## First Annual Sonora Wine Tasting

Page 6

## Broncos Complete Sweep Of The Ozona Lions

Michael Rollert evades a Lion as he makes the turn upfield.

Photo and Article By Ray Glasscock

Will Dutton opened the game with a 30 yard return of the opening kickoff. The opening scoring drive for the Broncos went like this: run by Sid Anderson, run by Elijah Cross, Anderson run, Michael Rollert passing complete to his brother Gabe for sixteen yards, Anderson on the pitch option, and Anderson sweep for a 23 yard touchdown run. A Lion caught Anderson near the three-yard line, spun he around, and Anderson fell backwards over the goal line for the score. Ricky Martinez kicked the point after and the Broncos led 7 to 0 with 9:36 left in the first quarter.

The Lion's first offensive series lasted three plays. On second down, Dub Latham hurried the Lion quarterback, causing an incomple-

tion. The Lions recovered a Bronco fumble on the second play of the Broncos' second drive. The Lions managed two first downs as they went for it on fourth and short twice. After a big loss on first down, the Broncos were flagged for a defensive pass interference that gave the Lions another first down at the Broncos' 23-yard line. The Lions tried for another fourth down conversion. They completed a pass to their fullback, but Dutton and J. Gutierrez stopped him short of the first down, and the Broncos took over.

The Broncos used their five to ten yards and a cloud of dust running game to score their second and last touchdown of the first half. Bryan Garcia got the touch-

down on a five-yard run. After Martinez' PAT, the score was 14 to 0 with 6:27 left in the first half.

The Lions moved the chains once on their opening drive of the second half before they had to punt. The Broncos scored quickly to take a three score lead. Andres Acevedo caught a screen pass from Michael Rollert and gained 23 yards. Cross took an inside handoff and broke through the Lions for a 53 yard touchdown run.

Martinez kicked true and the score was 21 to 0 with 6:48 left in the third.

The next Ozona drive ended in a score for the Broncos. A great pass rush by Acevedo, Anderson, and Ethan Patlan caused the Ozona quarterback to fumble. Patlan recovered for the touchdown. After a penalty on the Broncos, Martinez had to attempt a 25-yard PAT kick. He missed for the first time in his career, leaving the score at 27 to 0 with 5:44 left in the third quarter.

The Broncos got the ball back when Acevedo ripped the ball out of a Lion's hand and Dutton recovered. The reserve running backs shouldered the load on this drive. Eric Garcia broke loose on the option pitch and had a long gain to the Lion 23 yard line. On fourth down from the Lion 21 yard line, Rollert threw to Acevedo who raced into the end zone for the touchdown. Martinez kicked true and the Broncos led 34 to 0 with 1:49 left in the third.

The Lions were able to score in the fourth. Their PAT failed and the Broncos

won by a score of 34 to 6. This game completed a sweep of all football games against the Lions this year. The seventh grade Colts beat the Cubs 22 to 0. The eighth grade Colts won by a score of 44 to 6. The freshmen team went to Brackettville and won 20 to 12. The JV sophomores won by a score of 48 to 21.

This week the Broncos are open. On October 11th, the varsity travels to Alpine to face the 3 and 2 Bucks. This is the first of five district games.

## 76th Sonora Downtown Lions Club Auction

The auction and free dinner will be held on October 22, 2013 at the Sutton County Civic Center. This community activity is a Sonora tradition that remains "alive and well." Sutton County Steakhouse will provide a wonderful meal which will be served at 6:00 PM. Prior to the meal, attendees will be able to purchase \$1 raffle tickets for a large number of donated items. The drawing for these items will continue throughout the live auction. Also of interest, there will be another selection of items displayed in the silent auction. Bidding on these items will continue until 7:00 PM. Bid numbers will be registered to buyers as they arrive at the event. This should make payout at the conclusion of the live auction much more efficient and timely.

This year as in each of the past years since 1948, the spotlight will be on bidding for the infamous "Mystery Package". Additional donations include the following items: overnight stays at local motels, two day whitetail hunt, baked goods, miscellaneous tools, and varied items from local artisans. This list is sure to continue to grow between now and auction day. If you have an item that you would like to donate, please call Janalyn Jones at 226-0067.

Please consider attending this year's auction and plan to participate in the bidding. Proceeds from the auction help support the club's wide array of projects. Sonora Downtown Lions Club generously supports local programs such as Project Graduation, Relay for Life, Sutton County 4-H, Boy Scouts and Girl Scouts programs, Sutton County Game Dinner, Keep Sonora Beautiful, Back to School Teacher Dinner, West Texas Lions Eye Bank, Texas Lions Camp, and Senior Scholarships. This list is not all inclusive so it should be apparent to everyone that your support is much needed and appreciated.

Please watch the Devil's River News next week for a more complete listing of auction items and plan on joining us for good food and fun on October 22nd.

## Another Tragic Accident on I-10

By Angie Bryant

On Sunday September 29th local law enforcement, rescue/fire dept personnel, and TxDOT crews responded to a wreck. The 2003 Ford Expedition was traveling east bound on I-10 when they took faulty evasive action to avoid a collision and wound up flipping numerous times. There were 3 people listed in stable condition, the driver Filiberto Villerral a 53 year old oil field worker from Farr, TX, Martin Yepez 48 also an oil field worker from Pecos, TX and Enrique Yepez 58 oil field worker from Farr, TX. Heriberto Villerral 22 year old oil field worker from Farr, TX and Pedro Olvera 56 year old oilfield worker from McAllen, TX were pronounced dead at the scene by Justice of the Peace John Wilson. This accident was worked by Trooper Andrew Barry.

 \$5.00 for under 60 and all other meals-to-go).

**Blessing of the Animals**

St. John's Episcopal Church is celebrating St. Francis Day with its 6th Annual "Blessing of the Animals" service. If you would like your pet or animal of any size or breed to receive a blessing, please bring them to our regular Wednesday evening service on October 2nd, 2013 at 5:30pm. As an offering and outreach to our local homeless or abandoned animals, please bring an old blanket or small bag of cat food or dog food to be donated to our local humane society.

St. Francis was born in 1181 and died on October 3rd 1226. The tradition of celebrating the "Feast Day of St. Francis" on October 4th dates back to 1585. This day is celebrated across many Christian denominations across the world. St. Francis was an Italian Roman Catholic Friar and preacher. He is noted for founding the Order of the Franciscans. St. Francis was dedicated to serving Jesus Christ by outreach to the poor and preaching the Good News of Salvation of Jesus Christ. St. Francis carried Christ to all people and all of God's creation. The tradition of St. Francis being the patron saint of animals comes from an incident that occurred in Gubbio, Italy, that occurred in Gubbio, Italy. A "terrifying and ferocious" wolf had been terrorizing the town by eating townspeople and animals. St. Francis ventured out to subdue the wolf.

When he encountered the wolf he prayed, made the sign of the Cross and commanded the wolf to harm no one. The wolf relented and came to the feet of St. Francis. The tradition of the Church holds that St. Francis then said, "Brother Wolf, you do much harm in these parts and you have done great evil. All these people accuse you and curse you. But brother wolf, I would like to make peace between you and the people." Then Francis led the wolf into the town. The startled citizens were amazed and made a pact between them and the wolf. Upon St. Francis' discovery, wolf had "done evil out of hunger. Therefore the townsfolk began feeding the wolf regularly. In return, the wolf had no reason to prey upon them or their flocks. The town of Gubbio, Italy was once again at peace. This miracle, throughout antiquity, has been seen as a miracle of peace And that all of God's creation is open to God's blessing and forgiveness.

Please join us in celebrating this special day at St. John's Episcopal Church at 404 E. Poplar St. If you have any questions please call the church office at 325-387-2955.

## Sonora Colt Football

Well, the 7th grade boys kick off another great game Thursday, afternoon and defeated the Ozona Cubs. The boys had some trouble with the coin flip and we had to kick in both halves, But, no matter, our Defense handle the cubs with no problem. Hailey, Alex, Dominquez, Logan and Evan all had great tackles up front. The Cubs were stop and Colts took control, and on 1st and 10 J.R. took the handoff and went 14 yards. On the next play Dutton, fake the handoff and found running room off left tackle and found pay dirt "Touch Down". The 2 point conversion was no good, Colts lead 6-0. The Defense went to work again, this time we changed up the personal , AJ, Noe, Carlos, Michael, Joe Espinosa, Jose, and Chance, were all new, but it didn't matter we shut them down. Getting the ball back the Colts set-up a nice pass play to Dylan from Dutton that went for 35 yards and another TD. The extra point was tried and with a good fake from Brandon, Evan Shannon was wide open, for the 2 point conversion. Once more we were kicking again, and the Kick off team did a superlative job pinning the lions deep in their territory. With the Clock winding down, Dutton, made another Big Throw down field to Carlos Mendoza

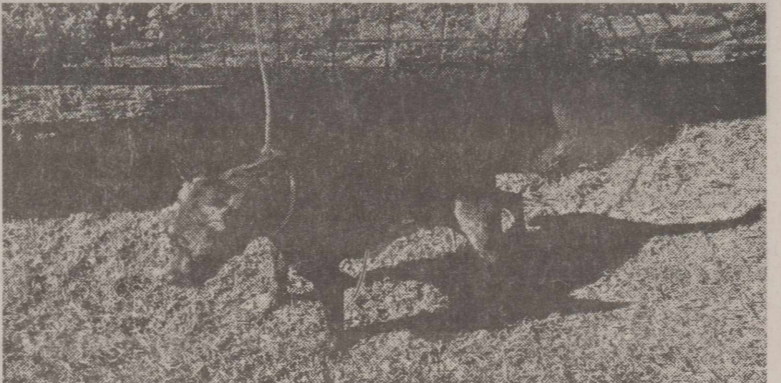

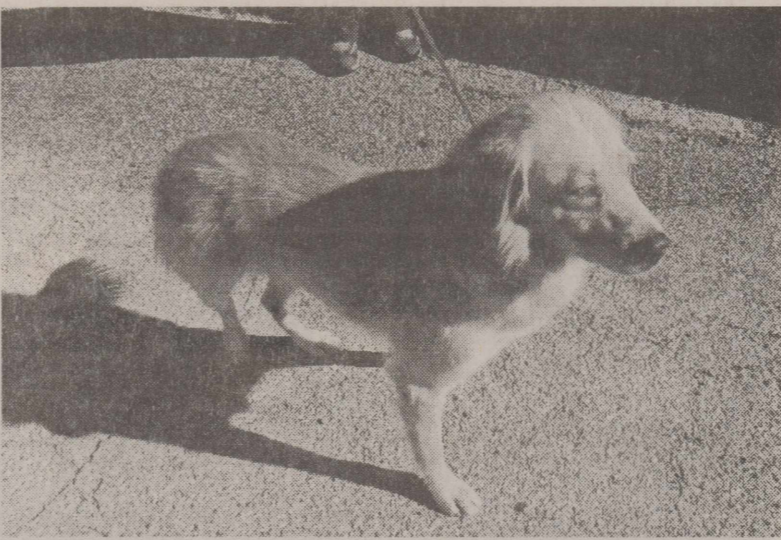

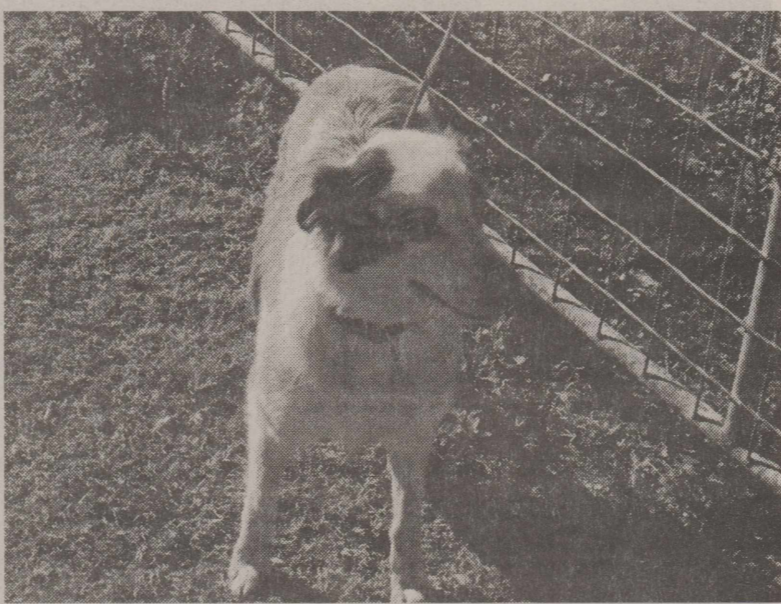

who was caught at the 50 yard line. The 2nd half started and the Defense rolled out more tackles, Logan had a nice tackle and once again they had to punt. We had return left, Wesley, caught the ball and raced 50 yards down field picking up blocks from Alex, Evan, Chance, and John and a host of Colts. Score 22-0 Colts WIN.

### 8th Grade

The 8th grade Team demolish the Cubs 44-6. The colts took control from the very start and did not let the cubs breath. Able Cruz scored the first TD with a 43 yd. run. On the next series the Defense shut them out, Christian, Big Ray, Carlos, Richard, Ramiro, Orion, Dylan, and Mark did an outstanding job shutting the run down. The cubs punted back to us, Able, pick up the ball, a scampered, into the end zone 14-0. With the help, of Big Ray on the kick offs we were able to pin them down quickly and let our Defense go to work. The Cubs tried an end around and Dylan made a great play coming up field quickly, our Defense held and the offense went right back to work. Final Score Broncos 44 Lion 6, both Teams will travel to Ballinger Thursday 7th grade @ 5:00 and 8th @ 6:30.

## Adopt a Pet: Pets of the Week

# Consider the Cut-Stump Method of Brush Control

By Pascual Hernandez,  
Sutton County Agricultural  
Extension Agent

It's too late in the year for effective chemical brush control with leaf spray. Application beyond the optimum time will mean re-sprouting in some brush species. However, there are options.

Many species of woody plants re-sprout profusely from below-ground crowns or roots if the above-ground growth is damaged or removed. Because these sprouts grow very rapidly, removing the above-ground growth of these plants often intensifies woody plant problems. A high percentage of these plants can be killed, however, if you spray the stump with a particular herbicide treatment immediately after cutting it.

Here is a three-step way to control many species of woody plants using cut stump spray treatments that are easy, effective and environmentally responsible. It involves spraying a small but potent concentration of herbicide directly onto the cut stumps. This treatment can be applied any time of the year, although the best results occur during the spring-summer growing season. It works best on: algerita (agarito), baccharis, blackbrush, bumelia, catclaw acacia, catclaw mimosa, lotebush (bluethorn), mesquite, pricklyash (Hercules' club), and Texas persimmon.

Step 1 is to prepare equipment. This can be pruning shears, a sharp ax, chain saw, hydraulic shears, etc. You will also need a pump-up garden sprayer, backpack sprayer or sprayer mounted on a four-wheel all-

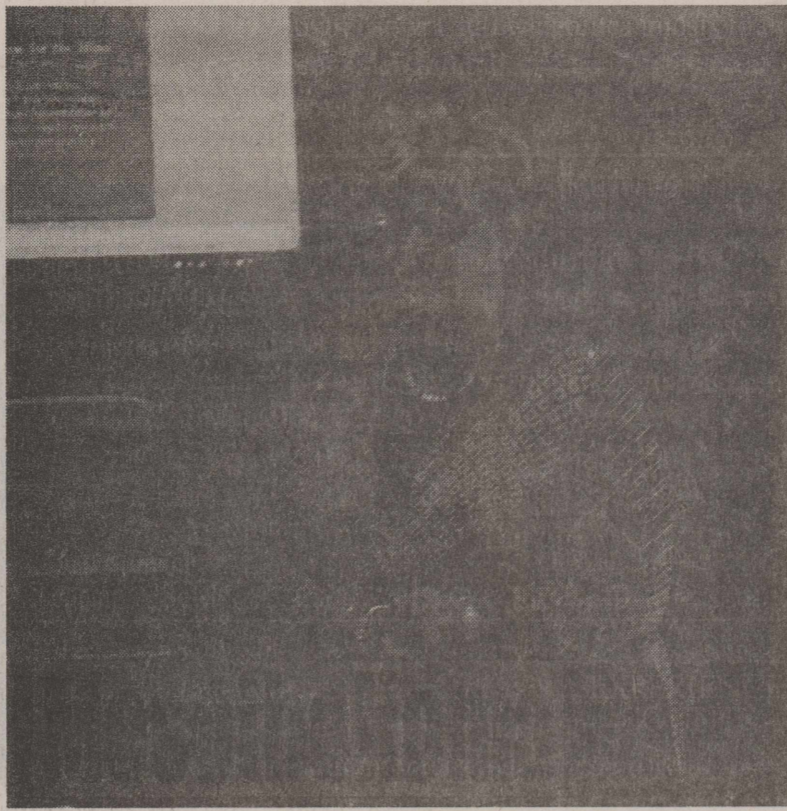

terrain vehicle (ATV) to apply the herbicide. For hand-held spray guns, an adjustable cone nozzle with a small orifice nozzle is recommended.

Step 2 is to select the right herbicide for the target species. For mesquite, for example, you'll mix the triclopyr with diesel or vegetable oil. Diesel fuel oil or vegetable oil act as coating agents and penetrants to ensure good coverage and absorption of the herbicide. On the other hand, for red-berry cedar, you'd mix picloram with water. Remember to follow the instructions on the herbicide label.

Step 3 is to cut and spray the stump. Cut every stem of the plant as close as possible to the soil surface, but not below the soil surface. Avoid leaving soil on the cut surface. Spray the stump immediately after cutting it. Adjust the spray nozzle so that it delivers a coarse mist in a cone-shaped pattern. Hold the spray wand so that the nozzle is within 1 or 2 inches of the stump and spray the entire cut surface until it is wet, especially the outer edges. Spray the sides of the stump and root collar also, almost to the point of runoff.

Complete herbicide mixing details are available from the Sutton County Extension Office. Keep in mind that controlling woody plants is not a one-time job. Because livestock, wildlife, wind and water can spread the seeds far, you will need to go over your land periodically to eliminate unwanted seedlings.

# Lions Roar

The Lions Club was honored to have Vickie Sanders from the West Texas Lighthouse for the Blind as our guest speaker on Tuesday, October 1, 2013. The West Texas Lighthouse for the Blind recently celebrated 50 years in business. They are a non-profit organization that receives no grants or funding from the government and rely on their product sales. Since 1963 the West Texas Lighthouse for the Blind has been providing jobs for people who are blind or visually impaired. They offer 100 products that they assemble and/or package for the State of Texas and the Federal Government. These products include writing instruments, office, safety, security, sewing and beverage products. Their manufacturing operation includes specifically designed equipment so that a person with low or no vision can operate the machinery safely and efficiently. Their mission is to provide employment for anyone in the San Angelo and Abilene area who is blind or visually impaired. They currently have 60 employees. For more information go to [www.lighthousefortheblind.com](http://www.lighthousefortheblind.com).

Also joining the weekly meeting were the Sonora High School Students of the Week. They are Jasmine Talamantez for the 9th grade, Briana Palacios for the 10th grade, Isaac Fraire for the 11th grade, and Mace Joy for the 12th grade. Each student was presented a certificate of congratulations from the Sonora Downtown Lions Club. High School Principal Mr. Aaron Oliver and Mrs. Kathleen Nolan, and our Lions Club Queen, Kaitlyn Gibbens were also in attendance.

The Lions Club International Mission statement is "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs". This is why Mrs. Pam Crenwelge, along with 18 of her Pre-AP English students, who are working on a Community Service Project, joined us to observe the meeting.

The Sonora Downtown Lions Club welcomes guests to their meetings, so please consider joining us each Tuesday at the Methodist church at noon.

## Perfect Day to Drink Some Wine

Age appears to be best in four things; old wood best to burn, old wine to drink, old friends to trust, and old authors to read.  
Francis Bacon

The main street of Sonora flowed with wine and good cheer on September 21st with the first downtown wine tasting. Friends of Historic Main Street and a large group of supporters, donors, sponsors and volunteers worked hard to ensure that this will become an annual event. Top Left: vintner from across the state of Texas were on hand to show the fruits of their labors. Top Middle: another vintner visits with curious wine coinsures. Top Right: Owners and staff from the Mercantile on Main (hosting the event) post for a quick picture. Bottom: Perfect weather and great friends both arrived on the same day for the wine tasting. All photos by Bonnie Lou Campbell
