

DICKENS LADY WINS YARD DEMONSTRATION CONTEST

Mrs. Fred Arrington, Yard Improvement demonstrator of the Dickens Home Demonstration Club, is the winner of the Yard Improvement contest in the county, according to the scoring of Miss Lillith Boyd, Home Agent from Lynn County, who made a tour of all the contestants' homes Monday, October 25.

Mrs. R. R. Wooten of the McAdoo community placed second with a very high score on the general attractiveness of her yard and the perfection of her rose garden. Mrs. A. J. Allen, demonstrator of the Friendship club in the McAdoo community, was third place winner with an excellent demonstration of yard improvement "from the ground up."

Miss Boyd, accompanied by Jean Day, Home Agent, and Mrs. Floyd Barnett, Council Chairman, visited the yards of the following demonstrators: Miss Gladys McMeans of Red Top; Mrs. John Sharp of the Espuela club; Mrs. B. F. Middleton of the Prairie Chapel club; Mrs. Ben Overstreet of Dickens; and the three who won places. The score card, prepared by the Council at the beginning of the year, specified that the demonstrators be judged on the general appearance of the place, the completion of the planting plan, the report of cooperation from other club members, the demonstrators' story of her work, the exhibits of annual flowers at Achievement Events, and the number of people who had visited their yard demonstration.

The yards which were scored were outstanding examples of well-planned effort and a good sense of landscaping. Since most of the demonstrators have worked only one year, there is much to be done in the future, and all of the demonstrators plan to continue the improvement which has been started.

Work on New Sanitarium Going Nicely

The work on the new Spur Hospital is progressing nicely. Mr. LaBef, the contractor, says that everything is fitting in fine and everybody is doing their part in order that the building may be ready by the time promised.

J. B. Neill, of Midland, is doing the plumbing and sheet metal work. The roof is on and the rough coat of stucco work is going on this week. The plumbing is being roughed in as the work on the building progresses.

Albert Edens, of Big Spring, is doing the plaster, stucco and concrete work. The steps and platform to the front entrance is going in this week. The floor work on the first floor is about completed.

The floor of the second story is to be put down at this time and probably will have been finished by the time this story gets to our readers. The reception room will have a hardwood floor. The other room will have edge grain pine.

The second floor will have two operating rooms, a nurses room, six rooms for patients, a reception room, and two offices for physicians. On the first floor will be the kitchen and several rooms for patients.

Mr. LeBeff had a painful accident Tuesday morning. While running some bevels with his planer he clipped a finger. He doped it with iodine and continued working.

Federal Engineers Here Monday

Dr. Jones and another government engineer from Washington were in our city Tuesday inspecting sites for more conservation dams. They came here with an idea that a site might be found in Dickens County.

They were in consultation with Dr. Brannen, who referred them to several places. Dr. Brannen is a member of the Brazos Valley Board and has given much time to the conservation work. In view of his active interests and experience, the engineers were glad to consult with him relative to a location here. It is probable that a location could be made in Dickens County.

Mrs. Paul Rogers, by presenting this local you will receive a pass to "The Good Earth" at the Palace Theatre Sunday and Monday.

Quitague to Meet Bulldogs Friday

The fast, snappy team of Quitague High School will meet the Spur Bulldogs at the Charles A. Jones Memorial Stadium Friday night. The game will be called about eight o'clock in full and official form. This will be Spur's fourth conference game for this season, and it is scheduled to be a good one.

Quitague has lost out for district honors, but no team has defeated them with a large score yet. About one touch down has been difference, whereas other teams have been defeated with two, and three touch downs. The Bulldogs are in for a hard game Friday night, and will have to put up their best efforts in every respect, which they will do.

If Spur can win the remainder of the games the Bulldogs have a good chance at District honors. Floydada is the only undefeated team in the district and they play the Flomot Longhorns Friday afternoon. That game is destined to put some new views into the race for district honors. Flomot has lost one game. They defeated Paducah last Friday in a fast way, and the Whirlwinds have a battle before them.

Painfully Injured While Kodaking In Canyon

While enjoying the sunshine and the scenery in the Croton Canyon Sunday afternoon Miss Polly Clemmons was painfully injured. In company with a number of young people she went to Croton Canyon for an afternoon stroll and to take some kodaks. While ascending a steep incline she lost her holds and started sliding down the steep incline. At the bottom was a steep break and she went over it and landed full force on a pile of rocks at the bottom. As a result, she suffered a deep gash in her skull, a sprained back, a broken ankle and a number of other cuts and bruises.

Both bones between the knee and ankle were broken, the fibula being broken about one inch from the lower end and the inside hook of the fibula which holds the bone in position was broken off. This left the ankle without any support.

The accident occurred about four o'clock in the afternoon, but it was about six o'clock before Miss Clemmons was brought to the sanitarium. The place where the accident occurred was so remote that time was required to get her to where an ambulance could get to her. She was brought to Nichols Sanitarium in a Campbell's ambulance where first aid was given and X-Ray examinations were made. Then general treatment was administered. She suffered quite a lot for the first few days, but seems to be getting along fine, although she claims it is very tiresome to be quiet until the fractures heal.

Spur Girl on College Press Club

Miss Walterina Russell, junior from Spur at Texas Wesleyan College, was one of thirty to be initiated into the Press club at a formal candle-lighting ceremony in Ann Waggoner hall last week.

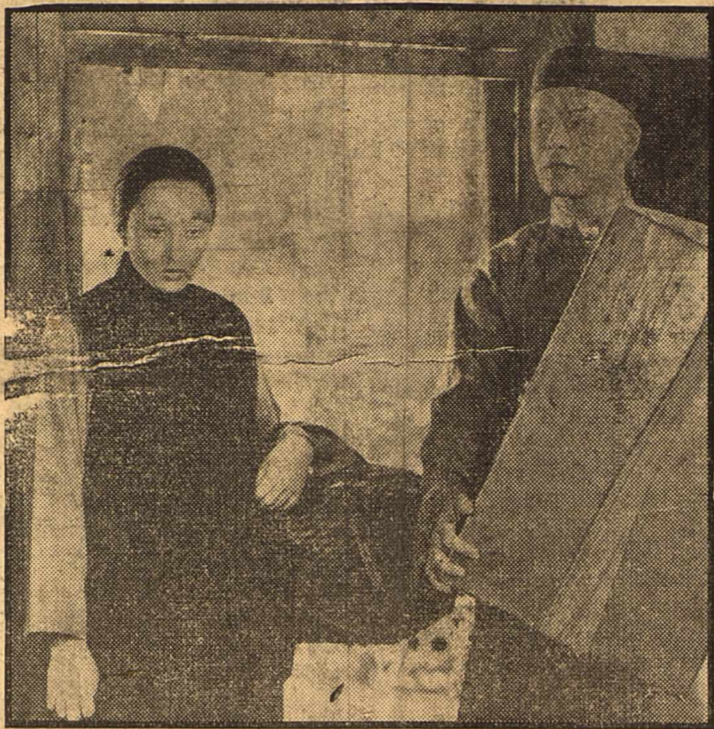

Miss Russell is treasurer of the Women's Sport Association, reporter for the Korosopian Literary Society, a student assistant in the publicity department, and girls' sports reporter on the staff of the Rambler, student publication.

A New Business Opened in Dickens

Our sister city of Dickens is growing all the time. Just last week a new grocery store was installed and opened for business Friday. The name of this new firm is called Edna's Grocery. The owner is F. H. Futch, who has lived just north of Dickens the past several years.

Try A Want Ad in The Times

"THE GOOD EARTH"

Behind the portals of China . . . builds his house on Adversity . . . and lies a Strange Civilization . . . Centuries Old . . . but still like a Child in its Comprehension of Elemental Nature. See for yourself . . . the Drama of Wang, Son of the Soil, who Succumbs to Luxury and the Temptations in the Soft Arms of a Sing-Song Girl. See on the Screen . . . in Bold . . . Magnificent . . . Drama—the Novel that You have Read—

"The Good Earth," Showing at Palace Theatre Saturday Nite Preview, Sun. and Monday, Sponsored by Spur P T A

At the Palace Theatre Saturday night preview, Sunday and Monday, Mr. Hardwick is bringing to us "The Good Earth," the picture with 1,000 thrills—the slave girl becomes a bride! War lords demand conscription! O'lan before the firing squad! Stampede of the hunger-mad herds! The scourge of the locusts! The frenzied looting of the great House of Ruo! New years—when the fire dragons are worshipped! These and hundreds of other astonishing thrills await you. With Paul Muni and Luise Rainer playing.

In talking with Mr. Hardwick, he stated that he had excellent pictures that would be showing the rest of the year, but he believed "The Good Earth" was one of the best pictures showing; he also stated, every one should see this great production.

Spur P. T. A. invites you to be their guest at the Palace. You will always find hospitality with every one that you come in contact with and this organization thanks Mr. Hardwick for being so generous in allowing them to sponsor such a wonderful picture.

Sanders-Chastain Pharmacy Adding Lunch Counter

This week the Sanders-Chastain Pharmacy under the management of Neil Chastain are adding stools at their counter and are serving sandwiches, chili, pie, coffee and hot chocolate. All modern drug stores are now serving light lunches, and Mr. Chastain is to be commended on keeping his place of business right in line with those in the cities.

They invite you to come in and try some of their eats. If it is anything in the drug line you are hunting visit them. You will always find a hearty welcome.

Mrs. J. T. Williams, of Water Valley, Mississippi, arrived in Spur for a two weeks' visit with her brother, W. D. Blair and family. This is Mrs. Williams' first visit to Texas.

Spur On Highway Eighteen To Be Started Soon

The Spur extending from Highway 18 west to the city limits of Spur is to be built in the very near future. Judge Formby received a letter this week from the State Highway Department which stated the work would be started at once. An appropriation of \$8,400 has been made from the maintenance fund for the work. E. W. Moore, resident highway engineer, stated this week that the highway levels will be run probably within the next day or two and the work started at once.

Highway 24

The right of way on Highway 24 for 9.1 miles east from the town of Dickens has been secured and turned over to the Highway Department for the construction of grade and drainage. Judge Formby stated

MANY ENTER SUBSCRIPTION DRIVE; OTHERS TO COME IN

Ice Company Plans New Building Soon

Plans are being made by the Leon Ice Company to build a new modern and up-to-date ice plant. The plant is to be located on Burlington Ave.

The old plant is being razed now, the ice vault being the only part of the old plant that is being saved.

When completed this will be one of the most modern ice plants in West Texas.

With a number of buildings and improvements being made in Spur, it looks as though our little city is coming to the front and better times are here to stay.

Schools Start Classes Again On Monday

The Dickens, Wichita and Patton Springs schools begun their classes again Monday after a three weeks' turn out for cotton gathering. Owning to one week of bad weather the children didn't get to gather much cotton.

However, the enrollment is not up to standard as a number of pupils had to remain out in order to gather as much of the crop as possible.

Sends Government Message About the Cotton Conditions

Judge Formby and County Agent Lane are doing their best to get some action in regard to marketing and securing loans on the present cotton crop in Dickens County. Tuesday night Judge Formby sent the Commodity Credit Corporation a telegram which explained the grave situation here.

He stated that warehouses here are filled to capacity and that cotton has to be stored in yards. Also, that banks cannot advance loans further to harvest the crop under present conditions. This is forcing farmers to sell cotton on low markets in order to get by and pay harvesting expenses and will have to continue such unless the Corporation rushes cotton, producers notes and clear local warehouses.

Judge Formby stated Wednesday that he and Mr. Lane are doing all they can to get cotton to move through government channels. He also stated they expected to keep on doing things until the cotton is sold.

MR. AND MRS. SCOTT MOVE HERE FROM SLATON

Mr. and Mrs. Cecil Scott, of Slaton, arrived in Spur Tuesday to make their home. Mr. Scott will be employed at the City Drug Store. He has been connected with Teague Drug Store in Slaton for the past several years. Mrs. Scott will be employed at Whitacre-Milam's Variety Store. Mrs. Scott worked for the Milam's for two years in a variety store.

This couple comes highly recommended to Spur, and we are glad to welcome them as citizens of our city.

Rites For Mrs. M. J. Smith Held Wednesday

Funeral services were held Wednesday afternoon at 3:30 o'clock at the Red Mud Baptist Church for Mrs. M. J. (Aunt Jane) Smith with the Rev. A. P. Stokes officiating.

Mrs. Smith died Tuesday at her home in Crosbyton. She was 88 years of age and is the mother-in-law of Mrs. Alva Smith, of Spur.

Funeral arrangements were under the direction of the Hatched Funeral Home of Crosbyton.

Tuesday that it might be a few weeks yet before the work is started, and this seems to be the opinion of Engineer Mars. The work on Highway 24 near the King County line will be completed within a few days and will be turned over to use of the public. The topping for that section of the road will not be started before spring.

Judge Formby and Mr. Mars have been very instrumental in securing work on the two highways in Dickens County.

Listen, Friend, we are giving you an opportunity at this time to get your renewal in for the Dickens County Times, and at the same time help your neighbor secure one of the prizes we are offering. Not one dime of money taken in by this campaign is going out of this community, because we want somebody to get it—our neighbors to share with us by doing some work for us.

We have a list of workers on the third page of this issue of the Times. When one of them approaches you, don't put them off with that old excuse, "I am taking the Times, now, and I don't see any use to subscribe for it again," when you know your subscription either has expired or will expire within a few weeks. If you are getting the Times now, we want you to renew your subscription. If you do not get it now, we want you to have an opportunity to subscribe for it.

These workers are your neighbors, and while they are asking you to subscribe, or renew your subscription, they are getting a line up on you. Hundreds have told us they will pay up as soon as they make a crop. We have been favored this year. You pay up, and then we can pay up and help the other fellow to pay up. By so doing we will get money in circulation and restore good times.

We admonish you to pay up as early as you can. Between now and November 20, you can help your favorite solicitor more with a subscription than you can after that date, as a subscription now gives her more votes. The new automobile will be given to the one who musters the most votes.

In our last campaign four years ago, every contestant in the race said it was as fair as could be. We want this one to be fair to everybody in the race. No favors will be shown by the Times Office to one contestant that will not be shown to another.

Help your neighbor now—don't wait until next week, or next month. She has others to solicit from—pay yours now and give her a chance at the other fellow. Remember two years more than doubles the votes for the one you help—so, pay for two years or more and help her get the extra votes.

We thank everybody who are readers of the Times, and in the future we are going to try to make it just a little better. By your encouragement by paying up now, you will help us to relieve some heavy loads we have been carrying—just a little from each of you will help us greatly. We don't want to lose a single one of you, but if you don't pay up, there is no other way for us to get out of it. So we will have to drop your name.

County Court Called Monday

Judge Marshall Formby convened County Court Monday with intention of clearing the docket. One case was tried and the party found guilty, fined \$25.00 and costs. All other cases were extended until next term of Court and Court was dismissed. There was quite a lot of business cleared from the docket this term, and only a few cases were carried over.

Spur Has a New Bowling Alley

Jack Ensey and W. C. Presley have installed a new bowling alley in Spur, for the amusement of the people. The business is located in the B. F. Hale building just south of Sanders-Chastain Pharmacy. The business opened Friday evening and has enjoyed a good patronage since.

Mr. Ensey stated that he wants to run his business in a manner that any lady will feel free to enter a bowling contest, or to take her friends in for some social fun.

However, for instruction in regard to freak shots the public are asked to consult with Dr. Hale, W. E. Ballard and Albert Power as they are good authority from actual practice. They role a good game too, and it is worth the money to watch them.

Present List of Nominations In Times Subscription Drive

Following named persons have been nominated by their friends. If they see you, do not turn them down. You need the Times and it is time to renew:

- Miss Merle Bennett Afton
- Mrs. Edna Edmonds Spur
- Mrs. George Erath Steel Hill
- Miss Katherine Ward McAdoo
- Miss Opal Sharp Prairie Chapel
- Miss Sylvia McCully Spur
- Mrs. Helen Harrison Dickens
- Miss Nell Arthur Spur
- Mrs. Stella Morrow Spur

"Borneo" Is Best Johnson Picture

Certain that there will never be another picture like it, Osa Johnson

presents Martin Johnson's greatest adventure, the pictorial climax of his career in "Borneo."

Termed by Lowell Thomas, the picture's narrator, as the isle of the incredible, of the inconceivable, and of the impossible, "Borneo" is a startling picture record of sights seldom or never seen before by civilized man. A land where tall stories come true, Borneo is the place where fish climb trees, where snakes fly and oysters grow on trees. Deep in the jungle monkeys have "schozzolas," head-hunters lurk, Murut men blow death, and the raging "devil-beasts" holds the land in a reign of terror.

Truman Talley supervised editing of the film, with continuity by Lew Lehr and Russell Shields. "Borneo" was produced by Mr. and Mrs. Martin Johnson.

ARTABAN ELECTS HONORARY MEMBERS LISTING NEW ELIGIBLES

At a call meeting of Artaban Club held on October 21, Winifred Lee, president, presided. Some very important business was discussed.

The first thing brought up before the group was the nomination and election of three women of Spur as honorary members. Those on whom the honor was conferred were: Mrs. O. L. Kelly, Mrs. O. C. Arthur and Mrs. R. E. Dickson. Their duties consist of assisting the club in its projects, attending its meetings and aiding the members in attaining higher ideals of homemaking.

Next, congratulations were in order for those first year students making a B average in all subjects for the six weeks and thereby becoming eligible for Artaban Club. Those girls were: Emily Cowan, Mozelle Arthur, Robbie Clemmons, Dorothy Hines, Nelta Booth, Betty Jo Booth, Eda V. Ellis, Jean Engleman, Margie Bell, Del Marie Nelson, Belya Swan, Opal Jean Laverty, LaVorie Lee, Avenelle Swanner, Naomi Pickens, Nell Lollar, Margaret Mae Weaver, Lucille Henderson, Grace Foster, May Barnette Johnson, Gladys Pettit, Addie Lee Kissinger, and Edith Spraberry. The girls were requested to wear their dresses backwards to school on Friday and to report to Winifred Lee's home for further initiation ceremonies on Saturday at 1:30 P. M.

In order that the club become affiliated with the Future Homemakers Association of Texas and the American Home Economics Association, the treasurer, Dortha Merriman, was instructed to pay dues to those organizations. The members of Artaban were proud to become a part of those important state and national associations. Artaban Club and the Future Farmers Club are the only two high school clubs associated with State and National organizations.

J. E. Blackwell, of Girard, was in our city Monday looking after business matters. His mother is reported very ill at present, but hesitated she seemed to be improving Monday. Dr. Reed has her case in charge and seems to be handling it fine.

1938 Chevrolet Reflects Beauty and Grace

1938 Chevrolet Master De Luxe Four-Door Sedan.

Chevrolet's Master models for 1938 are designed and built for owners who seek to practice thrift without compromise on completeness. To such buyers, the Master Chevrolet is presented as embodying in fullest measure those qualities which Chevrolet's extensive public contacts indicate that modern motorists demand in their cars.

Performance, economy and comfort are carried to new heights in these models, without sacrifice of beauty or style. The cars are as roomy as the Master DeLux models; they are powered by the same 85 horsepower six-cylinder valve-in-head engine; and they offer the year's outstanding engineering advance, the new "Tiptoe-matic" Chevrolet clutch.

Like the Master DeLux again, they embody numerous refinements, in features affecting performance, comfort, safety, durability, and style. The result is an all-round heightening of the qualities which for the past three years have been generating a steady

increasing demand for Chevrolet, with the result that production capacity has had to be enlarged again and again.

NYA WORK EXTENDED BY HOME MAKING DEPARTMENT

The training program for Texas girls assigned to NYA work projects will be extended as a consequence of a program launched by the Home-making Division of the State Department of Education in cooperation with the National Youth Administration, J. C. Kellam, State Youth Director, said. Homemaking classes will be conducted in many Texas cities during the girls' spare time. Why not get this work extended in Dickens County along with other counties.

Mrs. W. S. Campbell returned recently from Georgetown, where she visited with her daughter, Miss Isabelle, who is a student in the University there.

The Tactless Texan Takes a Rap at Robert Taylor

The Editor of the Amarillo Daily News writes a column in his paper, under the 'non de plum' of "The Tactless Texan." He writes on many subjects and says what he thinks . . . and he don't like Robert Taylor . . . Here's what he says about "Broadway Melody of 1938." "There's a Knockout of a show at the Paramount and it's everything that the enthusiastic Mr. Harrison (the manager) says it is."

"It's 'The Broadway Melody' of 1938" and for those who like a big musical with good singing and plenty of comedy, it's the tops. You just cannot beat it."

The little girl who sings sure made me feel like cheering. I'm going to see the show again. Don't miss this big production; it has something, everything in its line and class."

And Robert Taylor is in it. Personally, he gives me a pain in the neck. He's just too pretty and smiles just too cooly and cunningly."

"And you ladies, please don't mob me because of this. I know how the men feel, but the women folks sure like him."

"It's interesting to watch the reaction of an audience when Bobbie appears. The men slink deeper into their seats and squirm about. He's just too good looking to be alive. And the women raise up high and begin aching and ohing and ejaculating and most everything."

"Are there any women who don't like Robert Taylor? If so, I'd like to hear from them. Drop me a line or telephone, please. I've never met one who doesn't. He sure has the box office appeal."

"But anyway, it's a great, great show. See it."

"BROADWAY MELODY OF 1938" is coming to the Palace Theatre, Spur, soon. Watch for the date."

Local and Personal Items

Roscoe Fort, of Turkey, spent several days here the latter part of the week looking after business interests.

L. H. Mason, of Jayton, was among the business visitors in Spur Friday.

Mr. and Mrs. C. Earyl Senning and daughters, Misses Sue and Kiki, of Dallas, spent the week end here visiting with his mother, Mrs. Kate Senning, and Miss Carol Senning.

Jim Foster is in Wichita Falls, where he is taking treatment for a weak heart.

Misses Gladys Scott and Lillian Thatch returned to Los Angeles, Calif., Tuesday, after spending two weeks vacation with their homefolks.

Mrs. Jack Dempsey of the Croton community, was a shopper in Spur Saturday.

TEXAS BAPTISTS TO CONVENE IN EL PASO NOVEMBER 9

This picturesque border city of El Paso is speeding preparations at this time for welcoming 5,000 Baptists expected to crowd Liberty Hall, Municipal Auditorium, during the annual session of the Baptist General Convention of Texas Nov. 8-13.

An elaborate program of entertainment for the delegates from 3,018 church and additional thousands of visitors was planned, its climax com-

ing at an unprecedented underground convention November 14 at Carlsbad Caverns, New Mexico. Baptists of New Mexico will join in the impressive services to be held underground.

Outstanding leaders of the denomination will report on foreign missions—now disturbed by war in the Far East—Home Missions, civic righteousness, Christian education, hospitals and care of orphans. A special report will be made on the summer evangelistic campaigns held throughout the State in which denominational leaders estimated 100,000 members were added to Baptist Churches in Texas.

Dr. Wallace Bassett of Dallas, twofisted, hard-hitting pastor will crack down on gambling and the liquor traffic in his speech on civic righteousness. Texas Baptists during the past year joined anti-gambling forces, leveling their fire especially at horse racing.

One day preceding the general sessions, pastors and laymen will meet in their annual conference to thresh out problems of special concern to them. This meeting annually provides a forum in which ideas are exchanged and plans formulated for future effectiveness.

E. D. Head, Houston pastor, will deliver the convention sermon, keynoting the program of the denomination which includes 650,000 members in Texas. George W. Truett, president of the Baptist World Alliance; F. M. McConnell, editor of the Baptist Standard; R. C. Campbell, executive secretary; L. R. Scarborough, president of Southwestern Baptist Theological Seminary, and other denominational leaders will speak.

Dr. J. B. Tidwell, head of the Bible department at Baylor University, for many years an outstanding leader among Southern Baptists, is president of the convention.

*** Our Opinion Is ***

That while people give many excuses for not attending church services, they render many reasons for going other places.

MRS. SUSAN McDANIEL PASSES AWAY

Mrs. Susan McDaniel was born July 15, 1853 in Collin County; died October 21, 1937, and was laid to rest October 22, in the Girard Cemetery. She was 42 years of age.

She leaves five children, nine grandchildren and three great grandchildren. They are as follows:

Tommie McDaniel, Spur, Texas; Brittan McDaniel, Girard, Texas; Mrs. Hoyt Boon of Girard, with whom she made her home. Two sons, Wallace and Gus McDaniel of La-Roche, South Dakota, and one grandson, J. P. McDaniel, of Butte, Montana, could not be present.

Relatives from a distance are: One sister, Mrs. S. A. Sadler, Anna, Texas; nephews, W. H. Sadler and Jack Wayne, Gunter, Texas; Mr. and Mrs. Herbert Swearingen, Matador, Texas. One friend, Jack Boone, Oakland, Calif.; four children and her husband preceded her in death. Three of them died in April, 1882. Jee died in July, 1922, at the age of 42.

She married to Mr. Bob McDaniel August 24, 1887.

Aunt Susan, as she was fondly

called by all who knew her, lived daily a beautiful Christian life. She joined the Baptist Church in 1880; became affiliated with the Christian Church in 1909, and was baptized by Bro. Mike Young.

A large crowd witnessed the last sad rites, and Bro. Mike Young spoke the comforting words to the bereaved.

We shall miss Aunt Susan, but her beautiful life will live on and on, a guiding light to that city not made with hands.

Contributed by a friend,
(MRS.) A. T. BURAL.

**In Memory of Aunt Susan McDaniel
Who Died Oct. 21, 1937**

Our Saviour, standing at the door,
A smile upon His face,
Hands outstretched to welcome her
To a happy dwelling place.

We hear Him whisper, "Peace be still,
"Come, I will give you rest."
Forget all sorrow, pain and tears,
You have surely earned the best.

In this home I've built for you,
Safe within this lovely bower,
We bid you live, and walk and sing,
Through all the sunny hours,
Again to be with Uncle Mack,

Mrs. C. R. Gunn Attends Reunion At Fort Worth

This article was taken from the Fort Worth Star-Telegram Thursday of the past week.

Four sisters, the youngest 66, arrived in Fort Worth Wednesday on the final lap of a trip that is their first reunion since the days of their teens in Mississippi. They are Mr. R. A. Parks, 74, of Moran; Mr. W. B. Smith, 71, of De Leon; Mrs. D. D. Jones, 69, of Moran, and Mrs. C. R. Gunn, 66, of Spur.

Their chaperone while in Fort Worth was C. E. McCulloch, son of Mrs. Smith. "It is the first time we have thrown a party of our own since we were girls in Mississippi and we've thoroughly enjoyed it." The sisters left by train Thursday for their homes.

NOTICE OF SINGING CONVENTION

The 4-County Singing Convention meets in Floyd County the 5th Sunday, October 31st, at San Hill, eight miles west of Floydada. All singers and lovers of sacred music are invited to attend this all-day session.

C. M. Lyles, Pres.,
Mrs. Sam Lester, Sec.

Mrs. J. H. Grace, of Galveston, arrived here Tuesday and will spend some time visiting her daughter, Mrs. R. E. Dickson, and family. Dickson requested to state that Mrs. Grace is visiting her favorite son-in-law.

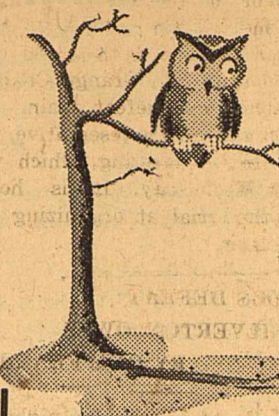

Miss Wilma Stephens, clip this local and bring it to the Palace Theatre and you will receive a pass to see "The Good Earth."

And children gone before,
Just a happy, glad new day,
With Jesus ever more.

Written by one who loved her,
(Mrs.) A. T. Bural.

McAdoo

Plans are being made to make the carnival that is to be held in McAdoo high school auditorium Saturday night, October 31, one of the biggest and best carnivals ever to be held in McAdoo.

Entertainments of the carnival will include nail driving contests, fortune telling, side shows, games, stunts, floor shows, airplane rides, and an interesting program of special music and short plays.

Prizes are to be given to the most popular girl and boy.

Plenty of eats, consisting of popcorn, peanuts, cake, coffee, pie and soda pop.

The carnival is being sponsored by the Epworth League and they are making every effort to make this carnival an enjoyable affair.

Make your plans now to come to McAdoo carnival Saturday night, October 30.

Milton McDonald was at home a few days last week, after being in Camp Mabry, near Austin, for several months. After completing training at Camp Mabry, Milton has been appointed as a highway patrolman at Abilene.

Katherine Rose spent the week end at her home. Katherine teaches school at Ralls.

Mr. and Mrs. E. C. Robertson and family went to Lubbock Sunday to see their son, Ed, who is a student in Tech College.

Mr. and Mrs. C. P. Aull, Jr., and family have moved to Crane, where C. P. has been employed.

Mr. and Mrs. Lawrence Fox are proud parents of a baby boy, born Wednesday, October 20.

Mr. and Mrs. W. O. Cherry and family of Bovina, were here this week end to visit relatives and friends.

Mr. and Mrs. J. T. Holmes and baby visited C. C. Neely and family recently. Mr. and Mrs. Holmes have been living at Center Point, Texas, but at the present time they are at Ralls. Mrs. Holmes is a daughter of Mr. Neely.

Wednesday night, October 20th, friends met at the Baptist Church and "pounded" the pastor, Rev. Branami. Many nice gifts were received.

Prayer meeting will be held in the Baptist Church Wednesday night, You

are invited to attend and take part in the service.

Dickens

Mrs. C. R. Gunn returned from Dallas the last of the week, where she visited relatives and friends and attended the Pan-American Exposition.

Mrs. Son Spradyberry and children left recently for California, where they are visiting relatives.

Henry Williams, of Brownwood, is visiting relatives and friends here at this time.

To Mrs. John Edwards and children: May God bless you, and we wish each one of you health and happiness through the years to come.—A Friend.

To Grandmother Carroll and son: May God bless you both, and we wish you health and happiness through the years to come.—A Friend.

Afton—East Afton

The little infant daughter of Mr. and Mrs. Ralph Etheredge died last Tuesday, and was buried last Wednesday. She had been ill for some time.

Mr. and Mrs. John Lee of Matador, visited in the home of her brother and family, Mr. and Mrs. Charlie Lee, Sunday.

Richard Varnell spent the past week end in Paducah.

Mr. and Mrs. Clarence Alexander of Spur, spent Sunday evening with his parents, Mr. and Mrs. J. M. Alexander.

Mr. and Mrs. Lorin Brown made a business trip to Matador Sunday morning.

Mr. and Mrs. Jesse Hale of Duncan Flat community spent Sunday afternoon with Mr. and Mrs. Lewis Daniels and family.

Mr. and Mrs. Eddie Hale are the parents of a baby boy, born last Tuesday. He was named Clovis Ray.

Mrs. A. J. Dozier has purchased and reopened the Help-Your-Self laundry. She states also that she has added a new machine to replace a badly worn one. The laundry had

been closed about three weeks before this opening.

Dave Hale is in Dallas at present for medical treatment.

A few of the farmers of this community met at the Patton Springs auditorium to try for the third time to organize a local Grange Chapter, but were met with defeat again. Mr. Gaulrapp, national representative, was present for the meeting, which was held last Wednesday. It is hoped that another trial at organizing can be made later.

BULLDOGS DEFEAT SILVERTON OWLS BY ONE FEATHER

The football game Friday night between the Silvertown Owls and the Spur Bulldogs was very close and seemed to be anybody's game all the way through. Silvertown received and made some good gains, but suffered a 5-yard penalty which forced them to kick out of danger. Spur made one first down but was forced to kick out of danger on the second. A fumble by Silvertown cost them the ball and the Bulldogs had it on Silvertown's 5-yard line. At the fourth trial Spur went over for the first counter, but failed to convert and the score was 0 to 0.

Silvertown received and returned to their 35-yard line. Made the first down, and then another first down. The quarter closed with the ball on Spur's 40-yard line. Silvertown lost on downs at Spur's 35-yard line. Spur made two first downs and then kicked to Silvertown's 12-yard line. Silvertown puffed and Spur had the ball on their 24-yard line. Spur lost ground after making good gain and then lost ball by a fumble on their 30-yard line.

The Owls made two first downs and then failed on the third. Spur lost ball by fumble on third trial. Silvertown failed to make first down. Spur failed on pass, then made good run to Silvertown's 15-yard line. They were going good at Silvertown's 10-yard line when the half was up.

Second Half Spur received and returned the ball to their 28-yard line. Made first down. Spur failed on downs and ball went over at Silvertown's 28-yard line. Silvertown made first down and Spur suffered a five yard penalty which enabled Silvertown to make next first

down. Spur got another 5-yard penalty and Silvertown made another first down. Spur intercepted a pass and went to Silvertown's 48-yard line. Made first down and then lost the ball on a fumble at Silvertown's 30-yard line. Silvertown made a first down on a pass, but Spur took the next pass and had the ball at Silvertown's 42-yard line. Spur made first down. Spur fumbled for loss of territory but retained the ball. Spur made first down, then attempted a pass which an Owl intercepted and rushed to Spur's 5-yard line. Silvertown went over at the fourth trial for touchdown. The Bulldogs blocked the kick which probably was the means of saving them the game. The score was 6 to 6.

Spur received and returned to their 38-yard line. Lost ball on fumble. Silvertown failed on down and ball went over. Spur made four successive first downs. Silvertown suffered a five-yard penalty. Spur made end run and landed on Silvertown's 5-yard line. Game ended at that point.

Spur was awarded the game on penetration having an edge on one of the Owls, being 3-2. Spur seems to have had a little advantage on first downs, there being 11 for the Bulldogs and 8 for the Owls. It was a hard fought game and any time one thinks those Owls are not wide awake on any football field, day or night, they don't know the Owls. The game was clean all the way through, and Silvertown showed good sportsmanship in every respect.

By winning that game Spur is still in the race for district honors. At this time Floydada Whirlwinds is the only undefeated team in the district. Paducah bowed to the Flomot Longhorns last Friday and Turkey went down before Floydada Friday night. Spur, Flomot, Paducah, and Turkey have lost one game each.

Spur meets Quitaque at the Charles A. Jones Memorial Stadium here next Friday evening. Quitaque has a good team and that is going to be a good game.

E. J. Bilberry, of Espuela, was transacting business in our city Wednesday.

Mrs. Paul Loe, by presenting this local at the box office of the Palace Theatre you will be our guest to see "The Good Earth."

FOOTBALL BOYS GUESTS OF PALACE THEATRE

Members of the Bulldog Football team were the guests of the Palace Theatre last Thursday night. They saw Bing Crosby's show, "Double or Nothing," Martha Raye also starred in this picture. Other than seeing this picture they were entertained with special short subject—trick football playing.

COMING TO TEXAS

Dr. W. D. REA

At Spur Spur Inn
 Sunday, November 14th
 ONE DAY ONLY
 HOURS 9:30 A. M. TO 4:00 P. M.

Dr. Rea specializes in stomach, liver, kidneys, bladder, bowels, rectal diseases as complicated with other diseases without surgical operation.

He has a record of many satisfied results in stomach ulcer, colitis, chronic appendicitis, liver, gall-stones, kidneys, blood pressure, bladder, heart, nose, throat, lungs, asthma, bronchitis, leg ulcer, pellagra, rheumatism, obesity, and wasting diseases.

He uses the hypodermic injection method for piles, fistula, rectal growths, small tumors, tubercular glands, moles, warts, and suspicious cancerous looking growths.

Dr. Rea has a special diploma in the diseases of children, treats bed-wetting, slow growth, and infected tonsils. He has been making professional visits to Texas for many years and has many satisfied patients.

No charge for consultation and examination. Medicines and services at reasonable cost where treatment is desired. Married women come with husbands.

Drs. Rea Bros, Medical Laboratory, Minneapolis, Minnesota. Since 1898.

"The Best of the Record"

By James V. Alford, Governor of Texas.

As this column is written, the Legislature has only three more days of actual work. I don't know whether they will have passed any substantial tax bill for the people's program. At this time the outlook is very doubtful.

In any event, it seems to be conceded that IL was right in refusing to submit appropriation bills which some of the Senators said they wanted to revise after they had voted for them during the regular session. On Tuesday of last week one of the leading writers for a big daily said my judgment that the submission of appropriations was impractical had been vindicated by the action of the Legislature itself.

The record shows that after some of the Senators had told through the newspapers about what they would do if I submitted appropriations to them, they suddenly decided that I had done so and accordingly considered economy wide open to them. The Senate passed one bill affecting the state departments without a hearing and sent it over to the House. Then they admitted the bill would have to be worked over BUT they didn't do anything at all with reference to economizing on the education bill which they had voted out last spring with the biggest increase of all the appropriation bills. Furthermore the Senate did nothing on the judiciary bill which had substantially increased the salaries of all the judges.

These bills didn't even get out of committee and Senator Stone, who had been one of the loudest of all in saying that he would economize, voted to put off any hearing on these bills, even in committee.

With only eight days left to work,

the House of Representatives passed a resolution asking me to submit appropriations for economy; BUT even the author of the resolution said on the floor that his purpose was to "put the monkey" on the Governor's back.

I knew that if I were to submit appropriations the Legislature couldn't revise them intelligently in so short a time when they had considered appropriations for four months before. I also knew that to get the subject on the calendar would block absolutely the chances of passing any tax bill to finance the old folks, the blind, the dependent children, and our part of the teachers' retirement system.

Of course, not even those who have been talking so loudly about economy claimed for a moment that they could finance by economy the aid to the blind, to dependent children, the old folks and the teachers. All they could hope to do even if they passed economy bills would be to reduce the deficit in the general fund out of which the general operation of the government is paid.

There has been so much talk about how much money the so-called "economists" could save by abolishing the liquor board that I want the people to have the facts.

In the first place, we wouldn't have any enforcement law. In the next place, the present administrator, Bert Ford, collected in his first ten months of service a million dollars more than was collected in the preceding ten months. Thus, he has collected enough additional money in ten months to more than pay the operation of his entire department for over a year and enforced the liquor law in addition.

Will Add Rose Garden Soon

A good demonstration of yard improvement in the sandy section of the county is that of Mrs. B. F. Middleton, Yard Demonstrator for the Prairie Chapel club in the Afton vicinity, who has a lovely well-sodded lawn in spite of spring winds and shifting sands.

"Our first step toward improving the yard was to enlarge it to a size suitable for a country home. Then we levelled it and set out grass in the spots where it hadn't spread. It certainly saves labor in housekeeping during the sandstorms."

In addition to the foundation planting of spirea which she already had, Mrs. Middleton planted Pfister junipers, lantanas, a red cedar and five Amour River privets. With this foundation planting and the lawn as a good background, the next step which Mrs. Middleton plans toward completing her yard improvement is to have a rose garden and an outdoor living room.

BAKERY SALE SATURDAY

The Woman's Missionary Society of the First Methodist Church will conduct a bakery sale at Campbell's Furniture Store next Saturday starting about ten o'clock in the morning. They will offer cakes, pies and dressed chickens, just the things needed for Sunday dinner, during the day. Those in charge announce they will appreciate the patronage of the people.

(To late for last week)

Happenings at Spur Schools

The East Ward school is doing things these days. Friday afternoon Mrs. Gidden's room will give a Halloween party in honor of the mothers of that room. Mrs. Paul Loe is Room Mother, and the children think they are going to get a thrill with this program. There were a number of visitors to that room last Friday afternoon, among them being: Mrs. Thurman Moore, Mrs. Dale Dillingham, Mrs. Paul Loe, Mrs. Humberston and Mrs. D. W. Stanley.

The East Ward school is sponsoring a show at the Palace Theatre Saturday night, Sunday and Monday. The name of the picture for that program is "Good Earth," a very fine picture. Tickets are being sold by the pupils at this time. The school gets a good per cent of what they sell. Mr. Hardwick has been very kind to our schools in this respect.

Mrs. Wadzeck's room in Third Grade is doing some very fine work of Indian type. They have the various models of Indian structure and their designs are beautiful.

Mrs. Patton's room is to give the assembly program Friday afternoon. The program starts at one o'clock, and the pupils are very busy this week making adequate preparations.

Mr. Bennefield stated that school work at East Ward is going along fine and everybody seems to be interested in getting the job done right.

Grammar School

The Grammar School sponsored a fine picture at the Palace Theatre last Sunday and Monday and the pupils had a great time selling tickets to their friends. The three selling the most tickets were Ida Lee Arrington, who sold 18, Bobbie Lou Walters, who sold 16, and Betty Weaver who sold 13.

Those in the various grades who made the greatest number of ticket sales were: in the Sixth Grade were Pat Hogan, Harold Crouch and Allie Beth Arthur; Fifth Grade, Betty Weaver, Lou Emma Shugart, Addie Mae Wood and Barney Clark Johnson tied for third place. The Seventh Grade sold three more tickets than any other grade. The money acquired is to be used for the Grammar School library.

Two new pupils have been enrolled this week. Elizabeth Bradley of Spur entered the Sixth Grade, and Carroll Allen of Dickens is in the Fifth Grade.

The football game between Spur 13-year olds and the Matador 13-year olds scheduled for last Thursday was called off. The game was played at Matador Tuesday afternoon. The results were incomplete.

Mr. Fielder is planning to organize a sextette band in the Grammar School in the near future. It will be necessary to have the cooperation of the parents of a number of pupils in order to get this fine work over. It will be good training for those who take the work.

High School

The Senior Class will present their play Friday night of next week. This play is entitled "The Heart Exchange" and will be presented at the East Ward auditorium. Miss Thelma Logan and Mr. Sisto are coaching the play, and those who have seen the practice say it is going to be good. Tickets will be on sale soon.

The different classes held their home room meetings Tuesday morning from 11:30 until 12:00 o'clock. Quite a number of interesting subjects were discussed.

The High School honor roll is published in another column this week.

J. H. Clay, who has been seriously ill for the past three weeks, was taken to Graham the first part of this week, where he will be under the care of a specialist.

TRENCH SILOS CONTINUE TO PROVE WORTHWHILE

Enthusiastic reports come to county agricultural agents in Northwest Texas from farmers and ranchmen who have been convinced of the value

of trench silos in their farm and ranch programs.

There are approximately 120 silos already in Hale County, and several more are now being dug. Hegari, cane, kaffir and milo will be used to fill the silos, but the crops are a little later than usual so most of them will be filled during October and November. There are five silage cutters in the county and each operator states that he has been asked to cut more than he can possibly get around to during the silage cutting time.

Much more interest is being shown by the farmers of Lubbock County this year in building trench silos than in any other year. This is attributed mainly to the excellent feed crops in that section. A trench silo demonstration was held on B. V. Powell's farm in Becton community in September by the assistant agricultural agent and there were eleven farmers

present. The silo holds approximately 50 tons and is the smallest in the community. There are 28 silos either dug or in the process of being dug in the county. One of these belongs to C. L. Reiger in the Slide community and will hold about 275 tons when the digging is completed.

Silage made of short maize and sweet sorghum together with \$1.50 worth of cottonseed meal changed a \$17.50 calf into a \$57.50 yearling. Wade Davis, the owner of this calf, states that trench silos are actually worth all that they have been claimed to be to him.

Organization of Grange Completed; Officers Installed

A number of farmers of the Spur community attended the meeting of the Grange at the East Ward School Monday evening. Mr. Gaulrup, the regional organizer, was present and the first business of the meeting was the installation of officers. Mr. Gaulrup stated he was glad to announce that the first Grange in Dickens County will be known as the Spur Grange, No. 1512. The officers were installed as follows:

Master, Roy Arrington Overseer, Floy Watson Lecturer, Cecil Ayers Steward, J. M. Aston Assistant Steward, Arnold Slaton Treasurer, W. P. Shugart Secretary, J. C. Dopson Gate Keeper, Lester Watson Pamona, Mrs. Roy Arrington Flora, Mrs. Floy Watson Stewardess, Miss Pauline Shugart.

After the officers had been installed those present enjoyed a great treat, being an address by Dr. Bradford Knapp of Texas Technological College. Dr. Knapp was introduced by Judge Formby, he being asked by County Agent Lane to make the introduction. Judge Formby stated that West Texas is fortunate to have Dr. Knapp in our community as he had always been interested in the farmers problems, and it was Dr. Knapp's father who introduced the extension work in the United States. He said that when the State Legislature passed the bill to create the Texas Technological College that four classes of work was designated; namely, Agriculture, Home Economics, Liberal Arts, and Engineering.

In his opening remarks Dr. Knapp stated that the farming business had always been of great interest to him. He stated that he had been a member of the Grange for some 12 or 15 years, and had been a member of other farm organizations including the Farm Bureau. He stated that the farmers need the Grange, as it afforded them a means to become better acquainted with their business and with their community. He stated that one great trouble with the world today is the lack of understanding of each other.

He said that the social side of life has always appealed to him. The Grange stands for the home, for Christianity and for better citizenship, and through the workings of the Grange the farmers in Spur community can work up a better relationship. Today we have better schools, better churches, farm lighting systems, the automobile and many other conveniences which were not available in earlier days.

He stated that the business man in town has his organization to represent him, the bankers have their organization to represent them, the doctors have their organization to represent them, and why not us farmers have our organization to represent us. He stated that in organization there is unity and strength of action. He then recited a number of incidences where the organization was of great benefit to the farmers. He stated that in passing laws in the Congress that the members would get some idea of the need of the farmers, but the Congress could get the greatest understanding through the farmers organizations.

Dr. H. P. Clay, head of the department agricultural engineering at the Texas Technological College, was a guest at the meeting. There will be regular meetings of the Grange and the organization is open to membership to any good, reputable people who desire to join.

THE DOLLAR AND THE CENT

A big silver dollar, and a little brown cent, Rolling along together they went, Rolling along the smooth sidewalk, When the dollar remarked—for the dollar can talk; You poor little cent, you cheap little mite, I'm bigger and more than twice as bright, I'm worth more than you a hundred fold, And written on me in letters bold, Is the motto drawn from the pious creed, "In God we trust," which all can read.

Yes, I know; said the cent, I'm a cheap little mite, and I know I'm not big, nor good, nor bright. And yet, said the cent, with a meek little sigh—

You don't go to church as often as I— Bridgeport Bulletin.

NOW YOU CAN STOP SAYING "STOP"

The word "stop," which has become as familiar in telegrams as the word "love," is no longer necessary. Punctuation marks and paragraphs will be sent free in all future telegrams, it was announced last night

NOTICE

The State of Texas. To the Sheriff or any Constable of Dickens County—Greetings: You are hereby commanded to summon Lybia Baldwin by making publication of this citation for four consecutive weeks and once each week, previous to the return day hereof, in some newspaper published in your county to appear at the next regular term of the District Court of Dickens County, Texas, to be holden at the courthouse thereof, in Dickens, on the second Monday in December, 1937, the same being the 13th day of December, 1937, then and there to answer the petition of J. J. Baldwin filed in said court on the 12th day of October, 1937, in a suit, numbered on the docket of said court No. 1500, wherein J. J. Baldwin is plaintiff and Lybia Baldwin is defendant, said petition alleging that Plaintiff and defendant were lawfully married in 1916, and that defendant voluntarily left his bed and board without provocation on his part, and against his wishes and without his consent, during the year of 1919, and that since such time they have not lived together as husband and wife, but that such marriage relation still exists; that no children have been born as the result of such marriage, and praying for divorce from said defendant.

Herein fail not, but have you before said court on the said first day of the next term thereof this writ, showing how you have executed the same, with your return thereon.

CARS COLLIDE ON HIGHWAY EAST OF SPUR

Clifford Hunter and O. P. Dupree were in a car collision about seven o'clock Friday evening on Highway Eighteen about two miles east of Spur. Clifford was driving toward Spur in a practically new Lafayette and Mr. Dupree was going east toward home. Mr. Dupree turned across the highway to get into his premises and did not give himself sufficient time to pass the other car. Clifford saw the situation and swerved his car enough to hit Mr. Dupree's car at the front which probably saved the lives of members of his family, as he would have hit the Dupree car center otherwise.

The Hunter car was turned over a number of times and so demolished that it could not be used. The Dupree car, which was a Whippet, suffered some injuries which temporarily put it out of commission. Aside from shock and minor bruises, the occupants of the Dupree car suffered no severe injuries.

Clifford received a number of bad cuts about his face and several bruises. Joe Harlan who was with Clifford, had some bad gashes on his head and face and his left collar bone was broken.

Sanitarium News

B. C. Nix, west of town, underwent an operation Tuesday and seemed to be resting very well at time of going to press.

Pete White, of Girard, was at the sanitarium Tuesday for treatment. He seems to be getting along very well.

Mrs. R. E. Mallory, city, was able to return home Wednesday, after recuperating from an operation.

Clifford Hunter, east of town, entered the sanitarium Tuesday for treatment of wounds which resulted in a car wreck Friday night. He was resting easier at time of going to press.

Mrs. Charles Heald, city, a medical patient, seems to be getting along very nicely.

Miss May Dell Smith, of Glenn, who underwent an operation last week, continues to improve.

Miss Polly Clemmons, who suffered injuries Sunday, is resting very well at this time and seems to be on the road to recovery.

Mrs. L. B. Swanner, who underwent an operation a week, is getting along nicely.

T. S. Southerland, city, received treatment Tuesday for wounds received in a car accident on north side.

Tom Rumfield, of Spur, received treatment Wednesday morning for wounds received in a car accident. He had several cuts and bruises about the head and face.

Try A Want Ad in The Times

As a result of growing interest in band and orchestra work in the schools of Texas the State Department of Education has scheduled two schools of instruction, one to be held at the University of Texas November 1-3, and the other to be held at Tech College November 4-6. There is to be a revised course of study for band and orchestra and a new bulletin issued.

There will be lectures by leading band directors of the country during the two schools. Also, A. L. Woods, State Superintendent, will speak and Miss Nell Parmley, State Director of Music, will address the schools. Among the guest conductors will be H. E. Nutt of the Vandercook School of Music at Chicago, E. L. Gadois of Minneapolis, L. Bruce Jones of Little Rock, D. O. Wiley of Texas Tech, Chas. L. Eskridge of Wink School Band, H. A. Anderson of Lubbock School Band and others.

There will be a Clinic Band of 108 pieces for use in demonstrations at the meetings. Members of this band will be selected from top ranking bands of the State. Only one player is to be selected from each school band, and will be on the basis of rating in state and national contests.

R. E. Fielder, local band director, thinks that Spur has some members of the band who will stand a good chance to play in the Clinic Band. He suggests the names of Miss Grace Foster, Bill Gruben and Charles Senning. One of these may have the honor.

SALVATION ARMY TO MAKE APPEAL HERE

The annual appeal for funds to help carry on the extensive Christmas program of the Salvation Army will be made in Spur at an early date. W. D. Pedigo, veteran campaigner, who has been coming here the past several years will be in charge with the local advisory board. The Salvation Army operates without regard to class or creed and appeals to all who are interested in the neglected not reached by any other organization.

During the past year 50,000 families have been given relief and encouraged to better living. More than 100 girls have been taken care of in maternity homes and hospitals. Jobs have been found for many men and women. Thousands have been won to righteousness through the far-reaching programs of the Salvation Army. Much of their service is shared by small towns and rural communities.

The appeal is for the entire year, and other solicitations are without authority from the organization.

Mrs. R. R. Wooten, clip this local and present it at the box office for a pass to "The Good Earth" at the Palace Theatre.

C. W. Dorch, clip this local and see "The Good Earth," at the Palace Theatre, Sunday.

MARRIAGE LICENSES

The following marriage licenses have been recently issued at the County Clerk's office at Dickens:

Jerold Cravens and Miss Velma Evens, October 13th, both of Crosbyton.

J. D. Taylor and Miss Clydie Patterson, October 15th, both of Spur. Jesus Batti and Petra Perez (both Mexicans), October 15th, both of McAllen.

R. S. Thompson, of Lubbock, and Miss Catherine Brown of Glenn, October 17th.

Delbert Bailey and Miss Martha Lou Dillishaw, both of the Highway community, October 17th.

D. S. Donaldson and Miss Dannie Lee Atkins, October 23rd, both of the Highway community.

BIRTHS

The following births have been recorded the past week:

Mr. and Mrs. Clarence A. Hickman, Afton, a daughter, September 11th. Mr. and Mrs. James W. Cypert, son,

August 23rd.

Mr. and Mrs. Davie Hale, Afton, son, August 8th.

Mr. and Mrs. Fon Shaw, Dickens, a daughter, September 27th.

Mr. and Mrs. Jimmie A. Chesney, Dumont, a daughter, September 30th. Mr. and Mrs. John Deleon (Mexicans), a son, October 1st.

Mr. and Mrs. Ray Holley, Afton, a daughter, October 1st.

Mr. and Mrs. Geo. Twist, Glenn, a son, October 2nd.

AT THE BAPTIST CHURCH

The membership of the First Baptist Church will be hosts to the Fifth Sunday meeting of the Dickens County Baptist Association Saturday and Sunday, October 30-31. There will be interesting speakers all through the program. Rev. A. A. Brian, District Missionary, will deliver the message Sunday morning. Regular Sunday School services at 9:45 Sunday morning.

Our Sunday School was down some last Sunday. Everybody try to be there next Sunday. Say, you members who fail to be at the preaching
