

Mr. Muleshoe . . .

By J. M. FORBES

We hope everybody who received a questionnaire in the investigation of free mail and parcel post delivery in Muleshoe will decide to indicate that they favor the proposal. The Chamber of Commerce, working through Postmaster Gardner, has queried lots of people, and find many here are for the service and intend to use it.

But even if a person does not intend to use the service himself, he might favor it because others want it. To many, many citizens this would be a most convenient service; if I express disapproval, it conceivably could deprive others of the service who sincerely want it and need it.

Establishment of free city delivery of mail and parcels distinctly would be a progressive step; it will come eventually, and we may as well have it now. I certainly think that you and I should consider carefully before expressing indifference or disapproval.

AN INTERVIEW
The Journal Editor: Did you bring along those football pictures to show us tonight?
Ed Price, Longhorn Coach: I sure did. Brought the Texas vs. TCU game films.

Editor: That's a good game to show, isn't it?
Price: We have practically worn it out. Show it every time we get the chance. The Texas vs. A. & M. films are nearly new. (Texas was the only conference foe to defeat TCU last fall. Texas was beaten by A. & M.)

The coach had a tentative schedule for games through 1955 for his team. The Longhorns are scheduled to play Washington UCLA, Notre Dame, LSU, Oklahoma, Santa Clara and Indiana in inter-sectional conflicts in the next few years. Santa Clara, UCLA, and Washington have never squared off against a Texas U. team.

The big duster of last week was about the most damaging dust storm that has visited us in recent years. J. K. Adams, the county agent thinks, it damaged wheat, young alfalfa, caused lots of land to start blowing, and even damaged property. We have had more of the same this week.

INSIDE INFORMATION
This column has been informed that the Office of Price Stabilization last year cost you, and you, and you and each and every American 36 cents. That doesn't sound like a whole lot but it's another straw; just keep piling 'straws and you'll break the camel's back.

Besides, there be some who begrudge the expenditure of 36 cents for this purpose, having the honest doubts as to whether the controls adopted are having the desired effect.

Those who administer the OPS and are employed by the office, we are sure would recommend it most highly. We are not economist enough to judge, but we opine that most prices are now as high as a cat's back, therefore shudder to think to what heights they must have soared had it not been for OPS, granting that agency has held things down.

More Low Down:
There are 655,000 living American veterans of the Korean conflict as of Jan. 31, indicating a monthly discharge of 35,000 persons.

And about War II vets: They have already repaid in full one and one half billions in GI loans on homes, farms and businesses—about 9 per cent of the \$16.8 billion loaned to them to Jan. 23.

The Muleshoe Journal

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 30, NUMBER 13

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, MARCH 20, 1952

Sharp In Race For Attorney

Joe Sharp, District Attorney for the 64th Judicial District comprising the counties of Bailey, Hale, Lamb, Castro, Parmer, and Swisher, has announced his candidacy for re-election to that office.

Sharp stated that he will make a formal announcement at a later date.

Lazbuddy Gin Plans Announced

Lazbuddy will have a cotton gin ready for operation by next fall, according to announcement of the Watkins Interests of Sudan, Drew and Doyle Watkins visited The Journal office this week and made the announcement.

They said construction on the plant is to begin soon. Machinery already has been bought. The gin machinery was manufactured by Hardwicke-Etter. The Watkins family owns a gin in Sudan and engage in farming. Doyle Watkins will be the manager.

Johnson, King Place In Meet At Ft. Worth

No one has any reason to be downhearted about the showing of the Mules track team in the big track and field meet held in Ft. Worth last week.

In the first place, the boys who competed there all bested their previous best times or distances. The reason they didn't win is that they were up against such tough competition.

For instance, there were 163 boys entered in the mile race including the best boys from all classes of schools in Texas, and from Oklahoma and Louisiana. It's a much tougher meet than the State Interscholastic League meet in Austin.

Out of this welter of good millers, Roald Johnson of Muleshoe came in 5th and his teammate, Bob King, came in 9th. Roald ran the best mile he has ever run, making the distance in 4:43, a fine mile in anybody's track meet. Surprisingly, Bob ran his mile in 4:53, a good mile in anybody's high school track meet and also his best time so far. That's equal to Roald's best mile last year, and it will be remembered that Roald was second in regional and went to the state meet in Austin.

It was that way throughout the meet in Fort Worth. Coach Willard Hedges said, adding that the

Bailey County People Gave \$2,559.56 In March Of Dimes Drive This Year

Bailey County's annual March of Dimes drive this year raised a total of \$2,559.56 to help in the fight against infantile paralysis, a report by W. Q. Casey, 1952 drive chairman shows. The county chapter, headed by Jeff Peeler, reported expenses amounted to only \$96.70, leaving a net of \$2,462.86, half of which was sent to headquarters of the National Foundation for Infantile Paralysis and half was retained here for emergencies in the county.

Officers and directors of the county chapter and drive chairman expressed their appreciation of the cooperation of the various communities, schools, churches, PTA groups, and other organizations and individuals who cooperated in the campaign.

The breakdown reveals in the two communities of Bula and Enochs, which cooperated in the drive, a total of \$457.46 was contributed.

Contributions were listed as follows, with the names of the drive directors in the various communities:
Needmore, Mrs. W. L. Shafer, \$5.50.

The Grand Champion

MARLON INMAN, Muleshoe 4-H Club boy, is shown here with his light Poland China barrow, which was awarded grand champion honors in the Lubbock Junior Fat Stock Show this week after winning grand championship in the Bailey County Show Saturday.

Marlon Inman's light Poland China barrow won grand championship honors in the Lubbock Junior Fat Stock Show held first of the week, after being judged grand champion in the Bailey County show here Saturday. Marlon is a Muleshoe 4-H Club boy.

Marlon's entries made a clean sweep over the 56 entries in the class and he won first and second places. There were 417 fat barrows entered in the big show in all breeds. In the sale held Wednesday, the grand champion pig sold for \$2.50 per pound, and his total winnings from this one pig mounted to \$530.

Jerry Inman won fourth and Bennie Splawn eighth in the light Poland division.

In the high quality light Hereford show at Lubbock, little Tim Prather did a masterful job of showmanship in taking 4th prize while big brother Jim Prather was happy over his eighth place prize. Jimmie Wheeler of Three Way dropped to 12th place in the same class with his calf that was adjudged grand champion in the Muleshoe show Saturday.

Sixteen Muleshoe 4-H barrows, 5 lambs, and two calves were exhibited at the big Lubbock Show. Marlon and Jerry Inman of Route 2, Muleshoe, Darrell Lee Stephens, Robert Giles and Bennie Splawn showed Poland China barrows; Clifton Allen exhibited 5 lambs and Tim and Jim Prather exhibited fat steers.

A list of winners in the local show will be found on another page of this paper.

Nine True Bills Returned By Grand Jury In Bailey Co. District Court

Plans For Ball Field Are Underway

Appropriate funds have been raised by the JayCees, the soft ball organization, and others who were interested in the project for the construction and lighting of a soft ball field.

However, the land has not yet been acquired for the site of the field. The JayCees have contacted a land owner, but as yet they are unable to make definite construction plans.

Very best boys from Louisiana and Oklahoma were on hand to make things tough for the Texas lads. But he is immensely proud of his track team and of the way in which they contested in Fort Worth.

Besides Johnson and King, Mr. Hedges took the following to Fort Worth: Donald Harrison, Eugene Buhman, Bennie Bickel, Wayne Moore, Robert Richards, Gerald Elder, Dwayne Burkhead, Jody Blaylock and Jim Hall.

Annual Red Cross Meeting Scheduled

The annual Red Cross meeting will be held Monday, March 24, at 8 p. m. for the election of new chairmen and officers.

Officers now are: Chairman, Loyd Roberts; Treasurer, W. B. Wagnon; Home Service Chairman, M. G. Bass; Executive Secretary, Mrs. L. S. Barron; and Directors, B. A. Dalton and Lee Pool.

VISITED IN AMARILLO
Mrs. Leota Wilterding visited in Amarillo this week with Mr. and Mrs. E. A. Wilterding.

The grand jury was composed of the following: B. H. Morgan, F. Heathington, H. E. Baker, Roy B. Young, A. H. Daricek, Ira Jiant, D. B. Head, R. C. Gaede, R. D. Precure, Roy Sheriff, Joe Sooter, and J. V. Stancell. Young was foreman of the body.

In the case of W. M. Barree vs. the Alamo Casualty Co., suit on fire insurance on a car, a jury decided in favor of the plaintiff.

The petit jury selected was composed of the following: E. W. Adkins, Arthur Askew, Deon Awrey, C. C. Bamort, Ed Bellar, Eugene Black, L. E. Bratcher, W. D. Dement, R. E. Ethridge, E. A. Glenn, E. W. Gray, Kenneth Grissom, Grissom was foreman of the petit jury.

JOHNNY MOORE TO PREACH AT FIRST CHRISTIAN
Johnny Moore, student at West Texas State College, Canyon, will preach at the First Christian Church the coming Sunday, March 23, members announced today.

Mail Delivery Service For Muleshoe Being Investigated

The Chamber of commerce sponsored campaign to secure house-to-house and store-to-store mail delivery service for Muleshoe moved closer to completion this week, when the post office department mailed out questionnaires to some 100 boxholders and merchants to determine public reaction to the proposal.

The completed questionnaires will be turned over to a postal inspector who will be in Muleshoe within a few days to survey the proposed route and discuss the service with Postmaster A. J. Gardner and chamber of commerce officers.

In a letter, postal officials point out that the present rate for "drop mail" service, that is letters mailed by local residents to other parties living within the

Castor Bean Meeting Called By CCC In Muleshoe Next Tuesday Night

Putman Will Head JayCees

B. R. PUTMAN

Dr. B. R. Putman was elected president of the Muleshoe Junior Chamber of Commerce at the annual election of officers held by the organization Monday night. He will succeed Tootie Middlebrook as head of the JayCees.

Other officers chosen are: W. H. Robertson, first vice-president; Ted Cummings, second vice-president; Harry Walker, secretary; Paul Gardner, treasurer; Tootie Middlebrook, state director; Owen Jones, parliamentarian. Directors are: Clarence Weeks, Carroll Howell, W. M. Pool II, Ernest Kerr, and Benny Chapman.

A complete roster of the JayCees, one of Muleshoe's most active organizations for civic betterment, follows:

Lloyd Alsup, Bill Barbour, Norman Bays, B. Z. Beaty, Bud Blackman, Murrell Brown, H. G. Burchett, Bennie Chapman, Ted Cummins, J. E. Conoly, Howard Cox, Sam Damron, Roy Dyer, Howard Elliott, Dick Ellis, Willis Farrell, Paul Gardner, Marvin Grandy, Bob Gregory, Herb Griffiths.

Participation In Athletics Called Good Training For Life By TU Coach

Participation in athletics was described as good training for life by Ed Price, head football coach of the University of Texas at Longhorn football team when he spoke before a large crowd attending the banquet honoring boy and girl athletes in the high school lunch room Tuesday night.

Southwest Conference schools take the attitude, he said, that the only object of attending college is to attain an education, to prepare for life. Therefore, he believes, these schools are not affected by the hue and cry of sports over-emphasis.

"Followship" was described by the speaker as a prerequisite of leadership. One must learn to obey orders before he qualifies to

The fact that producers in Bailey County have shown such keen interest in the possibilities of Castor Bean production in this area, as a new money crop, the Commodity Credit Corporation has called a Special Meeting for Muleshoe, at the District Court Room, for next Tuesday night, March 25, at 8:00 p. m.

Henry Carder, representing the State PMA and Commodity Credit Corporation will be in Muleshoe to conduct the meeting. The purpose of the meeting will be to further discuss the possibilities of castor beans as a new money crop for the irrigated farms in the South Plains of Texas.

According to Travis A. Winter, County PMA, Administrative Officer, the State office officials have assured Bailey County a Castor Bean Program in as much as some 600 acres were pledged at one meeting alone of recent date. From the interest shown, we expect some 3,000 acres to be planted in the area.

The Commodity Credit Corporation will make hullers and self-propelled combines available for the handling of the crop. In addition it will make a storage center available at Muleshoe and producers will be paid 10 cents a pound or the commercial market, whichever is higher, on a clean seed basis. These payments will be made by a sight draft at the County PMA Office upon presentation of the weight certificate by the grower. Enough Baker 1, dwarf irrigated variety seed stock will be made available to plant all the acreage you want.

"If you are interested in getting in on the ground floor of this program," Mr. Winter said, "it will be to your benefit to attend this meeting and ask all the questions you can think of regarding all phases of the program. Also ask your neighbor to come along with you, he might be interested and fail to get notice of the meeting."

Farm Bureau To Elect Officers

A county wide meeting of the Bailey County Farm Bureau has been set for Monday night, March 24, in the courthouse in Muleshoe, according to announcement of O. C. Thompson, president.

Main business of the meeting is to election of officers.

A speaker whose name was not announced will be on the program.

It is desired that every member in the county who possibly can should attend this meeting.

Jim Grizzle, Connie Gupion, Tommy Haley, Bob Harvey, Roy Howard, R. C. Howell, Owen Jones, Ernest Kerr, Bob King, Horace McAdams, T. Middlebrook.

John Mock, W. M. Pool, II, E. R. Putman, Ardell Robertson, John Smith, Moe Smith, Irvin St. Clair, June Wagon, Harry Walker, Bob Wallace, Sikey Watkins, C. W. Weeks, Bill Wimberley, Travis Winters, David Wyer, Gerald Priboth, Travis Barnett, Bobby Goss.

(Continued To Back Page)

Severe Drouth Over Texas Hampers State's Livestock Production Program

Livestock numbers, except cattle and chickens, on Texas farms and ranches at the beginning of 1952 were lower than a year ago. For the entire nation cattle numbers were 7 per cent larger than on January 1, 1952, while for Texas the increase was only 2 per cent. The severe drouth over the state has seriously hampered livestock production and has hit hardest the sheep and goat producing sections, says C. H. Bates, farm management specialist for the Texas Agricultural Extension Service.

Stock sheep numbers in Texas showed a slight upturn in 1950 but were down 10 per cent on January 1, 1952 compared to a year earlier. There

were 6 per cent fewer goats than a year ago and 5 per cent fewer hogs. This means that livestock numbers have been kept relatively low, during a period of favorable returns, because of reduced feed supplies. Even now, Texas farms and ranches have almost 9 million cattle, over 6 million stock sheep and 1.6 million hogs. Also, at the start of 1952, Texas farms had about 2 million chickens and a half million turkeys, which was an increase over the year before. In specialized broiler areas, Texas growers raise about 50 million broilers annually, says Bates.

Feed reserves have been depleted because of abnormally heavy feeding during the past few months and feed supplies per animal unit are now the lowest since 1947, points out Bates. Unless the weather becomes extremely favorable for the production of large feed crops this year, reserves are likely to drop still further, he adds. So it looks like higher feed costs are ahead, unless stockmen plan wisely and get a better break on the weather.

With moisture conditions in some areas improved by recent rains, farmers should plan to produce adequate feed crops this season. The highest yielding varieties should be planted first for a good stand and use fertilizers whenever possible to produce the maximum yields.

RETURNS FROM OKLAHOMA

Mrs. Bina Graves returned last week end from a two month's stay with her sister, Mrs. T. G. Pitcock of Altus, Okla.

VISITOR FROM PLAINVIEW

Cleon Davis of Plainview visited Sunday with her uncle, W. R. Gore, and Mrs. Gore of the Oklahoma Lane community.

says the specialist.

Another important item is to plan for increased feed storage on the farm. Prices of feed grains and hay tend to drop at harvest time and with proper storage, the surplus can be held until the temporary "glut" is relieved. If plans for storage bins are needed, farmers should see their local county agent for blueprints. The local Production and Marketing Administration provides facility loans to farmers who need financial aid on constructing storage facilities.

And finally, Bates suggests that all livestock producers put into operation a complete forage production and storage program. This will include supplemental pastures, improving the permanent ones and storing enough forage and grain to take care of such situations as now exists. Forage, says Bates, can be stored for years in a silo and he recommends that silage crops be included in this year's production program.

Corn Production Contest In Texas Will Stress High Per Acre Yield

Texas corn producers, young and old, will have opportunities in 1952 to vie for honors in several different corn production programs. The Texas Certified Hybrid Seed Corn Association in cooperation with the Agricultural Extension Service is sponsoring a statewide program while the Texas Power and Light Company is providing awards for a program in the counties where they operate. This program involves only 4-H club members. In addition, numerous county programs have been announced.

The association program, says E. A. Miller, extension agronomist, is aimed at demonstrating the productive ability of Texas hybrid corns and how profits from corn growing can be increased through the use of good planting seed, legumes, fertilizers and cultural methods.

For the purpose of this program, says Miller, the state has been divided into four areas and awards will be presented to the five producers in each area who make the highest per acre yield. The state winner will receive an appropriately engraved plaque. Miller adds that adult farmers as well as 4-H and FFA members are eligible to participate in the program. Only commercial hybrid seed corn growers, members of their families and their employees are ineligible.

All participants must enroll with their local county agricultural agent, says Miller. A minimum of one acre must be planted to one of the Texas corn hybrids and after the corn has been harvested, each participant must furnish the local county agent with a report which will show the yield, the number of the hybrid, fertilizers used and other information on the demonstration.

The county agent will submit the reports to Miller who will have charge of selecting the area and state winners. Last year's state winner was Harold Watkins, a Red River County 4-H boy and his yield of 164.4 bushels an acre was the highest corn yield ever officially recorded in Texas, says Miller. Although growing conditions were not good last

year, 49 producers reported yields in excess of 100 bushels of corn per acre.

Miller points out that records submitted in previous years clearly show the best way to increase corn yields is to include a soil building legume in the crop rotation plan for the farm, use liberal amounts of fertilizers and plant one of the adapted corn hybrids. Spacing of plants on fertile soil should be about 18 to 24 inches to get the 7,000 to 10,000 plants needed on an acre for maximum yields, says Miller. Cultivation, he adds should be shallow because the heavy root system is near the surface of the soil and must not be disturbed if high yields are to be obtained.

Persons interested in securing more information on either program or on the best corn hybrids for their area or on fertilization should contact their local county agent. Recommendations on many of the corn production problems vary with the different areas of the state and for that reason Miller suggests getting information close to home.

VISIT IN SPUR

Mr. and Mrs. George Hicks, Kenneth and Morris visited in Spur with Mrs. W. O. Farby, mother of Mrs. Hicks, and other relatives over the week end.

VISIT IN JAL. N. M.

Mr. and Mrs. Roy Hogan and Myra visited in the home of Mr. and Mrs. E. J. Callaway, Jr., and son of Jal, N. M. over the week end.

Air Force Wants 10,000 Men For Pilot Training

Reese Air Force Base, Tex. — Ten thousand men are needed immediately to undergo pilot and aircraft observation training. To increase the amount of applications, an experimental plan lowering the requirements for entrance into aviation cadet training has been released by Headquarters, Flying Training Air Force, Waco.

Nineteen year olds can now apply for aviation cadets.

The lowering of the age requirement from 20 to 19 came last week from personnel officials at Headquarters, Air Training Command, after approval from USAF headquarters in Washington.

It marks the third major change in the cadet application requirements during the past three months.

Late last year the two years college requirement for personnel

in the Air Force was abolished, thus allowing high school graduates to apply for pilot and observer training. Civilian applicants still are required to have two years college training.

And recently the 18 month service requirement was lifted, giving thousands of airmen, previously ineligible, a chance to apply. There are no service restrictions for civilian applicants.

SHOFNERS HAVE GUESTS

Mr. and Mrs. Robbie J. Clark and two children of Truth or Consequences, N. M., spent the week end visiting in the home of Mr. and Mrs. J. T. Shofner. Robbie moved from Muleshoe to Truth or Consequences about fifteen years ago.

IN LUBBOCK HOSPITAL

Mr. and Mrs. S. E. Borer took their baby to Lubbock for a check up after a tonsilectomy last week.

TO EAST TEXAS

Mr. and Mrs. Roy Jordan are on a trip to Wills Point and other parts of East Texas.

High School Honor Roll Is Listed

The Muleshoe High School honor roll for the first semester of school is as follows:

L. Gabbert, Leon Harvey, Jack Jones, Don Moore.

Dale Wood, Allan Wilson, Darlene Black, Bernice Carley, June Dement, Jo Ann Dalton, Peggy Fried, Winona Glenn, Jean Gammon, Lavonne Kruger, Patricia Morgan, Maxine Pugh, Bethal Willeford, Ann Walker, Randal Craig, Keith Buhman, Eimer

Explorer Scouts Visit Reese AFB

Thirteen boys from Muleshoe Explorers Post No. 20 attended the week end training course at Reese Air Force Base March 14 and 15. Besides taking the training course on Explorer Scouting, the boys inspected the air base to same extent. They also got a free demonstration and lecture on electronics in science.

The boys attending were Roger and Buddy Pool, Allen Berry, Gaylord Tate, Stanley Fox, Gwenth Cox, Bo Bryant, Bobby Nelms, Charles Lenau, Hulon Freeman, Ingle Gatewood, Ralph Ware, and Gene Paul Jarmann.

One thing all boys reported as really enjoying were the meals served by Reese Air Force mess hall. The boys took their big tent and camped on the military reservation. There were about 200 Explorer Scouts from the South Plains area in attendance.

Self Employed Security Begins On 1951 Payments

The new starting date for figuring old-age and survivors insurance benefit payments is important to everyone now employed or self-employed in work covered by social security.

In explanation of this statement, John G. Hutton, manager of the Lubbock social security office, points out that work after 1950 can be used alone for figuring the amount of the benefit payment. Everyone who has been in work covered by social security continuously since January 1, 1951, will be fully insured by the middle of the present year. If he reaches age 65 and de-

Davis, Jerry Fountain, Robert Greer, Jerry Inman, Charles Lenau, Ryon St. Clair, Ralph Ware, James White.

GARDENING IS FUN

Gardening is fun for the youngsters, but it's even more fun in a new cotton gardening dress, says the National Cotton Council. Made of washable, crease-resistant cotton, the dress is zippered down the back for perfect fit.

He should die after a year and a half of covered work after 1950, his survivors can get benefit payments. He and his family will have this insurance protection until July, 1954. They will continue to have this protection if he stays in covered work for at least one-half the time after 1950 and up to the time of retirement at age 65 or later, or up to the time of his death.

Hutton advises everyone who plans to retire during 1952 to contact the Social Security representative before making a decision. He points out that an employed person will not immediately get the highest benefit payments if he files his claim during 1952. Moreover, he says, "Self-employment earnings of the year in which a claim is filed are not used to figure the amount of the payments. It may be to the advantage of both the employed and self-employed insured person to defer filing a claim until January 1953.

Just wear your dirty overalls
And calico dress,
Come as-u-r
And enjoy the best.

Farmers! Make Big Savings! Use Low-cost Philgas Tractor Fuel

Save on Repair Bills, Too
Convert your tractor! Compared to gasoline, Philgas can save you several cents a gallon. These savings will soon pay the cost of conversion. And Philgas is easy and safe to use. No waste from spilling, overflow or evaporation, because the filling system is completely enclosed.

Clean-burning . . . thrifty! Save as much as 50% on engine maintenance costs. No cylinder wall washing. Long ring and valve life. Low cylinder wear. For a thrifty fuel with exceptionally high energy content (100 octane plus), get high-quality Philgas.

All-purpose fuel! Use Philgas to heat your home, for cooking, hot water and refrigeration! Use it also for heating stock tanks, chick brooders, and other needs around your farm. Install a central tank for all your needs. Low cost fuel. Convenient, clean, dependable!

And remember . . . your local Philgas distributor is fully qualified to make dependable installations, to provide prompt and courteous service. See him today.

CHRISTIAN SCIENCE SERVICES

Christ Jesus taught the value of our learning not to depend upon matter and recommended the development of spiritual sense—in that way gaining the true sense of substance. This is an important point brought out in the Lesson-Sermon to be read in Christian Science churches on Sunday, in selections illustrating the subject "Matter." "Set your affection on things above, not on things on the earth" is the Golden Text from Colossians (3:2).

One of Jesus' well-known admonitions is included: "Take no thought for your life," we shall never depend on bodily conditions, structure, or economy, but we shall be masters of God' and his righteousness; and all these things shall be added unto you" (Matthew 6:31, 33). And Mary Baker Eddy makes this statement in her textbook, "If we follow the command of our Master, 'Take no thought for your life', we shall never depend on bodily conditions, structure, or economy, but we shall be masters of the body, dictate its terms, and form and control it with truth" (Science and Health with Key to the Scriptures, p. 228).

WHAT ARE TODAY'S FACTS ABOUT NEW CAR ENGINES AND POWER STEERING?

FAST TRAIL Chrysler introduced its new FirePower V-8 engine, and America's first passenger-car full-time power steering. Both new ideas "took hold" in a big way.

Today, others are announcing "new engines" and "power steering" . . . but with some basic differences worth keeping in mind if you're buying a new car.

First: about "new engines." The fact is, a really new engine design happens only once in a great while. It did happen in the FirePower V-8. Its 180 h.p. was only incidental to its basic new design. Its key idea is a hemispherical combustion chamber, which makes even non-premium gasoline develop more usable power than other designs can get from premium fuel.

Only Chrysler engineering has so far mastered this design. Several cars do have some power increase, in terms of previous designs. The important fact is that FirePower is not a "warmed-over" engine, but brand new in performance, construction, and efficiency.

In power steering, too, there are basic differences.

Chrysler uses hydraulic power, always in effect, to do two things. First, it does 4/5 the steering work as you turn the wheel. Second, we've cut the amount of wheel turn needed by over 1/3.

Parking or cruising, you get more and easier control than ever before. In sand, snow, or ruts, the hydraulic power is always there to keep the front wheels from "steering back" at you. You get the same amount and feel of control all the time . . . full-time ease and full-time safety.

Actually, the differences, both in engine performance and in steering safety and ease are impossible to put in words . . . but just as impossible not to feel the moment you get into a Chrysler and drive it! Why not see your Chrysler dealer and do that, soon?

YOU'LL LIKE THEM!

Local Store Displays Casuals And Play Shoes For The Spring Shopper

You who are beginning to feel the first sweet delirium of Spring will recognize this early symptom... the sudden and irresistible desire to shed winter's dark woollens and embark on a madcap journey through the snows to see what's new for Spring '52! You'll soon discover for yourself what the fashion magazines have been excited about since December... that the era of crinolines has returned... that hand-span waists are as desirable now as they were in Civil War days... that Spring jackets are rib-length... and that casual shoes have taken on brand new personalities of their own!

We all know all too well that shoes can make or break an otherwise nicely planned costume. Because one pair must do for several different outfits, shoes are often restricted to the conservative, go with everything colors. Not so this Spring! Casuals and play shoes are blossoming out in vibrant, alive colors that will remind you of a technicolor extravaganza. They'll no longer play subordinate roles... but in many cases will be the talking points of your Spring and Summer informal outfits.

Let's take a look at these revolutionary new casuals. First, and most important, you'll like them! You'll like their free and easy styling, their natural flattery... and the wear all day sort of comfort that makes them so viable. Best of all, you'll love their colors... and what luscious happy colors they are!

Picture yourself in a low-wedge sling with three wide straps buckled across your toes. All these ways: orange, lemon yellow, mint green, red, purple or white... and bouncy crepe platforms that are dyed to match exactly.

Many styles boast two, three and even more colors. You'll see a pancake flat stripping sandal that ties at your ankle like a scarf. It's cleverly concocted of yellow with blue, beige with green, violet with deep purple, vivid pink with white... and a dozen other unexpected combinations.

One daring bit of flattery teams these tempting sherbet colors: strawberry, orange, lemon and lime. Another similar style adds a sabot strap of orange and

violet. Just as pretty and appealing are the tone on tone effects, the combinations of two related colors or two close shades of the same color. One wedge, for example, twists and loops soft bands of leather instep high, alternating mauve with violet, sapphire with pastel blue or chocolate brown with beige. These colors will amaze you, for gay as they are, they'll go with more of your clothes than you'd dream possible.

Here are shoes to play in, work in, live in... equally becoming with voluminous skirts or brief shorts. Their taffy soft leathers allow ample freedom, and in many styles cushioned insoles or crepe soles add extra comfort. Their price tags are so sensible you'll want several different styles and colors.

These bright new casuals, nationally advertised in leading magazines under the brand name of Connie Lo-Heelers, are on display at Cobb's. See how their vivacious colors and styling will add to your warm weather wardrobe.

New Methodist Organization Has First Meeting

We are to have special services at our church, April 9, 10 and 11. The services begin each evening at 7:30 and last for one hour.

There will be special music each evening. We will close Friday evening, the 11th, with the sacrament of the Lord's Supper. The local choir will have charge of the music and the pastor will do the preaching.

Everyone is cordially invited, and all our own members are urged to attend. Please put this date in your book and keep open for these services.

I have now served this congregation 95 Sundays, as pastor. During that time we have received 100 members. In addition to the regular budget, which amounts to some \$1200 a year, which is paid monthly, we have spent for improvements and furniture more than \$1400, and \$2200 for paving. The pastor has

Progress H. D. Club Studies Shade Trees

The Progress Home Demonstration Club met Tuesday, March 18, in the home of Mrs. Albert Davis. Three games were enjoyed by the group followed by the business session presided over by the president, Mrs. Edward Little. Mrs. Little left the thought, "Pre-tending to be rich keeps so many men poor."

Mrs. Ada Murrah gave council report saying that the Commissioner's Court meeting will be held April 25 at Fellowship Hall at 8. The 4-H Club Girl's dress review will be held April 26. Interior decoration, landscaping and grooming were the subjects chosen to be studied at the three day short course at Lubbock the latter part of August.

Mrs. G. T. Maltby gave a report of the sponge cake school held at Lubbock.

Names are to be drawn at the next meeting with three dates to be set for gift giving. Christmas will be one of these.

The program was "Planting Shade Trees" and Mrs. Dian Reed gave a demonstration on planting trees by setting out three.

The hostess gift, a pot plant, was won by Mrs. Edward Little. Refreshments of cookies and lemonade were served to eight members and the agent, Mesdames G. T. Maltby, Edward Little, Alfred Patterson, Odell Logan, Richard Smith, J. J. Gross, Ada Murrah, Dian Reed and the hostess, Mrs. Davis.

The next meeting will be held Tuesday, April 1, in the home of Mrs. Richard Smith. The program will be "Lay A Walk" by the agent, Mrs. Reed.

made more than 1500 pastoral calls. We are now working toward the building of a new sanctuary at the cost of some \$80,000 or \$90,000.

I am finishing 36 years as pastor. During that time I have served 14 different congregations. I have never served a more pleasant people. My wife and I certainly enjoy our work. It is a pleasure to live and work among you.

H. W. HANKS, Pastor

IN HOSPITAL

Jack Young, son of Mr. and Mrs. Tye Young, is in the U. S. Naval Hospital at Great Lakes, Ill. He has been sick about 10 days.

H. D. Council Elects Delegates To T. H. D. A. Meet

The Bailey County H. D. Council met March 17 at 2:30 p. m. with all four clubs represented.

Mrs. S. C. Caldwell presided in the absence of the chairman, Mrs. Couch, due to illness.

Plans were made for the entertainment of the Commissioners April 25 at 8 p. m.

Delegates to the T. H. D. A. meeting at Dimmitt on May 7 were elected. They were Mrs. Copley of the Muleshoe Club, Mrs. Little of the Progress Club, and Mrs. Sullivan of the Enochs Club.

Alternates were Mrs. Leon Julian of the Muleshoe Club, Mrs. Haley of the Progress Club, and Mrs. Thompson of the Enochs Club.

The 4-H Club Girl's dress review will be April 26 at 2:30 p. m. in the Fellowship Hall.

Mrs. Reasnar of the Lubbock office will visit one Food Demonstration in two clubs, Mrs. Couch of the West Camp Club and Mrs. Maltby of the Progress Club.

The Enochs Club made \$23 from the pie supper that they had last month.

New Methodist Organization Has First Meeting

A covered dish supper was held at the Fellowship Hall Tuesday evening for the purpose of organizing a young ladies circle of study and fellowship.

Brother Hanks gave the blessing.

Mrs. Hanks brought a short inspirational devotional and appointed a nominating committee consisting of Mrs. Horace Edwards, Mrs. Mack Ragsdale and Mrs. J. K. Adams.

Mrs. Deon Awtry had charge of the recreation.

It was decided to have regular meetings on the first and third Thursday nights. A called meeting will be held Tuesday night, March 25, at 7:30 at the Fellowship Hall for the election of officers. Others who are interested in this organization are cordially invited to meet with the group at this meeting.

Those present were Mesdames J. T. Shofner, Mack Ragsdale, Billy Don Barbour, David Wyer,

Mrs. Elwin Julian and daughters visited relatives in Oklahoma this week.

Mr. and Mrs. Joe Camp and sons visited with Mr. Camp's brother, Mr. and Mrs. Bernice Camp and family Friday.

Mr. and Mrs. Perry Fort and Marie visited their daughter and family, Mr. and Mrs. Garvin Long at Maple Sunday.

Brother and Mrs. Wilson were given a farwell social in the home of Mr. and Mrs. S. D. Key Tuesday night. They were presented with two plaques of Christ as a token of remembrance from the Watson Baptist Church. Pictures were taken of the group.

Mr. and Mrs. S. D. Key and son visited in Amherst Sunday with Mr. Key's father and family, W. L. Key.

The Watson W. M. S. met Monday, March 17, for mission study. The book, "Pray Ye", is being studied.

Those present were Mesdames A. O. Mitchell, E. T. Campbell, C. A. Petree, Don Emerson, W. C. Marberry, and the hostess, Mrs. S. D. Key.

Mrs. Marberry will be hostess for the next meeting when pot holders and cup towels will be made for the youth camp.

Everyone is invited to attend the W. M. S. meetings at Watson and to attend church here if you don't attend elsewhere. Mrs. C. A. Petree will teach Sunday during the regular preaching hour.

Doris Jackson, Horace Edwards, Buddy Blackman, Willis Farrell, Andrew Porter, Benny Chapman, Pat Nickels, Roy Whitt, J. K. Adams, N. D. MacAllister, Deon Awtry, Edsel Bynum, Finley Pierson and Rev. and Mrs. H. W. Hanks.

GOES TO KOREA

Beardene Broyles of Lubbock left Wednesday to go to Oakland, Calif., from where he will go to Korea.

TO RETURN FROM ALASKA

Mr. and Mrs. J. L. Thomas have been informed that their son, Staff Sgt. Leroy Thomas formerly stationed in Alaska left Wednesday, March 19, to return home.

Another son, Clarence I. Thomas who is stationed in Virginia, has recently been promoted to 1st Lieutenant.

HAVE NEW DAUGHTER

Mr. and Mrs. Kenneth Precure are parents of a girl, born March 18, in Littlefield Hospital, weighing 8 pounds, 7 ounces. She has been named Melba Sue.

KATHY DENISE GOSS

Mr. and Mrs. Bobby Goss, of Artesia, N. M., are parents of a girl, born March 15, weighing 6-3/4 pounds. She has been named Kathy Denise. The young lady is the granddaughter of Mr. and Mrs. Carroll Goss of Muleshoe.

TO HOT SPRINGS

Mr. and Mrs. Fairris Heathington and son, Kenneth, were in Hot Springs, N. M., several days of last week.

Just wear your dirty overalls And calico dress. Come as-u-r and enjoy the best!

BABSON DISCUSSES —

Our Highways

Babson Park, Fla., March 14 — I have had so many letters from readers, "pro and con", regarding my column in this paper about highways — (see January 18, 1952) that I have collected some more facts which for two reasons I should pass along to my readers. First, because I was perhaps unfair to the trucks; and second, because I wish to submit a constructive suggestion to road builders.

THE TRUTH ABOUT HIGHWAYS

My first job after graduating from the Massachusetts Institute of Technology as a Civil Engineer was to build State Highways. I soon learned that the politicians want to spend money on the black tops which can be seen instead of on the highway foundations which the voters do not see. Then when a road cracks, these politicians blame it on the motor vehicles.

That these politicians are wrong is proven by driving along any state roads with cracks or patches. If it were the motor vehicles which caused the cracking, then every slab or section would be cracked or patched. The fact that only a few are cracked or patched proves that the foundation was skipped at certain points when being built. Let me add here that in 1950 motor vehicles paid about three billion

dollars in taxes.

"HOGGIN" THE ROADS

If motor vehicles do not move to the side when you blow your horn, or if they cross two solid lines painted on the center of a road, then you should report them. In this connection, state officials say that ignoring and crossing double solid lines is responsible for most of the bad accidents.

The real "hogging" is done by us privately owned drivers who park on streets from which trucks are excluded. Furthermore, this parking by us is so choking the downtown business streets that if not forbidden, it will severely harm retail trade and depress the value of business property. I am very serious about this, and if space permitted, would like to say a good word for the bus companies.

WHAT ABOUT MORE LEGISLATION?

I am opposed to the so-called ton-mile tax unless it applies to all vehicles. In fact, there are only three legitimate purposes for the regulation of highway traffic: (1) Safety of all cars and persons; (2) Honest foundations for all roads; and (3) Making both trucking and railroad rates so as to be fair to every business and section. When railroads or trucks object to any of these

"LOOKING FOR REASONS"

Large things sometimes have small beginnings. The Mexican government a few days ago suspended talks on a military aid agreement with the United States, probably in fear of the political repercussions it might have among a people still suspicious of "Yankee imperialism". Whatever the reason or combination of reasons, it is apparent that the United States lacked in Mexico the good will and trust necessary to conclude an agreement aimed only at preserving the common security.

If we wonder at the distrust and suspicion, some of the answers are at hand. We can not successfully export a Good Neighbor Policy and maintain at the same time practices in discrimination which wound the sensitive Latin-American pride deeply.

In Fort Worth last week a conference sponsored by the Council of Social Agencies for a study of Latin-American problems disclosed that check of children's homes supported by the Community Chest here revealed that only one accepted children Latin-American descent. Nor does the county's tax-supported children's home take them.

In Texas the expression Latin-American is a euphemism for Mexican. Fort Worth like other

goals, they are "hogging" legislation.

It surely would seem reasonable to give the Interstate Commerce Commission the right to designate the construction of all highways to be used by trucks whose rates it now regulates. This Commission already closely watches the roadbed and traffic regulations of the railroads.

THE REAL SOLUTION

Both the protection of our highways and lower taxes will come from the discovery of some alloy which will partially reduce the pull of gravity. Studies to accomplish this are being encouraged by the Gravity Research Foundation of New Boston, New Hampshire. In other words, the goal of all highway engineers, all vehicle owners, all consumers and all tax payers should be to reduce weight. Excess weight is the real cause of highway trouble and excessive trucking rates.

I visualize before many years, large trucks will have "airtight" bodies such as are now used by refrigerator trailers to carry perishable or frozen foods. The body of such future trucks will be made of an alloy which will partially deflect the gravity waves from the content of the trucks thus reducing the weight of the contents from 30,000 pounds to perhaps 5,000 pounds. Such gravity resisting alloys have not yet been discovered, but some alloys have been found to partially deflect magnetic, heat and light waves.

TODAY'S meditation

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

SEEKING GOD'S FACE

Ye shall seek me, and find me, when ye shall search for me with all your heart. (Jeremiah 29:13.)
Read John 6:35-40.
We were spending the evening

Texas cities, has a large Mexican population. Some are native born Texans, some are naturalized Americans, some are Mexican nationals. But all are regarded by Mexicans in Mexico as members of la raza, the ethnic Mexican group. An endless succession of racial slights and constant reminders of the social line drawn between Mexicans and Anglo-Americans are certain to perpetuate the Mexican feeling of resentment, and in such a climate, deep international understanding and a common trust become impossible.

It is paradoxical that the American people, so fundamentally decent, want desperately to be liked and respected abroad but are unwilling to do consistently the thing which would make us liked and respected. There is one thing of which we may be certain, as we strive to rally the free world. We cannot operate two kinds of democracy and inspire confidence in our sincerity. We shall have to choose eventually which kind we prefer.
—Ft. Worth Star-Telegram

VISITING IN OKLAHOMA

Mr. and Mrs. Ophel Jennings have gone to Ponca City, Okla., to visit their son, Joe Bates Jennings and family.

Judge: "Do you wish to challenge any member of the jury?"
Defendant: "Well, I think maybe I could lick that little guy there on the end."

at the home of a friend. On the wall above the fireplace was a picture of Christ in Gethsemane. Beneath it was a photograph picturing a mass of black branches, encrusted with snow. To us the photograph seemed so meaningless that we questioned our host as to the purpose of its presence.

"A Japanese Boy," our host explained, "was cycling past the spot, when he felt impelled to dismount and photograph it."

"But why?" we asked.
"Look at it. Keep on looking, and you'll see a face." We looked and looked, with all our hearts and eyes. Presently, we saw, emerging as it were, a face, that one face—the face of Christ, like the Christ of Gethsemane. When we had once seen the face, strangely enough, we could see nothing else in the photograph.
When we seek God wholeheartedly, we find His face in every scene, even in the wintry landscape of trouble.

PRAYER

Dear Lord, forgive us that we have so often sought Thy face with only half our hearts. Quicken us, that our hearts may pant after Thee, "as the hart panteth after the water brooks." In Thy name we pray. Amen.

THOUGHT FOR THE DAY

I will take Christ into my heart so that I may see His face in the events of this day.
Irene V. Cleverdon (Australia)

RETURN FROM TOUR OF TEXAS CITIES

Mr. and Mrs. Raymond Green and sons have returned Friday from Temple, Houston and Galveston, Texas, where they had been on a business and pleasure trip.

SAND HILLS PHILOSOPHER

Says No Preferential Primary Will Be Held Out In His Territory

Editor's note: The Sand Hills Philosopher on his Johnson grass farm takes a slightly different view of the preferential primary business, his letter this week reveals.

Dear editor:

In case anybody in Washington is wonderin, we do not intend to hold a preferential primary out here in Old Bailey County.

As far as I can tell, there ain't nothin wrong with a preferential primary, the one they had in New Hampshire made mighty good readin, beats Korean war news and peace treaty arguments all to pieces, had lot rather read it than news of Europe's latest financial disaster or the latest scandal in Washington, the drought, etc., but the thing can be carried too far.

"J. A."

Just the other day in a sort of unguarded moment Senator Taft's campaign manager, fightin a dust storm at Amarillo, said if Taft doesn't make a good showin in the preferential primary in Wisconsin or at least a whole lot better than he did in New Hampshire, he might as well drop out of the race.

That's the reason we do not intend to hold such a vote out here. We don't want any candidates

droppin out in the spring when the real election isn't until November and the nominatin conventions are still four months off. Spoil a show faster'n anything to have some of the leadin actors droppin out of the cast.

The way I see it is we just have a presidential campaign once every four years and every American citizen is entitled to a full run of the show, and you ain't gonna catch us folks out here doin anything that'll get in the way of it. A good local murder trial is worth something, the same as a first-class investigation in Washington, a gang murder in New York, the theft of a million dollars somebody carelessly left on his dresser, a city hall scandal, etc., but those things are just fill-ins between presidential elections, and if candidates are gonna take these preferential primaries too seriously, we better call em off.

We have had a steady diet of world crisis, international blow-ups, Russian duplicity, Korean stalemates, etc. for so long we shouldn't let anything stand in the way of a good, old-fashioned American presidential campaign. If any of the major candidates want to know how they stand out here, they'll have to wait until fall. We're just now settlin down to arguin.

Yours faithfully,
J. A.

It Makes Your Dollars Feel Important too

THE Buick pictured here can match price tags with a lot of cars smaller in size and horsepower and win.

But that only gives you a hint as to what a whale of a buy it is.

Like costlier Buicks, it has the wide-open view of a one-piece windshield.

Like costlier Buicks, it has the gleaming distinction of sweep-spear styling.

Like costlier Buicks, it has smart new fabrics and door trim.

Like all other Buicks, it has the extra safety of new, long-lasting Wide-Band brakes.

Like all other Buicks, it has the sure-footed, road-hugging, even-keeled steadiness of the Million Dollar Ride—a combination of 15 engineering features including a husky X-braced frame, end-sway and side-roll stabilizers, Hi-Poised engine mountings, Permi-Firm steering and soft coil springs for every wheel.

And like all other Buicks, it has a power-packed Fireball 8 Engine—a high-compression valve-in-head that gets extra wallop, extra mileage from every gallon of gasoline.

So we think that you'll feel mighty important bossing around this smart-stepping smoothie.

And when you check the price we're asking against the field—we think your dollars are going to feel mighty important in buying power too.

Hadn't you better look into this soon?

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Buicks. †Optional at extra cost on ROADMASTER only.

ONLY BUICK PROVIDES THEM ALL

- BYNARLOW DRIVE* • FIREBALL 8 ENGINE
- NEW WIDE-BAND BRAKES • MILLION DOLLAR RIDE
- TOP-CAPACITY TRUNKS • NEW TWO-TONE INTERIOR
- SWEEPSPEAR STYLING
- Five These, Too, On ROADMASTER
- AIRPOWER CARBURETOR • POWER STEERING† • SILENCE

Sure is true for '52

OLD-FASHIONED LIVING

MODERN LIVING

JUST A SNAP OF THE SWITCH AND MY WASHING IS DONE!

MODERN LIVING IS ELECTRIC LIVING!

There didn't used to be any choice on getting clothes clean. It was boil them or else. But that's all different under modern living — electric living. Wash day now is a matter of putting the clothes in the washer and turning the controls. One simple operation takes care of soaking, washing, rinsing, wringing. And then, if there's an automatic electric clothes dryer in your home laundry, clothes are dried just the way you want them—with more fluff than any other drying method known. Electric living is modern living. Electric living is efficient, economical living, too.

Burdett, Mrs. Jack Johnson, Mr. and Mrs. Horace Blackburn, Mr. and Mrs. Jack Obenhaus, Mrs. Radie Boone, Mr. and Mrs. Curtis Spivey, Mr. and Mrs. F. L. Shelby, Mrs. Beulah Woods, Miss Lula Stotts, Mr. George Glover, Mrs. Jerry Kirk, Mr. Joe Grimsley, Mrs. Ola B. Jones, Mrs. Jack Beddingfield, Mrs. Ed Johnson, Miss Margaret Johnson, Mr. O. E. Bowman, Miss Effie Childress, Miss Zeffie Childress, Mrs. Rheil Williams, Miss Mattie Hill, Mr. and Mrs. Eldon Page, Mrs. Mable Dowell, Mrs. Jesse Thompson, and Mrs. A. S. Stovall.

WOODLEYS GO ON SKIING TRIP

Mr. and Mrs. Noel Woodley, daughter, Ann, and Barbara Douglass spent the week end in Tres Ritos, N. M., on a very enjoyable skiing trip.

Muleshoe W. S. C. S. Has Irish Program

The Women's Society of Christian Service of the Methodist Church met in the home of Mrs. F. B. Pierson, Monday, March 17.

The meeting was opened with the song, "This is My Father's World", Mrs. I. W. Haney led in prayer. The devotional was given by Mrs. Roy Bayless. The theme was "I will give you rest."

Mrs. F. B. Pierson directed the program, entitled "Let Courage Rise with Danger." It was about the trouble spots around the world.

Mrs. Carles gave "Its Streams the Whole Creation Reaches" and Mrs. Arnold Morris gave "A Still Small Voice of Calm". Other parts were "Love Never Filleth" by Mrs. H. W. Hanks, "Still His Love Works Wondrous Charm" by Mrs. Tom Smallwood, and "Peacemakers All" by Mrs. I. F. Willman.

During the business meeting, Mrs. Pierson appointed a nominating committee, Mrs. O. N. Jennings, Mrs. H. C. Holt, and Mrs. H. Jay Wyer.

Mrs. Arnold Morris was appointed delegate to the annual conference in Amarillo April 1-3.

The meeting was closed with a prayer by Mrs. Bayless.

During the social hour the history of the life of St. Patrick was given by Mrs. D. B. Lancaster. Irish songs were sung by the group accompanied at the piano by Mrs. Horace Edwards.

Refreshments of lime sherbert and cake with green frosting were then served to members, Mesdames C. R. Farrell, C. D. Julian, J. J. Gross, H. C. Holt, I. F. Willman, Beulah Carles, Tom Smallwood, H. W. Hanks, D. B. Lancaster, I. W. Haney, R. C. Gregory, Roy Bayless, Arnold Morris, and the hostess.

Visitors were Mesdames Archie Pool, David Anderson, Horace Edwards, Deon Awtrey, Sharon Awtrey, Hal Anderson and Wayne Gregory.

The next meeting of the Society will be Monday, March 24, with Mrs. C. D. Julian.

VISITED IN ALBUQUERQUE

Mr. and Mrs. Dudley Malone visited from Friday until Sunday with Dr. and Mrs. J. T. Reed in Albuquerque, N. M.

RETURN FROM HOUSTON

Mr. and Mrs. Edgar Broyles and Mr. and Mrs. Gorden Duncan returned Thursday from Houston, Texas.

THREE WAYS PEOPLE AT ODESSA TEACHER MEETING

Mr. and Mrs. Oscar H. Davis and daughter, Denise and Misses Effie Farmer and Davilla Bright of the Three Way School of Maple attended the West Texas State Teachers Association at Odessa last Friday. While there, Mr. and Mrs. Davis visited in the home of his brother-in-law and sister, Mr. and Mrs. James Weldon.

Enochs Club Meets In Altman Home

The Enochs H. D. Club met Thursday afternoon, March 13, in the home of Mrs. P. A. Altman with 14 members and one visitor present.

Mrs. Jake Bowen, vice president, presided over the business meeting in the absence of the president.

Roll call was answered by "What our Club Might do to Serve the Community."

The minutes of the last meeting were read by the secretary, Mrs. M. J. Gibson and approved. Mrs. Reed gave a lesson on planting a tree and the care and watering of it through the year.

Several games were played directed by the recreation committee and refreshments of cookies, coffee and cocoa were served to Mrs. Dian Reed, one visitor, Mrs. Kenneth Coats, and members, Mesdames Jeff Nall, Jake Bowen, T. A. Thomas, D. T. Johnson, M. J. Gibson, Boydston, E. C. Gilliam, C. G. Seagler, Earl Thompson, I. A. Lenard, C. S. Vanderventer,

John Vanlandingham, Dutch Cash, and the hostess, Mrs. P. A. Altman.

The next meeting will be in the home of Mrs. T. J. Sullivan March 27. All members are urged to be present.

SPENDS WEEK END IN SHAMROCK

Mr. and Mrs. Morris Douglass visited over the week end in the home of Mr. and Mrs. W. M. Slaughter of Shamrock, Texas. Mrs. Slaughter is the mother of Mrs. Douglass.

SPEND WEEK END IN TEMPLE

Mr. and Mrs. Clifford Green and Mr. and Mrs. Gerald Byrd spent the week end in Temple visiting the mother of Mr. Green, Mrs. C. E. Green, who is ill in the Scott and White Hospital there.

Just wear your dirty overalls And calico dress, Come as-u-r And enjoy the best.

Speaker Tells Of Confusion In America

"America will fall in line with the man who will stand for something," Rev. George Finley declared in an address before the Muleshoe Rotary Club Tuesday noon.

He made the statement in describing the confusion which exists, he said, not only among the young but among the older people of America. Straight thinking comes, he believes, when the individual permits God to direct his mind and heart.

Rev. Finley is pastor of a Baptist Church at Grover City, Calif. He has had lots of experience with persons who are confused, who get into the toils of the trafficker in narcotics, and of the white slave traffic. He is conducting a revival in the Progress Baptist Church, which will end the coming Sunday night. Rev. Finley was introduced by Rev. A. W. Blaine, pastor of the First Baptist Church of Muleshoe, who had charge of the program.

Judge E. A. Bills, presiding in district court here, and Eugene Black, young Muleshoe farmer, were guests. Ray Griffiths was unanimously elected song leader of the club after he led the club singing before the meal. Myron Pool presided in the absence of Bud Holton, president.

Billy Christian Awarded Medal

With The 45th Infantry Div. in Korea — Cpl. Billy R. Christian, son of Mr. and Mrs. Rochelle Christian of Route 1, Farwell, has been awarded the Combat Medical Badge in Korea where he is serving with the 45th Infantry Division.

The badge, awarded only to frontline combat medical aidmen, is silver in color and consists of a miniature cross on a Medical Corps caduceus superimposed over a wreath.

Christian, a member of the 180th Infantry Regiment's Medical Company, entered the Army in October 1950 and joined the 45th in November of the same year.

OF LASTING QUALITY
Goodness is never lost—no matter who performs it, or where. Your name may not live in history books, but your influence can live in the memories of your family and your community. Success or failure, every man has the opportunity to leave a great heritage. He can be a flaming spirit who lights the way to a better and more decent world. Your immortality lies in you, and in the things you do now.

WANTED: Will buy clean cotton rags at The Journal.

Birdwell Well Drilling Ahead

Lion No. 1 Birdwell, wildcat being drilled about 12 miles southwest of Muleshoe, Saturday was down to 4,815 feet and drilling in shale it was reported.

Location is in Section 78, block A. Melvin Blum & Blum survey of Bailey County.

TWIN SONS BORN TO MR. & MRS. OWEN REED

Mrs. J. O. Crawford, route 2, returned home Monday from Oklahoma City, where she was called to the aid of her son, Owen D. (Smoky) Reed, whose wife had to reenter the hospital after the birth of twin sons, born January 17, 1952. The little mother is improving and the twins were doing fine when Mrs. Crawford left for home. Mr. and Mrs. Roy B. Reed, brother of Owen are keeping the twins for them while she is in the hospital.

ATTEND ANNIVERSARY

Judge and Mrs. R. J. Klump Sunday attended the wedding anniversary of their nephew, Warren G. Harding, and Mrs. Harding at the Harding home in Lubbock. It was also a celebration of Judge Klump's birthday.

HOME FROM NAVY

From where I sit ... by Joe Marsh

It Isn't the Heat— It's the Hide!

Big discussion after the Grange meeting Friday night. Tik Anderson was arguing that hogs were lots more affected by the hot weather than cattle. Skeeter Morgan declared that it wasn't so—that he never saw any hogs bothered by the hot sun like his cows were.

I was glad when Rusty Robinson stepped in.

"Boys," he says, "don't get so riled up. It all depends on what color the livestock are. Hogs or cattle, the ones with light-colored coats absorb less heat from the

sun's rays than animals with dark coats. So you're both right!"

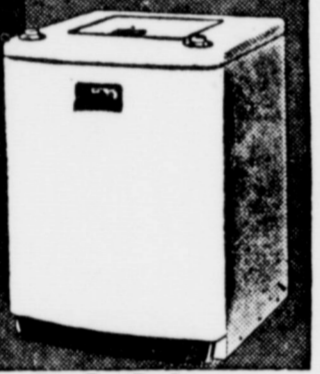

From where I sit, so many useless arguments could be avoided if a person would remember he doesn't have all the right on his side. Reminds me of folks who insist that coffee, for instance, is the only drink, forgetting that other people have a right to a glass of beer now and then. If we wouldn't get so "het up" about our prejudices—we'd all be better off!

Joe Marsh

Oldtimers Win Lions Quiz Test

Two old timers, in point of residence, were winners in a quiz contest covering history of Bailey County and Muleshoe at the Lions Club meeting Wednesday. Bill Moore, in charge of the program, gave out 10 questions on the subject and H. O. Barbour, the Santa Fe Agent, turned up with a score of 50; Rufus Gilbreath, grain dealer, had a fat forty.

The members were divided into two men groups for a membership campaign to be waged for the club.

St. Patrick's Day Social Is Held

A St. Patrick's Day theme was carried out Monday night at a 42 party in the M. S. Childers home honoring husbands of the members of the Fidelis Sunday School Class of the First Methodist Church.

Receiving guests were Mrs. Tom Smallwood and Mrs. Arnold Morris who separated those not wearing green from the true Irish.

Traditional Irish music was furnished by Mrs. A. J. Gardner and Doris Jean Childers.

The serving table was covered with a green cloth and centered with an arrangement of white carnations surrounded by small green net shamrocks. The 42 tables were covered with white cloths centered with green styrofoam and white candles.

Mrs. A. J. Lenderson and Mrs. F. B. Pierson alternated at the coffee service.

In a contest conducted by Mrs. Sam Fox to find the most typical Irishman to represent St. Patrick whose greatest fame came from Christianizing the Pagan land of Ireland, Rev. H. W. Hanks won over Homer Sanders, Troy Wilkerson, and A. J. Gardner. He and Mrs. Hanks were then presented with gifts.

Members and guests attending were Messrs. and Mesdames Tom Smallwood, A. J. Gardner, Arnold Morris, Sam Fox, C. D. Gupton, Troy Wilkerson, A. J. Lenderson, U. D. MacAllister, Ray Morrison, H. H. Potter, Ray Keeling, Bob King, Jack Stallings, H. S. Sanders, D. L. Morrison, A. W. Copley, Robert Prather, Rev. and Mrs. H. W. Hanks, Mrs. W. E.

LAZBUDDIE NEWS

Mr. and Mrs. William F. Steinbock entertained with a Sunday dinner in honor of their son, Max Charleson, who spent the week end with them. Wylie Eugene Parker of Greenville, N. C., stationed at Sheppard Air Force Base at Wichita Falls, Texas, with Max also was here over the week end with him.

Those visiting in the Steinbock home were "Shan" Foster, Miltz Ivy, Leota Mahan, Oleana Jennings, Odell Press, Mae Mahan, Mr. and Mrs. Boyd Hood and daughter, Sherry, Mr. and Mrs. Raymond Treider, Jr., and Mr. and Mrs. R. G. Treider, Mr. and Mrs. Ralph Broyles, and boys, Jimmy and Johnnie, and Mrs. Theron Vaughn and children, Junior, Larry, and Shelia Kay, and Mr. and Mrs. Rex Steinbock and son, Troy Lee.

Sunday night a string band entertained the guests.

Mr. and Mrs. Walter Hanson and daughters visited in Lamesa last week end.

Mr. and Mrs. Tom Foster of Lamesa were visitors last week in the Ben Foster home.

Mr. and Mrs. J. W. Hunt are the proud parents of a baby daughter, Donna Kay.

Mr. and Mrs. Glenn Scott are remodeling and adding to their home in Lazbuddie.

Mr. and Mrs. R. G. Treider visited their daughter and family, Mr. and Mrs. Joel Landrum of Albuquerque over the week end.

The sandstorms are getting mighty monstrous. There is a saying that if it blows for three days in succession here, we will receive rain. So here's hoping.

Mrs. Ralph Broyles and boys and Mrs. Rex Steinbock and Troy Lee went to Clovis Tuesday afternoon.

Mr. and Mrs. William Steinbock went to Amarillo Tuesday and purchased their son a Ford. Charges will not be pressed against the person who stole the fender skirts and silver door visors if they return them. They were stolen in Muleshoe Saturday night.

Mrs. Dan Winn, Jr. was here visiting her sister, Mrs. F. L. Oliver Friday.

Mrs. Charleta Treider is expecting a visit from her parents, Mr. and Mrs. Charles Neely of Tulsa, Okla., this week.

PAPER of many kinds always on tap at THE JOURNAL.

English, Mrs. F. B. Pierson, and Elizabeth Harden.

for the show which was given in the auditorium. Fred Johnson was master of ceremonies for the banquet program. Invocation and benediction were given by Minister Ebb Randal, pastor of the Church of Christ. Ray Keeling, mayor of Muleshoe, who once played on the University team when Price was an assistant coach, introduced the speaker.

Head Coach T. J. Bailey introduced the honored guests, members of the boys track, basketball, and football squads, who in turn introduced their dates. Assistant Coach Willard Hedges introduced members of the girls basketball squad, who also were honored in this banquet.

Others who spoke briefly included Junior high coach Joe Cummins, Supt. C. W. Grandy, and high school principal Jerry Kirk.

Under the supervision of Mrs.

Mary Hart, the school lunch room served a splendid meal of baked ham, potato salad, green beans, corn, relishes, hot rolls, iced tea, cake, and a fruit salad.

Young ladies of the school had decorated the dining room beautifully, using the school colors of purple and gold very effectively. A goal post marked the tables at which the football boys and their dates sat and a basketball goal was placed at the head of the girls' basketball squad members' table.
