Plans Further Outlined for Armistice Day Program for Spur

Bits o' Nothing

Borrowed 'n' Otherwise

Well our Mr. Hayley got married and is too busy to write (you know that happens to the best of us). I think he will live over it.

Always wanted a daughter so she could marry and bring her husband home, so I have seen several daughters come and go. Just now W. D. and I are counting the days when Nellie, Horton and Marvin return.

Lorene was helping Billie D with his boots Wednesday morning and Billie D. said "Earnest, your wife sure is a good lacer upper. Guess I'll miss her," but informed Earnest that when you get settled in your little home I'll come and visit you.

I don't know which is worse—the ads or the editorials, but every day and hour I am getting sorer and sorer for myself for being one of the public.

The whole world is now divided into two classes: The public and the public-spirited citizens. The public of which I am a lowly member, is the caste which just sits around and does nothing until it is told, and then usually does the wrong thing. The public spirited citizens are those who tell the public what to do. The public-spirited citizens get into the headlines by opening his mouth. The unaccomplished public spirited citizen can get into the headlines by keeping his mouth shut, especially when he should open it.

The best way to tell if conditions in this country are good is to see if there is a number of public spirited citizens working and pulling together. When we can get the dear public to fight together things will hum. Now that the election is over I bet we'll have a good crop next year.

The Pa's back on the job and he thinks things will be different. They are.

PAYS COMPLIMENTS TO DICKENS COUNTY CITIZENS

Martin W. Moses, state agency manager for the United Fidelity Life Insurance Company, had been in our county the past few days working with local agents and taking care of other affairs of business for his company. Mr. Moses is one of those pioneer Texas citizens and was born in Washington County. He is a strong believer in the future possibilities of Texas and feels that any citizen in good health should be proud of the privilege of working for a livelihood in our great state.

In the presence of friends Monday Mr. Moses made the statement that there are more people in Dickens County who hold policies in the United Fidelity Life Insurance Company than in any other county in Texas. This is a broad statement, but Mr. Moses should know as he deals strictly with policy holders and prospective policy holders. To consider that Dickens County has more people under the protection of the United Fidelity than has Dallas County is placing our county on a high plane in the insurance business. Mr. Moses stated that the people of Dickens County are insurance minded, and after buying a policy usually plan to keep it in force.

Mr. Moses went on to say that Dickens County has the youngest stockholder in his company. This youngster is William D. Starcher, Jr., who secured five shares of stock in the Acme Life Insurance Company when he was only two and one-half years of age, and when that company merged with the United Fidelity Life the stock was transferred with the merger. This youngster has owned life insurance stock and has kept a life insurance policy in force six and one-half years. He was nine years old September 11. Mr. Moses stated that he may be the youngest stockholder of any life insurance company in Texas so far as he knows.

Mr. Moses enjoyed a short conversation with Bro. A. L. McClellan, who is a former Washington County citizen. Bro. McClellan knew Mr. Moses' father in the early days of that country. Both of them related many interesting events of the early days.

PLANS COMPLETED FOR ARMISTICE DAY PROGRAM

Spur-Paducah Football Game Will Be Feature Of Special Celebration in Spur

With a conference football game between Paducah and Spur at the Charles A. Jones Memorial stadium, and with a big program outlined by the local post of American Legion, November 11 is going to be a full day for the people of Spur country. At the meeting held in the Legion hall Monday night various committees made glowing reports of the preparation in progress. It is reported that eleven floats have been promised and four more probably would come to join the parade and represent various business firms.

V. V. Parr will be in charge of the parade which will start promptly at ten o'clock Wednesday morning, November 11. Mr. Parr announced that he wanted all service men, whether members of the Legion or not, to assemble at the city light plant corner on Si th Street at nine o'clock that morning and ranks to be arranged. The service men of Cottle County and the service men of Motley County will be guests of the service men of Dickens County for that day and will take part in the parade.

The service men of Cottle county under the command of Pat Sivells, will lead the parade with the service men of Motley County, under command of L. L. Russell, next in the ranks. The service men of Dickens County, under command of Webber Williams, will be third. A place for veterans of the Spanish-American war and other wars will be provided in the parade. The pep squads and other students of the Paducah schools, Matador schools and Spur schools will follow in the parade just after the Dickens County service men. Then the various floats and others concerned will be in line. The parade will be up Burlington Avenue to Hill Street, then westward on Hill Street to the Hill Top Service Station where those who are not service men will break ranks and go across the hill to the stadium. The service men will continue around to the north of the stadium and approach the football field through the north gate. The floats will also go to the north side of the stadium to enter the grounds. The program will be rendered at the stadium where there is plenty of seating capacity to take care of the people.

In as much as the Paducah football team is to be the guest of Spur for the day, it was agreed at the meeting

Monday evening that they should lead the parade. The Spur school band will furnish music during the parade and Supt. Thomas assured the legionnaires that Spur schools are arranging a program which he thinks the service men will be proud of.

Many Visitors Present
The meeting Monday night was characterized by a number of service men from Paducah and Matador. Sam Z. Hall, former Spur school superintendent, was asked for a talk. He stated that Spur could depend on the people of Paducah to a man in executing the program outline. He stated further that the Paducah Dragons were coming to Spur with full intentions of taking off the conference football game the afternoon of Armistice Day. He said, "You can depend on 1,000 people from Cottle County."

Ray Loftis stated that it is a pleasure to join with Spur in this Armistice celebration, and he felt there would be great good accomplished in this work. E. A. Carlock stated he heartily concurred in the movement and hoped that all service men of the three counties would make it a point to get together from year to year and renew fellowship. J. R. Meacham admonished the "buddies" to keep up the spirit of being pals and carry on in a great fraternal way the principles outlined by the American Legion organization.

M. S. Patton stated that Matador post would cooperate fully in the work. He stated that if it would be all right he would like to extend an invitation to Matador schools to be present for the day. He was assured and urged to give Matador school an invitation to be present.

Visitors from Paducah were: Sam Z. Hall, school superintendent; Ray Loftis, groceryman; B. H. Richardson, baker; D. A. Deason, merchant; Reub Tye, garage manager; Pat Sivells, stockman; John H. Davis, commissioner; D. A. Foster, lumberman; J. R. Meacham, Q. A. & R. R. Agent; Oscar St. Clair, stockman; E. A. Carlock, newspaper, M. S. Patton and L. L. Russell represented the Matador post.

It was a great meeting and a fine spirit manifested. George H. Mahon Congressman for the 19th District, will be the main speaker for the day. The main meeting will begin about 10:30 o'clock in the morning, and after the program a big barbecue will be held at the park just east of the stadium. The football game will start about 2:30 o'clock in the afternoon.

ANNUAL PURE FOOD SHOW POSTPONED BY LADIES

The Pure Food show which has been sponsored by the ladies of the First Christian Church will not be held this fall. This great event of our little city is being postponed until sometime in 1937. Just what time has not been revealed. This decision was made by the Ladies Council of the church in a meeting Monday.

This annual food show has been sponsored by the above mentioned group for many years. The Council desires to cooperate in the historical Centennial pagenat on November 11. This pagenat is to be staged by Spur merchants and is sponsored by the American Legion.

Mrs. R. G. Barrow Breaks Limb in Fall

Mrs. B. G. Barrow, Mrs. Mack Tidwell's mother, accidentally broke her leg Tuesday. Her knees just seem to give way and in falling she broke her leg about two inches below the hip joint. She was rushed to Dr. Wylie's hospital where examination was made by Dr. P. C. Nichols and he advised them to leave immediately for Dallas where she was taken to Carroll Hospital.

Mrs. Barrow is over seventy years of age but the trip didn't seem to tire her too much and at this time she is resting nicely.

Mrs. Bynum Britton is in Junction visiting friends at this time.

"His Brother's Wife" At Palace Theatre

It was peculiarly fortunate that when Metro-Goldwyn-Mayer determined to produce the picture called "His Brother's Wife" W. S. Van Dyke was available to direct it.

The picture comes to the Palace starting at Saturday night prelude and running Sunday and Monday.

It has Hollywood's most romantic team, Barbara Stanwyck and Robert Taylor, heading a remarkably fine cast.

Van Dyke, of course, is a veteran not only of the camera but of jungle adventure, and "His Brother's Wife" is a drama of the tropic wilderness. Van Dyke has resorted to his indelible memory of the steaming interior to produce an effect of realism that is truly astounding.

Society Will Hold Sale Next Saturday

The Belle Bennett Missionary Society are announcing a bakery sale to be held in the Campbell Building Saturday, November 7. The sale will start about ten o'clock in the morning and will consist of cakes, dressed chicken, candy, etc. These ladies solicit the patronage of the public for the day.

Mrs. A. L. Davidson and son, C. D., of Dumont, were in our city Saturday

Local Methodist Ministers Attend State Conference

Two Methodist ministers of Spur are in attendance at the annual statewide Methodist conference being held this week at Houston. The two Spur men are Rev. E. L. Yeats, pastor of the First Methodist church, and Rev. C. A. Holcombe, circuit minister in this conference. Mrs. Yeats accompanied the Spur pastor.

New Books Added To Spur Library

The following new books have been added to the Spur City Library, two western fictions: "A Ranger Rides Alone" by Amos Moore; and the "Last Wagon Trail" by Zane Grey. More new books will be added in the very near future.

Three late popular fictions in the City Library are: "Gone With the Wind" by Margaret Mitchell, "Great Laughter" by Fannie Hurst, and "Maid of Honor" by Jane Radell. "Around the World in Eleven Years" by three children, Patience, Richard and John Abbe is a recent addition to the library. One work by Fairfax Downey, "A Portrait of an Era" by Dona Gibson, is an interesting volume.

Also the book from which the picture "Gorgeous Husky" was taken is in the library. The price of membership is \$1.50 per year, or you may join for two months for 25 cents.

A. J. Henderson, a former citizen of Roaring Springs community, passed away at Morton about 7:00 o'clock last Friday morning. Funeral services were held at Roaring Springs about noon Saturday and interment followed in a Roaring Springs cemetery. Rev. R. C. Brown of Spur, conducted the funeral services.

The immediate survivors consist of ten children: Mrs. W. S. Smiley of Duncan Flat community, Mrs. Roy Gibson of Guthrie, Mrs. Sallie Cook and O. V. Anderson of Morton, Mrs. Ida Smith of McQueen, Okla., O. I. Anderson of Earth Mrs. Lena Hurst, Mrs. Tom Radney and Mrs. Bertha Poole of Muleshoe, and Mrs. Bessie House of Jals, New Mexico. One sister, Mrs. Sis Johnson of Gilmer, also survives.

Mr. Anderson was born in Gilmer, Texas, in April, 1857. He was married to Miss Criss Ann Davis January 8, 1879, who passed away about four years ago. Mr. Anderson survived his wife four years, four months, four days. (The union was a very happy one with an ideal Christian spirit leading them through life.)

Mr. Anderson came to West Texas in 1918 and bought a farm near Roaring Springs where he lived until the death of his wife. Since that time he has been with his children most of the time, spending a great deal of time with Mrs. Smiley at Duncan Flat where he had an opportunity to meet with his friends whom he valued very much.

Mr. Anderson was converted to the Christian religion when a boy about 18 years of age. Several years ago he affiliated with the Christian Church where he lived a devoted and zealous member. He was loved and respected for his outstanding conception of right and for his strong belief in doing the right thing. A good man has gone on.

Farmers Complain Of Coyotes' Work

Many farmers of the country are complaining about coyotes destroying turkeys, chickens and lambs on the farms and some ranchmen have related losing some calves. The coyote has always been a menace in West Texas. If they were destroyed or run out of this country Dickens County could become one of the great sheep raising counties in the State. Most of the pastures are infested with weeds which the sheep would destroy and then the grass would come back.

It might be well for our Commissioner's Court to consider this matter and arrange to cooperate with the state authorities in trying to eradicate these pests. The expense would not be much, probably not costing the farmers more than the average price of two or three chickens per year in taxes, and the coyotes are destroying more than that number.

Jack Beechly, who is the government trapper on the Pitchford Ranch recently stated that more than 500 coyotes have been caught and killed that have been found, not to consider the great number of bobcats and other destructive animals.

King County Pioneer Died Last Tuesday

Isom Lynn of Guthrie died at his home Tuesday after a few days of illness. He had been very feeble for some three or four years and had not been able to be about much recently. Funeral services were conducted at Guthrie Wednesday, a great number of the early settlers being present.

On account of his friendly attitude he was often referred to as "Uncle Isom". He came to this country in an early day and was here when the Indians roamed over the territory. He was engaged to work on various ranches in the country and was considered one of the best cow hands of his time. In speaking of his experiences a few years ago he said, "I could tell the people of this country some things of early day happenings, but they would think I was exaggerating." He was very reserved in relating early day events, but would answer question placed before him.

He had passed his 90th birthday anniversary when he passed away. He commanded the respect and love of everyone who knew him and was known all over West Texas for his pioneer attitude.

Mr. and Mrs. Bell Height attended the funeral. Mr. Lynn was Mrs. Hyatt's uncle.

C. W. Barrett Jr., of the local store of Bryant-Link Co., is in Stamford this week attending a school of demonstration of John Deere tractors and other implements. It is reported there are about 30 salesmen in this district who are attending the school. Mr. Barrett is on the sales force in the implement department of Bryant-Link Company here who have sold John Deere implements for many years.

Mr. and Mrs. G. W. Bennett of Elton were in town Saturday trading and talking with friends.

W. O. McCrary and Mrs. J. E. Johnson, of Ropesville, were in our city Tuesday attending to business

Roosevelt Victory Indicated By 523 Electoral Majority

President Roosevelt and The New Deal were returned to power or another four years in the general election of last Tuesday by the greatest majorities ever given a candidate in the nation's history. Late returns Wednesday indicated that the Democratic standard bearers were holding steady by increasing lead in forty-six of the nation's forty-eight states. Governor Landon was leading only in Maine and Vermont with a total electoral vote of 8 as against five hundred and up in the Roosevelt column.

Governor Landon conceded President Roosevelt's election early Wednesday morning along with other prominent Republican leaders including Mr. Hamilton, Chairman of the Republican National Committee.

Present indications are that President Roosevelt and the New Deal will be backed by the largest number of Democratic Congressmen and Senators in the history of the nation.

The Democratic landslide was of such proportions that many Democratic Governors were swept into power along with the National ticket where Democratic Governors had never been elected before.

President Roosevelt and Chairman Farley of the Democratic National Committee both expressed some surprise at the great number of states coming to their support.

Former Matadorite Known Here, Killed

Claude C. Warren, 15-year-old son of Mr. and Mrs. Claude Warren of Oklahoma City who formerly lived in Haskell, was killed in an automobile accident in Oklahoma City Friday.

Funeral arrangements are incomplete but burial will be in Haskell. Young Warren attended high school here and was in his junior year. He was a member of the 1935 Haskell Indian football squad as substitute backfield player.

Mr. and Mrs. Warren operated a coffee shop here for several years, leaving about one year ago for Lawton, Okla. They recently moved to Oklahoma City.

Survivors are the parents, two sisters and brother.

Lived At Matador

Mr. and Mrs. Warren, parents of the youth, are former residents of Matador, having lived here for a number of years during which time Mr. Warren served the county as sheriff for two terms.

Mrs. Tom King of Matador, a half-sister of Mr. Warren's, accompanied by her daughter and husband, Mr. and Mrs. Tom Spears drove to Haskell Sunday where they remained with the bereaved family until after the funeral.—Haskell Free Press.

Editor's Note—The Warren family are well known to many people in Dickens County as Mr. Warren was an active Odd Fellow and Mrs. Warren took much interest in the Rebekah Order. Mr. Warren served three terms as Sheriff of Motley County and was postmaster at Matador during the Wilson Administration. Their many friends in this country will regret to learn of the sadness in their home.

MOVING TO DENISON

L. J. Rochat was here the last of the week disposing of his furniture and making arrangements to move to his new home in Denison. A card received from Mrs. Rochat Friday requested that the Times be sent to their new home at 307 Woodard in Denison.

Mr. and Mrs. Rochat acquired a number of very close friends while they lived in our city. Mr. Rochat was the founder of the Spur Tire Co. here and was in charge of the service station at Godfrey & Smart the past year. He will be engaged in the tire business in Denison and the many friends of Spur join in wishing him and Mrs. Rochat the best of success. They are very fine people.

Bulldogs May Not Even "Come on the Field" Against Paducah

"Pep Squad Could Have Out Played 'Em," Scribes Say In Reporting Spur's Defeat At Floydada Last Friday; Score 26 to 0

By William Starcher and Earnest E. Hayley
(Times Sport Reporters)

Coach "Blackie" Wadzeck's highly-touted, over-rated Spur Bulldogs side-stepped, threw out their chest and made faces at the championship bound Whirlwinds at Floydada last Friday night, but that is about all they did toward stopping the boys from Floyd county who won 26 to 0. The host team just turned the dope bucket upside-down and kicked the bottom out of it, while the Bulldogs further illustrated that the Times was correct in reporting last week that the locals play football one week and "heck" the next.

With helmets cocked one side of their heads (their names had been in the Lubbock papers) the Bulldogs, fired with ambition and determination smashed the Floydada line, tossed passes and punted for a grand total of six yards of gain the first half. A great little ball team! (Spur's pep-squad could have out-played 'em.)

A countless number of Spur fans had journey to Floydada to see "four would-be all district" Bulldogs establish themselves with those concerned. They saw them stand and grin as the Whirlwinds accounted for one first down after another. Spur's "all-district" center was nearer par than any man on the field, while an extra big hand goes to Roger Bingham who played a jam-up good game at guard, during the entire first half with a cast protecting a broken hand suffered since Tuesday of the same week. He received a knee injury on the last play of the first half and went out for the remainder of the game. He was replaced by "Buck" Martin, who showed promise of developing into a good guardsman.

The locals "all-district" punter booted one approximately 48 yards, the rest of his kicks ranging from 10 to 30 yards, as Floydada linemen drifted through at will to rush him. Two of his attempted 13 passes contacted for a total of 17 yards. Many of his dashes were good for twenty and thirty yards—across the field. Martin, who replaced Haralson at quarter, gained more yards than all other Spur ball carriers combined, and that isn't saying much when one considers that Spur only accounted for a total of 53 yards gained on ground plays during the entire game.

Capt. "Red" Garner, who had proven to be the "life and pep" of his teammates, failed to live up to expectations, although he featured in many of the outstanding plays. Kinney, the Bulldogs' "all-district" end was well engulfed by the Whirlwind throughout the game and failed to shine a single time.

A number of subs replaced Spur's regulars during the last minutes of the third period to give a better account of themselves than the so-called first string at any time during the game.

After playing a scoreless first quarter the Whirlwind returned in the second period to drive across the goal line twice. A poor kicker failed to make one of the extra points, but it was no fault of Spur's, and the score at the end of the first half stood at 13 to nothing.

The third period, like the first, was scoreless, but early in the last quarter Floydada snatched a Spur pass out of the blue and "walked" down the field for the third touchdown. Pass for extra point was good and the score was 20 to 0. The fourth touchdown was registered after McClung, Floydada's outstanding back, practiced his daily-dozen by pacing thirty yards to cross into pay dirt. Floydada again failed to make the extra point from placement. The game ended a few minutes later with the score 26 to 0. First downs, Spur 4, Floydada 14.

Too much newspaper publicity for Coach Wadzeck's tribe and a sweetly coached Floydada squad accounted for the Bulldog's defeat, in the opinion of those who would have asked for their money back if they hadn't gotten in on press passes.

If Coach Wadzeck could arrange a game with Lubbock high school this week end he might win, since this must be the week the Bulldogs play (last week wasn't). Paducah will join Spur citizens in a big Armistice Day program here November 11th but it wouldn't be surprising if the Bulldogs don't even come on the field when the Dragons get ready for the slaughter at Jones Memorial Stadium the same afternoon.

As individuals the coaches and players are okay, but as a team the Bulldogs can not be depended upon (hard to say but true).

Mr. and Mrs. Seales Ernest of Croton country were trading and meeting friends in our city Saturday.

McADOO AND DICKENS MET ON MUDDY FIELD FRIDAY

The Dickens football team went to McAdoo Friday afternoon to match wits with the McAdoo eleven. The game was played at great disadvantage for both teams as rain was falling most of the time and a slick field was encountered. McAdoo was able to go through for three touchdowns, one extra point and one safety, making 21 points. Dickens forced through for a touch down and then kicked the extra point.

It appears that the Dickens team went through the line for more yardage but the McAdoo team proved superior for end runs. Both teams fought hard and those who witnessed the game stated it was a real battle with

lots of sportsmanship.

Powers of McAdoo seemed to be the outstanding player for his bunch. Powell of the Dickens line up, held the admiration of his school and did some fine work.

Mrs. D. A. Davis, of Lubbock, was in our city Saturday calling on friends. Mrs. Davis was a citizen of our town some years ago and knows a great number of people here.

W. G. Sanderson, one of the teachers in Dickens schools, was in our city Saturday attending to business matters.

M. P. Duncan of Twin Wells, was meeting friends and trading in our city Saturday.

SCHOOL CARNIVAL AT DICKENS TOMORROW NIGHT

The pupils and teachers of the Dickens Public Schools are uniting their efforts to put over a big school carnival tomorrow (Friday) night. This is to be one of the big school events of our sister city and much preparation for weeks have been made for it. Much interest is developing among the people of the Dickens school district and the event is expected to go over with a bang.

The attractions will consist of a one-act comedy play given by the pupils of the school. Then there will be a coronation exercises for the school queen. This is expected to be a great event in royal style carrying out all the dignity of sovereignty. Side at-

tractions will consist of fortune telling and others.

There will be no admission charge. Three groups of free prizes will be awarded and the great feature will be refreshments served by the P. T. A. Everybody is extended an invitation to be present and enjoy a good time.

Mrs. Martin Smith, of Roaring Springs, was in our city Saturday doing some shopping. She was accompanied by her niece, Miss Clarissa Lee Huffstutler, and both made the Times office a pleasant call.

Charlie Fincher of Girard was in our city Saturday attending to business matters.

We are happy to see the sunshine this morning after the clouds have rolled away.

Miss Lee McGlothlin, sister of Mrs. Floyd Blackwell, has returned from her home in Comanche county. She is teaching school at Cotton Center and turned out school for cotton picking for about two weeks.

Wayford Cooper, who enlisted in the army a year ago has returned home for a visit. His post is located at Marfa, Texas.

Quite a few of our people have attended the Centennial. Others are wanting to go. Mr. and Mrs. B. P. Woody extended their trip from Dallas to Galveston.

W. D. Lang is slowly improving from an operation.

Mrs. Wallace Barnett is home from the hospital and is looking fine. Ike Tyler has also returned from Lubbock where he was operated on.

Jerome Blackwell who has been under the care of a physician at Lubbock, is doing so much better. We rejoice with those who are sick that they are on the "road to health" again.

Since Brother and Sister Bristow moved to Dickens the Baptist Church has been without a pastor. Brother Tommie Cobb preached for us one week end and Brother Cumbie preached two weeks ago. We had about fifty in Sunday School Nov. 1. The Junior Class sang a song before the entire assembly. Mrs. George Spradling is their interesting teacher. Mrs. Floyd Blackwell's Class (the Primary Class) will open the Sunday School Nov. 8th with a short program.

Edward Boedecker, one of our fine school teachers, will make a talk on "Youth and Religion" Sunday night, November 15th. Let everyone hear that talk as it will be worth your time.

The Women's Missionary Society have decided to make cookies and send to Buckner Orphan Home Thanksgiving. Let every woman who loves children, make about fifty cookies and bring to the Baptist Church Sunday before Thanksgiving. Those who are in town can make theirs on Monday and take them to Mrs. B. J. Kelleth's home. We would like to have about one thousand at least to send the orphans. Whether you belong to the Church or not, we would be glad for your help.

Church of Christ

There were 54 present at the Church of Christ Sunday School Sunday morning. The classes were organized October 18, with Doris Hurst as superintendent, Pollie Beaver as teacher for the adult class, John H. Smith for intermediate group, and Opal Whiteside for the primary class. Much interest has been manifested and everyone is cordially invited to come and to stay for church worship. The Rev. Mike M. Young will preach Sunday morning and night each third Sunday. R. E. Beaver gave an instructive lesson at the Church service Sunday morning and Buddy Smith was appointed to give a talk next Sunday.

Watch this page for further announcements. You will find news of Girard and her people each week in The Dickens County Times, so read and be informed.

Boedecker was elected director general, with Mr. Martin of Clairmont, director of declamation; Marvin Williams of Jayton, director of debate; Miss Murphy of Jayton, director of Spelling; Mr. Coons of Jayton, director of athletics; Miss Dunlop of Girard, director of essay writing. COUNTY TRUSTEE-TEACHERS ASSOCIATIONAL MEETING

The trustees and teachers of our county are endeavoring to secure a better understanding of school work in the various schools. The organization held their meeting in the new school building at Dickens last Thursday evening with Mrs. Madge D. Twaddell as presiding officer. The trustees present voted to effect a permanent organization and M. D. Ivey was elected president. The association will hold meetings about every three months to discuss school matters.

The meeting at Dickens Thursday night was of much interest and a good program was executed. Mrs. Twaddell was in charge of the program as well as other features of the evening, and in her polished way made the evening a pleasant one. A one-act play given by the pupils of Dickens school was greatly appreciated. Mrs. Minnie Lewis, County school health nurse, made a very fine talk on child health in the schools. She emphasized that attention given to the health of school children is a very fine investment.

Mrs. W. R. Weaver, president of the 14th District P.-T. A. Conference, made a very interesting address on the work of parents and teachers cooperating in the education of their children. She emphasized that the greatest goal in life is the building of the youths of today into useful citizens for the future. The third grade pupils at Dickens gave a little program at this point, two of them singing a song which was greatly appreciated and another giving a reading on Halloween.

Supt. O. C. Thomas of Spur schools, made a very fine talk in regard to the teachers' retirement fund. Mr. Thomas stated that is just a nice way by which teachers may start a little savings to have when they become too old to be teachers.

The main address of the evening was given by Deputy State Superintendent J. D. Wilson. Mr. Wilson emphasized the importance of teaching the boys and girls in the local schools those things which they can use in life. He stated the curriculum change was a great progressive step. He said that the great trouble with most of us is that we are afraid of making changes, but at the same time we neglect to observe when any system becomes obsolete. He stated that is the one great trouble with most of our schools of today. We continue to teach as our forefathers taught but all of us have been willing to discard the horse and buggy for the automobile and the airplane.

The Parent-Teachers' Association at Dickens served refreshments to all visitors. This is a new organization in the county and have outlined a great program. At least, they know how to make visitors to their school feel happy.

STOCK ON HIGHWAY IS CAUSING SOME COMPLAINT

J. F. Taylor, foreman of highway work in Dickens County, stated to a Times reporter recently that many complaints are going to the Highway Department about stock grazing along the highways. Mr. Taylor stated that it is the hope of the department that people will take up all stock which is grazing the highway right of ways as there is a heavy penalty attached when the highway people have to take up this stock. He stated further that much danger is incurred by stock on the highways. Lives of travelers are endangered and all damages incurred to a traveler can be held against the owner of the stock.

The penalty against stock grazing along a highway is \$200 per animal for each offense, and each day constitutes a separate offense. In addition, should any one get a car wrecked the owner of the stock is held responsible for that too. Any one can build lots of fence rather than pay \$200 as a penalty.

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed in the Morning Ready to Go
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats your stomach. You get constipated. Your whole system is poisoned and you feel sour, sick and the world looks punk.
Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes these good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. See.

Glad to be Back on the Job

AFTER SEVERAL MONTHS of idleness the editor of the Times desires to state that he is glad to be back on the job again. During this time we have missed the contact with our friends and we appreciate friends above everything in this world.

An Attitude of Authority

MUSSOLINI has told the British government to recognize the rights of Italy in the Mediterranean in a peaceful manner or else fight to establish those rights. In other words, Mussolini who has been carrying a chip on his shoulder for many months is now placing another chip on the other shoulder which insures that some nation by accident or otherwise will knock off one of the chips.

Thoughtless Fun, But Expensive

MANY OF THE YOUNG CITIZENS of our town forgot reason and went into a "tailspin" in regard to judgment in their little Hallowe'en pranks last Saturday night. Quite a little minor damage to property was sustained by the youngsters who probably did not mean any offense and had the intention only of playing harmless pranks.

The Morale Means Much

1936 HAS BEEN more or less a disappointment to the citizenship of Spur country. July 1 it looked as if we would produce enough farm products in Dickens County to supply a great portion of the world, but the season went contrary from then on and we have not done so well.

"It is reported that one of the fastidious newly married ladies of this town kneads bread with rubber gloves on. This incident may be somewhat peculiar but there are others; the publisher of this paper needs bread with his shoes on, he needs bread with his pants on or off as the case may be, and unless some of the delinquent subscribers of this 'Old Rag of Freedom' pay up before long we will need bread without a darn thing on, and this part of Texas is no place for a nudist colony in the winter time."

D. 1936 at the Court House thereof in Dickens, Texas, then and there to answer a petition filed in said Court, on the 22nd day of July, A. D. 1929, in a suit numbered on the docket of said Court No. 1069, wherein W. C. Jones is plaintiff and F. B. McIlhane, Eugene Rasco and W. L. Weatherman, are defendants.

Being a suit wherein W. C. Jones of Dickens County, Texas, is plaintiff, and F. B. McIlhane, Eugene Rasco and W. L. Weatherman are defendants, plaintiff alleging as follows:
1. That on or about the 22nd day of October, 1927, the defendant, F. B. McIlhane, made, executed and delivered to plaintiff his certain promissory note for the principal sum of \$375.00, payable in monthly installments, the first 18 monthly installments being for the sum of \$20.00 each and the 19th and last installment being for the sum of \$15.00, the first installment being due and payable on or before Nov. 1st, 1927, and the remaining installments to become due on or before the 1st day of each succeeding month thereafter until the whole principal sum is paid, deferred payments to bear interest from date of said note, at the rate of 8 per cent per annum, and interest payable on each installment as it becomes due, and all past due principal and interest shall bear interest from maturity at the rate of 10 per cent per annum; said note stipulating that in the event of failure to pay said note, or any installment of interest, as promised therein, when due, shall, at the election of the holder of said note, mature said note, and it shall at once become due and payable, and the vendor's lien therein mentioned shall become subject to foreclosure proceedings, as the holder may elect, and further stipulating for ten per cent additional on principal and interest then due thereon if placed in the hands of an attorney for collection, or if collected by suit or through the probate court, as attorney's fees.

interest then due thereon if placed in the hands of an attorney for collection, or if collected by suit or through the probate court, as attorney's fees.
2. That said note was given for a part of the purchase money of the following described real estate and premises, situated in the town of Dickens, in the County of Dickens, and State of Texas, to-wit:
Lots --o. 1, 2, 3 and 4, being all of Block No. 119, in and of the town of Dickens, Texas, as shown by the map or plat of said town on record in the office of the County Clerk of Dickens County, Texas.

That said property was heretofore, to-wit, on the 22nd day of October, 1927, conveyed by plaintiff to the defendant, F. B. McIlhane, by his deed of writing of that date, in consideration, among other things, each due and payable in accordance with the terms of said note, on the 1st day of November, 1927, and each month, on the 1st day thereof, one other likewise due and payable, have been paid together with all interest due thereon, being all installment payments up to May 1st, 1928. That since said May 1st, 1928, no other installment payment have been paid or any interest thereon. That all other installments are now due, aggregating the sum of \$267.00 principal and interest, together with the further sum of \$26.70 attorney's fees, aggregating the total sum of \$293.70 now due and owing thereon, and that though often requested to do so, defendant, F. B. McIlhane has refused and still refuses to pay the same or any part thereof.

3. That said note has been placed in the hands of an attorney for collection, and plaintiff has contracted to pay him for such service the ten per cent in said note stipulated as attorney's fees, the same being reasonable and the usual and customary fee for such services.
4. That the defendant, Eugene Rasco, became the purchaser of said property from the defendant, F. B. McIlhane, on or about the day of A. D. by deed of writing of that sale, and as part consideration thereof, the said Rasco assumed the payment of said note according to the tenor thereof, and is became obligated to pay the same. That the defendant, W. L. Weatherman is in possession of said property under some claim of right, and is holding same against the plaintiff, but any claim that he may have or assert therein is inferior and subordinate to plaintiff's vendor's lien thereon.

4. That defendants, or some of them, are in possession on the following instruments of writing, to-wit, the deed to F. B. McIlhane, from plaintiff, conveying said property aforesaid to defendant, and the deed from F. B. McIlhane conveying said property to defendant Eugene Rasco, and they, and each of them, are hereby notified to produce said instrument on the trial hereof, or secondary evidence of their contents will be offered.
5. Plaintiff sues for his debt, interest and attorney's fees against the defendants, F. B. McIlhane and Eugene Rasco, and for judgment for foreclosure of his vendor's lien as it existed on the 22nd day of October, 1927, against all the defendants herein named, and that said property, to-wit, Lots Nos. 1, 2, 3 and 4 of Block No. 119, in and of the town of Dickens, in Dickens County, Texas, be decreed to be sold according to law; that the sheriff, or other officer, executing said order of sale, shall place the purchaser in possession within 30 days, and for such other and further relief, special and general, in law and in equity, that plaintiff may be entitled to have and receive.

Herein Fail Not, and have you before said Court, on the said first day of the next term thereof, this writ with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Dickens, Texas, this, the 28th day of October A. D. 1936.

Because only GULFPRIDE starts from the finest Pennsylvania crudes . . . is refined to the same point as other fine motor oils . . . and is then further refined by Gulf's exclusive Alchlor process!

This process is the most efficient ever developed—the fruit of 15 years' research by Gulf scientists—men who stand behind every Gulf product.

Read the facts on this page. Then drive into any Gulf dealer's—and replace your old summer-worn oil with GULFPRIDE now.

THE ALCHLOR PROCESS removes all sludge and residue. Proof: we took 6 of the finest Pennsylvania oils we could buy and put them through the Alchlor process. It removed 20% waste from already highly refined oils! Be wise—get GULFPRIDE—the only oil that has this head start.

(Above)—MANY WORLD'S RECORDS on land, sea, and in the air have been set with GULFPRIDE OIL. Racing drivers, fliers, speedboat pilots swear by it. Proved in the toughest competition, GULFPRIDE will outwear, outlast, and outperform any oil you ever used in your car!

Armistice Day 1936

Nov. 11th

Nov. 11th

WE PAUSE TODAY upon the threshold of this solemn occasion to bow down our heads before the tomb of thousands who suffered and died that the world may live again in peace.

It must not be said that we have forgotten the blood they have shed, nor that we are wanting in appreciation of the ideals for which both the living and the dead fought.

It behooves the Nation to love and cherish through the long, dim years of the future the memory of those who suffered their young lives to be extinguished in the cause of world democracy and lasting peace.

We hope that God may give to the Nations of the earth the vision to see, and the will to execute for all time—a glorious lasting PEACE.

Mrs. Warner Johnson was complimented with a miscellaneous shower Saturday afternoon, October 31, in the home of Mrs. C. Gollihar. Mrs. Jones was Miss Evelyn Brister before her recent marriage. Mrs. J. O. Morris, Frank Beauchamp, E. C. Robertson, Elois Nickles, W. I. Moore, T. L. Dozier, C. Gollihar and Frank Macon were joint hostesses. The Halloween motif was used effectively in the reception rooms. Vivid orange colored flowers made the rooms more attractive. As the guests arrived they were asked to register in the hand made jack-o-lantern. Brides books presided over by Maud Dozier. The guests were entertained with a short program. Mrs. Frank Macon performed

a wedding, reading the wedding rites from a mail order catalogue. Mrs. Amos Isaacs gave a reading. When the guests were in the midst of a contest a knock was heard at the door. Mrs. C. Gollihar went to the door and asked a lace peddler, Miss Mary Wooten and her husband, Velma Smith, in. After several attempts to sell the lace the peddler inquired for Mrs. Warner Johnson, who she had been asked to deliver some packages to. The packages contained many lovely and useful gifts which were passed around for all the guests to see. A refreshment plate consisting of olives, pie, hot coffee and orange slice candy was served to those present. After the refreshments were served Mrs. Johnson expressed her appreciation for the many lovely gifts. Those present were Mesdames W. C. Hunsucker, J. W. Jackson, J. F. Phifer, M. L. Vanderford, M. Frances McLaughlin, freshman of Texas Technological College, spent the week end at home with his parents, Mr. and Mrs. Rush McLaughlin. An auction sale was held at the home of Mr. and Mrs. Price Medford recently. Mr. and Mrs. Medford and daughter plan to move to Lubbock within a short time. Miss Billie Brown who is working at Spur spent the week end with her parents, Mr. and Mrs. Ivy Brown. Mr. and Mrs. Earl McGee are parents of a baby girl born October 24. The little daughter has been named Letha Donelder. Mr. and Mrs. T. L. Dozier, Maude and Reba and Mr. and Mrs. Thomas Milam made a business trip to Lubbock Wednesday of last week. Mr. and Mrs. Roy Ward were given a dinner in honor of their twentieth anniversary at the home of Mr. and Mrs. C. G. Allen Sunday, November 1. Mrs. Allen is a daughter of Mr. and Mrs. Ward. Miss Mae Dell Dillon, student of Texas Tech, spent the week end here with her father and other relatives. Mr. and Mrs. W. O. Cherry from Bovina were in McAdoo this week end to see friends. Harvey Hines was transacting business in Lubbock last Wednesday. Sam Hardy from Dougherty was a business visitor in McAdoo the past week. Mr. and Mrs. C. Gollihar went to Fort Worth last Sunday and returned home Wednesday of the past week. They visited their son and family and their daughter and family while there. Mrs. Frank Eggar had been at Matador taking treatments from a doctor at that place. Mrs. Eggar was suffering from infection caused from a risin on her chin. She was able to return home the last of the week. Mr. C. C. Neely and Winnie D. went to Fisher county lately to see relatives. Mr. Neely brought his little son, Kenneth back home with him. Kenneth has been staying with an aunt in Fisher county for some time. McAdoo school and community was represented with quite a number at the special state school holiday at the Texas Centennial recently. The trip to the Centennial was made by train. All of those from McAdoo who went to the exposition reported a very pleasant trip. Those making the trip were as follows: N. V. Cypert, A. Y. Norman, Nuge Rose, Marcell Miller, Dessie Mae Wallace, Junior Rose, Jack McLaughlin, Roy Isaacs, Frances Lay, Daisy Jo Rose, Lucile Rose, Modine Nettles, Clyde Crousbey, Leona Harris and Mary Wooten. Brantley from Spur were here recently to see their parents and friends. Miss Robena Formby entertained with a farewell party in her home last Wednesday night, October 28. The party was given for Vanell Medford who is moving to Lubbock in the near future. Supt. O. L. Smith who was injured in a car wreck some time ago is back in school again. His injuries are not completely healed yet and he is forced to walk with crutches. The students are glad to have him back in school again even though he cannot be his regular self for some time. Mr. Smith's knee cap was fractured in the car wreck. Mr. and Mrs. R. E. Everett and baby went to Bovina during the week end to see Mr. and Mrs. W. O. Cherry and family. Mr. Cherry was former superintendent in McAdoo school. The McAdoo Eagles and the Dickens Owls played a Conference game on the McAdoo football field Friday, October 30. McAdoo won the game with the heavy score of 22 to 7. The game was played in mud with rain falling throughout the game. The mud and rain seems to give the Eagles more fighting spirit as this is the second game they have won when played in the rain. Pep squad girls from both places were present with lots of pep. Rev. Frank Beauchamp, Mr. J. T. Parker and E. C. Robertson attended a Conference Rally of the Methodist Church at Floydada during the past week. Rev. Frank Beauchamp will go to Houston to attend the Annual State Conference of the Methodist Church. A large crowd from both McAdoo and Dickens was out to see the game. He will leave Tuesday morning, No-

ember 3. At this conference the preachers will receive their appointed place to preach for the coming year. We sincerely hope that Bro. Beauchamp will be appointed to come back to McAdoo. He has brought many inspiring messages to us during the past year and has been a great help to the community. We might get a preacher just as good as he is, but it is a certain fact that he would not be a better preacher or one who could please the people better than he does. Since Bro. Beauchamp will be away Sunday there will be no preaching at the local church Sunday, October 8. The ladies of the church will be in charge of the services after Sunday School. The farmers of McAdoo will be busy throughout the week if the pretty weather continues. There is a great deal of feed in the fields to be cut, cotton to be picked and the fall grain to be sown as soon as the ground is dry enough.

The plains country has not had a killing frost yet. Last Thursday, October 28, the rain froze as it fell and by Friday morning every thing was covered in ice. The ice seemed to have done very little damage, with the exception of breaking limbs out of some of the trees. Practically no damage was done to the vegetation. It seemed strange for everything to be covered in ice before a frost. A play entitled "Black Cats" will be presented at Dougherty Friday night, November 6. The McAdoo League is sponsoring the play. This a three-act comedy which will keep you laughing from beginning to end. The cast is composed of the following: Mr. and Mrs. Weldon Cypert, Mary Wooten, Marjorie Womack, Aline Isaacs, Mayo Boucher, Roy Isaacs, Jack McLaughlin, Florene Sparkman and Frank Macon. A week of prayer program conducted at the Methodist Church in McAdoo beginning Monday at 10 in the morning and lasting throughout the day. A covered dish luncheon was served at the noon hour. Mrs. C. Gollihar had charge of the program in the morning and Mrs. M. A. Graham had charge in the afternoon. Others taking part on the program were Mrs. E. C. Robertson, H. V. Nettles, J. T. Parker, Weldon Cypert, Frank Beauchamp, John A. Allen, Elois Nickles, Frank Macon, T. L. Dozier, Rev. Frank Beauchamp, and Misses Marjorie Womack and Reba Dazier.

Bits o' Nothing Borrowed 'n' Otherwise

Well our Mr. Hayley got married and is too busy to write (you know that happens to the best of us). I think he will live over it.

Always wanted a daughter so she could marry and bring her husband home, so I have seen several daughters come and go. Just now W. D. and I are counting the days when Nellie, Horton and Marvin return.

Lorene was helping Billie D with his boots Wednesday morning and Billie D. said "Earnest, your wife sure is a good lacer upper. Guess I'll miss her," but informed Earnest that when you get settled in your little home I'll come and visit you.

I don't know which is worse—the ads or the editorials, but every day and hour I am getting sorer and sorer for myself for being one of the public.

The whole world is now divided into two classes: The public and the public-spirited citizens. The public of which I am a lowly member, is the caste which just sits around and does nothing until it is told, and then usually does the wrong thing. The public spirited citizens are those who tell the public what to do. The public-spirited citizens get into the headlines by opening his mouth. The ultra-accomplished public spirited citizen can get into the headlines by keeping his mouth shut, especially when he should open it.

The best way to tell if conditions in this country are good is to see if there is a number of public spirited citizens working and pulling together. When we can get the dear public to fight together things will hum. Now that the election is over I bet we'll have a good crop next year.

The Pa's back on the job and he thinks things will be different. They are.

PAYS COMPLIMENTS TO DICKENS COUNTY CITIZENS

Martin W. Moses, state agency manager for the United Fidelity Life Insurance Company, had been in our county the past few days working with local agents and taking care of other affairs of business for his company. Mr. Moses is one of those pioneer Texas citizens and was born in Washington County. He is a strong believer in the future possibilities of Texas and feels that any citizens in good health should be proud of the privilege of working for a livelihood in our great state.

In the presence of friends Monday Mr. Moses made the statement that there are more people in Dickens County who hold policies in the United Fidelity Life Insurance Company than in any other county in Texas. This is a broad statement, but Mr. Moses should know as he deals strictly with policy holders and prospective policy holders. To consider that Dickens County has more people under the protection of the United Fidelity than has Dallas County is placing our county on a high plane in the insurance business. Mr. Moses stated that the people of Dickens County are insurance minded, and after buying a policy usually plan to keep it in force.

Mr. Moses went on to say that Dickens County has the youngest stockholder in his company. This youngster is William D. Starcher, Jr., who secured five shares of stock in the Acme Life Insurance Company when he was only two and one-half years of age, and when that company merged with the United Fidelity Life the stock was transferred with the merger. This youngster has owned life insurance stock and has kept a life insurance policy in force six and one-half years. He was nine years old September 11. Mr. Moses stated that he may be the youngest stockholder of any life insurance company in Texas as far as he knows.

Mr. Moses enjoyed a short conversation with Bro. A. L. McClellan, who former Washington County citizen. Bro. McClellan knew Mr. Moses' father in the early days of that country. Both of them related many interesting events of the early days.

PLANS COMPLETED FOR ARMISTICE DAY PROGRAM

Spur-Paducah Football Game Will Be Feature Of Special Celebration in Spur

With a conference football game between Paducah and Spur at the Charles A. Jones Memorial stadium, and with a big program outlined by the local post of American Legion, November 11 is going to be a full day for the people of Spur country. At the meeting held in the Legion hall Monday night various committees made glowing reports of the preparation in progress. It is reported that eleven floats have been promised and four more probably would come to join the parade and represent various business firms.

V. V. Parr will be in charge of the parade which will start promptly at ten o'clock Wednesday morning, November 11. Mr. Parr announced that he wanted all service men, whether members of the Legion or not, to assemble at the city light plant corner on Si th Street at nine o'clock of that morning and ranks to be arranged. The service men of Cottle County and the service men of Motley County will be guests of the service men of Dickens County for that day and will take part in the parade. The service men of Cottle County under the command of Pat Sivells, will lead the parade with the service men of Motley County, under command of L. L. Russell, next in the ranks. The service men of Dickens County, under command of Webber Williams, will be third. A place for veterans of the Spanish-American war and other wars will be provided in the parade. The pep squads and other students of the Paducah schools, Matador schools and Spur schools will follow in the parade just after the Dickens County service men. Then the various floats and others concerned will be in line. The parade will be on Burlington Avenue to Hill Street, then westward on Hill Street to the Hill Top Service Station where those who are not service men will break ranks and go across the hill to the stadium. The service men will continue around to the north of the stadium and approach the football field through the north gate. The floats will also go to the north side of the stadium to enter the grounds. The program will be rendered at the stadium where there is plenty of seating capacity to take care of the people.

ANNUAL PURE FOOD SHOW POSTPONED BY LADIES

The Pure Food show which has been sponsored by the ladies of the First Christian Church will not be held this fall. This great event of our little city is being postponed until sometime in 1937. Just what time has not been revealed. This decision was made by the Ladies Council of the church in a meeting Monday.

This annual food show has been sponsored by the above mentioned group for many years. The Council desires to cooperate in the historical Centennial paginat on November 11. This paginat is to be staged by Spur merchants and is sponsored by the American Legion.

Mrs. R. G. Barrow Breaks Limb in Fall

Mrs. B. G. Barrow, Mrs. Mack Tidwell's mother, accidentally broke her leg Tuesday. Her knees just seem to give way and in falling she broke her leg about two inches below the hip joint. She was rushed to Dr. Wylie's hospital where examination was made by Dr. P. C. Nichols and he advised them to leave immediately for Dallas where she was taken to Carroll Hospital.

Mrs. Barrow is over seventy years of age but the trip didn't seem to tire her too much and at this time she is resting nicely.

Mrs. Bynum Britton is in Junction visiting friends at this time.

Monday evening that they should lead the parade. The Spur school band will furnish music during the parade and Supt. Thomas assured the legionaires that Spur schools are arranging a program which he thinks the service men will be proud of.

Many Visitors Present
The meeting Monday night was characterized by a number of service men from Paducah and Matador. Sam Z. Hall, former Spur school superintendent, was asked for a talk. He stated that Spur could depend on the people of Paducah to a man in executing the program outlined. He stated further that the Paducah Dragons were coming to Spur with full intentions of taking off the conference football game the afternoon of Armistice Day. He said, "You can depend on 1,000 people from Cottle County."

Ray Loftis stated that it is a pleasure to join with Spur in this Armistice celebration, and he felt there would be great good accomplished in this work. E. A. Carlock stated he heartily concurred in the movement and hoped that all service men of the three counties would make it a point to get together from year to year and renew fellowship. J. R. Meacham admonished the "buddies" to keep up the spirit of being pals and carry on in a great fraternal way the principles outlined by the American Legion organization.

M. S. Patton stated that Matador post would cooperate fully in the work. He stated that if it would be all right he would like to extend an invitation to Matador schools to be present for the day. He was assured and urged to give Matador school an invitation to be present.

Visitors from Paducah were: Sam Z. Hall, school superintendent; Ray Loftis, groceryman; B. H. Richardson, baker; D. A. Deason, merchant; Reub Tye, garage manager; Pat Sivells, stockman; John H. Davis, commissioner; D. A. Foster, lumberman; J. R. Meacham, Q. A. & R. R. Agent; Oscar St. Clair, stockman; E. A. Carlock, newspaper. M. S. Patton and L. L. Russell represented the Matador post.

It was a great meeting and a fine spirit manifested. George H. Mahon Congressman for the 19th District, will be the main speaker for the day. The main meeting will begin about 10:30 o'clock in the morning, and after the program a big barbecue will be held at the park just east of the stadium. The football game will start about 2:30 o'clock in the afternoon.

"His Brother's Wife" At Palace Theatre

It was peculiarly fortunate that when Metro-Golden-Mayer determined to produce the picture called "His Brother's Wife" W. S. Van Dyke was available to direct it. The picture comes to the Palace starting at Saturday night prevue and running Sunday and Monday. It has Hollywood's most romantic team, Barbara Stanwyck and Robert Taylor, heading a remarkably fine cast.

Van Dyke, of course, is a veteran not only of the camera but of jungle adventure, and "His Brother's Wife" is a drama of the tropic wilderness. Van Dyke has resorted to his indelible memory of the steaming interior to produce an effect of realism that is truly astounding.

Society Will Hold Sale Next Saturday

The Belle Bennett Missionary Society are announcing a bakery sale to be held in the Campbell Building Saturday, November 7. The sale will start about ten o'clock in the morning and will consist of cakes, dressed chicken, candy, etc. These ladies solicit the patronage of the public for the day.

Farmers Complains Of Coyotes' Work

Many farmers of the country are complaining about coyotes destroying turkeys, chickens and lambs on the farms and some ranchmen have related losing some calves. The coyote has always been a menace in West Texas. If they were destroyed or run out of this country Dickens County could become one of the great sheep raising counties in the State. Most of the pastures are infested with weeds which the sheep would destroy and then the grass would come back.

It might be well for our Commissioner's Court to consider this matter and arrange to cooperate with the state authorities in trying to eradicate these pests. The expense would not be much, probably not costing the farmers more than the average price of two or three chickens per year in taxes, and the coyotes are destroying more than that number.

Jack Beechly, who is the government trapper on the Pitchford Ranch recently stated that more than 500 coyotes have been caught and killed that have been found, not to consider the great number of bobcats and other destructive animals.

King County Pioneer Died Last Tuesday

Isom Lynn of Guthrie died at his home Tuesday after a few days of illness. He had been very feeble for some three or four years and had not been able to be about much recently. Funeral services were conducted at Guthrie Wednesday, a great number of the early settlers being present.

On account of his friendly attitude he was often referred to as "Uncle Isom". He came to this country in an early day and was here when the Indians roamed over the territory. He was engaged to work on various ranches in the country and was considered one of the best cow hands of his time. In speaking of his experiences a few years ago he said, "I could tell the people of this country some things of early day happenings, but they would think I was exaggerating." He was very reserved in relating early day events, but would answer question placed before him.

He had passed his 90th birthday anniversary when he passed away. He commanded the respect and love of everyone who knew him and was known all over West Texas for his pioneer attitude.

Mr. and Mrs. Bell Height attended the funeral. Mr. Lynn was Mrs. Hyatt's uncle.

Roosevelt Victory Indicated By 523 Electoral Majority

President Roosevelt and The New Deal were returned to power or another four years in the general election of last Tuesday by the greatest majorities ever given a candidate in the nation's history. Late returns Wednesday indicated that the Democratic standard bearers were holding steady by increasing lead in forty-six of the nation's forty-eight states. Governor Landon was leading only in Main and Vermont with a total electoral vote of 8 as against five hundred and up in the Roosevelt column.

Governor Landon conceded President Roosevelt's election early Wednesday morning along with other prominent Republican leaders including Mr. Hamilton, Chairman of the Republican National Committee.

Present indications are that President Roosevelt and The New Deal will be backed by the largest number of Democratic Congressmen and Senators in the history of the nation.

The Democratic landslide was of such proportions that many Democratic Governors were swept into power along with the National ticket where Democratic Governors had never been elected before.

President Roosevelt and Chairman Farley of the Democratic National Committee both expressed some surprise at the great number of states coming to their support.

Former Matadorite Known Here, Killed

Claude C. Warren, 15-year-old son of Mr. and Mrs. Claude Warren of Oklahoma City who formerly lived in Haskell, was killed in an automobile accident in Oklahoma City Friday.

Funeral arrangements are incomplete but burial will be in Haskell. Young Warren attended high school here and was in his junior year. He was a member of the 1935 Haskell Indian football squad as substitute backfield player.

Mr. and Mrs. Warren operated a coffee shop here for several years, leaving about one year ago for Lawton, Okla. They recently moved to Oklahoma City.

Survivors are the parents, two sisters and brother.

Lived At Matador

Mr. and Mrs. Warren, parents of the youth, are former residents of Matador, having lived here for a number of years during which time Mr. Warren served the county as sheriff for two terms.

Mrs. Tom King of Matador, a half-sister of Mr. Warren's, accompanied by her daughter and husband, Mr. and Mrs. Tom Spears drove to Haskell Sunday where they remained with the bereaved family until after the funeral.—Haskell Free Press.

Editor's Note—The Warren family are well known to many people in Dickens County as Mr. Warren was an active Odd Fellow and Mrs. Warren took much interest in the Rebekah Order. Mr. Warren served three terms as Sheriff of Motley County and was postmaster at Matador during the Wilson Administration. Their many friend in this country will regret to learn of the sadness in their home.

Bulldogs May Not Even "Come on the Field" Against Paducah

"Pep Squad Could Have Out Played 'Em," Scribes Say In Reporting Spur's Defeat At Floydada Last Friday; Score 26 to 0

By William Starcher and Earnest E. Hayley
(Times Sport Reporters)

Coach "Blackie" Wadzeck's highly-touted, over-rated Spur Bulldogs side-stepped, threw out their chest and made faces at the championship bound Whirlwinds at Floydada last Friday night, but that is about all they did toward stopping the boys from Floyd county who won 26 to 0. The host team just turned the dope bucket upside-down and kicked the bottom out of it, while the Bulldogs further illustrated that the Times was correct in reporting last week that the locals play football one week and "heck" the next.

With helmets cocked one side of their heads (their names had been in the Lubbock papers) the Bulldogs, fired with ambition and determination smashed the Floydada line, tossed passes and punted for a grand total of six yards to gain the first half. A great little ball team! (Spur's pep-squad could have out-played 'em.)

A countless number of Spur fans had journeyed to Floydada to see "four would-be all district" Bulldogs establish themselves with those concerned. They saw them stand and grin as the Whirlwinds accounted for one first down after another. Spur's "all-district" center was nearer par than any man on the field, while an extra big hand goes to Roger Bingham who played a jam-up good game at guard, during the entire first half with a cast protecting a broken hand suffered since Tuesday of the same week. He received a knee injury on the last play of the first half and went out for the remainder of the game. He was replaced by "Buck" Martin, who showed promise of developing into a good guardsman.

The locals "all-district" punter booted one approximately 48 yards, the rest of his kicks ranging from 10 to 30 yards, as Floydada linesmen drifted through at will to rush him. Two of his attempted 13 passes contacted for a total of 17 yards. Many of his dashes were good for twenty and thirty yards—across the field. Martin, who replaced Haralson at quarter, gained more yards than all other Spur ball carriers combined, and that isn't saying much when one considers that Spur only accounted for a total of 53 yards gained on ground plays during the entire game.

Capt. "Red" Garner, who had proven to be the "life and pep" of his teammates, failed to live up to expectations, although he featured in many of the outstanding plays. Kinney, the Bulldogs' "all-district" end was well engulfed by the Whirlwind throughout the game and failed to shine a single time.

A number of subs replaced Spur's regulars during the last minutes of the third period to give a better account of themselves than the so-called first string at any time during the game.

After playing a scoreless first quarter the Whirlwind returned in the second period to drive across the goal line twice. A poor kicker failed to make one of the extra points, but it was no fault of Spur's, and the score at the end of the first half stood at 13 to nothing.

The third period, like the first, was scoreless, but early in the last quarter Floydada snatched a Spur pass out of the blue and "walked" down the field for the third touchdown. Pass for extra point was good and the score was 20 to 0. The fourth touchdown was registered after McClung, Floydada's outstanding back, practiced his daily-dozen by pacing thirty yards to cross into pay dirt. Floydada again failed to make the extra point from placement. The game ended a few minutes later with the score 26 to 0. First downs, Spur 4, Floydada 14.

Too much newspaper publicity for Coach Wadzeck's tribe and a sweetly coached Floydada squad accounted for the Bulldog's defeat, in the opinion of those who would have asked for their money back if they hadn't gotten in on press passes.

If Coach Wadzeck could arrange a game with Lubbock high school this week end he might win, since this must be the week the Bulldogs play (last week wasn't). Paducah will join Spur citizens in a big Armistice Day program here November 11th but it wouldn't be surprising if the Bulldogs don't even come on the field when the Dragons get ready for the slaughter at Jones Memorial Stadium the same afternoon.

As individuals the coaches and players are okay, but as a team the Bulldogs can not be depended upon (hard to say but true).

McADOO AND DICKENS MET ON MUDDY FIELD FRIDAY

The Dickens football team went to McAdoo Friday afternoon to match wits with the McAdoo eleven. The game was played at great disadvantage for both teams as rain was falling most of the time and a slick field was encountered. McAdoo was able to go through for three touchdowns, one extra point and one safety, making 21 points. Dickens forced through for a touch down and then kicked the extra point.

It appears that the Dickens team went through the line for more yardage but the McAdoo team proved superior for end runs. Both teams fought hard and those who witnessed the game stated it was a real battle with

lots of sportsmanship.

Powers of McAdoo seemed to be the outstanding player for his bunch. Powell of the Dickens line up, held the admiration of his school and did some fine work.

Mrs. D. A. Davis, of Lubbock, was in our city Saturday calling on friends. Mrs. Davis was a citizen of our town some years ago and knows a great number of people here.
