Christmas Program Planned For December

Bulldogs To Meet Dragons Today

The first whistle of the game between the Spur Bulldogs and the Paducah Dragons will be blown at about 2:30 o'clock this afternoon, the game will be played at Paducah where there is one of the best stadiums in this country. The game has been the high light of both towns in football for a whole year and it is expected to draw one of the largest galleries of the season.

The Dragons defeated the Floydada Whirlwinds in a hard contested game last Friday afternoon by a small margin. They are one of the best teams in the district and the Bulldogs realize they are going up against a real opponent. The Bulldogs are heading the list in standing in District 4-B at this time according to unofficial reports, and if they can win the next three contests they will probably be declared the District Champions.

All business firms in Spur will be closed today, and it is probable that most all people will be at Paducah today to root for the Bulldogs in this game.

The Bulldogs are showing good form this week and they are going out for the victory. The starting line-up will be about as has been. The back field will be Harrel, Elton Garner, Roger Bingham, and either Hahn or Billy Haralson at the start. Others will fill in as the Coach thinks best. All are eager to win the game and they don't care who gets honors.

Teachers College Will Have Exhibit At Teachers Ass'n

Denton, Texas, Nov. 9.—Five departments at the North Texas State Teachers College are preparing exhibits, four faculty members are serving in an official capacity, and eight are to deliver speeches or present papers at the annual meeting of the Texas State Teachers Association convention in Houston Nov. 25-27, the president's office has announced.

Departments of biology, chemistry, physics, and the elementary science division of the Demonstration School will co-operate with other members of the Teachers College system in placing an exhibit of elementary science materials.

Four members of the art department, Rudolph Fuchs, Kenneth Hunt, Louis Hoover, and Roland Williams, will have charge of an exhibit of art done in the grades.

Those serving in an executive or official capacity are Miss Epsie Young, assistant professor of education, chairman of the reading section; William G. Woods, assistant to the Dean of Men and assistant to the Director of Student Teaching, vice-president of the junior high school section, and a member of the committee on arrangement of the program for the section; Dr. Jack Johnson, professor of economics, chairman of the adult education section; and Dr. J. C. Matthews, director of the Demonstration School and of student teaching, chairman of the Southern Association Curriculum Commission.

The following will present papers or speeches: Miss Nellie Griffiths, professor of education; Dr. Walter Hansen, associate professor of geography; Mr. H. B. Masters, principal of the Demonstration School and of student training; Henry G. Shands, associate professor of physical education; Miss Lillian M. Parrill, associate professor and director of music; and Ronald Williams, assistant professor of art.

At the banquet for the Federated Ex-Students of Texas at the Houston Club Friday, Nov. 26 at 6 p.m., Prof. J. W. Pender, chairman of the department of government, will pay tribute to Dr. W. H. Bruce, president emeritus of the North Texas State Teachers College.

O. F. Scott, of Calgary, was transacting business and greeting friends here Saturday.

CHILDREN PET PARADE FRIDAY, DEC. 3RD—WINDOW UNVEILING— MANY OTHER EXCELLENT FEATURES

Merchants of Spur, working in cooperation with the Chamber of Commerce, are making arrangements for Christmas at this time and have planned some excellent attractions. The first attraction is to be a "Pet Parade" which will be made up of the pets of the trade territory. All boys and girls in the entire country will be at liberty to enter their particular pet in this parade. The pets may be dogs, cats, calves, cows, goats, sheep, pigs—any pet. All animals must have a leash or rope on them and are not to be turned loose either in the parade or any other time.

This parade is to be Friday afternoon, December 3, at about 3:30 o'clock. Substantial prizes will be awarded to those entries that fulfill certain conditions, such as the best trained animals, the animals that can do the best tricks, etc.

It is hoped to have the cooperation of all the schools in the country in this event. If the schools would turn out for that particular afternoon and let the children enjoy one good thrill, it would mean much to them. The Spur School band is going to lead the parade and will render a number of selections during the afternoon.

In the evening of that same day will be a window contest with the various merchants of Spur. All windows in business houses in town will be covered from Wednesday morning until 7:30 o'clock Friday evening at which time there will be an "Unveiling of Windows." Each business house will have a window decorated and there will be competent judges to select the best three windows in town. Prizes will be awarded to the three merchants having the best windows.

December 3 will be the day to start Christmas holidays in Spur. All the beautiful colored lights will be turned on that night and Spur will put on her holiday attire and be ready for Santa Claus when he comes, which is expected to be just a few days later.

People are asked to take part in the "Pet Parade" and to be present for the "Unveiling of Windows." There will be no fees charged to any one, no contributions asked, for these events. The Chamber of Commerce is taking care of the expense. Let's get ready for Christmas and make it a time of "Good Cheer and Rejoicing."

Goes To Winters As Safe Way Manager

Lem Nichols, who has been with the local Safe-Way Store, has been transferred to Winters where he became manager of the store there. Mr. Nichols left Spur Sunday and was in Winters Monday to take charge of his duties. He leaves many friends here.

Jeff Gafford, who had been associated with the Safe-Way Store at Winters, has been transferred to Spur and is now one of the salesmen of the local Safe-Way Store.

Wants Him to Get Into Politics

A number of friends of C. R. Bennett are trying to prevail on him to make the race for County Commissioner for Precinct No. 3. He has been mentioned by a great number of neighbors and many have said they hope he gets into the race.

Mr. Bennett first came to Dickens County in 1892. He has seen the country progress from a pioneer condition until this present time. For the past ten years he has served as a member of the County Board of Education and has been very faithful in his duties.

He is honest, conscientious and has the confidence of his neighbors who believe that he would make a good County Commissioner.

Con. Mahon Thinks Agriculture Prog'm Will Be Improved

Congressman George Mahon, prior to his departure for Washington to attend the special session which convenes Monday, November 15th, made the following statement concerning the prospects for farm legislation.

"I think it is impossible to predict just what kind of bill will be passed. In our District a strong preference for a compulsory control bill has been expressed by a great majority of the farmers with whom I have come in contact in farm meetings or otherwise. Most cotton producers favor adjusted payments equivalent to parity, 16 cents or above, on that portion of the crop produced for domestic consumption. They feel that a moderate reduction program is necessary, but that adjustment payments will be required in order to get a price for cotton domestically consumed commensurate with the American standard of living. In view of the tremendous foreign production they realize that American cotton sold abroad will have to be sold in competition with the world and at a low price. In each county they favor allotments to each farm on a uniform basis of equality regardless of the length of time the farm has been in cultivation. They favor no discrimination against new farms in areas where a normal development of agricultural land is taking place. They favor a program which will place the emphasis on a normal size farm in each locality. They favor a farm policy which will encourage operation of farms by tenants or occupant owners and which will discourage the displacement of tenants and large operations through hired labor methods.

"In the minds of the producers there is a wide variety of opinion as to what should be done. In Congress, which is made up of representatives from all sections of the nation, there will be even a greater diversity of opinion. However, I think it can be safely predicted that the new program will be an improvement over the old."

Congressman Mahon left yesterday for Washington where he will make preparations for the called session and probably confer with the members of the Agriculture Committee.

SPUR BOY MAKES STOCK JUDGING TEAM

Lewis Dunlap, son of Mr. and Mrs. Chas. Dunlap, was a member of the Senior Stock Judging Team of Texas Tech that won first place in the recent American Royal Exposition at Kansas City. Dunlap placed ninth in individual cattle judging.

Local Red Cross Drive To Start Friday Morning

M. C. Golding Arranges Committees In Groups—Be Ready And Make Dickens County 100 Percent

The annual drive for Red Cross funds in Dickens County will start tomorrow, (Friday) November 12. This work has been under process of organization for the past three weeks and M. C. Golding assumed the duty of directing the drive for funds.

The Red Cross organization has done a great deal for people in Dickens County. People have always been glad to reciprocate in this work. Fifty cents of each membership goes to the national headquarters. If your membership is just one dollar, fifty cents is kept at home and the remain-

Spur Working For Conservation Dam

Another community movement which is being fostered by the Spur Chamber of Commerce is the effort to secure one of the conservation dams which are being built throughout the Brazos Valley. After scouting the country they have made a location in Kent County about seven and one-half miles southwest of Girard and paid an engineer to work out some data on the project.

The location selected has a basin of 300 square miles and will have a water height of 54 feet. The dam would be more than 2,100 feet long and the site would furnish a large amount of water conservation to the country. Chas. Whitener, local civil engineer, worked out the data which will be submitted to the State Board.

If this project can be secured it will make one of the best resorts in West Texas. The lake formed would be large enough for boating, fishing, picnic grounds and recreation projects. While it is located in Kent County, it is near enough to the Dickens County line that citizens here would feel an interest in it, and it would be a recreational point for people from many counties. It is a very fine project and our Chamber of Commerce is to be complimented for its interest taken.

Lloyd Croslin, secretary to Congressman George Mahon, was in Spur Tuesday, for this meeting.

Merchants Take Holiday Today

As has been the custom for many years all business firms in Spur will be closed today, Armistice Day, in commemoration to the boys who fought in the World War. At a meeting of the Chamber of Commerce last week all present said it was the thing to do.

Most of the people of the town will go to Paducah to see the Spur Bulldogs and the Dragons play their conference game. This day has been looked forward to for a whole year. The Dragons defeated Spur here last year to the score of 6 and 0, and the Bulldogs are going to try to bring the victory back home with them this year. Business people here want to spend the day with the business people of their neighbor city.

All business firms will be open Friday and Saturday with some fine bargains for the people. You gain by trading in Spur and no one appreciates the patronage of the people more than do Spur merchants. Good stock of merchandise in every line and prices are right. Come to Spur Friday Saturday and all the rest of the time.

NOTICE

The Ladies of the First Christian Church wish to announce the Pure Food Show to be held in the Love Building Friday and Saturday, December 3 and 4.

Department Of Public Safety In Dickens County

Two driver's license examiners of the Department of Public Safety will be in Dickens on Monday of each week, to conduct tests for drivers applying for their first license according to Col. H. H. Carmichael, director of the public safety department.

Establishing headquarters at the Court House, the uniformed officers will give the examinations every Monday of each week from 12:30 p.m. to 2 p.m. In applying for the driving tests the applicant must furnish his own vehicle or one he proposes to operate after he secures a license, the safety director pointed out.

After oral quizzes are completed each applicant will be required to drive his car or truck over a designated route under the supervision of one of the trained examiners. During the drive the operator must demonstrate the use of his foot and hand brakes, stop for signals and perform other acts necessitated in ordinary traffic situations. Before the actual driving test is made the examiners will quiz the license applicants on safety regulations and signals, highway laws and make tests of their eyesight and hearing. Any physical deformities will be recorded on a grade card.

Not only will driver's license applicants be examined as to their ability to handle a vehicle with safety, but the vehicle itself will be tested for defects in brakes, horn, lights, rear-view mirror, and windshield wiper.

If a driver proves his ability to operate his vehicle with care and safety he will immediately receive his license at the examination headquarters. If a passing grade is not made after the test is completed, an instruction permit card will be issued which requires the applicant to return at a later date for another examination. Examiners of the Safety Department estimate that a complete test can be given in 12 minutes.

Truck, bus, and other commercial vehicle drivers will be issued licenses divided into three classes, A, B, and C, according to the type of vehicle to be operated. Passenger and school bus drivers are issued a permit bearing a special endorsement of the Department.

Col. Carmichael urged that drivers seeking their licenses acquaint themselves in safety regulation, rules of the highway and the mechanical operations of their vehicles in preparations for the tests.

Jack Reaves, who has been working in this district for the past eight years as a Texas Highway Patrolman will be in charge of the examinations. He is now with the Drivers License Division.

When subscriptions come in by hundreds each week it makes us feel that our labors have not been in vain. Many people, who in former years could not pay their subscription to the Times because of crop failures, are paying off at this time and thanking us for sending the Times to them during the period they could not pay. We thank everybody who have remembered us and we hope there are many more who will pay their subscriptions before our subscription drive closes.

We hope as many as can will get their subscriptions in this week and next because the voting scale slides down after next week. Your subscription now means a hundred more votes than it will after next week. For that reason you can help your friends in the drive more by getting your subscription to them within the next few days.

To those who are in the drive we want to remind you that you will have to see your friends before they can help you. Hence, it will be necessary for you to keep on the job every day. The solicitor who keeps on the job all the time is the one who gets results. So keep working every day, and your friends will feel more like helping you because you will prove to them that you mean business. You may have to see people two or three times because they may not have funds the first time, but will help you when they have the means. So see them again and again and get the subscriptions.

Shirley Temple Pagent Beauty and Amateur Contest at Dickens

The Dickens P. T. A. is sponsoring a beauty contest, Shirley Temple contest, and Amateur contest the night of November 12. The program will start at 7:30 p.m.

The winners of the beauty and amateur contests will be given a free three day trip to the state meeting at San Antonio, where they will compete with winners of local meets from all parts of the state and take screen tests. The winner of the Shirley Temple contest will receive a \$7.00 Shirley Temple dress direct from the California studios.

Anybody is eligible for the amateur and beauty contest, but only children of pre-school age may enter the Shirley Temple parade. Out of town judges will be used in all contests.

Amateur Contest Friday Night, Dickens

The citizens of Dickens are staging an Amateur Contest at their school auditorium tomorrow (Friday) night. Many have entered the contest and a great time has been provided for. All the cute children are to be in a Shirley Temple parade and their performance alone will be very fine. There is to be three big contests during the evening and all for the same price of admission. The program starts at 7:30 o'clock, p.m.

EAST WARD PTA MET WEDNESDAY

The Parent-Teacher Association of the East Ward School held their regular meeting Wednesday afternoon. A good program was enjoyed the subject for the hour being books. Mrs. Brannen made a very fine talk and exhibited a number of books adaptable to children to read.

During the business session the association decided to sponsor a hot lunch room, or cafeteria in order for children to have hot lunches at the noon hour. Parents who desire their children to secure hot lunches can make the proper arrangements.

The next meeting of the PTA at East Ward will be Wednesday, December 8 at 3:30 o'clock in the afternoon.

Shower Honoring Miss Ora Pearl Johnston

Miss Ora Pearl Johnston, bride-elect of Fred Kinney was named honoree Friday afternoon when Mesdames O. L. Kelley, E. S. Lee, R. L. Benson, W. R. Weaver, and Margaret Mae, Loyd Roberts and Alfred Lieb entertained with a gift tea at the home of Mrs. Kelley.

The guests were received by Mrs. Kelley, the honoree, her mother, Mrs. Johnston, her sister, Gladys, Mrs. R. N. Kinney, Mrs. Paul Enloe and Mrs. Alfred Lieb.

Margaret Mae Weaver directed the guests to a hand painted bride's book, where, after registering, they viewed a generous array of lovely gifts.

Mesdames E. S. Lee and R. L. Benson served "Sweetheart Pies" and coffee from a lace covered table centered with orchid chrysanthemums tapers.

During the tea hour, Mrs. Loyd Roberts, Margaret Mae Weaver, and Mrs. Alfred Lieb sang "Smilin' Thru", and "Out of the Dusk to You".

Margaret Mae Weaver sang "If I Could Steal Your Wings" accompanied by Mrs. Lieb. Mrs. Lieb read "The Usual Way", and gave a toast to the bride. Mrs. Weaver climaxed the program when she read, "A Husband Conserve."

Candles and Chrysanthemums decorated the reception rooms and each plate contained a tiny bouquet of flowers to which was attached a scroll telling the wedding day, Nov. 14.

There were about a hundred guests who called and sent gifts.

 - Mr. and Mrs. Alfred N. Fuqua, son, October 20, Spur.

Ritzes Star In Rhythmic Rah Rah Riot

"Life Begins In College" Has Glorious Cast of Entertainers
Football was never like this, but then, those rhythmic nitwits, the Ritz Brothers, are crazier than ever in their first starring tuneswept jamboree of giddy gags and gorgeous girls, riotous fun and frenzied football. "Life Begins in College," Twentieth Century-Fox hit, playing at the Palace preview Saturday night, Sunday and Monday.

Featuring Joan Davis, Tony Martin, Gloria Stuart and a great cast, singing, stepping, laughing, loving beauties and cuties highlight the fast moving, rib-tickling story, with the comedy-mad Ritzes working their way through college in a cleaning, pressing and tailoring establishment.

Gaining the confidence of customer Nat Pendleton, an Indian whose enrollment at Lombardy College has resulted in a thorough collegiate hazing with amusing consequences, the brothers are promised access to his huge income from oil wells.

Coach Fred Stone is about to be ousted by the alumni, but fast work on the part of Joan Davis, who has spotted Pendleton, places the Ritzes in a position to offer the college a huge endowment with stipulations that the coach be retained, and they be given the chance to play on the football team.

When Pendleton is ruled out of the crucial game of the season for having unwittingly played one day of professional football, and Dick Baldwin, substitute, has broken his collar bone, the Ritzes go into the game, passing themselves dizzy is a series of wild, hair-brained plays to save the day for Lombardy.

Fun and gaiety pervade the picture's collegiate atmosphere, interspersed with singable, swingable hit tunes by Lew Pollack and Sidney D. Mitchell, including "Why Talk About Love?", "Big Chief Swing It", "The Rhumba Goes Collegiate", "Our Team Is On the Warpath" and "Fair Lombardy." Charles Tobias, Al Lewis and Murray Mencher also contributed a new tune, "Sweet Varsity Sue."

Included in the glo-roarious cast of entertainment top-notchers are Fred Stone, Nat Pendleton, Ed Thorgesen, Dick Baldwin, Joan Marsh, Dixie Dunbar, Jed Prouty, Maurice Cass, Marjorie Weaver and J. C. Nugent.

CHURCH OF CHRIST

GRUBEN DRUG AND JEWELRY

FOR BETTER TELEPHONE SERVICE

ring off!

When you finish talking over the telephone, always be sure to give the handle a quick turn. This tells the operator you are through talking.

If you DON'T "ring off," one of two things might happen:

Your next ring may bring the same person back to the telephone, or . . .

The operator may think you are still talking and, if someone tries to call you in the meantime, she may say, "The line is busy."

You can help the operator to give you—and every other telephone user—better service by observing this simple rule: "Always ring off."

NOTICE

The State of Texas. To the Sheriff or any Constable of Dickens County—Greetings:

You are hereby commanded to summon Lybia Baldwin by making publication of this citation for four consecutive weeks and once each week, previous to the return day hereof, in some newspaper published in your county to appear at the next regular term of the District Court of Dickens County, Texas, to be holden at the courthouse thereof, in Dickens, on the second Monday in December, 1937, the same being the 13th day of December, 1937, then and there to answer the petition of J. J. Baldwin filed in said court on the 12th day of October, 1937, in a suit, numbered on the docket of said court No. 1500, wherein J. J. Baldwin is plaintiff and Lybia Baldwin is defendant, said petition alleging that Plaintiff and defendant were lawfully married in 1916, and that defendant voluntarily left his bed and board without provocation on his part, and against his wishes and without his consent, during the year of 1919, and that since such time they have not lived together as husband and wife, but that such marriage relation still exists; that no children have been born as the result of such marriage, and praying for divorce from said defendant.

Herein fail not, but have you before said court on the said first day of the next term thereof this writ, showing how you have executed the same, with your return thereon.

Witness Nettie Littlefield, Clerk of the District Court of Dickens County, Texas.

Given under my hand and seal of office, in the City of Dickens, this the 12th day of October, A. D. 1937.

NETTIE LITTLEFIELD, Clerk of the District Court Dickens County, Texas.

Issued this the 12th day of Oct. A. D. 1937.

NETTIE LITTLEFIELD Clerk of the District Court of Dickens County, Texas. (Seal) run Oct. 21-28; Nov 4-11.

C. E. McClain, of Red Mud community was meeting friends and trading here Saturday.

J. P. Middleton, of Lubbock, long time citizen of Dickens County, was in Spur Wednesday greeting friends and attending to business.

Happenings Around Schools

The East Ward pupils gave their educational program which commemorated the birthday of Horace Mann Tuesday afternoon. All the rooms in the school had a part on the program and it was a good one.

Wednesday afternoon was visitors day at the East Ward. The PTA held their regular meeting and there were exhibits of work done in the school during the term.

Speaking of visitors, Mrs. Giddens room gave a Hallowe'en party two weeks ago and there were 17 mothers present. The children thought they were giving the mothers a treat, but the mothers reversed the program and treated the children to refreshments of punch and cookies. Mothers present were: Mesdames D. W. Stanley, John Gray, Henry Simmons, H. G. Zahn, Jr., G. L. Gibson, Rex Everett, C. L. Hisey, T. A. Morrow, N. E. Dodson, Leonard Wilson, Thurmond Moore, D. W. Humberson, L. S. Wilson, W. N. Kinney, C. W. Barrett, C. A. Reynolds and Paul Loe the last named being the room mother for the room.

During the visitors hour Wednesday afternoon the school gave the Armistice Day program. The Cub Scouts gave a patriotic number in honor of the Flag and recited the pledge to the Flag.

The Grammar School pupils and teachers have had their pictures made and have them in a frame in the hall. This is very fine for in years to come they will appreciate those pictures much more than they do now.

Two new pupils have been enrolled this week. They are Sammie Clark of the Crockett School in Dallas, and Nila Lou Pierce of Stamford. These new pupils are being welcomed into our schools in a great way.

In the football game played Thursday of last week between Spur 13-year olds and Matador of the same ages, Spur was victorious with a score of 12 to 0. All players were students in the Grammar School. They are to play Paducah sometime next week.

The Grammar School rendered their Armistice Day Program Wednesday afternoon. All the rooms had a part on the program. G. A. Dunn, minister of the Church of Christ gave the devotional. Rev. Joyner had been selected for this but had to be out of

town and Mr. Dunn kindly accepted the work. School is not in session today. The Horace Mann program was included in the exercises at the same time.

The High School enjoyed a very fine program Wednesday morning. Elmer Adams was master of ceremonies. It was a patriotic program and pep rally. The High School Educational program will be held Friday at which time there will be a number of good selections.

Vocational Ag Students Start Feeding Project

The members of the Vocational Agriculture Department of Spur High School have 16 fine Hereford calves on feed at this time. These are being prepared for the spring exhibits. Also, they have five "hot house" lambs on feed and six lambs on "dry lot" feed.

About 85 fine pigs are going on feed at this time to be ready for the spring market and the various stock exhibits. The Vocational Agriculture boys are doing real things in their work.

At this time the boys are starting to make budgets on crop projects. All classes are doing this work, and especially the importance of working to a budget is being stressed in the work. They make their estimates in one blank now, and then when the project has been finished the reports are made on another blank and comparisons are made.

The FFA's held a meeting Tuesday afternoon and initiated the "Green Hands" as FFA's. There were 32 candidates for the promotion all being in the first year work in Vocational Agriculture.

Mr. Ayers and the boys are working very harmoniously in the work and these students are getting something they can use in practical life. They are learning the foundation principles of the farm.

McAdoo Schools Now In Second Week

McAdoo School is now in the second week of work after having been dismissed three weeks to assist with harvesting the cotton crop. J. Walter Grist, the Vocational Agriculture teacher stated that most of the FFA boys are getting on their projects for the year and doing fine.

N. V. Cypert, Billy Joe Wolley,

Nuge Rose and Iley Barton have started lambs on feed for the Quality Meat Show at Lubbock next March. They expect to exhibit some fine lambs at the show.

Rudolph McLaughlin made a big stride in farm animal improvement by purchasing a pure-bred South-down ram from W. L. Stangel of the Department of Animal Husbandry at Texas Technological College. He is president of the FFA and is breed-

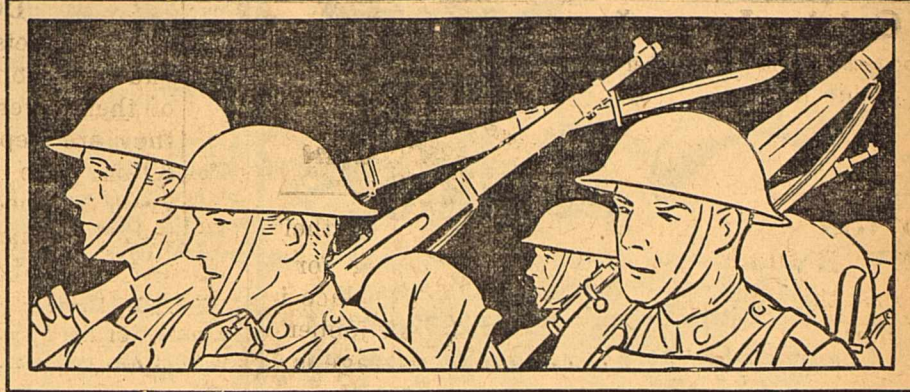

ing up a pure-bred flock of South-down sheep. This is the result of his long time supervised practice program in Vocational Agriculture.

The FFA Chapter held a meeting Tuesday night of last week at which time a report was made by the delegates who attended the National convention at Kansas City, October 16-23. Nuge Rose gave a very interesting account of the convention. The FFA boys at McAdoo school are

doing real things in their work and they are going places in the various stock exhibits.

Dick Lewis, who is with a big dry goods firm at Winters, spent Wednesday here visiting his mother and other relatives and friends.

Dick Speer left Wednesday for Dallas to buy a stock of holiday merchandise for his stores.

19 Years of PROGRESS

We have not forgotten—Nor shall we easily forget—that debt we owe to those who have made the last 19 years of peace possible—and in grateful acknowledgement to those living and to those who gave their lives we dedicate this space.

Advertising rates uniform to everybody in Spur country

Entered as second class matter at the Post Office in Spur, Texas, Oct. 30, 1924, under Act of Congress, March 3, 1878.

Our Opinion Is
That too many church members feign Christianity rather than living it.

THE COTTON WAREHOUSE MIGHT HELP

Farmers at this time are feeling the hurt of low cotton prices. To be held up. Farmers have their cooperative gins at various points. Why not farmers build cooperative warehouses too, and then as they houses too, and then as they it graded and place it in these warehouses until proper markets open up.

This is the secret. Large spinners make appeals for a certain number of bales of a certain staple and classification. If the farmers could have enough of this class of cotton

in warehouses of their own, ready and waiting for the order, they could place it with the spinners at a jobber's price which on an average is several points more than the usual local market. Spinners would soon buy from farmers warehouses if they can get the proper grades and staples and get the quantity they need and they would to buy from the cotton speculator.

Market quotation on 7-8 and better staple, Middling basis, on Liverpool, England, markets last Saturday morning was \$10.80. Cotton on the same basis was selling on Spur market

at \$7.75 average. Under proper conditions farmers in Spur country should have been receiving 100 points more for cotton than the local market was giving, if Liverpool buyers knew their stuff. The cooperative warehouse and the gradual selling will help make up the difference.

WONDER IF IT COULD BE DONE?

The streets in Spur are in bad condition and the upkeep on them is very expensive when they are kept in proper condition. The big paving program has been approved and the WPA has allocated funds and is ready to go through with their share of the paving program. What the City of Spur needs at this time is about \$16,000 in good cold cash to take care of the City's part of the paving program.

It soon, really now is, tax paying time. Wonder if all of us as tax-payers could make a special effort to pay all our City taxes this year, both the present and the delinquent and let the City have those funds to go on with the paving program. It will not be long before the cotton picking will have been finished. Then there will be a great number of people who will need work. There is about \$11,000 in current taxes to be paid to support the City government. It is reported that there is quite a sum of delinquent taxes that should be paid—in all, probably it would amount to more than what the City needs to carry out the paving program. At any rate, should there be a small amount lacking the City can issue some time warrants on next year's taxes and go on with the work. Citizens of Spur, the opportunity of getting our streets paved through government support (WPA Funds) is not going to last forever. We should take advantage of this NOW. There will be many families that will need work soon, and the street paving program will help them and at the same time, beautify our city. Let's do it NOW.

NOTICE

On November 2, there was a meeting called at Afton for the purpose of making plans to raise funds to put down a well, also put a windmill and over head tank at the Afton Cemetery. It was decided to raise these funds by donations from those who have interests there.

The following officers and committee were appointed:

Luther C. York, president and Mrs. Paul Braddock, secretary and treasurer. Committee: Mrs. Burnett Haney, Mrs. R. D. Sharp, F. F. Henry, C. C. Haile, Miss Joyce Dobkins, Mrs. L. F. Fullingim, Miss Ruth Goodwin, Mrs. Grace Blessingame, Mrs. V S Ford, Mrs. Allie Barton.

Hand your donations to any of the above named, who them will turn it over to the secretary and treasurer. —Reported.

Miscellaneous Shower For Mrs. G. W. Givens

Misses Martha Nichols, Ann Lee, Beatrice Spivey, Julia Albin, Era Belle Hogan and Mrs. Claude Neaves were joint hostesses to a miscellaneous shower given in the home of Mrs. Bob Westerman, Friday afternoon from 4 to 6, honoring Mrs. G. W. Givens, a recent bride.

The rooms were decorated with bowls and vases of roses and chrysanthemums.

The guests were received by Miss Martha Nichols and directed to Miss Julia Albin, who presided over the brides book, where each one was asked to register. Mrs. Neaves showed the gifts. Then they were taken into the dining room where date loaf cake topped with whipped cream and coffee was served.

Mrs. Givens was the recipient of more than one hundred beautiful and useful gifts.

George Gabriel, manager of the Fair Store, left Wednesday for Dallas to buy some new stock of merchandise for his store.

A Problem That Superficial Measures Will Not Solve

The special session failed to enact a tax bill, but if it had done so, the action would have left unsolved the fundamental problem of financing the state government.

If the state is to wipe out its deficit and finance the social security program without ruinous taxation, its whole tax system must be revised and non-essential items must be removed from the budgets of all departments.

Between now and the opening of the regular session the legislators, the governor and the civic and business leaders of the state should make a thorough study of the situation and have a program ready for consideration.

Machinery for collecting delinquent taxes should be devised. Assessments should be equalized. Not a few experts are of the opinion that these measures alone would take the state out of the red without working serious hardship on anyone.

But unless economy is practiced, no increase in taxes will be adequate. Administrative costs must be reduced by cutting overhead expenses and by making all departments more efficient. More strenuous efforts must be made to get full value out of the tax dollar.

The task is one that demands courageous and broad-minded statesmanship. It cannot be accomplished through petty personal bickering and buck passing, and by attempts to shift the tax burden back and forth. Nor can the problem be solved merely by haphazard efforts to exploit new sources of revenue.

—Dallas Times Herald, Oct. 29.

Entertained Friday Afternoon With "42"

Mrs. E. F. Laverty and Hill Perry entertained Friday afternoon at the home of Mrs. Perry with a 42 party. Four tables were in play. At the end of the games a salad plate with hot punch was passed to Mesdames L. R. Barrett, T. H. Blackwell, W. S. Campbell, E. L. Caraway, G. L. Barber, B. F. Hale, C. H. McCulley, Roy Stovall, J. W. Stephens, Kate Morris, W. T. Andrews, G. J. Lane, Jim Foster, L. D. Ratliff, H. P. Gipson and Jim Cloud.

Mr. and Mrs. P. E. Snider, of Kermit, were in our city a few minutes Wednesday enroute to Roosevelt, Oklahoma. Mrs. Dick Speer accompanied them to Oklahoma to spend Armistice Day.

W. J. Hamm, Jr., of Texas Tech, at Lubbock, visited in the home of his parents, Mr. and Mrs. W. J. Hamm, the past week end.

R. C. Brown, of Spur, was in this part of the county last Wednesday.

The Farmers Co-operative Gin at Afton had two fires during the past week, one Tuesday night and one Wednesday night. The latter began to prove serious before it was brought under control. The fire squad and truck of Roaring Springs was called down but the fire was controlled when the firemen arrived. The directors and stockholders of the gin appreciated the efforts put forth by the Roaring Springs firemen.

A demonstration of a patented water softener was held at the Afton Laundry last Thursday. Plans are being made to install one of these softeners in the near future. The laundry is owned by Mrs. A. J. Dozier.

The play "Womanless Wedding" was presented at Patton Springs last Friday night. It was a pronounced success and was well attended.

Mr. and Mrs. Clyde Gilbert of Matador, spent Saturday night in the home of his mother, Mrs. W. J. Higgins, and Mr. Higgins. All of them spent Sunday in Crosbyton visiting relatives.

Mr. and Mrs. W. W. Barrington and family of Ralls, visited relatives here the past week end.

Mr. and Mrs. Jim Offield are the proud parents of a new baby girl. She was born November 6.

Lewis Daniel was in Spur Tuesday to consult a physician about a serious sore throat.

The Farmers Co-operative Gin at Afton is nearing the three-thousandth bale in ginning records this year.

Patton Springs Consolidated School reopened last Monday after a five-weeks dismissal.

The Primitive Baptists at Gravel Hill held preaching services last Saturday and Sunday.

Mr. and Mrs. W. D. Starcher, of Spur, were in this part of the county Sunday evening.

Joe T. Jackson, manager of the Afton Co-op Gin made a business trip to Quannah Saturday after repair material for the gin.

Texas Cleaners and Dyers To Meet In Lubbock Sunday

Attendance reservations are being received at the Hilton Hotel in Lubbock, headquarters for the bi-state convention of the Texas Cleaners and Dyers Association, which will be held in Lubbock November 14, 15, and 16, according to announcement made this week by the arrangements committee.

Following the annual get-together on the evening of the 14th, the first

day's session opens, with Dean O. V. Adams of the engineering division of Texas Technological College, giving the address of welcome. Such men as C. L. Kirkpatrick of Los Angeles; Kelly Smith of Austin; Bill Glover of Kansas City; M. E. Heard of the textile division of Texas Tech; John A. Stinson of Lubbock, and many

others, will bring technical information from their particular fields of endeavor.

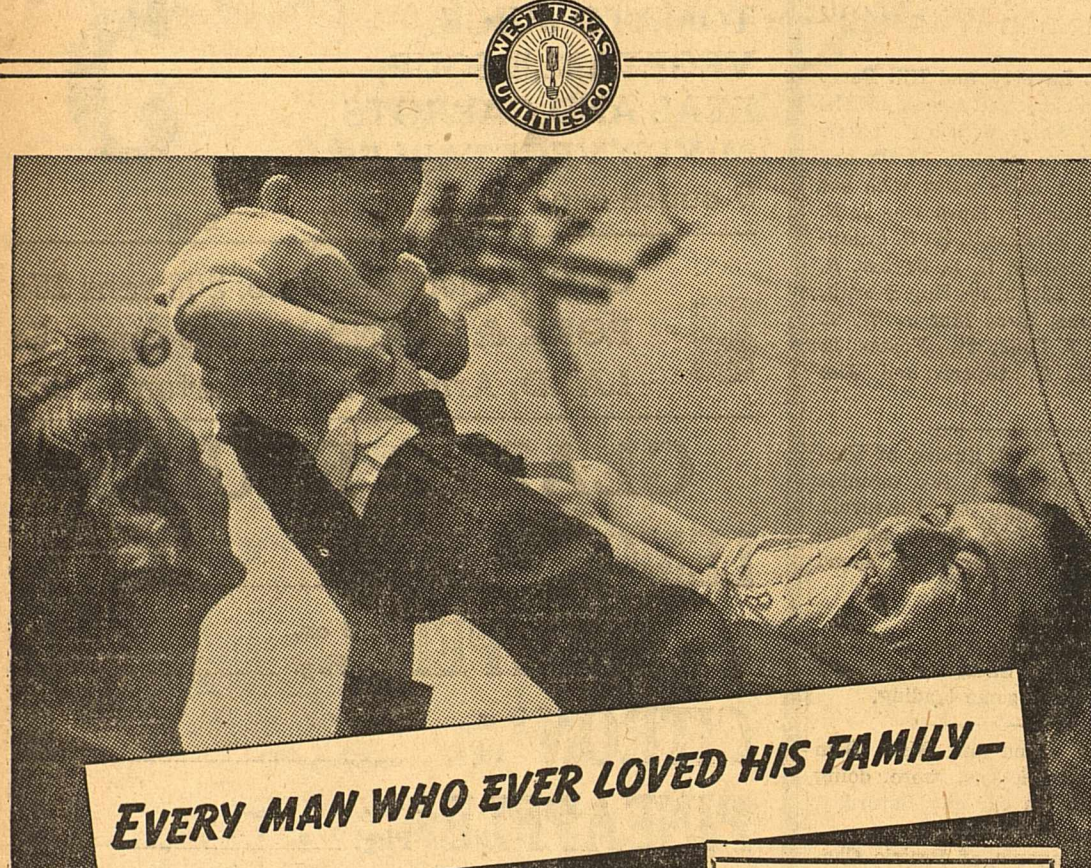

The annual banquet is to be held Monday night, the 15th.

Mr. and Mrs. Harry Ellis were here Saturday from their home down in Kent County.

LEST WE FOR-GET WE HONOR TODAY, NOVEMBER 11TH. Those who suffered their young lives to be extinguished in the cause of world democracy and lasting peace. MONK RUCKER SHOE SHOP

TRIBUTES.... TO THE EX-BOYS... Again we pay respect and honor to the Soldier, Sailor and Marine... living and dead... and to the families who urged them onward... of that fateful day of Nov. 11, 1918. To The Bulldogs... We wish you a happy journey to victory. Spur Bakery

EVERY MAN WHO EVER LOVED HIS FAMILY -

is invited to participate in this \$40,000 NATIONAL CONTEST ON THE Electrical Standard of Living

HAVE YOU ever thought how little the Pilgrims actually had for which to give thanks? How infinitely more blessed are we of today! But it was those brave souls who, through love for home and family, made Thanksgiving Day a national institution—a day for reflection on our domestic bliss. And our blessings have increased year after year until 1937 finds many thousands of West Texans possessed of all-electric homes... enjoying the Electrical Standard of Living. It is a mode of life—comfort and ease—undreamed by the Pilgrims. Its adoption has been swift in West Texas, so swift that this Thanksgiving finds a larger percentage of West Texans living in electrical security than do average Americans. We live better because every man who ever loved his family has sought to provide the advantages of Electric Service.

West Texas Utilities Company The Better Things of Life Come with the Electrical Standard of Living

1st Grand Prize \$12,000 New American Home. 2nd Grand Prize \$8,000 New American Home. Plus 10 Prizes Each Worth \$200 each week. Enter this great national contest by writing not over 100 words on why you approve of the Electrical Standard of Living. You Need This FREE FOLDER. Both men and women are eligible to enter this FREE contest. Ask for the free entry blank at our office. The two grand prizes—a \$12,000 and an \$8,000 home—will be awarded to winners after December 4. They will be selected from 10 weekly winners of \$200 prizes. Ten prizes will be awarded each week from now until December 4. You still have an equal chance to win a grand prize!

General Motors To Hold Parade Of Progress In Lubbock

Lubbock, Texas, Nov. 10.—The world famous "Parade of Progress", a miniature world fair, will be brought to the South Plains for a three day showing in Lubbock November 21, 22 and 23, according to announcement made this week by General Motors.

From the Atlantic to the Pacific hundreds of thousands of men, women and children, hardly able to believe what their eyes beheld, have seen liquid light—music on a light beam—how a voice looks—water boiling, and an egg frying on a cold stove—frozen motion—the magic eye—and many other scientific phenomena. And now the people of the South Plains area will be given an opportunity to view for themselves these so-called unbelievables.

The Parade of Progress, on its cross-country tour, consists of some 41 mobile units. These huge "Leviathans of the Highways" which transport this "Circus of Science" are of special construction, and so large that special dispensation of the highway laws in almost every state must be secured before this caravan can proceed.

In the big silver top tent which comfortably seats fifteen hundred people, is told the story, both by motion picture and stage performances, of the past, present and future in economical and industrial life. Such narrators as Edwin C. Hill and Lowell Thomas will tell the story of industrial advancement.

The Texas Tech campus has been selected as the site for the erection of this huge show. With nothing to buy, everything free and no admission charge, this dramatic and educational exposition is expected to attract thousands.

STATE BAPTIST CONVENTION TO HOLD CAVERN SERVICES

A joint session of the Baptist conventions of Texas, Arizona and New Mexico 750 feet underground in the arched recesses of Carlsbad Caverns, New Mexico, will climax the Baptist General Convention of Texas which opens at El Paso Sunday.

The solemn underground services will be held Friday, November 12, following adjournment of the week's sessions here.

Rev. Roy S. Holloman of El Paso announced speakers for the impressive services will be Dr. J. B. Tidwell of Waco, Texas, President of the Texas Baptists; Julian Atwood of Roswell, for New Mexico and S. S. Russell for Arizona.

The Rev. Mr. Atwood is pastor of the First Baptist Church of Roswell and the Rev. Mr. Russell is Arizona State Mission Secretary.

Never before in history has such a meeting been held, and certainly has there never been such a setting for a religious service. Stirring hymns will be sung. Special provision has been made for transporting delegates attending the Texas Sessions at El Paso to Carlsbad, and from there to points where they may entrain for their homes.

Preceding the convention proper, Baptist Pastors and laymen met in a mass session featuring addresses on civic righteousness Sunday. The Women's Missionary Union of Texas also convened November 8-19, reviewing their work for the year and planning for the new year.

Rev. C. R. Joyner, of the Spur Baptist Church left Sunday afternoon for El Paso to attend the convention this week.

SALT, CHLORINE PLANT BEGUN AT CORPUS CHRISTI

Salt for Texas livestock and liquid chlorine for municipal water purification and paper bleaching will be available more economically than heretofore for a large part of the state under plans announced today for a new industry at Corpus Christi to start operation next March.

The company (Southern Alkali Corp.) which, since 1934, has been producing soda ash and caustic soda—used in glass making, oil refining, cottonseed oil refining, paper making and many other industries—at Corpus Christi will build a separate new plant for the production of sodium chloride (salt) and liquid chlorine.

The economic significance of the enterprise is seen in statistics on the seldom-considered but important market for "eating salt" for farm and ranch livestock. On the basis of a half-ounce of salt per day per head of cattle (5,000,000); a quarter-ounce per day for sheep and goats (3,200,000 head), and an eighth-ounce for horses and mules (3,200,000 head), Texas is a market for 41,975 tons of licking salt a year, or 115 tons per day. The new plant will have a capacity of approximately half this Texas market. This is common table salt, but in bulk form and not quite so "refined" as that actually used on the table.

CHRISTIAN COUNCIL HOLDS MEETING

Mrs. E. L. Adams was host to the Council meeting of the First Christian Church Monday afternoon. Mrs. Nellie Davis served as leader in the meeting. Eight regular members and one new member made nine members present.

Mrs. Adams conducted the devotional services. The subject for the afternoon was "A World Call Program". Speakers for the afternoon were Mesdames Adams, Jasper Wood, Nellie Davis, Cecil Addie.

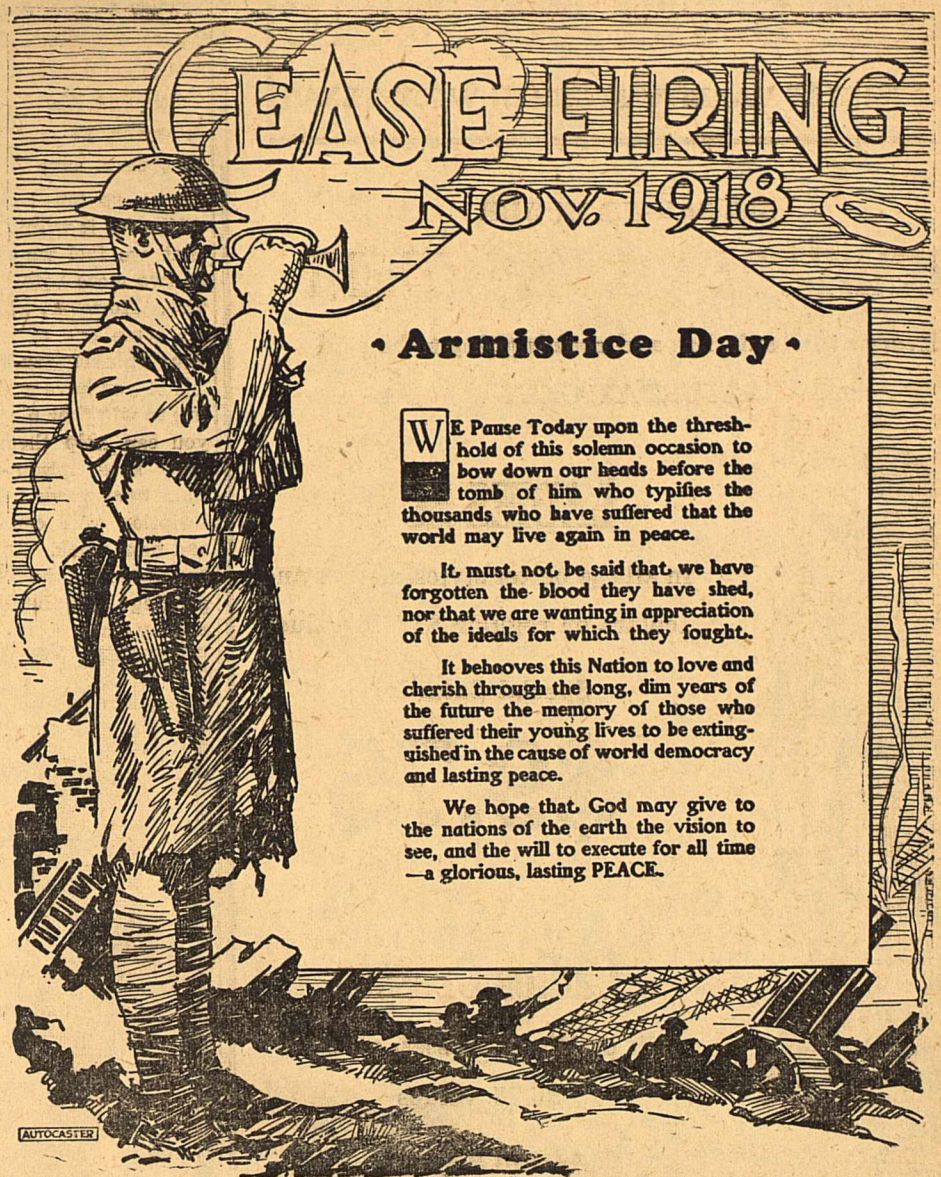

Mrs. E. L. Caraway will be host to the meeting next Monday afternoon at three o'clock. Ladies of the First Christian Church are asked to remember this meeting and to be present. November 15.

UNIVERSITY LADIES TO PLANT TREES

The Texas Society of Colonial Dames has been granted permission by the Board of Regents of The University of Texas to plant live oak on the campus of that institution to commemorate the sesquicentennial of the adoption of the Constitution of the United States, it has been announced. The ceremony will be held November 17, at 3 o'clock, the Regents were informed by Mrs. Julie Scarborough Fisher of Austin, chairman of the society's committee in charge of the sesquicentennial celebration.

Armistice Day

WE Pause Today upon the threshold of this solemn occasion to bow down our heads before the tomb of him who typifies the thousands who have suffered that the world may live again in peace.

It must not be said that we have forgotten the blood they have shed, nor that we are wanting in appreciation of the ideals for which they fought.

It behooves this Nation to love and cherish through the long, dim years of the future the memory of those who suffered their young lives to be extinguished in the cause of world democracy and lasting peace.

We hope that God may give to the nations of the earth the vision to see, and the will to execute for all time—a glorious, lasting PEACE.

High School Gets Books and Magazines

Through a call made by the High School division of the Parent-Teacher Association, the High School has secured a great number of books and magazines. O. L. Kelley, High School Principal, announced that 483 good books had been received as a result of the call and they are not through counting and classifying the magazines yet. The teachers and students are very glad to receive these books and magazines and thank those who made contributions.

The committee appointed to direct the work composed of Mrs. McGinty, Mrs. Cowan and Mrs. L. A. Lollar. They are to be commended for their fine work in this matter.

Mr. Kelley stated that the books and magazines would be used in the future and it will be difficult to enumerate the good they may do.

Bud Beadle, of Girard, was attending to business matters in our city Saturday.

Dickens P.T.A.

The Dickens P.T.A. met Thursday night and rendered the following program:

The subject for discussion was Reading for Developing. Mrs. W. A. Lee was leader for the evening. Roll call was answered by any favorite book. Mr. James Forgery, gave a very interesting book review on "Spring Came on Forever". Mrs. Jack Taylor discussed the "Value of Reading in Adult Education". Miss Cleone Choate High School Student gave a reading "Out to Old Aunt Mary's." Mrs. W. A. Newman led the assembly in a song.

Mrs. J. L. Koonsman planned the lunch room at the Carnival and other business was attended. The program committee presented the Year Books.

The P.T.A. will sponsor an Amateur Night under the leadership of Mrs. Jo Koonsman, Friday night. There will be several Shirley Temples present. Don't fail to be present.

Glad Our Subscribers Enjoy Reading Times

There have been a number of friends who have been receiving the Times complimentary the past few weeks and we had thought of discontinuing these papers this week. However, so many have said to us that they have enjoyed reading the Times so much and expect to subscribe for it within the next few days, that we feel we should wait a week or two more before stopping this service. However, we hope that you will let some one of our solicitors have your subscription this week or next. All of you have a friend who is wanting to win that nice Chevrolet car and you can help them more by getting your subscription to them not later than next week because your subscription will count more this week and next week. So those of you who have enjoyed the Times will have the privilege for another week or two and by that period we hope you will

want it forever. Glad you have enjoyed it, and when you have given us your subscription you will have proved that you have enjoyed reading the Times.

Band Parents To Meet Friday Night

The Band Parents Association will hold a meeting in the band room of the Grammar School Friday evening beginning about 7:30 o'clock. There is important business to be discussed at this meeting and parents who have children in the band are urgently requested to be present.

Baby Passes Away

Arthur, Jr., infant of Mr. and Mrs. W. A. Taylor, of Wichita community, died Saturday night. The baby lived only about three hours after birth. Funeral services were conducted at the home and interment followed in Dickens cemetery, Spencer Campbell in charge of arrangements.

FAMILY REUNION HELD IN THE BENSON HOME SUNDAY

A very happy gathering was held in the home of Mr. and Mrs. J. M. Benson Sunday, when the children of Mr. Benson's and their families gathered here for a reunion. The families were Mr. and Mrs. A. C. Benson and children of Colorado,

Texas; Mr. and Mrs. C. C. Benson and children of Big Spring; Mr. and Mrs. R. W. Bashum of Big Spring.

Ross Morris, of Deer Lake settlement, was attending to business affairs here Saturday.

Lonnie Lewis, of Croton country, was trading and talking with friends here Saturday.
