Seven County Boys Leave Thursday For N. Mexico CCC Camps

Latest Call For "Tree-Army" Recruits Takes Five From Spur; One from McAdoo and One from Dickens

Seven Dickens county boys left Thursday of last week for various CCC camps in New Mexico, representing that number of the county's quota of eight, with an alternative of three, allotted in the last call for recruits, the Lubbock office has informed the Times.

The seven applicants were passed on by the local case workers office and requested to report to the Lubbock office Thursday, April 23rd. Only boys between the ages of seventeen and twenty-eight, inclusive, and of needy families were eligible to make application.

Location of the camps had not been made public at press time this week. Boys who were received from this county were: James Arnold Berry, Willard Lee Britton, James C. Garrett, Oran Harkey and Charlie Yoes all of Spur; Wayne H. Edwards of McAdoo, and Hubert C. Anderson of Dickens.

Workers Conference To Be Held At Afton Church; Starts Today

Dickens Co. Baptist Workers Will Open Two Day Meeting With Sermon Tonight

The Dickens County Baptist Workers Conference will be held at the Afton Baptist Church, today and tomorrow (Thursday and Friday, April 30th and May 1st), according to announcements from Rev. L. W. Hardcastle of Plainview.

The conference will open this evening with a sermon by Rev. A. V. Bradley, of Roaring Springs, and continue through tomorrow with devotional and business sessions climaxed by a sermon Friday evening by Rev. H. T. Harris, of White Flat. A complete program will be found in another part of this paper.

Season's Total On Rainfall Exceeds 2 1/2 Inches, Local Report

Sunday Night Fall Near One Inch at Experiment Station; Report Shows General Thru Area

A nice rain fell here Sunday night, registering .98 of an inch at the Experiment Station, to bring the season's total to approximately two and one half inches. It was the general belief that the average would reach a better figure than that, however, throughout the county.

Estimations were made that Sunday night's fall would have reached one and quarter inches within the city proper. Reports from Duncan Flat indicated that about one and half inches fell there.

It was reported that Roaring Springs territory received near two inches, however the fall was lighter at Matador. It is understood that the rain was general deep into Kent county on the south.

Big Rain at Afton According to the official rain gauge kept by the vocational agricultural classes of the Patton Springs School, the Afton country had 1.40 inches of rain Sunday afternoon. On the Monday previous .27 of an inch fell, and the week before .80 of an inch fell, making a total for April of 1.47 inches to the 27th of the month.

I will be in Spur today (Thursday) and longer if necessary to repair typewriters. If your machine needs help call 30. I guarantee my work and make it good. J. T. Thetford.

Spur's Younger Generation Elects New Civic Body To Transact Business Today: Public Warned Strict Law Enforcement

Mayor Max McClure, Police Chief Lawrence Purcell, Judge Perish Lee, Commissioners Bill Caraway and Winifred Bell Take Office

In a special election held at the local high school Tuesday of this week, Spur's younger generation posted a heavy ballot to elect a complete new administration, which will take office this morning to handle all city and civic affairs for the day.

FACES EXECUTION MAY 4

VIRGIL STALCUP

KILLER FACES DEATH CHAIR SUNDAY NITE

Execution Date of May Fourth Draws Near for Stalcup, Convicted Slayer of Sheriff Arthur, Dickens County.

Virgil Stalcup, convicted February of 1935, for the murder of Sheriff W. B. Arthur in a jailbreak at Dickens on October 27, 1934, will die in the electric chair at the state penitentiary at Huntsville, sometime "before the hour of sunrise on Monday, the fourth day of May" if sentence passed by Judge Clark M. Mullican, of the 99th district court, on April second is executed.

A last minute reprieve is not expected since the condemned man has exhausted his last appeal to the court of criminal appeals.

Sheriff Arthur was shot fatally when Stalcup and Clarence Brown, a prison companion, broke jail at Dickens, Oct. 27, 1934. Brown is serving a life sentence for his part in the crime. Stalcup was convicted by the 99th district court at Lubbock last February 12th. Since that time he has been in the state prison for safe keeping. Sheriff Koonsman returned him to Lubbock for formal sentence and to hear the date set for his execution, in early April.

The condemned man has awaited the execution date in the death cell since sentence was passed.

Local Legion To Meet Monday Nite

The Boyd M. Williams Post of the American Legion will hold a meeting in the Legion Hall next Monday evening about eight o'clock. There is to be a special program during the evening and all members and service men are requested to be present.

SPUR GIRL IS HONOR STUDENT IN A. C. C.

Miss Annie Laurie Lewis, who is a student in Abilene Christian College, was an honor student the past term. Her grades were above ninety in Mathematics, business administration, Bible and English. Miss Lewis graduated with the Class of '35 Spur High School, and is the daughter of Mr. and Mrs. W. R. Lewis.

Open Letter to Gas Companies

CITY OF SPUR
Spur, Texas

Leading Gas Companies of Texas, Gentlemen:

We, the younger generation of today—taxpayers, business conductors, civic leaders and citizens of tomorrow—taking advantage of the authority vested in us as "Rulers of the City of Spur for a Day," do, this date, invite, petition and plead that you investigate our cause here.

We believe that an active gas franchise needed to make our homes, schools and churches more healthful, convenient and modern. For twenty-six years our fathers and fathers' fathers have lived without the comforts of such a service, but we feel that the time has been reached when gas is needed to keep Spur abreast in its march of progress.

Our city is 2,400 strong for gas and we, "Rulers for a Day," pledge our support throughout the years when we take over the reigns of civic affairs as permanent "Rulers of Tomorrow."

Thanks for what ever consideration you may show.

Respectfully,
(Signed by all younger generation public officers and civic leaders, reigning today under the sponsorship of the Rotary Club Boys and Girls Week.)

Issuance Of Farm Work Sheets Held Up Pending Meeting

Soil Conservation Workers Should Consult Community Committeemen About Friday Meeting

Last week a news story in the columns of this paper, in regard to the new agricultural set-up, governed by the National Agricultural Conservation Program, an announcement was made to the effect that the work sheets for the soil conservation had been received by County Agent Lane and would be distributed by the community committeemen in Dickens county soon. Since last week's publication, however, Agent Lane has been advised to hold up issuance of the sheets, pending a meeting set for Friday, May first.

Farmers needing further information may consult their various community committee members or the county agent.

Mrs. Bynon Britton and Mrs. Jerry Insey left Wednesday morning for Deming, N. M. From that city Mrs. Britton plans to continue to California for an extended visit with relatives there.

"Taxation On National Resources"

By C. L. Harris
Dickens County, Texas

The Forty-fourth Legislature has failed and bitterly disappointed the people. In ill repute it stands condemned. Unprecedented circumstances demanded unprecedented actions.

More time is fooled away imaginable with the possible exception of our antiquated courts. We are fully aware of such doings and as taxpayers we must rise up and condemn it. According to the mandate of the people democratically expressed at the polls last August, practically all citizens of Texas, over 65 years old are entitled to old age assistance by the State to the extent of \$15.00 per month. There is no argument about this.

In order to pay the pensions we must have an additional revenue and

a tax must be levied, but not a sales tax. It has no relation to ability to pay. It is manifestly wrong to further penalize all the poor by increasing the cost of living. Anything that reduces mass purchasing power during these distressing times is nothing short of criminal. Let's avoid the sales tax as an economic plague. There is a sensible way out.

A so-called selective sales tax advocated by misguided politicians is dangerous. Simply an entering wedge it is liable to be followed by the socially destructive general sales tax. Advocates of the sales tax as the only solution for our tax difficulties claim that with it the ad valorem will be abolished. This sounds well, but is just another pleasant delusion. That is a fact that has been borne out in other states. The sales tax has simply provided an added tax burden of the worst type. Let the people beware of the political demagogues who promise so much.

Enormous evidence shows that steeply increased taxes on Texas natural resources are sound and will help greatly to solve our tax problem.

Children From 13 Counties of District 3 To Meet At Jones Memorial Stadium Saturday for Centennial Choral Singing

One of the greatest days in school music will be conducted in Spur Saturday of this week when children from 13 counties assemble at Jones Memorial Stadium, the most beautiful natural amphitheatre in West Texas, in choral singing. The event is the music promotion in all of District No. 3 and a conservative estimate of 10,000 people are expected to be present, consisting of school choral clubs, school officers and parents. Counties in the district expected to send representatives here are: Kent, King, Stone-wall, Haskell, Throckmorton, Knox, Baylor, Foard, Hardeman, Childress, Cottle, Motley and Dickens.

Among the high officials of the state will be Dr. L. A. Woods, State Superintendent of Schools, who will address the meeting during the afternoon. Miss Nell Parmley, State Director of Music, will be present and will take part in the program. Deputy State Superintendent Bryan Dickson will deliver an address. Then there will be a great number of schools over the district who will render one or more numbers during the program.

The meeting will be held at the Charles A. Jones Memorial Stadium where there is adequate room for the accommodation of the people and where there is plenty of parking space for cars. Everything is being done to make the visitors stay in our city a pleasant one. Full arrangements have been made for every convenience. The stadium will be zoned and ushers provided in order that the people may secure seats. A committee of Boy Scouts of Spur will direct the parking.

Mrs. Madge D. Twaddell, County Superintendent of Schools, is the district chairman and her efforts in securing and caring for this meeting have been untiring. Her zeal and enthusiasm for public school music has had much to do with the starting of this work here which has led up to this occasion. Mrs. Violet McKnight, direct of vocal music in Spur schools is district song director in charge during the afternoon.

Parents, school executives, superintendents and teachers are turning loose from every other duty to bring students to Spur for this occasion. Many school buses will arrive loaded to capacity and the children will be directed to their respective sections in the stadium. Saturday will be an epoch in the history of music in West Texas. Never before have so great number of schools and school children assembled for the purpose of singing the same songs under similar training and conditions. Texas songs, the cowboy ballads and Centennial songs make up the program.

The session will start at one o'clock in the afternoon. The program outline is printed in this issue of the Times on page four.

Melba Jo Hazel, Spur high school, winner of fourth place in the individual typewriting contest at the district league meet in Lubbock was reported unable to attend the regional meet at Canyon last Saturday because of illness.

Karr Dancing Pupils To Present Annual Review Here Monday

Students of Local School to Give "Varieties of 1936" at Palace Theatre Monday Night in Connection with Regular Feature Film

More than twenty pupils of the local Karr Dancing School will be presented in "Varieties of 1936", a review at the Palace theatre, next Monday night, May 4th, according to announcements of instructor, Mrs. Guy Karr this week. This marks the fourth annual review, and the eighth show the school has presented since its inception.

The presentation, beginning at 8:45 will be made in connection with the regular showing of the feature film, "Wife vs. Secretary" starring Clark Gable, Myrna Loy and Jean Harlow, at no advance in admission.

Pupils ranging in age from three to twelve, including four boys and sixteen girls, will enact the "Varieties of 1936." The theme of the review covers the activities of a dancing teacher in her travels for material on dancing, opening with a night in the hotel in San Francisco, the trip aboard ship, visits in various countries and closes with a welcome back home with celebrations in a night club in New York City.

Previews have indicated that this years presentation will show marked improvement over previous years, and offers good entertainment. Mrs. Dr. Bob Alexander, accomplished musician, will accompany dancing acts at the piano.

Work Being Rushed On City Pool For Opening June First

Forms for Bath House Foundations Being Built This Week; Park Proper Expected to be Completed by August First

After a delay of several days, awaiting a shipment of pipes, work this week is again being rushed on the construction of the pool and bath house at the new Spur park, the Times was informed Tuesday. Plans call for the completion of the Works Progress Administration project by May fifteenth, but the recent delay is expected to run construction a few days over the scheduled time. W. P. Nugent, superintendent of construction, is under the opinion that with favorable weather conditions completions will be made between the fifteenth and the first of June.

The forms for the bath house foundation are being built this week, and as soon as pipe connections are completed concrete pouring will be resumed.

The pool, 50 by 120 feet and running in depth from two to eleven feet, is to be served with a circulating water system which will keep the supply fresh and pure at all times, Nugent stated. The bath house to be 20 by 80 feet with keepers office and two dressing quarters, which will be provided with twenty-six individual dressing rooms four feet square.

The outside of the house is to be of native iron-stone and the inside plastered, present plans state. Showers and wading pools are to be provided in both men's and women's quarters.

Work on the park, however, is not expected to be completed before August first.

Glenn Dobkins, of Roaring Springs, was transacting business in our city Monday. He reported good rains

F.C.A. Saves Dickens Co. Farmers \$13,200 Interest on 190 Loans

Farm Credit Administration Figures Show Organization To Be Factor in Long-Term Mortgages

The National Emergency Council, with state officers in San Antonio, has informed the Times that financial assistance of the federal government is being extended to Texas farmers in the form of emergency crop loans. Regulations of the emergency Crop and Feed Loan office have been amended to permit farmers who are not being actively assisted by the Resettlement Administration to apply for emergency crop loans. The provisions are made for no more than \$200 to any one farmer and preference will be given to farmers whose cash requirements are small. Applications for the crop loans may be made to the county crop loan committees.

Football Boys and Coaches Visit Tech

About thirty-five high school football boys and their coaches attended the Sul Ross-Texas Tech spring football game at Lubbock last Friday as guests of the West Texas schools' athletic fiesta, and saw the Matadors defeat the Lobos 18 to 7.

The game marked the public's first glance at the "promises" of the 1936 edition of the Red Raiders, and pointed to good hopes for the future, with the best spring squad Texas Tech has offered in history. Several former Spur high school stars are included in squad, with prospects of becoming dependable regulars for the 1936 fall season. Their showing last Friday night was highly impressive, especially to visiting Spurites.

R. E. Jones, representative of the American National Life Insurance Company, was in our office the last of the week in the interest of his company. He is working out of the Lubbock District office but claims Spur as his headquarters while working. The American National's home office is in Galveston.

28 Spur Hi Seniors Visit Carlsbad On 3-Day Class Trip

Twenty-eight members of the Spur high school 1936 senior class with their sponsors, Mr. O. L. Kelly and Miss Florence Levy, visited Carlsbad Cavern last week end, on the annual class excursion. The class boasts an enrollment of approximately sixty, however various school activities prevented the full number from enjoying the cruise.

In reporting the trip Mr. Kelly that out of the total number of 793 who went through the cavern on Saturday 529 were Texans of which number a major part was senior class students from some twenty Texas high schools. No charges were made for the students.

The Spur class' trip expenses, including cabins for the students, one meal and transportation, were paid from money made by the class through various activities and sponsored affairs through the year. The individuals were responsible only for their meals.

A special school bus, leaving here Friday morning and returning late Sunday evening, afforded transportation for the following seniors: Winifred Bell, Venita Briley, August Campbell, Otis Mae Denson, Kathleen Dollins, Jack Ensey, Richard Ensey, W. P. Foster, J. W. Franklin, Estelle Gibson, Lanier Gilbert, Ohma Gorham, Ralph Hargrove, W. T. Ince, Evelyn Ivey, Alton McCully, Hazel McMahan, John A. Moore, Wilma Morgan, L. O. Osman, Lawrence Purcell, Ivan Perkins, W. C. Presley, Norman Priest, Harold Spivey, Bill Tackett, Kenneth Thach, and Virginia Watson. Mr. O. L. Kelly, Miss Levy and bus driver, J. R. Laine.

S. H. Twaddell, of the Old Age Compensation, Plainview office, was in our city Sunday and Monday. He stated that the work is moving along fine and it is being rushed as rapidly as possible. Mrs. Twaddell introduced him to the lawn mower and Sneed developed some new music and Sneed worked up a good appetite while here.

E. A. Glenn, one of the pioneer citizens of Duncan Flat, was transacting business in our city Monday, and stated they received a good rain Sunday evening. He said there was about one and one-half inches and it fell fine which put plenty of moisture into the soil.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats your stomach. You get constipated. Your whole system is poisoned and you feel sunk and the world looks punk.

Laxatives are only makeshifts. A more bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up". Harrowless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. Bile.

Newberry Installs New Deal Market

S. M. Newberry, citizen of our city, opened a new market in the New Deal Grocery Saturday morning. Austin Bell is serving at the block giving people the best of service in cuts of meat. Mr. Newberry is doing the field work and looking after good cattle to be used in supplying meats. Mr. Newberry is feeding his own cattle and is selecting the best in the country.

The equipment in this new market is modern in every respect. At the front is a new Viking display case where sliced meats are ready for the people. At the rear is a new Viking cooler where the meats are placed for cooling purposes. Both cases are kept cool by means of a new Lipman compressor. The customers are served from a set of new Dayton Magniscope scales which are easily read from either side and they are so arranged that there is no need of mistakes. There is a meat slicer and a new meat block which competes the equipment.

The business started off fine Saturday. Mr. Bell stated that they were busy all day and people continue to buy meats each day since the opening. In speaking of the new business W. R. Lewis of the New Deal Grocery stated that "We are just trying to cooperate in giving to people better service in groceries and meats. The New Deal has been in business for two and one-half years, and we are still selling customers that we started in with at that time. We have enjoyed a fine business from the beginning and it is our intention to cooperate with the market in giving the people better service."

C. F. Hardwick, manager of the local Palace theatre, had as his guests Sunday and Monday students of the Girard school system.

CONSUMERS FUEL STOCK-HOLDERS MET SATURDAY

The stockholders of the Consumers Fuel Association held their annual meeting in the basement of the Bryant-Link Company store Saturday morning. There was a good representation present and the meeting was very interesting. Order was called by the president, O. P. Meador. Other officers present were W. F. Foreman, vice president and W. P. Shugart, secretary.

The annual report, read by S. E. Boothe, manager, showed that the Association had made a gain every year since its organization and at this time has a nice operating fund on hand. One dividend has been declared during the time in addition to the savings made in purchases by the membership. The report was adopted as read. When the election of officers was called for a motion was made and passed that all the acting directors and officers serve another year. The new directors are: O. P. Meador, W. F. Foreman, W. P. Shugart, J. L. Karr, M. E. Tree, T. C. Willis and S. E. Boothe.

A number of talks were made by members all expressing their confidence and satisfaction in the management of the organization. Every one who expressed himself stated that he was glad he went into the association and is zealous to see it continue and prosper.

The main speaker, O. C. Burgess, of Amarillo, who is in charge of the wholesale department for the Panhandle District, showed by figures the great savings that the various associations are making. He gave the tie-up which the associations have with other business interests and how certain movements have been accomplished by cooperation. He related that the work is still in its infancy and that greater things will be accomplished in the future by the people cooperating. He said that other business firms had grown from small beginnings then why should the cooperatives not make a success. Mr. Burgess made a survey of the different fields of the cooperative enumerating the progress.

At the close of the meeting refreshments consisting of ice cream was served to those present.

The list attending the meeting is as follows: Ellis Draper, A. W. Jordan, W. B. Williams, Austin Frazier, W. G. Hinson, J. N. Luce, Thomas L. Williams, Eugene Frye, J. T. Cozby, J. H. Hammonds, W. W. HE Department Will Conduct Adult Class

Mrs. O. C. Thomas, director of the home economics department of the Spur high school, has informed the Times that the local class plans to conduct a week of instructions under the title of "Easy Guest Meals" for the women of Spur the last week in May. The class is to be conducted to give housewives an opportunity to discuss food management, good meals at low cost and time saving ideas at no cost to the adult members. "Women who desire to attend the class should call me at the high school building any school day between one and one forty-five" Mrs. Thomas said.

The week of May 25-29 is the date set and the hours of the class will perhaps be from two to four, or what ever time is most convenient for the greater number of women, it was announced.

Newt Kidd, of Dry Lake community, was greeting friends and doing some trading here the first of the week.

L. Karr, R. C. James, M. H. Brashear, W. W. Dozier, Forrest Martin. Probably there were others who failed to register.

MRS. ROY HARKEY ENTERTAINS TUESDAY CLUB

Mrs. Roy Harkey entertained members of the Tuesday Bridge Club this week.

Several games of progressive bridge were enjoyed after which scores were added.

Mrs. Alvis Hull holding high score received a beautiful towel, while lovely handkerchiefs went to Mrs. Perry as guest.

An enticing refreshment plate of cream cheese sandwiches, salad smacks, olives, cake and iced tea was served to Mesdames Mack Wilson, A. C. Hull, L. B. Tillotson, Neal Chastain, Herman Everts, James O. Smith, Cash Wilemon and L. H. Perry.

THEATRE PARTY

On Monday evening, Mrs. George S. Link and Mrs. Etha Campbell were joint hostesses when they entertained with a theatre party naming as honor guest Mrs. D. H. Zachry.

The guest list included members of the Friendship Sunday School Class of the Methodist Church.

The guests met at the home of Mrs. Link, from where they adjourned to the theatre, and enjoyed the picture, "Modern Times."

After the show delicious refreshments of sandwiches, potato chips, olives, coffee, and cookies were served to Mesdames D. H. Zachry, Bynum Britton, E. S. Crider, Joe Butler, A. O. White, Faust Collier, Loyd Barber, Gilbert, J. W. Henry, Jack Rector, Evans and the hostess.

BELLE BENNETT SOCIETY

The Belle Bennett Missionary Society of the Methodist Church met on Monday afternoon at three o'clock.

Reverend E. L. Yates, conducted the devotional.

Mrs. Mack Tidwell led the group in a Home Mission study. Assisting her on the program were Mrs. John Albin and Mrs. Joe Butler.

W. M. S.

The Woman's Missionary Society met with Mrs. Vernon Campbell on Monday afternoon.

Mrs. Rector presided over a business meeting at which time it was decided that the society will sell sandwiches, candy and soda pop on the streets Saturday.

After the business session Mrs. J. R. Lane and Mrs. McCulley, who recently attended a meeting of the Northwest Texas Conference of Women's Missionary Society at Amarillo, gave a most interesting account of the meeting.

About twenty members were present. The society will meet Monday afternoon with Mrs. H. C. Foote in a social meeting honoring Mrs. J. P. Carson who will move away from Spur in the near future.

THURSDAY BRIDGE CLUB

Members of the Thursday Bridge Club met with Mrs. W. T. Andrews last week.

Several rubbers of contract were enjoyed.

An interesting feature of the entertainment was the playing of duplicate hands by the two tables.

When scores were added Mrs. C. B. Jones and Mrs. D. L. Granberry were high and received lovely blue platters of Mexican glassware.

To conclude the afternoon, a delicious refreshment plate of salad, pickles, potato chips, crackers, cake and iced tea was served to the following ladies: Mesdames Floyd McArthur, D. L. Granberry, C. B. Jones, Sam Clemmons, J. C. McNeill III, Jack Rector, D. H. Zachry and the hostess.

MR. AND MRS. ENGLEMAN HOSTS AT BRIDGE

Mr. and Mrs. E. D. Engleman entertained a number of their friends on Thursday evening. Members of the Triple Trey Club, their husbands and others were present.

Bridge furnished diversion for the guests. When the games were over, Mrs. Tyrus Allen and Mr. George Tillinghast were high club members and Mrs. Floyd McArthur was high guest. Each received an attractive score pad and a deck of cards as a prize.

The evening's entertainment was concluded by serving a refreshment plate of sandwiches, potato chips, mints, and frosted soda pop to Messrs. and Mesdames George Tillinghast, Lewis Rochat, Alton Chapman, G. B. Wadzech, Tyrus Allen, Burgess Brown, Floyd McArthur and the host and hostess.

COOPERATOR IMPROVES YARD

A new yard fence, two stepping stone walks, six foundation shrubs, eight trees and a partly sodded lawn are Mrs. Price Brownlow's achievements in yard improvement work this year. Mrs. Brownlow is a yard improvement cooperator in the McAdoo home demonstration club.

The lawn was partly set with native female Buffalo grass roots in the demonstration this month. She and the children will complete the grass right away.

A check of the work of the other members of the club shows that they have set 136 shrubs and 195 trees.

The Times grows with time.

COUNCIL SETS DATE FOR CLOTHING EXHIBIT

June 20, was the date set for the Clothing exhibit in the council Saturday afternoon.

The exhibit will be held in the basement of the First Baptist Church. Each club will bring lunch. The commissioners' court and business men will be invited guests.

Mrs. Floyd Barnett, council chairman, read the program for the Short Course to be held in Canyon May 7th.

Those present were: Mrs. Floyd Barnett, Mrs. John Bachman, Mrs. I. E. Abernathy, Soldier Mound; Mrs. J. R. McArthur, Mrs. Matt Howell, Red Top; Mrs. O. S. Harvey, McAdoo; Mrs. Roy Johnson, Mrs. F. B. Crockett, Espuela; Mrs. J. L. Higgins of Duck Creek. Mrs. L. B. Means was a visitor.

SHRUBS AND TREES ARE SET

A check of the yard improvement work in the county done by home demonstration club women shows that 516 shrubs and 612 trees have been set this past winter and spring. One of the goals in this year's program is to set at least ten foundation shrubs and a group of three or five trees.

About fifty per cent of the shrubs are native beargrass, wild apricot, agarita and sage being used most extensively. All of the trees are Chinese elms.

The problem for the remainder of the year will be the care of the things set. Frequent cultivation will take the place of many waterings. A light mulch of well decayed manure will help to hold the moisture even better than the cultivation.

Membership of the Christian Endeavor of the First Christian Church enjoyed an outing on Thursday evening. The group met at the church and hiked over the hill where they roasted "weenies" and ate a picnic lunch.

Many games and contests helped to make the evening a most enjoyable one.

Those enjoying this occasion were Marjorie Burrow, Edward Carroll, Dupree Allen, Spencer Lisenby, Mary Louise Lisenby, Nell Arthur, Lillian Grace Dickson, Joyce McCulley, Miriam Reed, Billie Putman, Isabelle Campbell, Misses Imogene Neaves and Ruby Rae Williamson and Rev. W. L. Edwards.

HIGH THIRD AND HIGH FOURTH HAVE PICNIC

On last Friday the children in the high third and high fourth grade went on a picnic at the noon hour. Accompanied by their teachers, Miss Charlsie Hayes and Miss Ruby Rae Williams, the children hiked over the hill carrying lunch and soda pop.

After the lunch had been spread the children explored the country around for species of wild flowers and cacti.

About seventy-five children enjoyed this outing.

TUESDAY BRIDGE CLUB

Mrs. Neal Chastain entertained on Tuesday of last week, having as her guests members of the Tuesday Bridge Club.

After an afternoon of progressive contract Mrs. Roy Harkey was the recipient of a lovely pair of hose as high player.

Mrs. Chastain served the players with congealed salad, sandwiches, potato chips, olives and iced tea.

Those present were Mesdames Jimmie Smith, A. C. Hull, Guy Karr, Bulloch, Tillotson, Mack Wilson, Roy Harkey and Cash Wilemon.

MRS. GIBSON ENTERTAINS FRIDAY AFTERNOON CLUB

Members of the Friday afternoon met last week with Mrs. Horace Gibson as hostess.

A wealth of spring flowers in attractive vases and baskets graced the rooms where the guests enjoyed an hour of 42.

With the games over a refreshment plate of chicken salad, olives, smacks, cake and iced tea was served to Mesdames Marvin Vaughn, C. L. Love, M. C. Golding, W. T. Andrews, L. R. Barrett, W. R. Lewis, Joe Long, Edgar McGee, J. E. Morris, L. H. Perry, Ray Taylor, Robert Alexander, Abernathy and Daniels.

P.A.W. CLUB

The Play-a-While Club members were entertained on Thursday afternoon at the home of Mrs. W. M. Kinney.

Progressive 42 furnished diversion for the guests.

At the close of the games Mrs. Kinney served a dessert refreshment plate to Mesdames Doc Ellis, Olda Harrington, Lester Ericson, Joe Butler, D. J. Dyess, John Albin, Koon D. B. Sauls, and Mack Tidwell.

RED TOP CLUB MET

"Sodded lawns protect against mud and sand besides helping to beautify the home grounds," Miss Pratt told the Red Top club ladies Wednesday, when they met in the home of Mrs. Buran Jones. Miss Pratt gave a demonstration on best way to set the grass roots, which were: 1st, the lawn should be leveled, then worked up and fertilized, then laid off in furrows, not too deep, the grass roots put in, watered, then covered with dirt.

Six members and one visitor answered roll call. Mrs. Jones had two games and Miss Pratt gave another one for opening exercises, in which all had part.

Mrs. Matt Howell gave the reading "Naked Trees." Refreshments were served to Mrs. Jim McArthur, Mattie Howell, Mrs. Leonard Patterson, Mrs. J. C. Childress, Mrs. Matt Howell, Mrs. Buran Jones, Miss Pratt and Mrs. Floyd Barnett, visitor.

Dr. and Mrs. P. C. Nichols arrived here the last of the week and stated they are moving back home among friends. They have been in South Texas the past 15 or 16 months where Dr. Nichols was taking a much needed rest and we are glad to say that he is looking fine. They were accompanied by their children, Mr. and Mrs. Mike Nichols Jr., and Martha Frances and Johnny.

Will War in Europe Develop?

THE QUESTION of war in Europe seems to be uppermost in the minds of the entire world at this time, and it looks at this time as if the prophecy would be fulfilled. Italy has stepped over the border into English African territory with an unconcerned attitude while at the same time has pleaded for her rights as a nation as outlined in all treaties of every European country.

We Ought To Be in Pictures

SEVERAL HUNDRED FEET of motion picture film were made of the city of Snyder, during the recent "Heart of West Texas Centennial Parade and Pageant" for showing at the Frontier Centennial show at Fort Worth.

This is no fete for the city of the "up and going" spirit of Snyder. Spur has been offered the same opportunity to "show off" at the big show in Fort Worth, under the sponsorship of the West Texas Chamber of Commerce.

It is a good advertisement of the respective city, as hundreds of visitors to the state, on the occasion of the Centennial and Frontier celebrations, will view the several hundred feet of high-light scenes. Spur has much to offer along the "high-light" line such as a high school athletic plant unexcelled in West Texas by either Class A or B schools; new, beautiful and modern golf course; play ground park and model public and civic buildings.

Several hundred feet of film will put Spur before the world. Let's give the city its just chance.

Dusters Leave Ill Effect!

RECENT SCHOLASTIC census, taken in all Texas counties, has resulted in showings of declines in most every county from this section of the state through the Panhandle area, due, it is reported, to the dusters that visited this country last Spring.

There is no way to check this reported belief, which has been reached since whole families packed their belongings and departed from various sections. It is hard to believe that pure blooded West Texans, whose pioneer forefathers faced unbelievable hardships, would leave rich, fertile lands for parts unknown just because an ill wind saw cause to sweep down upon the Middle West and deposit its cargo of dust and sand on our table lands, one spring out of hundreds, yea thousands.

The scholastic reports show that there has been a decline but in a country where the soils are as wet as the recent rains have left ours we do not choose to believe that this drop in population has been due to the dusters.

"The Texas Weekly," an editorial publication which reaches all parts of the United States, reproduced a Times editorial Saturday, April 25th, wherein all the world was invited to Spur territory where they may see the real McCoy (cowboys) at work on some of the largest ranches in Texas.

Bits of Nothing From Nowhere

The week of May 3rd to May 9th is recognized as National Music Week. With better than 2,500 county school students in a sing-song here last Sunday and more than 4,000 expected for the district choral singing here next Saturday one would believe that Spur was doing her part.

Spur high school seniors, along with like classes from more than a dozen other schools of this section, visited Carlsbad over the week end. With so many "shining lights" gathered in the caverns at one time, it is wondered if the electric lights were needed at all last Saturday.

After all these months of dryspelling this section has finally been blessed with nice planting rains, but the next thing you know some smart will crack, "It's too wet to plow."

"Vega Pastor to Mome to Rule Soon" says headline in the Rule Review. Wonder if the Reverend will resent being so called a fool.

McAdoo

Mrs. Charles Robinson underwent a major operation in Lubbock sanitarium Monday of last week. She is reported to be improving rapidly at this time.

Mrs. Bud Middleton was a patient in Spur hospital the past week, suffering from pneumonia.

Billie Morris Davis fell from a horse last Friday afternoon and suffered a skull fracture and scalp laceration. Billie was riding a horse and carrying a mattock when the saddle turned causing him to fall. One blade of the mattock stuck in the ground and the other blade in his head. He was carried immediately to Lubbock and admitted to Lubbock sanitarium at 9:30 Friday night. He is a nephew of Mr. and Mrs. J. O. Morris of McAdoo and makes his home with them.

Mr. V. H. Nettles had his tonsils removed at Lubbock sanitarium last Saturday.

Mrs. Frank Beauchamp was in the West Texas sanitarium several days the past week for treatment. Mrs. Beauchamp was at the home of her parents where she had been called to the bed side of her father when she became ill. She was admitted to the sanitarium about 1 a. m. Monday morning and within a few hours her father was brought to the sanitarium. The last report received of her condition she was improving having been moved from the sanitarium.

Mr. and Mrs. Lee Parker and baby of Spur were here during the week end to see their parents, Mr. and Mrs. J. C. Parker and Mr. C. C. Neely. Miss Mary Francis Van Meter and a girl friend from Lubbock spent the week end with Mary Francis' parents. The girls are students at Texas Technological college.

Miss Lora Dozier of Afton visited relatives here during the past week.

Mr. and Mrs. Norman Eldredge have returned home from an extended visit with Mrs. Eldredge's parents of Mart.

Miss Beulah Mae Phifer, student at West Texas State Teachers College, Canyon, came home this week end for a short visit with her parents, Mr. and Mrs. J. F. Phifer and other relatives.

Wednesday of last week a number of women met at the home of Mrs. Ollie Eldredge to sew for Mrs. Jack Herring who is ill. A large number of garments were made. The following women were present and assisted with the sewing: Mesdames Chas. Barker, T. L. Dozier, J. T. Parker, Willie Phifer, Jim Early, Hunsucker, Early, Jim Derr, Jack Derr, Weldon Cypert, John Formby, Dewey Woods, Emmitt Phifer, J. F. Phifer, Elois Nickles, Buford Cooper and G. W. Allen.

An all day quilting was held at Mrs. Harvey Hines last Tuesday and one at Mrs. "Buddie" Allens Thursday. Several quilts were quilted at both places.

Wednesday, April 22, Dickens girls and boys playground ball team came to McAdoo and played the local teams. McAdoo teams won both games. The girls won with a score of 19 to 17 and the boys scores were 24 to 15.

There are quite a few ill throughout the community. A number of students are absent from school because of illness.

We have a few more weeks of school. During these few weeks students and teachers will be very busy. The Juniors have not yet presented their play entitled "Young and Healthy" because some of the characters have been sick.

JUST WANTED TO HELP

R. M. Bennett, the Singer Sewing Machine agent in our city, came into our office the last of the week to thank us for the little introductory articles we gave him when he came to town. He stated that he did not see the article but he knew there was one about him because so many people had spoken to him about it. He said when he was in Jayton and Girard territories that people mentioned seeing the article, when he was in the country west of Spur people spoke about the article; in fact, he stated that in his whole territory people talked about the article to him and wanted to know if he was the new Singer man. Thanks, Mr. Bennett, we just wanted to help.

Dr. J. B. Ramsey of Forrest, spent last week in our city visiting with his brother, P. A. Ramsey. Dr. Ramsey has been in the medical profession for 50 years and stated that there is a whole lot to learn yet about medicine. He expressed views of confidence in regard to West Texas and feels that most of us will get by this year and that next year will probably bring greater prosperity.

Chicken dinner to starboard!

"Here comes a rooster, floating by on a chicken coop! The repairman is rowin' out to catch him... we'll have chicken stew for supper!"

In the flood-swept little river town, only the telephone operators remained, keeping the lines open for levee workers fighting the angry torrent. And at sundown, by long distance, the marooned office reported all well... and a chicken dinner in sight!

Good times and bad, it takes people to give you telephone service... men and women with the ability to do a good job in fair weather, and the courage to stay at their posts when emergencies threaten.

The entire specialized organization of the telephone system... this company, the expert staff of American Telephone & Telegraph Company, Bell Laboratories, Western Electric—exists for one purpose only:

To help the men who patrol the lines, and the women who work at the switchboard, do a better job of giving you good, economical telephone service.

Riter Hardware To Continue Bargains of True Value Week

Riter Hardware Store is making news with its National True Value Week. It was noised about that some real preparations were being made for this event—but it wasn't expected that True Value Week was going to be the extensive affair that it has proven to be.

Promises as to quality of merchandise and low prices have been faithfully kept—which is good news during these days of over-ambitious advertising.

We congratulate that little fellow that appears in the True Value Week advertising for leading a parade of, first inquisitive, then satisfied men and women to Riter Hardware Store.

Another interesting side-light to "National Selling Event" is how truly national it has become. There are almost one-thousand important hardware merchants throughout the country who are conscientiously trying to give the public one full week of fine merchandise at money-saving prices by participating in "National True Value Week."

SHS Honor Roll For Second Six-Weeks Announced Today

Patton Springs

Patton Springs Seniors to Visit Cavern

The entire Senior class of the Patton Springs High School will visit Carlsbad Cavern, May 9th. The trip will be made in one of the school buses. May 9th is Governor's Day at the Cavern and the students will have an opportunity to see and hear the Governor of New Mexico as well as see the wonders of the Cavern. They will be accompanied by their sponsor, Mrs. Chisenhall and by Mr. and Mrs. C. W. Griesecke, Jr.

This trip is the Senior Day activity of the Patton Springs students graduating this year.

Nineteen girls from the Home Economics classes of the Patton Springs High School accompanied by their instructor, Miss Lillie Gentry, attended the Home Economics Rally in San Angelo last week. All the girls reported an enjoyable trip, which was made in one of the Patton Springs school buses.

FIRE ALARM CALL

The local fire department answered a ten-thirty call Monday night, when passersby noticed the office of the West Texas Utilities company filled with smoke. Investigation revealed that a motor, which had been repaired that afternoon and left turned on for testing, had burned out.

C. C. Haile, of Afton, was attending to business affairs in our city Monday and said they received about one-half inch rainfall at his place Sunday evening. He stated it was much heavier north of him.

Mr. and Mrs. Otis Hopper and children of Hamlin, were in our city Sunday the guests of her brother, G. J. Lane, and family.

Spur Girls Win Honors At State Home Ec. Rally

Local Contestants Forced To Compete Against Class A High Schools of Texas; Receive Much Recognition.

Out of a field of 1300 girls and boys, representing 225 Texas High Schools, Spur high competed with Class A schools to return from the State Homemakers Rally with a third place winner and an honorable mention. Nelta Pritchett was declared win-

ner of third place in selection of kitchen equipment, a contest which required a skill in naming equipment most suitable for a certain income level, and reasons for their choice in writing.

Lorene McArthur won honorable mention for the tailored dress she had made and the accessories chosen most suitable for the material and finish of the garment.

The class in which Spur was compelled to compete included such cities as Lubbock, Abilene, Amarillo and San Angelo. All high schools with an enrollment of 300 students come under the classification of A schools and Spur has an enrollment of 320, with 52 in the home economics department as compared to larger city's 150 class enrollments.

MORE THAN \$60,000 LOANED COUNTY HOME OWNERS

Home owners in Dickens County have received loans, for refinancing purposes, from the Home Owners' Loan Corporation, amounting to \$63,325, as of January 2, 1936, according to an announcement made by H. P. Drought, of the National Emergency Council for Texas. This total represents 38 individual loans to home owners.

The total amount of loans closed in Texas by the Home Owners' Loan Corporation as of January 2, 1936, was \$101,823,418, representing 43,741 individual loans. Six hundred and fifty-nine applications were pending April 15th.

City Makes Annual Irrigation Rates To Optional Consumers

Rates Effective Until September. Are Available Only Upon Application by Consumer at City Office

The regular summer irrigation water rates, which are now in effect in the city of Spur, is again resulting in much encouragement to churches and home-owners to beautify the city with green lawns and more flowers.

Under the terms of the rate, which is available upon application, the minimum bill is \$3.00 which allows the use of 10,000 gallons of water. All water used in excess of the minimum will be billed at 25 cents per 1,000 gallons for the next 10,000 gallons used per meter, per month, with a charge of 20 cents for all water used in excess of the stated.

The irrigation rate is available to all residential, church and school consumers and will remain in effect until the seventeenth of September. The rate, however, is optional and will be given only to those consumers who call at the office of the City of Spur advising that they desire to take advantage of this special irrigation rate.

LEGAL NOTICE

Notice is hereby given that on the 23rd day of April, 1936, I, Fred B. Cable, Receiver of the City National Bank of Spur, Texas, filed an application in the District Court of the United States for the Northern District of Texas, at Lubbock, for authority to sell the Bank House property of the City National Bank of Spur, Texas, consisting of the West One Hundred Ten (110) feet of Lot 1 in Block 27 of the Town of Spur, Dickens County, Texas, together with the improvements thereon and the remaining furniture and fixtures belonging to said Bank at a price of Forty-Nine Hundred and Fifty and No-100 Dollars (\$4,950.00) cash, or upon such terms as might be fixed by the Court.

Upon the filing of said application Hon. James C. Wilson, Judge of said Court, entered an order on the 23rd day of April, 1936, setting a hearing upon said application in the United States District Court Room at Fort Worth, in Tarrant County, Texas, at 10 o'clock a.m. on the 4th day of May, 1936, at which time an order will be entered authorizing the sale of said property upon such terms as the Court may see best; and/or such other orders will be entered as the Court may seem proper.

All creditors or interested persons are hereby notified to appear at such hearing and show any reason why such sale should not be made, or to present any opinion they may have as to the advisability of such sale, or the price or the terms thereof.

(Signed) Fred B. Cable, Receiver for the City National Bank of Spur
Published April 23-30, '36.

A "Day" Telegram

A telegram has been received from Mrs. James B. Day, of Rotan, retired president of the Fourteenth District of Texas Congress of Parents and Teachers, complimenting the Times' convention story in last week's publication.

It read in part: "Received paper, excellent article...". At the close of the convention here Mrs. Day commented that this papers' special edition marked the first of its kind in the history of the association.

Auto Drivers Urged to File Serial Number of Original License

Lost Permits Can Not Be Replaced Before the Number of the Original License Has Been Ascertained.

Automobile owners of the county were cautioned this week that they should file the serial number of their operator's or drivers license where it would be accessible in event the original permit is lost.

Several persons have reported loss of their drivers license and before a new permit is issued the serial number of the original license must be ascertained.

Records of the permits issued are filed numerically in the Assessor's office, and it is almost impossible to find this number with only the name of the person to whom it is issued as a basis.

Inconvenience will be avoided if drivers will file their numbers. It has also been suggested that drivers encase their permits in some convenient place within the automobile, since the law requires the operator or driver to have license handy for showing at any time.

Candidates From 2 Counties Will Hold Big Dumont Rally

What is perhaps the first official political rally to be held in this county this "season" is scheduled for Dumont Wednesday night, May 5th, according to announcements received by this paper. All candidates of both King and Dickens counties have received invitations to attend, it is understood.

It is expected that a vast number of candidates from both counties will take advantage of the opportunity to address voters. Following the speaking the ladies of the Methodist church will sponsor a box supper, it has been announced.

J. W. Roulston, of Lubbock, the man who makes keys and repairs locks, was in our city Tuesday taking care of the locks and key troubles.

Bulldogs Look Great Fridays Spring Game

The public saw the first exhibition of the 1936 edition of Spur high school Bulldogs in action last Friday afternoon at Jones Stadium when the squad held a team of local all-stars and high school seniors to a 19-all game.

The most marked improvement over previous year's teams was noted in the blocking, and interference, which was perhaps the outstanding weakness of last year's squad.

Considering the opposition with which the Bulldogs were faced Friday's spring practice game indicated that the local school will boast their strongest team, for many years in the fall of 1936.
