THE DEVIL'S RIVER NEWS

Broncos Stop Wolves 42 to 21

Photo by Nancy Glasscock

Alonzo Hernandez sets his sights on a Colorado defender.

By Ray Glasscock

Most experts predicted that this would be a rebuilding year for the Sonora Broncos. Perhaps it has been. The Broncos seem to get better and better as each game comes and goes. But rebuilding teams aren't supposed to reach the playoffs much less advance to the semi-final round after winning the Class 2A Region I Division II UIL Football Bracket. An example of what I am writing about occurred last Friday night in Angelo Stadium. In the first half, the Colorado City Wolves were running the option play with more success than any other team had. The quarterback was having success throwing the ball, and their running back was moving the chains with nice runs against the grain. The score was tied at 14 at the half. I am sure the Wolves didn't recognize the team that came out of the locker room at the start of the second half. In the second half, the Broncos scored 28 unanswered points as the Wolves could only make two first downs until Coach Phillips started substituting.

The Colorado Wolves won the toss and deferred to the second half. After a deep kickoff and a blocking in the back penalty against Sonora put the ball on our three-yard line, it looked to be a great decision. The Broncos responded with a truly remarkable opening drive. In last week's game, Darien Lopez was used mostly as a decoy as he lined up as a flanker. On the first play, Michael Rollert lined up behind the center with everyone in the stadium expecting Damon Evans to get the ball to "get some breathing room." Instead, Rollert stood up and quickly threw to Lopez who gained 12 yards and a first down. Evans got the next carry and bullied his way for five yards. Lopez dribbled the football to himself while still making enough yardage for another first down. Keeping the Wolves guessing, Rollert executed the "hot route" pass to Kade Wimberley for a gain of 11 yards and a first down. The next first down was more normal. Lopez and Evans set

up a third and short with tough runs. Then Rollert got the first down on a quarterback sneak. With the Broncos facing first and fifteen, Chance Campbell ran off tackle, broke through the first wave of Wolves, and ran for 40 yards for a first and goal at the four yard line. Rollert got the touchdown on a quarter back keeper. Wimberley kicked the extra point. The opening possession lasted 5:43 and covered 97 yards in 15 plays. With 6:17 left in the first quarter, the Broncos had a seven-point lead.

Jesus Vasquez hustled on the kickoff and his hit on the Wolf returner caused a fumble out of bounds. The Wolves managed one first down until Sid Anderson, Sam Powers, Evans, and Elijah Cross forced them to punt. The snap sailed over the punter's head, and the Broncos smothered the punter at their 16-yard line.

On first down, Lopez ran up the middle and cut to his right. The Wolves finally caught him after a seven-yard gain to the Wolves' nine-yard line. Their rushing defense stepped up until it was third and goal from their nine-yard line. Coach Phillips reused the first play of the game as Rollert once again threw the flanker screen to Lopez. Lopez easily scored the second touchdown for the Broncos as Jansen McBride and Will Dutton made great open field blocks. Wimberley added the extra point, and the Broncos led 14 to 0 with 1:51 left in the first quarter.

Marc Henderson led the Wolves to two scores in the second quarter. One touchdown was setup by a long pass where the Wolf receiver went out of bounds at the Broncos one-yard line. Nathan Jackson ran it in for the score. Adrian Ausbie kicked the PAT, and the score was 14 to 7 with 10:11 left in the second quarter. After stopping the Broncos and forcing a punt, Henderson threw a 48-yard touchdown pass to Jonathan Jackson. After another Ausbie kick, the score was tied at 14 with 5:06 left in the first half.

With time running out, the Wolves got the ball with what turned out to be their last real-

istic chance to take the lead. Campbell snuffed it out with an interception. Little did we know at the time, but that was last of the suspense for this game.

Wimberley kicked off to start the second half. His deep kickoff was caught near the goal line, and Colorado City tried the hidden handoff return play. It didn't fool the Broncos, and they started at the 15-yard line. Henderson quickly found out that what worked in the first half did not work now. His run on first down gained nothing, as did his two incompletions. They punted and the Broncos had the ball in the Wolves' territory at the 40-yard line. On fourth down, Rollert rolled to his right and found Lopez wide open for a 34-yard touchdown pass. Wimberley added another point making it 21 to 14 with 8:54 left in the third quarter.

Henderson once again tried to use plays that had worked in the first half. The first option pitch ended with a solo tackle by Hagen Kennedy. Owen Friess ended the next run with a sure tackle. Henderson threw deep on third down with no success as Brett Castillo had the receiver covered. They punted.

The Broncos went three and out. Andres Acevedo once again had a great punt that Lopez downed at the Wolves one-yard line. The first carry sure looked like a safety. The Wolves never advanced and punted.

Once again, a short punt gave the Broncos great field position. Needing to make first down on fourth down, Rollert rolled and threw to Wimberley who made a leaping catch for the first down. This was followed by a 15-yard penalty and two plays that lost yardage as the third quarter came to a close. On the first play of the fourth quarter, Rollert and the Broncos were facing third and 35. Rollert threw deep to Lopez who caught the ball near the ten-yard line. As he tried to get to the end zone, he was stripped of the ball, but, luckily, it rolled out of bounds at

the six-yard line. Campbell got the touchdown on the sweep where the pulling Lino Villanueva logged a pancake block. Wimberley continued his perfect night and upped the score to 28 to 14 with 10:20 left in the game.

Evans flushed Henderson out the pocket and he rushed his throw. Ricky Martinez turned it into a quick pick six. After the extra point, it was 35 to 14 with 10:09 left.

Facing third and fifteen, Henderson threw to Jackson who had a seam. Campbell caught him and made a touchdown saving tackle at the Wolves' 40-yard line. They followed with another first down on a nice catch and run for 12 yards. Four incomplete passes followed, and the Broncos took over on downs.

Colorado City did not ever quit and once again the Bron-

cos were facing third and long. Rollert dialed up the hot route to Wimberley who looks like a man running among boys. Wimberley wasn't stopped until he had first down yardage. Six up the middle runs moved the ball to a first and goal at the three while chewing up the clock. Evans had the longest run of this series. Lopez got his third touchdown on a three-yard run. Wimberley finished the scoring for the Broncos with another perfect kick. It was 42 to 14 with 2:25 left in the game.

Next year's Broncos got playing time, and Nick Palacios scored on a one yard for the Wolves with 1:32 left in the game. The final score was 42 to 21 in favor the Region I Champions.

Tammy T. Fisher Attorney At Law: Now Open For Business

Tammy Fisher (holding scissors) cuts the ribbon on her grand opening surrounded by family and friends.

Judge Pete Gomez swears Tammy Fisher in on the front porch of her new practice.

On December 7th 2012, Tammy T. Fisher officially opened her law office in historic downtown Sonora in a building that has stood on the Dry Devil's River for well over 100 years. Her office will be offering legal services in all areas of civil and criminal law. A fifth generation Sonora native and local rancher, Ms. Fisher commented that, "I just want to help people. If the client walks out the door feeling like I have taken some of the weight off of their shoulders, then I know I have done what I became a lawyer to do."

Fisher has a Doctorate of Jurisprudence and a Certificate of Law and Science in Energy from Texas Tech University School of Law and has worked for Elliott Law Office; Bill Helwig, Attorney at Law; The Lubbock City Attorney; and the Texas Tech School of Law Civil Clinic.

One of the tools Ms. Fisher plans to use to assist Sonora and surrounding communities is mediation. She explained that mediation, "is a way to try and keep certain cases (if possible) out of the court room. It may cost less and can be easier on everybody involved. As an experienced mediator in criminal, corporate and family cases I know how to be an impartial third party to work with clients to quickly and as painlessly as possible come to a solution that works for all the parties involved."

She has assembled a staff that not only has extensive legal experience but has ties to Sonora as well: "David Smith will be a Consulting Attorney 'Of Counsel' through the law firm. He will work some of our clients both directly and indirectly depending on their needs, but will also continue his work with the Sutton County Historical Society. David and his wife Betty Smith (Sonora natives) are great assets to the community as a whole. I am fortunate to have him on my team. I am also delighted that I was able to finish out my staff with Sonora native Rebecca "Becky" Lumberas who will be serving as Legal Assistant. She is bringing over 10 years of legal and accounting background to my office. I am just so excited to join the already distinguished pool of attorneys in this area."

Senior Center Activities

Thurs. November 29 - Happy Birthday Richard Palmer
 Fri. November 30 - Run errands
 Mon. December 3 -
 Tues. December 4 -
 Wed. December 5 -

Senior Center Menu

Thurs. November 29 - Smothered steak, Mashed potato, Mix greens, Roll, Peach shortcake, milk
 Fri. November 30 - Chicken Fajitas, Spanish rice, Pinto beans, Flour tortilla, Fruit cocktail, milk
 Mon. December 3 -
 Tues. December 4 -
 Wed. December 5 -

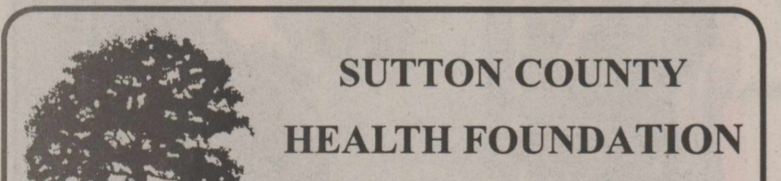

Participants in the senior nutrition program must be 60 or older. Meals are served Monday - Friday at 12:00 p.m.
Donations are accepted
 (suggested donation for Seniors is \$2.00; \$5.00 for under 60 and all other meals-to-go).

TEXAS PRESS ASSOCIATION

Thank You Note

With no prior warning that anything was wrong, my heart stopped and I collapsed at the civic center on Saturday, December 8th, about 10 p.m. Thanks to the assistance of many people, I am here today, and would like to try to thank those that saved me from this near fatal event. First of all, to the officers who jumped in to help - Gabriel Arrendondo, Mike Jenkins, and Bryn Humphrey who grabbed the defibrillator placed in the Civic Center by the Sutton County Health Foundation. Many thanks to Claire Ware, Lynn Burchell, Jennifer Barton, Sandy Glover, Karen Childress and Lauren, who all rendered aid, and even manually compressed my heart until the defibrillator was used. The Sutton County Ambulance arrived in 3 minutes and their personnel took over, stabilized me, and drove to the ER at our hospital, where my heart stopped again. Dr. Hall and the ER staff revived me. Thanks to the ambulance driver and the two EMT staff who provided care on the way to Shannon. All the Doctors at Shannon said my life was saved because of what was done in Sonora. So many people jumped in to help. I apologize if I have missed mentioning anyone, but I am a living witness to the kindness and special care of the people in Sonora. Your prayers and phone calls sustained me and my family during this time. "THANK YOU" is just insufficient to express my feelings for this wonderful community that I am proud to be a part of. I am sorry that I will physically miss the game on Friday, but my heart will be there! GO BRONCOS.

Colonel Pete Bradley

Bank And Trust Basketball Tournament

The Bank & Trust 1st Annual Sonora Basketball Tournament was a huge success. Forty-five game over 3 days was a test of skills and wills for all involved. The Sonora Lady Broncos move their record to 13-2 with victories over Grape Creek, Eagle Pass-Winn, Christoval and Llano. On Day One, the Sonora team faced the giants from Grape Creek and totally controlled the tempo of the game for a 53-24 win. Gracie Dozier led the way with 13 points and Abby Creek anchored the defense with 11 rebounds. Logan Smith made her return from knee surgery and had 10 points. The second game was against 5A Eagle Pass-Winn. Jaye Sanchez threw in 20 points, Zella Powers added a season high 12 points. Kylie Love had a double-double with 10 points and 10 rebounds. Alexa Sykes (6 rebounds) Naomi Dozier (2 blocks) helped secure the interior. The Lady Broncos beat Eagle Pass 89-33. Day Two started with a strong win against Christoval 61-47. Kylie Love (16 points) and Avery Nolen (13 points) led the scoring attack while Abby Creek (10 rebounds) and JoJo Guiterrez (3 steals) helped on the defensive side. In the fourth game - free throws, turnovers and tired legs played against Sonora and the Lady Broncos fell 53-56 to Harper in a double overtime thriller. Gracie Dozier led the way with 17 points including two clutch threes in the OT periods. Jaye Sanchez had 10 points, 10 rebounds and 8 assists in a valiant effort. Day Three started with a decisive win over Llano 60-33 where the Lady Broncos fixed their FT woes from the previous game. From the FT line, Gracie Dozier was 2/2, Avery Nolen 6/6 (19 points), Jaye Sanchez 6/7, Katie Hartman 7/8 (10 points) and Alexa Sykes shot 2 for 3 from the charity stripe. In the Championship game, the Lady Broncos fell short 38-59. After six games in three days, Sonora was flat. After jumping to a 7-0 lead, the Lady Broncos had slow 2nd and 3rd quarters. The Lady Broncos showed a lot pride by finishing the game strong by outscoring the Lady Punchers 16-12 in the final period. Avery Nolen led the Broncos with 14 points including three 3 pointers. After each game the coaches placed a vote for all-tournament and Sonora had three recipients; Avery Nolen, Jaye Sanchez and Gracie Dozier.

Sonora High School Alumni Grows Scholarship

The Sonora High Alumni met during Homecoming activities and decided that we would like to enlarge the current alumni scholarship(s). With that in mind we have established the Sonora Alumni Scholarship Fund. Funds will be maintained in a Sonora Bank savings account and will be eligible for tax-deductible status through their Community Trust. Scholarships for higher education will be offered for seniors graduating in 2013 through an application form available from school counselors. The size of the scholarship(s) will ultimately depend on the generosity of businesses and citizens interested in the success of Sonora High School graduates. However, we are optimistic that this will become the largest scholarship offered at Sonora High School. Applications for the scholarship will be evaluated by directors of the Fund, who are all Sonora High alumni. Fundraising is underway now by a committee comprised of John Wade, Rex Ann Friess, and Anita Hudson. Please contact one of these to contribute, and remember, it is tax-deductible. Or you may contact Jo Ann Jones at Sonora Bank. Make checks payable to Sonora Bank Community Trust, memo to Sonora Alumni Scholarship Fund. Deadline for 2013 scholarships is March 1, 2013. Information will be posted on our website at www.sonorahighalumni.com.

State Semi-Final Game Opponent: Corsicana Mildred Eagles (12-1)

By Nancy Glasscock
This Friday night at 7:30 PM at the Marble Falls ISD Stadium, your Sonora Broncos (11-3) will play the District 6 Champion Corsicana Mildred Eagles for the State Semi-Final 2A Div II football championship. The Broncos will be the home team. We will sit on the press box side of the stadium just as we did last year in our game against Weimar. There are four teams left in the Class 2A Div II playoffs: Sonora, Corsicana Mildred, East Bernard, and Elysian Fields. Corsicana Mildred defeated Nocona 45-35 last Friday night to earn the right to play the Broncos.

The Broncos have been in the State Semi-Final UIL football game seven times prior to this Friday night's game. Sonora has a 6-1 record in the semi-final round of the playoffs. The first semi-final game was in 1966 against the Forney Jackrabbits. Forney was undefeated and had scored over 50 points per game and had given a total of 18 points for the year. The Broncos came from behind to win scoring 13 points in the last three minutes.

In 1968, it was a blow out win of 47 to 0 over the Clifton Cubs. This was Ed Lee Renfro's best game as he gained 276 yards on 12 carries and scored 5 touchdowns. Sonora beat Honey Grove by a score of 21 to 6 in the 1969 game. The following year, it was another blowout as Sonora beat Petersburg by a score of 49 to 8.

In 1971, Sonora had to score twice in the fourth quarter to beat White Deer. The Broncos scored in the last thirty seconds to win 20 to 19.

In 2001, the 12-3 Broncos lost 35-13 to eventual State Champion Celina Bobcats. However the year prior, the Broncos played Pilot Point and won 34-6 at Waco ISD Stadium enroute to the Class 2A Division I State Championship.

Here are some comparison statistics of this Friday's two opponents:

Points scored: Sonora 509
Mildred 726
Points allowed: Sonora 217
Mildred 171
Sacks: Sonora 35 Mildred 16

Mildred only lost one game during the regular season to Centerville 70-22. The Eagles are averaging 59 points in the regular season games and 42 points in their three playoff games. They have given up 21 points per game in their playoff games. The Broncos have given up 13.7 points per game in the playoffs.

The Broncos have never played Mildred before this

season. The Eagles are led by Senior QB Nic Shimonek, 6'4" 205. He has passed for 2,380 yards, 32 TDs and thrown 5 INTs. Draylon Sterling a junior is a dual threat who has rushed for 1880 yards and 33 TDs. The Eagles also have three receivers who have accounted for 25 TDs this season.

Just as the Broncos are no strangers to the semi-final round of the playoffs, neither is Coach Phillips. He led Garrison Bulldogs to the semi-finals in 2010 and 2011.

Go Broncos - Beat Mildred. Bring home the Semi-Final Championship trophy.

Continued from Front Page: Sonora Broncos

This week the Broncos quest for another state championship continues on Friday night at 7:30 in Marble Falls. We will be playing the Corsicana Mildred Eagles.

Statistics:

Passing: Rollert completed 12 of 14 passes for 166 yards and two touchdowns.

Rushing:

Lopez had 32 yards on nine carries with one rushing touchdown. Rollert had 31 yards on 15 carries scoring once. Evans ran six times for 24 yards and Cross had three touches for 13 yards. Campbell led the way with 68 yards on eight carries and one touchdown.

Receiving:

Lopez led the receivers with 94 yards on 6 receptions scoring twice. Kennedy caught three for 34 yards. Wimberley also had three receptions gaining 38 yards.

Tackles:

With the offense hogging all of the playing time, Anderson was the only player with double digit tackles with one solo and 10 shared.

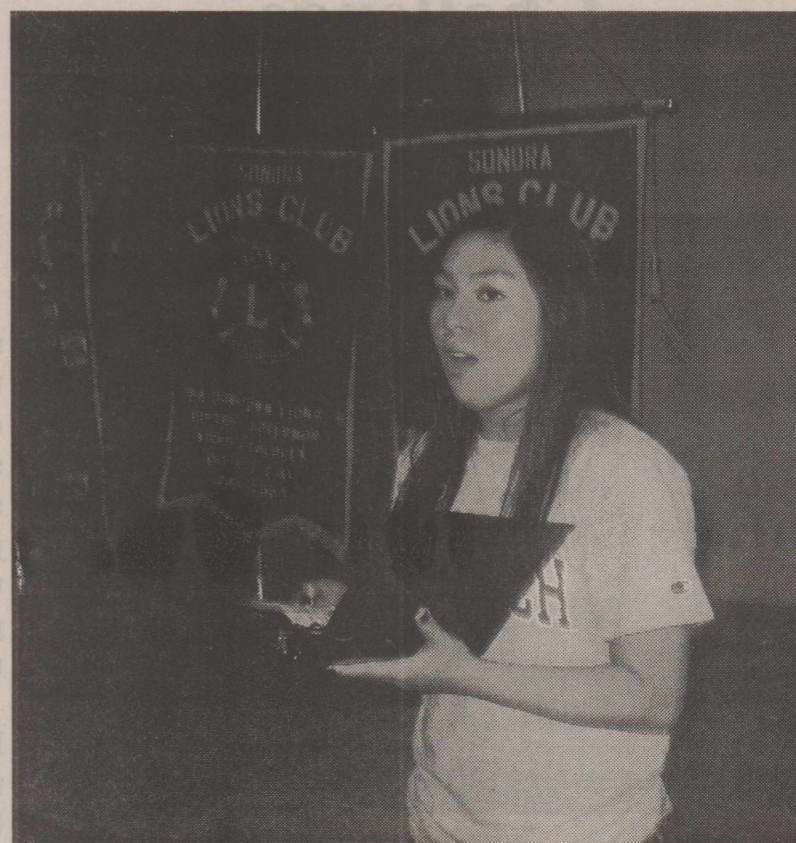

Sacks:

While there were no sacks, Jason Alaman, Anderson, Evans, Cross, and Powers all were credited with hurries which all lead to incomplete passes. Powers and Evans each had three.

Interceptions:

Campbell and Martinez had picks with Martinez scoring with his.

The Lions Roar

There was very good turnout of Lions and a great meal. It was the monthly birthday celebration with cake and ice cream. Pete Bradly was given a service award. Lion Frank Wamble reminded Lions of the scholarship fund in lieu of flowers or in memory of people. Donations can be made to Frank, Sam Kent or at the bank to Joann Jones. President Carl told of very needed repairs to the scout huts. Paint and new roofs are among those things needed.

Lions Program
Sarah Friemel had Kaitlan Lopez at the Lions meeting. She did her reading for the upcoming UIL contest which will in Alpine this week.

Sutton County 4-H'ers Take On Food Challenge

By Pascual Hernandez, Sutton County Agricultural Extension Agent

With the Christmas season upon us, we tend to think about food and family. Several Sutton County 4-H'ers, however, also thought about healthy...and competition. They took part in the Food Challenge. Thanks to a group of adult leaders, it was educational and fun! The 4-H Food Challenge is a contest that allows 4-H members to demonstrate their culinary knowledge and skills. From a set of predetermined ingredients provided, teams of 3 to 5 4-H members must develop a recipe and prepare the dish within 40 minutes. Teams then make a presentation to a judging panel, explaining the preparation steps, serving size, food safety concerns, nutrition value and cost of the dish. It was like being on the

Food Network's "Chopped"! The intermediate-age team, made up of Stevie Smith, Sterling Smith, and Kadee Petty, placed 4th. The junior-age team, composed of Madalyn Fisher, Kodi Davis, and Taryn Mitchell placed 3rd. Congratulations to the girls. The objectives of the Food Challenge project are to provide opportunities for participants to exhibit their knowledge and skill when preparing and presenting a dish. Other objectives include promoting teamwork and giving participants opportunities for public speaking. Special thanks to Shanna Castro, Page Mitchell, and Stacy Fisher for leading the project.

Gov. Perry Announces Initiatives to Protect Life

HOUSTON—Gov. Rick Perry today outlined initiatives to strengthen the state's ban on abortions and strengthen standards of care for women seeking abortions. He was joined by Senator-elect Donna Campbell and pro-life groups at the Source Pregnancy Center in Houston. "Over the last decade, Texas has taken extraordinary steps to protect the lives of the unborn, but when 80,000 lives continue to be lost to abortion each year in our state, we know our work is far from over," Gov. Perry said. "In Texas, the Legislature meets for only 140 days every other year. As supporters of life, we have an obligation to make sure that every one of those days counts when it comes to protecting our most vulnerable citizens." Ten states have already recognized the need to protect unborn children who are capable of feeling pain. The governor also outlined measures to strengthen standards of care for women seeking abortions, including requiring physicians who perform abortions to have admitting privileges at a hospital, and requiring abortion clinics to be licensed as ambulatory surgical centers (ASCs). "It's time to acknowledge 21st century medicine and technology with 21st century legislation. We need to protect the tiniest and weakest of Texans, our children, both born and unborn," Senator-elect Campbell said. "In addition, we should champion women's health by holding facilities and physicians that

perform abortions to the same standards as ambulatory surgery centers and physicians. Our duty is to protect the general well-being of Texans, and I will work everyday to keep Texas strong and healthy." Abortion is the second most common surgical procedure in America, and the only one in Texas not currently required to be performed at a hospital, physician's office or surgical center prior to 16 weeks gestation. The provisions outlined by Gov. Perry ensure patients have appropriate access to emergency medical care in the event of a complication, and that facilities are safe, sanitary and capable of handling possible complications. Gov. Perry has worked diligently to protect unborn life in Texas. He signed both parental notification and parental consent laws to ensure parents are involved in their minor daughters' major decisions, along with a ban that ensures tax dollars are not used to support abortion facilities. He also supported and signed the Woman's Right to Know Act, and has worked with lawmakers to fund and promote alternatives to abortion. Last session, the governor signed a law that will prevent abortions in Texas until after the mother has had a sonogram, because women deserve to have all the information before making such a life-ending decision.

Has The Texas Nationalist Movement Become A Political Force To Reckon With In The Lone Star State? Facebook Says....Maybe

The Texas Nationalist Movement's organizational page on Facebook on Tuesday topped 33,500 "likes" — people accessing the information on the page. That's more than either of the two major parties' statewide organization Facebook pages: the Texas Democratic Party had 31,700 "likes" on Tuesday morning, while the Republican Party of Texas had just over 20,000. The state's third-largest organized party, the Libertarians, had 3,571 "likes." TNM president Daniel Miller called attention to the interesting numbers on the TNM Facebook page with a post: "Was working on something this morning and came across this post on the Texas Democratic Party Facebook page. "Texas Dems, The Secessionists are claiming to have more likes than you and that they are the voice of Texas... are you going to take that? Texans for America!" "We realize that yes, it's just Facebook, and there's no way to really equate that to votes," Miller said. "But I think it's indicative of the growing interest in who we are and what we're doing. We've brought the issue of Texas independence into the mainstream." Miller and several other prominent TNM members ran for state offices in last spring's primary elections as Republicans, and drew about one-third of the vote despite being out-spent 10-1 by some entrenched incumbents. The organization has seen an explosion in membership and interest in the weeks following the November general elections, and recently formed its own Political Action Committee "for the purpose of supporting and endorsing candidates at all levels that are in-line with the mission, vision and values of the Texas Nationalist Movement." Spokesmen for the organization have been interviewed numerous times by both local and national news organizations, further spurring interest.

NEW 200 SERIES

BIGGER. BADDER. BETTER.

NEW 200 SERIES. WORK FASTER, SMARTER AND MORE PROFITABLY.

New Super Boom® skid steer loaders and compact track loaders are redesigned from the ground up. They're BIGGER, with the longest wheelbase, the best stability and the widest, most comfortable cab. They're BADDER, with increased bucket breakout force and ultimate dump height and reach to load into the center of trucks. And, they're BETTER, with improved visibility to critical areas, allowing operators to work with a new level of confidence and speed. Put the BIGGER, BADDER, BETTER 200 Series advantages to work for you — visit www.newholland.com/200series.

SONORA BANK

102 E. Main Street, Sonora, Texas
325-387-3861

Refreshments will be provided

YOU ARE INVITED TO ATTEND A RECEPTION HONORING

Elaine Donaldson

Tuesday, December 18, 2012 ■ Sonora Bank ■ 102 E. Main Street
11:30 a.m. - 3:00 p.m. ■ Refreshments will be served

Elaine Donaldson stepped down from her position as Vice President/Human Resources at Sonora Bank on November 1, 2012. Since then she has been serving as a Special Advisor to the Sonora Bank President and new Vice President of Human Resources. Elaine will be retiring from her current position on December 31st.

She has been an integral part of the Sonora Bank family for over 38 years. During her tenure, she held a number of increasingly responsible positions such as: Bookkeeping, Proof, Teller, Teller Supervisor, Assistant Cashier, Assistant VP of Operations, BSA Officer and VP – Human Resources.

The contributions that Elaine has made to the bank and our community are immeasurable. Please join us in wishing her all the best on this newest adventure in her life.
