Remember Pearl Harbor Dec. 7, 1941 Women At War Week

By Mrs. Page Gollihar

Women's part in our war effort stands out in bold relief this week. The women of this country have set themselves the goal of exceeding all former weekly totals for War Savings sales during Women at War Week, Nov. 22nd to 28th. The women of Spur have a responsible place in that campaign.

We need the wholehearted cooperation of every women's club and organization and every individual housewife, if our community is to do its share in reaching that objective.

This is no war of fighting fronts alone. There is fighting to be done thousands of miles from the battle areas. We women must mobilize to do it. Whether we wear the uniform of the WAACS or the WAVES, the WVS or the Red Cross, whether we wear the coveralls of the factories or whether we wear housewives' aprons, we are all of us Wemon at War.

We cannot be content with mere sacrifices of conveniences. We must go beyond that. The gasoline and rubber, the sugar and tin and grease and scrap we conserve, all contribute to strategic reserves. And above all the Bonds we buy at home mean bombs at the front. Every bond, every stamp is a blow at the Axis. When you put so much as a ten-cent stamp in your savings book, you are firing five .45 calibre bullets at freedom's enemies.

Remembering the price in hunger and suffering and death which other women have paid, women of our Allies, we can be glad we have a chance to shoulder some part of the burden, and encourage our families and neighbors to do likewise. It will mean self-denial, if we are to reach the goal women of the Spur face that challenge eagerly.

The local committee is stressing the buying of bonds by women's organizations in Spur as well as the buying of Bonds and Stamps by individuals. There will be a War Saving booth on the streets of Spur on Saturday Nov. 28th. Make your plans now take advantage of that opportunity to buy War Stamps and Bonds.

WHO NAMED THE "JEEP"

There has been much discussion as how the term "jeep" first became used in Army circles. The editor of Life Magazine, in the August 10 issue, stated that even the U. S. Army Information Office did not know how the Jeep got its name.

Following that statement in Life, W. C. MacFarlane, president of the Minneapolis-Moline Power Implement Company, wrote the editor of Life Magazine, telling him how the word first came into use.

It seems that the word jeep was first given to an Army tractor by the Minneapolis National Guardsmen at Camp Ripley, Minnesota, during their encampment of 1940. Contrary to some of the two words "general purpose (GP)," nor was it taken from the Popeye cartoons.

Implement Company, as far back as 1938, were working on the conversion of a farm tractor to an artillery prime mover; and, in collaboration with Adjutant General Walsh of the Minnesota National Guard, some experimental models were placed in the Army maneuvers at Camp Ripley in 1940, as a continuation of the experiments conducted there the previous year.

This vehicle was a 4-wheel drive or, as referred to in military parlance, a 4x4. It was not a truck, nor was it the conventional type of caterpillar tractor customarily used for hauling guns. When Army trucks became bogged down in swamps or dug into sand, or when artillery pieces got off the road, this tractor was used to extricate the bogged-

Spur Girl To Appear In Movie

Miss Regina Lee of Spur was one of the students from Texas State College for Women who went to Texas A&M College last weekend to take part in "We've Never Been Licked," Universal motion picture being filmed at and about Aggieland.

More than 200 TSCW students will appear in special dance scenes in the picture. Five hundred Aggies stayed on the campus for the weekend instead of taking Thanksgiving holidays in order to be in the scenes. The picture, dedicated to A&M and the men it has trained, is being produced by Walter Wanger, and stars Anne Gwynne, Martha O'Driscoll, Richard Quine, and Moah Berry, Jr.

TSCW girls to appear in the movie were chosen by student-director committees in their dormitories. They were judged on personal appearance, good grooming, and personality.

Regina, daughter of Mrs. Emma Lee, is a senior student majoring in speech at the college.

ALBERT POWER ASKS TO BE LAW-MAKER

We are permitted by the friends of Albert Power of Dickens County Texas, to announce that he will be a candidate for the office of state representative for the 118th district to fill the vacancy in the office created by the election of the Hon. Pat Bullock to the office of state senator.

Mr. Power is a long time resident of Dickens County, Texas in the year 1912. He was born in Wood County, Texas in the year 1888, and moved to Jones County, Texas while a small child. He is married and has three children, one son by the name of Ellis Power, who is now with the United States armed forces somewhere in the Australia or New Guinea area, another son, by the name of Bill D. Power, who is in an army camp in the State of Oklahoma, and one daughter, by the name of Mrs. W. A. Franklin, who is employed in a war industry in California.

Mr. Power has been a progressive farmer during all of his farming life. He has always been interested in the betterment of the farming people, and has consistently taken a leading role in farm organizations. He has spent most of his life in this particular area of Texas and is fully aware of the problems, hopes, aims and ambitions of the West Texas farmer and merchant. He is

Youth Will Answer America's Call

The young men of our country are answering America's Call. If you are over 18 and have not yet reached your 20th birthday, you have the opportunity of becoming a commissioned officer in any of the following branches of the service: Air Forces (including Aviation Cadets), Chemical Warfare Service, Coast Artillery (Anti-aircraft or Harbor Defense), Corps of Engineers, Corps of Military Police, Field Artillery, Infantry, Medical Department, Ordnance Department, Quartermaster Corps or Signal Corps.

This choice if available only to men of 18 and 19 who enlist now. No choice can be made upon being called through Selective Service or after the young man has reached his 20th birthday.

Youth must help win the war... and you have this splendid opportunity of choosing the branch of service you wish to serve in.

Pfc. Elvin E. Gruver, commander of the United States Army Recruiting Station in Sweetwater says, "Come in and talk it over with us. We will be glad to explain how you can take advantage of the Army's program for young men of 18 and 19.

Cotton Allotment Vote December 12

The farmers of the South and West who grow cotton and landowners who own farms on which cotton is produced, will have the privilege of saying by vote December 12 whether or not they want to continue the present cotton program. According to Charles Taylor, Secretary of the Dickens County AAA, there will be practically the same program submitted for adoption as has been in force.

There will be voting boxes stationed at various places in the county for the accommodation of those who desire to vote on this question. The Agricultural Department urges that farmers try to vote on this question as they feel about it, whether it be favorable or not.

a prodigious reader and is thoroughly conversant with the affairs of the State and the Nation. He is familiar with the problems of the small business man and merchant of West Texas. He is a man who does not hesitate to take an honest and open stand on questions of a public nature. Mr. Power has always been greatly interested in the betterment of the schools of Texas, and has assisted in organizing several schools in Dickens County. He has served on the County School Board of Dickens County for several terms. On numerous occasions, at his own expense, he went to the State School Department at Austin in behalf of the schools of Dickens County. He has always believed in better education for the young manhood and womanhood of Texas, having educated his three children in the public schools and colleges of Texas.

Mr. Albert Power is active in county affairs, and has continuously worked for the development of his community, county and town. He assisted in the organizing of the first cooperative gin in Dickens County, and served as its president for five years, during which time the gin was paid for. He has served on the various agriculture committees of Dickens County. He is a member of the Spur Chamber of Commerce and has always maintained membership in the civic clubs of Spur.

Mr. Power has the natural ability to express himself in a clear and interesting manner, and if you elect him to the office of state representative for the 118th. district he will always be ready to champion a just and worthy cause.

Mr. Power is wholeheartedly endorsing the recent statement of our lieutenant-governor-elect, the Hon. John Lee Smith of Throckmorton, Texas, in which he states that this coming session of the legislature should be brief; that only the necessary appropriations should be made; leave the field of taxation as much as possible to the Federal government, realizing that much money is needed to win the war; by taking up no great amount of new legislation, and lastly, to quit and come home and finish winning the war.

The above announcement written, contributed and paid for by his many friends of Albert Power, which friends unhesitatingly and humbly ask your support and votes in the coming special election).

Monral Arnal was wanted on a long-distance call Wednesday night. It has been requested that he call operator 132, Fort Worth, Texas.

If You Marry Notify The Social Security Board

Lubbock—In commenting on the heavy increase in the number of marriages within the last year, John D. Palmer, manager of the Lubbock Social Security Board field office, said that persons who have been issued social security account numbers and have changed their names through marriage should notify the Social Security Board.

"It is essential that when a woman marries and changes her name she notify the Board accordingly in order that we may make our records conform," Palmer stated.

"It thus prevents confusion and costly errors in recording her wages that could result if her employer reported her wages under her married name while the Board's records still showed her maiden name."

Any individual may apply at the Social Security Board office in Lubbock for a "change in records" form but, he added, they should bring their account number cards with them. It is then possible to issue a new card immediately, showing the changed name under the same number. Women who apply for a "change in records" by mail should enclose the original card but should keep a record of the number until the new card is received. Palmer also emphasized that the employer should likewise be informed of the change so that the name reported by him will be the same as shown on the corrected account number card.

The reporting of such corrections and changes is necessary in order that the Social Security Board may maintain accurate records at all times to assure prompt payment of old-age and survivors insurance claims, Palmer said, who also stated that there is no charge for the correction of such records.

Spur Community To Hear Outstanding Speaker Friday Nite

On the line of community service, the Rotarians of Spur have secured the service of Judge Jeff Williams, of Chickasha, Okla., an outstanding speaker, humorist and entertainer, to be the guest of Spur community Friday, (tomorrow) night. Judge Williams will speak at the First Methodist Church and the occasion will be free to everybody. He is one of six outstanding speakers and humorists of the Southwest and the Spur Rotarians feel they are fortunate in securing his service in their Community Service program.

Judge Williams is past District Governor of the 124th District of Rotary International, is past president of his home club, and serves as chairman of all major committees. He is a former member of the Committee on Constitution and By-Laws of Rotary International, is a past director, and chairman of the Redistricting Committee of Rotary International.

Army Recruiting Officer To Be Here Friday

An Army recruiting officer from Sweetwater will be at the lobby of the Postoffice in Spur Friday, December 4, from 9:30 o'clock in the morning until 5:00 o'clock in the afternoon for the purpose of conferring with young men who desire to join any branch of the U. S. Army. He is especially interested in conferring with young men of ages 18 and 19.

These men have an opportunity to enlist in Signal Corps, Air Force, Armored Forces, Cavalry, Infantry, Corps of Engineers, Coast Artillery, both Anti-Aircraft and Harbor Defense. Persons having reached their 20th birthday or who have been called by Selective Service cannot be accepted.

War Requires Ample Supply Cotton Products

A warning that a shortage of cotton could seriously cripple the United Nations war effort was issued recently by Burris C. Jackson, widely known cotton leader and chairman of the State-Wide Cotton Committee of Texas.

Shortages in labor and equipment, plus a possible further acreage reduction, all combine to present a problem of major importance for the conduct of the war, Jackson asserted. His statement followed: "The United Nations are depending heavily upon cotton to help win the present world conflict. Cotton is a critical war material. Cotton and cotton products are fitting on every front."

"Cotton also has a great stake in this war. The future of American cotton is tied up in the future of Democracy."

"Cotton is one of the most vital of all materials in waging total war. Cotton helps furnish food, feed, fiber, and munitions, the lack of any one of which could seriously cripple or even cause the war to be lost. "Not only business but production as usual" should be a thing of the past. Far-reaching economic changes are taking place almost daily.

"Cotton is not only greatly aiding the all-out war effort, but cotton has tremendous power in making the peace that follows. The peacetime economy of every nation on the earth will be completely disorganized after this war. Cotton will play a most important role in re-building the world."

"When this war is over the world will be cotton hungry. The American cotton grower should be in position to satisfy that hunger."

"Action must be taken now for cotton to exert its full influence in helping win this war and in winning the peace to come. The first step is an ample supply of cotton to meet present and potential demands."

"Despite the fact that we face a shortage of nearly all the products of cotton, we are now only producing cotton in this country at about three-fourths of capacity."

"When this shortage becomes more acute there are only two ways in which we can replenish the supply. First, would be to import cotton. The objections to this are overwhelming. Second, would be to produce more cotton in this country. That is the soundest course to pursue for cotton to help this nation and our allies to win both the war and the peace. "The hour is growing late to put this policy in force." Cotton Oil and Cotton Press

Rev. Proctor Dies At Kaufman Home

Rev. J. E. Proctor, father of Carl and Homer Proctor of Spur, passed away at his home in Kaufman Wednesday afternoon. He had been ill for a long time.

Carl and Homer left Wednesday afternoon to be at the funeral which will be held sometime this afternoon. Proctor Bros. Store will be closed today (Thursday).

Rev. Proctor was 72 years of age. He is survived by two daughters: Mrs. C. F. Hall of Kemp, and Mrs. W. C. Avelt of Kaufman; five sons, Carl and Homer Proctor of Spur, Clovis Proctor who is in Florida, Edgar Proctor of San Angelo, and Claude Proctor of Brownfield who was at his father's home on a visit at the time of the demise.

Pharmacists, Meat Inspectors Sought For Federal Service

A new examination to recruit pharmacists for Federal dispensaries and hospitals is announced by the U. S. Civil Service Commission. In addition, men and women not now employed on livestock, dairy, or poultry farms who are acquainted with livestock raising and processing are sought as inspectors for meat packing establishments.

The examination for Junior Pharmacist, \$2,000 a year for the first time since 1940. It is open to applicants who have successfully completed a full 4-year course with

Bulldogs Needs Your Presents Friday 2 p. m.

What is expected to be one of the outstanding games of Class A school football will be played at the Charles A. Jones Memorial stadium in Spur Friday afternoon. The game will be for Bi-District championship between the Wellington Skyrocks and the Spur Bulldogs, two undefeated teams for this season. Wellington represents District 3-A and the Spur represents District 4-A.

The game will start at two o'clock Friday afternoon, and it is expected to be a hot contest from the very beginning. This is the first game for Bi-District championship that has ever been played in this section, and the first one at Spur. The Bulldogs have been in Bi-District games before, but they were always played in the northern section.

Football fans will get the thrills they want at this game. Both teams have to be good to be district champions. Let's be there and root for the Bulldogs and encourage them to win. Admission prices: Adults, \$1.10 High School students 55c, and grade schools, 28c Federal tax included.

The officials for the game tomorrow will be W. L. "Stoney" Wall, Kansas University, referee; Morley Jennings, Ouachita College, umpire; and Prentiss Walker, North Texas Teachers College, Head Linesman.

Tickets are on sale at the following places down town: Red Front Drug, City Drug, Chastain's Pharmacy, Gruben Drug and Jewelry, Bell's Cafe, Spur Cafe, and Hyatt's Food Store.

Spur Merchants Close Business For Wellington Game

The Spur merchants agreed Monday to close their respective places of business for the Spur-Wellington Football Game since this will be the first Bi-District Championship Game ever played in Spur. Not only was this agreement unanimous, but these merchants and other fans underwrote the necessary financial guarantee to get this game played in Spur.

This game will be played in the Charles A. Jones Memorial Stadium, Friday, Dec. 4th at 2 p. m. Attention is called to the starting time of this game, since many people have become accustomed to all day games beginning at 2:30 p. m. Change in time has been made so that all pupils who ride the school buses may see this game. It is hoped that all merchants will keep this in mind and close their places of business so that all employees may get to the game on time.

The school officials deeply appreciate the fine spirit of cooperation and enthusiasm shown by the Spur business men in helping get this game played in Spur.

major study in pharmacy in a recognized college, university, college of pharmacy, or medical school, and to senior students in such school who expect to graduate before July, 1943. It is also open to registered pharmacists lacking college training - provision being made for substitute pharmaceutical experience, or study in resident pharmacy schools, for the prescribed college training. Combinations of experience and education are acceptable.

Applications for Junior Pharmacist must be filed with the Commission's Washington office by December 15, 1942. Positions at \$1,440, \$1,620, and \$1,800 as well as at \$2,000 are available to passing the written examination.

Assistant Lay Inspector positions in meat packing establishments, do not require written test. Applicants who show that they have lived for 4 years since their twelfth birthday on farms or ranches producing livestock, or applicants who have had at least 2 years of experience their sixteenth birthday handling livestock or preparing and processing meat products may be eligible for the positions, which pay \$1,620 a year. Jobs are located throughout the United States.

There is no maximum age limit for any of these positions; applications must be filed with the United States Civil Service Commission, Washington, D. C.

MINISTER SPEAKS TO STUDENTS

The students of Junior High School were honored in having Brother Preston, a retired minister spoke to us Wednesday morning. He brought us a message that we all enjoyed and agreed on.

Brother Preston began his speech by asking the question; "Why are you in High School?" He also asked if any student could tell who he was, what he was, and the number of things he possessed. A ten-dollar bill was offered to the student who could answer either of

these questions, but it was not answered. He also offered twenty-five dollars to the student who could name seventy-five per cent of the things he possessed. This question was not answered either. He also related some history, and quoted scriptures from the Bible.

Brother Preston has been in seven thousand schools. He has been the guest of our school six or seven times. We are always happy to have Brother Preston as our speaker, and sincerely hope that he will be with us next year.

Mr. and Mrs. Jesse Morrison are parents of a fine baby boy born Thursday.

Mrs. T. F. Baird, of Girard, was in Spur Monday doing some shopping. She reported that she and Mr. Baird are moving to East Texas this week to make their home there.

Mr. and Mrs. Clarence Alexander left Wednesday for California to make their home there for a while. Mr. Alexander will work in civil defense work until he is called into service. They stated they would return to Dickens County after the war, they hoped.

FUTURE HOMEMAKERS MEET

The Homemaking Club of McAdoo met at the Homemaking Cottage on Wednesday, November 25, 1942. The sponsor also met with them. The sponsor is Miss Florene May, whom is our new Homemaking teacher this year.

The meeting was called to order by Estelle Mc Laughlin, President of the club. The duties of the officers were reviewed and then the house was opened for the election of new officers for the coming year.

The officers elected were as follows: President-Betty Jo Allen, V. president- Betty Rae Fox, Treas-

urer- Doris Jeane Potts, Historian- Baby Lou Buckner, Reporter Gwendolyn Allen, Songleader- Jo Ann Griffith, Accompanist- Nora Deil Beard, Parliamentarian- Estelle Mc Laughlin. The business was then taken up. The club first voted to meet twice

a month. The club was also asked to send its vote in as to whether they wanted to have an Area meeting this year or not. The vote was apposite. Plans for the club objective was discussed briefly, but

will be finished in the next meeting that will be held on December 9, 1942. All members are urged to be present. The initiation is to be at that time for the new members. Mr. and Mrs. A. G. Dyer, of Girard, were transacting business and meeting friends in Spur Saturday.

THE MOST IMPORTANT ANNOUNCEMENT EVER MADE BY THE U. S. TREASURY DEPARTMENT

The 9 Billion Dollar Victory Loan Drive Is On!

This week the United States Government begins the task of borrowing nine billion dollars from accumulated savings and idle funds in the next several weeks as an essential part of winning the war more quickly and more completely.

During these critical weeks you probably will be visited by a representative of one of the securities firms or banks which are contributing their time and effort—without compensation of any kind—to the Victory Fund Committee. He will explain to you, for instance, the benefits that you can obtain from the new Victory 2½'s—available for the first time. Welcome him as a war worker when he calls. If you miss him, ask your banker or securities dealer for full

particulars. There is no limit to the amount that you can purchase.

Today many American families are torn apart. Millions have left their homes or their jobs; thousands have given their lives and many more are prepared to do so.

But the government, your government, is not asking you to give anything to this Nine Billion Dollar Drive. It is asking you to lend it all of the money you can possibly invest in what is the safest investment in the world—at a good rate of interest.

When the Victory Fund representative calls, please remember this: it is in your own interest, as well as that of your country, to listen to him—and to invest.

BUY THESE VICTORY 2½'s NOW

Twenty-six year 2½ per cent bonds due December 15, 1968, callable December 15, 1963. Issued in coupon or registered form at the option of the buyer. Commercial banks will not be permitted to hold these bonds until ten years after the date of issue. There is no limit on the amount any eligible investor may purchase. Interest is paid semi-annually, June 15 and Dec. 15. The bonds will be sold in denominations from \$500 to \$100,000. In the event of the death of a holder, the bonds may be redeemed at 100% and accrued interest for the purpose of satisfying federal estate taxes.

Two series of shorter term obligations: (a) 1½ per cent bonds due June 15, 1948, and (b) 7/8 per cent certificates of indebtedness due one year after issuance. These securities are open for subscription by banks, and also by all other classes of investors, whether private, corporate or institutional.

Other Treasury Securities offered to investors through the Victory Fund Committee are Treasury Tax Savings Notes A and C, and U. S. Savings Bonds, Series F and G.

SENIOR CLASS TO PRESENT "LENA RIVERS"

There has been a great deal of speculation as to what play would be chosen by the senior class for their annual play. At last it has been announced that by special arrangement with Samuel French of New York City, permission has been secured to present that greatest of all plays, "Lena Rivers". It will be presented at the high school gym sometime near the Christmas holidays. Watch the local papers for time and date. Rehearsals have already started under the able direction of Miss Mary Beth long who is the speech teacher in the high school.

For years "Lena Rivers" has headed the list of best sellers—it still does. In every civilized country in the world Mary J. Holmes' celebrated novel has been read and enjoyed until it has reached the status of being included with the finest classic of literature. As a professional play it flourished in America and Canada, and has even been produced in London and various parts of Europe. As a play it ranks in popularity with "Way Down East", and "The Old Homestead", "Under Southern Skies," and has even been filmed several times. In fact, just a short time ago Charlotte Henry was starred in the movie version of this great play.

It is little wonder then that the Seniors are proudly preparing to offer "Lena Rivers" for your approval. Ned Albert, the celebrated New York playwright, has prepared a special dramatization of this famous classic that is conceded to be the finest modern version ever made of the play. You will become so engrossed with this fascinating entertainment that you will forget you are in a theatre and you'll shed one tear one moment and howl with laughter the next and wish that it could go on forever. Audiences all over the world have been unanimous in stating that "Lena Rivers" is the best play they have ever seen. So get your tickets early, for to miss grand play would be a misfortune indeed. Do come and bring friends.

The mammoth cast of 13 Seniors includes:

Mrs. Livingstone — Rose Petty
 Caroline Livingstone — Beth Arthur
 Anna Livingstone — Marie Whitwell
 John Jr. Livingstone — Johnny Rucker
 Durward Belmont — Marvin Blair
 Malcolm Everette — Leon Hale
 Mr. Graham — Pat Christal
 Mrs. Graham — Melva Jo Swearingen
 Mr. Livingstone — Joe Ericson
 Aunt Milly — Evelyn Lewis
 Uncle Casar — Alfred Walker
 Granny — Grace Boothe
 Lena Rivers — Melba Lewis

Former Students

Pvt. Robert W. Crockett, known to us as Bob, was inducted into the Army Air Corps on November fifth. He graduated from Spur High School in 1942 and at the present is stationed at Randolph Field in San Antonio.

Pvt. Lewis McMahan, a former student of S. H. S. who graduated in '34 is home on a fifteen day furlough. He is stationed at Camp Beauregard, La., and has been on maneuvers for the past three and a half months. Lewis likes the Army very much.

Seaman Pat Fletcher, former student of S. H. S. and letterman on the football team in '41 is now stationed in Guantanamo Bay, Cuba. He says Navy life is great and expects to get a furlough next June.

Birl Hutton who recently joined the Navy was a visitor in S. H. S. last Tuesday. He is home on a ten day furlough and has been stationed at the Naval Training Station in Chicago, Illinois.

Dudley Wooten, '31, was a visitor at the high school one day last week. He is the son of Mr. and Mrs. Riley Wooten of McAdoo.

Gerena Byrd, a student in Spur High School last year, visited the old Alma Mater last Wednesday. Gerena is now attending the Lubbock High School having moved to Lubbock during the summer.

Boyd Ball, '42, who is attending Texas Tech at Lubbock, came by the school on Wednesday. Boyd was one of our salutatorians last year and is taking engineering in college.

JUNIOR CLASS ACTIVITIES

Every year Junior Class has the responsibility of making enough money for a Junior-Senior Banquet. This year they have many things to keep them from reaching their goal. This war has changed many of our schools' activities and the Junior Class is no exception. They can't get chewing gum, candy, soda pop and these are the main items to sell at a football game. In spite of these shortages the class has done quite well in their drive for money.

They are selling magazines and are doing fairly well at the games. Some of the magazines are: Ladies Home Journal, The Saturday Evening Post, Jack and Jill, and Open Road for Boys. These magazines are the most popular of the magazines that they sell. If any of you want to see the magazines or take to your mother or father, please come by Mrs. Johnston's room and she will show them to you.

They are also selling Christmas cards. They are arranged in boxes of 21 and fifty. The boxes with 21 are nicer than the ones with fifty but both boxes are a bargain. They sell for one dollar each. If you need a box, please see a Junior. The Juniors hope to have enough money for the banquet and they say that they will.

Scandal Section

Well students this is your football backing, low down gossip with another week of scandal fresh from the drum section of the band.

Dorthga Karr has a new flame that lives in Guthrie, but how come him to break that date Saturday night Dorothy?

Who was it Wilburn and Ila Ruth caught out at the grave yard Friday night, and what were you doing out there, Ila?

Squirrely's cousin that he went to see after the Haskell football game was in town Saturday. Personally I think Squirrely was lying when he said she was his cousin.

Everybody is wondering where Rose Petty got that sweater from A.C.C., but my opinion is that James Victor knitted it in his spare time while working with the Ladies Aid-Society.

Leon Hale said that after ad he ran last week he had several to come around and see him but he hadn't found her yet so you still have a change girls.

Raleigh Adcock was with Keith's old flame from Dickens the other night. What's the matter Kieth you're slipping.

Marie Whitwell said she couldn't wait to get to civics class every so she could hold hands with Soup (Percy) Walker.

Leonard William Wilson said to tell everybody not to worry about not having dates in a car after gas rationing because the moon was much prettier walking.

Troy Boothe was having quite a fight over at Dickens the other night. Who was she, Troy?

Norma Thurston's heart is broken because Jack joined the Navy. Why don't you join the Waves?

Red McCombs is always calling No. 55 at Dickens. Whose number is that, Red?

Bob Hawley was sure wading in high cotton Saturday night. I think he was with a girl from Kalgary.

Glen McDaniel is back in school so that's some competition for Jimmy Veron.

Pike, do you really love Posey as much as you say you do?

Who was with your boy friend last Thursday night, Maxine?

Zane Freeman, do you get all your jewelry at half price?

Those "third Chair" cornet players are all right aren't they, Rex? Which one do you love best?

That big halfback is OK isn't he Eunice?

Who took Patsy Arrington home Thursday night. Here's a hint—he has red hair and likes to go to Dickens.

Who but a post-graduate could make A-1 in three subjects and still have time to write long love letters to an "ex" (class of '42)? Well students, be good, because I'll be watching you!

VOCATIONAL AGRICULTURE CLASSES BUILD SELF-FEEDERS

The classes in Vocational Agriculture are cooperating with the war effort by producing more pork. Hogs can be finished more efficiently by the use of self-feeders. As part of their farm shop work the boys have finished fifteen self-feeders. The feeders have two compartments, one for grain and one for supplement, and have doors to keep out dirt and rain. Each feeder is being painted when finished.

The Vocational Agriculture Classes have made two additions to the furniture in the library—by making a dictionary stand and a newspaper rack. This will solve the problem of moving a heavy dictionary from

And how! If you haven't seen one of those little innocent looking notebooks that are going around (Commonly called "slam books"), well, you don't know what you are missing. They were the modern way of telling "your friend" what you don't like about him or more emphatically that he is T.D.C. This method of making everyone dislike you and everyone making you not too fond of them could be termed sabotage.

People who never thought of themselves as extremely fat, thin, hump-shouldered, bow legged, or revoltingly ugly, a gold digger and things much worse have been brought to light by this most charming manner.

ARTABAN CLUB MEETS

The Artaban girls met in the Homemaking lab. Monday night and the ones present were:

Emma Pearl Gruben, Charles Powell, Maxine Adams, Elizabeth Ramsay, Lou Nell Wright, Audrey Nell Dyess, Letha Nell Williams, Ileen Kimmel, Shirley Powell, Jackie Rector, Rose Petty, Mildred McCombs, Alberta Dunwoody, Marion Speer, Jane Brannen, Robbie Hoover, Eurena Hoover, and our Sponsor, Mrs. McArthur.

The following gave parts on the program:

Elizabeth Ramsay, Charles Powell, Lou Nell Wright, and Eurena Hoover.

After the program the girls went into the sewing room, and Shirley Powell had charge of the Recreation. The meeting was enjoyed by everyone.

SPUR HIGH RECEIVES MAGAZINE FROM FORMER STUDENT

Walter Foreman Jr., son of Mr. and Mrs. Walter Foreman of Spur, and former student of Spu High School, sent one of his company magazines to Mr. Thomas to be placed in the school library. The name of the magazine in "The Bo's'n's Whistle". It has some very interesting articles in it on ship building and other things.

Walter is now in Portland, Oregon working at the Oregon Shipbuilding Corporation. This yard now holds the world's record for building a Liberty ship in ten days. However, it is being beat by another Kaiser Yard in California which builds one in seven days. Walter has presented a slogan for the O.S.C. as follows:

"Seven days is good, that's true, But better yet, Let's make it two."

He reports that he was given honorable mention for it, and that now his slogan is on large posters all over the ship yard.

Spur Edges Floydada For District Title

The Spur Bulldogs, in their hardest fought game of the year, eased the Floydada Whirlwinds out of the District race last Thursday. The Bulldogs playing on their own field and with their first district title in view in five years seemed to have the most determination and will to win.

Floydada kicked off to Spur to start the Annual Thanksgiving day game. The first quarter was uneventful with neither side even advancing the ball in scoring distance. The Bulldogs' running attack could not seem to get started against the Floydada forward wall that outweighed the Bulldog line over 10 pounds to the man. Nor could the Whirlwinds' running attack gain against the determined, hard charging Spur tackles.

In the Second quarter the Bulldogs penetrated the Floydada 20 yard line but were held three successive downs and then Ball faded back and pitched of Stanley for Spur's lone touchdown. Carlisle missed the try for point and the score was 6-0.

Carlisle kicked off out of bounds and in four plays Floydada had scored Allen, Whirlwind, halfback, attempted to circle right end for no gain. Then Sparks tried left end for a few yards. For the third time Sparks tried to circle right end for a gain. On the next play Sparks on a fake left end run passed 40 yards to Battery, right end, who had delayed to go down behind Wilson, and he went on standing up. Sparks attempt to point was hurried and low to the score 6-6.

After the half both teams went into the third quarter fired up to win the game at all cost but the two teams were so evenly matched that neither could gain more than a few yards at a time. The penetrations were 1 and 1 and both teams were trying desperately to penetrate the 20 yard line through out the entire 3 third and 4th quarter.

During the fourth quarter the ball changed hands frequently but neither team could advance it very far. The bulldogs went as far as the Whirlwinds 23 yard line but could go no further in 4 downs. At the end of the game the score was 6-6 and an uncertainty hung over the crowd because no one was sure of the outcome of the game. The score was tied 6-6 the penetrations were tied 1-1 and the Bulldogs were named the winner on first downs 10-3.

Stanley, the Bulldog Captain, Simmons, Smith, and Rankin were the Spur defensive stars and of course Ball and Elkins were the offensive men of the ball game. The Bi-District game went to Wellington Skyrockets which will be played here on December 4th at 2 o'clock. This is the first time a Bi-District game has ever been played here. Let's all go and support the Bulldogs.

NEW STUDENTS

Two new students enrolled in High School last Monday morning. They were Glen McDaniel and Lowell McDaniel. These boys are old Spur students, they have gone to Spur schools almost all of their school lives. They moved to Flagstaff, Ariz., last February 1, 1942. We are glad to have these boys back.

Sports Column

Joe Ericson

This column has the right to say "I told you so" after the game Thursday. I had predicted several weeks ago that the Bulldogs had their eyes on a District Championship.

Troy Boothe, Cotton Stanley, and several others of the Bulldogs were playing under a handicap during the game. Troy had an injured side and had not worked out much that week and Cotton hurt his hand and elbow during the Lockney game. Despite these handicaps, the Bulldogs played with a fire and determination that they have not displayed many times this year.

Stanley has been thrown two passes this year and both have been for touchdowns. I believe that this sets some kind of record at the district level.

The defensive line play of the last as far as I know of. Bulldogs tackles, Simmons and Boothe was one of the high lights of the "Turkey Day" game. Floydada was accustomed to scoring a good many touchdowns in each game around the opponents ends but the hard charging of these two and the tackling of Elkins and Rankin and, of course, Ball kept the Whirlwinds from circling either of the Spur ends for any sizable yardage.

The passing of Ball and Sparks was the offensive threat of the ball game as neither team could gain on ground. The Whirlwinds captain's long accurate pass late in the second quarter was the most thrilling play of the game.

Mr. Thomas has ask that each one of us become for the next week ticket salesmen to boost this one and only bi-District game that Spur has ever played host to. The admissions will be—Adults \$1.10—High School 55c—and the Elementary 28c.

MRS. BUTLER

SPONSORS QUILTING

Mrs. Alice Butler (Granny Butler as she is lovingly called by her friends) sponsored a movement in Red Mud community last week (that we, the friends of Mr. and Mrs. A. McClain, would piece a quilt for them as a token of our love and appreciation of them and their work in the community.

The blocks were pieced friendship style with each one's name embroidered in the center, and were quilted at the home of Mrs. E. S. Butler.

H. D. CLUB

ENTERTAIN HUSBANDS

FACTS ABOUT SPUR

NATIONAL FARM LOAN

The Spur National Farm Loan Association has had a big part in the 100,000 Federal Land Bank loans closed in Texas. According to Mr. Reed, Secretary-Treasurer, 780 loans have been made in this territory to farmers and ranchmen.

"The recent closing of loan No. 100,000 in Grayson County through the Sherman National Farm Loan Association makes us proud of the service rendered by the Land Bank system in its 25-year history. This loan was only a few miles away from loan No. 1 closed in 1917, and today in good standing, well on the road to being paid off through systematic payments out of earnings of the farm under a long-term, low-interest rate loan," stated Mr. Reed.

The Spur National Farm Loan Association has closed 491 Land Bank loans, and 289 Land Bank Commissioner loans for a total of \$1,760,654.00 out of which \$319,550.00 has been retired. Mr. Reed said that the national farm loans associations in Texas owing the Federal Land Bank of Houston have closed approximately 344,000,000 in Land Bank loans and 83,000,000 in Land

Bank Commissioner loans. Of this amount about one third of the number and one-half of the amount of loans closed have been repaid.

Officers and directors of the Spur National Farm Loan Association are F. W. Jennings, President; Spur, Texas, Geo. A. Sloan, Vice President, Joe M. Rose of Roaring Springs, C. R. Gollihar of McAdoo, J. L. Karr of Spur, directors and Jas. B. Reed Secretary-Treasurer.

Judge Boedeker came over from the Capitol Saturday afternoon and spent a few hours looking after county affairs and talking with friends.

Hugh Hagins, of Duck Creek, was in Spur the first of the week looking after business matters and talking with friends.

Mr. and Mrs. Walter Williams of Afton country, were transacting business and visiting friends in Spur Saturday.

Mr. and Mrs. G. F. Harris, of McAdoo, were in Spur Saturday meeting friends and attending to business. Mrs. Harris stated her son, former Representative C. L. Harris, is practicing law in Lubbock and is taking private lessons in flying in order to be ready for service should men in his class be called in the future.
