

WITH THE WILD CATS

The Gulf No. 1, Swenson on Section 25, Block 1, H&GNRRCo. Survey, last report was drilling below 7,487 in lime. The well is being cored all the way.

The Dolman No. 1, O'Keefe, four miles southwest of Girard, is in operation again. Casing is being set and the well is expected to be continued on down.

The Bond Jones, et al. No. 1, Foard Estate, near East Afton, is resuming work again after a few days shut down on account of a bad cable and some defective titles which are now in good shape.

No report given on the House Block in Red Mud community.

No report on either the McMahan No. 1, or the Bird No. 1, but it is thought some action will be taken soon about those two wells.

Farm Committee To Meet Monday

The Farm Committee selected at a meeting in Dickens two weeks ago will hold a meeting in Lubbock next Monday, September 26, according to information received. Mr. Goodloe, representative of the Commodity Credits Corporation, will be present to discuss the matter with the committee. A number of county judges, county agents and others interested will be present at the meeting.

The purpose of the meeting is to reach proper adjustment in regard to cotton placed by farmers in warehouses at Jayton and secured loans from the Commodity Credits Corporation. The cotton later was found to have been over-classed and would not have brought the price base at the time on which the loans were made. The transaction involves farmers from some eight West Texas counties and includes about 33,000 bales.

When the Commodity Credits Corporation learned of the condition, that organization made demands on farmers to pay back the differences. This refunding demand is the bone of contention as the Commodity Credits Corporation gave only fifteen days to the farmer to make amends. Many of the farmers could not make settlement, and the meeting Monday is expected to work out some manner of settlement.

Highway Worker Killed In Accident

Charles A. Wood, 23, was instantly killed on Highway 18 about 10:00 o'clock Wednesday morning. The best account available was that Mr. Wood was driving a truck for the highway construction company, hauling crushed rock from a crusher about two miles out from Girard. He was meeting another company truck driven by a young man by the name of Andrews. A caterpillar tractor between them was causing so much dust that neither of the men could see the other and they struck head on. Young Wood had his head out of the cab trying to see how to drive, and the impact killed him instantly.

A large deep gash was cut in his head extending from his forehead toward the crown of his head. That with other injuries caused death. Mr. Andrews was not injured beyond a few bruises and shock.

The body of Woods was taken to Tri County Lumber Company at Girard where a Ward ambulance from Spur was called and brought it to the Ward Funeral Home where it was prepared for burial.

An ambulance from Hereford transported the body to that point where funeral arrangements were made, probably to be today at Hereford.

The deceased is survived by his mother and probably other relatives. His father has been dead about three years.

First Gin Built In The County In 1891

Post Office To Move To New Location In Near Future; Other Changes to Be Made

The Post Office Department has accepted the rent proposition of George S. Link for the building now occupied by the Highway office, the Home Demonstration Agent office and others, as a location for the post office at Spur. The lease agreement was accepted by the Post Office Department several months ago but arrangements to change location had not been completed.

However, the local Postmaster has been notified that a change will be made anywhere from October 1 until the 15th. New equipment will be installed in the new location and as soon as that is ready the post office at Spur will enjoy new quarters.

Bids on installing the new equipment have been submitted to the department by local people, but no contract has been accepted yet.

When the post office department takes over that building several offices will seek new locations. These are the office of the resident highway engineer, the Works Progress Office, the farm credit administration office, the WPA surplus commodity store, and the County Home Demonstration Agent's office. The county is supposed to furnish office space for most of these offices, and suitable places ought to be secured without much difficulty since there are a number of vacant buildings in Spur.

The post office will have a very nice location and the new floor plan will provide much more room for the office. The postmaster will have a nice private office and the clerical work of the department can be carried out more easily. New arrangements in behalf of the public will be made.

Local P. T. A. To Meet Tonight

The local Parent-Teacher Association will hold the first meeting of the year at the High School building tonight. A very practical program has been arranged and good speakers selected to discuss the subjects to be considered. The people are requested to be at this first meeting and get an idea of what the Spur Parent-Teacher Association is doing for our schools. You will be surprised if you have not been in the work before.

After the program there will be a social hour and people will have an opportunity to meet all the teachers in the Spur school system. Refreshments will be served to the guests and you will be made to feel you have enjoyed a fine time.

Spur has three divisions of P.T.A. work, one for each school, but the meeting tonight will take in all three divisions. The presidents of the three divisions will be in charge tonight.

Mrs. Garnett Reeves, of Pampa, spent Sunday here visiting with her parents, Mr. and Mrs. J. O. Harkey and children.

Moving Radio Store Into New Home

Mr. and Mrs. Walter Gruben are moving their radio store into a new home on Burlington Avenue, into the building formerly occupied by the Red Front Drug Store. Mr. Gruben bought the building in the summer and has been working on it and having it remodeled to conform to his business. The name of the new store is to be "Gruben Radio and Appliance Store".

In speaking of the new business, Mr. Gruben stated recently that he plans to have the most complete radio store in the West. He spoke of the line of radio tubes which will require quite a stock. He has a very fine line of radios to offer the people and his service department is going to be second to none in this country. The store will carry a line of wind-chargers that will be sold at reasonable prices.

Mr. and Mrs. Gruben will hold open day at their new location Saturday, and everybody has an invitation to visit them.

County Agents Hold Meeting In Lubbock

A meeting of County Agricultural Agents was held in Lubbock Wednesday afternoon to discuss plans and to receive instructions relative to making out compliance forms. Gary Barnes, of the Extension Department addressed the meeting which was at the District Court Room at nine o'clock. County Agents are very strong for securing information relative to the compliance program in order that there will be no misunderstandings this year.

Palace Theatre Gives School Supplies Benefit Matinee Last Saturday Afternoon

The Palace Theatre gave a school supply benefit matinee last Saturday from eleven in the morning until two in the afternoon, at which time the pupils of the East Ward and Junior High brought school supplies instead of money for admission.

Many useful articles were given which will be distributed to children, who are unable to buy their own school supplies.

The school is deeply grateful to Mr. Hardwick and the Palace Theatre for their cooperation.

Ty Allen, manager of the Leon Ice Company, made a business trip to Memphis, Tuesday of this week.

Mrs. Henry Stiles, of Girard, was among the shoppers in our city Tuesday.

Our Ginners And Cotton Edition

In this issue we have tried to feature a few things about cotton and the machinery that takes care of that crop. Last year our county produced more than 36,000 bales of cotton, and there may be a possible 25,000 bales this year, but that is yet to be determined as the crop has been cut short by drought. Yet, with cotton as our most valuable crop a number of us never stop to think about the gins that take care of our cotton and the enormous investment required to handle our cotton crop.

We want to thank everybody for your cooperation in this issue of The Times. The business men of Spur and elsewhere, the gin owners and everybody in general have been exceedingly nice. We may have made some errors, but all of us are subject to that calamity and newspaper people are eternal victims. Hence, please, overlook them and help us to do better in the future. We appreciate our friends and your cooperation is the only means of our success.

District Layman's Meeting at Dickens

The District meeting of Laymen of the M. E. Church for the Stamford District will be held at Dickens Methodist Church tonight. R. B. Bryant, District Layleader of Stamford, will speak to the meeting and bring some interesting points on laymen's work. Mr. Bryant is an interesting and fluent speaker and will bring a good message.

The meeting will include the churches at Roaring Springs, Afton, Spur and the Spur Circuit. Everybody is extended an invitation to attend the meeting, and those churches named are urgently requested to have representation present tonight.

Spur Future Farmers Rated As Among Best In The State

J. B. Rutland, State Advisor of the Future Farmers of America, last year worked out a score card by which chapters may be scored on their program of work.

Chapters scoring more than 80% are classified as "Lone Star Chapters" of the 524 Chapters in Texas, last year only 23 met this requirement. The Spur Chapter was one of the high scorers. The McAdoo Chapter was also in this rating.

The Spur F.F.A. boys are planning their program of work for this year and have set a 95% rating as their goal for this year.

Judge Formby Elected Secretary Of Association

The County Judges and Commissioners of West Texas went into convention at Big Spring last Saturday and held some very hot discussions on certain questions. The convention went on record as being greatly opposed to having commissioners courts to assume the duty of certifying to old age assistance in Texas. Another resolution was to the effect that the state should pay the court reporters salaries. The convention also, asked for an amendment to increase the term of all county offices from two to four years, and for the sterilization of all habitual criminals and the insane.

Lubbock was voted as the next convention city. The new officers of the association are:

President, Judge Homer T. Bouldin of Shackelford County.

Vice-President, Judge John Winsont of Potter County.

Secretary-Treasurer, Judge Marshall Formby of Dickens County.

Bulldogs Take On Big Order Friday

The Spur Bulldogs are going to try their full strength Friday night when they meet the fast roving gridsters of Sweetwater. As some have said, this seems to be a big order for the Bulldogs, but it will give them a chance to try their strength and skill against one of the best Class A teams in West Texas.

Coach Wadzeck stated this week that they want to take the Spur band and Pep Squad if conveyances can be provided. All parents who can do so, will greatly oblige our school athletic department at this time by arranging to go along Friday afternoon and furnish cars as far as you can. All who can should rally to the support of our team as they go into the hardest game of the season.

Sweetwater defeated Polytechnic High at Fort Worth recently, and with the speed the Bulldogs exhibited last Friday night the Sweetwater game is going to be a good one.

B. Schwarz & Son To Be Closed Monday

B. Schwarz & Son Store will be closed all day Monday, in keeping with the Jewish New Year.

In the ads for B. Schwarz & Son in this weeks Times you will find that Mr. Golding is offering many bargains and asks the buying public to visit their store Friday and Saturday to do their shopping.

Mrs. W. M. McLaury, of Jayton, was a Spur visitor Tuesday.

Mrs. Mary E. Johnson returned home the first of the week from a visit with her daughters at Kermit. She also visited with relative in Lubbock.

Cotton Industry In Dickens County

It might be of interest to our readers to know something about the cotton industry and its development in Dickens County. Cotton has always been considered the money crop in this country, and the growth of cotton was started here in early days. From all accounts the first cotton produced in the county was grown in the Red Mud community. The late E. Luce planted a ten acre tract on the land just west of where the Red Mud schoolhouse now stands. That was in 1866 and the drought prevented the cotton from developing. However, Mr. Luce tried again next year and was able to produce about two bales of cotton. The cotton was picked and placed in a house and John Luce hauled it to Sweetwater later where it was ginned and sold.

So far as can be learned the first cotton gin to be established in the county was on Duck Creek southeast of Spur. A. J. Hagins moved to that community in the early part of 1889 and later began the cultivation of cotton. In the summer of 1891 he built a horse-power gin where he ginned his own cotton and some for his neighbors. The gin later was moved to Kent County where it was set up at a point called "Old Clipper" near where Jayton now is.

According to records from early day settlers, the second gin erected in the county was built by the Espuela Land and Cattle Company and was located in what is now Espuela community on the south east part of Section 355, Block 1, of the H. & G.N.R.R.Co. Survey. The land is now owned by Mr. Smith. This gin was started to work in the fall of 1891 and was operated by the late Hans C. Peterson. T. N. Willmore seems to have been the first customer. The first season there seems to have been eleven bales of cotton ginned.

Other gins were started up later in the county. One was built by Mr. Peterson and a partner at Dickens. Mr. Luce built a gin in the Red Mud community about the year 1900, and a gin was built in the Croton Wood community about that time.

The growth of cotton has grown so much that today there are fourteen gins in the county and all of them are large plants with all modern conveniences, and all of them are kept busy during the cotton harvesting season. At the present time many of these gins are running almost steady for ten to twelve hours per day to take care of the patronage, and before long they will not close from Monday morning until Saturday night.

CAMPBELL FURNITURE TO FEATURE TULIP PROGRAM

Is Spur to vie with that famous Dutch city of Holland, Michigan, in its display of tulips? If Campbell's Furniture have their way about it, that's exactly what will come to pass, for they are making available to everyone a Rainbow collection of fancy assorted tulip bulbs as a special gift offering. By paying the bare cost of handling and transportation you get the box of bulbs gratis. Under such circumstances we can look forward to a riot of color next Spring, for everybody will probably want to avail themselves of Campbell's generosity.

In order to acquire enough bulbs to satisfy the enormous requirements of their gift offer, the Spring-Air people had to virtually get a corner on the supply. We are informed that they have contracted for over a million of the bulbs, with the likelihood of their needing twice this amount. This huge undertaking was made all the more difficult because the bulbs had to be of full blooming size, of fresh stock, and representing the finest of varieties. None of the bulbs are less than three inches in circumference. Twenty are packed to each box, no two being alike in color or shading.

Donkey Ball Game To Be Played Here Next Thursday

One week from tonight the people of Spur country will have the privilege of witnessing one of the most laughable feats that has ever been in Spur. The Young Business Men's Club are sponsoring a big Donkey ball game—a ball game that is played by riding donkeys, if you ride at all. In towns where this game has been sponsored people say it is one of the most laughable events they have ever seen.

The game will be played between a team from Dickens and a team from Spur. They will stage the game at Burlington Park just south of the highway out of Spur, and east of the gin section of the town. A small admission will be charged to everybody to take care of the expenses. The donkeys must be fed else they won't play ball for you.

The game is called at eight o'clock in the evening of Thursday, September 29. Trained donkeys, trained players and by the time the game is over, you will be a trained laugher if you see that game. You don't want to miss it.

TRADES DAY OCTOBER 3

The next Trades Day program which is sponsored by the people will have a number of gifts to be distributed to the people, and best of all there will be codles of good bargains in merchandise during the day.

The Young Men's Business Club is very anxious to have people to come to Spur Trades Day. They have gone to quite a lot of expense to secure a good ball game for the people Thursday night, September 29, and feel that it will be something the people will enjoy. The game will be played with donkeys doing the running of bases and the running at fielding balls.

Band Parents Hold Meeting

The Spur Band Parents Association held their first meeting of the school year at the band room Tuesday evening. Ned Hogan, the president, was in charge of the meeting. R. E. Fielder, the band director, explained about the two divisions of the

band and how the plan is working. He explained how it would enable those who had just started the work to make better advancement. The association voted dues of 75 cents per month for each student taking band. The dues are to be used to buy equipment, band instruments, and otherwise take care of the expenses of the band. The instructor is paid by the school.

Spur Citizens To Vote On School Bond Issue Saturday; New Building Needed

The people of Spur School District will have an opportunity to authorize the School Board to issue bonds to the amount of \$36,000.00 in a bond election next Saturday. The voting will be done at the directors room of the Spur Security Bank, and the polls will be open from eight o'clock in the morning until seven o'clock in the evening to give people an opportunity to vote.

J. R. Laine will serve as election judge and Mrs. A. M. Walker and Mrs. F. F. Vernon will be clerks of the election. All property tax paying voters in the district will be eligible to vote in this election.

The purpose of this new proposed bond issue is to secure funds to replace the old Grammar school building which has become very unsafe for school purposes. There are about 200 children and teachers in that building, and the result of a very high wind might prove fatal to a great number of little children at any time. The Fifth, Sixth, and Seventh grades are taught in that building.

In the erection of a new building the School Board wants to provide for a nice auditorium capable of taking care of all school assemblies. We have no such auditorium in Spur. Again, this will enable the auditorium in the High School building to be used strictly for study hall or class room work and give more space in the High School building.

B. Schwarz & Son Adds New Line Of Clothing

The firm of B. Schwarz & Son are adding the Curlee line of clothing for men at this time and have a big stock of men's and boys' suits now on sale to the people. The Curlee line is one of the most stylish and durable lines in men's wear and is noted for the excellent service it gives.

B. Schwarz & Son are featuring a big line of bargains in dry goods and ready to wear this week. Mr. Golding, the manager, stated that the store is full of new merchandise for the people, and that it is a big store. Anything in dry goods and ready to wear for the whole family can be found at B. Schwarz & Son, and the prices are always right. See their big line advertised in The Times this week.

MILLER STREET BAPTIST MISSION STATION

Spur, Texas September 19, 1933.

To Whom It May Concern, Greetings:

When this reaches the readers, we are planning that our house will be completed with the exception of some outdoor work.

And we wish to take this means to express our gratitude to everyone who has contributed in any way.

Several have done very valuable work. I want you to know we appreciate you and truly hope that no one will ever have a reason to regret what has been done.

For this is being done, we hope for the glory of God and for the salvation of the lost.

Our meeting begins Fourth Sunday. Will run indefinitely. Thanking you again,

J. V. Bilberry.

Mr. and Mrs. R. C. Forbis and Mrs. Clark Forbis, of the Afton community, were in Spur Tuesday visiting with relatives and friends

CURLEE CLOTHES

Hard to Fit? There's Nothing to it...

Lots of men come in to see us and say, "I'm hard to fit—because I'm so tall (or short or stout, or thin, as the case may be!)." Generally, before they leave, we've taken a load of worry off their minds . . . because they've learned they can come to us any time and find a Curlee Suit that really fits—at a price that is regular.

Whether or not that's been your problem, you're going to want to see our new selection of Curlee Suits for Fall and Winter. They're the last word in the season's smartest styles and newest materials—as outstanding a value as we've ever offered. Moreover, they're tailored for easy comfortable fit and long, satisfactory wear by a house with over a quarter century of experience in anticipating the clothing requirements of American men. We're featuring Curlee Suits for Fall and Winter in a complete range of styles and models—in sizes to fit you—at prices that are right! Come in and look them over.

 mixture. Long wearing. Buy several pairs.

Spur Bulldogs Down Snyder Tigers Friday Night

Spur Bulldogs Victors Over Snyder Tigers In Non Conference Game Friday

The Spur Bulldogs won their first game of the season over the Snyder Tigers Friday night at the Charles A. Jones Memorial Stadium proving too much for the Tigers in every respect, despite the fact they were out weighed nearly 20 pounds per man. The Bulldogs opened their football season last year with the Tigers winning over them 26 to nothing on the Tigers home field.

The Bulldogs hit pay dirt three times during the game, in the second third and fourth quarters, kicking one extra point in the last quarter.

The first score was made in the second quarter after the bulldogs marched through the Tiger line making one first down after another with Billie Harolson making a 13-yard run around left end. He failed on the extra point. Harolson again hit pay dirt for the Bulldogs after a pass good for 29 yards to Wilhoit was completed, placing the ball on the 3 yard line, but taking two tries to go over. Harolson failed to convert for extra point. The Bulldogs made their last score in the latter part of the fourth quarter after they had carried the ball through the Tiger line with Harolson going over again and converted for the extra point, making the score 19 to 0 in favor of the Bulldogs.

The Bulldogs outclassed the Tigers in every way making 10 first downs to the Tigers 2. The Bulldogs tried 5 passes completing one for a gain of 25 yards while the Tigers attempted 7 completing 3 for a gain of 14 yards. The Bulldogs far outclassed the Tigers in yards gained.

The Bulldogs showed good spirit in their first game and with a few rough edges knocked off still have a good hold on the District for this year.

Coach Wadzeck has whipped the boys into good shape considering that all of the first string back field men graduated last year. Little Harolson, Wilhoit, Hurst, Sparks and Garner seem to have the situation pretty well under control and with a little more experience promise to make a fast hard hitting group of backs. In the line Powell, Murphy and York seem to be the leaders with Smart, Ousley, Bingham, and Culvert holding their part of the line in pretty good shape while A. Hurst and J. Powell seem to be bidding for a permanent place in the bulldog line.

CITATION BY PUBLICATION

THE STATE OF TEXAS)
COUNTY OF DICKENS)
TO D. W. YOUNG, defendant, and all other proper persons, including all record lien holders, owning or claiming, or both, any interest in the land or lots hereinafter described, same being delinquent for taxes to The State of Texas and none plaintiff; taxing units in said State herein implored by plaintiff (and taxing units heretofore having intervened in this suit).

AND YOU ARE HEREBY COMMANDED to be and appear before the Honorable 110th District Court of Dickens County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the City of Dickens on the 2nd Monday in December, A. D., 1938, the same being the 12th day of December A. D., 1938, to plead and answer plaintiff's petition, (together with pleas of intervention and claims of impleaded parties defendant) filed in said Court in a certain suit No. 660A, and then and there to show cause why judgment should not be rendered against you, and said land and lots sold under foreclosure of lien to satisfy the following taxes being delinquent on the said property, to wit:

Taxing Unit: The State of Texas.
Description: N.E. 1/4 of Sur. 241, Abst. 127, Cert. 10/2016 H.&G.N. Original Grantee, being 165 acres for the year 1932, in the amount of \$43.06; aggregating (\$43.06) Forty-three and 06/100 Dollars, together with all interest, penalties and costs allowed by law.

Given under my hand and seal of said Court, at office in Dickens, in the County of Dickens, this 16th day of September, A. D., 1938.

Nettie Littlefield
Clerk, District Court Dickens County, Texas.
Published September 22, 29.

Dr. and Mrs. R. L. Alexander accompanied their son, Ted, to Lubbock, where he entered Texas Tech. Ted is working on his Master Degree this term.

Dempsey Gin Is Almost Like New

The people of Croton community will have the accommodations of practically a new cotton gin this year. The Dempsey Gin which has been serving that community for several years has been rebuilt all through the past summer. New Continental gin stands have been installed, and these are accommodated with 1-type Hardwick-Etter cleaners and bur machines. The old steam power has been taken out and a Fairbanks-Morse oil pull engine has been installed. This is a triple cylinder engine of 150 horse power.

The gin was first built in 1927 by McRae & Sanders of Oklahoma. Mr. Dempsey purchased the plant in 1931 and since that time has made many improvements in the gin. He went to Croton from Turkey where he had been in the gin business and where he continues to have stock in a gin. But he has devoted his time and energy to the service of the people of Croton since he moved into that community.

Mr. Dempsey acts as gin manager and in addition buys cotton, paying the best prices the market will permit. Mrs. Dempsey will serve as one of the bookkeepers during the season run and Marvin Payne will be on the job to assist Mrs. Dempsey. The ginning will be in the hands of competent people and the people will get the best of service.

The gin opened its season run Wednesday of this week. It was delayed in starting up on account of the new improvements put in, but a number of bales had been brought in and placed in the cotton storage house. The gin is in full run now and will continue on the run until the close of the season.

Dumont News

BURMISON—THOMPSON VOWS READ FRIDAY, SEPT. 3 AT MUNDAY, TEXAS

Miss Geraldine Burmison of Munday and Aristel Thompson of Dumont were married Friday, September 3 at twilight at the home of the bride's parents, Mr. and Mrs. J. R. Burmison, with the Rev. Abberton reading the marriage vows.

Preceding the ceremony, Mrs. Coffman of Goree, Texas, sang an appropriate selection, with Mrs. Louise Ingram as accompanist.

The bride wore a gown of white chiffon with which she wore a beautiful illusion veil, her bouquet was white roses and lilies of the valley.

Miss Mavoureen Reeves of Munday was maid of honor and was attractively attired in a frock of white net. Her bouquet was pink gladiolas. Dr. Newsom was best man for the groom.

Immediately following the ceremony the couple left for a short wedding trip.

The bride is a resident of Munday, and has been attending the University of Texas. She was a member of the Glee Club.

For travel she wore a lovely suit of blue tweed with accessories of dubonnea.

The couple will make their home at Dumont, where Mr. Thompson is Superintendent of the Public school. Miss Alma Schooler left Tuesday of last week for Brownwood, Texas, where she will enter college. She was accompanied to Brownwood by Miss Ima Jo Smith, Otis Smith, Chas. Deaton and Rev. Adams.

Mr. Parker and Miss Louise Hawk from Lubbock were guests of Mrs. V. H. Hand Sunday afternoon.

Mrs. R. C. Smith, Mrs. J. M. Park, and Miss Lometa Brewster visited Mrs. C. R. Pence near Dickens on last Friday.

Mr. and Mrs. Jim Gage chaperoned a group of young people to Dickens Springs where they had a picnic supper Saturday evening.

Cotton picking is well under way here.

Mr. and Mrs. V. M. Hand and son, Mr. and Mrs. R. C. Smith, Mrs. J. M. Park, Mr. and Mrs. Jim Gage and daughter, J. J., R. W. and Roy White, Elden Reedy, Bryan Hamilton, Lewis Hodgins were among the shoppers in Paducah last Saturday.

On last Wednesday the seventh grade, with their sponsor, Miss Brewster, enjoyed a picnic and supper on the river. After supper a bon fire was made and various games were played.

The chilly nights and mornings makes us realize fall is here

Worker's Meeting At Midway Sept. 29th

The Workers Meeting of the Dickens County Baptist Association will be held with the church at Midway Thursday, September 29. A good program outline has been arranged and all churches in the association are asked to be represented. The program outline is as follows:

11:00. Jude 1:9. Ray Stephens.
Thursday Afternoon
1:30. Devotional by Rev. Bilberry.
2:00. Peter 1: 3-19, Rev. C. R. Joyner.
3:00. 2 Thess. 2:2-3, H. L. Burnam.

NOTICE Office Of City Marshall Discontinued By City Council

At a meeting held last week the City Council voted unanimously to discontinue the office of City Marshall of the City of Spur, effective October 1, 1938. This action by the Council was brought about by a need for economy in the administration of the affairs of the Corporation of the City, which has been operated in the past at a loss to the City. It is the desire of the City Council to save money where it may be saved without detriment to the general welfare of the City, and in this instance it is believed that the County officers will be fully capable of attending to the enforcement of all criminal laws within the corporate limits of the City as well as throughout the county.

The City will retain the services of a night watchman, and the enforcement of City Ordinances will remain in the hands of the City officials. Sheriff J. L. Koonsaman says that he will accept full responsibility for

the enforcement of the criminal laws, and will attempt to give satisfactory service, and he says that with the cooperation of the citizens he will be able to enforce the criminal laws with his present staff in cooperation with Constable A. M. Shepherd. 1c

GENEVIEVE TAYLOR HONORED ON EIGHTH BIRTHDAY—

Mrs. R. A. Taylor entertained at her home Thursday afternoon, honoring her little daughter, Genevieve, on her eighth birthday. After the many birthday presents were shown, the little folks were en-

tertained with a number of games. Birthday cake and fruit punch was served to the following: Nina Nep Loe, Corky Loe, Earnestine Berry, Bobbie Rhe Stanley, Geraldine Stanley, Relda Taylor, Virginia and Patricia Mars, Dennis Bingham and Annette Lee.

THURSDAY BRIDGE CLUB ENTERTAINED WITH MRS. M. C. GOLDING AS HOSTESS—

Mrs. M. C. Golding entertained members of the Thursday Bridge Club at the Spur Inn.

Each table received a high score prize and the winners were Mrs. O. C. Thomas and Miss Julia May Hickman.

After the games a salad course was served to the following: Mesdames F. W. Jennings, Clifford B. Jones, O. C. Thomas, W. T. Andrews, Neal A. Chastain, E. D. Engleman, and Miss Julia May Hickman.

1925 BRIDGE CLUB MET WEDNESDAY AT SPUR INN—

The 1925 Bridge Club held their regular monthly luncheon at the Spur Inn Wednesday. A business meeting was held and new officers were installed for the coming year. Mrs. V. V. Parr, was elected President of the club. Mrs. M. C. Golding, first Vice-President, Miss Julia May Hickman, Secretary, and Mrs. L. H. Perry, reporter.

Four tables of bridge were in play during the entertaining hour. Mrs. R. R. Wooten played high and was awarded the club prize.

The guest list included member and associate members as follows: Mrs. W. T. Andrews, Mrs. Della Eaton, Mrs. M. C. Golding, Mrs. F. W. Jennings, Mrs. R. A. Taylor, Mrs. R. R. Wooten, of McAdoo, Mrs. V. V. Parr, Mrs. L. H. Perry, Mrs. Guy Karr, Mrs. W. R. Lewis, Mrs. H. P. Gibson and Mrs. W. D. Wilson, of Lubbock.

DONALD RUTH PERRIN HONORED ON FIFTH BIRTHDAY—

Mrs. Don Perrin entertained at her home last Wednesday honoring her daughter, Donald Ruth on her fifth birthday. A color scheme of pink and white was carried out in all decorations. Donald Ruth received many birthday gifts, after they were shown a number of games were played.

The guests were served fruit punch and cookies, with a balloon as favors.

The guests were Jimmie Koon, Raymond and Jackie Cloude, Lavondean Reagan, Patsy and Johnnie Lindsey, John Neal, Annell Petty, Lucille Legg, Donnie Lawson, of Afton, Tommie and Berl Conaway; Mesdames Lambert, Legg, Reagan, Lawson. Mrs. Scott sent a gift.

MRS. C. B. JONES AND MISS JULIA MAY HICKMAN ENTERTAIN WITH PARTY—

Mrs. Clifford B. Jones and Miss Julia May Hickman entertained Friday evening at the Spur Inn with six tables of bridge and one table of "42".

Mrs. Della Eaton received high score in bridge and Mrs. Ronald Smallwood second high.

At the conclusion of the games a delicious salad plate was served.

MRS. IDA EDWARDS AND JOHNNIE GREEN MARRIED RECENTLY—

Mrs. Ida Edwards, who has operated cafes in Spur and Dickens for the past several years was married to Johnnie Green, of Snyder, recently. Mr. Green has been associated with Mrs. Green in the cafe here for several months.

The marriage vows were read by Justice of the Peace, S. T. Johnson, of Dickens. They were accompanied to Dickens by Miss Gladys McMeans. Mr. and Mrs. Green will continue to make their home here, and are operating the cafe formerly known as Fox Cafe.

Fair Store Takes On New Line

The Fair Store has secured the right to sell the Munsing Wear line lingerie. It is one of the best lines to be sold and the Fair Store seems to be stocking up to make a big business of that line.

Man Found Shot To Death Near Roaring Springs Tuesday

With a 12-gauge shot gun lying near by the body of Jim Ferguson was found in the parental home two miles south of Roaring Springs Tuesday morning. Ill health and dependency seemed to have been the cause of the act which was considered suicide by those close to the family. Mr. Ferguson, who is about 30 years of age, had suffered a hard spell during the summer and had undergone an operation for appendicitis. His health had not returned as rapidly as he thought it should.

SANITARIUM NEWS

Joe Woods of McAdoo, underwent an operation Sunday for appendicitis.

Mrs. Willis Smith, city, seems to be improving.

Mrs. Henry Parker, city, underwent an operation Wednesday of last week.

T. B. Shaw, of Dickens, underwent an operation Wednesday for last week for a ruptured appendix.

Mrs. H. F. Teague, city, underwent an operation Tuesday.

Lee A. Allen, city, is improving.

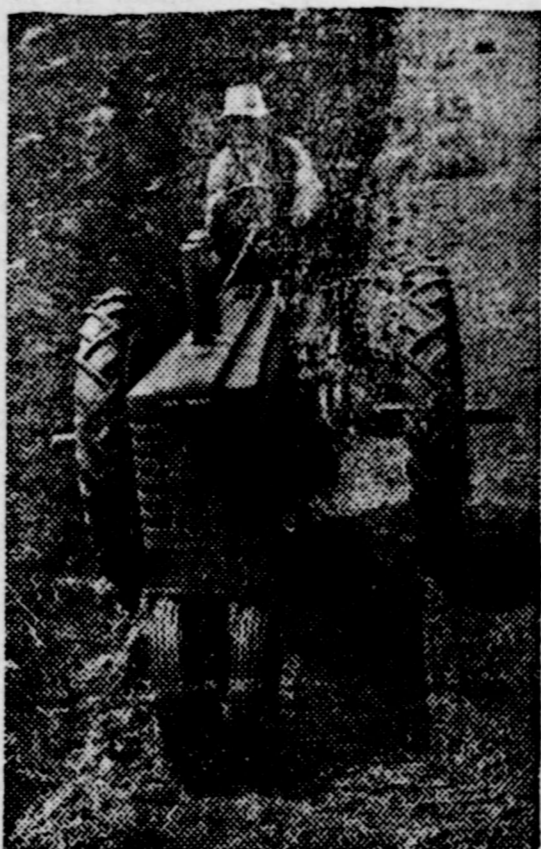

Mrs. J. L. Woods, of Roaring Springs, underwent an operation Friday night for a ruptured appendix.

Mrs. C. C. Robinson was able to return home to McAdoo Saturday.

Mrs. Howard Floy, of Afton, returned home Monday.

SPUR GINS GETTING BUSY

The six gins in Spur are growing more busy every day since the fair weather is very conducive to cotton picking. Cotton was selling at around 8.00 to 8.25 Wednesday with seed standing at \$18.00 per ton. The number of bales reported at four o'clock Wednesday afternoon was 825 ginned this season by Spur gins.
