

Corner Garage Now Operating

The Corner Garage located in the Crouse Building just north of Allen Auto Supply, is now ready for business. The owners are T. J. Grizzle and Virgil Thomas and they state they are quite busy already.

They have a very complete garage equipment and do cylinder boring, battery charging, acetylene welding and regular auto repair work. Mr. Grizzle said that they did whatever any other garage does and try to do it in the best way. They are a new business firm and will appreciate a portion of patronage of the public.

More Students Attend College

Since making the last report relative to young people of this community going away to college, a number of others have been reported to us. We learned that Miss Barbara Faye Jones of McAdoo has matriculated at the Texas Technological College. Miss Rebecca Underwood, of near Girard, left last week for Belton where she became a student at Mary Hardin-Baylor College.

Clayborne Harrell, of Red Mud community, returned to the Texas Technological College last week where he will start his second year of work. Roger Garrison of Red Mud community left Wednesday of last week for College Station where he enrolled in A & M College for his second year of work.

Van Hairgrove, W. K. Harvey and Junior Ince left last week for A & M College where they entered for their first year of work and to receive whatever else the members of the Freshmen Class get.

Lanoy Hazel, Ray Dickson and Jack Jones left Monday for College Station to resume their work in A & M College. Mr. Hazel is working on his Master's Degree and has been doing some teaching in the College.

Hale's Grocery Celebrates Fourth Year of Service

In commemoration for the four years of service which the Hale's Grocery has rendered to the public, they are this week giving the people some fine bargains in groceries. The business is owned by Terrell Hale and was established four years ago this month. Mr. Hale has gained a wide friendship since starting the business and today Hale's Grocery enjoys a nice patronage.

Read the list of bargains in their advertisement in the Times this week.

Bulldogs To Play Cowhands Friday

The Spur Bulldogs feel they have a real battle on their hands this week with the Lubbock Cowhands. The game will be played on the Charles A. Jones Memorial Stadium Friday night, starting about eight o'clock. Just how strong the Cowhands are is not known, but they have been showing some good form and the Bulldogs are not going to take any chances with them.

Coach Wadzeck reports that the Bulldogs are in good condition with one or two exceptions, and feel that the line-up will be as strong as the starting line against Rotan last Friday night. He announces that the starting line-up will be about as follows:

Center—Bumpus.
Guards—Arrington and Murphy.
Tackle—Horner and Bingham.
Ends—Wilhoit and Powell.
Q. Back—Harrell.
H. Back—Bingham and Hahn.
Fullback—E. Garner.

People are extended an invitation to see this game.

The Bulldogs will play Flomot at Flomot, Friday, October 1. There will be no game at Spur next week end.

Miss Nedra Hogan has accepted a position with the City as assistant bookkeeper.

Bryant-Link Co. Moves Implement Store to Main Bldg.

L. R. Barrett, manager for the Hardware and Implement Department for Bryant-Link Company, announces this week that the Implement Store which has been across the street from the main store of Bryant-Link Company has been moved into the main store building. The big line of John Deere implements which they handle will be on display at the rear of the Hardware department. The former store room across the street will be used as a ware house and storage. The Tin Shop will remain in the building.

C. W. Barrett, who has been in Dallas the past several weeks attending a John Deere Implement school of instruction, returned this week. He specialized in a course in service and assembling and is adequately prepared to look after all John Deere machinery. Farmers will have him at their disposal when they need him.

L. R. Barrett has one of the most up-to-date implement departments that can be found in any city. It will be wise for any farmer to see his display of John Deere implements.

Lubbock Band Visits In Spur

The Lubbock High School Booster Band visited in Spur at 10:15 o'clock Tuesday morning. The object of this band of boosters was to advertise the South Plains Fair which will be opened to the public September 27 and continues through October 2, being six full days.

H. D. Shinkle, of the Lubbock Chamber of Commerce, was director of the booster trip. There were two large busses and a car the latter being driven by W. E. Twitty, fire chief at Lubbock. This car had a siren which warned the people and announced the approach of the booster band. The Lubbock High School band accompanied the boosters. H. A. Anderson is the band director.

A very nice program was rendered at the corner of Harris Street and Burlington Avenue. The band rendered several selections and Clifford B. Jones, of the Spur Chamber of Commerce, extended an address of welcome to the visitors. Mr. Jones stated that all of Spur were glad for the boosters to visit us and that they were rendering a favor to our little city by their coming. He stated that there has always been a strong feeling of friendship between the two towns and both cities had much in common.

D. A. Davis, a former Spur Citizen, but for many years a citizen of Lubbock, made a response and thanked Spur and the people of Spur Trade Territory for their interest and assistance to Lubbock. He stated that Lubbock expects to give the people a five dollar show for only fifty cents and he hoped that many people would be present. He announced that Wednesday, September 29, all school children would be admitted through the fair gates free and that a fine Shetland pony would be given to some boy or girl that day. He extended a welcome to everybody in general to be present for the fair, stating that every day there would be a valuable free gift.

Others in the booster band and representing Lubbock business firms were: J. Sam Lewis of the Lubbock Avalanche, Harold Humphries, William Collins, W. H. Crenshaw, I. A. Glassman, W. A. Parrish, W. C. Henley, T. J. Murray, Oscar Slaton, Bill Watson, Jack Sims, A. O. Carr, J. F. Parker and J. W. Crawford.

The schools of Spur dismissed and the entire student body gave Lubbock Boosters a welcome. Each school child was favored with one or more souvenirs with the advertisement of the South Plains Fair on it. Mr. Shinkle stated that they had received excellent receptions all along the route and stated they appreciated the courtesy extended by Spur.

H. F. Dowell and mother, of Jayton, were in our city Tuesday attending to business matters and greeting friends.

To Hold Meeting

All farmers and others interested in agriculture are invited to be at a meeting at the Patton Springs School building at eight o'clock Friday night September 24. C. M. Reeves of Roaring Springs and T. A. Gaulrapp of Dallas, representatives of the National Grange, will be present and address the meeting. The meeting is to give farmers an opportunity to organize a chapter of Grange, and the plans will be explained.

Organization Of School Classes Is Perfected

Two classes at the High School met last week and perfected class organizations. These were the Seniors and the Juniors. Other classes will perfect class organization within the near future.

The Senior Class officers are: President—Norton Barrett, Vice President—Carl Arthur, Sec.-Treas.—Mary Joe Collier, Reporter—Elizabeth Fyweil, Sponsors—David Sisto and Miss Thelma Logan.
The Junior Class officers are: President—Billy D. Bell, Vice Pres.—Jerry Lee Willard, Secretary—Joyce McCully, Treasurer—Lillian Grace Dickson, Reporter—Marian Hale, Sports—Cecil Ayers and Miss Margaret Herron.
Grammar School

Grammar school seems to be running smoothly. The enrollment is now 189. Four new pupils are reported: Marvin Taylor of Sherman, Lewis Chapman of Ellis County, Dorothy Jean Meadors and Roland Culbert locally.

The exciting feature in the Grammar School is the impending football game at Paducah Friday. The football squad is training in dead earnest to win that game. Coach Don Martin is on the field every day helping them work out new plays and perfect old ones.

New Typing Class Organized
So many pupils at the High School have enrolled in the Commercial Department until a new class in typing had to be organized Wednesday morning. There are 57 pupils doing typing in that department. About 25 are taking shorthand and a similar number doing bookkeeping.

American Legion Holds Meeting

The Boyd M. Williams Post of American Legion held their regular meeting in the Legion hall Monday night. All present had a great time talking over the work of American Legion and discussing plans for the future of the local post.

Chief of the business transacted was the installation of officers for the ensuing year. This required only a short time. Officers installed were as follows:

Post Commander—W. R. Weaver.
1st Vice Commander—E. M. Hale.
2nd Vice Commander—Ollie Blakeley.

Finance Officer—L. E. Lee.
Adjutant—A. M. Walker.
Sgt. at Arms—Cliff Bird.
Service Officer—Dr. T. H. Blackwell.

Chaplain—R. C. Brown.
The next regular meeting of the post will be the first Monday night in October, which will be October 4. All members and former members are extended an invitation to be present at the next meeting and have a good suggestion for the advancement of the work of the Boyd M. Williams Post.

TO HOLD MEETING

The Dickens County Home Demonstration Council will hold its regular monthly meeting Saturday, September 25, in the basement of the Methodist Church from 2:30 to 4:00. All members are urged to be present to make plans for the Yard Improvement and Farm Food Supply Achievement Events.

W. H. Martin, of West Side, were in our city the first of the week doing some trading.

WPA Office Will Occupy Campbell Bldg.

The area WPA office which has been designated for Spur will be located on the second floor of the Campbell Building for the present. The fixtures and supplies will arrive here Sunday from Lubbock and the set-up will be worked out the first of next week. L. A. Rodenhiser will be in charge of the office and will direct the work.

The Welfare office, of which Miss Kama Stephens is supervisor, will be consolidated with the WPA office. Also, the office of the Projects Superintendent, of which Claud James has been in charge, will be included in the main WPA office. Both of these offices are part of the WPA work and will cooperate with the main office.

A sub-area office will be located at Hamlin with John T. Johnson as manager.

With the location of an area WPA office here will mean that about five families will become citizens of our town. The office is the result of plans presented to the regional supervisor by Judge Formby. The county has great need for the office and Judge Formby presented the plea for it.

Largest Crop of Cotton In County Grown In 1926

The question has been asked many times, "When did Dickens County produce the most cotton?" This question is not difficult to answer because the Bureau of Statistics of the United States Department of Agriculture keeps up with the cotton production in every county in every state where cotton is grown.

We are giving below the productions in running bales in Dickens County beginning with 1924 and including 1936. The figures are:

Years	No. Bales
1924	26,911
1925	22,926
1926	39,047
1927	34,845
1928	23,117
1929	13,600
1930	11,302
1931	29,310
1932	32,426
1933	35,307
1934	4,251
1935	17,908
1936	9,804
1937	?

These statistics are counted on the basis of bales gin run and not on standard 500 pound bales. This is the record for 13 years and it looks now as if 1937 might have a chance to get the better production columns in Dickens County.

Statistics taken from Spur Security Bank ad.

MILAM VARIETY STORE OPENING NEXT WEEK

The new variety store, located in the O'Reilly building on the west side of Burlington Avenue, will hold their opening next Friday and Saturday, October 1 and 2nd.

Mr. and Mrs. Milam, of Slaton will be in charge of the store. Having had a number of years in the variety store line.

Their store will carry a line from 5c to \$1.00.

REV. JOYNER HERE SUNDAY

Rev. R. C. Joyner, who accepted the call as a pastor to the First Baptist Church, will arrive in Spur this week and will fill the pulpit at the morning and evening hours next Sunday. Sunday School will be at the regular hour, 9:45, in the morning and preaching services at 11:00 in the morning and 8:15 in the evening.

Mrs. R. F. Dempsey, of Duncan, Oklahoma, is visiting her son, T. C. Dempsey, of Croton community at this time.

Pershing Lee, of the Gulf Oil Corporation, is here this week visiting his mother, Mrs. W. B. Lee and his sisters, Misses Anne and Regina Lee, and his brother, Charles Adam Lee.

Ginners Report 1540 Bales to Date

According to reports turned in by ginners over the county Wednesday at five o'clock, there had been 1,549 bales of the present cotton crop ginned in the county. This includes reports from East Afton, Afton, Glenn Croton, McAdoo, Dickens and Spur. In addition to this 390 bales were turned in from Broadway, Kalgary and Girard of which quite a number of bales had been grown in Dickens County. Spur ginners reported 1,087 bales at five o'clock Wednesday.

Cotton was selling around 7.75 to 8.00 for Middling and some special bales were running as high as 8.20 to 8.25. Cotton seed was bringing \$17.00 per ton.

Former Pastor Will Speak Here Next Sunday

We, of the Presbyterian Church of Spur, are so happy to make this final announcement concerning the coming of the Rev. Mr. M. H. Applewhite of Cisco. Mr. Applewhite is a former pastor of our church here and during the days of his ministry he made many friends over the entire community. We feel sure that these friends will all rejoice with us over his temporary return.

Mr. Applewhite will preach in the Presbyterian Church at eleven o'clock Sunday morning, September 26th., and again in the evening at eight o'clock. Each evening of the following week he will preach at the same hour. In the mornings of the week he will conduct a series of Bible studies from ten until eleven o'clock.

We certainly desire and expect the cooperation of the Christian people of Spur toward the end of making this week one of benefit to the whole church program here. Members of all the churches are cordially invited and urged to bring their friends to these services. We can assure you that there will be nothing about them which will detract from their spiritual growth and development, regardless of the particular profession of your faith.

It will be extremely worth your while to make plans for next week so that you will be free to worship with us at ten o'clock each morning, and at eight each evening.—Reported

Spur FFA Has Elected Officers

The Spur FFA held their initial meeting Monday and elected officers for the year. This organization is made up of the Vocational Agriculture classes of our schools and is a very helpful organization.

The officers elected are:
President—Cleo Rogers.
Vice-President—Woodrow McArthur.

Secretary—James Bumpas.
Treasurer—J. B. Morrison, Jr.
Farm Watchdog—Spencer Lisenby.
Parliamentarian—Pete Darlin.
Song Leader—Joe Ousley.
Editor—Jack Keen.

Members of the organization began paying dues this week. About 90 members are expected for this year.

The next meeting will be next Tuesday evening. The FFA will meet twice each month, one meeting being during the day and the other at night. At the meeting next Tuesday the objective for the year will be outlined.

The FFA's and their advisor state they are anxious and glad to assist any one in an agricultural matter, and will be glad for people to call on them. During this fall they can assist in running terrace lines and during the spring months they will assist in trimming trees, pruning make seed germination tests and seed selections, etc.

The revival at the Assembly of God Church seems to be in fine progress. According to reports there had been 17 conversions including the services Tuesday evening. The evangelist is bringing good gospel messages and the people are active in the work.

L. R. Burrow, City Manager Moves To McCamey

L. R. Burrow, who has been manager of City Utilities for Spur since 1929, has placed his resignation with the City Commission to become effective October 1. Mr. Burrow has accepted the position of General Manager for the Pecos Valley Light & Power Company and will have his headquarters near McCamey. The position was offered to him and when asked to accept the place he was as greatly surprised as any one, as he did not solicit the position.

Mr. Burrow came to Spur early in 1929 to superintend the installation of the new city light plant. He took charge of the City Utilities and has worked faithfully to make the work a success. The new City Light Plant started operation May 1, 1929, and when it started Spur became a lighted city with a street light on every corner.

Under his supervision Spur's water supply was increased to one million gallons per day. All the water lines have been replaced with large ones and today Spur has a water system that will adequately take care of a population of ten thousand. The sewer system has been extended and streets greatly improved.

The company whom he expects to work found that, although he was City Manager, he was not too good to work on an engine or repair a water line. Probably this had much to do in influencing the Pecos Valley Company in offering a new position. He is very efficient in his work and knows his business.

McAdoo Churches Have Erected New Buildings

McAdoo, our little sister city of the Plains, seems to be on the road of progressiveness. The Star Service Station, owned and operated by Ben Eldredge, is having a new concrete drive-way put in. This has increased the appearance of the business greatly. Dock Cooper who has been with Mr. Eldredge for 12 years, and Jack Derr are the helpers at the station.

The members of the Methodist Church are having a new church building erected, also, the Baptist people are in a building program for a new church building. These two buildings are located just opposite of each other and on the same street corner. Just a street is between them. J. A. Marsh, Spur contractor, is doing the work.

Mahon Speaker At Banquet

Annual meeting and dinner given by the Lubbock Rotary Club for other clubs in this area was given Wednesday evening at Texas Technological College, starting with a chicken dinner at 7:30 o'clock.

President James Kilpatrick, master of ceremonies welcomed all guests and introduced all club presidents on hand.

Congressman George Mahon of Colorado was the principal speaker, introduced by George W. Dupree. Orchestra music and a comedy skit with other entertainment was enjoyed. It was strictly a stag affair.

Those from Spur club going to Lubbock included Dr. E. F. Hale, Henry Alexander, Alton B. Chapman, Dr. M. H. Brannen, M. C. Golding and R. E. Dickson.
Spur Rotary Club to Meet Thursday Evening

It was announced Wednesday that the Spur Rotary Club would hold their regular luncheon Thursday evening instead of at the noon hour. As J. Edd McLaughlin, president of the 41st District, will be a guest at this meeting.

NEW SUPERVISOR

Roy J. Pearce has come to Ralls from Paris to be assistant rural supervisor of the resettlement administration. He has Crosby, Dickens, Kent and King counties in his area.

Girard School Opening Last Friday Enjoyed

So many attended the school opening at Girard Friday night that about half of the audience was sent to the gymnasium where the same program was presented. Those remaining in the auditorium were just the parents and it was almost completely filled. After the comedy and musical short were shown, the new teachers were introduced as follows:

Miss Lois Harrison graduate of Texas State Teachers College for Women at Denton, who is head of the commercial department. She has a degree in this line of work and has had several years practical experience in offices. Miss Mattie Brown graduate of Texas Technological College at Lubbock, is head of the English department in the grades. Each of these ladies said a few words and their hope that the school year would be a very successful one.

Robert King a graduate of McMurry College at Abilene, was elected coach of the basket ball team. It seems that he will be capable of coaching his teams and teaching them plenty of tricks as he was a star guard on the conference team last year. He stated that he was very interested in basket ball and had been taught to play ball more than he had to make speeches. Also that he felt he would be able to work up a good basket ball team.

The last new teacher to be introduced was John W. Dent of North Texas State Teachers College. Mr. Dent has charge of the Geography and History Departments, also debate and declamation, and is looking forward to a good year.

After the introduction of the teachers, Paul S. Rogers, Superintendent, stated that he had a very serious problem to present to the parents. He presented the situation and his idea of a solution as follows:

"A problem confronts this school which is a universal problem in all schools in Texas. The Texas Legislature has appropriated enough money to run this school a full term. But there is one thing they have not done which makes a very serious problem. They appropriated only enough money to run our school busses 3 1-2 or 4 months. Not more than 4 months at the most. The busses are very essential to this school. If they should stop this would only be a five teacher school. We can continue to run our busses if you people who are gathered here tonight will get behind your school. I hope that the government will furnish enough money; if they do not then we will have to shoulder the responsibility and we can do it. The

belief is expressed that the state will have to do something but the Legislature is split and cannot do anything. Unless the government does something during this special session, we will not be able to run our busses longer than Christmas. I sincerely hope you people will stand back of my plan whereby we can continue to run our school busses.

Last week and this week I have been presenting free programs in order that you people could see that we are offering good entertainment. I have twelve programs to present between now and Christmas, which are just as entertaining as the previous ones. To show you people that I have the interest of this school at heart, I will furnish both of my moving picture machines and the films free if you people will buy twelve fifteen cent tickets. The money will go into our transportation fund and we will not have to worry about our busses running after Christmas. If you do not use some of your tickets before Christmas, you may use them afterward. Immediately upon receiving it, the money will be turned over to the members

of the school board to go into the transportation fund."

Mr. Rogers then asked one or two of the parents to express their opinion or to present a better plan. Tom Hunnicutt stated that he felt that the parents should stand behind their children to see that they received the proper education. He said, "I am glad to go more than my part to keep our busses running. We must cooperate. We can and will put it over for half a term."

Lum Davidson made the following statement: "My boy has already graduated but I'd like for you to know that I'm still behind our schools 100 percent."

The same idea seemed agreeable to the rest of the parents, for when they were asked to vote on it, they were behind Mr. Rogers' plan 100 percent. When this part of the program was completed, Rollie Beaver and his daughter, Mrs. Doris Hurst, sang a song entitled, "Welcome."

Following the song, the film "Lost Jungle" starring Clyde Beatty and Cecilia Parker was shown.

Mr. Rogers stated that there are only about 200 students enrolled so far, but after the cotton picking season is over, there will be many more. The following is the faculty line-up for this year: Paul Rogers, Supt., John H. Smith, Principal, Margaret Dunlap, English department; Robt. King, coach; Lois Harrison, commercial department; John W. Dent, speech department and debate.

Grade teachers: Mattie Brown, Mrs. J. W. Waggoner, Jr., Miss Zulene Rosenberg and Mrs. Tressie Spradling, primary.

Ladies Bible Class—4 P. M. Monday.
Prayer and Praise—8 P. M. Wednesday.

The officers of the church report three additions the past two Sundays. Come and grow with us.

The pulpit will be filled by G. A. Dunn, Jr., at both services Sunday. Your presence is earnestly desired. A welcome awaits you.

A MESSAGE OF APPRECIATION

We want to express our appreciation to our many friends and neighbors for your words of sympathy and your acts of kindness during the illness and death of our son and brother. Also, we want you to know we greatly appreciate the beautiful floral offering and everything that was done to comfort us in this said hour. We shall always remember you as showing your friendship during a great sorrow.—Mr. and Mrs. D. J. Harkey and family.

Record Breaker

When a picture breaks all attendance records in every city it is shown in . . . and at advance prices ranging up to \$2.20 per seat . . . it must be an unusual picture such as a picture is "LOST HORIZON."

Roadshowed in all the larger cities at advance prices "LOST HORIZON" has created a sensation and acclaimed the greatest motion picture ever made. And now, for the first time, it will be shown at popular prices at the Palace Theatre, coming soon.

"LOST HORIZON" is from the and produced by Frank Capra, best selling novel by James Hilton who gave you such popular hits as "It Happened One Night" and "Mr. Deeds Goes To Town." It stars Ronald Colman, supported by a cast of popular featured players. Over two years in the making, it cost over two million dollars.

For the supreme thrill in motion picture entertainment, see "LOST HORIZON" coming soon to the Palace Theatre.

McADOO

Mr. and Mrs. Bebe, parents of Mrs. Frank Beauchamp and a brother of Mrs. Beauchamp and his wife from Morton, were guests of Rev. and Mrs. Frank Beauchamp Sunday.

Alvis Yeates, a former English teacher in McAdoo High School, was here this week visiting friends.

Mrs. J. O. Morris was taken to Lubbock Sanitarium Saturday for treatment.

C. C. Neeley was in a car wreck last week, when enroute to Roby. His car was damaged but he escaped serious injuries. Mr. Neeley was driving a new Plymouth.

Mr. and Mrs. Jack Derr and baby from East Texas have moved back into McAdoo community. Jack is the son of Mr. and Mrs. Jim Derr.

Mr. and Mrs. Hansel Jackson and daughters, Janece and Janelle from Phoenix, Arizona and Lora Dozier of Afton, were visiting Mr. and Mrs. T. L. Dozier and family last Friday.

The Jackson family who were injured

quite seriously in a car wreck near Roaring Springs, when enroute to Afton to visit relatives about a month ago, have not recovered from injuries sufficiently to make the return trip home yet. Mrs. Jackson is unable to walk without the aid of crutches. Mr. Jackson has not gained his strength back after spending 21 days in bed. The girls are doing nicely. They hope to be able to return to Phoenix some time this week.

Mrs. Hubert Carter, of Ft. Worth, Texas, and Johnnie Cox, from Kristendod, are here visiting Mr. and Mrs. W. E. Cox and family.

Mr. and Mrs. A. M. Lay and Francis, of Lorenzo, were here last week visiting friends and attending to business matters. Francis spent a few days with Lucile Anfil and visited in the local school Monday and Tuesday. She is a former student of McAdoo High School.

Miss Ovie Barton, who has been working in Crosbyton, is at home for an extended visit.

Mrs. Tom McKnight from Dickens spent several days in the home of Mr. and Mrs. O. S. Harvey last week. Mrs. McKnight is a sister-in-

law of Mrs. Harvey.

Mr. and Mrs. J. T. Parker went to Snyder Wednesday of last week to attend a birthday dinner given in honor of Mr. Parker's uncle, Elic Parker, who was 90 years old. A delicious dinner, including a cake with 90 candles was prepared for the honoree.

The birthday dinner is an annual affair with guests attending from hundreds of miles. There were possibly one hundred and fifty guests present at the dinner last week.

Rev. and Mrs. Frank Beauchamp and children and Rev. and Mrs. Peterson from Crosbyton, went to Wichita Falls one night last week to hear Gypsy Smith, an Evangelist from England preach.

Mr. and Mrs. O. S. Harvey returned home Sunday afternoon from Hereford, where they had been to see a sister of Mr. Harvey. Mr. Harvey received a message Thursday that his sister had been stricken with paralysis and was in a serious condition.

The Junior Class accompanied by several of the teachers enjoyed a skating party at Silver Falls one night last week. After skating, the "eats" enjoyed consisted of sandwiches, cookies and fruit.

The Home Economic girls presented an interesting program in chapel last week. The chapel program will be presented by the faculty next Thursday, September 23. You are invited to attend chapel programs each week.

County Agent G. L. Lane was a business visitor in McAdoo Tuesday of the past week.

Mr. and Mrs. Jack McLaughlin are here to see Jack's parents, Mr. and Mrs. Rush McLaughlin.

Several farmers have reported losing yearlings with the black leg. A number have been vacinating against the disease.

Among the hroses. Preventions are sleeping disease is reported to be being used to try to save the stock.

Within a few more days the Baptist Church will be completed. Possibly with another weeks work services may be held in the church Sunday.

The foundation of the Methodist Church has been completed and building will begin in a "big way" this week.

Mr. Marsh of Spur, is contractor for both buildings.

Prayer meeting services will be held at the Methodist parsonage each Wednesday night until the church is completed. Anyone who cares to come is cordially invited to attend these services.

Afton—East Afton

Buddy Newberry, son of Mr. and Mrs. O. C. Newberry, received an injury on his forehead last Sunday. He was riding a horse and fell off, and the horse kicked him. Several stitches were required to close the wound.

Walter Darlington, of Shamrock, was in this community on business last Wednesday.

Byron Haney made a trip to Lubbock last Wednesday, to market a load of hogs.

Paul Braddock made a business trip to Del Rio the past week. His trip was in search of cotton picking hands.

Miss Jean Day, of Spur, was visiting in this community, last Tuesday. Several of the farmers of this section attended the cotton meeting at Dickens last Friday.

The new barn on the Paul Braddock farm, is almost completed. It is the only barn of its design in this part of the county.

Mr. and Mrs. Lewis Daniel and family visited in the home of Mr. and Mrs. Jim Christopher at Spur, last Sunday.

Mr. and Mrs. Lilburn Harvey made a business trip to Crosbyton, last Wednesday.

Mrs. Bill Simpson and Mrs. Gilbert and children, all of Spur, visited in the home of their brother, Lewis Daniel and family, Sunday.

The Patton Springs basket ball teams played games at Dickens last Thursday night. The girls game was 12 to 24 in favor of the Dickens team, while the Patton Springs boys won over the Dickens team.

Mr. and Mrs. Eddie Hale were shopping in Spur last Saturday.

Aubrey and Clyde Barrington, of Rails, were in this community the past week end.

The Patton Springs seventh grade class enjoyed a picnic supper at the Patton Springs last Friday evening. Miss Morris, their class club sponsor, was sponsor of the affair. All of the members greatly enjoyed the affair.

Several of the folks from this community attended the Home Demonstration Council tea at Spur, last Saturday.

MRS. W. D. STARCHER
Business and Advertising Manager

Advertising rates uniform to everybody in Spur country

Entered as second class matter at the Post Office in Spur, Texas, Oct. 30, 1924, under Act of Congress, March 3, 1878.

*** Our Opinion Is ***

That a closed-listed citizen many times becomes a financial liberal after being elected to public office.

Citizens Gin Of Spur Has Good Record

The Citizen Gin at Spur is located on the site where the former Swenson Gin was erected. Early Long became manager of the gin in 1924 and it was operated under the name of Long Gin Company. Mr. Long was in charge of the gin for two years and then Joe Gaines became manager. Mr. Gaines was in charge until about 1928 when M. Hargrove took over the gin and made the season of 1928. The gin burned in the spring of 1929.

However, the embers of the fire had hardly cooled before Mr. Hargrove made plans to build a new gin on the same site. During the summer the new gin was erected and was one of the most modern in the country. It is of Centennial type and is five stands of 80 saws. It is equipped with Streuns Bar Separator and air blast cleaners, which is manufactured by the Hardwick-Etter Company. The gin is electric throughout including motor power.

The personnel of the gin are: Manager and cotton buyer, George Sloan.

Bookkeeper, Jack Hargrove, Ginners, Russell Williams and Lacy Armstrong.

Pressman, J. B. Kimmel, Suction attendant, Arner Watson, Truck driver, J. C. Johnson.

Mr. Sloan has been in charge of this gin a number of years and has been able to secure a good patronage for it. The gin is in good condition and the machinery is reconditioned every year in order to keep it in good shape. Many farmers gin their cotton at this gin because they like the gin's work and the courteous treatment they receive.

Cotton Oil Company Buys Much Seed In Dickens County

The Jayton-Rule Cotton Oil Company with their nearest cotton seed oil mill located at Jayton, has always had an interest in the Spur Trade Territory and in Dickens County. Probably this company buys ninety per cent of the cotton seed produced in Dickens County which is sold on the market.

The large ware house of the Jayton-Rule Cotton Oil Company was erected in Spur in 1922. M. Hargrove was the first manager and he started business for the company in this section. After Mr. Hargrove engaged in the ginning business in Spur, J. J. Albin became manager for the company and served them for many years.

Mr. Albin was succeeded as manager by Gordon Freeman. Mr. Freeman had the misfortune of being manager during the dry years when small amounts of cotton were produced and seed were not of very good quality. He was able to hold the business up to a high standard and the business grew. Mr. Freeman was in the employ of the company at the time of his death.

W. P. Shugart is the manager at this time and is doing a very fine work for his company. This company has always tried to be of assistance to the farmers of the community, and many times when cotton seed for planting purposes were scarce the Jayton-Rule Cotton Oil Company has made provision in some manner for the farmers to have planting seed.

The large ware house in Spur furnishes a local market for cotton seed in this county, and with the large storing capacity in the ware house, many tons of good seed can be kept in the community available to those who need them.

Mr. and Mrs. F. F. Henry, of Durcan Flat, were in our city Monday doing some trading and greeting friends.

Girard Gym Adds New Electric Fan

The Girard School Gymnasium will be cool and comfortable Friday night as the West Texas Utilities is furnishing the Girard School a large 24-inch high speed electric fan for the picture show Friday night. Both picture machines will be in operation as a very large crowd is expected. An excellent program is billed for Friday night. The picture is entitled: "City Limits" featuring Frank Cravens, Ray Walker and Sally Blaine. It is a railroad picture with all of the excitement and thrills that goes with this type of entertainment.

The leading star is thought to be kidnapped and a large reward is offered for his recovery. The plot is excellent and there is not a dull moment in the feature. The Girard news reel will be included along with the short subjects.

The admission charge will be only 10 and 15 cents. All school children including those in high school will be admitted for only ten cents. We are hoping to have as large a crowd as we had at our free programs. We do not believe any one will stay at home on account of a small charge of 10 and 15 cents. Every cent that we make on our picture shows goes into the Emergency Transportation to keep our school buses running due to the fact that the legislature failed to appropriate sufficient funds to keep our buses running the full term. Therefore, when you come to our school programs, you not only get your money's worth by being entertained with a first class program, but you are helping to bring our children to school. We know you enjoy coming to our programs and helping our school.

STATEMENT

Statement of the ownership, management, circulation, etc., required by the Acts of Congress of August 24, 1912, and March 3, 1933. Of The Dickens County Times published weekly at Spur, Texas for October 1, 1937.

State of Texas, County of Dickens: ss. Before me, a Notary Public in and for the State and county aforesaid, personally appeared W. D. Starcher, who, having been duly sworn according to law, deposes and says that he is the Editor of the Dickens County Times and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912 as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publishers Mr. and Mrs. W. D. Starcher of Spur, Texas, Editor W. D. Starcher, Business Manager, Mrs. W. D. Starcher.

2. That the owners are individuals and are Mr. and Mrs. W. D. Starcher of Spur, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of the total amount of bonds, mortgages, or other securities are: None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, an security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

W. D. STARCHER, Sworn to and subscribed before me this 15th day of September, 1937. (seal) SAM CLEMMONS, (My commission expires June 30, 1939.)

Big Circus Will Perform At Fair

Circus-lovers of this section will welcome the announcement that Russell Bros. Big 3-ring Circus and Menagerie will exhibit at the Panhandle South Plains Fair at Lubbock for two days—Monday and Tuesday, Sept. 27 and 28.

Russell Bros. is a large up-to-date circus which combines all the cherished traditions of the big top with the latest modern trends. During acrobats, lovely lady aerialists and riders, capering clowns and all manner of animal performers, together with sensational novelties, are presented in a tempo and musical setting of the present day. The Five Fearless Flyers, internationally famous aerialists; the Rebras, sensational French loop-the-loop perch act; the Six Lelands, premier teeterboard acrobats; Walter Jennier's trained sea lion presentation featuring the inimitable Buddy; Miss Aerioletta, darling of the high trapeze, and her beautiful aerial ballet; Irene Ledgett's performing elephants; Frank B. Miller's renowned dancing horses—these are just a few of the many features of the eventful two-hour program.

A menagerie crowded with animals from many lands is offered at no added charge, and there is an exciting thrill-filled wild west exhibition and a museum of strange people to make Circus Day complete.

REV. AND MRS. W. B. BENNETT HONORED

A shower was given Sunday in honor of Rev. and Mrs. W. B. Bennett at Duck Creek school house by the Sunday School, where he was pastor for many years.

After Sunday School was over, a good talk was made by Lofton Bennett in their honor and a beautiful reading was given by each of the following: Misses Arloine Hagins, Robbie Lou Driggers and Mrs. Edith Durham, also some appropriate songs were sung for them.

Gifts were presented by the following: Messrs. and Mesdames P. E. Hagins, C. E. Hagins, Ernest Durham, Hershel Durham, C. R. Bennett, O. L. Driggers, Lofton Bennett, W. J.

Driggers, J. A. Swearingen, Elmer D. Hagins, S. C. Thomas, Shorty Hogan, D. D. Hagins, Cheek Thomas, J. L. Hagins, Vernon Gregory, Emmett Hagins, A. T. Bural, Ira Clower. Mr. Tom Gregory.

This shower was given to show the appreciation of the people of Duck Creek and their joy at their home coming. Rev. and Mrs. Bennett and son, Harmon were guests of Mr. and Mrs. P. E. Hagins, contributed.

MR. AND MRS. GEO. S. LINK EXPECTED HOME SOON

Word has been received from Mr. and Mrs. Geo. S. Link, srr., that they expect to arrive home soon from San Angelo.

Mr. Link's health is greatly improved and their host of friends will be happy to have them home.

LINCOLN'S CONCEPTION

By Dr. Gerald B. Winrod

The men who wrote the Constitution of the United States were familiar with the tyranny which existed at that time among the nations of Europe. They knew the evils of one man government. They knew that if the time should ever come when one man would rule this nation the personal liberties of the people would be blotted out.

The farmers of this document were men of great foresight. Looking down the vista of the years, they deliberately set up barriers to forever protect us against dictatorship. They believed that the people living in this part of the world would be capable of governing themselves through their duly elected representatives. Today, we have an opportunity to justify the faith which our forefathers placed in us. It is up to us to prove ourselves.

While other nations are sinking in

to dictatorship, it remains to be seen whether or not we are capable of commanding sufficient moral and spiritual strength to resist this evil momentum.

Every true statesman from George Washington down to the present hour has concerned himself with the thought of safeguarding the personal liberties of the American people.

We only need to turn to the Scriptures in order to find a statement which embodies the philosophy of personal liberty. The Apostle Paul wrote: "Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. . . . If the people of Europe want to sacrifice their liberties, let them do so, but as for us, let us not be entangled again with the yoke of bondage."

Once each year, we commemorate the birthday of Abraham Lincoln. No leader in the history of our Country was ever more concerned about protecting the Constitutional liberties of the American people than this sober-

minded man.

We cherish his speech delivered at Gettysburg as one of the classic messages of the ages. Yet the substance, the heart of this great address, delivered at a time when our Country was being torn by civil war—the crux of the whole speech was simply a re-statement of the principles embodied in the Constitution, namely, that above everything else, the United States must forever be saved from the evils of one man rule.

"Four score and seven years ago," said Lincoln, "our fathers brought forth on this continent, a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal."

Standing there that day on the blood-soaked soil of Gettysburg, Abraham Lincoln concluded his address with these words:

"It is for us to resolve that these dead, shall not have died in vain; that this nation, under God, shall have a new birth of freedom; and that government of the people, by

the people, and for the people, shall not perish from the earth."

It is a fact, that multitudes of our best and most thoughtful people are today expressing anxiety lest the democratic conception of Washington, Lincoln and Jefferson, shall be sacrificed on the altars of some kind of a Communist or Fascist dictatorship.

FARMERS ASKED TO MEET MONDAY NIGHT

Farmers and business men of Spur Trade Territory are asked to meet at the East Ward School building in Spur next Monday night, September 27 to discuss the advisability of organizing a Grange. This organization as has been explained should mean much to Dickens County farmers and indirectly to the merchants. Don't forget the time. East Ward School next Monday night at 8:15 o'clock.

ASKED FOR ACTION

Urging State-wide observance of the annual Fire Prevention Week, Marvin Hall, fire insurance commissioner, has written over 425 mayors

of Texas cities and towns requesting their continued support of what he terms a "most profitable and worthwhile civic project." The week of October 3 to 9 was chosen and appropriately named, Fire Prevention Week of 1937.

Adding impetus to the movement was a proclamation issued by Governor Allred requesting cooperation and support from "every Texan interested in performing a distinct service to his State, to his community, and to himself."

"Fire uncontrolled is one of the most serious problems that confronts us today," Mr. Hall declared in his letter to Texas mayors. "For years it has taken far too heavy a toll in life and property. May we suggest that you and your city officials, fire marshal, fire chief and his department begin making preparations at once for the proper observance of Fire Prevention Week this year."

Tersely expressing the theme of the Week's activities, Hall wrote: "The fire that never starts, will never get out of control. Fires can be controlled, but not until every single Texas citizen accepts fire prevention as his individual responsibility."

"Since fire lessons have a direct bearing upon the fire insurance rates which the people pay," Mr. Hall explained, "there are a great many practical benefits occurring from effective fire prevention. Fire prevention is a habit and easily acquired; and it is most pleasant to practice, for by practicing it, a life may be saved or a disastrous fire prevented."

Calling for immediate action, Hall said: "Today, not tomorrow—for tomorrow it may be too late—is the time for you to call a fire prevention meeting. We suggest that you invite representative business men and women of your community, as well as school teachers, preachers, civic and patriotic workers, and boy scouts. It is everyone's obligation to prevent fires. Act today!"

Nobody's Business

By JULIAN CAPERS JR.

Austin.—This is the open season for estimates of the financial condition of the state of Texas. The estimates of the various "experts" must be considered with some knowledge of how the political wind is blowing, if they are to be appraised with any conception of their accuracy.

State Auditor King, appointee of

Gov. Allred, has brought out the most pessimistic estimate of all to date. He estimates the general fund will be about \$24,500,000 in the "red" by the end of the current biennium. This estimate, of course, supports the demand which has been the governor's shibboleth since the day he took office—"more taxes." The only exception has been the brief period of a few months in 1936, when he was seeking re-election. Then he said no new or increased taxes would be necessary.

All authorities agree that the school fund, with money in sight to pay a \$22 per capita apportionment, and the largest appropriation in history for rural aid, is in the best shape in history. The highway department, likewise, has a substantial cash balance in hand, and sufficient funds allocated to carry out its extensive commitments for both federally aided and state highway projects for the next two years. The Confederate pension fund, of course, is deeply in the "red," but it is limited by constitutional requirements, and is gradually working itself out. That leaves the general fund as a source of worry for the legislature. One of the best fiscal experts in Texas, whose past record stands up remarkably in contrast to those of the political estimators who have an ax

to grind, has compiled a careful study of the general fund situation, which this column believes to be reliable. At least, it is a dispassionate study of the actual figures, without any political purpose to serve. This authority estimates the general fund deficit, at the close of this biennium, after paying the \$22,000,000 hike in appropriations which the regular session of the 45th legislature so generously dealt out, will be \$14,000,000.

Two alternatives are suggested by this expert. He points out that the general fund is now paying out approximately \$5,000,000 per biennium on the "bread bonds," issued for relief purposes during the depth of the depression, and that this entire \$20,000,000 bond issue will be retired within five years after the end of the current biennium. If taxes are raised now, he points out, it is extremely unlikely that they will be lowered again when the general fund is relieved of the bond payment burden. Therefore, he suggests letting the deficit "ride" as a brake on future expenditures.

It has been frequently pointed out that Texas follows a policy of paying for all capital expenditures out of its general fund. This policy of financial permanent improvements from current revenues has resulted in a net per capita debt of the state government in Texas of \$3.26 for general governmental purposes, and none for state highway purposes, whereas in Arkansas, the net state per capita debt is \$82.36, while the per capita highway debt totals another \$70.04. In Louisiana the per capita state debt is \$51.40, and the highway debt \$40.52 per capita. Over half the states in the union have a state per capita debt of \$20 or more while only 15 states have avoided highway debts.

The policy of paying cash for permanent improvements may be a very good one, but in Texas it has given politicians the excuse continuously to increase taxes. Thus, if the state decided to build a hospital, for instance, at a cost of \$2,000,000, the legislature makes the appropriation from the general fund, which becomes overdrawn to that extent. Then the politicians raise a hue and cry to "wipe out the deficit" by upping taxes. Then it is wiped out, the next legislature, seeing that the state is on a cash basis once more, becomes liberal with appropriations, and another deficit ensues. Then the cry goes up for more taxes, and the vicious circle continues ad infinitum.

During the three-year period beginning in 1936, Texas taxpayers will have assumed about \$40,000,000 in additional state taxes. They must also pay out about \$75,000,000 in new federal social security taxes during this period, making about \$115,000,000 of new taxes for which they must foot the bill, not counting other increased federal and local levies. There is a limit to what the people can pay. Many believe that limit is rapidly being approached.

"Organizers" Are Busy
Just before a legislative session is open season for the boys who want to "organize" some group of citizens. Within recent weeks letters have been sent out to two groups, asking for subscriptions, and promising legislative results that are, to put it mildly, extravagant. One such letter was sent to dealers in electric appliances, requesting that each rush \$10 to a self-appointed president of the "Independent Appliance Dealers' Association" at Tyler. About all the organizer promises is "a flood of letters to members of the legislature" urging a law to prohibit utility companies from selling appliances. Such a bill was decisively killed by the present legislature at the last session, and there is no encouraging prospect that such a bill would pass, even if it should be submitted, which it probably won't.

Notice to Delinquent Tax Payers

During the last few years the City of Spur has consistently reduced your City taxes, and to date your City taxes are approximately one-half of what they were in 1930.

In addition to this tax reduction, the City of Spur has carried on a public improvement program, including the building of a park, municipal swimming pool; and the rebuilding of our waterworks distribution system, without curtailing other city activities.

The Board of Commissioners of the City of Spur realized that it was impossible for some of you to pay your City taxes. For that reason no effort was made to force collections, no tax suits have been filed to date, and no attorneys employed for the purpose of collecting taxes, resulting in a large sum of money now due the City of Spur in delinquent taxes.

In view of the improved economic conditions in our immediate territory, we are expecting your co-operation by a volunteer payment of your delinquent City taxes, during the year 1937, making the filing of tax suits unnecessary.

Bulldogs Win Second Game Friday Night

The Spur High Bulldogs won their second game of the season from the Rotan Yellowhammers Friday evening 50 to 0, using their second string part of the time. Every man on the team had the pleasure of really playing some in the game.

The bulldogs scored early in the first quarter after Haroldson carried the ball from Robans 20 yard line on the kick off to their own 40 yd. line, then Garner and Haroldson made one first down after another to within a few feet of the goal and Haroldson went over the pay dirt but Garner failed to kick the extra point. Again the Bulldogs gained possession of the ball when Haroldson intercepts a pass on their 45 yd. line and carried it to the 12 yd. line where Garner again hit pay dirt and Haroldson failed on the extra point. The dogs scored their third time in the second quarter after most of the first string men had been taken out leaving just a few of the first string men on the field when B. Haroldson carried the ball to their own 2 yd. line and Garner carried it over but failed on the extra point.

At the beginning of the half Spur kicked to Rotan but held them within their own territory gaining possession on the 24 yd. line carrying it close to pay dirt but received a 15 yd. penalty but B. Hahn made up for the loss carrying the ball back to the 6 yd. line where Garner carried it over for 6 points and Haroldson kicked for the extra point. The Bulldogs made their fifth strike after Bingham carried the ball 60 yds to within 17 yds. of the goal line where Hahn made a nice gain of fifteen yds placing the ball on the 2 yd. line and Bingham again carried the ball across for 6 points. B. Haroldson failed to convert for extra point.

In the last quarter the dogs scored early after Dan recovered a fumble on their 23 yd line where Hahn assisted by Bingham and Elkins again hit pay dirt but Bingham failed on extra point. The dogs had tough time making their last score when Haroldson carried the ball on a long run over the goal only to be called back and received a 15 yd. penalty but he was determined to make good his threat after Hahn failed to gain he cut loose 65 yds, straight down the field bringing the fans to their feet. But always watching his interference until every man in his way had been cut down leaving nothing in his path but the goal.

A. Smith and D. Hull seemed to be the outstanding men for the Yellowhammers but liked plenty having enough score on the Bulldogs. The Yellowhammers were larger and had more years of experience, but just couldn't seem to get moving.

The Bulldog line is really going to town doing blocking and opening the way for our backfield the average fan looks only at the fellow that is carrying the ball, but just take note of the blocking that is being done and you can readily see why our scores so far this year has been like they have. Quoting Lefty Silas at the half, "I have never seen such blocking as those boys are doing, someone there every time to take the man out." So all the credit don't go to the man that is carrying the ball but to the man that is paying the way for him."

Officials for the game were Referee, Crawford; head linesman, Lefty Silas, Umpire, Ray Morris all were from Lubbock.

MANY GUESTS PRESENT AT COUNCIL TEA

The tea which was fostered by the Dickens County Home Demonstration Council here Saturday was attended by about 250 guests. The tea was from two o'clock until six in the afternoon, the time having been extended one hour in order to accommodate the number of guests present. There were 216 registered besides a number who did not get to

register.

The refreshment course consisted of orange bread and tea.

The purpose of the event was to interest people who had not attended the exhibit of the work of the various Home Demonstration Clubs. There were 141 present who were not club members.

The occasion was favored with three distinguished guests: Miss Clara Pratt, for Home Demonstration Agent for Dickens County and now Home Demonstration Agent for Lubbock County; Miss Ruth Grimes, County Home Demonstration Agent for Kent County; and Miss Lida Cooper, District Home Demonstration Agent with headquarters at College Station.

The event developed much interest among the ladies of the county, and it is reported that a number of men were present and complimented the work and exhibit.

Soldier Mound—What the School Lunch Box Should Contain.

Prairie Chapel—A Tea Service for Two, Using Orange Bread.

Dickens—A New England Supper, Featuring Boston Brown Bread.

McAdoo—Baking Powder Biscuits Measurements and Equipment.

Friendship—Party Refreshments, Using Gingerbread.

Espuela—Variations of the Biscuit Recipe: Cheese Biscuits, Orange Biscuits, Lemon Biscuits.

Red Top—A Collection of Good Kitchen Equipment for Making Quick Breads.

The exhibits of three communities will go to Lubbock this week and place on exhibition at the South Plains Fair. The Clubs represented in the Lubbock exhibit are: Prairie Chapel, Dickens and Friendship.

McADOO CLUB COMPLETES FIRST YEAR GOALS

"We have completed all the goals for improving the home during the first year of our demonstration, Mrs. R. R. Wooten, Whole Farm Demonstrator of the McAdoo community, told Jean Day, Home Agent during a recent visit to see the demonstration.

Mr. and Mrs. Wooten planned early in the year to build a new front porch and paint the house; landscape the yard and get out trees; to plant a strawberry bed with 100 plants; and to increase the poultry flock to 300 hens. To date, these plans have been completed by these Whole Farm Demonstrators, who have taken their home improvement job seriously.

Mrs. Wooten, who is Yard Improvement Demonstrator of the McAdoo Home Demonstration Club, has sodded her yard with Bermuda grass and has set out foundation planting of Vitex, crepe myrtle, butterfly bush, mahonia, lantanas, Amur River privet and spirea. Her rose garden contains twelve bushes of the Red Radiance rose. In order to complete the planting plan for trees, Mr. and Mrs. Wooten will set out additional trees for windbreak and screening purposes in the fall.

The Whole Farm Demonstration has for its chief purpose the im-

provement of every phase of farm and home life with every member of the family cooperating. There is a Whole Farm Demonstration in each precinct in Dickens County, and the Wootens represent Precinct No. 1.

FIVE CLUB WOMEN TO ANNUAL MEETING

Five club women from Dickens County will attend the annual meeting of the Texas Home Demonstration Association September 28-30, in San Antonio. The elected delegates to the association are Mrs. Foster Jones, Soldier-Mound; Mrs. R. L. Allen, McAdoo; and Mrs. R. C. Alexander, Prairie Chapel. Two other club women who won trips to the Farmers Short Course are also going to San Antonio in the place of the trip to College Station. They are: Mrs. J. R. McArthur and Mrs. L. B. Jones both of the Red Top Club.

Until this year the state meeting

of this association has been held in connection with Short Course, but since since Short Course was cancelled, it was necessary to call a special meeting. The principal business of the Association is to elect a state chairman and the vice-presidents of all the districts for the next two years.

The club women from this county will leave September 27, to drive through with Mrs. Foster Jones. Enthusiastic plans are being made to see the historic points of interest in San Antonio when the meeting is over.

R. E. DICKSON AND O. C. THOMAS ARE HOSTS

A very nice lawn party was enjoyed Thursday evening of last week on the lawn of the High School. Messrs. R. E. Dickson and O. C. Thomas served as hosts for the occasion. The guest list included the teachers of all

rural schools that are associated with the Spur schools, the boards of trustees of those schools, the officers of the various PTA organizations, Judge Formby, County Superintendent Madge Twaddell, and the faculty and Board of Education of Spur Schools.

E. S. Lee served as toastmaster for the evening and was very efficient and he kept much fun and humor going all the time. The principal of each school was asked to introduce the teachers and the trustees of their school. Jokes and round table discussion filled in the remainder of the evening.

Refreshments were served by Mrs. O. C. Thomas and Mrs. E. S. Lee.

Schools represented were Duck Creek, Wilson Draw, Red Mud, Peaceful Hill, Highway, Dry Lake, Espuela, Dickens and all schools in Spur.

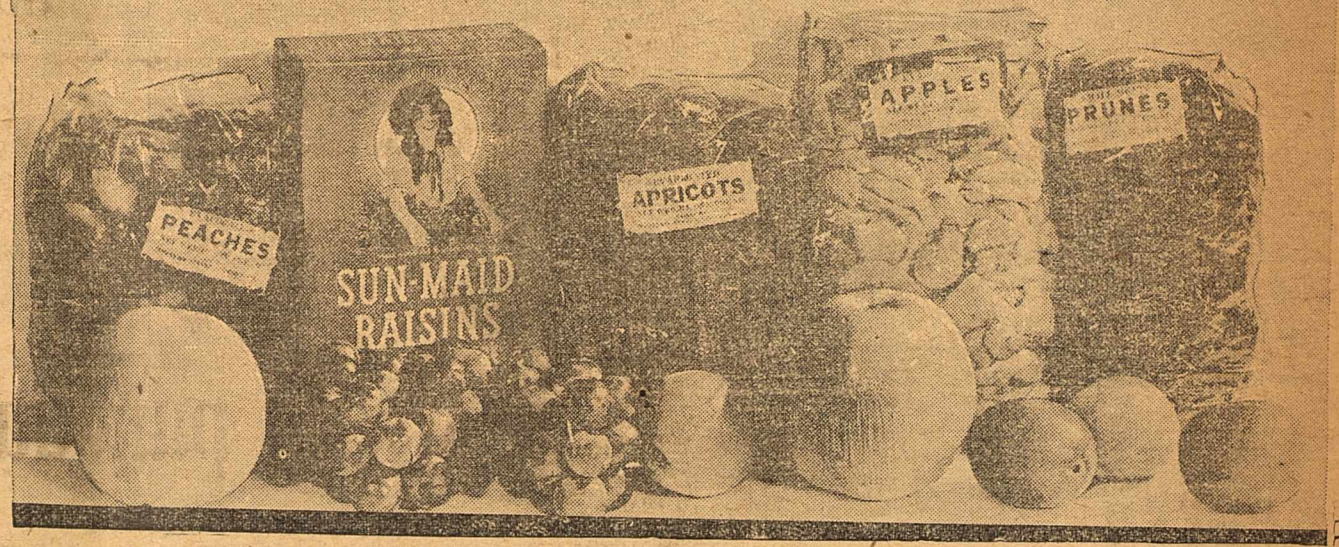

PAUL DRAPER ENTERTAINS FRIENDS ON BIRTHDAY

Celebrating his eleventh birthday Paul Draper entertained a number of his friends at the home of his parents, Mr. and Mrs. H. G. Draper on Wednesday, September 15th.

Following an enjoyable afternoon spent in telling jokes and playing various out door games, punch and cookies were served to the following:

Henry Gruben, Alfred and George Walker, Leonard Wilson, Pat Chrysol, Harold Cargile, Calvin Henry Simmons, Ruth Estelle and E. W. Jones, S. C. Fallis, Harold Newberry, Roland Haigrove, Jerry Don Bell, Aubry and Addie Mae Wood, Pete and Pike Dobbins, Ila Ruth Draper, Virginia Lane, Billie Cecil Addy, Johnnie Monk Rucker and the host, Paul Draper.—Reported.

Crippled Children's Clinic Will Be Held By Dr. W. B. Carrell

Dr. W. B. Carrell, head of the Crippled Children's Hospital in Dallas, announced Saturday afternoon that he would conduct a free clinic in Wichita Falls on October 8.

This clinic will be held in the First Methodist church, under the auspices of the Wichita Valley Scottish Rite association and the Maskat Shrine Temple. S. H. Fagadau is president of the first organization and Kindel Paulk heads the Shrine temple.

Second Free Clinic
This will be the second free clinic for crippled children held in Wichita Falls, the first being held in this city in 1935, when 359 children were examined. This number set a world's record for medical clinics.

Dr. Carrell will be assisted by Doctors Girard and Driver, also associated with the Scottish Rite hospital at Dallas, and Miss Annie Laurie Little, superintendent of the hospital.

Members of the Wichita County Medical association and the Wichita Falls Graduate Nurses association will also be on hand to assist at the clinic.

Brow To Be Here
An important feature will be the presence of J. E. Brown of the State Board of Education. Brown is head of the rehabilitation work for this department. He will make case notes and begin work on the education of the crippled children at the time of the clinic, instead of waiting until after the cure is affected.

Sidney A. Gaines, head of the Wichita Falls district for crippled children's work in the Scottish Rite Masonic body, said Saturday that Albert Ellis would be head of the committee in charge of publicity. This committee will see that every Masonic organization of West Texas and

the Panhandle is informed of the free clinic, and all crippled children regardless of creed, color or race, are contacted. When necessary, the local Masonic lodges will provide transportation to Wichita Falls for the children, Gaines said.

Oral Jones was named committee head for the preparation of the Methodist church building to receive the children and see that ample facilities are provided for the doctor's work.

To Receive Treatment
After the clinic in Wichita Falls, Gaines pointed out, the children who can be cured are to be taken to Dallas by Masonic lodges in their own towns and cities. The incurable cases will be eliminated in Wichita Falls, providing more hospital space for the curable cases.

Early examination was stressed by the doctors, as cases are more easily treated soon after the accident or disease that cripples the limbs, than when the case is allowed to become several years old.

Several new cases of crippled children have been reported in this district in recent months Gaines said, and these children should be brought to the clinic at all costs.

JEAN HARLOW'S "DOUBLE" USED IN FEW UNCOMPLETED SEQUENCES OF "SARATOGA"

Behind the release of the new Metro-Goldwyn-Mayer picture, "Saratoga," playing at the Palace preview Saturday night, Sunday, Monday and Tuesday, with Clark Gable and Jean Harlow in the starring roles, lies one of the most unusual technical tasks ever attempted in a Hollywood studio.

When the flood of letters began pouring into the M-G-M studio demanding the release of this picture, Director Jack Conway was faced with the problem of devising a means of finishing the few uncompleted scenes without the feminine star.

The solution lay in rewriting these sequences to eliminate as far as possible the character she played; re-editing scenes already filmed to conform with the new treatment; and the use of several technical devices.

Fortunately, the ending of the picture with Miss Harlow and Clark Gable had already been filmed. Miss Harlow was in all the scenes up to the next to last reel of the production. A double was used in the few rewritten scenes, but her appearances were minimized. In these instances only "long shots" were made, the double appearing with her back to

the camera. In no place is her face seen. Other details, such as entering doors or running across a lawn to "tie-in" with scenes already made by Miss Harlow, were used.

"Saratoga," a racetrack story from the pen of Anita Loos and Robert Hopkins, deals with the romance between the daughter of a wealthy horse owner and a bookmaker. Much of the action is laid at the Saratoga racetrack. The final two reels dealing with intrigue over a horse race and a bet were rewritten so that most of the action was in the exterior reproduction of the racetrack where "long shots" with the double could be most easily made.

Decision to release the picture was made following floods of preview cards urging this release and polls conducted by eastern newspapers showing a practically unanimous desire on the part of Miss Harlow's fans for the picture.

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Dickens County—Greeting:

You are hereby commanded to summon J. M. Parkhill by making publication of this citation once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the County Court of Dickens County, to be held at the court house thereof in Dickens, on the 18th day of October A. D. 1937, same being the third Monday of said month of October, then and there to answer a petition filed in said Court on the 29th day of October, A. D. 1936, in a suit, numbered on the Docket of said Court No. 598, wherein J. M. Parkhill is defendant and Herman Earnest is plaintiff, said petition alleging:

That defendant, J. M. Parkhill did on the 4th day of February, A. D. 1935, execute and deliver his promissory note to Herman Earnest, plaintiff, in the principal sum of \$200.00, bearing interest from date at the rate of 8 per cent per annum, and due and payable on the thirteenth month after date, and providing that if said note and interest is not paid when due, then an additional amount of ten per cent on the principal and interest then owing shall be collected as attorneys fees, if placed in the hands of an attorney for collection.

That said note, principal and interest is now due and unpaid, to plaintiff's damage in the sum of his principal, interest and attorney's fees.

Herein fail not, but have you before said Court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness Fred Arrington Clerk of the County Court of Dickens County, Texas.

Given under my hand and the seal of said court, in the City of Dickens, Texas, this 3rd day of September, A. D. 1937.

FRED ARRINGTON, Clerk of the County Court of Dickens County, Texas.

Issued this 3rd day of September, A. D. 1937.

FRED ARRINGTON, (seal) Clerk of the County Court of Dickens County, Texas.

Members Are Added To Tech Faculty

Creating eleven new faculty and administrative positions, to take care of a growing student body, the Texas Technological College board of directors approved seventeen staff appointments and changes at a meeting in Lubbock last week.

New places, according to President Bradford Knapp include three administrative positions, each in the divisions of engineering and home economics, an instructorship in the division of agriculture, and one each in the departments of French, speech and chemistry.

All faculty members returned September 11, in preparation for registration September 14.

Dr. Harry L. Kent, director of administrative research, is a graduate of Kansas State Teachers College and Kansas State Agricultural College, and was awarded an honorary degree of doctor of laws from the latter in 1931. He was formerly president of New Mexico A & M at Las Cruces.

Acting as dean of men for the coming year is James G. Allen, formerly associate professor of English at the college. A graduate of Southern Methodist University, he holds a master's degree from Harvard University. Calvin Hazlewood, assistant to the dean of men, will be in charge of housing and employment

for men students.

Additions to the teaching staff include: Dr. J. O. Ellsworth, who returns from a year's leave to become head professor of economics and business administration; Dr. Karl E. Ashburn, professor of economic and business administration; Dr. W. W. Yocum, associate professor of horticulture; T. L. Leach, assistant professor and itinerant teacher trainer in vocational agricultural education; Earl T. Duke, instructor in plant industry.

Dr. Frederick W. Rolf, instructor in chemistry; Dr. Douglas H. Orrok, instructor in French; Richard Flowers, instructor in speech; Cassius M. Stanley Jr., assistant professor of textile engineering; Ewel V. Middleton instructor in civil engineering; Willard F. Gray, instructor in electrical engineering; Robert P. Vail, instructor in mechanical engineering; Mrs. Edna Anderson Lyles, assistant professor of clothing and textiles; Margaret E. Winkehnake, instructor in home management.

It pays to Advertise. Try it!

Mr. and Mrs. Hub Hyatt, of Hamlin, were in our city Sunday visiting his parents, Mr. and Mrs. Bill Hyatt.

Mr. and Mrs. Joe Kellam, of Glade-water, were in our city for a short visit with friends Monday. Mr. and Mrs. Kellam are former citizens of our city and have many friends here.

Mr. and Mrs. J. T. Cozby, of West Pasture community, were in our city Monday attending to business affairs and greeting friends.

Forrest Martin and mother, Mrs. Mr. and Mrs. Guy Stemple and daughter, Miss Nina, of San Jon, New Mexico, were in our city this week guests of their nephew and niece, Mr. and Mrs. W. D. Starcher.
