WHOLE NUMBER 733

WITH THE WILD CATS

The Gulf No. 1, Swenson, 15 miles southwest of Spur, is drilling below 8104 feet. The formation continues lime.

The Dawson No. 1, Hagins—eleven miles southeast of Spur suffered some delay on account of casing. Work is going on now and the drilling is progressing nicely.

The Bond Jones, et al, No. 1, Foard Estate suffered a delay the first of the week. Work has been steady there and they are around the 3,450 mark.

The Hanson and Anderson No. 1, Bird, eleven miles west of Spur, is around 300 feet now. Several days delay resulted because part of the 12-inch casing could not be secured.

The Dolman No. 1, O'Keefe, has been idle for several weeks and no report has been sent in about it this week.

The Humble Company has made a location on the Matador land in the Croton community, about 18 miles northeast of Spur. The location is near the center of Section No. 26 of the Shock and Arnold Block. It is about three miles east and one and one-half miles north of Dempsey's Gin at Croton.

Ward's Funeral Home Re-Arranged

The Ward's Funeral Home is undergoing some changes and improvements at this time. The work room and ambulance room at the rear have been cut off with a partition. The display room is now private with a partition on the north side, making a hall from the office to the work room. A display canopy has been arranged on one side of the hall and a room for caskets for infants is adjacent to this canopy.

The chapel room is being treated with a new coat of paint, the walls in buff and the ceiling in white. New draperies have been placed at the front windows which makes the chapel more private. The family room has undergone some new arrangements which has added much to the accommodation to the people.

Stealing No Asset To The Community

The report comes that a number of tools and other equipment about the various wells drilling for oil in the community are being taken by parties. One driller reported quite a loss in fuel oil for his engine.

First, it is no recommendation to any person to steal. He just says by his acts that he is not willing to be fair with his fellowmen and is willing to get his, it matters not in what way. Second, it is no asset to the community to have such people here, and the quicker they are made to feel they are not wanted the better off the community will be.

There is a third attitude that should be taken. One man is in jail now because he took some tools from a well, and those who are now practicing the same tactics will be caught in the course of events. They say the state penitentiary is not a very good boarding house, but a number go there because they do not respect the rights of others. The inmates there are not treated very courteously and have to work much harder and at the command of a guard. Let's treat the oil well people right. They are trying to help us.

Library Supervisor To Locate In Spur

Mrs. Myrtle Ford, formerly of Colorado, has been assigned this section of the state and will serve as Library Supervisor. She will have charge over eleven counties and will make her headquarters at Spur. Also, she wants an apartment and should anyone be able to assign her an apartment, try to get in touch with her.

District Interscholastic League Meets At Matador Monday Night

The executive committee for District 4-B held a very important meeting at Matador Monday night. Chairman J. W. Jones, of Lockney, presided at the meeting and about the first business to be discussed was the new athletic set-up of football for next year. As the new set-up has been recommended all present Class A schools will be known as Class AA and must have 500 or more pupils in high school. Then what is now called Class B schools will be known as Class A schools and must have not fewer than 250 nor more than 500 pupils enrolled in high school. Schools that have 150 pupils or more and not as many as 200 pupils enrolled in high school may petition the district executive committee for admission into the conference, and the district committee may vote them in.

The following schools in District 4-B will be eligible for Class A-A conference: Lockney, Floydada, Paducah and Spur. To these four schools are to be added Ralls and Crosbyton which are eligible for A classification. Matador asked permission to remain in the conference and the vote of approval was given.

The representatives of Turkey and Silverton were asked as to what they wanted to do, and they stated they wanted more time. Each of these schools have more than 150 high school students enrolled. The chairman ruled that the question is to be left open, and if Turkey and Silverton should ask for admission that the matter be taken up at that time.

The unanimous ruling was that Mr. Edwards is to act as temporary chairman and to call a meeting of the newly proposed district, but that said meeting not be called before Thanksgiving and the State Teachers Association is November 24.

It was agreed by the executive committee that the coaches of the various schools meet and select the all-star team in the district. They were authorized to select their chairman. It was agreed by the coaches that Coach Winters, of Floydada, serve in that capacity and call a meeting at the proper time.

Farm Program Meetings Are Well Attended Recently

A number of farm program educational meetings have been held in the different communities the past few days and the farmers, even though very busy, have attended in great numbers. Much interest has been manifested and two new community organizations have been made.

These new community organizations are: McAdoo with N. V. Cypert as president and Miss Eugenia Butler as secretary and reporter; and Espuela community with J. P. Sharp as president and Mrs. F. C. Crockett as secretary and reporter. It is hoped other communities will organize.

Meetings to be held this week are: Highway, tonight, Thursday. Dickens, Monday night. Wichita at the school house Tuesday night.

Soldier Mound, Wednesday night. All meetings start at 7:30 o'clock. Meetings are in cooperation with the Extension Service and Agricultural Conservation Committee with the County Agent in charge.

All-Electric Kitchen Coming To Spur The Latter Part Of Week

The West Texas Utilities Company is bringing to Spur Thursday and Friday of this week an all electric kitchen. This modern kitchen is built on a trailer and is complete in every detail.

W. R. Weaver, local manager, invites the public to come in and look it over. The trailer will be parked near the West Texas Utilities Office.

Mr. and Mrs. Pike Nichols and little son, Nicky, spent the week end in Abilene, with Mrs. Nichols' parents, Mr. and Mrs. Rufus Grisham.

HOMETOWN PHILOSOPHY

PAULINE CLEMMONS—If you must slander some one don't speak it—But write it—Write it in the sand, near the water's edge!

E. J. COWAN—The best compensation for doing things is the ability to do more.

BILL PUTMAN—Anyone can "start," but only the thoroughbred will "finish!"

V. V. PARR—Defeat, like a headache, warns us that something has gone wrong. If we are intelligent we look for the cause and profit by the experience.

NONA—It is a striking coincidence that "American" ends with "I CAN."

Legionnaires Stage Armistice Day Program, Parade

Armistice Day was celebrated as a period of peace with appropriate programs by Dickens County citizens. The Boyd M. Williams Post of American Legion sponsored the exercises which consisted of a parade up Burlington Avenue and a short program at the Spur Football Stadium, the parade beginning at 10:00 o'clock.

Post Commander Virgil V. Parr was in charge of the parade and served as master of ceremonies during the program. The parade was about one-half mile long and was composed of World War Veterans, Spanish-American War Veterans, The Rotary Club, Business Men's Club, individual citizens, school children from many schools and cars of different firms.

Past Commander W. R. Weaver took charge of the program at the stadium and introduced Commander Parr, who introduced the speakers. The invocation was given by George S. Link, Sr., just after the band had played America and those present joined in singing. The Spur school band and the Paducah School Band gave selections. R. C. Brown, Post Chaplain, gave a tribute to "Our Flag" and told the audience of its origin and what it should mean to the American people.

Commander Parr then introduced Judge Durward Bradley, of Lubbock, a World War Veteran, who made the principal address.

Judge Bradley spoke on the conditions of world affairs at this time. He stated that in summing up everything in every country, he believes yet that the United States is the best country in which to live. He outlined some conditions within this country which he stated will have to be stopped and the people will have to pay the price. He referred to the C. I. O. and other organizations of Fascist nature which he stated would tear down the American free country if permitted to do as they desire. He complimented the American Federation of Labor as a good organization that stands for American principles of Government.

The audience stood while the National Anthem was played by the Spur School Band. Then everybody faced West while Taps were given and the program closed.

About 2,500 people were present for the program, and the stadium was about two-thirds filled.

County Ginnings Report Released

Frank Watson, who is reporter for the Bureau of Census for Kent and Dickens Counties, has been authorized to release the ginning report as of November 1. Up to that date Dickens County had ginned 20,580 bales. The same date one year ago the ginning was reported at 16,007 bales.

In Kent County the report showed 6,860 bales ginned up to November 1, against 5,606 at the same date last year.

It looks like the ginnings in Dickens County this year will go close to 25,000 bales.

McAdoo Designates November 18th As Fair Day

Friday, November 18, is Fair Day at McAdoo for all farm men and women interested in the educational exhibits that are being shown. The demonstrations will start at ten o'clock in the morning and continue until four in the afternoon. Come any time during the day to see any of them, except the meat cutting demonstration, which has been scheduled for ten o'clock.

Mr. Walter Grist, Vocational Agriculture teacher, and G. J. Lane, County Agent, are holding the meat cutting demonstration in McLaughlin's store in McAdoo. There will also be two exhibits of meat storage ideas shown by Buddy Allen and Elmer Johnson. Remember, come early to see this demonstration.

Any time during the day it will be possible to see the other educational demonstrations at the various stores. Rug making and candlewick bed spreads will be in the McAdoo Mercantile store. A display of home-made Christmas gift ideas will be on display in the Drug Store. All the various kinds of yeast breads may be seen at Barker's Store. School lunch suggestions will be the exhibit in Eldredge's Store.

The Home Demonstration Club Women of the McAdoo community are sponsoring this Fair in the hope that it will be of some benefit to the people of the community.

Sales For Horses And Mules Friday

The first livestock sale for horses and mules to be held at Spur will be Friday of this week, November 19. Bradshaw and Ehresman will be in charge of the sale and it will be at the McArthur Barn and lots, just west of the Consumers Fuel Association.

There is plenty of lot space and if farmers and stockmen want to bring in horses and mules the night before, there will be no charges for the lots used. Carpenter and Lynn, of Lubbock, will be the auctioneers for the sale.

A number of buyers for horses and mules have stated their intention of being present at the sale to secure animals. Farmers and others who have livestock of this type for sale will make no mistake in offering them on the Spur market.

The sales barn has a seating capacity for 400 people and there is no reason why any lady should not feel free to attend any of the sales. Mr. Bradshaw has conducted the sales on a clean high-class basis, and this one will be conducted the same way. Bring in those horses and mules that you have for sale.

New Deal Grocery Buys Baby Beef

A very fine Baby Beef was offered for sale at the Spur Livestock sale Monday and the New Deal Grocery and Market bought it. W. R. Lewis, the manager of the New Deal, stated he was going down to buy that calf. He bid \$9.00 per cwt. for it in the ring and the calf was passed out. Mr. Lewis followed the owner out and raised his own bid to \$9.50 per cwt. and got the animal. In addition he gave the boys a little edge over the price bid.

Jesse Joe Powell, son of J. T. Powell of Afton, had fed the calf and it was one of the best. It was the Boy's 4-H Club project and he did a fine job. Mr. Lewis stated that the calf should have the best price possible on the market.

He has killed the animal and will offer the meats for sale Friday and Saturday. It is hoped the people of the town will try some real fine meats although the price may be up some, and thereby assist Mr. Lewis in helping this fine boy dispose of his calf. Mr. Lewis states that ten per cent of the sale of the meats will go to the Boy Scout work in Spur. Every member of the Rotary Club and every member of the local Post of American Legion will probably want to buy a portion of that meat since these two organizations sponsor Scouting in Spur. There are other people who appreciate good meats and will want to try some of that meat.

The meat will be on sale Friday and Saturday of this week.

Spur Wins On Charges Preferred Play Lockney Friday

One thing that took up most of the meeting of the district executive committee Monday night was a charge filed against the Spur Bulldogs. This charge was presented before the executive committee by Supt. B. F. Kirk of the Flomot school.

The charges were to the effect that Andy Hurst, backfield player for the Bulldogs is an ineligible player on the grounds that he represented Roaring Springs school in basketball during the school years of 1934-35 and 1935-36, that he later enrolled in Weatherford school, and then in Abilene schools and had been enrolled in Spur high school one semester before he began participating in football; that the rules require a pupil to be in a school one full year before he can represent that school in football or basketball.

Coach Wadzeck answered the charge reciting another rule, stating that Hurst had been out of athletics two years since he represented Roaring Springs and should be eligible to play in some school by virtue of that recess. He stated further that Hurst had regularly enrolled in Spur high school for the last semester of last year and had made his work which fulfilled the law which required a pupil to be in school the last semester of the term before the year he represents that school in athletics.

The executive committee went into executive session and discussed the matter from various angles. They felt that not enough evidence had been presented and stated that both Flomot and Spur would be given until one o'clock Wednesday afternoon to present their evidence before the committee.

Supt. Kirk and his assistant left at once for Austin to discuss the matter with the State Supervisor of Athletics. Supt. Thomas and Coach Wadzeck returned to Spur and collected such evidence as they could get relative to the condition and went on to Austin Monday night. They were in conference with the state supervisors Tuesday and returned Tuesday night in order to be at the trial Wednesday.

The executive committee ruled Spur eligible on the one year rule, after which Flomot preferred another charge on semester qualifications against Hurst. The committee ruled Hurst eligible on that point.

The above decisions left Lockney and Spur in a tie for honors and they play off the tie at Lockney Friday afternoon at 2:30. It will be a hot ball game.

One-Variety Cotton Meetings Today

A meeting will be held at Crosbyton at 2 o'clock this afternoon to discuss the merits and demerits of the program of a community planting a One-Variety of Cotton.

Also, another meeting will be held at McAdoo school tonight (Thursday) at eight o'clock for the same purpose. McAdoo farmers voted a One-Variety cotton for the community last spring and a great number followed up on the program. However, a spring hail broke into the program and they did not have a very fair opportunity to prove their project.

Mr. Miller, agronomist, and Mr. Lechte, gin specialist, of the State Extension Department will be at both meetings and will make some remarks about the plan.

These meetings have found to be of interest to ginners to cotton buyers as well as farmers, and people of these vocations have a cordial invitation to be present and speak on the subject if they desire.

Brunk's Comedians Here All This Week

Brunk's Comedians, who are showing in the big tent, across the street from the Ford Station, will continue with their high-class entertainment the rest of the week.

They have been enjoying a good crowd and giving a complete new program each night, at prices you can well afford.

Annual Red Cross Roll Call Now In Progress

The Annual Red Cross drive for membership is now on in Dickens County and quite a number are renewing their memberships and new ones are coming in. O. L. Kelley is Roll Call Chairman and there were 290 paid in the first two days. The quota for the county is 510 members.

The following persons are Red Cross workers for members: Dickens, Fred Arrington. Afton, Moyné L. Kelly and Mrs. Carl Randolph.

McAdoo, H. U. Butts and Mrs. Ben Eldredge.

Glenn, Mrs. H. E. Blenden. The following are the respective quotas:

Spur, 365; Dickens, 50; Afton 40; McAdoo, 40; Glenn, 15.

Mrs. D. A. Wilson and V. V. Parr did some work in the cause Saturday. Spencer Campbell is county chairman and Hobart Lewis is treasurer.

People are urged to get their membership fees in as early as possible. Half of the money is kept in the county to assist those who are needy and cannot secure medical aid in any other manner.

Stock Sale Brings Many People Here

The livestock sale Monday brought people to Spur from a great distance. They were here from Matador, Floydada, Vernon, Plainview, Amarillo, Benjamin, Haskell, Abilene, Lubbock, and a great many other points. In fact, there were more buyers for cattle than the supply would take care of. The market was high and the bidding was very active.

About 150 cattle were sold during the afternoon and it seems nothing was passed out, but the price was satisfactory and everything sold. There would have been more cattle offered Monday but a number of people acquired the idea that there would not be a sale, but there will be a sale every Monday for cattle and every Friday for horses and mules.

The peak of the sale was a Baby Beef offered by Jesse Joe Powell, of Afton, which eventually brought \$9.50 per 100. Jesse is a 4-H Club boy and the New Deal Grocery and Market bought the calf.

A number of hogs were sold after the sale of cattle had been concluded. Hogs brought a good price and most of those offered were sold.

Mr. Bradshaw of the firm of Bradshaw and Ehresman who was in charge of the sale, stated that people who bring cattle to Spur for the sale will not be out any fee for the use of lots. McArthur and Sons have plenty of lots and they are free to those who place livestock in the various sales. If cattle, horses or mules are brought to the sale the night before, the only expense is the feed bill, and people may buy their feed anywhere and do their own feeding. The sale for horses and mules will be Friday of this week and each Friday thereafter. Sale will start at one o'clock.

The next sale of cattle will be next Monday and every Monday thereafter, starting at one o'clock in the afternoon. Best of accommodations. Spur has good hotels and people who come to spend the night will find good accommodations.

Local Girl Is Given College Honor

Annie Laurie Lewis, daughter of Mr. and Mrs. W. R. Lewis of Spur, Texas has been selected as one of the Abilene Christian College senior students to receive membership in the Alpha Chi, national scholastic fraternity.

The A. C. C. James A. Garfield chapter of the national organization once a year selects the few highest members of the junior and senior graduation classes in scholarship. There are certain character requirements that must be passed also before receiving this high honor.

Dr. Paul C. Witt, head of the A. C. C. science department, is sponsor of the local organization with Trentie Birchitt serving as permanent secretary.

Bulldogs Win Over Paducah Dragons 27 to 0 In Armistice Day Contest

An alert Spur High football eleven boomeranged Paducah's Dragons vaulted aerial attack to win an annual Armistice Day Classic game here Friday, 27 to 0.

Spur scored twice in both second and fourth quarters. Taking to the air on their own accord in the second period, Wilhoit uncorked a 25-yard pass to Hurst over the goal line for the first counter. Haralson's kick was low.

Again in this quarter, Murphy, Spur's utility man playing guard, intercepted a Paducah pass and raced 35 yards for a touchdown. Bill Haralson kicked extra point.

In the last quarter the Spurs drove to the five-yard marker on a pass from Haralson to Wilhoit. From there Haralson skirted end for the third tally. His placement kick for extra point was good.

Late in the game, Hurst ran to the three-yard line on an off tackle slant and Wilhoit plunged it over to end the scoring for the day at 27, as Haralson's kick was in the middle for extra point.

Using reserves freely, Coach Wadzeck's team was never threatened by the air-minded Paducah's who tossed a total of 26 passes. Spur intercepted six of these heaves, one for a touchdown. And knocked down 10 for incompletes. Gibson, a Sammy Baugh quarterback, and Thaxton, a receiver, were the big guns in the

Dragon offense. Bodenheimer, a scrappy tackle, was the spark in the line for the visitors.

A. Hurst, starting the game at tackle, along with Murphy, Ousley, and Smart, turned in bangup games. Murphy, who plays just about anywhere he is needed, got a majority of tackles and showed up well in stopping the aerial attack of the Paducah Club. Jack Powell, tackle, played his best game of the year.

Garner, who usually clears the way for his backfield mates, did a bit of running on his own Friday and picked up much yardage for the Dogs. Little Charlie Hurst and Bill Haralson, the twin jackrabbits of the Spur secondary were outstanding. And good old Pete Wilhoit, the iron man was in the game plenty strong all the way.

The Lineups: (Spur) Powell, Culbert, ends; York, A. Hurst, tackles; Ousley, Murphy, guards; Smart, center; Haralson quarterback; Garner, Hurst, halfbacks; Wilhoit, fullback. (Paducah) Thompson, Stinson, ends; Cranford, Haynes, tackles; Handley, Sublett guards; Lee, center; Gibson, quarterback; Thaxton, Mobley, halfbacks; Best, fullback.

Substitutions: (Spur) Bingham, tackle; Powell tackle; Sparks, quarterback; Morrison, fullback; Bell, center. (Paducah) Foster, halfback, Ellis, end; Bodenheimer, tackle. Officials: Pool (McMurray) referee; Best (Plainview) linesman, Walker (Plainview) field judge.

Mr. and Mrs. Leslie Crump, of the Kalgary community, were among the shoppers and visitors here Saturday.

Miss Rita Mecum, spent the week end in Quitaque, the guest of Miss Sybil Hazel.

Local Farm Debt Committee To Meet November 18th

Any farmer who is in need of Farm Debt Adjustment work should meet with the FDA committee in his respective county on the 18th of this month. The Dickens County meeting will be held in the FSA office at Spur in the Spur Security Bank building, at 3 p. m. The Kent Co. meeting will be held in the County Agent's office at 9 a. m.

Any farmer who is being pressed on some debt and needs advice concerning same or any creditor who problem with a farmer should get in needs assistance in working out his touch with the committee in his county on this date, or see A. A. McKimney, Rural Supervisor Farm Security Administration, Dickens, Kent and King Counties.

Those serving on the committee in Kent County are Jimmie M. Johnston, Jayton; Thos. P. Johnston, Jayton; and James A. Parks, Girard. Farmers in Kent County are advised to get in touch with either of these three, and try to reach some satisfactory agreement with their creditors. Farmers in Dickens County should get in touch with W. J. Collier, Atton or H. A. C. Brummett of Dickens for any assistance they might need in working out some satisfactory plan for settlement with their creditors.

Gone Deer Hunting

Bill Putman, of the Mission Service Station, P. Y. Springer, of Matador, left Monday for Pecos, where they joined W. W. Samples and party for a deer hunt in the mountains near Van Horn.

Mr. and Mrs. R. E. Armstrong and children, of Lubbock, spent Armistice Day visiting with her parents, Mr. and Mrs. W. A. Harris, of the Espuela community.

Mr. and Mrs. Loyd Wolfe, spent Sunday in Lubbock, visiting with their son, Mr. and Mrs. Cecil Wolfe.

High School Presents Armistice Day Program

The High School pupils, under direction of Miss Birdwell, presented a very fine program at eleven o'clock Thursday morning. The entire program was for commemoration of Armistice and that our nation is at peace today and has been at peace the past 20 years. Rev. J. E. Harrell pastor of the First Methodist Church, gave the invocation.

The program was in the form of a cantata with Miss Ruby Cowan acting as the reader. She was dressed as a nurse and her story rendered admonished all to work for peace. Appropriate patriotic songs were sung by a number of students back of the curtain, and different pupils appeared to give their talks in behalf of peace.

The last scene was the grave of the Unknown Soldier with a soldier at the right and a sailor guard at the left.

The visitors present were greatly surprised to know our High School could render such a program and complimented it greatly. The interest became so great that the school was asked to reproduce the program, and they did so Sunday evening at the First Methodist Church, Rev. Harrell assigning the preaching hour for the program.

Fred Christopher, of the Duncan Flat community, was in Spur Saturday greeting friends and transacting business.

Mrs. John Mocharnuk, of McCamey, spent several days here the past week visiting with her parents, Mr. and Mrs. Boley Williamson. Mrs. Mocharnuk is the former Miss Ruby Raye Williamson.

Mrs. S. T. Battles, of the Espuela community left the past week for an extended visit with her daughter in Huntington, California.

Neighbor Coach Praises Bulldogs

The following is a letter from Coach Durham, of Silvertown, which should be appreciated by all Spur people and should instill in them a little more pride in the Spur Bulldogs. The Bulldogs were at Silvertown October 28 and won a victory over the Silvertown Owls, but they found a game team to last whistle at Silvertown. Coach Durham was greatly impressed with the sportmanship of the Spur Bulldogs, and it is very nice of him to say what the letter below contains. The Owls went down in defeat, No, not defeat. They went down, but they will be on the job next year and the teams that have to play them had better be in good condition.

Silvertown, Texas
November 11, 1938

Dear Mr. Supt.:
I have forgotten your name, so please excuse my addressing you as "Mr. Supt."

In my position, I am always interested in the conduct of football boys on the football field and in other public places. And, especially am I interested in their behavior away from home.

This letter is a personal and a public compliment to you, your school and to Blackie for the splendid conduct of your football team when they were our visitors on Oct. 28th. Several times that the Spur football boys really acted as if they were gentlemen. When they were in our school building they were quiet and considerate.

I thought perhaps you would like to know this.

Very sincerely yours,
Aulton Durham,
Coach.

Burl Harrington, was transacting business here Saturday from his home on the Matador Ranch, near Matador. He stated that Mrs. Harrington and daughter, Miss Dorothy, were visiting with relatives and friends in Hobbs, New Mexico.

Rev. S. A. Logan Passed Away

Rev. S. A. Logan passed away last Thursday at his home on the Ray Stoneman place in Red Mud community. Mr. Logan had been ill for a long time but his demise was somewhat sudden. Funeral services were held at the Red Mud cemetery Friday afternoon. Rev. J. V. Bilberry conducted the services and friends were in charge of arrangements. Interment followed in Red Mud cemetery.

Rev. Logan was born March 31, 1875. He had been a minister of the Gospel for 29 years, and affiliated with the Baptist Church. His wife passed away several years ago and he later married a second time. He was the father of thirteen children seven of whom still survive.

The survivors are his widow, and children as follows: J. F. Logan of Edinburg, W. C. Logan, Fred Logan, and Mrs. Fred Taylor all of Petersburg; R. G. Logan of Sanger, E. R. Logan of Spur, and Jack and Kenneth Logan who were still in the family home. There are 18 grandchildren in the family.

Five of the children were able to be at the funeral.

OFF TO ANNUAL CONFERENCE

Rev. J. E. Harrell, Pastor of the First Methodist Church; Rev. L. W. Kitchen Pastor of Spur Circuit; joined by Rev. J. E. Shubert of Jayton Church, and Rev. E. L. Naugle, of Roaring Springs and Afton Churches, left Wednesday for Memphis to attend the annual session of the Northwest Texas Conference of the M. E. Church. Both Rev. Harrell and Rev. Kitchens have done excellent work here, and it is thought they will be returned for another year.

Report of the assignments in the Stamford District will be given next week.

Mrs. Chalk Brown, of El Centro, California, sent us a check this week for a year's renewal to the Times.

Mrs. C. P. Pickens, of the Highway community, was a shopper in Spur Saturday.

Mrs. Jerome Blackwell, of Girard, was among the shoppers and visitors here Saturday.

Spur Schools Give Armistice Day Programs

The Seventh Grade of the Grammar School gave a very fine program Thursday morning at ten o'clock in memory of the signing of the Armistice. They gave a complete outline of the World War portraying its horrors and the suffering endured by peoples of all nations.

The different allied nations were represented, and also the nations of the entente allies. Then was portrayed the returns of the soldiers home, with the blind, the crippled and those that were gassed. The Red Cross Nurse was a great character, and then came the Gold Star Mother dressed in black representing the mourning for the loved ones on the battle front.

After the program had closed, Ernest Hale, a World War veteran was asked to say a few words. He stated that he hoped none of the young people of today would ever have to go through what he endured during the War. He then spoke of the American Legion and what it stands for. He stated that the local Post of American Legion would present medals to a boy in the Seventh

Grade and a girl in the Seventh Grade who would reach certain standards in school work.

CHURCH SHOWS GOOD RECORD

The First Methodist Church seems to have enjoyed a very fine record in work for the year just closing. In conversation with Rev. Harrell, the pastor, Tuesday he made some statements relative to the work of the church, and the record is such that he should not feel too reserved possibly will be glad for the public to know of the work.

He stated that during the year there had been 60 additions to the church, and that all indebtedness on the church had been cleared. He stated that \$6,199.00 had been raised by the membership for all purposes and that all items of the church work had been paid in full for the year.

Another feature that should be of interest and of which the church membership should be proud is that the Sunday School has had an increase of about 25 per cent and a very substantial increase in the attendance at church services.

Bro. Harrell left Wednesday morning for Memphis to attend the annual conference and will return about Sunday night or Monday. Bishop Ivan Lee Holt will preside over the conference this year.

GERMANY'S CREDIT

If it were a sporting event, the contest now being waged between the United States and Germany in seeking foreign markets, principally in Latin American, could aptly be advertised in this fashion: "Cordell Hull and his Reciprocal Trade Theory vs. Adolf Hitler and his German Barter System—the show of the century." As Business Week puts it, in more sober vein, "The political battle which ended in the Munich truce was fought almost entirely in Europe. Its sequel is a vast trade war that is going to be fought in the Americas."

This is primarily a conflict between two philosophies of world trade. Mr. Hull, as his long congressional record shows, is at heart a free trader. He is also a realist, and thus knows that the ideal of free trade is not attainable in the world at present—and in all probability will not be for decades to come, if ever. Therefore, he seeks what he believes is the next best thing—trade agreements between this and other countries designed to promote the freest possible flow of goods with the lowest possible tariff costs. Mr. Hull believes in this not only because he thinks it is good for world commerce—of greater importance, he feels that strong and amicable commercial ties between great powers is the best guarantee we can have of world peace. So far a large number of treaties have been concluded, the most important one being that effected with Canada. And a new and potentially more important one still, is about concluded with Britain, and will go into effect, according to schedule, the first of next year. Under the terms of these treaties, the great bulk of deals are consummated in cash—dollars, pounds, francs, lire, rubles, or whatever currencies are used in the nations involved.

When you do business with Germany, however, cash is the thing one can't get. The Reich has next to no foreign credit. Therefore, at Hitler's bidding, Dr. Schacht of the Reichbank put into effect a curious and novel scheme. If you, for instance, are an American manufacturer of typewriters, and accept an order for ten thousand machines from Germany, all you get when they are delivered is a credit. You may use this credit within Germany to buy cameras, toys, liquor, or anything else that is produced in German territory, to the value of the typewriters you have sold. If you have a market for such German products, or if you can find a buyer for your credit, well and good. But otherwise you can't get real money.

Today Germany, is looking more and more to South America. Conquest of the Sudetenland has greatly increased German industrial production, and she must find markets. Furthermore, she is often able and willing to make far better barter deals than we can make in cash deals. In central Europe Germany has already taken a large part of the great market which once was largely monopolized by the English. She is threatening to do the same thing to us in the Western hemisphere.

What will come of this growing conflict—and make no mistake about its seriousness—cannot yet be forecast. Perhaps we will change our foreign policies somewhat in order to successfully meet German competition. And perhaps still more possible, is the chance that Hitler will

take the initiative in resuming trade relations with this country—the last trade agreement we had with Germany was canceled by Hitler in 1934, and we have done relatively little business with her since. There are three big reasons why Hitler might desire this: (1) Germany needs American buyers to absorb some of the products of the Sudeten; (2) Germany also needs us to absorb some of the produce of her own internal industries; (3) If the Anglo-U. S. trade agreement does go into effect, as seems almost certain, this will destroy a valuable export market for Germany, unless adjustments can be made.

This drama is well worth watching—it is the sort of thing that determines world prosperity or world depression, as well as peace and war. Whatever happens, it is a colorful and novel chapter in the long history of international commerce.

Sidelights

By Marvin Jones

In the current discussions of the farm bill many of the most desirable features have been overlooked. Some people have thoughtlessly urged that the measure be repealed. They overlook some very worthwhile features of the bill which I do not believe any thinking person would want repealed. Among these are the following:

1. The freight rate provision, which authorizes the Secretary of Agriculture to file applications to correct the rank discriminations against agricultural products in the freight rate structure of the country. This has been one of the greatest burdens agriculture has suffered. I do not believe any thinking person actually interested in the success of the American farm would want this provision repealed.

2. The research provision, which provides for the establishment of laboratories in the different sections of the country and for the search for new markets, new outlets, and new forms of distribution for the various farm products that are produced. Surely no one wants this desirable feature repealed.

3. The export provision, which provides for 30 per cent of the tariff collections to be devoted to exporting farm commodities and to distributing these commodities and their products among the needy people in America. Surely no wise persons would want this provision repealed.

4. The soil conservation provisions. Every man, woman, and child in America is interested in the conservation and rebuilding of the soils. Some of the finest work that has been done in this generation has been in connection with the soil conservation provisions of the act. I do not see how anyone can object to this provision.

5. The loan provision, which is intended to prevent complete price collapse. Later year we produced the greatest cotton crop in history. We produced the greatest wheat crop since 1915. In 1932, with a smaller cotton crop than in 1937, cotton sold at 4c and 5c per pound. In 1932 with a smaller wheat crop than in 1937, wheat sold at 20c per bushel.

Low and unsatisfactory as prices are now, they are infinitely better than they were in 1932. In addition

whose interest it is enacted. The cotton and wheat farmers are receiving soil conservation payments. and wheat farmers are to receive The cotton farmer is receiving a price adjustment payment, and the cotton some additional parity payments.

If any cotton or wheat farmer will take his pencil and figure these payments and prices along side the 1932 tragedy, he will find how much better off he is with the present program than he would be with no program at all.

At the beginning of the 1938 cotton picking period there was a carryover of 13,000,000 bales—more than twice the annual consumption of cotton in the United States. Any program, any plan that may be offered must deal with this tremendous carryover.

Everyone familiar with the facts knew that the new farm act of 1938 was going into effect during the most difficult period that could be conceived. The tremendous surpluses that had been produced in our major crops complicated the problem to an extreme degree.

It seems to me that anyone sincerely interested in the success of the farm program should be willing to wait until there is a thorough try-out of the new measure or at least until one season has passed before beginning to sow the seeds of discord and to stir up dissatisfaction.

No one claims the new law is perfect. On the other hand, no fair man can deny that it has many desirable features. No man is wise enough to predict in advance just how it will work out. This much is certain: anyone who is attacking it when the new season has just started is not making a contribution to the welfare of the farmer.

No doubt in the light of the experience, some changes will be found necessary. These changes can and should be made. Congress does not am sure any needed changes will be made until January. But that time I hope much nearer. In the meantime I hope all farmers and every sincere friend of agriculture will refrain from interfering to the end that the best possible results may be obtained.

Any act, for its success, depends upon three things:

- 1. The form of the law. 2. The character of administration. 3. The cooperation of those in

whose interest it is enacted.

No law however perfect can be successful unless it is well administered. No law however perfect, even if well administered, can succeed unless the people who are affected are willing to cooperate. He does the farmer no dissatisfaction at the torch of intolerance and who undertakes to create dissatisfaction at the very time during which the most critical part of the work is being done.

The agricultural program today is not a bill. It is a movement, and the bills are but various steps in that movement.

It involves credits. We have the lowest farm interest rates that have ever prevailed in the history of this country.

It involves markets. We have a specific provision for widening the markets both at home and abroad.

It involves freight rates. We have provision for correcting the inequities in the freight rate structure.

It involves the preservation of the soil. This is the heart of the present program.

It involves the handling of our vast surpluses which are sometimes produced within the borders of America. Provision is made in the act by which the farmers, under a 2-3 vote, can provide for regulating the disposal of excessive surpluses. At the same time it provides for regulating the disposal of excessive surpluses. At the same time it provides for widening of the markets and increasing the sale and distribution of these surpluses.

There are more than 200 commodities produced in America, involving some \$9,000,000,000.00 in annual values. Any man who feels that he has a simple panacea that will fit the vast intricate and complicated problems of the various farm commodities produced in this broad, big country, I believe has not thought the matter through.

I am sure that every true friend of the farmer is anxious to see the law improved as we go along. I am sure that by intelligent and cooperative effort great improvement can be made. That is the history of all great movements in America. I do not believe that the solution of this age-old problem can be achieved or

even materially contributed to by extreme attacks and bitter personalities. I am sure that if all those who have a simple heart interest in the success of the greatest of all American businesses—American agriculture—will calmly analyze and show a disposition to cooperate in working out the final program, great progress can be made.

McAdoo

Armistice Day was celebrated calmly in McAdoo Friday. Although there was school in the morning, a small portion of that time was spent in a general assembly where Mr. Charley McLaughlin made a short talk on War, commenting on its awfulness. He also told of several experiences of his own while he was in the World War. Everyone present seemed to enjoy Mr. McLaughlin's talk immensely as well as the rest of the program which consisted of two songs, America the Beautiful, and America. At the close of chapel, school turned out for the afternoon. The stores were all closed for the day.

Mr. and Mrs. C. P. Aufil, Jr., and little children moved to Seminole after staying with Mr. Aufil's parents for some time. Mr. and Mrs. Aufil lived at Seminole before they moved to McAdoo.

A number of the members of the McAdoo Baptist W.M.U. were present at the District W.M.U. meeting held at Lubbock last Tuesday. They were Mrs. Branaman, Mrs. D. L. Woods, Mrs. Leonard Cox, Mrs. John Formby, Mrs. Amos Isaacs, Mrs. A. C. Rose, Mrs. Taylor Rose, and Mrs. Joe McLaughlin. Elder J. A. Branaman and little Joyce Rose were also present.

Miss Leona Harris was taken to the Alexander Hospital last Saturday where she was operated on for appendicitis. Leona is doing nicely and will soon be back at home and to school.

Mr. and Mrs. Archer made a business trip to Spur last Thursday evening.

The Senior Class in the McAdoo High School have been working on a play for the past two weeks that will

be presented in the school auditorium Friday night, November 18. Tickets will be sold early at ten and fifteen cents.

Jack Graham has been ill for the past few days but is able to be up now.

The class-mates of Syble Harvey were especially glad when she started back to school last Monday, after a long period of illness.

Mr. and Mrs. N. W. Baldwin and little daughters, Joyce and Glory Dean, and Louise Petefish spent last Sunday with Mr. Baldwin's brother, W. W. Baldwin and family of Matador.

Little Johnnie Ray Eldredge, daughter of Mr. and Mrs. Raymond Eldredge, has been visiting in the home of her grandmother, Mrs. Cherry, of Lorenza.

Miss Lenora Nickles spent the week end with her sister, Mrs. Winnie Garner, of Lubbock.

Mrs. Freeman, sister-in-law of Mrs. Marshall Formby, has been visiting Mr. and Mrs. M. C. Formby for the past few days. Mrs. Freeman's home is at Roaring Springs.

Mrs. Pinno and little daughter, Beverly, and Mrs. John Formby went to Crosbyton last Wednesday to visit Mrs. Formby's mother.

Mrs. W. E. Middleton is visiting her daughter, Mrs. Clyde Manly, of Gladewater for a few days. Mrs. Manly was a guest of Mrs. Middleton last week.

Miss Lucille Rose, Home Economics teacher at Wilson, Mrs. J. P. Gilmore, and Billie Doris Gilmore granddaughter to Mr. Gilmore, were all guests of Mr. and Mrs. A. C. Rose and Taylor Rose over the week end.

Mrs. Jack Derr, who was operated on several weeks ago, grew worse last week and was taken back to the Spur Hospital. Her many friends hope she will be better soon.

Mrs. Harold Hardy was permitted to return to her home last week. She is now at the home of her parents, Mr. and Mrs. Earl Van Meter. During her absence Mrs. Ben Eldredge has been teaching the third and fourth grades.

Mrs. W. P. Harvey, Mrs. Lewis Harvey, of Dickens, S. B. Harvey and Syble Harvey were in Lubbock on business Wednesday.

Elder and Mrs. J. A. Branaman and daughter Jackie spent last Friday night with their son and brother, Glen Branaman and wife of Slaton. Mrs. Branaman remained at Slaton to visit friends Saturday while Brother Branaman, Jackie, and Mr. and Mrs. Glen Branaman made a brief trip to Brant to attend the funeral of an old friend. They returned Saturday.

The F. H. A. Club is working on a varied line of Christmas gifts which will soon be displayed at the school house. The girls are inviting everyone to see these things and also buy some of them. All prices will be reasonable.

Mr. and Mrs. J. C. Morris and Billie are visiting Lucile Morris, who is in Fort Worth.

Mrs. C. T. Earnell of Afton visited in the home of Mr. and Mrs. H. D. Barton, the past week end.

Mrs. R. R. Jones and Marjorie were shopping in Lubbock Tuesday.

Mr. and Mrs. T. J. Barton of Cherry Hill, Ark. are visiting in the homes of Mr. and Mrs. J. W. Jackson and Mr. and Mrs. J. F. Eggar, both Mrs. Eggar and Mrs. Jackson being daughters of Mr. and Mrs. Barton.

Kinney Baby Buried Yesterday

Fredia Celeste, infant of Mr. and Mrs. Fred Kinney, passed away about 6:30 o'clock Tuesday afternoon. The baby lived only a few minutes after it had been born.

Funeral services were held at the chapel of the Campbell's Mortuary at two o'clock Wednesday afternoon. J. H. Miles, local minister of the Church of Christ, conducted the services. Interment followed in Spur cemetery with Campbell's Mortuary in charge of arrangements.

In addition to the parents the survivors are the grand-parents, Mr. and Mrs. Bill Kinney and Mr. and Mrs. Dalton Johnston, and a number of aunts and uncles.

CARD OF THANKS

We take this method of thanking our many friends and neighbors for the kindness shown us at the death of our darling baby, Fredia Celeste. Also want to thank you for the beautiful floral offerings and words of sympathy.

AFTON METHODIST CHURCH

Eugene L. Naugle, pastor By the time that these notes appear in print, this writer will be in Memphis, Texas, attending the sessions of the Northwest Texas Annual Conference of the Methodist Church. In many ways this has been a good year. Some progress has been made for which we are truly thankful. We sincerely hope that some foundations have been laid upon which much progress may be built.

Although everything may not have gone just as we wished, may we look on the bright side of things as did the old woman living in a small room in a city. A caller said, "You never see the sun in this north room, do you?" The answer was, "The sun never shines in here but I can see it shining upon my neighbor's windows." The genuinely grateful heart will be sure to see the sunshine and rejoice in it.

SCANDAL THAT SET A WORLD AFLAME!

The Exciting Romance of a Beautiful Girl-Queen— Searching For A Love That Her Marriage Could Never Give! . . . Reckless Escapades—While A Nation Rose In Revolt . . . Drama of Pulse-Pounding Power!

Norma Shearer, whose courage has won for her the respect and admiration of a world that hailed with enthusiasm her decision to resume a brilliant career, returns to the screen in "Marie Antoinette," the spectacular picture opening a three day showing Sunday at the Palace Theatre.

With Tyrone Power as her co-star for the first time, Miss Shearer brings to life the glamorous and fascinating Antoinette, a role she has waited four years to play. Power is cast as Count Axel de Fersen, the man who dared to love a Queen of France.

History has written no more tenderly romantic or grimly tragic episode than that of the little Hapsburg Archduchess whose marriage to Louis August, Dauphin of France, changed the course of empires. The powerfully dramatic character role of Louis is played by Robert Morley

who was discovered in London after a year's search.

A happy and carefree girl, Antoinette looked forward to her wedding as the supreme adventure. She left for Paris in high spirits, soon to be disillusioned by her meeting with Louis, stupid, physically unattractive, terrified by a marriage he did not want.

Denied the love of a husband and friends she could trust and surrounded by enemies in the Palace of Versailles, Antoinette determined to find happiness no matter what the cost. She became the gayest, most extravagant woman in France. She gave lavish parties, lost fortunes at the gaming tables and welcomed dangerous flirtations. Then Antoinette met Fersen. They fell desperately in love, a love that as a Queen, Antoinette had to deny. But through the later years is was Fersen's love and his courageous efforts to save

Marie Antoinette from the guillotine that provided one of history's most beautiful love stories.

"Marie Antoinette" was directed by W. S. Van Dyke II, one of the foremost directors in the film industry. One of the most spectacular motion pictures ever created, its filming required four years of research and preparation and entailed an unprecedented cast of 152 supporting players with an additional 7,000 extras in its beautiful spectacle sequences.

"Marie Antoinette" will be shown at the Palace Theatre three days, Sunday, Monday and Tuesday. Because of the length, of the show "Marie Antoinette" will not be shown at the Saturday night Preview. A special picture has been arranged for the mid-nite preview show, a comedy romance featuring Jack Oakie and Lucille Ball in "Anabel Takes A Tour."

Two Injured In Car Wreck Friday

M. B. Mooney, of Floydada, and R. P. Hale, of Amarillo, received some injuries in a car wreck on Highway 18 north of Dickens Friday afternoon. It appears that Mr. Mooney and his sister, who lives at Amarillo, and Mr. Hale and another party were in a car driving south on the highway when they met with an accident. The particulars were not learned.

Mr. Hale received a laceration on his head and other injuries. Mr. Mooney had a lick in his side which proved very painful and received many bruises. The other parties received only a few minor bruises. They received first aid treatment at the Nichols Sanitarium, and later went on their journey.

Mrs. Clayton Legg, of Floydada, was in Spur Saturday shopping with Spur merchants and visiting with friends.

J. B. Earnest, of Jayton, was transacting business and greeting with friends here Thursday of last week.

Texas Output Of Minerals Leads

Eleven States Yield Over 100 Million Annually; Oil a Big Factor

Texas leads all of the States in the annual value of its mineral production, according to statistics compiled by the Bureau of Mines. The Lone Star State, because of its enormous petroleum production, has recently displaced Pennsylvania, which held first rank over a long period. The value of the total mineral production of Texas is given as \$638,732,530 for the last year for which figures are available. In addition to leading in petroleum production, Texas produces practically all of the Nation's output of helium and is the ranking State in production of sulphur.

Pennsylvania, with the bulk of its \$617,138,041 mineral production consisting of coal, now ranks as the second State. Pennsylvania ranks first as a producer of pig iron, cement, coke, stone, raw clay, ferro-alloys, and mineral pigments (zinc and lead pigments).

California with a total production of \$443,439,942, nearly one-half of which is petroleum, ranks third. California leads all of the States in the production of gold, mercury, sand and gravel, chromite, diatomite, and natural sodium compounds.

Oklahoma, with the bulk of its \$305,152,286 production consisting of petroleum, is the fourth State. Oklahoma leads all States in production of zinc and native asphalt.

West Virginia is the fifth ranking State, with production valued at

Nearly **1/2** of telephone expenses in Texas goes for wages...

Out of more than 23 1/2 million dollars spent by the Southwestern Bell Telephone Company to provide telephone service in Texas last year, about 10 million dollars . . . nearly half . . . went for wages. Wages to 9,000 telephone people, who in turn spent most of that money in Texas.

Telephone wages play no small part in keeping the state's business moving. And by assuring telephone users of the services of skilled, efficient people, they play a large part in giving you good telephone service at reasonable cost. Southwestern Bell Telephone Company.

Movie News and Views
By RUTH MAPLES

There seems to be no end to all these good motion pictures. After seeing "BOYS TOWN" we know you will agree that "Motion Pictures Are Your Best Entertainment." And now comes "Three Loves Has Nancy," showing for the last times today (Thursday) at the Palace Theatre, starring three popular players, Robert Montgomery, Janet Gaynor and Franchot Tone. It's absurd; It's daffy; It's Romantic; It's darn swell entertainment. You see, Nancy is a small town girl who is loved by a local swain. Then she meets Robert Montgomery, a popular novelist, who is also enamoured of her charm and looks. His publisher and best friend, Franchot Tone, falls for her cooking and he, too, proposes marriage. But Dan Cupid straightens it all out, and you'll say it's a swell show.

A human drama of self-sacrifice and devotion to mankind without a thought of reward is the story of the country doctor which is unfolded as a heart-warming gripping picture in "A Man To Be Remembered" at the Palace Theatre Friday. Edward Ellis as the fighting family physician... his sacrifices and thankless efforts in the interest of good health... his privations and relentless war on hypocrisy for the sake of his town-folk... is dramatically told in "A MAN TO REMEMBER." For a rich drama laden with pathos, heart-throbs, romance and laughter, be sure and see "A Man To Remember" at the Palace Friday.

Exciting action races across the screen Saturday at the Palace when Charles Starrett's newest punch-packed picture "West Of Cheyenne" will be shown. Mystery shrouds the story at the opening, when Starrett rides into a riddle at the Bar-W Ranch where Iris Meredith bars his way with a rifle, and he learns that two former owners of the property

have been mysteriously slain. He decides to stay around and join the fun. And there's plenty of fun, and excitement and thrills in store for him. The singing Sons of the Pioneers add to the picture with three fine range songs. You'll like the action, the romance and fun, and the singing in "West Of Cheyenne."

And for the Saturday mid-nite preview only the Palace Theatre offers "Annabel Takes A Tour" starring Jack Oakie and Lucille Ball. Its romance to order for a Hollywood Glamour girl—and a screen load of laughs for you. Oakie is at his best as the screwiest press agent who ever got a girl engaged to the wrong man. Never mind the details of the plot... just ankle on down to the Palace Saturday mid-nite and let yourself go at the hilarious adventures of Annabel, temperamental screen star and her screwball press agent.

All of us have read about Marie Antoinette... the glamorous Queen of France. Of her virtues... her intrigue and brilliance as a queen... her scarlet history as the playgirl of Europe... her flirtations... her escapades with noblemen of her court... her extravagances even while her subjects starved.

And now the screen gives us... "Marie Antoinette"... the WOMAN. We see her, as tho' through a keyhole... not on the pages of history... but in her boudoir... in the perfumed halls of the palace of Versailles... on moonlit nights in her garden... a rendezvous with her lover... we follow her through triumphs and glory... midst the pageantry of that shameless court... we see the tottering of her throne... the uprising of her people... and we follow her on that last ride through the streets of Paris to the Guillotine.

Destiny, having raised her to the pinnacle... dragged her down, the revolution tore her from the Royal Palace and threw her into a common jail... she went from Golden Coach to Peasant's cart... from luxury to starvation... from love to hatred... and from the fire of Hades, Marie Antoinette emerged one of the

great women of all time... Was She Saint or Sinner?

See for yourself in "Marie Antoinette" which will be shown at the Palace Theatre Sunday, Monday and Tuesday. Norma Shearer has the role of Marie Antoinette, supported by the popular favorite Tyrone Power. The cast includes John Barrymore, Anita Louise, Gladys George, Robert Morley and Joseph Schildkraut. While New York and other cities paid \$2.20 to see "Marie Antoinette" the Palace Theatre will show it at regular admission prices... a treat to Spur folks.

B. L. Denton, left Saturday for his home in Hollis, Oklahoma. Mr. Denton has been employed here for the past few months, and visiting with his brother, Mr. and Mrs. E. Denton.

Mr. and Mrs. B. C. Cairns, were in Spur Saturday from their ranch home in Kent County, shopping with Spur merchants and visiting with friends.

Mr. and Mrs. Marvin Stacey, of Marfa, are here visiting with her parents, Mr. and Mrs. W. A. Harris, of the Espuela community and other relatives and friends.

Miss Era Belle Hogan is in Amarillo this week visiting with her sister, Mrs. Sam Clemmons, Mr. Clemmons and children.

Miss Doris Arthur attended the home coming of A. C. C. at Abilene Saturday.

HAPPY-GO-LUCKIES MEET

The Happy-Go-Lucky Club, which was organized by the young people of the Girard community, held its second meeting last Wednesday night November 9th in the home of Louis Kellett.

Miss Bobbie Williams who met the guests at the door on their arrival and had charge of the games made a lovely hostess.

As the crowd gathered for amusements, games of Chinese Checkers and Sticks were played. Later we put our brains to work in a "question bee," the winner was J. T. Ayers.

Different games were enjoyed throughout the party.

We then had an old time candy-breaking, and various fruits to eat.

There were two visitors whom we enjoyed having very much, Mary Jo Blackwell, and Almada Kellett.

Those attending were: Betty Jo Cooper, Lilla Dean Blackwell, Donald Spradling, Udell Cooper, Ernestine Mayfield, Luis Kellett, Werdna Le Beaver, J. T. Ayers, Verlene Cooper, J. D. McGaha, Walda Stephens, Ver-tie May Phillips, Almada Kellett, Mary Jo Blackwell, Cloyce Young, Jack Hunnicutt, and the hostess Bobbie Williams.

Everyone left amid clanks and cracks laughter and merry-making as if they had a wonderful time. Assistant Reporter, Werdna Le Beaver.

3rd Sunday Sing-Song At Red Mud

A big Dickens County-Girard sing song is to be held at Red Mud November 20th, 2:30 P. M. It is the regular 3rd Sunday monthly meeting. Everybody and their neighbors in Dickens County and adjoining counties are urged to come to the Red Mud Community the 3rd Sunday, November 20th, to participate in the sing song. Efforts are being made by the officials of this organization to make this singing one of the strongest in West Texas. Good leaders, quartettes, trios duets, solos etc., will be present. You will miss something good if you are not at Red Mud next Sunday. Come early so you can get a seat. Tell everybody you see to come, especially singers and singing groups. Help us to put over a real uplifting song program in Dickens County and Girard.

The officials are seeking to make these sing songs worthy, helpful, and elevating in a Spiritual way. All song groups and leaders are asked to prepare religious numbers and to keep the singing in a high spiritual, atmosphere—a real song service.

The regular 3rd Sunday Sing Song of the Dickens-Girard organization will be held as listed below. You are urged to cut this program out of the paper and keep up with the monthly singing. Do your best to make everyone come. They are fine for young folk and old folk and children.

November ----- Red Mud
December ----- Highway
January ----- Croton
February ----- Espuela
March ----- McAdoo
April ----- Girard
May ----- Patton Springs
July ----- Spur
August ----- Red Hill
September ----- Steel Hill

Patton Springs School News

CARNIVAL

The Patton Springs School District experienced an unforgettable night at the school house November 11. It was then that a school carnival took place there. An estimation of about seven hundred people were present. All seemed to have had a lot of fun. There were such entertainments as: an amateur hour, a cake walk, fishing pond, fortune telling, wheel-of-fortune, chunking-the-chump, ring pitch and a drawing. Candy, popcorn and peanuts, hamburgers, and cold drinks were sold at various stands.

Perhaps the greatest achievement of the evening was the crowning of the Carnival Queen. There were twelve grade queens who were the following:

11th, Lucille Malone; 10th, Oletha Cates; 9th, Helen Kelly; 8th, Melba Robinette; 7th, Allene Rich; 6th, Marie Powell; 5th, Jo Nell Newberry; 4th, Betty Randolph; 3rd, Margie Nell Haney; 2nd, Betty Irene Atchinson; 1st, Betty Irene Altman; 1st, Jovena Jackson.

After much excitement Melba Robinette representing the eighth grade was elected Carnival Queen.

The total amount of money cleared after deducting the expenses was \$230.00. The proceeds are to be used to equip the band of the school. Some larger instruments are to be purchased and the filling out of the smaller instruments. Some thought is to be given to the uniforms for the band.

RADIO BROADCAST

The Patton Springs Glee Club will broadcast over KFYO, Lubbock, Wednesday from 5:15 until 5:30, November 23.

The Glee Club is under the direction of Mrs. Will Lee Clark with Miss Mildred Holt as piano accompanist. The following girls compose the Glee Club: Maxine Slayden, Melba Starrett, Dolly Jo Thanisch, Fannie Lou McAllister, Wilma Parker, Norma Middlebrooks, Imogene Wilson, Mary Frances Atkinson, Cleona Choate, Fay Middlebrooks, Cora McAllister, Gaynell Cornett, Elda Havens, Della Dean Baxter, Mable Blakeley, Lon Wanna Dunlap, Betty Jo Glazner, Ida Belle Glazner, Leon Rogers, Helen Kelly, Louise Rigsby, Bobbie Randolph, Melba Robinette, Jackie Young, Pauline Ford, Cassia Offield, Johnnie Ruth Belsler, Goldie Smiley, Tommie Bridge, and Jean McInroe. Everyone is urged to tune in on KFYO at 5:15 p.m. November 23.

Several times during the year "radio programs of this type will be broadcast.

BASKETBALL

The boys and girls basketball teams are under the supervision of Robin J. Clack and Miss Walterena Russell respectively. Plans are being made to have the match games start about the first week end in December. The teams are progressing nicely, and hopes are high that they will win many games.

The pep squad entered into the November 11 parade and program at Spur. It is composed of about forty-eight members under the direction of Miss Walterena Russell, physical education director.

BAND

The school band of Patton Springs is progressing very well under the direction of Mr. Paul Patilo, who is working diligently trying to get the band into good condition. With the proceeds from the school carnival, which was \$230.00 clear money, \$221.00 was spent on instruments. The instruments purchased were bass and baritone. The following pupils compose the band: Bass, Lowell Cates Baritone, Cecil Norris; Trombones, Helen Kelley, Horace Newberry and Pauline Ford; Clarinets, Gilbert Ragland, Tommie Bridge and Easton Blendon; Cornets, Billy Joe Stark, W. T. Newberry, Elvis McCarty and Morris Hicks; Drums, Louise Rigsby, Billie Joe Lawson; Melophone, Goldie Lee Smiley and Saxophones, Jim Tom Haney, Bobbie Randolph and Wiley Pool Stark.

A band adds much to a school, so we are looking forward to a bigger and better band each year.

* KALGARY NEWS *

Miss Edith Fisher who is a sophomore in Tech at Lubbock was home for the holiday vacation. On Friday evening a group of her friends gathered in her home for an evening of amusement.
