Mrs. Norris Is Guild Speaker

The Wesleyan Service Guild met Monday evening, April 27, at 8 p. m., in the home of Mrs. H. W. Hanks.

Devotional was given by Mrs. Hanks. "Have Thine Own Way", sung by the group, followed by prayer.

Mrs. Alex Wilkins, president, presided over the short business session, and welcomed the guests and introduced the speaker, Mrs. M. L. Norris, president of the New Mexico Woman's Society of Christian Service and Wesleyan Service Guild, and her mother, Mrs. O. F. Carmin, of Clovis, Mrs. Norris brought a very interesting talk on the work that is being done by the W. S. C. S., and Guild in various parts of the world. She told of her recent visit to Buck Hill Falls, Pa., and of her trip to Europe.

Mrs. Wilkins, presented Mrs. Norris with a gift from the Guild in appreciation of her visit. Refreshments of punch and cake were served to sixteen visitors and nine Guild members. Mmes. J. L. Norris, O. F. Carmin, W. D. Moore, C. R. Farrell, H. C. Holt, J. E. Day, F. B. Pierson, I. W. Haney, J. J. Gross, Beulah Carles, Noel Woodley, Sam McKinstry, Delma McCarty, Mabel Dowell, D. Warner, Alex Wilkins, Fred Johnson, Ray Edwards, Jim Burkhead, Alex Paid, A. A. Young, Jessie Wright, D. B. Lancaster and Miss Elizabeth Harden. Hostess was Mrs. H. W. Hanks.

THE MULESHOE JOURNAL, Thursday, April 30, 1953

Progress W. S. C. S. Has Bible Study

The Progress W. S. C. S. met at the Methodist Church Thursday afternoon, April 23. Mrs. James Wedel conducted a short devotional. Two hymns sung were, "Have Thine Own Way" and "Oh Jesus, I Have Promised". Mrs. Wedel read the scripture and gave a talk.

Mrs. Reta Richards favored the ladies with a lovely special song, "It Is No Secret" and accompanied herself on the guitar. The devotional was closed with a prayer.

Mrs. Byron Gwyn taught the study class on chapter two, "The World of the Bible". Special reports were "Our Faith in the Bible" by Mrs. W. Y. Mitchell, "Faith in Higher Criticism" by Mrs. C. W. Jones, "Inspiration of the Bible" by Mrs. A. L. Cooper. All members discussed the setting of the Bible, including the geography of Palestine and surrounding countries, occupations, types of government, and religious change during the two thousand years of Biblical history. A short business meeting concluded the program.

All the ladies of the church are urged to attend the next meeting. The study topic will be

chapter three of our study book, "Toward Understanding the Bible", entitled "How the Old Testament was Written".

Mrs. Autry Hosts Enochs HD Club

Mrs. Ed Autry was hostess April 23, to thirteen members and two visitors of the Enochs Home Demonstration club. Roll call was answered by each member telling "My Favorite Childhood Toy". Among topics discussed were "suitable toys for small children."

Next meeting of the club is to be held at the home of Mrs. M. J. Gibson. At this time, charter members will be recognized. Mrs. Dian Reed, Home Demonstration Agent of Bailey Co., will be present.

Since the week of May 3 thru 9th is National Home Demonstration Club Week, Enochs will join the other 3 Bailey County clubs, as is their custom, in having items they have made on exhibit at Muleshoe. Last year, Cobb's Dept. Store of Muleshoe loaned a show window to the club for such exhibits. Crocheted items and other hand work was on exhibit during the week.

Mrs. L. G. Harris and Mrs. T. A. Thomas plan to represent the Enochs club at the T. H. D. A. meeting at Lubbock, on April 30 and to present the Enochs club's donation for H. D. Club work in Bolivia. This is a new project for which each H. D. Club woman in the United States is requested to donate 2c.

W. S. C. S. Met In Church Sanctuary

The Woman's Society of Christian Service of the Methodist Church met in the sanctuary Monday, April 27, at 2:30 p. m.

The opening song was "I Would Be Like Jesus". The devotional given by Mrs. H. Jay Wyer was "Universal Praise." Mrs. I. W. Haney gave the prayer.

The program was "Have Thine Own Way", given by Mrs. Roy Bayless, Mrs. C. R. Farrell, Mrs. H. C. Holt, Mrs. O. N. Jennings, and Mrs. H. M. Shofner. Closing with the song "Have Thine Own Way Lord."

The president presided during the meeting. An announcement was made of the District meeting to be held in Plainview, Wednesday, May 6. Mrs. R. O. Gregory made a motion that the regular meeting be postponed Monday, due to the district meeting. Mrs. Jennings made a motion that each member prepare something for a bazaar. A card of thanks from Mrs. Holt was read. The creed, "Our Purpose" of the W. S. C. S. was read in unison.

The list of new officers voted in by acclamation was read and the following: Mmes. F. B. Pierson, W. D. Moore, O. N. Jennings, May Smallwood, Arnold Morris, H. O. Barbour, C. R. Farrell, R. O. Gregory, J. T. Shofner, J. E. Day, H. M. Shofner, Roy Bayless, H. Jay Wyer, H. C. Holt, and Mrs. Wilemon.

Attending were: C. R. Farrell, Roy Bayless, H. M. Shofner, H. C. Holt, Finley Pierson, Lane, J. E. Day, Arnold Gross, Wilemon, O. N. Jennings, Beulah Carles, I. W. Haney, R. O. Gregory, W. D. Moore, H. Jay Wyer, Smallwood and Claudia Huber.

VISITED IN CROSBYTON

Mr. and Mrs. M. G. Bass visited Mr. and Mrs. J. Frank Smith in Crosbyton, last weekend. Mr. Smith is ill.

Tom Thumb Wedding Held

Mrs. Clinton Bristow presented her kindergarten pupils in a Tom Thumb Wedding in the annex of the First Baptist Church Tuesday evening at 8 p. m.

Before an arch of greenery and wedding bells and flanked by candles, Dudley Bristow read the Tom Thumb ritual with Melody Harris as the bride and Charles Jones the groom.

The bride, given in marriage by her father, Edwin Cox, wore a gown of white organdy with an over skirt trimmed with lace and ruffles, her veil of white net was sheared around her face with Lily of Valley flowers. Her mittens were organdy. Her bridal bouquet was Lily of the Valley tied with white satin streamers.

Nin Ed Bovell was maid of honor. Becky Mason and Barbara Jones were bridesmaids. Carrie Beddingfield, Jeannie King, Joan Lemons, Ann Phelps, and Vicky Crow were flower girls.

Best man was Larry Morrison. Ushers were Don Lenau and Bobbie Trapp.

Eileen Mason was mother of the bride.

Dixon Ray was father of the groom and Joy Autry mother of the groom.

Pamela Lenau sang, "I Love You Truly", accompanied by Joan Green.

Doris Ann Gilbreath played the traditional wedding march. The maid of honor was dressed in blue organdy and wore a picture hat and carried a nosegay of rosebuds.

The bridesmaids were dressed in blue organdy and wore poke bonnets.

The flower girls wore pink organdy dresses, and the ring-bearer was dressed in yellow organdy. The boys were also in formal attire.

Half Century Club Met In Lenau Home

Mrs. Holly Bucy and Mrs. Snow Davis entertained the Half Century Club in the home of Mr. and Mrs. Charles Lenau, Thursday, April 23.

A short business meeting was held and the club members and guests spent the afternoon visiting, singing and other entertainment.

Members attending were: Sally Harden, Mattie Duke, Frances Williams, Mary Young, Lula Kistler, Birdie Paul, Pete Witte, Alpha Julian, Beulah Carles, Eileen Spence, Clara Willman, Hazel Farrell, Lucy Layne, Daisy Ingram, Laura Gilbreath, Ina Gross, Mattie Haney, Rosa Woldard, Maudie Douglass, Pearl Moore, and guests R. L. Jones, Finley Pierson, Buck Wood, Marie

sae of pies, cakes, and chicken Lenau, and the hostesses. The club will have a bake Saturday, May 9, at the Cashway Grocery.

Progress Club Sees Two H. D. Demonstrations

Mrs. Dian Reed, the County Home Demonstration Agent, gave two interesting demonstrations to the Progress Home Demonstration Club when they met in the home of Mrs. Wilbur Tho-

mas, the president, Tuesday, April 21.

The first, "How do we spend our time" brought out the fact that more time is spent by homemakers sleeping and in the kitchen than all other things together. She suggested that work areas and space be simplified to save time.

The second, "Fun day for the Children", left the thought that the average time for a small child to dwell on one thing or toy is four minutes. They will hunt something else to do and then may return to the same toy later. Two small youngsters, Gary Murrah and Lionel Patterson, were watched and showed this to be true.

Roll call, my favorite toy, was answered by ten members. The council delegate, Mrs. T. Haley, reported that the 4-H dress review and tea will be on May 16. The club will make cookies for the tea. Since the first week of May is National Home Demonstration Week, Council has suggested a guest day and tea for the club meeting that week. Mrs. Arnold Gross, Mrs. Ray Quesenberry and Mrs. Wilbur Thomas were appointed to assist the hostess on that day. National Home Demonstration Week was discussed and the exhibit committee are now collecting articles for display during that week in Cobb's Department Store window.

The hostess served pecan pie a la mode and delicious punch to Mrs. Reed, the agent, and Mes-

James D. O. Smith, Manuel Self, T. Haley, Ray Quesenberry, Alfred Patterson, Albert Davis, Gordon Murrah, Arnold Gross, and Joe Sinnacher.

After being served the members made badges for those who will attend the district meeting of the Texas Home Demonstration Association in Lubbock this Thursday, April 30.

The next meeting will be Tuesday, May 5, at 2:30 in the home of Mrs. Albert Davis, Club members please remember this is guest day and bring your guest.

Mrs. Copley Is HD Club Hostess

A very enjoyable afternoon was spent with Mrs. A. W. Copley as hostess in her home, to 22 Home Demonstration Club members. Several selections on the organ and piano were rendered by Don and LaVon, son and daughter of Mr. and Mrs. Copley, which everyone enjoyed very much.

We were happy to have as visitors, Mrs. George Nolan, Mrs. Kitty Lawson, mother of Mrs. E. H. Baugh, Barbara and Virginia Bowers and Mrs. Alvin Kriegel. Mrs. J. E. Day reported on Council and our county had 3 clubs present.

Mrs. D. R. Aylesworth will give a shower in her home Fri. May 1, at 2:30 p. m. for the family of R. L. Hoffman that lost everything they had in a fire recently. We hope that everyone that possibly can, will help in some small way.

We are very glad to have Mrs. Bill Elrod as a new member. Games were lead by Mrs. C. H. Gillis, and Mrs. Roy Carney made an interesting talk on a recreation room and a place for children at the club house to encourage more young mothers to attend club.

Mrs. Claude Sanders had the opening exercise. The 4-H Club dress review will be May 16 at District Court room. Home Demonstration Week will be from May 3 to 9. Bring your finished work to Cobb's dry goods store May 6 for display.

Next meeting will be with Mrs. M. E. Simmons on West 13th, Ave. B. The collection for the hostess gift was \$3.70 and was won by Mrs. Walter Witte.

VISITORS FROM PLAINVIEW
Mr. and Mrs. Curtis Brashear and daughter, Mary Ann, of Plainview, were visitors Sunday with her parents, Mr. and Mrs. I. H. Farley.

About People You Know —

TO AMARILLO
Mr. and Mrs. Byron Griffiths attended church in Amarillo Sunday night.

WEEK END AT CONCHAS

Mr. and Mrs. A. G. Tunnell and children and Raymond Gibson of Plainview, spent the week end at Conchas fishing.

VISITED IN COLORADO CITY

GUESTS IN TATE HOME

Judge and Mrs. Cecil Tate had as guests in their home Thursday, her brother, J. E. Barrington, and Mrs. Barrington of Clovis, and their son, Lt. Morris L. Barrington and wife from San Antonio, and Mr. and Mrs. Bert Mathis.

VISITED IN AMARILLO

Judge and Mrs. Cecil Tate spent Sunday in Amarillo, visiting in the home of Mrs. G. B. Swam, and with her daughter, Mrs. B. J. Tidmore of Springfield, Mo., who was visiting her mother.

VISITED IN SPRINGER, N. M.

Mr. and Mrs. Cecil Davis attended to business and visited friends in Springer, N. M. Wednesday and returned by the way of Albuquerque and visited her mother, Mrs. G. T. Guess. Mrs. Davis reports rain and snow through the mountains, quite a treat after the prolonged dry spell.

NEW LIBRARY BOOKS READY FOR READERS

Patrons of the Muleshoe Public Library have three new books for their reading pleasure this week. They include:

"The Wind Blows Free", by Loula Grace Erdman; "The Boys of Black River," by Walter E. Edmonds; and "Good Morning, Young Lady", by Ardyth Kennelly.

Parmer County Farm Bureau

By RALPH SMITH

Bovina Farm Bureau, meeting last Monday night, asked us to publish this fact: "There is a law in Texas requiring that immediately upon abandoning a well, it shall be filled up or securely covered. If you do not voluntarily do this, your county attorney may, at the request of any citizen, call upon you, serving papers demanding that you comply. This is, of course, simply a safety first law, and we are sure if you think, that you won't leave an abandoned well unprotected. If you know such an open hole, please call the owners attention to it immediately."

S. B. 24 passed the Senate and to a third reading in the House. An amendment similar to a feature in H. B. 3, which Farm Bureau vigorously opposed, was killed before Senate passage. This amendment sought to force local districts to match minimum foundation funds on a one-fifth and four-fifths basis, creating a continuing increase in local taxes to support a program set by the state with no control by local authorities.

Responding to a telegram from the Farm Bureau Legislative Office in Austin, Parmer and many more county Farm Bureaus wired their opposition strongly enough to knock this devastating amendment off the bill. Your school superintendent or county officials should be able to tell you how much money successful organized effort means to your school district in this new case. Thank Aubrey Ellison, chairman of your county legislative committee for prompt attention and action in this case.

H. B. 441, making possible continued use of surplus com-

modities, and consequent continuation of the school lunch program is supported statewide by Farm Bureau. Your county and State Farm Bureau also urge passage of S. B. 167 and its companion H. B. 427 in an effort to eradicate vesicular exanthema in hogs. This must pass to avoid jeopardizing the market for Texas hogs, since states to which we ship have already passed similar legislation.

Consider this: "Trust in the

Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Proverbs 3:5-6.

Funeral Rites Sudan Pioneer

Funeral services were held in Amarillo Monday for Mrs. Maude Snealson Boesen, first postmaster of Sudan, who died at her home in San Antonio during the week-end.

Mrs. Boesen was the widow of the late T. E. Boesen, early Amarillo newspaperman and one of the founders of Sudan. The Boesens came to Sudan in 1917 to build a hotel and establish the

town's first store. Mrs. Boesen had lived there until about three years ago.

Funeral services were held at the Sacred Heart Cathedral in Amarillo. Pallbearers included the following Sudan men: R. P. Markham, W. H. Lyle, Joe T. Salem, and Simon D. Hay. Burial was in the Llano mausoleum in Amarillo.

She is survived by a sister, Mrs. D. P. Hogan of Omaha, Neb.

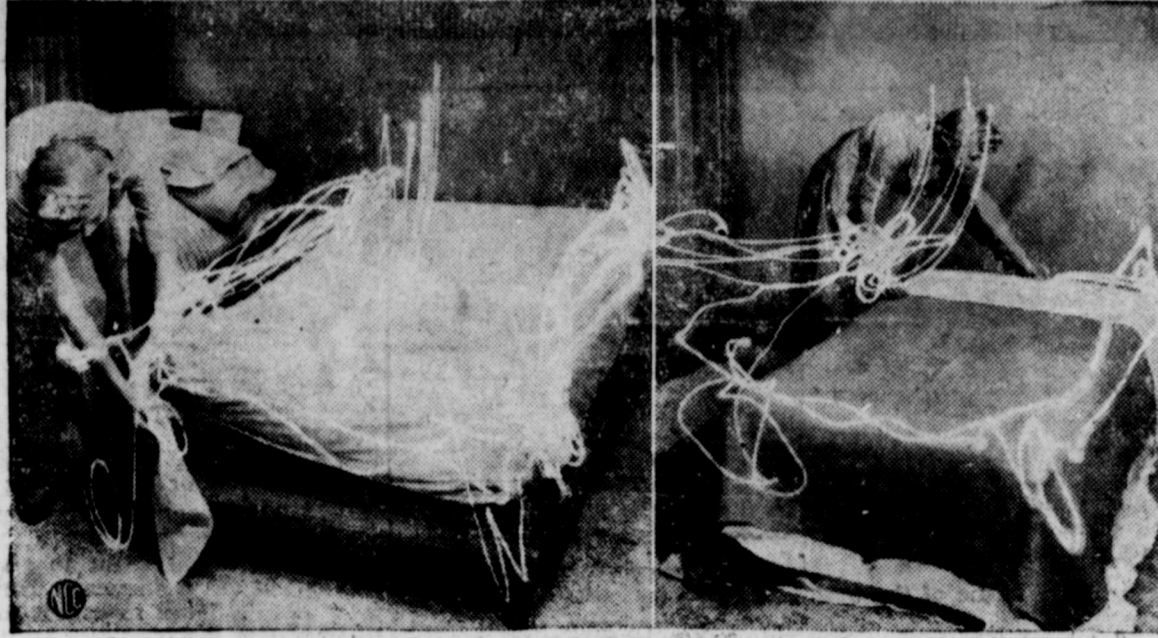

CHRISTIAN SCIENCE SERVICES

How to stop sinning and the suffering caused by sin is a point brought out in Sunday's Lesson-Sermon entitled "Everlasting Punishment" to be read in Christian Science churches.

The Golden Text for the Lesson is from Hebrews: "No chastening for the present seemeth to be joyous, but grievous; nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby" (12:11).

The Discoverer and Founder of Christian Science, Mary Baker Eddy, has written in the Christian Science textbook: "Sin brought death, and death will disappear with the disappearance of sin. Man is immortal, and the body cannot die, because matter has no life to surrender. The human concepts named matter, death, disease, sickness,

ONE-TRIP BEDMAKING METHOD SAVES HOMEMAKER MANY STEPS

Too many homemakers waste motion in their daily bedmaking job. This photograph illustrates the steps that can be saved if the bedmaking job is done properly with a one-trip technique. A light was attached to the homemaker's wrist to trace the actual motions she made in a complete job of bedmaking. The photograph at left shows wasted motion in retracing steps several times around the bed when the homemaker uses a haphazard method of bedmaking. The photograph at right contrasts a systematic bedmaking technique, with the light pattern showing only one complete trip around the bed and back.

Morton Teachers Given Contracts

MORTON, April 27 — Thirty-seven teachers have been offered renewed contracts in the Morton schools following a regular session of the school board recently.

Jack Rice was sworn in as a new member of the board. Rice was elected to the board along with Truett McCustion in the recent election. He took the post vacated by Ken Coffman. Elected as officers at the meeting were James St. Clair, president; McCustion, vice president and Willard Cox, secretary.

Heading the list of teachers for the coming year are Wendell Watson, high school principal; Elmo Smith, Jr. high school principal; and Melvin Hale, grade school principal. Supt. H. A. Owens already has had his contract renewed.

In addition to the teachers the board also renewed contracts for the custodians, lunchroom manager, bus foreman, and tax-assessor, collector and business manager, Mrs. Lula Mae Blandford again will teach in the Morton Negro school.

and sin are all that can be destroyed" (p. 426). This selection will be included in connection with these words from Matthew (7:17), "Every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit." It is emphasized that fear and sin produce mankind's enslavement, but these are destroyed by understanding the spiritual fact that God, good, is All, leaving no room for evil.

YOU DON'T HAVE TO GUESS! Buy Postal Scales at The Journal. Phone 7220.

VISITORS FROM ARIZONA

Mr. and Mrs. Marvin Castle and daughter, Elizabeth, of Wilcox, Ariz., spent last week end in the home of Mr. and Mrs. Cecil Davis. Mrs. Castle is a niece of Mr. Davis. It's the first visit to Texas for their little four months old daughter.

ATTEND SERVICES

Buck Wood and his brother, Ted Wood of Dimmitt, left Monday afternoon for Waco, to attend funeral services of their uncle, Taylor Wood, who passed away early Monday. Funeral services were at 5 p. m. Tuesday in Waco.

ATTEND GARDEN CLUB CONVENTION IN LUBBOCK

Mrs. Lela Barron and Mrs. Lee R. Pool attended the district meeting of the Garden Club in Lubbock, over the week end. Of special interest was the lecture and slides on floral arrangements by Buddy Benz of the Benz School of Floral Design of Houston. Mrs. Pool studied under Mr. Benz when she was taking floral design.

RETURN FROM MISSOURI

Mr. and Mrs. Marvin Burkhardt and daughters, Sandra, Patsy, and Barbara, returned last week from a trip to southwestern Missouri. They visited friends and also looked at farms in the vicinity.

Farm Bureau News

TEACHERS' PAY RAISE

S. B. 24 BY SENATOR A. M. AIKIN, JR., OF PARIS.

This bill which would pay teachers of Texas \$600 a year more than they are now receiving has passed in the Senate. Last week it was passed to a third reading in the House. Floor leader in the House for the bill is Rep. Lamar Zivley of Temple. He has a companion bill introduced which would also give the teachers a \$600 a year raise. The Senate bill is being held up in the House until next week to give representatives a chance to consider proposed tax measures for financing it.

When the Senate bill reached the House a number of amendments, very similar to the ones in H. B. 3 by Rep. Joe M. Kilgore of McAllen, were tacked on by proponents of the administration backed Kilgore bill. The Texas Farm Bureau Federation

was able to kill one of the amendments. That amendment sought to incorporate a provision which would force local districts to match minimum foundation funds on a one-fifth local and four-fifths state basis. This would mean a continuing increase in local taxes to support a program that is set by the state with no control by the local districts.

Telegrams were sent by the TFBF Austin staff to County Farm Bureaus, and the response made by Farm Bureau leaders in the counties was sufficient to knock that particular amendment off the bill.

SCHOOL LUNCH PROGRAM

H. B. 441 BY REP. ELBERT REEVES OF MATADOR.

This bill would set up a distribution system by which surplus agricultural commodities would be distributed to schools under the school lunch program. Sixteen district distributing agents would be set up to work under the Department of Public Welfare.

It is necessary for Texas to set up such a distribution system or face losing the Federal school lunch program aid.

The Reeves bill has been reported out of the House Appropriations Committee and is ready for action on the floor. Action is expected next week.

If this bill is to pass it will need the support of everyone concerned with disposing of sur-

pluses and with continuing the school lunch program. All county Farm Bureaus are urged to contact immediately their representatives in Austin and ask their support when the bill comes up for vote.

This information was submitted by W. T. Millen, president of the Bailey County Farm Bureau.

PLANTING STARTS IN MULESHOE TERRITORY

Cotton planting has started on some farms around Muleshoe, although many farmers consider it's still a little early.

However, if the weather permits, seeding will be in full swing in the next two weeks or so.

State Hospital Visitation Day To Be May 10

The Abilene State Hospital will hold its annual observance of National Hospital and Visitation Day on Sunday, May 10, 1953. This announcement has been released by William T. Lawler, Director of Education and Coordinator of Auxiliary Services of the Hospital, through the hospital sponsors from our county and city. This observance was a big success in 1952 (1834 visit-

ors registered) and gave the hospital volunteers an added incentive to carry on their splendid work at the Hospital. The Hospital Auxiliary—an organization of many volunteers helping to meet the recreational and other needs of the patients, will sponsor the Visitation Day in connection with Hospital Day. Plans have been made to have every patient in the Hospital visited by someone during the day. Where friends and relatives are unable to make these visits, volunteer workers will make them.

This hospital is the diagnostic and treatment center for all epileptics in Texas and the most modern diagnostic and treatment

methods are used. The purpose of Hospital Day is to encourage friends and relatives to visit their people in the Hospital and to acquaint the public with the program that is being carried on in Texas for these unfortunates. The purpose of the Auxiliary is to bring as much of the outside world as possible into the Hospital thereby helping the patients to enjoy a more normal existence.

The Draft Law

It is a local draft board's responsibility, under law and regulations, to decide, subject to appeal, the class in which each man registered with it shall be placed.

Each registrant is considered as available for military service until his eligibility for deferment or exemption from military service is clearly established to the satisfaction of the local board.

The board is obligated to receive all pertinent information on classification presented to it, says Brig. Gen. Paul L. Wakefield, state draft director.

Mailing by the local board of a classification questionnaire to the latest address furnished by a registrant is notice to the registrant that he will be classified in I-A, unless information is presented to the local board, within the time specified for return of the questionnaire, which will justify his deferment or exemption.

Unless the local board gives him added time, the registrant must return the questionnaire filled out within 10 days from date it was mailed.

The state draft director points to this paragraph in the Selective Service Regulations which the board must always keep in mind:

"In classifying a registrant there shall be no discrimination for or against him because of his race, creed, or color, or because of his membership or activity in any labor, political, religious, or other organization. Each such registrant shall receive equal justice."

LEE SPECK ESCAPES INJURY AS PICK-UP OVERTURNS

The 1953 Ford pick-up, belonging to Wendell Lee Speck, was overturned April 20, near the gravel pit west of Enochs. The pick-up was a total loss. Speck, driving alone, was uninjured. He is a recently returned veteran of the Korean War.

"Mrs. Ray Hailey, 1210 E. Lons St. Brownfield, is shown receiving a check from FRED MITCHELL, owner of the MATERNITY SHOP, 1003 13th St., Lubbock, for being a good guesser. Mrs. Hailey guessed the exact date on which her baby would be born and as a result received a refund of \$166.80 for all the MATERNITY Clothes she purchased at the MATERNITY SHOP.

Anyone is eligible to register the expected birth date of their baby, provided it is at least 60 days prior to the birth. If it is a normal birth on the first date registered, they will receive a cash refund for all they spend on Maternity clothes at the MATERNITY SHOP." (Adv.)

METROPOLITAN OPERA TO VISIT DALLAS

Above, Rise Stevens and Robert Merrill
Below, Cesare Siepi and Margaret Harshaw

Dallas' civic-sponsored presentation of the Metropolitan Opera Company May 8 to 10, in State Fair Auditorium, will offer four performances sung by world-famous artists. The schedule will be: Friday evening, May 8, Mozart's "Don Giovanni," with Cesare Siepi, Regina Resnik, Delia Rigal and Salvatore Baccaloni; Saturday matinee, May 9, Verdi's "Rigoletto," with Robert Merrill, Richard Tucker and Roberta Peters; Saturday evening, May 9, Strauss' "Der Rosenkavalier," with Rise Stevens, Astrid Varnay, Hilde Gudden, John Brownlee, Lorenzo Alvary and Kurt Baum; Sunday matinee, May 10, Wagner's "Tristan und Isolde," with Margaret Harshaw, Blanche Thebom, Ramon Vinay and Sigurd Bjoerling. The Dallas Grand Opera Association has opened offices at 1315 Elm Street for receipt of reservation orders, Arthur L. Kramer, Jr., association president, announced.

Rotary Talks Heard Tuesday

Short talks on Rotary were heard at the meeting of the Muleshoe Club Tuesday noon. J. M. Forbes and Ralph Mardis reported on the annual district assembly, held in Plainview Monday, which they attended.

Bob Gregory gave a review of some of the discussions at the

Forum, held last week in Lubbock. Onard Upton had charge of the program. The club voted to appropriate \$50 for the "kick-off" fund for the annual Will Rogers Memorial Roundup, scheduled to be held here in August.

Guests included Cecil Tate, Ken Kendrick of Clovis, Mrs. Dorothy Barron, and Bob Thompson of Lubbock.

An Inspiring Aerial View Of Expanding Muleshoe

This aerial view shows in the foreground the splendid new high school and its campus. Immediately beyond the high school are shown the Voc. Ag. Building, the new bus barn, the "Mule Barn" or field house, on the left the football playing field and grandstand. In the immediate foreground at left is the municipal swimming pool. In the left distance may be seen the American Legion Home and at right a fast developing new residential section. And on beyond the rich Muleshoe countryside stretches to the horizon, dotted with fine farm homes. (Picture courtesy high school annual staff.)

Rainbow Girls Meet In Hereford

A lovely school of instruction was held Saturday for the Order of the Rainbow for Girls in Hereford, in the central school gymnasium.

The school was under the supervision of Mrs. Martha Marie Whitfield, Supreme Inspector Order of Rainbow, state of Texas, assisted by Mrs. Bell Hromas of Hereford and Mrs. Gladys Laing of Earth, Grand visitor of the assemblies.

There were 353 present for the school with 135 B certificates issued. Five of these were issued to Muleshoe girls, Elizabeth Farley, Paula Province, Betty Collins, Barbara Hinkson, Darla Myers.

Other Rainbow Girls attending the meet were Doris Fields, Charlene Graford and Helen Stovall. Board members attending were Mrs. Mary Farley, Mrs. Levon Hinkson, Mrs. Jewell Strong Mother Advisor.

Nine girls and three board members composed the group from Muleshoe. The board members assisted with the examinations during the noon hour.

BAILEY COUNTY EASTER TWISTER — This is what the E. N. Darsey family, residing 14 miles southwest of Muleshoe on the Jackson Ranch saw with fear and trembling the afternoon of Easter Sunday, April 5, 1953.

It was off a wave from their home and happened to strike the ground in the wide open pasture. But they were sure glad when it faded out and disappeared without, as far as they know, doing any damage. The twister appeared to be about a half mile from the house and was seen at 3 p. m.

The above picture was snapped by the 15 year old daughter of the family, Barbara Sue. She said she used a 620 Ansco camera and she had time to snap several pictures before the twister disappeared. A light shower fell at the ranch during the afternoon.

roses flanked by white tapers in crystal holders formed the centerpiece and crystal appointments were used.

The three-tiered wedding cake, topped by a miniature bride and groom, was decorated with rosebuds of the confection.

Louise Glass of Snyder and Jean Cranfill of Roscoe served. Mrs. G. B. Hallman was in charge of the register. Mrs. S. A. McKinney, Jr., was also a member of the house party.

Out-of-town guests for the wedding included Mrs. Dan Thompson, Mr. and Mrs. Leon Julian, Mr. and Mrs. Joe Mitchell, Goda Galloway, Molly Francisco, Helen Lewallen, Dorothy Smith, and Nellie Vaughn, all of Lubbock.

Mr. and Mrs. Pat McMullan, Mrs. J. P. H. McMullan of Midland and Mrs. C. R. Fryar of Cisco.

VISITED IN SPRINGLAKE

Mr. and Mrs. Edward White and children were visitors Sunday in Springlake with his parents.

VISITED IN LOVINGTON, N. M.

Mr. and Mrs. Sam McKinstry spent the week end in Lovington, N. M. in the home of their daughter and family.

Jacqueline Fryar Weds Jerry Julian In Big Spring Ceremony

(From Big Spring, Tex., Herald, Sun., Apr. 20, 1953)

Jacqueline Fryar became the bride of Jerry Julian in an informal, double ring ceremony Friday at 6 p. m. in the home of the bride's parents.

Mr. and Mrs. Olen Fryar of Rt. 1 and Mr. and Mrs. Leon Julian of Lubbock are parents of the couple.

Dr. R. Gage Lloyd, pastor of the First Presbyterian Church, officiated at the ceremony. The improvised altar was centered with a white satin kneeling bench flanked by candelabra entwined with ivy and roses.

Nina Fryar, pianist, played a medley of pre-nuptial music including "Clair de Lune" and "Liebestraum" and the traditional wedding marches. She also accompanied Margaret Fryar who sang "The Wedding Prayer."

The bride, given away by her father, wore a natural honohan afternoon dress of original design. It was fashioned with a full gored skirt and a high neckline. Tiny self-covered buttons extended from the neckline to the waist. She wore natural and

brown accessories and a double strand pearl choker. She carried an arrangement of white irises on a white Bible.

In carrying out the bridal tradition, she carried a handkerchief belonging to her grandmother, Mrs. J. P. H. McMullan, that Mrs. McMullan had carried in her wedding. She also wore a blue garter and a sixpence in her shoe.

Mrs. Leland Holderman of Clovis, N. M., was matron of honor. She was attired in a toast shantung dress with a corsage of tallis man roses.

Bill Green of Muleshoe served as best man.

The couple will make their home in Lubbock where Mrs. Julian is a student nurse at Lubbock Memorial Hospital and her husband as a pre-med student at Texas Tech. The bride is a graduate of Levelland High School and the bridegroom is a member of Kappa Kappa Si at Tech.

At the reception, immediately following the ceremony, the refreshment table was laid with a Madeira linen cloth. Bouquets of

Jones Farm Store To Hold Final Free Chick Day Sat.

Chief Jones of the Jones Farm Store in Muleshoe, announced Wednesday that the Free Chick Day to be held Saturday, May 2 will be the last this year. Jones said that every Free Chick day held before has been more than successful and he urged everyone to get there early in order to get their chicks. The program was part of a nation-wide promotion sponsored by the Purina Company.

DAUGHTER IS ILL

Mrs. Buck Taylor returned home Sunday from Hale Center after spending last week and the week before with her daughter, Joyce, who is suffering from arthritis of the spine. She was much improved when Mrs. Taylor left.

DARK BEAUTY

Dark cottons are going to be popular this summer, the National Cotton Council reports, and this striking afternoon dress by Henry Rosenfeld is typical of the smart, simple dark cottons that will be warm weather favorites. In navy blue Bates cotton, the scooped-neckline frock is accented with rows of stitching in Kelly green.

Foreign Students On Nearby Farms

Four graduate students of the Agriculture University of Wageningen, the Netherlands, who will come to the U. S. May 1 for study of American agriculture and customs, will make Lamb county their headquarters for their three months stay in this country.

This marks the second time that Netherlands students have been Lamb county residents for a short time, the first being when Gerhardt Leifstingh lived with the George Weurfein family in 1951.

The four men who are coming to Lamb county are Johannes Cornelius Calelaars, 23; P. J. Dilleman; Johan George Ohler, 28 and Andrea Johannes Carlus Spijkerman, 28. All are ag graduates and their visit to the U. S. is part of their college degree work.

They will be placed in farm families to live with the family as a member of the family, learning farm customs and home life in the U. S.

While here they will receive their room, board, laundry and from \$60 to \$80 per month wages. They learn practical farm methods and social customs in this manner.

Late this week county agent Dave Eaton had not definitely placed all four of them, but said they would likely be in Pleasant Valley community.

Sudan Election Set For May 8

The Sudan City Commission voted April 16 to call an election May 8 to determine whether or not to sell \$20,000 worth of bonds for the purpose of paving about 30 blocks of streets in the Ormand and Markham additions to Sudan.

No increase in taxes is expected if the bond issue passes.

VISITED IN LOCKNEY

Mr. and Mrs. D. B. Lancaster and children Davy Jean and Hal Anderson spent Sunday in Lockney visiting with friends.

VISIT IN AMARILLO

Mrs. Strot Walker visited in Amarillo Wednesday and Thursday with her sister, Mrs. C. R. Boyer and family.

Area Students Attend Education Day Event

EXPLAINING HOW IT WORKS — Shown above are scenes of seniors attending an Education for Citizenship Day Program in Muleshoe Monday. At left, James G. Allen, dean of student life at Texas Tech, uses a Tech yearbook to help explain to three Morton girls what life is like on a college campus. Left to right, Carolyn Cox, daughter of Mr. and Mrs. Willard Cox; Dot Trice, daughter of Mr. and Mrs. J. E. Trice; and Nancy Blackley, daughter of Mr. and Mrs. Vernon Blackley, all of Morton. Center, three Muleshoe seniors watch as Patsy Chivers of West Texas State explains the operation of an office machine. From left to right, standing, are Lavelle Beller, daughter of Mr.

and Mrs. D. E. Beller; Betty Chisholm, daughter of Mr. and Mrs. W. E. Chisholm; and Minnie Ola Cox, daughter of Mr. and Mrs. English Cox. At right, four more area students study information given them by counselors at the meeting. Left to right, they are M. C. Osborn, son of Mr. and Mrs. Claude Osborn of Friona; June Hardage, daughter of Mr. and Mrs. W. C. Hardage of Farwell; Marie Gober, daughter of Mr. and Mrs. J. I. Gober of Farwell; and Ben Jordan, son of Mr. and Mrs. V. R. Jordan of Friona. The program, attended by 200 seniors, was the second such held.

Potatoes Off To Good Start

(Santa Fe Crop Review) That part of the 1953 winter wheat crop in Northwest Texas that is still alive has come through the winter under very adverse conditions, including drouths and high winds followed by freezing temperatures on April 17. Just what effect this freeze will have on the yield cannot be determined at this time.

A few favored areas received moisture early in April; however, these areas have been rather spotted. Except for the Low Rolling Plains and a few irrigated fields in the High Plains area, wheat prospects in Northwest Texas cannot be considered to be much more than 50 per cent of average, and it will require favorable conditions from now until harvest for the state to produce as much as was produced in 1952 which was reported as 34,625,000 bushels. The official estimate of April 1 for Texas as reported an estimated 30,126,000 bushels, and it is doubtful if this will be reached if dry weather together with high winds continue for another few days.

Potatoes in the Hereford-Muleshoe-Plainview area are off to a good start, and with a favorable season, should produce excellent yields.

Dutch Students On Local Farms

The four Netherland students who are coming to Lamb county for three months of training and study of American farm life have all been placed, county agent David Eaton, announced Tuesday.

The students will be placed in the county as follows, according to Eaton:

Oscar Allison who specializes in mechanical farming will have one of the men on his place in the Pleasant Valley community. Also in Pleasant Valley, Doyle Turner, who has a generally balanced farm program will be host to one of the students.

V. M. Peterman, who specializes in dairy farming will take one of the men, and Balford Rochelle, cotton farmer, will have the fourth one. Peterman and Rochelle are both in the Rocky Ford community.

The students who are coming to Lamb county are Cornelius Calelaars, P. J. Dileman, Johan George Ohler, and Andrea Johannes, Carlus Spijkerman.

The students were sent to Lamb county at their own request because of their knowledge of the county from previous Dutch students who had similar studies here.

Hospital News

Mrs. H. L. Barbour was in for medical care. She has gone home.

Mr. E. B. (Pete) Ware was in for surgery. He has been discharged.

Mrs. C. E. Blanscett was in for medical care. She has gone home.

Jackie Stancell, son of J. V. Stancell was in for medical care. He has gone home.

Mr. C. M. Splawn was admitted for medical care. He is doing fine.

Congratulations To: Mr. and Mrs. Roman Solis on the birth of a boy, Ernesto, born April 28.

Mr. and Mrs. John Wesley Burkhardt, Jr., on the birth of a daughter, Jerry Ann, born April 22.

Rev. and Mrs. W. B. Hatch on the birth of a son, Rex Allan, born April 28.

Mr. and Mrs. Willie J. Drake on the birth of a daughter, Janis Renee, born April 29.

DAN VINSON

Another Muleshoe boy finishes his basic airman indoctrination course at Lackland AFB, San Antonio. Vinson is the son of Mr. and Mrs. Monroe Vinson of this city.

IN LUBBOCK

Mrs. Hattie Jones and Mrs. Roland Mathiesen were visitors in Lubbock Tuesday.

200 Seniors At Guidance Meet Here

Outstanding Men And Women Advise With Youngsters

More than 200 high school seniors from 10 cities and communities were on hand Monday for guidance and counseling concerning their future vocations. Representatives from four West Texas and Eastern New Mexico colleges and universities, Armed Forces personnel and business and professional men provided information concerning various fields of endeavor at this, the second annual Education for Citizenship Day.

Holt, Johnson To State Meet

Roald Johnson and Jimmy Holt Saturday qualified for the state Interscholastic League meet to be held in Austin. Johnson, by winning first place in the mile and Holt placing second in the 880 yard run in the regional meet held in Lubbock.

Buck ran the mile in his best official time of his career, so far as is known. He stepped the distance off in 4 minutes, 49.7 seconds.

Jimmy came in behind Suggs, of Monahans, who set a new Class A record in the regional 880 yard run with the time of 2:02.9.

Eugene Buhrman missed going to the state meet by about an inch, landing in third place in the broad jump. Knott, of Childress, set a new regional record with a leap of 21 feet 7 1/2 inches to win the event.

Muleshoe's mile relay team came in fourth in another event in which the record was broken. Phillip's team won the relay in the new record time of 3:32.5.

though he is interested in education, "I am primarily interested in citizenship. No matter whether you ever go to college, you can be a good citizen."

The attending youngsters also heard Pat Bullock, chairman of the State Affairs committee of the West Texas Chamber of Commerce, assert that "the government just owes us one thing. That is opportunity. The success of that depends upon the individual."

Mingled with the serious side of the day's activities was entertainment, furnished by Muleshoe students and by individuals and groups from colleges throughout the region.

There was counseling by educators and by outstanding men and women in their fields on such topics as home economics, office administration, teaching, nursing, music, journalism, agriculture, business, physical education, law, engineering, medicine and the ministry.

Youngsters interested in one or more of these fields as a vocation attended special meetings at which the facts—advantages and disadvantages—were told them.

"The purpose of this Education Day is to give the youth of this area an opportunity to know something about the fields of work in which they are interested," said Ray Franz, manager of the Chamber of Commerce. "We hope in this way to give the youngsters a yardstick by which they can measure their possibilities in the various lines of work. Perhaps it will keep some of them from wasting time after high school graduation before they decide what work to prepare themselves for."

Texas Tech was represented at the gathering by James G. Allen, dean of student life; Maj. Melvin Burnett, associate professor of air science and tactics; and Aubrey L. Shouse, director of public information.

In addition, O. A. St. Clair of the engineering department and Dr. N. C. Fine of the agriculture department of Tech were counselors for students interested in either of those vocations.

Fred Johnson, member of the Muleshoe Chamber of Commerce, presided over the gathering. Supt. Jerry Kirk welcomed the visiting students to the Muleshoe

school, where the conference was held. Students attended from schools in a four-county area around Muleshoe.

Besides Tech, counselors were on hand from Wayland College

at Plainview, WTSC at Canyon and ENMU at Portales, N. M. Mrs. Glenn R. Woody of Lubbock was nursing counselor. Military counselors came from Clovis and Albuquerque, N. M. Dr. M. E. Green and Pat R. Bobo of Muleshoe gave counsel regarding medicine and law professions, respectively.

ENSIGN
Butane-Propane
CARBURETION

...FOR LOW COST FARMING

With Butane-Propane you can cook and heat the home. You can also run the tractor, irrigate, generate electricity and fuel your trucks. Equip your various engines with ENSIGN Carburetion for Butane-Propane and make very substantial savings in fuel costs and engine maintenance. Engines burning Butane-Propane run three to four seasons without overhaul or valve grind.

The carburetion you buy and its method of application is the key to successful engine operation. Ensign carburetor specialists for 36 years, pioneered Butane-Propane Carburetion and has perfected the finest equipment for easy starting, power, economy and safety. Consult your local ENSIGN Dealer. He is a specialist on Butane conversions and will gladly inspect your engines and advise on the feasibility and cost of the installation. Call or write him for free bulletin on the use of Butane-Propane in tractor, truck and pumping engines.

MULESHOE STATE BANK

Member Federal Deposit Insurance Corporation

City Secretary, Muleshoe, Texas. PROPOSALS received will, at the time hereinabove stated, be opened and read aloud before the City Council of said City.

DETAILED SPECIFICATIONS covering the proposed construction, which are now on file with the City Secretary, may be examined by anyone interested, and copies may be obtained on deposit of \$5.00. The full amount of the deposit will be refunded to the successful bidder upon execution of contract and furnishing performance bond as hereinafter specified, and be returned to all others upon returning said specifications in good condition; otherwise, the deposit shall be forfeited.

THE SUCCESSFUL BIDDER will be required to make performance bond in the full amount of the bid price and each proposal shall be accompanied by a certified check or a bid bond in the amount of 5% of the bid.

ATTENTION of bidders is directed to the provisions of House Bill Number 54, passed by the Forty-third Legislature at its Regular Session, requiring that not less than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is performed, shall be paid all laborers, workmen and mechanics employed in the construction of public works.

IT IS THE INTENTION of the City Council to pay all or a portion of the construction costs by the issuance and delivery to the proper contractor, of the legally issued time warrants of said City, bearing interest at the rate of not exceeding FOUR PER CENTUM (4%) per annum, payable annually or semi-annually which said warrants shall not exceed the principal sum of TWENTY THOUSAND DOLLARS (\$20,000), and the principal of said warrants shall be payable serially, the maximum maturity date being not later than December 15, 1964.

THE RIGHT is reserved by the City of Muleshoe, Texas, to reject any or all proposals, and to waive all technicalities.

THIS NOTICE is issued and given pursuant to authority conferred on the undersigned as City Secretary of the City of Muleshoe, Texas, by resolution and order of the City Council, convened in Special session, on this the 15th day of April, 1953.

R. J. Klump,
City Secretary,
City of Muleshoe, Texas

FIGHTS FOR PREFERENTIAL PRIMARY

State Senator Jimmy Phillips of Angleton, in his office at Austin, looks at some of the thousands of letters, telegrams and petitions received from the people of Texas backing him in his proposal to let the people, through a preferential primary, choose the nominees for president and vice president instead of the present convention system used by both major political parties. His bill has passed the Senate and is now before the House of Representatives.

Traffic Safety Meeting May 8

Cities in this vicinity will have an opportunity to learn how Traffic Commissions and Safety Councils may be organized to make their communities safer at the Panhandle Regional Safety Conference to be held in Amarillo on May 8 at the Herring Hotel. "Those communities who have seen fit to coordinate safety activities through one organization, such as a safety council, have made remarkable progress in reducing their accident toll," E. B. Tilley, President of the Texas Safety Association, said today. He further commented on the economic savings communities have made, through reduced insurance premiums, as a result of an organized effort on the part of the citizens.

Prominent speakers who have a practical working knowledge of this subject and related subjects which work hand in hand with an organized community effort for safety, will be at the conference in Amarillo to give this information to those in attendance.

Civic leaders, P. T. A. Groups, service club members, enforcement and school officials and the general public are cordially invited and urged to attend this meeting. The knowledge you gain may save a life—and that

life may be your own.

CARD OF THANKS

We wish to thank all those bringing food, sending flowers, devoting their time, and for their kind expressions of sympathy at the time of the loss of our loved one, Ila Mae Lawler.

Grand Opening Of Levelland's New Hotel Was Sat., April 25

NEW LEVELLAND HOTEL — Grand opening of the new \$300,000 ultra-modern Cal Boykin Hotel, shown above, was held Saturday, April 25 with visitors from a wide area expected to attend. Opening of the hotel will end more than four years of work and planning by local residents. The new-semi-inn type structure has a total of 39 rooms with banquet rooms and a coffee shop with a combined seating capacity of almost 400.

Price Supports For Bailey County For 1953 Announced By Local PMA

Price supports that will be in effect in Bailey County in 1953 were announced this week for several crops by the local PMA office. The announcement reads:

CASTOR BEANS: Castor Beans, under contract acres, will be supported at 9¢ per pound this fall. To date approximately 2,000 acres of irrigated Castor Beans have been contracted in Bailey County by the Pacific Vegetable Oil Corporation. In most instances in 1952, producers who tried castor beans were well pleased with the results. We had 408 acres in 1952. Income from irrigated Castor Beans were as good if not better than from cotton. With cotton acreage allotments likely in 1954 and also probable control

on Castor Bean acreage, if you are interested in establishing a Castor Bean Acreage History on your farm by growing them this year, you should contact this office immediately and let us know how many acres you want for 1953.

COTTON: The 1953 Support price on upland cotton has been announced at 30.80 cents per pound basis Middling 7-8 inch staple. This price represents 90% of the current parity, and is a minimum national average. If parity price is higher on August 1, 1953, the support price will be increased to reflect 90% of parity on that date.

Secretary of Agriculture Benson has requested that farmers

plant about 18% less cotton in 1953 than they planted in 1952.

GRAIN SORGHUMS: Grain sorghums will be supported at \$2.38 per cwt. in Bailey County.

1952 COTTON LOANS: New Warehouse Receipts are gradually being received on 1952 loan cotton, that was reconcentrated to other warehouses. As soon as new tickets are received you will be mailed a statement of charges to be attached to your copy of the notes. These Statements of charges will be of benefit to you should you decide to sell your equity to a cotton buyer.

The closing date for placing cotton under loan is April 30, 1953. The notes will mature on July 31, 1953 and may be redeemed any time prior to that date, after new warehouse receipts are received, if your cotton was reconcentrated.

1953 ACP Producers are again reminded that performance reports must be made on all approved 1953 ACP Practices as soon as the practice is completed. Since most all practices have to be checked, performance reports must be received so that the practice can be checked while evidence of the practice is still visible. Practices reported after evidence of the practice has been destroyed will not be eligible for payment.

THE MULESHOE JOURNAL

More Castor Bean Acreage Being Predicted

Present indications are that 100,000 acres will be planted to castor beans in Texas this year. This is the acreage allotted the state on which prices are guaranteed by the United States Department of Agriculture. This acreage, says W. I. Ross, assistant agronomist for the Texas Agricultural Extension Service, compares with the 94,000 acres planted in 137 Texas counties last year.

Total income from last year's crop, explains Ross, was approximately one and one-half million dollars. Yields were low in many areas due to drought and a lack of experience on the part of new growers.

Ross points out that income will depend upon yields and that good cultural practices are a very necessary part of the production program.

Like other crops, castorbeans respond to good, deep seedbed preparation. They are a tap-rooted plant but their tap root will not readily penetrate a hard pan, says the specialist. Deep plowing is also a good moisture conserving practice and the stored moisture can be used by the plants during the summer months to

keep them producing. Poor stands, says Ross, are the chief cause of low yields. At least 10 pounds of seed should be planted per acre. The planter plates should be checked before going to the field to make sure the desired spacing is obtained and that the seed will not be crushed. Growers in 1952, points out Ross, increased their yields by planting more seed and then thinning to the desired stand.

Records kept last year show that castorbeans returned on an average from five to seven dollars for each dollar spent for fertilizer. Application of the proper amount and kind of fertilizer will increase the per acre yield and in turn total profits.

Early plantings last year generally produced higher yields than did late plantings. In most sections of the state, says Ross, early cotton planting time is about the right time for planting the castorbeans.

Yields can be increased through the use of proper cultural methods and early cultivation is very important. Give them a first cultivation, says Ross, as soon as the plants are tall enough to plow. Weeds and grass are tough competitors especially during the early growth period of the castorbean and clean cultivation at this time can be a yield booster.

CHALLENGE TO THE INDUSTRY -the new GMC 400-27 that outpowers and outclasses its field

GMC's new 18,000 GVW hauler not only dwarfs trucks of 16,000 and 17,000 GVW, but overshadows—and underprices—those rated at 19,000.

In fact, the GMC 400-27 is designed to outhaul any truck up to 19,500 GVW. Its new engine of progressive design is stripped of excess weight, yet built stronger to absorb the stress of really high compression. It gives you brisker

response, more power and mileage from regular gas.

It includes, as standard equipment, many features that are optional at extra cost on other trucks.

As a tractor—or as a truck—it can increase your hauling ability, give you impressively better equipment—and save you both purchase and operating money to boot.

130 GROSS HORSEPOWER—on moneysaving single carburetion. Valve-in-head engine, 270 cubic inch displacement, 7.5 to 1 compression ratio.

2-SPEED ELECTRIC SHIFT REAR AXLE—15,000 pounds capacity, is coupled with a 4-speed Synchro-Mesh transmission, putting 8 forward speeds at the driver's command. (Single-speed axle available at a saving; 5-speed transmission optional at extra cost.)

30,000 GCW—137" or 149" wheelbase in tractors; 161", 179" or 197" wheelbase in trucks (9- and 12-foot platform or stake bodies optional).

ALSO STANDARD EQUIPMENT: 4,500 pound capacity front axle—Hydrovac-actuated brakes—Morsine M-400 main and connecting rod bearings—Toccoo-hardened crankshaft.

Your key to greater hauling profits

J. M. FORBES Editor and Publisher

BABSON Discusses — TAXES

Babson Park, Mass., April 30.—I can give many economic reasons why taxes should not be cut until the Federal Budget is balanced; but here is why taxes should be cut if possible. In 1940, an average married couple with no children and a net income of \$5,000 on their Federal income tax return (after real estate taxes, charities, interest, etc.) had over \$4,800 left for themselves. Today, after taxes, a similar couple with a \$5,000 net income has only \$4,150 left. This perhaps wouldn't be so bad were it not for the fact that their \$4,150 buys them only \$2,160 worth of goods.

HIGHER TAXES AND HIGHER PRICES
 New Deal tax policies, to be sure, seemingly did much to improve the dollar status of many workers. But executives earning over \$10,000 were really mowed down. Take the \$20,000 a year man as an example. In 1939-40 he had nearly \$18,500 left after taxes. In 1953 he has left only about \$14,500. You say you wouldn't mind having even the \$14,500! That may be true; but see how the \$20,000 a year man's standard of living has been lowered. Today his \$14,500 net buys him only about \$7,500 worth of the 1939-40 goods!

This same principle applies to corporations. Business has been good for the last dozen years. It was made good by war. With war came the all out effort to produce weapons. There were few civilian goods, so workers had little to buy. Dollars piled up. When a big supply of dollars started chasing a little supply of

goods, trouble began. Prices automatically went up. With increased prices came demands for increased wages to meet the increased prices. And this resulted in increased taxes. As wages and taxes rose higher, employers added wage and tax costs on to production costs. This kind of spiraling has gone on spiraling until prices today are nearly twice as high as they were in 1939-40.

THE NEED FOR A 100% DOLLAR
 Were this sort of thing allowed to continue, our nation could end up in bankruptcy. One of the best examples of postwar inflation is little Greece. In 1940 about 150 drachmas were equal to one of our dollars; today the official rate is 15,000 to the dollar. How would you like a life insurance policy or a pension plan in Greece today? It could happen here, too!

That \$3,000 a year retirement policy you were building in 1940, and on which you were planning to retire in 1960, will buy little more than \$1,500 of rent and food and clothes today. Congress made its big mistake after the war when there was a shortage of goods and pent-up buying power. Right then and there the Government should have pared its spending to the bone. Instead, we continued to spend, and in so doing built up further demand for civilian goods. Hence, things got badly out of control.

THE BUDGET SHOULD BE BALANCED
 Truman's 1953-54 budget called for a \$79 billion expenditure. That \$10 billion more than the

SAND HILLS PHILOSOPHER

Says He's Not Very Interested In Gadget To Show The Oil Level In An Automobile

Editor's note: The Sand Hills Philosopher on his Johnson grass farm must be having oil trouble, his letter this week reveals. Bearings probably burned out.

Dear editor:
 I noticed in a newspaper the other day where some organization had taken a survey to find out what the average motorist would most like to see available for his car and found out it's a dashboard gauge which would indicate the amount of oil in the engine.

I don't know where this outfit took its survey, but it wasn't around here. I have conducted a survey out here and find that what most car drivers want is an automobile that cost less to operate.

Most people used to have the notion that they were supposed to spend their lives workin to support their children, but the car has edged out the children in lots of cases and it seems to me the government ought to recognize this and allow you to take an automatic \$600 income tax deduction on your car the same as any other dependent. It would be nice I guess to have a gadget on the dashboard

Government will take in, even at the present high tax rate. To balance the budget, \$10 billion will have to be lopped off somewhere. This could very well come by reducing Government pay rolls, tightening up a loosely run Veteran's Administration, and stopping the pointless moving of military personnel from one side of the globe to another, then right back again!

Readers, however, must remember that any public economy program means firing a lot of people and perhaps starting the unemployment cycle. Congressmen may resist economies. They don't like to see their constituents lose their jobs in either Government or industry. Therefore, my present guess is that high taxes will continue. If so, we can meet them only by producing more, working harder, and being more sympathetic with our employers who are suffering from DOUBLE taxation.

tellin you when you were low on oil, but most cars, after you drive em a while, you get to know pretty well and you come to know when they're gonna need oil the same as you know about when a growin boy is gonna get hungry. They can put the gadget on if they want to, but fillin station operators are pretty shrewd and instead of askin if your oil is low they'll switch to sayin is your oil gauge workin, and still get to raise the hood and examine the oil stick anyway.

Personally, the gadget I'd like to see most on a car is not one showin whether I needed oil or not but one keepin me from needin in any. I guess it's a fine system for example a bank's got for sendin you a notice when you're overdrawn, but it'd make a bigger hit with me if they perfected a way to keep that situation from developin in the first place. A gadget on your livin room wall automatically showin you how much Johnson grass you got growin in your crops would be an interestin thing to have around, but what I'm lookin in for is a gadget to eliminate the stuff to start with. Scientists are great people, but they're always workin on the wrong end of a problem. Yours faithfully, J. A.

Today's Meditation

OUR SERVICE FOR THE KING
 Watch ye, stand fast in the faith, quit you like men, be strong. (I Corinthians 16:13.)
 Read II Timothy 2:8-15.
 Early in his African ministry, worn with fevers and exposure and exertion, David Livingstone had to face squarely the fact that he might meet death in the jungle. No one would have condemned him had he chosen to go back to England. But he did not go. He reasoned this way, as he himself wrote: "If we serve God at all, it must be done in a manly way."

In a manly way—that was Paul's counsel to the Corinthians against whom the luxury and sins of a great city were always conspiring to make soft Christians, lovers of ease rather than lovers of God. The Corinth of Paul's day is not so very far away from where you and I live today. "If we serve God at all, it must be done in a manly way," said Livingstone. That is the only way we can overcome the world which opposes the lordship of Christ; it is the only way we can meet victoriously the marching millions who do not believe in God. We must quit

Pleasant Valley News

Mr. F. A. Andreas just returned last Sunday from Portland, Ore. He visited with his sister and two brothers while in Portland. He also visited his family around Toppensish, Wash., and Yakima. He flew to Moses Lake to look

ourselves like men to remain in the service of the King.

PRAYER
 Almighty God, Thou art the source of strength for our weakness. Help us to lean more on Thee, to dare more for Thee, and so help in the rule of Christ in the hearts of men. In His name. Amen.

THOUGHT FOR THE DAY
 Victory for Christ requires our faithful service.
 Winfield Burggraaff (N. Y.)

into the irrigation project there and look over the land situation. Mrs. Andreas and children motored to Amarillo Sunday afternoon to pick up Mr. Andreas at the air port.

Highest-powered ENGINE in the low-price field

plus all these other buyer benefits that only the New Chevrolet offers you!

Entirely new Styling

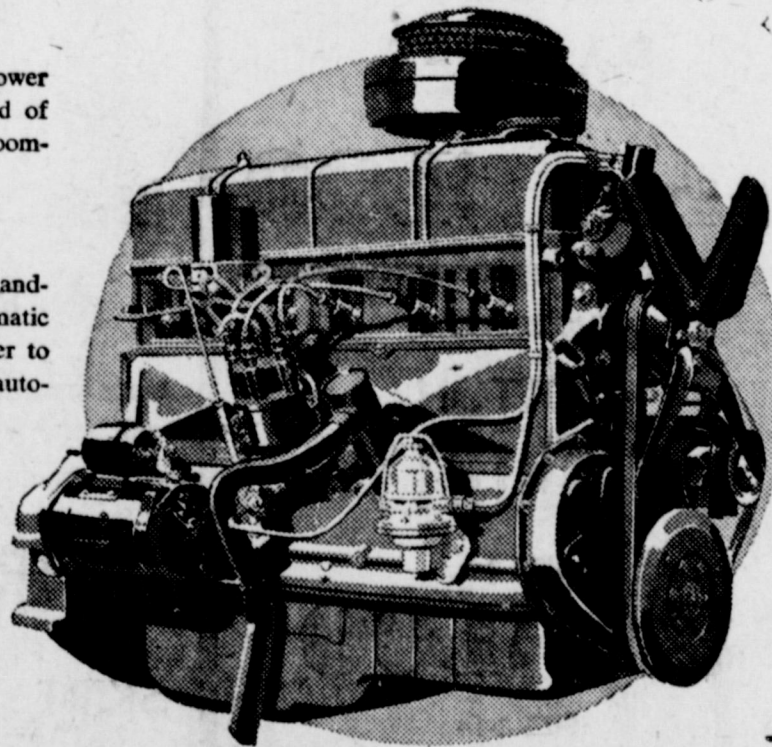

Strikingly new—with longer, lower lines that set a new standard of beauty for low-priced cars. Roomier, richer interiors, too.

Entirely new Powerglide*

Faster acceleration from a standing start with new automatic starting range . . . new power to pass in city traffic with new automatic passing range.

Entirely new Economy

The most important gain in economy in Chevrolet's history! Two great engines now offer even more economy than you have enjoyed with Chevrolet in the past

Entirely new Safety

New one-piece curved windshield for greater visibility. New, sturdier construction. New, easier brake action and new Foot-Form brake pedal.

Entirely new Durability

Chevrolet's new Body by Fisher is strengthened throughout. New heavier door-posts and sills. New bracing in roof and framing.

Entirely new Power Steering*

Exclusive to Chevrolet in the low-price field! It permits you to park with finger-tip ease. You turn the wheel and the power unit does the work.

Pictured above, you see the great new 115-h.p. "Blue-Flame" engine—one of the most important advances in engine design in many and many a year. New high compression! The 7.5 to 1 compression ratio is among the highest in the industry. Free-breathing carburetion, new aluminum pistons and many other features also play an important role in making this the most powerful engine in its field! Yet, both the "Blue-Flame" engine (teamed with

the new Powerglide automatic transmission*) and the advanced "Thrift-King" engine (in gearshift models) offer a wonderful gain in economy, too. Why not come in and take the wheel on a demonstration drive? Why not make it soon? *Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

PEANUT MARKETING PROGRESS

Now they've done it! They've taken the peanut taste out of the peanut.

Are you one of the old-fashioned persons who likes peanut butter? Get "hep" neighbor! The modern peanut, aided by a little nutritional hokus-pokus, may soon be available in orange, maple and chocolate flavors. Or for you gourmets who love Mexican food—how about a chili flavored peanut snack?

You would hardly recognize the origin of the two "changlings" called "Peanut Snack" and "Peanut Spread". The products were developed with the aid of the Production and Marketing Administration to create new demands and outlets for the lowly peanut. Preliminary studies show the products are popular with the consumers.

This should be good news for growers around Gorman and other peanut areas of Texas. The yearly demand for peanuts has been known to vary to such a degree that sometimes we can get as much as \$9,580,000 for our crops, as in 1952. Yet, growers can remember other times when the market was so bad that it was more profitable to feed the crop to the hogs. Any developments which catch the public fancy will give more strength to peanut sales.

Research and marketing officials may have hit a jackpot on this latest revamping of the peanut. Sales reports indicate the "new look" in peanuts proved more popular in some test areas than the old reliable peanut butter.

Supplies of the new products are not generally available yet. It may be some months before studies are complete and the products appear on the grocery shelves. But once they do, you may buy "Peanut Snack" in orange, maple and chili flavors, packed in cellophane roll for slicing like bologna. "Peanut Spread" will have the consistency of peanut butter for cracker or bread sandwiches.

Yet, no matter whether you slice it or spread it, the peanut industry may get a shot in the arm.

GUESTS IN WOOD HOME

Mr. and Mrs. Buck Wood had as guests Sunday her parents, Mr. and Mrs. M. L. Hardy of Hereford and her aunts, Mrs. L. C. Denton and Mrs. Scottie Campbell, Jessie Lee Boone and Jim Vance of Lubbock. Mrs. Harriette Hardy of Ventura, Calif., and her sister, Mrs. Joe Butler and sons of Dimmitt.

YOU DON'T HAVE TO GUESS! Buy Postal Scales at The Journal. Phone 7220.

Mrs. Odell Logan Shower Honoree

Mrs. Odell Logan was honored with a pink and blue shower Wednesday, April 22, in the home of Mrs. Ted Allen, with Mrs. S. W. Inman, Mrs. J. W. Roberts, Mrs. Herbert Nash, and Mrs. M. E. Little as co-hostesses. Pink and green was the color theme carried out in the decorations.

Pink miniature storks, tied with a green bow, were favors. Refreshments of lime sherbert and cake were served to the following guests: Mesdames L. C. Bratcher, C. W. Ramage, O. M. Self, N. A. Hogan, L. Shankles, T. Haley, J. Boydston, C. E. Briscoe, D. O. Burelsmith, Lewis Scoggin, J. W. Kelley, E. E. Meads, Gordon Murrah, Ira Martin, Marie Malby, Laurine Quesenberry, Joe Simmacher, Gene White, Ebb Randol, Dub Bartley, Lucille Cherry, Carolyn Simmons, Wilbur Thomas, Albert Davis, J. J. Gross, R. A. Gross, C. S. Otto, Reeta Brummer, H. E. Wimberley, Alfred Patterson, Loreta Burelsmith, Walter Sain, and the honoree.

WEEK END IN RUIDOSO, N. M.

Mr. and Mrs. George Mayo and Mr. and Mrs. Houston Hart spent the week end in Ruidoso, N. M.

BRO. BATEMAN TO SPEAK AT MAIN STREET BAPTIST CHURCH

Brother Pack Bateman, Chinese International student who is attending Wayland College, will speak Sunday, May 3, at the Main Street Baptist Church in the absence of Rev. Robinson. He will speak at both services. The public is invited.

CHURCH OF CHRIST

Bula, Texas Norman L. Warren, Evangelist The church in Bula extends to each person a cordial invitation to attend each service, or as often as possible. The church is growing, interest is high, so come on out and be with us.

Our Lord's day morning services begin at 10:00 o'clock and at 11:00. There is usually a very good crowd for this service. The Lord's day evening services are beginning at 7:15 with classes for all ages, and preaching services beginning at 8:00 o'clock.

The Ladies meet on Tuesday afternoon, 2:30, for their regular Bible study. They assemble in the church building.

Wednesday night services are at 8:00 o'clock with classes for all ages.

These hours will enable all people to come out and be with us, and still get home for plenty of rest. "Come thou with us and we will do thee good."

Bailey County Council Met

The Bailey County Council met Monday, April 20, in the county club room with three clubs represented.

The District meeting to be held Thursday, April 30, at Lubbock, was discussed. Members wishing to attend please meet at 7:15 a. m. Thursday at the courthouse and bring song books. The theme of the meeting will be "Home the Corner Stone of Freedom." Home Demonstration week will be May 3 through the 9th and the theme will be "Today's Home Makes the World of Tomorrow." An exhibit of the works of the Home Demonstration club members will be on display in Cobb's Department Store window during this time. Mrs. Holland, the exhibit chairman, will be in charge. A discussion was had on a future meeting to honor old club members.

The 4-H club dress review will be held Saturday, May 16, in the District Court room.

DAVIS

COMPLETES BASIC TRAINING — Harlan E. Davis, son of Mr. and Mrs. John Davis, Star Rt. 2, is completing his Air Force basic course at Lackland Air Force Base, San Antonio.
