HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, pills, laxative pills, laxative candies or shaving gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The only mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores.

Refuse "something just as good" for it may grip, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M. Co.

CLUB NEWS

CLARA PRATT, Home Agent DEMONSTRATOR IMPROVES YARD APPEARANCE

"We have moved the fence to enlarge the yard, terraced the yard, set part of the shrubs for the foundation plantings and are ready to plant the grass roots for the lawn," says Mrs. Forest Martin, yard improvement demonstrator in the Peaceful Hill home demonstration club. "Already it looks so much better with the yard larger and terraced. We are using native shrubs and vines, with crepe myrtle and brides wreath to add color, following a planting drawn for me by the home demonstration agent. We are putting Chinese elms to the sides and back of the house to give a background and frame for the house. The whole family is working on the yard."

CLUB TO IMPROVE CLOSETS

Every girl in the Prairie Chapel Club has a clothes closet, a check-up in the club meeting Wednesday morning showed. Several of these closets need to be improved by having hanging rods, shelves, hat and shoe racks added in order to have storage space for all the clothes. To have a well-arranged clothes closet is one of the

goals in bedroom work this year.

Those present were: Faule Mae Johnson, Iva Lee Robertson, Gay Nell Cornett, Alma Hale, Lyndell Mae Glenn, Hazel Benham, Vera Livingstone, Merle Bennett, Fannie Lou McAlister, Eva Lee Nance, Willie Galoway, Adaline Byers, Opal Sharp, Merle Bennett, reporter.

DEMONSTRATOR TELLS HOW TO MAKE TILE

"We have 75 feet of tile made and they are making more this afternoon" Mrs. L. A. Grantham, tile demonstrator for the Red Hill home demonstration club reported to her club members Friday afternoon. "We have enough to lay a line in the garden now, but we shall finish the tile before laying any."

"We are making the tile from a mixture of four parts clean, sharp sand and one part cement with just enough water to make a 'dry mixture'. The tiles are molded in a form making tile 18 inches long, then immediately turned out on boards to cure. When cured the tile is ready to be laid in ditches twelve to fourteen inches deep so the tiles are well below the plow level. The tile may be put in the ground three or four days after it is made and allowed to cure there. Each line of tile will water about two feet on each side so that the lines are put four feet apart. Each line of tile has a feed pipe above the surface of the ground. The feed pipes may be connected with a central feed pipe or may be used separately."

DRY LAKE CLUB

The Educational Program at the home of Mrs. Draper, March 8, was very interesting.

Recent bills effecting extension service work by Miss Pratt's Agents Report for 1933 by Mrs. Parks.

Report of State Home Demonstration Association—Mrs. Draper. The Scholarship Fund—Mrs. Lealus Hutto.

There were nine members present, one new member, Mrs. Dodson.

Our next meeting will be March 22, with Mrs. Ola Miller. This will be an all-day meeting. All members are requested to be present and bring lunch. Foundation patterns will be fitted and sleeve patterns made.

HIGHWAY

Mr. and Mrs. Martin Parks returned the past week after a several weeks visit in Fort Worth and Dallas. Ernest Mullin of Swenson visited Jim and Bob Hahn and families Saturday. Mrs. Jeff Smith of Brownfield is visiting relatives here this week. Lem Rucker returned from Stephenville where he attended the funeral of his father last week. Nolan Smith has been quite ill the

past two weeks. Dr. M. H. Brannen of Spur was out in our community Sunday. Jim Foster was looking after his farming interest here Friday. Mrs. A. C. George had relatives from Girard visiting her the past week. Mary Rucker visited in the West End community over the week end. Lavada and Ira W. Hahn, Ellie, Mildred and J. H. Balch, attended the play at Steel Hill Wednesday night. Mrs. Annie Lee Thomas made a trip to Lubbock last Wednesday. Ted Mandy and family moved to the Dry Lake community recently. The farmers are quite busy since the fine rains of week before last. Some folks have planted gardens. Some painting is being done on the interior of the school building. Most everyone attended the ball

game at Spur Saturday. The epidemic of flu and measles in the community is about over. No new cases of measles have been reported the past week. The attendance at Sunday School was better than for several Sunday's. Next Sunday is preaching day. Everyone come, and be on time for Sunday School. Mrs. McBroom returned to her home at Brownfield after a few weeks stay here with friends and relatives. Quite a large crowd enjoyed the singing given at the home of Mr. and Mrs. Orville George Sunday night. Several of the Dry Lake folks attended the singing. Mrs. Parsons of Spur assisted in furnishing the music. Roy Hahn and family of Swenson visited relatives here Friday and Saturday.

CLEM BARTON MEDFORD PASSES LAST WEDNESDAY
 Clem Barton Medford, aged 65 years, one month and one day, died at the home of his nephew, Price Medford, in the McAdoo community last Wednesday. Funeral services were conducted at the McAdoo Methodist Church Wednesday with Rev. A. O. Hood, pastor, officiating, and assisted by Rev. Jno. Isbell, pastor of the Baptist Church. Interment was in McAdoo Cemetery. Mr. Medford was born in Atlanta, Ga., February 5, 1869, the son of a Methodist minister. He came to Texas with his parents at the age of five years, locating in Gonzales county. He was married while a young man to Miss Mary Paddock, two children being born to this union, a daughter, passing away last year, and a son,

Parker Medford, who lives at Lawton, Oklahoma. For the past eleven years, Mr. Medford has made his home with his nephew, the last four as a resident of the McAdoo community. He was converted and united with the Methodist Church at Moran in 1928, living a devoted Christian since that time. **LUBBOCK MEAT SHOW, TO BE HELD MARCH, 28, 29, 30.** March 28, 29, and 30 are dates for the 4th annual Quality Meat Show here. Entries expected include: 175 calves, 125 pigs, 75 capons to be entered by vocational students, and 4-H club members; 300 hams and bacons and 1000 canned meat exhibits to be entered by adults.

THE CHURCH OF CHRIST
 Services on Sunday, March 18. Bible Study 10:00 a. m. Preaching and worship 11:00 a. m. Subject, "Measuring the Church by Me." Preaching, 7:45, p. m. Subject, "Marriage and Divorce." According to statistics one marriage out of six in the United States ends in the divorce courts of the country. To people who are interested in the welfare of the home this is alarming. In the sermon next Sunday night the teaching of the Bible will be presented on this subject. Some of the questions studied will be: "Why are there so many divorces?" "On what grounds does the Bible permit divorce and remarriage?" Albert Smith, Minister.

The Spur High School was entertained Monday 11, in chapel by the Choral Club of East Ward. They gave us some mighty good numbers that were greatly enjoyed.
 Then Mr. Hall gave us a short talk in regard to our school library, following this the "Smiling Four" gave

us a few good numbers, and then, but not least the girls and mixed quartets of the High School gave a number. We all enjoy good programs and are looking forward to having more and better ones.

Lanier Gilbert: "How much did you say dem apples is?"
 Waiter: "Fifteen cents a peck."
 Lanier: "What do you think I am, a bird?"

Mr. Neilson, a good adviser: "It's all right to start at the bottom except when learning to swim."

Richard Ensey entering the store in a great hurry, told the clerk: "I want a mouse trap and please be quick about it. I want to catch a train."
 Clerk eyed Richard calmly and said: "I regret sir, but my mouse traps are not guaranteed to catch trains."

Coach Murley: "Name some liquid that won't freeze."
 Norma Priest: "Hot water."

Vernon Morgan: "Why do you nickname your girl appendix?"
 Frank Turner: "Because it costs so much to take her out."

Miss McNeill: "All right, Henry, go stand outside the door."
 Henry Scoggins: "May I take my chair?"

Mr. Hall: "Johnny, what is the most common impediment in the speech of American people?"
 Johnny Nichols: "Chewing gum."

Winifred Bell: "I wonder if you'll love men when my hair has turned to grey."
 John Laney: "Why not? I've loved you every time you've changed your color so far."

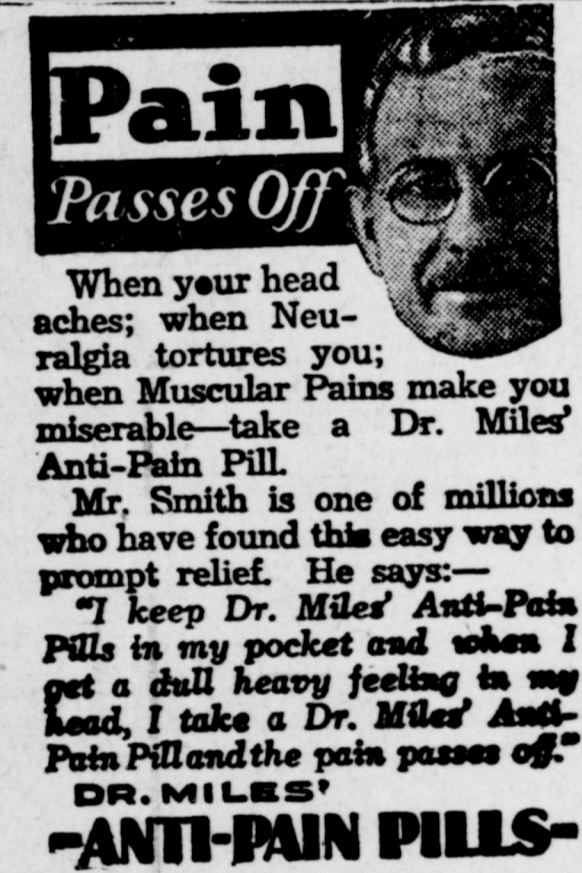

Mrs. Foster: "I hope you didn't take a second piece of cake at the party."
 W. P.: "No, Ma, I took two pieces the first time."

Neville: "Did you have your hair cut?"
 Harry: "No, I washed it and it shrank."

Valet: "Sir, your car is at the door."
 Sir: "Yes, I hear it knocking."
 Even his friends wouldn't tell him, so he flunked the exam.

Denny: "I call my girl Grapefruit."
 Max: "Why?"
 Denny: "Cause every time I squeeze her she hits me in the eye."

McADOO

Charlie Barker, who has been in the Lubbock sanitarium is able to be at home now and will probably be able to be back in the store within the next few days.

Mrs. J. T. Parker and Benard, visited Mrs. Parker's parents, Mr. and Mrs. Franks at Paducah, last week end.

Mr. and Mrs. Ivey Brown were pining in Spur Tuesday.
 Mr. and Mrs. George Potts have recently purchased the drug store at McAdoo and are now in charge of the store.

Dudley Wooten, a student of Texas Tech, spent the week end at home with his parents, Mr. and Mrs. R. R. Wooten.

J. D. Herring and family moved to Flag last Saturday, where they will farm this year.

Dan Embry was transacting business in Spur Friday.

Mr. and Mrs. Gene Bass and family of Lubbock visited Mrs. Bass' parents, Mr. and Mrs. H. P. Edwards and their son, Bradford Bass, and family during the week end.

Earl Van Meter was seeing about business matters in Lubbock Monday.

A. W. VanLeer, a senior of Spur High School, was at home with his parents, Mr. and Mrs. A. W. Van Lee, over the week end.

Lucille Ayfill was carried to the Lubbock sanitarium for a tonsil operation some few days ago.

Lonnie Phifer and Miss Bernice Finch were married March 3. The many friends of this young couple wish their married life through-out their married life.

Mr. J. T. Parker and Benard were in Roaring Springs Sunday to eat Mr. Parker's brother of Paducah, who is visiting in their home this week.

Mrs. C. Gallihar is visiting in California.

Leatrice Sparkman who is working in Littlefield, was at home with her mother this week end.

A. W. McDonald and Robert, were in Spur Saturday to attend the tennis, playground ball contests.

Mr. and Mrs. Page Gallihar moved to Washington last week. We regret very much to have these people move from our community. Mrs. Gallihar has always been a leader and worker in our church and will be missed very much.

Robert Butler was trading in Spur Wednesday of last week.

Mrs. D. Woods was taken to the sanitarium at Spur some few days ago.

Miss Beckett took the girl debaters to Ralls Friday for a practice debate. This makes the second time that our girls have had practice with this team and they are very glad of having had this privilege.

The ladies of the home demonstration club entertained their husbands with "42" at their last meeting.

The club met at Mrs. Frank Carter's all those present reported a good time.

Rev. Hood brought us two good sermons Sunday. We had good attendance for Sunday School and church.

The wheat is beginning to look fine since the rain that came some few days ago.

BAPTIST CHURCH

Those present last Wednesday evening report one of the best services we have had. It is regrettable more of our members were not present to receive the very helpful message that was brought by Dr. Ewton. The mid-week prayer service is one that will be beneficial to each of us.

Do not forget the B. T. S. study course which is to be held the last week in this month. Make your plans now to attend. It will be a week well spent, though you are not a member.

Who is our Creator? The answer given in Senior B. T. S. Sunday evening, March 18, 1934, 6:45 o'clock, First Baptist Church, Spur, Texas.

MODERN ELECTRIC Ranges and Water Heaters

Here is Good News for all who said, "I'll Cook Electrically when it is Faster and Cheaper."

Progress has been made in Electric Ranges and the new type brings into the home more than just a new "cook stove." It introduces new economy, new cleanliness, new hours of freedom to women... because modern electric cookery is fast.

And before you buy any water heating equipment, see our new low-priced Automatic Electric Water Heater.

The Electric Water Heater operates on a special low rate schedule and gives you dependable, economical service without the disadvantage of flame, noise, fumes, soot or odor. Don't judge modern water heaters by the old-fashioned standards... for progress has been made in water heaters, just as in electric cookery. Investigate the cost of cooking and heating water electrically. You may be surprised at the low rate schedule for these appliances.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and operating costs amount to but a few pennies a week?

West Texas Utilities Company

FACTS AND ACCOMPLISHMENTS OF COUNTY SUPERINTENDENT'S OFFICE

(Continued from Last Week)

2. Standardization of seventh grade work in the County is well under way. A county-wide examination has been given to the seventh grade pupils for the past three years, and a county-wide seventh grade Rally Day is held each year. This year a detailed course of study has been adopted and the work well organized. Classed have been grouped so as to permit longer periods for recitation or supervision. Daily programs have been prepared and used by the teachers, not only in the seventh grade but in the other grades as well. Thus seventh grade work has been made more efficient and higher standards attained.

Grades made by rural school pupils is kept in the County Superintendent's office.

13. In attempting to raise the standard of work done in the schools of the county scientific tests have been given, for diagnostic purposes, and to some extent for the purpose of de-

termining the promotion of the pupils. These tests are said to be 98% correct.

14. Agriculture is being taught in the elementary grades, and the schools have been put on the A. and M. mailing list, so that they may receive agricultural literature regularly.

15. The percentage of attendance certificates have been given each year, and trustees, teachers, and at times, the county superintendent have made personal calls, attempting to bring into school, pupils who were not attending.

16. Physical condition of the school has been improved until every one, two and three teacher school in the county will be standardized this year, except one school which will be unable to run eight months. Most of the schools are Gr. A. Until the 1932-33 term no school in Dickens County had ever been standardized. No little school should continue to exist unless it will standardize. Many communities have worked unceasingly on their schools, first trying to standardize them, and then trying to raise the grade.

17. The County Superintendent has been the means of securing educational speakers of note within the county and beyond its boundaries. This has done much to inspire teachers, trustees, and patrons to do better work. Without the inspiration of these speakers, much of the progress this county has made in an educational way would never have materialized.

18. Perhaps one of the most progressive steps of all lines in the new ideas gathered from all parts of the state by attendance of all County Superintendent's meetings, and in fact all major educational conventions that have been held in Texas during this period. This attendance has been done entirely at her own expense. In no other way could the schools have kept abreast of the times as they have. The attendance at these meetings has brought our county in very close touch with members of the State Department of Education, resulting in many benefits to us (and has given us a place among the most progressive counties of the State.

19. The teachers, trustees and people interested in schools have met together monthly in the Dickens County Educational Association. This organization has been active in aiding school legislation, ideas have been exchanged, and many problems worked out. Educational lectures given by local and dstate authorities have proven invaluable. This association also brings the teachers, trustees and parents into closer and more sympathetic contact.

20. Parent Teacher Associations have been organized during this period in all except two or three communities. These organizations are either doing or have done much to improve the educational situation in their respective schools. No greater school Auxiliary exists than an acting Parent Teacher Association.

21. A county Parent Teacher Association Council has been organized.

22. A County Health Association has been organized which interests itself in all county health problems.

23. This year we are making an effort to begin scout work. Mr. Jennings, District Scout Executive, from Lubbock, will begin here in the County February 6 to discuss scout work.

24. The County Superintendent as Junior Red Cross Chairman has encouraged membership in this organization, and most of the elementary rooms of the County are members.

25. Through the Senior Red Cross and other sources, much clothing has been contributed to school children who need it.

26. The schools are doing more and better Interscholastic League work in Dickens County than has ever

been done before. As an example, 3 years ago only one one-act play was presented and last year, there were 10. Many new activities have been added, thus broadening the educational activities of these children.

27. Working together in common causes has almost entirely eliminated local prejudice and community antagonisms.

28. Realizing that reading is hte most important subject in the curriculum, emphasis has been put on the teaching of it above all other work. This has resulted in a decided improvement both in the methods used and in the standard of reading.

29. Reading tables have been built at which children are allowed to read as a reward for special activity thus encouraging more reading and better school work.

ROAD BONDS CARRY BY OVERWHELMING MAJORITY

The special road bond election which was held in road districts 2 and 7 (Highway 18) of Kent County, Monday, March 5, to determine whether or not bonds to provide funds for the purchase of the right-of-way and pay for the fencing of same through Kent county would be issued, favored the bond issues by overwhelming majorities. In the Jayton box the vote was 168 to 10 and in Girard the vote was 74 to 26. The special road tax which was levied by a special election a short time ago, was repealed by similar majorities.—Jayton Chronicle.

METHODIST CHURCH NOTES

Rev. E. L. Yeates, Rev. Laney, Mack Brown, Henry Alexander and Mesdames Yeates and Snyder attended the

District Conference at Haskell during the first part of the week.

Our Male Quartet sang in the Rotan Methodist church for their former, pastor, Rev. W. B. Vaughan. At the same time, a crowd of Merkel people visited their former pastor at Spur church. Among them were: Superintendent of Sunday School, Herbert Patterson; the Choir leader, Cyrus Pee; and the lay leader, S. M. Hunter, and their families.

Our church people were grieved to learn of the death of Dr. J. W. Hunt, President of McMurry College at Abilene on Monday afternoon.

BOX SUPPER

The 20th Century Club gave an old-time box supper Tuesday evening at 7:30 in the home of Mr. and Mrs. J. P. Carson. After the crowd gathered the boxes were auctioned off to the highest bidder, the auctioneer was R. E. Dickson who did his job well and sold 20 boxes—the holders of the boxes found their partner by their given names. All were seated at the tables and hot rolls and coffee were passed to help complete the delicious food that was in their boxes. After eating all was possible the tables were

GENERAL CONTRACT AWARDED FOR FORD EXPOSITION BLDG.

The general contract for erection of the Ford Exposition building at the Chicago World's Fair has been awarded to W. E. O'Neil Construction Company of Chicago, it was announced today by Mr. C. B. Ostrander, manager of the Dallas branch of the Ford Motor Company.

Construction work, which has already begun, is to be completed before June 1. Fourteen hundred tons of steel will be used in the building, which will be 900 feet long and rise to 110 feet at its highest point in a huge central rotunda.

Specifications call for 700,000 square feet of fire-resistant wall board, 1,600,000 feet of lumber, 5,000 yards of concrete and 160,000 square feet of the flooring. The entire space reserved for industrial exhibits will be skylighted.

Large quantities of chromium metal work will be used in both the interior and exterior embellishment, in line with the conservative modernist motif of the architecture. Fifteen bids were received. The three lowest were so close that two days were spent in conference between Ford officials and bidders before the award was finally made in the offices of Albert Kahn, Detroit architect.

W. E. O'Neil, president, and C. F. Trimarco, chief estimator, represented the successful company.

The Ford building, which is to be one of the largest at the 1934 Century of Progress will be situated on an 11-acre tract with a frontage of 1100 feet on Lake Michigan. A five-acre park on the lake shore is a part of the general project, though this was not included in today's contract.

Bryant-Link Company Opens New Store At Paducah, Texas

The Bryant-Link Company opened a new store last week, adding Paducah to the list of West Texas towns served by this pioneer institution which has its headquarters in Stamford.

Galen H. McKinney, vice-president of the company, said the new branch at Paducah consists of a modern dry goods store, with handsome fixtures and an attractive layout, and a large implement store.

Edgar Johnson, formerly manager of the store at Jayton, is manager of the new establishment. The formal opening was held last Friday and Saturday.

The Bryant-Link Company which is now operating ten stores, will celebrate its fiftieth anniversary this year.—Stamford-American.

Tennis Events To Be Completed Friday

Dickens won the boys doubles in Tennis last Saturday in the first events of the County Meet. Dumont won second. The boys singles in tennis

will be completed next Friday. Spur and Dumont will play for the girls singles championship and there are three entries in the girls doubles yet to be played.

Red Hill boys won the rural school playground championship. Dumont won the rural school girls playground ball. McAdoe was the winner of the grammar school girls playground ball and Dickens won the high school junior boys playground ball championship with Spur Junior girls winning their event.

The complete program for the meet outside of tennis finals will be found in another column.
