WITH THE WILD CATS

BIRD NO. 2 SPUDED MONDAY
Drilling was started on the Bird No. 2 Monday and the work continues 24 hours per day. This well is located 360 feet southeast of the first well and is being started with a 1 1/2 inch bit. The hole can be carried to 5,000 feet if necessary.

Hanson and Anderson are financing the work and Andrew Urban has the drilling contract. Mr. Urban has been drilling oil wells many years and knows the work from every phase. He is using a No. 2A National rig, cable tools, and the power is developed from a four cylinder Buffalo gas motor of 100 horsepower.

They expect to drill the well to the 2,500 foot mark within forty days. That is the point where they hit a saturated formation in the Bird No. 1. However, they expect to drill to pay or make at least a 4,000 foot test.

The Gulf No. 1, Swenson, continues to drill in lime according to reports given out this week. They were at the 8,000 foot mark Monday at five o'clock and continue drilling, coring all the way down.

The Bond Jones, et al, No. 1, Foard Estate, in East Afton, are below the 3,200 foot mark and continue to drill. The formation is anhydrite and dolomite.

There is talk of another location being made and a new well started within Spur country. This project may be a month or more off yet, as it is an altogether new location from any mentioned.

General Election To Be Held Next Tuesday

Tuesday of next week, November 8, will be the big national voting day in the United States. The Constitution provides that the General Election shall be held on Tuesday after the First Monday in November of each even year. Next Tuesday we are to vote on all state officers to be selected by nominees of the various party organizations in Texas. Citizens of other states will vote on nominees.

The election officers for Dickens County have been selected by the County Commissioners Court as follows:

No. 1, Dickens—Cecil Meadors, presiding officer; assistants, Mrs. C. C. Cobb, Mrs. Robert Crawford, Pat Murphy and Lex Stanford.

No. 2, Midway—V. S. Ford, presiding officer; assistants, Ernest Noland and C. T. Burns.

No. 3, Afton—J. F. Young, presiding officer; assistants, J. T. Powell, Clark Forbis and Mrs. Byron Haney.

No. 4, Dry Lake—J. C. Dopson, presiding officer; assistants Mrs. Emma Russell and F. M. Casey.

No. 5, Red Mud—W. G. Hinson.

HOME-TOWN PHILOSOPHY

NONA—To get the most out of life, we've all got to be big enough and broad enough to overlook a lot of things in people which, to us, are shortcomings or undesirable qualities. The chances are that people in whom we see things are not aware of them. And we may be sure that they in turn also see things in us which they do not like.

E. C. McGEE—The only time some of us are any good at saving money, is when we haven't any.

RAY TAYLOR—One of the most destructive evils is slanderous talk. It breaks human hearts and ruins reputations with a ruthlessness unknown in connection with all other evils.

Spur Celebrates It's 29th Anniversary

C. A. Jones Was Founder of Town

Spur past its 29th anniversary as a town last Tuesday, November 1 and if those who were here when the town was started, they will be willing to admit that Spur has made some excellent improvements. The town was started November 1, 1909, and it was a full sized town from the very first day. The Spur Hardware and Furniture Company, Bryant-Link Company, Love Dry Goods Company, P. H. Miller Lumber Company, and many other well remembered firms were among the first to start business here.

C. A. Jones, the founder of the town, and often called the "Father of Spur," was in charge of the sale of town lots, and he remarked that when the town opened lots sold at the rate of one a minute for quite a long time.

Since that time Spur has done away with the muddy streets in the business section, where once were frame business houses today are found good substantial bricks, a first class water system with a million gallons per day capacity has been installed, a sewer system, two light and power systems, and most of all other modern conveniences. If Spur had natural gas the City of Dallas would not have a thing on Spur, and we will get the gas before much longer. It is well to take inventory of our town.

Bulldogs Training For Longhorns Fri.

The Spur Bulldogs are putting up every effort of training this week getting ready for the great battle of the season when the Flomot Longhorns visit Spur Friday afternoon. Neither team has lost a conference game during the season and the game Friday afternoon is to settle the question of which team will have to go against Lockney for the post season game for district championship.

The Longhorns defeated Matador's fast eleven last Friday afternoon to the score of 52 to 13. This was a big defeat for a team like Matador who have been district champions. The Spur game with Matador was 32 to 6 with most of the scoring in the last half of the game. The game at the close of the first half was 6 and 0. Spur defeated the Silverton Owls last Friday 32 to 6 and Silverton has a fast team, having met defeat only once before the Spur game.

Spur defeated the Longhorns at Flomot last year, but the Longhorns have retained most of their old team while Spur lost about eight of their best players. However, so far, the Bulldogs have proven about as good as they were last year, and to date have had no opposition of any great consequence. The game Spur played with the Lubbock Westerners was the hardest game of the year and the score was 7 to 6 in favor of Spur with the Bulldogs scoring in the last quarter. If the Bulldogs put up that hard defense Friday afternoon, the Longhorns are going to be in a hard place for winning. In fact, the Bulldogs and all the fans don't believe that Flomot can win over Spur if the Bulldogs get in action just right.

Coach Wadzeck stated Monday that all of the Bulldogs will be in fair condition physically and all of them will be able to play. There is not much difference in the entire squad and any eleven on the field will do good work. It is going to be the game of the season and all who want to see a real game should be there. The game will be called about 2:30 o'clock in the afternoon since Flomot refused to play a night game.

Spur Trades Day To Be Monday

New Features For Next Trades Day Program

The regular Trades Program and Bargain Day for Spur will be next Monday, November 7. The merchants are offering some very fine bargains in merchandise and people cannot do better than to trade in Spur with their neighbors.

There will be two programs Monday. One will be at eleven o'clock in the morning at the corner of Burlington Avenue and Fifth Street where Slim Foster sells hamburgers. There will be another program at four o'clock in the afternoon at the corner of Burlington Avenue and Harris Street. A nice program will be given and some presents will be given and some presents offered at both hours.

Another feature of the Trades Day will be the opening of Spur's Livestock Market. If you have any cattle you want to dispose of, bring them in Monday and take them to the McArthur lots near the Consumers Fuel Association, and at one o'clock Monday the auctioneer will start selling livestock.

A new era for Spur is starting just now, and it is hoped people will profit by it.

Business Men's Club Met Tuesday

The Spur Young Business Men's Club held their regular meeting Tuesday night to arrange a business program for the next month. The First Monday Trades Day was the first matter discussed and it was agreed to leave the matter up to the better Business Committee which is composed of C. R. Walthall, T. E. Milam and George Gabriel.

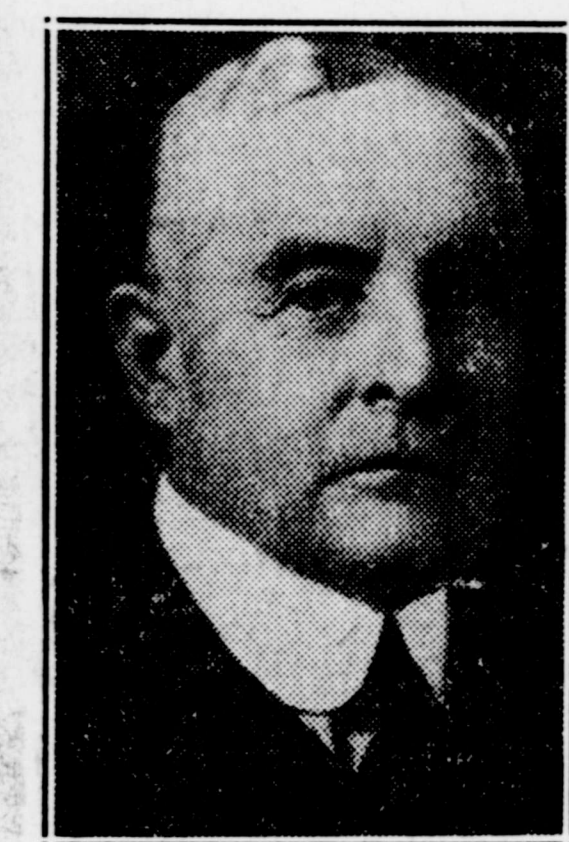

The proposition of cooperating with the local American Legion Post in regard to an Armistice Day Program was discussed at length. The Club voted unanimously to assist in whatever manner possible. A committee composed of Vascoe H. Ward, Charlie Powell and Bob Weaver was appointed to be in authority to act for the Club in that matter.

Every member and every visitor present signed a petition asking the City Commission to call an election to give the citizens of Spur an opportunity to vote on the question of a one mill tax to support the Spur School Band. That small tax will not work a hardship on any one and it will carry our school band through in nice condition. As it is the parents whose children are in the band are paying 75 cents per month to take care of the incidental expenses of the school band. Every time the town has asked for the service of the band the people have received that service, and it has been done on a number of booster day trips and other occasions. Under the tax the average person will not have to pay more than \$1.00 per year to help the band along. Any live, wide awake taxpayer will be willing to pay that amount to support a school band of the type that Spur has.

The Club voted to give the Spur Bulldogs all the support from the sideline possible in the game Friday afternoon. That is going to be the game of games for the Bulldogs, and they are going to do their best to win another game from the Flomot Longhorns.

American Legion Outlines Armistice Day Program

The Boyd M. Williams Post of American Legion and other ex-service men held a meeting in the Scout Hall Thursday night and outlined their program for Armistice Day. The ex-Service men program will be held in the morning, beginning about 10:00 o'clock.

A parade will start from the corner of Burlington Avenue and Sixth Street near the City Light Plant and will continue to the football stadium where the program will be given.

The afternoon will be taken up with the football game between Paducah and Spur, it being the regular Armistice Day game. This event was started two years ago and is expected to be carried on in the future. A number of Paducah Legionnaires will be present Armistice Day to assist with the exercises.

The following is the outline of the parade and program:

- I. PARADE
 1. Legion Color Guard.
 2. Spur High School Band.
 3. American Legionnaires and Veterans of other wars.
 4. Boy Scouts.
 5. Rotary Club.
 6. Young Men's Business Club.
 7. Pep Squad.
 8. Floats or decorated cars.
 9. School Children.
- II. PROGRAM
 1. "America" Band and Audience
 2. Invocation—Geo. S. Link, Sr.
 3. Music—Band
 4. Our Flag—R. C. Brown
 5. "My Buddy"
 6. Address—Rev. H. Gantz
 7. National Anthem—Band
 8. Taps

SPUR TO BE IN NEW ATHLETIC CONFERENCE

If the plans of the Texas Inter-scholastic League Executive Committee are carried out, Spur Bulldogs will be pitted against new competition next year, or rather against old competition returned. All those high schools that have an enrollment of 500 or more students will be known as Class AA schools, and Class A schools will include those high schools with an enrollment of 200 to 500 students. Spur High School will be in Class A according to the committee's rating.

Spur will remain in District 4, and will be associated with Crosbyton, Floydada, Lockney, Paducah, Ralls, Matador, Silverton and Turkey, making nine teams in the conference.

Stock Sale To Be Held Monday

The big new stock sales barn at Spur will conduct its first sale of livestock next Monday afternoon. This is a new business in Spur and will be known as the Spur Livestock Auction Company. A number of good sales people are interested in the business, not so much in a financial way, but as a matter of convenience and market for the livestock of Spur country.

The barn is being completed this week. In fact it was ready Monday except that the scales had not arrived, but they are being installed and will be ready in time for the sale next Monday afternoon. The sale will start at one o'clock Monday and continue through the afternoon and until all cattle offered have been sold. E. C. McArthur and Sons have built the barn, and Bradshaw and Ehresman will be in charge of the sale. C. T. Carpenter and Colonel Lynn, of Lubbock will be the auctioneers. The sale Monday will include cattle only, except where hogs may be worked in at intervals. No hogs will be loaded into pens, but will be sold from the trucks and trailers as brought in.

A nice gallery of seats have been arranged for the public. Around 400 people can be seated in the sales barn. No stock will be in the barn except as is brought in to be sold and then returned to the pens. Mr. McArthur stated that he is building 30 pens for stock and each pen will accommodate about 20 cattle. In addition he is building ten stalls for bulls which complies with the law of sales. A good chute for loading and unloading stock has been built, and there will be an extra gate where stock may be unloaded from trailers.

There are five alleys between the pens where stock may be driven through. All pens have gates of sufficient width to close the alley and permit the stock to enter the pen through the gate. This arrangement will keep stock from breaking back or going past the proper gate.

The auctioneer's stand will be located in the sales barn and all stock will be brought through one door and out the other door. The scales will be located in the building convenient for weighing all stock sold.

Mr. Bradshaw was in our city the last of the week and stated that they expect to conduct the business on the highest plane. Both he and Mr. McArthur stated that all ladies who desire to watch the sale are welcome, and they will be treated with the greatest respect.

The sale for cattle will be held next Monday, and will be part of the First Monday Trades Day at Spur. Bring (Continued on Page 6)

Rep. C. L. Harris Returns From Austin

Representative and Mrs. C. L. Harris returned Wednesday from Austin where they had been the past several weeks attending to government matters. Mr. Harris stated that the various committees had settled certain government expense appropriation and had cut down the overhead at the capital about \$6,000,000 for the next two years.

He stated that Governor Nominee W. Lee O'Daniels is expecting to ask the State Legislature for something like \$40,000,000 in appropriations the first day he gets to be governor. Mr. Harris said he did not know what would be the outcome, but that he is of the opinion that the Legislature will try to be a little more conservative than the Governor nominate desires.

The Representative is expecting to spend a few weeks here visiting over the district before he returns to Austin. His idea of the government is that members of the Legislature are in closer touch with the people than is the Governor, and he said he wants to know the will of the people of his district when he returns to attend to his official duties in January.

Ivy Murdoch, of Jayton, was attending to business in Spur Thursday of last week.

Kalgary Lady Wins First Place

We offered a years subscription for the best answer to this question, "Why is a woman like a newspaper?"

Here are some of the answers: "Because they are thinner now than they used to be."

"Because they are well worth looking over."

"Because they carry the news wherever they go."

"Because she tells all the latest news."

But the one to win the subscription by Billie Jordan of Kalgary was this:

"Because every man should have one of his own and not run after neighbors."

If you haven't paid your subscription come in and do so now. The Dickens County Times is said to be one of the best weekly newspapers published. First in readers, first in advertising and first in news.

Bulldogs Prove Too Much For Owls

Although showing much speed and excellent teamwork the Silverton Owls fell short of the Spur Bulldog's goal in the fast game Friday afternoon at Silverton. Spur received the kickoff and went in for a series of line plunges and making five first downs. Eventually the Bulldogs went over for their first counter. The kick was blocked by Perry.

Silverton received and attempted a pass which fell into the hands of Haralson. Spur tried two downs and suffered a 5-yard penalty. Spur kicked out of danger, and Hill lost the ball to Spur. Spur in turn lost the ball at the 2-yard line and Silverton made a first down. Owls tried two downs and then kicked to 40-yard line. Bulldogs made two first downs and Haralson made a run to the 15-yard line. Spur attempted a pass and O'Neal took it in and the Owls kicked to their 30-yard line. Spur lost the ball again and the Owls completed a pass to the 50-yard line. Spur suffered 5-yard penalty, and the Owls tried two passes but failed. They kicked to the 5-yard line. Spur returned the ball to their 45-yard line and the half closed with the ball on Spur's 48-yard line.

Spur received and the ball went down at their 25-yard line. Spur made a first down and was going good for a second first down when Haralson got loose for a 54-yard chase for Spur's second counter. Completed the extra point for a score of 13 to 0.

Owls received and the ball went down at their 32-yard line. They completed a pass for 12-yards but suffered a 5-yard penalty. Silverton kicked to Spur's 40-yard line. Spur made three first downs. Haralson got loose at the 20-yard line for a third counter. They failed to convert. The score was 19-6.

Spur received and went down at their 32-yard line. They suffered 5-yard penalty, and then made four successive downs. Wilhoit got loose through the line and went over for Spur's fourth counter. He plunged

over for the extra point, making the score 26 to 6.

The Owls received and the ball was on their 10-yard line. They failed to make a first down and kicked to their 42-yard line. Spur failed to complete a pass. They made a second attempt and the Owls intercepted it at the 30-yard line. The Owls made a first down but suffered a 15-yard penalty again. They went the arial route again but Bell hauled down the pass for a nice gain. The Bulldogs made two first downs and Haralson got loose and went over for Spur's fifth counter. They failed to convert and the score was 32 to 6.

Silverton received and went down at their 30-yard line. The Owls kicked to Spur's 30-yard line. The Owls suffered two consecutive 5-yard penalties, and the game closed with the ball in Silverton's territory.

Downs: Spur, 17; Silverton 1.
Penalties: Spur three for 15 yards; Silverton, five for 35 yards.

Officials: Referee, Vaughn of WTSTC at Canyon; Umpire, Poole of McMurry College; Head Linesman, Cross of Hardin-Simmons University.

Moves To Abilene

Mr. and Mrs. H. L. Underwood moved the latter part of the week to Abilene, where they will be engaged in the Hely Sely Laundry business.

For the past seventeen years Mr. and Mrs. Underwood have lived on their farm six miles, west of Girard. He has rented his farm and will give the laundry business a trial.

Mr. Underwood was in Spur last week and came in the Times office and had his paper changed to his new address, saying that he wanted to keep up with the happening out here.

Delicate surgery on embryonic salamanders will be one of the features exhibited by the University of California at the California World's Fair. The surgery will produce "normal" specimens with many eyes and several legs.

Funeral Services Held For Mrs. Lucy Mayfield in Girard

Funeral services were conducted at the Girard Baptist Church for Mrs. Lucy Bush Mayfield last Thursday with Rev. J. V. Bilberry of Spur officiating. Mrs. Mayfield was born in Lovington, Polk County, Texas, February 14th, 1868. She was converted to the Christian religion in the year of 1895 and was a member of the Church of God.

Miss Lucy Lela Bush was married to the late B. F. Mayfield, August 10, 1882. To this union eleven children were born, of all whom are living. They are; Mrs. Claude Darden, Lubbock; Mrs. J. C. Sprout's, Jayton, Mrs. Carl Cox, Chelsea, Oklahoma, Mrs. Virgel Peak, Girard, J. F. Mayfield, Abilene, W. G. Mayfield, Bentonville, Arkansas, J. E. Mayfield, Girard, E. A. Mayfield, Lubbock, Bush Mayfield, San Antonio, Frank May-

field Clairmont, Wayne Mayfield, Girard. All were present for the funeral services except W. G. Mayfield and Mrs. Carl Cox. Also surviving are twenty-three grandchildren and two great grandchildren.

Mr. and Mrs. Mayfield came to Kent County in 1902, establishing a store down on Little Duck Creek, known as Old Clipper. They were the first to establish a business in Jayton and also Girard. They believed and practiced honesty and always wanted everyone to have a square deal. Mr. Mayfield preceded Mrs. Mayfield in death a number of years ago.

Mrs. Mayfield had been in failing health for some time and last Wednesday night when she passed away she had a smile. Her body has gone from us, but her life will live on, for the good she did while here.

Interment was made in the Girard cemetery beside her husband.

Spencer Lisenby, who has been employed in South Texas for the past several months, returned the first of the week.

We pause in memory of Spur's 29th anniversary. Let us not forget the pioneers of our town

Red Cross Drive To Start Soon

"A larger Red Cross membership more in proportion to the population of Texas is necessary for expansion of services within the state this coming year," Spencer Campbell chairman of the Dickens County chapter, said today. He pointed out that Red Cross membership in Texas now represented 2.9 percent of the population while nationally the enrollment has risen to 4.38 percent.

Mr. Campbell expressed confidence that an increase of more than 50,000 members will result when the 239 Texas chapters offer residents in every community an opportunity to join the Red Cross this coming Roll Call, from Armistice Day to Thanksgiving. Last year, 172,067 Texans answered the Roll Call of their local chapters, an increase of 36,000 over the preceding year.

"Local chapters are dependent upon their membership enrolled each year for volunteers as well as for funds to carry on disaster relief and other Red Cross safety, health, educational and welfare services in their respective communities," Mr. Campbell said. "The greater portion of membership funds are retained by the chapter for use locally in its community and only fifty cents, not fifty percent of each membership, is paid to the National Organization for administration of Red Cross work throughout the nation.

"This national allotment also reverts back to Red Cross work in individual communities," Mr. Campbell explained. "In the last three and one-half years to date, for example, the National Organization made \$253,773, available to supplement the \$172,146 raised within Texas for emergency relief and rehabilitation of Texas families stricken by disasters occurring in this state.

"During the first nine months of this year Red Cross assisted 3,029 Texas families, which included more than 13,000 persons, who suffered losses following six tornadoes and three floods. The \$65,125 contributed by Texans was supplemented by \$56,017 from National Organization funds to provide the necessary medical care, food, clothing, shelter, replacement of household goods, livestock, implements and other equipment to enable stricken families to again establish themselves on a normal living basis.

"Equal assistance made possible by division of membership funds is forthcoming to local chapters in all other Red Cross services. The National Organization provides experts to extend first aid and life saving programs; trained personnel to administer welfare work among U. S. Army and Navy service men, veterans and their families; and service directors to assist chapters in developing needed Red Cross services within their territories.

"It is this national aspect of the Red Cross that makes it possible to render immediate and effective aid to communities stricken by major disasters, such as the recent New England hurricane and the Ohio and Mississippi river flood of last year.

"Texans have demonstrated their willingness to assume responsibility through the Red Cross whenever disasters have reached proportions of a major calamity," Mr. Campbell said. "Assistance given after the San Saba river and its tributaries inundated bordering counties last July was a case in point. Opportunity will be given more Texans than ever before to actively share in this work through out the coming year during this approaching Roll Call."

Mrs. E. L. Caraway and Mrs. B. F. Hale returned the first of the week from Fort Worth, where they attended the football game between T.C.U. and Baylor, and visited with their son and daughter, Bill Caraway and Miss Helen Hale, students in T.C.U.

Afton People Hold Golden Anniversary Baptist Church Ceremonies Last Sunday

The membership and the people of the Afton community joined in a great all day program Sunday in memory of fifty years of a church organization there. The Baptist Church at Afton was not only the first church organized in that community, but so far as is known, was the first church organized in Dickens County. The program began with the Sunday School hour in the morning and lasted throughout the day. The ladies of the community prepared and served a most delicious luncheon at the noon hour. As always, Afton does things in a big way.

Walter B. Gates, one of the charter members of the church was present and was asked to say a few words. Mr. Gates stated that there were three families in the community who had church letters and felt the need of a church. He stated there other families situated a few miles away who came in with them. He stated the three families were Rev. W. J. Gates and family, Mrs. Gilbert's family, and Mrs. H. Alford's family. He said he could not give all the names of the charter members, but there were only a few people in the entire country.

The church history was given by Mrs. Luther Stark. She gave the first minutes of the church which stated that it was the Patton Springs Baptist Church of Christ. It was organized August 18, 1888, with Rev. W. J. Gates as moderator, and Walter B. Gates acted as clerk. There were two additions to the church the first year and two additions the second year. Frank Clifton and N. Dodson were the first deacons ordained by the church and this service was held May 8, 1892. Rev. W. J. Gates served as the first pastor and was in charge of the ordination services and was assisted by C. D. Lampkin and Lewis Johns. Fourteen new members were added during that year.

The church sent a petitionary letter to the Stonewall County Baptist Association in 1894, the church voting such letter August 12, of that year. They were accepted and sent messengers to the next associational meeting. Rev. D. James became pastor of the church in 1894 and Rev. S. A. Cobb was called in 1897.

The Sunday School work in the church had been only at intervals. Walter B. Gates served as the first Sunday School superintendent. He went to work on the Matador ranch and the Sunday school work went down. Rev. M. F. Druary was called as pastor in March 1901, and he was greatly interested in the Sunday School work. The school was organized with R. C. Loyd as superintendent and Mrs. Willie Allen as secretary. Teachers were: George Loyd, Bible Class; Mr. McAllen, Intermediates; Lucius Hale, Primary and Mrs. Pearl Hale, Card Class.

The first Workers conference was organized August 13, 1907, and much time was devoted to reading the Bible. 23 members were added during the years 1901-02. The church grew in numbers and interest, but the church records was lost by fire covering period from 1909 to 1927. The lumber for that building had been hauled from Abilene in 1888.

Among pastors who served the church were:

V. G. Cunningham 1904 to 1906.
G. I. Brittain was called in 1906, but did not accept.
J. V. Bilberry, 1906.
Rev. Jenkin, 1907.
A. P. Stokes 1911 to 1918.
H. L. Burnam, 1918. Others were W. E. Duke, F. M. Medlen, Louis Stegall, W. M. Scott who was pastor in 1927.

Victor Crabtree was called in 1928 and during his time the first B. Y. P. U. was organized. He served until 1931.

H. T. Harris 1931 to 1934.
L. W. Hardcastle was called in 1934 and was ordained a minister while serving as pastor. He gave up the work to enter Baylor University, and H. C. Bristow was called. In 1937 Ray Stephens was called as pastor and the church went on full time, Rev. Stephens and his wife devoting all their time to the church now.

The records of last Sunday showed more than 180 in Sunday School with a collection of around \$75.00. There are 192 members in the church now and 16 of them are tithers.

A full program was carried out starting Saturday night with addresses by J. V. Bilberry, A. P. Stokes, and a sermon by L. W. Hardcastle. Alvis Hicks conducted the song service. Sunday morning was Sunday School and sermons by Victor Crabtree and H. L. Burnam. A good lunch was served at the church.

Sunday afternoon the charter members were recognized, and then all former members present were given recognition. Rev. Stephens, the pastor, then asked all present members present to stand.

Song service was led by Rev. Hardcastle, who had come from Waco to be at the home-coming of the church. Special music was rendered by him and by Mrs. Walter B. Gates, of Whiteflat. Mrs. Luther Stark gave the church history and the program was closed with a sermon on "Heaven" by Rev. G. I. Brittain of Plainview. Rev. Brittain agreed to remain over and preach to the church Sunday night. He is 83 years young and was among the first ministers in West Texas.

Utilities And Government Put End To Battles

As peace with honor to both sides is predicted between the government and the public utilities, the plight of our West Texas Utilities Company can be discussed without prejudice. While it escaped the general wrath issuing from Washington, the company suffered indirectly from the name-calling that so often failed to discriminate between wrong-doers and right-doers.

It is undisputed that WTU was among the first to meet all regulatory requirements, both state and federal, and that the pioneer West Texas institution long has been viewed as a model operating company. Its rates, in addition, are well below the net average of all municipal, politically-operated plants in the state of Texas according to the last report of the Federal Power Commission.

The magazine, Business Week, outlines the peaceful settlement between government and the electric industry and quotes a U. S. treasury official, John W. Hanes, as saying: "The price of war is too great."

"There have been a lot of informal conferences between utility men and key officials in Washington," the magazine reports. "The result is that at least an important part of the utility industry manifests sincere hopes for a broad, reasonable, and lasting settlement."

Seen as a basis for the settlement

is the new program of national defense under which the transmission line type of electric service assumes greater importance than ever before. A billion-dollar expenditure on steam generating plants is talked and emphasis once again is placed on the service rendered by the private companies.

"In the conference," Business Week announces, "the talk has been of wide interconnection of properties for war preparations. This means a lot more than mere interconnection of lines within a single system. It contemplates interconnection of separate systems. Above all, it looks toward hooking the private companies onto the lines of the government's big power projects—which would seem to imply a strenuous curb on federal competition with private companies and some retreat from yardstick rates."

This, apparently, bears out contentions by the private companies that hydro-electric power systems must be backed up by steam units due to frequent droughts which result in failure of water supplies for such ventures.

The two big points in the peace moves, says the magazine, are, first, national defense can be used to bring all factions together without loss of face to either side, and, second, long strides have been taken by the power companies toward voluntary compliance with federal regulation.

Explaining the setup under which the West Texas Utilities Company operates, W. R. Weaver, local manager, said the company is incorporated under the laws of Texas and all its officers and directors are West Texans living in the towns it serves.

Officers are Price Campbell, president; F. W. Schroeder, vice-president; Dan A. Gallagher, secretary-treasurer; and R. M. Wolfe, auditor.

Directors, in addition to the officers, are P. W. Campbell, Chas. W. Hobbs, Dan R. Junell, W. G. Swenson, and J. M. Wagstaff.

A majority of the company's preferred stockholders live in West Texas. Recent auditing reports show that no money has left the state for common stockholders, or the holding company, in more than eight years.

The company last year paid over \$453,000 in local, county, state and federal taxes and over \$1,200,000 in wages to the thousand-odd employees it maintains.

The silver anniversary of the organization was observed in 1936 marking a quarter century of service to West Texans. Its first transmis-

sion line was built in 1915—from Abilene to Merkel. It since has extended high lines over a wide, but sparsely populated, section of West Texas and now covers 40,000 square-miles of territory where it serves some 36,000 homes—giving it an average of less than one customer to the square mile.

The company was unaffected by the recently inaugurated wage-hour law, both because of contentions that it is not engaged in interstate commerce and because its hours-times-wages are above the standard required by the new statute as interpreted by the administration.

Contributions of Western States to the automotive industry will be depicted in the Ford Building at the 1939 California World's Fair.

Polychrome glass is being used as the media to create a huge, transparent trade route map of the Pacific area for exhibit at the World's Fair of the West.

A question box will be provided at the dental exhibit at the 1939 California World's Fair, and dental problems will be answered without charge.

Alaska, America's last frontier, were men fight to the death for the wealth of Artic seas and women follow them into unbelievable hardships for the sake of love, forms the glamorous background of "Spawn Of The North" which comes to the Palace Theatre preview Saturday night, and Sunday and Monday. Three favorite stars, George Raft, Henry Fonda and Dorothy Lamour, together with a comparative newcomer to the screen, Louise Platt, play the two leading couples in the picture. Raft and Fonda will be seen as two life-long friends who become enemies when frontier warfare is declared between fishermen and salmon-pirates. Another newcomer to the screen will be seen in "Curly" the trained sea-lion who furnishes the comedy, and, incidentally, almost 'steals' the picture.

IN MEMORY OF J. W. DAVIS

God has called him from this earth. He'll be with us no more; He is singing with the angels. On Heaven's golden shore.

He was a true and faithful father A tender, loving friend; There is no one can take his place No, never any other.

He did not fear at all to die, The thought of death was sweet; He knew that Jesus would be near To lead him on the golden street.

Do not weep for him, dear ones. He is where there is no pain; Weeping, sadness, sorrow, anguish, He will never know again.

Sweetest peace is ever with him He is resting now above; In the arms of blessed Jesus; In the sunlight of his love.

There on flowery hills of pleasure, In the fields of endless love; He will be with Christ forever, In the shining courts above.

Let us then be true and faithful Let us pray for evermore. That we'll meet him with the angels On Heaven's golden shore.

By a loving friend,

The Fords Tell Their Plans for 1939

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

IF WE KNEW anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements... a new tool and die plant that will help us cut the cost of dies... and a steel press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller. Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser.

We have not cut quality to reduce costs. We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

Funeral For Campbell Infant Wednesday

The infant son of Mr. and Mrs. Vernon Campbell passed away early yesterday morning after having lived thirty-three hours. The baby was born Monday but did not survive and passed away Wednesday morning.

Funeral services were held at the residence of Judge and Mrs. V. J. Campbell at 510 North Williams Avenue yesterday afternoon at three o'clock. Rev. J. E. Harrell, pastor of the Methodist Church, was in charge of the services. Interment followed in Spur cemetery with Ward's Funeral Home in charge of arrangements.

The little one is survived by its parents, grandparents, Judge and Mrs. V. J. Campbell, and an aunt, Miss Thelma Campbell of El Paso.

SPUR'S FIRST AUCTION

(Continued From Page One) your cattle to Spur to sell and save the distance that you travel to other towns. The horse and mule sale will be held Friday, November 18, at the same barn. It is thought best not to mix cattle sales with horses and mule sales. But after the first horse and mule sale there will be a sale every week thereafter, and it is hoped people will take advantage of this opportunity.

GIRARD YOUNG FOLKS ORGANIZE NEW CLUB

Last Wednesday night, October 23, sixteen young folks from Girard met at the home of Werdna Lee Beaver and organized a club which will be known as the Happy-Go-Lucky Club. It was decided that the club would meet twice each month at the homes of the various members. The following officers were elected:

President: Vertie Mae Phipps, Vice-President: Werdna Lee Beaver, Secretary and Treasurer: Lilla Dean Blackwell, Sponsor: Mr. and Mrs. Coy Jenkins.

The following are members of the club:

B. SCHWARZ & SON OFFER TRADES DAY BARGAINS

When it comes to offering people real merchandising bargains, the firm of B. Schwarz & Son will be found in line. They have a full page of advertised bargains this week which should be a great inducement to people to be in Spur next Monday and take advantage of them. B. Schwarz has a big store full of new, up to date merchandise for sale, and people can buy their dry goods and clothing needs at the bottom prices Monday. Look over their list and make your selections before coming to town, and you will save time. See their ad in the Times.

Mrs. John A. Moore, Sr., received word Wednesday that her father, J. R. Sloan, was in a serious condition in a Fort Worth hospital. Mr. Sloan is a resident of Jermyn.

Mr. and Mrs. W. S. Campbell and daughter, Mis Bonnie, spent Sunday, in Slaton, the guests of Mr. and Mrs. Webber Williams and children.

NEW READY-TO-WEAR AT HENRY ALEXANDER & CO.

Henry Alexander & Company is offering a fine line of new ready to wear merchandise for next Monday. Your attention is called to their advertisement this week in the Times, and there are many other items you will want to inspect. They are selling the latest in high class ready to wear at prices that should be within the means of every one.

SPEER'S 5c TO \$5.00 STORE OBSERVING NATIONAL ADVERTISING WEEK

In an ad found elsewhere in the Times this week Speer's 5c to \$5.00 store is observing National Advertising Week. They are carrying an unusual line of national products. They are also featuring a line of holiday merchandise. They have just received a new line of ready-to-wear and invite the buying public to visit their store.

F. G. Alexander, Haskell mayor and pioneer citizen, and father of our local citizen, Henry Alexander, is seriously ill at his home, suffering of a heart attack. Mr. Alexander left Wednesday afternoon to be with him.

Mr. and Mrs. Bill Walton and Miss Reta Mecom, spent Sunday in Jayton, visiting with Mrs. P. A. Mixon. Mrs. Mixon is the former Miss Sis Rose, she spent the past week in Jayton visiting with her parents and other relatives and friends. Her home is in Ballinger.

Ford Brings Out Two New Cars

Miss Jeffalonia Alexander, of Jayton, underwent an operation Thursday for appendicitis, and is getting along fine at this time.

Carl Holcomb, of Wichita Falls, underwent an operation Friday morning, having an eye removed. He seems to be doing all right.

Miss Mildred Vinson, of Girard, underwent an operation Monday and is getting along very nicely.

Mrs. C. H. Spraberry, city, entered the sanitarium Sunday as a medical patient, and seems to be improving.

Mrs. T. F. Robinson, city, who has been a medical patient in the sanitarium the past ten days, seems to be improving slowly.

Cleveland McCombs, of Kalgary, returned to the sanitarium Sunday night for treatment, and is a very sick man. He had undergone an operation some weeks ago and thought he was strong enough to go home, but had to return.

A. F. Darden, of Croton, who was a medical patient, left the sanitarium Saturday night. He was able to be back in town Tuesday and said he was feeling fine except weak.

Mrs. G. A. Benham, of Afton, was a medical patient in the sanitarium Monday and Tuesday and returned home feeling much improved.

T. L. Owens, of Gilpin, was a medical patient last week and returned home Friday feeling greatly improved.

Joe McCallum, of Clairemont, was in Saturday for an X-Ray examination, and was glad to learn there were no fractures.

Baby of Mr. and Mrs. Ray Bailey, of McAdoo, was brought to the sanitarium Friday for treatment. It seems to be getting along all right.

Alvis, Hamm, city, had an X-Ray examination of his hand Monday which is badly infected.

F. O. Brittain, city, is suffering from a badly infected foot and is having it treated at the sanitarium.

The East Ward Parent Teacher Association wishes to thank all who cooperated in their Hallowe'en Carnival Saturday.

B. Schwarz and Son donated many things. The Red Front Drug Store made a large donation. Riter Hardware not only donated the building, but other supplies as well. Gruben Drug and Jewelry Store made a helpful donation. The City helped with wiring the building. Speer's Variety 5c to \$5.00 Store, City Drug, Sanders & Chastain, and many others responded willingly.

Patrons, too numerous to mention donated materials, cakes, and pies; and gave their time.

Mr. Thomas gave us the use of the High School corn popper and loud speaker.

The teachers, janitors and Mr. Benefield worked cheerfully and hard in making the carnival a success.

All of this we deeply appreciate. \$63.78 was made on the carnival. This will be used in improving the stage and the grounds of the East Ward School, and in meeting other budget expenses.

Mrs. O. C. Arthur, President East Ward P. T. A.
Mrs. Malcolm Brannen.
Mrs. John King, Jr.
Mrs. Jasper Wood.
Members Finance Committee.

WHITTACRE-MILAM'S MANY WEEK END SPECIALS

Whittacre-Milam, Spur's New Variety Store, is offering to the buying public this week many bargains. They also are featuring their lay-away plan for those who are interested in doing their Christmas shopping early.

They have new holiday merchandise arriving daily and ask that the people of Spur and Spur's trade territory to come in and look their stock over.

BIG 88c SALE AT THE FAIR STORE

The Fair Store is offering many specials in their ad on the back page of the Times this week. This is their regular 88 cents sale. Mr. Gabriel stated that new winter merchandise was arriving daily and that they were showing one of the most up-to-date lines of merchandise to be found anywhere. Read the many bargains that you can buy at the Fair for 88 cents. And don't forget to meet Mrs. Louise Harvey in the ready-to-wear department, and let her show you, just the thing that you have been wanting for your winter wear.

Mr. and Mrs. Hollis Atkerison, spent the week end with relatives in Henrietta.

The two finest Ford cars in the 35 years of the company's history will be given their first public showing tomorrow (Friday, Nov. 4) in dealerships throughout the country. The cars are the 1939 Ford V-8 and the 1939 DeLuxe Ford V-8. They are individually styled. Both are of compelling beauty. Both have hydraulic brakes.

Introduction of the new Fords climaxes a year of activity which saw the company embark on its current plant expansion program, bring out its entirely new Mercury 8, and establish the Lincoln-Zephyr still more firmly as the acknowledged style leader in the automobile industry.

NO. 3 COUNTY WARRANTS—

Gave Peeper A Chase, But Dogs Interfered

Rev. C. R. Brown returned home Thursday night from the American Legion meeting to find a prowler at his home. As Mr. Brown drove up and stopped his car the man was on the front porch when first seen. The prowler tried to hide behind some small shrubbery at the south of the home, but Mr. Brown chased him out of his hiding and several blocks down the street. He was never able to get close enough to identify the party.

From description given by others in the town the same party was seen at a number of other homes. No one seemed to know him, and supposed him to be some one straggling through the country.

Mr. Brown stated that had the dogs not been running after him that he intended to chase the prowler down and turn him in to the officers but the dogs thought it a great game and took after Mr. Brown. He could not fight off the dogs and keep up in the chase and the prowler got away.

Man Getting Chickens Stopped; Turns On Owner

E. C. McArthur was awakened last Thursday night by Mrs. McArthur who told him some one was stealing their chickens. Mr. McArthur jumped up and put on his shoes, took his gun and started out toward the chicken yard. He saw a man going into the alley with several chickens in his arms and had some in a sack.

Mr. McArthur told him to stop which he did. The chickens were dropped and the man remarked to Mr. McArthur, "You wouldn't shoot a fellow", and started toward him. Mr. McArthur asked him to stop a number of times and then shot, ranging the shot downward. The man continued to go toward Mr. McArthur and when he got close enough Mr. McArthur punched him in the face with the gun and knocked him down.

The man gave up and Mr. McArthur took him to the hospital to get his wounds dressed, and then turned him over to the Sheriff's Department. The man received a flesh wound from the shot in the calf of his leg, and a very bad wound about his eye when Mr. McArthur knocked him down with the gun. He is reported getting along very well at this time.

A number of people in the community lost chickens last week. H. C. Foot, J. C. Payne and several others reported the loss of chickens the week preceding the capture of this party. Evidently the man was stealing the chickens to sell as he could not have eaten the number taken from Mr. McArthur in a reasonable time unless there were a number of others to join in the feast.

Chicken stealing in Texas is a felony under the law. The court is waiting for the prisoner to recover sufficiently to be given an examining trial.

Mrs. Demp Sims, of Afton, was a shopper and visitor in Spur Monday.

Mrs. Jimmie Smith, of Lubbock, spent the week end here with Mr. Smith and friends of the city.

Confederate Soldier Passed Away Wed.

B. D. (Uncle Ben) Uselton passed away at his home one mile west Glenn about eleven o'clock Wednesday morning. He is a step father to Mrs. W. H. Springer and John Hughes.

He was born in Tennessee May 18, 1840, and spent his boyhood in that country. He enlisted in the Confederate Army May 23, 1861 and served in Captain Frank Webb's Company. He was wounded at Atlanta six months before the close of the war and was in a military hospital at Chattanooga when the war closed. He is the last Confederate Soldier in Dickens County.

The body was prepared for burial by Ward's Funeral Home. It was conveyed by ambulance to Antelope about 21 miles northwest of Jackboro, leaving early this morning. Funeral services will be conducted by Rev. Earl Patton, of Gainesville. Interment will follow in the Antelope cemetery with Ward's Funeral Home in charge of arrangements. Mr. and Mrs. M. A. Lea accompanied the family. They are lifelong friends to Mr. Uselton.

Mr. Uselton had no family of his own but he did a father's part to the two stepchildren.

KALGARY NEWS

Mrs. Jennie Ethel Kennedy, of Dallas, returned with Goodwin Hale, son of Mr. and Mrs. B. C. Hale, Saturday. Goodwin has been in the Dallas sanitarium for some time undergoing medical treatment. Mrs. Kennedy will visit her brother, Bob Hal, and family for a few days.

DeLuxe Beauty Shop Sold to Mrs. Murphy

Mrs. Loretta Beeson and Miss Dorothy Garner sold the De Luxe Beauty Shop Wednesday to Mrs. Donnis Murphy, of Afton.

Mrs. Murphy comes to Spur well recommended as an operator. She will be assisted by Miss Anna Mae Jackson, of Roaring Springs.

The De Luxe Shop is on one of the oldest beauty shops in Spur and under the efficient management of Mrs. Beeson and Miss Garner has enjoyed one of the biggest businesses in their line.

Miss Garner plans to go away to school and take a brush up course in the latest and modern methods of beauty work.

DOGS MAKE GOOD SHOWING IN CHASE

When the Oklahoma-Texas Wolf Hunters' Association held their annual chase recently, one Dickens County citizen was greatly concerned. This chase was held on a 44,000 acre ranch near Childress and wolf hounds from all over the Southwest were entered in the chase.

Milt Good, of Dickens, entered brought back a trophy. It requires good hounds to enter a chase that lasts over a period of several hours and probably requires a distance of 150 miles. The coyote runs at greater speed than does a hound, but the endurance of the coyote is not so great and soon he begins to tire and eventually gives up or finds a hole in a bank where he takes refuge.

Mr. Good made a good showing at the chase held at Childress recently, even if his dogs did not win first honors.

MOTLEY COUNTY ATTORNEY BURIED WEDNESDAY

C. B. Whitten, 55, county attorney and former county judge, died Tuesday evening in a Matador hospital following an appendicitis operation.

Mr. Whitten had attended business Monday and was stricken that afternoon. He had insisted on walking to the hospital, but was advised against it by physicians.

Mr. Whitten was manager of the Matador Hotel. He served two terms as county judge and had been county attorney several years. He had lived in Matador approximately 30 years.

NOTICE

Afton Baptist church will vote Sunday, November 6th to build a new church. Every member is requested to be present.

Ray Stevens—Pastor.

Old Times Were Good Times

Spur has a birthday. Our business was born with Spur, the same time the town was born. Those were good days, but many things are better now.

We built the first brick building in Spur, built our home and prepared to live and do business out in this, then big cow pasture, paid two-bits a barrel for water and many other inconveniences were ours, but we lived through it and had a pretty good time helping build a town.

We have enjoyed many years of prosperous business, also some very bad droughts and other discouragements. We helped finance thousands of farmers, who came here short of funds. Most of them were fine and appreciative, some forgot to pay or apparently to care. Yet we are happy that we are here and that we did our best to be a worthy institution.

To our many old friends and customers, some who yet owe us bills they cannot pay, come to see us, spend your cash with us. We like you and hope you like us. We need your business. Our new location is not so good, but we feel that we can serve you better and cheaper. We carry a full line of general hardware, John Deere tractors and farm machinery, do tin and plumbing work. We have just received a new stock of Queen ware, new in style and pattern, cheap in price. We carry Delco Radios, Aladin Lamps, Florence, Perfection, Carrogas, Duotherm and other oil cook and heating stoves. We have always featured quality merchandise and still think the best is the cheapest.

We believe in our country as a Nation and this part of it as a good place to accomplish thing with the knowledge we have gained by the experience of the years in farming, we feel this country should become a successful farming country. There is much to be hoped and be thankful for.

Your friend for twenty-nine years. Come to see us.

ular session last Monday with a number of members and one visitor, Mrs. Mitchel of Dallas. In the business meeting it was voted for Mrs. Amos Isaacs and Mrs. Fay Cox to take the parts that were signed to the McAdoo W.M.U. to take part at the District W. M. U. to be held at the Central Baptist Church at Lubbock Tuesday. All members and many of the McAdoo citizens will be glad to hear that all of the names for the quilt they have been working on have been collected and some have already been embroidered on the blocks.

Mr. and Mrs. George Archer and Mrs. Roxie Lewis made a business trip to Spur Wednesday.

Mr. and Mrs. Gene Bass were in Lubbock on business Tuesday.

Mrs. Harold Hardy was taken to Lubbock to the Lubbock Hospital where she was operated on for appendicitis last Friday morning. Mrs. Hardy was in perfect shape for the operation and is doing nicely now. Her sister, Mrs. Taylor, has been teaching in her place for the past few days. The doctors think Mrs. Hardy will be back in school soon.

Charlene King of Kearney Springs spent the week-end with Mrs. Lewis and children.

Mr. and Mrs. W. I. Moore, Hazel and W. H., and Mr. Rigsby returned home Saturday after attending the funeral of Mrs. Moore's and Mr. Rigsby's mother, Mrs. Rigsby, who had made her home with a son in Arkansas.

Lawrence Fox took his baby to the doctor at Lubbock one day last week. The baby is doing nicely now.

The Home Demonstration agent for this county, Miss Jean Day, was in McAdoo last Tuesday.

Ray Bailey's little girl was taken to the Spur Hospital one day last week after drinking some kerosene. She reached the hospital in plenty of time and is doing fine.

Mr. M. H. Steadham, uncle to Mr. Ben Steadham, died in Lubbock last Wednesday. The funeral was held at Crosbyton and was attended by many of the friends of Mr. Ben Steadham who grieved to depart with their old friend. Mr. and Mrs. Ben Steadham and little daughter were present at the funeral.

Mr. Budy Allen is extending all farmers who are interested in the new silo, an invitation to come and visit his. Mr. Allen has already filled two silos with ensilage this fall. A large number of Tech students were home over the week-end. They were Reed McLaughlin, France McLaughlin, Weldon Jones, Emma Pipkin, Nuge Rose, Juanita Rose.

Elder and Mrs. J. A. Branaman and daughter, Jackie, spent the week-end in Runnels County and Coke County visiting their daughter and sister, Mrs. Loyd Jackson and family, and Mrs. Branaman's brother, Mr. O. T. Jennings. They also spent part of Saturday at the Fairland Association Fifth Sunday Meeting at Bronte where they visited many old friends.

Raymond Jennings, a nephew of Mrs. Branaman's, who has been visiting the Branaman's for the past few days, accompanied them and will remain with his uncle for some time.

Miss Katherine Rose, teacher of Home Economics in Ralls, visited in the home of her parents and grandparents, Mr. and Mrs. A. C. Rose and Mr. and Mrs. Taylor Rose over the week-end.

Ruth Ward, who is working in Lubbock, visited in the home of her parents, Mr. and Mrs. Irvin Ward the week-end.

Mr. and Mrs. Edward Robertson, who are attending Texas Tech, were visiting in the home of Mr. Robertson's parents over the week-end.

Miss Daisy Jo Rose and Miss Eugenia Butler gave a Halloween party for the Juniors and Seniors in the home of Mr. and Mrs. A. C. Rose last Friday evening. A number of quiet games were played before refreshments of cocoa and cookies were served to the following guests: Mr. and Mrs. Archer, Mr. and Mrs. Butts, Mr. Davis, Ruby Barton, Bobbie Dillon, Dessie Mae Wallace, Wanda McLaughlin, Daisy Jo Rose, Eugenia Butler, Jack Graham, Harold Brantley, Weldon Ward, Ikey Barton, Charles Owens, and Junior Rose, a seventh grade pupil.

Every one reported a wonderful time.

A large crowd was present at the Carnival last Saturday night with all their money and noise. Everyone enjoyed the many booths such as the spook-house, the faculty museum, a country store, and many others, and then spent their last nickle (maybe not that bad) to see the numerous stunts put on by the high school classes and the various organizations, and to see the Queen crowned. A prize was given to the three best stunts, first prize going to the Home Economics stunt, second to the Junior stunt, and third to the F.F.A. stunt. The queens, or candidates for queen, were all dressed alike in old-fashioned dresses. They stumbled and tripped up the aisle with their

escorts and awaited their trial, or rather the final reports of the election. The queen selected from the six candidates, Miss Erna Mae Brown, Miss Ruth Ward, Miss Margie Jones, Miss Rose Mary Buckner, Miss Estelle McLaughlin, and Miss Doris Jean Potts, was candidate for the first, second, third and fourth grades.

Since most of the school children were taking part in putting on their particular booth, most of the money taken in was from outsiders. The approximate amount taken in was one hundred and ten dollars. The school wishes to thank everyone for taking part in this carnival whether you helped in a booth or spent all your money.

GONE DEER HUNTING

Mr. and Mrs. R. T. Barlow, J. P. Carson, Jr., Mr. and Mrs. K. C. Heffner, of Clovis, New Mexico, left Sunday for the mountains in New Mexico, where they will hunt deer.

Mr. and Mrs. Cecil Scott, Mrs. Truett Hutto, Mrs. T. E. Milam, Miss Ruth Maples and Red Hurst, attended the football game in Lubbock Friday night, between Lubbock and Plainview. Neither team had been scored on this season. It was a fast game from beginning to end, the score being 6-0 in Lubbock's favor.

Farmall House Completes Moving

The Engleman Truck and Tractor Company completed moving their stock of merchandise from the old location on Burlington Avenue to the new home on Highway 18 just west of the Hilltop Service Station. The business is now housed in a large oval top building where there is plenty of room for a big stock of tractors, trucks and parts. In addition there is a large service department where farmers may get their Farmalls and other tractors repaired and made almost like new.

In securing the new location Mr. Engleman acquired a nice tract of land where he can take care of a number of stock. Farmers who want tractors and have mules, horses, or cattle, can make a deal with Mr. Engleman to take them in as a payment on a tractor and he has a place to take care of them.

The building is not quite completed but Mr. Engleman invites the public to visit his new location and look it over, inspect his stock of tractors and learn about his business.

Buck Taylor, of the West Pasture headquarters, was attending to business here Saturday and visited with friends.

Miss Dorothy Garner and Miss Mary Lee Cherry spent Tuesday in Lubbock attending to business and visiting with friends.

Truett Hutto spent the week end visiting with his parents, Rev. and Mrs. G. C. Hutto and children in Elk City, Oklahoma.

Enjoys Visit of Children

Rev. and Mrs. H. L. Burnam enjoyed a great treat Sunday by having at home three of their older children. Those present were Mr. and Mrs. Travis Burnam and two children of San Diego, Calif., Mr. and Mrs. Roy Mitchell and baby, of Dumont; and Mr. and Mrs. Hoyt Burnam of Matador. Two sons were not able to be present. These were J. S. Burnham of San Diego and Cecil Burnam of Farwell.

Mr. and Mrs. Travis Burnam arrived the first of last week and will remain here until the last of this week. It has been several years since they had been home on a visit. Mr. and Mrs. Hoyt Burnam came down from Matador Saturday afternoon and Mr. and Mrs. Mitchell came from Dumont Sunday morning.

The homecoming was greatly enjoyed by Bro. and Sister Burnam. A number of neighbors were present with them Sunday, and a big dinner was enjoyed.

VISITED IN ROSWELL, N. M.

Mr. and Mrs. Will Garner and daughter, Miss Dorothy and Mr. and Mrs. Luther Jones, spent the week end in Roswell, New Mexico, where they met Red Garner and Luther Jones, Jr., students in the New Mexico Normal at Las Vegas. The Las Vegas college and the New Mexico Military Institute played football at Roswell.

Mr. and Mrs. R. T. Barlow and Dr. and Mrs. N. A. Brown, of Cisco, returned the latter part of the week from a visit with Mr. and Mrs. K. C. Hefner at Clovis, New Mexico. Dr. and Mrs. Brown visited here before returning to their home in Cisco.

Mrs. Mary Grace Reed returned to her home in Dallas after spending the past week here the guest of her cousin, Mrs. R. E. Dickson, Mr. Dickson and Miss Lillian Grace. Mrs. Dickson accompanied her to Abilene the latter part of the week, where she visited with her son, Ray Dickson.

Report on County Cotton Ginnings

According to reports released by the Federal Bureau of Census there have been 13,354 bales of 1938 cotton ginned in Dickens County. The report had been based on statistics gathered up to October 18. This was quite a lot more than that reported one year ago which gave 7,877 bales in the county as of that date.

Kent County reported 4,844 bales for this year at the same period and 3,208 bales one year ago.

The fair weather of this fall has greatly enhanced the harvesting of cotton and has made ginning very favorable.

Mr. and Mrs. Dick Sampson, were in Spur Saturday shopping and visiting with friends, from their ranch home in Kent County.

Buys Juarez Cafe

Virgil Dement and Cloma Randall made a deal last week whereby they became the owners of the Juarez Cafe in the south business section of Spur. Both of these young men have been in Spur country for a number of years and are well known to a great number of local citizens.

They have placed their business on a par with any of its kind and expect to conduct a business to give their friends the best of service. They state they will appreciate their friends visiting them and buying a good dinner at their cafe.

Mr. and Mrs. Robert Cannon and little son, of the White River community, were among the crowd of shoppers and visitors in Spur Saturday.

Movie News and Views

By RUTH MAPLES

Well, folks, here we are again with what's going on at the Palace Theatre. Showing for the last time to-night (Thursday) is Joe E. Brown's newest comedy riot, "The Gladiator"—Joe doesn't look like a super-man, but—he can carry the ball unaided through the entire football team! He can break every record in track and field, without even gasping for breath! He can wrestle Mar Mountain Dean to a fare-thee-well! There's enough laughs for a dozen comedies and enough romance to thrill every fan! Be sure and see "The Gladiator" tonight.

Friday, "The Assassin Of Youth" will be shown. This picture deals with the evils of Marihuans, and its effect upon our youth today. Because of the subject of the story itself, and the frank manner in which it is handled, "The Assassin Of Youth" is not recommended for children, and will be shown to adults only.

Western melodrama at its best—swift, action-packed, suspenseful, spiced with romance, and filmed against backgrounds of grandeur and beauty of the Painted Desert—such is George O'Brien's new picture "The Painted Desert" which will be on the screen Saturday. There is plenty of action of the high-speed variety usually associated with George O'Brien in this story dealing with the hard-fought struggle to retain ownership of a valuable with the hard-fought struggle to retain ownership of a valuable mine in Arizona. Saturday's theatre fans wont be disappointed in this bill-of-fare of action and romance.

George Raft, Henry Fonda and Dorothy Lamour from Hollywood's trio as the cast leaders in "Spawn Of The North." Paramount's preview Saturday night, and through Sunday and Monday. It's reckless drama, as savage and rugged as the untamed North where it was filmed. The Alaskan fishing industry forms the background for "Spawn Of The North," the strangest, most heart-rending adventure ever to surge in molten fury across the screen. Harpoon guns roar—knives flash—fists fly—as men ready and reckless as the untamed North fight for the booty of the ice chocked sea! Here is robust drama from the land of the thundering glaciers where love, like life, is tough and swift. "Spawn Of The North" offers the theatre-goer everything they are looking for—scenery of magnificent grandeur—

action that is swift and thrill-packed and romance that is strange and tempestuous. You'll get your ticket's worth when you see "Spawn Of The North."

There are four heroines in "Broadway Musketeers" which flashes on the screen Tuesday. A uniquely dramatic story, packed with those precious ingredients of entertainment—comedy—romance—and pathos—it is first rate fare for everyone. The Musketeers of the title are Margaret Lindsay, Ann Sheridan and Marie Wilson—and there's another young actress who will come in for a goodly share of the glory—Janet Chapman, a tiny six-year old troupier with a wistful grin.

And we couldn't quite without mentioning Jane Withers' new picture "Keep Smiling" which comes to the Palace next Wednesday and Thursday. Jane says—"When the world start's kickin' you around—keep Smilin'—but don't forget to kick back."

The management of the Palace wants to know how you're getting along with the Movie Quiz Contest—so if you'll take your Quiz Book around to the theatre and let them check it, and if you've answered questions on ten Quiz pictures, your book will admit you and your guest for one paid adult admission to see Jane Withers in "Keep Smiling."

MRS. J. P. CARSON, JR. HOSTESS TO TRIPLE TREY CLUB SATURDAY—

Mrs. J. P. Carson, Jr., entertained members of the Triple Trey Club and guests Saturday afternoon at the home of Mrs. J. P. Carson, Sr., Halloween decorations were used and a delicious salad plate was served at the conclusion of the games.

Mrs. Mark Wadzeck scored high and received a prize.

The guest list included Mesdames L. D. Ratliff, H. B. Thompson, Mark Wadzeck, Pike Nichols, Charles Taylor, C. F. Hardwick and William Leach.

Mrs. Della Merriman, of the Twin Wells community was among the shoppers in Spur Saturday.

THURSDAY BRIDGE CLUB MET WITH MRS. O. C. THOMAS—

Mrs. O. C. Thomas entertained the Thursday Afternoon Club. A Halloween motif was carried out in decorations, tallies and refreshments.

Mesdames F. W. Jennings, B. C. Langley, Neal A. Chastain, Clifford B. Jones, M. C. Golding and Ty Allen were members present and Mesdames Ray Taylor and E. D. Engleman were guests.

PRIVATE WEDDING—

Saturday evening about nine o'clock at the home of Rev. and Mrs. W. B. Bennett, Jo Bridges Junior, and Miss Dorothy Kidd, both of near Roaring Springs were united in marriage. Rev. W. B. Bennett officiating. The groom was reared and educated where he now lives, and is the son of Mr. and Mrs. Joe Bridges, pioneers, a well-known and highly esteemed family. He is a young man of noble character, industrious and dependable. He is a Christian and owns his home, is capable, and we feel sure that he will make his bride a good husband. The bride's parents have recently moved into the community, and she is an educated and accomplished young lady, and Mr. Bridges is to be congratulated in obtaining her hand. Both of them were dressed nicely, were proud of each other, and seemed very happy, a splendid looking couple. They will soon move into their home a few miles west of Roaring Springs, and we join their many friends in wishing the happy couple a long and happy life together.

Mr. and Mrs. C. D. Copeland, of the Red Hill community, were in Spur Saturday attending to business and greeting friends. Mr. and Mrs. Copeland are building a new residence on their farm, which will be one of the most modern farm homes in the county when completed.

**Spur Girl Enrolls
At Texas State
College For Women**

Miss Billie Louise Powell, of Spur, is one of the 2700 girls now enrolled at Texas State College for Women. Final tabulations show that the school is again the largest residential woman's college in the United States, with students from 220 Texas Counties, 26 states and 7 foreign countries.

Now classified as a Freshman Miss Powell is doing her major work in the Department of Interior Decoration, and is the daughter of Luther Powell. T. S. C. W. students will have their first holiday November 5, for the A. & M.-S. M. U. game in Dallas, other holidays being scheduled for Thanksgiving, November 23-28; Christmas, December 17 to January 2; and Spring, April 6-12.

**A.C.C. Planning For
Big Homecoming**

With A. C. C.'s football team in the race for the Texas conference championship, the first time in several years, interest is running high in the annual homecoming slated for November 11 and 12.

Crutcher Scott, president of the A. C. C. ex-students' association, announces the program plans are well under way for this yearly festival of the college. Featured in the two day's activity will be the Abilene Christian Wildcat's football game with Daniel Baker on A. C. C.'s new football field.

The program consists of the traditional bon-fire built by the freshmen of the school in skyscraper style, 7: P. M. Friday, with the pep rally following. First thing Saturday morning will be the chapel program at 9:30 followed at noon by the seventh annual West Texas barbecue with everyone invited to be guests of the college. The football game is set for 2:30 on Morris Field.

The "C" club banquet and the ex-student's meeting to elect officers for the coming year, are foremost in Saturday night's program with arrangements to be announced soon on banquets by other organizations of the college in honor of their old members who will be visiting the campus during the two day affair.

Mrs. Bill Sauls, of Dumont, was in Spur the last of the week, visiting with friends. Mrs. Sauls was a pleasant caller at the Times office and had her paper changed from Shallowater to Dumont, where they moved recently.

Mrs. Cecil Fox, supervisor of the local sewing room, attended a open house meeting of this district held in Lubbock, Saturday.

Mrs. Mike Young, of Swenson, visited with friends here the last of the week.

W. J. Collier, of the Afton community, was a business visitor in Spur, the last of the week.

**Antoinette 'Umph'
Tops All Queens**

You may take the word of John Barrymore that Marie Antoinette had more 'umph' than any woman in history.

"Glamour, personality, 'umph' give it any name you will, Marie Antoinette had it. No age has had a corner on that indefinite quality, but it has always consisted of some vital inner spirit which dominated the whole woman."

NORMA SHEARER and TYRONE POWER
in "MARIE ANTOINETTE"...the intimate life and loves of the beautiful girl they called "Madame Devill-Moy-Care", searching for the love her strange marriage could never give!

"She was without care, as full of spirit as some wild, untamed, animal life to Marie Antoinette was something to be lived and enjoyed. She drained her cup to the bottom and then asked that it be refilled. Her loves were many, her beauty great; in a period distinguished for beautiful women, she was queen of them all.

"Marie Antoinette will be shown at the Palace Theatre at an early date. Watch for further announcements.

Credits

Credit is a fine thing to have when properly handled, and not abused and as requested I am giving a few lines touching on the past, and trust that my experience will be worth something in aiding those who need credit as well as call to the attention a few facts for those who have abused their credits and helped to retire some of the best business men of our town. I want to impress the readers that I am not trying or stating that people as a whole are not interested in paying their obligations, I realize that at times conditions have made it hard for the best paying people to meet their obligations. But on the other hand, we have people that obligate themselves to pay in thirty days and other terms that if they would stop to think it is impossible for them to carry out the obligation. We have others that make a obligation with the intent to not pay at the time of purchase. Credit as a whole in the last few years has been greatly shortened by wholesale concerns caused by the neglect of people not meeting their obligations as promised on longer terms and this has shortened credits as a whole to a point that the whole credit structure has been changed so that it is now necessary for farmers and others who depend on Government loans as other loans are not to be had.

In recent years we have had many changes that it requires more money to meet the needs of the average family, and yet the returns of the average line of occupation is no greater, and since we all realize this to be the case it is going to be necessary in maintaining the proper credit standing to think a little more of the future if we are to be able to meet our obligations promptly, and in whole. That we make depending on the returns from crops and other sources.

The merchant, doctor and all kinds of business have their taxes and other demands to meet just like the individual, and they depend on their collections to retire their obligations in the same way that others have to do.

We have recently established in Spur a reporting agency that will be in position to check the manner that people handle their credit. This will be very beneficial to the community in placing credits where they should be placed and relieve merchants of a lot of losses that in the past have been a great burden to the welfare of the whole community. Farmers can procure information on the standing of their renters, and renters can find out something of the standing of their landlords. It is a mutual business to handle business on a business basis and to relieve the country of losses that are to be sustained in many ways.

Respt. yours,
C. L. LOVE.

Luther Edwards, of Dickens, was a business visitor in Spur Saturday.

Visited Aged Uncle

C. C. Haile, of Afton, was in town Saturday and stated that he had returned from Tahoka the first of the week where he had visited an aged uncle, J. B. Haile. Mr. and Mrs. Haile drove to Tahoka Saturday afternoon and spent Sunday with their uncle. The uncle is 82 years of age and is the only uncle Mr. Haile has on his father's side of the family.

The uncle was born in Missouri in 1856 and came to Grayson County during the Civil War. He moved away from his people and none of them had seen him since 1884. Mr. Haile learned about his uncle through Wylie Stafford who had been over at Tahoka about two weeks before. Mr. Stafford was in a barber shop when the elder Mr. Haile came in and they engaged each other in conversation and learned of the relationship. Mr. Haile has been alone several years. His wife and two sons passed away, and he has only a daughter living of his family.

These Letters

. . . from people you know attest its GREATNESS!

It is my sincere hope that every man, woman, boy and girl in Dickens County may have the privilege of seeing the show, "Boy's Town" that is to be at the Palace Theatre soon.

I am familiar with the true story on which the picture is based and have read the critics reviews of the picture itself. It is exceedingly entertaining, and in addition, is clean and wholesome from beginning to end. Everyone who sees the picture will be more appreciative of boys and more cognizant of the responsibility each grown person has to the boys in the community.

In my official capacity, in the capacity of President of the Spur Rotary Club, but more particularly as the father of two boys, I heartily endorse this picture to the people of Dickens County.

Sincerely,
ALTON B. CHAPMAN

It is fine to know that you have billed for the Palace Theatre the wonderful picture, "Boy's Town." I had an opportunity to see this picture a short time back and consider it the best picture I have ever seen. The theme of the story is that there is no such thing as a natural bad boy and that any boy with proper surroundings and the proper friends will develop into a good and useful man.

It certainly fills one with the desire to do something for the little under-privileged fellow with whom we come in contact daily. We are glad that you are to have the picture for three days and hope that everyone within the Spur territory will avail themselves of the opportunity of seeing "Boy's Town." I most certainly will see it again while it is being presented here and will, at my first opportunity, visit Boy's Town, Nebraska, where this wonderful work for the boys of the land is being done.

Very sincerely yours,
R. E. DICKSON

I am looking forward to seeing your coming picture, "Boy's Town."

Knowing that this picture deals with delinquent boys, I wish that every person in this country could see the picture and could learn the lesson it teaches, that one dollar spent on keeping a boy from becoming a criminal is worth ten dollars on him after he has become a bad man.

Perhaps there is no such thing as a 'bad boy.' We who work with juvenile cases and who see these neglected boys undergo a change and become an ordinary boy when they are given the attention they deserve, doubt if any boy under 14 years of age can be a 'bad boy.'

With kindest wishes, I am,
Sincerely,
MARSHALL FORMBY

For its exciting story alone, you will enjoy "Boy's Town" . . . For the splendid performances of its two great stars, it will be one of the most important pictures of the year!

But for its truth—for its earnest, compelling, deeply emotional 'humanness'—you will remember "Boy's Town" long after your last chuckle at its warm humor has faded—long after you have wiped your eyes of the tears that flowed so proudly when you thrilled to the tale of Father Flanagan, the fighting priest and 'Whitey,' the tough kid 'born to be hung'!

We're proud of "Boy's Town." Proud that it is our privilege to bring it to you for Three Days starting Sunday, Nov. 13th. We recommend it unreservedly to you as one of the finest pictures we have ever played.

Sincerely,
C. F. HARDWICK, Mgr.
