

'Visit Your Schools' Slogan For Next Week Vegetable Growers To Meet In Muleshoe Thursday, March 4

MULESHOE SCHOOL DISTRICT takes pride in its new high school building. It is a symbol of all the effort that has been put forth for the education of the young. Next week has been designated as "Public School Week" when everybody is invited and even urged to visit the schools and learn at first hand about the institution in which they have such a large stake. Programs during the week are designed to inform everyone of the objectives of the schools, and it is hoped that adults will take the time to go to the schools and show their interest in this most important institution.

Rev. A. C. Graham New Pastor Of Calvary Baptist

Rev. A. C. Graham is the new pastor of the Calvary Baptist Church, located on Main street at Avenue G in Muleshoe. He conducted his first service for the church last Sunday morning. He has been living in Lubbock, and will move his family here soon after the end of the present school term. He and Mrs. Graham have one son, who is graduating this year from Lubbock high school. Services are held at the church at 10 a. m., and 7:30 p. m., on Sundays. Also, there is a prayer service at 8:00 p. m., Wednesday evening and the ladies Bible study is at 2:30 Tuesday afternoon of each week. The Sunday school has classes for all ages from nursery through adult ages.

Bus Overtakes, School Kids Not Seriously Hurt

Twelve children and the driver of a Lazbuddie school bus escaped serious injury when the bus overturned Tuesday morning after a collision with an automobile driven by a Latin-American. But several of the children were slightly injured. The Bradshaw boy had a scalp wound which required 21 stitches to close. Ronnie Gustin had one of his front teeth knocked out and another student whose name was not available also lost a tooth. Rev. Morris, Methodist minister at Lazbuddie, was the driver of the bus. The collision occurred at the Frank Wagner corner, Sheriff Lovelace of Farwell and State Highway Patrol officers investigated.

Election Officials For Seven Voting Places In Bailey County Are Listed

Election officials to serve in the various voting events this year have been appointed by the Commissioners Court for the seven precincts of Bailey County. They made the appointments at their regular session held Feb. 8. Name and number of election boxes and officials appointed are: Prec. 1, Muleshoe: George Johnson, presiding judge; Raymond Precure, judge. Prec. 2, West Camp: Everett Roark, presiding judge; Billy Jo Garrett, judge. Prec. 3, Mays: Bert Seales, presiding judge; J. U. Dawson, judge. Prec. 4, Three Way: George Tyson, presiding judge; L. E. Warren, judge. Prec. 5, Baileyboro: Howard Ashley, presiding judge; Mrs. Adele Tompkins, judge.

Canadian Dam Film Shown To Gathering Here

A film, entitled "Panorama of the Plains" and produced by the Canadian River Water Authority, was shown here Tuesday under auspices of the Muleshoe Rotary Club. A large crowd of local people attended the program, held in the American Legion Home with Joe Duke serving the lunch. A. A. Meredith, of Borger, secretary and treasurer of the Authority, showed the film and narrated the story. He was introduced by Jesse Osborn, of Muleshoe, member of the Texas Legislature, who was given credit for piloting through the Legislature the bill creating the Authority. The film covered not only the site and surrounding facts of the dam itself but covered a wide section of the Plains and much of the film depicted Muleshoe agriculture scenes.

Mr. Meredith said the Canadian River Authority hopes to conserve for use of Plains cities as much of the water that flows down the stream as is possible under the compact with Oklahoma. Waters of the stream are to be divided between the states. Recently, he said, representatives of the leading investment banking firms of the nation met in Plainview to study the plans; Congress, he believes, would appropriate the money, but the method of financing is yet to be ironed out. Already engineering work costing \$372,000 has been done, by the Army Corps of Engineers and the U. S. Reclamation Bureau. So, most of the preliminary work is out of the way. The engineers are to come back March 8 with their "feasibility" report, after which action toward actual starting of the project. He estimated about 18 months would be required to complete the job once it is begun. A question and answer period followed the film showing. It was brought out that the Authority has no power to lease land for underground water or to develop wells; that there is no provision for producing electricity at the dam; and that there is provision whereby other cities may come into the system later if they so desire.

COME TO SCHOOL

Written By Dorothy Lowery High School Journalism Class

This is the one hundredth year of acknowledging the Texas schools. Our Texas school system was founded in 1854. Think of the changes that have been made. Do any of you parents remember the one room school house with an old wood stove sitting in the corner? I'm sure you do. Some of you probably recall walking to school in all kinds of weather. You didn't term the distance from home to school by blocks, but by miles. You didn't have a modern lunch room where hot meals were served to you. You carried a little tin bucket or lunch box. The desks, the lighting, the subjects taught, and the whole school system, in general, has changed. Won't you parents pay tribute to your community and to the founders of our school system by visiting Muleshoe High School during the first week of March. The teachers and civic clubs have worked together to give you an interesting program. You are cordially invited to visit school any time during March 1 through the 5. A final entertainment program is planned for Friday night, following school week, at 8:00 in the High School Auditorium. All school grades are taking part in this program. This is not an educational program. It is purely entertainment.

Public School Week, designated by proclamation of Governor Shivers, will be celebrated throughout the State of Texas during this week. The Muleshoe school administration and a group of citizens in Muleshoe appointed to a committee have been working on plans to bring our public schools closer to home. Headed by Buford Butts and Superintendent Jerry Kirk, the program has been outlined as follows: Everybody Is Invited To Attend The Class of Their Choice And Visit The Public Schools During The Week of March 1-6. Both elementary grades and high school are conducting an open house and at the registration desks would like to enjoy a record registration of visitors.

Kindergarten To Hold Open House

Storyland Kindergarten will observe Public School Week with open house next Friday, March 5, from 9 to 11:45, according to announcement of Mrs. Mable Bristow, who conducts the school. She invites parents and friends to visit the school during the hours named. Mrs. Bristow has added some equipment; she wants the people to view the school and playground, and play equipment. The Kindergarten is located at 1305 West 5th Street.

Work On Little League Diamond Progresses

Officials of the little league met on Tuesday evening and discussed the progress of the ball diamond now being constructed in the city park. It was reported that with the exception of the dug-outs the diamond would be completed at the end of this week. The dug-outs should be done by the end of next week. Officials of the Little League urge everyone with a few moments of time to drive by the park and look over the work that has been done. The field itself will be enclosed with a regulation, four foot fence and will be seeded with additional clover and Bermuda grass. This afternoon, Thursday, February 24, all the ladies of Muleshoe, via their service clubs, will be invited to attend a meeting with the Little League officials at Fellowship Hall of the Methodist Church at 7:30 p. m. This meeting will also be open to anyone interested in the development of a recreation program for the children in Muleshoe.

Lazbuddie PTA To Meet Monday

A special program concerning Public School Week will be featured at the regular meeting of the Lazbuddie P. T. A. Monday, March 1, at 7:30 in the School Auditorium. Parents and teachers are cordially invited to attend. Other events for Public School Week will be announced at the meeting. All parents are especially urged to visit school one or more days during the week. Due to delay in receiving lockers it is now doubtful if it will be possible to have the formal dedication of the new addition during Public School Week as previously planned. The class rooms are finished and it is believed they can be occupied by the first of next week.

John Hutchinson, Extension Horticulturist for the A. & M. College of Texas, will be at the courthouse in Muleshoe, Thursday, March 4, at 2 p. m., for the purpose of assisting commercial vegetable growers and discussing various aspects of the 1954 vegetable program. The Muleshoe area has the best chance of success in vegetable growing business of all the High Plains area. Our bountiful water and excellent till of soil assures us of a good chance to succeed. J. K. Adams, county agent, invites all farmers now engaged in vegetable production and those who have a desire to give vegetables a try to get in touch with him before March 3 so that plans can be worked out for a successful educational meeting on vegetable production in Bailey County. Mr. Hutchinson visited the Jackson tomato field six miles northwest of Muleshoe, last summer and quickly discovered damage being done by the Beet Leaf Hopper that carries the curly top wilt virus. He recommended proper control and Mr. Jackson followed his advice. Mr. Jackson attributes much of the success he enjoyed with tomatoes to Mr. Hutchinson's timely advice. Since vegetable growing is comparatively new in this area, we should try to plan our schedule so that we can meet with Mr. Hutchinson and profit from his knowledge and experience in this new field of endeavor.

Union Life Men To Convention In Little Rock

Union Life Insurance Company representatives M. F. Blackman, Muleshoe, and Klyde Krebs, Baileyboro, have qualified to attend Union Life's 1954 Convention for outstanding agents and their wives, which opens Sunday, February 28 in Little Rock, Ark. Both Mr. Blackman and Mr. Krebs met special qualifications which entitles them to bring their wives to the Convention. Mrs. Blackman will appear on a panel discussion, "A Word to The Wives." Highlights of the Convention include an address by C. Hamilton Moses, Chairman of the Board, Arkansas Power and Light Company, Little Rock, and the crowning of Miss Union Life of 1954. The Convention program will include panel discussions on prospecting, closing and conservation, and addresses by outstanding Union Life personnel. Tuesday, March 2, the Convention delegates and Union Life's home office staff will go to Hot Springs, the resort center of Arkansas for a luncheon and an afternoon at Oaklawn Park.

Red Cross Goal For County \$2225

March is known as Red Cross month and during this month each year the Red Cross have their annual fund drive. John Johnson, Fund Chairman, announces that the goal for this year is \$2225.00 and the annual drive will start Monday morning, March 1. To get all the workers together and get off to a good start a Kick-Off Breakfast will be served at Gerald's Cafe at 7 o'clock Monday morning. Each worker is urged to attend the breakfast.

TO VERNON

Mr. and Mrs. Sherman Sweatman and daughter, Mrs. Laura Pessley, were in Vernon this week.

Dr. Cole To Be Banquet Speaker

Dr. Martin L. Cole, academic dean of Eastern New Mexico University will be the principal speaker at the annual banquet of the Muleshoe Chamber of Commerce, the committee on arrangements announced this week. The banquet will be in the high school lunch room on the evening of April 8.

H. S. vs. Outsiders Basketball Games

The Muleshoe High School P. T. A. will sponsor two basketball games Friday night, Feb. 26, beginning at 7:30 p. m., between the High School boys and girls teams and teams made up of former high school students, and others outside the school who like to try their hand playing modern basket ball. Fun for all is assured. Proceeds go for the benefit of the P. T. A., to close out their financial project for the year.

The Weather

	High	Low
Feb. 15	77	45
Feb. 16	63	31
Feb. 17	57	29
Feb. 18	65	28
Feb. 19	73	35
Feb. 20	43	23
Feb. 21	62	27

Effects of the big dust storm of Friday, Feb. 19, were mitigated in Muleshoe by a slow rain which began right after the dust hit. Snow and rain cleared the air for most of the day and left .09 inch of moisture. Rainfall to date, .48 inch.

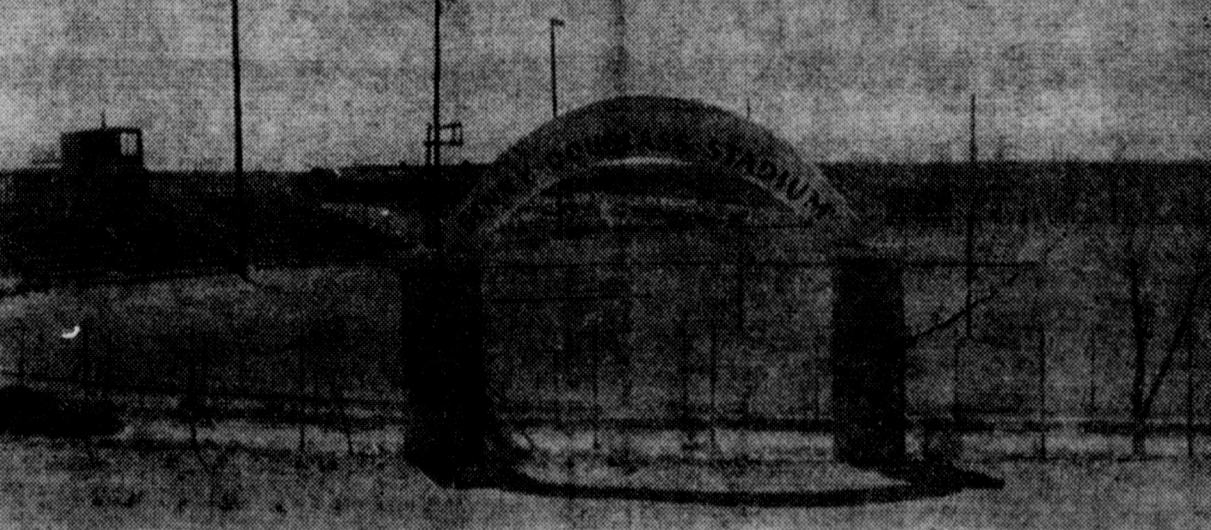

ON FISHING TRIP

Mr. and Mrs. Walter Ramm are in South Texas on a fishing trip.

Muleshoe Cagers Close Out Season With Wins Over The Littlefield Wildcats

Muleshoe's basketball season came to an exciting climax here last Thursday evening at the local gym, as both boys and girls teams won over their ancient rivals, the Littlefield Wildcats. In the boys game, which was broadcast over KICA, Clavis, N. M., the Mules won over the Wildcats to the tune of 63-59. Though the Littlefield team blamed their loss on Muleshoe's "smaller than regulation court", local fans felt that with the fast playing of the local team, they would have been hard to beat anywhere. Elders had a very good night, and was high man on the team with 19 points. Jimmy Holt racked up 19 points while Jimmiv Aljison had 13, and Gordon Wilson. Bill Willis and Eugene Shaw tied with 6 points each. Muleshoe led all the way, except for a short time in the first quarter. Davis, of Littlefield, had the Mules plenty worried for a while in the last quarter, when he made 5 points in a row. High man for the Wildents was Gardner, with 17 points, followed by Davis with 14. Muleshoe won with 12 and Mears with 11.

Quineil Elliott, June Freeman, Christine Mathiesen, Noretta Harrison, Pat Cooper, and Betty Collins. Redwine had two points, Elliott 4, and Mathiesen 2. In the girls game, one of the easiest wins of the season, the Mulettes came out on top with a score of 71-39. Forwards in this game for the first half were Donna Wright, Jean Montgomery, and Barbara Douglass, while Pat Wright, Alice Dawson, and Ginger Gaede were guards. At the half, with the local team leading by 15 points, and just getting warmed up good Coach Scott decided to let the team rest and let the B team see some action. Local fans felt that had he let the A team play to the completion of the game, the girls would have racked up some 100 points. Pat Wright saw some action as a forward and sank 8 points, while Jean Montgomery, high point player for the night, racked the fantastic total of 40 points. Barbara Douglass had 10 points, at the end of the game. Others seeing action were Masha Redwine, Doris Underdown

MULESHOE SCHOOL'S ATHLETIC STADIUM is an important adjunct to the physical plant of the district. It is situated in a natural amphitheatre and is being improved each year and in the future will be one of the most attractive in the area. Citizens all over the big Muleshoe district are urged to come and inspect their school plant, the stadium, the buildings, and to visit the class rooms and study the work of the schools at first hand during Public Schools Week March 1 to 7. Get your copy of the World Almanac now. They are on sale at The Muleshoe Journal.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings. Buy Dr. Caldwell's Money back if not satisfied. Mail order to Box 280, New York 18, N. Y.

Miss Charlie Ann Willman, Kenneth Hanks
Are Married In Candlelight Ceremony

MR. AND MRS. KENNETH HANKS

In a beautiful double ring ceremony at the Y. L. Church, Saturday, February 20, at 6:00 o'clock in the evening, Miss Charlie Ann Willman, daughter of Mr. and Mrs. Dick Willman of the Y. L. Community, became the bride of Mr. Kenneth Hanks, son of Mr. and Mrs. J. H. Hanks of Muleshoe.

Vows were exchanged before an archway entwined with leaves from Hawaii and white gladiolus, flanked on either side by tall baskets of gladiolus and stocks. Behind the altar was another arch, formed with white tapers and candelabra.

Officiating clergyman was the Rev. Carrol Jones, pastor of the Progress Methodist Church.

The bride, given in marriage by her father, was lovely in a gown of white lace over satin, featuring a full skirt, fitted bodice and long sleeves which tapered to points over the hands. The low neckline was outlined in pearls, and her floor length veil fell from a tier of pearls. Her bouquet was a white orchid surrounded by stephanotis, with white satin streamers.

Maid of honor was Kay Willman, sister of the bride. She wore a dress of blue lace over satin, and carried a bouquet of yellow feathered carnations.

Bridesmaids were Judy Hanks, sister of the groom; Mona Smith, Marietta Wilson, Charlene Farley, Betty Morgan, and Gwenelle Workman. Two of the bridesmaids wore dresses of white lace over pink satin, two wore white lace over blue satin, and the other two wore white lace over yellow satin. Each carried a bouquet of feathered carnations matching the color of their dress.

Sue Willman, sister of the bride; Kathy Moore, and Renee Howell, were flower girls. Their dresses were of blue lace over satin, and white net over satin.

Derrell G. Hanks was his brother's best man.

Ushers were Joe Pat Wagnon, Don Sanders, Donald Moore, and Lee Kimbrough. Joe Pat Wagnon and Don Sanders were also candlelighters.

Keith Gaede, soloist, sang "Because", and "I Love You Truly", accompanied at the piano by La Von Copley, who also furnished the traditional wedding marches.

After the ceremony, a recep-

tion was held in the home of the bride's parents.

Nelda Jo Barber registered guests in the brides book. The registering table was laid with a hand crocheted cloth, and decorated with the bouquet belonging to the maid of honor.

The beautiful four tiered wedding cake, topped with a miniature bride and groom, was served by Mrs. R. E. Buhrman from a table laid with a lovely cutwork cloth. Mrs. J. B. Davis of Littlefield, presided at the antique coffee service, while Mrs. Mildred Howell poured the punch.

Sixty guests signed the register.

Immediately following the reception, Mr. and Mrs. Hanks left on a honeymoon to Corpus Christi, New Orleans, La., and other southern points.

For going away the bride wore a beige suit trimmed in fur, with brown accessories and an orchid corsage taken from her bouquet.

The bride graduated from Muleshoe High School with the class of '51 and at the time of her marriage, was employed as a receptionist at the R. E. A. office in Muleshoe.

The groom was graduated from Lamesa High School, and for some time was employed with a Seismograph Crew. He is now engaged in farming in the Y. L. Community, where the young couple will make their home, on their return from their honeymoon.

Out of town guests attending the wedding included the following: Mr. and Mrs. C. A. Grau, grandparents of the bride, Grady, N. M.; Mr. and Mrs. Lloyd Grau and family, also of Grady; Miss Mary Rankin, Lubbock; Mr. and Mrs. L. G. Pitts, Lawton, Okla.; and Mr. and Mrs. J. B. Davis, Diane and Tommy of Littlefield.

SGT. WILTERDING HOME

Sgt. Jim A. Wilterding is home after receiving his honorable discharge from the Marine Corps. His service included a tour of duty in Korea.

TO EL PASO

Mrs. J. H. Hanks left Wednesday for a visit in El Paso with her mother and a sister.

ORDER FOR ELECTION THE STATE OF TEXAS) COUNTY OF BAILEY)

WHEREAS, there will be held an election on the 6th day of April, A. D., 1954, to elect a certain number of City Aldermen and a Mayor for the CITY OF MULESHOE, BAILEY COUNTY, TEXAS, and

WHEREAS, it is required of the Mayor of the City of Muleshoe, Bailey County, Texas, to order said election, and WHEREAS, the said election will be for the election of two (2) Aldermen and a Mayor.

NOW, THEREFORE, I, W. T. Bovell, Mayor of the CITY OF MULESHOE, BAILEY COUNTY, TEXAS, hereby order an election for the election of two (2) Aldermen, and a Mayor, to be held on the 6th day of April, A. D., 1954, at the City Hall in the City of Muleshoe, Bailey County, Texas; the two persons receiving the highest number of votes for Alderman shall be declared the duly elected City Aldermen, and the one person receiving the highest number of votes for Mayor shall be declared the duly elected Mayor.

IT IS FURTHER ORDERED by me that the City Secretary receive petitions for names to go on the ballot as candidates for the office of Aldermen, and all petitions must be in the office of the City Secretary at least five (5) full days before the date of the election.

IT IS FURTHER ORDERED that the said City Secretary transmit the names of all candidates duly petitioned to some person who shall print said ballots, and same shall be known as the OFFICIAL BALLOT FOR THE ELECTION OF CITY ALDERMEN.

IT IS FURTHER ORDERED that the said City Secretary receive petitions for the names to go on the ballot as candidates for the office of Mayor, and all petitions must be in the office of the City Secretary at least five (5) full days before the date of the election.

IT IS FURTHER ORDERED that the said City Secretary transmit the names of all candidates duly petitioned to some person who shall print said ballots, and same shall be known as the OFFICIAL BALLOT FOR THE ELECTION OF MAYOR.

IT IS FURTHER ORDERED that notice of this election shall be given by publication of the same in some newspaper within the city limits of the City of Muleshoe, Bailey County, Texas, for at least thirty (30) days, if there be one, and if none, then by

posting notice at least three days before the date of the election.

IT IS FURTHER ORDERED, that all persons residing within the city limits of the City of Muleshoe, for at least six (6) months prior to the election, and for one (1) year in the State of Texas, and otherwise qualified to vote under the Constitution and Laws of the State of Texas, are declared eligible voters in said election.

I FURTHER ORDER that J. E. Day be and he is hereby appointed presiding officer to hold said election, and he shall select two judges and two clerks to assist him in the holding of the said election, and he shall within the time prescribed by law make due return thereof of said election returns, and such returns shall be canvassed by the CITY COUNCIL of the CITY OF MULESHOE, within five (5) days thereof after said election.

Dated this the 24th day of February, A. D., 1954.

W. T. BOVELL, Mayor, City of Muleshoe, Bailey County, Texas

ATTEST: BILLIE BAYLESS, City Secretary. (OFFICIAL SEAL)

Mrs. McKinstry Attended Clinic

Mrs. Sam McKinstry attended the two day piano clinic in Clovis, N. M., Monday and Tuesday of this week.

This clinic was conducted by Dr. Leo Podolsky, concert pianist, educator, and editor, of Chicago, Ill., with such topics as fundamentals of piano, pedagogy with its progressive development, technique, interpretation, etc.

This clinic was sponsored by the Clovis Music Teachers Association.

Mrs. McKinstry attended the master classes for teachers each morning, and the luncheon in honor of Dr. Podolsky at the Silver Grill, where photographs were made of the group. Also, she attended all sessions of student auditions each afternoon.

Pupils of Mrs. McKinstry, who attended the auditions Monday afternoon were Tommy Welch and her mother, of Earth; Nan and Sherry Allison, Kay Lender, and Davy Jean Anderson. Alva Lee Shofner and her mother attended all sessions Tuesday afternoon.

The pupils who attended will be given a chance to tell what it meant to them as piano students, to hear Dr. Podolsky's comments and criticisms, when their piano club meets tonight, February 25, in the home of Mrs. Harold Allison.

BAILEY COUNTY LADIES TO RECREATION SCHOOL

Three Bailey County ladies are back at home after attending the Longhorn Recreation School conducted by the Texas Farm Bureau at Athens, Texas. They are Mrs. Marvin Skinner, Mrs. Roy Carney, and Mrs. Bill Millen.

The three are qualified to conduct recreational programs and to instruct adults in the subject. They report a very enjoyable week and feel they have learned much that will be valuable to them as doers in the future.

BACK HOME TODAY

Mr. and Mrs. Mervin Wilterding were to return home today after a visit in Oxnard, Calif., with their daughter, Mrs. Tom Seguire and family, and with other relatives.

Texas Almanac, on sale at The Journal. Phone 7220, we deliver.

Lazbuddie News

Odell Press visited Mae Mahan Sunday.
Theron Vaughn, Alex and Willie Steinbock attended the wrestling matches at Clovis Friday night.
Mr. and Mrs. Dan Winn, Jr., and children, Danny Mick and Alena Jean, were here Sunday to

see the new baby son, Michael Lee Oliver, born to Mr. and Mrs. F. L. Oliver Saturday, at 2:15 a. m., 9½ lbs.
Leland Gustin celebrated his fourteenth birthday Sunday by entertaining friends with a birthday dinner.
Walter Steinbock is adding a utility room to his residence.
John Dyck has been doing some extensive remodeling. A new bedroom, utility porch, hall and bathroom. A new type of heating system is also being installed in the walls.
The Eulan Parham family will soon move into a beautiful brick veneer home, 2 miles east of Lazbuddie.
Mr. and Mrs. J. W. Hunt and daughter, Donna Kay, and Mr. and Mrs. Raymond Junior Treider and daughter, Raygenia, visited in Tulsa, Okla., over the weekend.
Mr. and Mrs. Junior Matthews

and Mr. and Mrs. Rex Steinbock were in northwestern Colorado last weekend.
Mr. and Mrs. Carl Lane and daughter, Barbara, were here from Woodson, Texas, visiting their daughter and family, Mr. and Mrs. Rex Steinbock. They returned home Tuesday.
Mr. and Mrs. Hubert Elliott and children will also move in the near future.
The Willie Steinbock place received a complete paint job recently.
Mrs. Annie Vaughn has a new irrigation well on her farm.
The Frank Wagons have a new TV set.
Larry and Shelia Kay Vaughn, have had infected ears but are recovered now.

Mrs. Kube Feted On 76th Birthday

Mrs. Mary Kube was feted February 20, on her 76th birthday, with a turkey dinner, in the home of her daughter and son-in-law, Mr. and Mrs. Eddie Ramm.
All of Mrs. Kube's children, grandchildren, and great grandchildren were present for the occasion.
Since this was the first time in many years, the entire family had been together, the evening was spent in visiting.
Miss Linda Kube made a very pretty birthday cake for her grandmother.

MULESHOE COLORED school occupies this neat building, recently moved from the grade school campus. The school has two teachers, Mrs. Georgia Scott and Miss Christine Raven. The playground recently received some equipment, not shown in this picture. (Photo by Cline).
Those present were the honoree, Mrs. Kube, of Farwell; Randolph Kube, Farwell; Mr. and Mrs. Ben Kube and Clarence Farwell; Mr. and Mrs. Walter Kube, Copperas Cove; Mr. and Mrs. Albert Kube, Muleshoe; Mr. and Mrs. Ernest Ramm, Ernest and Alice, Muleshoe; Mr. and Mrs. Ernest Kube, Linda and Bobbie Kaye, Farwell; Mr. and Mrs. Ludwig Kube, LaVerne and Mary Kaye, Bartlesville, Okla.; Mr. and Mrs. Wilbert Zoch and Leon, Farwell; Mr. and Mrs. Fred Ramm, Gaye and Ronnie, Muleshoe; Miss Shirley Cook, Muleshoe; Mr. Albert Helms, Amarillo; Mr. and Mrs. Martin Kube and Wayne, Muleshoe; and Mr. and Mrs. Floyd Browning, Kathy and Curtis, Levelland.

The Muleshoe Home Demonstration Club met February 23, in the home of Mrs. W. R. Bowers, with seventeen members present.

The club voted to sponsor a "Candidate Speaking" sometime in the latter part of April, in the city park.

Mrs. J. E. Day was elected delegate to the District Meeting, which will be held at Post in May. Mrs. S. C. Caldwell was nominee for THDA Chairman to council.

Mrs. Landers discussed the Community Property Law, during the program, followed by a talk on "Titles", by Mrs. Gillis. Mrs. Benham spoke on "Insurance". The club members are asked to bring crochet thread and quilt scraps to the next meeting, which will be held at the home

Mrs. H. G. Griffiths won the hostess gift, which was an apron. Those attending were Meses C. E. Briscoe, W. R. Bowers, John Boydston, Don Bruns, R. B. Benham, E. H. Ball, Bessie Fletcher, C. H. Gillis, J. H. Hanks, Bonnie Landers, S. L. Robinson, W. W. Smith, D. V. St. Clair, Walter Witte, H. G. Griffiths, and S. C. Caldwell.

Mrs. Noel Woodley Gives Book Review

Approximately fifty were present for the book review sponsored by the Woman's Society of Christian Service Monday evening at the home of Mrs. Owen Jennings.

Mrs. Woodley gave the very in-

and Mr. and Mrs. Rex Steinbock guests of the W. S. C. S. for the evening.

Delicious refreshments of Cherry pie, coffee, and mints were served. Plate favors were small red, white, and blue hatchets, in the motif of Washington's birthday.

Student Council Discussed Party

The Student Council of Muleshoe High School discussed plans Monday morning for a gym warming party, to be held sometime in the near future. Billy Ellis and Wayne Bristow volunteered to see if and when the party could be held, and to make any other necessary arrangements.

Congratulatory cards will be sent to the Freshman basketball team and the "Hungry Trio", who performed in assembly last Thursday.

Letters are still coming in from other schools, concerning going to the State Convention. So far twenty-nine representatives from this District have made plans to go.

It was decided to have each of the teachers names put over their respective classroom doors, during Public School Week.

Piano Students Attend Audition

Darla Johnson and Francine Dunn, piano students of Mrs. Joe Walker, of Muleshoe, attended the audition held in Clovis, N. M., last week by Dr. Leo Podolsky.

Both girls were entered in the beginners group, since they have been taking piano for only six months.

Francine had two pieces, "Indians", and "The Maypole Dance", and also played the G Major Scale. Dr. Podolsky said she had made a very good beginning, and that her outstanding characteristic was that she was at ease at the piano.

Jerri Farrel was given a surprise going away party, Wednesday, February 17, at the home of Mrs. Joyce Alsop.

Members of the bridge club, and the Epsilon Chi were present.

After the group played bridge, Jerri was presented with a gift, from members of the Epsilon Chi Sorority.

Mrs. Alsop served frozen fruit salad and ice cream, cake squares, and coffee to the following: Bill Ed Jones, and Meses Ruby Gregory, Ellen Gupton, Mary Anna Bryant, Betty Glaze, Alta Mae Ellis, Helen Harvey, Elizabeth Woodley, Marlene St. Clair, Flo Brown, Marjorie Precure, Jane Reese and the honoree, Jerri Farrell.

Freeman Family Held Reunion

Mr. and Mrs. Garland Freeman attended a family reunion, February 21, of Mr. Freeman's brothers and sisters.

The reunion was held at the home of Mr. and Mrs. D. Freeman in Lamesa.

Brothers and sisters present were: Mrs. H. C. Womack of Hico, Mrs. Guy Andrews of Mexia, Mrs. J. C. Craven of Big Spring, and Boyd Freeman of Andrews.

Two brothers-in-law, H. C. Womack and J. C. Craven attended the reunion. Others present were Mr. and Mrs. Tommy Landers and daughter, of Roswell, N. M., Mr. and Mrs. Horice Freeman and family of Hagerman, N. M., and Mr. and Mrs. Howard Owens and family of O'Donnell, and Frank Berriman of Winters.

MULESHOE BEAUTY SHOP ADDS ANOTHER OPERATOR

Mrs. Lucille Cherry, owner of the Muleshoe Beauty Shop, is this past week announcing the addition of another operator, Jessie Waldrop, who had had 12 years experience. Miss Waldrop owned her own shop in Lubbock, besides working for the Jessie Lee and Orene Hocker shops in Lubbock.

Soloist For CPS Recital

(From Wenatchee Daily World)
(Wenatchee, Wash.)

Rylla Rocky, the daughter of Mr. and Mrs. Richard M. Rocky of Twisp, was featured as a piano soloist in a student music recital given by the Department of Music of the College of Puget Sound in Tacoma on February 11 in the Recital Hall of the New Music Building on the Campus.

Miss Rocky is a sophomore studying piano with Professor Leonard Jacobsen of the C. P. S. music faculty. An outstanding young musician, Miss Rocky is majoring in music theory and composition at the College. An exceptional student, Miss Rocky

entered the College of Puget Sound on a scholarship awarded by the college on the fine record set in high school. At the close of her freshman year at college she was the recipient of the Director's Award which is given each year by Professor Bruce Rodgers, director of the department of music to the most outstanding freshman in the music department. In addition, she was awarded the Theodore Presser Music Scholarship of \$125 for year 1953-54.

Miss Rocky is active in campus affairs as well as member of Kappa Phi, Sigma Alpha, Iota (Women's Music Honorary), the Adelphian Concert Choir and the College Madrigal Singers. She will soon leave with the Adelphian Concert Choir on a 2,500-mile concert tour covering the states of Washington, Idaho,

Nearing completion on the high school campus is Muleshoe's new \$80,000 gymnasium pictured here. The gym will be completely equipped and will provide needed space for physical education classes. It will seat some 1,300 people. Visitors to the campus during Public School Week should take the time to inspect this new facility.

(Photo by Cline).

Five Students And Sponsor Visited WTSC

Five senior boys and their sponsor, Miss Barbara Gaither, spent an enjoyable afternoon at West Texas State College at Canyon last Saturday. The boys were Jackie Parker, Travis Clements, Joe Coffey, Roger Gorrell, and Rodney Lambert.

The group left Muleshoe at 4:00 o'clock and arrived at Canyon at 5:30. Miss Gaither, who is a graduate of W. T. S. C., showed the boys around the campus, after which they went on to Amarillo to visit Miss Gaither's parents.

After eating dinner in Amarillo, they went back to Canyon and were spectators at a very exciting basketball game between W. T. S. C. and the University of Arizona, W. T. S. C. winning by a score of 79-77.

After the game the group attended a dance in their honor.

Parmer County Farm Bureau News

"If the budget is to be unbalanced to counteract a deflationary trend, it is preferable that the emphasis be on reduced taxes rather than increased government spending." There is a great deal of food for thought in this paragraph from American Farm Bureau's resolution relating to National Economic Policies. It is another strike against the trend toward Socialism, and it comes

from the hearts of American farmers like you. Read it again, and think.

Monday night at the Friona Cafeteria over a hundred farmers and farm wives and the 1953 Parmer County Farm Bureau Queen and a runner-up, and other guests will assemble to enjoy the fellowship of a banquet and program designed to kick-off the annual membership drive. Judge Dent, formerly of Littlefield and president of the County Judges Association of this area; now with the Texas Board of Water Engineers in Austin, will be the speaker of the evening.

We realize that one of the reasons for the increase in membership renewal by mail and in person this year is the successful culmination of the cotton allotment program. Though this item seems to be, and is very important one just now, remember that it is just another of many that Farm Bureau has been instrumental in obtaining. We must be consistent in our diligence, seeking legislation that is economically feasible, and that will contribute to the general welfare of our nation and the world.

Regarding the membership drive: Though some of the Farm Bureau workers will be soliciting hospital contributions at the

ground water, one fact remains; the original source is the same as that of refreshing rains; it comes as another blessing from God. Do we give Him the thanks for this abundant supply that has redeemed the area from desolation in the past several years? Consider This: There is treasure to be desired and oil in the dwelling of the wise; but a foolish man spendeth it up.

Rebekah Lodge To Have Initiation

Fern Davis, Noble Grand presided over a session of the Muleshoe Rebekah Lodge as they met Tuesday night of this week.

During the business meeting, it was decided to have a social Tuesday night, March 30, for all Rebekahs, and Odd Fellows.

There was some discussion on the Pre-Association Meeting to be held at Sundown Friday night, March 5.

After all business was taken care of, the team practiced.

There will be an initiation Tuesday night, March 9, and all members are urged to be present at the next meeting for practice.

Montana and Oregon. The choir will appear in Wenatchee and Omak in April.

Rylla was born in Muleshoe and is the grand daughter of Mr. and Mrs. Neal Rocky of this city.

She is also the niece of Mrs. Leota Wiltterding and W. R. Bearden.

THE MULESHOE JOURNAL

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 32, NUMBER 8 MULESHOE - County Seat of Bailey County - TEXAS THURSDAY, FEBRUARY 25, 1954

Junior High To Welcome Visitors

IF ALL THE PUPILS who have attended classes in this building could visit the school during Public School Week, there wouldn't be room in Muleshoe for anyone else. This is the Junior High School, one of the older buildings of the system, formerly used for the High School. Troy Perkins, the principal, and all of his teachers, pupils and staff will enjoy a visit from any of the people during the coming week.

Doyle Evans Is Injured In Car Accident Friday

Doyle Evans, who was critically injured in a car accident near Llano early last Friday morning, was reported to be somewhat improved by doctors at the Army Base Hospital at Fort Hood, Tuesday of this week. He is said to have internal injuries, and an injured back and pelvis.

Doyle has just completed a tour of duty in Korea, and at the time of his accident, was home on a leave. He was to report to Ft. Bliss, at El Paso next week for further duty.

Prior to entering the service, Doyle attended Muleshoe High School.

He is the son of Mr. and Mrs. Leonard Evans of Muleshoe.

Muleshoe Track Team Begin Practice, Five Returning Lettermen On Squad

It was full speed ahead this week, as track practice and workouts opened on a new season for the Muleshoe High School tracksters. The Mules are District 2-AA champions, having won this title for the past two years.

Gabbert, Keith Buhrman, Eugene Shaw, Ernest Martin, and James Elders. Several other boys are coming out but their names were not available at this writing.

In the 1953 District Track Meet, Bill Willis placed first in the pole vault and third in the shot. Sam Donaldson placed third in the pole vault and ran on the 440-relay team that placed second. Robert Richards placed third in the mile run and ran on the second place mile relay team. Wayne Moore won fourth in the

low hurdles and ran on the 440-relay team and Jimmy Holt won the 880 and ran on the mile relay.

Coach Johnson says the prospects for another District Championship are good, but informed the boys they would have to work hard.

The first track meet of the season will be held here March 12, against Olton.

ARE EXPECTED HERE

Mr. and Mrs. L. B. Swanner of Rankin are expected here Friday night for a visit in the C. E. Blanscet home.

VISITED HERE

Jerri Farrell and children were here earlier this week.

DISTRICT MEETING OF FARM BUREAU SATURDAY

A district meeting of the Farm Bureau will be held in Lubbock Hotel the coming Saturday, Feb. 27, from 10 a. m. until 3 p. M.

Bill Mullin, president, said the Bailey County Bureau is anxious that the county should have a good representation of members at the meeting, especially since policies of the Bureau are to be under discussion.

WERE HERE

Mr. and Mrs. Vernon Thomas and daughter, Pamela, of Friona, spent the past weekend here in the homes of their parents, Mr. and Mrs. Ira Thomas, and Mr. and Mrs. Fred Horn, and other relatives and friends.

BABSON GIVES— The School Problem

Babson Park, Mass., Feb. 25 — Don't miss the series of articles starting in Collier's about our schools. These well documented articles offer proof that our schools need overhauling. I am glad to have the good company of this magazine for the reform which I have been urging for some time. If I understand the educational process at all, it seems only logical that before a teacher can teach anybody anything he must command respect.

DISCIPLINE COMES FIRST
I can take you into a classroom in one of our large eastern

cities where last year several teachers had nervous breakdowns; substitute teachers stayed a day or two, then left. The problem: — poor discipline. Finally, one determined, old-fashioned substitute took over. The principal urged her to send the misbehavers to him. She felt any such action on her part would be an acknowledgement of her own inadequacy. Finally, in despair, she did send a dozen pupils a day to the principal who in turn flogged them one by one. But it was too late. They had gone too far too long. Even the good disciplinarian

could not take it. She bowed out too because she had to spend all her time trying to maintain a semblance of order and never did get around to teaching anything.

Or, I can tell you about a reasonably plush prep school where the headmaster decided to teach some of the boys how to read. After all they had reached the tenth grade and it was time they knew how! Well, believe it or not, the headmaster failed to show up about half the time; the boys did not make it the other half. The program just fizzled out. These are symptoms of a problem, and it is more widespread than you realize. I have said before in this column, and I will say it again: if delinquency is on the increase, and our young people are hard and callous, it is because their teachers and parents are getting soft and careless.

THEN, SOME BASIC FUNDAMENTALS

These magazine articles suggest that the brain trusters (Professors in Schools of Education, I assume) have sold the schools down the river. When our kids graduate, not only from public high school, but from many of our preparatory schools, they cannot properly read or write. They cannot do eighth grade arithmetic. I am told of a batch of tests given this fall to college freshmen from widely divergent parts of the country to prove my points. Yet, these kids were admitted to college because the principals recommended them as being well qualified.

Many of these boys have already flunked out of college. Both father and son have been shortchanged by the public and private schools. When a son is graduated from secondary school, both father and son are made to believe son was somebody he really was not at all — and all because the school worshipped too long before the false shrine of mediocrity. Schools and colleges too, need to take a closer look at their standards and values. This is a national problem. How can we develop good leaders in business, or how can we even hope to hold our own, internationally, if all we have to offer is mediocrity?

AND FINALLY, COMPETITION

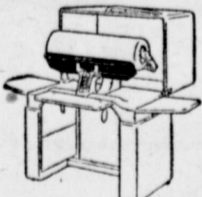

I have been shocked to discover the number of school principals and superintendents who seem to think there is something heathen, something un-Christian, something damaging about individual competition. They develop report cards that attempt to tell a parent how the child is doing in terms of his own ability, but hush-hush his relative standing in the group. Schools also too often measure their teachers in terms of extra summer courses taken for advanced degrees, and not often enough do they use the yardstick of classroom discipline.

I ask you, what spurs an individual on to do his best? Is it not, fundamentally, the struggle for recognition and achievement? The individual wants to prove he is a man among men, that he counts, whether he be a teacher or preacher doing for others, an inventor conquering technical frontiers, or a salesman satisfying our wants and needs. We need to rekindle this spirit of competition in the classroom. Superintendent Philip J. Hickey of St. Louis has made a good start in this direction.

WEEKENDED IN HEREFORD

THE SAND HILLS PHILOSOPHER WANTS TO — See Money-Raising Drive Started To Stamp Out Inroads Of The Bad Cold

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has a good idea this week, but we don't know whether he'll get anywhere with it.

Dear editor: It's sometimes hard to tell just by lookin' when I'm under the weather as I don't rip and tear much even when I'm in the best of health. I always figured if feelin' good meant you had to get into motion and burn up your energy you might as well feel bad to start with, after years of practice I've managed to sit still and enjoy health as much as the fellow on the run, but what I started to say was that lately I've been sort of under the weather, with a bad cold.

And I've been thinkin'. We've got nearly every kind of money-raisin' drive you can think of in this country, with the exception mabe of one to raise money to stamp out ingrowing toenails, but there ought to be one more.

There ought to be a drive on all over the country to set up a fund to figure out how to whip a bad cold. Personally I don't think man has any business spendin' money for example on rocket ships to explore space before he finds out how a cure a cold. And, if you ask me, color television has no more business comin' ahead of a prevention for the common cold than holdin' office has comin' ahead of gettin' elected. I can't think of anything more ridiculous than a high-toned, expensive color television program bein' called off on account of the star comin' down with a cold. It's one thing for

me to call off a day's plowin' for that reason, even if it is in natural color, but any race of people smart enough to send color pictures through the air ought to be smart enough to whip a cold.

I know we probably have too many drives already, but we may have too many fillin' stations and grocery stores and I know we've got too much cotton and butter, and we ought to find room for one more.

If you'll go in with me, we'll launch the National Bad Cold Drive, with President Eisenhower as honorary head, as I understand he's already come down four times with a cold since he's been in office, and raise enough money to put some scientists on the job with instructions to isolate the germs and figure out a vaccine.

Any country able to split an atom, fly 1500 miles an hour, build a car that shifts its own gears, sell canned biscuits, and run up a national debt of 275 billion dollars, ought to be able to figure out how to prevent a cold. Let's get this organization goin'.

Yours faithfully,
J. A.

From where I sit... by Joe Marsh

Handy and Easy "Sign Up"

Last month's safety drive was a big success—almost. Every one helped—the schools ran movies on safe driving, Rotary put up posters, and Handy and Easy Peters went out on their own.

The boys put up a big sign by the side of the highway. It said, "Slow down—the life you save may be your own." It was a good idea—after the police moved the sign back twelve feet.

In their enthusiasm Handy and Easy put it too close to the road—in fact, right on the sharpest curve on the highway. They made

driving unsafe by cutting off the view around the curve.

From where I sit, lots of people—even though they mean well—suffer from short-sightedness now and again. For instance, some can never see any further than their own preferences. They even go so far as to object to my choice of a glass of beer with supper. Shouldn't we always take the "long view"... and respect our neighbors' rights?

Joe Marsh

Southwestern Life Sets Many New Marks in '53

Several new high marks in its business operations were recorded by Southwestern Life Insurance Company in 1953, it has been announced by President James Ralph Wood in his report on the company's financial statement for the year.

A new record in annual life insurance sales was established by the company's agency force as it produced \$153,680,329 of new paid-for business, up \$3,657,411 from the 1952 total. As a result, the company's total insurance in force at the end of the

year was \$1,065,059,933, a gain of \$85,338,012 during the 12-month period.

Policy benefits paid to policyowners and beneficiaries totaled \$14,910,827, a new record for one year and nearly \$2,500,000 above the payments in 1952. Since 1903 when it was organized, the company's policy benefit payments amount to more than \$180,000,000.

Year-end assets totaled \$296,192,307, an increase of \$25,799,461 for the year. The major part of the company's new investments in 1953 went into loans on real estate. A total investment of \$142,395,587 in this category accounts for 48 per cent of the company's total assets, and reflects the continuation of the strong demand for capital to be used in the construction or improvement of Texas homes, farms and business properties.

Total liabilities appear in the statement as \$268,086,923. Funds for safeguarding the savings of policyowners, including capital, surplus and contingency re-

serves, amount to \$28,105,383. Policies purchased from Southwestern Life by individuals in 1953 averaged \$5,905 in face amount.

Southwestern Life is represented here by Marion F. Harris.

Home Talent Play To Be Presented At Three-Way

There will be a home talent play, given in the Three-Way Gym, March 2, at 8:00 p. m., by members of the P. T. A., members of the faculty, members of the school board, and parents.

It is a three-act comedy entitled "A Ready Made Family", and is full of action and humor. A full two hours of entertainment that would top T. V., is being offered for only 50c. This money goes solely to the F. F. A. boys in providing adequate tools for their work shop.

Miss Carter, high school English instructor, will have charge of "Between curtain" acts.

Pop corn, home made candy, and pop, can be purchased during intermission from the Home Economic Girls, who will have charge of this enterprise. This money will go towards purchasing an electric mixer for the Home Economic room.

Though the Home Economics department boasts of being as well equipped as any school it's size, it does lack this common appliance the girls are accustomed to using in the home.

Everyone is cordially invited to attend this play, so remember the date, Tuesday, March 2, 8:00

o'clock p. m., in the Three-Way High School Gym.

Today's Meditation

HUMBLING OUR HEARTS
Humble yourselves in the sight of the Lord, and he shall lift you up. (James 4:10.) Read Luke 14:7-11.

Once I heard a great minister say, "One of the greatest sins of our generation is that we defy men, humanize God, and minimize sin." By our thoughts, attitudes, and acts many of us prove the statement has much truth in it. We are so lacking in humility that instead of reaching up to God we are trying to bring Him to our level. We put such faith in man that we believe he can accomplish anything. If we stop to reason, however, we soon conclude that man is nothing without God. If we humble ourselves before God, He has promised to lift us up.

Being humble means being willing to submit our lives to God. It means willingness to be used of Him to serve others in Christ's name and for His sake. We prove our true humility when we are willing to serve our fellow men.

At this season of the year, how can we feel otherwise than humble if we think of Jesus who carried the cross for all humanity?

PRAYER
Show us, O God, how Thou wouldst have us use our lives. We would humble ourselves before Thee. Use us in Thy service, in the spreading of the saving knowledge of the cross and of life eternal. We pray in the name of Christ, our Saviour and Lord. Amen.

THOUGHT FOR THE DAY
God guides the humble heart. Virginia Banks St. John (Ga.)

HOLTS HAVE SUNDAY GUESTS
Horace Holt, daughter Carolyn and Benny Harmon of Amherst, were Sunday dinner guests of Mr. Holt's parents, Mr. and Mrs. H. C. Holt.

Farmers! Make Big Savings! Use Low-cost Philgas Tractor Fuel

Philgas

Save on Repair Bills, Too

Convert your tractor! Compared to gasoline, Philgas can save you several cents a gallon. These savings will soon pay the cost of conversion. And Philgas is easy and safe to use. No waste from spilling, overflow or evaporation, because the filling system is completely enclosed.

Clean-burning . . . thrifty! Save as much as 50% on engine maintenance costs. No cylinder wall washing. Long ring and valve life. Low cylinder wear. For a thrifty fuel with exceptionally high energy content (100 octane plus), get high-quality Philgas.

All-purpose fuel! Use Philgas to heat your home, for cooking, hot water and refrigeration! Use it also for heating stock tanks, chick brooders, and other needs around your farm. Install a central tank for all your needs. Low cost fuel. Convenient, clean, dependable!

And remember . . . your local Philgas distributor is fully qualified to make dependable installations, to provide prompt and courteous service. See him today.

Philgas is distributed by

Joy Whitt Hosts Philathea Circle

The home of Mrs. Webb Watt was the meeting place of the Philathea Circle Thursday, February 18. Mrs. Watt's daughter, Joy Whitt, served as hostess.

Mrs. Clarence Stephens opened the meeting with a prayer, and Helen Gardner read the minutes of the last meeting.

Theresa Edwards and Margaret Adams brought the second study of the book of Jeremiah to the group.

Those present were Fern Autrey, Theresa Edwards, Margaret Adams, Ida Mae Shofner, Beth Blair, Dorothy Wyer, Charlene Bickel, and visitors, Mrs. Clarence Stephens, and Mrs. Kathryn Webb and daughter.

The next meeting will be held March 4, at the home of Dorothy Wyer.

Sunshine Club Enjoyed Social

The Sunshine Club met in the home of Mrs. N. W. Lee, February 18, for a quilting and social. Six members and one visitor attended.

The afternoon was spent in quilting and making the quilt for the hostess.

After delicious refreshments were served, the meeting was adjourned.

Those present were Mmes. Patterson, Adkins, Bartlett, Alene Harvey, Florence Harvey, Coulter, and the visitor, Mrs. Payne.

WERE IN LEVELLAND

Mr. and Mrs. C. E. Blanscet and family were in Levelland the past weekend to visit her brother, Gorden Swanner and family, and other relatives and friends.

TO OKLAHOMA CITY

Mr. and Mrs. Tommy Haley and children and Mr. and Mrs. W. E. Young spent last weekend in Oklahoma City with the Young's son, Lowell and family.

VISITED PARENTS

Mr. and Mrs. Raymond Bass and son Vance, of Midland, spent the past weekend here with his parents, Mr. and Mrs. M. G. Bass, and other relatives.

The hostess served delicious refreshments of punch and cake to the following ladies: Mmes. M. L. Shipp, Clyde Henry, J. M. Beller, Doyle Winters, J. J. Redwine, and E. W. Locker.

Farm Bureau Kick-Off Supper Set Monday Night

Bailey County Farm Bureau will begin its annual membership drive next Tuesday, March 2. They are staging a kick-off supper at the American Legion Home next Monday night, to which all who will help in the drive are invited.

The Bureau would like to know as soon as possible how much food to have prepared, and is asking that all who will help with the drive, or devote one day to it, shall register at the Bureau office here in Muleshoe.

Several pairs of \$40 Nocona shop made boots will be offered as prizes in the membership campaign.

Homemakers Class Enjoyed Program

Ladies of the Homemakers Class of the Progress First Baptist Church met February 18, in the home of Mrs. H. T. Pugh, for their regular meeting.

Mrs. Doyle Winters was in charge of the very interesting program on the subject of "Temptation".

The opening song was "Yield Not To Temptation", and was followed by a prayer by Mrs. J. J. Redwine. Mrs. Pugh gave the devotional, taking her lesson from James 1:13-14, Ephesians 6:10-11, 1st Cor. 10-13, and James 1:12.

Mrs. E. W. Locker led in prayer and this was followed by the group singing "Wherever He Leads I'll Go". Mrs. Winters gave the poem, "Think It Over".

Mrs. Clyde Henry was in charge of the business session which followed.

Mrs. Redwine was in charge of the social, and Mrs. Clyde Henry led the group in several games.

HARBINS' GUERNSEYS HAVE HIGH PRODUCTION

A Guernsey cow, "H-A-Chum", belonging to Ralph Harbin of Pleasant Valley Farm last week was hailed as tops in butterfat production in the breed for the U. S.

The Randall County Dairy Herd Improvement Ass'n., has listed three cows belonging to Joe H.

Harbin as high in production during December.

A Guernsey, Sarah, produced 1410 pounds of butterfat; another Guernsey cow, Alicia, had a production of 1180 and a third cow, Damsel, had a production total of 750.

VISITED HERE

Mrs. Lilly Swanner and Louise Swanner of Dublin, visited here

this week with Mr. and Mrs. John Williams, Mr. and Mrs. C. H. Odom, and Mr. and Mrs. C. E. Blanscet and family.

ATTENDING MEETING

Mr. and Mrs. Lyndol Murray and daughter are in Oklahoma City this week attending a sales meeting. Mr. Murray is manager of the C. R. Anthony Co. here.

Bailey Co. Farm Bureau President Says

MULESHOE, TEXAS

We would like to take this opportunity to thank each of you for your fine cooperation during 1953. Without your support we could never have reached the record membership of over 500 members in Bailey County. With present economic conditions we can all see the advantages of a strong organization that our Service program now offers to its members.

Your membership entitles you to receive insurance at cost or on a wholesale basis in our own Farm Bureau Insurance companies. The Life Insurance Company, The Casualty Insurance Co., and The Fire Insurance Co., are all Legal Reserve Stock Companies. The Life Company is already paying an average 10% dividend. It has over \$120,000,000 of life insurance in force in seven years which has probably never been equaled by any other life insurance company. The Casualty Company is paying on present expiring policies on automobiles a dividend of 40% on collision and comprehensive coverages and 25% on liability and medical coverages. The dividend on Fire Insurance this year is 15%. There is a good possibility of an increase on the dividend on automobiles in Texas to Farm Bureau Members which amounted to nearly \$900,000.00.

The members who have been buying insurance in the Farm Bureau Companies have in addition to receiving a dividend made it possible for us to maintain an office in Muleshoe for carrying on the Business of Farm Bureau. We invite you to use the office for other services such as filling out gas exemptions for your tractor gas, filling out commodity loan papers, and writing business letters.

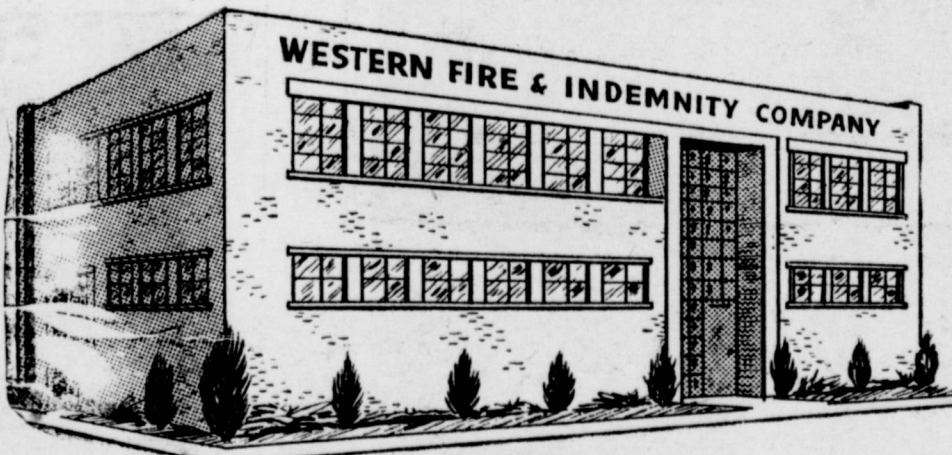

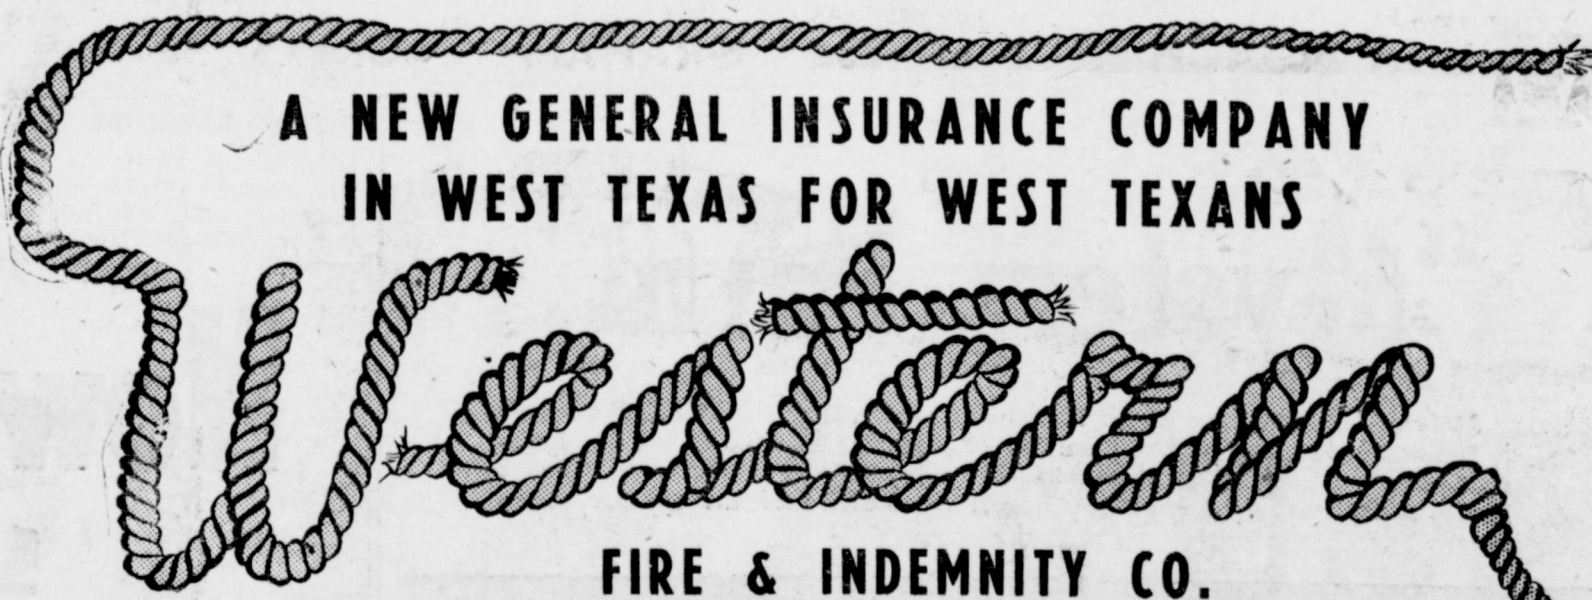

For your protection, Bailey County Farm Bureau has been incorporated. Also, all of the Farm Insurance Companies are Legal Reserve Stock Corporations and are Represented by a fully State Licensed Representative. You can save money by belonging to Bailey County Farm Bureau and transferring your risks to Farm Bureau Insurance Companies.

With best wishes for 1954, I remain

Sincerely Yours,

W. T. (Bill) Millen, President
Bailey County Farm Bureau Fed.

A NEW GENERAL INSURANCE COMPANY IN WEST TEXAS FOR WEST TEXANS

225 Attended The Cub Scout Banquet

Some 225 people, including Cub Scouts, their parents, brothers, sisters, and guests, gathered in the High School Cafeteria last Thursday evening, for the Third Annual Blue and Gold

Banquet of Muleshoe's Cub Scouts, of Pack 20, and to celebrate the 44th year of scouting.

The program began promptly at 8:00 p. m., with chairman, Claudis Murrah in charge. The invocation by Troy Perkins was followed by the group singing "America". Dinner was then served under the direction of the den mothers, on tables decorated with the Cub Scout colors of blue and gold. Each table was centered with a large "Liberty Bell", with small bells as place cards.

Seated at the head table was Scoutmaster and Mrs. Ernest Kerr, Cubmaster and Mrs. Alex Wilkins, Troy Perkins, Jim White, D. B. Lancaster, Claudis Murrah, and the Rev. Clarence Stephens of the Methodist Church. Each speaker was introduced by Mr. Murrah. Jim White welcomed those present, and greetings were heard from Troy Perkins, who represented the P. T. A., in the absence of the president, Mrs. W. T. Millen. From Scoutmaster Ernest Kerr came words of encouragement to the Cubs and their leaders, concerning the work they are doing, and the benefits of being a Cub Scout.

Jim White had charge of awarding the door prize, (a genuine old screen door) which went to Blondy Ray. Blondy unaware of the joke beforehand, very graciously accepted the prize and entertained the group with a short story.

D. B. Lancaster had charge of awards, and graduation ceremonies.

Those earning awards were: Bobcat rank; Donald Williams, Barry Lewis, Jr., T. P. Smallwood, and Ronald Heard. Wolf rank; Doug Berry. Arrow points; James West and Raymond Lewis, Jr. Bear rank; Jerry Don Coulter and Mike Connell. Arrow points; Lester Ware, Don Gardner, Lyndol Kinsler, and Jerry Howard.

Lion rank; Jerry Howard, with arrow points going to Kenneth Murrah and John Wilkins. One year service stars went to Johnny West Mike Connell, Jerry Coulter, Don Gardner, Robert White, Travis Creamer, Ronnie Locke, Raymond Lewis, Arthur Rayburn, Rodger Rayburn, Arthur Hayes, Robert Hayes, and Alva Stone. 2 years service stars were awarded to Dixon Ray, Frosty Jones, Robert Perkins, Cliff Jones, Darrell Lancaster, Kenneth Murrah, John Wilkins, Jerry Howard, Wayne Malone, Lyndol Kinsler, Don Gardner, Lester Ware, and Glenn Hopkins.

The Grand Howl Thanks, went to Den Chiefs' Gaylord Tate, Mike Morean, Mack Hale, Jr., Charles White, Gwyneth Cox, Clinton Murrah, Bobby Robinson, and Jack Roubinek.

Den Mothers, Mmes. Robert King, O'Dean Heard, Ray Morrison, John West, Claudis Murrah, B. C. Locke, and Christine Raven were presented with certificates of appreciation.

Darrell Lancaster received his graduation certificate. Darrell has accomplished much as a Cub Scout, having earned his Bobcat, Bear, Wolf, Lion, and Webeles badges, and a gold and three silver arrow points for each of the ranks of Bear, Wolf, and Lion.

Benediction was given by Rev. Clarence Stephens.

The Scouts wish to sincerely thank the den mothers, who worked so faithfully to make this banquet the success that it was, and for the training, work, and time they have spent with the Cubs this past year.

WEEKENDED HERE

David Stephens, son of Rev. and Mrs. Clarence Stephens, spent the weekend here with his parents. David is a junior student at McMurry College at Abilene.

Explorer Scouts Entertain Guests

The Muleshoe Explorers Post No. 20, planned as a special event for Scout Week, a Coed Campfire Party.

The event was very successfully accomplished, on the evening of February 9, at the Muleshoe Wildlife Refuge.

Each scout brought a girl companion, and provisions to prepare a meal for himself and his guest. A good campfire was going by 7:00 p. m., and after the meal was prepared by the explorers, coals were taken from the campfire, to make individual cooking fires.

Each scout cooked a casserole dish of three vegetables in a coffee can; biscuits in a second coffee can, and broiled steak over the fire. Some also baked potatoes in the ashes, and one boy cooked a fruit cobbler at the campfire.

To the surprise of the girls, the food was very good.

After the supper, the explorers performed several funny stunts, and following this, the entire group engaged in some lively games.

The boys and girls enjoyed a session of singing, and the evening's entertainment ended with the sounding of taps.

The following Explorer Scouts were present: Ralph Ware, Jimmy Wilkerson, Phil Provence, Butch Lenau, Johnnie Baker,

Horace Richards, Gwenth Cox, and also Richard Jenkins of Springlake. The young ladies who attended were: Holly Ann Cox, Linda Lou Lancaster, Velta Gillis, Kay Willman, Sharon Willman, Misnie Peel of Littlefield, Patsy Baker, Pamela and Linda Kerr.

The following adults were present: Mr. and Mrs. Tom Shirley, Scoutmaster Ernest Kerr, Post Advisor and Mrs. Troy Wilkerson, and Post Advisor and Mrs. Vernon Baker.

Several very good pictures of the campfire scenes were taken during the evening.

STUDENT REGISTERS AT McMURRY COLLEGE

ABILENE, Feb. 23 — Tommie Ann Drinkard, a student in Muleshoe High School in 1950-51, has enrolled in McMurry College, Abilene, Texas, for the spring semester of the 1953-54 school term. Miss Drinkard plans to major in music.

She is the daughter of Mr. and Mrs. F. W. Drinkard, who live on Route 21, Levelland. Miss Drinkard also attended high school in Levelland, and graduated from school at Littlefield last spring.

While in high school, she was secretary of the chorus, a member of the student council, and the Spanish Club. She was named FFA sweetheart, School beauty and freshman favorite.

Ford presents two new deep-block engines

They're the industry's most modern engines with free-turning Overhead Valves and Integral valve guides... high-compression, low-friction design... and extra deep-skirted crankcases. Both engines are designed for long life with smooth, economical performance.

THE NEW 130-h.p. Y-block V-8

This new Overhead-Valve V-8 has an extra-deep block which resembles a "Y" in cross-section. This new deep-block design means greater rigidity for smoother, quieter performance... longer engine life. Other features which make this engine a long-lived, smooth, savingful performer are: new low-friction (short-stroke) design, Free-Turning Overhead Valves, new 5-bearing crankshaft, and new high-turbulence combustion chambers.

THE NEW 115-h.p. I-block SIX

Like the new Y-block V-8, this engine has Ford's deep-block design for greater rigidity, longer engine life. Also, like the V-8, you get Ford's modern manifold, low-friction design, high-turbulence combustion chambers, and Ford's Automatic Power Pilot. One advantage of both new engines is an amazingly flat "torque curve" which gives you top pick-up power through the whole range of driving speeds.

You are cordially invited to come in and Test Drive the

PROVIDING FOR ADDITIONAL WATER

Supplemental irrigation is becoming more important every day to Texas farmers in areas where rainfall is decreasing.

Many growers in Central and East Texas are considering irrigation for the first time. Out in West Texas and the Panhandle area, the number of irrigation wells have experienced a tremendous boom in post-war years. The use of supplemental irrigation has increased greatly the yields of cotton, corn, vegetables and pastures even in the more humid areas of the Southwest.

Farmers who plan such systems may hit some snags, but the results will be worth the effort. It's best to get a permit for water used in irrigating. The State Board of Water Engineers, 308 West 15th Street, Austin, will send the necessary forms and instructions for making application.

If you have a permit, you'll be safe in the event a workable water code is put into effect. If you use water and deprive a man downstream of essential water, he can get a court injunction to stop you. You can do the same, if you're being deprived

of water.

Size of your reservoir will depend on several factors. A good rule of thumb is: Provide at least 2 acre-feet of impounded water for each acre to be irrigated, if you are planning surface storage.

Surface reservoirs and spring-fed branches probably will be more economical sources of water supply than water wells in East Texas. Cost of lifting water from source to delivery point must be considered when anticipating operating expenses. The greater the lift, the greater the cost.

Initial equipment investment will vary with systems, ranging from about \$35 per acre to \$125 per acre. About \$90 is average in many sections of the state.

Frequency of applying water will vary according to rainfall and type of soil. Generally speaking, sandy soils require about 1.2 inches of water every 6 to 8 days. Heavier soils, 2 inches every 10 days.

Pumping rate also should be considered. To apply one inch of water to an acre of ground, a pumping rate of at least 450 gallons per minute is required.

History Classes To Tour Europe

The History Department at Texas Technological College has added two new field courses which permit the students enrolled to travel in ten European countries and at the same time earn six semester hour of credit. These two courses are History 3314 and 3315. The group will sail June 11, 1954 from Quebec and will return August 16 to Quebec. Dr. C. D. Eaves of the History staff will teach the course which will consist of a study of the historic shrines in Europe.

The tour is available to students, teachers, and the general public. Dr. Eaves will be in charge of tour members who are teachers who enroll for the tour, whereas Mrs. Eaves will be in charge of the students and not students and teachers.

Mrs. Eaves, who spent a year in Europe in 1946-47 and who traveled thirteen countries, will be the tour conductor. She has arranged for the land portion of the tour to be conducted by Brownell Travel Bureau, Inc., a firm actively engaged in the tour business since 1887. This is not an experienced tour but it is the result of 67 years of experience by Brownell in organized and conducted travel. Each day has been carefully planned so that we shall see Europeans at work and at play. The group will travel almost exclusively by motorcoach over the land portion, a feature which permits us to see native homes, farms, villages and "out of the way" places in addition to the cities.

Dr. Eaves is a member of the original faculty at Texas Technological College and has taught European History at the College since 1925. The B. A. and Ph. D. degrees were awarded to him by the University of Texas. The M. A. degree was awarded by the University of Chicago. Following the close of World War II he spent a year in Japan associated with the education program of the United States government.

Much thought has been given to planning each day of the land portion. All of the worthwhile "sights" are included — giving a well balanced sight-seeing program — yet we allow leisure for individual pleasures by providing a half day and/or an entire day here and there when each person can sleep late, swim, hike or just lie in the sun, if desired.

The cost includes every calculable travel expense — all

meals, sightseeing, hotel bills, taxes and tips in Europe. The few items we cannot include are stated very clearly below. You will not be confronted with optional trips nor extra expenses. We do not include evening entertainment because this varies with each individual. In comparing the tour cost with other tours you may hear about, you should consider that our prices include: All meals everywhere, including Paris and London, as well as French and Italian Port taxes and the services of a tour escort, which is provided from Canada to Canada.

VISITED PARENTS

Myra Hogan, student at E. N. M. U., spent the weekend here with her parents, Mr. and Mrs. Roy Hogan and other relatives and friends.

WERE HERE LAST WEEK

Guests last week in the home of Mrs. Carrie Wilhite, was Mr. and Mrs. Roscoe Ivy and son, Calvin, of Friona.
