For VICTORY

BUY UNITED STATES DEFENSE BONDS STAMPS

NUMBER 27

## "FOOD FOR VICTORY"

### Register For Sugar May 4-5-6-7

All living persons will register for their war Ration Book on May 4, 5, 6, and 7 at their own school houses. School Districts sending all of their pupils to Spur will have only one day, Monday, May 4 at their home district building to register and those people will go to Spur High School either of the next three days if they fail to register at home the first day. All registration for consumers at Spur will be held in the high school building for both white and colored people between the hours of 9 A. M. to 5 P. M. School at Spur will be dismissed during May 4 and 5 and all people are urged to register one of those days so that school will be interrupted as little as possible. The places to register Monday are:

Duck Creek—Hugh Hagins.  
Highway—Ike Simmons.  
Wilson Draw—Alvis Wilson.  
Peaceful Hill—Mrs. O. M. McGinty.  
Spring Creek—Joe McDaniels.  
Red Mud—Mrs. Tom McArthur.  
Dumont—Mildred Collier Parks.

Registration in Dickens, Patton Springs, McAdoo, Dry Lake, Wichita and Dumont will occur each of the four days provided for registration and will be cared for at each of these school houses except Patton Springs

which District will provide registration at both Patton Springs and Croton.

Each person will be given a War Ration Book when he registers. These books will have no stamps torn out at registration time if the family has no more than two pounds per person, but will have one stamp torn from each book for each pound per person in excess of two pounds up to six. If more than six pounds per person is on hand at the time of registration no book can be issued until this amount has been reduced to six pounds. But all persons will need to register no matter how much sugar may be in their possession for other commodities will be rationed.

These ration books will be taken to the retail grocers who will detach a stamp from the book for each pound purchased, and only one-half pound per person per week will be allowed by the ration program. The stamps serve as a permit to purchase and in no way will affect the method by which the merchant has been handling his sales.

The following schedule governs the use of stamps for sugar purchases: Designation of ration periods and weight value of stamps valid herein

| Ration Period              | Stamp Valid during period | Weight of stamp |
|----------------------------|---------------------------|-----------------|
| No. 1 (May 5 to May 16)    | Stamp No. 1               | 1 lb            |
| No. 2 (May 17 to May 30)   | Stamp No. 2               | 1 lb            |
| No. 3 (May 31 to June 13)  | Stamp No. 3               | 1 lb            |
| No. 4 (June 14 to June 27) | Stamp No. 4               | 1 lb            |

If a consumer does not use his stamp for the date specified above such stamp can not be used for another ration period.

### Spur School Band Wins High Honors At State

The entire school band of Spur, consisting of nearly 60 members, and their director and a number of sponsors attended the state band contest in Amarillo the last of the week where the band was in Class B contest for state honors. The band presented themselves in a fine manner and walked off with eight first honors in band and individual contests.

A director in a Class A school stated in the presence of a Spur Band member that Spur undoubtedly had the best school band entered in the contest. Even if he had been a little mistaken, Spur should feel complimented on the work of the Spur school band since we are among the smaller schools that support a band.

The honors won by the band was first ratings in concert, first ratings in sight reading and first ratings in marching. All of these are rated as difficult achievements.

Individuals winning honors were: Wade Gilbert took first place in clarinet solo.

Pike Dobbins won first honors in cornet solo.

Pete Dobbins was first in baritone solo.

Henry Gruben was first in trombone solo.

The brass quartette composed of Pike Dobbins, Marvin Blair, Pete Dobbins and Henry Gruben took first honors in quartette work.

Betty Jo Barnett won second in clarinet solo.

Rose Eileen Petty won third place in French horn.

Jimmy Winkler is the director and has been with the band only six weeks. For about two weeks before that time the band had no director, but the band continued their work.

Another thing that had much influence on the success of the band was the financial provision made by the citizens last fall when they voted a band tax to support the band. The City Commission turned over about \$1,200.00 to the band a few days before they left for the state contest. This was a great help as the band knew they had nothing to worry about but win for our school and town. Thanks to the City Dads for their winning.

### To The People Of Dickens County

Our May Quota has been raised on War Bonds and Stamps. I know you are beginning to realize the seriousness of the situation that is facing America today—a situation unparalleled in the world history.

America must do one of two things, fight, buy bonds until it hurts, endure hardships, and maintain the American way of Life for our children and your children's children; or stand idly by and lose everything that our forefathers pioneered, endured—yes, many of them died—that you might enjoy what we call the "American Way of Life." The writer does not believe for one minute that Dickens County and its citizens will choose but one course. They will fight, buy bonds until it hurts, endure hardships and maintain the "American Way of Life" for their children and their children's children. We must have liberty and the pursuit of Happiness for America and Americans of the future.

I wish I could instill into the minds and hearts of the people of Dickens County that our sons who are carrying our Flag and fighting our fight for Democracy, and who are begging every hour and day for more food, more medicine, more guns, more planes more bombs so the year win our fight—if you could just realize these facts, you would ask to sign pledges and buy stamps and bonds.

Folks, what we want is every family in Dickens County to buy Stamps and Bonds. We have a list of all persons who have bought bonds in the county. We are checking them and if your name is not on this honored roll, you will be called on, and we will want to know why and when you will be on this honored roll.

Remember folks, if necessary, you are going to be asked and asked again "Why you are not on this honored roll." In conclusion, I wish to quote our Commander-in-Chief, "It can be done, it will be done, it must be done"—Franklin D. Roosevelt.

W. F. Godfrey, Chairman Dickens County Bond Committee. P.S.—How would you like to live in a country where one man has the power, that if you fail to do his bidding, he can put you to death? That is the condition of Germany today.

Mr. and Mrs. M. V. Tidwell, of San Angelo, were visiting friends and attending to business here Saturday.

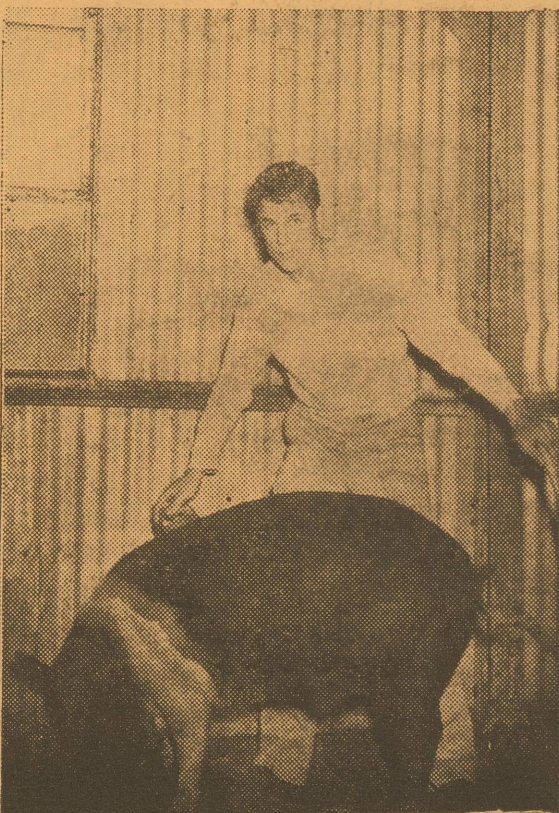

### Some Fine Winning Food For Victory

Pete Adcock and his first place fine wool lamb which was reserved champion of the South Plains Junior Fat Stock Show at Lubbock, and which sold for 25 cents per pound.

Clarence Ward and his first place heavy weight Chester White barrow which was champion in the Chester White division at the South Plains Fat Stock Show at Lubbock.

Wilburn Ball with his first place light weight Hampshire Barrow which was the champion Hampshire barrow in the Lubbock Junior Fat Stock Show. There were other Spur boys who had champion winners in the show, but we failed to get their electros for the paper.

### MRS. BERRY'S PUPILS IN MUSICAL FESTIVAL

Mrs. J. E. Berry will take her music pupils to Lubbock today to enter the Applied Music Festival. Pupils who will take part are: Ernestine Berry, Lucy Nell Booth, Virgil Burt Elliott, Elbet Hurst, Virginia Ruth Shugart, John E. Berry, Vennie Marie Lewis and Charles Lewis.

Mr. and Mrs. M. V. Tidwell, of San Angelo, were visiting friends and attending to business here Saturday.

### MASONS MEET TONIGHT

The Spur Masonic Lodge, No. 1023, will hold their regular meeting in the Masonic Hall tonight (Thursday) at 8:00 o'clock. All members requested to be present if possible. Visiting Masons welcome.

Miss Lynn McGauthy was called back to Lubbock last week to assume her duties with the McFadden Cotton Company. After being home three weeks while the cotton office was temporarily closed.

### Wheat Farmers to Vote on Wheat Quotas Saturday

With the nation needing so many war crops, now is no time to expand wheat production, Joe M. Rose, Chairman, Dickens county AAA committee, said this week.

"We have enough wheat in sight to last two years without growing another kernel," the chairman said.

In national referendum, Saturday, May 2, wheat farmers will go to the polls for the second year to decide whether to continue wheat quotas on this year's crop. Last year the national vote was 80 per cent for quotas while Dickens county wheat farmers approved quotas by 99.3 per cent.

"We are in desperate need of meat, milk, eggs, cheese, vegetables, fats and oils. If we fail to produce these foods and, instead add to our already enormous wheat supply, we'll not only be wasting our time and machinery, but we'll be failing our country in her darkest hour of need," he said.

Total supply of wheat on July 1, 1942, is estimated at 1,423-million bushels of which 630-million bushels represents present carryover, while the 1942 crop is estimated at 793-million bushels.

"If we continue to raise the things we don't need and fail to raise the things we do need, we'll be doing farming as usual and that sort of farming went with Pearl Harbor," Mr. Rose said.

Purpose of wheat marketing quotas is to divide a limited market equally among wheat producers. Marketing quotas also make possible more efficient use of transportation and storage facilities.

"We don't have time to produce things we don't need in the war. Our Food for Freedom program outlines the feed and food we need. Victory demands plenty, but not waste and any increase in wheat will be just that much waste," Mr. Rose said.

### Boy's 4-H Club Food For Freedom Program

One hundred and twelve Dickens County boys have signed up with County Agent Mack Woodrum for 4-H Club work for 1942. These boys have indicated they were ready and anxious to do their part for the food for Freedom Campaign.

The boys will tackle the job in various ways depending upon the facilities they have for handling livestock. Some of the boys are planning to feed calves. A number of them will feed out pigs. A few of them are planning to get bred gilts and start into the hog business. Two of the boys are planning to feed lambs.

This work will teach the boys to do by the actual experience route which after all is the only sure way to learn a trade. While they are learning they will be producing something that is sorely needed in our war effort.

Boys of Dickens County between the ages of 10 and 21 are invited to join the 4-H Club an dselect the project of their choice. There is no expense to the boys in club work other than actual expense of their projects. Boys who are not taking Vocational Agriculture are urged to contact the county agent for full particulars on the work.

Sign up and let's grow the food to feed our boys in service.

### PUPILS WORKING ON OPERA

The fourth and fifth Grade pupils at East Ward are very busy working on their operetta which they will give at the close of school. The title is "The King Sneezes," and will be presented Tuesday evening, May 19.

Mrs. Janie Barrett, of Dallas, arrived in Spur last Friday to spend an extended visit with her two children L. R. Barrett and family, and Mrs. Henry Simmons and family.

### This Is Food For Victory Week

This week has been designated by the Texas A and M Extension Department of Agriculture as "Food For Victory" Week. A. C. Hull, president of the Spur Chamber of Commerce, has been working with the Dickens County Times and individuals to stress the importance of this cause, and business firms are making preparation to aid in every way with the program to produce more and better crops of food products.

Miss Fae Bass is assisting the ladies in the county preparing for bigger and better gardens. She is responsible for the many recipes in the Times this week, and for several articles on foods.

Charles A. Taylor secretary of the County ACA, stated that the farmers and stock raisers in this section can and will answer the call. This is one of the most prolific sections in America, and the farmer and his products are as important to national safety and to winning the war as are the soldiers and munitions workers.

Spur has its part to do in helping the farmer get his supplies at the most reasonable price possible, and the market here will cooperate with the farmers as never before.

This week the Dickens County Times has many suggestions from business firms on ways that assistance can be secured in Spur, and many concerns are in a position to give help and information on how the farmers of this section may get better production from their crops, their poultry, their dairy products and from their beef cattle.

Many war experts predict that the war will be won by the countries that have the greatest food supply. This section can be as important as an army on the field. If you are a farmer you should get all information possible on what food supplies will be needed most and make plans right now to plant. If you are a merchant, a mechanic, or a dealer in those things which effect farming, you should give the farmers priority on the best you have in service and supplies.

Let's make Dickens County one vast food producing section to help win the victory.

### Shepherd Lake

Texans will have one of the best lakes for fishing being next to the Don Martine of old Mexico. In some respects it is going to be better with 327 miles of shore line and plenty of wood, shades and camping ground. This lake opens June 15, to the public for fishing, boating and all kinds of recreation.

You can get to this lake from Breckenridge, Mineral Wells or Graham Texas.

Dr. Brannen also reported that an application had been received from the Dow Chemical Company for 130,000,000 gallons of water to be taken daily from the Brazos for industrial and municipal use. The directors authorized the committee to complete the negotiations. The Dow Company is operating a huge plant for the extraction of magnesium from sea water at Freeport, but operations have grown to the point where a large quantity of fresh water is required for various purposes.

### EASTERN STAR TO ENTERTAIN MASONS

Spur Chapter, Order of Eastern Star, will entertain the Masons and their wives in a social Friday night, May 1. The occasion will be in the Masonic Hall and will start about 8:00 o'clock. All Masons and their wives are invited to be present.

Little Miss Jerry Lynn Dane of Lubbock spent part of two weeks here visiting her grandparents, Mr. and Mrs. Sam McGauthy.

Mr. and Mrs. Edd Cammack, of Matador, spent Saturday and Sunday in Spur visiting their daughter, Mrs. Jack Barton, and Mr. Barton.

**... after 10 years of something for nothing!**

JIMMIE, too young to know about the newfangled theories of the past 10 years wherein you get something for nothing, is simply amazed at getting even *double* for his money.

A double-decker brings a "Gee-Whiz!" and bulging eyes.

And Jimmie is right. The war is disproving all the socialistic theories of the last decade. The country is *paying in blood* for the sweat and toil it failed to expend in honest work during a period when political boondoggling and perpetual e-motion substituted for labor to make our nation strong and virile.

The awakening is painful.

Today we are straining every ounce of energy in the wartime effort while proving the old theories wrong... working night and day to get something for *anything!* Today we know that PRODUCTION, not reduction, makes a people strong, a nation free.

We are paying dearly for producing too little, too late!

We will win, of course.

No other country can compare with America's potential war production. No other has the men, the machines—or the electric power.

America's electric companies, under trained and experienced business men, are supplying power for the vast wartime industries *where it's needed when it's needed*... a supply that is greater than the combined total of all the enemy nations.

While most everything else has gone up, electric rates remain the lowest in history.

In fact, like Jimmie, you are getting a double-decker... double for your money. The average price of electric service today is about *half* of what it was just 15 years ago.

It's true, maybe, that your bill hasn't been cut in half.

The answer is, of course, that you use more and better lights, more new and useful appliances.

But right now for two nickels a day a majority of West Texas homes operate lights, radio, cleaner, toaster, washer and refrigerator.

No, you don't get "something for nothing." But the electric nickel buys just about the world's biggest double-decker!

**Your Spanish Lesson**

**LESSON TWENTY GENERAL REVIEW**

Buenos Días, Señores y Señoras.

Yo creo que ustedes pueden hablar mucho español ahora (now). Si ustedes gustan, podemos hablar más español porque yo creo que todos ustedes saben (know) hablar mucho y pueden comprender más. Espero que este Curso Corto de Español sea (may be) útil (useful) para ustedes. ¿Saben ustedes el vocabulario español?

Debemos de repasar la lista de palabras de nuestro (our) Curso Corto de Español. La repetición es muy importante. This is the last lesson in our Short Spanish Course. Now we will close our course with a short general review.

You must try to be sure of your Spanish Pronunciation, first of all, you must know your vowels, a, e, i, o, u, upon which the Spanish pronunciation must depend. Remember that, ordinarily, masculine words end in "o", feminine, end in "a". To form the plurals, we add the letter "s".

All verbs, you must know, are divided into three classes, the first group ending in "ar", the second in, "er", and the

third, in "ir".

The ending of the verbs are very important. We have three tenses or times (tiempos). el presente, el pasado, y el futuro. En el pasado tenemos dos clases, el imperfecto, acción incompleta, y el pretérito, la acción completa. For hablar, these two tenses being "hablaba", and the preterite, "hablé".

Ustedes recuerdan (remember) que tenemos dos clases de verbos, los verbos regulares como hablar, comer, y vivir. y los irregulares, como jugar, tener, y venir. Las primeras personas de estos verbos son (are) hablo, como, vivo, juego, tengo, y vengo. La primera persona es cuando se dice (you say) "yo". Cuando decimos (we say) "nosotros" (¿Qué significa la palabra "nosotros"?), agregamos (we add) la terminación (ending or termination) "mos" como en las palabras hablamos, comemos, vivimos, jugamos, tenemos, y venimos.

En el español hay (there are) muchas excepciones y se necesita (we need) mucha práctica. Recuerde usted que la práctica es muy necesaria. Si usted practica más, aprende más.

Vamos a leer ahora unas frases:  
 ¿Sabe usted donde vive

señor?

2. Yo creo que el español es muy importante.

3. Me gusta mucho la casa grande porque es muy bonita.

4. Nosotros sabemos hablar un poco de español.

5. Siempre me gusta mucho hablar un idioma extranjero.

With this we close our lesson and, at the same time, our Short Course in Spanish. I hope that all who have followed it have learned enough, as I said at the beginning of the course, to go on by themselves. Just a good dictionary is what you need now.

— BUY U. S. DEFENSE BONDS —

**Political Announcements**

The following named persons have placed their names before the voters of Dickens County as candidates for the offices in which they are listed, subject to action of the Democratic Primary, July 25, 1942.

 L. D. Ratliff, Jr.

**FOR CHIEF JUSTICE, Court of Civil Appeals, 7th Supreme Judicial District:**  
 J. ROSS BELL

Mr. and Mrs. E. H. King, of Girard, were attending to business and greeting friends in Spur Saturday.

Mr. and Mrs. J. W. Smith, of Dickens, were visiting friends and trading in Spur Saturday.

Mr. and Mrs. Thos. C. Williams and daughter, of Dickens, were in Spur Saturday trading and greeting friends.

**J. T. Taylor Succumbs**

J. T. Taylor, who had been working in the shipyards at Oakland, Calif., passed away Sunday April 26, as results of burns while he was working on a bomber ship. Mr. Taylor was a welder, and no one seems to know how the accident occurred. He was rushed to an Oakland hospital, but medical skill could not save his life. He died within a few hours after the accident.

The body was shipped by train to Amarillo where he was met Wednesday by a Chandler Funeral Home ambulance and brought to Roaring Springs. Funeral services were held Wednesday afternoon at the Baptist Church in Roaring Springs. Rev. Walter Brian the pastor, was in charge of the services. Interment followed in the Roaring Springs cemetery with Chandler Funeral Home of Spur in charge of arrangements.

Mr. Taylor was born in Hunt County April 3, 1919. He was a son of Mr. and Mrs. W. E. Taylor. He moved to the Roaring Springs community in 1932 where he had made his home until about six months ago when he moved to Oakland, Calif. and began working in the ship yards.

He was married to Miss Grace Williams at Roaring Springs February 2, 1938. There are two children, Myrna

Faye, 3; and Charlotte Anna, 18 months, who survive him in addition to his widow. Other survivors include a sister, Miss Evelyn Taylor a student at Texas Technological College.

Mr. Taylor was converted in 1934 and joined the Baptist Church. He is reported to have been faithful to his confession and was a willing supporter of the church until his demise.

### Food For Vigor And Strength

"Call it malnutrition, call it under-nourishment, call it dietary deficiency or what you will—when men and women and children fail to eat the foods that give them full life and vigor, they are in fact starving," says Director M. L. Wilson, U.S.D.A. Extension Service and chairman, Nutrition Advisory Council.

Evidences of this starvation are seen everywhere, in the richest as

well as the poorest homes, because people don't care, because people don't know better, and in some cases, because the proper food cannot be provided.

Medical authorities have long recognized the fact that good food is of vital importance in treating as well as preventing illness. Years have been spent in research to find out just what we need, and then we sit idly by eating "what we like" or "what's most easily prepared" while our families are paying the price for our indifference.

The foods as given in the Texas

Food Standard, if eaten daily, will provide safe amounts of necessary foods. This Food Standard was prepared by the Texas Extension service and submitted to us by Fae Bass, County Home Demonstration Agent.

- 1 pt. to 1 qt. milk\*
  - 1 egg\*
  - 1 serving meat\*\*, poultry, fish or cheese
  - 1 serving Irish or sweet potatoes
  - 1 serving green or yellow vegetables
  - 1 other serving vegetable\*\*
  - 1 serving citrus, tomatoes, raw cabbage, strawberries, or melons
  - 1 other fruit
  - 1 serving whole grain products
  - Other cereals and bread as desired
  - Butter, or margarine with vitamins added
  - Som sweets
- More of the above other foods as needed 6 to 8 glasses of water
- \*Children under 16 need 3-4 to 1 qt.
- \*\*Dried beans, peas, or nuts may be substituted for eggs or meat; dried peas or beans may be the other serving or vegetable.

"Food for Freedom" must be produced; that's the first job, and a big one; but it's not going to do us any good until it reaches our tables prepared for our families to eat. And it won't do any good left on the table; we must actually eat it to get its untold benefits.

#### —BUY U. S. DEFENSE BONDS— TWENTIETH CENTURY CLUB WAS HOSTESS

The Twentieth Century Study Club of Spur was hostess to a luncheon group on Tuesday, April 21st, at the home of Mrs. E. L. Caraway, a member of this club. The luncheon was given as a courtesy to visitors from Lubbock, the presidents of the other four federated clubs in Spur, and others.

The rooms were decorated with Spring flowers. A centerpiece for the luncheon table was made of yellow roses, yellow daisies, and marigolds with fern. Panel decorations of yellow roses and asparagus fern also were used on the tables. Hand-painted place-cards featuring spring flowers now in season were used to mark the individual places.

The luncheon menu consisted of tomato juice cocktail, fried spring chicken, new potatoes, cream peas, carrots, celery, olives, pickles, relish, hot rolls, individual molds of butter, iced tea, home-frozen caramel-nut ice cream, and angel food cake.

Visitors from Lubbock were Mesdames Rufus Rush, N. H. Holt, H. F. Godeke, E. L. Mader, and E. J. Cowan, a member of the Twentieth Century Club, who is living in Lubbock during the school year.

Misses Margaret and Dorothy Elliott of London, England, who are now living near Spur were other guests.

Mrs. W. F. Godfrey, president of Spur City Federation of Women's Clubs, Mrs. Clark Forbis, president of the 1917 Study Club, Mrs. W. F. Gilbert, president of the 1933 Study Club, Mrs. Jack Barton, president of the 1931 Study Club, Miss Melba Lewis, vice-president of the Daughters of the 1933 Study Club, and Mrs. E. L. Caraway, Jr., completed the guest list.

Following the luncheon the regular club program was given. The subject of the program was "Our Glorious Privileges and Solemn Responsibilities." Mrs. W. B. Lee talked on "The Basis of Americanization." Miss Margaret Elliott discussed "Woman's Responsibility in the Program of National Defense, The Americas and the Future Peace was the topic of a discussion given by Mrs. E. D. Cook.

Club members who attended were: Mesdames Clifford Bird, E. L. Caraway, W. S. Campbell, E. D. Cook, F. B. Crockett, J. M. Foster, Paige E. Gollihar, O. L. Kelley, J. A. Koon, E. S. Lee, W. B. Lee, George S. Link, O. M. McGinty, L. D. Ratliff, O. B. Ratliff, O. C. Thomas, and A. M. Walker.

Mrs. Rufus Rush of Lubbock gave a review of the book, "Lanterns On The Levee," by William Alexander Percy, at the high school auditorium in Spur, Tuesday afternoon, April 21st. All federated women's clubs in Spur joined in attendance at the review.

Mrs. O. M. McGinty, president of the 20th Century Study Club, presided at the program. She introduced Mrs. H. F. Godeke, president of Seventh District Texas Federation of Women's Clubs. Mrs. N. H. Holt of Lubbock was then introduced, and she presented the speaker.

About two hundred people heard this program.

—BUY U. S. DEFENSE BONDS—  
R. A. Drennan and family, of Wichita community, were trading and mixing with friends in Spur Saturday.

C. E. Hagins, of Gilpin, was attending to business affairs and talking with friends in Spur Saturday.

### Mr. and Mrs. Al Bingham Honored

Mr. and Mrs. Al Bingham were honored with a going away party Saturday afternoon, April 25. The social was held in the Griffith home in Spur with Mrs. Billy Elliott, Mrs. Dolph Shields, Dollie Elliott and Mrs. Edna Griffith serving as hostesses.

Mr. and Mrs. Bingham are among the early settlers in this country. Mr. Bingham began working for the Spur Ranch 38 years ago, and after S. M. Swenson and Sons bought the ranch in 1907 he remained with them as a cowboy. Mr. and Mrs. Bingham have been married nearly 33 years and have lived in the same house at the ranch headquarters for 22 years, and in the other ten years in line camps.

Mr. Bingham has resigned from the Ranch and they will move away from us sometime in the near future. Just where they will go has not been revealed, but possibly Mr. Bingham will become associated with some ranch activities in West Texas.

Both Mr. and Mrs. Bingham received many beautiful and practical presents Saturday.

Among those who enjoyed the occasion were:

Mesdames & Messers Marion Jordan, John Gragson, Emma Russell, Jim Koonsman, A. G. Dunwoody, Harry Ellis, Emma Lee, Wallace Hinson, Douglas Hinson, Harley Terry, Lasser Hensley, J. L. Davis, M. C. Golding, Dolph Shields, Skinny Yeates, G. L. Delisle, S. L. Benefield, Fannie Johnson, Buck Sadler, Edna Griffith, Billy Elliott.

Mesdames, W. F. Foreman, Della Merriman, Oree Smith, Glenn Smith, Billy Sandlin, T. C. Sandlin, Roma Anglin, Elmer Maben, Edna Bilberry, Helen Harrison, Bill Sauls, John King, Lester Ericson, L. B. McMeans, Monk Rucker, F. B. Crockett, Nellie Carlisle, Elmer Cross.

Samantha Smith, Jack Simmons, R. F. Rogers, Dick Spear, S. T. Battles S. B. Scott, W. C. Scott, Bill Hawkins of Aspermont, Joe B. Long, Henry Alexander, E. J. Lassetter, Cecil Fox, Coy McMahan, J. L. Karr, Pauline Collett, C. V. O'Keefe, Shag Moody, Homer Steen of Floydada, James B. Reed, Alph. Glasgow, A. C. Hull, T. E. Milam, Hubert Karr, Audrey Vaughn, W. W. Ellis.

Mesdames, Weldon Grimes, J. B. Morrison, R. C. McMahan, Merle Foreman, Lloyd Johnson, Fred Christopher, Ray George, Jack Kizziah, Joe Bailey Kimbel, J. D. Hopkins, W. D. Starcher, Jack Brown of Floydada. Misses Iva Jane Grubbs, Dorothy McCombs, Ida Lee Cravey, Dorothy Love, Hazel Turpen, Pearl Myers, Vera Shepherd, Messers Jack Cook, Jiggs McCombs, Puny Jones, J. Vernon Powell, R. R. Mims, C. D. Birds of Matador, A. W. Jordan.

#### —BUY U. S. DEFENSE BONDS— Revival Closes Sun.

The Church of Christ has been engaged in a revival meeting for the past two weeks, and will close next Sunday night, Evangelist Roy H. Lanier of Fort Worth has been doing the preaching and Tom Cooner of this community has been leading the singing. Attendance at the services has been good considering the rainy weather. The preaching has been practical and to the point on subjects that have to do with right living and scriptural worship and service. Errors in life as well as in doctrine have been named and people have been warned of the judgement of God against all types and kinds of evil doers. False doctrines have been exposed, and teachers of such doctrines have been warned that to "go beyond that which is written" will result in losing the fellowship of God in this life, and eternal misery in the next world. A plea has been made for all to return to the Bible, and to teach and practice only that which can be plainly read from pages of inspiration.

The closing services of the meeting will be conducted Sunday, May 3rd. The subject for Sunday morning is "Putting off The Old Man;" and the subject for Sunday evening is, "The Faith of Abraham."

Bible school will begin 10 a. m.; sermon and communion Sunday morning 11 a. m.; Young People's meeting 7:45 p. m.; (War Time). The public 8:45 p. m. (War Time). The public is cordially invited to attend all these services.

#### —BUY U. S. DEFENSE BONDS— BECAME SUDDENLY ILL

Mrs. W. A. Chambless, while visiting her parents in Stamford last week became suddenly ill and had to be rushed to the sanitarium. She immediately underwent a Caesarian operation Tuesday of last week and a fine baby was born. Latest reports are that Mrs. Chambless and baby are doing fine. It's a girl.

#### MRS. ADRAIN RICKELS SHOWERED

Mrs. Adrain Rickels of Coleman, was the recipient of a grab box Monday, April 20. A gift from her closest friends in Spur and Lubbock.

Mrs. Rickels is suffering from extreme nervousness caused from a run down condition. Her doctor ordered a thirty day rest period in bed about three weeks ago, and we are glad to report she is much improved at this time and able to be up three hours during the day.

Mrs. Clarence Waltr and daughter, Miss Bobie Lou, contacted these friends and twenty-seven lovely gifts were mailed to Mrs. Rickels Saturday, April 18.

**Recipes For Victory**

Supplied by  
Miss Fae Bass, Co. H. D. Agent

Now that the time for actual sugar rationing is just about here, people are beginning to get disturbed over a situation which is certainly a "blessing in disguise." Authorities agree that we all should end up a much healthier people by having left off the vitaminless and mineral-less sugar, thus giving an appetite for the fruits, vegetables, whole grains, etc. which are included in the so-called protective foods.

The half-pound per person, per week which will be allowed after May 5 will give every person the generous amount of one cup or 16 tablespoons of sugar a week. If you have been wondering just how you can stretch that cupful out to make it last the longest you might try these suggestions made by Fae Bass, County Home Demonstration Agent. Fruits are one of the best natural sources of sugar. Use them often; and if they are cooked, they taste sweeter served hot than cold.

Honey is another of nature's sweeteners. Since honey gives approximately the same sweetness as sugar, the same amount can be used to get the desired sweetness. Use approximately cup of honey in baked products such as cakes or quick breads. In substituting honey for sugar, reduce the liquid 1-4 cup for each cup of honey used.

Why not try one of these receipts using honey?

**HONEY CUSTARD**

3 eggs  
1-4 t nutmeg  
2 c milk  
1-8 t salt  
1-4 c honey  
Heat the milk. Beat eggs lightly. Add honey and salt to eggs and mix. Add hot milk gradually to egg mixture, stirring constantly. Finish as custard pie, boiled custard or baked custard.

Baked custard—pour into custard cups or large mold and sprinkle with nutmeg. Set in pan of hot water and bake in a slow oven, 300 degrees F. until set, 30 to 40 minutes.

**Honey Apple Sauce Cake**

1-3 c shortening  
2 c flour  
1-2 t nutmeg  
1 c seeded raisins  
3-4 c honey  
1 t soda  
1-2 t cinnamon  
1-4 c walnuts  
1 c apple sauce  
1-4 t cloves  
1-4 t salt

Cream shortening and honey well, add apple sauce, then flour, spices, salt and soda sifted together. Raisins can be added now before flour is mixed in, thereby flouring them. Add walnuts. Beat well and bake one hour in moderately hot oven. This cake can be made several days previous to time of use as the flavor improves with age.

**Sour Cream Pie**

3 eggs  
1-2 c honey  
1 t cinnamon  
2 T flour  
1 c sour cream  
3 T honey

Separate eggs and beat yolks; add the honey which has been blended with the flour and cinnamon. Add the sour cream. 1 cupful of chopped raisins or dates may be used. Cook until thick. Pour in a baked shell. Beat the egg whites to a stiff froth and add three tablespoons of honey. Spread on top of the pie and brown

lightly in very slow oven.

When one-half cup of honey flavor is very predominant and the pie is very rich. One - third cupful honey probably will be more satisfactory for the average taste.

**Use Molasses or Sorghum**

Or if you prefer the flavor of molasses or sorghum, which by the way, supply iron, calcium, and phosphorus, here are some suggestions: The same reduction in liquid (1-4 cup) should be made for each cup of sorghum or molasses. It takes about 1 1-2 times as much when substituting for sugar. About 1-4 teaspoon soda should be added for each cup of molasses or sorghum in quick breads and cakes. These recipes are some you might like:

**Candied Sweet Potatoes**  
6 medium sized Sweet Potatoes  
1-2 t salt  
1 c syrup  
4 T butter

Partly cook the sweet potatoes in boiling water, cool and skin. Cut the sweet potatoes in halves lengthwise or in three pieces if they are large. Put in greased baking dish large enough for just one layer, not packing too closely. Heat the syrup, salt and butter, and pour over sweet potatoes. Bake in a moderate oven for one hour or more, basting them often.

**Sorghum Molasses Cake**

1 c sorghum  
1 egg  
1 3-4 c flour  
1 t cinnamon  
1 t baking powder

Mix well together the fat, molasses egg, and sour milk. Mix and sift together the flour, salt, cinnamon, soda, and baking powder. Combine the two mixtures and beat to a smooth batter. Pour into greased and floured pan to about one inch thick and sprinkle over with chopped nuts. Bake about 20 minutes in a moderate oven 350 degrees F.

**Drop Cookies**

1-2 c fat  
1 egg beaten  
1 t vanilla  
2 t baking powder  
1-4 t ginger

Heat the syrup and the fat until the fat is just melted, and add to the mixture of beaten egg and milk. Sift together the dry ingredients and add to the liquid. Stir well and drop by spoonfuls on a greased baking sheet. Bake in a moderate oven, 375 degrees to 400 degrees F. until brown. Remove from sheet while hot.

—BUY U. S. DEFENSE BONDS—

**"Food For Freedom"**

The Agricultural Commission of the American Bankers Association has prepared an extensive plan whereby banks may assist in the "Food For Freedom" program.

The Secretary of Agriculture has asked farmers to turn out the greatest production in history. The people of this and other United Nations need more meat, milk, eggs, vegetables, fruits, and oil crops. Foods, as he observed, "are munitions of war."

In this, the role of banking will be vital. To quote from the American Bankers Association plan, "The present situation makes it imperative that agricultural production shall not be handicapped by lack of adequate credit. . . . The commercial bank is in excellent position to provide prompt, economical and intelligent credit service to farmers. Every farm in the country is in the trading area of some local bank."

Under the plan, the banks will do a thorough job. Each bank participating will appoint an officer, with a knowledge of farm problems and methods, to take charge of all matters pertaining to agriculture. The community's financial resources will be organized as far as possible. Every request for agricultural credit will be given the most careful consideration. And the banks will encourage all farmers in their areas to develop their properties to the fullest producing capacity for war needs.

Thus the banks are going to work for agriculture. And agriculture's own organizations are doing increasingly effective work in still other fields. The cooperative marketing organizations, for example, are doing an extremely important job in improving production methods, dealing with legislative problems, stabilizing markets, etc. These organizations can aid in making the bank's new program operate with maximum speed and effectiveness. The "Food for Freedom" drive gains momentum fast.

—BUY U. S. DEFENSE BONDS—

Mrs. Mary J. Shultz supplied for Mrs. McArthur in the Homemaking Department at the High School the first of the week. Mrs. McArthur was ill and not able to be at school.

Mr. and Mrs. W. M. Hazel visited their son, H. C. Hazel, and family at Lubbock Tuesday and Wednesday.

H. F. Dowell and sister, Miss Mabel Dowell, and their mother, of Kress, were visiting friends in Spur Saturday and doing some trading.

**Home Demonstration Council**

All Clubs were represented at the meeting of the Dickens County Home Demonstration Council Meeting Saturday, April 25, in the office of the Home Demonstration Agent in Dickens. Roll Call was answered with recipes using syrup or honey in place of sugar. These war time recipes will be mimeographed and will be available to those who want them later.

Miss Bass, Home Demonstration Agent, reported that between 25,000 and 35,000 trees had been given away to plant for wind breaks and shelter belts in the county. Also, that bulletins from the Extension Service that might be of interest to the people in the county, would be placed in the library at Spur. There will be bulletins on subjects.

Mrs. Joe Collier of Soldier Mound, Mrs. Harold Karr of Espuela, and Mrs. Alton Estep of Highway, were elected as voting delegates from Dickens County Clubs at the one day meeting of the Home Demonstration Association at Graham, May 6. Mrs. Emma Russell of Dry Lake, and Mrs. C. E. Goodwin of Afton, were selected as alternates.

There will be a Victory Food Sale sponsored by the Council at Spur, May 16. The sale will begin at 10:30 o'clock a.m. in the West Texas Utilities office and continue until all foods are sold. Such foods as rolls, orange breads, dressed chickens, pies, cakes, eggs, cookies and vegetables and others will be available.

75 more Red Cross garments were reported by Afton, Duck Creek and Dry Lake Clubs. This makes total of 272 garments reported in the county.

The following were present: Mesdames Walter Driggers and Carl McGalliard of Duck Creek, Floyd Barnett and L. S. Wilson of Soldier Mound, F. B. Crockett and S. L. Benefield of Espuela, Alton Estep of Highway, Coy Dopson of Dry Lake,

**Want Ads Get Results**

**Christian Church News**

"Rightousness exalteth a nation, and sin is a reproach to any people." Rightousness is living God's way. God's way, is the best way for man to live. Not because that He can exert power or make us to live that way; but because it is best for us. All people that desire to live as God would have them to live, are attending and helping to support the church in the world today. Lots of good people are on the outside, but their influence does not stand for God's Kingdom. Those that are backing the Kingdom of God will receive a home in Heaven; those that are not backing the Kingdom of God will go to hell. Read Matthew chapter 25. Not my choice or yours. God only has two ways to look at; the right way, and the wrong way. Which way is yours? God's way, or your way.

The Church in your community is the foundation of your community. Your place of business is made better by it; your home is made secure by its presence; your schools are the product of the Church. Your social and political life is on a high plane; because the Principles of the church have helped to formulate the policies of those groups. Our President saw the need of the the work of the church and called the nation to prayer. Have you answered the president's call to Prayer?

Go to church next Sunday in Spur. You are welcome to any and all of our churches.

Our regular services next Sunday as usual

If during the week you wish to use the building of the Christain Church as a place of prayer, it will be open for you.

The Church decided Sunday night to hold its revival meeting the first two weeks of July. Dares July 1-12.

Pearce J. Burns, Pastor

—BUY U. S. DEFENSE BONDS—

**Baptist Church News**

Rev. Aubrey Short, of Rochester, has accepted the pastorate of the First Baptist Church and will be here to take up the work Sunday, May 17. He was here last Sunday and brought two very fine messages.

There will be services next Sunday mornin gat 11:00 o'clock and Sunday night at 8:30. We are trying to get Dr. E. B. Atwood to fill the pulpit next Sunday. Sunday School will start at 9:45, and B.T.U. services will be Sunday afternoon at 7:30 o'clock. Prayer meeting Wednesday evening at 8:30.

Sunday School picked up last Sunday and there were good crowds present for both the morning and evening preaching services. We hope you will be out next Sunday and keep coming each Sunday. You will enjoy the church services if you will get to attending.

**YOUR FROZEN FOOD LOCKER PLANT HELPS YOU CONSERVE FOOD FOR DEFENSE**

**FOOD WILL HELP TO WIN THE WAR. YOUR LOCKER WILL HELP YOU CONSERVE FOOD.**

Foods, fruits, vegetables, or meats, stored in a Frozen Food Locker will be just as fresh when you take them out as it was when you put it in—and there is much less trouble and expense in preparing it for storage. If you are not familiar with the methods used in preparing food for your locker our processor will be glad to give you any information he can.

There may be a shortage of cans for canning this year's crop of fruits and vegetables. But don't worry at all. A FROZEN FOOD LOCKER will take care of your worries—but you had better make arrangements for a locker now because our supply is nearing exhaustion.

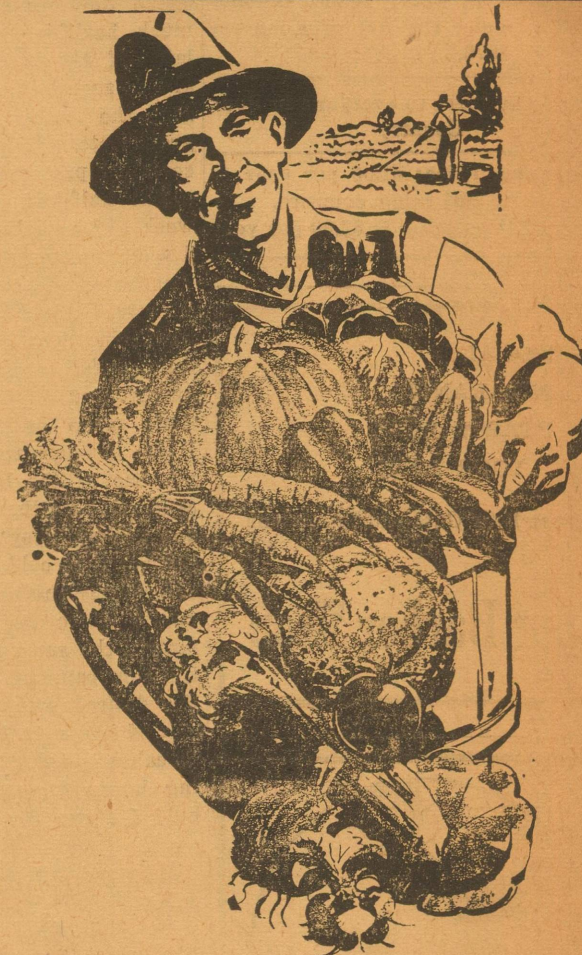

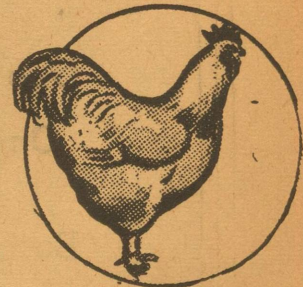

A Frozen Food Locker serves as a bank for your food. You put it in and withdraw it as you need it.

**ASK THOSE WHO USE A LOCKER.**

**POULTRY**

Nothing can be better than fryers, broilers or bakers out of your locker.

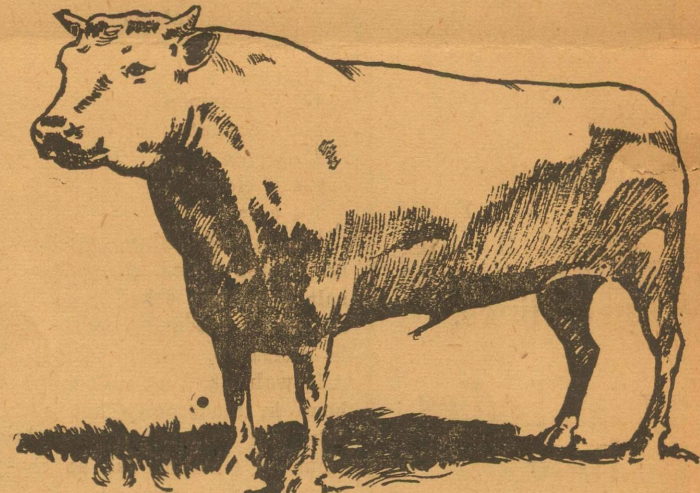

After the freezing process they are so tender they melt in your mouth.

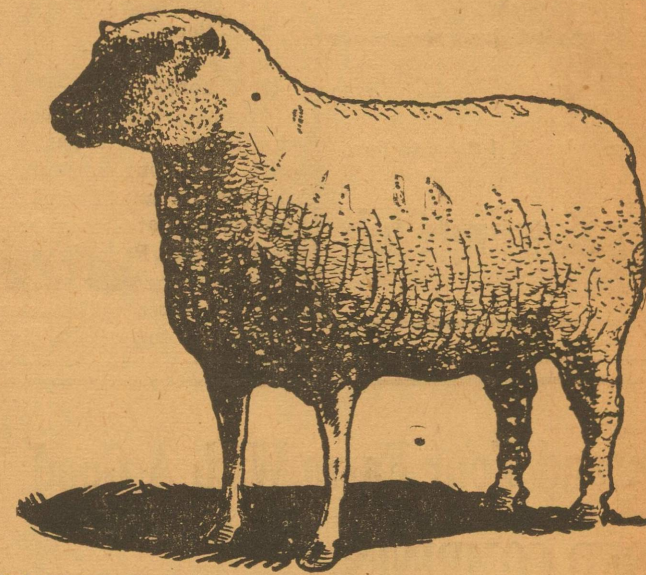

**VEGETABLES**  
Will keep GARDEN FRESH indefinitely.

**PORK**  
Fresh or cured will keep fresh and palatable for several months.

**BEEF**  
Quick Frozen Steak or Roast out of your locker is the best beef obtainable.

**MUTTON**  
Mutton is one of the meats that the Quick Freeze Process improves.

Stop Moth

SABOTAGE

In YOUR Clothes Closet

OUR DRY CLEANING KILLS ALL MOTH LIFE

Our modern dry cleaning methods destroy all moths and moth larvae. But cleaned clothes need further protection against moth damage in your home. So we seal your clothes in Sanitex Double-Sealed Bags. Garments are protected against moths, dust and air until the bag is opened.

This is your line of defense against the moth menace. Send us your out-of-season garments and blankets for this service.

We will store and keep your clothes until you are ready for them.

Community Can Help Solve Farm Production Problems

The Stamford Production Credit Association is encouraging farmers and stockmen to expand their live at home program as much as advisable for the duration of the war.

No farm can reach productive capacity without having enough meat, eggs, milk, and vegetables for annual requirements. And especially now, we need to have products that are marketable which will bring in an income not only do we need this extra income, but every extra dozen eggs, pound of milk, pound of meat, that can be put on the market will help feed our armies and the Allied forces.

Farmers should be careful not to over expand, but with due consideration should make their farms produce as much as possible on the normal cultivated acres.

The stockman should be careful to not over stock his range this year which will result in the livestock being ready for market much earlier.

HYATT FOOD MARKET

WHY AMERICA NEEDS More COTTON Production

Secretary of Agriculture Wickard has called upon cotton growers to plant their full cotton acreage allotment - 4,000,000 acres more cotton than we planted last season - because the United States vitally needs more of the products of cotton and cotton seed. These needs include . . .

More cottonseed oil to supply the nation's need for food and industrial fats, and to replace oil formerly imported from Pacific areas.

More cotton linters to supply the increasing needs of the munitions industry for this essential raw material.

More cottonseed meal and hulls to supply feeds needed by livestock producers for the efficient production of "FOOD FOR VICTORY."

More Lint Cotton of certain qualities and grades, especially longer staple cotton, to meet increasing needs of the United Nations in their war efforts.

COTTON is the ONLY crop that supplies ALL these products.

HOW YOU CAN HELP GROW MORE COTTON

In order to produce this cotton, it is highly essential that every cotton grower throughout the South follow these sound practices:

Plant the full cotton allotment: Be sure that you plant every acre of cotton which the AAA legal allotment permits. Replant as often as necessary to insure a full stand of all this acreage.

Plant Good Seed: By using quality planting seed, with a high germination test, you will help to insure maximum yields.

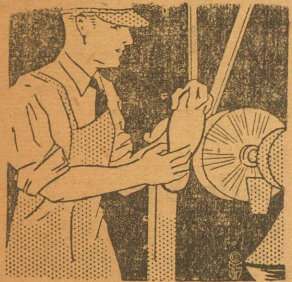

Fertilize Adequately: Be certain that you use adequate amounts of fertilizer, adapted to your own soils, on every cotton acre. Fight the Insects: No cotton farmer can afford, this season, to suffer costly losses from insects. Poison promptly and as frequently as needed to reduce insect damage.

Keep it Clean and Pick it Clean: Keeping fields free of weeds and grass, and picking all of the cotton this fall, moving it promptly to the gin, are important to insure maximum production.

PLANT YOUR FULL ALLOTMENT

## Spur Homemaking Department Sponsors Style Show

The Homemaking Department of the Spur High School will sponsor a style show Friday night, May 1. The program will start about 8:30 o'clock and will consist of a number of diversions. The first, second and third year classes will model the dresses they have made during their school year.

There will be a small admission fee.

The proceeds of the style show will be used to purchase a living room suit for the Homemaking Department. The girls who are taking the work are donating their time to build up the work in the schools for other pupils who may take the course in the future.

They ask the patronage of the people for the evening promising to show them some nice dresses of home production. Also, there will be other features in the program.

An educational picture show, "The Romance of Meat," will be shown before the class garments.

Play garments made by second year students will be modeled by: Joyce Lofland, LaWanda McCombs, Don Davis, Jane Ann Albin, Robbie Beth Cannon, Judy Christian, Sandra Gynelle Reid, Reta Joyce Williams, LaJuan Smith, Lavon Dean Reagan, Curtis Elmer and Patsy Boykin.

First year girls who will model school dresses are: Aline Ball, Mary Louise Burnam, Gerena Byrd, Peggy Jean Donovan, Emma Pearl Gruben, Marjorene Hagins, Eurena Hoover, Gwendolyn McAlpine, Betty Jo Nix, Vera Doris Pickens, Mary Louise Puckett, Doris Rape, Jackie Rector, Jewel Rich, Jo Ann Rummell, Peggy Louise Smith, o Ann Smith, Patsy Valentine, Norwetta Williams, Ada Bell Anglin, Alice Barclay, Joy Christensen, Doris Lee Clower, Billie Louise Conaway, Jerrie Condran, Virginia Crockett, Genata Dement, Al vira Evans, Joyce Fletcher, Mellie Gilmore, Dollie Mae Hagins, Nelda Hindman, Charlee Powell, Marjorie Randall, Byrdean Roberson, Peggy Sweeney, Norma Thurston, Vernell Wilson, Billie Jean Woodrum, Lou Nell Wright.

All caesian dresses will be modeled by second year students: Eunice Denison, Ceelia Fox, Jewel Garrett, Frances Johns, Dorothy Kelly, Wilma Dee Nix, Winona Pace, Shirley Powell Betty Jo Reid, Dorothy Reynolds, Waneva Stanley, Patsy Turpen, Elizabeth Watson and Ruth Smith.

The special occasion costumes made by third year students are divided into two groups, afternoon and evening dresses. Afternoon dresses will be modeled by: Ava Nell Bilberry Lois Rape, Nadyne Brewer, Margie Cole, Ferne Delisle, Gillene Elkins, Louise Ince, Betty Miller, Yuba Parks and Bobbie Lou Watters.

Evening dresses will be modeled by Betty Jo Barnett, Elyse Cleo Frazier, Elizabeth Ramsay, Bonnie Doyle Turpen, and Bertha Nell Walker.

Honorary Artaban Club members, Mrs. Cecil Fox, Mrs. Floyd Barnett and Mrs. O. C. Arthur, will line up the girls before going on stage. Mrs. Everett McArthur, Homemaking instructor in Spur High School, will announce the winners in each class at the close of the show.

## Baptist Ladies Meet In Spur

The ladies of the Dickens County Baptist Association meet in a mission study institute at the First Baptist Church in Spur Friday morning at 10:00 o'clock. Among the speakers will be Mrs. L. Lumsden, president of the Women's Work for District No. 9; and Mrs. R. L. Brown, of College Station, who is state chairman of Mission study work.

It is the hope of those in charge that every church in the association will be represented.

The following is the program outline:

- Theme: "O Send Out Thy Light And Thy Truth." Ps. 43:3.
- Chorister: Mrs. R. C. Alexander.
- Pianist: Mrs. Bob Alexander.
- Hymn: "The Light Of The World."
- 10:00: Devotional, Mrs. Minnie Lewis.
- 10:15: General W. M. U. Conference, Mrs. R. L. Brown.
- 11:00: Attaining the Standard of Excellence, Mrs. L. Lumsden.
- 11:45: Inspirational Address, Mrs. R. L. Brown.
- 12:15: Lunch Served at the Church. (Covered Dish.)
- 1:15: Sunbeam Demonstration by Mrs. H. C. Gruben.
- 1:45: Our Plan of Work for 1942, Mrs. L. Lumsden.
- 2:15: Presenting Books on Cuba, Mrs. R. L. Brown.

## Harold Crouch Drowned Recently

The Hempstead News recently carried an article relating the drowning of Harold Crouch, 16, son of Mr. and Mrs. Charlie Crouch formerly of Spur. The story related is that Harid had gone to the Brazos River with some friends to enjoy a day of fishing. He and a friend attempted to swim the river and after they were nearly across, Harid's arm became exhausted and he went down in swift water.

The friends did all they could to recover the body in time for resuscitation but failed. They grappled the river all night and the body was recovered about 9:30 o'clock Saturday morning, April 4, not far from where Harold had been last seen. The river was 23 feet deep at the point.

Harold was a nephew of Dee R. Hairgrove here and a grandson of Mr. and Mrs. R. J. Hairgrove of Dry Lake community. He attended Spur schools while here and had a great number of friends among the school children. He was a member of the Hempstead football squad.

He is survived by his parents, three sisters: Mrs. R. T. Brandenburg of San Antonio, Misses Letha and Winona Crouch of Hempstead; two brothers, Melvin Crouch of San Antonio and Lewis Cruch of Houston.

— BUY U. S. DEFENSE BONDS —  
J. E. Sparks and W. D. Thacker returned Monday from Phoenix, Ariz., and other points where Mr. Sparks visited his sister, Mrs. J. W. Holt; and Mr. Thacker visited his sons, one at Tucson and the other at Prescott.

## Grady Edgar Acquitted

An announcement appearing in the Vallejo (Calif.) Chronicle under date of April 23, stated that Grady Edgar has been acquitted of a charge of robbery wherein he had been arraigned before the courts for more than a week and the jury was less than one hour reaching a decision. Mr. Edgar had been working in the shipyards at Vallejo and had come home on a visit. A clerk in a grocery store had embezzled some money and had accused Mr. Edgar of holding him up for the money. He just used Mr. Edgar's picture in a sham identification. Evidence showed that Mr. Edgar was miles away when the deed was

supposed to have been committed. Mr. Edgar is a son of Mr. and Mrs. Will Edgar who live near Dickens, and had a clear record before he left this country. He is an industrious workman and has always been willing to do his part in life. Friends here will be glad to know the courts in California also shows that he is still a real man.

### VISITS UNCLE HERE

Mr. and Mrs. J. L. McNeil, of Houston, visited their uncle, J. C. McNeil, and family last week. They were married in Brazoria last Thursday and made the visit to Dickens County as a kind of a honeymoon. Mrs. McNeil was Miss Mary Louise Dance before her marriage.

Mr. McNeil in former years spent a great deal of time here with his uncle on the ranch, and stated he enjoyed those days very much. He is a First Lieutenant in the Army at Camp Walters now.
