TIMES 2nd ANNUAL COOKING SCHOOL NOW IN SESSION

Bits o' Nothing

Borrowed 'n' Otherwise
By EARNEST E. HAYLEY

One day recently a group of loafers were loafing in the loafing parlor of the Kinney Funeral Home when one started telling yarns about mosquitos. "When we lived down south," he said, "we had a cow with a young calf, but one day she wandered down into the swamp country and the mosquitos ate her up, then rang her bell for the calf."

At the same gathering one "rester" told of the razor-back hog that ate six sticks of dynamite and was then struck by lightning which caused the wreckage of the barn, corn crib and house, and closed with "We sure had a sick hog on our hands for the next few days."

A writer in West Texas Today says of the small town weekly newspaper, "You never know what is true or correct about the news until you get the next edition," and the local post of the American Legion may believe that true of the Times. Last week we said they had voted to hold Memorial Day services May 30th. However, this week we retract and say, May 31st. The Times does it up, sometimes, in O Henry style—with a quick turn of plot.

A convention is where a delegate loses sleep trying to get there, stays up day and night after he gets there and drives all night to get back home on the job, only to find that every bit of it was reported in papers which he could have read without leaving the office.

One speaker at the Press Convention in Midland last week told us that "efficiency" went further toward constituting a good newspaper than anything else, and that the story, persons names and all must be correct, or it is better not to have the report at all. We'll try that sometime.

Imagine our embarrassment when we were introduced to George Clark (Secretary to Gov. Allred, in case you don't know) at the Press Convention and we said "You're with the University Press Bureau, aren't you?" But we made up for it by telling him Allred would be reelected.

Up until last Thursday afternoon the Bryant-Link softball team had not won a single game, but at that time they were able to defeat Girard by the score of 11-10. It was for the good of several B-L players that the game was won, since their team had been the subject of any number of good ribs. One man was known to remark, "To them boys softball must be what war was to Sherman." The same Spurite also said, "They play softball like Ethiopia fought the Italians—with few victories."

The gas men who have been taking the census survey have reported any number of humorous "excuses" housewives and husbands have given for not liking the services of natural gas. Some have said it was dangerous (the last two fires in this city were reported caused from oil stove explosions); others said it would smoke the house, give off a fume that is unhealthy; too expensive and many other absurd answers. The surveyors are considering it a case of lacking in experience with the cheapest and most successful natural fuel known.

Marshall Formby is said to be an even stronger believer in advertising now. McAdoo has had approximately an inch of rain since last week's Times published his appeal.

It must be the spur of the moment that causes the flight of time.

A bill collector is just like a dog—he will stay with you when you haven't a cent.

More Than 300 Women Expected To Attend 3-Day School, Being Conducted By Miss McDougall At Ritz Theatre

First sessions of the Times' Second Annual Cooking School open at the Ritz theatre this afternoon (Wednesday) at 2 p. m., under the direction of the well known home economist, Miss Jean McDougall. Indications early today were that last years attendance record of three-hundred women will be broken before the three-day school closes Friday evening.

The school, being conducted in the interest of women of this vicinity, is co-sponsored by practically every business establishment in Spur along with a number of national manufacturers and jobbers. Many gifts and samples are to be given.

LANE WARNS FARMERS OF CROP WORM

Careless Worms Are Reported in Parts of County

Leave Careless Weeds

Poison of Little Good Once Worm Webs-Up Agent Says

County Agent G. J. Lane this week issued a warning to cotton farmers to watch for the careless worm, which has made its appearance in some sections of the county, due to the late rains and general conditions.

"The careless worm should be fought from the very beginning," the agent said in interview with a Times representative, "and there are two ways of conducting that fight. Poison is the first method, but this must be done before the worm 'webs-up' and in most reported cases it has already done this, so the best thing the Dickens County farmers may do now is leave the careless weed, where the worm is now thriving, until the cotton has established its growth."

The agent pointed out that as a rule the worms first show up on the careless weed and will remain there until the cotton has been cleared of the weed, then takes to the cotton proper. Little harm is usually noticed if the weed is permitted to remain until the cotton is better along with its growth.

Poison may be used if the worm is detected before it webs-up on the careless weed. After it webs up, however, poison has proven of little value in past years, the agent stated.

THE SOUTHWEST'S BEST EYE-SIGHT SERVICE

Dr. Fred R. Baker, the popular optical specialist, who has been serving local people for over fifteen years, will be at his office in the Wilson Hotel, Tuesday P. M., June 2nd only.

Big city equipment and the largest stock of new style spectacle-ware in the Southwest. Large list of testimonials from leading citizens upon request. Your eyes are your greatest faculty. Don't take chances. See Baker and see better.—Adv.

Mrs. F. W. Jennings is leaving today (Wednesday) for Dallas where she will undergo clinical examination

COUNTY'S YOUTHS ADVISED TO ENROLL CCC WORK EARLY

Application for CCC enrollments are being taken now by Texas Relief Commission Case Workers with the assistance of the County Welfare Workers, according to announcements of district administrator A. W. Long. Tentative plans are being made for the enrollment drive to take place sometime in July, but all former calls have been cared for through the TRC, which is due to cease functioning the last of June and as no other agency has been set up for the selection of

"I will endeavor to present new ideas of cookery, preparation and serving of foods and changing of old recipes to provide more interest in the art of homemaking," Miss McDougall has said.

Quick efficient ways of caring for the summer food needs will be stressed, according to the culinary expert who also says, "Homemaking can be made a joy rather than a job, under the proper working conditions."

Costs will be stressed, plans for dainty arrangements of special delicacies, balancing of food budgets to meet the demands of various families, and proper serving of foods will be discussed and illustrated, throughout the afternoon sessions of the three days. Ways for making the best of the equipment already in the kitchen will be outlined, as well as modern methods of cookery, sheared of all vexation, worries and bothersome details which are to be demonstrated.

Women throughout the county and entire trade area were invited to attend the school, which is free, through the columns of this paper last week and as such personal invitation work has been conducted the past few days which is expected to result in a record breaking enrollment.

The school last year was conducted in July, but due to the warm weather which prevails in that month the sessions this year have been moved up to the dates announced, with the hopes that more women might attend.

Local Scouts Sell Centennial Tickets Here This Week

Percentage of Funds to Defray Troop's Camp

Spur's local boy scout troop numbering thirty-five is this week conducting an advance sale of centennial exposition tickets from which a percentage of the funds go toward defraying the expenses of the troop's summer camp at Post, June 7th.

The Centennial tickets are being sold for \$2.50 per book of five general admissions and five concession admissions and carry a face value of \$4.00 worth of tickets. Fifty cents of every one of these \$2.50 sales will go into the local troop fund, it has been announced. Orders are being taken this week and as soon as some idea of the number of books needed is reached they will be rushed to the local boys.

The same book of tickets now being sold at \$2.50 will advance in price to their face value, \$4.00, after the sixth of June. Eight to ten boys are expected to go to Camp Post from this city.

Will Address Spurites!

GOV. JAMES V. ALLRED

Governor Allred will address an expected crowd of 6,000 at Jones Stadium Thursday, May 28th, at 3:00 o'clock.

NATIONAL BOARD ALLOTS BIG SUM FOR PENSION AID

65,000 In Texas To Get \$20 First Month of Assistance

The National Security Board last week allotted \$1,181,250 to match state funds for the payment of pensions July 1st, Orville S. Carpenter, Texas Old Age Assistance director has advised.

Estimations were placed at 65,000 persons who would need an average of \$20 per month and bring the total of state and federal funds for this use to \$1,300,000.

EXTEND DATE WORK SHEET SIGNING UP

The final date for the signing of work sheets under the Soil Conservation program has been extended to June 10th according to information obtained from the county agent's office this week.

Dickens county farmers are responding favorably to the sign-up, the community committeemen have reported. Robert A. Butler, committeeman of the McAdoo community, reports every farmer save one has signed sheets in that area.

Farmers have been urged to sign sheets, since as the agent points out, uncontrollable weather conditions and crop losses alone make such procedure advisable.

There will be no further extension of time after June 10th, it is said.

P. O. TO CLOSE

The local post office will observe Memorial Day, Saturday, May 30th, by remaining closed all day on that date. Postmaster Arthur has announced.

MUCH NEWS OMITTED

Due to the Times' efforts to get out twenty-four hours ahead of usual publication time this week, much news had to be left out. Most of the society was crowded out by advertising and live news. All of this "left over news" will be printed next week.

NEW BABY GIRL

A new baby girl weighing seven and half pounds arrived at the Ralph Rosamond home Tuesday morning. The Times did not learn the young lady's name. Both mother and babe are reported doing well.

PRESS CONVENTION

Editor Starcher and Associate Editor Haley represented the Times at the West Texas convention in Midland last week. A full account of the affair was crowded out this week.

Mrs. W. T. Andrews is reported on the sick list this week suffering on account of appendicitis.

GOV. ALLRED, THOMPSON AND SEN. NELSON TO SPEAK LOCAL STADIUM THURSDAY

The Spur Chamber of Commerce is to be host to three of the most influential officials of the state of Texas in an area-wide advertised political rally which will be staged here Thursday, May 28th, at the Charles A. Jones Memorial Stadium, when Gov. James V. Allred, Col. Ernest O. Thompson and Senator G. H. Nelson will address the largest political gathering ever scheduled for this county.

Local county and district candidates will speak between the hours of 9:30 a. m. to 12:00 o'clock noon, with barbecue lunch being served free by the Boyd M. Williams Post of the local American Legion.

At 1:00 o'clock Senator G. H. Nelson, candidate for re-election without opposition, will deliver the opening address for the afternoon session. At two p. m. Col. Ernest O. Thompson, chairman of the Texas railroad commission, will be introduced, and at 3 o'clock Governor James V. Allred will deliver an address immediately following Col. Thompson's speech, local sponsors have announced.

Senator G. H. Nelson, of Tahoka, originator of the Unicameral Legislature movement which has attracted state-wide attention since its introduction last year, has announced his acceptance as speaker on the afternoon program. He recently addressed the graduation class of the local high school, and will need no introduction here.

Col. Thompson, an outstanding statesman and railroad commissioner, who follows Sen. Nelson on the program, is perhaps best known for his opinions on "State Rights" governing the state's oil production and business.

Bonus Bonds Will Be Received Here About June 18-19

Bonus bonds totaling \$127,105 will begin arriving here about June 18th, local ex-service men have been advised. The bonds will be mailed from the Federal Reserve bank in Dallas as registered mail.

Mrs. M. C. Terry who has been visiting her daughter here has returned home.

CITY PAVING BEGINS WITH PARK FINISH

Project to Give City Complete Network Paved Streets

PWA Plans Approved

Paving Starts With 90 Per Cent Completion Of Park

The City of Spur's \$73,099.95 paving project will begin as soon as work on the local park has reached 90 per cent completion, the district PWA office of Lubbock advised the Times through an exclusive questionnaire the latter part of last week.

The plans have been approved by the Lubbock office and funds granted to the approximate amount of \$56,237.60, leaving the other \$16,862.35 to be paid by the sponsors, the report reads.

"Park must be 90 per cent completed then street work will begin, if men are still available," Mr. H. B. Jordan said.

The project, which promises this city a complete network of paved streets, was started last October and further work of surveys and plans have been attended to in the last few months.

The plans so approved set out that practically every block of streets from 6th to Granite and all avenues running from 6th and Harris north are to be paved.

Work is to be of a triple covering treatment. The first covering will consist of a priming coat of oil base and will be followed by a double coating of asphalt surfacing. The finished job will be similar to the highway between Spur and Dickens.

Actual work is expected to require about ten months, it is said.

Boyd Williams Post Will Hold Memorial Day Services May 31

Rev. E. L. Yeats, pastor of the Spur First Methodist church, this week accepted an invitation to address the Boyd M. Williams post of the American Legion in Memorial Day services at the church Sunday, May 31st, at 3 p. m.

Poppies will be on sale Memorial Day, Saturday, May 30th, in Spur, Dickens, Afton, Glenn and perhaps other parts of the county, the local post has announced.

The services Sunday will be followed by decorations of veterans graves at the local cemetery, it is understood.

"We Can's Help it Because We Sell So Cheap!"

He's Rally Speaker!

STATE OFFICIALS HERE FOR RALLY

(Continued from Page 1)

In an address delivered before the convention of the Junior Bar Association at Houston, the Commission Chairman said, "We contend that the state of Texas has the right, and the exclusive right, to say how much oil can be produced within our state; where you may drill an oil well in Texas; how many oil wells may be drilled on your farm. . . I say the control of this wealth is worth retaining in Texas. We have been fighting successfully to defend this right from any and all encroachment, and I propose to keep on doing so, with all the strength there is in me."

Col. Thompson has just returned from Washington where he heard the supreme court's decision invalidating the Guffey Coal act ending "the threat of federal control of the oil industry." The Texan had been in Washington for interstate commerce commission hearings on railroad freight rates.

The principal speaker is a citizen and former mayor of the city of Amarillo, was private secretary to the late Chief Justice R. R. Gaines, was commander of the 90th Division machine gun battalion during the world war. Machine gun tactics developed by Col. Thompson in the Argonne campaign are now taught as regulation practice. He was one of the organizers of the American Legion at St. Louis caucus. President Wilson selected him as one of the 96 official mourners at the burial of the Unknown Soldier, and he was a delegate to the World Conference at Brussels.

James V. Alfred, Governor of the state of Texas and candidate for reelection, will be introduced immediately following Col. Thompson's address by Alton B. Chapman, District Attorney, and is expected to picture the highlights pertaining to Texas Oil Age Assistance measures, the state's cash balance at the end of the fiscal year next August 31st, which will show three million dollars "in the black", and perhaps any new information that might be available pertaining to state measures. George Clark, secretary to the Governor, informed representatives of the Times at the Press Convention in Midland last week-end that he, too, planned to attend the rally.

Candidates for county and district offices have also been invited to speak, and a number have indicated that they would do so, it is understood.

Many out-of-town visitors are expected, including Lee C. Harrison of Big Spring, one of the most prominent independent oil operators in Texas, as well as other outstanding oil men from over this section.

The barbecue, which is to be free, will be served by the local Boyd Williamson Post of the American Legion. Much effort has been put forth toward extending invitations to citizens of this area to attend, and the largest political gathering in the history of the county is expected to result.

Car Overturns, No Serious Injuries

Rev. H. C. Bristow, of Girard, incurred what might have been a serious accident Friday afternoon about four or five miles east of Spur on Highway No. 18. He was driving home from Spur and his car ran into a slick spot on the highway which caused it to swerve and turn over. Rev. Bristow received a number of bruises, but no bones seemed to be broken. He was knocked unconscious for a short time but is thought to be getting along all right at this time.

Other occupants of the car were: Mrs. J. V. Bristow and baby and G. M. Ogle, all of Spur. None of these received any painful injuries of any consequence. All endured a severe shock and suffered under nervous strain.

VISITING HERE

Mr. and Mrs. Earl D. Haefner and Mrs. Bertha Blaine of Youngstown, Ohio, have been in our city visiting their brother and sister, Mr. and Mrs. H. O. Everts. They arrived here the first of last week while Mr. and Mrs. Everts were away and furnished a very pleasant surprise when the Everts returned. Mrs. Haefner and Mrs. Blaine are sisters to Mr. Everts.

S. Hemphill Passed Away Thursday

Sam Hemphill, a much beloved young man of Croton and Dickens communities, died at the home of his father in Dickens Thursday evening about eleven o'clock. He had been feeling bad for several days and on Monday before he went to bed and when the physician examined him the illness was declared pneumonia. He survived only four days. Funeral services were held Friday afternoon at three o'clock at

Dickens, Rev. A. P. Stokes, a long time friend to the family, conducted the funeral rites. Interment followed in Dickens cemetery, Bill Kinney acting as funeral director.
 Mr. Hemphill was 32 years of age at the time of his demise. He was born in Bastrop County May 18, 1904. He moved with his parents to Dickens County in 1918 and has made this his home since that time. He was an active member both of the Odd Fellows and Masonic fraternities. He is survived by his parents, Mr. and Mrs. Ed Hemphill, one brother, Jim Hemphill; two sisters, Mrs. Jack Beaver and Mrs. J. M. Stinson both of Paducah.

J. N. Johnson of Dalhart, and W. E. Johnson of Lubbock, were in our city Tuesday looking after the interests of the Townsend Old Age Revolving Pension. The Dalhart man stated that once people understand this great movement all of them will favor it.

Miss Eudora Hawkins, of Abilene, arrived in our city Tuesday and will assist in managing the second annual Times Cooking School.

LISTEN!

To the voice of Nature. If it were not for pain, our bodies could be destroyed without our knowledge. Pain is a friendly warning that something is wrong. If in disease you silence this warning by deadening the pain you have not corrected the cause, but you have taken away Nature's danger signal.

CHIROPRACTIC

Choose your car for the things that count!

See first what a difference that V-8 Feeling makes

ALTHOUGH the Ford is one of the lowest-price cars, it is the only V-8 car below \$1645. That's why you can't really judge it till you drive it. Till you feel the smoother flow of its 85 horsepower—its swifter pick-up—its easier power up hills and at fast cruising speeds.

And you'll find other outstanding points in a Ford V-8. The riding comfort of a 123" springbase—almost a foot longer than wheelbase. Remarkable stability over rough roads and on turns. The complete security of a steel body, with safety glass all around, and big Ford Super-Safety brakes.

* These explain why Ford owners feel so pleased—as they report gas mileage equal to less powerful cars—and no oil added between regular changes. Ford owners get extra benefits in performance—yet pay no extra for them. Choose your new car as Ford owners do—for the things that count.

Performance with Economy

Terms as low as \$25 a month, after down payment, under new UCC 1/2% a month plans. Prices \$510 and up, F.O.B. Detroit, including Safety Glass throughout in every body type. Standard accessory group extra.

CITY FEDERATION HONORS PIONEER WOMEN

Featuring a wagon train theme, the City Federation of Women's Clubs of Spur closed the year's work with a Pioneer Tea at the Spur Inn, Friday evening, May 22nd.

Four girls, Isabel Campbell, Mae Barnett Johnson, Helen Hale and Miriam Reed, in cowgirl costume greeted members and guests, many of whom were attired in pioneer costumes. A few of the costumes were one hundred years old. After viewing a display of antiques and relics, the guests were seated around a campfire in a semi-circle facing a table decorated with log cabins, covered wagons, wild flowers, and blooming cacti. Seated at the table were ten pioneer women who were honor guests for the evening.

Mrs. R. A. Taylor, President of the City Federation, brought greetings as Boss of the Wagon train composed of four wagons, representing Seniors clubs, and two carts representing Junior clubs. Mrs. Taylor explained that this stop was a pause or layover on the journey toward culture and self-improvement. She introduced the Presidents of various clubs as drivers of their wagons. In turn, these drivers added to the wagon train atmosphere by telling of the aims and accomplishments of their clubs in terms of wagon journey days. The drivers and clubs represented were:

1917—Mrs. W. T. Andrews.
Twentieth Century—Mrs. B. F. Hale.
1931—Mrs. Faust Collier.
1933—Mrs. F. F. Vernon.
Daughters of 1933—Margaret May Weaver.

Junior Choral Club—Nedra Hogan. The pioneer guests were introduced as travelers who had made many journeys and were willing to give the members of the wagon train the benefit of their experience. These pioneers were: Mmes. Forbis and Garner with the 1917 Club; Stafford and W. J. Elliott, Twentieth Century; W. W. Ellis and J. C. McNeil, 1931 Club; J. N. Luce and Kate Buchanan, 1933 Club; Mary Johnson and Tol Merriman, Daughters of 1933; and for the Choral Club the music masters of the world. Each pioneer related experiences of the early days.

Other entertainment numbers were: Solo, "Come to the Bower"—Mariam

Reed; Reading, "Cowboy's Christmas Bell-Chittenden"—Mrs. Pike Nichols Jr.; Piano solo—Nedra Hogan; and "Old Faithful" by the Choral Club Sextette composed of Nedra Hogan, Miriam Reed, Isabel Campbell, Ora Pearl Johnston, Helen Hale and Julia Jo Reed.

In stallation of officers was another feature of the evening. Mrs. Taylor, retiring president, after expressing appreciation for cooperation, told of her wish to have more time for exploration as the wagon train continues its journey. She presented Mrs. A. M. Walker, the Wagon Train Boss for 1936-37. Mrs. Walker compared the pioneer's experience and introduced her helpers and drivers for the wagons. Those were: Assistant Bosses: First, Mrs. Sol Davis; Second, Mrs. Weldon Grimes; Third, Mrs. Charlie Powell; Fourth, Wynell McClure; Record Keeper, Mrs. W. T. Andrews; Scribe, Mrs. Jack Rector; Historian, Mrs. W. R. Weaver; Ration Prorater, Mrs. B. F. Hale.

Drivers and their clubs included: Mrs. E. L. Adams—1917 Club
Mrs. G. J. Lane—Twentieth Century.

Mrs. Weldon Grimes—1931 Club.
Mrs. Charles Powell—1933 Club.
Joyce McCully—Daughters of 1933.
Nedra Hogan—Junior Choral Club.
Committee Chairman announced were: Yearbook, Mrs. Faust Collier; Civic, Mrs. M. H. Brannon; Finance Mrs. C. H. McCully.

Dictators Fear Free Press

AT THE recent fiftieth annual convention of the members of the American Newspaper Publishers Association, especial stress was laid by various distinguished speakers on the need for maintaining inviolate the ancient American doctrine of freedom of the press.

Colonel Frank Knox, publisher of the Chicago News, said: "A free press and a dictator cannot live in the same country. If a free press exists, a dictator is unhorsed—and the people retain their liberties. If a free press is destroyed, a dictator thrives—and the liberties of the people disappear."

Sir Willmot Lewis, Washington correspondent of the London Times said: "The newspapers of today are not free in all lands, but where they still have liberty and defend it—against enemies within and without—where they stand for discussion and agreement, setting themselves unbreakably against the regimentation of customs and obedience by goose-step, even the cynic may find a place for hope."

Other speakers presented similar views. And it is difficult to see how any man with a knowledge of world history, ancient and modern, could disagree. The two greatest treasures any people can have are a free press and the right of free speech. They constitute the basis of all liberties. They are the very lifeblood of social, economic and political freedom. They are the friends of representative government and the enemies of dictatorship.

The newspapers of American have shown courage in aggressively resisting all efforts to curb their liberties. In doing this, they perform a duty to the people of the nation—and they show that they are worthy of the great responsibility that is theirs in these discordant times.

For information of our readers we wish to say that the press of both the Republic of Germany and the kingdom of Italy are censored every day in the year. If any newspaper in either of those countries attempt to publish anything contrary to the government regime, that newspaper is soon notified to desist. As long as that first great Bill of Rights is recognized and upheld by the courts of our country, it will be difficult for anyone to ever bring the American people into subjection.

Don't Discourage the Gas Movement

REPRESENTATIVES of a reputable gas company have been in our city the past few days taking a survey to determine whether they can afford to build a line into Spur and construct a distribution system over the town. There has been some objections expressed, some giving as the reason that gas is dangerous. Many of us use quick burning fuels and never have questioned this feature. Gas is like other quick fuels—it is not to be used as a play toy for the children, but it has not proven any more serious in its use as a fuel than has other fuels of quick ignition. It is clean, convenient, quick means of heating and cooking, and people will like it once it comes to our city.

Gas Will Mean Other Business

WHEN GAS IS BROUGHT TO ANY TOWN or city there is usually an excuse for other industries to follow. These new lines of business are additions to the town generally and rarely afford competition to those business firms already in the town. Gas is always needed to run factories and usually some lines of manufacturing follow the installation of gas in a town. Spur is nicely and conveniently located and has enough territory from which to draw patronage to make a city of several times its present size. Most any type of manufacturing interests could be established in Spur to a success, and add very materially to the growth of our little city. If we get gas here these other industries will follow if given the proper inducement. A welcome to the gas company to build into our city will be an index that we want other industries to follow.

We, the Spur Chamber of Commerce, invite you and your friends to be with us on this, the biggest political rally occasion ever held in the country's history, when we honor our state-wide friends: the Governor of Texas, the Chairman of the Railroad Commission of Texas, Senator of the 30th Judicial District and many leading political leaders as well as various leading oil men of this section of the state.

Main Speakers For The Occassion

JAMES V. ALLRED, Governor of Texas

COL. ERNEST O. THOMPSON, Chairman Railroad Commission

HON. G. H. NELSON, Senator from 30th District

Come, Be Here!

What you need is a bit of downright dawdling (loafing if you're honest with yourself). There will be plenty to eat and talk about. Get away from work for a day and enjoy yourself with your friends.

The Spur Chamber of Commerce, speaking for the citizens of Spur and Dickens County, bids you welcome! Welcome to a pleasant, happy gathering!

McAdoo Thanks Supt. W. O. Cherry

We, the undesigned citizens and patrons of McAdoo, are taking this manner in expressing publicly our appreciation and sincerest thanks to Mr. W. O. Cherry and wife, for the outstanding achievements they have been connected with in the county and the community.

They have been residents here for eight consecutive years and were always found in the front ranks of the workers that carried us from a thinly settled neighborhood, with a wooden building grade school to what we have at present.

Mr. Cherry has been largely instrumental in securing the affiliated credits the school now has. He has assisted in graduating fifty-four students, served under sixteen board members, added football to sports, vocational agriculture to the curriculum, a gymnasium and the present consolidation of additional territory. He has always secured the highest type of instructors for the grade and high school and assembled faculties who have commanded the respect of the students and the appreciation of the patrons and made the school system a progressive unit of the best type. He has at all times been the head and the example for his school in proper deportment and moral rectitude, and has so conducted himself that we as fathers and mothers would be glad for our children to use his standard, for their citizenship.

Mr. and Mrs. Cherry came to us as a newly married couple, and by their example have shown our young married citizens that true harmony and lasting happiness may be achieved with a marriage ceremony and that the greatest accomplishment possible for matrimony is to demonstrate to the rising generation that love, fidelity, honor, happiness and parenthood are attainable and desirable. We have only praise and thanks for their influence in our community.

We would also like to extend to the Bovina School, our heartiest congratulations in securing the services of Mr. Cherry as their superintendent and Mrs. Cherry as a neighbor.

Heading the list are the names of all the ex-board members excepting three that Mr. Cherry has served under during his tenure of office:

T. M. Brantley, Earl Van Meter, B. C. Hardin, C. P. Aull, John Alexander, J. T. Powers, A. W. McDonald, W. G. Abernathy, J. W. Jones, Harvey Hines, Chas. McLaughlin, V. C. Finney, N. V. Cypert (Mrs. N. V. Cypert made the certification), C. C. Neeley, H. E. Henderson, A. C. Rose, M. C. Formby, J. H. Phifer, J. H. Miller, John A. Allen.

The remaining endorsers are sincere friends and well wishers: Mr. and Mrs. A. M. Lay, Mr. and Mrs. R. A. Butler, Mr. and Mrs. Jim Nickels, Bailey Frazier, Rush McLaughlin and wife, Mr. and Mrs. M. A. Holmes, Joe Early and mother, Mr. and Mrs. Harold Hardy, Mrs. Harvey Hines, O. S. Owens and wife, F. E. Dillon, J. W. Clark and wife, Mr. and Mrs. J. T. MAN ASKS TIMES FOR HELP, THEN REPORTS JOB OVERDONE!

R. E. Dickson called on the Times to help him dispose of some Pure Mebane 141 cotton seed at \$1.00 bushel, by inserting a classified ad to be run four weeks.

Last week he ordered the ad taken out before it had completed its running order. "The Times was too helpful," he said. "I sold all that seed the second day after the paper came out."

Is Held On Car Theft Charges

R. C. Britton has been arrested at Durante, Okla., by Sheriff Joe. E. Williams on a charge of car theft. About four weeks ago the car of Mr. Kissinger was taken from the streets of Spur and later was found in a pasture about five miles northeast of town by Constable C. H. McCully and City Marshal Barber. Leads indicated that Britton could have been the party who took the car. Sheriff Koonsman put various officers on guard which caused the arrest of Britton. Britton was returned here last week by the county sheriff.

R. Jones and wife, B. F. Eldredge and wife, Mr. and Mrs. J. D. Eldredge, Mr. and Mrs. S. T. Dennis, Mr. and Mrs. D. L. Woods, C. P. Aull Sr. and wife, W. A. Brantley, Mr. and Mrs. W. W. Security Department Eliminating Crime

"Like rats leaving a sinking ship, the racketeers in securities are leaving Texas," Governor Allred said in an address at Kilgore before the North and East Texas Press Association Friday night. "This Exodus has been caused by the operation of the Texas Securities Act which went into effect approximately a year ago and has resulted in the saving of millions of dollars to Texas investors. "Mail fraud violators have decreased by 50 per cent, we are reliably informed," the Governor stated.

PIANO RECITAL

Miss Kathryn Curby presented two pupils, Nedra Hogan and Julia Jo Reed, in a piano recital at the East Ward auditorium Wednesday night, May 13th, to a very appreciative crowd. Lillian Grace Dickson accompanied Miss Reed on one rendition.

MISS BONNIE CAMPBELL IS HOSTESS FRIDAY EVENING

Miss Bonnie Campbell entertained a number of her young friends at her home Friday evening with a porch party.

Various games were enjoyed by this young group after which the hostess assisted by her mother, Mrs. W. S. Campbell, served punch, with cheese niblets and cookies. Those enjoying this outdoor party were Betty Lynn Brown, Sammie McGee, Winifred and Helen Ruth Lee, Emily Cowan, Peggy Hogan, O. F. Priest, Bill Lane, Fike Godfrey, Clarence Jones, G. J. Lane, Raymond Ince, Ray Taylor and Loyd Barber.

Miss Idolene Herrell of Wichita Falls has been the guest of Mrs. C. F. Hardwick this week. Both of the ladies left yesterday for a few days visit with Mrs. Hardwick's relatives at Cronos, N. M.

MISS JEAN McDOUGALL CHOOSES THE HOTPOINT Electric Range and FRIGIDAIRE

T. E. DAWN
A New Hotpoint electric range, now the talk of the nation. Styled by Helen Hughes Dulany, foremost woman industrial stylist, it typifies the thinking of modern women in kitchen appliances.

FRIGIDAIRE
A size for Every Home and Business

The fully automatic Hotpoint range has been chosen to demonstrate modern day cookery in the Free Cooking School to be conducted these three days, May 27, 28, 29. Meals that will delight you with their simplicity and ease of preparation will be cooked in the Hotpoint range. Miss McDougall has many new recipes that will be of interest to every housewife and adaptable to use in the home every day. Her purpose will not be to teach anyone how to cook; but to point out economies possible in meal planning.

A Brief Message to the Ladies of Spur

It's a pleasure to cooperate with the Dickens County Times and bring to Spur Miss Jean McDougall, a most thoroughly experienced and qualified Home Economist. Her wide experience in holding schools of this nature qualifies her to appear in your city and in an interesting manner discuss with you methods of improving your meals and at the same time point out ways to reduce time and effort. We cordially invite you to be present on Wednesday, Thursday and Friday, May 27th, 28th and 29th and profit by the interesting and educational demonstrations conducted by Miss McDougall.

The entire home centers around the kitchen, and the bright and shining spots in that kitchen are the alluring beauty and conveniences of modern Hotpoint ranges and Frigidaires! Miss McDougall gives you ideas of much value as to how you may enjoy the most utility from your range and refrigerator.

This company has agreed to furnish a sparkling new Frigidaire to be demonstrated at the Cooking School. People acclaim it the most beautiful unit ever built. See it in operation.

Seaborn South Rites Held Monday, May 25

Raymond Seaborn South, a former Spur boy, died at the home of his parents in Lubbock about 9:15 o'clock Saturday morning. The body was prepared for burial and brought to Spur where the funeral services were conducted at the First Baptist Church at three o'clock Monday afternoon. Dr. M. F. Ewton, the pastor, read the funeral rites. Interment followed in Spur cemetery. Kinney Funeral Home in charge of arrangements.

Active pallbearers were six classmates: Norman Priest, R. J. Bell, Clifton Kimbrough, Everet Martin, Kelly Marsh and John Hazelwood, Jr. Flower bearers also were six classmates: Misses Oleta Dell Reed, Mona Lawrence, Jane Godfrey, Billie Burk Hisey, Pete Aston and Winnie Blair.

Seaborn, who is a son of Mr. and Mrs. J. J. South, was born at Rails, April 6, 1918. His parents later moved to Spur where his father was engaged as an automobile mechanic and radio technician. Seaborn attended the Spur schools and graduated from Spur High School with the Class of 1935. At the close of school the family moved to Lubbock and Seaborn secured work with the Western Union Telegraph and Cable Company where he proved to be very efficient at his task. Within one year he had secured two promotions and was in line for another promotion when he became ill.

A few years ago he made a profession of religion and joined the Baptist Church in Spur and his membership was here at the time of his demise. He always departed himself in a gentlemanly way, still reserved but when called on to perform any task he was able to take care of it in a good way.

He is survived by his parents, two brothers, John Jr., and Merle South; three sisters, Evelyn, Evanel and Joan; his grandparents, Mr. and Mrs. T. S. Lambert of Wichita community and Mr. and Mrs. J. H. South of Los Angeles, Calif., and a number of uncles, aunts and cousins.

Among others who attended the funeral services from other points in addition to those mentioned above were Mr. and Mrs. O. A. Lambert of Bluffdale and Mr. and Mrs. Joe Lambert of Monahans, uncles to the deceased; Mrs. Ethel Brasher of Los Angeles, Calif., an aunt; Mrs. Palmer Hodges of Sweetwater, a cousin; Mr. and Mrs. Joe Lambert and Mrs. Lucy Ford of Matador, cousins; Miss Roberta Kilgore of Bluffdale, a friend to the family; H. R. Starrett and H. L. Starrett of McAdoo, friends to the family.

A MESSAGE OF APPRECIATION

We take this means to publicly express our appreciation to the many friends and neighbors in Spur and elsewhere for the expressions of kindness and helpfulness given us during the illness and death of our son, brother, grandson and nephew. We do not see how you could have done more for us—every comfort was given, every hospitality was extended and your expressions of sympathy proved so helpful. We thank you for all that was done and said for our comfort and pray for heaven's blessings to be on you.
