Pantry Tours Are Enjoyed

The pantry tours last week were a source of inspiration and joy to those who participated either in holding the achievement program or in visiting the pantries. The Espuela club at the home of Mrs. F. B. Crockett showed an exhibit of gifts from the farm home suitable for each month of the year. After every one had looked at the exhibit and had had opportunity to see the demonstrator's pantry, grape punch and cakes were served the par-

ty. "I'll never make pickles any other way than cured," said Mrs. Val Smith, of Soldier Mound club in showing the difference in cured and non-cured cucumber pickles when her pantry was on display Tuesday afternoon. Mrs. Smith was not pantry demonstrator for her club but offered hers for the tour when the demonstrator could not. The club had a number of gift baskets of canned foods on display and a group of foods that prevent pelagra. Hot cocoa and cake were served the group.

Mrs. John Gay's pantry contains 368 quarts of food valued at \$78.15. Hers is one of the few pantries in the county that contains as much fruit as the foods budget requires for a family of the size of hers.

The total value of Mrs. C. O. Middlebrooks pantry is \$263.40 including 529 quarts canned food valued at \$122.40 and dried vegetables and fruits cured meats, lard, molasses, home made vinegar. Mrs. Middlebrooks is farm food supply demonstrator for the Midway home demonstration club. That club showed a gift exhibit suggesting gifts for each month in the year.

The next pantry to be visited was that of Mrs. N. S. Morris, demonstrator for Prairie Chapel. Her pantry contains 281 quarts of canned food valued at \$65.05.

Fifteen club members attended the achievement program in the McAdoo club and welcomed the visitors at the home of the farm food supply demonstrator, Mrs. Louise Gilmore. The club showed an exhibit of foods that will prevent pelagra if used in sufficient quantities. Mrs. Gilmore's pantry contains 449 quarts of food worth \$105.65. She has 80 quarts cucumber pickles with about three-fourth of them cured before pickling. "There is no comparison in the flavor of the two methods of putting up pickles. I'll cure all of mine next year says Mrs. Gilmore. The McAdoo club served hot cocoa and cakes.

The last pantry visited last week was that of Miss Bertha Cooper, foods demonstrator for the Chandler club. Her pantry includes 384 quarts canned food valued at \$86.15; 14 lbs. cheese, lard, sweet potatoes, molasses, and peanuts bringing the total value up to \$140.37.

Child Slavery

Child peddlers on the streets of the towns of West Texas at this time of the year are always dirty, cold and hungry. The natural tendency of the normal person is to buy the tittle trinkets they offer for sale because of sympathy for the child. When you do so you are contributing to the support of the child slave racket, one of the most damnable rackets in America. You do not help the child in the least but you are making the racket a paying one and are thus encouraging their dirty rats of parents to enslave

This Remarkable Electric Cooker Will Prepare Meals... AUTOMATICALLY!

With a modern Electric Cooker all you do is put in the food, turn on the "high" current until the cooker is hot, then switch to "low" and the cooking is finished automatically by the stored-up heat! No worry... no basting... no watching. It does better cooking with less heat, less work and less cost!

—And this modern Electrical Servant bakes, stews, roasts and browns. It does it all easily, economically and healthfully... with all delicious food-flavors sealed-in, and all vitamins, food starches and mineral salts retained in the food... not cooked out as in old-fashioned methods.

Ask for a complete and interesting demonstration—TODAY! Costs less than a few days' groceries... and will return your money the first month!

CONVENIENT TERMS

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

the children. Most of these children are driven to their tasks in filthy clothes in the cold by shiftless slave driving parents or owners who beat them if they return to camp empty handed. As citizens and fathers it is our duty to refuse to buy from them for the sake of the child. Our city is delinquent in its duty by not having an ordinance against street peddling and seeing that it is enforced. The sorry parents and drivers of these children should be jailed for contributing to the delinquency of little children and the children taken away from them. Our dumb legislators are too busy playing politics to do their duty toward this kind of a racket going on in our state. We accuse Chicago's gangsters and are guilty ourselves of supporting a racket that in actual harm to the nation makes the Chicago racket look like a piker. If you are a good citizen you will not support this slave business by buying anything from these poor little slaves.

Historical Sketch of Watson Bros.

The following published in the Strawn Tribune under date of November 17, relative to a Watson Bros. of our city.

"The Dry Goods Department of Watson Bros. was moved this week to Spur, Texas, with Mr. J. P. Trimble, a former Strawn man, in charge of the new store in Spur.

"Watson Bros. started in the general merchandise business in Strawn in the year 1903 under the name of Traders Mercantile Co., when in 1910 they changed the name to Watson Brothers and have continued under this name ever since. Their hardware, grocery and undertaking departments will remain in Strawn and their many customers are assured the same high class merchandise and service they have received these many years. The Strawn citizens will of course be glad to learn their entire store will not be moved as first reported. Spur citizens will and should appreciate these good people selecting their little city out of a great many others for their new

store. The store will be operated under the name of Watson Brothers with Mr. Trimble as manager.

"Mr. Trimble is a very successful business man and we compliment Watson Brothers in securing his services."

The above named firm opened their new store in our city last Friday and Mr. Trimble reported to the Times this week that he never experienced such an opening before in his life. He stated that Spur country has a wonderfully fine class of people and that in the future Watson Brothers would join other dry goods firms in our city in giving the people the best of merchandise and service. Their opening sale continues on through next Saturday and the prices advertised will prevail this week.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to our many friends and neighbors for their kind words of sympathy, the many beautiful floral offerings, and other deeds of kindness extended us in our recent bereavement. We especially thank Rev. W. K. Johnston and Rev. Draper and Rev. Birdwell for their comforting words.

May God's choicest blessings rest upon you.

DUCK CREEK

Rev. Cox of Jayton, filled his regular appointment here Saturday night Sunday morning and Sunday night. He brought good messages at each service and the number present was very good considering the sickness in the community.

Little Doris Clower had a real case of diphtheria, but is recovering nicely. We are expecting Dr. Wylie and Mrs. Twaddell out to our school one day this week to give toxoid to all the children of the community.

The new Methodist minister for this field, Rev. Laney, will preach here next Sunday morning and night. Let's all be present and give him a warm welcome.

Mr. Evans and Miss Durham went to Dickens Saturday to see Mrs. Twaddell on school matters.

Judge Hagins of Jayton, was in the community for the week end visiting in the different homes of his sons.

Mrs. Poet Hagins entertained with a delicious dinner Sunday, honoring

her son, Emmet and his wife. These young people were quietly married Nov. 18. The Rev. Laney performed the ceremony. They are living with Emmet's parents until a new house is erected on the farm for them.

One of the most enjoyable occasions of the season was a shower given by Mrs. Vernon Gregory Friday night for Mr. and Mrs. Emmet Hagins. They are so well liked that the house was crowded with relatives and friends. Everyone brought beautiful and worthwhile gifts. Delicious refreshments of hot chocolate or coffee and cake were served to all present.

SALVATION ARMY WORKER HERE MONDAY

W. D. Pedigo, of the Salvation Army, was in our city from Saturday until Monday in the interest of the work of his organization. He did not hold any services here, feeling that the people had access to several churches in the city. However, he visited in the city and secured financial aid to the amount of fifty dollars. He handed out many tracts which gave a list of accomplishments of the Salvation Army last year.

The figures relative to the work done by the Salvation Army are rather interesting. There were 3,140 people converted to the Christian religion through the influence of the organization; there were 329,732 gospel papers distributed; 17,936 gospel services were conducted and attended by 547 people, there were 42,236 families given relief during the year, there were 205,920 persons in families given relief, transient people were given 138,777 meals, 55,226 transient people were afforded lodging, there were 3,160 men given employment, and 156 maternity cases in hospitals were cared for.

Like the Red Cross, the Salvation Army does not ask the nationality nor the religious creed of any one, but if they need help they get it.

Henry Kennedy, of Verbena community, was in our city Wednesday doing some trading.

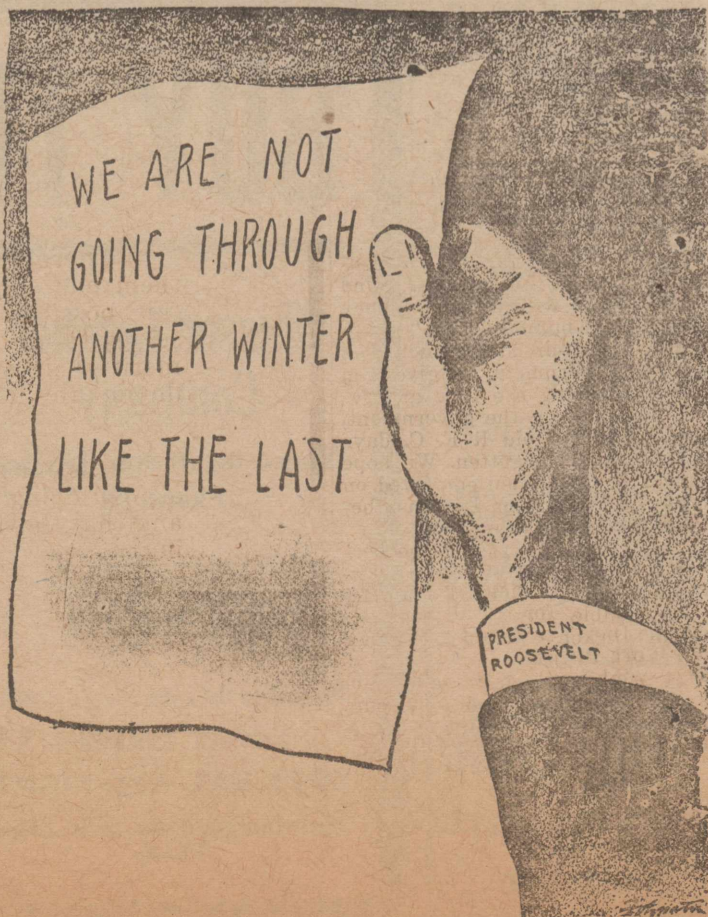

M. K. Lawson, of Afton, was transacting business in our city Monday.

I. B. Millican, of Dickens, was transacting business in our city the last of the week.

A. W. Walker, of Pansy community, was attending to business matters in our city Saturday.

G. F. Harris, of McAdoo, was greeting friends and attending to business in our city the last of the week.

MRS. PERRY PRYOR ATTENDS FUNERAL OF A RELATIVE AT HENDERSON

Mrs. Perry Pryor has returned from Henderson where she attended the funeral of her brother-in-law, J. C. Hanes, who died in a U. S. Veteran's Hospital at Kerrville. Mr. Hanes was gassed while serving with the U. S. army overseas during the World War and never regained his health.

A very impressive service was conducted at Kerrville, before the flag draped casket was borne by train to Henderson, where the American Legion met their comrade and buddy and tenderly laid the body to rest with a military funeral.

People from the following towns attended the funeral: Freeport, Kerrville, Del Rio, Austin, Texas City, Jacksonville, Galatin, Timpon, Glade-water, Hallville, Tyler, Mansfield, Ark. Mrs. Pryor attended the funeral in Henderson only.

1917 STUDY CLUB

The 1917 Study Club met in regular meeting November 21 with Mrs. W. T. Andrews as hostess. The president, Mrs. G. R. Elkins, called the house to order at the appointed time and 16 members answered to roll call. One new member, Mrs. Posey, was very graciously welcomed into the club by the president.

REPORT OF EDUCATION COMMITTEE OF HOME DEMONSTRATION COUNCIL FOR THIRD QUARTER, 1933

The Education Committee of the Dickens County Home Demonstration Council wishes to make the following quarterly report based on the county home demonstration agent's monthly reports. During the three months the agent spent 30 days in the field; 29 days in the office and 14 days at the Century of Progress. She received 173 office calls and 55 telephone calls; wrote 25 letters; made 94 home visits attended 41 meetings with 1,005 in attendance; wrote 20 news stories and drove 3,352 miles in the service.

A watermelon rind demonstration was given in the Duck Creek club with 21 women present; this club has been organized since work in watermelon rinds was given two years ago.

Demonstrations on canned tomatoes was given in 8 girls' clubs in September with 74 girls present. Making tomato juice and the use of tomatoes in the diet was given in 14 home demonstration clubs with 160 women present.

A new club was organized at Red Hill with 18 members. This is only community in the county that had never had a home demonstration club.

Yard improvement demonstrators and wardrobe demonstrators were enrolled in each home demonstration club and started with the year's work. —Education Committee.

COUNCIL HOLDS ANNUAL MEETING

A busy session Saturday brought to a close the year's work of the Dickens County home demonstration Council when each officer and standing committee chairman made written reports of their work. Each of the eight clubs represented had written reports from their council members.

The finance committee chairman presented a proposed budget for 1934, explaining each item of the suggested budget which calls for \$5.00 from each home demonstration club. This budget covers the cost of the 1934 year books, three scholarships to the Short Course for the winners in the word robe contest next year, the scholarship fund, which is five cents from each home demonstration club member and goes toward a college scholarship for the winning 4-H club girl in the state; and for miscellaneous expense as sending exhibits to the district and state fairs, stamps, and stationery, etc. The budget was accepted by the Council as read. Espuela home demonstration club paid their fund Saturday going on record as the first club to meet this budget. Each club is expected to make their contribution by January 1.

Mrs. F. B. Crockett, Espuela was elected chairman of the Council for 1934; Mrs. J. L. Hagins, Duck Creek, vice-chairman; Mrs. Matt Howell, Red Top, secretary-treasurer; Mrs. Tom Gilmore, Twin Wells, reporter; and Mrs. L. B. McMeans, Twin Wells, parliamentarian.

G. J. Lane, county farm demonstration agent, explained the cotton reduction program for 1934 to the council members.

Those attending were: Mrs. J. W. Carlisle and Mrs. W. M. Hunter, Steel Hill; Mrs. I. E. Abernathy, Soldier Mound; Mrs. Matt Howell, Red Top; Mrs. J. L. Hagins, and Miss Nellie Sue Durham, Duck Creek; Mrs. L. B. McMeans and Mrs. Tom Gilmore, Twin Wells; Mrs. Jim Eldridge, McAdoo; Mrs. F. B. Crockett, Espuela; and Mrs. Floy Watson, Red Hill. —Reporter.

Mrs. R. M. Lane. All of the eleven children were present to participate in the wedding and to enjoy a family reunion.

A turkey dinner was served at noon from a long table out on the lawn to the family and out of town guests. Preceding the marriage ceremony, Mrs. Eva Goggins sang, 'At Dawning' and 'Silver Threads Among the Gold' accompanied by Mrs. Redman at the piano and Mr. Smith on the violin.

Mrs. Redman played Mendelssohn's wedding march as the bride and groom attended by their sons and daughters advanced to the improvised altar and renewed their marriage vows. The ring ceremony was read by a sin-in-law, the Rev. Charles Sisserson, pastor of St. Marks Methodist Church, Cleburne, Texas. Mrs. Jewel Hargess of Maypearl, read a brief sketch from the lives of her parents; and characterized each of the eleven highlights with a witty rhyme.

About one hundred guests registered during the afternoon and extended congratulations and good wishes.

The children other than the two mentioned above are: Mrs. P. H. Barnett, Mrs. D. L. Poston, Mrs. C. O. Bergman, of Valley Mills; Mrs. C. H. Sisserson and Leon Lane of Cleburne; Mrs. Otis Hopper, Hamlin; Mrs. W. W. Smith, Morton; Geo. I and W. A. Lane of Eola, Texas and G. J. Lane of Spur.

ESPUELA HOME DEMONSTRATION CLUB

The Espuela club met with Mrs. F. B. Crockett on achievement day. The six members present assisted in entertaining the guests who came to view Mrs. Crockett's well filled pantry. In viewing her pantry and studying her budget we found she had a sufficient quantity of canned, dried and cured foods to supply her family with balanced meals until garden time next year.

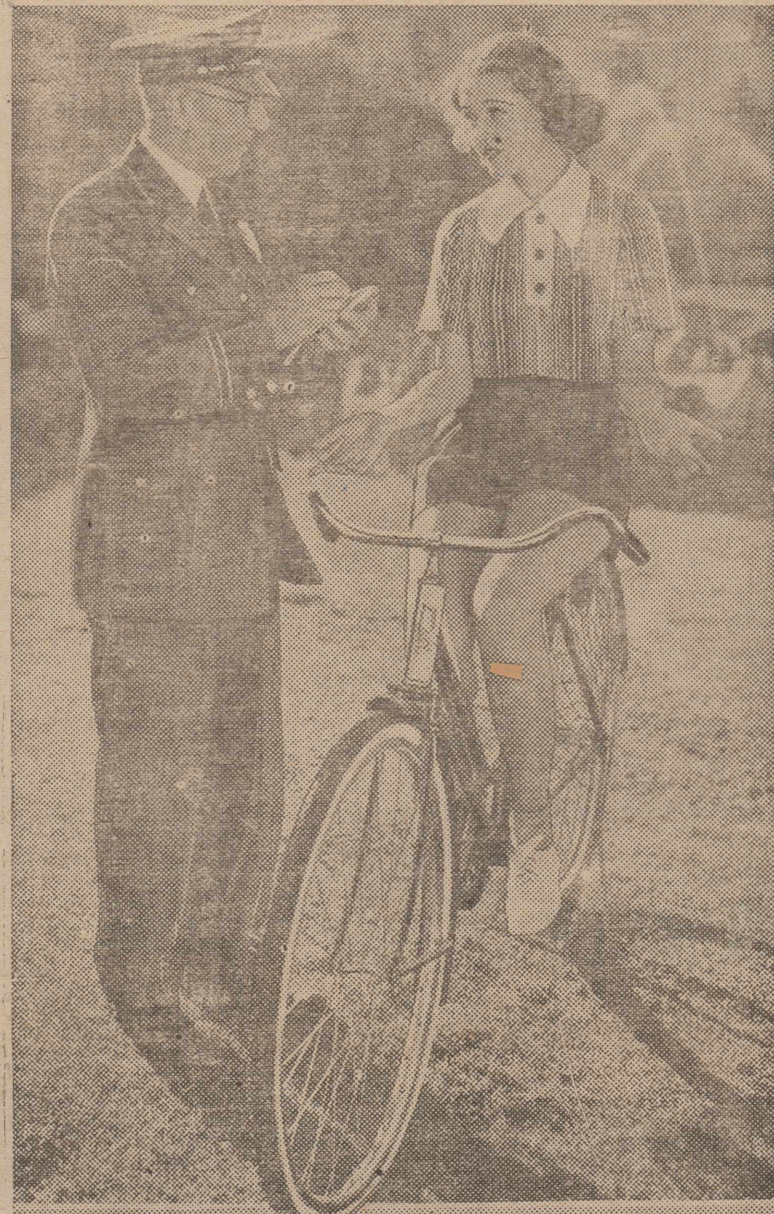

Punch and cake were served to club members and guests, after which a business session was held. The following officers were elected for the coming year:

President, Mrs. W. E. Ball. Vice president, Mrs. F. B. Crockett. Secretary-Treasurer, Mrs. Tom Martin.

Civil Work Administration, or The National Recovery Service

The Civil Work Administration is for the purpose of securing jobs for all unemployed persons who are physically able to do manual labor and have attained the age of 16 years, and have been citizens of the state one year and the county wherein they reside six months with no exceptions with reference to color, race or creed. But each and every person employed must be employed on a duly authorized project as will hereinafter be set out.

Duly Authorized Projects

To all political sub-divisions of Dickens County which consists of our Honorable Commissioner's Court, Our Honorable City Officials of the City of Spur, (the only incorporated city in the county), and the various school board, common, independent and consolidated, with their duly and legally elected governing officials.

If you have a project in mind that as a whole will serve the public alike in the way of improvements of a permanent nature, that will supply man labor and will consist of a permanent improvement for your political sub-division same may be a feasible project, and can be authorized by the department when properly presented, but in no way will any project receive consideration unless presented through the designated channel. The designated channel is as follows: You will be furnished a blank project form from this office at any time you desire the form, and the assistance of an engineer and the whole hearted cooperation of your administrator to assist in any way in preparing your application for your project.

After your project is approved and authorized the entire labor will be paid by the Federal Government, and United States Treasury Warrants will be issued in payment of same in the administrator's office each and every Saturday afternoon and delivered to the payee. In some cases if the political sub-division is not able and same is verified by a duly authorized cases all the material will be furnished the material for said improvements, in such cases a percentage, or in some cases all the material will be furnished for the entire job by the government without obligation upon the part of the political sub-division, so approved by the project engineer, at Austin, Texas. You will realize and appreciate each project is a project within itself, and is not binding on another.

Emergency Program of Work Relief in Education

We have a program known as stated above, that can be carried on along with other programs in our county, and I want to assure you as administrator, personally I am very much interested in this program. It has but very little to do with the unemployed situation but deals with another phase of life almost as necessary in my way of looking at it as "meat and bread", and that is the education of our boys and girls, the men and women of tomorrow. This plan covers the following conditions, if you have a crowded school and your children are unable to get the proper attention that they are entitled to under normal conditions and your school board is not able to secure additional teachers and pay them out of your local and state money, and for that reason your children are being handicapped for school advantages, then the Government will employ and pay for the additional teacher, based on your intentions as of August 19, 1933, to be approved as to qualification by the State Department of Education, and to come from the unemployed rolls which are to be certified to from my records. Date of residence is necessary the same as any other person employed under and paid by the C. W. A. In my opinion the above situation is not likely to exist in our county, however same may be true, and personally with the proper information, I will be glad to take up any project with the department. But the following is one that I believe is feasible and possible right here in our midst.

If any school district within the boundaries of this county has a class of boys and girls who have taken advantage of all the subjects taught by your local school or in other words finished, and is not able to go away and secure additional training, and are desirous of securing better and further education same can be secured, by establishing a class sufficient in size to justify a teacher. This community can at the entire expense of the Government put such a course in your school, in the way of furthering the education of said communities. Known as Adult Education, or in other words boys and girls who have finished high school and are unable to go away and further their education, various types of commercial courses can be taught, banking, bookkeeping, typing, shorthand, vocational or classes in agriculture, as what ever might be approved by the department of education, upon your application and

become an approved educational project. Rules and Regulations Regarding Civil Work Administration

The Civil Work Administration was created in Washington on November 7th, 1933, and became effective in the State of Texas on November 16th, and in no way is connected in terms of rules and regulations with the Texas Rehabilitation and Relief Commission as usually referred to as the R. F. C. Harry L. Hopkins, Federal Administrator, officially appointed the Honorable Lawrence Westbrook as Civil Work Administrator for the state of Texas. Mr. Westbrook in turn appointed in most cases the various administrators, serving the Texas Relief Commission as Civil Work Administrator, and in such cases one individual represents both jobs, but officially they are separate and distinct. The Texas Relief Commission still

has its place and duties to perform as it always had, and that is primarily speaking, helping to take care of those who can not take care of themselves for any reason that is unavoidable on the individuals part, while the Civil Work Administration, hereinafter referred to as C. W. A. is to take care of all unemployed persons able of doing manual labor, and of course you can readily see will relieve the relief rolls of all able bodied persons who have been forced on the relief rolls those who have a physical handicap, or have lived to the number of years to where they are not able to do a days work, which in neither case the individual can help, and he is entitled to what is known

New Food Veggie Hits Hollywood

A NEW craze hits Hollywood weekly. Plucked eyebrows, painted toes, feminine trousers, roller skating and bicycling—they all got their start here in the cinema capital before sweeping over the rest of the country. A wave of onion soup is on its way, according to latest reports. It started at the famous Brown Derby restaurant, then spread to the homes of Hollywood's lords and ladies—those which support expensive parties. Soon a famous French chef, Jean Verrier, stepped into the picture and created a canned variety. Hereafter it spread like wildfire. They began serving it on the studio lots at noontime. Next it found its way to the chic dinner party. A party spent for one of the class discovered the French began making

onion soup just 200 years ago and the stars gave a bi-centennial onion soup breakfast. Believe it or not, the movie people turned out by the hundreds at 9 o'clock Sunday morning. Or maybe they dropped in on their way home from Saturday night's outing. Pictured above are Lona Ange, Paramount's newest star, feeding it to her pet Poin, under the admiring gaze of Patricia Jean, leading lady of the Hal Roach comedies, and Walter Phelps. The breakfast was a grand success. The craze was in full swing, and now a trail of canned onion soup leads from supper party to supper party in every movie suburb around Hollywood. It will be starting East any minute, probably with the next contingent of stars going to New York for a rest.

Wake Up Your Liver Bile
—Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

Several from this community attended the funeral of Inez Goss at Roaring Springs Sunday. The whole community was saddened to learn of this young lady's untimely death. Our hearts go out in sympathy to the bereaved ones in this tragic hour.

Joe Rose made a business trip to Lubbock early in the week.

Most of the cotton is out in this section. Some are completely through while others still have a few bales of bolls yet to pick. With fair weather a week or ten days will see the last of it out.

Charley Prior and family transacted business in Spur Saturday.

Most of the young folks in this community attended the carnival at Afton Friday night.

TWENTIETH CENTURY STUDY CLUB

The Twentieth Century Study Club met Tuesday with Mrs. A. M. Walker Mrs. Nichols presided during the business session and brought to the club some helpful ideas from State Federation meeting. The club voted to send money for Permanent Headquarters Fund.

Club members answered roll call with a bit of club news. The following program was given:

Review of Hoosier Schoolmaster—Mrs. Cowan.

Place of the Book in Literature—Mrs. Fooks.

Humor in the Book—Mrs. O. L. Kelley.

After the program a most interesting report of the State Federation meeting at Austin were given by Mrs. E. L. Caraway, delegate for the club. Mrs. Hale and Mrs. Foster and Mrs. Nichols also brought out some interesting facts. A description of permanent headquarters, the first permanent state federation headquarters in America was given and club women of the state should be proud of their accomplishment.

During the social hour Mrs. Walker served a refreshment plate of pecan pie with whipped cream and coffee. She was assisted by Mrs. W. F. Godfrey and Mrs. W. R. Weaver, guests of the club. Mrs. W. S. Campbell, a former member was a guest. Club adjourned to meet next with Mrs. Nichols.

E. M. Wilson, Roy Stovall, Jack Rector, Leslie Roberts, M. A. Lea and

P. W. Campbell of Abilene, returned from the Davis Mountains last week after enjoying a fine deer hunt. They brought back three deer and the head of another, the carcass of which spoiled. They stated it was too warm to save the meat.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

WE seem less apt to tire of green stringless or snap beans than of any other green vegetable. This is fortunate as it is available practically all the year at reasonable prices. Its economy is even more marked because one pound will serve from four to six people.

Mushrooms are low priced and for flavor a quarter of a pound goes a long way. The dependable winter vegetables are all in market.

Grapefruit is the outstanding citrus fruit at present though plenty of oranges are in market. There are many varieties of apples to choose from.

This is the baking season when quick breads, cakes and pastries are appreciated by your family. Be sure your shelves are stocked with canned milk, baking powder, extracts and both all-purpose and cake flours.

The Quaker Maid suggests the following menus.

Low Cost Dinner

Veal Pie with Vegetables
Celery

MRS. E. F. MIDDLETON PASSES AWAY

Mrs. E. F. Middleton passed away at her home near Afton late Wednesday evening of last week. She had been ill about ten days and was under the care of Dr. A. C. Trawek of Matador. Heart failure was stated as the cause of her demise.

Funeral services were held at Afton Thursday afternoon. Albert Smith minister of the Church of Christ, read the funeral rites. Interment followed in Afton cemetery, Webber Williams acting as funeral director.

Mrs. Middleton's maiden name was Miss Caroline A. Fretwell. She was a daughter of Mr. and Mrs. W. P. Fretwell of near Afton and was born May 5, 1876. She and her husband have lived in the Afton community many years and reared a very fine family of children.

She is survived by her husband, children and parents, and a great number of friends.

FARM PANTRIES SHOW A PROFIT

The last of the pantry tours show the demonstrators quite enthusiastic over the value of the foods canned and stored for the non-productive season.

"I am well pleased with my pantry, considering the unfavorable year for garden and fruit. I am just as proud of it as I can be and my husband is prouder of it than I," said Mrs. Jim McArthur, demonstrator for the Red Top home demonstration club. "We have 560 quarts of canned foods valued at \$110.20 with molasses and dried vegetables bringing the total value up to \$125.70."

The Red Top club had a splendid exhibit of tomato products and quality canned goods on display. The chart showed the canning report of the club members to be 2,320 quarts canned vegetables; 720 quarts fruit; 892 quarts meats; 450 quarts preserves and jelly; 468 quarts pickles and re-

liches, valued at \$1,242.90.

"I think this pantry is a good investment," Mrs. Forest Martin told her club members and those visiting her pantry. Mrs. Martin is demonstrator for the Peaceful Hill club.

"Don't know how we would have got ten along without our canned goods," said Mrs. Luther Denson, whose pantry was visited in Highway community.

The compiled reports of the 14 pantries show 5,463 quarts canned foods or an average of 390 quarts per family, 65 gallons molasses, dried vegetables, cured meats and lard bringing the valuation up to \$1,436.10 or an average of \$102.58. The pantries visited were those of Mrs. Floy Watson, Red Hill; Mrs. I. S. Clower, Duck Creek; Mrs. W. M. Hunter, Steel Hill; Mrs. E. W. Yeakley, Twin Wells; Mrs. F. B. Crockett, Espuela; Mrs. Val Smith, Soldier Mound; Mrs. John Gay, Dickens; Mrs. C. O. Middlebrook, Midway; Mrs. N. S. Morris, Prairie Chapel; Mrs. Louise Gilmore, McAdoo; Miss Bertha Cooper, Chandler; Mrs. Jim McArthur, Red Top; Mrs. Forest Martin, Peaceful Hill; and Mrs. Luther Denson, Highway.

CLARA PRATT, H. D. A.

DEMONSTRATOR IS HAPPY OVER WORK

"My work as farm food supply demonstrator has been the best year of my club work both in pleasure as well as profit," says Mrs. Forest Martin, who was farm food supply demonstrator for the Peaceful Hill home demonstration club this year.

"I have studied bulletins and outlines given me by the home demonstration agent and by applying their suggestions to the filling of my pantry I believe we will have completely balanced meals throughout the year."

"I find on my pantry shelves 193 quarts of vegetables, 90 quarts fruits and fruit juices, 20 quarts preserves and jellies, and 38 quarts pickles and relishes. That is 534 quarts valued at \$67.60 and we have all the meat to
