# Dickens Co. Times

VOLUME 10

SPUR, DICKENS COUNTY, TEXAS, THURSDAY, JUNE 21, 1934

WHOLE NUMBER 465

## Six Lives Lost In Three-Car Collision One Half Mile North of Spur Saturday

A collision of three automobiles on Highway 18 just north of Spur about six o'clock Saturday afternoon caused the death of six persons and ten others injured. The dead are:

Joe Collier, 47, Spur; Mrs. Harvey S. Holly, 35, Dickens; Lanoy C. Holly, 7, Dickens; Rufus E. Page, 78, Girard; Mart D. Page, 40, Jayton; J. J. Wasson, 39, Dickens.

The injured are: Harvey Holly, 38, Dickens; Elvis Holly, 14, Dickens; Curtis Holly, 12, Dickens; Charles Peak, 50, Girard; G. W. France, 40, Jayton; Bob Wright, 35, Canadian; Pauline Wright, 6, Canadian; Bob Lane, 40, Durham, Okla.; Mrs. Ella Thomas, 40, Spur; Jeffie Thomas, 8, Spur.

As to the cause of the tragedy there is little known as all seemed to have happened in no short duration of time. The best information obtained is, that Mart D. Page was in the market for a new automobile. Joe Collier, who was a salesman at the Spur Motor Company, took Mart Page and his father, Rufus Page, Charles Peak and G. W. France in a Chevrolet demonstration car for a ride north on Highway 18. After driving a few miles away from town Mart Page took the wheel and they were returning driving an average rate of speed.

A car driven by Bob Wright of Canadian, Texas, was on the highway going north. Behind this car was Harvey S. Holly driving a Chevrolet and with him were his wife, three sons and J. J. Wasson, a neighbor. Holly passed the Wright car and it is not known that he was able to get back to the right of the road before the collision or not. Some say he did, others say he was still near the center of the highway headed toward the right side of the road. Below we give statements made by different parties some of whom were eye witnesses to the collision:

Mrs. Ella Thomas, who was riding in the rear seat of the Wright car made the following statement:

"We had left the town of Spur, Texas, and was traveling north on the Spur and Dickens highway. We had driven about a half mile north of Spur, Texas, when a red 1932 Chevrolet car belonging to Mr. Holly drove up behind us and then attempted to pass us. I saw a car coming from the north that was traveling south. This was a brown 1934 model Chevrolet car. I suppose I first saw the brown Chevrolet coming from the north at about the same time I heard a car coming up behind us. This was the Holly car. When I saw the car coming toward us and heard the car behind our car I just knew there was going to be a wreck, a collision. I closed my eyes and held my hands together and about that time the two Chevrolets collided head on. I did not see them when they collided as I had my eyes shut because I knew there was going to be a wreck. I knew this because we were meeting one of the cars, and there was the other car which was attempting to pass our car from behind."

The following statement was signed by John Gragson, a farmer living out a few miles from Spur, who passed "Six Lose Lives" on Page 8

## Sixth Victim Of Car Wreck Succumbs

J. J. Wasson, the sixth fatality of a car wreck about six o'clock Saturday afternoon, died at a local sanitarium about 6:40 o'clock Monday afternoon. The report is that Mr. Wasson was in the Holly car which was hit by a Chevrolet and while he continued to live, there was no hope that he would recover from his injuries. Everything was done within the ability of medical and surgical skill. He suffered wounds about his head and face and all over the body.

The body was prepared for burial by the Campbell Undertaking Parlor here. Funeral services were held at Afton Tuesday, Rev. H. T. Harris reading the funeral rites. Interment was in Afton cemetery.

The deceased is survived by his wife, Mrs. Edna Capshaw Wasson, and two daughters: Frances, 13, and Pearl two years. There is a half brother living in the state of Colorado. His parents passed away several years ago. There seems to be no other close relations.

Mr. Wasson who was 39 years of age, was born in the state of Arkansas. When about five years of age he came with his parents to Texas. Being left an orphan when about six years of age, he has fought his way through life, and was recognized as one of the most honorable citizens wherever he lived. He went to Roaring Springs about 1917 and became engaged in farming, working with Bob House. Early in 1918 he was called to the service of his country and went to France where he served in the World War until the Armistice was signed and then was in the Army of Occupation.

He and Miss Edna Capshaw were married in January, 1920. He became engaged in the farming business again, and followed that business until he received his death wounds last Saturday. He was a member of the Masonic Fraternity and was true and loyal to his Masonic brethren as well as to all his neighbors and friends.

## Old Settlers' Assn. Program Announced

At a meeting of the officers and directors of the Motley-Dickens County Old Settlers' Association held in J. D. Mitchell's office in the Masonic Building in Roaring Springs Saturday afternoon, final plans were made and a program arranged for the meeting of the organization which will be held at the Roaring Springs school gymnasium, Thursday, August 23.

President C. C. Haile of Afton, called the meeting to order and explained to the officers the reasons for changing the meeting from the Springs to the school grounds. "It has always been a problem to provide accommodations for old people at the springs," President Haile declared. "Besides the congestion and parking problem has interfered with the swimming pool and we feel that with the use of the gymnasium our principal problem will be solved; that of seats and shade. Also, the school grounds will provide ample parking space for almost any size crowd. Another reason for the change is the advantage the Association will receive in sale of concession rights of every kind, half of the proceeds, of course, will go to the athletic fund of the school."

The plans this year call for two days of amusement, which will be provided for every class, instead of the former one day as has been the custom of the Association. The day preceding the program of the Association will embrace baseball games, horse races and dancing in the evening.

On Thursday, August 23, there will be a continuation of the program of the previous day but will also include the program of the Old Settlers' Association which is as follows: morning concert by the Matador Band from 10:30 to 11 o'clock; election of officers and memorial services conducted by Victor Crabtree of Dumont, Texas, and including a special song by T. B. Edmondson of Matador. After the list of deceased members has been read and prayer, a special rendition of "The Last Round-Up" will be given.

In the afternoon there will be another band concert of the Matador Band between 2 and 2:30 followed by a welcoming address by Fred C. Haile son of President C. C. Haile. "Beautiful Texas," a song, by Teepee Flat girls, a reading by Miss Ina Mae Long poem written by G. W. Jackson, read by Miss Johnnie Mae Smith and either a song or reading by Mrs. J. W. Henry of Spur.

Special committees appointed at the meeting were: Concessions Committee O. O. Love, chairman, and Dr. J. F. Hughes; baseball committee: Cecil Godfrey to appoint another member from Matador, Dickens and Spur. Dancing committee: Antonio Eysman and Fred Rattan; Horse Racing, Live Cooper, B. M. Nelson, Bud Allison and Johnnie Herrington.

One of the special features of the August meeting will be a display of old relics and pictures that played a part in the dramatic conquest of the west. J. F. Ferguson of Roaring Springs, Oscar Vinson of Matador, and R. P. Harvey of Afton were appointed on the old relics committee.

President Haile expressed belief that considering the attendance estimated at over two thousand last year that a much greater crowd could be expected this year. As no attempt will be made to furnish lunch this year, all types of concessions will be offered for sale.

At the close of the Thursday afternoon program "Jeff Morris' Cotton Pickers String Band" will furnish music for an old time square dance arranged by Charlie Bird.

A dance Thursday night will close the program.

## TOM HUNTER ON THE RADIO

Tom Hunter, of Wichita Falls, candidate for Governor, will carry his program for a Texas recovery to the voters of the State over a three station radio hookup on Saturday night, June 23, during a half-hour period, from 9 to 9:30 p. m. o'clock, through arrangements effected by the Hunter-for-Governor Clubs at Fort Worth, Houston and San Antonio.

The broadcast will be a joint one over WBAP at Fort Worth, KPCC at Houston and WOAI at San Antonio. Hunter will speak from the studio at Fort Worth.

## Fred C. Haile Gaining In Race For Congress

Fred C. Haile, candidate for Congress from the 19th district, spent the week end at home after a very busy week. He spoke in Muleshoe at 2:00 Saturday and at Sudan at 3:00. He will return to that part of the district next Saturday and speak at Littlefield at 3:00 p. m. and at Sudan at 4:30.

He stated Monday that the voters were awakening to the issues of the campaign and becoming much more interested. He stated also that the fact of a business man running for Congress was appealing to the voters as this was a job for a business man.

Mr. Haile reports that he is gaining strength in Floyd and Crosby counties. Newspaper publicity over the district is very favorable to Haile's campaign. Plainview dailies giving him quite a write up before an after his address there Wednesday.

Mr. Haile and his co-workers are now using radio, newspapers, direct mail and all other methods in a fair campaign to impress upon the voters that the 19th district should send a business man to Congress.

## Candidates File For Places On Ticket

The Dickens County Democratic Executive Committee met Monday at Dickens and checked the list of applicants for places on the 1934 primary ballot. One of the longest ballots with the largest number of candidates in history was checked by the committee. There were only three offices that had only one applicant, county judge, district clerk and county surveyor's office.

Saturday night was the last date to file. The following were the ones filed with the committee:

For Congress 19th Congressional District of Texas: Fred C. Haile of Dickens County, George Mahon of Mitchell County, Clark M. Mullican of Lubbock County, Arthur P. Duggan of Lamb County, Homer L. Pharr of Lubbock County, Taylor White of Lynn County, J. A. Johnson of Dawson County. (Joe Thompson of Hale County failed to send his fee with application and the committee gave him until next Saturday to pay this fee.)

Representative, 118th District: Joe A. Merritt of Scurry County, Leonard Westfall of Stonewall County and Ben F. Smith of Scurry County.

For Associate Justice of the Court of Civil Appeals for the Seventh Supreme Judicial District of Texas: M. J. R. Jackson of Potter County. For District Judge of the 110th Judicial District: H. A. C. Brummett of Dickens County, Kenneth Bain of Floyd County and A. J. Polley of Floyd County.

For District Attorney of the 110th Judicial District: Alton B. Chapman of Dickens County and Tony B. Maxey of Floyd County.

For District Clerk of Dickens County: Nettie Littlefield.

For County Judge: Jim Cloud. For Sheriff, Tax Collector and Assessor: Johnnie Koonsman and W. B. (Bill) Arthur.

For County Clerk: Harvey Hines, Fred Arrington, Oscar Kelley and Neal Fortson Fowler.

For County Superintendent: Madge D. Twaddell, Frank Speer and Hubert Taylor.

For County Treasurer: Mrs. Hattie Turvan, Ona Lee Shockley, Mrs. Nannie Cobb, R. E. Holly, Mrs. Alice Goodwin Murphee.

For County Attorney: L. D. Ratliff, V. J. Campbell and O. C. Newberry.

For County Commissioner, Precinct No. 1: Horace Nickles, R. E. Slough, Austin C. Rose.

For County Commissioner, Precinct No. 2: E. N. Johnson, D. O. Blasingame, A. M. McAllister.

For County Commissioner, Precinct No. 3: W. P. Foreman, T. C. Coouer, Forest Martin.

For County Commissioner, Precinct No. 4: R. M. Mims, R. E. Rogers, W. E. Shaw, Roy Cunningham.

For Justice of the Peace, Precinct No. 1: T. M. Green and W. H. Parks. For Justice of the Peace, Precinct No. 3: W. M. Malone and G. B. Jopling.

For Constable, Precinct No. 3: C. H. McCulley, J. M. (Jere) Reece. For Public Weigher, Precinct No. 3: G. W. Rash. For Public Weigher, Precinct No. 1: C. P. Aull.

For Public Weigher, Precinct No. 2: Gaston Jackson, Fred Dozier, Richard Varnell. For Public Weigher, Precinct No. 4: Earl Butler, O. L. Lovern. For County Surveyor: H. H. Terry.

## CHANGES IN MAIL SCHEDULES

Due to changes in time of buses leaving Spur mail going by way of Lubbock has been changed. Mail to Lubbock in the morning must be mailed at the Spur post office by 10:30. Mail going to Lubbock in the afternoon and making connection there with trains north and south must be mailed by 4:45 instead of 5:30 p. m. as heretofore.

## County Committee Sets Ballot Fees

The Dickens County Executive Committee met Monday morning at the courthouse with the Hon. Robt. Nickles, County Chairman, presiding and O. C. Arthur, secretary. The following members were present: Z. W. Fowler, C. O. Parker, J. H. Smith, W. J. Elliot, A. Lollar, O. E. Mink, Tom Johnson, Joe M. Rose, Chas. McLaughlin, Dr. M. H. Brannen, J. L. Karr, J. E. Sparks, L. A. Grantham.

The resignation of Roy Cunningham from Croton, Precinct 9, was read and accepted. J. P. Legg was elected to fill this place.

The list of district candidates was read and filed with the statutory fee of one dollar for each office.

The committee then discussed the cost of the two primary elections for 1934 and set the following assessments on candidates for county offices:

District Clerk, \$15.00. County Judge, \$25.00. Sheriff, Tax Collector and Assessor: \$40.00. County Clerk, \$25.00. County Superintendent, \$25.00. County Treasurer, \$10.00. County Attorney, \$20.00. County Commissioners, \$10.00. County Surveyor, \$25.00. Justice of the Peace, Dickens, \$5.00. Justice of the Peace, Spur, \$7.50. Constable, Spur, \$7.50. Public Weigher, Spur, \$10.00. Public Weigher, McAdoo, \$10.00. Public Weigher, Afton, \$5.00. Public Weigher, Croton \$2.50.

These assessments for county officials are the lowest set in years, due to the large number of candidates. It was decided by the committee that each Democratic executive committee man in each respective voting box act as presiding judge of said primary election and to select capable and efficient assistants to help him. The County Chairman urged each committee man to keep an accurate and well written tally sheets in each box and to make a report of the returns as soon as possible after the polls had closed.

The next meeting will be held next Monday, June 25 at the courthouse to certify the candidates on the ballot and arrange for places thereon. The committee meeting Monday was very harmonious and transacted its business in an efficient manner.

## Funeral For Joe Collier Held Sunday

Funeral services over the body of Joe Collier were held at the Church of Christ at six o'clock Sunday afternoon. Albert Smith, minister of the Church of Christ conducted the services. Interment followed in Spur cemetery. Webber B. Williams acting as funeral director.

Mr. Collier lived about fifteen minutes after being hurt in an automobile collision just north of Spur Saturday afternoon. He had gone out with a number of men some of whom were prospective purchasers for an automobile to demonstrate the new 1934 model Chevrolet. They suffered a head on collision with another car as they were returning to Spur.

Mr. Collier was born in Alabama October 5, 1887, and was a son of T. W. Collier, now of Spur. He came to Texas with his parents when about eight years of age and lived many years in Haskell County. His mother passed away several years ago and he did not get to enjoy her love many years. However, his stepmother proved a great friend to him and Mr. Collier held a great affection for her.

He was married August 9, 1914 to Miss Blanche Loe. Five children graced the home. They made their home in Haskell County many years. In January 1928 Mr. and Mrs. Collier and their children moved to Spur and have resided here since that time. The children are: Mildred, 18; Clytee, 16; Mary Jo, 13; Joyce, 11; and Jean, 2.

He survived by his wife, five daughters, father and step-mother, one brother Clyde Collier of Abilene; three half brothers: Harvey, Pete

See Joe Collier Funeral Page 4

## Men Caught And In Lawton Jail

Those who consummated the holdup of the Dr. Pepper representative on Highway 24, near the gate at Colbert Ranch, last week, have been captured and are in jail at Lawton, Okla. Sheriff Arthur stated that he would not bring them to Dickens County now as one of the men is in a very critical condition and may not live long. The wounded prisoner has friends at Lawton who can assist in looking after him.

Sheriff Arthur, who returned from Oklahoma Tuesday night, stated that by leaving the men at Lawton he could save Dickens County of some expense, and should the one prisoner pass out, by leaving him at Lawton might save another expense for burial.

Wayne Vaughn of Rotan, is here visiting his brother, Marvin Vaughn, and friends.

Dr. and Mrs. P. C. Nichols were in Lubbock Saturday visiting their daughter, Martha, who is ill at this time.

## Busline to Wichita Falls Started Monday

A through bus service from Spur to Wichita Falls was started Monday under the direction of the Lubbock-Wichita Falls Bus Company, incorporated. This new company is the result of incorporating the Westex Motor Stages, the West Texas Coaches and the Southwest Coaches all into one system.

The new system is owned by three persons, namely, A. L. Abbott of Lubbock, who is president of the system and will have his office in Lubbock; Bob Grozier, who is secretary-treasurer and will be in the main office at Wichita Falls, and Gus Fowler, who is vice president, and will maintain his office in Spur.

The new lines out of Spur will give connections at Wichita Falls for all points into Oklahoma City, and all points into Fort Worth and Dallas. At Lubbock connections will be made for all points into Amarillo, Clovis and all points into New Mexico. Two buses ply each way between Lubbock and Wichita Falls, making the distance in about six hours.

A new bus schedule between Spur and Lubbock has been established as the result of the new lines. A bus will leave Spur for Lubbock each day at 11:00 a. m. and arrive in Lubbock at 1:15 p. m.; another bus will leave Spur at 6:15 p. m. each day and arrive in Lubbock at 8:25 p. m. Buses to Wichita Falls will leave Spur at 10:10 a. m., arriving at Wichita Falls at 2:40 p. m., and 5:20 p. m., arriving at Wichita Falls at 9:45 p. m.

Mr. Fowler, who is in charge of the local office states that everything reasonable will be done for the comfort of passengers.

## Winter Wheat Loans Now Available

The Emergency Crop Loan Office is now prepared to receive applications for summer following and winter wheat loans, D. H. Sandidage, Field Supervisor, announced today. All forms and supplies necessary for taking applications from farmers have been received by the County Committee and applications for loans will be received and handled in the same manner as were spring crop loan applications.

Loans may be made for summer following or for the combined purpose of summer following and purchasing winter sear wheat. The maximum allowance for a following will be \$1.00 per acre, and for the purchase of seed wheat not to exceed \$1.00 per acre. The security shall be a first lien on all crops to be harvested on the lands the summer following of which is thus financed. The expiration date for taking applications is July 15, 1934.

## Funeral Services For Mrs. Holly and Son

Funeral services were held over the bodies of Mrs. Harvey Holly and son, Lanoy, at the Church of Christ in Dickens at four o'clock Saturday afternoon. Albert Smith, minister of the Church of Christ at Spur, read the funeral rites. Interment followed in Dickens cemetery. Webber B. Williams acting as funeral director.

Mrs. Holly and her son were two of the victims in the automobile collision about six o'clock Saturday afternoon. Both were killed instantly in the wreck. They were in the front seat with Mr. Holly as they were driving home at the time of the accident.

Mrs. Holly was Mrs. Cleo Christopher before her marriage. She was a daughter of Mr. and Mrs. J. C. Cristopher of Afton, one of the best families in the county. She was born in East Texas October 10, 1899, and came with her parents to this county when she was about ten years of age.

Mr. and Mrs. Holly were married March 5, 1919. Three children graced their home, two of whom survive—Elvis, 13 and Curtis 11. Lanoy 7, the baby boy, was taken away with his mother.

Mrs. Holly made a profession of religion and became affiliated with the Church of Christ 17 years ago. She was devoted to her church. She and her husband were devoted to each other and to their children and their home was recognized as a most congenial and happy one. Mr. Holly stated that during their married life that he had not spent more than 12 to 15 nights away from his family.

The bodies of the mother and son were placed side by side in the same grave, no partition of earth separating them.

Mrs. Holly is survived by her husband, two sons, her parents, three brothers: Jim Christopher of Spur, Fred and Olin Christopher of Afton; four sisters: Mrs. Beulah Blakeley of Rogers, N. Mex., Mrs. Willie Daniels, Mrs. Jewel Hale and Miss Mary Christopher, all of Afton.

Ila and Maude Lassiter were in Lubbock Thursday shopping and looking after business.

Mr. and Mrs. V. V. Parr and son, Bobby, of the Pitchfork Ranch, were in Lubbock, Thursday, Friday and Saturday attending to business matters.

## Webber Williams Withdraws From Sheriff's Race

The Times is authorized to announce the withdrawal of Webber Williams as a candidate for Sheriff and Tax Collector, subject to action of Democratic Primary. Mr. Williams stated that because of an excellent business proposition having been made him that he thought it would pay him to withdraw. He gave out the following statement:

## TO THE VOTERS OF DICKENS COUNTY:

I wish to express to the voters of Dickens County my sincere thanks and appreciation for their support and many expressions in my behalf for the office of Sheriff and Tax Collector. Mr. W. S. Campbell, my employer made me a good business proposition which I have accepted, thereby making it impossible for me to continue in the race for Sheriff. I have filed a request with the Dickens County Executive Committee asking that my name be withdrawn.

I have been out over the county seeing the voters and wish to state to each and every one of you that I appreciate the support you gave me. A large number of friends have called on me since the announcement of my withdrawal, which I appreciate very much.

WEBBER WILLIAMS.

## "Flying Down to Rio" Suggests Motif For Cabaret Air Shows

What gay night clubs of the future will be like, is forecast in "Flying Down to Rio," RKO-Radio's sensational musical extravaganza which will be shown Saturday Midnight, Sunday Matinee and Monday Matinee and Nite at the Palace Theatre.

Lou Brock, Associate Producer, says, "I have no doubt that aerial night clubs will spring up all over the country, carrying out the idea introduced in one of the film's elaborate settings." Occupying an immense sound stage, covering approximately 22,500 square feet of floor space, it features such startling things as tables resembling the tail-ends of airplanes, white marble fuselage tapering down to the rudder and elevator, which are made of plate glass, lined with polished silver, and a tete-a-tete nook for spooners seeking privacy, which hangs in the air at one side of the dance floor and resembles the cabin of a giant dirigible.

The whole affair carries out the dirigible idea. The roof is supported not by pillars but by girders built like the lattice frame skeleton of the lighter-than-air craft.

The most notable innovation, however is a "flying orchestra." By a clever arrangement of concealed and silently operating tracks, the band in this remarkable club performs in a huge balloon basket, soaring about over the heads of diners and dancers. The set, referred to in the film as the "Aviators Club," carries out the theme of the production itself, the first aerial musical ever staged. It climaxes in a spectacular all-air show 100 beautiful girls singing and dancing on the wings of giant airplanes as they soar over beautiful Rio de Janeiro.

The story is enacted by an all-star cast headed by Dolores Del Rio, Fred Astaire, Ginger Rogers, Gene Raymond and Raul Roulien in romantic roles, with music by Vincent Youmans

## Page Funeral Held At Jayton

Funeral services over the body of Martin D. Page were held at the First Methodist Church in Jayton Sunday. Rev. W. T. North, pastor of the Baptist Church at Jayton, delivered the discourse and he was assisted by Rev. Hamilton, pastor of the Methodist Church. Interment followed in Jayton cemetery.

Page was killed in the car collision at Spur about six o'clock Saturday afternoon. The body was prepared by Campbell Undertaking Parlor and taken to Jayton by ambulance. His father, Rufus Page, 78, also, was killed in the same accident. His body was taken to Cunningham for burial.

Young Mr. Page is survived by his wife, three sons: Bedford, 14, Rudolf, 10, and M. D., Jr. 2; three sisters: Mrs. Cora Wright of Stamford, Mrs. Cule Kennedy of Stamford and Mrs. Dan Kennedy of Cunningham; three brothers: Zebe Page of Cunningham, Porter Page of Los Angeles, Calif., and Graham Page of Jayton.

The Page families are considered among the best people living in Kent County.

Henry Alexander, of the firm of Henry Alexander & Company, stated that the sale staged by that firm last week was a very decided success. People will always find this firm carries a fine line of merchandise and have them priced right.

Mrs. F. F. Henry and daughter, Lora Long, of Duncan Flat, were in Spur Monday shopping and visiting friends.

Mrs. Robert Reynolds was in Lubbock Thursday for medical treatment.

of the Spur Security Bank.  
Any time we are wrong we are al-  
ways glad to make a correction as to  
facts. Opinions are different, and  
many people may have different opin-  
ions in regard to the same matter. It  
is a problem to correct opinions be-  
cause it is difficult to tell who is  
right.

**IMPROVING BEDROOM  
IS A PLEASURE**

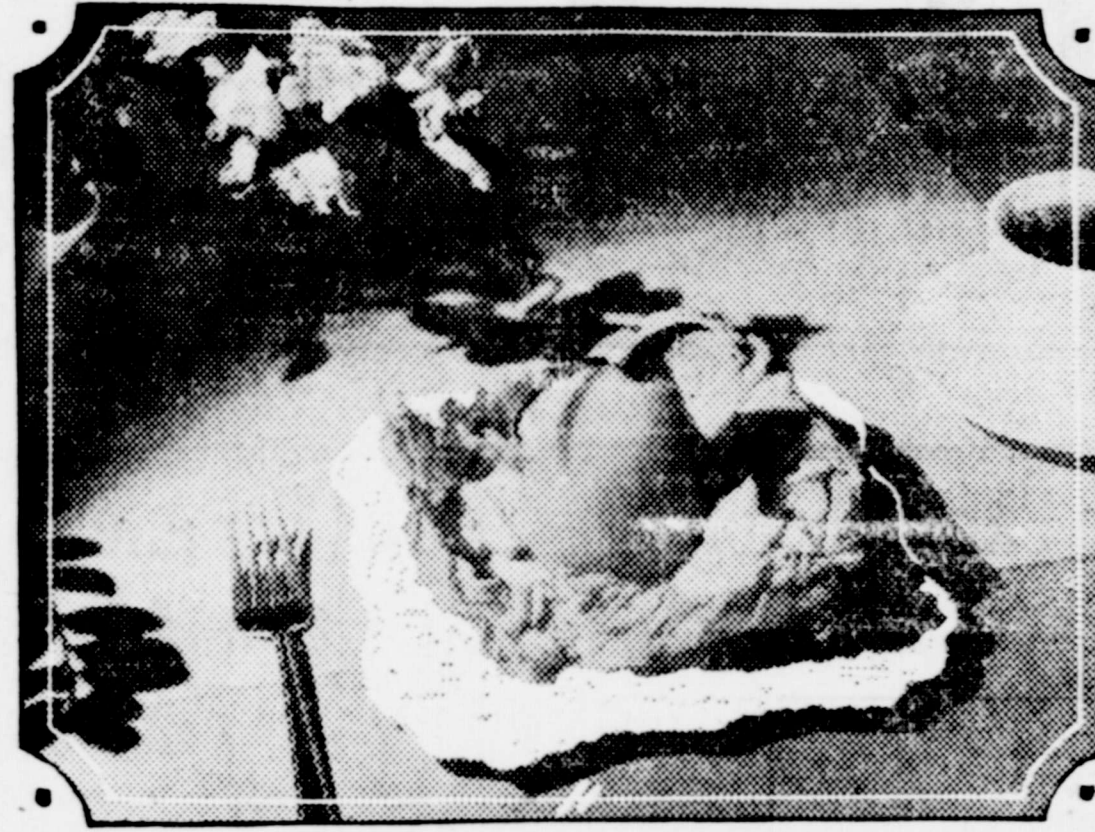

"Improving my bedroom has given  
me more pleasure than anything else  
I have done in improving the house,"  
says Mrs. Jack Dempsey, bedroom  
demonstrator for the Croton home  
demonstration club. "When I began  
there was a bare ugly room with only  
a bed, an old table, and chair in it.  
The bed was a fairly good iron bed  
but sadly in need of a good coat of  
paint; the chair and table were past  
describing."

"The first thing I did was to thor-  
oughly clean the whole room. My  
room had been used six years by  
the gin boys; it even looked more  
abused than the other furniture. I gave  
all the furniture two coats of ivory  
enamel. That made such a difference.  
"We papered the walls and ceiling  
of the room with a pretty pattern  
of paper. For the windows I found two  
shades and some curtains that I used  
in 1926. By carefully laundering the  
curtains I decided they looked well-  
enough to use and they were lovely  
with the paper. The floor was not very  
good so I put a Gold Seal Congoleum  
rug on it and finished the floor ar-  
ound the rug."

The clothes closet needed a rod for  
hangers; looking among the used sup-  
plies of the gin I found a pipe that  
fitted nicely. I added a shelf to the  
closet too.

"The most attractive thing about  
my room, to me, is the restful colors  
in the paper and rug. The furniture  
is cool and restful too. I have a lovely  
room and spent only \$6.80 plus work  
for it did take work to make such  
nice looking furniture from old dis-  
carded pieces."

**Spring Salads Come in Pears!**

Pears generally oughtn't to travel  
singly! But paradoxical as it seems,  
this pear is quite complete in itself!  
It's the newest mode in spring salads  
—and from its rosy blushing cheeks  
to its luscious "Philadelphia" Cream  
heart, it is the very spirit and form  
of springtime. Delicately flavored,  
crisply casual in appearance, piqua-  
ntly colored with just the barest of  
pink coloring to simulate the blush  
of summertime pears—the stuffed  
pear salad is equal to the important  
springtime task of intriguing lagging  
appetites.

With the salad season just begin-  
ning in homes all over America,

salad fashions take on added im-  
portance. Stuffed pear salad is one  
of the simplest of all to prepare, and  
one of the most joyous to contem-  
plate, either for the dinner salad,  
accompanying the entree, or for the  
spring luncheon.

Press two halves of pear together  
with a generous filling of "Philadel-  
phia" Cream Cheese, which has been  
slightly softened with milk if neces-  
sary. Rub a drop of pink coloring  
on each side of the whole pear, to  
simulate fresh fruit. Place the pear  
upright, on crisp lettuce. Serve with  
salad dressing. Garnish the stem-  
end of the pear with a leaf or two of  
watercress, or other greenery.

Attorneys G. E. and John Hamilton  
of Matador, were in our city Monday  
looking after professional matters.

**HOW WOMEN  
CAN WIN MEN  
AND MEN WIN**

**The Favor of Other Men**  
Unless two pints of bile juices flow daily  
from your liver into your bowels, your  
food decays in your bowels. This poisons  
your whole body. Movements get hard and  
constipated. You get yellow tongue, ja-  
undice, low skin, pimples, dull eyes, bad breath,  
bad taste, gas, dizziness, headache. You  
have become an ugly-looking, foul-smell-  
ing, sour-thinking person. You have lost  
your personal charm. Everybody wants  
to run from you.

But don't take salts, mineral waters,  
or laxative pills, laxative candies or  
chewing gums and expect them to get rid  
of this poison that destroys your personal  
charm. They can't do it, for they only  
move out the tail end of your bowels and  
that doesn't take away enough of the de-  
cayed poison. Cosmetics won't help at all.

Only a free flow of your bile juices will  
stop this decay poison in your bowels. The  
free flow of your bile juices is Carter's  
Little Liver Pills. No calomel (mercury)  
in Carter's. Only the mild vegetable

**Local Compliance  
Boards Cease Duties**

Local NRA Compliance Boards, es-  
tablished nine months ago by the Na-  
tional Recovery Administrator, Hugh  
S. Johnson, in various cities and  
towns of Texas to assist in adminis-  
tering the President's Reemployment  
Agreement, will be relieved of fur-  
ther responsibilities and pass out of  
existence on Friday, June 15th. The  
ing, now greatly reduced in volume  
duties which they have been perform-  
ing since the President's Agreement in a great  
majority of industries, will thereafter  
be performed by the offices of the  
State NRA Compliance Director at  
Houston, Dallas, and El Paso, to  
whom all complaints concerning NRA  
violations should in the future be sent.  
Letters have been sent to all Com-  
pliance Boards in the United States  
by General Johnson, conveying the  
thanks of the President and of the Ad-  
ministration for the almost invaluable  
services which they have rendered in  
connection with the organization  
stage of NRA procedure, which is now  
yielding place to the second, or admin-  
istrative stage. He pointed out that  
although the Boards were originally  
set up to serve for a period of only  
forty-five days, that period had been  
extended from time to time and that  
"each time you have willingly and  
voluntarily continued to devote your  
time and efforts to aid in the drive  
for National Recovery. The President  
and this Administration fully realize  
the great amount of work entailed in  
performing the duties which were as-  
signed to you, and sincerely appre-  
ciate the manner in which you have  
unselfishly donated your services in  
this emergency. The splendid results  
obtained through your efforts are a  
considerable degree responsible for  
the success the NRA has achieved  
thus far in attaining the objectives of  
the Recovery Program."

Approximately seventy-five thou-  
sand cases have passed through the  
hands of the Local Compliance Boards  
during the past nine months. Many  
of them have been adjusted locally with-  
out need for further action. In the  
State of Texas alone, the Local Com-  
pliance Boards, of which there were  
339, have successfully adjusted 453  
cases, involving the restitution of  
back wages amounting to \$10,598.74.  
Literally thousands of other cases  
were adjusted, a record well deserv-  
ing the appreciation of the President  
and the Administration.

**McADOO**

Mr. and Mrs. W. W. Buckner have  
their daughter, Mrs. Marvin Gatlin  
of Oklahoma, visiting them.

G. H. Snider and J. L. Rosamond,  
cotton buyers of Spur, were in this  
vicinity on business the past week.

Mrs. J. R. Robertson and daughter,  
Jimmie Nell, were shopping in Spur  
Thursday.

Mr. and Mrs. V. C. Early of Long-  
view, returned to their home the  
first of the week after spending sev-  
eral days here during the illness and  
death of their father, T. P. Early.

The Caprock Union League met at  
Roaring Springs Thursday night.

Ralph Barton of Morton, is here  
working in the harvest.

Harvey Hines was in Spur and the  
surrounding territory Tuesday of last  
week.

Florence Sparkman went to Okla-  
homa the past week for an extended  
visit with her grandmother.

J. T. Brantley, W. O. Cherry, Chas.  
Barker, Mr. Wallace and Mr. Loyd  
returned one day the past week from  
a fishing trip. They reported having  
caught plenty of fish and brought  
home a 40 pound fish.

Jimmie Nell Robertson and Doris  
Ruth Brownlow went to Dallas Fri-  
day for a nexted visit with Jimmie  
Nell's sister and Doris Ruth's moth-  
er, Mrs. Earl Spencer and husband.

Aline Allen, Tech student, was at  
home during the week end with her  
parents, Mr. and Mrs. G. W. Allen.

Mrs. W. O. Cherry is attending sum-  
mer school at Canyon. Little Mary  
Leatrice and Lora Dell are spending  
a happy vacation with their grand-  
parents.

Mrs. Ivey Brown and daughter,  
Billie, were in Spur Thursday.

Marjorie Van Meter, who is attend-  
ing summer school at Tech, was at  
home this week end with her parents,  
Mr. and Mrs. Earl Van Meter.

Mr. and Mrs. Dave Early and Clar-  
ence Early of Cleburne, who were  
here during the illness and death of  
their father, returned to their re-  
spective homes the first of the week.

A number from here attended the  
singing at Wake Sunday afternoon.

Chas. Barker was a business visitor  
in Spur Friday.

Mr. and Mrs. Jack Derr returned  
from Dallas Thursday after visiting  
Mrs. Derr's parents, Mr. and Mrs.  
Rains.

The 4-H club girls met Tuesday  
and went to see Ciara Rich's bed  
room.

Mrs. Roy Nickles was a business  
visitor in Spur Tuesday.

Mr. and Mrs. Frank Early returned  
to their home at Big Spring the first  
of the week.

T. L. Dozier was in Spur Tuesday.

Mr. and Mrs. Clyde Allen made a  
business trip to Lubbock Saturday.

**ANOTHER MISTAKE TO  
OUR CREDIT**

Mistakes in the newspaper business  
may not be more numerous than in  
any other business, but they are more  
pronounced. Newspaper mistakes go  
out in print and no one has an oppor-  
tunity to change the meaning or ex-  
pression.

Last week we stated that Mims and  
Tidwell were operating a garage at  
the Motor Hospital location. Mims and  
Tidwell have bought the property, but  
John Mims is operating the garage.  
Mims' Garage has been moved to the  
Motor Hospital location but Mr. Tid-  
well is not associated in the garage  
business in any manner. He is taking  
care of the sheet metal work at Bry-  
ant-Link Company's location just west

**TOMATOES DOING WELL  
OVER TILE**

"I set my tomatoes all at the same  
time and the ones set over the con-  
crete hollow tile are more than twice  
as large as the ones in the rows be-  
side them but not sub-irrigated," re-  
ports Mrs. B. Rogers, farm food sup-  
ply demonstrator for the Dry Lake  
home demonstration club. "We made  
only 125 feet of tile this year but I  
want to have the whole garden sub-  
irrigated next year. There is no com-  
parison in surface and sub-irrigating

the garden. I have some cucumber  
over the tile too and they are doing  
well."

Mr. and Mrs. Tom McArthur of Red

Mud country, were in our city Mon-  
day doing some trading.  
L. H. Clifton of Roaring Springs,  
was attending to business matters in  
our city Monday.

For The Farmer's Daughter

This new model tractor with Firestone low-pressure tractor tires made a big hit with the Virginia O'Brien dancers when this tractor made a trip through the downtown streets of Milwaukee, Wisconsin, recently. Manufacturers, farmers and farmers' sons are enthusiastic about tractor tires—now it looks as if even the farmers' daughters will get a thrill out of driving the rubber tired "iron horses."

IN MEMORY OF GERTRUDE HAGINS

Oh, how sad, and grief stricken, we are since the death angel visited our brother's home and kissed the eye lids closed of his darling wife, our sister, daughter and mother, Gertrude. She was so good, sweet, kind, true and loving to her children and her home, and to us all. She was not with us long but we had learned to love her. She drove the arrow of love straight to our hearts. She was loved by all who knew her. And just why our little darling was taken away from us, we do not understand, oh, so young, so pretty and so sweet and good. And just in the bloom of life. Oh such comfort and pleasure she was to mother Hagins and Dad just to know they had a dear daughter like her. At the age of fourteen, God knocked at her hearts door, and she heard his pleading voice, accepted him as her personal Savior, walked in the light, talked of the things that was right until she finished her work here and her life's crown was won. She built her hopes on things eternal, and now God has called her from

this earth, she'll be with us no more, she is singing with the angels on Heaven's golden shore, there is no one can take her place, no, never any other. She did not fear at all to die, the thought of death was sweet. She knew that Jesus would be near, to lead her on the golden street. Let us try not to weep for her dear ones for if we live the life she did we will not have to bear the burdens alone. She is where there is no pain, weeping, sadness, sorrow, anguish, she will never know again for she is gone where all is love, where the soul never dies, sweetest peace is ever with her, she is resting now above. In the arms of blessed Jesus. There on flowery hills of pleasure in the fields of endless love. She will be with Christ forever in the shining courts above. Let us then be true and faithful. Let us pray for her ever more. That we'll meet her with the angels On Heavens golden shore. Where we never grow tired or weary. And life seems dark and dreary. But all is sunshine and joy unspeakable. There with her we will part no more, Oh, how sweet when life is complete, where all is love. How glad the angels, must have been, When God called her home with them. —Mrs. Jerome Hagins.

farmers and stockmen borrowing from production credit associations in Texas are obtaining loans for financing their livestock operations or for general farm purposes, such as for purchase of machinery and equipment, and for financing repairs and improvements. This trend toward livestock and general purpose loans is reflected in a gradual increase in the size of loans, he said. Stockmen and farmers borrowing from these newly organized, short-term credit institutions, partially owned and operated by the farmer-borrowers, are able to reduce their interest charges materially as loans now being made bear interest at the low rate of five per cent per year, and that only for the time the borrower actually has use of the money.

William McGraw Pledged Majorities By W. Texas Voters

Between the hub of the Panhandle and the foot of the Sierra Madres, William "Bill" McGraw, starting from Amarillo, this week took to the people his pledge of uncompromising performance of the duties of the attorney general's office he seeks, he notified his state campaign headquarters in Austin. Mr. McGraw reached El Paso Saturday. Before leaving Amarillo, Mr. McGraw received reports of major support in northwest Texas as the immediate response to his seven-day swing through that section. "Everywhere," Mr. McGraw said, "I have gotten pledges of support, even in quarters where I least expected it. I'm confident of a big majority in the west where the people appreciate a clean constructive campaign, and vote on merit rather than personalities." Mr. McGraw's newly appointed northwest Texas campaign manager, John A. Storey of Vernon, and Judge Joseph H. Aynesworth of Borger, Hutchinson county, sent assurances of a sweeping victory. "The people have responded to my solemn pledge to give wholehearted and uncompromising assistance, when requested, to cities and towns engaged in utility rate reduction controversies, just as they have to my promise of safeguards in banking and insurance and preservation and development of the public free school fund," Mr. McGraw said. This week Mr. McGraw campaigned in Plainview, Lubbock, Big Spring, Midland, Odessa, Pecos and other points along the route to El Paso. Mr. McGraw explained the attorney general's duties in connection with the permanent school fund and declared that the schools, students and teachers may be confident of "a real friend in this key office at Austin. No one can deny that vast sums can be added to the school fund by courage in recovery suits. Many a school in this great state now has a five or seven months terms, when it should have full 9 months. By recovering for the school fund its just dues, we will add just that much more revenue to the amount of state aid funds." Walter Anderson, representative of the Forworth-Galbreath Lumber Company with headquarters at Lubbock, was in our city Monday talking business with our lumbermen. F. L. Byars of Afton, was transacting business in our city Monday. F. F. Henry of Duncan Flat, was in our city Monday looking after business matters. Thomas Pirtle, of Lubbock, representing the Portland Cement Company, was in our city Tuesday attending to business affairs. G. F. Harris, of McAdoo, was transacting business and greeting friends in our city Monday.

YOUNGEST HIGH SCHOOL BOY IN COUNTY

Max Kennedy, son of Mr. and Mrs. Sabe Kennedy of Croton community, holds the record of being the youngest graduate from Grammar school in the county, and probably the youngest in the great state of Texas. Max was 11 years of age May 1, this year, and took the county uniform examinations May 14 and 15, being one of the four highest in grades in the county. He was valedictorian of his class at the close of school and represented his school in declamation at the County Meet. Max is an exceptionally fine looking boy, but he has never permitted that idea to get between him and success. He does his share of work on a farm of 320 acres, assisting with all the work on the farm, and during the school term he made himself useful in helping to milk six to seven cows from September until about Christmas. In addition to all the work he did on the farm he made all the sixth grade work in school the first half of the year and was promoted to the seventh grade at mid-term. Being encouraged at his progress, he started in to complete the seventh grade work during the remainder of the year and was successful, acquiring the highest grade in his class and was among the four highest in the county. Next September he will start his first year of high school work, and by the time he is 12 years of age, practically will have completed the work and be ready for the second year of high school work. Max is bright mentally and in addition has a wonderful desire at application. He works at the job and is never content with making just a passing grade—he works to master the subject. He gets along well with his teachers, is courteous to others, and manly in his attitude toward his classmates. CARD OF THANKS We want to thank each and every one of you for the good deeds and kind words spoken, and also for the beautiful floral offerings during the death of our sweet wife and mother, son and brother. By your great kindness you have made the burden much easier to bear and the way seem much brighter than we could expect. May God's richest blessings rest on each and every one of you is our prayer. Harvey S. Holly—husband and father. Elvis Holly—son and brother. Curtis Holly—son and brother. And other relatives. Dr. J. F. Hughes of Roaring Springs, was in our city Monday on professional affairs. H. B. Lewis of Croton country, was attending to business matters in our city Monday. Mr. and Mrs. C. D. Bird of Matador, were here Tuesday greeting friends and attending to business interests. Mrs. W. D. Starcher and William Starcher were in Lubbock Thursday. Mrs. Starcher had a minor operation on her throat.

Q. C. Newberry of Dickens, was in our city Monday greeting friends and looking after business affairs. Jim McArthur of Red Mud community, was looking after business affairs in our city Monday. Mr. and Mrs. A. Lawler of Red Hill country, were in our city Monday doing some trading. Seales Ernest of Croton community, was attending to business affairs in our city Monday. He stated he received a good rain and enough hail Saturday night to destroy his cotton crop and will have to replant. Mrs. Bob Belcher and daughter,

Johnnie Ruth, of Christoval, are visiting their mother and grandmother, Mrs. F. F. Henry of Duncan Flat.

Hectic Days Sleepless Nights

IF YOU are nervous today, you probably will not sleep well tonight. If you don't sleep well tonight, you will probably be nervous tomorrow. Don't allow yourself to become nervous. Take Dr. Miles Nerveine. It will relax your tense nerves and let you get a good night's sleep. Irritability, Restlessness, Sleeplessness, often lead to Nervous Headache, Nervous Indigestion, Hysteria—sometimes to a nervous breakdown and organic trouble. Some of the people, whose letters are printed below, were as nervous as you are—possibly more so—yet they have found relief. Three years ago I was so nervous I could not bear to go out in company and could not sleep nights. A friend recommended Dr. Miles Nerveine. I now enjoy myself thoroughly and sleep every night. Miss Juliette Carrier, New Market, N. H. I have used Dr. Miles Nerveine in liquid form and find it the best medicine for the nerves I have ever used. Christine Lanier, Madison, Tennessee. Whenever I have over-indulged and feel restless I take one or two Nerveine Tablets just before I retire. In the morning when I awake I feel like a new person and can go about my work as usual. Dr. Miles Nerveine Tablets quiet your nerves, brace you up and are the simplest, most convenient tablets to take I have ever found. Miss Grace Redmann, St. James, Minn. Before using your Nerveine I was very nervous and irritable. Since I have started to take it, I feel so much better that my family notice the difference. I still take it from time to time and the good result is wonderful. J. H. Redding, 1027 18th Ave., Rock Island, Ill. Dr. Miles Nerveine Liquid and Effervescent Tablets

Credit Association Loans Show Increase Over 6,800 Texas farmers and stockmen had arranged to borrow \$2,183,000 from their cooperatively managed production credit associations by June 5 and \$1,850,000 had been paid out to finance the production and marketing of their crops and livestock, according to figures made available today by Tully C. Garner, president of the Production Credit Corporation of Houston. Most of the balance of \$333,000 is being advanced to farmers who are obtaining their loans in installments during the season, Mr. Garner said. As the season progresses, it was pointed out, a larger proportion of the

STAKE TRUCK 157-inch Wheelbase.

This Truck can "take it" because it's All Truck!

80 H. P. Ford V-8 Engine—Special truck power-based for fine performance on regular fuel. New Full-floating Rear Axle—entire load carried on the strongly ribbed axle-housing.

THE new Ford V-8 can "take it" with a heavy load in any weather because every part is a true, heavy-duty truck part. In designing this unit no compromise with passenger car manufacture has been allowed at any point in the chassis or body. The new Ford truck has a special, heavy-duty, 8-cylinder truck engine. It develops 80 full horsepower. Dual down-draft carburetion has added to the V-type engine's inherent economy and power. New floating copper-lead connecting-rod bearings prevent bearing failure. These brand-new inserts do not pound out. The rear axle is full-floating. The driving pinion is straddle-mounted. See the new Ford V-8 now on display at your nearest Ford dealer's. Body types available in two wheelbases to meet every hauling need. FORD V-8 Trucks AND COMMERCIAL CARS Easy terms through Universal Credit Company

The "Electrical Age" Our development of 2,600 miles of transmission network in West Texas connected to three major power plants and many dependable local plants has made it possible to do all our tasks by simply pushing a button. Cooking Heating Washing Ironing Sweeping Air Conditioning Light and Power of any demand can be purchased at rates below the nation's average. Electric Service is the most flexible and dependable source of power known to mankind. Your increased use of it on our surprisingly low rate schedules will afford co-operative effort in the continued development of West Texas —our "Land of Opportunity." West Texas Utilities Company

**JOE COLLIER FUNERAL**

**MOVES INTO NEW LOCATION**

Last week, Henry Gruben moved his watch repair and jewelry business to Sanders Pharmacy. He is prepared to take care of all watch, clock and jewelry repair work.

Mr. Gruben has been located in Spur many years and people know about his work far better than we can tell you. He is considered a good watch repair man and a good jeweler and stands behind his work. Give him a trial.

**MRS. A. P. STOKES HOSTESS TO QUILTING CLUB**

Mrs. A. P. Stokes was hostess to the Afton Quilting Club Thursday of last week.

One quilt was completed, "The Ship of Dreams," which was presented to the hostess by the club members. Another, "The Bird Quilt," was only about half finished.

Most of the members and a number of visitors were present.

Those present were: Mesdames L. W. Fite, W. J. Hickman, A. K. McAllister, Bonnie Bone, T. B. Harvey, J. H. Palmer, J. M. Dawson, Allie Barton, W. R. Stafford, T. W. Lester, A. J. Dozier, Jack Fite, W. B. Burt, J. N. Haney, P. J. Hext, Pete Hext, Luther Stark, Misses Effie and Estelle Dawson, Eva Collier, and a number of children.

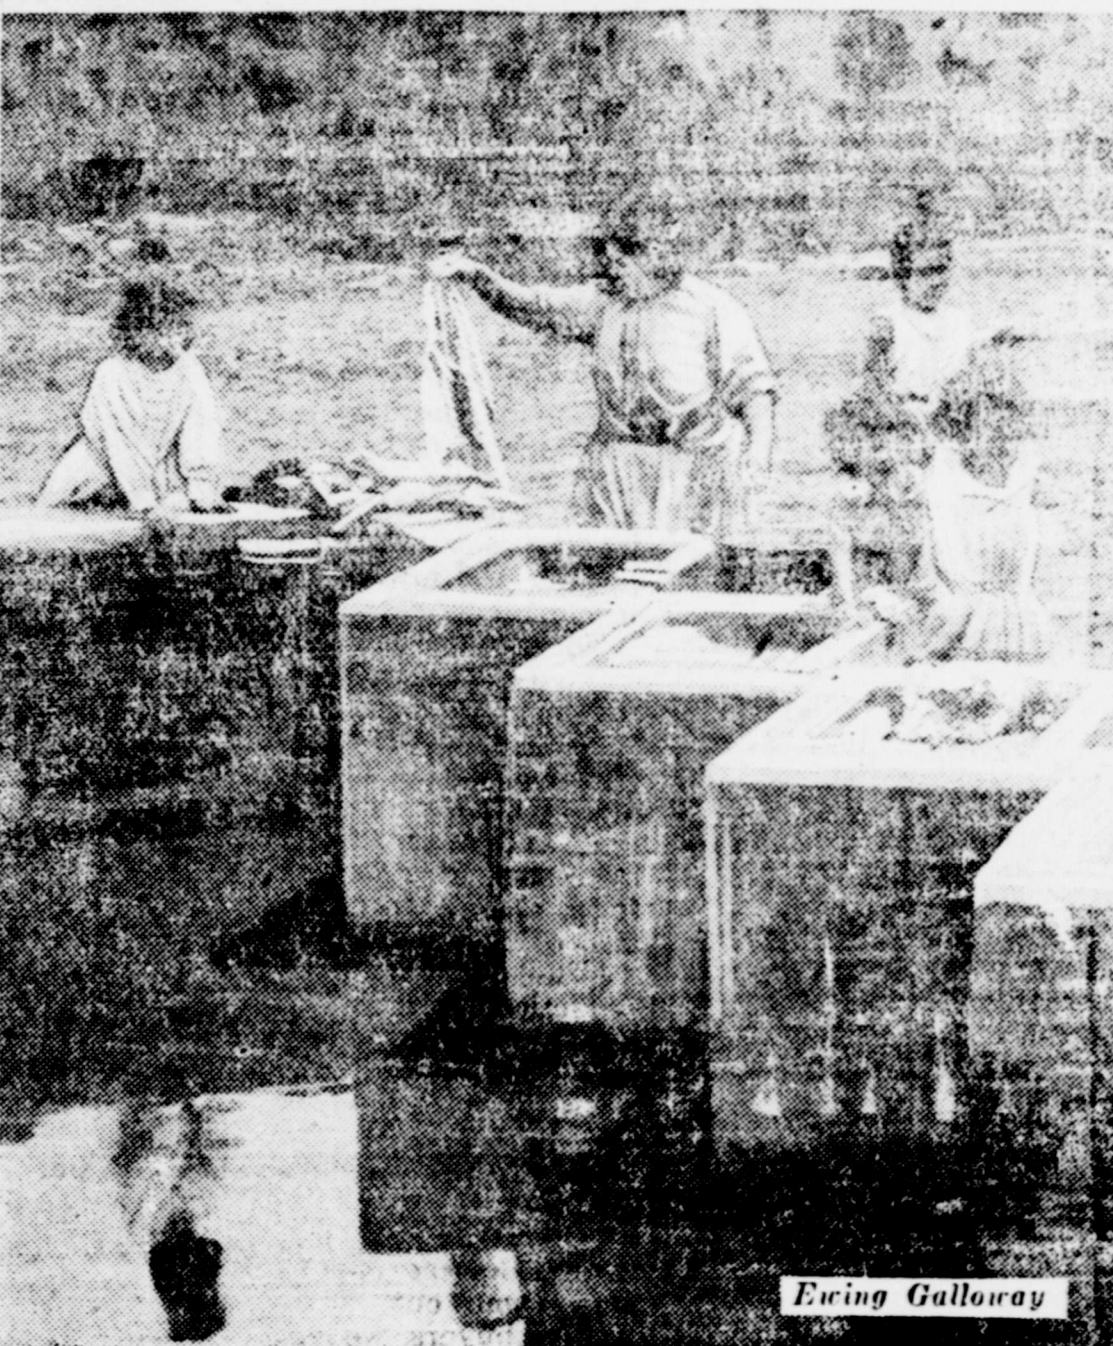

Dinner was served at the noon hour and enjoyed by everyone. All present enjoyed the day. —Reporter.

**DRY LAKE CLUB**

Many improvements have been made in the bedrooms of our cooperators. Those that have finished their tufted bedspreads seemed to have enjoyed making them, more than other work, in the bedroom. The spreads were on exhibit at our last meeting.

July 28 is our clothing achievement day. We will meet at the school house at 2 o'clock and go from there, as many cars as is necessary, to the home of our wardrobe demonstrator, Mrs. J. L. Hurto. If you have finished your contest dress or slip bring them for exhibit. —Reporter.

**A Drowning Man Usually Loses His Head!**

Ewing Galloway

The municipal authorities of the town of Tlalpan, Mexico, not only have no objection to their citizens washing their dirty linen in public, but have actually provided the women of the community with public basins of concrete to aid them in laundering their clothes.

American housewives accustomed to washing methods made easy by modern plumbing and quick laundry soaps, like Oxydol, which eliminate the need for tedious scrubbing, certainly would never savor their daughters in the footsteps of these native children.

**CARD OF THANKS**

We shall never forget nor cease to appreciate your kind expressions of sympathy and the many, many favors and courtesies extended during our bereavement following the tragic death of our dear husband, father, son and brother. The floral offering was lovely.

We have never experienced such beautiful demonstrations of unselfish friendship. Regret that we do not have words to express our genuine and sincere appreciation.

There will always be a warm place in our hearts for each and every one of you.

Our fervent prayer is that God's richest blessings may always rest and abide with you.

- Mrs. Joe R. Collier.
- Mildred Clytee
- Mary Jo Joyce
- Norma Jean
- T. W. Collier and family.
- Mrs. D. N. Loe and family.

**NEW BOOKS IN CITY LIBRARY**

A number of new volumes have been added to the library at the city office and people are invited to read these books. They are good works and many will appreciate them. They are as follows:

"The Life of Our Lord," by Charles Dickens; "Testament of Youth" by Vera Brittain; "The Forge," "The Store," "The Unfinished Cathedral" by T. S. Stribling; "The Dark Hazard" by W. R. Burnett.

Spur's public library continues to increase and it will not be many years before we will have a very complete line of public reading.

**INFANT DIES**

The infant of Mr. and Mrs. W. J. Driggers, of Gilpin, died Monday evening. Funeral services were conducted at the Spur cemetery at eleven o'clock Tuesday morning. Rev. J. A. Laney, of the Spur Methodist Circuit, held the services and was assisted by Rev. W. B. Bennett. Interment followed in Spur cemetery.

WANTED—To buy good used piano for the school. See trustees of Dry Lake school; Ellis Draper, B. Rogers, and Jeff Smith. Itc  
M. C. Golding and son, Barnard, left Tuesday for Dallas where they will buy a selection of new merchandise for B. Schwarz & Son.  
Mrs. P. C. Nichols and daughter,

visiting their parents, Rev. and Mrs. W. B. Bennett, and their grandparents Mr. and Mrs. H. C. Allen of Dry Lake. Editor Starcher of the Times was in Dallas the last of the week attending the State Press Convention. He reports a very interesting session of

the Texas Press. Mr. and Mrs. John D. Carroll, of Chickasha, Okla., visited friends at the Nichols Sanitarium Tuesday and Wednesday. Mr. Carroll was a patient in the sanitarium several weeks last winter.

**Ford Prices Reduced Effective June 15th**

Detroit, Mich., June 18—Reductions of \$10, to \$15, in list prices of 1934 Ford V-8 passenger cars and \$10 to \$20 in list prices of Ford V-8 commercial cars and trucks were announced last week by the Ford Motor Company effective Friday, June 15.

Ford prices had remained unchanged since the introduction of the 1934 Ford V-8 last December, the Ford Motor Company not having participated in the recent general automotive price increase. The reductions announced are, therefore, a decrease in the original prices.

The price reduction on the standard and de luxe Tudor Sedans, most popular individual models in point of sales, is \$15. Prices of other standard and de luxe body types were reduced \$10, except prices of the Roadster, Phaeton and Cabriolet, de luxe types, which remain unchanged. Both standard and de luxe passenger cars have the same V-8 engine and 112 inch wheelbase chassis. Body types for both are identical except for the de luxe equipment.

C. D. Bird of Matador, was attending to business matters in our city Tuesday.

T. B. Watson of Dickens, was attending to business matters in our city Tuesday.

**YOUR STOMACH**

It's time to do something when:

- You can't look a meal in the face;
- Eating always means stomach pain, distress;
- Gas, belching, bloating give you daily discomfort;
- You're nervous; you lose sleep; you're dragging around "half alive."

If that describes you, then you already know baking soda and things like that don't do any lasting good.

If you're going to get that stomach back on the job—to where you can eat what you like and enjoy it, sleep like a log, feel "like a million dollars"—isn't it common sense to get after the cause?

Every day your body must purify itself of certain poisons and purities that otherwise result in sickness and pain. When it cannot do this vital work properly it must have help.

Many already have found this help in Crazy Water Crystals. Thousands of them have written us: "I can eat what I like once more. I am sleeping soundly. I feel ten years younger."

Crazy Water Crystals are taken from a great cleansing, purifying mineral water—they were prepared by old Mother Nature herself. They are not some human being's idea of how this cleansing ought to be done. Nothing is added to them. Anyone who tells you a different story does not tell the truth.

This cleansing means a great deal more than just moving the bowels. This mineral water—made at home with Crazy Water Crystals—cleanses the system—not just the digestive tract. The part played by the kidneys in this purifying work is as great as, or greater than that of the bowels. And drinking this mineral water increases elimination through the kidneys as well as through the digestive tract.

This explains why so many thousands of victims of other troubles besides stomach disorders—many of the aches in muscles and joints which they call "Rheumatism," "Arthritis," or "Neuritis;" terrible backaches; headaches; loss of sleep and extreme nervousness; and some things less serious, like ugly skin, foul breath, etc.—bless the very name "CRAZY." The way to up-root a trouble like this is to get right at its cause.

We do not believe Crazy Water Crystals are magic. They are not a cure-all. But if your life is being made miserable by one of these troubles give them a thorough, honest trial. Get a package to day. Stay with them a month at least. It will cost you only a few pennies a day, at the most. And then let your own common sense tell you how much better you feel.

**Supports 13 in Family and Buys Home With Portion of His \$3-a-Day Income**

How to support a family of thirteen and buy a home on \$3 a day involves just three principles, says Joseph Flores, Colorado Springs, Colo., who is winning nation-wide newspaper notice for his accomplishment. "First, you get a good wife; second, you work like hell, and third, everybody must love everybody else in the family," he said. Each month he gives half of his wages to his wife for food. The family has meat three times a week. With his half of the income, Flores keeps up insurance, pays doctor bills and others, takes the family to a movie now and then and buys one newspaper a week. His wife makes over the other children's clothes for the others.

Flores recently finished buying a home, also out of his income. He purchased a washing machine, one of the higher-priced ones, on installments of \$6.60 a month to solve the big cleanliness problem in his home. When the American Washing Machine Manufacturers' association learned of his purchase, and that two payments remained due, it sent him the money in recognition of his foresight and ability in managing his small budget.

"Mr. Flores thus demonstrated that even families of extremely limited income can manage the purchase of a washer," commented Secretary J. R. Bohlen in Chicago. "In cost it ranked next in importance to his house and his insurance."

**Good News For Motorists! Operating Costs Cut 25%**

**COSTS** of operating motor cars have been reduced approximately 25 per cent within the past two years, and even greater savings will be possible as a result of latest mechanical improvements on new cars with their advanced lubrication systems.

While all savings in operating costs are welcome news to motorists, it is doubtful if many prospective buyers of new cars have considered in detail the economy of lubrication compared with a car built as recently as two years ago. These facts, more or less overlooked in the general praise of the latest sleek, low-hung models coming from the car makers, are based on statements made recently to retailers in the automotive field by J. M. Koch, one of the leading Quaker State lubrication experts.

It is also possible for the new cars with advanced type gears to show greatly reduced expenses for repairs if the correct extreme pressure lubricants are consistently used.

A factor frequently overlooked, which is of interest to the non-motoring public, is the improved safety of the motor car of today. The lowered chassis with its greater ability to stick to the road, improved ease of steering, and more effective control, represents security for rider as well as pedestrian. This improvement would not have been possible without the development of new lubricants for the smaller gears, able to stand up under the increased demands of greater pressure and speeds.

Brister, to accompany them. They drove to Celina Saturday evening. Funeral services were held in Celina Sunday afternoon and interment followed in Celina cemetery.

**KENT COUNTY SINGING CONVENTION AT CLAIREMONT**

The Kent County Singing Convention will meet Sunday, June 24th at Clairemont, beginning at 1:30 p. m. Everybody invited to attend and bring your song books. The singing will be in a nice cool auditorium with plenty of seats. Also plenty of ice cold lemonade free. Come.

**CROTON CLUB PLANS FOR CLOTHING CONTEST**

The fact that our club was organized too late in the year for us to have a wardrobe demonstrator is not keeping us from having a good exhibit of cooperators' dresses at the county clothing contest in July, was the decision of the Croton home demonstration club in their regular meeting at the home of Mrs. J. W. Offield Wednesday when the members studied line and color and design and planned their dresses for the contest.

The bedroom achievement program will be at the home of the bedroom demonstrator, Mrs. Jack Dempsey, June 27th.

Members present Wednesday were: Mrs. J. W. Guyer, Mrs. Edith Cheyne, Mrs. Jack Dempsey, Mrs. David Richey, Mrs. J. P. Legg, Mrs. Velma Butler, Mrs. J. W. Offield.

Mrs. Butler, reporter.

**ESPUELA CLUB HAS ACHIEVEMENT PROGRAM**

The wardrobe achievement program for the Espuela home demonstration club was held at the home of the wardrobe demonstrator, Mrs. F. B. Crockett, Thursday afternoon when the demonstrator gave a report of her work as demonstrator and the cooperators made their reports. Plans were made for the club to be 100% in the county clothing contest.

Three new members joined the club. After the program a social hour was enjoyed followed by refreshments of iced tea and cookies which

were served to Mrs. W. F. Foreman, Mrs. E. L. Spivey, Mrs. Wylie Ball, Mrs. R. C. McMahan, Mrs. Harris, Mrs. Graves, Mrs. Sharp, Mrs. Hatch, Mrs. C. Wade, Mrs. F. B. Crockett, and Misses Pauline Foreman, Ruth Spivey, Marcelle Greer, Lillian Messer.

Reporter.

**MRS. BASS PASSES AWAY**

An atmosphere of sadness passed over the Dry Lake community Monday morning as the death of Mrs. Fannie Eldora Bass was announced. Mrs. Bass had been ill about two weeks, and her advanced age seemed to be against her recovery.

Funeral services were held at the Dry Lake Baptist Church Monday afternoon. Rev. A. P. Stokes, her pastor and long time friend to the family conducted the services. Interment was in Spur cemetery.

Mrs. Bass was born October 17, 1855, and was close to her 79th birthday when she passed away. She and her husband, Thomas G. Bass, came to Dickens County in 1916 and located in Dry Lake community. They formerly had lived in Runnels County. Early in life she made a profession of religion and became affiliated with the Baptist church, living a devoted Christian life. Her husband still survives her.

**Chevrolet Price Reductions To Stimulate Sales**

Increased automotive sales, prolonging factory employment and proving a potent factor in the national recovery program, are expected by W. E. Holler, general sales manager of the Chevrolet Motor Company, as a result of the price reduction now in effect on all Chevrolet passenger cars and trucks.

The reduction, announced June 1, and effective the following day, not only brings all Chevrolet trucks and

Chevrolet Master knee-action models to the lowest prices since the introduction of the 1934 line, but applies also to the new Standard passenger cars formally introduced on June 2 at 62 General Motors exhibits throughout the country. These models were already the lowest priced cars of six or more cylinders on the market.

No changes whatever, Mr. Holler pointed out, have been made either in the product or in the equipment included in its price. The reduction reflects Chevrolet's success in reaching high-volume production with its 1934 line, and maintaining it consistently by reason of a strong public demand. It is, also, a frank bid for continuation of that demand.

"The immediate effect of the price reduction," Mr. Holler said, "will naturally be the stimulation of retail sales which are already at a high peak. This follows as a natural sequence to the fact that Chevrolet performance, economy, comfort, dependability and safety are now obtainable at the lowest outlay since the new cars came out. Thousands of prospective buyers, we confidently believe, will take advantage of this opportunity."

"Soon the result will make itself felt over a very broad front. It will not only stimulate business in the local community where each sale is made, but, in the aggregate, will help to maintain factory employment at a high level, benefiting untold thousands, in factory, field and mine, from which raw materials come, as well as the very large number directly engaged in building cars."

**ATTEND BROTHER'S FUNERAL**

W. B. Bennett of Spur, and C. R. Bennett of Gilpin received a message Saturday that their brother, W. L. Bennett at Celina, Texas, had died very suddenly.

The story told us by W. B. Bennett stated that his brother had been working in his wheat, and was feeling badly when he arose Saturday morning. An attack hit him just before seven o'clock in the morning and he lasted just a few minutes.

The two brothers left Spur just after noon Saturday and went by Hamlin to get a sister, Mrs. G. W.

**SUNDAY DINNER SUGGESTIONS**

By ANN PAGE

**T**HE real apple season has arrived—apples which are good to eat out of hand and apples for pies and puddings. The well-known Jonathan apple is excellent for both purposes.

The Thompson seedless and red Malaga grapes are both in market and they are firm and sweet, suitable for desserts, fruit cocktails and salads.

The famous Rocky Ford cantaloupes together with the pink meated melons and honeydews are in market. The green flesh of the honeydew with the yellow-pink of the cantaloupe make a colorful melon cup.

Both white and sweet potatoes or yams, are plentiful and excellent in quality. Cooking weather increases the appetite for these substantial and healthful vegetables. Onions are unusually cheap and plentiful. Well-cooked onions whether sauteed, buttered or creamed are apt to be enjoyed.

Here are the menus from the Quaker Maid Kitchen.

**LOW COST DINNER**

- Fried Sausage and Apple Rings
- Mashed Sweet Potatoes Okra
- Bread and Butter

This 22nd day of May, A. D. 1934. M. R. GOSS, Administrator, Estate of J. S. Goss, Deceased. May 31, June 7-14-21, 1934.

SHERIFF'S SALE THE STATE OF TEXAS County of Dickens

NOTICE IS HEREBY GIVEN That by virtue of a certain Execution with Bill of Cost issued out of the Honorable District Court of Lampasas County, on the 7th day of September, 1932, by J. B. Cockrell of said Lampasas County, for the sum of One Thousand Six Hundred Fifty and No/100 Dollars and costs of suit, under an Execution with Bill of Cost, in favor of J. B. Cockrell in a certain cause in aid Court, No. 4257 and styled J. B. Cockrell vs. T. E. Ballard, placed in my hands for service, I, W. B. Arthur as Sheriff of Dickens County, Texas, did, on the 30th day of May, 1934, levy on certain Real Estate, situated in Dickens County, Texas, described as follows, to-wit:

Abstract No. 276, W. S. Silliman Survey, Containing 60 acres; Abstract No. 762, Survey 356, N. Weber, Grantee, Containing 12 acres, and levied upon as the property of T. E. Ballard and that on the first Tuesday in July, 1934, the same being the 3rd day of aid month, at the Court House door, of Dickens County, in the Town of Dickens, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of aid levy and said Order of Sale I will offer for sale and sell at public vendue, for cash, to the highest bidder, all the right, title and interest of the said T. E. Ballard in and to said

property. Witness my hand, this 30th day of May, 1934. W. B. ARTHUR, Sheriff, Dickens County, Texas. 4t (Published June 7, 14, 21, 28, 1934)

IN MEMORY OF F. P. EARLY

The death angel visited the home of F. P. Early and claimed his life June 10, 1934. He was born in Tennessee December 29, 1853. His life was longer than the average man. He was true and kind to all. Funeral services were held at McAdoo Christian Church by Rev. Smith of Spur. His body was laid to rest in the McAdoo cemetery to await the resurrection morn.

Six children and wife survive him: Mrs. F. P. Early, Bonnie, Jim, Ed, Calloway, Dave and Clarence. All were present but one. One son and daughter have preceded him in death. The day is ended, ere I sink to sleep, My weary spirit seeks repose in Thine. Father! Forgive my trespasses and keep This little life of mine. With loving kindness curtain Thou my bed, And cool in rest my burning-pilgrim feet, Thy pardon be the pillow for my head So shall my sleep be sweet. At peace with all the world, dear Lord, and Thee, No fears my soul's unwavering faith can shake; All's well whichever side the grave for me The morning light may break. -Written by Mrs. Harvey Hines.

AVIATION VACANCIES IN THE MARINES

It is announced by Major P. D. Cornell of the U. S. Marine Corps Headquarters, 535 St. Charles St., New Orleans, La., that men who have served in the aviation departments of the Army, Navy or Marine Corps, and who desire continued aviation duty, will be sent direct to an aviation unit of the Marine Corps upon re-enlistment. In the past it has been necessary to obtain specific authority from Washington for a transfer of this kind. This authority has been delegated to Major Cornell, who states that in addition to aviation, there are a few vacancies in the Marine for general service. Full information will be furnished on request.

By Sam Iger

By Gus Standard

**Tom Hunter Pledges Law Enforcement**

"As the state's chief executive, it will devolve upon me to see that officers failing to perform their sworn duty in enforcement of laws be compelled to do so. Good law enforcement work by officers of the state, the county, the city, or other political subdivisions in the state is an essential arm of the safeguarding of society. As the Governor of Texas it will be my purpose to take remedial action if authorities whose duty it is to enforce the law permit flagrant violations." Tom P. Hunter, of Wichita Falls, candidate for Governor, declared in a statement issued from his state campaign headquarters at Wichita Falls.

"So long as a law is on our books it should be enforced and it is the duty of the legally constituted authorities to enforce it. If a law is not wanted it should be repealed, but such a repeal should be effected in a legal way and not by condoning violations. If, as Governor, I receive complaints from any county that flagrant violations of the law or laws are being permitted I shall make investigation and take the course of action that duty under the Constitution requires regardless of what county it may affect.

"As long as officers wink at violations of the law they are violating their sworn pledges and the more they do this the worse conditions get. Racketeering develops when such a laxity is permitted and nowhere in Texas should we ever permit a condition to arise such as the gangland or Capone situation in Chicago and other big cities of the nation. An officer need not be a fanatic, but if he administers the laws fairly and reasonably he is doing what society has the right to expect of him.

"As a means of bettering law enforcement conditions in the state and assisting officers in their campaigns against criminals Hunter declared himself for the removal of county line restrictions against sheriffs in pursuit of criminals, arming of officers with machine guns, radio equipment, and other scientific means of combating criminals; establishment of a central state bureau for assembling and broadcasting information on all known criminals, keeping fingerprint files, and maintaining other identification records; and the maintenance of a state school of instruction for the training of officers in law enforcement work. This plan was submitted by Hunter to the State Sheriff's Convention in 1932.

"By removing the county line restrictions upon sheriffs, and a statewide co-ordinating of police effort, we can create immediately a great, mobile police force without going to the added expense of maintaining a separate police other than our present ranger force and our state motor patrol. These state law enforcement arms can be used to supplement the efforts of local officers at any given point when the need for their assistance arises. A central state bureau which serves as a clearing house for information and records on all known criminals is the most important addition from the state's standpoint and should be had," Hunter said.

**Getting \$8 Per Ton For Hegari Roughage**

The Madera Valley Experiment Station located near Balmorhea has shipped 63 head of choice fat yearling Hereford steers to market which were finished at the station there in cattle feeding experimental work. These cattle were produced by the Reynolds Cattle Company nearby and were used by the Experiment Station to determine the extent to which cattle can be satisfactorily and economically finished on rations composed of a high percentage of roughage. The Madera Valley produces an abundance of alfalfa, sorghum forage, and other roughages which must be marketed either through shipment to other sections where these feeds can be used, or through the fattening and finishing of cattle in the region where both cattle and these feeds are produced. The abundance of alfalfa and other high quality roughages produced in the region, and the relative scarcity of locally produced grain present an unusual problem in the sale of these feeds through livestock.

Accordingly, the Station has for the past three years been feeding yearlings experimentally to determine how effectively and how economically the prevailing locally produced feeds can be used in fattening cattle for the market, thus developing within the region a better market for feeder livestock and a satisfactory means of selling the feeds produced on the irrigated farms of the region. This year, as previously, the cattle fed have made good gains and have shown exceptional finish in the killing pens. The rations on which these cattle were finished averaged 54 per cent roughage and 46 per cent concentrates which is more roughage than is ordinarily used in rations for fattening and finishing cattle in Texas and in the northern feedlots the percentage of roughage is still less. The rations used in these tests produced average daily gains ranging from 2.09 pounds to 2.44 pounds per day. This corroborates previous work showing that satisfactory gains can be made by using relatively large percentages of roughage in the ration in this region, and, incidentally, lowering the grain content, even though a slightly longer feeding period is required and a longer maintenance requirement accrues.

These cattle dressed out satisfactorily and were rated as some of the best finished cattle that had been on the yards this season. The top pens sold for 7 cents on the Fort Worth market. These steers cost \$28.45 per head delivered at the Experiment Station, and were sold at \$59.30 a head net, after all shipping and selling expenses were paid, averaging \$30.85 a head net above the initial cost, which of course represents largely the value of feed used in the finishing.

The gains made by these steers have enabled a good sale of the feeds consumed and point to a very good market on the farm for this roughage.

that has heretofore not been extensively utilized. Alfalfa in the Madera Valley yields some 3 to 4 tons per acre and hegari yields some 4 tons. These steers paid \$11.50 per ton for alfalfa hay and \$8.00 per ton for ground hegari fodder, which means that a farmer can sell in this way an acre of alfalfa for \$45.00 and an acre of hegari for \$32.00. This is a better return than is usually made.

These steers consumed a little more than 1-4 tons of alfalfa and up to 3-4 tons of hegari roughage during the feeding period. Roughly stated, for each 16 steers to be fed, a farmer would grow something like 1 acre of alfalfa and three acres of hegari. It is probable that even a higher consumption of roughage can be used but further trials will be necessary to show this.

**CHEVROLET DELIVERS 83,839 UNITS IN MAY**

A total of 83,839 units was delivered by Chevrolet dealers during May, according to figures released today by William E. Holler, general sales manager of the Chevrolet Motor Company. This total includes Canadian, export and domestic deliveries and represents a substantial increase over the same period of 1933 when 69,125 units were delivered.

"Deliveries of commercial cars and trucks were especially significant," said Mr. Holler. "The commercial car and truck total for May of 15,134 units over-shadows the excellent figure reached in May, 1933, when 10,879 units were delivered. Sales of both passenger cars and trucks improved greatly during the last ten-day period of May and accounted for the impressive retail sales total for the month."

Retail sales the first five months of this year now total 364,872 as compared with 253,263 for the same period a year ago, an increase of over 110,000 units. Domestic truck deliveries for the five months nearly doubled last year's figure, 68,207 units being delivered against 34,372 units in 1933.

**PRESIDENT HAS ALWAYS FAVORED CODE PRACTICE**

(An Editorial)

In his order approving a code of fair competition for the canning industry, President Roosevelt required the industry to appoint a committee to cooperate with the National Recovery Administrator in the formulation of standards of quality of products of the industry and to make recommendations to the Administrator within 90 days for inclusion in the code of provisions with respect to such standards and labeling requirements.

When the President was 24 years younger, as a State Senator in New York, he made a valiant and vigorous effort to secure the enactment of legislation to regulate the canning industry. He urged upon his colleagues the need for requiring definite labels on containers, not only to inform consumers as to their contents, but as evidence that the product was properly graded. That was in 1910. He continued his endeavor with convincing argument until he came to Washington in 1913, but his fight was futile. Now he can foresee his purpose on the way to accomplishment under a code.

The utilization of codes to secure long-needed reforms is a fixed habit with the President, as first demonstrated in his approval of Code No. 1, that for the cotton-textile industry. In that and every subsequent code, child labor has been brought to the irreducible minimum.

The story of the timber conservation plan incorporated in the lumber and timber-products code, applying rigid rules for protection of 400,000,000 acres of commercially owned forests, was told recently at the annual convention of the National-American Wholesale Lumber Association by Wilson Compton, president of American Forest Products Industries. Mr. Compton said: "A year ago, President Roosevelt asked the forest-products industries, in any codes they might submit, to include 'effective protection against destructive forest exploitation' and we have done so. In consultation with the interested public agencies, we have

developed a conservation plan which they and we believe to be practicable and which the President himself has generously described as 'one of the greatest accomplishments of the past year.'"

**HIGHWAY**

There was a good attendance at Sunday School, Rev. Bennett of Spur preached for us at the eleven o'clock hour, after which lunch was served at 12:30. A children's day program was given in the afternoon.

Some fine singing was enjoyed after the program. Visiting singers were W. A. Harris, Mr. Denton, L. C. and Thelma James of Dry Lake; Mrs. Parsons of Spur. Other visitors were Mrs. Messer and daughter of Espuela, Mr. and Mrs. C. W. Bostic of Dry Lake, Mr. and Mrs. Crafton and family of Steel Hill, Mr. and Mrs. Starrett of McAdoo.

A singing was enjoyed at the home of Mr. and Mrs. Vernon Powell Sunday night.

Roy Hahn and family of Swenson visited in the community Saturday.

Mr. and Mrs. Penn Howell attended the funeral of Coyless Witt in Spur Wednesday.

Mrs. Austin Frazier is vacationing on the coast this week.

The ladies of the quilting club met with Mrs. E. V. George on Wednesday. Six quilts were quilted, lunch was served to about 25.

Mrs. Jones of Lubbock, who has been visiting Mrs. A. C. George the past two weeks visited in Jayton a few days of this week.

Floyd Willhoit and Mr. Ross of Spur, are drilling a well on the Bob Hahn place this week.

J. M. Hahn harvested 100 acres of wheat this week.

Mr. and Mrs. H. J. Parks have relatives from Dallas visiting them at this time.

Mr. and Mrs. Casey Aldredge and children of Dickens visited J. M. Hahn and family Sunday.

Mr. and Mrs. Vernon of Spur, are visiting Rev. Harvey Draper and wife this week.

Rev. Billberry filled his appointment here Sunday morning and at night.

The Baptist meeting will begin on Friday night before the third Sunday in August. Rev. Victor Crabtree of Dickens will do the preaching. Rev. Luther Billberry will have charge of the singing.

Mr. and Mrs. Hubert Taylor of Dry Lake and Rev. Porterfield of Dickens, were over in our community Friday.

Tom Cooner was electioneering out this way Wednesday.

Mrs. C. W. Bostic and two daughters of Dry Lake, visited in the F. E. Walker home Thursday.

A light shower of rain fell over the community Saturday afternoon. A good rain at this time would greatly benefit growing crops.

Mr. and Mrs. Will Smith visited her parents, Rev. and Mrs. Jones of Haskell over the week end. Mrs. Jones is quite ill and confined to her bed at this time.

Mrs. Burt Robinett and Mrs. Doyle Hinson of Calgary, visited their parents, Mr. and Mrs. Penn Howell Thursday.

Mr. and Mrs. Marvin English of Matador, visited home folks here Sunday.

J. M. Hahn, Bill Hahn, J. H. Balch and Jerry Hahn enjoyed a days outing at Salt Flat in Stonewall County Friday and visited relatives near Swenson.

has recently opened for business in Lubbock at 1010 Avenue H with a complete line of school furniture, heating systems, and other school supplies. Geo. Jackson, manager, has announced. Mrs. Nora L. Jackson is likewise associated in the business.

Jackson formerly represented a similar concern in this territory as a salesman.

The company will represent the American Desk Manufacturing Company, Temple, the Smith Heating system, Minneapolis, Minn., and other supply houses.

For the present, the company will concentrate their efforts on the 56 counties in the Panhandle and South Plains sections, with three salesmen on the road.

Mrs. W. R. Cammack, who spent last week with her sister, Mrs. W. D. Starcher, returned to her home in Matador Sunday.

**CHEVROLET'S**

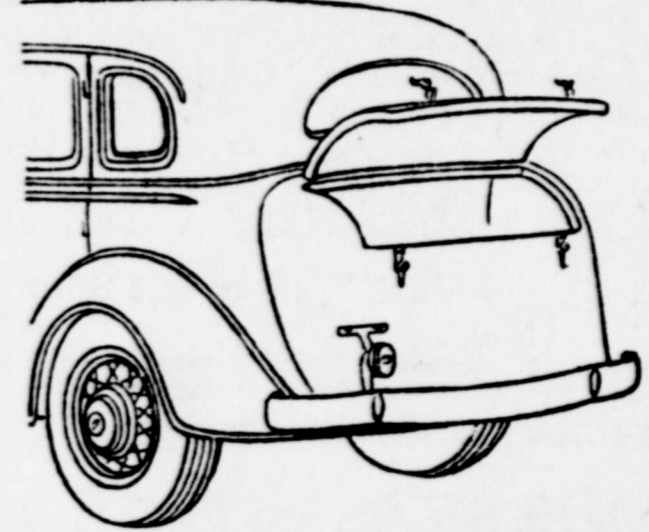

*newest creation is here!*

*Presenting*  
**THE 4-DOOR SPORT SEDAN**

CHEVROLET proudly presents the new Sport Sedan as the most beautiful model ever built by any manufacturer of low-priced cars. On a long chassis embodying Chevrolet's combination of exclusive features—fully-enclosed Knee-Action, an 80-mile-an-hour, 80-horsepower engine, cable-controlled brakes, and all the rest—is mounted a body that combines full five-passenger capacity, exceptional luggage space, and more de luxe touches than we have space to tell about. If appearance and convenience come first with you, and you wish to stay in the low-price field—here, beyond a doubt, is your car.

*A new Fisher body type for five passengers furnished in the de luxe manner and equipped with a smart spacious streamline trunk built in at the rear*

PEOPLE with an eye for handsome lines will admire the way the spacious trunk merges into the body lines. And make no mistake, this streamlined trunk is a decidedly practical feature. It holds enough for a cross-continent tour, and specially-designed locks make it tamper-proof.

SIX LOSE LIVES

Continued from Page 1

ed the brown Chevrolet just before the accident occurred:

"Under date of June 16th, at about 6:00, p. m., I was going home from Spur. I was traveling north on the Dickens road, when I was about a mile out of Spur I met a 1934 Chevrolet car which was traveling south coming into Spur. This car was occupied by a Mr. Joe Collier whom I am acquainted with and several other parties. Joe Collier was riding on the right side of the car in the front seat, he was not driving the car. I do not know who the party was that was driving the car, but I am sure Joe Collier was not driving. When I met Joe Collier waved at me. The car he was in was not traveling over 40 miles per hour, it was over on its proper side of the road, the west side of the highway. If this car had been traveling very fast Joe Collier would not have recognized me, and I know he did because he waved at me when we passed. That night about 9:00, p. m., I was advised that the car Joe Collier was in was involved in an automobile accident. The accident occurred about 3000 yards south of where I met Joe Collier. When I passed the car it seemed to be operating properly and was on its side of the road."

The following is a statement made by E. T. Garner, an 84 year old citizen living just north of Spur, who was sitting on his front porch about 100 yards from where the accident occurred:

"I notice this car as it passed my house and went on up the road. After it passed I looked south, and I could see two other cars coming north. One of the cars that was traveling north pulled over to the left to go around the car in front of it and attempted to pass this car that was traveling in front. Just about the time this car pulled over to the center of the road, the new car and the car that tried to go around the car collided. The new car which was a brown Chevrolet was owned by Spur Motor Company. This car was traveling south at a very moderate rate of speed and was on the proper side of the road."

Below is a statement made by Bob Wright, of Canadia, who was driving the Ford car which the 1932 Chevrolet had passed when the accident occurred:

"We had driven about a half mile north of town and was traveling north at a speed of not over 20 miles per hour. At about this point a 1932 Chev-

# AROUND the WORLD on WASHDAY

## Switzerland

Ewing Galloway

THE women of the quaint village of Splugeln, in the mountains of Switzerland, do their washing in a picturesque setting. But though the surrounding scenery may be well nigh perfect, few American women would care to trade their gleaming faucets, their Oxydol, which substitutes itself five hundred

times in suds, and their other modern washing conveniences for these primitive methods of laundering.

Splugeln is in the Engadine region, famous for its Alpine scenery, which annually attracts thousands of tourists from all parts of the world.

olet car passed my car. I was driving over on the east side of the pavement. This car that passed me pulled over to my left and went around my car on the left side. I would judge it was traveling about 35 miles per hour. When this car passed my car I saw that there was a brown Chevrolet 1934 model coming from the north and traveling south. At that time the brown Chevrolet was a quarter of a mile in front of me. This car passed me and had driven up the road about 100 yards in front of me when he met the brown Chevrolet car that was traveling south. The brown Chevrolet car was traveling at least 50 or 60 miles per hour. It seem to be swaying from one side of the road to the other and was traveling near the center of the pavement. Just as the Brown Chevrolet got about even with the car that passed me it seemed to swing over to the east side of the road and headed into the Chevrolet car that passed me. The left front of the brown Chevrolet struck the left front of the 1932 Chevrolet. The collision occurred a little past the center of the pavement on the east side of the road. The collision knocked the 1932 Chevrolet backwards or south about 15 feet and into the front of my car."

Harvey S. Holly, who was driving the 1932 Chevrolet, had the following to say:

"J. J. Wasson was with us, and as we turned north across Dockum Creek bridge, we went around a Model A Ford driving about 30 miles per hour. I honked and went around the Ford and just as I got in front of the Ford I noticed that a car was coming at a high rate of speed. It was crossing the road seeming to be wobbling from one side across to the other. I judge it was driving about 30 miles per hour. Thinking it would straighten up and pass me on the proper side, I

didn't have much time to consider whether to drive into the barrow ditch or not. Then all at once my wife said, "My Lordy," and the car going south crashed into me. The car which we just went around struck the rear of my car, also. It never turned my car over.

"I was knocked out about a minute or two, then I got up and took my baby from under the dash board and told some one to get my wife, which they did. They took care of my family. After they took the baby from my arms and got my wife from under the dash, and took them to the sanitarium, I got in another car and came on down and was treated for wounds, but was able to go to the funeral.

"When I walked around to look at the wreck, two wheels of my car were on the gravel and the other two were on the asphalt on the right hand side of the road going north. None of the three cars were turned over. My car was a '32 model, six wheel Chevrolet Sedan. It is estimated that it is worth about \$16.00 since the crash. There are three good castings left and two glasses."

G. W. France, of Jayton, who was riding in the 1934 Chevrolet, stated that he was watching the rain which was falling at the time. In his opinion the car was moving at a speed between 40 and 50 miles per hour. He did not observe any swaying of the car, and did not see either car when they collided. He was in the sanitarium when he recovered consciousness.

All injured were taken to the Nichols Sanitarium where first aid was rendered, all doctors in the city extending their services. The dead were taken to the Campbell mortuary where the bodies were prepared for burial.

Both Chevrolet cars were complete wrecks. The Ford received some dam-

ages about the front fenders, the radiator, and other minor damages.

There are other statements that could be secured, but space will not permit, and the above will give some idea of opinions as they are now.

## Sanitarium News

Miss Eva Lea Nance, of Afton, underwent a tonsilectomy Wednesday morning and seems to be doing fine. Ed Murphy, who underwent an operation ten days ago, seems to be improving nicely now.

G. W. France, of Jayton, is in the sanitarium recovering from injuries received in an automobile wreck. Mrs. Clarence Waters of Twin Wells community, who underwent an operation June 12, is getting along fine.

Mrs. J. A. Maze, of Kalgary, underwent an operation last Friday and seems to be getting along fine.

Mrs. E. A. Barton of Glenn, underwent an operation Monday and seems to be doing fine.

Miss Adelia Moelar, of Dickens, underwent an operation Monday and is getting along fine.

Mrs. C. C. Robinson of McAdoo, underwent an operation Monday and is getting along all right.

Charles Henry Simmons, city, underwent an operation Monday for empyema and is getting along very nicely.

Miss Helen Douglas, of Sylvester, is back in the sanitarium for treatment. She is doing fine.

Miss Sybil Clay, city, who underwent an operation June 4, has recovered sufficiently to return home.

Mrs. Ned Green, city, who underwent an operation ten days ago, was able to return home Sunday.

Mrs. L. D. Ratliff and baby, city, were able to return home Sunday.

## STYLE SHOW OF PEACEFUL HILL CLUB

"The last word in style, a perfect fit, and lovely for your type," were some of the things Mrs. Thurman Moore said about Mrs. Cecil Estep's Friday afternoon. It was a lovely dress, at the home of Mrs. Jim Wyatt dress of blue diagonal plaid, made two

piece with white collar and cuff set of pique. Mrs. Thurman Moore's dress is of organdy finished batiste trimmed with white organdy with the blue dot. It is very pretty and well made. Mrs. Forest Martin's dress is a brown pique sport dress with tan buttons. Mrs. Belle Martin's a tan print batiste, and Mrs. Jim Wyatt is a shirt maker dress of white seersucker. We are planning to be one hundred per cent at the county clothing contest.

Our visitors exclaimed over the things we had been able to do to our wardrobe this year by using our foundation patterns and good taste.

During the afternoon we cut four slip patterns by our foundation patterns and made one foundation pattern for a non-club member.

The next meeting will be with Mrs. Forest Martin. The lesson is Brining cucumbers.

Frank Speer of Dickens, was a pleasant caller at the Times office

Sturday and renewed his subscription. We thank him and wish we had many callers who would do likewise.

Mr. and Mrs. C. C. Haile returned Friday from Sweetwater where they attended a family reunion of Mr. and Mrs. W. H. Jobe, their cousins. The family met at Sweetwater Lake where plenty of amusement was planned. It was estimated that from 10 to 12 thousand people attended the opening of the lake and they all had a wonderful time.

Jack Patterson, city, son of Mrs. A. L. Patterson, fell in a bath tub Monday and hurt himself quite severely.

Ballard Clark, Tax Supervisor with the State Comptroller's Department, called at the Times office Wednesday. He is spending his vacation in this vicinity and working in behalf of the re-election of Hon. Geo. H. Sheppard for Comptroller. Mr. Clark is a son of Dr. O. P. Clark, now of Abilene, who was one of the early day ministers at Dickens.

## SUNDAY DINNER SUGGESTIONS

By ANN PAGE

SWEET potatoes and yams rival white potatoes in popularity at this season and little wonder, for they are of excellent quality and low in price. Apples also are attractive in quality and price and how good they are eaten raw or cooked. You will want plenty of them for Halloween. It is possible to enjoy a great variety of green vegetables though several of them belong to the same family including fine and cheap cabbage, cauliflower, broccoli and Brussels sprouts. Spinach is also cheap and of excellent quality. Lettuce is not quite so plentiful as it was a week ago. Celery is at its best and mushrooms are attractive in quality and price.

A fine white cereal, popular with many people is being offered at an attractive price this week. Here are the menus from the Quaker Maid Kitchen.

**Low Cost Dinner**  
Veal Chop, Fried Yams  
Creamed Rutabagas  
Bread and Butter  
Baked Farina Custard  
Tea or Coffee Milk

**Medium Cost Dinner**
