

Muleshoe Jewelry Have Grand Opening

Mr. and Mrs. H. E. Schuster, proprietors of The Muleshoe Jewelry, are this week announcing their Grand Opening for Saturday, May 29, at which time they invite everyone to visit their new store and inspect their large stock of merchandise.

There will be free gifts for all who call, Mrs. Schuster announced.

The Schusters have been in business in Muleshoe the past four years, during which time their business has grown until they were forced into new and better quarters.

They recently purchased the Bill's Cafe building, and remodeled it inside and out, making it one of the attractive spots on Main Street.

David McReynolds, watchmaker, has been with the firm the past three years.

Bakers To Attend Rotary Convention In Seattle, Wash.

Mr. and Mrs. E. O. Baker are to leave Tuesday to attend the annual convention of Rotary International, to be held in Seattle, Wash., June 6 through June 10. They will be accompanied by an Amarillo couple, Mr. and Mrs. C. E. Johnson. Mr. Johnson is a member of the Amarillo club.

Mr. Baker, a member of the Muleshoe club, will be the official delegate of the local club to the convention.

The Bakers are anticipating with pleasure their leisurely trip with their old friends of Amarillo through the scenic northwest to Seattle, and their attendance at various events planned on the great program of Rotary International. Among other outstanding speakers will be the speech by Secretary of State Dulles.

But they look forward, also to their scheduled trip to Alaska, which with the two couples will be a ship has been chartered Rotarians and their voyage through the "ice" to Alaska and a convention city after over. The Bakers return home about

Louis Armstrong Coming To Clovis

Louis Armstrong, the famed band leader, and his "World Famous 'Combo'" will give a concert at 8 p. m., June 3, in Marshall Auditorium.

His Clovis appearance is under auspices of Clovis Shrine Drum and Eagle Corps. Reservations for folks around Muleshoe area may be obtained by writing A. A. Holmberg, Box 712, Clovis, or contact him at Holmberg Jewelry.

Seniors Enjoy Trip To Colorado

At midnight after the commencement exercises last Friday evening, forty-one seniors and their sponsors, Miss Barbara Gaither and Mrs. Dorothy Brown, and Mr. and Mrs. M. F. Harris, and Mr. and Mrs. Noel Woodley, left for Colorado Springs and other points of interest in Colorado, on the annual senior trip.

Traveling on two chartered buses, the group arrived in Springer, N. M., early Saturday morning, they breakfasted. Later the same morning they rode the ski lift at Raton Pass, N. M.

They arrived at Colorado Springs about 2:00 p. m., Saturday afternoon, and went to the Broadmoor Hotel, where they swam in the hotel swimming pool, and later went ice skating in the beautiful Ice Palace, which is located in the famous hotel.

Sunday morning saw the seniors attending the Churches of their choice. One group, attending the Presbyterian Church, were privileged to hear the famous Presbyterian Chorus.

Monday morning the seniors traveled over to Denver for the day. While there they went through the Museum of Natural History, The State Museum, and the State Capitol. Monday evening the group went to Elitch's Gardens, where they rode the roller coaster, and later enjoyed a buffet supper in the Patio Room or the Gardens.

Following the supper they returned to Colorado Springs, arriving there about 1:00 a. m., Tuesday morning.

Tuesday morning they went to the top of the Will Rogers Shrine after which they began the trip home.

Stopping at Canon City, they visited the State Pen, before continuing on to Royal Gorge, where they rode the inclined scenic railway to the bottom. Also they crossed the swinging bridge.

Tired, but happy, and with memories they would treasure all their lives, the group arrived home about 3:00 a. m. Wednesday.

30 Quarters New Land 'Snapped Up'

Thirty quarter sections of virgin land lying on the old Muleshoe Ranch have passed to private hands in the last few days, or about as fast as agents can have contracts drawn, and the land hungry are still coming. Only 14 quarter sections remained this morning unsold of the 6,800 acre tract opened to the public. This snap up of land offered reminded old timers somewhat of the famed early day Oklahoma territory land rush.

Dave Aylesworth, local representative of Lone Star Trading Posts, which has sole rights for

selling the land, this morning said he expected the remainder of the tracts offered to go quickly. Sunday it appeared about 300 cars were parked about the newly opened land.

Much of the land already has been prepared for planting and crops will be grown this year on some of the land at least. Four 10-inch wells have been drilled by a local firm and pumps have been placed on them, the wells now producing water. Another was to be in service today.

The abundant supply of shallow water undoubtedly contributed to the quick sale of the land. Water is encountered at a very shallow depth and plenty of it is present; the pumps are set at 80 feet.

All of this land that is now being offered for sale lies in Lamb County, but it is in the Muleshoe Independent School District, the district will begin to profit tax wise next year from the improvements, the county as well.

Aylesworth believes that the part of the ranch now being sold will support 25 new families. So far, most of the purchasers have been farmers from out of the

Roundup Will Be Omitted For '54 Committee Agrees

Members of the steering committee for the Will Rogers Memorial Roundup voted at their regular meeting Monday night to disband the committee and to omit the annual Roundup at least for this year. The committee is composed of two members of the Rotary Club, Lions Club, JayCees Chamber of Commerce, and Roping Club.

The Roundup has been staged here in August for the last three years. Committee members said that in their opinion probably a majority of the business people of Muleshoe were lukewarm or outright opposed to staging the event this year.

Roping Club members agreed to the postponement but said they will plan to have a rodeo sometime during the summer.

Members of the steering committee "left the door open", saying that if the people demand that the Roundup be held, they will be glad to reassemble and get into action.

Last Rites Held At Clovis For Mrs. J. B. Moore

Mrs. J. B. Moore passed away at 8:00 o'clock p. m., Thursday at the home of a daughter, Mrs. W. D. Harvey, of Clovis, N. M.

Mrs. Moore was born February 29, 1864. She had been in ill health and was confined to her bed for the past three or four years. Before moving to Clovis, Mrs. Moore made her home in Muleshoe.

Last rites were held at 2:00 o'clock p. m., Saturday from The Rose Chapel of Wolf and Roberts Funeral Home, in Clovis. Burial was in the Lawn Haven Memorial Park.

Pallbearers were L. R. Harvey, Pampa; W. E. Harvey, Sr., and W. E. Harvey, Jr., Texaco, N. M.; H. A. Harvey, Plainview; Alvin Allison and Don Moore, Muleshoe.

Survivors other than the daughter include a sister, Mrs. R. L. Allison, Clayton, N. M.; a brother, R. W. Hubbard, Los Angeles, Calif.; three grandsons, and eleven great grandchildren.

Wheat Quota Penalty Is Set At \$1.11 Bushel In 1954

The marketing quota penalty on "excess wheat of the 1954 crop is \$1.12 a bushel, Lonnie M. Bass, County Office Manager of the local ASC office announced.

The rate is uniform throughout the country and, as directed under law, represents 45 percent of the wheat parity price as of May 1, 1954.

Farmers who do not comply with their wheat acreage allotments and sell their wheat must pay a penalty on their "excess" wheat. Their wheat crop also is ineligible for Government price support.

The first buyer of the wheat becomes liable for the penalty if the farmer at the time of marketing is not able to present a wheat marketing card or wheat marketing certificate as evidence that his crop is penalty free. In such a case, the buyer should collect the penalty and transmit it within 15 days to the treasurer of the county ASC Committee for the county in which the wheat was produced.

The Rebekahs will have vanilla and needle threads, on sale. Also they will have a Chinese auction on a lovely pair of pillow cases.

The public is very cordially invited to attend.

Cooking School Set For Saturday

Mary C. Roper, Home Economist from Westinghouse Electric Supply Co., of Fort Worth will be at Johnson-Pool Tire and Appliance store Saturday afternoon to conduct a demonstration of all Westinghouse products.

Miss Roper is widely known all over this western area, and is in constant demand by dealers for demonstration of their appliances, said Randy Johnson, proprietor. She will answer all questions of food problems, for freezers, cooking, etc.

The demonstration will start at 2:00 p. m., and continue throughout the afternoon. Door prizes will be given, said Mr. Johnson.

MARY C. ROPER

Rebekahs Sponsor Candidate Supper

Muleshoe Rebekah Lodge will sponsor a Candidate Speaking, at the City Park, Friday, May 28. The Lodge will serve a supper of meat loaf, potato salad, pinto beans, onions, and pickles at 7:00 o'clock.

The Rebekahs will have vanilla and needle threads, on sale. Also they will have a Chinese auction on a lovely pair of pillow cases.

The public is very cordially invited to attend.

Lovelady Talks On Lions Program

Karl Lovelady, Muleshoe attorney, was the guest speaker for the Lions Club luncheon, held Wednesday. Karl discussed the segregation question in light of the U. S. Supreme Court recent ruling.

He said it is a problem to be solved but that the people will solve it. He touched briefly upon the Senator McCarthy-Army hearing now in progress in Washington. Dee Clements was in charge of the program.

Lion Boss Arch Fowler reported that the mop and broom sale staged by the Lions this week brought in \$780 and that the club earned \$180, which will go to their crippled children's fund. The drive was in charge of Owen Jones.

All the articles sold were made by blind persons. The representative who was here to help with the sale said that since the promotions had been turned to local clubs the blind people have had better employment, and their income has been doubled.

Lion W. Q. Casey reported that the club has appropriated \$252 to the Texas Lions League for Crippled Children. The club then voted to appropriate \$4 more per member, bringing the contribution to \$10 per member.

Muleshoe Track Star Gets Texas U. Bid

Jimmy Clyde Holt star in three major sports at Muleshoe high school, a graduate this year, has been offered a four year athletic scholarship at the University of Texas by Clyde Littlefield, Texas track coach. Jimmy Clyde has signed a "letter of intent" to enroll at the University this fall.

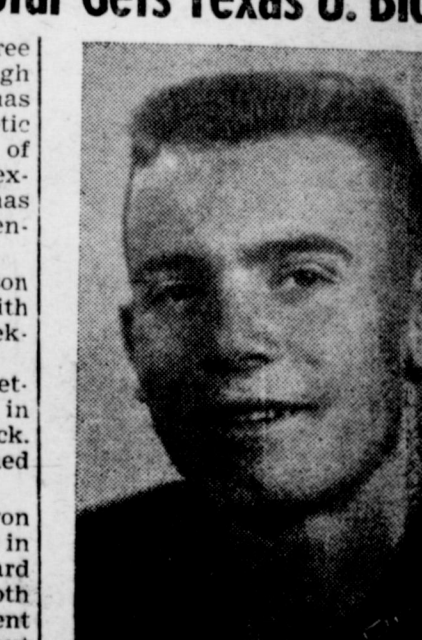

Jimmy Clyde, who is the son of Mr. and Mrs. Clyde Holt, with his father visited over the weekend on the Texas campus.

The Muleshoe athlete has lettered the last three years in football, basketball, and track. His college play will be confined to track.

This year, Jimmy Clyde won the district and regional meets in his favorite event, the 440 yard dash, setting new records in both meets. He was third in the event at the state meet in Austin, but still ran the distance in 50.2 seconds, good time in any league.

Previous to his signing of the letter of intent, Jimmy had been offered scholarships at other colleges. It has been his lifetime ambition to attend the University. He told friends here that the University of Texas campus "looked better than ever" to him after his visit there Sunday and Monday.

Coach Littlefield is one of the

HEADS FOR TEXAS top track coaches in the U. S. Track and field training and competition is taken seriously at the big state school, so Jimmy Clyde will get the best coaching they can give him at Texas and every encouragement in his college work and in athletics. He has consistently made marks in his studies that placed him in the top bracket of his class and will have no difficulty in that respect at Texas.

BABSON DISCUSSES—

Businessmen To Blame For Our Inefficient Schools

Babson Park, Mass., May 27—Schools and colleges cannot be divorced from business. In the long run, business has only the kind of leaders and workers that the schools produce. Today, many business and educational leaders are expressing concern about the educational product. Free public education appears to be watering down our great tradition of discipline and struggle.

Yet, others say that while we have taught people how to make money, we have failed to teach them how to use it properly. The most damning criticism is that our system is one of education for mediocrity: we pull the bright child downward as we try to drag the dull child upward. This results in a mediocrity of conformity.

ARMY-MCCARTHY HEARINGS

President Eisenhower said only last December that he has been "appalled" at the lack of our youth's understanding of "what America is, what are the conditions that could make her fight, and therefore, what are the underlying reasons that could lead that boy finally on the battlefield to risk his life, not just for property but for even what you might call national rights, but for some fundamental values in life."

As businessmen and as educators, we have been unwilling

to be clear and coherent about what we want the United States to be. Consequently, the confusion in the schools and among businessmen is getting worse and worse. The Army-McCarthy hearings in Washington are an illustration of this useless confusion.

Since businessmen say our youth are coming to know less and less about less and less, perhaps a research project to determine exactly what our schools do teach might be a starting point. This might be followed by a movement to overhaul courses of study in the light of what research may reveal would best serve the interests of all.

WHAT ABOUT DISCIPLINE?

Discipline is a major national need. General S. L. A. Marshall, of the Detroit News, intimates that our soldiers on the Korean battlefield lacked discipline, which had something to do with the way things went in Korea. There are further implications that lack of discipline in our schools contributes to juvenile delinquency and is a threat to our national security. Are these the real problems or are they the symptoms of a fundamental problem? May it not be that inability to comply with regulations, whether of the Army, the home, or the community, stems from lack of self-mastery? Should not our society develop people with qualities of

TORNADO

SAFETY RULES

TO KNOW WHAT TO DO WHEN A WARNING IS RECEIVED OR A TORNADO IS OBSERVED, MAY MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH!!

I. THERE IS NO UNIVERSAL PROTECTION against tornadoes except caves or underground excavations. When time permits go to a tornado cellar, cave, or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas, or debris, and preferably equipped with pick and shovel.

II. IF YOU ARE IN OPEN COUNTRY:

1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour.

2. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

III. IF IN A CITY OR TOWN:

1. Seek inside shelter, preferably in a steel reinforced building. Stay Away From Windows!

2. In homes: The southwest corner of the lowest floor or in the basement offers greatest safety. People living in brick or stone houses should seek other shelter, preferably in a storm cellar or the basement of a frame house. If time permits, electricity and fuel lines should be shut off. Windows on the north and east sides of the house may also be opened to help reduce damage to the building.

3. Standing against the inside walls on the lower floors of an office building offers some protection.

IV. IF IN SCHOOLS:

1. In city areas: Especially if school building is of good steel reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floor when possible. Avoid Auditoriums and Gymnasiums with large, poorly supported roofs!

2. In rural schools that do not have reinforced construction, remove children and teachers to a ravine or ditch if storm shelter is not available.

V. IF IN FACTORIES AND INDUSTRIAL PLANTS:

On receiving a tornado warning, a lookout should be posted to keep safety officials advised of the tornado's approach. Advance preparations should be made for shutting off electrical circuits and fuel lines if the tornado approaches the plant. Workers should be moved to sections of the plant offering the greatest protection.

VI. KEEP CALM it will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. You should know about tornadoes though, "just in case".

VII. KEEP TUNED to your radio station for latest tornado advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio stations for dissemination to thousands in the critical area.

WEEKENDED HERE

Morris Hicks of Midland was in Muleshoe over the weekend visiting relatives and friends.

self-discipline to develop initiative and intelligence?

SHORTAGE OF TEACHERS
The teacher shortage is another problem. During 1954, it is indicated there will be a shortage of 72,000 teachers in our elementary schools alone. In the next three years, forty-five states will run short of elementary teachers and twenty states will find themselves short of high school teachers. On October 12, 1953, Newsweek reported that "in the past year, 60,000 teachers left the field."

Tie this in also with a New York Times editorial of last August which discusses the Summit, New Jersey, high school teacher who left his \$85 per week teaching job to drive a brewery truck at \$137.50 per week. Obviously, there are some problems here.

BUSINESSMEN'S NEEDS
Or, for the businessman there are such problem areas as executive development programs; research on personnel selection techniques; problems of industrial morale, diet, and health; union management relations; more effective distribution of goods — these and a multitude of others should be research and training areas.

I am really writing this column as a "trial balloon" to locate readers who are willing to give time toward a solution. The curse of both education and business today is indifference. Some new non-profit organizations may be needed to help bring these changes about. I greatly feel the need, but do not know how to bring it about. Suggestions from readers will be appreciated. Address me at Babson Park 57, Massachusetts.

SAND HILLS PHILOSOPHER—

Comes Out In Favor Of A Return To Sword-Fighting To Replace Bombs

Editor's note: The Sand Hills Philosopher on his Johnson grass farm sounds half-way serious this week, but you never can tell.

Dear editor:

I read the other day where some sarcastic columnist was ridiculing Navy officers for resuming the wearing of swords when they put on their formal dress uniforms for official occasions. According to him, in this atomic age wearing an old-fashioned sword is as out of place as putting buggy whips on automobiles.

I do not look at it that way. In fact, where the world made its big mistake was in abandoning sword fighting in the first place to settle its arguments.

When the world beat its swords into plowshares, it made its first major error along the road to survival. All advancement is not progress, and probably the most progressive step mankind could take right now would be to beat its atom bombs into broad swords and resume old fashioned warfare.

Think what it would mean to the United States budget if the defense department issued a call for 20 million swords instead of 15 thousand bombers. You ever estimate the difference in cost between over-hauling a bomber and re-shaping a sword? Also, virtually every piece of motorized equipment we got on hand now is wearing out, that's the very nature of machinery, and in ten years practically everything we spend this year for defense will have to be spent again, as newer models of airplanes come out, more slaughterous bombers are perfected, etc., but a first class sword made from good tempered steel 150 years ago is just as useful now as it was then.

Now I'll admit you can't kill

as many people with swords as you can with bombs, but big numbers never did mean anything in themselves as far as I'm concerned, and if a man is killed thoroughly with a sword he's just as killed as if he was hit by a hydrogen bomb. Looks to me like scaling down the number of casualties you could report in the newspapers would be offset by a corresponding scaling down in the U. S. debt.

It's an odd thing, but people are always taking about the

high cost of things, yet they never talk much about the high cost of killing. Back in the sword fighting days it probably didn't cost more than fifteen or twenty dollars to kill a man, but nowadays the figure is astronomical. As I say, all advancement ain't progress.

If the world's statesmen can't figure out a way to end war, and up to now they haven't made much show in that direction, I'd like to see em agitate for a return to sword fighting as an instrument of international argument-settlement.

Yours faithfully,
J. A.

"High-Priced" Mistake

Maybe you noticed the big "ad" Red Smith's Furniture Store ran in *The Clarion* last week.

One item caused some embarrassment around here. It read: "4-piece Bedroom Suite, regular price \$119.50, bargain price \$19.50." Guess I didn't "proof-read" too well, and when our pressman asked for the go-ahead, I yelled, "Let 'er go."

All kinds of jokes about the mistake. One fellow asked if Smith's was holding the price line so tight it just snapped. Turned out fine in the end—Red

sold that suite for the real sale price, of course.

From where I sit, it's lucky my carelessness didn't cost Red any business. I'm the one who's always "experting" on being careful—careful of our responsibilities, careful of our neighbors' rights. Even careful to respect the other fellow's preference for a glass of beer. Let's all make a bargain to be more careful in the future.

New Chevrolet Trucks.

do more work per day . . . more work per dollar!

You save time in traffic. New truck Hydra-Matic transmission gets you off to smooth, time-saving starts without shifting or clutching. Imagine how easy this makes driving in traffic and on delivery routes! It's optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save time on the highway. New high-compression power gets you up to highway speeds from a standing start in less time, and saves you time on hills, too. You make trips faster—and the new Comfortmaster cab makes them seem shorter. It's got everything!

You save extra trips, too. That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer. Also, they're set lower to the ground for easier loading.

You save on operating costs. High-compression power saves you money! The "Thriftmaster 235" engine,

the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save with lower upkeep. New Chevrolet trucks are built stronger to last longer and save you money on maintenance. There are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

And your savings start the day you buy. In fact, they start with the low price you pay—and they never stop. Chevrolet, you know, is America's lowest-priced line of trucks. And it's also the truck that has a traditionally high trade-in value.

Two Muleshoe Boys Training At Ft. Bliss

WAYNE KINDRED

HOWARD PIERCE

Two soldiers of the Muleshoe area recently began eight weeks of basic training in the Antiaircraft Artillery Replacement Center at Ft. Bliss, Texas.

They are Pvt. Wayne Kindred, son of Mr. and Mrs. C. B. Kindred, Route 2, Muleshoe, and Pvt. Howard Leroy Pierce, husband of Mrs. Leroy Ramm Pierce, Box 713 Muleshoe, and son of Mr. O. H. Pierce, Star Route, Goodland.

Both will spend the first eight weeks of basic on fundamental

Infantry subjects like army drill, rifle, machine gun, and bazooka marksmanship, and familiarization with army technical subjects. This first phase of training is climaxed with a one-week maneuver in the field.

Upon completion of their first eight week cycle they will either be assigned for further training at Ft. Bliss in the techniques of Antiaircraft Artillery, or they will be transferred to another Training Center for schooling in some other army skill.

PARMER COUNTY Farm Bureau News

By RAYMOND EULER

Baker, Oregon — "Farming, mostly", is the answer we receive when we ask a waitress what the income vocation is around smaller and middle sized towns from Texas to this point. So many miles of the highways are lined by apparently useless land, but they always say the farming country is "down the river" somewhere. Anyway, we're glad tourists passing through Parmer County can see the productive farming lands right up to the highway.

It rained on us nearly all day Friday. That was from Salt Lake to the vicinity of Portland; and the farmers were as glad to see it as our own farmers at home.

We asked about the capacity of irrigation wells we had seen along the road and were told they were around "one hundred inch size". We asked the size of

Should they remain at Ft. Bliss, their second eight weeks will see them firing light and medium antiaircraft artillery weapons at low-flying and high altitude aerial targets on the one and one half million acre Ft. Bliss ranges. They will also be expertly trained in the uses of various electronic equipment employed by the AAA-RTC.

SEERSUCKER TWINS—These youngsters look as cool as they feel in summer cotton seersucker outfits by Scout-Tex. Boy on left wears a shrink-set knit terry shirt trimmed in seersucker to match his shorts. Lad on right wears a cotton mesh shirt trimmed with seersucker, matching the pants. Mothers like cotton for its washability, says the National Cotton Council.

the discharge pipe on the average well, or the gallons per minute capacity and wound up by hearing. "Well, I don't know how they compare, but it's right smart of water." Maybe we'll find out tomorrow how much they pump. We sure don't know yet.

Charles suggested we take some pictures of the miniature thistles they raise out here. The quantity is good, but the size or quality is pretty small, about 12 to 18 inches in diameter. They tumble as good as Texas tumble weeds though.

One thing that impresses us is that there is no evidence of irrigation water in the bar pits anywhere; and there is apparently plenty of water all along the Snake River.

Seems that the committee on

Social Security is determined to make the farmer "secure" whether he wants to be or not, by placing him in the list of contributors to that fund. We don't recall hearing any farmer or farm organization requesting such "protection", is what we mean.

Consider This: "Happy is the man that findeth wisdom, and the man that getteth understanding: For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold."

OKLAHOMANS VISITED

Mrs. Jimmy Roberts and son Jimmy, Jr., of Mangum, Okla., and Ray Dunn and Mrs. Jeanette Parsons of Lubbock, visited in the J. M. Moore home Friday afternoon.

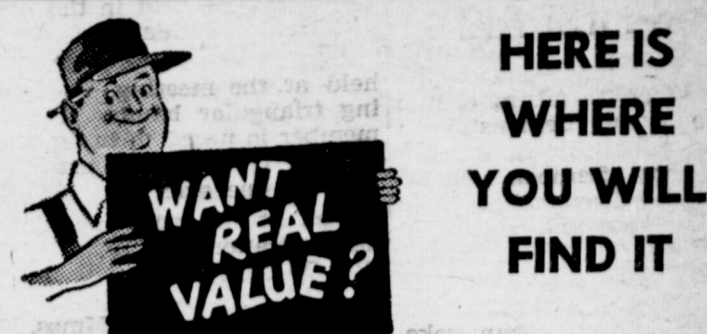

VISIT IN CARLSBAD

Elaine Evans and Mary Jo Holt spent the week in Carlsbad, N. M., guests of Mr. and Mrs. R. E. Willis and family. They accompanied Mrs. Irma Willis and Ginger Rogers to Carlsbad Saturday. Mrs. Willis and Miss

Roberts returned home Sunday.

Cool With CLEAR VUE Air Conditioning Deluxe

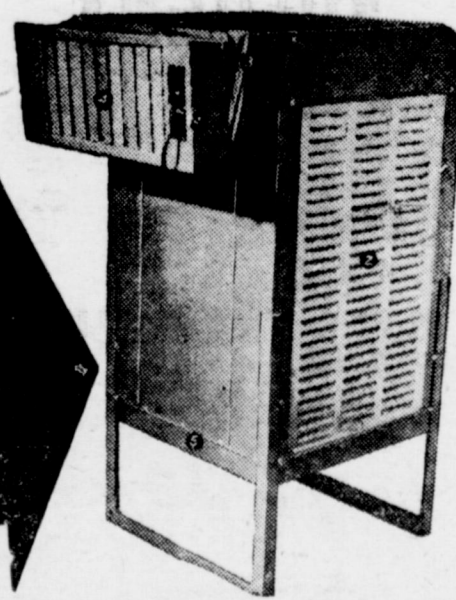

Clear-Vue evaporative cooling is the ideal air conditioning system for low-humidity climates. As well as cooling your home, Clear-Vue evaporative cooler actually improves the condition of the air. During dry summer months evaporative cooling restores moisture to the air... relieves dry membrane in nasal passages and prevents excessive skin dryness. On naturally humid days evaporation is reduced; thus, it does not create excessive humidity. Evaporative cooling holds balanced humidity. Clear-Vue cleans the air... removes dust and lint... before it enters your home. Saves cleaning time and protects your health.

with CONTROLLED HUMIDITY

EASY TO INSTALL

Built-in adjustable metal stand fits all window heights. No special adapters, special scaffolding or expensive installation.

FITS CASEMENT WINDOWS, TOO!

- ADJUSTABLE STAND
- HUMIDITY CONTROL
- LARGER COOLING PADS
- ADJUSTABLE LOUVERS
- EASY INSTALLATION
- FLEXIBLE AIRDUCT
- ADJUSTABLE GRILL

CLEAR-VUE INVITES COMPARISON

Before you buy, compare CLEAR-VUE with any other cooler. You'll find that only CLEAR-VUE incorporates ALL of the features you want in a cooler. In addition to the features illustrated above, CLEAR-VUE has adjustable water troughs for perfect water distribution. Water flow too, is controlled from the attractive, inside grill. Wide louvers permit absolute control of the direction of the air flow. The inside grill takes but a small portion of the window allowing plenty of light and giving you an unobstructed outside view. No special construction, tools or skilled labor is necessary for installing the CLEAR-VUE Air Conditioner.

Muleshoe HD Club Studies First Aid

First Aid was the theme of the program when members of the Muleshoe Home Demonstration Club met with Mrs. R. R. Benham, Tuesday afternoon, May 25. Mrs. Autrey discussed the Why and How of first aid, while Mrs. Roy Carney told of the cause, prevention and first aid for shock.

Mrs. Day discussed sunstroke, heat exhaustion, and frostbite, and how to treat each.

A round table discussion on the need for a County H. D. Agent was led by Mrs. Carney, president.

Roll call was answered by "My Family's Favorite Recreation."

During school vacation time, the club will meet at 3:00 o'clock instead of 2:30.

Mrs. Carney gave the council report. She said that three 4-H girls of this county, together with their sponsor plan to attend the 4-H Encampment next week at College Station. Also, she said, each club in the county is to elect a nominee to council, for delegate to the state meeting.

which will be held August 9, in Dallas. This delegate will be elected at the next club meeting, which will be held in the home of Mrs. Reil Williams.

A program on First Aid will be held at the meeting, in applying triangular bandages. Every member is urged to bring a triangular bandage at least 36 inches on one side.

Also at the next meeting, a demonstration on "How To Get Rid Of That Bottle Neck", will be held.

Those present were: Mmes. Roy Carney, S. L. Robinson, S. C. Caldwell, H. G. Griffiths, W. W. Smith, R. R. Benham, J. E. Day, W. H. Autrey, R. F. Wright, T. F. Maddox, C. E. Broscoc, and some new members, Mmes. Reil Williams, E. L. King, and a visitor, Mrs. C. C. Benham.

VISITED BROTHER

C. L. "Happy" Dyer visited in Crosbyton Thursday of last week with his brother, D. H. Dyer and wife.

WEEKENDED IN SNYDER

Mr. and Mrs. "Spud" Thomas visited her sister, Mrs. J. B. Smith in Snyder over the weekend.

Los Planos To Sponsor Film Of India Travels

Members of the Los Planos Study Club received word this week that they could sponsor Mr. W. G. McWilliams Show, of his travels in India. The showing will take place sometime in September.

The date and price of admission will be announced later, but the club wanted all the Muleshoe people to know it would be here in advance so that they would not get out of town to see it.

Study Club Nets \$30 On Book Review

Approximately forty persons attended the book review which was sponsored by the Study Club May 14, at the Fellowship Hall. The club netted about \$30 on the review.

The book, "Barabbas", was reviewed by Mrs. W. H. Willoughby, of Bovina. The review was very good, and was well accepted.

The Study Club will hold their last meeting of the year this evening, May 27, and new officers for the coming season will be installed.

Muleshoe Lady Golfers Entertain With Luncheon

On Wednesday of last week, the Muleshoe Ladies Golf Club entertained with a covered dish luncheon in the home of Melzine Elliott, for women golfers from four nearby towns.

Thirty out-of-town guests, from Hereford, Dimmitt, Clovis, N. M., and Morton, attended.

After a delicious lunch, the ladies teamed up for an afternoon of golf. Golf balls were awarded to Lucille Posey, of Hereford, for medalist; Helen Simms, Clovis, N. M., for the blind hole; Bernice Hill, Dimmitt, for high score; and Helen Prevatte, Clovis, N. M., for low putts.

The meeting was climaxed with visiting and cold drinks in the yard of Mamie Lenau.

Ladies attending from Muleshoe were: Rita Johnson, Tiny Forbes, Betty Jo Beaty, Nona Blake Douglass, Arline Phelps, Mamie Lenau, Melzine Elliott, Edith Evans, Mary Pool, Hattie Ray Jones, Ruth Malone, Jo Wood, Lois Lenau, Vere Fox, Eunice Evans, Mildred Lambert, Janette Wagnon, Ruby Hart, Mary Frances Holt, Elizabeth Thomson, Inez Bobo, and Helen Gardner.

Jacque Knowlton Receives Award

Miss Jacque Knowlton, formerly of Bailey County, was awarded a tuition scholarship for one term to Southeastern State Teachers College, of Durant, Oklahoma, on the eve of her graduation from Quinton High School at Quinton, Okla., May 20.

Luncheon Held At Fellowship Hall

Fellowship Hall, made beautiful by arrangements of roses, was the setting for a luncheon, May 25, as members of the Women's Society of Christian Service entertained the Wesleyan Guild, Philathea Circle, and a visitor from California, Mrs. Jarman.

The program began at 10:30 a. m., and was conducted by Mrs. Ruby Jennings. The topic of the program was "Jesus Christ, The Way".

Prelude and music all through the program was presented by LaVon Copley, with Alva Lee Shofner as soloist.

At the noon hour, approximately thirty partook of a delicious and bountiful meal. Linda Lancaster read, "A Letter To Myself". An honorary child membership was presented to Marsha Lynn Blackman, by her grandmother, Mrs. Morris.

Commencement Exercises Held Thursday Evening For Junior High Graduates

Commencement exercises for the Muleshoe Junior High School were held Thursday evening, May 20, at 8:00 o'clock in the High School Auditorium, with one hundred-fifteen receiving diplomas.

Valedictory address was given by Ralph Tunnell, and Mary Jo Holt delivered the salutatory address.

Processional and recessional music was furnished by Mrs. Joe Walker at the piano. Invocation was given by the Rev. Clarence Stephens of the First Methodist Church, and Rev. A. W. Blaine of the First Baptist Church gave the benediction.

Two groups of girls from the class, accompanied at the piano by Mrs. E. H. Kennedy rendered the class song, "Memories", and "Welcome Sweet Springtime". Short talks on the class flower, class colors, and class motto, were given by Ann Reed, Sandra Briscoe, Harold Cooper, and Doris Jean Childers.

Diplomas were presented by Mr. Troy Perkins, Principal of Junior High School, and Mr. Jerry Kirk made the announce-

ments.

Honor students of the class were: Donna Actkinson, Nan Allison, Keith Bearden, Marie Blaylock, Sandra Briscoe, Doris Jean Childers, Harold Cooper, Margaret Gilliland, Joan Green, Joe Gross, Mary Jo Holt, Eugene Howard, Bobby Jennings, Yvonne Lackey, Jimmy Laux, Agnes Long, David Mills, Buddy Peeler, Tim Prather, Ann Reed, Ginger Roberts, Gloria Schaefer, Leon Sinnacher, Charles Sullivan, Juanita Thompson, Ralph Tunnell, Doyce and Royce Turner.

Today's Meditation

RESPONSIBILITIES OF THE BELIEVER

No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon. (Matthew 6:24)

Read Luke 9:57-62.

Every man ought to consider his job not only as a means of livelihood but also as a research laboratory in Christian living.

We have held labor-management conferences. In them we have not discovered any world shattering set of findings that will solve all problems. We have, however, found one thing, and found it again and again: that an atmosphere can be created by prayer, a means of spiritual conditioning. In that atmosphere it is possible for men, no matter how far apart their ideas may be, to sit down together to think, talk, and plan constructively for everyone's benefit.

We have found it works even with people who are skeptical of prayer. But prayer works. Prayer does create a constructive atmosphere. Try it quietly yourself the next time you are in a difficult situation that seems to have no way out. It can create the atmosphere wherein a solution can be found.

PRAYER

Dear Lord, keep us close to Thee this day. With the warmth of Thy love surrounding us, may we strive continually to make our work a vital part of our worship of Thee. In Christ's name we pray. Amen.

THOUGHT FOR THE DAY

Prayer produces the right spiritual climate.

Wallace C. Speers (N. Y.)

Adult Homemakers Course Is Planned

An adult homemaker's course is being planned for all who are interested. One of the following phases will be selected for study in a series of four meetings during the month of June: civil defence, ceramics, china painting, interior decorating, child care, upholstery, drapery and curtain making, cooking school, speed methods of sewing, and home freezing.

The first class will be Thursday, June 3, at 2 p. m., at the High School in room 14. If this time is not convenient, a more satisfactory hour will be decided on at this meeting.

LEFT YESTERDAY

Mrs. M. L. Vinson left yesterday for Talahequah, Okla., for a visit with her mother, Mrs. Emma Stotts, a former resident of Muleshoe.

IS SOME IMPROVED

Mrs. Albert Carrol, who is in the Clovis Memorial Hospital following surgery, was reported to be somewhat improved earlier this week.

TO ATTEND GRADUATION

Mr. and Mrs. Gilbert Wollard will leave this weekend for Roswell, N. M., where they will attend the graduation exercises at N. M. I., where their son, Leo, will graduate.

HOME ON LEAVE

Pvt. Kenneth McCool, who is stationed at Ft. Bliss, near El Paso, is spending a short leave here with relatives and friends.

LEFT FOR HOT SPRINGS

Mr. and Mrs. H. O. George and son Bobby, and Mrs. "Shorty" Steinbock and daughter Nealy Mae, left earlier this week for Hot Springs, N. M., where they will spend a few days vacationing.

IN FARMERSVILLE

Mrs. Annie Stephens is spending the week in Farmersville with a sister, Mrs. R. E. Feagin.

HAD SUNDAY GUESTS

Sunday guests in the home of Mr. and Mrs. Leonard Evans was their son Zane and daughters Shirley Richardson and Jimmie Stephens, of Tullia.

IS IMPROVING

J. W. Jarman, who underwent surgery at the Plains Hospital in Lubbock recently, is now, and at latest reports was improving.

Live wire that really looks it

(One reason why Buick is such a big success this year!)

ITS sports-car lines tell you there's a lift and spirit here enough for any man.

Even standing still this glamor car looks alive.

And that look-of-tomorrow styling that's part and parcel of every new Buick — that sweeping panoramic windshield with the dream-car slant — all that says there's action here, and plenty of it.

But just note the name "CENTURY" emblazoned on its rear fender, and you can take it as gospel that this is a performance car of the very first water.

It's the liveliest of the live wires—the highest-voltage Buick in the line

It is instant on getaway, a joy in cruising, a breeze on hills — and a honey of a friend in the added safety of its plenty reserve power always on hand for sudden needs.

It is, in fact, a 200-horsepower performance car, and priced far below it — *the highest-powered car at its price in the land.*

With this great-powered good-

looker setting the pace — and with equally impressive SPECIALS SUPERS and ROADMASTERS adding to the excitement — is it any wonder Buick today is outselling every other car in America except two of the so-called "low-price three"?

Come in and try one of these gorgeous new Buicks. With the prices we're quoting, you can make the buy of the year this very week.

Approximately thirty seniors and their sponsors attended. Following the games sack lunches were spread.

Adult Education Courses Proposed

Mr. Earl Ladd, Chairman of the Education Committee of the Chamber of Commerce, has authorized Karl Lovelady to announce that if the people show enough interest, the Chamber of Commerce, through its Educational Committee, will sponsor adult education courses through the cooperation of the Muleshoe Independent School District Faculty, to begin in the fall.

Any person interested is asked to contact Karl Lovelady's office and leave their name, address, and subject or subjects they are interested in taking. This should be done as soon as possible so that an analysis may be made as to the different subjects that will be offered.

They would also like to know if anyone is interested in any college courses. If so, they will make proper arrangements for teachers to come in and offer college courses.

VISITED HERE
 Mr. and Mrs. Charles Snyder, of Grand Island, Neb., have been here visiting the past week in the home of her sister and brother-in-law, Mr. and Mrs. J. J. Gross.

A SURPLUS DISPOSAL PLAN

There is a simple solution to the surplus of grain which is causing our storage facilities to bulge at the seams.

That solution is—sell it! Sell it to the highest bidder even if the price will be below the support paid by the Federal Government.

Such action would recover at least a part of the taxpayers' dollars paid out on this program and, in addition, it would produce some positive results which would more than make up the difference in money lost.

The benefits from such a plan are these:

- (1) It would bring the cost of such feeds down to the level of the farmers pocketbook and move the feed into consumption where it ought to be.
- (2) Provide storage space for upcoming crops, thus relieving a serious storage situation at the beginning of wheat harvest.
- (3) Save taxpayer money on new warehouse construction.
- (4) Make money for grain and cotton farmers by providing them with storage for their crops.
- (5) Save taxpayers millions, perhaps billions, of dollars, because they would realize a return from products now off the market and which are now an expensive dead weight.
- (6) Solve serious drought relief problems for cattlemen.
- (7) Will not interfere with normal trade in feed products.

State And County Cotton Acreage Records Take Drouth Into Account

ABILENE, May 25 — State and county cotton acreage records for 1953 will be adjusted upward to compensate for acreage not planted to cotton because of abnormal weather conditions, including the drouth, according to a letter to the West Texas Chamber of Commerce from Secretary of Agriculture Ezra Taft Benson.

The regional chamber had called for the action after pointing out that 80 West Texas counties lost 2,016,717 acres in 1953 as compared with 1951 and 1,805,627 acres as compared with 1952.

A series of conferences on the problem were conducted, beginning in August of last year, with representatives of the cotton industry, the State Agricultural Stabilization and Conservation Committee, the Department of Agriculture and with U. S. congressmen.

POOL INSURANCE AGENCY

W. M. Pool, Jr. Lee Pool
Phone 7010 — Muleshoe

Historical records of acres planted to cotton in 1953 will be used in determining cotton acreage quotas allotted under any control program which may be declared within the next five to seven years, the WTCC pointed out.

In a letter addressed to WTCC Executive Vice-president and General Manager Fred H. Husbands, Benson stated:

"I have been advised by the Solicitor of the Department that Section 344 (b) and (c) of the Agricultural Adjustment Act of 1938, as amended, would authorize State and county cotton acreage histories for 1953 to be adjusted to compensate for acreage not planted to cotton because of abnormal weather conditions. This authority of the Secretary will be used to adjust the 1953 State and county cotton acreages for acreage not planted because of abnormal weather conditions, including the drouth. As a basis for making these adjustments, a survey is now being made by the Agricultural Stabilization Marketing Service in cooperation with the Texas Agricultural Stabilization and Conservation Committee to determine the acreage which was not planted to cotton in Texas in 1953 because of abnormal weather conditions.

"The marketing quota proclamation under Section 342 of the Act may be made as late as October 15 each year for the crop of cotton to be produced the following year.

"It appears advisable to wait until the October 8 crop estimate is issued in order that the latest available data may be used in making the determinations as to whether marketing quotas are required and, if so the size of the national marketing quota.

"With this procedure in mind, there is ample time to complete the survey of the acreage not planted to cotton in 1953 because of abnormal weather conditions. However, let me assure you that this work will be expeditiously completed and that the adjustment provision of the law will be fully and fairly applied in the establishment of cotton acreage allotments for 1955 or any subsequent year in which 1953 history is used."

SISTER VISITED

A recent visitor in the home of Mr. and Mrs. Leonard Evans was his sister, Mrs. A. M. Wagonseller, of Ft. Worth.

Lovelady Leads In Democratic Paper Campaign

Stephen A. Mitchell Chairman of the Democratic National Committee, today named Karl L. Lovelady of Muleshoe, to lead an intensive Democratic Digest Drive to increase subscription sales for the Party's new monthly magazine, Democratic Digest.

This is part of the nationwide campaign which is now under way in other sections of the country.

The Democratic Digest is a pocket-sized monthly publication. It includes a digest of political writing appearing in over 400 newspapers and 175 magazines and political commentary culled from over 100 monitored radio and television programs.

It is edited in Washington, D. C. under the direction of Mr. Clayton Fritchey, Pulitzer Prize winning newspaperman and former Editor of the New Orleans Item. Its subscription rate is \$3 a year. The Democratic Digest is the official publication of the Democratic Party.

The Democratic Advisory Council of Texas, with headquarters in the Barrett Building, Denison, Texas has been designated as the clearing agency for Texas subscriptions. To date, some 75 County Digest Chairmen have been appointed by Mr. Mitchell in Texas. The Texas Advisory

Council plans to select one person in each county to push sales of Digest. It is expected by the middle of June that all 254 counties of Texas will have a Digest Chairman.

A NEW MORE POWERFUL GASOLINE!

PHILLIPS 66

Flite-Fuel

FOR YOUR CAR

Phillips is the first to bring you a gasoline with the added super aviation fuel component — Di-isopropyl (pronounced di-iso-pro-pull). This is a Phillips exclusive developed originally for highest powered military aircraft.

Today, start enjoying the exciting step-up in performance you get from new Phillips 66 FLITE-FUEL containing Di-isopropyl.

Phillips was the first to make Di-isopropyl and HF Alkylate—so valuable to smooth motor performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed restrictions, and these powerful aviation components can be blended into Phillips 66 FLITE-FUEL.

New Phillips 66 FLITE-FUEL provides increased power, smoother acceleration, higher anti-knock performance, greater fuel economy and freedom from cold stalling... plus famous Phillips 66 controlled volatility. And thanks to the clean burning qualities of Phillips 66 FLITE-FUEL, you don't need a special additive to combat spark plug fouling.

Only Phillips 66 FLITE-FUEL contains added Di-isopropyl. Get it at stations where you see the orange and black Phillips 66 Shield.

Stanford-Nash Vows Repeated

Miss Virginia Stanford and Mr. John Nash, were married May 11, at 7:30 p. m., at the United Pentecostal Church in Texaco, N. M., with the Rev. Owe! Branson, pastor of the church, officiated. The bride wore a beige street-length dress of silk shantung, with white accessories. Her corsage was a feathered carnation. Following a honeymoon in Hot Springs, Ark., and points near Texarkana, Mr. and Mrs. Nash will be at home in Muleshoe, near where the groom is engaged in farming.

Colored Vacation Bible School To Have Family Night

A program will be held Saturday evening at 8:00 o'clock at the St. Matthew Church, and the public is invited to attend. Handwork and notebooks will be displayed to show what each department has done during the Vacation Bible School. A short program will be put on by each department.

A good attendance has been reported thus far in the school. The nursery and beginners have nine children enrolled. Teachers for this class are Mrs. Browder and Joan Green for the nursery, and Ann Little, Ginger Roberts, Bertha Green, and Elsie Lee, for the beginners.

Six children are enrolled in the primary. Teachers are Mrs. Bobby Ratliff, Lois Shook, Claudy Cox, and Kathy Phillips. There are thirteen enrolled in the Jr. department, and teachers are Mrs. Faye Cox, Elmer Eason, Tommy Bratcher, and Harvey. Eight are enrolled in the intermediate. Workers in this department are Mrs. Ruth Roberts, Effie Hicks, and Ruth Fowler.

The Women's Bible class has five enrolled. Teachers are Mrs. Gaddy and Mrs. Motherall.

The superintendent over all the departments is Mrs. Evelyn Perkins.

The ladies of the W. M. U., of the First Baptist Church wish to express their thanks to Brother and Mrs. Ammons of the St. Matthew Church, and also the teachers of the school, for their wonderful cooperation.

Doris Underdown And Lawrence Jackson Were Married In Ceremony Sunday 23

MR. AND MRS. LAWRENCE JACKSON (Journal Staff Photo)

At 3:00 o'clock Sunday afternoon, May 23, Miss Doris June Underdown, daughter of Mr. and Mrs. W. R. Underdown became the bride of Mr. William Lawrence Jackson, son of Mr. and Mrs. M. L. Jackson.

The wedding took place in Muleshoe at the home of the groom's parents. Vows were exchanged before an archway of greenery and white mums centered with wedding bells, and flanked on either side with candelabra bearing tall white tapers.

Officiating clergyman was the Rev. Kenneth Martin of Ralls. The traditional wedding marches were furnished by Irene Head at the piano.

Given in marriage by her father, the bride was lovely in a street length dress of white nylon which featured a full skirt and a tight fitting bodice with a high neckline. Her accessories were navy and she carried a bouquet of red roses. Carrying out

the bridal tradition, she wore a lapel watch belonging to a family friend for something old. Something blue was a lace handkerchief, her dress was something new, and something borrowed was a white Bible belonging to Mrs. Jackson.

Dorothy Underdown was her sister's maid of honor. She wore a dress of pink nylon, similar to that of the brides. Her accessories were navy and pink and her corsage was of white carnations.

Best man was Herbert Ramage, cousin of the groom.

Calvin Brown, of Lubbock, and Pete Davis, of Brownsville, were candlelighters. Neomi Jackson, sister of the groom, presided at the guest register.

For her daughter's wedding, Mrs. Underdown chose a navy

ensemble which she complimented with a white carnation corsage. Mrs. Jackson, mother of the groom wore a pale blue linen dress with white accessories and a white carnation corsage.

Following the ceremony, a reception was held in the dining room of the Jackson home. After the first slice of cake had been cut by the bride and bridegroom, it was served by Mrs. Pete Davis, sister of the bride, of Brownsville. Mrs. Hal Phipps, another sister of the bride, presided at the punch bowl.

Following a honeymoon to Houston and points of interest on the Texas coast, Mr. and Mrs. Jackson will make their home near Hereford, where he is engaged in farming.

Out of town guests attending the ceremony included Mr. and Mrs. Pete Davis of Brownsville, sister and brother-in-law of the bride, who traveled the farthest distance of any of the guests attending the wedding.

Seniors Entertain Junior Class With A Weiner Roast

Last Tuesday evening, the senior class of Muleshoe High School, entertained the junior class with a hay ride and weiner roast.

Members of the two classes rode to the Gerald Allison home on two trailer loads of hay. The room mothers, Mmes. W. R. Young, D. L. Morrison, M. F. Harris, Buri Black, Inman, Noel Woodley, and Clyde Holt, and the host and hostess, Mr. and Mrs. Gerald Allison had the weiner roast going at their arrival.

Touch football and other games were played on the spacious lawn, square dancing was enjoyed on the patio. Mr. and Mrs. Jim Grizzle gave some demonstrations on square dancing.

Sponsors present for the occasion were Miss Barbara Gaither, and Mrs. Dorothy Brown, of the senior class, and Nancy White, who is junior sponsor.

Transportation was furnished by the Morrison and Black families.

SPENDING WEEK

Betty and Nealy Sharon O'Hair of Earth, are spending the week with Mr. and Mrs. E. E. Holland.

Colored Students Featured In A Parade of Music

Mrs. Sam McKinstry featured her three colored piano students, namely Raymond Lewis, Jr., Thelma Ann Thompson and Norma Ray Horn, assisted by Elouise Harris, voice, in a "Parade of Music" in her home, Saturday, May 22, from 5 to 6 p. m. Other students who were on the program were: Veta Allison, Tommie Welch, Janet Franz, Alva Lee Shofner, Kay Lenderson, Jean Gammon, Carolyn Hinkson, Linda Lancaster, and Nan Allison.

These piano students have had one term of music with Mrs. McKinstry. They have appeared at several civic organizations in town the past year.

Attending the program were Mmes. Harold Allison, Veta, Carolyn and Jack, Oscar Allison, Nan and Sam O., Becky Osburn of Lovington, L. J. Welch and Tommie of Earth, Judy Angeley, Kay Lenderson, Robert Sanders, Jane and Mary, J. K. Adams, Joyce and Joe, D. B. Lancaster and Linda, J. T. Two Local Softball Teams Entered In Softball League At Morton

Muleshoe's two softball teams, the Printers and the R. E. A., are members of the Morton Softball League this year. All games will be played at Morton on a lighted field, and will take place at night.

The Printers are sponsored by The Muleshoe Journal and manager of the team is Marion Waggoner. Managers of the R. E. A. team are Dee Clements and Owen Jones.

The following make up the Printers team: Eugene Shaw, H. B. Flanagan, Charles Parker, Stanley Fox, Willie James, Orvil Lewallen, Bill Willis, Jackie

Tidwell, Gaylord Tate, Eldon Colson, Jimmy Wilkerson, Gene McKnight, Charles Waggoner, and Leon Harvey.

Names of members of the R. E. A. team were not available at this writing.

Thursday evening of last week the R. E. A. team played their first game, losing to the Hawkins Olds, which is considered the best team in the league, by a score of 8-5. Monday night of this week the Printers traveled to Morton to play the High School team there. The High School team did not put in an appearance, so the game was forfeited to the Printers, who then took on the Bula team in a practice game. The Printers won the game 15 to 6, and Eugene Shaw was the winning pitcher.

Friday evening the Printers will play Enochs, and the R. E. A. will play the Morton West Side team.

St. Clair Joins Western Indemnity

JIM ST. CLAIR

Jim St. Clair, widely-known West Texas insurance agent, has sold his Levelland agency and resigned as mayor of the city of Levelland to join the Western Fire and Indemnity Company of Lubbock as agency director.

St. Clair sold the Mann-St. Clair Insurance Agency at Levelland May 1, and resigned as mayor last week to move to Lubbock.

As agency director for Western Fire and Indemnity, St. Clair will co-ordinate company service for the large local agency organization set up throughout West Texas. He will assist local agents in Muleshoe and throughout this area.

A resident of Levelland for 20 years before moving to Lubbock, St. Clair is past president of the Levelland Junior Chamber of Commerce, past vice-president of the Texas Junior Chamber of Commerce, and past president of

Joe Coffey Wins Rotary Club's \$100 Scholarship

Joe Coffey, who graduated with the class of '54, is the first winner of Muleshoe Rotary Club's \$100 college scholarship. Joe was picked by a Rotary club committee and members of a faculty committee appointed by Supt. Jerry Kirk.

Joe has a high average for his four year course. The award is based on scholarship, good citizenship in the school, college eligibility, the student's ambition to attend college and somewhat upon the consideration of whether he would be financially able to attend college. The scholarship is to be awarded each year to a boy or girl of the graduating class.

Joe is said to be considering enrolling at Texas Tech College in Lubbock next fall. The money will be made available to him when he matriculates.

He is a son of Mr. and Mrs. F. T. Coffey, who operate the Renfrow Courts and Service Station here. Joe has attended school all his school years here excepting for one term when the family lived at Sudan. They have been here more than 15 years.

Joe will be 19 years of age the coming fall or about the time he enrolls at Tech.

The Rotary Club scholarship is not to be awarded to the two top students, who are awarded scholarships because of high scholastic standings.

MHS Junior Class Enjoyed Picnic

As a finale to their school year, the junior class of Muleshoe High School enjoyed a picnic, Sunday, May 23, in MacKenzie State Park, Lubbock.

The group left Muleshoe about 8:00 a. m. Arriving at Lubbock morning devotional was observed amid the beautiful scenery of the park.

The congregation was seated on the grass. The splendid trees, the flower beds with their gorgeous array of blossoms, the blue canopy of Heaven, and the sun which shown over all, made a perfect setting for the hymns which were sung, "In The Garden", and "This Is My Father's World", were directed by Joan Montgomery. The songs were followed by a prayer offered by Billy Ellis. The scripture was read by Wayne Bristow, who delivered a very appropriate and inspiring sermonette, and also gave the benediction.

A delicious picnic lunch was

served, and recreation included swimming, baseball, and other out-door activities.

Those attending were: Billy Ellis, Wayne Bristow, Jean Montgomery, Elizabeth Farley, Darla Myers, Marlene Black, Wanda Joyce Clements, Lou Ann Black, Roger Pool, Randall Craig, Ralph Ware, Ginger Gaede, Bettie Collins, Barbara Douglass, Keith Buhman, Gaylord Tate, Jim Wilkerson, Don Moore, Leon Harvey, Myra Foster, Peggy Fried, Mary Alice Baker, Dwayne Epping, Winona Glenn, David Sanders, Ernest Martin, Jimmy Black, Ralph Cooper, Rosemary Pool, Pat Wright, Alice Dawson, and R. L. Gabbert. Sponsors who attended were: Principal J. R. Baker, Miss Nancy White, Judge and Mrs. Cecil Tate, Mrs. John Farley, Mrs. Dee Clements, and Mrs. Jim Moore.

ATTENDED GRADUATION

Mr. and Mrs. Wiley Grizzle of Roswell, N. M., were here Friday evening to attend the graduation of their grandson, Jimmy Allison, from Muleshoe High School.
