

Candidates Must File Statement Of Campaign Expenses Before Election

Attention of all candidates for office is called to the fact that they must file regular statements of expenditures during the campaign, and the first of such statements will be due in the office of County Clerk M. G. Bass in Muleshoe May 25.

Mr. Bass will have the proper forms to be filled out. The law says that sworn statements must be filed during the campaign at intervals of 20 days beginning 60 days before the date of the election. Some important dates

for candidates and voters alike to remember, as culled from a book "Texas Election Laws", furnished to The Journal by Judge Cecil H. Tate:

May 25 - Sworn statements shall and must be filed by candidates at intervals of 20 days beginning 60 days next preceding the date of election.

June 14 - County executive committee determines hour and place of Precinct Conventions.

June 14 - County Executive Committee shall decide the hour and place of County Convention on the first Saturday after Primary Election.

June 14 - Statement of expenditures by each candidate.

June 21 - County Committee meets to receive certificates showing names of state and district candidates.

June 21 - Committee meets to apportion cost of primaries among candidates.

June 21 - Committee meets to determine by lot the order of candidates' names on the ballot.

June 23 - Former non-residents or minors who shall have since become eligible to vote by reason of length of residents or age, shall not later than 30 days before election obtain exemption from Tax Collector.

June 26 - Candidates to pay assessments to County Chairman on or before.

June 28 - Primary committee meets to make up ballot.

July 4 - Candidates to file statement of expenses.

July 4 - Absentee voting for Primary begins at any time not more than 20 days nor less than 3 days prior to election.

July 19 - Candidates to file statement of expenses.

July 24 - Date of first primary election. Date of precinct conventions.

July 31 - County party convention.

August 5 - Candidates to file sworn supplemental statement.

August 8 - Absentee voting for second primary may begin.

August 28 - Date of second primary.

Cooking School Underway Here This Afternoon

Muleshoe Reddy Kilowatt dealers and the Southwestern Public Service Co., are staging their cooking school this afternoon in the high school auditorium, with prospects of a large attendance.

Dealers are awarding a Frigidaire electric range to some lucky person in attendance. Other door prizes of food packages are being given by Piggy Wiggly Super Market and Cashway Grocery and Market. These two local stores also furnished the food to be used in the demonstrations.

Mrs. Clydie McReynolds and Miss Patricia Stearns, Public Service home advisors, are conducting the school here today.

Participating dealers are Dyer Hardware and Furniture, E. R. Hart Company, Johnson-Pool Tire and Appliance, and Harvey Bass Appliance.

At a meeting of the dealers held Monday afternoon to perfect plans for the school, it was announced that if the person who draws the range lives on Bailey County Electric Cooperative Ass'n., lines, that company will wire in the range free; and if the person who gets the range resides on Southwestern Public Service Co., lines, that company will do the wiring in free. The lucky family therefore will be all set up at no expense and ready to do electric cooking.

Christian Revival To Close Sunday

The revival meeting at the First Christian Church, under the leadership of Evangelist H. M. Redford continues through this week, closing next Sunday night. Interest and attendance continues to grow. The highest attendance was last Sunday morning. The evangelist announces the following sermon subjects for the closing week of the revival:

Tuesday night - The Turning Point.

Wednesday night - The Inescapable Christ.

Thursday night - The Master is Here.

Friday night - The Name That Saves.

Sunday morning - The Willing Heart.

Sunday night - The Last Invitation.

The public is cordially invited. Services are conducted each night, except Saturday, at 8:00 o'clock.

Muleshoe

Rains Improve Plains Crop Outlook

Muleshoe Fall Was .90 Of Inch

A glorious rain has fallen in this section, giving rise to hopes for full crops this year; but rejoicing is tempered by the fear that in some spots not enough moisture has fallen to permit planting.

County Agent J. K. Adams, after a tour of the unirrigated

parts of the county, said the Bula community is in the best shape for moisture right now and planting is proceeding rapidly. In some parts of the community an inch and more of rain fell in April, in a spell when Muleshoe had only a quarter inch; another inch fell this week.

P. A. Altman, of that community told The Journal he had his feed up when this week's rain started. Mr. Adams said he saw feed crops up to a stand in the

area. Around Maple and south to Morton, ample moisture for planting has been received.

But in the Stegall area it is feared there is not sufficient moisture. However, Mr. Adams said it is likely some farmers will 'drop seed in the furrow', where moisture accumulated and take the chance that additional moisture will come. L. E. Pollard of Enoch, said there was not enough planting moisture in his neighborhood up to Tuesday afternoon.

In Muleshoe the showers that fell Monday and Tuesday amounted to .90 inch, according to R. J. Klump, weather recorder here. Some have reported considerably more, some considerably less in the territory around the city. The fall got lighter to the west, and only .50 inch was reported by Jack Little of West Camp.

Mr. Adams estimated this morning that about 10,000 acres of Bailey County's approximately 88,000 acres allotment have been planted.

G. A. Paquin Announces For County Attorney

G. A. Paquin is this week announcing his candidacy for the office of County Attorney of Bailey County. His candidacy is subject to action of the Democratic Party primary July 24. Mr. Paquin made the following statement:

TO THE PEOPLE OF BAILEY COUNTY:

The office of County Attorney is a public trust and you the voters have in your hands a sacred heritage; that is, our hard won democratic rights to exercise the prerogatives of selecting from among the office seekers. You alone have the right to make these selections. In filling for the office of County Attorney, I feel that I am asking you the voters to place a trust in me which I would dare not violate.

We are primarily Americans, Texans, and Bailey County residents. I have always been an American and nearly always a Texan and I hope that you will excuse me for not finding Bailey County sooner. Now that we have found it, my wife and four children and I want to remain here and take an active part in civic life and grow with our country.

Before entering Baylor School of Law, we were residents of West Texas and my wife was born and raised near here. We always intended to make our home in west Texas. When I graduated and passed the Texas Bar we delved into the prospects of our future in Texas and which part of Texas offered the best opportunity. We found nothing that would compare with Bailey County so moved all of our worldly possessions to Muleshoe and are here to stay.

I am a licensed attorney and fully qualified for this office. My prior experiences as a business man and present experiences as a family man have tempered my views and tolerance so that I will not allow the law to over ride common sense in the problems that would confront me as your County Attorney.

I believe that a county attorney has a duty over and beyond the statutory requirements of the office. Such duties are not only to prosecute but he should also work to prevent the commission of crime especially among the younger generation. I therefore if elected your county attorney will stand ready at all times to work with any civic organizations and churches on any program that have as their goal the prevention of juvenile delinquency.

When we came to Muleshoe, my wife and I were deeply impressed by the great friendliness of everyone that we encountered and the genuine sincerity of the welcomes extended. To the many people who encouraged me to file for this office, I say thanks and to all of you, I humbly ask for your support and if elected I will try to show my gratitude by service and hard work.

While traveling in other countries as an employee of the United Nations, I was privileged to see most of the nations of Europe and to compare their ways of life with ours. One fact became strongly evident; if we exercise our power to vote, regardless of how we vote, our country will always remain free.

G. A. PAQUIN

MULESHOE - County Seat of Bailey County - TEXAS

THURSDAY, MAY 13, 1954

Lonnie Arnold's Farm Identified

Wanda Chitwood and Laura Jean Presley were the first to identify correctly the Mystery Farm shown in last week's paper. They will receive two tickets each to the Cox Drive-In Theatre, and may pick them up at Texas Machinery Co. which sponsored the Mystery Farm showing.

The picture showed the farm of Lonnie Arnold, in Baileyboro community. Mr. Arnold came in Saturday to receive a free picture of his homestead.

A farm looks much different in an aerial photo from the impression one gains in looking at it horizontally, so Mr. Arnold had to look twice to identify the farm himself.

Book Report Here Friday Evening

Mrs. W. H. Willoughby, of Bovina, will review the book, "Barabbas", at 8:00 o'clock, on the evening of May 14, at the Fellowship Hall. The review is being sponsored by the Muleshoe Study Club.

Tickets are on sale now from any member of the Study Club, and are \$1 for adults, and 50c for students.

ST. JOHN LUTHERAN CHURCH NEWS

Some 96 worshippers attended services in St. John's on Mother's Day. Sunday School and Bible Class were well attended.

The Lutheran Women's Missionary League met in regular monthly meeting in the home of Mrs. Ernest Kube, on Thursday of last week. Nine ladies were present.

The Walter League, a young peoples' society of St. John's Lutheran Church, Lariat, met for their regular monthly business and topic meeting. The yearly officer's election was held. The following young people were elected: President, Billy Schaefer; vice president, Clarence Kube; secretary, Linda Kube; treasurer, James Daude; chairman Christian Growth, Agnes Meissner; Talent Quest Chairman, Mary Kriegel; Wheat Ridge Seal Manager, Kenneth Kriegel; Entertainment Committee, Gloria Schaefer and Agnes Kriegel. The Walter League meets twice a month, the second Sunday of each month for business and topic, the fourth Sunday for socials.

SUFFERS HEART ATTACK

Earl Jeter, former resident of Muleshoe, now residing at Springdale, Ark. is reported to have suffered a heart attack last Tuesday. He is now somewhat improved and has been returned to his home.

Church of Christ Vacation Bible School Begins 24th

Vacation Bible School will begin at the Church of Christ here May 24, and will continue for five days.

Teachers for the classes were selected at a meeting last Tuesday evening, and those selected will select various helpers. There was another meeting of the teachers the past Tuesday evening.

There are approximately 200 pupils enrolled for the school, and more are expected.

Theatre To Close During Summer

Palace Theatre will close during the summer months, Mrs. Hertha Walker, manager announced this week. The show will open again in the fall, she said. Mrs. Walker also manages the Valley Theatre, both theatres being located on Main Street here in Muleshoe.

The last program before closing at the Palace will be "Killers From Space" on the screen, and the Odie Echols show on the stage, featuring "Little Joe Crowder", America's Wonder Boy, Age 4.

HAD WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. Bill Lambert for Mother's Day were their daughter and son-in-law, Mr. and Mrs. Earl Lee of Andrews, their son Junior of Sterling City, and another son, Burns, of Amarillo.

Baccalaureate Services Sunday For Graduates; Commencement May 21

There are seventy-two candidates for graduation from Muleshoe high school this year, making the largest senior class in the history of the school. Activities for the final week of school culminating in commencement exercises, will begin the coming Sunday, with baccalaureate services set for 8 p. m. in the high school auditorium. Baccalaureate sermon will be given by Rev. Clarence Stephens, pastor of the Muleshoe Methodist church.

Commencement exercises are an evening of Friday,

Lt. Johnson Receives "Wings Of Gold"

PENSACOLA, Fla. - "Wings of Gold" of a Naval Aviator are awarded to Marine 1st Lt. James P. Johnson, son of Mr. and Mrs. Fred J. Johnson and husband of Mrs. Nancy B. Johnson, all of Muleshoe. He was graduated from Northwestern University in Evanston, Ill., and received his commission in June, 1952.

The presentation was made by Rear Admiral Dale Harris, USN, Chief of Naval Air Basic Training, during ceremonies held at the U. S. Naval Air Station here.

Track Boys Make Fine Showing In Huge T.L. State Meet In Austin

Jimmy Clyde Holt ran a fast quarter, 50.2 seconds in the state interscholastic league meet in Austin last Saturday but had to be satisfied with a third place.

Bill Willis threw the discus more than 140 feet and took 6th place.

Muleshoe's relay team came in 7th. The team was composed of G. R. Howell, Robert Richards, Gaylord Tate, and Jimmy Clyde.

Muleshoe high school's sixth contestant in the meet, the largest thing of its kind in the world, was Tommy Donaldson. Holt's quarter mile was the

fastest he has ever run. Rosenberg, of LaGrange, won the quarter mile race with a sizzling 50 flat and Jimmy's year long competition in this event, Benny Counts, of Phillips, came in second, clocked at 50.1 seconds. Spectators said the three boys were very closely knotted at the finish line.

Coaches Leroy Scott and Elbert Johnson were very pleased at the fine showing of their charges. Scott said any sort of showing in a meet where 2200 of Texas' best boys are competing is something to be proud of. Accompanying the boys were their coaches, the team manager, Roger Gorrell; a "spare" Doyle Henry; Mrs. Scott; Mr. and Mrs. Clyde Holt, and Mr. and Mrs. Virgil Willis.

Mrs McKinstry To Present Pupils In "Parade of Music"

There will be a "Parade of Music", in the home of Mrs. Sam McKinstry, 902 W. Fifth Street Sunday afternoon, May 16, from 3:00 to 8:00 o'clock.

Mrs. McKinstry says, "You are cordially invited to drop in and hear these students, and leave at your leisure."

Hostess, members of the piano club, are Mmes. Ray Franz, president; C. E. Moore, J. T. Shofner, Oscar Allison, and L. J. Welch, of Earth.

Mrs. John Smith, secretary, will preside at the guest book.

Students who will play are as follows: First Group: Patricia Butts, Charles King, Joyce Adams, Gary Smith, Cynthia and Sylvia Pool, Kay Landers, Veta Allison, Kathy Moore, Patricia Peterson, of Lazbuddie, Barbara Simmons, Tommye Welch of Earth, with Linda Lancaster, Jean Gammon, Kay Lenderson, Alva Lee Shofner, and Jane Sanders.

Second group: Susan Allison, Davy Jean Anderson, Kathy Moore, Patricia King, Janet Franz, Jane Sanders, Tommye Welch, with Linda Lancaster, Jean Gammon, Kay Lenderson, and Alva Lee Shofner.

A special number will be Jimmy Wilkerson and Linda Lancaster, cornet and piano.

Third group: Carolyn Hinkson of Lazbuddie, Sherry Allison, Janet Franz, Kay Lenderson, Nan Allison, Barbara Hinkson of Lazbuddie, Earlene Peterson of Lazbuddie, Jean Gammon of Lazbuddie, Linda Lancaster, and by special request, five year old Tommye Welch, of Earth.

Lazbuddie High To Have Graduation Exercises May 9

Baccalaureate services were held at the Lazbuddie High School auditorium Sunday evening, May 9, at 8:00 o'clock.

After invocation by the Rev. Harold Morris of the Methodist Church, James G. Ward, superintendent, introduced the speaker, Minister Deriton Thompson of the Lazbuddie Church of Christ.

Mr. Thompson brought a very inspirational sermon, taken from the book of Hebrews, to a full house.

Commencement exercises will be held Friday evening, May 14, at 8:00 o'clock.

Fifteen are in the graduating class. They are Jimmie Carpenter, Mary Carpenter, Patience Clark, Jerry Gleason, Charlene Graef, Barbara Hinkson, Noretta James, Shirley Littlefield, Betty Littlefield, Willie Lucy, Leota Mahan, Lonnie Merriott, Leonard Smith, Frank Spitzer, and Betty Jean Wagner.

Betty Wagner is valedictorian of the class and Jerry Gleason and Barbara Hinkson are salutatorians.

Two Injured As Auto Hits Tree

Two local youths were treated for injuries that may prove serious after an automobile in which they were riding went off the highway and crashed into a tree at 11 o'clock Sunday night.

John James was being observed for a back injury and Clark Colson had a back injury and an injury to an ankle. Willie James, brother of John, was riding with the other two but was uninjured. The accident occurred on Clovis highway near Progress.

Curtis Browder picked the boys up and brought them to Green Hospital and Clinic.

The James boys are sons of Mr. and Mrs. W. M. James of Progress community; young Colson is the son of Mrs. Vera Colson of Muleshoe. The boys told investigating officers that they were blinded by the lights of another car, causing them to run off the highway and lose control.

Muleshoe Jewelry In New Quarters

The Muleshoe Jewelry, Mrs. Sallie Schuster, proprietor, is this week moving next door to their former location, into their new quarters, formerly occupied by Bill's Cafe.

Mrs. Schuster has had the building modernized, completely redone inside and out with new front and neon sign, large display windows, glass doors and all done in a special shade of blue designed by Mrs. Schuster.

A formal opening has been planned for May 28 and 29.

Rev. H. H. Copeland III In California

Rev. H. H. Copeland, former Baptist pastor, and long time resident of West Camp community, where he made his home for 28 years, and well known throughout this area, is seriously ill at his home in Modesto, Calif., where he moved in 1942.

Mrs. Clark Billingsley, daughter and proprietor of the Jack 'n Jill Shoppe here, is selling her children's wear shop, so she can be at his bedside. She and her three children plan to leave for Modesto as soon as school closes here.

Grand Opening Of "The Furniture Mart" Set Here Friday And Saturday

Grand opening of a new furniture store in Muleshoe, The Furniture Mart is set for Friday and Saturday of this week, according to announcement of Dick Forrester, owner, and Marvin Mills, manager. Three valuable prizes of household articles will be given away at 5 p. m. Saturday as a big feature of the opening.

A building just completed by Pat Bulloch, located on Clovis highway, just across from the International dealers, Johnson & Nix, has been outfitted for the new furniture store. It is 40x90 feet in dimensions and there is plenty of parking space in the neighborhood.

In a full page advertisement in this week's paper the management have issued an invitation to the people of this territory to attend the grand opening. Also, they are carrying two other advertisements of merchandise they will stock.

In addition they have inserted some reduced prices on merchandise, and described their three big prizes, and outlined the

brand name merchandise they will stock. Mr. Forrester said the firm operates on both wholesale and retail basis.

Mr. Forrester resides in Clovis, where he has operated The Furniture Mart of Clovis the last four years.

Mr. Mills, manager, who has been a Clovis resident and employed at the Furniture Mart there, will live here in Muleshoe. He is a member of the JayCees and of the Baptist Church. He finished high school in House, N. M., in 1950.

Mrs. Holland To Present Students In Piano Recital

Mrs. C. S. Holland will present her piano pupils in a spring recital Friday evening, May 14, at the First Methodist Church. Pupils to take part in the recital are as follows: Doris Gilbreath, Lynn Lenau, Tommie Hale, Carolyn Atchison, David Mathis, Treva Milhoan, Sue Mills, and Loretta Sullivan. Selections by such famous composers as Tchaikovsky and Strauss will be played.

Mrs. Sweatmon Hosts Progress H. D. Club

Progress Home Demonstration Club members met with Mrs. Sherman Sweatmon May 4, and roll call was answered with "An insect I have difficulty in controlling". Mrs. Veta Self gave a very interesting program on glass. She gave the history of glass making and displayed several interesting posters on the use of glass in the home. Her talk was followed by a discussion. Books donated to the clubs by the Pittsburgh Plate Glass Co., titled "Glamour With Glass", were passed out to the ladies. A candidate speaking is scheduled by the club, to be held early in June, with a chicken fry to be held outdoors. There will be a work day for the next club meeting, to be held at the home of Mrs. Davis, May 18. Members are urged to come as soon after noon as possible. Fiber flowers and reed work will be on the program. Members attending the meeting were: Mmes. Jesse Mae Thomas, Laurine Quisenberry, Veta Self, Elzada Gulley, Marie Maltby, Ada Murrah, Fern Davis, Joe Simmacher, Gladys Haley, and one visitor, Mrs. Lewis Simmacher.

Mothers Honored With A Dinner

Mr. and Mrs. Kenneth Hanks entertained their mothers and Mrs. Hanks' grandmother, Sunday at their place, with a Mother's Day chicken dinner. The table was laid with a lovely pink cloth, and centered with a beautifully decorated pink cake. Place cards were small pink candles. The guests of honor were presented with crowns to wear during the meal. Those present for the occasion were: Mr. and Mrs. Dick Willman and daughters Sue and Kay, and a friend, Sandra Elliott. Mr. and Mrs. Hanks and daughter, Judy, Mrs. I. F. Willman and the host and hostess, Mr. and Mrs. Hanks.

HAVE GUESTS

Mr. and Mrs. Tye Young have had as guests for the past ten days, her mother Mrs. C. L. Lowery of Wellington, and his mother, Mrs. J. H. Young, of Arlington. Mr. and Mrs. Henry Young of Artesia, N. M., were here Sunday, and Mrs. Young went home with them to stay a few days.

INJURED ON HORSE

Jack Carney son of Mr. and Mrs. Roy Carney was injured Sunday afternoon when he was thrown from a horse. Several stitches were required to close the wound in his head.

TO THE COOL MOUNTAINS

Mr. and Mrs. Babe Barbour and Mr. and Mrs. Bob Gregory are spending the week at Cowles, in the cool mountains of New Mexico. They expected to visit some of the old settlements of that section of the Land of Enchantment, and to do some fishing.

HUGH OTWELL HURT IN FALL FROM HORSE

Hugh Otwell was thrown by a horse at Clovis Sunday and suffered a broken leg. The 17-year-old boy, son of Mr. and Mrs. Chick Otwell of Muleshoe, was under treatment in Clovis Memorial Hospital this week.

CHURCH SERVICE EARLY SUNDAY EVENING

Because of the baccalaureate services for Muleshoe high senior class will be at 8 in the evening, services at the Church of Christ will begin the coming Sunday evening at 6:30 p. m. Services will be over by 7:30 so that members of the congregation may attend baccalaureate services.

Nelavene Vaughn, Lee Kimbrough Wed In Winters Church Of Christ

MR. AND MRS. LEE KIMBROUGH

The Church of Christ at Winters was the scene of the wedding of Nelavene Vaughn to Lee Kimbrough April 18, at 3:30 p. m.

The bride is the daughter of Mr. and Mrs. E. E. Vaughn of Winters, and he is the son of Mr. and Mrs. R. L. Kimbrough, M. D. Manning, Jr., Dallas, read the double ring ceremony. Wedding party included Bob Kimbrough, Muleshoe, brother of the bridegroom, best man; Dorothy Keele, Lovington, N. M., maid of honor; Jeanie Hood and Susan Roberts flower girls.

Bridesmaids were Jeanine Liddell, Mrs. Arlen Vaughn, Lubbock, sister-in-law of the bride and Mrs. Logan Templeton, Aus-

tin. Candlelighters were Mildred and Judy Kay Baggett, Houston, cousins of the bride, Jimmie Vaughn, brother of the bride, was ring bearer. Charles Gaede, Simon, Colo. Sig Kimbrough, Muleshoe, cousin of the bridegroom, and Don Mickey Sanders, Muleshoe, ushers.

Vows were said before a white wrought iron arch entwined with lemon leaves and Easter lilies. Seven floor candelabra held white tapers and flanked the arch. A basket of Easter lilies and fern were on either side of the candelabra.

Nuptial music was by a quartet from Abilene Christian College, including Mary Lee Moffitt of Louisville, Ky., Marion Taylor,

of Amarillo, a cousin of the bride, Paul Smith of Sweetwater and Jim Starks of St. Louis, Mo. They sang "Through the Years", "Because", featuring Paul Smith as soloist, "I'll Walk Beside You" with Jim Stark narrating the poem "I Love You". They sang the processional and Lohengrin's wedding march, and "The Lord Bless and Keep You" as benediction. "O Perfect Love" was recessional.

The bride was given in marriage by her father. She wore a waltz length dress of white chantilly lace and nylon net. The fitted lace bodice featured a bateau neckline outlined with a fold of net and ledge sleeves. The skirt was designed with codets of net to form full circle. Her waist length veil of illusion was attached to a half hat of lace encrusted with crystal beads. Her bouquet of white roses was outlined with white carnations.

Reception was in the home of the bride's parents. Pale pink carnations in a ceramic bowl with matching holders and white tapers on either side decorated the living room mantel. The four tiered wedding cake was served by Jean Cranfill of Roscoe, Molly Francisco of Odessa ladled the punch and Louise Glass and Margaret Baggett of Houston displayed gifts. The table was laid with white cut-work linen and centered with Easter lilies in a crystal bowl. Candles were in double crystal holders. Baskets of Easter lilies were in the dining room.

Guests were from Olney, Lubbock, Muleshoe, Austin, Fort Worth, Houston, Santa Anna, Ballinger, Abilene, Amarillo, and San Angelo.

For a wedding trip to the Grand Canyon, the bride wore a beige linen suit with pearl studded collar, three quarter sleeves with deep cuffs. The skirt was made on straight lines with back gores for fullness. Her accessories were red.

They will live in Muleshoe after August when the bride graduates from the Lubbock Memorial Hospital School of Nursing.

The bride was graduated from Winters High School in 1951. In Lubbock, she was a member of the annual staff and school paper.

The bridegroom was graduated from Muleshoe High School in 1951 and attended Texas Tech College two years. He is farming at Muleshoe.

Thirteen Present As HD Club Met

Eleven members and two visitors were present for the regular meeting of the Muleshoe Home Demonstration Club as it met May 11, at the home of Mrs. Roy Carney.

Visitors present were Mrs. Albert Davis of the Progress Club and Mrs. Aubrey Russell, District Home Demonstration agent from Lubbock. Members attending the meeting were Mmes. Carney, S. L. Robinson, W. R. Bowers, S. C. Caldwell, R. R. Benham, J. E. Day, W. H. Autrey, E. H. Baugh, Bill Elrod, R. F. Wright, and T. F. Maddox.

Roll call was answered with "Insects I have Trouble Controlling", and was followed with a round table discussion on how to reach more people of the county with Home Demonstration work.

Better management of time, income, and care of the family were discussed. The possibility of organizing clubs for young married women was also discussed.

Mrs. Russell hopes to have an applicant for Home Demonstration agent in this county soon.

Refreshments of coffee, cocoa, and cookies were served. Mrs. Benham will host the next meeting, and lessons in first aid will be presented by several of the members.

Rebekahs To Hold A Chinese Auction

Muleshoe Rebekah Lodge met for regular business session with Fern Davis, Noble Grand, and Myrtle Freeman, vice grand in charge.

Preparations for the candidate speaking were started. The speaking will be held at the Lodge Hall, May 28, at 8:00 o'clock. Lunch will be served, and a Chinese auction will be held for a lovely pair of pillow cases. The public is invited to attend.

Fourteen members and one visitor were present. Visitor was Mrs. Bernice Webber, of the Starlight Lodge of Winebago, Minn.

Mrs. E. W. Locker Conducts Royal Service Program

Mrs. E. W. Locker, program chairman, conducted the Royal Service Program as the Progress W. M. U. met May 10.

Lesson for the day was "Education For Truth In South America".

Opening song, "Wonderful Words of Life", was followed by a very interesting lesson.

Nine ladies and the pastor of the Church, Rev. Doyle Winters were present.

Benediction by Mrs. Myres closed the session.

Gaede, Carolyn Hinkson, and Lou Ann Logan. Sponsors were: Mrs. Jewell Strong, Mother Advisor; Mrs. Morris Childers, Mrs. Frank Hinkson and Mrs. John Farley. Darla Myers filed the station of Religion in the opening ceremony; Elizabeth Farley acted as Worthy Associate Advisor in initiation, and as Chaplain in balloting and Doris Fields served as Recorder in the closing ceremony.

Wanda Estep, Don Sanders To Be Married

MISS WANDA ESTEP

Mr. and Mrs. L. L. Estep are announcing the engagement and approaching marriage of their daughter, Wanda, to Mr. Don Sanders, son of Mr. and Mrs. Claude Sanders.

The wedding will take place June 12, at the Main Street Baptist Church, with the Rev. J. H. McWilliams of Austin officiating.

Youth Meeting Held At Kress

A large group of youths and their sponsors attended the District meeting of the Methodist Youth Fellowship at Kress Saturday evening. Those attending from Progress Methodist Church were: Rev. and Mrs. Carrol Jones,

Sue Atkinson, Barbara Jones, Lucille Davis, Pat Cooper, John Thomson, Ralph Cooper, and Leander Sims. Also in the group were Mr. and Mrs. George Y. Mitchell and Mona of Y. L. Methodist Church. Approximately one hundred and fifty other youth, sponsors, parents, and preachers from the Plainview District were there.

The meeting began with group singing and recreation, follow-

ed by a delicious buffet supper. Separate Sub-district meetings were held for thirty minutes. The rest of the meeting consisted of business and announcements concerning the district; a worship service; election and installation of District officers; a speaker. The meeting closed with a hymn and the M. Y. F. Benediction.

Sue Atkinson was elected District Christian Faith Chairman and Mona Mitchell Christian Citizenship Chairman for the coming Conference Year.

Stovall-Goldsmith Vows Exchanged

The Church of Christ was the scene last Saturday afternoon of the wedding of Miss Virginia Stovall of Muleshoe, to Mr. Bobby Goldsmith, son of Mr. and Mrs. Willie Goldsmith, of Muleshoe.

Vows were exchanged at 2:15 and officiating clergyman was Minister Ebb Randol, pastor of the Church.

The bridegroom is employed at King Bros. Elevator and the bride is a student in Muleshoe Schools. They will make their home here.

Twelve Present For Meeting Of Progress WMU

Mrs. Opal Pugh, president of the Progress W. M. U., conducted a short business session as that organization met May 3.

Opening song, "Break Thou The Bread of Life", was followed by the Bible study, on Daniel. The study was led by Mrs. J. H. Wimberley.

Mrs. E. W. Locker brought the closing prayer.

FOR THE GRAND OPENING

We're celebrating **TAPPAN** time AT THE FURNITURE MART

with a special showing of the space-saving **Holiday Gas Range**

Takes only thirty inches of floor space, yet out-shines big ranges in both capacity and features—gives world-famous Tappan performance. Hurry! Get your Holiday now and start enjoying a Holiday in your kitchen.

GIANT OVEN is a full seven inches wider than standard big-range ovens. It's chrome-lined, too, for faster heating.

WAIST-HIGH CHAR-KROME BROILER eliminates stooping... turns out delicious steaks and chops. Clean—Quick Broiler washes in a jiffy!

THERE'S EVEN STORAGE SPACE in this space-saving Tappan Holiday. Keeps your pots and pans right where you use them most.

See the Holiday now during **TAPPAN TIME**

Houston Post Writer Thinks It Gets Cold Way Out West Here In Muleshoe

Curtis Wellborn has brought to the attention of The Journal a column in a recent issue of The Houston Post. It was written by Buckshot Lane, Post columnist, who must have been on a tour that carried him through this section. Anyhow, Curtis thought it would be of interest, and we do too, so here it is:

By T. W. Buckshot Lane
MULESHOE—Dear Mr. Editor: I start this column in Muleshoe, Texas—and because it is Mule-

shoe I am going to jump from the train—so that forever when reading of how cold the papers report Muleshoe, I can from now on say on an April day in 1954 I was in that city of Muleshoe. I now am back on the train. I have been in Muleshoe, and because I have been in Muleshoe, I fear it will be minutes before I can finish writing of the city so many claim to be the coldest spot in Texas. It's barren around there, not too much to the place. Apparently an irrigated farm

area, there is a wheat storage plant there—it's very sandy and certainly could not be classed as a city.

I now never will have to be told, it sometimes gets cold there. One of the natives laughed when I said, it's a bit chilly here this morning—when he laughed he said, man it's summertime here—you should come here during winter.

As he said it, he looked me over and then said from where did you come? I said oh I'm Texas, he said yes from your talk I suspected that, but I bet you come from down there where people are webfooted. I said sure, Wharton, but no longer are we webfooted. He grinned and said if you stay around here that sunny California suit likely is going to get you a cold.

That thing may do later on in the year, but here at this time of year, those things won't do—I agreed and said Mister, thanks for the talk, but I ain't staying here, my train is ready right now and so am I, 'cause me and this suit we are both cold. On crawling back in my seat to finish this column, I found Muleshoe had done something to my fingers. There were a few goose pimples on me I knew, but until I hit the keys of the typewriter I didn't realize it was colder than I thought, or else I was older than I suspected.

My fingers failed to function and until warming up on this train they registered coldness and stiffness of the joints. I am now finishing the column after having pulled out of Clovis, N. M. and between Muleshoe and Clovis we have stopped in Farwell, Texas, which is on the state line and at the place we lost an hour. We now are a few miles out of Clovis, and outside there, there is a dust blowing.

It's a desert land out there—not only is it a desert land, it's desolate looking land, but the guy sitting in the seat across from me says brother to you it may look desolate, to me it looks promising. You probably don't know it—you don't live out there—me I know it I live here. Give that desolate looking land water and it changes to a veritable Garden of Eden.

Man you webfooted Texans know so little about us sand crawl Texans, if you had our land and climate with your water you could clothe and feed the world, or if we had your water and let you keep your climate, then we could feed and clothe the world.

It's funny but it's true, we Texans are strangers to each other. Look at your dress and

look at mine, I am not making fun of you, but fellow, that South Texas suit you have on, up here it's going to freeze you to death. I know were I down there in South Texas, then this suit I have on would burn me to death.

I didn't tell him so, but in Muleshoe, Texas, I found it out. I got to get out of this summer suit, and Muleshoe, Texas, I now know from first hand information is one of the coldest spots in Texas.

Today's Meditation

SERVING GOD WITH REVERENCE

O sing unto the Lord a new song; sing unto the Lord all the earth. (Psalm 96:1). Read Psalm 96:1-9 or John 1:6-14.

Along the streets of a strange city, I heard one morning a street sweeper singing one of the Church's great hymns of faith. Though he was singing a song I knew, there was a newness about it that made me listen; he was singing from his heart. The song lifted mine also.

It was a like experience about which the psalmist was speaking when he said, "Oh sing unto the Lord a new song." He was urging his people to take an old song and put new life into it. He wanted them to have a new song inspired by a new heartfelt experience of God. Only then could the song be new.

If we are to sing unto the Lord a new song, it will be done as we continually find new depths in our spiritual relationship with our God. When our hearts become strangely warmed by the awareness of that fellowship, our songs will be new. They will be sung in a new spirit, with new reverence.

PRAYER

O God, help us this day to seek new depths in our spiritual relationships with Thee and also with our fellow men. Thus put in our hearts a new song. This we ask through Jesus Christ our Lord. Amen.

THOUGHT FOR THE DAY
"Little can sweetest song avail
If from the heart it does not come".
Harold N. Nye (Idaho)

Fellowship Hall Scene of Mother Daughter Banquet

The Mother-Daughter Banquet which is sponsored annually preceding Mother's Day, by the Lucy Hanks Philathea Circle, was held on May 6, at 8:00 p. m. Fellowship Hall, which was beautifully decorated in pink green and white to carry out the May-Day theme, was the scene of the banquet.

One hundred-five guests were registered. Charlene Bickel presided at the guest book. Invocation was given by Mrs.

C. C. Stephens.

Following a delicious meal of baked ham with all the trimmings, and a cake iced in pink and green to carry out the color scheme, a very entertaining program was given by Kathy Moore, Venita Allison, Carolyn Allison, Joyce Adams, Linda Lancaster, Alva Lee Shofner, and Kay Lenderson all music pupils of Mrs. Sam McKinstry.

Mrs. Noel Woodley, who was guest speaker for the evening chose a very fitting subject for the occasion, "Your Mother and Mine". "Teach a child in the way he should go, and when he grows older he will not depart from it", was a verse from the Bible Mrs. Woodley quoted. This verse reminded the mothers of the responsibility that rests on their shoulders.

Mrs. Woodley also reminded daughters that to be reared in a Christian home is a great blessing.

Helen Gardner, mistress of ceremonies, presented beautiful long stemmed red roses for prizes to Mrs. L. M. Fowler, oldest mother present; Mrs. Douglas Jones, youngest mother present; and Mrs. L. R. Hogan, mo-

ther with the most daughters. Mrs. Hogan has six daughters, all of whom were present.

Junior SS Class Church of Christ Enjoy Weiner Roast

Mr. and Mrs. O. C. Hail entertained the Junior Sunday School class of the Church of Christ, and other friends with a weiner roast Thursday evening, April 16.

The children played games, before the roast while the adults enjoyed a social hour.

Those present other than the host and hostess and their son Buddy, were the teachers of the class Mrs. W. H. Rutherford, and Mrs. E. E. Holland, Mr. and Mrs. T. R. Smallwood and daughter Karen, Mrs. Gene Lowe, Delores and Bobby, Mrs. L. E. Martin and Carolyn, John Upton, and Junior Lee

Members of the class attending were: Carl Dee Anders, Jack Carney, Don Finn, Karen Goldsmith, Patsy Holly, Glennas Lowe, Joyce Sims, Frances Stovall, and Kay Cherry.

Rainbow Girls Hold Installation

A beautiful and impressive initiation ceremony was held Thursday evening, May 6, by Muleshoe Assembly No. 161, Order of the Rainbow for Girls, for Marcia Dale Redwine, Nan Allison and Malita Cawthorn.

After the ceremony, the girls held their regular election of officers for the ensuing term, with the following girls being elected: Elizabeth Farley, Worthy Advisor; Helen Stovall, Worthy Associate Advisor; Darla Myers, Charity; Marian Harris, Hope; Ginger Gaede, Faith; The Appointive officers are: Charlene Graef, Chaplain; Jean Louise Gammon, Drill Leader; Joy Dean

ERECT YOUR OWN "TRUSSLESS"

18 gauge steel

Wonder Building

in a FEW DAYS

... IT'S THIS EASY

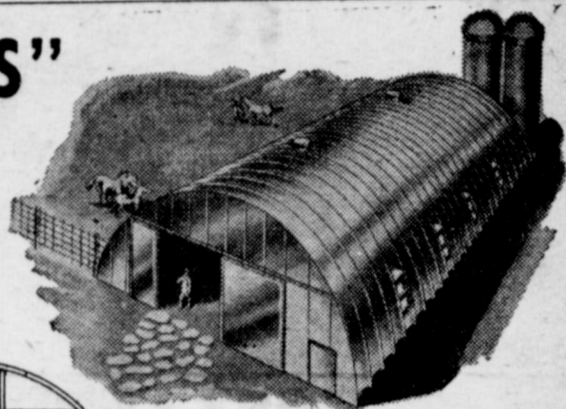

You simply make an erection scaffold slightly shorter than the height of the size building ordered. Lap and bolt half arches on the ground as indicated.

Lift an assembled single half arch and lean against scaffold

Set the other half arch on the other side of the scaffold. Lap and bolt to complete one full arch. Continue this same procedure, building seams together until your building is completed.

LOW COST

- No Foundation!
- Standard Steel Ends Furnished
- 18 Gauge Galvanized Steel!

THE ONLY FASTENING IS A NUT & BOLT!

The average household probably contains all the tools you need to erect a Wonder Building. You can use simple tools like a wrench and a screwdriver. For faster bolting you might want to use a ratchet wrench or an electric tool. Many Wonder Buildings have been completed in two days. Wonder Buildings are fireproof and withstand heaviest wind and snow loads. Wonder

Buildings come in many widths, 20', 30', 40', 50', 60' and as long as you want it. The building is demountable and may be lengthened or shortened two feet at a time at will. There are absolutely no braces or trusses of any kind. Wonder Buildings are used as Barns, Machine sheds, cattle shelters, for grain storage, etc. There is no place for birds to roost.

But I'm just bustin' my buttons over the fact that my fellow employees at the Public Service Company have worked one-million man-hours without a lost-time accident.

They've been striving for this goal for a long, long time, and have been mighty close to making it before. Yes, they made more than 600,000 hours one time, and 910,000 another, but they never quite hit the magic million. This time they have!

This safety record is, of course, very important to you. The safe worker is the dependable, productive worker, and the one that makes possible the most economical, as well as the best, electric service.

Making a million man-hours without a lost-time accident is like making your first million dollars—it's the hardest million. We're shooting for two, now, and hope to make it, for safety makes your service better.

THE MULESHOE JOURNAL

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY
 VOLUME 32, NUMBER 19 MULESHOE — County Seat of Bailey County — TEXAS THURSDAY, MAY 13, 1954

MHS Newspaper Presented With Award of Merit

The Hee Haw, school newspaper of Muleshoe High School, today was presented an Award of Merit in Journalism by the University Interscholastic League Press Conference. The award recognizes the paper for the work done by its staff during the 1953-54 school year.

The Press Conference, Texas wide organization of 250 public school publications, climaxed its 27th annual convention in Austin today with this announcement of the rating of member papers in each of five classifications. The Hee Haw was one of 11 papers within its classification to receive this award.

The Award of Merit is given "in recognition of the worthy contribution which, by maintaining a notable level of journalistic quality, the paper has made to the school for which it was published."

WEEKENDED HERE

Joe Upton and his room mate Ronne Clark, of Yuma, Ariz., weekended here with Joe's parents, Mr. and Mrs. Onard Upton. Both boys are students at Texas Tech.

Sewing School Is Conducted Here

AT NECCHI SEWING SCHOOL — About 60 local ladies attended the ten weeks Necchi sewing school which was held in the Harvey Bass Appliance store, Necchi dealers here. Mrs. Joe Benham, teacher of the sewing part of the school, is shown seated at right. Mr. and Mrs. Bass, shown in foreground, taught the fancy stitching work. Jackie Henderson, seated by Bass, is a salesman for the concern. Photo by Cline's Studio

Rural Mail Box Improvement Week

The Post Office Department has designated the week beginning May 17, 1954, as Rural Mail Box Improvement Week. Hereafter the week designated as Rural Mail Box Week will be the week beginning with the third Monday in May, each year.

It is the desire of the Department to encourage patrons of the rural delivery service to provide suitable mail receptacles and to erect them so they will be readily accessible to the carrier and present a neat appearance. It is especially desirable that the boxes be maintained in a condition that will assure prop-

er protection to mail placed therein, that the names of the box owners be inscribed on the side of the boxes visible to the carrier as he approaches them, and that the boxes and their supports be kept painted. Patrons who have unapproved boxes of top-opening, revolving door or other type are not required to discard them provided the boxes have been in use by the present owners for several years and are maintained in good condition.

Any boxes not of the present standard type which are of such design that they cannot be properly served by the carrier from his vehicle or are in such condition as not to protect the mail,

should be replaced with boxes of the approved types. Boxes, regardless of type should, of course be of such design and such condition that there will be no likelihood of the carrier's being injured when servicing them.

Cooperation of all rural patrons in helping make this Mail Box Improvement Week a success will be greatly appreciated by your Carrier and Postmaster.

ATTENDED OPERA

s. Alpha Julian, Mr. Mr. and Mr. Mr. and Mrs. Alpha Julian, Mr. and Mrs. Ikey Bayless and daughter, Jennie, and Mr. and Mrs. Walter Witte, attended the Grand Ole Opera, at Clovis N. M., last Tuesday evening.

McCarroll Given Gas Co. Position

C. I. Wall, vice-president, Pioneer Natural Gas Company, has announced that Bill McCarroll, advertising manager for that company's West Texas Division, with headquarters at Lubbock, has been named advertising and sales promotion manager for the company on a systemwide basis, effective May 15. McCarroll will make his headquarters in Amarillo but for the time being will divide his time between the Lubbock Division and the Amarillo Division.

McCarroll is a graduate of Arkansas State College. He spent eleven years in the newspaper and allied fields before being employed in March, 1948 by Pioneer's predecessor companies. He served at Amarillo for a time as editor of 'The Gas Employees' News, and in January, 1949 came to Lubbock to be advertising manager for West Texas Gas Company one of Pioneer's predecessors.

McCarroll has been active in civic work in Lubbock and served a term as president of Lubbock Advertising Club. His wife, Merlie, is employed at the Citizens National Bank.

A Hydra-Matic GMC pays you back 6 ways

SURE, GMC's Truck Hydra-Matic Drive costs extra on some light-duty models. But man—how it pays you back!

You save gasoline—because GMC Hydra-Matic cuts the high consumption of fuel in stop-go use.

You save tires—because GMC Hydra-Matic's velvet-smooth getaways prolong tire life—by as much as three times in some operations.

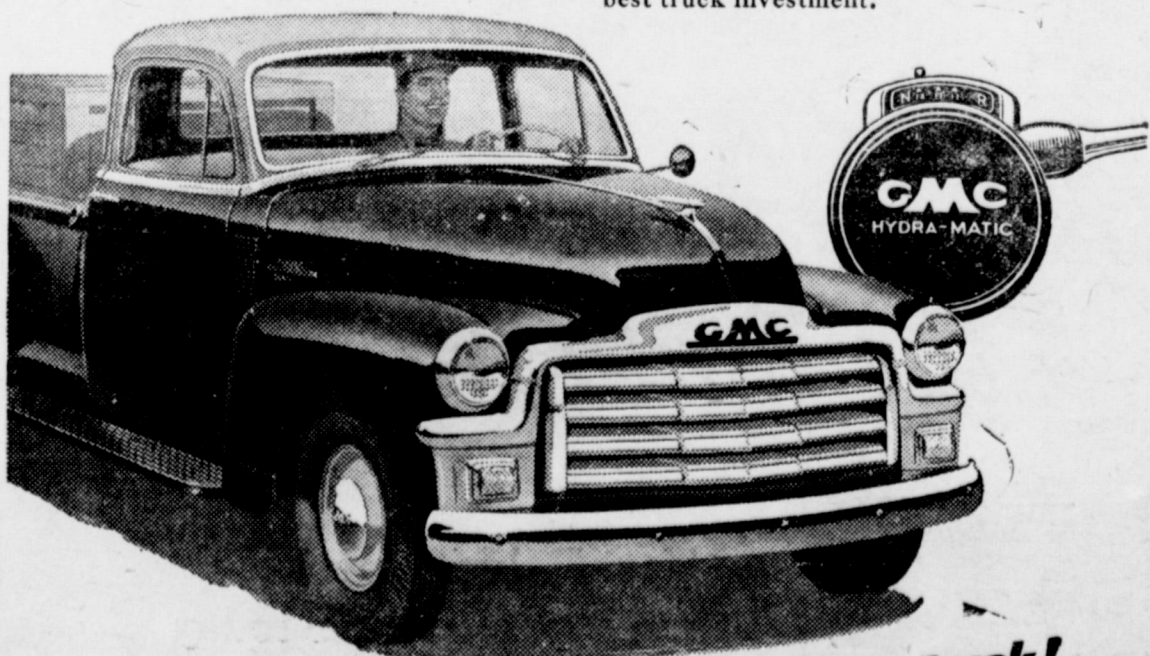

You save maintenance—because GMC Hydra-Matic ends all clutch costs—prevents shock-loading damage.

You save time—because at every start, GMC Hydra-Matic ends shifting lags, gets up to road speed quicker.

You save yourself—because GMC Hydra-Matic frees you of all clutching and shifting chores. And being fresher, more alert, you're quicker to avoid hazards that could be costly.

You save on trade-in time—because a Hydra-Matic GMC will rate a higher price than old-type hand-shifted trucks.

Are you a shrewd buyer? Then drop in at our showroom. We'll prove that a Hydra-Matic GMC is your best truck investment.

Get a modern truck!

Parmer County Farmers Advised To Make Determined Fight On Bindweed

Parmer County Agricultural Agent Joe W. Jones advises farmers to get after bindweeds in 1954 and stay after them until you have killed it out. This job of killing it out isn't easy either and usually takes several years with the present known methods. Last week the County Agent along with others from Parmer County heard Dr. Allen Weise, who is in charge of Weed Control Work at the Amarillo Experiment Station, discuss the difficulty in controlling Field Bindweed sometimes known as Possession Vine.

Dr. Weise warned farmers to be on the lookout for this weed and not to ignore it, just because it is a small plot today. He reminded the group there that day how bindweed seeds could lay dormant for years and then germinate. They have been known to germinate after laying in the soil for 40 years.

This points up the difficult job of eradication once you let them go to seed. It should be called to everyone's attention the difficult task of eradicating this weed and the importance of getting after it when you find it and not putting it off until next year. The time to get after the bindweed is when you discover you have it.

Dr. Weise discussed the use of 2-4-D in killing this weed. He has found 1 pound of 2-4-D acting ingredient mixed with water will do a good job. He points out though that the weed must be in a growing stage. Dr. Weise

stressed the importance of treating the weed in the proper stage if good results are to be obtained. Soil Sterilants also do a good job when used in sufficient quantities and under the right conditions.

Where soil sterilants such as Polybor Chlorate, Sodium Chlorate, Attilacide, Salt, etc., are used moisture is needed to carry them into the soil where they will do some good. The County Agent suggests farmers do not cultivate through bindweed plots where it can at all be avoided. He further suggests farmers dig up around small spots and treat with a soil sterilant and flood with water where possible. At any rate start doing something to keep this weed from becoming more wide spread.

The Farm Bureau has appointed a Committee to push weed control in '54 and see if a more concentrated effort can't be put behind this program. This committee and the County Agent plan to carry on an educational program to acquaint farmers with this weed, and the best control methods available.

Freezing Eggs While Price Is Down Advised

College Station, May 10—With eggs lower in price now, housewives can save money by freezing them. Frozen eggs will keep in good condition from 9 to 12 months. Eggs are broken out of the shell for freezing.

Yolk and white may be frozen separately, or whole eggs can be stirred to make a uniform mixture. Foods and nutrition specialists of the Texas Agricultural Extension Service say freeze eggs in quantities to be used at one time.

The kind of recipe in which the eggs will be used is important. Do not beat. Strain through a sieve. To one cup of whole eggs, add ½ tablespoon of ONE of these — sugar, corn syrup, or 1 teaspoon of salt according to the kind of recipe in which the eggs will be used.

Yolks frozen alone should be stirred with a fork and strained through a sieve. Add to a cup of

egg yolks ONE of these — 1 tablespoon sugar, 1 tablespoon corn syrup, ½ teaspoon salt. Strain eggs whites through a sieve, and freeze without stirring or adding anything.

The trays used for freezing ice cubes make convenient containers for freezing in small amounts. The trays should be lined with Cellophane. Frozen eggs may then be forced from the dividers and stored in the freezer.

Thaw at room temperature, in cold running water or in refrigerator. Mix contents of package thoroughly before using. Use thawed eggs within 24 hours. Do not refreeze.

For further information on freezing foods, ask your county extension agent for bulletin B-175—Frozen Foods, or write to the Agricultural Information Office, College Station Texas

Reese AFB Plans Open House For Armed Forces Day

The Army, Navy, Marines and Air Force have combined to present a variety of displays and demonstrations representing the military power of the Armed Forces at the Reese Air Force Base "Open House" on Armed Forces Day, Saturday, May 15.

Using the same slogan as last year "Power for Peace", this year's Armed Forces Day will be distinguished as a time for tribute to the teamwork of the nation's armed forces and to the unity of the American people.

Although the observance is being staged at Reese AFB, it is by no means a strictly Air Force

show. Reese happens to be the largest military installation in this vicinity and holding the observance here is more practical for participation of the various services concerned.

All branches of the service will be represented affording visitors of the South Plains an opportunity to get an overall view of the combined might of our armed services and witness the close cooperation between branches of the service.

On May 15, the main gate at Reese will be open for visitors at 11 a. m., although the day's events will not officially get underway until noon.

Every effort is being made to provide South Plains residents an opportunity to see modern air-

craft, both on static display and in flight. Flyovers of Lubbock and Reese will consist of the latest jet aircraft to include the B-47 Stratojet and B-36 intercontinental bombers.

RELEASED SATURDAY

Mrs. R. T. Tibbets was released Saturday from the Amherst Hospital, where she had been recovering from an attack of asthma.

WERE GUESTS

Mr. and Mrs. J. C. Tibbets of Rochester, were weekend guests in the home of his brother, R. T. Tibbets.

IT'S AMERICA'S "BEST SELLER"

Because it's America's Best Buy

Ford has pioneered in bringing the most worth-while things to the most people . . . and more and more people are now buying Fords

FOR A LONG TIME, people have recognized that Ford is the "Worth More" car. And they have been expressing their preference in a great and growing volume of purchases.

The reason is simple. More and more people have found in Ford everything they want and need. They have found that Ford offers exterior beauty that has set the trend for the industry . . . interiors that are so colorful and in such good taste that just sitting in a Ford is fun.

If you're in the market for any new car, you'll be missing something if you don't come in and value-check a Ford point by point. And when you Test Drive a Ford and find out what a brilliant performer it is, you'll really understand why Ford is America's Best Seller and America's Best Buy.

In the first place: Ford offers the two most modern engines in the entire industry: the completely new 130-h.p. Y-block V-8 and

the outstanding new 115-h.p. I-block Six.

As for comfort—Ford is the only car in its field with Ball-Joint Front Suspension. This amazing new principle provides a degree of handling and riding ease that cannot be equalled in any car without this new suspension system.

Choice, too, is a department where Ford excels. You'll find just exactly the car for you among the 14 body styles and more than 100 body color and upholstery combinations in Ford's three great lines.

And consider these facts, too. Ford is a completely modern car. The advanced fine-car features that make it "Worth More" when you buy it, will also make it "Worth More" to someone else when you sell it.

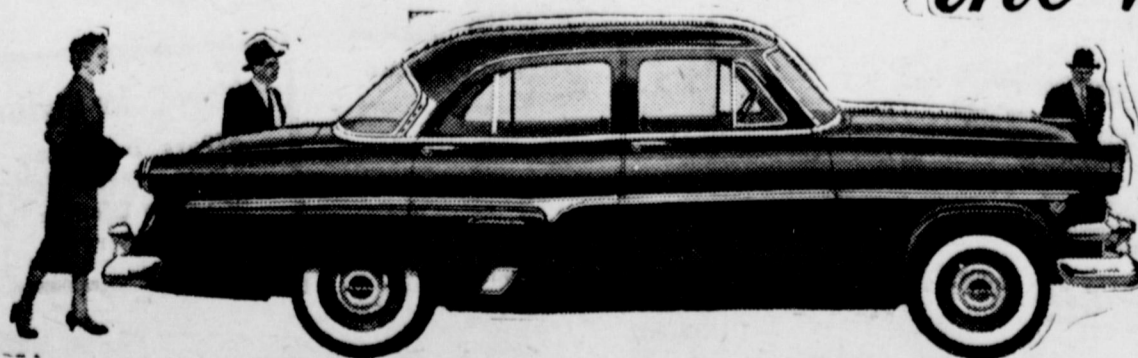

Why not accept our invitation to Test Drive a '54 Ford. We believe that you've never driven a car in Ford's field that is in any way comparable.

FORD'S OUT FRONT

National new car registration figures* for seven-month period show Ford in the lead by thousands!

Clovis Air Force Base Plans All Out Celebration Armed Forces Day

Clovis Air Force Base plans an all out effort for the celebration of Armed Forces Day, the 15 of May. Armed Forces Day will be celebrated throughout the world, wherever our Armed Forces are stationed. This, the fifth Armed Forces Day since its inauguration by Presidential Proclamation in 1950 promises to be the most enlightening of all to date. On this occasion the Armed Forces throughout the world will demonstrate to the American people and our friends overseas their increased teamwork, efficiency and their technological

advances. The Air Force will conduct flyovers with the latest types of combat aircraft over all major cities in the United States. Among the aircraft that will fly over Clovis and Clovis Air Force Base are the B-36, the Air Force's 10 engine inter-continental Bomber, the 6 engine jet B-47 Bomber, F-86 Saberjet from Clovis Air Force Base, as well as other types. At Clovis Air Force Base, the residents of surrounding communities will get a first hand look at some of our most advanced

ed fighting equipment. There will be jet and conventional aircraft on display. Flying equipment, survival equipment and armament will be on display with the pilots who use it available to explain how it works. The Mobile Training Detachment will exhibit cut-away jet engines to show the inner workings of the power plant that drives the F-86 Saberjet. Training films and combat films used to train our fighting men will also be shown. Clovis Air Force Base will hold "Open House" for the people of this area from 9 a. m. to 5 p. m. on May 15 and will start the Armed Forces Day celebration at 10 a. m. with a formal parade. A host of dignitaries from the State of New Mexico and the surrounding area have been invited to participate in the celebration.

part-by-part proof...

Plymouth

is your "best buy" in the lowest-price field!

Recently a 1954 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

Plymouth is "best buy" in many ways. Here are just a few!

Front Wheel Brakes
Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth stops without "grabbing." The other two low-price cars have only one.

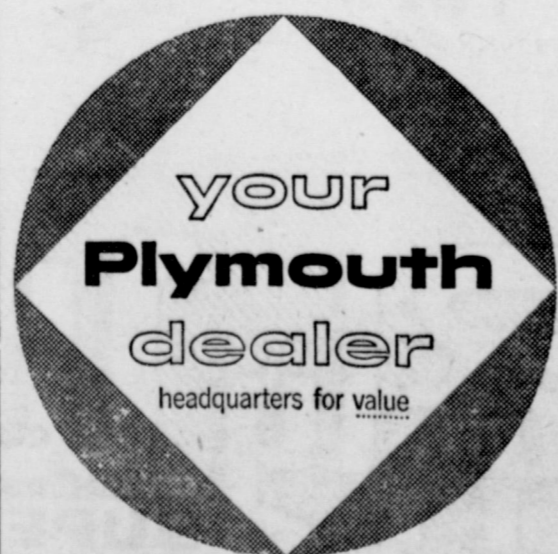

Seat Springs
Plymouth uses coil seat springs, for longer lasting support. The "other two" have a zigzag platform type. Also, Plymouth's "springs-on-springs" design adds more comfort.

Piston Rings
Plymouth has four rings on each piston; the "other two" have three. Result: decreased carbon deposit, more consistent power output. Increased oil economy, too!

Micronic Oil Filter
Standard on most Plymouth models. Keeps abrasive dirt out of the engine, reducing wear and achieving greater oil economy. Extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

Go for a drive in America's "best-buy" low-price car!

A PERMANENT DISASTER FUND NEEDED

Two knotty problems confronting Texas Agriculture rate top priority on the agenda of state affairs.

Some rain has fallen over the state but we are still experiencing a drouth "hangover", and we have no comprehensive water conservation program. The situation is commanding a lot of attention — both on the state and national levels. A great deal of money has been spent on drouth relief and more will be used. But so far, all measures have been on a temporary basis.

Any temporary relief measures should be followed by a permanent program set up to offer immediate aid in times of natural disasters. We should not be lulled into a false sense of security just because an obstacle has

been overcome on a short-term basis.

The Texas Legislature should provide for a permanent emergency fund to be used for direct disaster relief. This money would be used for agricultural relief on a direct grant or loan basis for those wiped out by natural disasters — and these disasters occur with historic regularity.

Such a fund, provided by the state, would prevent the necessity for asking Washington for aid when the state is in trouble. As far as it is possible, state problems should be solved by the state.

There are many critics to such a plan. They claim too much tax money already is being spent for services to agriculture. However, no state activity is more important than the preservation of our farm economy.

From where I sit... by Joe Marsh

The "Write" Prescription

Noticed three half-finished letters lying on the counter down at Jones' Drug Store last week. "Writing three at once, Doc?" I asked.

"No," Doc said, "you are—you and the rest of the town. Those are for the boys from our town who are at the National Guard encampment."

"Everyone who comes in adds a line or two, and when a couple of pages are filled, I mail them. That way the boys hear from folks who might not write otherwise. They sure do enjoy it."

From where I sit, little things can add up pretty big. A few short notes make a letter. Boys from our little town help build up a strong National Guard to protect our freedom. Even freedom is made up of a lot of things — living where we like, voting the way we think is right, choosing between coffee, tea, or beer at dinner. And anything that adds up to freedom gets my stamp of approval.

Joe Marsh

Copyright, 1954, United States Brewers Foundation

If additional taxes are not in order for an agricultural relief fund, then careful pruning of the present budget and consolidation of some of our state agencies could provide part of the needed money for such a program.

Money spent in this manner would not be a "dole" to farmers Distributed on a loan basis, it would be returned with interest. When direct grants are made, it would make possible the continuation of a farm activity which puts many millions of dollars into channels of trade each year.

In the long run, the economy of our state would benefit the most.

ATTENDED BANQUET

Evelyn Upton attended the Spring Banquet of the Church of Christ Bible Chair at Texas Tech Saturday evening. Her escort was Franklyn Greer, editor of the Christian College, paper of the Bible Chair. The banquet is an annual affair, and the theme this year was "Dreamland". The banquet was held at the Broadway Church of Christ.

Evelyn spent the night with Nancy Lee, in Horn Dormitory, and rode home with her brother Joe and his roommate Ronnie Clark Sunday.

"Son, when you take over, this General Electric motor will still be driving our pump!"

"You see, son, General Electric built this motor to last longer. Look at that cast-iron construction—rain, sleet, or dust can't hurt this motor! We don't have to worry about steel bands rusting away. And no extra protection like a shed is necessary because this motor is fully protected against all kinds of weather. "Another thing I like about G-E motors is that you don't have to lubricate them for a long time. When you do, there are only two places to take care of—one at the top and one at the bottom—both easy to get at."

"Notice that G-E control—protected against the weather just like the motor. It protects our motor against overloads, undervoltages, and short circuits. And I don't have to worry about you getting hurt because you can't open the panel while the power is on."

"General Electric knows our irrigation problems, and they have the engineering experience to give us the motor and control team that will do the best job. Yes, son, when you take over, profit by my experience. Insist on G-E motors and controls!"

Be sure to ask your local pump dealer for G-E motors and control for your irrigation pumps.

Jane Reese Is Shower Honoree

Mrs. Jane Reese was the honoree of a stork shower Friday afternoon, at the home of Mrs. Jesse Osborn.

Decorations were carried out in green and white. The serving table, covered with a white lace cloth, was centered with an arrangement of white iris and bouquets of various colored flowers were placed throughout the house.

Refreshments of lime sherbet punch, ice box cookies and mints were served to the approximately thirty guests who attended and the hostesses.

Mrs. Claude Riley and William Ladd Jones presided at the serving table.

Why FARM PROPERTY INSURANCE is your most dependable hired hand

You know best how Mother Nature can play havoc with your house and other farm buildings, machinery, livestock and crops. Fire, lightning, windstorm, tornadoes, flood and hail, cause tremendous property losses.

Sufficient insurance coverage can give you all the protection you need. Then, when trouble comes, the promises of your reliable hired hand, your insurance policy, will relieve you of financial worries.

When you're in town, drop in and we'll discuss how this "hired hand" can work for you.

Fidelis Class Met At Lee Pool Home

Members of the Fidelis Class of the First Baptist Church met at the home of Mrs. Lee Pool, Thursday evening, May 6, at 6:00 o'clock for a business session.

Laura Killian gave the opening prayer, and Mrs. Jewel Pool presented the very interesting devotional on prayer. Mrs. Marie White presided over the business meeting which followed.

During June, July, and August, the class will meet on the first Thursday at 8:30 a. m., the meetings to last through 12:00 noon.

Opal Morrison will be hostess for the next meeting, and Zida Mae Black will bring the devotional.

The meeting adjourned with Opal Morrison dismissing in prayer.

A beautiful piece of china was presented to Mrs. Edith Blaine. Games were played, and a refreshment plate of ice cream and angel food cake was served to

Marie White, Laura Killian, Edith Blaine, Lou Green Doris English, Opal Morrison, Zida Mae Black, Lida Wilhite, Effie Hicks, Sylvia Pool, Beth McLeroy, and the hostess and her husband, Lee Pool.

Mrs. Alsup Honored For Mother's Day

The children of Mr. and Mrs. J. L. Alsup honored their mother last Sunday by gathering at the family home here, and those who could not be present called her by long distance telephone.

Present were: Mr. and Mrs. James L. Alsup and sons, Robin and Donnie of El Paso; Mr. and Mrs. R. D. Sparks and children, Jane and Johnnie, of Lubbock; Mr. and Mrs. Charles Alsup and sons, Dick and Davy, and Mr. and Mrs. Lloyd Alsup of Muleshoe.

Among the pleasant experiences of the day was talking to Lt. Col. Herschel Alsup, wife, and son in Wurzburg, Germany, and Joe B. Alsup of Los Angeles, Calif.

Half Century Members Discuss Trip To Ruidoso

Members of the Half Century Club met at the home of Mrs. Anna Moeller on May 6 for a covered dish luncheon and social.

The occasion was the celebration of Mrs. Moeller's birthday.

A discussion was held on taking a trip sometime this summer to Ruidoso, N. M., and anyone who was not present at the meeting, but who wishes to take the trip is asked to contact either Mrs. Walker, Mrs. Farrell, or Mrs. Julian.

Mrs. Clara Willman will be the hostess for the next meeting, which will be held May 20.

Members present for the birthday celebration were the following: Mmes. Jennie Panter, Lois Schoenberger, Clara Willman, Beulah Carles, Bertie Paul, Mattie Duke, Lucy Harden, Pearl Moore, Alpha Julian, Lula Kistler, Daisy Engram, Laura Gilbreath, Gessie Mardis, Hazel Farrell, and Hertha Walker.

Visitors attending were: Mrs. J. W. Johnson, Wilma Singer, Luana Walker, Betty Swint, and children, and Claudia Huber.

Miss Patsy Gore And Gerald Green Plans Revealed

Mr. and Mrs. A. W. Gore of Star Route, Sudan, are announcing the engagement and approaching marriage of their daughter Patsy, to Mr. Gerald Green, of Muleshoe, son of Mr. and Mrs. Lloyd Green, of Albuquerque, N. M.

The wedding will take place sometime in June.

Thirteen Golfers Attend Tournament

On Wednesday, May 5, thirteen Muleshoe lady golfers went to Plainview to enter in the monthly tournament sponsored by the Ladies West Texas Golf Association of which the local club is a member.

One hundred-twenty players were registered, from Lubbock, Plainview, Muleshoe, Littlefield, Levelland, Morton, and Brownfield.

A noon lunch was served by the host club. Two of the top-notch golfers from Muleshoe, Naomi Alcorn in Flight 1, and Ruby Hart in Flight 11 won medals. All the ladies reported a wonderful day.

They left Muleshoe about 7:30

a. m., and returned home about 4:30 p. m.

The next meeting will be held June 2, at Hillcrest Country Club in Lubbock.

Those attending from here were: Mildred Lambert, Hope King, Jo Wood, Lois Lenau, Nona Blake Douglas, Tiny Kim, who arrived in Muleshoe

Forbes, Ruth Malone, Edith Evans, Dorothy St. Clair, Eunice Evans, Melzine Elliott Ruby Hart, and Naomi Alcorn.

CONGRATULATIONS

BABSON SAYS—
Business Conditions Looking Up

Babson Park, Mass., May 13 — Last December in this column I predicted we would NOT have a sharp drop in business during 1954. So far this has not taken place. The question is: What will be the pattern of business from here on? This I will discuss in a few weeks when I place. The question is: What the last six months.

HOW BAD ARE CONDITIONS?

Because some of my critics were overly pessimistic for the first quarter and business conditions failed to bolster their attitude, they have now become pessimistic about the second half. I think they are still wrong! Sure, retail sales have dropped some in an number of lines since the first of the year. Automobile sales for most companies have been poor. Steel production has slowed to about 70% of capacity, but is still almost 30% better than that of 1940 or 1946. The squeeze has been on, too, for the marginal farmer, with the trend to larger farms, farm income caught the farm machinery manufacturers off balance. I anticipate this condition will continue well into 1954.

The leveling-off in business activity which figures such as these represent will be reflected in the business of the railroads. During this second quarter our railroads are anticipating about 27% decline in automotive shipments, a 17% decline in steel loadings, and an approximate 8% decline in coal and coke carloadings. On the other hand, some increase is expected in transporting such things as fruits, frozen foods, cotton, and cement. So, I forecast that total

business conditions will be better than in the second quarter of last year.

REASONS FOR OPTIMISM

There are, in fact, some substantial reasons for optimism. For nearly a year now we have been working down the unsold goods on our shelves and in our warehouses. People are still in a good position to buy; they have the money. Did you know that personal income rose to about \$285 billions by the end of 1953, compared with around \$280 billions at the end of 1952? During this same period, salaries increased more than 2% so that our living standards and savings reached the highest point in history.

Further, our banks have both cash and government securities in an amount equal to about 60% of deposits, and the easy-money policy which encourages business is back with us. The construction industry keeps booming. For example, the Commerce Department reports that new construction expenditures for first-quarter 1954 were the highest in our entire national history. A number of manufacturers polled indicate that March 1954 was either the second or third best in the history of their companies.

THE UNEMPLOYMENT QUESTION

There has been too much loose talk about unemployment. I am especially concerned by the way in which unemployment data have been presented by many magazines and newspapers. This could have an adverse psychological effect upon business which is not warranted. Granted,

SAND HILLS PHILOSOPHER—

Comes Out With Preposterous Solution For Ending The Water Problem

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is proposing one of the most unworkable plans we've ever heard of, as you'll see from reading his letter this week.

Dear editor: I have been noticing in nearly every newspaper that turns up out here on my Johnson grass farm where nearly every candidate, regardless of the office, has come out forthrightly for more water for Texas.

One candidate I know bitterly accuses his opponent of having done nothing about the drought. "Here we've had a drouth for five years and he hasn't done a thing about it except talk", the candidate said.

While up to now I didn't know there was anything else you could do about it except talk, in fact, a drouth has always struck me as sort of like a depression, all any politician has ever figured out to do about it is deplore it. I am glad to find out more candidates are incorporating the water situation in their platforms. It's a healthy sign. It ain't that they can do anything about it, it's just that when a man's miserable he likes to have

across the country there have been more instances of local labor surpluses. No one likes to see anybody out of work. But the picture is not nearly so alarming as some analysts would have us believe.

I believe the best way of presenting unemployment figures is on a per capita or percentage basis. To illustrate: In 1928 the population was 120,501,000. The unemployed totaled 2,935,000. Therefore, the per cent of unemployment per capita was only 2.4. In 1938 the population had increased to 129,825,000 and unemployment to 10,390,000. The per-capita unemployment, therefore, was then 8%. Now take 1954. Our present population numbers roughly 160,000,000. Even with a high estimate of 4,000,000 unemployed, the per-capita percentage figure would equal only 2.5 or about the same as in the boom year of 1928! Be careful how you let the prophets of doom lead you astray. Business conditions are good, and with your help they are going to be even better in the months to come.

sympathy, and a politician who hasn't learned to find out what the people are disturbed about and come out against it, hasn't learned the first lesson in voting.

I notice some of the politicians are pointing out that the main trouble with the water situation in Texas is that we don't keep enough of the water that falls on the state, most of it runs off into the ocean, and lots of people are proposing we build more dams, and I'm in favor of it, although I'll admit that if there were fifty dams in all directions from my place, each one backing up a thousand acres of water, and still it didn't rain on my farm and I didn't own any of that lake water, I'd be just as dry in a drouth as I ever was. I haven't seen the plant yet that could survive just on whiffs of water blown in from a lake five miles away.

If you ask me, I think the politicians are failing to get at the bottom of the problem.

The reason we don't have enough water in Texas is that all the streams in the state run the wrong way.

You picture a situation where when it rains all the water would head out on the land instead of down the creek to the ocean, and you'll begin to see the light. There's where our trouble is.

If the Texas Legislature will successfully attack this problem from this angle, we may start getting somewhere, but until the situation is remedied and the earth is tilted so all the streams will start emptying water upstream instead of down, we're gonna have a drouth ever time

CHRISTIAN SCIENCE SERVICES

That man can gain health, happiness, and immortality by relying on the spiritual facts of God and man taught by Christ Jesus will be emphasized at Christian Science services Sunday.

The Lesson-Sermon entitled "Mortals and Immortals" includes the account from the Bible of how Christ Jesus restored to life the only son of the widow of Nain (Luke 7:11-16). Explaining the basis of Christ

Jesus' healing power, the following passage will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"Jesus never asked if disease were acute or chronic, and he never recommended attention to laws of health, never gave drugs, never prayed to know if God were willing that a man should live. He understood man, whose Life is God, to be immortal, and knew that man has not two lives, one to be destroyed and the other to be made indestructible" (369:16).

Expandable Two Bedroom House

If your family is small or large, here is a plan that offers you a lot of house for a small initial cost. If the family is still small, only the first floor need be completed when the house is built. When more space is needed, the two closets on the first floor can be removed and there is adequate room for a stairway which will provide convenient access to the second floor. You will be amazed at the small amount of money required to complete the two bedrooms and large closets on the second floor at some fu-

ture date. This house was designed to hold the winter fuel bill down. Any heat lost through the ceiling of the first floor will help warm the rooms above and the compact arrangement prevents any excessive heat loss through the walls. A full or part basement can be very conveniently made under this house. If the basement is used, a gravity flow furnace could be centrally located and the minimum of metal or duct work would be required. The kitchen is provided with three windows to make it a light and pleasant place to work. There is a lot of work counter and storage space. The chimney in the kitchen will not only

serve for a furnace in the basement but can also serve the kitchen stove for a space heater which might be placed in the living room.

The small bedroom or future workroom on the first floor will make an ideal space for a freezer chest, laundry equipment, or for storage after the two bedrooms on the second floor have been finished.

The porch at the end of the living room will serve as a very comfortable spot on summer evenings and will also make the living area seem larger during warm weather. It can be screened without detracting from the appearance of the house.

You can obtain blueprints for this Farm & Ranch House Plan No. 4913 and a handy list of materials by which you can figure your construction cost accurately. Send \$2.00 to Building Editor, Farm & Ranch, Dept. L-36, Nashville 10, Tenn. Order by number, plan No. 4913. Blueprints are adequate for any farm carpenter or for any farmer

PARMER COUNTY Farm Bureau News

By Raymond Euler

Personalized metal gate signs for new Farm Bureau members have arrived. Come by the office and ask for them.

Raymond Schueler, Rhea Farm Bureau Local President, reports a good meeting held last Friday night. Rhea Community is one of the most active in all respects. When their people tackle a job, it is always completed right.

"McCarthyism" is a word coined by a man named Max Lerner. If you want to please Communists, use the word in referring to the Senator. That's what they want you to do because they know good Americans don't like any kind of "ism"; so they attached it to their present great enemy, the Senator from Wisconsin. They like for you to help them defame his actions against their affiliates. Call him what you wish; but why use the word Communists would put in your mouth? Max Lerner defended Owen Lattimore who was indicted for perjury regarding his

communistic relations.

If the question arises, "What has this to do with Farm Bureau?", we quote from the Preamble adopted at the 20th Annual Texas Farm Bureau Convention in Mineral Wells in November, 1953: "We reject and oppose communism in any form, and wherever it may be found".

Weeds are gaining ground in the new irrigated areas, including Parmer County Parmer County Farm Bureau has a weed eradication committee working in cooperation with the County Agent, Commissioners' Court and others interested, in an effort to acquaint farmers with the real threat weeds present. Bushland authorities, according to these men, say that the cost of ridding an acre of land of bind weed infestation is between one and two hundred dollars. Can you afford that? Roy Euler and Bruce Parr compose the Farm Bureau Weed Committee.

Elvie Jennings tells you can now get Varsol No. 1 at the airport at Friona for 30¢ per gallon in barrel lots. (One of the Johnson grass eradicators mentioned in this column last week.) We will list any other Parmer County distributors who let us know if they have it. We're glad it is now available locally.

Consider This: "Be not thou envious against evil men, neither desire to be with them: For their heart studieth destruction, and their lips talk of mischief" Proverbs 24:1-2.

WERE GUESTS

Mr. and Mrs. A. P. Lambert had as guests over the Mother's Day weekend, their daughter, Mrs. F. L. Rhoades and family of Amarillo, her sister, Mr. and Mrs. H. L. Bethel and family, of Littlefield, and Sunday dinner guests were Mr. and Mrs. Leslie Lambert, their son and daughter-in-law, of Muleshoe.

VISITED PARENTS

Mr. and Mrs. M. G. Bass visited over the weekend in Anton with his parents, Mr. and Mrs. H. I. Bass, and in Lubbock with her parents, Mr. and Mrs. J. C. Reynolds.

WERE IN ANTON

Mr. and Mrs. R. L. Scott and family were in Anton over the weekend, and visited in the home of his parents, Mr. and Mrs. J. L. Scott.

ATTENDED FUNERAL

Mr. and Mrs. Cecil Harvey were in Ennis over the weekend to attend the funeral of his brother-in-law, Mr. Willie Twilgear.

ATTENDED FUNERAL

Mr. and Mrs. Bill Boothe and daughter, LaNelle, attended the funeral services for his grandfather, Mr. W. C. Shaw last weekend in Abilene.

RETURNS HOME

Mrs. R. R. Shuck has returned to her home in Russellville, Ark., after a visit of two weeks here in the home of her daughter, Mrs. Vance Wagnon.

75 West Texas Counties Included In Emergency Wind Control Program

Some 75 West Texas counties were certified by Gov. Shivers last week for inclusion in an emergency wind erosion control program for which President Eisenhower has allotted \$2,322,000 to Texas.

Shivers said he had been assured more funds will be available.

The President allocated 10 million dollars for the five-state program from his emergency fund pending congressional action on a bill providing \$15,000,000 for the same purpose.

"I hope proper incentive will be given to land owners in the future to convert this land to permanent pasture and cover crops to combat wind erosion", said Shivers.

Counties certified lie in that part of the state that has been hit hardest by prolonged drought a drouth now moving into its

fifth year in some areas.

Shivers selected the counties on the basis of a joint recommendation by the director of the Agricultural Extension Service, the Soil Conservation's state conservationist, and the state chairman of the Agricultural Stabilization and Conservation Committee.

The latter group will set up wind erosion control practices to be followed.

Counties certified for the wind erosion control program are:

Andrews, Armstrong, Bailey, Borden, Briscoe, Carson, Castro, Childress, Cochran, Coke, Collingsworth, Cottle, Crane, Crosby, Culberson, Dallam, Dawson, Deaf Smith, Dickens, Donley, Ector, Fisher, Floyd, Foard, Gaines, Garza, Glasscock, Gray, Hale, Hall, Hansford, Hardeman, Hartley, Haskell, Hemphill, Hockley, Howard, Hutchinson,

Irion, Jones, Kent, King, Knox, Lamb, Lipscomb, Loving, Lubbock, Lynn, Martin, Midland, Mitchell, Moore, Motley, Nolan, Ochiltree, Oldham, Parmer, Potter, Randall, Reagan, Reeves, Roberts, Scurry, Sherman, Sterling, Stonewall, Swisher, Terry, Tom Green, Upton, Ward, Wheeler, Willbarger, Winkler, and Yoakum.

UNDERWENT OPERATION

Mrs. Albert Carrol is home after being released from the Clovis Memorial Hospital, following surgery last week.

"Best Seller" for 3 good reasons

Buick now outsells all other cars in its price class and above

YOU'VE probably noticed it right in your own neighborhood. Bright new Buicks appearing here, there, everywhere. And more and more of them in recent weeks. Know what's happening? Folks in growing numbers — (and maybe you'll be joining them soon!) — are finding Buick styling, performance and value far too wonderful to pass up. So Buick is selling at a record pace—outselling all other cars in its price class and above. Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, Buick is out-selling every other car in America except two of the so-called "low-price three."

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success. There's styling in Buick that's the greatest beauty advance in years — the very look of tomorrow — and with the spectacular panoramic windshield that's part and parcel of this dream-car look. There's performance in Buick as never before — with record-high V8 power, with the sensationally smooth

whip of Twin-Turbine Dynaflo,* with the buoyant ride of all-coil-springing, with a new precision of control and handling. And there's value in Buick that's hard to match — with prices starting near the "low-price three" — prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

BUICK
Sales are Soaring!

How about you? Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration.
