Auction Brought More Than \$2100 To Be Added To Park Maintenance

Muleshoe's City park maintenance fund profited by \$2,114.75 in the auction held Saturday afternoon, and the money realized assures that the park improvement and development work will go forward at least for the next year or so. With the support that is new behind the park, it would be hard to see how the institution will ever be without active support and supervision.

A prodigious amount of work has gone into development of

Gospel Singers Coming Here To Be On TV Oct. 9

Rev. Sykes and his Gospel Singers, who are to appear here Oct. 15, will be seen on KDUB-TV, Channel 13, Friday evening, Oct. 9, at 6 p. m. It will be a fifteen minute program.

The colored singers will give a performance in the high school auditorium here at 8 p. m. Oct. 15. The performance is for colored folks, but white folks are welcome and are assured of a fine evening's entertainment.

Tickets are on sale at the colored school or at the Western Drug Store. The colored school will benefit from the money brought in by admissions.

Defoliation Is Underway Here

Defoliation is underway in the Muleshoe country and operators here say this is a year that seems to be ideal for applying defoliant, for the process of opening of cotton bolls will be speeded by elimination of leaves and a later frost appears to be in store for this section.

Operating from the Muleshoe airport again this year is the Zigler System of Texas, using 450 HP Sterman aircraft, equipped with the latest apparatus for spraying and employing experienced pilots.

B. J. Barnett, of Abilene, is again the company representative here. He may be contacted at the Jones Farm Store.

He said he would have six planes available if needed this week and expected to be busy beginning Monday of this week.

this recreational facility for this community. The various clubs, particularly the JayCees have contributed both money and work, individuals have helped, and this has not been confined to local people but the rural communities around Muleshoe have aided mightily.

The auction Saturday was conducted by Col. Dick Doshier, of Farwell, who contributed his services free of any charge, and he was assisted by Miss Norma Sanders, of Texico, America's one and only cowgirl auctioneer. Col. Doshier conducts the Saturday sales of the Muleshoe Livestock Auction Co.

The Shetland pony, bought and donated to the auction by Muleshoe Motor Co., brought \$175 to give a good boost to the total proceeds. Many items sold for more than their announced value. The articles were contributed by farmers and business men.

Tom Morgan, commissioner for Precinct 1, who has done as much for the park as any one person, helping with the county equipment when needed, acted as master of ceremonies. Helping on the platform was Pete Freeman, a wheelhorse all summer in park work, who has probably spent more time for the park than he has in his business.

Three others who have been working industriously for the park, Ray Franz of the Chamber of Commerce, Buddy Blackman and Murrell Brown of the JayCees were clerks of the sale.

Everybody had fun and everybody profited from the sale Saturday.

ROTARY CLUB HAD 100 PER CENT ATTENDANCE

Muleshoe Rotary Club had a 100 per cent attendance meeting this week. All excepting Harold King and Harry Waddle attended the club's regular meeting Tuesday and these two made up their attendance with the Sudan club Wednesday.

The club has an average attendance for September of over 95 per cent and hopes to land in the "high ten" of the nearly 40 clubs in attendance for September.

IS RESTING WELL

Rev. H. W. Hanks, minister of the Muleshoe Methodist Church was stricken with a heart attack at his home Tuesday night, and was rushed to the Green Hospital and Clinic, where he is now under medical care. Attendants report that he is resting fairly show.

Biggest Barrow Show Oct. 10

Chest X-Ray Unit Will Be Here Friday, Saturday, Service Is Free

On Friday and Saturday, October 2 and 3, beginning at 8:30

Ernest Locker's Home Last Week's Mystery Farm

The Mystery Farm shown last week was that of Mr. and Mrs. Ernest Locker, northwest of Muleshoe. More people were able to identify this farm than any shown in recent weeks, and they kept the phones at The Journal jangling for a time. Winners in the identification contest were:

Sue Atkinson, out of city. Margaret Wilhite, city. These two have two tickets each awaiting for them at the Western Fertilizer Co., who sponsored the showing of the farm picture.

Lions Present Furst, Magacian Here Tues. Night

Next Tuesday night, Oct. 6 in the Muleshoe High School Auditorium the Muleshoe Lions Club will present a magic show deluxe. Arnold Furst hailed as one of the best modern rabbit-out-of-a-hat men will present "Mysteries Around the World". Furst, the Modern Magician, will present many illusions including: The Enchanted Princess, Otto, the Mindreading Duck, Houdini Chain Escape, Hindu Sands, Oscar the Blobe Trotting Rabbit, Cutting a Girl in Half, Boss the Magical Cow, Gravity Defied, and Boy's Head Cut Off.

A local boy will volunteer to have his head cut off by the Magician, who says it probably will be a boy who doesn't use his head, anyway. It's nearly a two hour show.

Any money raised by the Lions Club always finds its way back to support some good community cause.

in the morning, the State Health Department will have stationed in Muleshoe at the C & H Chevrolet show room, a portable chest x-ray unit.

This service is absolutely free to anyone 15 years or over wishing a chest x-ray. This program has 100% backing of the medical profession, and the State Health Department urges everyone to participate.

The High School is giving the Chamber of Commerce 100% cooperation in supplying the clerical help needed to run this program smoothly. Twenty girls from the typing classes will take care of the registration and any other details necessary.

These girls are: Madge Johnson, Irene Head, Pat Inman, Mattie Chambliss, Beatrice Knowlton, Wanda Busby, Venette Wood, Mary Lou Lambert, Dorothy Underdown, Doris Underdown, Laura Whalin, Lynda McCormick, Holly Ann Cox, Peggy McCormick, Dorothy Lowery, Coriene Wimberley, Wanda Joyce, Clements, Myra Foster, Peggy Fried, Wanda Cherry.

Bula Forms First Community Farm Bureau In Bailey County

Bula's first community Farm Bureau in Bailey County. The people of Bula met Monday night, September 28 and voted to build a community Farm Bureau to help them in their community, county wide, state and national interests and problems.

The meeting was started off by Lloyd Alsop and his band with several selections which was greatly enjoyed by the crowd. Several piano selections were played by Don and LaVon Copley and singing was by Alva Lee Shofner.

W. T. Miller, president of Bailey County Farm Bureau explained the need and advantages of a community organization. He stated that too many people ask "What Has Farm Bureau Done For Me?" He likened this great organization of 1,500,000 people as a plow, ready to be put to use for your farm if you but use it. You would never buy a trac-

Last Rites Held Tuesday For Mrs. Albina Graves

Mrs. Albina Belle Graves, 69, died at 1:50 p. m. Sunday in the Green Hospital and Clinic here after an illness of several months.

Mrs. Graves, who was born April 27, 1884, has been a resident of Bailey County for the past 22 years.

Funeral services were held at 3 p. m. Tuesday in the Church of Christ here with Ebb Randol, minister, officiating. Burial was in the Muleshoe cemetery under the direction of the Muleshoe Funeral Home.

Mrs. Graves is survived by a son, Coley E. Graves, and a daughter, Mrs. W. E. Duncan, both of Muleshoe; four sisters, Mrs. Viola Pitcock, Altus, Okla.; Mrs. Molly Graves and Mrs. Sally Graves, both of Tompkinsville, Ky.; and Mrs. Lee Ann Smith, Celina, Tenn.; two brothers, T. J. Kidwell, Vernon; and C. R. Kidwell, Tompkinsville, Ky.; eight grandchildren and six great grandchildren.

Her grandsons served as pallbearers.

Auction Sale Of Animals Follows Show At Muleshoe School Bus Barn

A committee of Chamber of Commerce officials and club supervisors met Tuesday and rounded into shape the final plans for the biggest fat barrow show ever to be staged in Muleshoe. The show was set for Oct. 10. The Chamber of Commerce is the big sponsor with a pledge of \$250 that will cover all class prizes. The club members themselves will pay one dollar per barrow to pay for the coveted Grand Champion and Reserve Champion prizes and the Bailey County Farm Bureau is coming in for a big help in awarding breed champion awards, showmanship awards and judges expenses.

Stanley Anderson, head of the swine department of Texas Tech has agreed to judge the show and we are indeed fortunate in acquiring a man of such high standing to do the job. Mr. Anderson was to have judged the boys barrows at the State Fair of Texas until a new swine disease in east Texas brought about

cancellation of that show. The show will start promptly at 8:00 a. m. Saturday, Oct. 10 and all judging of classes will be completed during the cool morning hours. The fine barrows will be offered for sale to people with family lockers or other buyers immediately following the show. Any businessman wishing to encourage club work by buying a barrow should contact the county agent or Muleshoe Voc. Ag. teachers and leave a bid or visit the show Saturday morning and make a purchase on the spot.

The following rules will govern the show:

Barrows will show by breeds and each breed will have a light, medium and heavy weight class. The State Fair rules will serve as a guide with lightweights being 180 lbs to 210 lbs. Medium weights will be 210 to 240 lbs., and heavies will be 241 to 270. Some tolerance will be allowed to keep a barrow in the show but no tolerance will be permitted to shift a barrow from one class to the other.

Glits will be permitted provided that they sell following the show. Barrows will be open Friday noon, Oct. 9 and all entries must be in place by 9:00 p. m., Friday. Barrows will be weighed in on arrival where possible and all weighing must be completed before 8:00 a. m. Saturday morning and all exhibitors must pay the Voc. Ag. Dept. one dollar per barrow before becoming eligible to weigh in.

Two thirds of all this entry money will be paid on the Grand Champion Barrow and the rest to Reserve Grand barrow.

The new bus building along-side the Benny Douglass football field will house the show and a show ring will be constructed by the local FFA but exhibitors will be fully responsible for panels for their own pens and for the care and safety of their exhibits.

Each exhibitor will be allowed to show six barrows and will be limited to two prizes in any one class. Show ring assistance will be limited to minors.

Class prizes for Poland Chinas, Durocs and Chester Whites follows:

1st., \$10; 2nd., \$8; 3rd., \$6; 4th., and 5th., \$200.

Any other breeds of hogs with registered parents wishing to show will be shown with the smallest entry group.

Eligibility will be confined to active club members of 4-H and FFA clubs and must have established residence in school districts of schools located in Bailey county.

Parcel Post Rates Advance

New, increased rates on parcel post went into effect in the nation Oct. 1. Postmaster A. J. Gardner of Muleshoe said the increase runs 25 to 30 per cent. The increase is confined to fourth class mailing.

For instance, he pointed out, the first pound of a package to be delivered locally went from 15 cents to 18 cents, or 20 per cent. In zones 1, 2 and 3, the increase is from 17 to 23 cents per pound; in zone 4, 19c to 24c; zone 5, 21 to 28; zone 6, 23 to 28, zone 7, 25 to 30; and zone 8, 27 to 32 cents for the first pound. Rates for weights above one pound are increased also.

Merchants Unite For Sales Event

Girls Football Game Monday

The traditional girls football game will be played here in Benny Douglass stadium the coming Monday night, Oct. 5. It pits girls of the senior class against athletically inclined girls of the junior class.

Seniors trying out for the team include: Wynelle Weaver, Wanda Busby, Gloria Stinson, Gwendelle Workman, Lola Roark, Joy Dean Warner, Marion Harris, Helen Stovall, Doris Underdown, Beatrice Knowlton, Sue Young, Dorothy Underdown, Ruby Carney, Pat Norwood, Lenita Lewis, and Peggy McCormick.

Senior team managers are Bobbie Harrison, Wanda Pool, and Carolyn Herrington. Cheer leaders for the seniors are Wayne Moore, Marlon Inman, Billy Holman and Lon Martin. Majorettes are Dickie Fudge, Travis Clements, and Franklin Mann.

Juniors Work Out
Thirteen girls turned out for practice for the big game: Barbara Douglass, Bettie Collins, Ginger Gaede, Pat Wright, Jean Montgomery, Winona Glenn, Paula Provence, Lou Ann Agee, Mary Lambert, Donna Wright, Barbara Metcalf, Marlene Black, and Wanda Clements. Waterboy is Don Hall.

First Bargain Festival Runs For Three Days

The retail committee of the Chamber of Commerce, after several months of planning have inaugurated a sales event that will be held each month.

Several names for the sales event were suggested and are being used, such as Red Tag Days, Dollar Days, Bargain Days, and Bargain Parade. However, after several trials the name that suits the occasion best will be used entirely, no matter what name is used, shoppers will find hundreds of bargains in these participating firms, Remund-Wilson, Anthonys, Cobbs, St. Clairs, Western Auto, Johnson-Pool, E. R. Hart Co., Dyer Hardware and Furniture and Morrison Motor.

Many other merchants indicated their willingness to participate, but some were in the process of moving or remodeling or did not have the opportunity to really get ready for the event. The event will start tomorrow and end Monday, October 5.

Paternal grandfather is Mr. B. F. Chapman, Sr., of Temple, and Maternal grandfather is Mr. R. L. Carter, Sr., of Elgin.

FROM ILLINOIS

Mr. and Mrs. Ralph Althouse, of Springfield, Ill., are here for a visit with her brother, Howard Cox and family and her father, D. E. Cox.

TRAVIS CLEMENTS TO HEAD SCHOOL "M" CLUB

Travis Clements was elected president of the high school "M" Club at its first meeting of the new school term. Vice-president is Bill Willis; treasurer, Sammy Donaldson; secretary, Jimmy Holt; reporter, Jackie Henderson; sgt. at arms, Kenneth Henry.

The club is made up of boys who have earned a letter in some school sport. They plan to have a party and to initiate eligible boys soon.

MAKES VERY HIGH SCORE

Myra Hogan, daughter of Mr. and Mrs. Roy Hogan of Muleshoe, had a score of 129 in a national standardized English examination given all freshmen at Eastern New Mexico University, Portales, where she was enrolled. Myra was one of 7 freshmen scoring above the 90th percentile, she herself placing 92nd percentile. Myra was valedictorian of the 1953 graduating class of Muleshoe high school.

Work On New Gym Is Begun

Work has started on the new education building for Muleshoe school to cost \$76,693.00, officials reported today. Workmen were busy laying the foundation of the structure, which joins the high school, putting out from the west end of the south wing.

Neal Construction Co., of Stamford were successful bidders on the erection of this newest addition to the plant of this big independent school district. The voters of the district had authorized bonds in the sum of \$80,000 in an election held last spring.

The new facility will seat about 1,300 it is estimated. The overall dimensions of the gymnasium, to be built of brick face tile, are 98 feet, 2 inches by 123 feet, 6 inches. The playing court is to be 69 feet, 2 inches by 98 feet, 8 inches, giving room for lots of activity for physical education classes.

Contract calls for a complete gymnasium for the price quoted above, seats, foyer, rest rooms, heating system, lights, etc. The building will be available for use in the coming basketball season.

VISITED HERE

Mr. and Mrs. W. L. Bungard of Roff, Okla., visited Sunday and Monday with her sisters, Mrs. I. W. Harden, and Mrs. G. A. Nelson and other relatives here.

WE CALL ATTENTION TO:

FIRE PREVENTION WEEK

OCTOBER 4 TO 10

Every year, 6,000 fires in the U. S. brings great destruction of property and cause many deaths. The pitiful thing about this is that a great majority of these fires are due to our carelessness and might have been prevented had we been willing to make inspections and eliminate hazards.

Fire Prevention Week Oct. 4 to 10

is a wonderful time for each of us to think upon ways and means by which we may help to eliminate the awful toll of fires.

Fire Prevention Week each year includes October 9, the anniversary of the big 1871 Chicago fire, which resulted in this special week being designated each year.

Fire Safety Is Worth The Effort!

House Plan No. 24

A Housewife's Dream House

Farm and Ranch House Plan No. 20 is adaptable to many areas of the South. It is designed for comfortable living and convenience.

The L-shaped porch would be a very desirable extension to the living room, and might even double for a guest room in the summer and on holiday occasions.

A movable bookcase between the living and dining areas are suggested to give privacy during meals, but it could be moved when large groups are present. The arrangement of the kitchen and bath is good. All of the plumbing is concentrated in one very small area and can be installed for a minimum cost. Opaque glass in the bathroom window eliminates the need for blinds.

You will find the kitchen especially attractive. The counter space is well divided on both

sides of the range, and there is a broom closet. Family meals can easily be served in the kitchen.

The bedrooms are of very comfortable size. The master bedroom has two closets; the smaller bedroom has one. The large closet in the workroom and that in the bathroom hall will accommodate wraps and clothing which are not conveniently stored in the other closets.

Our plans show the screened porch or workroom enclosed, but it has four large windows on one side to give plenty of light and ventilation. This enclosure is optional since the porch would be very nice in milder climates when just screened; however, in cooler areas it would be more usable when enclosed.

If you do not care for the horizontal lines which we have stressed, you can use 12-light windows and just the porch posts instead of the strong horizontal pieces indicated. It will be attractive either way.

You can obtain blueprints for this Farm & Ranch Plan No. 4920 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch, Southern Agriculturalist, Dept. L-36, Nashville, Tenn. Order by number, Plan No. 4920. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

PAPER PUNCHES in stock at The Journal. Texas Almanac, on sale at The Journal. Phone 7220, we deliver. Staples always on tap at The Journal.

ATTENDED FUNERAL

Arthur Shafer and Pat Barnett returned last week from Rising Star, where they attended the funeral of Mr. M. M. Cooper. Mr. Cooper is the father of O. V. "Babe" Cooper, who has made his home in Bailey County for the past twenty years.

UNDERGOES SURGERY

Mrs. Gene English underwent surgery in Plainview Hospital last Friday and is reported to be doing well. Mr. English's mother, who lives in Haskell, has been staying here with the family.

"Where Friends Meet And Prices Talk"

Native Galilean Shepherd And His Party To Present Travelogue Here

MR. HABOUSH

It is a far cry from the ancient hills of Galilee, and the pastoral life of the people there, to the dynamic days of the modern present in civilized America, but those two extremes are covered in the span of life of Stephen A. Haboush, a shepherd from Galilee, who has brought to America the story of Galilee and Palestine, told as only one who was born there can tell it.

Mr. Haboush is a native Galilean. He was born on the hills about the Sea of Galilee, and in his youth tended his father's flock of sheep, just as every Galilean boy has done since the days when the Master walked among men. He came to the United States several years ago and worked his way through an American University.

Recently he returned to the land of his birth and there personally took in full color motion pictures of the scenes and people of Galilee and Palestine. He returned to America with his unusual films and thrilling story. He has written for magazines and newspapers and spoken before great audiences in many of the famous universities, colleges, churches and schools in Canada and the United States.

There is an inspiration in the life and teaching of Stephen A. Haboush for everyone. His messages and travelogues bring to the material present the story of life in Galilee and Palestine as it was and as it is, the story of the Scriptures interpreted by one to whom the scenes of the story of the four Gospels are his native land. He is the author of "My Shepherd life in Galilee" and in the book review of the Boston Transcript appeared this statement: "He enters into the feeling of the most famous bit of the world's devotional literature with insight and charm".

Mr. Haboush's Travelogue that he is bringing to our community in the near future is a distinct contribution to North American letters and to modern thought. It breathes the very life and mysticism of the ancient East. Part of it is delivered in native costume, the same costume worn by native Galileans in the days of the Bible story. Part of his dramatic story is de-

livered to the accompaniment of thrilling scenes and motion pictures in full color. Many of the scenes that he will show in this program appeared in the National Geographic Magazine and leading religious periodicals. He is to appear in person with Madame Haboush and two young men to present their Bible Land Musical Travelogue "On Sacred Soil" at Muleshoe High School Auditorium on Wednesday, October 21. Matinee at 1:30 p. m. for the School and 7:30 p. m. for the general public, sponsored by Elementary and High School P. T. A.

It is a program that will be a delight and an inspiration to all who will be fortunate enough to hear him. Tickets are sold by the above organization at a reduced rate. At the door the night of the program the admission is higher.

VISITED MOTHER

Mrs. Travis Reed and daughter Maria spent last week in Westbrook with her mother, Mrs. E. P. Grissett.

WERE IN SOUTHLAND

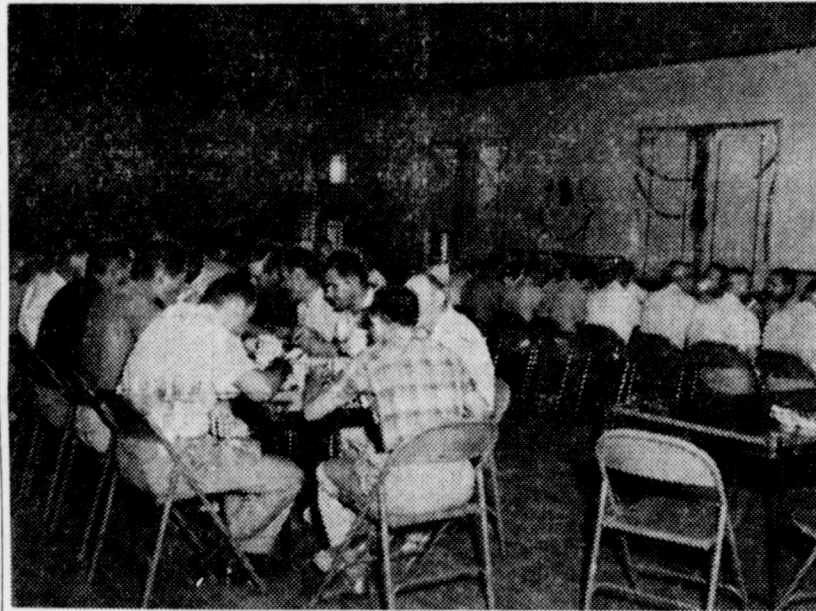

Mr. and Mrs. J. E. Day and Mrs. J. C. Wright visited in Southland over the weekend with the Day's daughter and son-in-law, Mr. and Mrs. H. C. Dunn and family.

WENT TO LOVINGTON

Mr. and Mrs. Sam McKinstry visited their daughter and son-in-law, Mr. and Mrs. Kenneth Osborn in Lovington, N. M., over the weekend. They were joined there Sunday by Mr. and Mrs. J. D. McKinstry of Hagerman, N. M.

HAVING MEETING

Mrs. Sam McKinstry is having a meeting of the mothers of her piano pupils in her home, Saturday, October 3, at 4 p. m.

MEN INTERESTED In Soil Fertility break bread together in Muleshoe's American Legion Home. The tour, lasting two days, emanated from Lubbock. Bob King was in charge of local arrangements. The men visited outstanding farms on their trip through the Muleshoe country and wound up at the Phillips Chemical Plant north of Amarillo.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT AND CIRCULATION OF

The Muleshoe Journal published weekly at Muleshoe, Texas for Oct. 1, 1953.

1. The names and addresses of the publishers, editor, managing editor, and business managers are: J. M. Forbes, Muleshoe, Texas, editor and publisher.

2. The owners are: J. M. Forbes, Muleshoe, Texas and E. B. Miller, H. S. Hilburn, E. Q. Perry, Plainview, Texas.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bond, mortgages, or other securities are: None.

4. Paragraphs 2 and 3 include, in cases where the stockholders or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date above was: 1505.

J. M. Forbes, Publisher Sworn to and subscribed before me this 23rd day of September, 1953.

Large Home Designed With Growing Family In Mind

This rather large home—a plan appearing in the current edition of Small Homes Guide—was designed by Architect Elmer Gylleck with the growing family in mind. He therefore included a first-floor room for use as a nursery, den or bedroom, as well as a split bath.

The future second floor includes two large bedrooms, another bath and a dressing area—enough for any family. The area is 1,451 sq. ft. on the first floor, 829 on the second. Information on blueprints and their cost can be obtained by writing to Small Homes Guide, Dept. 1272, 82 W. Washington, Chicago 2, Ill.

FIRE PREVENTION WEEK

Some Texan Loses His Home In A Fire Every 65 Minutes Of Year

AUSTIN, Sept. 30 — Some Texan loses his home in a fire every 65 minutes around the clock. By the end of 1953, about 8,000 Texans will have watched their homes go up in smoke.

This dire prediction was made today by Norris W. Parker, manager of the Texas Insurance Advisory Association, in anticipation of the observance of National Fire Prevention Week, October 4-10. It is based on figures the fire insurance trade association has compiled over the last 20 years.

Unless Texans reverse the trend through more attention to fire prevention, by the year's end, some 97 Texas schools will burn, 88 churches will be fire casualties and 16 hospitals, 160 hotels, 25 theatres and 35 lumber yards will have serious fire losses.

The greatest toll always is dwellings, however. Texas insurance figures show that three out of every four fires involves somebody's home.

As usual, matches and smoking will be the primary causes, with misuse of electricity ranking a close second. These three are responsible for almost half of all fires occurring in Texas each year, figures kept by the Insurance Advisory Association here.

Study Club Hears W. M. Pool, Jr.

Insurance was the topic as W. M. Pool, Jr., spoke to the Muleshoe Study Club, Thursday evening, September 24.

The meeting was in the home of Mrs. H. L. Blackburn, with the president, Mrs. Buck Ragsdale, presiding, and Mrs. M. F. Green as program chairman.

Mr. Pool presented many interesting and formative facts about insurance, including a short historical skit, "Types of Insurance Today", recommending stock companies as the most secure. His talk ended with a question and answer session.

Members present were: Mmes. H. L. Blackburn, J. M. Forbes, A. J. Gardner, M. F. Green, Houston Hart, Mary Hart, Harold King, Lee Pool, Buck Ragsdale, H. S. Sanders, Jr., John Watson, Buck Woods, and H. S. Sanders, Sr.

Guests were Mr. and Mrs. W. M. Pool, Jr., and Mrs. A. C. Bray.

HERE FROM PHOENIX

Mr. and Mrs. Marvin Barker of Phoenix, Ariz., spent the week end here in the home of his uncle, Jim Clements.

Dorcas Class Has Called Meeting

The Dorcas Sunday school class of the First Baptist Church had a called meeting in the home of Mrs. W. R. Bowers Wednesday, September 30 for a covered dish luncheon, and to plan for the installation, which will be held Monday, October 5.

Members present were Mrs. Earl Humphries, teacher; Mmes. Clarence Wilhite, Thurman White, Lee Pool, Howard Cox, Red Johnson, Clifton Finley, H. G. Griffiths, E. E. Eason, Mina Jones, Vernon Jamison, R. P. Glenn, Frances Garrison, and Lela Barron.

Lubbock Chosen For Site Of New Childrens Home

Again on the great Plains of West Texas we find a visible expression of the Spirit of Love. Sacrifices in money, time, and materials have been made to assure a home for homeless children to be located two miles out of Lubbock on U. S. Highway 82. The Children's Home of Lubbock has been chosen as the name for the new home, where children, regardless of religious background, will be received and cared for.

Ground-breaking ceremonies will be observed for the first unit of the home on Sunday, October 11 at 3 p. m. Friends throughout the area who are interested in homeless children are invited to attend. This unit will be the first of about 20 such cottages to be constructed as rapidly as funds are available. Each cottage will accommodate from 15 to 18 children and will seek to provide as near a natural family atmosphere as possible. Long range plans call for an attractive campus of about 35 acres where approximately 300 children will find happy homes.

An ideal location for the home was assured by the gift of a 200 acre irrigated farm by Mrs. Ida S. Collins, who lives adjacent to the land she gave. The first unit to be constructed was designed by Butler-Brasher-Company of Lubbock. The contractor is Claude Martin and Son, also of Lubbock. John B. White, formerly of Austin, Texas, is the superintendent of the Home. Trustees are the elders of the Broadway Church of Christ, Lubbock.

LUNCH-O-MAT ON SANTA FE

A coin-slot device offering hot or cold sandwiches, assorted pastries, fruit juice, milk and coffee, is a new service for Santa Fe Railway passengers. The only one of its kind installed on any railroad, the Lunch-O-Mat uses radar to heat sandwiches in 10 to 14 seconds. This service is initially being inaugurated on a new Albuquerque to El Paso train.

Mrs. Benson's Brother Passes Away At Matador

Walter Harrison Rogers, 63, succumbed after suffering a heart attack Thursday morning, Sept. 17, 1953, at his home in Matador.

He was born August 23, 1890, in Monroe County, Tenn. He was united in marriage to Ola Vineyard Oct. 21, 1908, and to this union were born four children.

Survivors include his widow, three sons: Owen of Morton, John of Tucumcari, N. M., Howard of Flomot, and one daughter, Eula Mae Merrell of Long Beach, Calif. Eight grandchildren and two great grandchildren also survive.

Mr. Rogers leaves six sisters: Mrs. John White, Tellico Plains, Tenn.; Mrs. Ed Styles, Englewood, Tenn.; Mrs. Washie Isbill, Madisonville, Tenn.; Mrs. Ollie Wilson, McLeansboro, Ill.; Mrs. brother preceded him in death. Winnie Isbill, Union Grove, Okla.; and Mrs. John Benson,

Muleshoe. Two sisters and one many more relatives including nephews and nieces and friends mourn his passing.

Funeral services were conducted Saturday, Sept. 19, at the First Baptist church in Matador, Eudy-Seale Funeral Home was in charge of arrangements. Interment was in Flomot cemetery.

Roy E. Jordan At Sangley Point

Serving at the U. S. Naval Station at Cavite, P. I. with the Air Operations Department is Roy E. Jordan, airman, USN, son of Mr. and Mrs. Austin T. Jordan, Earth, Texas.

The Naval Station is located eight miles southeast of Manila. The partially man-made peninsula, Sangley Point, extends for two miles into Manila Bay and is approximately one quarter of a mile wide.

A variety of recreational facilities is available for the two thousand odd Navy men based at Sangley Point. They enjoy the conveniences of a modern enlisted men's club, bowling alleys, movie theatre, a golf driving range, gymnasium, well-stocked library, swimming pools and an Armed Forces radio station.

Womanless Divorce To Be Staged In Farwell Oct. 6

A womanless divorce will be sponsored by the E. S. A. of Farwell and will take place Tuesday night, October 6, at 8:30 p. m. in the Farwell High School auditorium.

This divorce is a sequel to the womanless wedding which took place two years ago, and will be staged by the same group. The dialogue was written by members of the E. S. A., and many of the acts to be presented in the show are originals of the cast members.

Included in the cast will be men from Farwell, Bovina, Lazbuddie and Clovis, N. M. The couple who were married

in the wedding ceremony two years ago will play leading roles, and will have their children present. Others who will take part in the play will be an all woman jury, played by men; two fast talking lawyers, a court reporter, Judge Henry Ivy, and all the relatives and neighbors as witnesses.

The divorce is brought on by a night club scene which features musical entertainment, cigarette and chorus girls, ballet, and the works. Reserved seats are 75c, adult 50c and children 25c. Tickets are on sale now.

MAGIC IN MODERN HEATING!

Blend-Air

NEWEST, FINEST IN AUTOMATIC CENTRAL HEATING COMFORT

Here's low-cost heating magic that gives amazing even-heat distribution. Individual heat regulation in every room with over-all thermostat control. Pre-engineered and prefabricated, simple and easy to install. Small 3 1/2-inch warm air ducts save up to \$100 on installation. Install Blend-Air for a better heated home.

THE DUCTS

This simple, small 3 1/2-inch prefabricated pipe fits any construction. A revolutionary new achievement that simplifies installation, reduces its cost. Flexible elbows bend around obstacles easily. Save costly metalwork on the job, speed installation.

THE MAGIC BLENDER

Each room has its own individual blender. It receives (through the 3 1/2-inch ducts) the warm air from the furnace. This pulls in room air and blends it with the freshly heated furnace air; circulates the blended air through the room, giving even, moving warmth for healthful comfort.

THE WARM AIR FURNACE
for Gas or Oil

Here is the powerful modumatic-comfort Coleman furnace that forces warm air through individual ducts leading to each room. Compact, space-saving, a powerful heating plant.

Inspect Blend-Air before you put any heat in your home!

If you have not seen Blend-Air in operation, you cannot know how this new, modern development in the heating industry heats evenly for whole-house warmth. It's backed by Coleman's national

reputation for precision manufacture and economy performance. Lowers the cost of installing central heating - puts it within reach of thousands more American home owners!

Let us show you the new revolutionary Blend-Air. Let us show you why "Comfort costs so little with a Coleman"

\$25 dollar prize. The show was followed by a fine bar-b-q lunch, sponsored by Mr. M. C. O'Mara, manager of the Sears store in Lubbock. Those attending from Muleshoe were the J. K. Adams family, Marvin Holt family, and the

A. W. Copley family. The Kirk Holt gilt had formerly won 1st place in the Bailey County competition with Mike Pollard placing 2nd, LaVon Copley 3rd, Mike O'Hair 4th, Claudia O'Hair, 5th, and Jay Carney 6th.

Bailey Co. Boys Compete In Sears Show In Lubbock

Saturday, September 26, Don Copley and Kirk Holt competed for district honors in the District Sears show which was held in Lubbock. The Bailey county entries had been farrowed with the Dallas show in mind, and were out-classed in size since the other entries were considerably older. The Kirk Holt gilt placed 5th in a class of thirteen, winning \$25. The male shown by Don Copley won 6th and also took a

Parmer County Farm Bureau News

By Ralph Smith

The American public is in need of a farm program that will not force the U. S. Government

into the farm market, but that will assist in leveling production to meet the demand for agricultural production. It is with this view in mind that Texas Farm Bureau has for the past several years advocated a changed program that would attempt to eliminate a consistent, year after year surplus of nearly all agricultural commodities. The reason this plan has not received

more publicity and local explanation is the Korean War, which abnormally increased the demand for production of all commodities. With the war at least suspended, and demand being expected to become more "normal", we want to present this farm program for the consideration of every farmer. It is expected that one of the Parmer County Resolutions for consideration at the October Annual Convention will be concerning this program. A general synopsis is in the Friona Office, and we urge you to come in and read it and study the principles involved.

The general plan is this: Instead of basing production controls on each commodity, the control would be based on the total national acreage in cultivation and pro-rated to counties and individual farms. (The maximum over producing acreage known to have existed is about 15%). If, for any instance, it is figured there is 10% too much land in cultivation in the nation, 10% of the acreage of each farm would be suspended from productive cultivation. (Only soil building operations could be carried on the suspended acreage, no grazing or anything to assist present production). Production of commodities would be controlled only by setting price supports according to the need. (Cotton could be 125% of parity, wheat 75%, sorghum 80%, depending upon the demand calculated for the season in question). Thus, though there might be overproduction of some commodities, there would necessarily be a shortage of others, providing initiative for planting the short crops where practical. This might be called a controlled supply and demand program, (or it might be called any number of other names by some).

Come in and read the more complete story and see what you think of it. Consider This: Every word of God is pure; he is a shield unto them that put their trust in him. —Proverbs 30:5.

RIGHT FOR CLIPPING

Over in Shreveport, Graydon Smart used these words of Max Ehrmann as a message to the readers of his Chamber of Commerce magazine. They are words that have meaning every month, every week and every day in the year. "Go placidly amid the noise and the haste, and remember what peace there may be in silence. As far as possible, without surrender, be on good terms with all persons. Speak your truth quietly and clearly; and listen to others; even to the dull and the ignorant; they too, have their story. If you compare yourself with others, you may become vain or bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Be

Local Men Are Labor Consultant Committeemen

Bill Millen, H. E. Schuster, and Carl Case today were notified by the Texas Employment Commission at Austin of their appointment as members of the Consultant Committee for Bailey County to assist the Commission in its efforts to secure a prevailing wage survey for this crop wage area. J. D. Jordan, Local Office Manager of the TEC, has announced.

As the returns from the survey come into the local TEC office, yourself. Especially do not feign affection. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself and loneliness. Beyond a wholesome discipline, be gently with yourself. You are a child of the universe no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Whatever your labors and aspirations, in the noisy confusion of life, keep peace in your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy. —Exchange

J. D. Jordan said tabulations will be made and reviewed each two weeks by this Committee in order that completeness, impartiality, and accuracy will be assured. Farmers who contract Mexican Nationals have agreed to pay a wage which will not be disruptive of local wage rates and not to be lower than those paid for similar work in similar crop conditions with a crop wage area.

"If wages paid to domestic workers fluctuate in this area," Jordan said, "wages paid to Mexican Nationals under contract may also be expected to fluctuate. Therefore, the wage survey must be completely understood by all farmers in this area."

The appointed Committee will undertake to assist the Commission in keeping all farmers who contract or expect to contract Mexican Nationals apprised of the conditions. The Committee will have access to the wage survey cards returned by area farmers to the TEC at all times, and will assist in settling differences if, and when, they occur. Wage information received from individual farmers is strictly confidential, but if results of a survey indicate error, Committee members will review all information obtained.

DAUGHTER VISITED

Mr. and Mrs. L. V. Gray of Pueblo, Colo., visited last week in the home of her parents, Mr. and Mrs. J. H. Engram, and her sister, Mrs. D. Warner.

LEFT FOR MAINE

Mr. and Mrs. Tye Young left by train Monday afternoon for Brunswick, Maine, to visit their son and daughter-in-law, Mr. and Mrs. Jack Young. The highlight of their trip will be to attend a World Series game in New York City.

VISITED HERE

Mrs. Birtie Orsburne of Farwell spent Tuesday in the home of Mr. and Mrs. J. H. Engram and Marie.

WAS IN AMARILLO

Mrs. C. R. Farrell was in Amarillo Sunday visiting her daughter and family, the Rev. and Mrs. James Carter and family, and her son and daughter-in-law, Mr. and Mrs. Alvin Farrell and family.

TO UNDERGO SURGERY

Mrs. Mrs. Gene English will undergo major surgery Friday morning at the Plainview Hospital and Clinic.

WOULD YOU SELL YOUR HOME AND FURNISHINGS FOR HALF THEIR VALUE? IF NOT WHY INSURE THEM AT HALF VALUE?

For your security's sake, examine your present fire insurance and ask yourself:

WILL MY PRESENT INSURANCE KEEP ME FROM GOING INTO DEBT IF I SHOULD HAVE A SERIOUS FIRE LOSS TODAY?

If the answer is NO, your Farm Bureau Service Agent will show you how to relieve yourself of this financial threat.

Rainbow Girls Hold Public Installation

The Muleshoe Assembly of Rainbow Girls held their public installation in the Lodge Hall, Tuesday night, September 29. Approximately fifty guests attended. Ann Woodley presided at the register.

Installing officers were: Barbara Hinkson, Worthy Advisor; Mrs. Bobby Harrison, Marshall; Tommie Bratcher, Organist; Jo Adine Mayhugh, Chaplain; and Janice Gaede, recording secretary.

Betty Collins was installed worthy advisor, Gweneile Workman, associate advisor; Barbara Douglass, charity; Elizabeth Farley, hope; Helen Stovall, faith; Darla Myers, chaplain; Ginger Gaede, love; Marion Harris, drill leader; Paula Provence, nature; Mary Carpenter, immortality; Charlene Graef, fidelity; Mina Margaret Jennings, religion; and Jean Gammons, patriotism;

Joy Dean Warner, confidential observer; Mary Jo Holt, outer advisor; Doris Childers, musician; Jean Carpenter, choir director; and choir members are Doris Fields, Sandra Briscoe, Mary Janice Puckett, Elaine Evans, Shirley Davenport, Lou Ann Aggie, Barbara Ann Sowder, June Freeman, and Sue Young.

After officers were installed, Earl Ladd, District Deputy Grand Master, was presented behind the bow, and introduced by the marshal.

Mr. and Mrs. Bill Collins were introduced and escorted to the east, where they were presented with a boutonniere and corsage respectively.

Others introduced were: Mrs.

Ruby Cox, Worthy Matron; Sam Damron, Worshipful Master of the Muleshoe Masonic Lodge; Elizabeth Harden, past mother advisor; Janice Gaede, Jo Adine Mayhugh, and Tommie Bratcher, past worthy advisors.

The advisory board, Mrs. Ruby Cox, Mrs. Mary Farley, Mrs. Frank Hinkson, J. W. Thomson, and Sam Damron, were introduced and presented behind the bow.

The Worthy advisor, Bettie Collins, presented each of her installing officers with a gift. Barbara Hinkson, retiring Worthy advisor, presented the mother advisor, Jewell Strong, with a gift, and the assembly with a lovely desk lamp.

In the program which followed, Lois Lewis, accompanied at the piano by Elizabeth Woodley sang, "The End of a Perfect Day" which she dedicated to Barbara Hinkson, retiring worthy advisor. Lois also sang "My Rainbow", and dedicated it to the assembly.

The installation was dismissed with a prayer by Mr. Thomson. At the reception which followed, the worthy advisor's chosen colors of orchid and white were carried out in the table appointments and baskets of flowers, which were placed at various points in the hall. Delicious refreshments of punch and cake were served to all who attended.

Lazbuddie P. T. A. To Meet Oct. 5

The Lazbuddie P. T. A. will hold its regular meeting October 5, at 8:00 p. m. A prize will be given at each meeting to the room with the largest percent of parents present. Everyone is asked to attend.

Juniors To Serve Luncheon Oct. 7

The Junior Class of Muleshoe High School will sponsor a luncheon Wednesday, October 7, in the Fellowship Hall.

They will start serving food at 11:30, and a delicious lunch is promised to everyone who attends.

Tickets may be bought from members of the Junior Class, and are priced at \$1.00.

Billye Jones And Marjorie Precure Hosts Epsilon Chi

Hostesses for the Epsilon Chi social were Billye Jones and Marjorie Precure.

Games and bingo were played, and winners were given useful gifts.

Delicious refreshments were served to Ruby Gregory, Jerri Farrell, Mary Anna Bryant, Helen Harvey, Alta Mae Ellis, Betty Glaze, Joyce Alsop, Eva Mae Alsop, Jo Ann Barbour, Ellen Gup-

ton, Elizabeth Woodley educational director and the following guests: Martha Thomas, Dorothy McCasland, James Reese and Flo Brown.

The next meeting will be the regular business meeting October 14.

First Grade Will Sponsor Bake Sale

Mrs. Witherspoon's first grade class will sponsor a bake sale at Cashway, Saturday, October 3. The sale will begin around 9 o'clock a. m. Everyone is invited to stop, look, and buy.

WERE IN HOT SPRINGS

Mr. and Mrs. Buck Taylor and Mr. and Mrs. Cecil Osborne and Linda, spent two weeks in Hot Springs, N. M. Due to car trouble, they spent three days in Mountainair, N. M., at the Dick Black-shear Courts.

HAVE RETURNED

Mr. and Mrs. Joe Vaughn and Art Stone have returned from Hot Springs, N. M.

Mexican Wage Survey Planned In Bailey Co.

J. D. Jordan, Littlefield office manager for the Texas Employment Commission today said that Bailey County has been designated as a Crop Wage Area. Crop Wage Areas, he said, are designated as such only when Mexican Nationals are expected to be employed in the area to help farmers harvest their crops.

A survey will be undertaken in this county shortly to determine the range of wages being paid domestic workers. The survey is made necessary by a Law passed in Congress, Public Law 78, which provides in part, that before Mexican Nationals can be admitted to this Country for farm employment, it must be

first determined whether or not the wages and working conditions of domestic farm workers will be adversely affected.

Mexican contract workers, according to the Migrant Labor Agreement of 1951, as amended requires that the latter be paid at a rate not less than the prevailing wages which domestic workers are receiving at the same time for similar work in the same area of employment.

A special local consultant committee will be set up to assist the Texas Employment Commission in making the "range of wage" survey. Wage information received from individual farmers is strictly confidential, but if results of a survey indicate error, committee members will reveal all information obtained.

Five Victims Of Tragic Fire Buried Here

Funeral services for five members of the D. F. Martin family who perished in flames that swept a truck bed early Friday were held here in the First Baptist Church at 2:30 p. m. Sunday.

The Rev. A. W. Blaine, pastor, officiated. Burial was in the Muleshoe cemetery under direction of the Muleshoe Funeral Home.

Bodies of the mother, Mrs. D. F. Martin, 35, and four children—Delores Jane, 9; Billy Ray, 11; Dewey Wayne, 7½; and Jackie Dale, 5—were transferred to the Muleshoe Funeral Home Saturday from the Lemons Funeral Home of Plainview. For services, the five bodies were placed in one casket.

Survivors of the tragic truck fire are the father, D. F. Martin, 35, and a son, William Eugene, 13.

The tragedy occurred early Friday near Plainview as the truck moved along the highway from Muleshoe to Plainview. The family was traveling from Muleshoe to Vernon. The family had been living near Texarkana, Texas.

When a fire broke out in the truck bed where the mother and four children were asleep on a mattress, the father stopped the truck and he and the older boy tried to free the occupants of the truck bed—but in vain—state

officials. The value of the contents of the truck bed was placed at \$7,474.50. Value of the seed was placed at \$1,395.806.

highway patrolmen and Police Chief Hoyt Curry were told.

A small dog was the only survivor from the flaming truck bed. The truck bed was loaded with household furniture and goods. The mattress was in the center of the truck bed, which was covered with a tarpaulin.

The Plainview fire department extinguished the flames. The mother and four children were burned beyond recognition, according to ambulance attendants.

James P. Johnson Qualifies As Pilot

Qualified as a carrier pilot after six successful landings on board the USS Monterey in the Gulf of Mexico is Marine Corps Second Lt. James P. Johnson, son of Mr. and Mrs. Fred J. Johnson of Box 927, Muleshoe. He graduated from Northwestern University in Evanston, Ill., before entering the Naval Flight Program while stationed at the U. S. Marine Corps Station in Quantico, Va.

He began his training at the Naval Air Station here, the "Annapolis of the Air", and is undergoing a stringent schedule in military, academic, physical and flight training. From carrier qualification, he will report to the Naval Auxiliary Air Station, Corry Field, for instrument flight training.

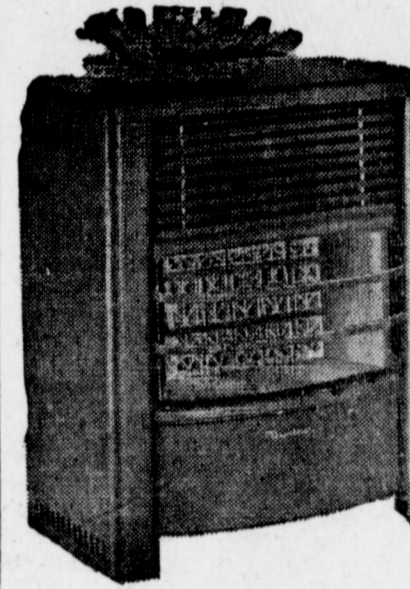

Upon completion of instrument training, he will report to the Chief of Naval Air Advanced Training, Corpus Christi, Texas, for training in combat type aircraft. Graduation of advanced training will win him the coveted Navy Wings of Gold.

FROM PLAINVIEW

Mr. and Mrs. J. B. Ross, of Plainview, spent from Friday to Monday here in the home of their daughter, Mrs. J. M. Forbes. Mr. Ross, who has been ill for

some time is somewhat improved.

Cotton Brought In Huge Sum Of Money In 1952

ABILENE, Sept. 19. — In spite of continued drought and a drop in the price of lint of 3.44 cents per pound since the preceding season, the 1952 cotton crop in West Texas was worth \$402,986,684, according to an article in the September issue of *West Texas Today*, published by the West Texas Chamber of Commerce.

The magazine states that the 132-county area served by the regional organization produced 2,060,202 bales from 6,067,070 acres harvested, representing 54 per cent of the state's production of 3,808,000 bales.

Bailey County harvested 114,000 acres in 1952. There were 45,300 bales ginned, and the value

About People You Know

VISITED IN LUBBOCK

Mr. and Mrs. M. G. Bass spent the weekend in Lubbock with her parents, Mr. and Mrs. J. C. Reynolds.

PARENTS VISITED

Visitors Sunday in the home of Mr. and Mrs. Alex Berry were her parents, Mr. and Mrs. W. W. Lindsey, and her sister and brother-in-law, Mr. and Mrs. Joe Lizer of Levelland.

WENT TO AMARILLO

Mr. and Mrs. Jack Lancaster and Mr. and Mrs. Buck Creamer were in Amarillo over the weekend.

SPENT WEEKEND HERE

Mr. and Mrs. Bill Pierson of Lubbock spent the weekend here in the home of his parents, Mr. and Mrs. F. B. Pierson.

FISHED AT GALVESTON

Mr. and Mrs. M. D. Gaddy took their son Marvin back to Harden-Simmons last week then went on to Cleveland where they visited another son, Rev. Gerald Gaddy and wife, Gerald is pastor of the First Baptist Church of Cleveland.

After visiting in Cleveland they went on to Galveston for several days of fishing. They reported a very nice trip.

ENTERTAINED SUNDAY

Mrs. M. D. Gaddy entertained her Sunday School Class, the Junior Girls Sunday with a luncheon in her home.

SPENT WEEKEND WITH SISTER

Mrs. Preston Cargile spent the weekend in Littlefield with her twin sister and brother-in-law, Mr. and Mrs. O. R. Chandler and twin daughters.

WENT TO CANYON

Mr. and Mrs. Ray Hardaway, Sr. and Mr. and Mrs. Ray Hardaway, Jr. visited their sister and daughter, Mrs. Ray Griffin and daughter in Canyon Sunday.

HOME ON LEAVE

Pvt. Freddie Harvey of Camp Chaffee, Ark., is home on a ten day leave which he is spending with his parents, Mr. and Mrs. R. C. Harvey and other relatives and friends.

When his leave is up, Pvt. Harvey will report back to Camp Chaffee, and will go from there to Fort Sill, Okla.

VISITED SISTER

Mr. and Mrs. Wiley Bailey of Big Sandy, visited her sister, Mrs. C. M. Hinkle this weekend. They had been to Amarillo and Borger, and will visit other points of interest in Texas before returning home.

VISITED FRIENDS HERE

Jim Baker and his mother, former residents of Muleshoe, but now of Perryton, attended Church services here Sunday at the Church of Christ, and spent the rest of the day visiting with old friends.

WERE IN ROSWELL

Mr. and Mrs. O. D. Holton were in Roswell, N. M., Monday on business.

WERE IN QUANAH

Mr. and Mrs. E. E. Holland spent Sunday in Quanah with her mother, Mrs. G. M. Devoll, her sister, Mrs. Effie Davis, and other relatives. Mrs. Devoll has been ill for some time, but is showing improvement now.

Mr. and Mrs. Holland attended Church services in Olton, and had lunch in Floydada, with some former Muleshoe residents, Mr. and Mrs. "Skinny" Winn.

WERE RECENT VISITORS

Mr. and Mrs. J. T. Haley and son of Wellington were recent visitors in the home of his brother and sister-in-law, Mr. and Mrs. O. Q. Holley.

DISCHARGED FROM SERVICE

Mr. and Mrs. Vernon Thomas are here visiting her parents, Mr. and Mrs. Fred Horn, and his parents, Mr. and Mrs. Ira H. Thomas, and other relatives and friends. Vernon was recently discharged from the U. S. Marines after serving with them for three years.

Mr. and Mrs. Thomas hope to leave for Amarillo some time this week, where Vernon expects to be employed by the Santa Fe.

VISITED HERE

Mrs. Leon Hunter and family of Amarillo were recent visitors in the home of her sister and family, Mr. and Mrs. J. C. Burris.

Longview News

* Mr. and Mrs. J. U. Dawson, Alice, Jerry, and Hattie Joe, visited in Plainview Sunday with Helen Dawson. Helen is attending Wayland College.

* Melvin White is now at home after having spent several days in the Payne-Shotwell Hospital in Littlefield. He had an operation on his elbow as the result of an old injury that had not healed properly. He is the son of Mr. and Mrs. A. T. White.

* Mr. and Mrs. Buford Hunt and Joyce visited Billy Crouch in the Veterans Hospital in Amarillo Sunday. He was seriously ill a while back, but is now improving and expects to be home in a few days.

* Mr. and Mrs. Bill Dement, Rita and Douglas of Spur, were guests in the home of Mr. and Mrs. Wes Dement Sunday.

* Wanda Joyce Oglatree was home visiting with her many friends and her family. She enjoys her job in Lubbock very much, and plans to attend business school two nights a week beginning this week.

* Sunday night was promotion time for several of the boys and girls at the Baptist Church. Certificates were given out by the training union director, Stanley Seagroves.

Wednesday night we had a Christmas party!! A tree was decorated and each person brought a toy and put under it. A program was then directed by Mrs. Seagroves. The gifts were all wrapped and put in a box to be sent to the Indian children. A love offering was taken to buy the Indian children some treats.

Refreshments were then served to all.

TO ATTEND WORLD SERIES

Margaret Edwards of Wilmington, Del., has been here for the past two weeks visiting her parents, Mr. and Mrs. Ed Johnson and other relatives and friends. Mr. and Mrs. Ed Johnson and Mr. and Mrs. George Johnson will accompany her back to Wilmington, and all will attend a world series game in Yankee Stadium in New York City, between the Brooklyn Dodgers and the New York Yankees.

WERE GUESTS

Mr. and Mrs. Vernon Vinson were dinner guests Sunday night of Mr. and Mrs. Travis Butler. After the meal the two families watched television.

RETURNED TUESDAY

Mr. and Mrs. J. C. Dalton returned Tuesday from a trip to Jentry, Ark., where they visited relatives. Mr. Dalton's mother, Mrs. Jess Dalton, made the return trip with them, and will visit here for a few weeks.

WERE GUESTS HERE

Guests Sunday in the homes of Mr. and Mrs. H. A. Douglass, and Mrs. Maude Douglass, were Mr. and Mrs. Millard Moore and children of Lubbock, Mrs. Alva Sparks of Lubbock, and Mr. and Mrs. Glen Stevens.

VISITED IN ELIDA

Mr. and Mrs. Hugh Freeman and Mr. and Mrs. Kenneth Burton visited in Elida Sunday with Kenneth's cousin and his wife, Mr. and Mrs. Harvey E. Cross.

VACATION IN OKLAHOMA

Mr. and Mrs. Lewis Stewart are vacationing in Elk City and other points of interest in Oklahoma this week with relatives and friends.

RETURN FROM OKLAHOMA

Mr. and Mrs. B. L. Jackson have just returned from Wilson and Fredrick, Okla., where they were visiting relatives.

SPENT SUNLAY HERE

Mr. and Mrs. Tom Epting of Conway spent Sunday in the home of their son and daughter-in-law, Mr. and Mrs. Alton Epting.

VISITED DAUGHTER

Mr. and Mrs. Lewis Allison and daughter, Jerri, visited in San Angelo over the weekend with another daughter and son-in-law, Mr. and Mrs. Jim Moreland.

Life Of Jesus Studied By Chi Rho Class

"Jesus The Master Teacher" was the lesson in a series of studies on the Life of Jesus, given by the Chi Rho group of the First Christian Church.

The opening song was, "I Would Be True", sung by the group. Jack Wright gave the scripture reading from Luke 4:18-19, and Henry Creamer led "The Lord's Prayer".

The meeting was closed with the benediction.

Present were: Jack Wright, John Aylesworth, Henry Creamer, Travis Creamer, Judy Hanks, Smitty Aylesworth, Bea Aylesworth, Ann Bell, Judy Bell, Donna Kay Bruns, Brother Vincel Larson, and Mrs. J. H. Hanks.

Barton And Wilson Vows Exchanged In Recent Ceremony

Miss Leta Faye Barton, daughter of Mr. and Mrs. Virgil Barton of 212 Brown Dr., Amarillo, recently became the bride of Mr. Aubert Leroy Wilson, son of Mr. and Mrs. A. H. Wilson of Route 1, Muleshoe.

The double ring ceremony took place in the home of the bride's parents, and was performed by Bro. Paul Lusby.

Organ selections preceding the ceremony were "O Promise Me", "I Love You Truly", and "Because". Traditional wedding marches were also played.

Given in marriage by her father, the bride wore a ballerina length dress of powder blue taffeta, fashioned with a high neck-

THE MULESHOE JOURNAL, Thursday, October 1, 1953

line and lace insets. Her fingertip veil of blue net was adorned with seed pearl trim.

Miss Patsy Barton was her sisters only attendant. She wore a ballerina length dress of yellow taffeta, and a bandeau accented with a face veil. Her corsage was of carnations of India.

Wendel Davidson served as best man, and Robert Barton, brother of the bride, was usher.

Mrs. Barton, mother of the bride, was attired in a dusty rose crepe dress. The groom's mother, Mrs. Wilson, chose a dress of purple celanese acetate crepe. Both wore corsages of white orchids.

At the reception immediately following the ceremony the table was laid with an ecru lace cloth and centered with an arrangement of pink roses. The tiered cake was served by Mrs. David Carothers and Miss Judy Rockhold presided at the punch bowl.

Mrs. Wilson was graduated from Amarillo High School and has been employed by the F. W. Woolworth Company in Amarillo.

The bridegroom graduated from Lazbuddie High School.

The young couple will make their home in the Lazbuddie community where the groom is engaged in farming.

Mexican Nationals Entertain At Fellowship Hall

Wednesday evening, September 23, Fellowship Hall was the scene of a Fall Round-up Church fellowship night.

Instead of the usual covered dish affair, a chuck wagon supper, consisting of chili and beans or soup, desert and coffee was served by the ladies of the W. S. C. S.

Invocation was offered by Rev. H. W. Hanks.

A highlight of the evening's entertainment was instrumental music and songs by a quartet composed of Mexican Nationals.

Mr. Oscar Allison was very thoughtful in furnishing transportation for the boys, and aided by an interpreter, Mr. Benny Pena, Mr. Allison acted as master of ceremonies.

Mrs. Noel Woodley was in charge of the program.

Approximately one hundred and seventy-five persons attended. They were dismissed by the group singing "Blest Be The Tie".

group then went inside and following a song and prayer, viewed some very interesting films. A film taken in Old Mexico last February was shown by Bill Millen, and Brother Jones showed two films of their recent trip to the state of Washington.

"Beyond Our Own", a religious film, was also presented. The program was then turned over to Joyce Walker, who was in charge of music. The first selection was a hymn sung by a choir. It was followed by a duet, with Joyce Walker, at the organ, and Jo Ann Garrett at the piano.

After the singing of a hymn, the group was dismissed.

Miss Frances Roy And R. C. Lyles Vows Are Read

Mr. and Mrs. John Roy, 902 North Guadalupe St., Carlsbad, N. M., have announced the marriage of their daughter, Frances Maria, Amarillo, to Mr. R. C. Lyles, Jr., son of Mr. and Mrs. R. C. Lyles, of Amarillo.

Vows were exchanged at the home of the groom's parents at 2:00 o'clock in the afternoon, Saturday, the 5th of September, in the presence of a few close friends and relatives. Mrs. Margaret Bryant of Muleshoe, attended the bride and R. C. Lyles, Sr., was his son's best man.

A reception was held immediately following the ceremony.

The bride was graduated from Muleshoe High School with the

Mrs. Dowell Hosts Wesleyan Service

The Wesleyan Service met Monday, September 28, at 7:30 in the home of Mrs. Mable Dowell.

Mrs. Ray Edwards was in charge of the study "The Prophet Jeremiah." Others assisting on the program were Elizabeth Harden, Mesdames D. Warner, Fred Johnson, Homer Sanders, Sr., and Jr., and the hostess.

All members answered roll call with a scripture from the book of Jeremiah, this will be used throughout the study of the book.

Mrs. Delma McCarty, president, presided over the business session. The Guild voted to assist the W. S. C. S. with a Stanley party to be held in Fellowship Hall, October 15.

Refreshments were served to Elizabeth Harden, Mesdames Fred Johnson, Buford Butts, Jim Burkhead, Delma McCarty, A. S. Stovall, H. W. Hanks, Ray Edwards, D. Warner, Homer Sanders, Sr., and Jr., and the hostess.

Next meeting will be with Mrs. Ray Edwards, October 12, at 7:30 p. m.

Pleasant Valley Social Club Donates To Park

The Pleasant Valley Social Club met in the home of Mrs. Harold Allison, Wednesday, September 16.

Work is completed on the picnic table which will be donated to the park by the club, except for painting, and any member who feels she can, is asked to go to the park and help with this.

Since the club is not going to enter anything at the Littlefield Fair, the Farm Bureau is sponsoring a booth.

Delicious refreshments were served to the following members: Mmes. F. Andreas, Gerald Allison, O. Allison, E. K. Angeley, L. Hicks, C. Prather, R. Roubinek, D. Turner, G. Wuerflein, B. Free, P. Hammett, and J. Grizzle.

Next meeting will be October 7, in the home of Mrs. Floyd Andreas.

Progress And Y. L. Methodist Churches Have Joint Meet

The Progress and Y. L. Methodist Churches met at the Progress Methodist Church Sunday night at 8:00 p. m. for recreation and supper on the lawn. The class of 1950, and since that time has been employed by the State Highway Dept.

Mr. Lyles graduated from Dumas High School and attended Amarillo Junior College and Texas A & M. He is employed by the Santa Fe Railroad Co.

Out of town guests attending the ceremony included Mrs. Maude Goodin, Paducah, Mrs. Teddy Max, John Lynn, and Kay of Carlsbad, N. M.

TEXAS NEWSPAPER WEEK PROCLAIMED—Witnessing Governor Allan Shivers' signing of the official proclamation designating National Newspaper Week in Texas as Oct. 1 to 8, inclusive, are four top executives of the newspaper fraternity in Texas. Arthur H. Kowert, publisher of the Fredericksburg Standard and president of the Texas Press Association is first on the left. Next to Kowert is Pat Fincher, circulation manager of the Austin American-Statesman and secretary-treasurer of the Texas Circulation Managers Association. On the right is Bill Gardner, president of the Austin Professional Chapter of Sigma Delta Chi, national journalism fraternity. Gardner is also state capital correspondent for the Houston Post. Next to Gardner is Vern Sanford, general manager of the Texas Press Association, TPA, which represents some 500 daily and weekly newspapers in Texas, has its offices in Austin. Sanford also is national chairman for National Newspaper Week which is observed the first week in October of every year by some 10,000 newspapers throughout America.

Parmer County Farm Bureau News

By Ralph Smith

Rhea's community road maps are printed. If you would like to have one, we have some in the office. As we have said before, this is an outstanding community accomplishment.

Colorado, from where we are writing, is a state of past and present interests unparalleled. Visiting old mining and quarrying areas, now deserted except for a few who chose to live in the old ghost towns and relate tales of more prosperous eras, is an interesting experience.

In spite of the absence of ghost towns in Texas, we are still like them. Gold or coal or marble or zinc rushes that end more abruptly than they began, do more to provide material for writers of history than they do for people who need security. Texans though missing some of the thrill of such rushes, enjoy the tranquility that comes from a more steady, stability incurred by agricultural improvement and hard work that accompanies it. We can appreciate the easily farmed plains of West Texas as we see the uneven patches of

hard-to-get-to, though fertile areas of Colorado.

We're glad we have a simplified water district in the South Plains of Texas, too. Here in Colorado, they're scrapping over water on the whole Western and Eastern slopes. The decision that is reached will determine the future of both slopes, agriculturally and commercially for years to come.

In Parmer County, Fair officials have promised a better planned, more successful Dairy Show and Fair in 1954, including

more attractive and inviting fair grounds.

Cotton pulling in Lamb, Lubbock and Bailey Counties is currently going at \$1.50 and \$1.55 with picking at \$2.05 according to Texas Cotton Ginners' Association report brought in by Wright Williams.

Consider This: Whoso despieth the word shall be destroyed; but he that feareth the commandment shall be rewarded. The law of the wise is a fountain of life, to depart from the snares of death. Good under-

standing giveth favor; but the way of transgressors is hard.

—Proverbs 13:13-15.

HERE WITH SISTER

Mrs. George Allen, of Victoria, has been visiting here with the family of her sister, Mrs. Ben Chapman.

IN MISSOURI

Mrs. Onard Upton is in Gainesville, Mo., at the bedside of her father, J. L. Patterson, who is seriously ill.

By John C. White, Commissioner

NEW GRASSLAND SEEDING METHOD

The problem of how to establish a good grassland crop may

now be close to a solution due to experiments conducted during the past year.

The farmer has long been troubled by the puzzler of how to give grass seeds a good footing in the soil. In most cases, he still relies upon the old "broadcast" method a system prevalent during Biblical times. Now, a new type of "precision planting" is showing excellent results.

Precision planting calls for drilling of grass and clover seed at a depth of one-fourth inch. One inch below these seeds has been planted a band of fertilizer. Soil is then packed over the seed.

The advantage of fertilizer placement in a band below the grass seed became evident soon after the plantings were made in September of last year. Although seedlings in all test plots were up within a few days, those in which the fertilizer had been "banded" one inch below the seed, developed most rapidly. Weeds also were less prominent in the "banded" plots than they were when the fertilizer was broadcast.

Plants in banded drill rows eight inches apart grew rapidly and made growth enough to survive the winter. But plots where the plants were between fertilizer rows developed slowly and many were killed during the winter.

Further tests showed that if a high rate of fertilizer, 750 pounds per acre of 3-12-6, were placed in contact with the grass and

clover seed at planting time, then the stands of clover was suppressed. Growth was also slow if the bands of fertilizer were 1 inch below and 1 inch to the side of the seed. Therefore, the method of placing fertilizer one inch directly below the seed proved superior to all other tests.

There was apparently very little advantage in broadcasting the seed and banding the fertilizer. However, drilling the seed showed considerable advantage even when the fertilizer was broadcast.

Examination of the weed content in harvested forage showed that where both seed and fertilizer were drilled, practically no weeds were in evidence. But where seed or fertilizer were broadcast, weeds were a real problem, especially at low rates of seeding and fertilization.

A Clean Building Seldom Burns; Trash Accumulations Are Hazards

COLLEGE STATION, Sept 30—Firemen have a saying that "a clean building seldom burns". This means that the majority of fires start in trashpiles, rubbish or stored odds and ends accumulated around the house. Closets, attics and cellars are the main source of home fires and plain ordinary good house-keeping is the first line of defense against such fires.

Mrs. Bernice Claytor, home management specialist for the Texas Extension Service, says Fire Prevention Week, October 4-10, is a good time to check your closet, attic and basement for cast-off articles that would burn easily. They could be curtains, draperies, tablecloths, bedclothes, lamp shades, coats, suits, dresses, wicker and wooden furniture, rags and linoleum.

Although the specialist recommends daily housecleaning to a certain extent, the fall season, with emphasis on fire prevention should encourage every family to take special safety precautions. Clean out storage places. You may be surprised how many burnable objects you will be able to remove that are useless to you. If local welfare agencies can't use the garments and objects, get rid of them some other way. If you burn rubbish, be sure to use metal containers or some other safe means.

Check your wiring system. Many electrically-caused fires happen in homes every day, most of them simply because of carelessness. Frequently, families will overload circuits by plugging in too many appliances to a single outlet. Worn out cords, wires strung all over the house, under rugs or staples to baseboard and door frames, are all fire hazards. Take a look at your electrical system. Buy new plugs and cords if yours are worn. It is wise to get advice from an electrician if your fuses blow frequently. His advice may prevent a bad fire if the system is dangerously overloaded.

CAMPUS COORDINATES

Cotton tweed wins top honors on the campus this fall in separates and sports ensembles. This fashionable coed wears a cotton tweed skirt with matching sweater designed by Sorbin of Miami. The cotton tweed is in a gay, tri-color stripe with navy predominating.

Look over your heating system. Every winter costly fires are started by faulty stoves, furnaces, and other heating devices. Some result from too much soot in chimneys. Others are caused by rusted or cracked pipes and fittings. If your chimney needs it, clean it out. If the pipes and connections are cracked and rusted, replace them.

Train your family not to put magazines, papers, or clothing on radiators or near open fire places or stoves. Keep paper shades away from contact with light bulbs. Remember, such things don't have to touch flame.

To Prevent Fires Is Job For 52 Weeks Of The Year

The week of October 4-10 has been proclaimed by President Eisenhower as Fire Prevention Week in the United States. In his official proclamation he urges all citizens to initiate a year-round campaign in their homes and communities against the needless waste of life and property caused by destructive fires.

E. C. Martin, state agricultural leader for the Texas Extension Service, points out that farm fires last year caused a loss of about \$133,000,000 worth of farm property and 3,000 farm people died as the result of fires. Moreover, he adds, approximately 95 per cent of these fires were the result of carelessness and neglect. This, says Martin, is a staggering price to pay for something which could be prevented.

Eight primary hazards account for a vast majority of farm fires and Martin lists them as carelessness with matches and smoking; dirty and defective heating equipment; the improper storage and use of gasoline and kerosene; overloaded electrical circuits and operating or attempting to operate improperly installed and defective electrical equipment; sparks on flammable roofs; spontaneous combustion of hay; failure to keep trash and rubbish cleaned up and the lack of or improper installation of lightning.

Martin suggests making a careful check of the home and other buildings on the farm for accident and fire hazards and if any are found, he recommends prompt removal or correction. This is a case, he adds, where an ounce of prevention is worth much more than a pound of cure.

Because farms are usually far from organized fire protection, each family should make fire prevention a number one family project. But for safety sake, he says, fire extinguishers, ladders, hose and plenty of water, under pressure if possible, should always be available around farm buildings. And last, but not least, he urges rural communities to organize for fire fighting.

BUCK CREAMER JOINS CITY POLICE FORCE

Buck Creamer, former deputy sheriff and city officer, has been employed as an additional policeman by the city council.

Creamer has been in other work for the last several months. Elmo Owen continues as city police officer.

to burn, they will catch fire simply because they are too close to the heat for too long.

Learn about methods of making materials fire resistant. You can't make materials completely fireproof, but you can make many of them fire-resistant by treating or coating with certain chemicals. Some fabrics like drapery and furniture covering are treated at one factory.

One fire resistant solution you can use for rayons and cotton is cheap and easy to use. Just

dissolve 9 ounces of borax and 4 ounces of boric acid in a gallon of water. Dip your curtains, draperies and slipcovers in the solution each time the fabrics are washed. Remember, the chemicals just make it a little harder for the fabrics to burn.

Even so called fire proof buildings aren't really fire-proof. Some are fire-resistant, which means that the structures themselves will resist fire. But their contents will burn. If the rugs, furniture and

draperies in your home or place of business go up in flames, the building will be weakened no matter how strongly it is built.

One last reminder from the specialist. Never use gasoline,

benzine, naphtha and similar fluids indoors. When mixed with air, their vapors can be ignited by the spark of a light switch or

an electric fan, or the tiny flame of a pilot light. Keep such fluids in tightly closed metal containers outside your home.

From where I sit... by Joe Marsh

Cream Whips Main Street Traffic

Big traffic jam in front of the office last week. Thought everybody in the county was coming in to buy *The Clarion*, but they weren't.

Seems a 5-gallon can fell off Whitey Fisher's truck, spilling cream all over the street. Our cop on duty, Tiny Fields, halted traffic so Whitey could pick up the can. Tiny was about to wave the cars on when a kitten ran out and started lapping up the cream.

Well, traffic piled up, but Tiny paid no heed. Light changed

green three times. After the kitten had enough, Tiny waved the traffic through.

From where I sit, this was just a "Tiny" demonstration of the way people in our town are. They're usually pretty considerate and tolerant. If one of our neighbors prefers a good glass of beer to his friend's coffee at dinner time, it's just each to his own taste and everything's "smooth as cream" between them.

Joe Marsh

New Conoco Super Gasoline

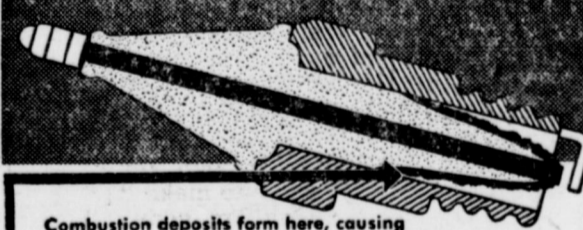

Boost your car's power
as much as 15% with

with **TCP***

The Greatest Gasoline Development in 31 Years

Restores "new car" power!
Increases spark-plug life up to 150%!
Gives you extra gas mileage, too!

CROSS SECTION OF TYPICAL SPARK PLUG

Combustion deposits form here, causing mis-firing and loss of power. TCP neutralizes these deposits, giving top power and performance.

Today it is possible to put new power in your car—just by driving into a Conoco station and filling up with new Conoco Super Gasoline.

For Conoco Super with TCP is a new kind of motor fuel—truly the greatest advance in gasoline since the introduction of tetraethyl lead in 1922. New Conoco Super can actually increase the power of the average car as much as 15%. That's because TCP overcomes the greatest cause of power loss affecting most cars on the road today. Conoco Super with TCP is brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive originally developed for aviation fuel.

Combustion deposits drastically reduce power

When you drive your car, deposits constantly build up on spark plugs and in the combustion chambers. These deposits can "cheat" you of power in two ways. First, they short-circuit spark plugs—causing them to mis-fire. Second, deposits in the combustion chambers cause fuel to ignite before it should. This is called pre-ignition or "wild ping." The combined effect of mis-firing and pre-ignition is loss of power and wasted gas.

*Patent applied for by Shell Oil Company

How Conoco Super Gasoline with TCP works

Now Conoco Super with TCP—a cresyl compound—dramatically overcomes loss of power and fuel caused by combustion deposits. TCP actually neutralizes harmful deposits on spark plugs and in combustion chambers. With new Conoco Super your plugs spark as they should. Your fuel ignites as it should. You get and keep "new car" performance.

TCP helps your car—whether new or old

Whether your car is old or new, you can enjoy the benefits of TCP. If you have a new car, with a high-compression engine, it will keep on delivering its built-in power as long as you use Conoco Super

Gasoline. If your car is an older one, Conoco Super will restore much of the power you have lost.

Conoco Super with TCP is at your Conoco dealer's today. Don't wait another day to start using this new kind of gasoline—the greatest development in 31 years!

See what Conoco Super with TCP can do for your car—

Start the "TWO-TANK TEST" today!

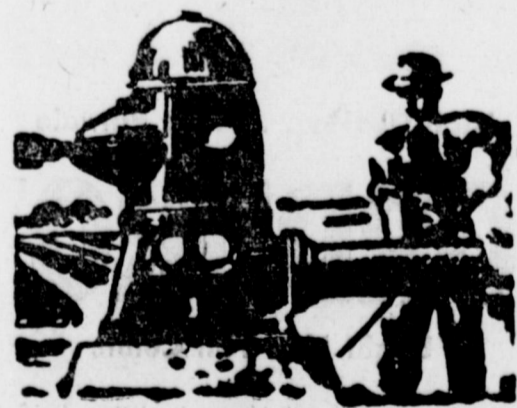

1. When your gasoline tank is one-quarter full or less, fill it with Conoco Super with TCP. Now, there will still be some ordinary gasoline mixed in with your Conoco Super, so...

2. Make sure your next tankful is Conoco Super, too. So rapidly does Conoco Super work that with this second tankful, chances are you'll feel as if your engine has had a tune-up. You'll feel a boost in power. Try it today. We're sure you'll stay with Conoco Super.

PROMPT PUMP REPAIR

What can you gain by waiting? If you have gearhead trouble, or a faulty pump, it won't get better until someone fixes it. You'll have to fix it before you can pump, so why not call Kenny right now. If you've taken work to Kenny before, you know he gets it done right. Ratio changes and gearhead repair are done right in Kenny's well equipped, well staffed, shop. Call Kenny for pump repair too.

BABSON DISCUSSES—

Our Grandchildren

Babson Park, Mass., Oct. 1 — Many articles have been written about the continuing rapid increase of U. S. population, which is now over 160,000,000. They all read in a bullish vein and are presented as a cause for great future prosperity. This week, however, I will present another side to this story, namely, what the expected future increase may mean to your children and grandchildren.

REASONS FOR THE EXPECTED INCREASE

The first reason is that there now are more births. The second reason is that there now are fewer deaths proportionately. Deaths among babies are much fewer, while almost everyone is living longer, due to better food, shorter hours, saner habits, and improved medical care. Also the following statistics given me by the Editor of Mass Transportation are suggestive.

Since 1940, which was only 13 years ago, a new "public" has come into being. Fourteen million old customers have died. More than 17 million marriages have taken place. More than 30 million babies have been born. More than one-third of all present families in the U. S. have been formed. Of the more than 150 million people in the U. S. today, 63 per cent do not remember World War I. Until this year, 52 per cent did not remember a Republican Administration in the White House.

DON'T BE FOOLED BY FIGURES

All the above now results in one baby being born every eight seconds and someone dying every twenty-one seconds. In addition, one immigrant enters the U. S. every two minutes and one emigrant leaves every seventeen minutes. I have no figures on the probable increase in the number of families; but this will be very much less.

These facts would appear to require more schools, more roads, more houses, and even more telephones, automobiles, refrigerators, television sets, etc., etc. I hope this will be true; but not necessarily. Present school houses could take care of the present population by being operated on two shifts. Our roads

may now be overbuilt. The number of houses needed depends upon families, not persons. In the house in which I was born at 58 Middle Street, Gloucester, Massachusetts, one of my ancestors had 21 children.

HIGHER TAXES POSSIBLE SOME DAY

The population increase which comes from living longer presents a problem for our children. When parents or grandparents receive Old-Age Assistance, or Pensions, or even Social Security, the money does not come "from the blue sky." All such benefits must be paid for by the younger people in the form of taxes or a high price for the goods they buy. Taxes should decline somewhat next year, but the decline will not be permanent.

Even the Welfare Funds which organized labor is now demanding will increase price unless the workers increase their production accordingly. "Security" must always be paid for by someone. Otherwise, it is like depending upon aspirin to cure disease. These Funds will not remedy the real trouble.

CONSERVATION AND CHARACTER

To have this large increase in population with a high standard of living, we must conserve our natural resources. This means avoiding waste of everything, from oil to trees. Our woodlands and soils must especially be protected, yet, and even the fish of the oceans. It is utterly foolish to talk about "great future prosperity due to increased population" unless we train our children to be less wasteful.

Another thought. We have only to travel in Asia and Africa to know that population alone does not make prosperity. In fact, a large population may make for poverty. For our grandchildren to enjoy prosperity, much more attention must be devoted to spiritual training, the development of good habits, and the arousing within the souls of all people a desire to work and produce. Hence, the great importance of churches.

Today's Meditation

Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord. Ephesians 5:19.) Read Philip- pians 1:27-30.

It was a summer day in 1946, after the tragic division of Korea took place. From North Korea a train had stopped at the first station in South Korea and unloaded a crowd of people. The refugees soon found themselves in a warehouse as a place for overnight shelter. It was dusk and there was a dead silence. Their hearts were torn with sadness and with fear.

Suddenly someone from a dark corner started to sing a familiar hymn. A score of people responded and gradually the number increased. To identify oneself as a Christian was very risky in those days. But now their hearts were united in courage because they knew that all the singers belonged to one great family of faith, and they were free to give expression to their faith.

Faith is strengthened in the hearts of us believers when together we face hardships and trials. There is no stronger fellowship than the fellowship of those who share the same faith and mutual loyalty to their Master, Jesus Christ.

PRAYER

O merciful Father, help us to acknowledge that we are Thy children in spite of our failures. Make us to forget all the trifling differences and to be united in one great purpose — the evangelization of the world. For Jesus' sake. Amen.

THOUGHT FOR THE DAY

True faith produces unity.
—Harold S. Hong (Korea)

Here At Home

Written especially for The Journal

By J. M. Forbes

Despite drought and other unfavorable factors, observers are predicting the biggest cotton crop in 1953 that was ever grown in the country. Bailey farms will produce 94,000 bales, according to one estimate, made by V. O. Jennings, of Lubbock, veteran cotton observer.

Did You Know Dept.

The bustling city of Houston will stage a world's fair and has already acquired 900 acres for it adjoining the San Jacinto battleground property. At least that's what my brother told me when I visited him in the Bayou City a couple of weeks back, and the whole town, even to boys and girls are looking about for sites suitable for concessions, for housing units, etc., and scouting for concessions on the grounds. In Chicago, a small Fair concession, I think selling popcorn or something, had total sales of \$350,000. Or so my brother says, and nobody ever accused him or me, for that matter, of exaggerating. That is, nobody except the ones who knew us. Oh, yes, the fair will be in 1956. I hear.

International-Harvester's "Fast Hitch", is indeed fast, and it amazes me that no one invented it before. You merely leave the tool (cultivator, planter, mower, plow) on a level parking lot and back the tractor into it. It fits, the hook up is made quick as the flick of an eyelid, or a minute and a half for an awkward tractor man, and to get rid of the tool and use another a release mechanism is activated like clicking a light switch. To this writer it's one of the greatest innovations yet by implement manufacturers, perhaps the greatest since they put seats on plows.

There are two crop dusting services now making Muleshoe their headquarters — Myers Service at Muleshoe implement, Zigler System at Jones Farm Store. They have had some work dusting insecticides, and expect to get real busy soon on defoliation work. R. F. Barnett, of Zigler's said conditions appear to be good this year for defoliation, and he thinks the farmer will get his money's worth, barring an early frost.

WERE IN SILVERTON

Mr. and Mrs. John Williams, Mr. and Mrs. C. H. Odum, and Mr. and Mrs. C. E. Blanscet and children were in Silvertown over the weekend. Mr. and Mrs. Williams had started on a trip, when they got as far as Silvertown and a rear axle broke on their automobile. Mr. and Mrs. Odum, and Mr. and Mrs. Blanscet went down to help them home.

ARE GUESTS THIS WEEK

Guests this week in the home of Mr. and Mrs. E. O. Baker were some very good friends, Mr. and Mrs. J. R. Wright of Vernon. Mr. Wright is manager of the J. C. Penny store in Vernon.

SAND HILLS PHILOSOPHER— Finds The U. S. Treasury And His Supply Of Winter Hay About In The Same Shape

Editor's note: The Sand Hills Philosopher on his Johnson grass farm must think money is hay, his letter this week reveals.

Dear editor: I was wanderin around over my pasture out here yesterday afternoon absorb in the October sunshine and sizin up my cows and wonderin how cold it'll get this winter and whether they can all make it through alive when I noticed a copy of a newspaper had blown against a corner post and since my corner posts ain't the strongest in the world I figured I'd better take the paper off to cut down on the wind resistance. I haven't got time to be repairin blown-over corner posts when there's even more work needed to be done on the posts in between, not to mention the wire, and since I had the paper in my hand when I pulled it off I took it home and picked out a comfortable spot on the south side of the barn and stretched out and looked it over.

What interested me right off was an article sayin the Secretary of the U. S. Treasury, George Humphrey, has checked up on the money on hand in Washington and has informed President Eisenhower that the government probably can scrape through the fall and winter without callin Congress back into session to raise some more. He figures the government can cut a few corners and scratch around and meet its bills until January at least, when Congress is due back anyway.

I know exactly how it is, and I'm pleased to learn that me and the Secretary of the Treasury have some problems in common. I have been checkin up on my supply of Johnson grass hay and I've figured if I cut some corners and scratch around enough, my cows ought to be able to make it to January too, and I'm gonna take this position that if the United States Treasury can do it, my cows ought to too. In fact, my cows are just gonna have to buckle down, recognize that's all the hay there is, and get by on it. This idea of pourin more and more hay to the cows and more and more money to the people can't go on forever. We got to call a halt somewhere and I'm proud that me and the Secretary of the Treasury see eye to eye on it.

Of course, the people have a little advantage over my cows. My cows don't have Congress comin back into session in January to take the pressure off, they've got to make it all the way to spring grass along in April. My cows just don't have any machinery for callin me back into session in January. It's up to them to size up the hay in the barn and recognize that's all that's standin between them and the first blade of green grass six months from now. I don't know that they'll be better cows physically for the experience, but if they make it they'll have the satisfaction of comin through with stronger characters. I've heard President Eisenhower himself say we need to strengthen the moral fiber of this nation. Personally, I find a great satisfaction in knowin that the United States Treasury and my hay barn are in about the same shape.

Yours faithfully,
J. A.

Texans Asked To Eat More Beef

ABILENE, Sept. 30 — Texans, who take great pride in boasting of their state as the world's biggest cattle range, are being asked to eat more beef this fall. With an already low-price picture to stare at, cattlemen have

been told by their own industry representatives and by government authorities to expect a heavier-than-normal marketing of grass-fed cattle during the period September 15 to October 31.

The Texas and Southwestern Cattle Raisers Association called on the West Texas Chamber of Commerce, to "do something", and a statewide campaign is now underway to encourage

greater per-Texan consumption of beef during this period.

The program was planned in July by the WTCC's agriculture and livestock committee with the assistance of restaurant, hotel, grocery and bankers associations as well as railroads and meat packers, state press and advertising associations, and from the U. S. Department of Agriculture, the National Livestock Board and the American Meat Institute.

"It's a cooperative venture of Texas business to help a Texas industry to help itself", says R. M. Fieder of Abilene, chairman of the regional chamber's agriculture and livestock committee. Emphasis is being placed on appealing to the Texas housewife to use more of the lower-cost cuts of beef in preparing her meals.

Longview News

* Attendance was good at the Longview Baptist Church Sunday morning and for the evening service also. Brother Gage from Circleback brought the message. He and his wife and son spent the day in the I. L. Kitchens home.

* Several from this community attended the annual association meeting at Littlefield. Many interesting facts and figures were given and new officers were elected for the coming year.

* On Wednesday night, September 30, at the regular prayer meeting everyone is requested to bring a toy to be sent to the Indians to make their Christmas a little brighter.

* A group of the W. M. U. ladies plan to attend the W. M. U. meeting at Muleshoe September 20. There will be some especially interesting discussions and everyone is asked to attend. The meeting starts at 9:45.

SUDAN BOYS TO FFA NATIONAL MEETING

Two Sudan boys, Billy Kamp and Calvin Wiseman, are among the Texas delegates to the National FFA Convention in Kansas City, Oct. 12 to 15, a meeting which will be addressed by President Eisenhower.

About 500 Texas boys will attend the meeting. Thirty-six of these have received the highest FFA award, Successful American Farmer.

LARGE LOSS

FIRES

ON THE MARCH

1952 was a disastrous year for large fire losses. During the year there were 275 fires in the U. S. and Canada with individual losses of \$250,000 or more producing an aggregate loss of \$182,243,000.

The 302 large loss fires in 1951 were the largest number to occur in any year.

Just as many large structural fires occurred in towns of less than 20,000 population as in the larger cities.

BUT —

the great loss of life and property comes from the "little" fires — some of which never appear in our newspapers — that break out relentlessly every hour of the day and night.

600,000 FIRES

There are about 600,000 building fires every year in the U. S. Here is where most of them occur (according to the latest figures).

Dwellings	336,000
Apartments	44,600
Stores & Shops	28,500
Manufacturing Plants	36,500
Garages & Filling Sta.	25,500
Hotels & Rooming Houses	24,200
Restaurants & Taverns	16,000
Theatres & Amusement	
Halls	4,600
Churches	3,000
Schools & Colleges	3,400
Hospitals & Institutions	1,400

Furniture Folks Meet In Lubbock

Furniture store owners and sales people from the South Plains area will assemble at the Chamber of Commerce, Lubbock, 7:30 p. m., Wednesday, October 7, to hear Howard J. Wischaupt, America's Popular Business Lecturer, who has taught essentials of selling to 76,000 students. The Lubbock meeting is one in a series of 19 gatherings to be held throughout Texas in October and November.

W. D. Whalen, McAllen, Texas, president of the Retail Furniture Association of Texas, sponsors of this sales clinic, expects attendance of 75 from the Lubbock area.

Harold Griffith, Director of the Texas Association, is in charge of arrangements and will preside.

BOSTITCH STAPLERS and Staples always on tap at The Journal.

ROUND-THE-CALENDAR

This sophisticated cotton tweed dress goes successfully around the calendar, but it's especially good for early fall days. National Cotton Council fashionists report. Designed by Kenneth Tischler in cotton tweed with a raised stripe, the dress has a slim skirt and a bodice with high pockets and a surprise closing.

CHRISTIAN SCIENCE SERVICES

"Unreality" is the subject of this week's Christian Science Lesson-Sermon. The point will be stressed that Christ Jesus illustrated the unreality of evil every time he destroyed sin, disease and death, leaving with those he healed a glimpse of reality, a taste of God-given health, holiness and harmony.

The Golden Text is from I Timothy (6:17): "Charge them that are rich in this world, that they be not high-minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy."

The necessity for making a choice between the worship of God instead of matter is pointed out in the book of Matthew (6:24): "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon." Mary Baker Eddy refers to this subject in this selection from the Christian Science textbook: "You are bringing out your own ideal. This ideal is either temporal or eternal. Either Spirit or matter is your model. If you try to have two models, then you practically have none. Like a pendulum in a clock, you will be thrown back and forth, striking the ribs of matter and swinging between the real and the unreal" (Science and Health with Key to the Scriptures, p. 360).

TIRE & APPLIANCE
MULESHOE, TEXAS

"My family comes first with me and I welcome every moment I can devote to my son and husband. My electric ironer gives me extra precious time with them."

San Steven seems absorbed in the operation of Mrs. Cheaney's automatic electric ironer. It's the electric age and Steven, like all children, is fascinated by smooth operation of modern electric appliances.

SYMBOL OF QUALITY

... says Mrs. Pete Cheaney, 5320 19th St., LUBBOCK, TEXAS

Modern mothers agree that time for hubby and children is necessary to a happy married life. They also agree that automatic electric appliances cut houseworking time... give them the extra moments needed. Your Reddy Kilowatt Electric Appliance Dealer can show you how and why... visit him soon.
