WHOLE NUMBER 455.

## Announces For State Legislature

### BEN F. SMITH ASKS FOR STATE OFFICE OF REPRESENTATIVE

To the Voters of the 118th Representative District:

In announcing my candidacy to the office of representative of the 118th Representative District, I wish to say that I have lived in West Texas for more than 30 years, and have been actively engaged in newspaper work as published prior to 1928. I am personally acquainted with many people throughout the district, especially those who have lived in this section for the past number of years.

In seeking this office I feel that I know West Texas and West Texas problems and that if elected I can do some real constructive work for West Texas. I am for West Texas first and for the state at large, and shall work for the best interests of both. There are many important issues before Texas people at this time, chief among which is that of taxation, educational, prohibition, criminal reform, etc. I have some well matured views on these issues, and will strive to find a beneficial solution for same. In the matter of taxation I am convinced that the burden must be raised from the masses of the people, and a more equal distribution of the tax burden. The tax burden must be lifted from the home, the farm and the ranch, or else people will eventually lose their property. The tax burden has become so grievous that it can no longer be borne by what statistics show, 20 per cent of the people. The wealthy escape all manner of taxation through investment in tax exempt government securities. Any plan adopted must relieve the burden at home, split three ways, to the State, the county and school.

Educational problems in Texas are important and there is greater need for beneficial legislation than at any time in the history of Texas. I am for all the schools, from the small school by the wayside, the common schools as a whole, the city school and the higher institutions of learning. I have no patience with those who would array one class against the other. I am opposed to tearing down the educational organization in Texas, or undermining what the educational leaders have been a half century perfecting. I stand for all the revenue that can be wisely raised for the schools and every beneficial law that can be suggested.

In the matter of prohibition, there will come before the next session of the legislature an effort to repeal our constitutional prohibition in Texas. I shall oppose any amendment unless it carries a provision to bar the return of the open saloon in the state, and if we are to have whisky back in Texas, I want the law patterned after the Canadian regime, and intoxicating liquors sold in sealed packages.

In the matter of criminal reform, I have always thought that when a person was sentenced to a term in the penitentiary, and his contact with society was ended, he should have his citizenship automatically restored. To accomplish this end, our constitution will have to be amended. I expect to endeavor to bring about this change. Also I am in favor of taking all pardon powers from the governor and placing it in the hands of the Board of Pardons and Paroles.

I wish to affirm my faith in the present National Administration and especially in his farm program, which last year alone saved the Southern cotton farmer more than three hundred million dollars. It was 3 cent cotton versus 12-cent cotton program and through this year's almost 100 per cent co-operation of farmers we have now almost if not a certain guarantee that we will sell this year's crop for at least 15 cents.

If chosen your Representative, I propose to come back into each county and hold meetings with the people to determine their problems that I may be able to formulate a program looking to their county problems.

Space will not permit a further discussion of public issues at length. I plan to make a thorough canvass of the district before the primaries and endeavor to contact the voters personally before primary election day.

With this brief statements of my views on what I consider important public matters, I beg to submit to you my candidacy, and promise you that if you send me to Austin, I will endeavor to be a constructive force for West Texas in particular and Texas as a whole.

Respectfully submitted,  
Ben F. Smith.

**Baptists' Planning Church Revival**

April 29th is the date set by the local Baptists to begin a church revival that will continue for eight days. Pastor M. F. Ewton will lead the preaching and Mr. M. D. Ivey will have charge of the music.

The purpose of this meeting is to stimulate interest among the church members and bring them to a closer relation to the church and to God; to increase our knowledge concerning the Lord's teaching of great Bible truths. Our great need and immediate concern is a revived church membership and to this end we are working.

A most urgent invitation is extended to all Christians to come and worship with us.

## Mrs. Walter L. Powell Passes Away

Mrs. Aurora Archer Powell, wife of the late Judge Walter Powell, died at her home in Highway community about six o'clock Monday afternoon. About ten days ago she was taken ill and developed double broncho pneumonia, which proved fatal. Funeral services were held at the First Christian Church in Spur Tuesday afternoon. Rev. Brown, the pastor, assisted by Rev. E. L. Yeates, pastor of the First Methodist Church, read the funeral rites. Interment was in Spur cemetery. Webber Williams acting as funeral director.

Mrs. Powell, daughter of Mr. and Mrs. J. C. Archer, was born near Granberry, January 11, 1878. She grew to womanhood there and graduated from high school and then entered college. She became a teacher at the age of 16 years and followed it as her chosen profession for 15 years, even teaching with her husband after their marriage.

On New Year's day, 1904, she was married to Walter L. Powell at Itasca. Two children, Archer L. and Elizabeth came into the home. Archer was associated with business firms in Spur where he rendered efficient service to his employees until he went home to assist his mother with the farm.

Mr. and Mrs. Powell moved to Spur in 1921, and Mr. Powell served as head of the Spur schools and later was elected County Judge. They purchased a farm in Highway community and have made it their home, living a progressive farm life. Mr. Powell died November 30, 1929.

Mrs. Powell made a profession of the Christian religion and became affiliated with the Methodist Episcopal Church when she was ten years of age. She lived a devoted member in that church until 1930, when she went with her two children to the First Christian Church in Spur.

She is survived by her two children, her mother, Mrs. J. C. Archer, of Granberry; two sisters, Mrs. M. D. Bird and Mrs. G. C. Glenn of Granberry; three brothers, J. D. Archer, J. A. Archer and C. E. Archer all of Granberry; a sister-in-law, Mrs. J. D. Huffstetter and a brother-in-law, J. Vernon Powell, both of Highway, and others, and a great number of friends.

Little Mack Brown will be ring bearer and carry a satin pillow encircled with hand-made rosebuds.

**SHORTHAND CLASSES**

I have time to take care of a few more students in shorthand. Can arrange time suitable for your convenience. Rates reasonable. Why not better prepare yourself for that position which you now hold or are seeking? See me for terms at Crouch Milling Company. Mrs. R. T. Brandenburg. (Formerly Velda Crouch)

M. N. Powell, of Dickens, was attending to business matters in our city Tuesday and while here paid the Times office a pleasant visit.

## To The Voters Of Dickens County

The first of the year I placed in both papers, the Spur and the Dickens County Times, a short announcement that I would be a candidate for the office of County Attorney and telling the people that I would make a full announcement, setting out the things that I stand for.

I am a lifelong Democrat having affiliated with the Democratic party since I became old enough to reason for myself. I have never at any time voted any other ticket, and have always been loyal to the Democratic party and the principals for which it stands.

As stated in my former announcement, I have been practicing law in the State of Texas since 1929, I have had sufficient experience to qualify me for the office of County Attorney of Dickens County, and ask for your support at the polls on the 28th day of July.

I am in favor of strict law enforcement. So long as a law remains on our Statute books, it must be respected by the people and enforced by our officers who have pledged themselves to the task of enforcement. As your County Attorney, I will use all the powers I possess to co-operate with all officers who are charged with the law enforcement, not only those directly under my jurisdiction, but will at all times assist the District officers as well.

I do not believe it unnecessary expense. The man you elect as your County Attorney should possess a knowledge of the law sufficient to enable him to form an opinion as to the validity of the case presented, and should have the moral courage to say no if the case as presented is not worthy of prosecution. This would save the County unnecessary expense. The County Attorney should also be courageous enough to prosecute without fear or favor. That is my only pledge to the voters; that I will at all times without fear or favor prosecute all cases coming into the courts under my jurisdiction.

I am asking for the support of the people of Dickens County because I feel that I can efficiently serve you if I am elected. I will do everything in my power to make you a good and efficient officer, and will at all times be found on the job. I will be glad to meet you and discuss with you all your legal problems that are in any way connected with the office of County Attorney. I will say further that I have no promises to make other than the honest discharge of the duties I am asking you to place upon me. Upon the foregoing statements, I earnestly solicit your support, and assure you that no one will appreciate more than myself and everything done and all support given me on the 28th day of July, A. D., 1934.

Respectfully, V. J. Campbell,  
Spur, Texas.

## H. E. Class To Sponsor Show

The Home Economics Class of the Spur High School are sponsoring a very fine picture at the Palace Theatre tonight (Thursday). The title of this picture is "One Man's Journey" and is pronounced by those who know it as being a very fine program.

In addition to the picture above named and the serial, "Tarzan the Fearless," the Home Economics girls will give a style show exhibiting the dresses which they have made in their work during the year. This will be a great feature and will be worth any large persons time to see.

The Palace is co-operating with the Home Economics class in this program and the proceeds are to go to the benefit of the class. They extend an invitation to be present tonight at the Palace. Tickets are now on sale by members of the class.

**PREACHING ON STREETS HERE THIS WEEK**

Rev. E. E. Williams, of Haskell, has been preaching on the streets each day this week. He announces that he will continue the services each day the remainder of the week starting at 2:00 o'clock in the afternoon. He has had 23 years experience in the work of the ministry and brings good messages.

**OFF TO CAPTURE THE FINNEY TRIBE**

Tuesday, the invincible triumvirate in fishing arts left for Old Mexico, where they will throw their lines in Lake Don Martin. This lake is noted for its great abundance of fish and Dr. B. F. Hale, E. M. Wilson and Henry Alexander just could not resist the beautiful warm days any longer. Just how long they will be away is not known, but the enjoyment they hope to secure will be hard to excel. They will tell of the success when they return.

**BEER ELECTION CALLED IN PRECINCT NO. 2**

A petition has been presented to the Commissioners' Court and an election has been ordered in Precinct No. 2 to legalize the sale of 3.2 beer for Saturday, April 21. The voting boxes in this precinct are Afton, Prairie Chapel and Dumont. A majority vote is required to legalize the sale of 3.2 beer and all vineous liquors.

## To The Public

The Spur Mutual Life Insurance Association has been operating in this locality for over 12 years. It has been the policy of this organization and its Board of Directors not to associate themselves with any other insurance organization. It is our desire that the public understand that even at the present time we are not connected with any other insurance organization operating in this locality. We refer here in particular to a form of operation insurance now being offered in this and some other counties.

It is further our desire to inform you that Fred C. Hale, now candidate for Congress from the 19th Congressional District of Texas, will retain his position as Secretary-Treasurer of the Spur Mutual Life Insurance Association whether he is elected or not.

Spur Mutual has stood the acid test and has not been found wanting. We are rendering "Service When Service Is Needed."

**SPUR MUTUAL LIFE INSURANCE ASSOCIATION**  
"Back of Your Home Stands Spur Mutual."

**EYE-SIGHTSPECIALIST IS COMING AGAIN**

The Southwest's most popular optical specialists, Dr. Fred R. Baker, will be at the Hotel Wilson Wednesday p. m. only, April 18th. He has been supplying expert eye-sight service for local citizens for over ten years. Fifty local references furnished upon request. He has the latest electric testing equipment that guarantees accurate fitting of glasses, and he has all of the new styles in spectacles at moderate cost. Free examination. 1tc.

**Two New Members Added School Board**

In the election for school trustees for Spur Independent School District a very high vote was cast. Two new members of the Board were elected to fill the vacancies of L. E. Lee, President of the Board and Dr. P. C. Nichols, both men refusing to be considered for another term.

Seven persons were drafted to have their names placed on the ticket and the vote was as follows:  
Dr. M. H. Brannen 212; M. D. Ivey, 191; John A. Moore 113; B. C. Johnson 25; Jack Rector, W. R. King and E. M. Wilson, each received 30 votes. About 350 votes were cast in the election.

**BABY DROWNS IN TANK**

The 17-month-old baby of Mr. and Mrs. L. H. Williams, of McAdoo, was drowned in a tank about two o'clock Friday afternoon. Mr. McWilliams was busy working on his car shed and a number of ladies had joined Mrs. McWilliams at her home in quilting during the afternoon. Unobserved, the baby went to the lot and probably was trying to look into the tank and tumbled in. The cold water strangled it and life was gone before anyone saw it. Dr. Hughes, of Roaring Springs, was called and everything was done to create breathing, but it was too late.

Funeral services were held Saturday at the Methodist Church at McAdoo. Interment followed in McAdoo cemetery.

**Stock Law Extends To Highway Sites**

Probably some good people do not know that the county stock law of Dickens County extends over the right-of-ways for all state highways as well as other roads in the county. Some stock have been grazing along the highway north of Spur which creates a hazard to the many little trees and shrubs which have been planted by the State Highway Department the past few months. When these trees grow up they will add beauty both to the highways and the farms along which they are growing. The farm owners will be far more proud of these trees later on if they are not destroyed, than any one in the country. It seems like a pity to carelessly let them be destroyed.

There is a state law which fixes a rather costly penalty for grazing stock along state highways. Well, we just don't want to see any of the good people get into trouble. People of Dickens County do not want to violate any law, and they won't if they know it.

**TYPEWRITER MAN HERE THIS WEEK WORKING**

Our Mr. DePriest will be in Spur country the remainder of this week to repair your typewriters, adding machines and cash registers. If you are having trouble now call the Times Office, phone 30 and he will see you at once.

Monday and Tuesday, Mr. DuPriest will make Girard, Jayton and Clairmont and take care of the repair work there. He will have a supply of good ribbons and other supplies along with him. Satisfaction to all who entrust work to him. He has been making the territory for years and does the work for the big companies and banks.

If you need a new typewriter, see the Dickens County Times representative.

## Work of CWA Health Nurse

The C. W. A. County Health Nurse, Miss Evelyn Richter, came to the County December 27. From January 1 to April 1st the following work was completed:

1260 school children and kindergarten children were inspected in 19 schools, and 1 kindergarten. In this number there were 639 defective visions, 834 enlarged tonsils, 1048 decayed teeth, 60 were immunized against diphtheria, 125 immunized against typhoid and 133 immunized against smallpox. 253 children were 100 per cent or more underweight, and 9 were twenty pounds or more overweight.

Tonsilectomies were performed on three children. 8 group talks were made with 323 in attendance, and there were 75 individual conferences. 260 diphtheria toxoids were completed. Applications were sent in on three cripples. 84 home visits were made.

## Excellent Week End Programs at Palace

Manager Everts of the Palace Theatre announces some extraordinary programs for the week end starting with tonight's program which is sponsored by the Home Economics Class of Spur High School. The title is "One Man's Journey" and the cast is headed by Lionel Barrymore.

A big stage and screen show has been arranged for Friday night. A "Dancing Lady" with Frederic March, Miriam Hopkins, Gary Cooper and Edward Everett Horton. A story of a woman who loved two men... completely... simultaneously... and admitted it!

"Dancing Lady" which reunites Joan Crawford and Clark Gable is the picture selected for Monday and Tuesday. Everts personally recommends this picture as being in the same class with "42nd Street", "Goldiggers" and even "Broadway Melody."

Through cameracraft and mechanical ingenuity the motion picture screen becomes a gigantic kaleidoscope in the presenting of spectacular musical ensembles in "Dancing Lady."

In one of the scenes each of the chorus beauties, revolving through a maze of mirrors, can be seen thirty at once, the effect created being an endless parade of pulchritude. In other scenes complete changes of costume and setting are witnessed, as though by magic, right before the very eyes of the spectator. Still other scenes whirl upon the screen in a dozen different angles simultaneously.

**A Striking Scene**

The most thrilling scene of all, perhaps, is in the finale in which Miss Crawford dances through an impressionistic number of modern tempo. In this some eight thousand dancing figures—if you could possibly count them—appear upon the screen.

Although cameracraft secrets are carefully guarded, it is declared that while these scenes are actually photographed by the camera as they appear on the screen, the trickery lies in optical illusions scientifically computed by a corps of engineers. Six hundred mirror units and nineteen tons of fabricated steel were used in the shooting of one of the gorgeous dance ensembles, it is said.

**RUCKER'S SHOE SHOP INSTALLS NEW MACHINERY**

Rucker's Shoe Shop has installed a new cement machine which is used for fastening soles on ladies shoes. No tacks or seams are needed, and a pair of soles can be put on in a very few minutes. About 25 pairs of shoes per day can be mended on this new machine and it leaves the shoes with soles just like they came from the factory. Mr. Rucker invites you to try some work on this new machine.

**BOLE ROT**

Is causing thousands of dollars of damage to the cotton crop in this section. This loss can be avoided at a small cost. The disease affects the stalk and leaf causing it to shed. Also, affects the bole causing hard locks and red spots in the lint lowering the grade 20 to 30 points.

We will keep an ample supply of treatment on hand and will be prepared to work with you to get rid of this disease.

**SPUR GIN.**

J. B. Karr was attending to business matters in our city Saturday and while here was a pleasant caller at the Times Office.

W. T. Lovell, Wichita community was transacting business in our city Wednesday. He stated he did not know just what political office he might run for this year, but would take the matter under advisement, and if any of his friends felt they needed him in any office that he would appreciate their saying so.

W. M. Bumpus of the Spur Coffee Shop is in Dallas this week looking after business matters.

## Rotarians - C. of C. Have Joint Meeting

Thursday evening of last week was gala day with the Rotarians and the members of the Chamber of Commerce in Spur. During the Fat Calf Show at Lubbock the local Rotary Club bought the prize calf of Dickens County in the show, and this calf was the beginning of a big barbecue for the two organizations on the above named day.

About 80 persons were present and enjoyed the barbecue. After the barbecue the Rotary Club was called into session in the large warehouse of Bryant-Link Company where the formal business was attended to. President Roy Stovall, who also is president of the Chamber of Commerce, sidetracked the Rotary Club business and took up Chamber of Commerce work.

The first business was auctioning off some of the special cuts of beef left over of the prize calf. Different ones bought until the thirty cuts were sold, some of it selling for as much as \$1.75 per pound.

The President called for the election of officers. A committee on nominations consisting of Dr. M. H. Jennings, W. M. Bumpus and Dick Spear made a report as follows: Dr. M. H. Brannen, V. V. Parr, L. C. Parker, B. C. Johnson, J. C. McNeill, Jr. M. L. Rickles and Henry Alexander. The report of the committee was accepted unanimously.

The Secretary was asked to make a report on the condition of the organization which was done, showing that the Spur Chamber of Commerce is in fine working order. The past two or three years the Spur Chamber of Commerce has been instrumental in bringing in several thousand dollars that was used to help the unemployed in the county.

The various committee are being arranged by the officers and directors and will be announced in the very near future.

## School Bond Resumption Carried 6 to 1

Another issue called Saturday relative to Spur Schools was the vote on the resumption of the school bonds. This vote carried about 6 to 1 in favor.

By their vote Saturday the taxpayers of Spur District authorize the School Board to get all the outstanding bonds against Spur schools in a legal condition and gives us the privilege of paying off one or more bonds every year and stop that much interest.

## To Start Meeting At Roaring Springs

A series of revival services will begin at the Church of Christ in Roaring Springs Wednesday night of next week. Guy N. Woods, minister of the Church of Christ at Post will be doing preaching. Music will be in charge of local people.

These services were announced to have begun March 25, but inclement weather at that time prevented the services beginning.

The church extends an invitation to everybody to attend these services and assist all they can toward making them a success.

## Golfers to Start Eligibility Contest Sunday

Members of the Spur Golf Club will start an eligibility tournament on the local course next Sunday. Matches are posted at the Spur Coffee Shop and Simpson's Barber Shop. All players are asked to see who they are matched with and to start playing at once.

The losing members are to finance a barbecue for the winning members. All members failing to play will be counted losers.

Members must have their dues paid in order to be eligible for this tournament. Dues may be paid to the President, H. P. Gibson; to the Secretary, James B. Reed, or to Bill Simpson and W. M. Bumpus.

## Young Democrats To Meet Monday

A call meeting of the Young Democrats of Dickens County has been made for Monday night. The meeting is to be held in the American Legion Hall on the third floor of the Campbell building and will begin about 8:00 o'clock. Important business is to be transacted and every member is urged to be present.

Mr. and Mrs. J. W. Hilton, of Prairie Chapel, were doing some trading in our city Wednesday.

A. M. Lay, McAdoo merchant, was transacting business in our city Tuesday.

**Ready Reception  
Beign Given To  
Mortgage Corp.**

James B. Reed, Secretary-Treasurer of the Dickens County National Farm Loan Association of Spur, recently received word from the Governor of the Farm Credit Administration, Wm. L. Myers, telling him of the ready reception which farmers and their creditors are giving to the bonds of the Federal Farm Mortgage Corporation which are now being tendered by the Federal Land Bank of Houston, in place of cash in settlement of farmers' debts.

"These bonds have been selling in the large markets at a little above par, indicating a ready market for them. Just a week after the banks began using bonds instead of cash, the first bonds to be sold on the New York market were purchased at 100-3/4. We anticipated these bonds which bear 3-1/4 per cent interest per annum would sell at par or above at the time we set the interest rate, for Government bonds maturing in 1941, bearing the same rate were selling above par."

Mr. Myers pointed out that these bonds were not only exempt from local, State and Federal taxation with the exception of surtaxes, inheritance and gift taxes, but that they are as readily salable as Government securities. He said they are being quoted in the metropolitan papers but if such quotations are not available readily to farmers that they will be given the quotation if they will write to the Federal land bank of their district.

**CARD of THANKS**

We take this means to express our thanks to our neighbors and neighbors for their assistance and their comforting words during our great sorrow caused by the death of our baby Friday. It was a great shock to us, and your consolation was worth so much to us. We thank everybody for everything done and every kind word spoken.

**Library Conference  
In Lubbock Next Week**

A District Library Conference will be held in Lubbock Tuesday of next week, sponsored by the Lubbock County Library. Headquarters will be at the Lubbock Hotel where registration will begin at nine o'clock in the morning.

Hon. E. L. Pitts, County Judge of Lubbock County, will give the welcome address. Library relationships will be discussed by Miss Lucia P. Powell, President of the Texas Library Association. Other subjects outlined on the program are as follows:

100-00—"Building Library Service and Sentiment in Small Towns," discussed by Mrs. O. B. Jackson, Chairman of the Library Association at Plainview.

1:30—"Books in Texas Rural Schools," by Mrs. Madge D. Twaddell, County Superintendent of Dickens County.

2:00—"County Libraries in Texas," by Mrs. Ruth E. Delzell, Librarian of Potter County Free Library, Amarillo.

2:30—Discussion: "Is The County Library the Answer to Many of Our Library Problems?"

The editor's high boss is in Mineral Wells this week taking a much needed rest, and whatever mistakes that may happen in the paper, we hope our readers will be patient about them. It is a big job to publish a paper when everybody is on duty.

C. D. Bird, one of the good stockmen and bankers of Motley County, was looking after business matters here Tuesday. He owns valuable holdings near Spur.

Miss Bertha Young, who has been attending business college at Lubbock, has been here the past few days visiting her parents. She plans to return to Lubbock this week and finish her work. She will receive her diploma in business training soon, and says she will appreciate any one who may have office work to do to give her an opportunity for a position.

Misses Sibyl Clay and Lynn McGaughy were guests of friends in Crosbyton the past week end.

Mr. and Mrs. W. C. Messer, of Esquelea, were greeting friends and trading in our city Saturday. Mrs. Messer paid the Times office a visit.

George Gabriel and Dick Speer, two of our merchants, went to Dallas Sunday to buy new merchandise for their stores.

O. C. Arthur, Civil Works Administrator, is in Austin this week getting work projects lined up for the county.

M. C. Golding of B. Schwarz & Son left Sunday for Dallas to buy a big line of merchandise for his store here.

Mrs. Dick Speer, is in Mineral Wells this week taking a much needed rest. She will return the last of the week.

W. E. Putman, of the Mission Service Station, went to Dallas Sunday to attend to some business matters.

Hon. Ben F. Smith, an old newspaper publisher of Scurry County, was in our city Saturday greeting friends and making acquaintances. He is in the race for Representative to the State Legislature from the 118th District. He says he will be back to see the voters in Dickens County.

A. S. Woolly, of McAdoo, was in our city transacting business Monday.

J. A. Goodwin came down from Lubbock this week where he had been spending a few days with his family, and is here looking after his gin and cotton business.

E. C. Robertson, of McAdoo, was transacting business in our city Monday. He is one of those thrifty farmers of the Plains who believes that a farmer should make his living at his business.

Mrs. W. R. Cammack and daughter, Miss Lora, of Matador, were in our city Monday visiting their brother and uncle, The Times Editor.

C. Gollihar, of McAdoo, was attending to business matters in our city Tuesday.

begins where your Telephone is made

The men and women who furnish your telephone service here could not do their job so well without the help of Western Electric Company, supply unit of the telephone service.

SKILLED WORKMEN at the Slaters and furnaces of Western Electric Company turn raw materials from the far corners of the world into the 100,000 delicate parts and appliances needed for the telephone service.

These parts are sold to the 24 operating companies of the Bell System — of which the Southwestern Company is one — at a cost that, as a proven fact, is below what they would have to pay in the competitive market.

Western Electric, the purchasing and manufacturing agent of the Bell System, is one of a specialized group of organizations that plays an important part in giving you good telephone service at a fair cost.

This policy has been chosen deliberately as the course that will in the long run prove soundest for the telephone company. We believe that in an organization planned like the telephone service for the long pull, what is best for the telephone user becomes in the end the policy that will bring us the surer, more certain success. Southwestern Bell Telephone Company.

### Business Man Announces For Railroad Commissioner

Honorable John Pundt of Dallas, Texas, today gave out his announcement as a candidate for Railroad Commissioner. Mr. Pundt is a native Texan born in Grimes County 43 years ago and was educated in the public schools. He has been an independent oil operator and business man for the past 20 years and is acknowledged by the oil fraternity to be one of the best informed oil men in Texas.

### Federation Womens Clubs Complete Observance Plans

Executives of the Texas Federation of Womens Clubs have completed their plans for the state wide observance of "Woman's Day" by theatres all over the state.

The Federation, under the direction of Mrs. Volney W. Taylor of Brownsville, President, is to participate in the receipts of hundreds of theatres on April 26th. The cooperative arrangements unprecedented in the history of show business, were completed by Karl Hoblitzelle, president of the Interstate Circuit, and Mrs. Taylor. Under this co-operative plan, practically every major theatre in the State will assist the Federation in liquidating the indebtedness of the Federation clubhouse in Austin. A substantial percentage of the gross receipts of the theatres affected will be turned over to the Federation.

After pledging his theatres, Mr. Hoblitzelle arranged with other theatre owners in the state to contribute

## Learn About the "All Electric" Kitchen

This is the "Electrical Age." Take advantage of modern electrical servants.

### Let Mrs. Jones Tell You

"I am so proud of my all-electric kitchen—it is so easily kept clean, and I know it will be cool this summer."

There are many other reasons why thousands of West Texas Homes are being equipped "all electrically." Modern electric appliances make housekeeping a pleasure ... and you may be surprised how easily you can equip your kitchen with all these conveniences ... at very small cost.

Call us for information and help in planning your kitchen to save you unnecessary time and work. Make your kitchen completely modern—and it will be interesting to know how you can reduce your operating costs by taking advantage of the reasonable rate schedule provided for an "All Electric Kitchen."

Our Kitchen Planning Service is available without any obligation on your part.

STEP BY STEP YOU CAN BUILD AN AUTOMATIC KITCHEN.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule ... and adds only a small amount to your total bill?

to the idea. The Hoblitzelle theatres in San Antonio, Austin, Dallas, Ft. Worth, Houston, El Paso and Galveston will join with theatres operated by the Paschall-Texas Theatres, Jefferson Amusement Company, the Robb and Rowley Circuit, members of the Theatre Owners of Texas and the Texas Independent Theatre Owners.

A theatre has been designated in each town as the one in which the participation is in effect and members of each local chapter and organization of the Texas Federation of Womens Clubs will sell tickets for the performance presented on April 26th. The Palace Theatre was selected for the engagement in Spur. Each local organization will co-operate closely with the local management of the theatre in their resident cities. This organization work is being directed by the presidents of the seven districts comprising the State Federation. These are as follows:

First district, Mrs. Lee Morris, Chico; Second district, Mrs. Richard Turrentine, Denton; Third district, Mrs. Tolford Hughes, Atlanta; Fourth district, Mrs. Fred A. White, Port Arthur; Fifth district, Mrs. John D. Cochran, Sinton; Sixth district, Mrs. Joseph Perkins, Eastland; Seventh district, Mrs. W. P. Avriett, Lamesa. The presidents will be joined by Mrs. J. K. Beretta of San Antonio, chairman for motion pictures for the State organization and the district chairman of the same department.

### Spur Church Wins District Banner

The Spur Baptist church won the attendance banner given at the District Sunday School and B. T. S. Convention held at Lockney Thursday and Friday when sixteen attended from the Spur Church. The district extends from Canyon on the north to Tahoka on the south; from Spur on the east to the New Mexico state line; 21 counties, divided into seven large Associations with about 200,000 people.

Dr. M. F. Ewton, pastor of the local church, was elected Sunday School president of the organization for the coming year. R. E. Harrison, Ralls, was elected vice-president of the Sunday School division; J. D. Riddle, Lubbock, and Rev. R. E. Bost, Dimmitt, were elected president and vice-president of the B. T. S.; Mrs. A. T. Oceanougher, Lubbock, Secretary.

The Convention will meet with the First Baptist Church of Canyon, April 2-3, 1935.

The meeting this year was the best ever held in the district and many of the State Workers present said it was the best District meeting in the State. Seven State Workers were on the program Thursday and Thursday night in the general program and conference. State Secretary, J. Howard

Williams, Dallas, brought the key note message of the morning. State Treasurer George J. Mason gave two thought-provoking addresses. Secretaries G. S. Hopkins and T. C. Gardner conducted conferences in Sunday School and B. T. S. work. Dr. Ewton brought a stirring message on Sunday School work as the closing address of the Thursday night program followed by a pageant "The Ten Virginia" presented by the Lockney church. The election of officers and other business of the convention was conducted Friday morning.

Those attending from Spur were: Dr. and Mrs. M. F. Ewton, Rev. H. T. Harris, Rev. J. V. Bilberry, Rev. and Mrs. Harvey Draper, Mr. and Mrs. P. H. Miller, Mrs. W. F. Godfrey, Mr. and Mrs. James B. Reed, Mrs. A. M. Walker, Miss Jennie Shields, Mr. and Mrs. M. D. Ivey, Mrs. Hattie Turvan and Miss Clara Pratt.

### H. S. Lattimore For Supreme Court

I seek Democratic nomination for the place on the Supreme Court to be vacated by Mr. Justice Greenwood.

I am conscious of the exactions our citizenry will demand in selecting a successor to that eminent jurist.

That court handles no criminal cases but the tremendous task of giving final review to all civil cases, wherever filed in the wide reaches of this State which are appealed to the Supreme Court.

The Supreme Court requires intelligence schooled and proficient in the laws of our land and a constitution strong enough to bear the strain of that task.

Eleven years I have served on the bench of this state, trial and appellate. When I came to the Court of Civil Appeals at Fort Worth it was seventeen months behind on its trial docket. It is today less than ten months behind, and that in spite of the absence for five months of that time of our now deceased and lamented Chief Justice.

I believe that service on the district bench, as I had for more than nine years—is an invaluable training to a Supreme Court justice, giving him an understanding of the problems of the trial court and a grasp of the practical solution of its many perplexing incidents.

My life, aside from the period of the World War, has been lived, all of it, in Texas. Before attaining the bench, I engaged in the general practice of law for all who brought honorable business to me. I am in the prime of life, health and strength, able and willing to furnish a full measure of workmanlike service. The quality thereof must be measured by the records already made. I leave that to the testimony of those who have read or heard them. The court law of this State should

be made clearer—at least so that capable lawyers can safely advise our people and thereby promote that peace and harmony so essential to our institutions. No commissioner's opinion unless same bears the express approval of the Supreme Court. The other course has produced confusion and expense. I recognize the obstacles. But they must be overcome.

To the achievement of justice and to the delimitation of those rules which will promote the happiness of Texas, I pledge my candidacy.

H. S. Lattimore.

THE LINDBURGH CIRCLE

The Lindburgh Circle of the Knighthood of Youth Club met Friday at 1:30 in the fifth grade room at East Ward.

The meeting was opened by saying Roosevelt's Creed, led by Thelma Hale. During the business session the committees reported and the club agreed to charge one penny dues a week. These dues are to be applied to Elaine Parks Fund.

The following program was rendered:

A debate on the question, "Resolved that Odessa Would Have Been a Better Place to have Built the Capital of Peter The Great Than Leningrad."

The affirmative on the question

were Eugene Donahoo and Pat Williams.

On the negative side were Lavarise Lee and dlda Mae Campbell.

The judges rendered a decision in favor of the negative.

Letha Crouch, Ida Mae Campbell, Lucille Hatch, Lavarise Lee and Leonard Grantham recorded stones in individual castle.

Four stones were added to group castle for being quiet in chapel, hats off in line, raps kept in locker, and having all their English.

The club adjourned to meet Friday April 13, 1934.

CHAMBERS OF COMMERCE TO NOMINATE DIRECTORS

San Angelo, April 10.—Every city and town in the far-flung territory of the West Texas Chamber of Commerce is being asked to nominate from one to three directors each to serve on the official board of the regional chamber subject to elections at the forthcoming Sixteenth Annual Convention in San Angelo, May 14, 15 and 16.

Getting affiliated towns to nominate their directors during the next forty-five days prior to the convention is one of the duties of the Convention Elections Committee recently appointed by President W. D. Cline of the regional chamber. Members of the committee are: H. O. Timmins, San Saba, chairman; J. L. Showers, Vernon, vice-chairman; J. A. Rix, Lubbock, secretary; Doyle T. Brooks, Abilene; Don T. Haynes, Wichita Falls; Jim Williams, Amarillo; Henry T. Bowie, El Paso; members.

The men nominated for directors will be presented by the committee for election at the opening session of the convention, and if and when elect-

**HOW WOMEN CAN WIN MEN AND MEN WIN**

The Favor of Other Men

Unless two pills of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow hair, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, soul-sucking, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or shaving gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the last end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. (No salomel, mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25c at drug stores.

### EYES SHOULD BE GIVEN PROPER TREATMENT

Looking out on the world with clear vision is the birthright of each and everyone, according to Dr. John W. Brown, State Health Officer. Texas has many hundred persons that are blind or with impaired vision. These figures would be more tragic if given for the period before the law was passed making it mandatory—the use of prophylactic drops in the eyes of new born babies. Since then blindness caused by birth infections has been greatly reduced.

In the examination of school children other diseases of the eye are encountered quite frequently. Chief among these is trachoma. This disease is contagious and causes a destructive inflammation characterized by the formation of trachoma granulations. These gradually form scar tissue. Trachoma, if left untreated, will impair the vision and eventually blindness. This happens when the proper treatment is not given or the diagnosis and treatment is not given in its early stages.

Trachoma is most prevalent where sanitary conditions are worst. The prevention of this disease consists not only in avoiding the infection, but maintaining sanitary conditions. Parents should watch closely for any indication of anything wrong with the vision of their children. Many diseases of the eye readily respond to treatment in their early stages but, if allowed to develop, may seriously affect the vision if not causing blindness.

### CHEVROLET ANNOUNCES TEN PER CENT INCREASE TO ITS EMPLOYEES

Effective now the Chevrolet Motor Company announced a 10 per cent increase to all factory employees. Prior to this increase, the average worker was paid seventy cents per hour or \$5.60 per day. This wage was one

of the highest in the industry and now that the average has become \$6.30 per day, Chevrolet leads most manufacturers in the wage scale, says H. C. Howard, Zone Manager of the Dallas Zone.

Chevrolet's adherence to and fullest co-operation with NRA policies is indicated by the fact that in its own plants, exclusive of the Chevrolet Motors Units, who supply them with production parts, they now have 66,000 workers as compared with the peak production periods of 1928 and 1929. During 1930 through 1933, the average employment was only 30,000 men — better than a 120 per cent increase in the number employed in 1934 over 1933.

And now with the hours worked reduced from 40 to 36 per week, there will be further expansion in the number employed.

In the month of March, just closed, Chevrolet produced approximately 100,000 units and will produce in excess of 125,000 in April, the largest month's production since 1929.

A shortage of Chevrolets still exists, but it is due to the tremendous demand for it's product. Proof of this lies in the fact that in February, Chevrolet produced 72,275 units as compared with the next largest manufacturer's 59,35 and the third largest 34,709.

According to H. C. Howard, Manager of the Dallas area of the northern half of Texas, his territory sold in excess of 350 per cent in March, 1934, over the same period in 1933.

March sales of approximately 3,000 cars was the largest since May, 1929.

### ENFORCEMENT LAW IS UPHELD IN HIGHER COURTS

Texas' new gas tax enforcement law which has been recovering millions in hitherto-stolen state revenues since its enactment last March, stood on firm ground recently, its constitutionality upheld by the Court of Civil Appeals in its first "test case."

Validity of the law was attacked January 1 by the Oml Oil & Refining company, whose permit had been cancelled by Comptroller George H. Sheppard for alleged failure to comply with provisions of the statute.

The refinery countered by obtaining a temporary injunction in Travis county district court, restraining the comptroller and the attorney-general from enforcing permit or bond provisions of the law, as well as its criminal clauses. The state promptly appealed.

The Court of Civil Appeals, in a sweeping opinion written by Chief Justice J. W. McClendon, upheld the law's constitutionality on all of the disputed points, set aside the order of the lower court and disclosed the injunction.

In upholding the permit and bond clauses of the law, Justice McClendon called them enforcement measures to help collect a tax "peculiarly subject to evasion and fraudulent defeat in its collection."

Criminal penalties for evasion ranging from a minimum of \$100 fine to a maximum of two years' imprisonment and \$5,000 fine drew this comment from the court: "It can hardly be seriously urged that there is anything excessive, cruel or unusual in the prescribed penalties."

### DEATH ON THE HIGHWAY

Early in 1933, there were fewer automobile accidents than during the same period in 1932.

During the last half of 1933, however, the trend changed. In the year, 30,500 persons were killed—a 1-2 per cent advance over 1932.

The automobile accident toll follows the amount of gasoline used in the country with almost loving exactitude. During the first half of 1933, for example, when gas consumption was 3 per cent below the same period in 1932, there were fewer accidents.

During the last half gas use was 2.5 per cent above—and the accident record soared accordingly. The dangerous driver seems to have learned little from the ghastly experience of the past. He still exaggerates the safety factors of better cars and a gas. He still cuts in and out of traffic, still passes on blind curves and hills, still takes a chance to save a second. And he leaves behind him a shambles of deaths and injuries and needlessly ruined property.

Everything that mechanical and road engineers can do to make motoring safer, is being done — an extremely small percentage of accidents can be blamed on car failure or poor roads. The accident problem is purely an individual one — resting with each auto owner, and with the authorities who make and enforce traffic ordinances.

In 1933 four states, whose names deserve being recorded on an "Honor Roll," achieved declines in their automobile death rate—Illinois, Michigan, Virginia and Wisconsin. Other states should strive to follow them.

### CHEVROLET PRODUCTION MARK MUCH HIGHER

Chevrolet built 72,275 cars and trucks in February, M. E. Coyle, president and general manager of the Chevrolet Motor Company, announced. Rapid progress in the company's rate of production is indicated by these figures, the February output being 78 per cent more than for January.

February surpassed the production of any one month throughout 1932, and exceeded all but three months (June, July, August) of last year.

Total Chevrolet production for the first two months of this year is several thousand units higher than for the same period last year, said Mr.

Coyle's announcement, which declared that this fact in itself signified a noteworthy achievement in organization and manufacturing methods, since the adoption of knee-action wheels required a major revision of factory and assembly plants set-ups. At the Detroit Chevrolet plant alone, where knee-action units are built up for shipping to the nine car assembly plants throughout the country, several thousand more men than were formerly employed are now working three shifts a day as the company strives to meet the demand created by the public's immediate acceptance of the knee-action principle. Even with the rapid gain in car production during January and February, Mr. Coyle declared, Chevrolet is still thousands of cars behind its order for retail deliveries.

## "I WENT 51% FURTHER ON GULF-LUBE"

Says Mrs. Lee Ketner, Winston-Salem, N. C., Who Made The "Two Trip" Test

"I DROVE FROM WINSTON-SALEM TO WASHINGTON USING MY REGULAR 25c MOTOR OIL—AND HAD TO ADD A QUART AT RICHMOND."

"TWO WEEKS LATER I REPEATED THE TRIP AGAIN. THIS TIME I USED GULF-LUBE—AND DIDN'T NEED A QUART UNTIL I GOT TO WASHINGTON."

"I made your 'two-trip' test," says Mrs. Lee Ketner, 705 Melrose St., Winston-Salem, N. C., "and to say I was surprised would be putting it mildly."

"Gulf-lube outlasted my regular 25c motor oil by 115 miles—it went 51% further before a quart was consumed!"

Thanks, Mrs. Ketner. You're one of thousands of motorists who have cut their oil costs with Gulf-lube—the oil that was tested by the American Automobile Association in 6 average cars—and outlasted every oil in every car!

Start saving! Switch to Gulf-lube now. You'll buy less oil between fillings. You'll get better, smoother lubrication. At 25c a

quart Gulf-lube is America's biggest motor oil value. At all Gulf stations.

**MESDAMES SMITH AND HULL ENTERTAIN**

One of the most attractive parties of the season was given Thursday afternoon of last week by Mesdames A. C. Hull and James O. Smith at the home of the former.

Colorful spring flowers were the principal decorations, and the spring motif was further emphasized in all bridge appointments and in the dainty salad plate that followed. A tiny blooming pot plant formed the center piece of each table and was awarded the one who cut high at each table.

Other prizes were awarded: Mrs. F. W. Jennings for high guest, Mrs. Dan H. Zachary for high in the Joide Voi Club, and low went to Mrs. Nellie Davis.

The guest personnel was as follows: Mesdames Elzy Watson, Chas. Powell, Billingham, Evans, Della Eaton, Jack Reector, Cash Wilemon, Dan H. Zachary, Clifford B. Jones, Jim Sample, F. W. Jennings, Nellie Davis, Sam Clemmons, Carl Proctor, R. E. Dickson, W. E. Starcher, Murray Lea, Fred C. Haile, H. O. Everts, H. P. Gibson, C. L. Love, Homer Ferguson, M. C. Golding, Erma Scott, Guy Karr, McGuire, Hill Perry, Frank Laverty, Virgil V. Parr, Ernest, A. M. Lay, R. R. Wooten, H. P. Schrimsher, L. D. Rattiff, Roy Harkey, Oran McClure.

Misses Jane Wilson, Dorothy Carson, Julia Mae Hickman and Nig Lisenby.

At the tea hour the following called: Mesdames Sam Z. Hall, P. C. Nichols, Byron Langley and Roy Stovall.

**DENVER-COX NUPTIALS**

Miss Nita Fay Denvers and R. D. Cox were quietly married at the home of Rev. and Mrs. J. V. Bilberry on West Harris Street Monday evening. Rev. Bilberry read the rites which united them husband and wife. These young people live in the Highway community where they will continue to make their home. Both come from highly respected families, and their many friends join in wishing them much success and happiness.

**SETH PARKER CLUB**

The Seth Parker Club met last Tuesday evening at the Fair Park for their first Anniversary celebration. There was food to satisfy the immense crowd. It consisted of roasted weiners, sandwiches of all size and color. Home made cakes, pickles, onions and hot coffee was also served. The birthday cake was a large white cake having one candle, as this club is only one year old. This cake was baked by Mrs. Cal Martin.

After everyone ate all possible, Seth Parker gathered his crowd close together and sang several of our favorite songs. The minutes of the past year were read by Lizzie the secretary. After this many games were en-

joyed and directed by Mrs. Schrimsher. There were about 45 who enjoyed this pleasant affair.

**MRS. P. C. NICHOLS ENTERTAINS THURSDAY**

As has been the custom for several weeks for a number of Rotary Anns to hold meetings, Thursday about twelve o'clock noon a few Rotary Anns began to arrive with covered dishes containing something good to eat at the home of Mrs. P. C. Nichols. The dishes were placed on a beautiful decorated table. Lillies of the Valley made the center, pink tapers on each side.

A three course luncheon was served each guest making her own helping. The menu consisted of Nichols special cocktail, fruit salad, turkey dressing, gravy, cranberry sauce, fresh cream peas, fresh tomatoes, mashed potatoes, celery, olives, pickles, iced tea, devils food cake and heavenly hash.

The afternoon was one of delight to every guest present. Outstanding among the features being the entertainment rendered by Mrs. Ray Dickson. Those present were: Mesdames W. B. Lee, Fred Jennings, Roy Stovall, Dewey Granberry, Sam Z. Hall, B. C. Cairnes, Dick Sampson, Clifford B. Jones, Ray Dickson, W. D. Starcher, B. C. Langley and the hostess.

**Sanitarium News**

Mrs. Flake More has entered the sanitarium as a medical patient and is beginning to improve.

Miss Cora Durham, of Gilpin, underwent an operation Monday for appendicitis, and seems to be getting along fine.

Mrs. Gus Sanders, of Roaring Springs, underwent an operation for appendicitis Sunday, and seems to be getting along fine.

W. L. Farmer, of Twin Wells, who underwent an operation four weeks ago, continues to improve and soon will be out.

Mrs. George Harvey, city, who underwent an operation last Friday seems to be doing all right.

Little Miss Claralene Smith, of Red Mud, underwent an operation a week ago for empyema and is getting along very nicely.

Curtis Ake, just north of town, who underwent an operation for a ruptured appendix ten days ago, seems to be getting along fine and there is hope for his recovery.

Jack Derr, of McAdoo, who underwent an operation for appendicitis ten days ago is improving nicely.

G. J. Lane, Jr., fell on his left arm slipping the cartilage on the radius of the left elbow Tuesday. An X-Ray examination was made and the elbow placed in a cast.

O. F. Priest, business manager at the Sanitarium, is feeling indisposed on account of tonsillitis. Quite a lot of fever yesterday.

**MOVES GROCERY TO OLTON THIS WEEK**

This week A. L. Jackson moved the Helpy-Selfy Grocery to Olton where he will continue to operate it. Monday the merchandise stock was taken down and packed for moving. Tuesday trucks began moving the fixtures and stock to Olton, and the last loads were moved out yesterday.

Mr. Jackson acquired the Helpy-Selfy Grocery during the summer last year and has enjoyed a very good business. He has made many friends while here who wish him success in his new field.

**DISTRICT EPWORTH LEAGUE MEETING HERE THIS WEEK**

The members of the Spur Epworth League will entertain approximately 100 young people of the Stamford District in their home this week end.

The young people will arrive in Spur Saturday morning, and a luncheon will be served to the members of the local League and the visitors at 12:00. The members of the Bell Bennett Missionary Society will act as hostess at the noon hour. At eight o'clock Saturday evening, the Missionary Society will be hostess to the Young people at a Cowboy Banquet. A Rodeo Party will follow with Nedra Hogan in charge.

A shower was given for the baby girl that the Epworth League has adopted and plans to care for for a few months. Those who brought gifts to the shower were Polly Clemmons, Nedra Hogan, Mary Belle Ensey, Athelda Yeates, Edith and Dorothy Foote.

Morene Keer, Selbia McCully, Tommie Britton and Mrs. Mayfield.

The devotional for the regular Sunday evening service will be conducted by Tommie Britton in the basement of the Methodist Church, Sunday evening at 7:00.

**CARD OF THANKS**

I want to thank all my good friends for the many nice things they have done for me during my illness.

Especially do I thank each of the "Dear Old Gang" for their part in the nice gifts you sent me Saturday. I thank those that remembered me with flowers. I too want to thank Dr. Nichols, Mr. Priest, Miss Bailey, and all the nurses for their kindness. I shall never forget any of you.  
JACK M. DEER.

**METHODIST CHURCH NEWS NOTES**

A standard teachers' training course is being taught every night this week by Rev. W. E. Hamilton of Lubbock. Twenty are expected to take examination for diplomas Friday night.

The two highest Sunday School attendances for the year have been the last two Sundays. This is encouraging and prospects for a larger Sunday School looks brighter.

The Stamford District Epworth League will meet at Spur this week end. A special feature for Sunday night has been arranged in the way of a cowboy supper.
