincerely yours,

Chevrolet Increases Car Lot Shipments

How one transportation system supplements another was revealed today in the statement by the Chevrolet Motor Company that in the first six months of this year the company moved by railway freight 69,596 full carloads of incoming materials and outgoing finished parts and automobiles.

This represents an increase of 33 per cent over the full carload movement in the same period last year, according to C. R. Scharff, Chevrolet Traffic Director, and does not include 72,000,000 pounds of railway freight carried in less-than-carload lots, an additional 2,100,000 pounds moved by railway express and 24,000,000 pounds by freight forwarders.

Millions of dollars have already been paid to the railroads this year by Chevrolet for the traffic haulage essential in the movement of parts and raw materials to the company's twenty domestic plants, and the out-bound carriage of parts and finished automobiles to dealers and zone warehouses, Mr. Scharff pointed out.

The long sustained buying market for automobiles this year is reflected in the Chevrolet freight movement in June, the last month for which figures are available. In this month alone the company handled 16,409 full carloads of freight, or more than three times as much as in June, 1932. Mr. Scharff stated that 65.3 per cent of all freight handled by Chevrolet in June was moved by rail. The remainder was divided between motor trucks, drive-aways and water transportation.

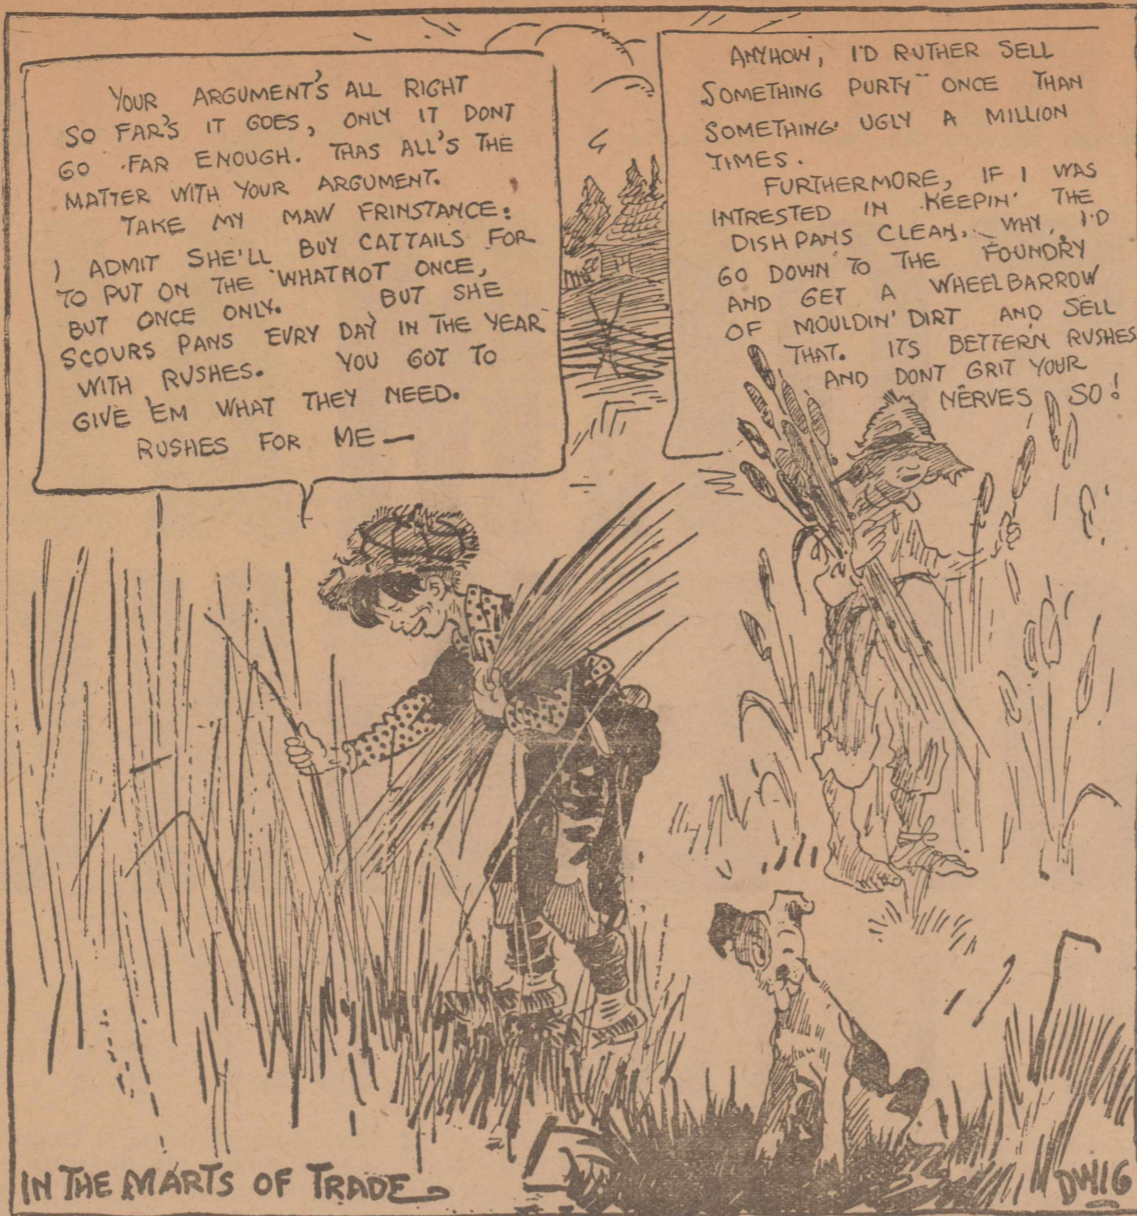

SPUR PEOPLE JOIN INTERNATIONAL CANNING CONTEST

The International Canning Contest, an exposition of home canned foods that will be open for the entire month of October, will be of international importance as every state in the union is now represented, as well as many foreign countries.

The women of this locality who are now preparing and shipping their exhibits to A Century of Progress, will have the opportunity to win some of the three thousand individual prizes totaling more than \$10,000.00 in cash, trophies, and merchandise. These awards will be made by a committee of distinguished judges, plaining the winners in the various classes of fruits, vegetables, soups, balanced meal, class, jams, marmalades, butters con-

Wake Up Your Liver Bile -Without Calomel

And You'll Jump Out of Bed in the Morning Rin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

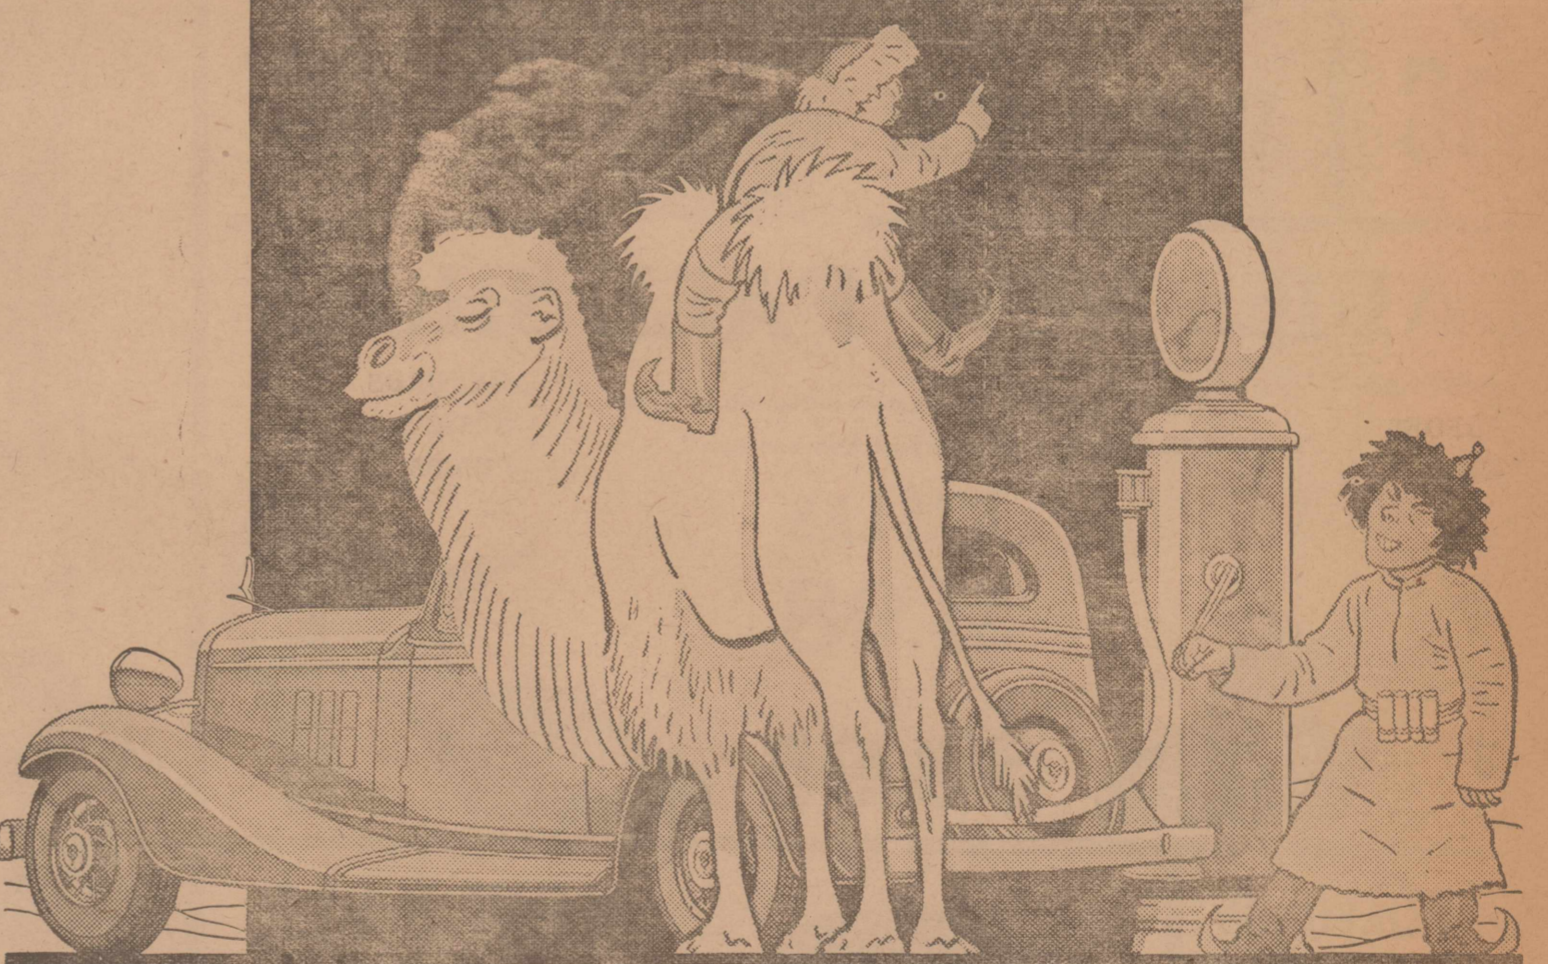

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas blasts up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in pimples. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. ©1931 C. M. Co.

Take the word of a "Man about Gobi"

Next to a Camel Chevrolet gives most miles per gallon

CHEVROLET No argument about the camel. When it comes to miles per gallon, there's nothing in all the Gobi desert—or anywhere else—that can beat him. No argument about Chevrolet, either. It's the most economical full-size transportation on wheels.

exclusive to Chevrolet in the low-price field: A cushion-balanced six-cylinder engine. Fisher body. Fisher steel-plus-hardwood construction. Fisher Ventilation. Starterator. And many more!

More miles on a tankful of gas. More miles on a filling of oil. More miles without worry and trouble and repair! And they're smoother, safer, more comfortable miles, too, due to all these features

Travel in comfort and save as you go. Save with a new Chevrolet. In addition to being America's most economical car, it's also America's fastest selling car by the widest margin of leadership in history.

Fewer Aches and Pains More Health and Pleasure

PAIN drags you down—physically, mentally, morally.

Why continue to endure it? Try Dr. Miles Anti-Pain Pills for Headache, Neuralgia, Muscular, Rheumatic, Sciatic, and Periodic Pains. They seldom fail.

Dr. Miles Anti-Pain Pills are pleasant to take and prompt to act. They do not upset the stomach, cause constipation or leave you with a dull, depressed feeling.

Ask your druggist or any of the hundreds of thousands enthusiastic users. Probably you too can find relief.

I think all Dr. Miles medicines are wonderful, but Anti-Pain Pills are my favorite.

Mrs. Doc Blankenship, Stamford, Texas. I have used your Anti-Pain Pills only a short time, but they have given me prompt relief. They did for me in a week more than any other medicine I had taken for a year. Phil Goller, Milwaukee, Wisconsin.

I am never without Anti-Pain Pills. I think they are much better than anything else I have ever used. Sometimes when I am tired and nervous, and feel like I would go under, I take two Anti-Pain Pills and in a sort time I feel like a different person. Mrs. S. Tidabach, Stroussburg, Pennsylvania.

Your Anti-Pain Pills have been used in my home with wonderful results. I recommend them. Maggie Belle Dudley, Vanceboro, N. C.

Your Anti-Pain Pills helped me a great deal. I have used them for years. I carry them everywhere in my purse and always keep them in the house. They have saved me a great many sick headaches. Mrs. Jennie Neill, Coronado, Calif.

MR. FORD AND NRA PROGRAM

Mr. Ford, independent automobile manufacturer, has come under the limelight of severe criticism because he refused to sign the code drafted by the automobile association. As a matter of fact, Mr. Ford in his personal interview with authorities at Washington, outlined his plan of employment and was told he just beat the government to the NRA plan several years. He asked if his policies coincided with the government plan and was told they did. Then was told he did not have to join the automobile association if he did not so desire.

Dallas News under date of September 6.

"The means ought never to outrank the end; the emblem ought never be before the issue; the strategy ought not to become more important than the battle or the battle than the war. Reflections of the sort are in regard to the position of Henry Ford. If the Detroit manufacturer is prepared in fact to better the Blue Eagle code, the betterment, it seems to the News, is of more consequence than the code. "The American people started out to find more jobs for more men at wages which would permit them to begin providing more trade for more business concerns. They did not start out to dictate the labor policy of the automobile industry or any other industry. The United States has never been voted closed shop or open shop. Before the American people condemn Henry Ford, therefore, they will decide for themselves whether he has gone along with the larger purpose of recovery or has put himself in opposition to it. After all, American business has and ought to have some degree of liberty. Without it, enterprise has served it in the past."

"Mr. Ford has left himself open to criticism at some points in his dealings with labor. Probably, if he were cornered on the subject, he would admit as much himself. But Ford policies have been on the side of higher wages and shorter hours when most other manufacturers were bitter toward him on that account. The Ford idea has always been that a well-paid man is a good customer for business. It would be irony indeed if the country, now that it has gone over to the Ford creed, should go over with such a bang as to brush Ford himself aside and trample him."

Horse Racing Feature Of Panhandle South Plains Fair—Lubbock

Six big days of horse racing will be among features of the 20th annual Panhandle South Plains Fair at Lubbock, Oct. 2 to 7, inclusive. All Plains race horse owners are invited to participate and should communicate immediately with Manager A. B. Davis, there.

Fireworks each evening, big circus acts, band concerts, vaudeville acts, the John T. Worhtam shows, and other attractions will supplement the thrills offered by the crowds by the horse races.

The races will be free to the Fair visitors, the gate admission prices of twenty five cents for adults and fifteen cents for children admitting the fair visitor to everything on the fair grounds, excepting the carnival shows and rides.

Catalogs are being distributed to interested exhibitors and others, and finishing touches are being put to the grounds for the exposition.

A series of good will trips will be made over the South Plains beginning next week to better advertise the exposition and in order that a personal invitation may be extended to the people of the Plains to attend. The Lubbock High School Band, one of the best bands in West Texas, will accompany this caravan. Speakers will give headlines of the plans for the fair and novelties will be distributed to the children.

RED TOP-CATTISH

We have sure had the rains, since last Sunday night, and everything is growing, the last plow up cotton, feel looks very promising also the late gardens everyone planted will give lots of good vegetables to eat for the house and to can.

The meeting at Red Top school house continues to have good crowds. The patrons of the mail route through Red Top community got word to work their roads or the route would be taken away, so they got busy and then all the rain coming immediately made them very near impassable but they will dry off and can be made good.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

WE, as Americans, do not realize how fortunate we are to have all the peaches we can eat without straining our food budgets. Frequently in England they cost a shilling apiece.

This week ushers in the real peach season and it is the time to enjoy them in all the variety of ways in which they can be served: whole, sliced, in tarts or pies, shortcake, gelatin desserts and ice cream. The woman who likes to can her own peaches can also begin to do so either this week or next. Pickled whole peaches, like watermelon rind, are delicious. Use vinegar, sugar and a bag of whole pickling spice.

There is little difference in cost between good home made jellies and those you can buy. If you prefer to make your own, currants are here to open the jelly season and their season is short.

Here are the Quaker Maid Kitchen dinner menus.

A. E. McClain took his daughter, Hope, up to Lubbock Tuesday to enroll in school again for this winter term. Hope goes next Wednesday.

Miss Lucille Smith, of Amarillo, and a sister of Erick Smith of Red Top, came through Post two weeks ago and called for Erick to meet her there and go on to Fort Worth to see another sister and two aunts. Lucille and Erick have come back to visit with kin and now Lucille goes on to Amarillo today and we know they have enjoyed their trip and visit very much.

Mrs. Wesley Lewis came back home Tuesday. They say she stood the trip fine, needs an operation but will need to have her constitution built up some first.

Dick Cravy and children were visiting in the Catfish community Tuesday. Clark Howell went up to Buran Jones to help Dick with his truck then Friday Clark went over to Dicks to help him get it in good running order for the cotton hauling.

Some of the Catfish school children who meet the Calgary truck at Uncle Tom Smiths had to miss two or three days this week on account of rain.

The roads were not so bad Saturday that Red Top and Catfish were well represented at Spur, all trading and visiting with friends.

IN MEMORY OF R. S. HOLLY

R. S. Holly, familiarly known as Uncle Dick, was born in Mississippi, September 12, 1846. He came to Texas when five years of age and settled with his parents in Collin County. He was married to Miss Rebecca Ferguson April 20, 1876, and to this union thirteen children were born, nine of whom still survive, and seven were present at their father's funeral.

Mr. Holly came to Dickens County in January, 1899. He spent his early days in farming and freighting. He was known by practically every one in the country and gained the friendship of all who knew him.

His wife passed away March 7, 1921, and since that time he has made his home with his children most of the time, visiting with all of them as conditions suited him. His presence was always desired in their homes and a welcome always awaited him.

He was a member of the Church of Christ and had lived an exemplary Christian life for more than fifty years. He was a faithful attendant at church services, and was at Sunday school every Sunday unless he was ill.

Uncle Dick passed away at the home of his son, Shep Holly, Tuesday afternoon, September 12, 1933. Funeral services were conducted at the home Saturday afternoon, Uncle Albert Pettigrew, an old friend to the family, making a very beautiful talk. Interment was in Dickens cemetery, Z. W. Fowler acting as funeral director. He was 87 years old the day of his death.

He is survived by two brothers: L.

W. Holly of Afton and Mark Holly of South Bend, one sister, Mrs. Zula Savage; nine children: Mrs. E. Austin of California, L. C. Holly of Lugert, Okla., Mrs. Lena Marshall of Spur, Ben Holly of Post, Shep, Wallace and Hallett Holly of Dickens, Tony Holly of California and Mrs. Ous Overstreet of Elton. There are thirty grand children and thirty five great grand children in the family.

HIGHWAY

The Baptist revival will continue until Sunday night. Large crowds are attending the night services. The day services are conducted at the home of Mr. and Mrs. Bob English. Rev. Alvin Bilberry of Jacksboro arrived here Monday and will do the preaching the rest of the week. Everyone come and take part in the services. Rev. Harvey Draper has charge of the song services.

About 30 high school students of our community enrolled in Spur school Monday. Some of our boys went out for football training.

Mrs. Trammell Turner has been quite ill the past week and was taken to Lubbock Monday afternoon for treatment and possibly an operation.

Mr. and Mrs. Nellie Hindman of Dry Lake, were out to the services Saturday night.

Mrs. John Holloway has been visiting relatives in Comanche County the past three weeks.

Mrs. Arville George received word of the death of her uncle, Henry Harris of Girard, last Monday, also, Mr. Harris was a brother of Will Harris of Dry Lake. Both families and other relatives from here attended the funeral services at Girard.

BOWLING

Is a good past time, and a good exercise. Bring your friends and bowl. Ladies Free with each paid bowler. Open morning, afternoon evening.

Cotton Ensey, Mgr.

Mr. and Mrs. Lee Bilberry of Spur, have been here visiting and attending the meeting this week.

Our pastor and wife and several others attended the B. Y. P. U. program at Dry Lake, Sunday afternoon.

W. L. Lusk, a much respected citizen at Dickens, was attending to business matters in our city Wednesday.

R. L. Wade, one of the progressive farmers of Dry Lake community, was in our city Saturday doing some trading.

Mrs. Nannie Cobb, our efficient County Treasurer, was doing some shopping in our city Saturday.

Truett Hutto, teacher at Chattanooga, Okla., was in our city the first of the week visiting relatives and friends.

Cotton Co-Op. Office Now Open

L. M. Richardson, cotton classifier for the West Texas Cotton Growers Association, arrived in Spur Tuesday and was greeted by business men and farmers at a conference which made plans for operation of a Spur branch office of the association. Afterwards it was announced that the office is now open and ready for business.

"The new marketing association is replacing the older state-wide association in this territory," Mr. Richardson said, "and already has half a dozen branch offices operating south of here. Growers are getting a price for their cotton, through these offices, that is usually the equal of any price paid by the largest firm for large lots of cotton—the grower gets that price whether he has one bale or a thousand."

As long as growers are able to get,

through their association, a price that is about equal to the best obtainable elsewhere, Mr. Richardson urged that they support the association because of its other activities that benefit the grower, in addition to marketing.

"Only yesterday, the vice-president of our national sales agency, C. O. Moser, was called back to Washington while on his way to Spur," Mr. Richardson said. "He was needed to represent the growers in arrangements for loaning ten cents a pound—this loan plan having been worked out with the aid of Mr. Moser and other co-op representatives who were in Washington last week. They are back there again this week, to complete the arrangements, and we will have something to announce soon as the pools for this 10 cent loan cotton, and other details." Mr. Richardson said that one of the biggest things the new West Texas Cotton Growers Association did this year was to join with other

cotton co-operatives in getting the acreage control plan through Congress, and into practical effect.

"This plan has added \$326,000,000 to the income of cotton growers this season," said the co-op manager, "and it is the job of the growers, in an organized way, to show the country what it is a good thing, and that we ought to have a government-operated control plan for at least two years longer. But there are a lot of people whose profit depends upon having a big, low-priced crop, and they are fighting the control plan, and will keep fighting it, and they have the money and the organization to finally convince the country that the control plan is a bad thing unless the growers, through their own organization, fight back," stated the co-op manager.

Entire control of the West Texas association is in the hands of West Texas men, Mr. Richardson pointed out, and growers "can know just what is going on and change it if they don't like it." He said arrangements will be made for placing receiving agents at points in Spur territory, when growers in any community request it. These agents will forward samples to the Spur office where they will be classed and payment made for the balance due.

Receiving agents already appointed in this section are: M. A. Darden for Girard, Chas. McLaughlin for McAdoo, and W. J. Collier for Afton and Dickens.

Mrs. Mary Gonzales, of McAdoo, is in the sanitarium receiving medical treatment. She seems to be improving.

W. P. Allen, of Croton, who underwent an operation two weeks ago, is recovering nicely and will be able to return home today.

Mrs. A. E. Parker, of Peacock, underwent an operation Sunday and seems to be doing fine.

Mrs. A. C. Dixon, of Gilpin, who underwent an operation two weeks ago, is getting along fine and will be able to return home the last of this week.

Mrs. Marion Licon, of McAdoo, underwent an operation Tuesday and seems to be getting along all right.

METHODIST CHURCH

The new Sunday School year begins the first Sunday in October and that is the best time I know for every member of the church and those who are not members to start going to Sunday school and church.

We are glad to report that the month of September showed an increase in church attendance, and we are expecting that October will be much better.

The young people will have charge of the evening worship this week, giving the Life of Christ in song. Come and join with them in this splendid program portraying the joy and sorrows, the persecutions and the triumphs of the Christ. This will be an hour of worship that will help you.

The pastor will speak Sunday morning on "The Cry of the Cross".

Sunday school meets at 9:45 a. m.
Morning worship 11:00 a. m.
Evening worship 7:30 p. m.
Young People's meeting 6:30 p. m.
You are welcome, come and worship with us.
