

Clovis Air Force Base Invites Everyone To Armed Forces Day Event

The Air Force is doing their part by having more aircraft flying over the cities, towns and

villages of the United States than ever before. Clovis, for example, will have Trainers, Transports, Fighters and Bombers, both piston driven and jet powered in addition to Helicopters overhead, the latter which may be new and perhaps odd to the citizens of the community, are in no way new to the Army, Navy, Marines or Air Force.

Just ask the guys in Korea about the "choppers" that are always there to evacuate the wounded or fish the downed air crew out of the drink. They will give you the real low down on this beloved addition to the Armed Forces.

Yes, the citizens of this community will see many aircraft overhead, but by traveling west from Clovis on Highway 60 for approximately 8 miles to the Clovis Air Force Base, they will

be able to see many more of these same aircraft real close up. In fact so close that they will be able to touch them and look in the cockpits and ask the pilots on duty any question that comes to their minds such as: "How fast will she go?", "How far?", "What is it like to be cruising along about 8 miles up in the air?", or "How is it possible to fly to the west coast in the time it takes to drive to Lubbock?", and any more they can think of.

They might also ask, "How much does she cost in the taxpayers money, and why not get a cheaper model?", These and any others will be answered by the pilots on duty. All this and much more will be on display at the base, which is holding open house for the public from the time the parade in town ends till 5 p. m.

The program for the entire day will go something like this: A gala parade, with many, many bands, marching troops floats will commence at 10 a. m., at the conclusion of which the Open House at Clovis Air Force Base will commence. The parade will start at 7th and Mitchell Streets and proceed from there down Mitchell to 1st Street, then to Main and North on Main to 7th.

On display at the Open House will be these aircraft: An F-8-F "Bearcat", which is a carrier based Navy piston driven Fighter, now serving in Korea. A Navy A D, another piston driven carrier based aircraft capable of delivering a two ton bomb load to the enemy with deadly accuracy. A T-29 Convair built piston driven, Twin Engine Navigation Trainer. A B-26 "Invader", the fast flying piston driven Twin Engine light bomber that is giving the Commies so much trouble with its night strikes in Korea; the T-33, twin seated Jet powered Trainer and the highly respected MIG killer, the F-86.

These swept back wing Fighter Aircraft will have their cockpits available to the public for inspection and with only a little dreaming, those of us now too old for service in this sleek speedster, can visualize ourselves sitting at the controls, hurtling through the thin 40,000 foot air at the speed of sound. Oh! to be a young man again and take my place with these young Jet Jockeys of today.

We must not forget the helicopter on display. The H-19 or the future workhorse of Army Aviation will not only be on display, but will also give the visiting public a flying demonstration later in the day.

In addition to the aircraft on

Parmer County Farm Bureau

By RALPH SMITH

You have seen signs, upon entering counties in other areas, placed there by 4-H and FFA chapters, welcoming you to the place at hand. You feel sure that these chapters are active and interested in you when you see their signs of friendly welcome. Well, of course, we know that the chapters in Parmer County are active because of their many projects exhibited at the stock shows and fairs, et cetera.

In a short time, however, strangers entering the county from any one of five paved entries will know it too. Members of FFA and 4-H have been planning for this recently, and Parmer County Farm Bureau, in cooperation with them, is helping with the project.

Bruce Parr, Farm Bureau president, had already committed himself to furnish a large portion of the expensive materials for sign construction, and the directors granted a sum of money, that, with possible further contributions of materials, will make possible attractive welcoming signs that everyone will be proud of. County Agent Joe Jones with committeemen Earl Stevenson and Carl Schlenker have taken the responsibility of assembling materials and seeing that the signs are designed and erected in the near future. Watch for them.

In regular session Tuesday night, May 5, Parmer County Farm Bureau Directors voted to

display, the National Guard units will have their Anti-Aircraft Artillery set up for the inspection by the public. There will be a radar set up and operating. This set on display is like those used in Korea and also in the radar ring surrounding the U. S. A.

A field kitchen will be set up and in operation feeding members of the various bands participating in the parade. A Jet Engine will be available with a man on duty at all times to answer the many questions which are now in the local citizens mind as to just how it works, or where is the push. The crash crew of the base will have on display the latest in aircraft crash-rescue equipment including the latest in fog trucks which can drive into a fire and retrieve injured crew members from burning wreckage.

All this and much more will be open to the public from the time the parade ends and 5 p. m. as previously stated.

Between 1 and 2, the Air Force Base Band will give a concert in the area of the parked Aircraft. At 2:00 a short ceremony will be given by Dean Martin Cole of ENMU on "A Los Alamos Peace", which is very fitting of the occasion.

endorse the USDA reorganization that is to begin in the near future. They also agreed to contribute substantially to the expense of sending 4-H boys to the Roundup at Texas A & M as we have done in the past.

Aubrey Ellison reported briefly on the meeting in Abilene where he and Hadley Reeve attended the study of the Agricultural Act of 1949. In summarizing the report, Ellison said, "If this act goes into effect in 1955 with features we, as agricultural people, don't like, it can be no one's fault but our own."

We are being given full information concerning the act as it now reads, and methods of offering amendments to improve it. Let's let our people know what it is so they can tell us what to recommend to our State and National Farm Bureau."

Consider this: "He that oppresseth the poor to increase his riches, and he that giveth to the rich, shall surely come to want." Prov. 22:16.

VISITORS FROM LOVINGTON

Mr. and Mrs. James R. Hobbs and children, Wally and Camille, and Mrs. Ellen Hobbs of Lovington, N. M., visited Mothers Day with Mr. and Mrs. Bill Kistler and other relatives and friends.

HERE FROM AMARILLO
Mr. and Mrs. Alvin Farrell, of Amarillo, visited over the weekend with his parents, Mr. and Mrs. C. R. Farrell and with his brothers and sisters and their families.

College Honors Local Students

DENTON, May 12 — Approximately 300 students of the Texas State College for Women have been honored for excellent scholastic achievement at an assembly of the TSCW student body.

The event honored students making over a B average in all courses and members of Alpha Lambda Delta and Alpha Chi, honorary scholastic fraternities.

Miss Irene Shanks, junior business education major of Route 2, Muleshoe, has a 2.3 average (over B) for fall semester courses.

BACK HOME AFTER TRIP

Mr. and Mrs. J. A. McGee are back home after a long and very enjoyable sight seeing trip through Oklahoma, Arkansas, and Southern Missouri. The Ozark Mountain area is extremely beautiful, they think. They

saw lots of rain on their trip, but practically none since they've been home.

What Makes One Job Better Than Another?

What if the tables were turned... and college graduates stopped filling out job applications, and instead, submitted questionnaires for companies to fill out? It might be they would ask:

"Why should I work for your company? ... Is your bank balance healthy? ... Are you expanding fast? ... Will I get responsibility in a hurry? ... Can I pick the type of work I like? ... Are you fun to work with? ... Do you have smart men I can learn from? ... Free schooling to train me further? ... Research and know-how? ... Money for the finest equipment? ... Will you recognize and utilize my talents?"

Isn't it a sign of a pretty good job when young men with talent can have a clear road ahead, can learn from people they respect and admire, and can work on projects of national importance?

From where we sit, we've been watching this happen. Teams of people at General Electric—in their twenties most often—are solving problems of jet plane engines, new chemicals, home appliances, guided missiles... everything from atomic power to air conditioning. And they're working in responsible jobs, with experts of recognized authority.

Maybe it's because we're growing fast that young men move into new and bigger jobs. Or because we've been lucky enough to hire the type of men who grab responsibility and work hard to achieve success. Whatever single factor or combination it is, young men and success do go together at General Electric.

You can put your confidence in

GENERAL ELECTRIC

No doubt about it... Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Loadmaster engines in heavy-duty models... the remarkable gasoline economy... the extra ruggedness and strength of heavier, more rigid frame construction. And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.

MULESHOE, TEXAS

Letters to the Editor . . .

MRS. FOUST TELLS OF FORMER MULESHOE FOLKS

3204 Bryker Drive
Austin, Texas
May 10, 1953
The Muleshoe Journal
Muleshoe, Texas
Dear Editor:
I always feel so rewarded after any contact and fellowship with the wonderful people of Muleshoe. So many times in the past nine years have these contacts been at times of sorrow and loss

in our family and truly I feel humble in the presence of such loving kindness these people show. How very thankful I am for their friendship and encouraging words. Most recently these people have stood by and held our hands in the sorrow of losing our sister, Ila Mae Lawler. May the Lord bless each of them.

In talking to old friends, I found none knew of the death of Jerry Joslin, one of Austin's most beloved policemen. Jerry and his wife, Lilly, were residents of Muleshoe for more than a year long about 1929. Jerry worked at Hart Lumber Co. They were such a delightful young couple, made many friends and

these friends will be eager to learn some bit of news of them. Lillie and Jerry kept close to their church, civic work and home. Their children, two boys, are now fourteen and six years old. Lillie's people are the DeBucks of Idalou, Texas.

Jerry was killed in a car wreck when the car he and two other Austin policemen were traveling to south Texas struck a bull.

About three weeks before this event Jerry and Lillie celebrated their Silver Wedding Anniversary. In tribute to their faithful service to their church, community, the police department and safety patrolling of the schools, many scores came to honor them that day. Lillie does have many pleasant memories. Anyone wishing to send her a note of love and encouragement can address her at 806 Christopher, Austin, Texas.

Mrs. A. P. Stone of Muleshoe was "Aunt Ida" to Lillie and Jerry. I do hope she has learned about all the wonderful tributes that have come to this fine couple.

Another one time citizen of

Muleshoe who will be remembered, and who has been living in Austin most of the years since, is Carl Pharies. Carl has had the misfortune of bad health and is now in a wheel chair. He still has his brave spirit, a loving, helpful wife, and a charming small daughter of seven. Carl does watch repair work in his home, a trade he learned and took up since losing his health. He taught school when in Muleshoe. Carl has a younger brother, Claude, and family, who live near him. Claude is well capable and successful, and I am sure a great help and comfort to Carl. Carl has asked me many questions of old friends and acquaintances in Muleshoe and I know he too would love hearing from any of them. His address is 5301 Ave. F. Austin, Texas.

In closing will say I found on my return to Muleshoe this last time, the earth so very dry and parched, but none of these conditions have I ever found in the hearts of its fine people.

Sincerely,
Lela Glasscock Foust

Claude Locke Is Finishing Basic

Lackland Air Force Base, Tex.— Claude W. Locke, 17, son of Mr. and Mrs. B. C. Locke, Box 843, Muleshoe, is completing his AF basic airmen indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.

His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

ROY BRASHEAR'S FOLKS IN SAN ANGELO STORM

Roy Brashear, an employee of Fry & Cox Bros. had a number of relatives in the San Angelo storm, which hit at 2:30 p. m. Monday with destructive effect. Several were killed.

His mother's home was destroyed by the tornado, but she was not at home at the time. A sister of his mother was there, and miraculously escaped injury, being taken from the house in a short time by rescuers.

Other relatives of Mr. Brashear living there were uninjured.

injured. One of the boys killed was a close friend of Wayne's. They were on shore duty together at Norfolk, Va., before serving together on the Bennington.

Church School For Methodists

Vacation Church School will begin at the Monument Lake Methodist Church, Monday, May 18, and continue through Friday, May 22. The hours will be from 8:30 a. m. until 11:30 a. m. Mrs. J. G. Arnn, who is director of the school said they expected to have a very good school this year as all of their teachers attended a special training session in Levelland.

Ladies from here attending the meeting in Levelland were: Mmes. J. G. Arnn, L. J. Sanders, Sr., Earl Burleson, Ray Tunnell, Cecil Cole, Cass Stegall, Leon Reeves, Pete Tarlton, and Rev. J. C. Arnold.

Hail Prevention Program Proving Successful On Plains, Speaker Says

"Hail Prevention" was the subject of a speech before the Muleshoe Rotary Club Tuesday, made by a man who is engaged in the work, Lee Rawlings, of Plainview. It was a subject about which most of his listeners had heard nothing and so the talk was of great interest.

Because of the general interest in the subject, the members of the club had invited a farmer friend and some 15 farmers were guests of the club for the meeting.

He told how an airplane is flown into a potential hail cloud, which is seeded with silver iodide crystals, preventing the hail drops from forming into heavy enough particles to fall from the cloud.

His company has a contract with Hale County farmers and farmers in the western part of Floyd County, and Mr. Rawlings said their efforts have been successful in the two years they have operated. In one bad hail storm, Lamb County farmers directly west of the Hale County line lost 30,000 acres of cotton, he said, while farmers protected by the seeding process lost nothing. Little hail fell across the line in Hale County.

His company has not tried rain making, but he said that last year in an area south and

east of Plainview where nearly all the hail prevention seeding was done the year's rainfall was about three inches more than in other non-seeded areas.

One other such hail prevention program is being carried on, in the rich Rogue River Valley of Oregon, Mr. Rawlings said, with entire success.

Harry Waddle had charge of the program. The crowd nearly filled to capacity the newly enlarged banquet room of the Post-office Cafe.

Foster Unhurt In Explosion On Ship

Mr. and Mrs. Homer Foster received a letter from their son, Wayne, who is on the U. S. S. Bennington, informing them that he wasn't hurt when the boiler on his ship blew up, killing eleven boys and injuring several others.

Wayne wrote that just thirty minutes before the accident he and one of his buddies were eating lunch directly over the boiler room.

Some of the boys in the mess hall were killed and some were

Los Planos Club Installs Officers

The Los Planos Study Club met May 12, for the last meeting of this year with a dinner and installation of officers, in the home of Mrs. Bennie Chapman, with Mrs. Ernest Kerr as co-hostess.

A short business session was held. A very impressive candle-light installation was led by Mrs. Arch Fowler. Officers installed were: Mrs. Willis Farrell, President; Mrs. Russell Haberer, Vice-president; Mrs. Kenneth Grissom, Secretary; Mrs. Claude Riley, Treasurer; Mrs. Earl Schmitz, Corresponding Sec.; Mrs. Jack Schuster, Parliamentarian; Mrs. Richard Smith, Reporter; and Mrs. J. W. Roberts, Historian.

Those present were: Carrie John Schuster, Wilma Grissom, Fern Autry, Helen Schmitz, Ruth Fowler, Dorothy St. Clair, Evelyn Riley, Mary Nell Chapman, Jerri Farrell, Arlene Phelps, Arvilla Haberer, Elaine Dameron, Joan Smith, Hattie Raye Jones, Barbara M. Blackman,

Half Century Club Met Thursday

The Half Century Club met May 7 in the home of Mrs. Allen Spence, with Mrs. Mary Finley as co-hostess.

There was a short business meeting in which the bake sale was discussed.

After the business was taken care of there was a social hour in which games and visiting was enjoyed by everyone.

There was one visitor, Mrs. W. Wilson. Members of the club present were: Mmes. Lula Kistler, Snow Davis, Mattie Duke, Sally Harden, Sweetie Johnson, Reulah Carles, Alfred Julian, Daisy Engram, Annie Stevens, Lucy Layne, Clara Willman, Leota Wilterding, Bertie Paul, Jennie Panter, Myrtle Alsop, Mary Finley, Anna Moeller, and Pearl Moore.

The next meeting will be held Thursday, May 21, in the home of Mrs. Anna Moeller.

HD Dress Revue Set For May 16

The program, "Conserve Soil and water in home grounds" was very capably given by Mrs. R. R. Benham. She stressed the importance of feeding the soil and the most profitable method of watering.

Mrs. J. E. Day read the poem, "Recognizing God" for the opening exercise and roll call was answered with the "Name of a book recently read."

Mrs. A. W. Copley acted as secretary in the absence of Mrs. Dave St. Clair.

Mesdames J. E. Day and S. C. Caldwell gave the main highlights on the T. H. D. A. meeting, which was held in Lubbock. There were nine delegates attending from Bailey County.

Mrs. C. E. Briscoe won the hostess prize.

The club members and public in general are invited to attend the 4-H Club dress revue which is to be held Saturday, May 16, at the Courthouse.

Mrs. M. E. Simmons was hostess to the club May 12, and served lovely refreshments to the following members: Mesdames A. W. Copley, S. C. Caldwell, J. E. Day, Dave Aylesworth, W. Q. Casey, C. H. Gillis, L. M. Fletcher, C. E. Briscoe, T. F. Maddox, Roy Carney, R. R. Benham, W. W. Smith, W. H. Awtry, S. L. Robison.

The next meeting will be May 26, in the home of Mrs. J. E. Day.

Y. A. W. Week At Progress

The plans for Youth Activities Week to be observed at Progress Methodist Church are underway. The committees are at work getting up a good time for everyone who attends.

We are hoping to help acquaint some of today's youth with Christ and let them know of his wonderful personality. We are sure you will enjoy knowing him as a loving and understanding friend.

Remember to plan your summer vacation so you can attend the evening fellowship meetings the first five days in June at the Y. A. W.

By Pat Cooper

Pleasant Valley Social Club Met

The Pleasant Valley Social Club met in the home of Mrs. R. L. Roubinek Wednesday, May 6. The meeting was called to order by the president, Mrs. Ethel Allison, and roll call was answered.

The club has decided to make a sign reading "Social Club" and erect it at the Pleasant Valley Community Building.

A "42" tournament is being sponsored by the club. It started May 2, and will run through May 30. The nights left to play are the 16, 23, and 30th. Purpose of the tournament is to raise funds for the club.

The club welcomes two new members, Mrs. Hazel Reeder and Mrs. Leroy Scott. Mrs. Reeder has been a member of our club before.

We had three visitors present. They were Mmes. W. A. Stevens,

W. D. Lackey, and Sylvan Robison.

Delicious refreshments were served to the visitors and to the following members: Mesdames Leroy Hicks, Bud Holdeman, E. K. Angeley, J. P. Hammett, Bill Free, H. E. Reeder, Leroy Scott, Gerald Allison, Floyd Andreas, Charley Prather, Gladys Shaw, Doyle Turner, John West, Lillie Wuerflein, and the hostess, Mrs. Katie Roubinek.

The next meeting will be held May 20, with Mrs. Gladys Shaw as hostess.

Wesleyan Guild Met Monday Night

The Wesleyan Service Guild met Monday evening, May 11, at 8:00 o'clock, in the home of Mrs. Buford Butts.

Opening song, "Open My Eyes That I May See" was sung by the group. Devotional was given by Mrs. H. W. Hanks. Prayer by Mrs. Ray Edwards.

Elizabeth Harden gave "Methodists in Free China"; Mrs. Mable Dowell, "Methodism in Taiwan."

Mrs. Alex Wilkins, president, presided over the business meeting.

A report was made by the chairman of the nominating committee, Miss Elizabeth Harden, as follows: Mrs. Delma McCarty, president; Mrs. Mable Dowell, vice-president; Mrs. A. S. Stovall, secretary; Mrs. Ray Edwards, treasurer; these were elected by acclamation. Other officers will be appointed by the president later.

An installation service will be held at the next meeting May 25, the place to be announced later.

Refreshments were served to the following: Miss Elizabeth Harden, Mesdames Francis Gilbert, Jim Burkhead, Delma McCarty, Ray Edwards, H. W. Hanks, Mable Dowell, Homer Sanders, Jr., Alex Wilkins, Jim Cox, and the hostess.

VISITED RELATIVES

Mrs. Raymond Preure visited her brother and sister in Oklahoma City, last week.

IN POOR CONDITION

Mrs. A. A. Clements had a very serious operation in Dallas last Saturday, and at latest reports was in very poor condition.

VISITORS FROM LITTLEFIELD

Mr. and Mrs. L. T. Green of Littlefield, visited in the home of their son, L. T. Green, Jr., and his family Sunday.

VISITED IN LUBBOCK

Mr. and Mrs. Bernard Phelps and children spent Sunday in Lubbock, with her parents, Mr. and Mrs. J. L. Birdwell.

VISITED IN LUBBOCK

Mr. and Mrs. John Gammon and family visited in Lubbock last Sunday with her mother, Mrs. W. T. Jennings.

Local Group In Visit To Texas State Capital

Editor's Note: Nan Allison, 4-H Club girl, has written an interesting report of the visit recently of a Bailey County group to the state capital. On the trip were Mr. and Mrs. Bob Crowell, Martha Wuerflein, Dian Lewis, Patsy Baker, and Nan. Here's Nan's story:

TRIP TO AUSTIN

We left bright and early Saturday morning at 7:00. We stopped in Big Spring where we bought some comic books. In Big

Spring we also saw an insane asylum and a veteran hospital. In San Antonio we saw a T. B. Sanatorium. In San Angelo we ate dinner and crossed the Concho River and saw a fish hatchery. We also passed the Goodfellow Air Base. Then we saw a test truck for the Goodyear Tires.

We got to Tommy Brooks Ranch in the middle of the afternoon. We went to the ranch house, there we got a drink and Mrs. Brooks gave us some sweet peas and showed us through the house. Their ranch has 8,000 acres in it. We went to the barn to see some of their calves. We saw Black Night, one of their herd sires, and also who won first prize at a Junior Calf Show in Chicago in 1951. We also saw Brook Prince, another herd sire.

From there we went to Camp San Saba and picked some blue bonnets and stood in front of a statue and got our picture taken. We went to Buchanan Dam and walked to the main part. The gnats got in our eyes

on the dam. We got to the Driscoll Hotel at 8:00 p. m. We ate at the Texan Cafe that night.

We got up at 8:00 a. m. Sunday morning. We ate breakfast at the Piccadilly Cafeteria. Then we went to Sunday School at the Methodist Church across from the Capitol grounds. After Sunday School we went through the Capitol to the second floor. Later we drove through the residential part of Austin and by Lake Austin and up to Mount Brownell on the Scenic Drive.

We ate dinner at the cafeteria. After dinner we went to the Texas Memorial Museum. We saw lots of things Austin and Houston used in the old days. Then we went to the Barton Springs and watched the people swimming. We went on a picnic and met Mrs. Crowell's brother and his friend, from the University. Then we went to the show, "The I Don't Care Girl."

We got up at 7:00 a. m. Monday morning and ate at the cafeteria. We went to the Capitol at 9:00 that morning. First we met Representative Jesse Osborn. He took us to Mr. Hart at the Treasurer's office, who took us to the vault and showed us the burglary alarms and told us that the vault didn't have any money in it, but that they kept bonds in it.

We also told us that the vault door weighed twenty-eight tons and had five time locks and two combination locks. We met Mrs. Welmaker in the State Library. She gave us some literature on Austin. We then met Senator Andy Rogers of Childress. He took us to the Attorney General John Ben Shepperd. We also met Judge Morrison of Criminal Appeals. We visited the House of Representatives and were recognized on the floor. There are 150 Representatives from Texas. We watched them while they were in session for a while.

Next we visited the Senate and were recognized on the floor. There are thirty Senators. We watched them while in session for a while also, and had an interview with Governor Allan Shivers at 11:30, and had our picture taken with him. We then ate dinner at the cafeteria. We were going to the top of the Capitol but found it was closed from the fourth floor on up. We were pretty disappointed, so we decided to go to the Daughters of the Confederacy Museum, but it was closed too.

We went through the Governor's Mansion. Mrs. Shiver's private secretary showed us through it at 3:00. Then we went to the Hotel to rest an hour. After we were rested, we went souvenir shopping with Mrs. Crowell. We again ate supper at the cafeteria. After supper we went to the show, "Pony Express."

When we got back to the hotel, we rode up the elevator with the house detective up to the 12th floor to the penthouse and look-

Cowpeas Planted In Grain Drill Rows Advised

About 75 Bailey and Farmer county farmers spent Monday afternoon getting a close-up view of the most advanced agricultural practices to be found on the high plains. A work unit conservationist from Castro county showed a group of color slides of Brabham cow peas growing in the same row with Atlas Sorgho and also combine milo.

The significant points brought out by this demonstration was that the Brabham cow peas had grown around the sorghum stalks and had greatly added to the tonnage and the percent protein of the silage crop. In the case of the combine milo, the Brabham peas made a wonderful growth overflowing into the middles and shading the ground to such an extent that one irrigation was saved and the yield of grain sorghum was over four thousand pounds per acre.

Following the viewing of colored slides, a tour of about 25 miles was made showing off several concrete pipe installations and metal drops in fast ditches.

A large diversion terrace and waterway was shown on the Jesse Osborn farm. Highlights of the tour was operations on the

ed out over Austin. We walked down the winding stairs to the lobby. We packed when we got back and got to bed at 12:30 a. m.

We got up at 6:30 Tuesday morning. We then checked out of the hotel and ate breakfast at the cafeteria. We had the car fixed and were able to leave at 8:45. We ran into sand outside of Austin. Then we ran into a hard rain. We ate dinner at Coleman. We saw a gas fire coming back. We got to Littlefield at 7:00 at night.

Rockey Purchases Three Angus Cows

D. Oneil Rocky of Muleshoe recently purchased three pure-bred Aberdeen-Angus cows from Reimer Stock Farms at Carrollton, Missouri

HOME ON LEAVE

Delton Hughes, son of Mr. and Mrs. Roy Hughes, is home on a thirty day leave. Mr. and Mrs. Hughes, Delton, and Linda, spent the weekend in Odessa, visiting Mrs. Hughes mother, Mrs. A. H. Otte.

TO BE MINISTER

Gaylon Dorsey, son of Mrs. Murrell Stephens, will be ordained to preach May 17, in Memorial Baptist Church at Abilene.

VISITED IN MIDLAND

Mr. and Mrs. M. G. Bass visited their son, Mr. Raymond Bass, and his family in Midland over the weekend.

Gus Schlabb farm two miles east of Black. The Schlabbs do a pinpoint job of farming and have the yields to prove that they know what they are doing. They irrigate their row crop ground very thoroughly even though they have a very flat bed that is 48 inches from the center of one water furrow to the other.

The grain sorghum will be grown with pairs of 20 inch rows alternating pairs of 28 inch rows and will be cultivated with beet and bean cultivation equipment. The wheat on the quarter section that was in Irish potatoes on the Schlabb farm last year is now nearly waist high and was estimated to make from 60 to 80 bushels per acre. Ninety pounds of wheat was seeded per acre.

Roy Euler, 3 miles east of Black showed some harmful effects to wheat when too much Hubam clover was plowed under last August and no commercial fertilizer was added to help turn the green manure into Humus.

Film Shown To Wesleyan Class

The Wesleyan Sunday School Class of the Methodist Church met in the home of Mrs. Sam Fox, Wednesday evening.

Mrs. Hanks led in prayer. After a short business session, the women retired to the den for the film showing of "Healing of MVondo". The film was about American leprosy. A collection was taken up and will be sent to the American Leprosy Fund.

After the showing of this film, the film of the JayCees minstrel and the Kiddie parade from the Will Rogers Memorial Round-up was shown.

Refreshments of frosted orange punch, coffee, and cookies were served to the following: Mmes. T. P. Smallwood, O. N. Jennings, James Allen, Ray Edwards, Jim Burkhead, Marion Harris, Buford Butts, W. C. Bucy, Delma McCarty, A. A. Young, H. W. Hanks, A. J. Gardner, Lud Taylor, Arnold Morris, and the hostess, Mrs. Sam Fox.

Rainbow Girls To Galveston

The regular meeting of the Rainbow Girls was held May 7, in the Masonic Hall. Two girls were initiated. They were Doris Jean Childers, and Shirley June Davenport.

Four girls will attend the Grand Assembly in Galveston to be held June 21 through June 25. The girls are: Barbara Hinkson, Betty Collins, Elizabeth Farley, and Darla Myers.

Philathea Circle Held Banquet

The Philathea Circle had its Mother and Daughter banquet last Thursday evening.

There were one hundred twenty-five present.

As each one entered they registered, then went to get their plate. The menu consisted of baked ham, english peas, potato salad, rolls, iced tea, and brownies.

Mrs. Hanks opened the program with prayer. Six little girls spelled out the word "Mother", and told what each letter meant.

Alva Lee Shofner sang a song, accompanied by LaVon Copley at the piano. Helen Gardner, the speaker, made a talk on "Two Mothers". David Jean Anderson and Janet Franz played a duet, and Linda Lancaster played a number. The three Allison girls and Alva Shofner gave a reading on "Where's Mother".

A beautiful corsage was awarded to the oldest mother, Mrs. C. C. Mardis, who was eighty one. The youngest mother, Mrs. Billy Don Barbour who was nineteen, also received a corsage.

The lady with the most daughters present was Mrs. Dee Warner. She had six daughters there. Mrs. Eugene Black was the mother with the youngest daughter present.

Benediction by Mrs. Ragsdale closed the program.

Devotional Held For Mrs. Threet

Mrs. Orleans Threet, a shut-in was entertained in her home at Progress last Friday with a short devotional to honor her for Mother's Day.

The program was opened with the group singing "What A Friend We Have In Jesus". Mrs. J. J. Redwine said a prayer, and Mrs. Carl Kindred read James 4:14-11. Several songs were sung by the group, then Mrs. J. H. Wimberley and Mrs. J. J. Redwine read a poem. Mrs. J. M. Bellar read 100th Psalm.

Everyone brought a small gift for Mrs. Threet.

Refreshments of punch, cookies and candy were served to the following: Mmes. J. H. Wimberley, J. J. Redwine, C. E. Kindred, Emma White, O. S. Richards, C. McMahan, J. M. Bellar, Evelyn and Ruby McMahan, and the honoree, Mrs. Threet.

PROGRESS CLUB WOMEN HAD WORK DAY

The Progress Club women met with Mrs. Wilbur Thomas, Tuesday afternoon for a work day. The afternoon was spent doing glorified glass painting, making aluminum trays and Tri Chem Pen textile painting while visiting.

Later in the afternoon Mrs. Thomas served chicken salad sandwiches, potato chips and coffee to two guests, Mrs. Sherman Sweetmon and Miss Leona Patterson and members: Mmes. Manuel Self, Gordon Murrah, Albert Davis, Alfred Patterson, Ray Quesenberry and G. T. Maltby.

SMITH JOINS MILKING SHORTHORN SOCIETY

Don Smith, Star Route 2, Muleshoe, has been named to membership in the American Milking Shorthorn Society recently. W. J. Hardy, secretary of the Society, has announced.

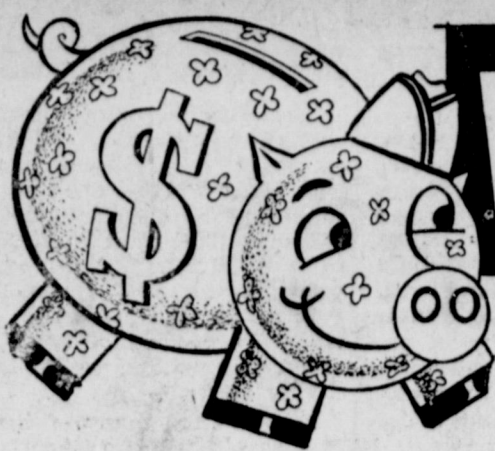

VISITS FAMILY HERE

Jimmy Alsop, of El Paso, visited here briefly this week with his parents, Mr. and Mrs. J. L. Alsop and other relatives.

VISITED HERE

Calvin Meissner, son of Mr. and Mrs. S. P. Heissner, spent the weekend here with his parents. Calvin is a student at Texas Tech.
