

ANNOUNCEMENT

PRESIDENT TAKES OVER BUSINESS OF EXPRESS COMPANY

Washington, Nov. 16.—President Wilson today issued a proclamation taking over the consolidated express business now carried on by the American railway express company and assigning the operation to Director General McAdoo.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your hair! Get a small bottle of Danderine right now—Also stops itching scalp.

This brittle, colorless and scraggy hair is sure evidence of a neglected scalp. It dandruff that every hair. There is nothing as destructive to the hair as dandruff. It robs the hair of its luster, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and fall—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

General McAdoo. This action served to clarify the express situation which heretofore has been based on the understanding that the express combination operated privately as the agent of the director general.

No radical change will be made in the methods of operation or in the employes of the express company, it was said at the railroad administration.

The director general is expected shortly to initiate higher express rates in accordance with the plan recently submitted to the Interstate Commerce Commission and partially approved by that body.

The director's sanction in placing the express business specifically in the hands of the railroad administration will remove doubt as to powers of the director general to initiate rates for the express companies. As soon as the new rates go into effect the wages of express employes probably will be raised, making aggregate advances of about \$12,000,000.

TO URGE FOOD SAVING THANKSGIVING WEEK

Thanksgiving week this year is set aside for food conservation rather than for feasting it is announced. The United States Food Administration asks the stores on every business street in the United States to picture, in their display windows, the prodigious task of feeding the allied world through 1919.

Posters and window cards of special design have been issued by the Food Administration at Washington. They are available to every retailer through his State merchant representative or the local merchant deputy of the Food Administration.

Plans and illustrations of food conservation for window displays, designs for decorative backgrounds and window cards which will be helpful to window dressers everywhere, are included in the new window display flyer which the merchant representatives of the Food Administration will distribute before the big window week of Nov. 21 to 28.

Alex Sanger is State merchant representative for Texas.

"Don't half do this work," the Food window must have 'punch.' Not seventy-five people out of a hundred who see it, but every single one of the hundred must feel that rumpling of the jaw which means a resolution to go home and save more food.

"Big stores with elaborate facilities for building window displays will want to attempt a dramatic presentation of the Nation's task in saving 17,500,000 tons of food. Small stores can be just as effective in a clear way.

"Cut out the display space during Thanksgiving week and make the food conservation appeal with all the enthusiasm you have in you. Make every passer-by realize that we must save 50 per cent more food this year than we did last, out of a total supply no larger than we had then. The store windows on our business streets can make that picture so real that nobody can escape it. Clear the decks for the big food window during Thanksgiving week. Speed the message of sacrifice and service. Give our people that war conscience which will develop an individual responsibility for that 17,500,000 tons of food. Tell them to eat less and be thankful we have enough to share with the soldiers of freedom."

Confirmation of the report that Texas is included in the list of States where the sugar allotment to the consumer will Dec. 1 be increased to four pounds per person per month. Being also to public eating places was received yesterday at local Food Administration headquarters.

WEST TEXAS RANGE IMPROVED BY RAINS

Fort Worth, Texas, Nov. 15.—Range conditions throughout the Southwest have been greatly improved by the rains of the last week, according to reports received at the headquarters of the Cattle Raisers' Association, located in this city. These reports, which are sent in by range inspectors of the association, assert that practically all parts of West and Southwest Texas and large areas of Eastern New Mexico have been visited with abundant rainfall during the last two weeks and large sections of the country, which only a short time ago were almost a barren waste, have developed into a splendid range covered with a thick mat of green grass. The range reports in-

dicating that good rains have fallen all the way from Fort Worth to El Paso and from Ballart to Eagle Pass. The rain was much heavier in some localities, however, and some sections will report that more rain is needed. Much of the Panhandle country has been visited by severe cold during the last two weeks, the reports indicated, and live stock are said to have suffered some in the Dalhart and Amarillo section.

Inspectors report that the grazing conditions in the Concho country have been greatly improved. The stock raisers of the San Angelo region were severely struck by the protracted drouth, and had it not been for the early fall rains many cattlemen would have been compelled to remove their stock to other sections. The abundant rainfall throughout much of the range areas of the State is expected to halt to a certain extent the shipment of thousands of West Texas live stock to Southeastern raisers. This movement has been under way for several months during which time many thousand Texas cattle have been sold to Southeastern buyers.

HEAVY WHEAT ACREAGE IN THE NORTH PLAINS

An unprecedented acreage of wheat will be planted in Hale County and throughout the Plains and Panhandle generally, it is reported by L. F. Cobb, a pioneer grain and coal dealer of Plainview.

"With the heavy and continued rains on the Plains and Panhandle, particularly from Hale County north to Oklahoma line, we have a fine season in the soil and are almost assured of a grain yield," Mr. Cobb said. "People in our section know how to make a fall and winter season go a long way in crop production. Wheat planting with us can continue with hope of good results clear up to Dec. 15 and sometimes to Jan. 1. Hale county has raised some big crops of wheat, one year exceeding that of any other county in the State, but the outlook for next year is the best we have ever faced."

Watch the name label on your paper. This is the only notice you will have of the expiration time of your paper.

SHERIFF'S SALE

By virtue of a certain Order of Sale, issued by the Clerk of the District Court of Travis County, Texas, for the 26th Judicial District, on the 4th day of November, A. D. 1918, in a certain cause No. 36,154 on the docket of said court, against Lina Crawford, plaintiff, and W. B. Flynn, R. H. Knight, W. M. Mills, T. G. Brown, Geo. Wisenbourn, and Geo. Richardson, as defendants, in favor of said plaintiff for Twelve thousand Nine hundred Seventeen & No. 100 Dollars, against said defendants, with interest thereon at the rate of 10 per cent per annum from date of the judgment, together with all costs of suit, that being the amount of the judgment recovered by the said Lina Crawford, plaintiff, in the District Court of Travis County, Texas, for the 26th Judicial District, on the 31st day of October, A. D. 1918, I did on the 6th day of November, A. D. 1918, at 10 o'clock p. m. levied upon, and will, on the first Tuesday in December, A. D. 1918,

being the 1st day of said month, at the Court House Door, in the City of Lubbock, in Lubbock County, Texas, proceed to sell, between the hours of 10 o'clock A. M. and 4 o'clock P. M. for cash to the highest bidder, all of the right, title and interest of the said W. B. Flynn, R. H. Knight, T. G. Brown, Geo. Wisenbourn, and Geo. Richardson, as it existed on Oct. 9th, 1916, and has since so continued to exist as well as to accrue, in and to the following described tract or parcel of land situated in Lubbock County, Texas, to-wit:

All of Survey number Eleven (11) in Block "D", surveyed by virtue of Certificate number Twelve Hundred and Forty-one (1241), issued to E. L. & R. R. R. Co., containing 960 acres of land.

And also to sell said property as to forever extinguish and bar the liens held by the said Geo. Richardson on the same or any part of the same, as well as all other rights he has in and to said property.

Said sale to be made by me to satisfy said judgment for Twelve thousand Nine hundred and Seventeen Dollars, and interest thereon, in favor of the said Lina Crawford, together with all costs of said suit, and the proceeds applied to the satisfaction thereof.

W. B. FLYNN, Sheriff of Lubbock County, Texas. Lubbock, Texas, Nov. 6th, 1918.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, Ohio, and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of F. J. CHENEY'S MEDICINE. FRANK J. CHENEY. Sworn to before me and subscribed in my presence, this 5th day of December, A. D. 1918. W. B. FLYNN, Notary Public.

NEWS SQUIBS FROM THE SLATON SLATONITE

The Avalanche last week announced that the Methodist Conference for next year will come to Lubbock, and Lubbock will endeavor to make the welcome bigger on account of not being able to entertain the conference this year.

Carroll Thompson, county demonstrator, and Mr. Roberts, a Y. M. C. A. man from Arizona, visited the Slaton schools Tuesday morning on a War Work Campaign and after presenting the work to the pupils called for subscriptions from all children over twelve years of age. The children subscribed \$220 to the fund.

G. H. Witt received, Sunday, a German helmet by mail from his son, Luther Witt, who is a soldier with the American Expeditionary Forces, in France. The helmet was secured on the Hindenburg line by Luther, and it is indeed a rare souvenir. It

is painted camouflage and shows that it has been worn considerably by some German soldier. It is of steel, about a sixteenth of an inch thick, the head rests on the inside are padded, and altogether it has the appearance of being a very formidable protection against bullets. One long scratch on it appears to have been a bayonet or sword mark. The helmet came by mail and Mr. Witt is indeed proud of it. It weighs nearly three pounds.

Willie Sledge claims to be one of the most liberal United War Work contributors in Lubbock county. He sold his saddle horse and turned all the funds into the campaign as his donation.

The world is wondering what the fate of kaiser bill will be when this war business is finally wound up.

GERMANS RELEASE STARVING BRITISH PRISONERS

The New York Herald says: With the British Armies in Field, Nov. 16.—Along the roads that lead to the British lines from the territory still in German hands there passed today pitiful processions of broken, starving men—British prisoners newly released from prison camps in Belgium. The sight of them makes the heart ache. They are mere shadows of men in rags and tatters, stumbling along with their sunken eyes, strained for the first glimpse of British khaki.

The Germans opened the doors of their cages on Tuesday, and told them they could go. They walked into the free, and as men in a dream and were set upon highways that would take them to the outposts of our halted armies. They were empty handed and without great coats to protect them from the bitter air, and some, indeed, had nothing but a fragment of an old tunic pinned across their wasted bodies. They walked the weary road toward home scarcely able to keep upright. Some died on the way; others barely kept body and soul together until they came at last into the hands of their comrades within the British lines.

One such procession passed our outposts east of Courtrai this morning. The men who composed it bore little resemblance to British soldiers. They wore German caps and horrible prison uniforms, which made them look like German soldiers and at first the troops who received them couldn't believe they were their own people. They came from a prison camp at Halte, west of Brussels, where they had been employed loading ammunition, chiefly bombs for airplanes which attacked towns behind the allied lines.

All of them were taken prisoners during the fighting around Givenchy, Fistaubert and Lys last March and April, when the Germans broke through our front at Armentieres. These prisoners had only had two baths in eight months. They were herded like cattle and fed far less. One boy of twenty might have been a lad of ten, so shrunken was his body from systematic starvation. It is impossible to give an adequate picture of the shocking conditions.

There are said to be several thousand British prisoners released from camps in Belgium now on their way to our lines at various points. Kindly inhabitants are feeding them on the journey, doing what they can to

alleviate their sufferings. Lorries meet them at outposts, whenever convoys are reported, and bring them to the nearest camp beyond the lines of outposts which incloses the zone of the allied armies.

RESTRICTIONS ARE LIFTED ON ALL KINDS OF BUILDINGS

Washington, Nov. 16.—Resumption of building activities throughout the nation received official sanction here Saturday night. The Treasury Department, in a statement, lifted the ban on every kind of construction work and urged that it begin immediately.

"The resumption of construction work will facilitate the industrial transition from war to a peace time basis," the statement explains. "It should serve to absorb labor as it turns from war work to peace time pursuits."

The Government will ask bids at once on many public buildings which were held up because of the war.

When the Boys Come Marching Home-Hurrah!

The old marching songs of a generation ago may be made to serve again, with a United Country to sing it. The words may be different, but the spirit of welcome to brave fighting men is the same.

Home from the battlefields of Europe; home from the training camps; from the various and useful service which they have rendered.

They bring fresh glory to our country; they have offered their lives for a great cause; we pay them our tribute of praise and honor.

And those who don't "come marching home," they must live in our memory; the world, which their supreme sacrifice has made better and safer, must not forget them.

Let us welcome the living and reverence the dead. THE DAWN OF PEACE FINDS US PREPARED TO TAKE CARE OF YOUR HAT, SHIRTS, UNDERWEAR, HOSIERY, NIGHT SHIRTS, PAJAMAS AND OTHER FURNISHING NEEDS.

Come in, buy your shoes, and let us dress you up in one of our splendid SUITS.

THE KIDDIES SCHOOL LUNCH BASKET

LOU E. STALLMAN.

Assoc. Dir. Home Economic, Fed. Ext. Food Administration and Urban Home Demonstration Agent

Who's starting off to school for the very first time this month? For such an event as important as a birthday anniversary or a friends day, the KIDIES LUNCH BASKET should be carefully packed. What to put in it, as well as in the other kiddies lunch box, is on the minds of American mothers this year as never before. The need to make the next generation vigorous has made a deep impression on the country.

School lunches are going to be packed more carefully than ever before, and the evening meal will not be relied upon to make up for the nutrition lost at noon. The numerous milk dishes which are so healthful for children are difficult to pack in a lunch box, and for that reason many suggestions as to what shall be put in the lunch pails are always welcome to mothers.

The following easily prepared school lunches may suggest others to the busy housewife.

1. Chop rolls, chopped meat, cut-up with chopped fish, which has been seasoned or boxed with hot dressing.
2. Bread and butter sandwiches.
3. Lettuce or celery sandwiches.
4. Jam sandwich.
5. Baker bean and lettuce sandwiches.
6. Jar of apple sauce.
7. Bread and butter sandwiches.
8. Maple sugar candy or cookies or tea.
9. Baked or grates stuffed with peanut butter.
10. Cheese sandwiches.
11. Orange.
12. Dates stuffed with nuts.
13. Cottage cheese and chopped green pepper sandwiches.
14. Peanut sandwiches.
15. Fruit and cake.
16. Raisin and nut bread with butter.
17. Orange, maple sugar candy.
18. Cheese.
19. Hard-boiled eggs.
20. Celery.
21. Cisp cold baking powder biscuits.
22. Maple sugar sandwich.
23. Baked bean and lettuce sandwich.
24. Jar of apple sauce and raisins.
25. Cookies.
26. Slice of meat loaf or bean loaf.
27. Bread and butter sandwiches.
28. Stewed fruit, small cakes.
29. Raisin bread and butter sandwiches.
30. Bottle of milk.
31. Small ginger cakes, apple sauce.
32. Sandwiches with sliced tender meat.
33. Baker apple.
34. One-half cake milk chocolate.
35. Cottage cheese sandwiches.
36. Jelly sandwich.
37. Fruit.
38. Parisian sweets (made of figs, dates, raisins and nuts).

PENALTIES IMPOSED BY FOOD ADMINISTRATION

DeGeorge's grocery store, 1396 Washington Avenue, Houston, has voluntarily agreed to pay \$10.00 to the Red Cross as an act of good faith in complying with the rules and regulations of the Food Administration. Mr. DeGeorge admitted that he had sold flour without substituting.

Abel Minto, 2421 McKinney Avenue, Houston, has voluntarily agreed to pay \$10.00 to the Red Cross as an act of good faith in keeping the rules and regulations of the Food Administration. Mr. Minto admitted selling flour without substituting.

W. Greenburg, 5220 Rusk Avenue, Houston, has voluntarily agreed to pay to the Red Cross \$25.00 as an act of good faith in keeping the rules and regulations of the Food Administration. Mr. Greenburg admitted selling flour at an excessive price.

For violating stabilized price of cotton seed by buying and selling from a distant point from the railroad in addition to the cotton price as fixed by the Food Administration for his zone, the Houston and City Companies' affidavit was accepted for the past and good faith for the future, and as partial amends to the public has contributed \$200 to the district sufferers' relief fund.

F. Verdina, a retail grocer at 1203 Westland street, Houston, has been penalized by the Food Administration by having 2 bins closed for two days, October 11 and 12, for selling flour at an excessive profit and without substituting.

L. Bonaccolia, a retail grocer at 1695 Gillette street, Houston, for excess profit on flour and selling flour at short substitute has been penalized by having his doors closed for two days, October 11 and 12.

C. Salerno, a retail grocer at 1419 O'Neil street, Houston, has been penalized by the Federal Food Administration for Texas by an order closing his doors for two days, Tuesday and Wednesday, October 8 and 9. Joe, violator of the regulations governing the sale of wheat flour. Salerno was found guilty of having sold flour at an excessive profit.

L. Giannetta, a retail grocer at the corner of Arnold and Rulley streets, Houston, has been penalized by the Federal Food Administration for Texas by an order closing his doors for two days, Thursday and Friday, October 10 and 11, for violation of the regulations governing the sale of wheat flour and butter. Giannetta was found guilty of having sold both flour and butter at an excessive profit.

The first big case tried by the Federal Food Administration for Texas in which shortage of weight in packages of butter was the chief factor was held in Galveston on Saturday, when the Alvin Creamery Company was penalized with a fine of \$250.00 to be paid the Red Cross. The testimony and evidence adduced showed that the Alvin Creamery Company had sold packages of butter marked 16 ounces containing but 13 ounces of butter and packages marked 16 ounces which contained but 13 to 15 ounces.

The case was tried in the office of James A. Boldt, County Food Administrator for Galveston, with Judge Ireland Graves of the Enforcement Division as the trial judge and H. L. Mills of the Field Inspection Division as prosecutor. The Food Administration was also represented by Charles L. Duesel, director of the Penalties Division, and H. Warrach, Jr., a field inspector. Three representatives of the Alvin Creamery Company were present in interest of the defendant.

The Creamery Company presented the extensive fact that they were short of labor when the short-weight packages were sent out and inexperienced help was largely responsible for the condition.

A number of Galveston witnesses were called in to testify, as well as members of the Price Section in Galveston.

Watch the label on your paper.

PLANS FOR DISCHARGE OF TROOPS OUTLINED

Fort Worth, Texas, Nov. 19.—A memorandum was received at the Camp Bowie adjutant's office today from the War Department, in which is outlined the process of the demobilization of the American Army. The memorandum asserts that only men who voluntarily enlisted to serve during the emergency or who were drafted shall be discharged. It is also stated that no man shall be discharged who is unfit for duty in the class in which he was rated at the time of his entrance into the service or in a higher class in case he has been subsequently rated. Men suffering from social disease will not be discharged until cured, the memorandum states. The medical officials are instructed to begin at once the treatment of all men suffering from these diseases with a view to their cure so that they may be discharged at the earliest possible date.

The memorandum also announced that men from the same localities will be discharged as far as possible on the same date and only as rapidly as they can be handled by the railroads. The camp officials are requested to notify the local railway authorities of men to be discharged in order that the men can be returned as rapidly as possible to their homes and without disorganizing the traffic system.

The gradual discharge of the commissioned personnel of the army will progress in accordance with the mustering out of the enlisted forces, it is stated. All officers are divided into three classes, those holding temporary commissions, officers of the reserve corps and regular army officers.

Camp Units Being Filled.

Major Henry Groesebeck and Lieutenants Revel and Farlinger of camp headquarters took their first aerial trip today. The officers went up in ships piloted by airmen from Caruthers Field. The party were in the air for more than an hour, in which time they flew over the army camp and to the neighboring aviation fields.

Orders to recruit all camp units to their full strength were received at camp headquarters today. It is believed that this is being done in order that the camp may be taken care of in the absence of a division. The camp units consist of sub-depot, base hospital, utilities unit, headquarters detachment and ordnance depot. Men will be drawn from the detention camp to fill the various units, it was announced.

Major John M. Page and Lieutenant Byrd Miller were in Dallas tonight as guests of Camp Dick officials at a social gathering at Lakewood Country Club.

The Harmony Club of Fort Worth has presented the headquarters staff at Camp Bowie with two boxes of the concert to be given by the French Military Band at the Coliseum next Saturday night. Among those to whom an invitation has been extended are General Cochran, Colonels Reed and Muller, Lieutenant Colonels McIntyre, Ingold and Hanson and Majors Seals, Page, Sammons, Campbell and Delameter.

WAR WORK FUND WELL BEYOND \$125,000,950

New York, Nov. 18.—Though definite reports to date of total subscriptions to the United War Work campaign will not be available until tomorrow, the national headquarters announced that the aggregate had gone far beyond the \$125,000,950 that had been pledged up to Saturday night. Up State New York, New Jersey, Connecticut and Maryland, raised the figure more than \$3,000,000, while a million college, high and private school students who formed themselves into a division with a self-allotted quota of \$2,000,000, reported they had gone "over the top."

The State committee in North Carolina, it was stated, has cabled word to the American Expeditionary Forces as each county passed 100 per cent and this is sent to North Carolina soldiers at the front.

DON H. BIGGERS HERE FROM EASTLAND MONDAY

Don H. Biggers, of Eastland, was here Monday looking after business matters. Mr. Biggers is now in the newspaper business at Eastland, and reports a very fine business.

Being the Kaiser and "All-Highest" may be very interesting and delightful, but who would want to be an "Ex-All-Highest"?

For months the German army will have nightmare dreams of running at its topmost speed while the dreadful Americans on motor trucks pursue it.

The war lords in their shining armor have had their brief and bloody day. It is followed by the days of the Lord of Peace.

J. C. Landon, of San Angelo, was here Tuesday.

MANY THINGS IT IS GOOD TO REMEMBER

- Alcohol removes grass stains.
- Apples are best stored in crates.
- Clean nests will insure clean eggs.
- One pint of lard weighs one pound.
- Make the apple butter from imperfect apples.
- Vinegar can be made from fruit parings.
- Grape juice may be put up without sugar.
- Bulbs may be put into the ground in October.
- Sweet potatoes keep best in a warm attic.
- Let a simple salad form part of every meal.
- Excellent cookies are made with peanut butter.
- Every child needs a sweater suit for winter.
- One good garment will out wear two poor ones.
- Good oven holders are made from checkered muslin.
- Oatmeal makes a very good thickening for soups.
- Eggs when scrambled, should be stirred constantly.
- Even the fat of corned beef can be used in cooking.
- Potatoes require a cool, dark bin for winter keeping.
- There is no finer polish for tinware than wood ashes.
- A wooden box is better for keeping bread than a tin one.
- Steaming bacon is much more economical than boiling it.
- Never buy spices in large quantities, they lose their flavors.
- Washed eggs do not retain their keeping qualities very well.
- Celery should be left out as long as possible without freezing.
- Make sauerkraut to save some of the cabbage for winter use.
- Pumpkins keep best in dry atmosphere at about 50 degrees.
- The first sign of wear and tear should bring out the mending basket.
- Good homemade candies will save the children from craving the trashy kinds.
- If you are fortunate enough to have a piece of hand-spun linen treasure it like gold.
- If you don't like to have cocoa stick to the bottom of the double boiler, butter the boiler.
- When cleaning celery for the table save all the leaves—they are good for flavoring.
- In pressing men's clothes always lay a piece of muslin between the goods and the iron.
- An old-fashioned rule is not to open the new jelly or canned goods until Thanksgiving.
- Cabbage heads should be cut from the stumps, wrapped in newspapers and packed in crates.
- Coarse unbleached muslin, "tied and dyed" in shades of blue makes delightful bed spreads.
- Carrots beets and turnips can be put in boxes with moist sand sprinkled between.
- A bottle of lime water and linseed oil—equal parts—should always be kept in the house for burns.
- If you are not sure of the keeping condition of your cellar, try sorting your vegetables frequently.

CHURCH NOTES

Baptist Church.
Last Sunday there were many people went to church and Sunday school. The last four years have sent deep into the minds of men the gracious and wonderful truth that man although capable of savagery from the greatest heights of intellectualism finds the source of safety and real moral character and religious worship, Christianity is the only hope of men—and here is found the deliverance of man from every form of wickedness. The man who in any way neglects or abuses Christianity is on the road to complete ruin. We cannot lightly ignore any of God's laws and escape paying the certain penalty.

The good service at the Methodist church Sunday night will not soon be forgotten by all who were there. Spiritual vital religion is all akin and awakens the same sympathy in every converted soul. To crucify self to exalt Jesus to assist the needy in body, mind and soul is the very essence of obedience to God and the means of character building. Self seeking, oppressing the weak and the worship of wealth is the bane of every good. Whether we worship or despise creeds is of little importance if like Judas we are ready always to sell Jesus for popularity, position or profit. The dignity of Christianity is its genuine humility and the love of humanity its badge of honor.

Let us hope that with the passing of wars dread circumstances we shall have a great religious revival all around the world and witness the passing of the kings among men and the enlarging of the kingdom of God on the earth. The world has wasted billions in destroying life, may we not now become wise in the investment of hand and heart and soul in the service that makes men brothers. Go to church next Sunday, cold or hot, rain or shine, and work at our Christian duty in the light of its holy meaning.

Let us do our best and reap the harvest of joy in service.

Preaching morning and evening.
Your brother,
J. B. COLE.

CARLISLE NEWS OF THE PAST WEEK

We have been having some awful sand-storms the past week.

There were not many out at Sunday school Sunday.

J. B. Moore has gone to Oklahoma visiting. Mrs. E. H. Lewis returned home with him after two weeks stay here visiting her folks.

Miss Louise Hitch gave a singing Sunday night. All had a nice time and good singing.

Mr. Allison-Spence left here Monday for the oil fields.

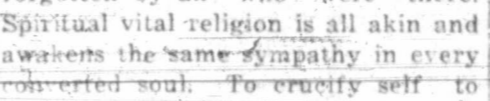

Mr. and Mrs. Randolph and Mr. and Mrs. Dean and little son, J. T. were in town Monday.

1,000,000 ACRES OF SCHOOL LAND ON MARKET JAN. 1

Austin, Texas, Nov. 19.—State Land Commissioner J. T. Robison has completed the list of school lands coming on the market on Jan. 1, 1919. The land consists of approximately 1,000,000 acres.

Edgar Twitty and Tom Adams returned Wednesday from Virginia, where they have been working at some of the government works. They are mighty glad to get back to dear old Lubbock.

The Germans' Demands Upon France in 1870

Sept. 1, 1870, Sedan, with its army and the Emperor of France, surrendered to the Germans. Oct. 27 Bazaine gave up another immense French army at Metz. Gladly would France have made peace, but for the intentions of the German Government to demand indemnities and the cession of its territories. Sept. 4 the assembly declared the deposition of Napoleon and a proclamation was issued announcing the republic. Jules Favre asked the German Emperor if he meant to furnish the nineteenth century with the spectacle of two nations destroying one another and heaping the dead upon the dead and ruin upon ruin. "Yet, if it is a challenge," he said, "we accept—not an inch of our territory, not a stone of our fortresses, will we cede."

But the German armies moved relentlessly forward and began the siege of Paris, and France made up her mind to fight to the bitter end. Outside of Paris she had a scattered and demoralized army of 500,000 men. Inside of Paris she had the national guard and newly recruited civilians, amounting to about 400,000 men. With the armies released from Sedan and Metz, Germany, encircled Paris and began the memorable siege. At first there was no bombardment—there were some among the German leaders who wanted to save the "beautiful city." Bismarck and

Roon chafed against this sentimental restriction. "The Parisians have too much to eat and too little to digest," wrote Roon in November, when the situation in Paris was fast approaching the starvation stage, "iron pills, namely, of which too few have been employed. Though, certain intrigues stand in our way here, I hope that they—the pills—will take effect. It would be too great a shame to let all the glory of the war go to the devil in this way."

Meanwhile from court to court, Thiers traveled vainly seeking to effect a truce—the French Government was as yet too unstable to deal with. "The assurance he could get. By the middle of November the situation of the besieged of Paris had grown appalling. Horse meat soared in price beyond all reach. Rats, selling at 60 centimes apiece, were being eagerly devoured. Infants were dying by the thousands for the want of milk and the whole death rate had trebled in a few months. A bitter, unusual winter was setting in. And just about this time, the Germans, having settled their esthetic differences in the matter of the bombardment, began throwing over Roon's "iron pills." Some 55,000 shots were fired into the city, and at least after 132 days of starvation and appalling scenes of misery and death, Jules Favre was sent forth from Paris to ask an armistice.

Favre met Bismarck at Versailles. After the first salutations, an eyewitness of the negotiations records, Favre said he had come to renew the negotiations for a truce. Bismarck interrupted him to say: "The situation has changed. If you are still going to say 'not an inch, not a stone, we may break off at once. My time is valuable and yours also.' Then after a little more talk, he added: "After all, why should I treat with you? Why should I give your irregular republic an appearance of legality by signing an armistice with its representative? What are you but rebels? Your Emperor, if he came back, would have the right to shoot every one of you." After a few outbursts of this kind, Bismarck settled down to business. He asked Favre to write down such conditions of peace as seemed to him reasonable and that they would discuss them the next day.

The next day, Bismarck having had interviews with the Emperor William and Von Moltke, had another interview with Favre and totally ignoring Favre's propositions, submitted his own schedule for an armistice, which was as follows:

1. An armistice for twenty-one days.
2. Disarmament of the French army, the latter to remain in Paris as prisoners of war.
3. The soldiers to give up arms and banners; officers to keep their swords.
4. The armistice to extend all over France.
5. Paris to pay indemnity and give up its forts to the Prussians.
6. The Germans not to enter Paris during the armistice.
7. Elections to be held throughout France for a national assembly to consider conditions of peace.

This was the preliminary draft of the terms of the armistice upon which the negotiations were opened. Some modifications and changes were made before the final signature. Outside of Paris, the French armies were still in the field fighting, their leaders declaring their determination to continue the fight until more favor-

able terms of peace could be obtained, with no indemnities and no cession of territory. The districts in which these armies were fighting were exempted from the armistice. As an earnest of the irrevocability of the proposition, Bismarck demanded an immediate advance of "ransom" money amounting to \$40,000,000. This was exclusive of the \$1,000,000,000 indemnity afterward demanded and obtained. After three days of negotiations the armistice was signed Jan. 28, 1871.

In pursuance of this agreement, both parties withdrew their troops to a distance of five miles, but all the German corps outside of Paris immediately occupied the forts lying in their front, more particularly those of Mont-Valerien and St. Denis, the ground between the forts and the walls remaining on neutral ground. The German prisoners were given up, the military material followed by degrees and the "ransom" money was paid over. During the armistice the first consideration of the Germans was to restore their troops to their war standing and make good their stores. All the forts they occupied around Paris were at once armed on the front facing the city walls, and all arrangements were made, in case of the recommencement of hostilities, that the strongest resistance could be made at all points. It was made an armistice with a strong German-punch behind it.

Pending the negotiations for a final peace, the armistice was twice extended, each time with a few additional demands upon the part of Germany. Finally, the general elections were held all over France to ratify the negotiations, the National Assembly met at Bordeaux and a

provisional government, with M. Thiers at its head, was formed and peace concluded. At the final conference Bismarck played his trump cards—the cession of Alsace-Lorraine, \$1,000,000,000 indemnity and stipulation that the German army should be allowed to march triumphantly through the streets of Paris in token of victory.

The treaty of peace was signed at Frankfurt, May 10. Thirty thousand Germans marched into Paris and took possession of parts of the city, withdrawing after forty-eight hours, having thereby satisfied their demand for the "enemy's humiliation."

Come to Lubbock
10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, biliousness and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases that the excess bile from the liver carries on the constipated waste matter and poison from the intestines to the bowels. A 10-cent box from your drug list will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

New Program for Draft Boards Has Been Outlined

Austin, Texas, Nov. 15.—By direction of the Governor, Major John C. Townes, supervisor of the selective draft in Texas, today notified all district, local, medical, legal advisory boards, Government appeal agents and inspectors in this State of the program for the immediate future. There is important work yet for us to do and we must guard against the natural inclination to relax efforts," he said.

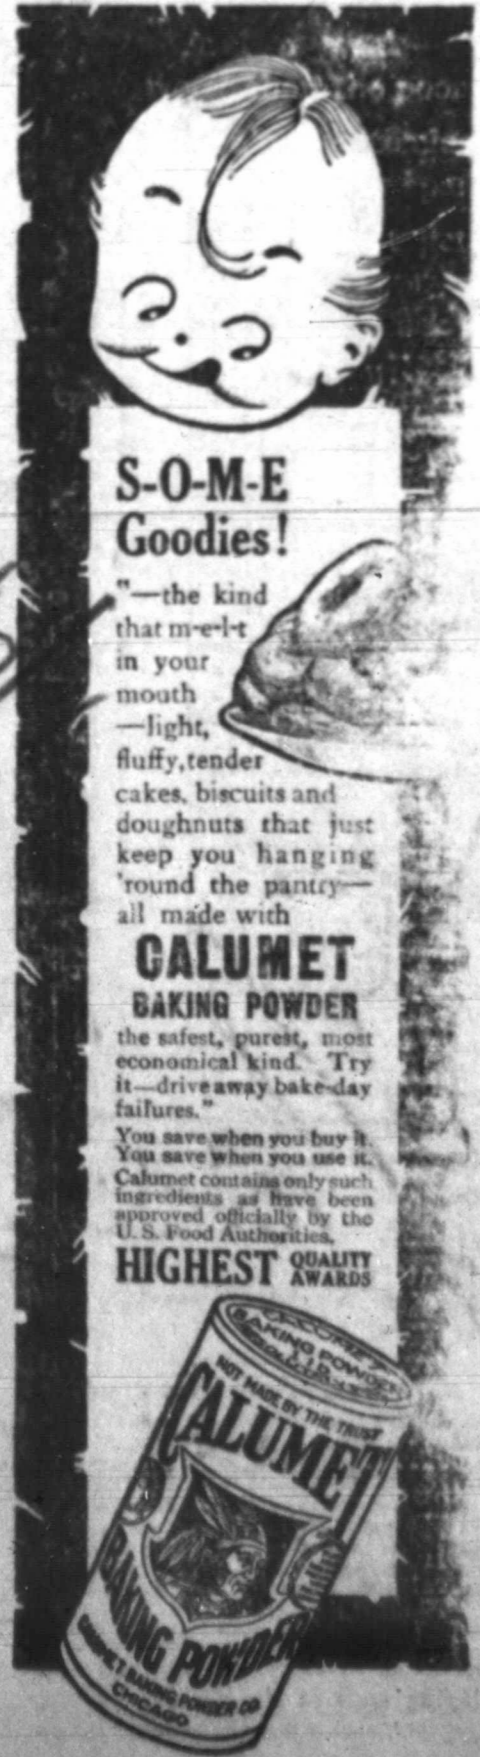

The program is as follows: Complete as rapidly as possible the entire classification of registrants between the ages of 19 and 36, both inclusive. This means that after all of these registrants have been classified by local boards those boards must forward all appealed cases and cases having industrial, occupational and agricultural claims with the utmost promptness to the proper district boards and must also examine all class 1 registrants physically and carry out with dispatch the usual program of sending necessary cases to the medical advisory boards, etc. When this work is completed orders are expected to complete the classification and examination of registrants who on Sept. 12, 1918, had attained the age of 18 but who had not attained their 19th year.

When the boards have completed the work referred to above, the Government will have an accurate list of men from which additional soldiers may be drawn, if they are needed, and will also have an important statistical record, which will be of great value in the reconstruction work which is to come.

"Having finished fifteen months of successful work, it should be a matter of personal pride with each of us to finish and round out our work of classification accurately and well," said Major Townes in a letter to the members of the selective service system in Texas. "General Crowder has already called on us for important statistics and data to be embraced in his annual report, which must be in the hands of the printer at Washington the latter part of this month. I appeal to you to check over your entire work, especially your office records and other details, so that there will be no loose ends."

Major Townes said it was his ambition to wind up the work in Texas in a way which will reflect credit upon each member of the selective service system and upon Texas. "I have asked no personal favors of any of you until now. I now ask you to make it a personal matter between you and me to help me finish this work as it should be finished. All I ever expect to receive as a reward for my work and all I want to receive is the satisfaction which will come from placing Texas at the top of the list of our several States as having conducted the draft work honorably and efficiently and as having finished the performance of its duties promptly and completely."

"After our present program has been finished the draft machinery in Texas may be called upon to render other and further help to the Government in connection with the demobilization of our armies or other phases of the reconstruction program. Whether we shall render further service or not has not been definitely decided and announced. As good soldiers, you and I will do, to the best of our ability, what we are now called upon to do and will proceed conscientiously with our present work awaiting orders for the future. I want to thank each of you sincerely for what you have already done."

END STOMACH TROUBLE, GASES OR DYSPESIA

"Pape's Diapepsin" makes sick, sour, gassy stomachs surely feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, or you belch gas and eructate sour, indigestible food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth, and stomach-head-ache, you can get relief in five minutes by neutralizing acids. Put an end to such stomach distress now by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by food fermentation due to excessive acid in stomach.

GEN. PERSHING RECEIVES DISTINGUISHED SERVICE X

The distinguished service medal was conferred on General Pershing at his headquarters last Saturday by General Tasker H. Bliss, representing President Wilson. The ceremony was witnessed by the members of the allied mission and was most impressive.

NUMBER 21

COMRADES AT FRONT SEND LETTERS OF SYMPATHY

The following communication was handed us by J. O. Jones of this city, October 6, 1918.

My Dear Mrs. Jones:

It is with genuine sadness indeed that I try to convey to you any message of sympathy in your bereavement. Your boy was so near and dear to me and was so faithful and dutiful in all his actions that from this point alone our Company has lost one of its most faithful men.

Ira has been my best man all through the drive and of course we were side by side all through. On one occasion he went into a town which was being shelled and entered a shelled building and dressed three injured men. On another occasion, he with three others, was carrying a litter patient to an ambulance over a road which was being heavily shelled. A shell struck very near, and my boys were covered with dust and rock from the explosion, yet they all stuck to their posts and came out all right. Then we were marooned on a road by gas and shell fire, but God in His Providence, guided us out safely.

Last Thursday there were many casualties, and Ira went with his squad for duty at the front. We had succeeded in evacuating all of our patients and, then started on our return trip. But as we started the enemy put over a tremendous barrage of shells, and we stayed where we were, fully expecting every minute to be our last, but again Our Father guided us to safety.

As we dismounted from the ambulance at the station Ira said: "Well, Lieutenant, we're just lucky, but we can't be lucky always." It is quite strange that one day while going up a trail we passed some dead soldiers. Ira stopped and said: "Well, Lieutenant, if ever I fall I hope they won't let me lie around like those boys." And we did not. He had said this to several others.

Well, I had just gotten in about six in the evening, and then sat down to supper. I had almost finished a message came telling me of Ira's sad death. He had gone with his squad for supper and was just re-

turning. They heard the shell coming, and started for the dugout, but with his usual self-sacrifice, Ira was the last to start in, and that caused his death. A piece of shrapnel killed him instantly and painlessly. When I see how so many of our men suffer and linger before death, I must frankly be thankful that God in His mercy has spared Ira a like fate.

We immediately sent for him, and the next morning gave him a military funeral. He now rests in peace eternal with comrades both French and American.

At his head is a cross—the sweet symbol of that Force and Life which showed by His resurrection and ascension that death can be conquered. We have covered the mound with flowers, and will do so as long as we are near. After we leave, some dear old French mothers who have felt the sting and sacrifice of war will continue our work.

It seems impossible to express to a mother sympathy for the loss of her son, but we can truly say of Ira, "Others he saved, but himself he could not save." His life and work since I have known him have qualified him for a place and seat in that realm where the Prince of Peace is King and whose holy silence is not marred by the cruel clash of war.

After all there is no death. Death is the mere unfolding and entry into a newer and fuller life. Our spirit lives forever.

The enclosed flowers are from a wreath which we placed upon his grave. Always pray for us, as we live like it is said in the 23rd Psalm: "Yea, though I walk thru death's dark valley and shade, I will not be evilly ever dismayed."

Others of us will some day make a like sacrifice. It is not for ourselves we came, but for our dear mothers at home. Those mothers are always in my hopes, my faith and my prayers.

Truly (for him) "the strife is o'er, the battle done—victory of life is won, Alleluiah!"

With kindest sympathy, your sincere friend,
—Alvin E. Belden,
First Lieutenant, Medical Corps.

France, October 6, 1918.

Dear Mrs. Jones:—

It is with deep sorrow that I write these few lines of expression of my true sympathy with you in your hour of grief.

Ira was a member of my platoon, and has accompanied me at all times in the work of the recent drive, and since.

In all times of danger I always found in Ira a true symbol of the brave, true, ever ready and ever willing American soldier, always cool and courageous.

He died as all soldiers would wish—doing his duty, in action. May God soon take away the grief at the loss of so fine and true a son as Ira.

Our whole company shares your sorrow in the loss of our comrade, friend and fellow soldier.

Very truly yours,
Sgt. Chas. A. Gilkison,
Ambulance Co. 359, A. E. F.

LIQUOR ELECTION ON DEC. 18 TO BE ASKED

Tarrant County will vote on prohibition on December 18th, if the Commissioners' Court honors a petition which will be presented to it within the next few days asking for an election on that date. It has been more than two years since the county voted on prohibition and the court will have no further option in the matter of ordering the election, though it might decide on another date. Action toward calling the election was decided upon following a meeting of the prohibition executive committee.

R. B. Ingle, of the Avalanche force went to Fort Worth, last Thursday to meet his wife and children, who were enroute to Lubbock. They arrived here Sunday afternoon, and will occupy the C. A. Burrus home as soon as their household goods arrive.

Don't expect the flesh pots of old Egypt again at once. Our army and our allies are still to be supplied, and we must conserve and conserve and then conserve some more.

Watch the label on your paper.

IN MEMORY OF FLOY. (Mrs. Claud Burrus)

In memory of our darling Floy, of all our friends most dear. Her lovely life her bright sweet way, sought can from memory sear. E'er green in the wreaths of memory, the thoughts of Floy remain,

While in our mind and fancy, the dear girl's with us again. We hear her voice, her laughter bright, see all her cunning ways.

And now we know how very much she cheered dark and gloomy days. Our dear dear Floy, our fair young Floy,

who gripped our hearts so tight, in baby hood with child's soft airs, and lively school girl days delight. The father's pride and joy,

ner mother's one sweet girl, while six dear brothers bent their wills, to obey the home's one pearl.

And beside the home circle and all the kinsmen dear, the child was loved and petted much by all the valley far and near.

Then College days were done, how well we remember them all, when youth met youth delighted in, and answered frolic's call.

Our Floy with her good friend was the gayest of the gay, and in humorous conversation, she ne'er lacked the word to say.

She was the idol of her friends, and of her classmates too, and during all her College days, made more friends than she knew.

And then we think of the one who to her, in her youthful beauty came, a noble man who gave to her his own true manly name.

She gave to him her sweet girl love, and on the plains they built their own dear home. How happy they were, how he delighted in her sparkling eyes and rich brown hair,

Claud, you will miss her, but remember those who love are but one step from Heaven.

And Floy's over there.

And there came the crowning joy— beautiful motherhood.

When she held in her arms Cecil, her own dear boy, with pride as any mother would.

And later on was given her, a wee sweet girl, Maxine, so winsome such a precious pearl.

Dear babies how she loved you, may you grow up pure and good, As the dear mother Floy, hoped and prayed you would.

Then memory carries us further— to the last happy day. When two loved families gathered round,

just as our Floy moved away. How happy we were little guessing, a plague was soon to fall. And take from us our darling Floy, the love and joy of all.

She sleeps in the old home valley by her father's side so dear, who worked for her and loved her so, for many and many a year.

Floy you rest away from among us, and your face we'll see no more. But dear dear girl, your memory will be with us for ever more.

We'll try and be more cheerful and good to all mankind, and help your dear sweet children the paths of right to find.

And when life's toils and cares are o'er and we cross life's swelling tide, We'll meet you dear, and greet you dear, in Heaven on the other side.

—A Friend.

THOUSANDS OF FRENCH WAR PRISONERS TO BE RELEASED

French war prisoners to the number of four hundred and twenty thousand will be repatriated soon. This number includes those interned in neutral countries. A delegation from the French General Staff has held a conference at the German headquarters at Spa to arrange the details for bringing these men back.

Come to Lubbock.

THE SEASONS.

By Geo. M. Hunt, Lubbock, Texas

When spring days fall upon the screen, And all the fields are robed in green;

While we enjoy the morning breeze, And birds are singing in the trees, 'Tis then we look for April rain,

That falls upon the sprouting grain. Then catch sweet scents of new mown hay, In the beautiful month of May.

And when the summer days begin, The month of June is ushered in, It comes with fragrant flowers rare, When sweet perfume floats in the air.

And then the month of hot July, When cooler days have drifted by, While August follows in its train, With harvest fields of ripened grain.

We greet September coming on, After the summer months are gone And thru its pleasant days we share, The gentle breeze and balmy air, And in October we may see,

The tint of gold on every tree, And when November makes her call, The autumn leaves begin to fall.

And as the wintry days draw nigh, The withered leaves will droop and die, Then comes December bleak and cold, To close the year that's growing old.

The Dahlia and the blighted rose, Lie dormant thru the drifting snows, There to await returning spring, When they'll revive and birds will sing.

—GEO. M. HUNT,
Lubbock, Texas.

SPANISH INFLUENZA

Do Not Fear When Fighting a German or a Germ!

By Dr. M. COOK.

The cool fighter always wins and so there is no need to become panic-stricken. Avoid fear and crowds. Exercise in the fresh air and practice the three C's: A Clean Mouth, a Clean Skin and Clean Bowels. To carry off the poisons that accumulate within the body and to ward off an attack of the influenza bacillus, take a good liver regulator to move the bowels. Such a one is made up of May-apple, leaves of aloe, root of jalap, and is to be had at any drug store, and called "Pleasant Purgative Tablets."

If a bad cold develops, go to bed, wrap up well, drink freely of hot lemonade and take a hot mustard foot-bath. Have the bedroom warm but well ventilated. Obtain at the nearest drug store "Anuric Tablets" to flush the kidneys and control the pains and aches. Take an "Anuric" tablet every two hours, together with copious drinks of lemonade. If a true case of influenza, the food should be simple, such as broths, milk, buttermilk and ice-cream; but it is important that food be given regularly in order to keep up patient's strength and vitality. After the acute attack has passed, which is generally from three to seven days, the system should be built up by the use of a good iron tonic, such as "Ironite" tablets, to be obtained at some drug stores, or that well known blood-maker and herbal tonic made from roots and barks of forest trees—sold everywhere as Dr. Pierce's Golden Medical Discovery.

THE EVERYDAY BATTLE

Battles are not all fought with cannon and shell. The most vital are the everyday battles against the debilitating tendencies that invite weakness. For nearly five decades

SCOTT'S EMULSION

has been a definite help to millions in the trying battles against weakness. Scott's is as rich in blood-forming properties and as powerful in strength-supporting qualities now as of yore. Let Scott's Emulsion help you win your battles.

Scott & Bowne, Bloomfield, N. J.

LEGAL NOTICE.

RE—B. P. Hopkins Estate.
As attorneys for Mrs. B. P. Hopkins we are hereby requesting all persons indebted to B. P. Hopkins, deceased, to call at once at the drug store and pay any note or account they owe. Some people's debts go unpaid because they forget about making the debts, and to those who are not positive that they are not so indebted we would suggest that they make inquiry at the store concerning their indebtedness and thereby save further trouble.
We are serving Mrs. Hopkins without pay because of our friendship for her. And surely none of her friends will neglect to pay their debts after receiving this notice. The estate needs all the money that is due it and payment thereof where neglected after this notice must be sued upon in the courts.

BEAN & KLETT, Attorneys

L. J. BOLTON RE-APPOINTED AS U. S. MARSHAL

L. J. Bolton, popularly known all over this district as "Doc" has received notice of his re-appointment as deputy United States marshal for the Amarillo division of the northern district of Texas.

Mr. Bolton is now entering upon his tenth year of service in this capacity, having received his first appointment from United States Marshal George Green. He has served under six different marshals, his capable handling of the work of his department securing for him prompt re-appointment under each succeeding marshal.

PRESIDENT PROCLAIMS DAY OF THANKSGIVING

Washington, Nov. 17—President Wilson in a proclamation today designated Thursday, Nov. 28, as Thanksgiving Day, and said this year the American people have special and moving cause to be grateful and rejoice. Complete victory, he said, has brought not only peace, but the confident promise of a new day as well, in which "justice shall replace force and jealous intrigue among the nations."

The proclamation follows: "By the President of the United States of America—A proclamation: It has long been our custom to turn in the autumn of the year in praise and thanksgiving to Almighty God for his many blessings and mercies to us as a Nation. This year we have special and moving cause to be grateful and to rejoice. God has in his good pleasure given us peace. It has not come as a mere cessation of arms, a mere relief from the strain and tragedy of war. It has come as a great triumph of right. Complete victory has brought us, not peace alone, but the confident promise of a new day as well, in which justice shall replace force and jealous intrigue among the nations. Our gallant armies have participated in a triumph which is not marred or strained by another purpose of selfish aggression. In a righteous cause they have won a mortal glory and have nobly served their nation in serving mankind. God has indeed been gracious. We have cause for such rejoicing as revives and strengthens in us all the best traditions of our national history. A new day shines about us in which our hearts take new courage and go forward with new hope to a grander and greater duties.

Seek Divine Guidance.

While we render thanks for these things, let us not forget to seek the divine guidance in the performance of those duties and divine mercy and forgiveness for all errors of act or purpose and pray that in all we do we shall strengthen the ties of friendship and mutual respect upon which we must assist to build the new structure of peace and good will among nations.

Therefore, I, Woodrow Wilson, President of the United States of America, do hereby designate Thursday, the 28th day of November, next, as a day of thanksgiving and prayer, and invite the people throughout the land to cease upon that day from their ordinary occupations and in

THANKSGIVING

This Will Be a Thanksgiving Day When all the World will Truly be Thankful for Many Things.....

Now that the war, with all its toll of our men and a drain on our material resources, is over we Americans, can in a true American way, celebrate Thanksgiving.

Mrs. Housewife, are you supplied with all the things you will need for preparing your Thanksgiving dinner.

Look over this list and select the articles you need and let us supply them: Turkey Roasters, Sauce Pans, Stew Kettles, Butcher Knives, Paring Knives, Spatulas, Food Choppers, measuring cups, cake pans, pie pans, baking dishes, mixing bowls, large kitchen forks, basting spoons, egg beaters, and all kinds of kitchen utensils. We have a nice line of Wear-Ever Aluminum, High Grade Enamelled Ware and Pyrex Glass Cooking Ware.

For the table, we have beautiful carving sets, silver knives, forks and spoons, and dishes of all kinds.

Yours for a happy Thanksgiving.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the mixture through a fine cloth so no lemon pulp gets in; then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove all blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

NEWS OF THE WEEK FROM THE BLEDSOE COMMUNITY

Misses Welch and Gregory spent the week-end with Mrs. W. E. Bledsoe.

The school at this place is progressing nicely.

A. M. Pool of Abilene, who has been visiting his brother of this community for some time, has returned home.

Roy Lowery was the guest of Alvin Pool Sunday.

Rev. Rankin filled his regular appointment Sunday morning.

J. O. Day and R. L. Bledsoe shipped a car of cattle apiece this week.

Rev. Ellard preached at this place Sunday afternoon, and will preach here every third Sunday afternoon.

Mrs. Aubry Jones of Center spent Saturday with her mother, Mrs. W. E. Bledsoe.

W. E. Bledsoe has just returned from Colorado, where he has been on business.

Miss Opal Mickey entertained the young people of this community with a party Friday night.

Jim Bledsoe, Misses Welch and Gregory attended the movies at Lubbock Saturday night.

The people of this community met November the twelfth to raise their quota for the war campaign, and as the results of the meeting we went over the top.

Mrs. Jop B. Reid was shopping in Abernathy this week.

Mr. and Mrs. J. O. Day and daughter, Miss Beulah Day, motored to Plainview Monday.

J. S. Penny, A. W. Jackson and B. R. McWhorter, all of Lubbock, were in the city Monday on business. —Amarillo News.

GET BACK TO NORMAL

That is the big task that confronts us. We have Coal and Feed and the quality is high and the prices have always been normal. Try us.

Opportunity Calls Once on Every Man

It Calls to You Today From the Great Undeveloped
Oil and Gas Fields of the South Plains

The Cedar Lake Petroleum and Gas Company

of Lamesa, Texas

Will place five hundred shares among the best business men of the state. We are not selling you an interest in five acres, ten acres, or even one hundred acres, but in THIRTEEN THOUSAND acres of leases which offer as good prospects for oil and gas in paying quantities as any undeveloped field anywhere has ever offered. The heart of our leases is just southwest of the vast expanse of Cedar Lake, the largest bed-bottom in the state.

WHY WE EXPECT OIL AND GAS ON OUR LEASES

Efficiency has been our slogan. Before we leased an acre of land in Gaines county we had three of the best geologists the state affords to make extended surveys of the country and upon their reports which were the most favorable we leased the country indicated by them as the heart of the oil pool about Cedar Lake. In addition to this we have subsequent reports from the most reliable geologists who have said unconditionally that our leases offer the most promising outlook for an enormous oil and gas field. Besides these reports there are numerous water wells in the vicinity of our leases which really contain oil, several to the extent that the water is not useable. There are also two wells from which gas escapes and will burn when a torch is applied. Then around the rim of the lake is found more oil shale than is found anywhere else in the State.

Cedar Lake Petroleum and Gas Company,
Lamesa, Texas.

Without obligation on my part please send full information with rates for shares in your company. If your proposition appears in every way as represented I could probably invest \$

THE STATE OF TEXAS,
County of Dawson.

Before me the undersigned authority, on this day personally appeared Ulyss Dalmont, who, being by me duly sworn, states on his oath:

"About 1902 I began drilling a well, for water, on my land situated in Gaines County, Texas, and near Cedar Lake. At an approximate depth of sixty or seventy feet I struck a black, greasy sand, that when washed became white, the deposit washed therefrom having the appearance of black, graphite, grease. I went into this character of earth some thirty-five or forty feet and it rose in the well twenty odd feet. Not being able to get through this sand for lack of casing, and the water found not being fit for use, I abandoned the well. Tom Garrett of Lamesa, Texas, was working for me at the time, and assisted in drilling the well."

ULYSS DALMONT.

Sworn to and subscribed before me this the 9th. day of November, A. D. 1918. GORDON B. MCGUIRE,
(Seal) Notary Public, Dawson County, Texas.

I, Tom Garrett, do solemnly swear that I am the person named in the foregoing affidavit of Ulyss Dalmont, and that the matters therein stated are true. TOM GARRETT.

Sworn to and subscribed before me this the 9th. day of November, A. D. 1918. GORDON B. MCGUIRE,
(Seal) Notary Public, Dawson County, Texas.

In addition to this it is noticeable how sincerely the people of the Cedar Lake country believe in the proposition. These people who have lived there for years and have seen the surface indications and talked with the geologists on their surveys are thoroughly confident that oil and gas will be found in enormous quantities whenever the drill goes deep enough. They believe this to the extent that a large part of all stock sold will be sold to those living almost in sight of the drill which makes the first well.

ASSURANCE TO INVESTORS

The promoters of this company have placed a large forfeit on deposit as a guarantee that the first test well will be drilled to the depth of four thousand feet unless oil and gas are found in paying quantities at a lesser depth.

Besides the stockholders have voted unanimously to set aside 9,000 of the 13,000 acres of lease to be sold as the well is being put down. The proceeds from the sale of which is to be declared in the form of dividends to those who buy shares in the company. This alone insures investors against loss and leaves them an interest in more than four thousand acres of the company's best leases.

Material has been ordered for drilling the first well and we hope to begin drilling just as soon as delivery can be made on same. Our contract guarantees operations within ninety days from Oct. 30.

When drilling is once begun the driller will be taken into the custody of the company and not allowed an opportunity to be bought by some big outfit to the detriment of the investors. We solicit your business on the grounds of PROTECTION and FAIR DEALINGS.

NO TIME TO WASTE.

Stock in the Cedar Lake Petroleum and Gas Company will be on the market but a few days. It will not last. This is evidenced by the fact that one hundred and twenty of the five hundred shares to be sold were sold the first day it was placed on the market. If you would be one of the fortunate holders of a share in this company you must act quickly or forever hereafter regret your delay. Our object is to put the share subscriptions over the top and the oil over the derrick at the earliest possible date. Satisfy yourself today and fall in line. Help develop the resources of your country.

STEADIER HOG MARKETS PLANNED

Hog Producers and Packers Confer With Representatives of the Food Administration and Agricultural Department and Adopt New Plan of Regulation.

In accordance with the policy of the Food Administration since its foundation to consult representative men in the agricultural industry on occasions of importance to special branches of the industry, on October 24 there was convened in Washington a meeting of the Live Stock Subcommittee of the Agricultural Advisory Board and the special members representing the swine industry to consider the situation in the hog market.

The conference lasted for three days, and during this time met with the executive committee of the fifty packing firms participating in foreign orders for pork products and with the members of the Food Administration directing foreign pork purchases.

The conclusions of the conference were as follows:
 The entire marketing situation has so changed since the September joint conference as to necessitate an entire alteration in the plans of price stabilization. The current price talk has alarmed the holders of corn, and there has been a price decline of from 25 cents to 40 cents per bushel. The fact that the accumulations of low priced corn in the Argentine and South Africa would, upon the advent of peace and liberated shipping, become available to the European market has created a great deal of apprehension on the part of corn holders. This decline has spread fear among swine growers that a similar reduction in the price of hogs would naturally follow. Moreover, the lower range of corn prices would, if incorporated in a 13-to-1 ratio, obviously result in a continuously falling price for live hogs. In view of these changed conditions many swine producers anticipated lower prices and as a result rushed their hogs to market in large numbers, and this oversupply has added to and aggravated the decline.

The information of the Department of Agriculture indicates that the supply of hogs has increased about 8 per cent, while the highest unofficial estimate does not exceed 15 per cent. Increased production over last year. On the other hand, the arrival of hogs during the last three weeks in the seven great markets has been 27 per cent more than last year, during the corresponding period, demonstrating the unusually heavy marketing of the available supply. In the face of the excessive receipts some packers have not maintained the price agreed last month. On the other hand, many of the packers have paid over the price offered to them in an endeavor to maintain the agreed price. The result in any event has been a failure to maintain the October price basis determined upon at the September conference and undertaken by the packers. Another factor contributing to the break in prices during the month has been the influenza epidemic; it has sharply curtailed consumption of pork products and temporarily decreased the labor staff of the packers about 25 per cent.

The exports of 130,000,000 pounds of pork products for October compared with about 52,000,000 pounds in October a year ago, and the export orders placeable by the Food Administration for November, amount to 170,000,000 pounds as contrasted with the lesser exports of 98,000,000 for November, 1917. The increased demands of the allies are continuing, and are in themselves proof of the necessity for the large production for which the Food Administration asked. The increase in export demands appears to be amply sufficient to take up the increase in hog production, but unfavorable market conditions existing in October afford no fair index of the aggregate supply and demand.

It must be evident that the enormous shortage in fats in the Central Empire and neutral countries would immediately upon peace result in additional demands for pork products which, on top of the heavy shipments to the Allies, would tend materially to increase the American exports inasmuch as no considerable reservoir of supplies exists outside of the United States. It seems probable that the present prospective supplies would be inadequate to meet this world demand with the return to peace. So far as it is possible to interpret this fact, it appears that there should be even a stronger demand for pork products after the war, and therefore any sharp decline in the price of hogs to the detriment of hog producers as to the effect of space is unwarranted by the outlook.

In the light of these circumstances it is the conclusion of the conference that attempts to hold the price of hogs to the price of corn will work out to the disadvantage of pork producers. It is the conclusion that any interpretation of the formula should be a broad gauged policy applied over a long period. It is the opinion of the conference that in substitution of the previous plans of stabilization the Live Stock Subcommittee of the Agricultural Advisory Board, together with the specially invited swine representatives, should accept the invitation of the Food Administration to join with the Administration and the packers in determining the prices at which controlled export orders are to be placed. This will be regularly done. The influence of these orders will be directed to the maintenance of the common objective—namely, the stabilization of the price of live hogs so as to secure as far as it is possible fair returns to the

producer and the insurance of an adequate future supply.

These foreign orders are placed upon the basis of cost of hogs to the packers.

As the result of long negotiations between this body and the Packers' Committee, representing the 45 to 50 packers participating in foreign orders, together with the Allied buyers, under the Chairmanship of the Food Administration, the following undertaking has been given by the packers:

In view of the undertakings on the part of the Food Administration with regard to the co-ordinated purchase of pork products covered in the attached, it is agreed that the packers participating in these orders will undertake not to purchase hogs for less than the following agreed minimums for the month of November, that is a daily minimum of \$17.50 per hundred pounds on average of packers' droves, excluding throw-outs. "Throw-outs" to be defined as pigs under 150 pounds, stags, boars, thin sows and skips. Further that no hogs of any kind shall be bought, except throw-outs, at less than \$16.50 per hundred pounds. The average of packers' droves to be construed as the average of the total sales in the market of all hogs for a given day. All the above to be based on Chicago.

We agree that a committee shall be appointed by the Food Administration to check the daily operations in the various markets with a view to supervision and demonstration of the carrying out of the above.

The ability of the packers to carry out this arrangement will depend on there being a normal marketing of hogs based upon the proportionate increase over the receipts of last year. The increase in production appears to be a maximum of about 15 per cent, and we can handle such an increase.

If the producers of hogs should, as they have in the past few weeks, prematurely market hogs in such increasing numbers over the above it is entirely beyond the ability of the packers to maintain these minimums and therefore we must have the co-operation of the producer himself to maintain these results. It is a physical impossibility for the capacity of the packing houses to handle a similar over-shipment of hogs and to find a market for the output. The packers are anxious to co-operate with the producer in maintaining a stabilization of price and to see that producers receive a fair price for their products.

(Signed) THOS. E. WILSON, Chairman Packers' Committee.

The plan embodied above was adopted with the assent of the conference.

The Food Administrator has appointed a committee, comprising Mr. Thomas E. Wilson, chairman of the Packers' Committee; Mr. Everett Brown, president of the Chicago Livestock Exchange; Major Roy of the Food Administration; Mr. Louis D. Hall of the Bureau of Markets, to undertake the supervision of the execution of the plan in the various markets. Commission men are asked to co-operate in carrying out the plan embodied in the packers' agreement. It must be evident that offers by commission men to sell hogs below the minimum established above is not fair, either to the producer or the participating packers. Mr. Brown has undertaken on behalf of the commission men in the United States that they will loyally support the plan.

It is believed by the conference that this new plan, based as it is upon a positive minimum basis, will bring results to the producer than average prices for the month. It does not limit top prices and should narrow the margins necessary to country buyers in more variable markets. It is believed that the plan should work out close to \$18 average.

Swine producers of the country will contribute to their own interest by not flooding the market, for it must be evident that if an excessive over percentage of hogs is marketed in any one month price stabilization and control cannot succeed, and it is certain that producers themselves can contribute materially to the efforts of the conference if they will do their marketing in as normal a way as possible.

The whole situation as existing at present demands a frank and explicit assurance from the conferees represented—namely, that every possible effort will be made to maintain a live hog price commensurate with swine production costs and reasonable selling values in execution of the declared policy of the Food Administration to use every agency in its control to secure justice to the farmer.

The stabilization methods adopted for November represent the best efforts of the conference concurred in by the Food Administration, and the

Society Notes

Mrs. Adelaide Summers, Phone 435

The beautiful home of Mr. and Mrs. Sam T. Davis was opened to a farewell given in honor of Rev. J. T. Hicks and family who left Monday for their new home in Stamford, about forty of fifty people attended the affair. Quite an interesting impromptu program of music by Mesdames Trinkle, Wheelock and Ellis, and a couple of readings by Mrs. W. H. Sims was followed by a well prepared paper in which Mrs. Lyon expressed the sentiment of those present in appreciation of the well rendered services during Rev. Hicks' pastorate. Mr. W. C. Rylander then presented them both a gift of silverware and table linen from members of this church and Miss Gertrude Hicks was the recipient of a handsome bouquet of flowers presented by Mrs. A. B. Ellis. The occasion will long be remembered by those present. Refreshments of sandwiches, coffee and cake were served.

Mesdames Peebler, Lotspech, Winn Smith, Martin, Weaver, Rix, Bush, Mast, Triplett, Wilson and John Jarrott motored four miles out to the home of Mrs. Vickers Tuesday where she entertained the Auction Bridge Club for the afternoon. There were three tables of players. At the close of the interesting games in which Mrs. O. F. Peebler won high score an elaborately planned buffet luncheon was served. Mrs. A. V. Weaver will be the next hostess.

The Welfare Library, after being closed several weeks because of the quarantine, opened November 16th with many new members. New books are continually coming in. Why don't you read from the library? They are domiciled in the balcony of the Manhattan parlors. The polite and obliging proprietor will be glad to direct you to the library. Subscription \$1 a year.

The ladies of the Presbyterian church had an all-day service at the church, observing the week of prayer and a very interesting program was

Livestock Subcommittee of the Agricultural Advisory Board, together with special members and the representatives of the packers, to improve the present unsatisfactory situation, which has unfortunately resulted because of the infection of uncertain factors.

We ask the producer to co-operate with us in a most difficult task. The members of the Conference were:

- Producers: H. C. Stuart, Elk Garden, Va.; Chairman Agricultural Advisory Board: W. M. McFadden, Chicago, Ill.; A. Sykes, Ida Grove, Ia.; John M. Eppard, Ames, Ia.; J. H. Mercer, Live Stock Commission for Kansas; J. G. Brown, Monon, Ind.; E. C. Brown, President Chicago Livestock Exchange; N. H. Gentry, Sedalia, Mo.; John Gratton, Brownfield, Colo.; Eugene Funk, Bloomington, Ill.; Isaac Lincoln, Aberdeen, S. D.; C. W. Hunt, Logan, Ia.; C. E. Yancey, W. R. Dodson.
- Food Administration—Herbert Hoover, F. S. Snyder, Major E. L. Roy, G. H. Powell.
- Department of Agriculture—Louis D. Hall, F. R. Marshall.

The packers present and others sharing in foreign orders were represented by the elected packers' committee. Those represented were: Packers—Armour & Co., Chicago, Ill.; Cudahy Packing Co., Chicago, Ill.; Morris & Co., Chicago, Ill.; Swift & Co., Chicago, Ill.; Wilson & Co., Chicago, Ill.; John Azar Co., Chicago, Ill.; Acme Strong Packing Co., Dallas, Tex.; Boyd Dunham & Co., Chicago, Ill.; Breinart Packing Co., Chicago, Ill.; Cincinnati Abattoir Co., Cincinnati, O.; Cleveland Provision Co., Cleveland, O.; Cudahy Bros. Co., Cudahy, Wis.; J. E. Doid Packing Co., Buffalo, N. Y.; Dunley Packing Co., Pittsburg, Pa.; J. E. Decker & Sons, Mason City, Ia.; Evansville Packing Co., Evansville, Ind.; East Side Packing Co., East St. Louis, Ill.; Hammond Standish & Co., Detroit, Mich.; G. A. Hormel & Co., Austin, Minn.; Home Packing & Ice Co., Terre Haute, Ind.; Independent Packing Co., Chicago, Ill.; Indianapolis Abattoir Co., Indianapolis, Ind.; International Provision Co., Brooklyn, N. Y.; Interstate Packing Co., Winona, Minn.; Iowa Packing Co., Des Moines, Ia.; Powers Bagg Co., Jacksonville, Ill.; Kingan & Co., Indianapolis, Ind.; Krey Packing Co., St. Louis, Mo.; Lake Erie Provision Co., Cleveland, O.; Layton Co., Milwaukee, Wis.; Oscar Mayer & Bro., Sedgewick and Beecher streets, Chicago, Ill.; J. T. McMillan Co., St. Paul, Minn.; Miller & Hart, Chicago, Ill.; J. Morrell & Co., Omaha, Ia.; Nuckolls Packing Co., Pueblo, Colo.; Ogden Packing and Provision Co., Ogden, Utah; Ohio Provision Co., Cleveland, O.; Parker Webb & Co., Detroit, Mich.; Pittsburg Packing and Provision Co., Pittsburg, Pa.; Rich Packing Co., Waterloo, Ia.; Roberts & Oske, Chicago, Ill.; Robe & Bros., New York City; W. C. Booth & Co., Los Angeles, Calif.; St. Louis Ind. Packing Co., St. Louis, Mo.; Sinclair & Co., T. M. Cedar Rapids, Ia.; J. J. J. & Co., Detroit, Mich.; Theurer-Norton Provision Co., Cleveland, O.; Wilson Provision Co., Peoria, Ill.; Western Packing and Provision Co., Chicago, Ill.; Charles Wolff Packing Co., Topeka, Kan.

rendered both morning and evening, and all who attended received much inspiration for their work for the coming year. At noon a dainty lunch of sandwiches, salads coffee and pie was served to those present.

The Friday Afternoon Needle Club was entertained at the home of Mrs. F. K. Mitchell. Mrs. W. E. Twitty assisted the hostess. Complete attendance of the members with no guests present. The time was pleasantly spent in sewing and handwork of all kinds. Refreshments of sandwiches, pickles, salad, banana cake and coffee were served.

The Double Dozen had their first meeting for some time with Mrs. W. A. Bacon as hostess last Friday night. The game of forty-two filled the evening and at the conclusion of the games a delicious salad course was served to the members present and three guests: Misses Klett, Thompson and Mrs. Scratchley, of Laredo, Texas.

Mesdames Baker and Stubblefield were hostesses to the 1916. Needle Club, Tuesday at the home of Mrs. T. M. Adams. There was a full attendance and Mrs. Cloud was received as a new member. Refreshments of salad, chocolate and wafers were served.

The Junior Red Cross will hold a Bazaar the first week of December, every one who will contribute is urged to get to work on their articles and have them ready for sale on that occasion. They are anxious to make this a rousing success.

Mesdames M. E. Merrill and C. M. Ballenger will entertain the Wednesday Needle Club on 27th, at the home of Mrs. Merrill on South Sanger Street.

The Wesley S. S. Class of Methodist church had their monthly social Tuesday night at the home of Mrs. W. R. Spencer on Broadway. Mrs. Perkins was hostess.

The younger set enjoyed a little informal dance at the Elk's hall on Saturday night.

Mr. and Mrs. C. H. Smith are visiting Mr. G. C. Davis in Clarendon, Texas. Mrs. Smith will visit her people in Farmer before returning to Lubbock.

Mrs. E. Graham, of Plainview, spent the early part of the week here with her mother and brothers, Condon and Stockton Henry's families.

Miss Ruby Rogers of Waco is the guest of her aunt, Mrs. A. V. Weaver. She will probably spend the winter here.

Miss Alta Buchanan of Big Spring, spent Friday night visiting with Miss Elsie Ann. She was enroute to Conroe to resume her teaching.

Chas. Benson and niece, Miss Viola Benson, of Hale Center have been guests of Mr. and Mrs. Carl Roberts the past week.

Miss Ina Sawyer, of Brownfield, returned to her home last week after spending a few months in Dallas in school.

Mr. and Mrs. A. V. Weaver returned last week from an extended trip to Chicago and other points in the east.

Mr. and Mrs. S. P. Robbins notored to Plainview Thursday of last week to see Mrs. Forrest Robbins.

Mrs. J. T. Griswold arrived Tuesday from Sweetwater to make Lubbock her home.

Miss Neva Stricklin of Tahoka, spent a few days in town this week visiting friends.

Miss Margaret Huff and Miss Julia Morrison visited in Slaton Friday with relatives.

IMPORTANT RED CROSS APPOINTMENTS ANNOUNCED

Having been appointed Field Representative for District No. 14, of the Red Cross Christmas Roll Call, the drive for which will take place from 9th to 16th December, 1918, inclusive, I hereby give notice that I have appointed Mr. C. S. Williams, as Chairman of the Speakers Bureau, and Mr. Roscoe Wilson, of Lubbock, Texas, as Chairman of the Publicity Bureau, and ask that all parties concerned in this drive will take notice accordingly.

Yours truly,
 H. C. RANDOLPH,
 Division Field Representative 14th District of Texas.

The Ladies Auxiliary of the First Presbyterian church will seek comforts at \$1.25 each. Home Mrs. H. A. Davison, phone 38. 201

GARBAGE Questions and Answers

Is it true that garbage as collected in cities contains valuable material? Yes. It contains grease, materials convertible into agricultural fertilizers, and material valuable as food for hogs, chickens, and cattle.

Has not the amount of such valuable materials been decreased or eliminated? Decreased but not eliminated. Reports from a number of cities show about 13 per cent decrease in garbage collected and with a much greater decrease in the percentage of grease content in such garbage. It is impossible to eliminate garbage because of the inedible nature of certain portions of our foods.

Can not the valuable ingredients in such garbage be recovered? Yes. Twenty-nine of our larger cities are recovering about \$2,000,000 pounds of grease and 150,000 tons of agricultural fertilizer annually. The total present value of these materials is over \$11,000,000. Numerous other cities are likewise utilizing all or parts of their garbage as food for hogs, chickens, or cattle.

Are not large amounts wasted? Yes, and even worse than wasted in many cities considerable coal and other fuels are wasted to destroy the garbage. Over 150 cities of more than 10,000 population, a total of over 14,000,000 people, do not utilize their garbage.

Could such cities conveniently make use of their garbage? In most cases, yes. Twenty-five out of over 100,000 population of sufficient size to recover, grease and manure, fertilizer. These are destroying about 30,000,000 pounds of grease and 60,000,000 tons of fertilizer tankage valued at nearly \$5,000,000. This grease would produce over 4,000,000 pounds of nitrolycerin and 65,000,000 12-ounce cakes of soap. The garbage from the remaining cities could almost all be utilized as feed.

What use is being made of the grease and fertilizer? The grease produced is utilized for making nitrolycerine, soaps, waterproofing compounds, paints, etc. The fertilizer is used in agriculture. The grease now produced contains sufficient glycerine to produce the slaughter charge for about 16,000,000 15-mm. shells and sufficient acids for about 200,000,000 2-ounce cakes of soap. The fertilizer tankage produced would replace the nitrogen and other elements taken from the soil by about 3,000,000 bushels of wheat.

How is this grease and fertilizer obtained from garbage? By extraction in modern garbage reduction plants.

Is this better than feeding such garbage to hogs? It has certain advantages, mainly due to the garbage from the larger cities containing foreign materials which might be harmful if fed to hogs. The gross returns per ton of garbage are practically identical whether treated by the reduction process or fed to hogs. The reduction process, however, is applicable only to large cities, while hog feeding can be successfully carried on in the smallest communities.

How much pork is produced annually on garbage feed? About 300 cities of over 10,000 population and totaling more than 9,000,000 people are feeding their garbage to hogs. The amount of pork actually marketed exceeds 30,000,000 pounds.

How much pork can be produced by using one ton of garbage as feed? One hundred pounds of pork.

Is there any evidence that garbage fed hogs are more subject to disease or trichinosis than grain-fed hogs? No.

How do grain feed and garbage feed compare? Gains in weight are not made as rapidly with garbage as with grain. Six pounds of garbage in recent tests were found to give the same total gain as a ration of four pounds of grain.

Can the difference between garbage fed hogs and grain fed hogs be detected if quality of pork? Experts can not tell the difference.

Watch the label on your paper.

If you can't come after it, let Uncle Sam's mail carriers bring it to you. We are as close to you as your nearest mail box. Most successful school of business training in the world.

Uncle Sam will carry our original, practical and modern courses right to your door. By the use of a very thorough, practical course of Telegraphy, Byrne Shorthand and Practical Bookkeeping, our school has grown very rapidly and the success of these famous systems, and the originator of our practical methods of correspondence instructions, is at the head of our correspondence department.

To show our faith in our methods, we have for several years agreed, at the completion of the course, to refund every cent of tuition if it is not satisfactory and as recommended. No other school can afford to give you such a guaranty, nor could we if we used their methods and systems.

Advantage of Mail Course.

Less cost—not one-sixth of that required to attend school. No lost time or salary. You "earn while you learn," save your leisure time that might otherwise be wasted; make just as much salary as if you were not studying at odd times. You study at home. The education comes to you. The gain is clear. You use time you would otherwise throw away. Fill in and mail for free catalog.

RESOLUTION OF RESPECT FROM EASTERN STAR

Since it has pleased the Great Architect of the universe to remove from our midst three of our most faithful members, sister Sallie Richmond, Sister Mary Edsall and Bro. B. P. Hopkins.

Be it Resolved, That the Order of the Eastern Star has lost some of its most ardent workers. That their vacant chairs have cast a gloom over our chapter and the community in general, and since their faces are no longer seen among us, may we ever remember that we too, are only pilgrims on the stream of time and ere long may be laid within the narrow limits of the silent tomb.

Resolved, that the proper emblems in the Eastern Star Chapter be draped in mourning, that a copy of these resolutions be spread on the minutes, and be published in the Avalanche, and that each of the families be furnished a copy.

Respectfully,
 H. J. Lowrey,
 Annie E. Pearson,
 Minnie T. Harper.

CARD OF THANKS

I desire to extend to our many friends our heartfelt thanks for their earnest prayers, anxious hearts, and many kind deeds during the illness of my husband, and for the beautiful flowers and soothing words and acts in my loneliness.

MRS. B. P. HOPKINS

Come to Lubbock.

Bilious? Take NR Tonight

Nature's Remedy is Better and Safer Than Calomel. Cleans Out System Without Cramping. Stops Sick Headaches. Guaranteed.

Bilious attacks, constipation, sick headaches, etc., are in the majority of cases due to digestive trouble and no reasonable person can expect to obtain rest or lasting benefit until the cause is corrected.

Nature's Remedy (NR Tablets) is a vegetable compound that acts on the stomach, liver, bowels and kidneys, the primary organs to bring about healthy and harmonious action of all the organs of the digestive system. It acts promptly and thoroughly, yet so mildly and gently that there is never the slightest cramping or discomfort.

But that is not all. Nature's Remedy (NR Tablets) have a beneficial effect upon the entire body. By improving the process of digestion and assimilation, the nourishment is derived from food, the blood quality is enriched, vitality is increased and the whole system strengthened.

Once you get your body in this splendid condition, you need not take medicine every day—just take an NR Tablet occasionally when indigestion, biliousness and constipation threaten, and you can always feel your best. Remember keeping well is easier and cheaper than getting well.

Get a 25c box of Nature's Remedy (NR Tablets) and try it. It is sold, guaranteed and recommended by your druggist.

Profit Sharing Sale

To Our Customers and the Public Generally:

For the first time this early in the season, we shall begin a GREAT PROFIT-SHARING SALE, on Saturday, November 23rd, and continue it UNTIL DECEMBER 7TH.

We know that we are just now entering the season of most rapid and profitable selling. OUR STOCK IS LARGE, COMPLETE AND DEPENDABLE. The trend of prices is still upward-high as they are now. But notwithstanding these facts, we have decided upon sweeping and substantial reduction on EVERYTHING IN OUR ENTIRE STOCK. DISCOUNTS WILL VARY FROM TEN TO TWENTY-FIVE PER CENT but NOTHING WILL ESCAPE REDUCTION.

Repeated shortage of crops, added to many special calls for cash, make it difficult for many good people to secure all they need without some price concession from today's values.

As merchants, we realize our obligation to help relieve this situation as far as we can, which, with other good reasons, impel us at this time to make substantial reductions on everything.

In addition to these special prices, every customer will have an equal chance to obtain one of our five prizes, aggregating Five Hundred Dollars in value, to be awarded on December 24th.

Liberty bonds will be accepted as cash at face value in payment of merchandise and old obligations, but no money will be advanced on bonds.

Three hundred votes will be given for each dollar paid on old notes and accounts

BEYOND DOUBT this is an **UNUSUALLY** good time to buy in season goods at prices materially less than normal.

Note the price concessions below, and make your arrangements to avail yourself of these special offerings.

Boys' Suits and Overcoats
Perfection Suits
Regular Price \$7.50, \$10.00, \$12.50
and \$15.00

Men's Suits and Overcoats
Styleplus and Kuppenheimer
\$25.00, \$30.00, \$35.00, \$40.00, \$45.00
and \$50.00

Ladies' Suits and Overcoats
Printzess
\$35.00, \$40.00, \$50.00, \$65.00
and \$75.00

Discounts 10 per cent to 20 per cent off regular price on the above

Bed Blankets and Quilts

We have a large stock, with full range of sizes and prices. During this sale there is a special discount of 20 per cent (1-5) off the regular price. Don't fail to see our stock and get our prices before you buy.

Don't Overlook these Special Prices On Gingham and Percales.

Red Seal and Zephyr Gingham worth 35c, and Ardmore Chambray, special price 30c.

All Whitney, Trinity and Ideal Percale, worth 30c, now 25c.

All Outing worth 35c, now 30c.

Men's Hats and Caps

10 per cent off on all Stetsons, 20 per cent off all other HATS AND CAPS
Men's Canvas and Leather Gloves, 10 per cent off.

Men's and Boys' Clothing, Overcoats, Etc.

On all Men's and Boys' dress and work Trousers, Overalls, and jumpers, 10 PER CENT OFF regular price.

All men's and boys' Overcoats, Mackinaws, Sheeplined Coats, Waterproof Duck Coats and Rain Coats, 20 PER CENT OFF, regular price.

The following persons are competing for the five Big Prizes aggregating \$500.00 in value, to be awarded Dec. 24th. Others may enter if they desire:

Miss Ruby Denkins	Lubbock
Miss Anita Green	Lubbock
Miss Neva Cowart	Lubbock

Mrs. J. D. Haney	Slaton
Mrs. John Wisley	Slaton
Miss Ted Johnson	Shallowater
Miss Katie Bell Crump	Shallowater
Mrs. H. H. Nixon	Slide
Miss Clara Jones	Abernathy
Mrs. A. W. White	Tahoka
Miss Bertie Robinson	Meadows

Shoes for Men, Women and Children

We carry only good grades of all leather shoes. Because of a scarcity of efficient laborers in shoe factories, deliveries will be slow and the prices high for some time yet, hence it's a good time to buy.

Special discount on all Star Brand, Nettleton, and Helming & McKenzie Shoes, 10 per cent off regular prices.

On all other brands including J. & K. and Red Cross, TWENTY PER CENT OFF.

Ladies' and Children's Dresses

On all Ladies and Children's dresses, coats and suits, the discount will range from TEN to 25 PER CENT OFF OF regular price.

On all men's, women and children's Underwear 20 PER CENT OFF regular price.

By a glance through our stock, you will see that we are offering the VERY BEST MERCHANDISE, select and dependable, at substantial discounts. It is as we stated at the outset, the period when sales are largest at full, regular prices. But we have decided to make a REAL PROFIT-SHARING OFFERING. One that WILL MEAN A SAVING OF THOUSANDS OF DOLLARS IN THE AGGREGATE to our customers, one in which every purchaser will share. And now, as in the past, we will make good on every price and promise.

FLOUR SUBSTITUTES: For fear there may be in the minds of some a misunderstanding as to proper substitutes to be sold with flour, basis of 80-20, we give you the following list of substitutes: Barley flour, corn flour, rice flour, corn meal, feterita flour.

It must be understood, positively, package breakfast foods, such as Cream of Wheat, Corn Flakes and Oatmeal are not allowed as a substitute with the sale of flour.

Announcement

We beg to state that the Hopkins Drug Store will continue in business and that we will endeavor in every possible way to have what you want when you want it. We are well known for the quality of goods and complete stocks and we cordially ask that you remember us with your patronage.

Careful attention to every order. H. J. Lowery is in charge of the store and will take pleasure in extending every courtesy.

Hopkins' Drug Store

Phone 22

Lubbock, Texas.

LEGAL NOTICE.

RE—B. P. Hopkins Estate.
As attorneys for Mrs. B. P. Hopkins we are hereby requesting all persons indebted to B. P. Hopkins deceased, to call at once at the drug store and pay any note or account they owe. Some people's debts go unpaid because they forget about making the debts, and to those who are not positive that they are not so indebted we would suggest that they make inquiry at the store concerning their indebtedness and thereby save further trouble.

We are serving Mrs. Hopkins with-out pay because of our friendship for her. And surely none of her friends will neglect to pay their debts after receiving this notice. The estate needs all the money that is due it and payment thereof where neglected after this notice must be sued upon in the courts.

RESOLUTION OF RESPECT FOR CURTIS RATLIFF

Whereas, our Heavenly Father has called to rest our beloved classmate Curtis Ratliff. We, your committee, in behalf of the junior class of Lubbock High School, beg to submit the following resolutions:

First: Be it resolved, that we extend to the sorrowing mother, brother, and sisters, our love and deepest sympathy.

Second, that our class has lost one of the most efficient, devoted and tireless workers. There is a vacancy in our school room which can never be filled. We shall miss his helpfulness in all of our class work. He was never too busy to help in the duties of the class and school. He seemed to love all of the pupils, dearly, and we have lost a true friend, indeed.

Third, that the entire school as well as our class will miss his manly presence. His quiet conduct was one excellent example for all of us, and no teacher ever had cause to correct him.

Fourth, that the entire community as well as the church will miss him, for no one ever held before their companions a higher example of Christian manhood. From his earliest boyhood the crowd was never too large for him to rise and testify to his belief in Christ.

Fifth, and that we, your committee, wish to express our great love and appreciation of this our pupil and classmate. We shall ever cherish the memory of his worthy life before us.

There is a world above
Where parting is unknown
A long eternity of love.

Where our dear friend has gone
And while we miss him here,
And mourn his leaving us,
We'll strive to meet him over there
In the realm of the Just.

While we know he'll meet and greet us,
As he was wont to do.
For there is a union of hearts
That find not here an end.

And, furthermore, be it resolved, that we send a copy of these resolutions to the family and to the Lubbock Avalanche, and the Whitehead News.

Respectfully,
Mary Dickinson,
Blanche Bean,
Lrene Toupey,
Mae Murfee,
Arnett Pearson.

SOME RULES GOVERNING CONSUMPTION OF FUEL

Effective November 18th, the United States Fuel Administration acting under authority of an Executive Order of the President of the United States, dated August 23, 1917, appointing said Fuel Administrator, and of subsequent Orders and in furtherance of the purpose of said orders and of the act of Congress therein referred to and approved August 10, 1917, having heretofore appointed the undersigned Federal Fuel Administrator for the State of Texas with power and authority to said Federal Fuel Administrator with respect to coal and coke within the said State, to prescribe and administer reasonable rules for the regulation, sale, shipment, distribution, apportionment, storage and conservation of all fuel within said State.

And now said Federal Fuel Administrator for Texas, believing from information received that the condition which caused the promulgation of the lightless night order, having passed to such an extent, that warrants in a

SECTION ONE

The extravagant or wasteful use of light generated or produced by the use or consumption of coal, oil, gas or other fuel for illuminating purposes, in the streets, parks, or other public places of any city, village or town, or for other out-door illumination, public or private, is hereby prohibited.

SECTION TWO

All County Fuel Administrators are requested to see that the above is carried out and notify this office of any violation.

WILEY BLAIR

Federal Fuel Administrator for Texas

ER-KAISER MAY BE PERMITTED TO RETURN HOME

London, Nov. 18.—The Potsdam Soldiers and Workman's committee learns that William Hohenzollern intends to return to Germany because of disturbances in Holland, according to a Copenhagen dispatch to the Exchange Telegraph Company. The Lokale Anzeiger of Berlin states that he is likely to be permitted to return.

Prince Eitel Frederick, son of the former Emperor, has appealed to his comrades of the Potsdam garrison to place themselves at the disposal of

the new Government in Germany.

Amsterdam, Nov. 18.—The former German Emperor has arrived in Holland, making the trip by airplane, according to the Zeevaar correspondent of the Telegraaf.

Maarn, Holland, Saturday, Nov. 16.—Count Charles Von Bentinck, son of Count Godard, in an interview today, declared that his father was opposed of the intended coming of the former German Emperor until last Sunday, when the Dutch Government telephoned, asking him if he would receive the exile. The Count acceded to the request as a duty to the Dutch Government.

The former Emperor's host seems somewhat embarrassed over the delicate charge given him, as his family has considerable English connections. Count Charles said that he asked the former Emperor:

"Well, how long will you remain?" "That depends on the Dutch Government," was the reply.

There are no indications that the former Crown Prince intends to join his father.

BUILDING UP OUR WOMANHOOD

Given Up to Die by Her Friends, a Young Lady Recovers Her Health and Increases Weight—45 Pounds.

A Powerful Nation Needs Strong Healthy Women.

A nation is no stronger than its women. Hence, it is the duty of every woman whether young, middle age, or in advanced life to preserve her health. If you are sick and suffering don't wait until tomorrow but seek relief at once—today. Tomorrow your illness may take a chronic turn.
There is a remedy for almost every ill. This remedy was found Peruna to be that remedy as did Miss Clara Kimball Young of 21 N. Gold St., Grand Rapids, Michigan. She writes a friend: "I don't need Peruna any more. I am all well after taking six bottles. I weighed ninety pounds before I started and was poor and weakly. I had such a cough and spitting all the time that I never expected to recover. My friends gave me up. I could eat nothing. Now I can eat and weigh 135 pounds. I most thankfully recommend Peruna to my friends."
Miss Lohr's letter is an inspiration, a message of hope to suffering women. It tells you that you too may be strong and well and vigorous.
Peruna may be had in either liquid or tablet form. Ask your dealer. If you value health, do not accept a substitute. Dr. Hartman's World-Famous Peruna Tonic is what you want. The Peruna Company, Dept. 78, Columbus, Ohio, also publish Dr. Hartman's Health Book. The book is free. Write for it. Your dealer will give you a Peruna Almanac.

LAKEVIEW COMMUNITY WERE HERE ON THURSDAY

Prof. Dupre and Mrs. Burton were visitors at Slide School Wednesday evening, for the purpose of getting up money for the Y. M. C. A.
Mr. and Mrs. Lindsey of the Meadow Community called at Slide on Thursday.
W. D. Arnett and father went to Mexico Monday to spend a few days.
Mrs. W. H. Arnett and little daughter, Elizabeth, went to Lubbock to spend a few days while Mr. Arnett is gone.
Mrs. J. W. Smith who has been very sick is reported better at this writing.

THE WEEKLY BATCH OF CENTER NEWS ITEMS

Mr. R. H. Haney has built an addition to his saw sheds the past week.
School is still progressing very nicely and the teachers are for a Christmas entertainment and also a Christmas tree. We hope that they will have good success at the efforts which they have put forth.
E. A. Abney motored through our vicinity the other day.
Mr. W. A. Dunn and children have been picking cotton for Mr. Will Atkinson the past week.
Miss Attie Pool spent her twenty-first birthday with homefolks Sunday. She reports a real nice time and a splendid dinner.
Mr. A. J. Fuchs and family spent Sunday with Mrs. Fuchs's sister, Mrs. Chas. Goeth.
Messrs. Felix and Alvis Goebel and sisters, Theodora and Elizabeth spent Sunday with friends and relatives of Abernathy.
Our Social met last Wednesday night but were very much disappointed on account of not having any speaker for the purpose of collecting for the United War Work Campaign fund.
Mr. Young Rowley and family have returned to his father's where

THE LID IS OFF!

The Government now permits you to build buildings not exceeding \$10,000.00 in cost WITHOUT PERMIT, and up to \$25,000.00 under permit from the State Council of Defense.

BUT REMEMBER...ALL THE WORLD IS STARTING TO BUILD AND THERE IS NO GREAT SURPLUS OF BUILDING MATERIALS.

750,000 houses in little England alone are going to call for materials from this country; devastated France, ruined Belgium, Italy, Russia—a whole world needs the same materials YOU WANT FOR THAT HOUSE OR BARN.

NOW—TODAY—we are going to be able to help you build, but with a demand ahead of us beyond the human mind to comprehend, there's no telling when that WORLD-DEMAND is going to pass the possible sources of supply—and THEN SOMEONE IS GOING TO BE CUT OFF.

We want to impress on you with all the force we can that NOW IS THE TIME TO GET BUSY WITH YOUR BUILDING.

Come in and get your materials. If you cannot erect the building immediately, at least complete all your arrangements for GETTING WHAT YOU WILL NEED.

Decide on your plans—select your materials—and place your order at the earliest date possible.

That is the only way you can be SURE.

Reasons!

Why you should use Cardui, the woman's tonic, for your troubles, have been shown in thousands of letters from actual users of this medicine, who speak from personal experience. If the results obtained by other women for so many years have been so uniformly good, why not give Cardui a trial?

Take CARDUI

The Woman's Tonic

Mrs. Mary J. Irwin, of Cullen, Va., writes: "About 11 years ago, I suffered untold misery with female trouble, bearing-down pains, headache, numbness... I would go for three weeks almost bent double... My husband went to Dr. for Cardui... After taking about two bottles I began going around and when I took three bottles I could do all my work." E-80

G. L. MILLS, Prop.

ON THE DEATH OF SOVEREIGN W. C. GREEN

Whereas, an all-wise omnipotent Father, in His merciful providence, has deemed it best to remove from this transitory scene our beloved Sovereign, W. C. Green, and be it,

Resolved, That we recognize in the death of Sovereign Green the passing of one of the active members of our Society; that we cherish that same affectionate regard for our departed Sovereign that we had for him in life; that while we bow in humble submission to the will of our Almighty Sovereign, who doeth all things well, yet we sincerely, deeply, most affectionately sympathize with the sorrowing family in their afflictive bereavement, and remind them that He who "tempereth the wind to the shorn lamb" looks down with infinite compassion upon the bereaved in the hour of their desolation, and will fold the arms of His love and protection around those who put their trust in Him; that in extending our sympathy we do so with the confident belief that our beloved Sovereign, husband and father has gone to his just reward as a result of a life well spent, and be it further

Resolved, That our banner be draped for a period of thirty days with the name of our deceased Sovereign appropriately arranged thereon.
H. D. Phillips
C. H. Peek
A. Judd, Committee.

APPRECIATES THE GOOD WORK OF THE WOMEN

I take this opportunity to express my appreciation to the women of Lubbock and adjoining counties for their efficient work during the United War Work Campaign which has just closed. Especially do I wish to thank the chairmen of the different communities and their committees, who lent so much to the success of the campaign.

MAE MURFEE,
Gen. Chairman United War Work, Women's Division.

R. T. Penney, of the Lubbock Tailoring Company went to Tahoka Tuesday and saw the machinery start to drilling the big oil well at that place.

C. W. Alexander and daughter, Miss Mamie went to Tahoka Tuesday.

BADGER LAKE NEWS ITEMS OF THE WEEK

Mr. J. C. Newton is attending to business in Hereford this week.

Mr. and Mrs. J. H. Hettler spent Sunday with Mr. and Mrs. Eugene Emery.

Mr. and Mrs. Riley Stone and Misses Ruth Newton and Ora Karr attended church at Lubbock Sunday.

There was a called meeting Friday night to help raise money for the war work campaign, but on account of the weather very few were present. Several readings and songs were rendered.

Mr. and Mrs. N. M. Hightower received a message that their daughter-in-law, Mrs. Nay Hightower of Burk Burnett, was dead. Mr. Hightower left at once. We all sympathize with these folks.

Mrs. George Faulk and son, are the weekly guests of Mr. and Mrs. J. C. Newton.

Mr. and Mrs. Riley Stone were afternoon callers of Mrs. Lula Cone.

Cassius, Herbert and Carola, Hettler were Sunday guests of Lois Cone.

Mr. and Mrs. M. D. Newton and children were Sunday evening guests of Mrs. J. C. Newton.

Mr. and Mrs. V. V. Oldham and family and Bessie Collier attended the military funeral services at the First Christian church Sunday.

Mr. N. M. Hightower is installing himself a telephone on line 9629-F4.
Mr. E. D. Cathy is in Tulsa this week looking after business matters.

Mrs. Carl Allen has returned from San Antonio, where she has been residing. Her husband has been transferred to Ft. Sill, Okla.

School Notes.
School is still progressing nicely and quite a bit of interest is being shown in this war work. The girls here in school are entitled to an honor flag while the boys have not done their part yet. It must be a true statement that "There's a woman behind every fighting man."
Roy Karr is attending high school this year.

We are very sorry to lose Royce Voyles as he moves away this week. Fannie Cox came back to school after an absence of several weeks.

Walter Emery was on the sick list last week.

The "story telling" class is growing each week. There are about 12 in it now and they never tire of telling stories and learning songs, and what interests them more than anything else is, they love to "march like soldiers."

The School Society will render the following program Friday Nov. 18.
Reading of Minutes by Secretary.
Reading—Carola Hettler.
Reading—Ara Karr.
Music—By Miss Vera.

Reading—Eva Karr.
Reading—Mable Oldham.
Jokes—By Bessie Collier.
Reading—Raymond Cone.
Quiz—Trix Karr.
Reading—Beatrice Karr.
Story—By Eugene Vaughn.

Debate: Resolved, that Columbus encountered more difficulties in founding America, than Washington did in freeing it.

Affirmative, Cassius Hettler and Walter Emery; negative, Lois Cone and Carola Hettler.

THE LUBBOCK DISTRICT OF METHODIST CHURCH

A year ago, last November the Lubbock District was created and Rev. W. E. Lyon was placed over it as Presiding Elder. The District was at that time composed of parts of the Big Spring District and Plainview District. At the last session of the Conference at Abilene, this district was considerably strengthened, and the Lubbock District this year is among the strongest of the Northwest Texas Conference. Three pastoral charges have been added namely, Matador station, Roaring Springs circuit and Lorenzo circuit.

Rev. Lyon will hold this first round quarterly conferences at the following named places and dates:

Matador circuit, Matador, November 24th.
Lorenzo circuit, Lorenzo, November 30th, December 1st.

Roaring Springs, Roaring Springs, December 7th and 8th.
Crosbyton Station, December 8th, 7:30 p. m.

Lubbock Mission, Idalou, Dec. 14.
Ralls, Ralls, Dec. 15th.
Wilson Mission, Lynn, Dec. 21st.

Slaton, Slaton, Dec. 22nd.

Post Mission, Ragtown, Dec. 28th.
Post Station, Dec. 29th.
Seminole, Seminole, Jan. 4th.
Brownfield, Brownfield, Jan. 11th and 12th.
Littlefield, Mahanook, Jan. 18th.
Lubbock Station, Jan. 26th.
O'Donnell Mission, O'Donnell, February 1st and 2nd.

Tahoka Station, Feb. 2nd, 7:30 pm.
Lamesa Mission, Liberty, Feb. 8th.
Lamesa Station, Feb. 9th.

The District Stewards are called to meet in the pastor's study in Lubbock, Tuesday, Dec. 5th, at 10:30 a. m.

The teachers below mentioned are the force that will keep the church work going during the coming year, and the figures to the right indicate the number of years they have been on the job at that place:

W. E. Lyon, P. E., 2 years.
Brownfield Circuit, W. B. Hicks, 2 years.
Crosbyton Station, I. A. Smith, 2 years.
Lamesa Station, A. V. Hendrix, 2 years.
Lamesa Mission, Silas Dixon, 1 year.
Lorenzo Circuit, B. W. Wilkins, 4 years.
Lubbock Station, Dr. J. T. Griswold, 1 year.
Lubbock Mission, C. E. Lynn, 1 year; D. C. Ross Supply, 4 years.
Littlefield Mission, C. A. Duncan, 2 years.
O'Donnell Mission, W. C. Hart, Supply, 3 years.
Matador Station, W. C. Hincks, 2 years.
Post Station, W. M. Pope, 1 year.
Post Mission, C. F. Carmack, 2 years.
Ralls, H. L. Hughes, 2 years.
Roaring Springs, L. B. Hanks, 1 year.
Seminole, O. B. Annis, 2 years.
Slaton Station, T. C. Willett, 4 yrs.
Tahoka Station, R. F. Dunn, 3 yrs.
Wilson Mission, Jesse Townsend, 2 years.

RABBITS WANTED
Will buy all you bring any time.

At Last We Have It

Owing to the scarcity of sugar the famous

Hipolite Marshmallow Creme

has been practically off the market, but we have been successful in obtaining a small shipment just in time for your Thanksgiving baking.

Hipolite Marshmallow Cream is a ready prepared cake icing. It is also used as a sauce for puddings, tapioca, jello, cooked fruits, and in fact, for anything for which a sauce or whipped cream is desired. Let us include a jar of this wonderfully delicious confection with your next order. We are sure you will be delighted with it.

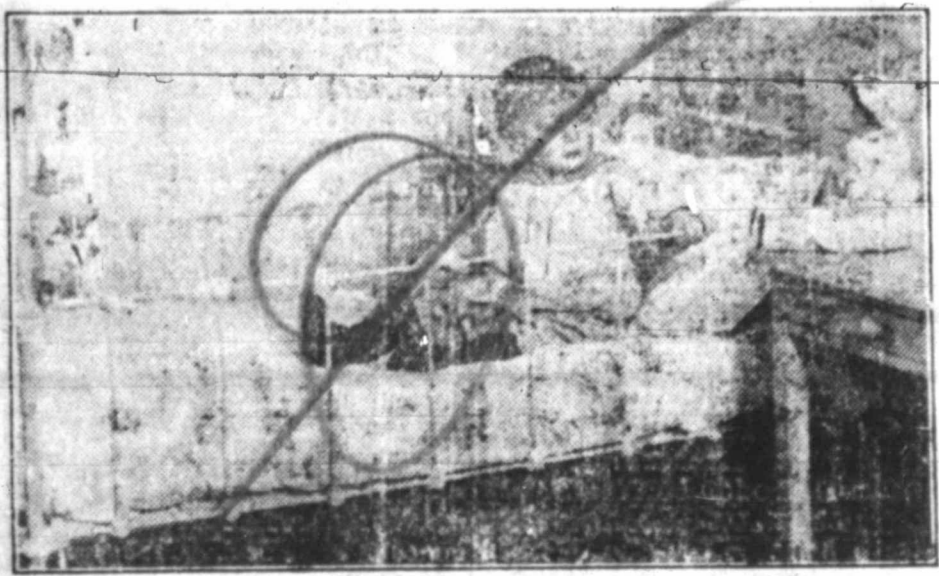

Remember, we give you the valuable green trading stamps with all purchases.

"We teach your dollars to have more cents."

TEXAS' 1918 THANKSGIVING
With the approach of Thanksgiving Day let us turn our hearts and thoughts to all of those things for which we have reason to be supremely thankful.

Above all, let us give thanks for the victory which has come to our Nation and to the world. Let us realize that an enduring peace is approaching which has been founded on sacrifice and that there are now in France, Italy, Russia and in training camps 3,754,000 American boys who have given up everything to make safe our homes and our lives.

Every great movement in history is founded on sacrifice. The men and women who were truly great were made so by sacrifice. We treasure their memory because of their service and self-denial.

"It is more blessed to give than to receive" brings the thought that each of us who has failed to sacrifice during the war has no part in the joy of victory.

Let us today be proud of the fact that we can do our part here in buying the War Saving Stamps we have promised, knowing that every dollar

invested goes directly to the Treasury of our government to buy food, clothing and comfort for those brothers who have fought for us.

Let us not think that we can go on selfishly spending our money. Our country is still paying out \$50,000,000.00 a day and will do so for a year or until every boy is back at home.

So let us make this a REAL Thanksgiving week; not of idle words but of service. Regardless of the sacrifice necessary, let us buy all the War Saving Stamps we have pledged to buy; it is a promise, keep it; it is a pledge solemn and binding; it is an evidence of our having done something to help win the victory for which we give thanks.

The Avalanche last week celebrated the closing of the war by publishing a twenty-four page edition, and we are following it up with another good one. The people of Lubbock do not propose to quit pushing their business, and for that reason they are enjoying a great business. Come to Lubbock.

POT AND KETTLE

Excellent is the motive which animates the periodical agitations anent the morals of the members of our fighting forces. There is a hardy tradition that soldiers and sailors are licentious, and neither novelists, poets nor dramatists would have it otherwise.

Since Virgil sang the sack of Troy the epic and the romance have always depicted victorious soldiers as ravishers, lechers and libertines. War stories would lose half their pep and punch if these elegant characteristics were removed from the legionnaires that people the pages. And more of us get our ideas from story-books than from compiled statistics.

Statistics, however, have recently shown that disease resulting from immorality is not as prevalent in the army as among men in civil life. It will, therefore, be more logical to start worrying about the morals of the soldiers now that the armistice has been signed and the armies disbanded. The members will then be scattered among dissolute civilians like ourselves, and will learn all our bad habits.

Or they might—and quite justifiably—decline to associate with vicious reprobates like us until we promised to reform.

Nothing is more necessary to the effectiveness of our forces than the maintenance of high moral standards, and the authorities, aided by the Y. M. C. A. and other stalwart institutions, are devoting ceaseless vigilance to this essential. It is therefore incumbent upon those of us who are not with the colors to keep our own house clean, and to avoid the scandal of standing disgraced by comparison with those whom we would presume to edify by pontifical attitudes and apostolic posturing.

UNDEMOCRATIC AND UNGENTLEMANLY

There are a few tricks left in politics that can't be legislated out. In one county last summer a woman was nominated in the primary for the office of county and district clerk. Of course the women voted for her and were largely responsible for her being nominated. But the women did not vote in the general election and the men compared notes and framed up quietly on the side that they would scratch out the woman's name and vote for the man who was beaten in the primary. They did, and when the counting was over the man had been elected instead of the woman. What? Sure, but the man was elected and what can they do about it?—Slatonite.

We do not know where that county in Texas is that would have enough UNDEMOCRATIC men within its bounds to thus treat the legally nominated Democratic candidate. Men who do not stand by their pledges have a very remote place in our respect. We look upon it as not only undemocratic, but wholly ungentlemanly. Of course there might be exceptions, but in view of the fact that the women of the county supported the nominee, we would not feel justified in repudiating the nomination. Politics do corrupt the morals and good judgment of many people.

The white angel of peace has come to bless the world.

STYLE HEADQUARTERS
where Society Brand Clothes are sold

*This
Waistseam
Is a Popular
Departure*

Society Brand Clothes
O. A. D. A. C.

IT'S surprising how much the Waistseam adds to the effect of a coat. You'll know the reason for its popularity the moment you slip it on and see your figure in the mirror. The fact is that most men who do, don't want to take it off.

Society Brand Clothes

have the style tailored in by hand, so it will stay in as long as the fabric lasts. That's the only way that any Society Brand Suit or Overcoat is tailored, regardless of the model or the price.

All Society Brand Clothes embody one standard of workmanship, and one that gives you more and better tailoring than any other clothes that we know. The label identifies the genuine; it is also the maker's pledge of satisfaction.

Looking over the new Society Brand ideas is as good as attending a style show. This is the time to come in.

The Lubbock State Bank

OVER 2,532 AMERICAN PRISONERS RELEASED

More than 2,532 American prisoners in German camps were released immediately by the signing of the German armistice, according to the latest figures prepared by the American Red Cross in Switzerland. This number includes all the Americans captured to November 1st.

It is estimated that only a few hundred more Americans were captured after that date. Of the total number of prisoners to be released, 2,380 are army men, twelve are from the navy and 140 are civilians. In the camps were 241 army officers and 2,139 non-commissioned officers and privates, and three naval officers and nine sailors.

A majority of the privates were at Rastatt. There were 117 at Giessen and 103 at Limburg. There were 103 officers at Villengen, 43 at Karlsruhe, 29 at Landshut and 29 at Rastatt.

President Wilson will not likely accept the invitation of the "highups" in Europe to attend the peace conference. We think it is a wise decision. His duties as President are great enough at home, and representatives from this country, able and efficient will look after our interests over there.

Don't let us be tempted into any extravagance by the thought that the war is over. Our boys must still be supported abroad; they must gradually be brought back; they must be returned to civilian life by degrees. There will be another Liberty Loan. We must be ready for it.

Come to Lubbock.

PECAN CROP IS A FAILURE IN SAN ANGELO COUNTRY

Not a carload of pecans will be shipped out of San Angelo this year.

The crop was a total failure on account of the May rains. Last fall thirty-five cars were shipped from San Angelo and the yield was estimated to be worth \$150,000.

LETTERS FROM THE SOLDIER BOYS.

Somewhere in France, Oct. 6, 1918.
Dear Etta and Family: Well, sis I will answer your letter received on the 4th and was sure glad to hear from you.
Just got back from the hospital as I got mustard gas on my hips and back when we went over the top. I was in the hospital nine days but am fine and dandy now.
Now, believe me, sis, we even put those square heads over the country. A Texas jack rabbit hasn't got a thing on them when it comes to running for when we went over the top they just simply outrun us. Of course I am not allowed to tell you anything much but can give you a pretty good idea about the war.
I have got to be an expert when it comes to dodging the German big shells which comes over saying you had better hunt your hole and now what it takes to get in a hole the old Texas and Oklahoma boys are broke out with it, but old Fritz can't keep us in a hole long for we always come out with blood in our eyes and make them take to their own holes and what I mean we make them stay there until they get hungry.
Yes, Etta the day I went to the hospital I saw Joe and he is fine and dandy and said he was having lots of fun and excitement, and he was looking good to
Yes, Etta I have been getting the papers right along and believe me the old Avalanche sure did look good to me. Give Mr. Dow and Mr. Turner my best regards and tell them I will pay them a visit when I get home, which won't be very much longer I think.
Etta in regards to souvenirs we can't send anything home and can't keep anything we get until the war is over, what we get is turned in with your name on it and it is stored away for you.
Well Louis how are you. Well old horse you had better stay at home for this is no place for a man of your age for it takes a young sprout to judge this big shells and fish cukes at night, ha! ha! Will send you a little poem about the cuckoos.
The cuckoos are a busy crew
They love to keep you busy too;
They ramble up and down my back
And use my neck for a race track
They bite me on the arms and chest
And in my shirt they make a nest
They dig their trenches strong and stout,
And it takes many baths to drive them out.
I hunt all through my underwear, and from my mouth comes a prayer:
Oh how I wish they would only close
And once more let me sleep in peace
Fighting Germans is what I crave,
But fighting cuckoos makes me rave
I'll save them till I find a Boche
And plant them in his shirt by force.
Now, just read this piece of poetry and you can go to scratching and thinking for they even make you stay awake and cuss the squareheads.

FURTHER TEST OF DRY ACT IS EXPECTED
Austin, Texas, Nov. 19.—That the constitutionality of the provision of the State-wide prohibition law of the Thirty-Fifth Legislature, prohibiting the receiving, transportation, shipping and delivery by common carrier of liquors, will be given a test thru the Court of Civil Appeals and the Supreme Court is indicated by a request received today by S. A. Philquist, District Clerk of Travis County, from the Gulf, Colorado & Santa Fe Railway Company for a transcript of the record in the case of the State against that company. The Santa Fe and several other railroads operating in Texas were enjoined by Judge Calhoun of the Fifty-Third District Court, Travis county, some time ago upon application of the Attorney General from receiving, transporting, shipping and delivering liquor in violation of the ten-mile zone law. Recently by amended pleadings these injunctions were extended to come within the State-wide prohibition act.
The request by the Santa Fe for a transcript of the record in the injunction case against it is taken to mean that it contemplates taking an appeal to the Court of Civil Appeals, and after judgment is given in that court the case will be taken up to the Supreme Court. That section of the State-wide law prohibiting the selling of liquor was recently held unconstitutional by the Court of Criminal Appeals in the case of ex parte F. Meyer, from Bexar County. Now it appears that the Supreme Court will be asked to give a decision on the constitutionality of another phase of the act, that prohibiting the transportation of liquor. In this way both the Civil and Criminal Courts of last resort will have given views on the State-wide law.

PROHIBITION ASSURED FOR WAR'S DURATION
Washington, Nov. 18.—Final legislative action was taken today by the Senate on the national "war time" prohibition bill, effective July 1, next and continuing during demobilization. The measure will go Thursday to President Wilson for his approval, confidently expected by prohibition advocates.
The Senate struck out the Washington rent profiteering rider, which had held up the bill, and without a roll call adopted the conference report on the remainder of the provisions, which the House already had approved.
As transmitted to President Wilson the prohibition feature would stop sales of distilled spirit or vinous beverages June 30, 1919, and thereafter during the war and demobilization. Manufacture of distilled spirits now is prohibited under the food control law, which will expire with the world peace treaty.
Regarding malt and vinous beverages, the new measure provides that their manufacture shall cease May 1, 1919, and their sale for beverage purposes July 1. Manufacture for export is not prohibited, but imports of all intoxicating beverages during the war and demobilization are barred.

PARENTS ARE ASKING RELEASE OF SOLDIERS
With the promise of early dissolution of the military organizations now in camps in the United States, no time has been fixed with reference to the return of soldiers from Europe. That is to be determined by General Pershing, and he will make selection of the organizations and the order of their return. Members of Congress are being besought by parents of men in the army for their early return. Employers who allowed men to leave, promising to retain their positions for them, also are asking that the War Department machinery be invoked for their return to civil life.
In every instance individual discharges may only be obtained through application of the soldier himself to his immediate superior and allow it to take course through military channels, wherein the recommendations of the commanding officer usually is controlling.
Members of Congress also are being besought for information concerning the return of National Guard organizations, but if they are overseas no word is obtainable here as to their immediate disposition.
Mrs. Clifford Lindsey left Sunday morning for Pueblo, Colorado, to hold a lucrative position at that place. They will make that city join her husband, who is at present their home for a while.
Messrs. Murphy, McKee and Smith of Crosbyton were here for a few hours Wednesday, looking after business matters.

BIG SHIPMENT OF FOOD TO EUROPE
Washington, Nov. 19.—Ships carrying 200,000 tons of food for the populations of Northern France, Belgium and Austria are now en route to Europe. They are proceeding under sealed orders to Gibraltar and Bristol-Channel ports, and on arrival will await word from Food Administrator Hoover as to their final destinations. These going to Gibraltar and Mediterranean ports, and the others to French and Belgian ports.
Mr. Rix returned the first of the week from Big Spring. He reports good business at that place. Good rains have fallen over the Big Spring country, and the prospects for a crop next year are much improved over the past two seasons.

THE GOVERNMENT SAYS:
Give Practicable Gifts

LUBBOCK COUNTY BOYS AND GIRLS CLUB

MANY SCHOOLS ARE HOLDING SATURDAY SESSIONS
Austin, Texas, Nov. 18.—In order to make up time lost by reason of the suspension of schools during the recent influenza epidemic in Texas, sessions of some of the schools are being held on Saturday at the direction of the school trustees and the teachers are required to teach without compensation for this extra work, according to information which has been received at the State Department of Education.
Some of the teachers have put up the question to the department as to whether or not the school trustees have legal authority for requiring them to teach the extra day without compensation. There have been some parents of pupils also who have asked if their children can be legally compelled to attend school on Saturday. In a number of instances the parents have their children at home on Saturday in order that they may help to do work on the farms.
The Attorney General's Department has been asked for an opinion on the matter. While no opinion has yet been handed down, the general impression here seems to be that the school trustees have exceeded their authority in ordering the holding of sessions of the schools on Saturday.

AMERICAN TROOPS PUSHING TOWARD BOCHE LINE
While the Third American army is making its way toward the German frontier other units are slowly going back to their old training areas. A greater portion of the troops still is in the bottle areas, but many detachments have reached the camps established last year where there are ample cantonments and hospitals and where large supplies of fuel are available.
Here the men will be made as comfortable as possible in well heated huts. These camps are located along lines of railway which simplifies the transport and supply problem. After their hardships in the Aronne the troops will be happy in their new surroundings and will have plenty of food.
General March's announcement regarding the demobilization of some units and the return of convalescent and wounded is causing quite a bit of speculation. It is thought that men may return home who are now making arrangements for Thanksgiving day and Christmas celebrations.
H. E. Miller returned Tuesday from San Augustine, where he had been to attend the bedside of his wife, who had been sick for several days. She had been called there to the bedside of her sister, and was taken ill herself. Both were much improved when Mr. Miller left, but not fully recovered. He is now confined to his bed.
L. J. Flemming formerly of this city, but more recently of Marmaduke, Ark., has moved to Ada, Okla., and has instructed us to change his address on the Avalanche to the latter place.
Mrs. George Boles visited her daughter, Miss Lottie at Tahoka last Tuesday.

1,580,000 GERMAN TROOPS REPORTED BEING KILLED
Copenhagen, Nov. 20.—Up to October 31, 1,580,000 German soldiers were killed and the fate of 260,000 was not known. Vorwaerts of Berlin says it learns on reliable authority.
Four million soldiers had been wounded, some several times. The newspaper adds that there were 490,000 German prisoners in hostile countries.
H. E. Miller returned Tuesday from San Augustine, where he had been to attend the bedside of his wife, who had been sick for several days. She had been called there to the bedside of her sister, and was taken ill herself. Both were much improved when Mr. Miller left, but not fully recovered. He is now confined to his bed.
L. J. Flemming formerly of this city, but more recently of Marmaduke, Ark., has moved to Ada, Okla., and has instructed us to change his address on the Avalanche to the latter place.
Mrs. George Boles visited her daughter, Miss Lottie at Tahoka last Tuesday.

H. H. Jones and family are here visiting Mrs. Jones' parents, Mr. and Mrs. W. S. Clark. They formerly lived in Lubbock. Mr. Jones was in the painting and wallpaper business here for several months. They have been away however for several years and the great improvement in Lubbock during that time is almost beyond their power to believe it to be the same place.
Rev. G. S. Hardy and family are moving into the Methodist District Parsonage today. Rev. Hardy is the president elder for this district and succeeds Rev. J. T. Griswold, who is moving to Lubbock, where he will be the pastor for the coming year.—Sweetwater Reporter.
PUBLIC NOTICE.
During the month of December a genuine Osteopath will locate in Lubbock to make this his permanent home. Keep this fact in mind. 211
Mr. Huffman of Cameron, Texas, an old friend of W. K. Dickinson was visiting in Lubbock this week, and at the same time looking over this great south plains country.
We have received instructions from A. K. Schooler of Slaton to change the address on his copy of the Avalanche to Amarillo, where he will make his home in the future.
Under date of November 19, Jess S. Boone was reported as being killed in action in France. He was well known by a large number of Lubbock county people.
German army officers say that America is directly responsible for the licking they received. Thought you said we wouldn't fight, Fritz.
Geo. E. Tiernan, of Brownfield, was here Saturday, interviewing some of the cattlemen of our own, on matters of business.
B. F. Montgomery, formerly of this city, now of Tahoka, was here Thursday afternoon, looking after business matters.
D. M. DeVitt, of Fort Worth, spent the first of the week here and at his ranch, looking after business matters.
George Fairris was down from Plainview Sunday, visiting his parents, Col. and Mrs. L. T. Fairris.

ABLEST OFFICERS MAY BE RETAINED IN ARMY
Washington, Nov. 19.—Steps to retain permanently in the army officers commissioned from civil life who have displayed marked ability in the service are being considered by the general staff. Plans for the demobilization of officers, it was learned today, are being shaped with this end in view.
W. S. Carter of Amarillo was a business visitor in Lubbock Monday, Tuesday.

LIBERTY BONDS AND LIBERTY LOANS

Liberty Bonds were issued that people all might contribute to the cause of continuing liberty. Those of you who have bonds and need some ready cash can bring your bonds to our bank and put them up as collateral on a loan. This keeps the bonds right in the Liberty Line.

REV. HICKS AND FAMILY LEFT FOR STAMFORD MONDAY

Rev. J. T. Hicks and family left Monday afternoon for Stamford, their new place of abode. They shipped their household goods and went through in their auto. The many friends of the family regret to see them leave our city, but the very

best wishes of Lubbock folks go with them to their new home.

It does the work, use SANOL ECZEMA REMEDY to get rid of those Black Heads, Pimples or Rough Bumpy Skin. Leave skin smooth. Cures any case of Eczema. Is pleasant to use. A trial will convince you. 50c and \$1.00 at the drug store. 8-52

MANY SOLDIERS HOME WITHIN TWO WEEKS TIME

Washington, Nov. 16.—Orders have been issued to General Pershing to begin the return at once of all casual sick and wounded who can be moved and all convalescents. A steady stream of these men should begin immediately to cross the Atlantic. The camps at home will be cleared out to prepare for the return of the expeditionary forces and the process will be expedited. Owing to the unusual composition and brilliant record, the Rainbow division probably will be the first sent home. The return of the commissioned personnel of the army to civilian life will be effected by dividing the present list of officers into three classes. The classes are: Those desiring commissions in the regular army, those willing to hold themselves available for future service as reserves, and those who desire honorable discharge.

Washington, Nov. 16.—Orders have been issued for the gradual demobilization of all troops now in this country. Provost Marshal General March announced today. Three million seven hundred and ninety thousand men are under arms in the United States. Demobilization orders for two thousand men have already been issued and these men will be at their homes within the next two weeks.

Washington, Nov. 16.—When the plans are completed for demobilization, thirty thousand men will be discharged daily, says General March.

SUGAR ALLOWANCE INCREASED UNDER NEW REGULATION

The following has been received by the county food administrator from the state administrator: District and County Food Administrators:

On account of the improved sugar situation caused by the signing of the armistice, the administration is now in a position to increase the sugar allotment to Statement A Manufacturers.

We shall issue within the next few days certificates to Statement A Manufacturers for their December allotment, and the amount will be the same as November, plus fifty per cent of their average monthly consumption, as shown by items Nos. 17, 18 and 19 now on file with this office.

As the hog killing season is now at hand, farmers will make application to their local administrators for additional sugar to cure their meats, and when this office is advised as to the amount of sugar permitted for this purpose, we shall gladly issue additional certificates to cover.

Beginning December 1, sugar allotment to the consumer will be increased to four pounds per person per month. This will also apply to public eating places.

Yours very truly,
E. A. PEDEN,
Federal Food Administrator for Texas.

EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know that calomel is its mercury quicksilver. Calomel is dangerous. It cramps into your bowels like dynamite, attacking the bowels and should never be put into your system. When you feel bilious, sluggish, constipated, and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

THANKSGIVING PROGRAM AT METHODIST CHURCH

A union Thanksgiving program has been planned by the Lubbock Ministerial association. This program will be rendered in the Methodist church Thursday night, November 28th, at seven-thirty o'clock. A special program will be rendered and Rev. Cole of the Baptist church will preach the sermon. The public is invited to attend. This year we have so much to be thankful for that not one should fail to attend this meeting and show our hearty thanks to the Almighty God who has delivered us from the grip of the awfullest war that the world has ever known. Let us be thankful together.

When you have BACKACHE the liver or kidneys are sure to be out of gear. Try SANDOL, it does wonders for the liver, kidney and bladder. A trial will convince you. A trial will convince you. 8-52

Dr. Sam R. Hay was transferred from North Texas to Northwest Texas Conference and appointed to Polk Street Amarillo. He will receive a hearty welcome in the Northwest and will have a great field at Amarillo.

AMERICAN TROOPS WILL BE RETURNED EXPEDITIOUSLY

Edward N. Hurley, chairman of the United States shipping board, announced on the eve of his departure for Europe that the government intends to return to this country speedily a large part of the American expeditionary forces. The purpose of Mr. Hurley's trip to Europe is to arrange the details for their transportation.

To offset the loss of transport tonnage through the withdrawal of the British ships hitherto engaged in carrying Americans overseas, Mr. Hurley hopes to utilize 25 or 30 German and Austrian liners, with accommodations for 40,000 each. In compensation for the "loan" of these vessels, he said, food would be sent to the people of central Europe on their return voyages.

Mr. Hurley said the shipping board would be able to bring troops back at the rate of 300,000 a month, "if the war department wants them returned as fast as that." He will meet General Pershing at American field headquarters, he added, to discuss the details of their home coming.

While he went abroad with Herbert Hoover, federal food administrator, to cooperate in arrangements for the shipment and distribution of food stuffs to regions liberated under the armistice terms and in a degree later to be determined to Germany and Austria, Mr. Hurley said his mission had primarily to do with "getting the boys back home."

To Bring Wounded Back First Convalescent wounded, including many men who would have returned to the battle front had the war continued, would be the first troops brought out of France, he said. They would be followed by units of various branches of the service, following plans already partly worked out by Secretary Baker and the general staff.

On future developments in the internal affairs of Germany and Austria and their relations with the allies, the shipping official added, together with the trend of European events in general, would depend the number of troops to be brought to this country within the next few months, but he was preparing, he stated to transport large contingents.

There are 67 transports flying the American flag, Mr. Hurley said, and it is hoped that these, with German and Austrian liners which he anticipates using temporarily, will suffice to bring American soldiers home as rapidly as the military authorities desire.

SOME NEWS ITEMS FROM THE RALLS BANNER

F. O. R. Trueheart, our tinner, while engaged in repairing an oil tank last Saturday happened to what might have been a serious accident. The tank had been empty for some time, and Mr. Trueheart, in order to examine the inside more closely, lit a match and placed in a small hole in the top of the can. There was an immediate explosion, the top of the large can being blown off with much force. Mr. Trueheart got his head from over the can just in time to prevent the top of the can from striking him in the face. Slight burns on the hands were the only injury received.

A message from Washington to Mrs. Mary E. Hankins telling her of the death in France, Oct. 9th, of her son, David Edward Hankins. There is sadness in that home for Ed was very dear to his mother and father. He enlisted among the first boys that left here, was in training at Fort
