COMING

Friday and Saturday, March 26th-27th
Constance Talmadge in her latest
"TWO WEEKS"
Soon—Norma Talmadge in—
"SHE LOVES AND LIES"

TEXAS

Texas is the only state which, in 1919, produced more than one billion dollars' worth of agricultural products, a summary of crop reports from the United States department of agriculture discloses upon research made by the Texas Chamber of Commerce.

Texas raises one-fifth of the nation's cotton. One-tenth of the country's sweet potatoes are grown in this state. To Lone Star farmers goes the credit for growing more than one-fifth of our broom corn. Nearly one-half of America's entire crop of grain sorghum is produced by Texas dry land farming experts while more than one-seventh of the rice crop of 1919 was grown on Texas gulf coast farms.

King cotton still rules in Texas although diversifying aspirants in the shape of corn, oats, wheat, kafir corn, milo maize, broom straw, peanuts and sweet potatoes are wresting his power from him.

If the Texas estimated crop of 2,700,000 bales of cotton was distributed to the folks at home, each one of her 5,000,000 citizens would receive a bale of cotton valued at \$85.

Texas produced 202,800,000 bushels of corn in 1918. This supply was great enough for every corn fed Texan in this state to get a 2,151 pound sack, worth \$55. In 1918 corn hoe cake eaters of Texas had to make out on 689 pounds of corn for that crop was only 65,000,000 bushel.

The Texas Scotch will be glad to learn that the 1919 oats yield in this state was 94,500,000 bushels, or enough for everybody to get nearly nineteen bushels, valued at \$12, counting the price at 64 cents per bushel.

With a yield of 31,350,000 bushels valued at \$62,500,000, this state was eighth in production of winter wheat of which there were more than six bushels around. Texans will realize why they were stunted for bread in 1918 when they recall that there was not two bushels per person, the yield being only 9,000,000.

Texas raised nearly half of the nation's grain sorghum crop with 59,332,000 bushels of kafir corn, milo maize and similar dry land grains worth \$45,257,000. The Lone Star state is so far ahead of all other grain sorghum growers that she produced more than twice as much as the next two highest states.

As a rice grower, Texas ranks third. This state raises one-seventh of all rice grown in the United States. If Texans were rice eaters like the Chinese, each Lone Star stater would have a bowl of rice three times a day for every day in the year. The 1919 crop was 6,998,000 bushels. It was worth \$19,500,000.

Housekeepers of Texas need have no fear of broom shortage. Texas grew 10,800 tons—not pounds—but tons—of broom straw in 1919. This straw, which was worth \$1,500,000, is enough to insure every housewife a brand new, clean sweeping broom of which she may have a pardonable pride because her state raises one-fifth of the nation's supply of broom corn and stands next to the top.

This state is now second in peanut production, the 1919 crop yielding a heaped up bushel sack for every goober eater in Texas. The exact figures are 5,800,000 bushels and the value is \$13,209,000.

Lovers of old-timey pumpkin yams will take a delight in abetting the sweet potato in snatching from king cotton some of his acreage. Texas produced 10,450,000 bushels of sweet potatoes in 1919. This yield was more than enough for each Texan to have two bushels. This crop was worth \$15,675,000, the third largest among the states.

"The Rats Around My Place Were Wise," Says John Tuthill.

"Tried everything to kill them. Mixed poison with meal, meat, cheese etc. Wouldn't touch it. Tried RAT-SNAP, inside of ten days got rid of all rats." You don't have to mix RAT-SNAP with food. Saves fussing, bother. Break a cake of RAT-SNAP, lay it where rats scamper. You will see no more. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Cole-Myrick Hdw. & Imp. Co., and City Drug Store.

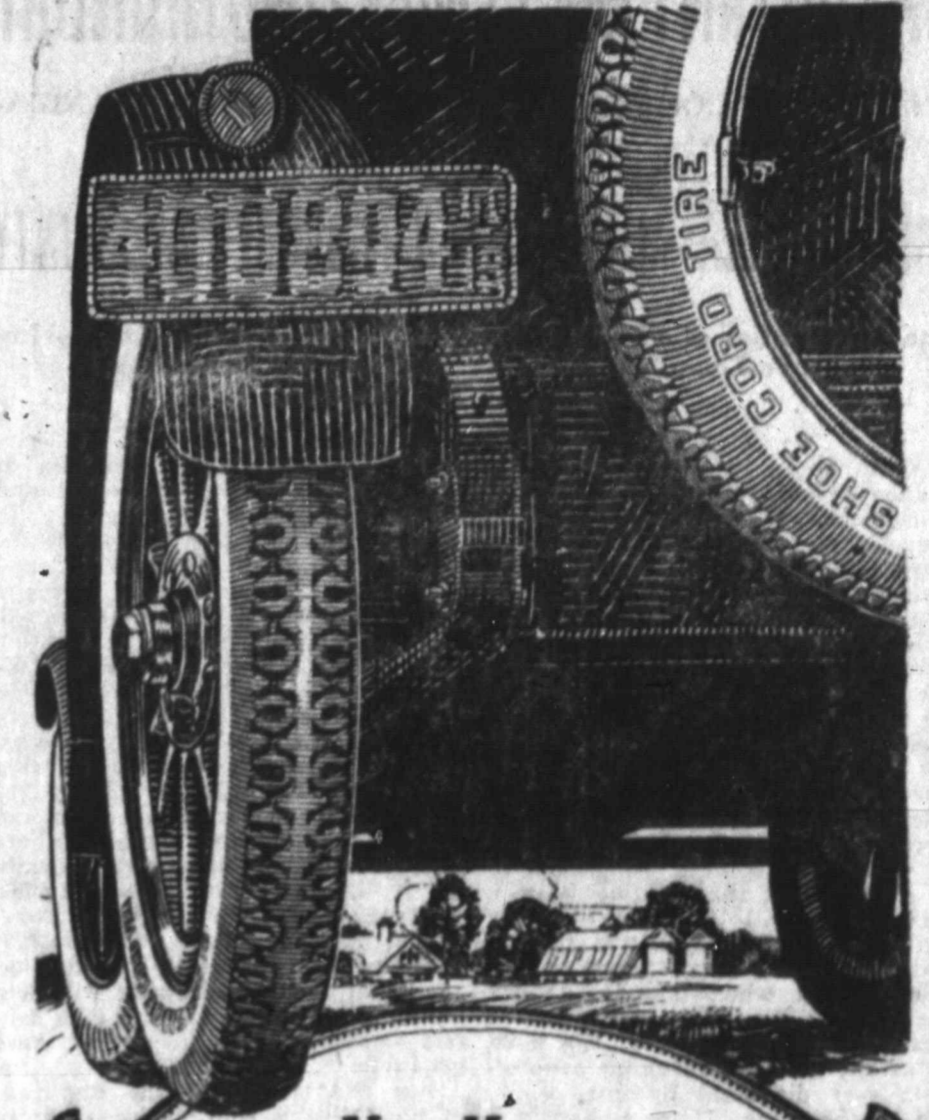

Colonel Clark M. Mullican of Lubbock has been appointed by the Mayor of Dallas, chairman of the ex-service men's committee of that city in the plans of the Dallas community for a greater patriotic demonstration on May 1st. Colonel Mullican was, for many years, a resident of the city of Dallas, is a splendid testimonial of the high esteem in which he is held in that city.

I have been overcrowded for the past few weeks but as my partner is here now to stay, we can take in a few more patients.—Dr. M. T. Council, Chiropractic Masseuse, Burrus Building, Phone 540.

Just unloaded another car of Overland 4, the car with triple springs. Remember we carry a full line of parts for this car, also give free service for 3 months. See them at Texas Motor Sales Co. 372

RACINE HORSE-SHOE TIRE ASS'N.

JOHN HOENY, PRESIDENT
F. R. HOENY, VICE PRESIDENT
R. O. BELL, SECRETARY
CORNER BRYAN AND MASTEN STREET DALLAS, TEXAS

You Know These Tires Will Not Skid

There's a sense of security in motoring with the unusually non-skid Horse-Shoe Cord Tire. You know your tires will not skid even when you turn corners at 20 miles an hour on wet and slippery pavements.

Each little shoe in the Horse-Shoe tread forms a near-vacuum that takes hold of the road with a stubborn grip which is as effectively anti-skid as tire chains.

Then there is the satisfaction of knowing that the wider tread of this tire gives longer life by wearing down slowly and evenly, making your tire cost-per-mile surprisingly low.

We shall be glad to prove to you by actual tests why the Horse-Shoe Tire is the *safest* and most *economical* tire local motorists can buy.

side of his daughter who recently underwent an operation in a local sanitarium.
Everyone a booster for Overland "4". Ask the man who owns one. The car you will eventually buy. Call us, phone No. 273, for demonstration. Texas Motor Sales Co. 372

Cheapness in Electrical Work Seldom Brings Satisfaction

There are so many ways that electrical work may be "skimped" by unreliable workmen that for your own protection you should see that your wiring is done by a thoroughly reliable firm.

Our policy has not been to see how close we can come to the minimum standard and "get by." We aim rather to give you BETTER WORK than is absolutely required—thus assuring you of complete satisfaction, for the future as well as for today.

L. T. Martin of the Farmers National Bank of this city was in the Petersburg country last Saturday attending a public auction sale.

DEATH TAKES TOLL FROM BARTONSITE FAMILY

Another tragedy of the year was recorded when the little son of Mrs. J. L. Braudt of near Bartonite accidentally found a bottle containing strychnine tablets and swallowed one or more from which death was caused Wednesday morning of this week. The child was rushed to a local sanitarium but medical skill was unable to keep life in the little body. It was only about three weeks ago that Mrs. Braudt's husband died and was laid to rest at Bartonite, where the little child was also interred last Thursday. There were also two children of Mrs. Braudt's in a local sanitarium, Lucile, a girl of about 18 years, and her brother Davie, which is three or four years of age.

Children who have worms are pale, cross, fretful and sickly most of the time. To rid the little body of these parasites WHITE'S CREAM VERMIFUGE is an approved remedy. When the worms have been driven out the child grows strong, healthy and robust. Sold by all druggists.

Mrs. Joe Elliott of Hereford, for several years a resident of Dimmitt, is here this week visiting with her brother, J. A. Hodges and her sister, Mrs. R. A. Holland.

KILLS RATS

and mice—that's RAT-SNAP, the old reliable rodent destroyer. Comes in cakes—no mixing with other food. Your money back if it fails.

25c size (1 cake) enough for pantry, kitchen or cellar.
50c size (2 cakes) for chicken house, coops, or small buildings.
\$1.00 size (5 cakes) enough for all farm and out-buildings, storage buildings, or factory buildings.
Sold and guaranteed by COLE-MYRICK HDW. & IMP. CO., CITY DRUG STORE.

The Growth of Our Bank

Is the best evidence we have of the faith and confidence of the people in our ability to handle their banking business. **LIFT CORNS OR
CALLUSES OFF**

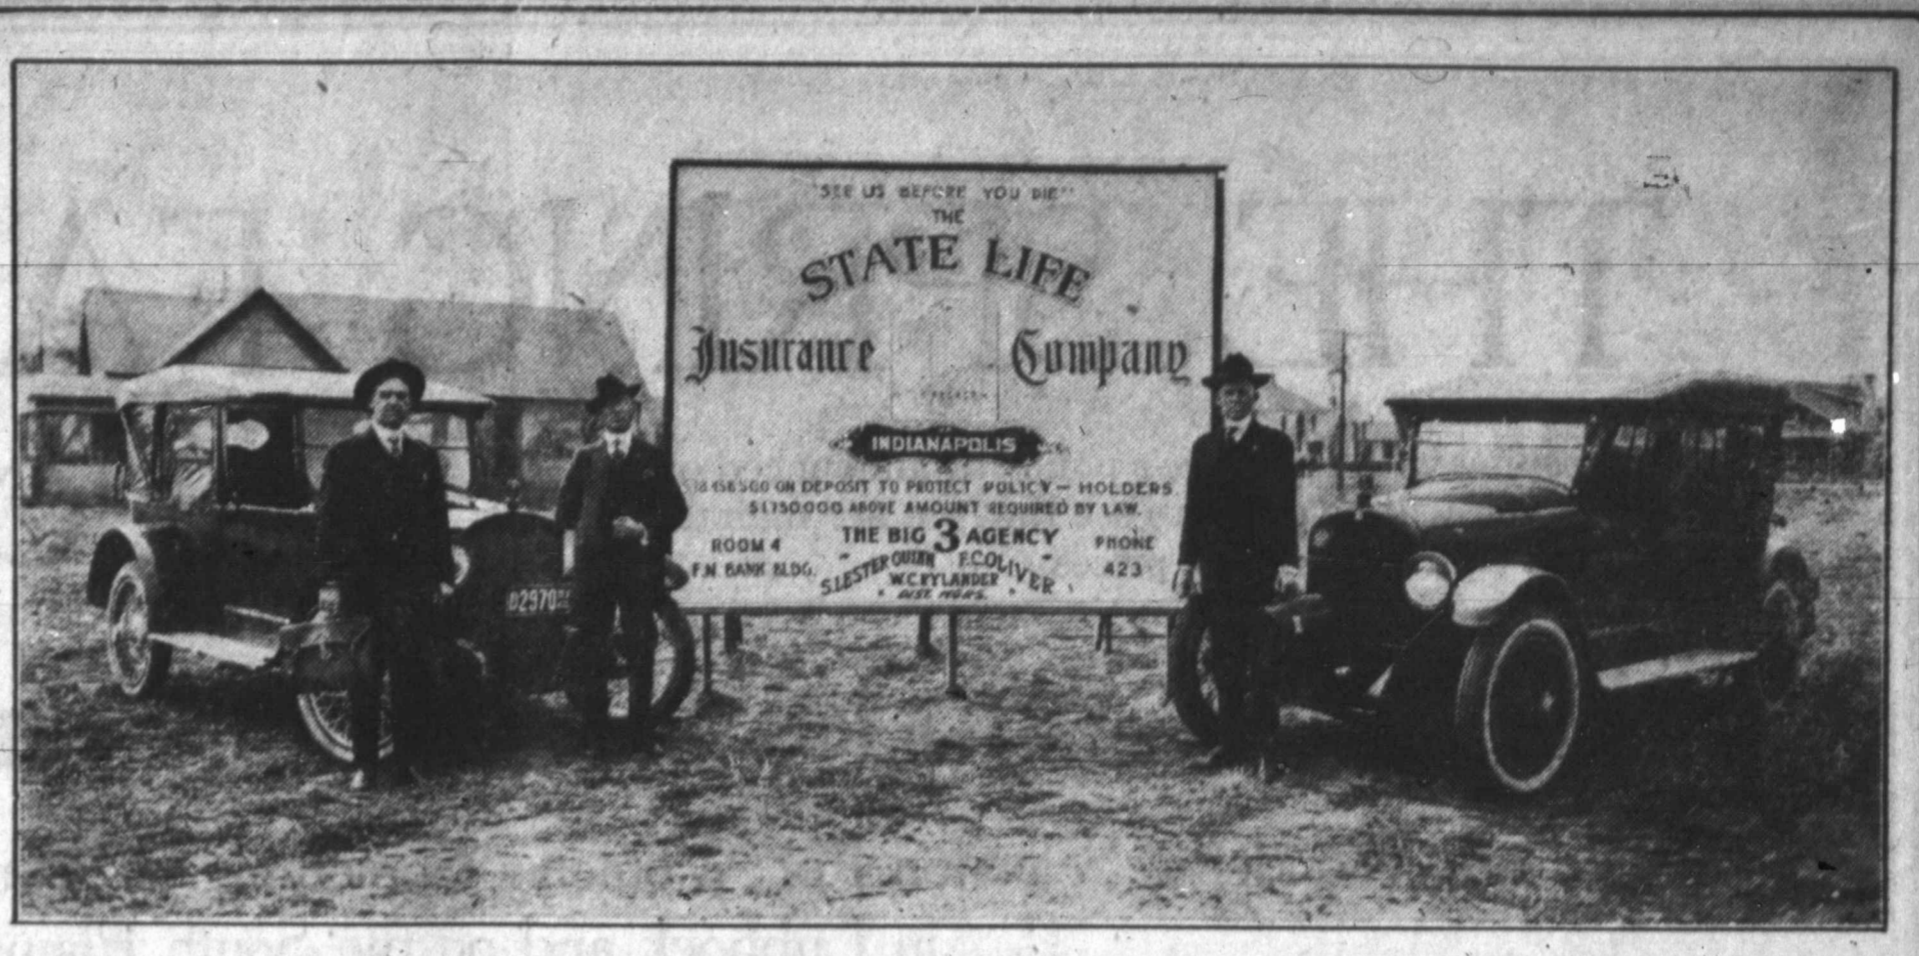

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Frezone costs but a few cents at any drug store. Apply a few drops on the corn, calluses and "hard skin" on bottom of feet, then lift them off. When Frezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

SLATS' DIARY

Friday—I went to a pitcher show tonite & seen a pitcher about a desert land. I cant get nex to sum of the things. They was sum fokes ship recked which diddent have nuthin only there close & they was pritty few. The Hero hit a fire & used a ole pease of glass & let the sun shine throw it. In the next ack he roalled a cigaret & retch in his pocket and pulled out a box of matches & lit it. Where did he get the matches?
Saturday—Rained hard all day & I wassent sorry cause ma got me a suturashun a working in the store on Saturdays Had a awe full big biness on over shews on acct. of the rane. But they was out of them.
Sunday—Had roast pork & the preacher for dinner, pa ast him what sairy did he get & the preacher told him, ma sed after he had went home How can a man live a Christian life on that amt. of money & pa replied & sed he cudent live enny other kind of a life could he.
Monday—over herd pa tawking to a friend of hizzen today. He sed well I run things at are house I believe its a mans place Mebby he does. The only things that man runs at are house is errands.
Tuesday—I was telling ma of a married man which was speaking on the street today. She sed How did I

know he was married I am not blind. He had dander on his collar & buttons off his coat & dirty fingernails.
Wednesday—pa is a trying to get a job passing the Basket at church I don't know why unless he wants to pass the basket to keep the basket from passing him. Mebby. Hope he never needs this diry.
Thursday—we went 2 a neybhors house to see there new baby which was born las week. It was still very young yet. Its pa is a dentist & yet it hassent no teeth yet. Mebby he is too bizzy in his shop to wait on his own famley.

NOTICE IN PROBATE—NO. 170

To the Sheriff or any Constable of Lubbock County, Greeting:—
You are hereby commanded to cause to be posted for ten days, exclusive of the day of posting, before the return day hereof, in three of the most public places in your county, one of which shall be at the court house door and no two of which shall be in the same city or town, and also that you cause to be published, in a newspaper of general circulation, which has been regularly and continuously published in your county, for a period of not less than twelve months, next preceding the date of the first publication thereof, once a week for a period of ten days previous to the return day hereof, copies of the following notice:
THE STATE OF TEXAS:
To all persons interested in the persons and estates of Frances Barber and Nadene Barber, minors, C. B. Barber has filed an application in the county court of Lubbock county, Texas, on the 10th day of March, A. D. 1920, for appointment as guardian of the persons and estates of Frances Barber and Nadene Barber, minors; and praying that citation issue as provided by law, citing all persons interested in the persons and estates of Frances Barber and Nadene Barber, minors, to appear at the next regular term of said court, and show cause, if any there be, why such application should not be granted, which said application will be heard by said court, on the 12th day of April, A. D. 1920, at the court house of said county, in Lubbock, Lubbock county, Texas, at which time all persons interested in the persons and estates of Frances Barber and Nadene Barber, minors, are required to appear and contest said application, should they desire to do so.

SOCIETY NOTES

By Mrs. A. B. Ellis
Phone 605

Needle Club
The Friday Needle Club had a delightful meeting with Mrs. Ed Twitty as hostess last Friday. Mesdames Bob Boren and Jim Earhart were made members. After a pleasant hour of conversation and dainty work, a salad, sandwiches and coffee course were served to the following members and guests:

Mesdames J. O. Jones, J. B. Pryor, F. K. Mitchell, Newman Payne, Ad Clark, Bowen, Will Spikes, S. G. Scott, M. S. Ruby, Bob Boren, Jim Earhart, N. P. Miner, J. D. Lindsey, Hattie Moore. The club will meet Friday, the twenty-sixth, with Mrs. Ruby.

Party
Class No. 21 of the Methodist Sunday school was delightfully entertained by its teacher, Mrs. H. T. Kimbro, in her home Monday night. St. Patrick's day was suggested in various ways. Each of the guests was presented with three leaves of Shamrock. Miss Vera Murfee sang, "Come Back to Erin" and "Dear Old Pal of Mine," and Miss Meador gave two humorous readings. Delicious refreshments of green and white brick ice cream and angel food were served to thirty guests. White carnations with a sprig of green were favors.

Bridge Club
Mrs. I. T. Martin was hostess to the Auction Bridge Club at her home in West Lubbock last Tuesday afternoon. Three tables of players entered heartily into the game and Mrs. Charlie Rush made high score. At the close, a dainty one-course luncheon was served to the following:

Mesdames S. P. Robbins, Floyd Beal, L. S. Mast, Clark Smith, C. L. Griffin, W. B. Powell, Charlie Rush, J. A. Riv, Frank Winn, O. F. Peebler, Roscoe Wilson, J. J. Noone and the hostess, Mrs. I. T. Martin.

Birthday Party
Little Miss Mary Francis Street was the honoree of a delightful birthday party, given last Tuesday afternoon by her mother, Mrs. C. C. Street, at her home on Hollie street.

The hour was spent in playing lively games. The little guests were ushered into the dining room where a beautiful birthday cake adorned the table. On the cake burned two pretty candles, one for each year. On both sides of the cake was a large plate of divinity candy tied with blue ribbons. Ice cream and cake were then served the following little guests:

Glady's Jones, Viola and Florence Weed, Estelle and Jimmie Cardel, C. G. Jones, Jr., Herman, Irene and Robert Pierce, Clatina and Lewis Richardson, Rhomo and Ossie Mae Ruthuff, and Jack Tarley. Mary Frances was the recipient of many beautiful gifts from her little friends who all departed wishing her many happy birthdays to come.
(Contributed)

League Social
The Senior Epworth League entertained with an informal social in the basement of the Methodist church Tuesday evening. Old fashioned games were played and every one had a good time. At the close of the games, delicious ice cream and wafers were served.

Needle Club
The 1916 Needle Club spent a pleasant afternoon Tuesday at the B. H. Jones home, with Mrs. Jones and Mrs. Quillen as hostesses. Two new members, Mrs. Albert Darby and Mrs. Raymond George, were added to the club. Much lively conversation made the time pass quickly, and at the close delightful refreshments of chicken salad in pattie shells, bread and butter sandwiches, olives, marshmallow pudding, angel food and tea, were served to these members and guests:

Mesdames A. G. Hunt, E. B. Green, T. H. Ellis, Jas. Kimmel, O. B. Trinkle, R. V. Kimmel, Fred Spikes, John A. Smith, B. Stubblefield, Lee Barnett, John Moore, Channey, W. E. Ballew, Sam T. Davis, and the hostesses, Mesdames Jones and Quillen.

Mrs. J. H. Morris was called to Stamford last week by the death of her father.

Dr. George Reed returned Friday from Dallas where he attended the State Dental Association.

Mrs. J. K. Wester was here Thursday to visit her daughter, Mrs. Curb, and her son, Mr. Wester.

Mrs. W. T. Gardner of Strawn arrived Tuesday for a visit with her

mother, Mrs. Virginia Stringer.

Mrs. H. T. Kimbro left Wednesday for a visit with her mother, Mrs. Hoke, in Taylor.

Dr. Hicks returned Sunday from the Dental Association at Dallas.

Mr. Simeon O'Neal and Mr. Rush returned to Dallas Wednesday after a few days' visit with relatives here.

Mrs. R. B. Hutchinson and sister, Mrs. Harry Jackson, are visiting their parents in Pecos this week.

Mr. Harry Miller from Ralls, visited friends in the city Saturday and Sunday.

Mr. and Mrs. Panch Arnett and son, Aubrey, were in from the Spade ranch Saturday.

Mr. J. W. Blackwell of Gorman, has been prospecting in the Panhandle and visiting his relatives, Mr. and Mrs. J. A. Blackwell.

Mr. J. A. Blackwell left this week for the oil fields and to visit his father at Gorman.

Mesdames H. G. Tolbert, Cooper and Edmundson of Littlefield, were here shopping Tuesday.

Mrs. A. B. Ellis is visiting in Dallas and Ft. Worth.

Mrs. Dick Arnett left Sunday to visit in Houston.

Mrs. D. Amberg has gone to Canyon for a short stay.

Mrs. Hutchinson of Post is visiting her daughter, Mrs. A. R. Ponton.

RHODE ISLAND HEN LAYS EGG WEIGHING 5 OZ.

S. B. Arnett of this city, who has a ranch west of town where he keeps many Rhode Island hens, has brought in five eggs laid by one hen, which weighs one pound exactly. One of the eggs weighs five ounces and is nearly twice the average size of eggs. The average egg weighs 2 and 1-6 ounces, according to high authorities. Most all the hens Mr. Arnett has on his ranch are pure bred Rhode Islands while there are also a few high grades. The eggs will be preserved for display purposes.

As parties who have seen the eggs seemed inclined to believe they were laid by geese---one man even claiming the large egg was from an ostrich, we learn from Mr. Arnett that his closest neighbor lives ten miles and that he has neither geese nor ostriches.

See the rabbits in show window at L. E. HUNT & CO.'S. Everybody that buys his Easter suit at their store gets a rabbit free.

CHURCH NOTES

Baptist Auxiliary
The Baptist Woman's Auxiliary met Monday afternoon at the church. Quite an interesting missionary program was rendered. Several vocal and instrumental solos were also enjoyed.

The market held on the 1st Saturday was quite a success.

We certainly thank Mr. Wilson and Mr. Spikes for the use of their balcony and all who contributed in any way to the market. Our next will be held Saturday, the 20th, at the same place.

Next Monday will be a devotional meeting at the church. We hope for a larger attendance.

First Methodist Church
A revival meeting will begin at the Methodist church next Sunday, March 21 and last until April 4th. The pastor and Presiding Elder will do the preaching. During the week days the hours for service will be 3 p. m. and 7 p. m. On the Sabbath days, the usual hours will be adhered to.

We give a special invitation to the ministry and singers of the town to attend these services and take part in them. All the people are urged to be present, giving us the benefit of your prayers and assistance in labor that we may have a great meeting. We have also arranged for a great evangelistic meeting August 5. J. T. GRISWOLD.

E. L. NOEY WRITES FROM CLARKSVILLE, TEXAS

Clarksville, Tex., Mar. 14, 1920.
Mr. James L. Dow, Lubbock, Texas.
My Dear Sir and Friend:
I am just in receipt of your statement of my subscription to the Avalanche, and I take pleasure in re-submitting for another year's subscription to your excellent paper, I am always glad to get the Avalanche as it is like a letter from home to me and I hope to be back in good old Lubbock soon. It is my honest opinion that Lubbock is destined to be the best city on the Plains and that the South Plains is the coming part of Texas. I think that the best people on earth live in Lubbock. And it is with much pleasure for me to know that Lubbock is to have paved streets and to notice how few was against the bonds.

If there is anything that adds to a city, it is civic righteousness and I believe that this needed improvement was brought about largely through the persistent efforts of the Avalanche, and I believe that the next thing for the hub is free mail delivery. The good people of Lubbock are entitled to the best, and I hope that before this year is closed that Lubbock will be enjoying free mail delivery and another thing that we need is a public park; trees do well and we have plenty of water, and I see no reason why we can't have a beautiful park. And too, it has been the mistake of nearly all cities to wait to buy grounds for parks until it got so high that they had to go so far out in order to be able to buy. So it looks like that we might profit by this mistake, and buy while land is cheap. I believe that the progressive spirit is beginning to dominate in our beautiful city, and that now is the opportune time to get busy and procure these things, and I know that Miss Avalanche is with me on these things.

With best wishes to the Avalanche and Lubbock, I am very truly,
E. L. NOEY.

Mr. Noey will notice in the last issue of two of the Avalanche that the necessary grounds have been purchased for the fair park, and in this issue he will notice that there is now a call for a mass meeting to organize a South Plains Fair Association which will include several South Plains counties and work is expected to begin soon on the first build-

ings to be used this fall for exhibition halls, livestock barns, etc., and we are contemplating the FIRST REAL FAIR that has ever been held on the South Plains.

ELECTION OF CITY OFFICERS HERE APRIL SIXTH
The election of city officers has been set for April 6th, at which time four commissioners and a mayor will be elected to serve Lubbock two years. These officers are responsible and will demand the careful study of intelligent men to promote developments of the city and to finance these matters of development.

We are unable to learn the names of the candidates for the various offices, however we are informed that L. H. Simpson, present commissioner, will likely be in the race for commissioner of Public Utilities. It is also thought that the other officers of the city will be candidates for re-election.

RAILROAD MAN SAYS COUNTRY NEEDS MORE INDUSTRIES
The South Plains country needs more industries according to W. L. Soontag, railroad promoter who is making temporary headquarters in our city. For instance, Mr. Soontag believes that a cannery for the products of this section would be a profitable undertaking. He thinks the sweet potatoes raised in the South Plains section is much superior to those raised in the North, being of a more uniform size and flavor.

In speaking of the railroad project proposed between Lubbock and Silverton, he says that "it will take active work for Lubbock men and suggests that no time be lost as the Silverton people are anxious for a road and will co-operate probably with the first proposal. Mr. Soontag has been in the Silverton and Lockney country the past few days, while there he had occasion to mention the proposed road and received more expressions of the co-operative spirit the people of those places will have in building the road from Lubbock to Silverton. One grocery man in Silverton informed Mr. Soontag that his expense for freight hauls from the railroad would average about \$700 per month.

DEATHS.

Fleta Belle Ross, little daughter of Mr. and Mrs. W. A. Ross of near Idalou, died at the home of her parents March 16th, 1920. Funeral services were conducted at Lorenzo Wednesday afternoon and interment made in the Lorenzo cemetery immediately following.

Mrs. S. D. Johnson, daughter of Mr. and Mrs. W. L. Sowell of this city, died in El Paso, March 15th, 1920.

The body was shipped here where funeral services were held at the parents home at 2 o'clock Wednesday afternoon, conducted by the Rev. T. F. Haskin, of Walters, Okla., assisted by Rev. W. A. Bowen, pastor of the Baptist Church of this city.

Deceased has lived in Walters, Okla., for some time, going to El Paso some time ago following advice of physicians. She is survived by her parents, husband, four sisters and five brothers.

Mrs. C. C. Strickland—Age 33 of Tahoka, died in her home at Tahoka last Sunday, March 14th, following a continued illness.

The deceased had lived in Tahoka only a short time coming from San Angelo where they had resided for several years, only a few months ago. She is survived by her husband and several children. The body was shipped to McLennan County Monday morning for interment.

Miss Cora Craven—Age 27 years, died Saturday, March 13th, at her home in Brownfield following an attack of pneumonia. She is survived by a brother, W. L. Craven who lives in Brownfield.

The body was brought to this city for preparation to be shipped to Goodlet, Texas, where interment was made.

DISCRIMINATION IN COTTON PRICES OBJECT OF MEETING

The discrimination of the prices of West Texas raised cotton, in which the farmers of the South Plains receive a smaller price per pound for middling cotton than does those of the eastern portions of the State, is the topic of discussion this afternoon in the court house by field manager of the State Department of the Agriculture of this State, Messrs. I. B. Alford and T. G. Mark.

At the meeting this afternoon the farmers will be asked to pass following resolutions that will have for their purposes an establishment of equality in prices and the upholding of the present scale now being paid for this staple crop:

Whereas, there seems to be a general conspiracy in the Western part of the State to defraud the farmers out of a fair market price of cotton; and

Whereas, this being accomplished by under-grading and under-classification of the Western cotton; and

Whereas, our Western cotton grown and harvested under such weather conditions that it should command a premium over middle and east Texas cotton; but

Whereas, such Western grown cotton is being rated at \$10 to \$30 per

bale less than it brings when shipped to the ports:

Therefore be it resolved that we hereby refuse to allow our cotton to go on the market until said cotton is again restored to present market quotations at 45 cents middling basis.

This matter has been experienced by the farmers of the South Plains country and men who are informed tell us that our farmers have needlessly lost thousands of dollars through the above mentioned method of graft. The South Plains Cotton Association has been working upon this problem during the past few months and it is believed that the same condition will not be repeated the coming marketing season.

1,900 ACRES LUBBOCK COUNTY LAND FOR COLONIZATION

One of the largest deals consummated in the history of Lubbock county was made this week through the real estate firm of Sears and Powell, when this company sold 19,000 acres of fine ranch land lying about eight miles west of town to eastern capitalists for colonization purposes. The tract was sold out of W. L. Ellwood's ranch and will be put upon the market in a very short time in small tracts for farming purposes.

Messrs. H. S. Bettis, E. V. Ferrell and W. L. Walker were the buyers of this property and we are informed that several thousand dollars worth of advertising will be started to bring farmers to this county to settle on the new tract. Every foot of the entire tract is in Lubbock county and its nature of soil is not surpassed anywhere in the South Plains being mostly a smooth country coated thick with mesquite grass and enough sand to hold moisture well.

The consideration involved in the sale of this enormous body of land was more than one-half million dollars.

M. O. OWENS BANQUETS LUBBOCK'S FIRE BOYS

In appreciation of the efficient work of Lubbock fire boys, M. O. Owens, local insurance man, will banquet them tonight at the Manhattan Parlor. Several houses which were saved, upon which Mr. Owens had insurance, brought about the occasion. Covers will be spread for fifteen people.

4. Interpretation: (a) "Or blessed woe didst?" (b) "To trash for overtopping." (c) Subject his Coronet to his crown." (d) "And under going stomach." (e) "I fam'd amazement." (f) "Refusing her grand hints." (g) "The red plague rid for myself and Naples."

THE WEATHER REPORT FOR MONTH OF FEB.

The following is summary of the weather conditions prevailing during the month of February, 1920.

Maximum temperature, 73 degrees. Minimum temperature, 17 degrees. Mean temperature, 41.93 degrees. Mean normal temperature, 43.94 degrees.

Departure from normal, -2.01 degrees. Maximum relative humidity, 95.5 degrees. Minimum relative humidity, 26 degrees. Mean relative humidity, 66.18 degrees.

Total wind run for month, 4,875 miles. Normal wind run for month, 6,049 miles.

Departure from normal, -1,174 miles. Average hourly run of wind, 7 miles.

Number of clear days, 12. Number of partly cloudy days, 10. Number of cloudy days, 7.

Precipitation for month, .11 inch. Normal precipitation for February, 1.254 inches.

Departure from normal, 1.1444 inches. —R. E. Karper, Supt., Experiment Station.

TEMPERATURE LOWERS; TWO SUITS DISAPPEAR

It may have been the sudden drop in the temperature of a few days ago or it might have been the high cost of wearing apparel that tempted Pat Johnson of this city to disappear with two suits of clothes belonging to Jack Briley and John Harris; anyway, when Pat was arrested at Sweetwater, he was found wearing both suits. Mr. Harris and Mr. Briley had sent their clothing to a local tailor to have them cleaned and pressed which work was finished in due time and returned to the residence where the boys had rooms. Directly across the street Pat Johnson was boarding and evidently witnessed the return of the clothing and there fell for his temptation. The next day when Mr. Harris and Briley had occasion to look for their suits they were missing and investigation found the same thing had occurred to Johnson. Mr. Holcomb was notified and in turn he wired officers of Sweetwater who arrested Johnson on the charge of theft and held him until our sheriff could go and accompany the young man back to our local jail. He does not yet know whether to have a preliminary hearing or ask for bond. He says he purchased the suits from the men.

WILL ADD BUSINESS COURSE TO HIGH SCHOOL

At a meeting of the school board of the Lubbock Independent School District, Wednesday, it was decided to add a commercial department in which will be taught bookkeeping, shorthand and typewriting. This will be a great benefit to many who wish to take a commercial course and we are glad that the board saw fit to add this department next term.

Famous Manufacturer Makes Connection Here

Winchester Company Appoints Local Store Its Representative to Sell New Products

The appointment of The Western Windmill Company to sell in this community the new hardware and sporting goods manufactured by the Winchester Repeating Arms Company is announced. And in the opinion of leading merchants it is one of the most interesting and important developments the local retail trade has known.

First his family, next his dog, then comes his "Winchester" in the love of the best type of American. Almost every family seems to have possessed a Winchester at one time or another, and the love and respect for the good old gun is just about universal. And now that recently there have been many new additions to the Winchester "family," there is wide popular interest in the new cousins and other relatives of the famous repeating rifle.

Fifty-three years ago the Winchester repeating rifle was placed on the market by the Winchester Repeating Arms Company, of New Haven, Conn. It was a good rifle, in fact the first truly successful repeater, and almost immediately achieved great popularity. This first success was made secure by the strength and vision of its makers, one of the first American concerns to build with the purpose of gaining and holding a dominant place in the world's industrial arena.

So large was the part played by the Winchester rifle in the settling of the great West and establishing law and order, that the name Winchester came into common use in place of the word rifle. And so high was the standard of manufacture maintained for it that it was soon the favorite hunting rifle all over the world.

Improved methods followed in the course of time, including the first completely successful repeating shot

gun. And with the coming of smokeless powder the Winchester Company commenced the manufacture of ammunition, to insure Winchester users the best possible cartridges and shot shells for their rifles and shotguns. This proved to be an especially good move; for the continued superior shooting qualities of Winchester arms have for many years been partly attributed to ammunition being made for them in the same plant, by the same organization.

Now this great manufacturing establishment, tremendously expanded in the gigantic part it played in the winning of the World War, is apparently branching out to make all possible use of the additional knowledge, experience, and equipment thus acquired. New articles being made already include tools, cutlery, fishing tackle, flashlights, skates, etc. With half a century of experience and unexcelled equipment entering into their production, it is to be expected that these new products, made in the same skilled and workmanlike manner as the famous Winchester guns have been made for so long, will have merit above the ordinary.

To the good fortune of the many old friends of Winchester in the community who will be the first to wish to examine these new articles, we have here in town a retail hardware concern of such high standing as to be one of the first exclusively selected to present these new Winchester products to the buying public. The agreement thus carries with it the privilege and responsibility of representing the manufacturer more directly, than any retail merchant has heretofore done in the case of the Winchester Company.

A special invitation is being extended by the Winchester Company to all its friends in this district to visit "The Winchester Store" and see the latest additions to the Winchester "family." And as The Western Windmill Company are likewise inviting everybody to do so, the store is enjoying a regular "old home week" of Winchester visitors. New friends will of course be equally welcome with old Winchester acquaintances.

This month there has only been one enlistment, that being Arnold Strait who will see service in the Philippine Islands.

LUBBOCK CITY SCHOOL HAS AN ENROLLMENT OF 1242

The present enrollment of scholars in the Lubbock city school now totals 1,242. The following grades have enrollment according to: 1st grade, 177; 2nd grade, 179; 3rd grade, 146; 4th

grade, 135; 5th grade, 128; 6th grade, 190; 7th grade, 154; 8th grade, 77; 9th grade, 57; 10th grade, 11th grade, 24; 12th grade. This enrollment is no highest mark ever recorded in the city and would be like the rural schools that among the finest farmers' children in the city rural schools of the

PUBLIC OPINION

To the Avalanche:
No. 1. In my article last week's issue, I did not mean that money was not legally taxable. The courts have held that it is. My contention is that money strictly is not property. Nor was that the intent of its origin; the intent was, is to make it a medium of exchange and a measure of value for general business and for these reasons it should be unhampered by taxation, as a good business policy. Say I have possession of a silver dollar. Have I the full ownership? The Supreme Court of the United States says no. In case *Ling So Fan vs. the United States*, the issue was as to ownership of money, and rights of party in possession. The court held, "Conceding the title of the owner of such coins, yet there is attached to such ownership those limitations which public policy may require by reason of their quality as a legal tender and a medium of exchange."

Money has the attributes of wealth because it will liquidate indebtedness and is a measure of value in the purchasing of property and for interest when loaned. It has no other value. If gold and silver should by law be demonetized, they would no longer be a measure of value or a legal tender, nor circulate as money. Property has a national value, gov-

erned by supply and demand. Money has only that given by law, proposed as a government policy to harmonize and legalize the business methods of government and people. Money is well entrenched by law and backed by the taxable wealth of the government, and the taxable wealth of the government is backed by the property wealth of the people as a civilizer and harmonizer of business. Money is man's greatest invention, and as a good business policy, it should not be hampered by taxation, which tends to weaken its purposes. Money backed by the wealth of government and people is a great railroad builder. For this reason it should be cooed and petted and kept unhampered. As a good business policy, if Texas would repeal her laws taxing money, what a boom it would be, as a bor for capital and business that would rapidly enhance the values of properties, and in a reasonable time more than double the State's taxable wealth.

New York for long years, by her system of taxation as to money, has made herself the money center of the United States. My objection to taxing money is not to protect a money holder, but that it is not a good business policy and a fair deal for all. Say a man in Texas loans money at 8 per cent after paying the tax on the note, his net interest is around 5 per cent. While a man in New York loans money in Texas at 8 per cent note payable in New York, as the note can't be taxable in Texas, his interest is 8 per cent net. Is this just and right?

If there was no tax on money in Texas, the Texas man could then loan at 6 per cent and get more interest than he can now get at 8 per cent and the borrower would pay 2 per cent less for the use of the money, both parties benefitted, and the Texas lender would then have an even break with the New York lender in the Texas money market.

Friends, I Thank You

From the depths of my heart for your most valuable patronage to which I owe the success of the business I have maintained.

It has been my honest desire to build my business strictly upon merit, without sacrificing my integrity. My business has thrived and grown until today I am more than thankful.

No small part of the success of my business is due to the unselfish and untiring efforts of my two faithful employees, Clay Thornton and Frank Barkley, whose integrity and honesty of purpose while in my employ, have added much to my confidence in my fellowmen.

In selling my business to Messrs. J. B. Pryor and J. W. Deshazo, I believe my customers will continue receiving the careful attention as of the past; and, believing through merit they will continue the growth of this business, I do not hesitate in asking my friends to give these men their patronage.

AGAIN I THANK YOU!

Chris Harwell

BRADLEY AUTO COMPANY

How the World's Finest Products are Brought to Your Table

In far-off Ceylon and British India, Renown Tea is grown. Tea plants are first cared for in nurseries and later set out in fields. Only expert care and the most intelligent culture through long years of preparation qualify tea for Renown packages.

Today, a tropic sun looks down on a great trading vessel, coursing its way over a sparkling, shimmering sea, that your table may be graced with the most appetizing of viands.

Again, thousands of miles away, the sun sees stalwart fishermen emptying seines into sluggish boats which, moving back to shore, set great canneries busy for you.

In another quarter of the globe, the sun beholds wonderful orchards providing luscious fruits to be spirited by steam across a continent—and quality reaches where it can't be grown.

For your benefit, in widely separated states, extensive gardens produce splendid foods, each of which thrives its best in but one place.

All these things are preliminary to the preparation for you of the world's best food products, by the Boren-Stewart Company. No voyage is too long, no country too cold, no jungle too torrid, but that it will be mastered to gain the best of every variety of the Boren-Stewart lines. You may identify these super-excellent products by their Renown and Bee-ess-ko labels.

Through Boren-Stewart the world's best products actually are brought within your command. Grocers with the same quality ideals as our own can supply you with Bee-ess-ko and Renown foodstuffs. Just as each corner of the earth supplies us with its most excellent product, the best grocers make these best products available to you. They know that customers are sure of satisfaction in Boren-Stewart Company lines.

Sometimes, when a product needs more than preserving or canning, it goes through complete manufacturing processes in a Boren-Stewart plant. For instance, Renown Peanut Butter and Coffee. In clean, wholesome surroundings, Texas-grown Spanish and Virginia Peanuts are carefully combined to produce an unexcelled Butter. Likewise, Arabian Mocha, Genuine Java and seven other Coffees are blended most painstakingly to produce Renown Coffee.

Before the Civil War the peanut was a garden plant grown as a curiosity. Soldiers, however, under the stress of campaigns found they were nutritious, and then as years succeeded, they were cultivated for their food value. Needless to say, the best of peanuts are used to make

EXPERIMENT STATION OFFERS TREES FREE

During the past several years the Experimental Farm in co-operation with the Forestry Department of the A. & M. College, has been trying out a number of various species of forest, shade and ornamental trees to determine their adaptability to the South Plains area. A considerable number of trees have been increased from the seed and the station now plans to distribute some of the better varieties throughout this section to public schools, churches and city and county parks and similar public institutions for the beautifying of their grounds and for utilization in windbreaks and shelter belt plantings. Supt. R. E. Karper of the Experiment Station, accompanied the county school board the past week in their visit to the rural schools and encouraged the trustees, teachers and patrons to take advantage of this opportunity to start a lasting monument to their community on their school grounds by making permanent plantings of trees. The station has about 30 different species of trees, a number of which are adapted well and will soon make an excellent showing if properly taken care of. These trees are to be given free for the purposes mentioned and it is hoped that each and every community will immediately take steps to avail themselves of this opportunity to obtain trees for their school grounds. Parties calling for these trees are requested to take a supply of packing material or burlap to prevent the roots from drying out in transit. The time is at hand for tree planting and we have in the ground one of the best seasons that has prevailed for several years. This is an ideal year to make a start with trees and by giving them proper care and cultivation the majority of them will live.

One of the most promising new trees being tried out is the Chinese Elm, which is a direct importation from China and has exceeded in rate of growth, any other tree tested the past year, and it is hoped that it will be possible to obtain seed of this variety so that it may be propagated in numbers for distribution in this section. Several thousand evergreens of the Chinese Arborvitae and Red Cedar varieties will be of sufficient size for distribution another season. All persons interested in planting trees this spring, are invited to call at this station farm for their needs.

DR. WAGNER GOING TO K. C. AFTER EQUIPMENT

Dr. C. J. Wagner informs us this week that he has secured the LeMond Hotel for temporary quarters for his sanitarium and that he will leave the latter part of the week for Kansas City to purchase necessary equipment. He will likely be out of the city ten days.

Broadway, since Mr. Howard purchased it, however, it has been moved to Post Office street about two blocks west of the square and used for a hotel.

Raymond Allen, employee at the local freight station was in Floydada the latter part of last week visiting with home folks.

The LeMond Hotel is owned by C. E. Howard and was used at one time for a sanitarium building on West

Mrs. J. O. Jones and son, Frank, left this week for Mineral Wells, where they will likely spend a month.

LUBBOCK SHERIFF'S BROTHER IN JAIL THIS WEEK

Charlie Holcomb, sheriff of Lubbock county, tells us this week that he has his brother, B. R. Holcomb, of Stamford, Texas, in jail here and that he will likely leave our city the latter part of the week. As is known, Sheriff Holcomb resided in portion of the local jail and it is likely that his brother is there visiting the family.

HOTEL ASSOCIATION LEASES SANITARIUM BUILDING

At a meeting of the Lubbock Hotel Association, recently organized, Monday afternoon of this week definite steps were taken for the new hotel for this city. Arrangements have been agreed upon by the association to lease the building recently vacated by the West Texas Sanitarium. As we are informed the building will be remodeled to some extent and will not be ready for occupancy before May 1st this year.

The lease has been made or is now in the course of making for seven months approximately or until January 1st next year. Clark Smith whom we were authorized recently to mention as manager of the new hotel, will be in charge of the business. This building will be equipped with about thirty-five of forty guest rooms, a dining room and a good sized lobby. Most all of the rooms will be equipped with running water, baths, etc., and will be up-to-date at the least.

Under Mr. Clark's management we are informed that this hotel will be known as the "Lubbock Inn".

NO MORE HOGS IN THE CITY LIMITS

All parties who have hogs within the city limits of the city of Lubbock, must get rid of them at once. It is a strict violation of the city laws, and will not be tolerated further. Anyone who has hogs within the city limits and does not remove them immediately will be prosecuted according to the provisions of the law affecting this offense. Take notice and get rid of the hogs at once. This means all.

C. E. PARKS, Mayor. 381f

LUBBOCK'S DOCTORS ATTEND MEETING AT AMARILLO

Doctors A. R. Ponton and J. T. Hutchinson, of the Lubbock Sanitarium were in Amarillo Tuesday of this week attending a medical meeting. We were informed that these gentlemen were on the program for the day. Both doctors returned home Wednesday morning.

See the rabbits in show window at L. E. HUNT & CO.'S. Everybody that buys his Easter suit at their store gets a rabbit free. 381

NOTICE IN PROBATE—NO. 156

To the Sheriff or and constable of Lubbock County, Greeting:—

You are hereby commanded to cause to be posted for ten days, exclusive of the day of posting, before the return day hereof, in three of the most public places in your county, one of which shall be at the court house door, and no two of which shall be in the same city or town, and also that you cause to be published in a newspaper of general circulation, which has been continuously and regularly published in your county for a period of not less than twelve months, next preceding the date of the first publication hereof, once a week for a period of ten days, previous to the return day hereof, copies of the following notice:

THE STATE OF TEXAS:

To all persons interested in the estate of Dan T. Quinlan, deceased, Mrs. E. Jennie Quinlan, has filed an application in the county court of Lubbock county, on the 12th day of March, 1920, for appointment as Administratrix of the estate of Dan T. Quinlan, deceased; and praying that citation issue, as provided by law, citing all persons interested in the estate of Dan T. Quinlan, deceased, to appear at the next regular term of said court, and show cause, if any there be, why such application should not be granted, which said application will be heard by said court, on the 15th day of April, A. D. 1920, at the court house of said county, in the city of Lubbock, Lubbock county, Texas, at which time, all persons interested in the estate of Dan T. Quinlan, deceased, are required to appear and contest said application.

SOME LOCAL ITEMS FROM THE LORENZO ENTERPRISE

Mrs. H. L. Stancil and little daughter were visitors in Lubbock the middle of the week.

Judge Spencer, prominent Lubbock lawyer, transacted business and mingled with friends on the streets here Wednesday.

Mrs. J. J. Mathis Dies

On Tuesday, March 9th, at 8:10 p. m. Mrs. L. J. Mathis, one of the most noble and best loved characters in our community died, at the age of 43 years. Mrs. Mathis was denied good health for some years and recently it was discovered to be a cancer of the stomach from which she suffered untold agonies for several months.

She was a member of the Christian church at this place and a devout follower of her Lord. It can truly be said of her: she "went about doing good."

Funeral services were held at the tabernacle, Wednesday afternoon at 3 o'clock. Rev. Liff Sanders of Luckner officiating.

She leaves a husband and seven daughters, two sisters and one brother.

"IF AT FIRST YOU DON'T SUCCEED, TRY, TRY AGAIN"

THE LUBBOCK AVALANCHE
Published Every Thursday by
THE AVALANCHE PUBLISHING CO.
(Incorporated)

JAS. L. DOW Editor and Gen. Mgr.
Entered at the Postoffice at Lubbock, Texas,
for transmission through the mails as
second class matter.
One Year \$1.50 Six Months 75c
(Strictly in Advance)

The city marshal, the pound man,
or whose ever duty it is, should put
in a day or so shooting dogs. It would
take about three days hard work to
kill all the worthless dogs of the
town. Verily the town does need a
thorough disinfection along that line.

Every now and then cities over the
state are following in the steps of
Lubbock and adopting the commis-
sion form of government. Plainview
is working on the matter and also
Snyder. It appears to be much bet-
ter than the old aldermanic form.

The Lockney Beacon says that
county has now a chance to get a
cotton classifier. It is worth the post,
and if every county on the Plains
had one it would pay the farmers a
good return. Lubbock county has had
a good one the past year, and we be-
lieve the farmers are well pleased
with the results of his work.

The extreme high cost of building
material is holding back development
all over West Texas. It is estimated
that the United States is today two
million or more dollars under-built
and it is impossible for the mills to
furnish lumber. Many of them claim
to be sold up to the first of the com-
ing year. It behooves some ac-
tive building expert to figure out
some new kind of building material
that will take the place of lumber in
a large per cent of the buildings
made of material that can be obtain-
ed at a reasonable cost.

The Avalanche this week receiv-
ed a communication from a party
who signed their name, "A Friend,"
on the subject of the change of the
beginning of the rural schools in Lub-
bock county from September 1st to
December 1st. The Avalanche, as
does most all other publications, re-
quires that the writer of these com-
munications furnish their names, not
necessarily for publication, but for
our own information, and if the writ-
er will furnish us their name we
will give the article further consid-
eration. We see no reason why peo-
ple should be ashamed to use their
name over articles of general nature.
The editor backs up all he says by
his name at the mast head of the
paper.

Every day we hear of some great
building plan that has been punctured
by the staggering high prices of
building material and labor. Lubbock
is in great need of a new hotel or in-
creased hotel facilities. We doubt
whether we will get this as long as
material and workmen are as hard to

get and the prices are as high as
they are. Wouldn't there be a howl
go up if our lumbermen shipped all
their building material to some other
town and for that reason our local
needs could not be supplied. This
seems to be the situation now with
the lumber business. The mills of the
country are shipping all their materi-
al to countries across the sea be-
cause they can get a bigger price
for it, and we people at home either
have to dig up the same price or do
without.

YOU CAN'T PLEASE EVERYBODY

Do you ever worry—or do you
remember what a wise sage once
said—"I am an old man, and I have
had many troubles—most of which
never happened." That's good philoso-
phy, if you can get away with it,
but most people worry. In fact, some
people like to worry in spite of the
fact that worry doesn't help.

In a most amusing story in the
current Cosmopolitan, Frank A. Ad-
ams tells about a young man who
was worried about his job, about his
sweetheart, about his mother, about
his savings account—in fact he wor-
ried about everything. Consequently
day by day he grew more and more
uncertain of himself, until he didn't
dare to move for fear of upsetting
his life in some way.

Then one evening he lost, or
thought that he had lost, everything
he had ever worried about. It hap-
pened all at once, and much to his
surprise, he found things might have
been worse, as he had been worrying
about a lot of things which, even
if they had happened, would not ruin
his life.

Now there are a great many peo-
ple old and young, just like this
young man. They ought to read this
story.

"NONE OF OUR BUSINESS"

We thought sure we would get an
intelligent reply from the editors of
the Lockney Beacon and the Plain-
view News, when the Avalanche crit-
icized their editorials about the way
the ladies dressed, but— The
Lockney Beacon wrote about a half
column in an effort to lambast us
for what we wrote. He never touch-
ed the subject, and confined his rant
to a few words, "none of your busi-
ness, James Lorenza Dow, if you
don't like the way we run our paper,
it's none of your business," and J.
M. Adams, of the News, chimed in
the next week by referring to the
Lockney Beacon's article and in
words to that effect, said "Them's
my sentiments." The great editorial
writer of the Beacon suggests that
Dow go to the press association and
get some real ideas of newspaper
editorial writing, and then possibly
he would be able to cope with their
production of "Grape-Nuts."

We do not wish to boast, but a
comparison of the Avalanche and the
Lockney Beacon and Plainview News,
by real newspaper men, has reveal-
ed the fact that the Avalanche is
the best paper of the three. Has more

good, sound reading matter than
either of them and has several hun-
dred inches more of paid advertising
at a better rate per inch than either
of the papers referred to, which
leads us to believe that attending
press associations is not at all neces-
sary to the production of a real news-
paper.

**SHALL WE HAVE A CHICKEN
ORDINANCE?**

We have been complimented by
many and complained at by others
regarding the squibs that appeared
in the Avalanche recently about the
chickens running at large over the
city. Some are highly in favor of a
chicken ordinance while others are
bitterly opposed to it. So far as we
are concerned, we are standing pat
on cooping the chickens up. Chick-
ens and gardens do not thrive in the
same yard and flowers do no better
in the chicken yard than a garden,
so either a dozen people in one nei-
ghborhood who want to have a gar-
den will have to abandon the idea
for the gratification of one chicken
fancier in the same neighborhood, or
else there will have to be a chicken
ordinance passed and ENFORCED.
It is just a plain choice between the
two. We believe that there should be
an ordinance passed and that right
away, so that people will know wheth-
er to try to have a garden or not.

We placed emphasis upon the word
enforced because we had just read
the following from the Hereford
Brand on the subject, in the form
of a notice from the mayor of the
city, which read:

The ordinances of the city of Here-
ford require the owners of chickens
to keep them on their own premises
and make it a penal offense for the
owner to permit them to run at large.
A number of complaints have re-
cently been made to me by different
citizens of the town that their neigh-
bors' chickens were doing them much
damage. Many people have planted
bulbs and flower seeds of various
kinds in an effort to make their places
look pretty and attractive, and it
is not only very aggravating to the
one making such effort but it is in-
defensible on the part of neighbors
owning chickens to permit them to
run at large and destroy the property
and labor of another.

It is strange that some people have
a disposition to trample this ordi-
nance under their feet. Hereafter,
if anyone has cause to complain of
their neighbors' chickens, just call
the City Marshal and he will look
after the matter and lodge a com-
plaint in the City Court, if neces-
sary.

Keep your chickens on your own
premises or take the chances of be-
ing prosecuted.

**MONEY FOR PAVING NOW
WAITING FOR CONTRACTORS**

We are informed this week that
bonds for the paving of our streets
have been turned into money and that
the money is waiting on hand for the
contractors to start active work.
Nothing definite of the exact time the
contractors will start work is known.
The construction company who have
the contract for Lubbock's paving
have two other paving contracts and
are now engaged upon them. It is
presumed that a definite date will be
set within the next few days for
which work will start here, possibly
at the regular meeting date of the
City Commissioners next Tuesday
evening.

Friends of Mr. and Mrs. H. T.
Atkins are receiving this week the
following announcement: "Announce-
ment the arrival of Sallie Lane Atkins,
on March 13, 1920, weight 9 1-4
pounds."

The four chair officers of the
Plainview B. P. O. E. Lodge will oc-
cupy the chairs at the instituting of
the Vernon lodge Wednesday night.
At an invitation from the Vernon
men E. H. Bawden, R. C. Joiner, G.
C. Hughes and J. J. Bromley will go
to Vernon to act as chair officers.
There are now 27 Elks in Vernon
and a class of 32 will be initiated on
Wednesday night. This will give
the new lodge a charter membership
of 59 members.—Plainview Herald.

**STEAM SHOVEL AT GRAVEL PIT
BURNS FRIDAY NIGHT**

The steam shovel of the Santa Fe
railroad which was to have begun ac-
tive work in the gravel pit north of
this city Monday morning, was burn-
ed last Friday night and will prob-
ably be sent to the shop for repairs.
A watchman was hired to attend
the shovel Friday evening, prepara-
tory to starting active work Monday.
The watchman says that the water
had run low and he attempted to use
the injectors which were out of
shape at the time. When he saw
that he could not run more water in-
to the boiler he raked the fire out to
one side of the shed room and left
for town. About 4 o'clock the next
morning the company men were
notified of the fire but when reach-
ing there everything that would
burn was gone. No definite time is
set now for active work on the pit.

**NEGRO COTTON PICKER
ARRESTED FOR FORGERY**

Sheriff Bruce Mitchell of Crosby-
ton county, brought to the Lubbock
county jail this week a negro who
is charged with forgery. The negro
was imported here from Southeast
Texas last fall for cotton picking
purposes. From our informant, we
find that the negro forged a check
on a farmer for whom he had pick-
ed cotton. He will probably remain
in the jail here until May, awaiting
a meeting of the Grand Jury of Cros-
by county.

Elmer Howard, nephew of "Uncle
Bill" Howard, of Terry county, was
here this week consulting with local
physicians.

The coons are getting very num-
erous in Lubbock and most of them
are as worthless as they are black.

ANNOUNCEMENT

We have purchased the Grocery business of Mr. Chris Harwell and have taken charge of same. We will continue the business at the same stand, and invite all of Mr. Harwell's customers as well as all others who need groceries, to trade with us, assuring you that it will be our effort at all times to give you as good as the market will afford, and prompt courteous service at all times.

Mr. Harwell will remain with the store for awhile at least and will be pleased to serve you as before. We will also retain the present employees, Messrs. Thornton and Barclay, who will be pleased to give you prompt service.

We will have our own delivery car, and all orders will receive prompt attention.

**E. B. MILLER TO MAKE TRIP OF
INSPECTION OF ELK LODGES**

E. B. Miller, District Deputy Grand Exalted Ruler of the Elk Lodge, will make inspections of practically all of the Elk Lodges in his district next week. He will inspect the lodge at Wichita Falls Monday night. On Tuesday night he will inspect the Haskell lodge. On Wednesday night Mr. Miller will institute a new Elk lodge at Vernon. The Quamah lodge will be inspected Friday night. The week of inspection will end at Dalhart Saturday night. On Tuesday of the following week Mr. Miller will inspect the lodge at Lubbock. He inspected the Amarillo Elks some time ago.

The four chair officers of the Plainview B. P. O. E. Lodge will occupy the chairs at the instituting of the Vernon lodge Wednesday night. At an invitation from the Vernon men E. H. Bawden, R. C. Joiner, G. C. Hughes and J. J. Bromley will go to Vernon to act as chair officers. There are now 27 Elks in Vernon and a class of 32 will be initiated on Wednesday night. This will give the new lodge a charter membership of 59 members.—Plainview Herald.

**STEAM SHOVEL AT GRAVEL PIT
BURNS FRIDAY NIGHT**

The steam shovel of the Santa Fe railroad which was to have begun active work in the gravel pit north of this city Monday morning, was burned last Friday night and will probably be sent to the shop for repairs. HIGH SCHOOL NOTES

By Floe Benson

The Home Economics short course for women, which was held at the high school building Thursday and Friday of last week, was a successful one. The lectures and demonstrations were given by specialists from the Extension Service of the A. & M. College of Texas. The local details of the short course were under the management of Miss Millie M. Halsey, County Home Demonstration Agent, assisted by the Twentieth Century Club.

Mrs. Dora R. Barnes gave a lecture and demonstration Friday morning, using high school girls as models, on "Appropriateness in Dress." This lecture was indeed a

benefit to everyone who attended.

Mrs. Maggie W. Barry of the Extension Service, and a specialist in women's work, who was present at the short course, gave a splendid talk in chapel Friday morning, on "The American Boy." This talk was indeed an inspiration to everyone present and certainly was enjoyed. She also gave a talk Friday night on "Poetry in the Home and School."

Mr. Starcher was out of school Monday on account of sickness, but is back with us again.

The Lubbock high school basketball team played Slaton high school team on Lubbock's grounds Friday afternoon. The score was 28 to 18 in Lubbock's favor. This score shows the untiring efforts of our team, and the spirit of the school.

Both the boys' and the girls' teams of basket-ball are planning to

go to Hale Center Friday of this week, for games.

The base-ball team is going to Littlefield Thursday for a game. This is the first game of the season, and we wish our boys much success. They have had several practice games with the town team, but none with other towns.

Mr. Dupre divided the Senior class up into three teams for the purpose of raising money to buy suits for base-ball boys. These teams canvassed the business part of town, and in about two hours had more than enough to buy the suits. We certainly appreciate the co-operation of the business men and firms of Lubbock. I am sure that the base ball boys will make one of the strongest and best base ball teams Lubbock High School has ever had. This may in a way repay the people for their kindness.

Mr. T. Elmore Lucey will be in our town March 19th, at the Lindsey Theater. Everyone who can possibly come should take advantage of this opportunity.

AMARILLO MAN HERE IN INTEREST OF CREAMERY

J. P. Handley, representing the Niasley Creamery Company of Amarillo, was in our city last Wednesday. In conversation with a member of the local Chamber of Commerce and the County Agent at this point, Mr. Handley explained that the present plan of his company is that of extension work to the end that the farmers of this section may be induced to stock their farms with small herds of pure bred milk cattle and to raise pure breeds of hogs and poultry for the purpose of utilizing waste and by-products which would result from the preparation of the milk for market purposes.

Plans are now being worked out for the organization of a dairy association in this section, and Mr. Handley assures us that his company will take pleasure in co-operating with the members of this association when same is formed and in offering every possible facility and advantage to dairy men in this section for the marketing of their products.

Mr. Handley's company is in the market for milk testing 20 per cent butter fat and at the best current market prices. He also assures us that if a dairy industry of sufficient size can be built up in this section, he is sure we will experience no difficulty in inducing his company to establish a branch house at this point, which will facilitate connection of produce and save transportation costs.

PERCY SPENCER AND FAMILY VISITING IN MISSISSIPPI

Percy Spencer, local attorney, accompanied by his family, left last Saturday for points in Mississippi, where they will visit the old home place of Mr. Spencer's birth. They will likely be out of town several weeks.

Mr. and Mrs. R. C. Gideon and son of Camp Upton, are visiting Mrs. Gideon's parents, Mr. and Mrs. R. H. Wilson of Lubbock. They are on their way to Oklahoma City, where they will make their home. Mr. Gideon has recently been discharged from service in the army.

Piles Cured in 6 to 14 Days
Don't take more money if PAZO OINTMENT fails to cure itching, blind, bleeding or protruding Piles. Instantly relieves itching, pain, and you can get normal stool after the first application. Price 50c.

Are You Going to Build?

If you are going to build let us make you an estimate. I bought 30 car loads of brick a month ago and I am in position to make you a very attractive price, and am in position to give you better service at less cost. No trouble to make estimates or answer questions.

The car you will eventually buy. Texas Motor Sales Co. 372

A company has been organized and money raised for the establishment of a newspaper in Lorraine. No town can prosper without the eternal boosting of a newspaper. Some towns have to have a half dozen newspaper funerals before they realize the importance of the newspaper in their midst, but they all finally come around to the realization of its importance and rally to its support.

A ROMANCE ON THE WEST TEXAS PLAINS

Once upon a time not many years ago, two orphans; A Girl and a Boy who lived in the East, decided to go West and grow up with the country. The Girl's name was AMA and the Boy was named LUB. Miss AMA who was several years older than her brother LUB, settled on the North Plains of Texas, and wanted Lub to settle there also; but Lub was of an independent nature; full of ambition and progressive spirit, so after looking around for awhile, he settled in the center of the South Plains of Texas. Miss Ama was very attractive and winning in her ways; so in a short time, a handsome young man by the name of F. W. Denver met Miss Ama and fell in love with her. After a brief courtship they were happily married. While there Honey Moon was yet unspent, their family began to grow and now they have four handsome, growing Children; whose Names are as follows: F. W. & D. South; F. W. & D. North; CHI & R. I. North, East, and G. C. & S. Northwest. Ama now desired and deserved a bigger name. So they now call her AMARILLO.

Budy Lub batched along on his ranch for several years. Finally a beautiful and accomplished young lady by the name of Miss S. T. FAY called on young LUB at his hospitable Ranch and they fell in love with each other on sight. Now you must not conclude that Miss Fay was bold and immodest. It was leap year; so you see she was in the bounds of Lady like deportment when she called to see the young man. Their courtship was short and sweet and they married in 1909.

Notwithstanding the fact that LUB's marriage took place many years after that of his sister AMA; he has five Children. One more than his sister AMA has. Their names are as follows: G. C. & S. North; G. C. & S. West; G. C. & S. East; S. F. & S. P. Northeast, and S. F. & S. P. Southwest. Besides the five Lusty Childrea mentioned above; It is whispered around that Mrs. Lub is again in a multiplying condition; this time it is to be Twins. Names for the two, soon to be born, have not been selected yet; but it is known that one of them will range northeast and the other one towards the southwest; with home and headquarters with Daddy LUB. Miss Fay is now commending more dignity; so she is called SANTAFE. LUB has become the most important factor on the Plains; so he is now called LUBBOCK.

Far seeing speculators are rapidly investing in and around LUBBOCK every day. They clearly see that LUBBOCK is soon to be the hub and headquarters of all the South Plains Country. Mrs. LUBBOCK says her stock of Folks has no age limit in reproduction.

NOTICE OF APPLICATION FOR SALE OF REAL ESTATE

The State of Texas, to the Sheriff or any Constable of Lubbock county—Greeting:

You are hereby commanded to cause to be served by publication as required by law, the within notice: The State of Texas. To all persons interested in the estate of B. P. Hopkins, deceased.

Know ye, that E. C. Fain, administrator of the estate of B. P. Hopkins, having on the 15th day of March, A. D. 1920, filed in the county court of Lubbock county, Texas, an application to sell the following described land belonging to said estate:

First tract: 177 acres of land in Dawson county, Texas, known and described as tract No. 24 out of league No. 272, Loving County School lands as the same appears upon a subdivision of said League No. 272 on map or plot recorded in book 2 page 298 deed records of Dawson county, Texas.

Second tract: 320 acres in Martin county, Texas, known and described as South one-half (S 1-2) of section 9 in Block 36, township 1 North being abstract 131, certificate 2603, survey 9, T. & P. Ry. Company.

Third tract: 640 acres in Andrews county, Texas, being surveys Nos. 9, 10 and 11, Block A-30 and being the same land as described in deed from J. F. Mahoney to W. J. Duncan dated December 1st, 1913, recorded on deed records of Andrews county, Texas.

Fourth tract: Lots No. 1 and 2 in Block 51 in the South Station addition to the town of Slaton, Lubbock county, Texas, described in the plat of said town record, deed records of Lubbock county, Texas.

Now, therefore, these are to notify all persons interested in said estate to be and personally appear at the next regular term of the honorable county court, to be holden at the court house in the city of Lubbock; on the 2nd Monday in April, A. D. 1920, same being the 12th day of said month, then and there to show cause why such sale should not be made, should they choose to do so.

Given under my hand and seal of office, this 15th day of March, A. D. 1920. SAM T. DAVIS, Clerk, County Court, Lubbock County, Texas.

I hereby certify that the above and foregoing is a true and correct copy of the original citation now in my hands. (Seal) C. A. HOLCOMB, Sheriff, 388

W. W. and E. C. Rix, both of Big Spring, who were here the latter part of last week visiting and transacting business affairs returned to their home Sunday.

Take HERBINE for indigestion. It relieves the pain in a few minutes and forces the fermented matter which causes the misery, into the bowels where it is expelled. Sold by all druggists.

OVERLAND FOUR

This is to certify that on Sunday, February 22, 1920, I drove an Overland Four touring car from Amarillo, Texas to the place of business of the Texas Motor Sales Co., in Lubbock, Texas, a distance of 141 miles, as shown by the speedometer on said car, and only consumed five gallons of gasoline, making an average of more than twenty-eight (28) miles to the gallon of gasoline. This was a new car and had not been driven previous to this trip.

AUBREY COX, Subscribed and sworn to before me, a Notary Public, in and for the county of Dawson, State of Texas, this 9th day of March, 1920.

DIXIE KILGORE, County Clerk Dawson County, Texas. (Seal) 872

Hoover is a very accommodating gentleman. He says he will make the race on any ticket that carries as its platform his ideals. He put a new word in the dictionary, but we do not believe he will ever warm the presidential chair.

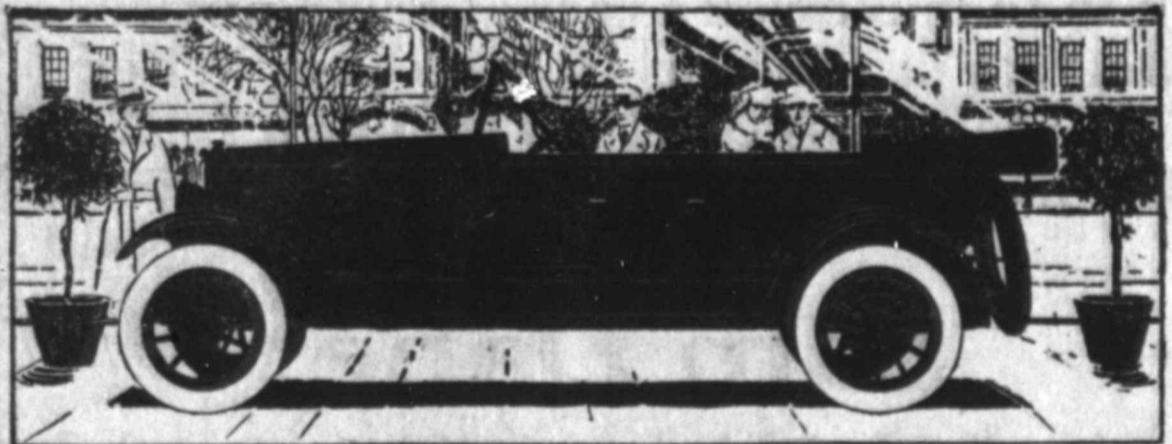

DON'T WHIP!

Stop Lashing Your Bowels with Harsh Cathartics but take "Cascarets."

Everyone must occasionally give to the bowels some regular help or else suffer from constipation, bilious attacks, stomach disorders, and sick headache. But do not whip the bowels into activity with harsh cathartics. What the liver and bowels need is a gentle and natural tonic, one that can constantly be used without harm. The gentlest liver and bowel tonic is "Cascarets." They put the liver to work and cleanse the colon and bowels of all waste, toxins and poisons without griping—they never sicken or inconvenience you like Calomel, Salts, Oil, or Purgatives. Twenty-five million boxes of Cascarets are sold each year. They work while you sleep. Cascarets cost so little too.

CHANDLER SIX

Famous For Its Marvelous Motor

Chandler Leads Because of Its Real Worth

IT is easy to boast and make claims and to so magnify mere incidents that they may appear as mighty events. It is easy to paint in the colors of exaggeration.

Chandler advertising has never carried boasts or unfounded assertions to the public. It has never extolled some single performance as final evidence of superiority.

The Chandler Six is so distinctly the leader among medium-priced high-grade cars because of its own worthiness, which for sales purposes does not need the support of exaggeration.

Chandler worthiness comes primarily, of course, from its great chassis, light, strong and enduring, featured by the famous Chandler motor developed throughout seven years of constant manufacture with no change of type of design, but with refinements and developments which have kept it long strides ahead of any other six.

This isn't a claim. It's a fact, and over sixty thousand Chandler owners would tell you so if you could ask them.

Six handsome bodies, splendidly built and finished, are mounted on the one standard Chandler chassis.

Other cars of some similarity are listed at hundreds of dollars more

SIX SPLENDID BODY TYPES

Seven-Passenger Touring Car, \$1895 Four-Passenger Roadster, \$1895
Four-Passenger Dispatch Car, \$1975
Seven-Passenger Sedan, \$2895 Four-Passenger Coupe, \$2795 Limousine \$3395

\$1.00 size (5 cakes) enough for all farm and out-buildings, storage buildings, or factory buildings.

Sold and guaranteed by COLE-MYRICK HDW. & IMP. CO., CITY DRUG STORE.

Agricultural Department:

W. B. Yearly, Cotton Marketing Specialist of the State Department of Agriculture has returned to Austin from an extended trip of inspection and investigation of cotton conditions over the state, and finds general dissatisfaction among the farmers and business men as to grade and price placed on the cotton by the buyers. Mr. Yearly states that "while the general market price is at the top for the season at interior points, the prices offered, generally speaking, are much below that paid for the staple in November. Men not satisfied with prices paid at home, have shipped to Houston and Galveston, receiving from \$25 to \$85 per bale more than it was offered at points of origin. In numerous cases their cotton is classed two grades below the actual grade; besides the price is cut heavily after the grades have been lowered. There are several Government graders in West Texas, but their grades

are too often ignored. Some towns pay several cents below neighboring towns, claiming the staple around the former towns are shorter than at the latter; but tests do not prove such to be true".

Because of these conditions and a further fact that it is a strain on European customers to buy heavy stocks of cotton which is costing them from 65 to 75 cents per pound for upland, as compared to 12 to 14 cents before the war when money was easy and plentiful, and observing that spinners all over the world attempt to stay out of the market as soon as they can get a few weeks supply, in an effort to lower the price, Mr. Yearly is convinced that the proper thing to do is:

"The farmers to cease selling; have their cotton graded, stapled and listed, and refuse any offer below the farmers' price, which is 45 cents basis middling, 7-8 inch staple. The field force of the department has been hurriedly campaigning the state for three weeks, urging this action, which is being readily agreed to everywhere, as results many offerings have been withdrawn from the market. The effect of which has caused sharp advance in New York and New Orleans, and if continued by the farmers will be felt at every local market as soon as present holdings of buyers can be shipped out and the compresses relieved."

Mr. Yearly says "some farmers and bankers have double 'wants'. They 'want' to sell at once and 'want' the top price. They can get either of their 'wants' but not both. They can sell 'at once', or rather give it away; or they can ignore any price below their own and get it in a few weeks or months. If they will systematically cease selling, 50 cents may look cheap for good cotton in a short time". This is why his advice is to "close up like a clam and let selling cease".

As to bollies and very low grades, they have no class or grade and can only be sold on type. They should be bulked, samples drawn and sent to the ports for bids. This is all any buyer can do, and the President of the local Farmers' Institute can do it as well as the buyer. Quit selling cotton now until you can get the price.

LONG STAPLE COTTON FOUND WHICH GIVES GOOD RESULTS

From Mr. Karper, superintendent of Lubbock Station, we learn that during the past season the Experiment Station here grew 1 1/2 acres of long staple cotton which has proven highly successful. This cotton was of the Durango variety which seems to be well adapted to this altitude and growing under irrigation conditions. This plot of cotton was grown under irrigation from the supplemental irrigation plant on the station and yielded a 541 pound bale of middling

cotton and a 67 pound bale of snapped and bollie cotton to the acre and one-half. This cotton produces a staple of from one and three-sixteenths to one and seven-sixteenths inches in length and brings a premium of from 20 to 30 cents per pound over ordinary cotton. W. T. Williamson, Government Cotton Classifier here, classed this bale as middling with good one and five-sixteenths inch staple, and states it should be worth 80 cents per pound on the New Orleans market. It has been shipped to New Orleans, which is a staple market, for sale.

This experiment has been watched with a great deal of interest by many farmers and it will be tried out from this seed by some another year under different conditions. The station has grown this variety under dry land conditions for several years with varying results. In 1914, a good crop year, it produced 1,460 pounds of seed cotton to the acre, but in unfavorable years it does not do well under dry land conditions. This variety is not recommended generally for dry land but where it can be grown on winter irrigated land or under irrigation it is recommended and even a few acres would yield a handsome profit to the grower.

GIRL KILLED BY HORSE ENROUTE TO PARTY

The seventeen year old daughter of Mrs. Jim Merritt, living a few miles south of Brownfield, was instantly killed last Saturday evening when the horse she was riding fell, the horn of the saddle striking the young lady on the chest.

The girl, accompanied by a boy friend, was enroute to a party to be held that night at a neighbors. The horse she was riding stumbled several times, each time the girl held him up by pulling the reins. From the reports we received, the couple were riding in a gallop when the horse made the fatal fall with the girl. Not a word did she say after the accident.

Funeral services were held at Brownfield Sunday afternoon and interment was made in the Brownfield cemetery.

CHRIS HARWELL SELLS GROCERY BUSINESS THIS WEEK

Messrs. J. B. Pryor and J. W. Deshazo, both well known business men of this city, bought the grocery stock and business of Chris Harwell this week, taking active management of the business Tuesday morning.

Mr. Deshazo has been in the employ of Martin-Wolcott, grocers of this city, for several years and is well acquainted with the grocery business. Mr. Pryor is a pioneer resident of Lubbock. He is a contractor by profession and has done much of the construction work in this city. For several months past he has been doing construction work in the oil field section.

Mr. Harwell informs us that he will retire from active business indefinitely but will remain in Lubbock his home by choice.

Why Suffer?

Mrs. J. A. Cox, of Alderson, W. Va., writes: "My daughter . . . suffered terribly. She could not turn in bed . . . the doctors gave her up, and we brought her home to die. She had suffered so much at . . . time. Having heard of Cardui, we got it for her."

CARDUI

The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at . . . Cardui cured her, and we sing its praises everywhere." We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. E-77

SHEEP AND WOOL GROWERS HAVE MEETING, TUESDAY

A special call of the South Plains Sheep and Wool Growers' Association was held in this city Tuesday afternoon. There were about 25 sheep raisers at the meeting of the Association. George C. Wolfarth, was unable to preside Tuesday and Ura Embry, Cashier of the Citizens National Bank was asked to act in the president's capacity.

Election of officers was the first thing that the chairman called to the attention of the members. A committee of three were appointed to select names of men for the officers and submit at the next meeting. The committee was out only a short time after deciding to reelect all former officers for this year, which was approved by all members present.

The next topic discussed was the purchasing of sacks and strings cooperatively, that is the association to determine the amount needed by the member, to get bids on the whole lot from firms handling those goods. This was also decided favorably upon. All members present Tuesday told approximately the number of strings and sacks that they would want for the season, which was from 2 up to as many as forty for each member. The other members of the association will be sent a postal card upon which they will be requested to state the number of sacks and strings wanted.

Mr. Maedgen, of the Security State Bank & Trust Company, spoke to the members favorably upon the warehouse problem, stating "that he was practically assured the use of the compress at that season" and would know definitely in a short time. This will give the association all the available room they might require for the storage of a half

million or more pounds of wool to be concentrated here this season. The warehouse will be in charge of a man selected by the Secretary-Treasurer, from the commencement of the shipping date until the disposal of the wool. The expense will be borne by the members by a certain percentage deducted from the net amount derived through the sale of the entire wool, this to be apportioned by the amount each man has in storage. The percentage for the ware house and handling will also include the insurance of the wool held while in storage.

Mr. Karper of the Experiment Farm of near this city, spoke to the members of the association Tuesday afternoon regarding the rationing of lambs to produce the best results. From experiments made recently in various portions of this section, it is thought that crushed maize, one of the native crops of this section, is the most valuable feed to fatten lambs for the market.

The sale of the enormous wool crop of this section was set for Saturday, July 10th, the same date of last year's sale, thus giving the men in charge of the warehouse opportunity of placing the different grades in separate piles, resulting in a more efficient sale. The concentration of wool to the Lubbock warehouse cost a nest sum of money last year and the Secretary of the Association, Carroll Thompson, has been in touch with railroad officials and has been assured that concentration rates will apply to this point this season, which will mean a great saving.

Several new members joined the Association Tuesday and all members present paid their annual dues of \$1, which will be due April 1st. In April, the regular meeting of the Association will be held and other matters of importance will be discussed and the bids of the sack and twine dealers will be made known, subject to the approval of the members.

NOTICE BY PUBLICATION IN PROBATE

THE STATE OF TEXAS. To the Sheriff or any Constable of Lubbock County, Greeting:

You are hereby commanded to cause to be published (in a newspaper of general circulation, which has been published continuously and regularly for a period of not less than one year in your county) at least once a week for not less than ten days previous to the return day hereof, copies of the following notice:

THE STATE OF TEXAS. To all persons interested in the persons and estate of Leona Faulk, Ruby Faulk, Woodrow Faulk, V. E. Faulk, Vanita Faulk and W. E. Faulk minors, Edna E. Faulk has filed an application in the County Court of Lubbock County on the 20th day of February, 1920, for appointment as Guardian of the persons and estate of said Minors, which said application will be heard by said Court on the 14th day of April, 1920, at the Court House of said County, in Lubbock, Texas, at which time all persons who are interested in the persons and estate of said minors, are required to appear and answer said application, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this Writ, with

Stop the Loss of Hogs

I believe that two-thirds of the deaths of hogs in this section of the state is from what is called "Cholera" is swine Plague. Several incidents of the past where hogs were immunized for Cholera and later died, with the owner supposing that the vaccine used was a failure, has impressed me of this fact.

Swine Plague

is prone to appear in animals suffering from Cholera; in animals subject to hardships of shipping; in pigs at weaning time; in herds suddenly placed on green corn feed and young animals subjected to exposure.

Symptoms

The animals effected by swine plague are more restless than those effected with cholera and do not have the same tendency to bury their heads in litter.

The ordinary symptoms of swine plague is evidenced by the usual symptoms of pneumonia.

Treatment

Be sure to have the disease diagnosed properly after which inject one or more doses of swine plague bacterin. With this treatment and proper care should result in the recovery of the larger percentage effected animals, however proper diagnosis is first essential in treatment of all diseases.

SANTA FE SUPT. COMMENTS ON LUBBOCK BLDG.

"I believe that it would be more to the advantage of the citizens of Lubbock and to the City itself, if a lot of the money now being put into the building of health institutions, railroad activities, etc., was spent in the erection of homes for the people who are here now and who want to make Lubbock their home", says F. J. MacKie, Supt. Superintendent of the Panhandle and Santa Fe who was in our city today attending to business matters. Probably one of the reasons for Mr. MacKie has for his opinion on this matter is the fact that he has been trying to secure a home in our town for himself and family, and has met with the usual conditions that has effected the growth and development of the city during the past several months.

Mr. MacKie believes that \$100,000.00 spent today in the creating of a loan association for the purpose of building homes in the city would be one of the best things to which that amount of money could be applied at this time. Mr. MacKie has been Superintendent of the Slaton division only a few months coming here from Wellington, Kansas, where his family is now living. He informs us that at last he may have found living quarters here after these months of hunting and will probably make his home in our city in a few weeks.

A pain in the side or back that catches you when you straighten up calls for a rubbing application of BALLARD'S SNOW LINIMENT. It relaxes the contracted muscles and permits ordinary bodily motion without suffering or inconvenience. Sold by all druggists.

R. B. Ingle, formerly an employee of the Avalanche, whom we heretofore reported moving to Brownfield has since that time changed his mind and authorizes us to say that his home will be in Ralls in the future.

7606 Platt Ave. Cleveland, O.

Dealers Note—The Magnolia Petroleum Company distributes the Puritan in your territory. Complete stocks are available at convenient points.

SAYS WAREHOUSES WILL SOLVE COTTON MARKETING

Now that the railroads of the country are in a position to accept shipments of cotton and the compress plants are up with their work and anxious for more we find that there is no movement of the apparent surplus crop of this section. Buyers on the local market say that they are unable to sell for the reason that most all the mills are buying for immediate use and not storing as was formerly practiced. The mills find it very expensive to handle much cotton in storage now when it is valued at \$200 per bale unlike when a saving was made by storage of cotton sold on the market at \$50 per bale. "There will never be the storage of large quantities of cotton again" says W. T. Williamson, Government Cotton Classifier, "and this will have a tendency to uphold the prices to their present scale". Mr. Williamson believes that the farmers with the aid of the Federal Reserve Banks will be in a better position to hold their cotton and sell only a percentage of one year's crop monthly instead of selling the whole crop as soon as gathered, than the mills who find it too expensive under present conditions. He says that the Government is actively working upon a proposition to have a Farmers' Co-operative selling organization especially wherever there is a Government Cotton Classifier and to arrange for these farmers to own their own warehouse, say one in each county served by the Classifier. When the warehouses are complete and the farmers are unwilling to sacrifice their cotton on local market conditions, it can be stored in the warehouse and classed by the Government Classifier upon which the Federal Reserve Banks will loan money at a low rate of interest. With this aid it is the purpose of the Government to help the farmers scatter their selling seasons throughout the year, thus not overloading the mills which means with several years of good crops the prices will fall again to their low scale. In effect the plan seems to have for its purpose the idea of showing the farmers that cotton held and sold through different periods of the year will be as paying as the selling of the crop early and buying stock are other essentials of the farm.

A Government warehouse man is expected in Lubbock real soon and this proposal will be discussed with the farmers.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lubbock County—Greeting:

You are hereby commanded to summon J. B. Burnam and the unknown heirs of J. B. Burnam and Minnie May Burnam, Willie Collins (whose husband is F. M. Collins), Minnie Smith, (whose husband's name is L. H. Smith), Willie Burnam, Jim Burnam, Gid Burnam, and Floyd Burnam and F. M. Collins and L. H. Smith, by making publication of this citation once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District; to appear at the next regular term of the District Court of Lubbock County, Texas, to be held at the Court House thereof, in Lubbock, Texas, on the 2nd Monday in June, A. D. 1920, the same being the 14th day of June, A. D. 1920, then and there to answer a petition filed in said Court on the 15th day of January,

J. I. Case Implements and Wallace Tractors

We now have a full line of the famous J. I. Case line of farming implements. This is the first time that this famous line has ever been represented in Lubbock.

We want you to see the MODEL B, and the NON-SKID Lister on our floor. These two listers furnish you a great many features and adjustments that is not acquirable on other listers. Easily adjusted and much lighter of draft than is thought for.

We have the NEW Seat Guide Cultivator, with four and six shovels, which is a wonder in the construction and operation of a cultivator. See these new cultivators before you make your spring purchases. They are worth your time and inspection.

You will find the J. I. CASE LINE in full with us, and in this line of farming implements there is an implement for every farmer, and of just the size and style he is wanting.

R. A. Rankin & Sons

Lubbock, Texas.

Mr. R. C. King Tells a Wonderful Story About Rats. Read It.

"For months my place was alive with rats. Losing chickens, eggs, feed. Friend told me to try RAT-SNAP. I did. Somewhat disappointed at first not seeing many dead rats, but in a few days didn't see a live one. What were not killed are not around my place. RAT-SNAP sure does the trick." Three sizes, 25c, 50c.

\$1.00. Sold and guaranteed by Cole-Myrick Hdw. & Imp. Co., and City Drug store.

Farmers and others who live at a distance from a drug store should keep in the house a bottle of BALLARD'S SNOW LINIMENT. It may be needed at any time for cuts, sores, wounds, sprains or rheumatism. It is a powerful healing and penetrating remedy. Sold by all druggists.

Lubbock, Texas

A. D. 1920, in a suit numbered on the docket of said Court, No. 1316, wherein Liff Sanders, is Plaintiff, and J. B. Burnam, and the unknown heirs of J. B. Burnam, and Minnie May Burnam, Willie Collins, (whose husband's name is F. M. Collins), Minnie Smith, (whose husband's name is L. H. Smith), Willie Burnam, Jim Burnam, Gid Burnam, and Floyd Burnam, F. M. Collins and L. H. Smith, are defendants, the nature of plaintiff's demand being as follows:

Plaintiff alleges that on or about the 1st day of January, 1920, he was lawfully seized and possessed of the following described premises, situated in Lubbock county, Texas, holding and claiming same in fee simple, to-wit:

Being all of lot No. seventy-nine (79), of the Markowitz subdivision of block 79, of the Roberts & McWhorter Addition to the town of Lubbock, Lubbock County, Texas.

That on the day and year last aforesaid, defendants unlawfully ejected plaintiff therefrom, and unlawfully withheld him from the possession thereof, to his damage in the sum of two hundred dollars, that being the reasonable annual rental of said lands.

For further cause of action against each and all of said defendants, the plaintiff represents that heretofore, to-wit: On or about the 15th day of September, 1917, the defendant, J. B. Burnam, made, executed and delivered to the plaintiff, his certain note for the principal sum of \$250.00 containing the usual provisions, found in Vendor's Lien notes. That said note was given for a part of the purchase price of the above described property, and that no part of same has been paid and is long past due. That said note was given and a Vendor's Lien retained in deed of date Sept. 15th, 1917, given by Plaintiff to the Defendant, J. B. Burnam.

Wherefore, plaintiff prays that the said defendants be cited in person and by publication, as provided by law; and that upon final trial judgment be rendered for the title and possession of said property against the defendants herein and that the cloud or clouds upon said title be cleared; and that plaintiff be quieted in the title and possession of said land, premises and improvements. Plaintiff further prays that judgment be rendered for his debt, interest, attorney's fees, and costs of suit, and a foreclosure of his lien on said land and that same be decreed to be sold according to law and the officer executing said writ, place the purchaser thereof in possession of same within 30 days; and for such other relief, special and general, etc.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal at my office in Lubbock, Texas, this 6th day of March, A. D. 1920.

SAM T. DAVIS

CENTER NEWS ITEMS OF THE PAST WEEK

Everyone was certainly glad to see a little rain instead of so much sand. Mr. W. A. Duncan was around taking the school census last week. Mr. Jack Parrish of Hale County, was in this vicinity Wednesday and Thursday looking after business matters. Mrs. Baker and baby Joe, returned home from the sanitarium Friday afternoon.

The baby had been there for treatment for more than a week, but is doing nicely now.

Edgar Abney was seen in Lubbock Thursday. E. A. Abney of Badger Lake, motored through here one day last week.

Mr. Daniel Myers was in Abernathy Thursday.

Mr. Guy Myers was at the home of his parents, Mr. and Mrs. N. A. Myers, Friday.

Earnest Jones was in Abernathy Thursday with a bale of cotton.

Mr. Ode Holley happened to an exciting little accident Thursday afternoon, when it was thundering and lightning his team which he was working to the lister, got excited and ran away with him; although nothing serious has been reported.

Mrs. George Baker was seen in Abernathy Friday.

Miss Erma Goeth was a pleasant caller of Miss Louelle Baker Wednesday. She reports a real nice time.

School is still progressing very nicely and is gradually increasing in number.

Those who were in Abernathy Saturday were Messrs. W. A. Dunn, Felix Goebel, Brooks Taylor, Rudolf Fuchs, Richard Rilken, Tom Cunningham and two sons, Lewis and Claude, N. A. Myers, Marvin Struve, Earl Bowley and mother, Charles Goeth and wife and Miss Emma Abney.

Robert Myers took a bale of cotton to Lubbock Saturday for his brother Guy. Mrs. E. F. Taylor has been ill for the past week but seems to be better at this writing.

Born to Mr. and Mrs. Gpy Myers, a big baby girl, March 12th. Mother and baby are both reported to be doing nicely.

R. W. Bowley and wife, Earl Bowley and wife, Mesdames R. Rilken and John Shradeh, were callers at the Guy Myers home Sunday afternoon.

Mr. Bill Emery and family were callers at the W. D. Haney home of Badger Lake, Saturday evening.

Mr. Von O'Neal motored through here one day last week.

Messrs. D. W. Williamson and E. A. Abney of Badger Lake, were in this section one day last week buying some horses. Miss Emma Goeth entertained several of the young people of this vicinity Sunday. Those present were: Misses Carrie Mae, Alma and Louelle Baker and Addie Bowley; Messrs. Ewald Fuchs, George Baker, Henry and Dick Habbinga and Willie Bowley. The day was spent very rapidly. A real nice dinner was served and several snapshots were taken in the afternoon.

A real nice singing was enjoyed at the R. W. Bowley home Sunday evening, but we are very sorry to say that this is the last one that we will get to enjoy there unless they decide to move back to this country. Their departure will mean a great

loss of liveliness to the community.

Those present were Messrs. Dick, Henry and H. Habbinga, George Baker, Trix Carr, Cecil Norwood, E. Rilken and family, Herbert and Raymond Goeth and Winburn Williamson; Misses Ara Karr, Erna and Tonie Goeth, Louelle, Alma and Carrie Mae Baker, Emma, Martha and Madge Abney and Mrs. John Shradeh.

Mrs. W. D. Emery visited the Bill Emery home one day last week.

Messrs. Tommie, Carrie and Cecil Norwood and Jessie York motored through here Sunday.

Miss Tonie Goeth spent Sunday with her cousin, Miss Carolina Fitch.

Misses Fay, Erell, and Minnie Dunn were callers of Misses Pauline and Ruth Baker Sunday afternoon.

AN INTERESTING BATCH OF NEW HOPE NEWS

We are having some real cool weather just now.

Some of the young people enjoyed a singing at the home of Mr. and Mrs. J. C. Cromer last Sunday night.

Mr. Moody Smith and sister of Lubbock, visited at the Emms' home Sunday.

Mr. S. P. Eoff and sons, Messrs. Calvin and Ealy were in town Saturday.

Mr. and Mrs. W. D. Dryden and children visited Mr. and Mrs. Bourland Sunday.

Mrs. Emms spent Tuesday afternoon with Mrs. S. P. Eoff.

Mr. S. D. Stewart was a Lubbock visitor Saturday.

Miss Mae Cowart and Mr. Eiland Ribble of the Carlisle community attended the picture show at Lubbock Saturday night. They report an enjoyable time.

Miss Johnson of Dalhart, is visiting her grandparent, Mr. W. W. Nunley.

Mrs. W. D. Dryden visited Mrs. S. P. Eoff Monday afternoon.

Miss Blanche Emms and brother, Clarence, were in town Saturday afternoon.

Mr. and Mrs. Hood of the Shallowater community, were visiting Mrs. Hood's sister, Mrs. Bourland, Saturday night and Sunday.

Mr. and Mrs. W. D. Dryden were in town Saturday afternoon.

Mr. W. W. Nunley and son Henry, were in Lubbock Monday.

Mr. and Mrs. Barber visited Mrs. Barber's sister, Mrs. Bourland, Sunday.

Miss Githie Nunley and niece, Miss Johnson, visited Mrs. Jim Nunley, Monday.

Mr. S. D. Pate has begun improving his place, having put out an orchard and drilled his well.

Mrs. S. P. Eoff and daughter, Miss Vinetta, visited at the home of Mrs. Emms Friday afternoon.

Miss Clara Dryden was absent from school Friday.

Mr. Gus Haven was in town Saturday.

Mr. T. B. Duggan came out to Mr. Emms' place Friday afternoon to see about his cattle.

Mr. and Mrs. M. Rhoades were in town Saturday afternoon.

Mr. S. P. Eoff was a Lubbock visitor Wednesday morning.

Mr. and Mrs. M. Rhoades visited Mr. and Mrs. Bourland Sunday afternoon.

Mrs. Ness, of Justiceburg, was here the first of this week visiting her sister, Miss Lois Nance, who is in the sanitarium here for treatment.

Mrs. Rex, Lotspeich, of Crosbyton, who has been visiting with her parents here for a few days returned to her home Monday.

Ross Renfro of Terry County is here this week attending the bedside of his wife. She recently underwent an operation in a local sanitarium.

Messrs. Thomas and Stoes of Tahoka were here this week attending to business matters. Come to Lubbock.

Brunswick Principles In Fine Tire Making

The reason you are interested in the name on your tire is that it identifies the maker. By knowing the maker you can judge his ideals of manufacture.

The only secret of a super-tire lies in the principles of the maker. His standards decide the quality. For there are no secrets in the tire industry.

What you get depends on what is behind the name on your tire. Brunswick, as you know, means a very old concern, jealous of its good name. Since 1845 the House of Brunswick has been famous the world over for the quality of its products.

The Brunswick Tire is all that you expect—and more. Your first one will be a revelation. You'll agree that you've never known a better. And you'll tell your friends. So spreads the news among motorists. The Brunswick is the most welcome tire that ever came to market.

Try one Brunswick Tire. Learn how good a tire can be built. And remember, it costs no more than like-type tires.

BLED SOE NEWS OF THE PAST WEEK

Mrs. Rena Foister, of Floydada, has been visiting Mr. and Mrs. Rhea the past two weeks.

Ercell and Lloyd Givens have been quite sick for several days. They had chicken pox and mumps, but are improving fast.

Mr. S. A. Poole and son Joe, were shopping in Lubbock Friday.

Miss Mabel Becton spent Wednesday night with Miss Elizabeth Reid.

Mr. A. C. Mickey moved from our community this week. We regret very much to see them go, but wish for them happiness in their new home.

The farmers were very glad to see the shower Thursday afternoon and night.

Mr. J. C. Ervin and B. F. Day were shopping in Lubbock Tuesday.

Mr. Bledsoe moved his threshing machine home the last of the week.

We are very sorry to state that Mr. George Brown, who is in the Lubbock Sanitarium this week, is very sick.

Mr. Bennett Butts from New Mexico, is visiting with Mr. and Mrs. W. L. Rhea a few days this week.

Bertie Mae Poole visited Vera Penney one night this week.

Mrs. Eddy is with her daughter, near Center, this week.

Mr. and Mrs. Harry Rhea were at the post office Thursday morning.

Mrs. Rhea visited with some of the school girls a few minutes, while in the community.

Miss Sibyl Furgeson attended a singing at Mr. Havenhill's Sunday night.

J. O. Day Jr., and Ray Furgeson were at Petersburg Friday afternoon.

Mr. Sherry and family, from Wood county, moved on the Earvin place last week.

Mr. and Mrs. J. O. Day took the scholastic census this week. There were eighty-eight pupils enrolled this year.

Miss Eva Poole visited school Tuesday afternoon.

Miss Berta Poole has been very kind to assist the school children in preparing the musical part of the literary programme.

Mr. Kyle was transacting business in Lorenzo Friday.

Miss Margie Lyon and Mrs. Luce are both visiting at home this week-end.

Mr. J. O. Day went to Petersburg Saturday afternoon.

Mrs. W. E. Bledsoe and sister, Mrs. Geo. Brown, went to Lubbock last Saturday to see Mrs. Bledsoe's niece, Miss Thelma Jones, who underwent an operation for appendicitis.

Mr. Shockley and family visited at Mr. Parrack's last Wednesday afternoon.

Mrs. Brown is in Lubbock this week, attending the bedside of her husband.

Mr. Dewey Earvin of Lubbock was visiting Mr. Shockley's the latter part of the week.

Mr. and Mrs. Frank Bledsoe were in Lubbock Saturday.

Mrs. Wiley Sowell, of Hereford, accompanied by her father, was here this week to attend the funeral of Mrs. S. D. Johnson.

Frank Baker, formerly a banker of Floydada, was here this week a short time transacting business.

We weld anything except a "broken heart"—Lubbock Welding Co.

NEW ITEMS FROM TERRY COUNTY HERALD

Mrs. J. L. Randal was a Lubbock passenger Wednesday to visit her daughter, Mrs. Percy Spencer a few days, before the latter leaves for Mississippi on a visit.

Several of the New Meadow school boosters were here this week and informed us that the box supper there recently netted them about \$180.00, which will go on a well and if any is left over, will be used in buying lights.

A trade was consummated last week wherein A. B. Cook & Son purchased the grocery stock of Barrier Bros., invoiced and took charge of same this week. Note their ad in another portion of this issue and we ask that you go around and see them. Barrier Brothers will do an exclusive dry goods business.

Mr. Stockton Henry came in this week after a long siege of the flu in his family, to open a furniture and racket store advertised some time ago. His family will move down a little later, and we heartily welcome this new business and firm to our town. Note his opening ad elsewhere in this paper.

Mr. May, manager of the Cicero Smith Lumber Company of Lubbock, was down this week on business. He was accompanied by one of the nurses at the Lubbock Sanitarium, who visited Mrs. Stricklin while here, and requested that we call no names as that might subject her to undergo the third degree if the doctors found that she was not asleep that day as she was supposed to be.

Friday of last week at Odessa, where the case of Asa Rutland was being tried, the jury returned a verdict of guilty, and a sentence of 35 years in the penitentiary was assessed against him. Rutland was charged with the murder of Claude Hearrel on January 14th at Midland. This case was moved from Midland to Odessa. It is understood that his attorneys expect to file an application for a new trial.

Frank Latty a few days ago sold three sections of land to Sam King of Gainesville. Mr. King also purchased the Brashear section adjoining Mr. Latty's land. Mr. King already owns 30,000 acres of land in that portion of Gaines county.

Mrs. Mattie Trimble will leave the latter part of the week for Lubbock, where she will receive medical treatment in a sanitarium at that place. Mrs. T. I. Harwell will accompany her.

Some items from the Seminole Sentinel.

Mr. Business Man---Mr. Lawyer---Mr. Banker

Do You Know

All the fire hazards in your building? How long your records would last, if your building were to burn tonight?

Would your safe vault protect your records one hour against intense heat? The average duration of a fire is two hours. Over fifty per cent of iron safes have failed to protect their records.

Could you make a satisfactory settlement of insurance? Could you resume business promptly without your records? Your records are your business the day after the fire.

Are They Protected? We Do Not Know Probably You Do Not KNOW

Let us tell you of the hundreds of iron safes that have lost the records of man's life work. Let us show you the pictures of vaults that have lost whole railroad systems, their records. Let us tell you what these corporations are now doing to protect their records.

A special man will make recommendations.

SCOTT'S EMULSION

regularly. It is an essential factor in the health records of thousands of children. Given regularly, with or after meals, it helps keep them in normal weight, vigorous and spirited.

Try SCOTT'S for your boy or girl. The Norwegian cod-liver oil used in Scott's Emulsion is superior in our own American Laboratories. Its purity and quality is unsurpassed. Scott & Bowne, Bloomfield, N.J. 19-31

D. C. Vaughn, of Wichita Falls, is here this week visiting homefolks.

TEACHERS SALARIES WILL BE RAISED 25 PER CENT

Apparently the trustees of the Lubbock City Schools have decided that the salaries of their teachers should at least be equal to those of porters, etc., as they have practically assured the teachers a raise of at least 25 per cent. for the coming contract for the 1920-21 school term. This action was taken by this progressive board at a recent meeting. Teachers now are receiving a salary from \$85 a month up to \$135 while under the contract for 1920-21 they will receive from \$108 per month to \$175, thus a nice increase, if this board can fulfill their plans. Lubbock schools are demanding a great deal of "financial work". They are 32 teachers now employed and this amount will be raised to at least 36 to care for the increase in the growing school. In order to finance the school this year the board were compelled to cut down the sinking fund nearly four thousand dollars. With the proposed increase in teachers' salaries and the additional teachers the present fund of about \$39,000 a year will have to be raised up to \$50,000 within the ten miles radius termed the "Lubbock Independent School District".

Whether the board is contemplating their present plans on supposition that the 50 cents minimum tax shall be done away with is not

SADDLES AND HARNESS

Manufacturer of High Grade Cow-Boy Saddles

Phillips Building, First Door East Lindsey Theatre

known, but if this does fail, valuation of the property in this district, now placed about five million dollars will be raised to eight million in order to successfully carry on their proposed plans and progressiveness of the schools. This means in effect that the valuation of property through the latter source of more revenue will mean an increase of 58 per cent. increase of property valuation. Some think that this amount is conservative, believing that acreage property has increased in value this year at least \$20, and upward.

The present board of trustees are also planning to secure a teacher for the negro and mexican children of the city as this population has grown rapidly during the year. The State pays \$7.50 per scholar of negroes and this board thinks that funds will be available to carry on the school in 1920-21. The negro church building is probably where the school will convene.

NOTICE OF DIRECTORS MEETING P. S. L. RY. CO.

Notice is hereby given to the directors of the Panhandle Short Line Railway Co. that a special meeting has been called to meet in Dalhart, Texas, on the 27th day of April, 1920, for the purpose of amending the charter, to build a branch line from Lubbock, Texas, to a point on Red River in Clay county as ordered by the stockholders, to increase the capital stock from three hundred thousand (\$300,000.00) dollars to six hundred thousand (\$600,000.00) dollars. To change the location of the principal office from Dalhart, Texas, to Wichita Falls, Texas, and create a bond issue of thirty-two million (\$32,000,000.00) dollars, all as ordered by the stockholders in a meeting that just adjourned prior to this meeting of the said directors, and to transact any other business that may come before the board at that time.

W. A. PRITCHARD, Secretary,
E. G. COOK, President. 359

Notice of Stockholders Meeting Panhandle Short Line Ry. Co.

Notice is hereby given to the stockholders of the Panhandle Short Line Railway Company that a special meeting has been called of said stockholders to meet in Dalhart, Texas, on the 27th of April, 1920, for the purpose of authorizing an amendment to the original charter of the Panhandle Short Line Railway Co. to provide for the locating, constructing, owning and operating a branch line of the road from Lubbock, in Lubbock county, Texas, and extending through the counties of Lubbock,

Crosby, Dickens, King, Knox, Baylor, Archer, Wichita and Clay to a point on Red River in Clay county, the same being on the State line between Oklahoma and Texas.

Also to authorize an increase of the capital stock from three hundred thousand (\$300,000.00) dollars to six hundred thousand (\$600,000.00) dollars, change the location of the principal office from Dalhart, Dalham county, Texas, to Wichita Falls, Wichita county, Texas, and authorize and order a bond issue of thirty-two million (\$32,000,000.00) dollars, and for the transaction of any other business that may be brought before the meeting.

W. A. PRITCHARD, Secretary,
E. G. COOK, President.

The Rix Furniture and Undertaking Company of this city are having a garage, 25 by 60, erected across the street from the Neil Boarding house. The garage, we are informed, will be used for the storage of their trucks and other cars.

OVERLAND FOUR

Lubbock, Texas, Feb. 23, 1920. This is to certify that on Sunday, February 22, 1920, I drove an Overland Four touring car from Amarillo, Texas, to the Texas Motor Sales Co.'s place of business, in Lubbock, Texas, a distance of 141 miles, as shown by the speedometer on car, and only consumed five gallons of gasoline, making an average of more than twenty-eight miles to the gallon of gasoline. The car was new and had never been driven before.

BRYAN B. COX
Subscribed and sworn to before me, a Notary Public, in and for the county of Dawson, State of Texas, this, the 9th day of March, 1920.
DIXIE KILGORE,
County Clerk Dawson County, Texas.

The Happiest Hours of the Day

You're home from work and you're tired—then's when you realize consciously or unconsciously what a wonderful thing a comfortable attractive home really is. Yes, and remember, your wife spends much more time in this home than you do.

Maybe your home isn't exactly as attractive or comfortable as you would like it to be. If not, interior improvements will make it so. Put in some beautiful hardwood floors, add some spacious windows and a fireplace, refinish the woodwork so that it will harmonize better with your furniture.

We'll be glad to plan with you for any additions or changes. Our stock of Southern Pine, Oak, Oak Flooring and California White Pine is adapted to the best interests. See our plan books.

ASPIRIN FOR HEADACHE

Name "Bayer" is on Genuine Aspirin—say Bayer

Insist on "Bayer Tablets of Aspirin" in a "Bayer package," containing proper directions for Headache, Colds, Pain, Neuralgia, Lumbago, and Rheumatism. Name "Bayer" means genuine Aspirin prescribed by physicians for nineteen years. Handy tin boxes of 12 tablets cost few cents. Aspirin is trade mark of Bayer Manufacture of Monaca, side of Salicylic acid.

Mrs. M. C. Holland of Bryan, Texas, arrived in our city recently and will likely spend the summer here with her sons, R. A. and I. F. Holland.

LUBBOCK MAN TO ATTEND R. R. OFFICIAL MEETING

L. H. Hungate, traffic inspector of the Slaton division of the Panhandle & Santa Fe railroad of this city, will leave Saturday for Denver, Colorado, where a meeting of the various officials of this road has been called. The meeting of the various officials of the entire Santa Fe system, from the Pacific Coast in California and north to Chicago, including all lines usual event and according to Mr. Hungate, under the system, is an annual meeting, it is one of the important meetings held by the system.

Plans will be worked upon at the Denver meeting among the agents and traffic managers to withstand the great loss to the company through the loss and damage of freight while in the hands for shipment. Every year new means and ways are discussed from the viewpoint of actual experience and when these plans appear to be workable they then become a part of the system. Mr. Hungate will attend this meeting probably with an agent of the Slaton division.

I am at your service with a good service car. Phone 475, when you need a car. W. H. Wilkison. 362p

U. S. ARMY MAJOR HERE ON INSPECTION TOUR

Major H. W. Crimmins, 26th Inf., U. S. Army, was in Lubbock Wednesday the 10th, inspecting the headquarters of the 10th Infantry, National Guard of Texas. Major Crimmins is now on a tour of inspection of the different units of the 10th Infantry.

The 10th Infantry regiment is commanded by Clark M. Mullican of Lubbock, formerly Colonel of the 144th Infantry of the 36th Division. Colonel Mullican has recently transferred his headquarters here from Dallas and has located his office in the Citizens National Bank Building. Sergeant-Major George C. Van Dam is directly in charge of the office work of the headquarters.

Colonel Mullican is just in receipt of a General Order from the office of the Adjutant General of Texas directing General John A. Hulen of Houston, Texas, to proceed with the organization of the 1st Division of Cavalry, National Guard of Texas. General Hulen was a Brigadier General commanding the 72nd Brigade of the 36th Division during the war. He will command the new Cavalry Division of Texas with the rank of Major General.

The organization of the Cavalry Division will make the position of Texas distinctive in the military establishment of the nation. This division will constitute the whole of National Guard Cavalry for the United States and will be the bulk of the Cavalry strength of the Army. The rank of Major General is also distinctive as very few states in the Union have been authorized to raise a full Division and create that rank. The War Department feels that the Texas, by environment, is a natural cavalryman. His knowledge of horses and horsemanship should make of him the finest cavalryman in the world. Texas is also the logical state in which to maintain Cavalry as long as our neighbor to the Southwest persists in blindly overriding the boundary line. Should Border Protection or Invasion become necessary, the first sweep would be made by the cavalry.

One regiment of Artillery, armed with the 75 millimeter field piece, is authorized. All auxiliary troops, trains, etc., will be motorized. A battalion of the famous Tanks is also authorized, Texas being one of three states to maintain a Tank organization.

The three Infantry Regiments of the Guard will be transferred into the Cavalry. No infantry will be maintained by Texas in the future. Colonel Mullican states he daily expects the order transferring his regiment into the new Cavalry Division. Many changes will probably occur. A full regiment may be organized in the Panhandle. Colonel A. W. Bloor, who commanded the 142nd Infantry of the 36th Division, will probably command the new Cavalry Brigade created by the transfer of the three Infantry regiments.

CANYON HIGH SCHOOL NOTES FOR MARCH 2, 1920

Our school is progressing very nicely and everyone is learning very fast.

Our school started at first with about forty pupils and now we have about one hundred.

Miss Ora Lewellan started to school last Monday week.

The girls and boys have been very busy with their athletic suits and they have been pulling good practice.

We had three very interesting basket ball games last Friday and we are very glad to say Canyon won all three victories. Hurrah for Canyon. Lubbock and Canyon and Canyon and Idalou were the boys. The girls' game was very interesting. It was Canyon and Lubbock.

Our social center met last Friday week and it was an old time spelling match. The school pupils spelt and finally W. D. Sides was the champion. After this the old folks had a spelling match. They used the old blue back speller and Mrs. Nix was the champion speller.

We are going to have a pie supper Friday night, March 19th. Everybody come.

We are planning for a lyceum attraction here this summer and I think we will succeed in getting it.

Those that were absent from school Thursday and Friday were Maud Hufstetler and Una Webb.

Miss Rena Stricklin has quit school and we all are very sorry of her absence. Dossie started back to school.

Our social center will meet the first Friday night in April.

Little Otis Taylor has been out of school the last week on account of illness in the family.

Alice Bayers is back in school after having the flu.

Farmers—Bring those broken parts on your implements, gas engines, automobiles, etc., to us, we will weld them and guarantee them never to break. Save time and money. Lubbock Welding Co. 304f

Messrs. Arthur Lay and Loraine Quinn of Lorenzo were business visitors here Tuesday.

FLOYD COUNTY FARMERS REPORT FINE PROSPECTS

E. C. King and I. A. Manning of Floyd county, were here Tuesday looking after business matters and visiting with old friends. They report everything in fine shape over Floyd way, Mr. King states that he had been a resident of Floyd county for fifteen years and that he had the best prospects this year for a wheat crop that they had ever had. There is quite a good acreage planted to wheat this year and there will be a bit of spring wheat and the oat crop will also be good.

Habitual Constipation Cured

In 14 to 21 Days
"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 25c per bottle.

Mr. and Mrs. Will Downing of Brownfield were here the latter part of last week visiting at the home of Mrs. Downing's sister, Mrs. W. W. Royalty.

PERFECT HEALTH IS EVERY WOMAN'S BIRTHRIGHT

Houston, Texas.—"I was in a terribly run-down condition of health after a case of ptomaine poisoning, and then the influenza. I could not seem to regain my strength and was really not able to do my housework. I knew I needed a good tonic and builder and remembered how my folks used to regard Dr. Pierce's remedies in my girlhood days, and then I decided to take Dr. Pierce's Golden Medical Discovery. I am now taking the second bottle and it is doing me a world of good. My strength is returning rapidly and I feel better in every way.

"I am glad indeed to recommend the medicine that is doing me so much good and do not hesitate to give this statement."—Mrs. GERTRUDE SELLS, 2117 Common St.

Beaumont, Texas.—"One of my sisters became quite a sufferer periodically and would have fainting spells. She doctored but did not improve. Then, three years ago, a friend advised her to try Dr. Pierce's Favorite Prescription. It helped her right away and she has been in a healthier condition ever since that time. I would never hesitate a moment in recommending Dr. Pierce's Favorite Prescription to all young girls who suffer, I have such great confidence in it, seeing how it helped her."—Mrs. MARY E. BRAMMER, 1970 Harrison Ave.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth.

WOMEN'S HOME ECONOMICS SHORT COURSE A SUCCESS

Except, perhaps, in point of attendance, the Home Economics Short Course held at the Lubbock High School building on Thursday and Friday, March 11 and 12, was a very successful one.

The local details of this short course were under the management of Miss Milla M. Halsey, County Demonstration Agent, assisted by the Twentieth Century Club of Lubbock. The lectures and demonstrations were all given by specialists from the Extension Service of the Agricultural and Mechanical College of Texas.

A brief summary of the work: The program opened Thursday morning at ten despite the sand storm. Miss Elma B. Taylor, Home Economics Specialist of the Extension Service, gave a lecture and demonstrations on "Child Feeding and School Lunches." She showed types of food for children of different ages from one to five years of age and several types of school lunches, stressing the fact that every child under

12 years of age should have at least one quart of milk each day.

In the afternoon, Mrs. Dora R. Barnes, District Home Demonstration Agent, gave a lecture and demonstration in soap making, making hard soap by the cold process. This demonstration was a time saver in method and also showed the saving of waste fats or drippings often allowed to go to waste.

Miss Elma B. Taylor then gave an illustrated lecture on "A Good Home."

Mrs. Maggie W. Barry, of the Extension Service and specialist in women's work, then gave a lecture, "An Agricultural Program for 1920."

Friday's Session

Mrs. Maggie W. Barry spoke to student body in chapel on, "Story of an American Boy."

Lecture and demonstration on textiles by Miss Elma B. Taylor.

Mrs. Dora R. Barnes gave a lecture and demonstration on "Appropriateness in Dress," using a number of high school girls as models. This proved very interesting to all.

In the afternoon Mrs. Barnes gave a lecture and demonstration on the use of commercial patterns.

Miss Elma B. Taylor, an interesting and instructive lecture on, "Furnishing the Home," dealing especially with color and design.

Mrs. R. P. Robbins of the State Pure Food and Drug Commission, failed to arrive for her part of the program, so Mrs. Barnes took the last period to give a brief history of "Home Demonstration Work." Beginning as Girls' Canning Club work in three counties in Virginia, and one county in North Carolina in 1910 the work has grown to the extent that it covers every state in the Union and last year there were enrolled in it over three and one-half million girls and two million women. The term "Home Demonstration Work," includes every phase of home making, poultry, dairying, gardening, canning, cooking, food, clothing, furnishing and beautifying house and grounds, etc. Mrs. Barnes closed with a plea for closer co-operation in carrying on this work in our county. When she had finished a number of women expressed themselves as having been greatly benefited by the two days' short course and hoped it could be repeated another year.

The treat for all the women and their friends was the lecture by Mrs. Maggie W. Barry—lecturer of note—for twenty years with department of engineering of Kidd-Key College, Sherman, now with Extension Service of A. & M. College. Her subject was "Poetry in the Home and in the School."

The Quinine That Does Not Affect the Head
Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember the full name and look for the signature of E. W. GROVE.

Messrs. Q. L. Parrish, B. W. Mitchell and T. C. Mathews of Crosbyton were here a short time last Saturday.

San H. Weaver and family spent last Sunday in Yoakum County visiting with friends.

NO MORE RATS

or mice, after you use RAT-SNAP. It's a sure rodent killer. Try a Pkg. and prove it. Rats killed with RAT-SNAP leave no smell. Cats or dogs won't touch it. Guaranteed.

25c size (1 cake) enough for pantry, kitchen or cellar.

50c size (2 cakes) for chicken house, coops, or small buildings.

We Believe in Boys

A STATEMENT WE ARE GOING TO PROVE

This bank is going to finance every worthy boy in this community so that he can go into the business of raising THOROUGH-BRED hogs.

We insist that hogs like these—THE INTERNATIONAL GRAND CHAMPIONS, and worth a small fortune—can be raised by the boys in this community.

All the boys will have to do is to agree to feed the hogs along lines laid down by the U. S. Department of Agriculture or Farm Demonstrator and to exhibit them. We will loan any worthy boy or girl enough money to purchase a thoroughbred pig which will start them in the most profitable business in the world.

NEWS HAPPENINGS FROM CANYON COMMUNITY

Mr. and Mrs. G. T. Crawford entertained the young folks with a party Saturday night.

Mr. and Mrs. Hawkins, Mr. and Mrs. Kimmel and baby, were Lubbock visitors Wednesday.

Miss Una Webb was very sick last week.

Mr. Abner Sides made a business trip to Van Zandt county the past week.

The school doors were opened Monday afternoon to the members of the county board of trustees and other parties. The opening address was by Judge Moore of the county board for the opening of the country schools the first of December instead of the first of September. This was followed by an interesting talk by Mr. J. P. Webb on same subject. He brought out more details of the matter. Mr. Webb's talk was supplemented by short talks of the other members of the board present, W. O. Sheeley, Carroll Thompson, Miss Milla Halsey, R. E. Karper, B. H. Meskimen, W. M. Peck. Mr. Peck's talk was very interesting. Quite a number of the parents were present.

The baby of Mr. and Mrs. Taylor is improving as well as can be expected.

Mr. A. T. Lemon and wife of Hickory, Okla., are here visiting with their son, J. W. Lemon. Mr. Lemon is assisting his father in the erection of a nice residence on his farm.

Miss Thelma Thompson attended the singing at the Hardy school house Sunday.

The social center met Friday night. The program was short on account of so much sickness, but there was a spelling match of the school pupils. They are practicing for the track meet. Also one between the old folks.

The old blue back speller was used. This was interesting to hear. Judge Moore and Miss Halsey were present. Quite a number of young folks were present from Idalou.

Our new president happened to the misfortune of getting his foot hurt and could not be with us. Mr. Barnett filled his vacancy.

There will be a pie supper at the school house in a short while. The date will be published later. The funds will go to buy suits for the boys and girls who will enter in the track meet.

Mrs. Acot from Lorenzo stayed with Mr. and Mrs. Taylor last Wednesday and helped with the sick.

Miss Lula Sportman left for her home Monday night.

Mrs. Kimbro's brother came in Friday night to stay several days with her.

Miss Hazel Green gave an entertainment to the young folks Saturday night. Every one enjoyed themselves fine.

Hazel Forbes spent Wednesday night with Mattie Hawkins.

HERBINE cures constipation and reestablishes regular bowel movements. Sold by all druggists.

No More Corn Suffering

"Gets-It" Never Leaves a Corn On Any Foot For Very Long.

The hurting "pep" goes right out of that corn the moment a few drops of "Gets-It" lands thereon. It is through, and "for keeps."

Corns and "Gets-It" Can't Live Together

You'll have no more pain but will notice the corn getting loose and wobbly. In a day or so, you lift it right off without any feeling. That's the end of the corn and of your troubles. Millions have proved "Gets-It" to be the one and only unfailing, common sense corn remover. Why not you?

"Gets-It" costs but a trifle at any drug store and carries a money-back guarantee. Mfd. by E. Lawrence & Co., Chicago.

LUBBOCK DRUG COMPANY

C. S. Middleton left the latter part of the week for Dallas where he will visit a short while before going to Houston this week to attend the Texas Cattle Raisers' Association.

Roscoe Wilson, attorney of this City, leaves the latter part of the week for San Francisco, California, where he has been called on a professional trip. Mr. Wilson will likely be out of the city for ten days.

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride long distances to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.

KANSAS BREEDER SAYS LUBBOCK IS KNOWN BY STOCK

"Cattle from Lubbock are watched at the feeding pens in the northern markets. These cattle are known as the best feeders and demand a premium for feeding purposes when once they are recognized as a product of the Lubbock section," says one of the King Brothers, breeders of high-grade cattle, horses and mules of Morton County, Kansas, who was here last Saturday. Mr. King says that right in the Lubbock section is found a country adaptable to the raising of fine cattle, horses and mules unequaled by any section of the United States, even the sections of Kansas where they ranch.

The King Brothers are known as men who thoroughly understand the stockraising business from A to Z, having now in operation a ranch comprising nearly twenty-five thousand acres, devoted to the raising of high grades and pure breeds of Percheron horses and Hereford cattle. They raise about two hundred and seventy-five colts each year and about 175 head of fine mules. The success of the sale of these stock here last Saturday explains part of their success as breeders of high grade stock.

In just a little over one hour \$5575 worth of King Brothers mares and horses were sold in Lubbock. There were twenty head and averaged nearly \$280 per animal, while there were a few cases of one animal bring more than \$300 and none of them sold for less than \$250. Several cars of this stock has been sold in the Plainview country, this being the first bunch ever brought to Lubbock. A sale was also made of one car at Crosbyton Tuesday.

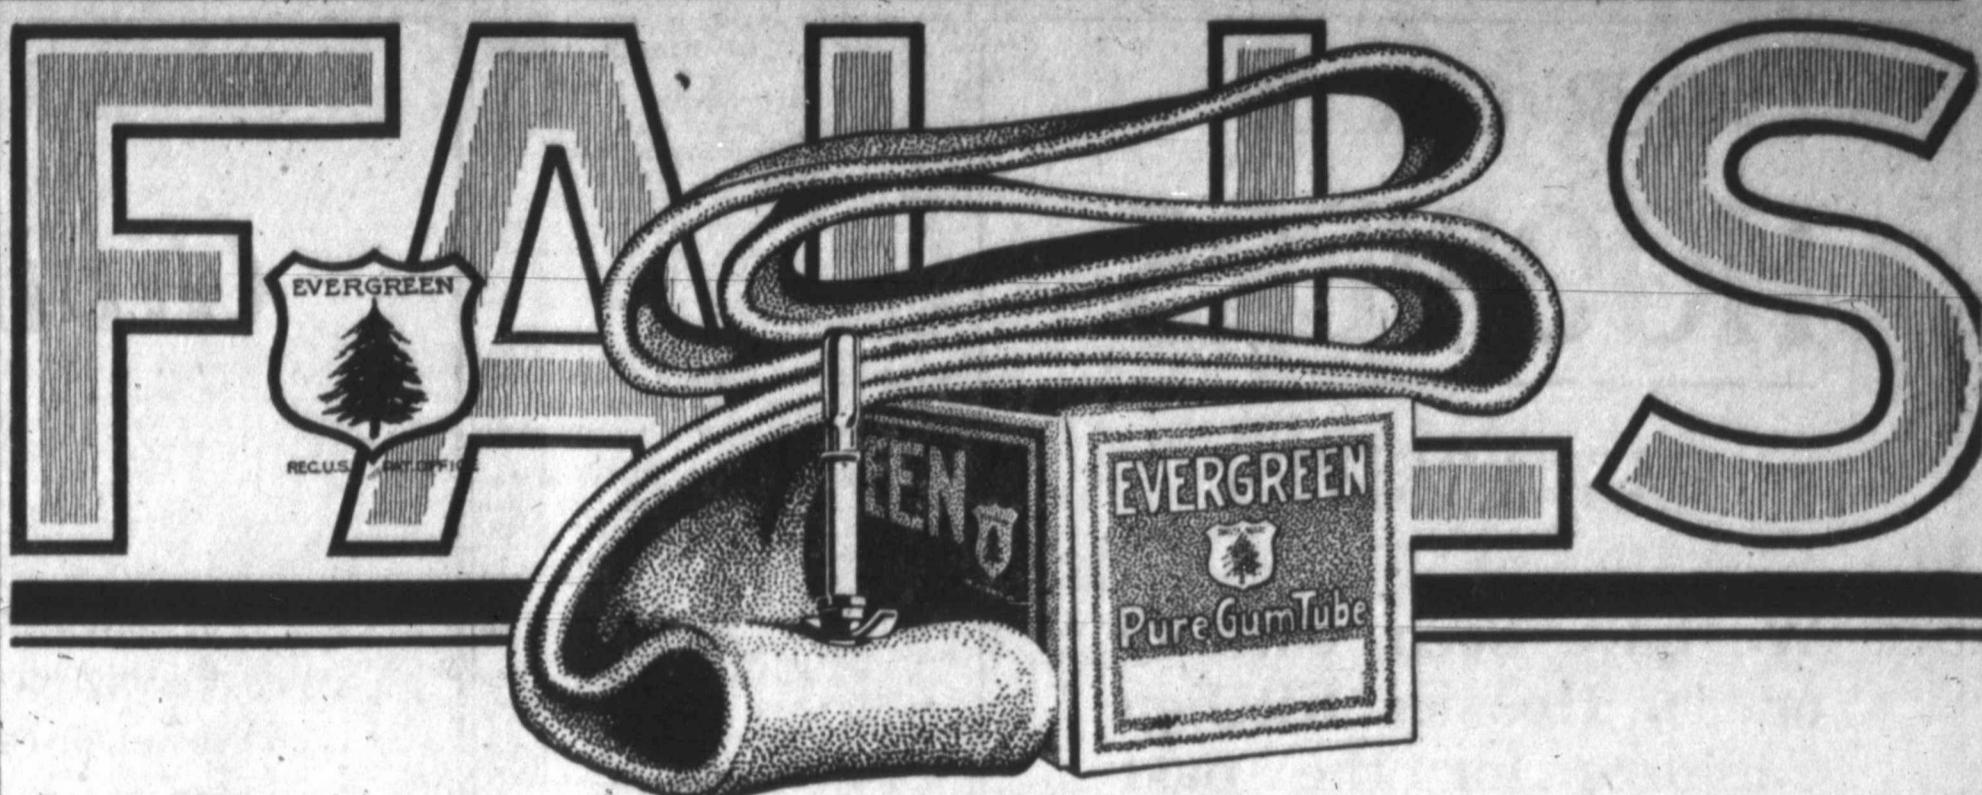

King Brothers believe that good grades of Percheron mares are needed here on the Lubbock county farms more than tractors. Farmers can use this stock for work purposes and raise colts in addition valuable enough to pay for the care and feeding of the mother animal.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids for the construction of approximately 6,000 square yards of concrete and brick pavement around the court house square of Lubbock county, Texas, will be received at the office of County Judge until 11 o'clock a. m., April 12th, 1920, and at said hour on said date, all bids so received shall be transmitted by the County Judge to the Commissioners' Court of said county, which will then be in regular session in the Commissioners' Court room in said county, and said bids shall be opened and contract awarded to the lowest and best bidder. Plans and specifications for said work are on file in the office of the City Secretary of the City of Lubbock, Texas, Lubbock, Texas, and in the office of Henry Exall Elrod Company, 220 Interurban Building, Dallas, Texas, and may be inspected upon application. Bids shall be submitted in sealed envelopes addressed to the County Judge of said County, marked "Sealed Bids," accompanied by a certified check payable to the County Judge, of said county, in the sum of one thousand dollars, and all bids otherwise submitted shall be rejected. The Commissioners' Court reserves the right to reject any and all bids.

Done by authority of the Commissioners' Court of Lubbock County, Texas, this 15th day of March, 1920.

J. H. MOORE,
County Judge, Lubbock County, Tex.
Attest—Sam T. Davis, County Clerk
Lubbock County, Texas. 382

ALL ROADS LOOK ALIKE TO FALLS EVERGREEN TUBES

A rich, velvety green appearance with the ability to stand road punishment and almost everlasting wearing qualities suggested the name Evergreen. Their power to resist splitting or tearing, their tensile strength and remarkable elasticity—guarantee a long-lived service that would be impossible unless only the very choicest grade of rubber was used—and the utmost skill in manufacture and inspection employed.

A tube that wears up to its name.

BRADLEY AUTO COMPANY

REPORT OF STATE SANITORIUM TUBERCULOSIS SANITORIUM

Sanitorium, Texas, March 12th.—The State Tuberculosis Sanitorium, located near Carlsbad, Texas, conducts a follow-up of ex-patients which clearly demonstrates the value of the institution to the state. Up to September 1st, 1919, 922 ex-patients were on the follow-up rolls. Of these one hundred and fourteen were earning up to \$600.00 per year, twenty-six were earning up to \$1,000.00 per year, forty-nine up to \$2,000.00 per year, five were earning up to \$3,000.00 per year, two \$4,000.00, and three were earning more than \$4,000.00 per annum. The highest salary reported to the institution was \$5,200.00. One hundred and sixty-six ex-patients had died, eighty-six were at work but failed to report salary, eight were students. Two hundred and twenty-four were continuing to take treatment for tuberculosis, and the Sanitorium failed to make contact with two hundred and thirty-nine.

Every imaginable occupation was being followed by these men and women whose lives had been regenerated. Thirty-nine were farming, twenty-four were salesmen, and there were seventy-six housewives doing four hours or more work per day. Other occupations included merchants, office workers, ministers, lawyers, teachers, physicians, dentists, newspaper workers, carpenters, advertising, and insurance agents. It is estimated that those ex-patients actually reported as working on salary were earning in excess of \$250,000.00 per year, a sum far greater than the annual up-keep of the sanitorium.

Luke Rielly Says, "The Rat Died Before Reaching the River."

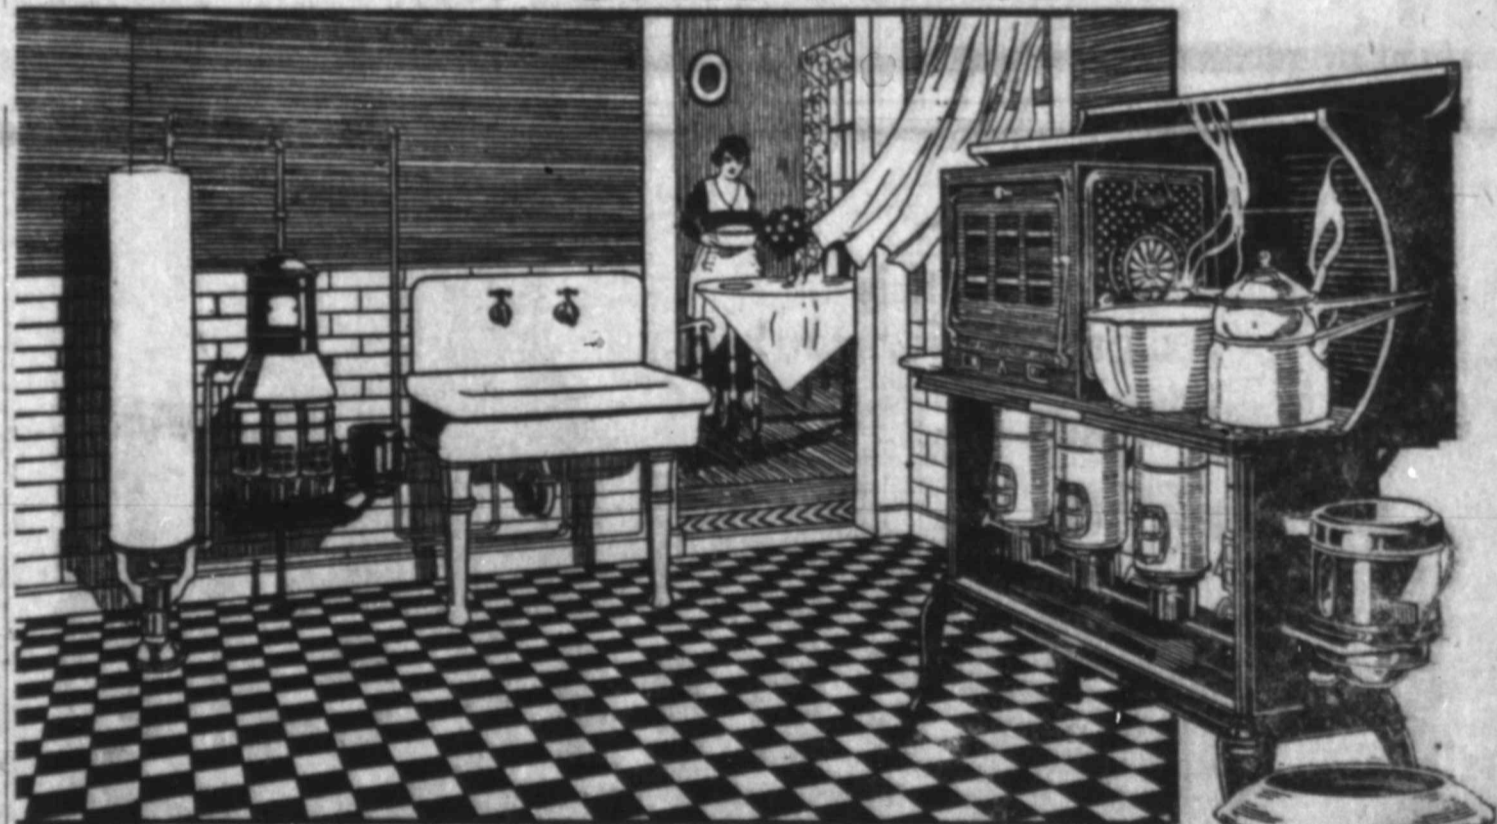

"Since moving near the river 2 years ago, we've always used RAT-SNAP. Watched a vicious water rat, nibbling at RAT-SNAP outside the house. About 15 minutes later he darted off for the water, to cool his burning stomach, but he died before reaching it." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Cole-Myrick Hdw. & Imp. Co., and City Drug Store.

J. A. Medlock returned the latter part of last week from a visit to the Fat Stock show at Fort Worth. He says its merely a fat stock show in name now, as the dairying interests have taken the lead in exhibits and sales. He says there was a very fine exhibition of dairy cows on sale there and many sold at real fancy prices.

Stock farmer J. L. Benton, was up Monday transacting business with our merchants. He was still wearing his usual broad smile, and we judge that prosperity is still running rampant down his way.

Horace Denham was in the Big Spring country the first of the week attending to business matters.

NEW PERFECTION Oil Cook Stoves

Speedy—No fire to build—no waiting for flame to generate. The Long Blue Chimney burner gives cooking heat instantly.

Clean—The Long Blue Chimney burner turns every drop of Magnolia Safety Oil into clean, cooking heat—no smoke, soot or disagreeable odor.

Sold by good dealers everywhere. Ask for a demonstration of the Long Blue Chimney burner or write for the New Perfection booklet.

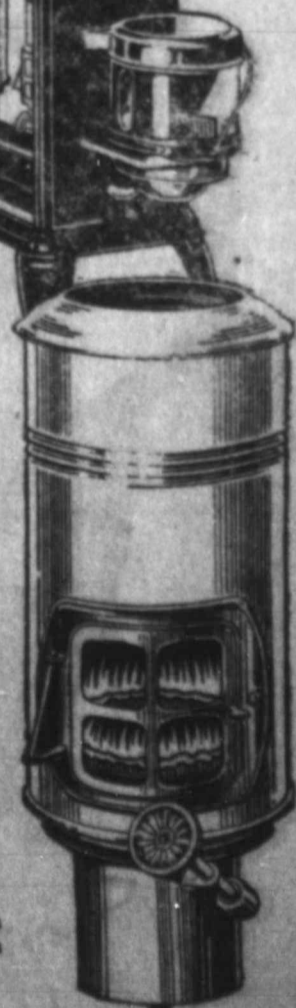

Steady—Set flame where you want it. Low, medium or high flame drives a steady flow of clean heat against the utensil—stays where set.

Hot—The intense heat of any flame is driven FULL FORCE, directly against the utensil.

No Worms in a Healthy Child. All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC gives regularly for two or three weeks, will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Name will then show off or dispel the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.

AN INTERESTING BATCH OF IDALOU ITEMS

(Delayed)
The Idalou basket ball girls and boys played the Lorenzo basket ball girls and boys last Wednesday afternoon, the games being in favor of Idalou both ways. The score was 19 to 12 the girls and 22 to 8 the boys. Hurrah for Idalou. We are playing now so that we can enter the county meet.

Everyone is back in school after having the flu. There is one hundred and ninety-five enrolled now and we hope there will be five more start soon.

Miss Sybil Weaver, Gladys Mitchell and Florella Mitchell took dinner with Miss Velma Teal Sunday. They report a very nice time.

Mr. Herbert Teal returned from Dallas where he has been attending school. On account of sickness he came home to stay a few days.

Mr. Marshall Mitchell and Mr. Action Baker were visiting in Lockney Sunday night and Monday.

Last Tuesday afternoon Mr. Moore Mr. Webb, Mr. Conley and Mr. Carpenter visited our school and gave us some real interesting talks about school and club work. Mr. Moine was also present and took a picture of our school. Lots of the parents were out to hear these talks.

Mrs. Mitchell and Mrs. Smith visited Mrs. Hunt last Tuesday. Mrs. Hunt has been sick for some time. We hope she will soon be well.

Mr. T. L. Holt has moved his house which was on main street, to his farm about a half of a mile east of town.

Mr. Turner has moved his house to north of town.

There are three new houses being built in town now. Our new Baptist church house will be ready to enter by Sunday.

Mr. Oscar Lambert returned from Winters last week, where he has been working for some time.

Mr. Brown has his house completed and has brought his family out here to live. They came from Oklahoma. We are glad to have these new people in our community.

Miss Viola Lambert returned from Winters, Texas, where she has been attending school. She came home to visit home folks. She will return Saturday to her school work.

A crowd of Idalou people attended the show at Lubbock Friday night. They report a nice time.

Miss Sybil Weaver was absent from school Monday. We learned she spent the day in Lubbock.

Miss Maude Brown has been taken to the Lubbock Sanitarium. We hope she will soon be able to return to her home.

Miss Lillian Shelton's sister came in Monday to stay with them awhile.

Mr. Artie Weaver came home to spend a few days.

Everyone come to Idalou. We will show you a good time.

FINANCIAL CONDITION NEVER BETTER THIS TIME OF YEAR

For the time of year, when the farmers and stockmen of the South Plains are equipping themselves for the summer months, financial conditions are considered by the bankers of our city the best ever known. It is very gratifying when we take into account that thousands upon thousands of dollars' worth of our last year's crop still remains in fields of the county, and that the bigger portion of the cattlemen have carried through the winter their cattle and there has been very little trading and selling of these cattle up to and including the present time. Also, the fact that there are thou-

sands of dollars of the money of this county now tied up in cotton investments which, because of the railroad facilities and other conditions, has been kept off the market.

The banks of this city had on deposit February 28, \$2,441,055.85, which is a decrease of only \$143,239.41 over the call of December the 31st, 1919. Loans have increased since December in the amount of \$221,150.75. Thus by noting the loan increase of that amount, we find that the deposits of the banks have suffered very little.

"Deposits invariably decrease in the opening months of spring," says one of our bankers, "but the condition this time of year is certainly flattering when we consider the fact that never before have the farmers and business men of Lubbock county purchased the amount of property as they have this year. This has been a year of home buying. People are owning more homes in the city today than ever before."

There are other numerous conditions that have existed during the past few months that has had a tendency of decreasing the deposits of the county, although their effect is very small, that being: Cattlemen who had sold their herds during the drought years preceding this date, are now restocking and of course are drawing upon their surplus funds. Farmers are buying new and better machinery and better and larger horses with which to cultivate their crops for the coming year.

W. E. Poole, ranchman of Cochran County, was here this week attending to business interests.

MR. DODSON WARNS USERS OF CALOMEL

Says Drug Acts Like Dynamite on Liver and You Lose a Day's Work.

There no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.

Giving You the Benefit

That's what we're doing—giving you the benefit of the big increase in this business. You're getting it in lower prices; lower than you were ever able to get before, lower than you can get any place else now.

We're doing this because we feel that our customers should enjoy the benefit of our growth; and also because we're more interested in doubling our business than we are in doubling our profits.

At the same margin of profit we would make a good deal more this year than we did last; that's because our volume of business has increased much faster than our costs. But we don't care to make a big increase in our profits; we're satisfied now.

But we would like to do an even bigger business this year than we did last. We will, too, when everyone learns how much cheaper it is to buy at this store.

CONTEMPLATION OF ADDITIONAL DEPOT

From unofficial sources we learn that the management of the Slaton division of the Santa Fe railroad is seriously contemplating or rather investigating the erection of additional facilities in our city for the efficient handling of the traffic.

Patriotically, the city of Lubbock has gone ahead without saying a word regarding the deplorable depot facilities. Numerous times, yes often, it is hardly possible for ladies and gentlemen to be comfortably taken care of in the small depot at this city. Seats are hardly obtainable in the depot on arrival and departure of morning trains, especially those of the branch lines which carry numerous passengers here to do their shopping. More acute is this congested condition during Saturdays and in the fall months.

To what extent the facilities will be added has not been rumored. Some think probably an addition will be made to the present one and others say there will be an entirely new one erected. We hope to have some official information on this important step to be taken by the local company, if their investigation finds that it is demanded, in the near future.

EXTENSION OF CITY LIMITS SHOWN IN NEW MAP

The extension of the water system and the growth of the city has progressed to such an extent in the past six months that it has brought about an occasion for the making of a new map, showing the extension of this growth.

Grove's Tastesens chill Tonic restores vitality and energy by purifying and enriching the blood. You can soon feel its Strengthening, Invigorating Effect. Price 50c.

Misses Eva Kelsey and Lida Bird Hoople of Lorenzo were visitors here Wednesday.
