Bond Election To Determine County Building Expansion

An Aug. 12 election will give voters their say in the construction of a new annex building for county offices. Commissioners voted Monday to call the bond election which will have four propositions.

Proposition 1 will be for construction of the annex building and Extension office. Proposition 2 will be for the library expansion and Proposition 3 for a fund for a county services building to include facilities for senior citizens. Proposition 4 will be for renovation of the area which is now the clerk's office to make a jury room and two lobbies.

Funding for the total package would be \$910,000, which includes \$20,000 in various related costs such as bond issuance and attorney fees, with \$5,000 assigned to each proposition.

Cost for Proposition 1 will be \$695,000; Proposition 2, \$80,000; Proposition 3, \$80,000; and Proposition 4, \$55,000.

Estimates indicate that a three cent tax increase would pay for the entire package in seven years, four cents in five years and six cents in three years.

Financial consultant Larry Skiles of Rauscher, Pierce was present with bond election information for the court.

Architect Jack Meek was on hand with plans for the new building. He will meet with department heads at a later date to review the plans.

Meek also said that work on the elevator for the courthouse will begin next week.

Madye Jo Humphrey, Sally and Mike Oglesby met with the court to ask for placement of two bumpgates on County Road 108 which goes through Mrs. Humphrey's property. Oglesby said the gates or fencing are necessary to contain livestock.

Commissioners voted to provide \$9,000 for fencing material and to provide one bumpgate where the pavement and dirt road join. Oglesby told the court he has a single swing gate which can be used.

Judge Jeffrey Sutton was authorized by the court to have an official map drawn up of the county road system. Commissioner Fred Deaton commented that he didn't believe the map needs to contain landowner information.

Bids were opened for right-of-way fencing on the Joe Bean Ranch on County Road 208. The three bidders were Abel Martinez Welding Service, B & R Fencing and Twin Mountain.

Action on this item was tabled pending clarification of two bids.

OrangeFord/Lincoln/Mercury of Orange was the only bidder for a

patrol car. Their bid for a Crown Victoria was approved.

Vargas Remodeling was the successful bidder for painting the fire station. Other bidders were Bobby's Painting and Richard Pena.

The execution of an engagement letter with the auditing firm of Eckert, Ingram, Tinkler, Oliphant & Featherston for the annual county audit was approved.

Commissioners approved the hiring of Yvonne Madris and Joe Esparza as lifeguards for the county pools. Commissioner Deaton said that under the new policy of the county paying the lifeguards rather than the pool managers, his daughter, Kristin Shurley, would not be allowed to work at the pool to eliminate any possibility of a conflict of interest.

Other items approved include placement of flood gauges on those streets crossing draws and paying half (\$1,500) the expenses for 24 local youths to attend a 5-day Texas Parks & Wildlife seminar at the Game Warden's Association near Kileen. The other \$1,500 is being donated by DeerFest Association.

No action was taken on a request for early hiring of a clerk for the Justice of the Peace Office to replace Nell Davee who plans to retire or on a request to reinstate hospitalization and medical insurance for retirees.

Judge Sutton will check further into ownership of property along AA Street which is being considered for closure.

Monthly reports were heard from the auditor and treasurer's offices, the hospital/care center, road and parks department, civic and youth center, public library, and Helping Hands.

Auditor John Stokes told the court the hospital is \$40,000 under budget due to receipt of a Medicare payment and that the care center is \$30,000 over budget.

Interim administrator Ann Fagan-Cook, in her report, told the court that efforts are being made to bring those facilities in as close to budget as possible.

Garland Young said the community was behind the annual all-night graduation party and that more than 200 youths spent the night at the party.

Librarian Louise Ledoux will be in Abilene June 20 to see a demonstration of the Big Country Library System's automation equipment for libraries in its group. She also reminded the court of a Friends of the Library fundraiser on June 29.

The Helping Hands for the Elderly report given by Janet McDaniel showed that 1177 meals were served in May and commodities were given to 59 families.

THE OZONA CHAMBER OF COMMERCE manager Sharon Farmer presents a check to Laurie Hale, secretary of the Crockett County Roping Association. The local chamber and the Crockett County Roping Association are co-sponsoring the World Championship Goat Roping, June 22, 23 and 24. The added attraction this year is a Chili Cook-Off. Call Maida Sims at 915-392-5511 for more information.

\$10,000 4-H Scholarship Awarded To Vannoy

Crockett County 4-H member JoLynn Vannoy was awarded a \$10,000 Texas 4-H Foundation Houston Livestock Show & Rodeo Scholarship during Texas 4-H Roundup activities at Texas A&M University last week, along with 123 other 4-H members from around the state who received over \$720,000 in scholarships from the Texas 4-H Foundation.

Vannoy, a 10-year 4-H member and the daughter of Dr. Gary and Nancy Vannoy, received the E. C. "Dick" Weekly memorial scholarship during the scholarship presentation ceremonies. Weekly was a long-time manager for the show who died in May 1995.

Scholarships were awarded on the basis of grades, SAT or ACT scores, and 4-H work including citizenship and leadership.

Vannoy has excelled in a number of 4-H projects and activities including sheep and goats, clothing, foods and nutrition and public speaking. She has won numerous awards at major and county livestock shows, including several showmanship awards, advanced to the Texas 4-H Fashion Show and won several district food shows. In Crockett County she received the Regina Everett Memorial Buckle for high point 4-H'er at major shows, Mother Davidson Trophy for Outstanding 4-H member, and the Dan Bean Memorial Scholarship for Outstanding Agricultural Program Members.

A member of the Texas 4-H Council and District 4-H Council, Vannoy was honored at the 1995 San Antonio Livestock Show's Rural Youth Banquet and has also received the Texas 4-H Gold Star Award and the Danforth "I Dare You" award. One of the highlights of her 4-H career was winning first with her home economics achievement record book in 1994 and receiving a trip to National 4-H Congress in Orlando, FL. She was also selected as one of four narrators for this year's Texas 4-H Fashion Show and won first place in the 4-H Share-the-Fun comedian/poet contest at Roundup, performing in front of more than 1,000 4-H members, leaders and county agents from across Texas.

Vannoy, the 1995 valedictorian at Ozona High School, plans to attend Texas A&M University in the fall and major in agricultural communications.

In her scholarship application, Vannoy wrote, "It has been said many times that 4-H is no longer just 'cows, sows and plows'. However, it is still all about planting, growing and producing. It is my firm belief that 4-H is such an extraordinary organization that it can still take a small, shy girl, plant her feet on the ground, feed her good knowledge and experience to help her grow, and produce a wise, independent and mature young lady."

For more information about the many opportunities 4-H offers to youths ages 8-19, contact the Crockett County Extension Office at 392-2721. Educational programs such as 4-H which are conducted through the Texas Agricultural Extension Service serve people of all ages, regardless of socio-economic level, race, color, sex, religion, national origin or disability.

Business As Usual For Hospital/Care Center Board

Directors of Crockett County Hospital and Care Center met in regular session June 8 with Ann Fagan-Cook, temporary administrator at the facility.

During the meeting, the board went into executive session twice to discuss personnel. Following the executive sessions, the board voted to name David Morgan Environmental Services Supervisor, which includes his duties as maintenance man, supervision of housekeeping, laundry and safety for both facilities.

He will remain at his current salary plus overtime until his personnel-policy-mandated six month period of employment is completed. At that time, this will become a salaried position with a salary increase commensurate with his new responsibilities.

Directors voted to pay Renae Cain two weeks severance pay and to move Erna Quinsumbing, RN, from the hospital to the care center to correct a licensing deficiency written for not having 7-day RN coverage, and to have Martha Vickers, RN, DON, to work the floor in the hospital until another RN can be hired.

Dr. Tony Smith, a doctor of chiropractic, had written a letter requesting hospital privileges for the practice of chiropractic, and also requesting the use of the facilities currently being used by the physical therapist. Discussion followed, and the board decided that since Dr. Marcus Sims practices osteopathy and gives similar adjustments, that privileges would be denied at this time. Dr. Smith did not subject a formal application requesting privileges. Mrs. Fagan-Cook is to discuss this with Dr. Smith.

Following a report by EMS coordinator Doug Meador, the board voted to buy 10 new tires to replace worn tires on two ambulances. Meador also reported that ambulance EMS II is a 1985 model and has more than 85,000 miles on it. It is beginning to use excessive oil, and the board will need to look at possible replacement next year. This will be considered in the budget process.

A discussion of basic ambulance rates and mileage rates in comparison to rates in the surround area resulted in a vote to increase charges. The basic rate will be increased from \$50 to \$75 and one-way mileage from \$1.50 a mile to \$1.75 a mile effective June 9, 1995.

Dr. Robert Owensby discussed the used of the ambulance to transport patients to the emergency room for non-emergency care, usually basically nursing care. Further discussion was

held regarding the possibility of hospital-based home health services.

Mrs. Fagan-Cook will gather information as to the feasibility of such a program. One RN would be required.

David Morgan reported on air conditioning problems. During the CLIA hospital laboratory inspection, a deficiency was written regarding room temperatures in the lab and x-ray rooms. Three new window units are needed by July 1 to correct this, and the board voted to buy window air conditioning/heating units for the lab and x-ray to be installed as quickly as possible.

Old Files Reveal Treasures

by Linda Moore

A recent attempt to make good use of office time when I was "too tired to work" led me to a file cabinet drawer I had wanted to sort through for a long while.

This simple task (how hard can it be to throw away outdated samples of jobs printed at The Stockman?) rapidly turned into a trip through some of Ozona's recent history.

Business forms, funeral programs, club yearbooks, programs from dance and music recitals, graduations and baccalaureates all had their story to tell.

The oldest program found was for the commencement of the Class of 1939. This illustrious group of 22 received diplomas in the high school auditorium from Judge Charles E. Davidson.

Morgan also reported on problems with the cooling towers for the main unit and poor condition of the pipes. He recommended the use of window air conditioning/heating units in the rooms and a large unit for the lobby and office area. He is to have a contingency plan with bids for the units and for the wiring by the July board meeting.

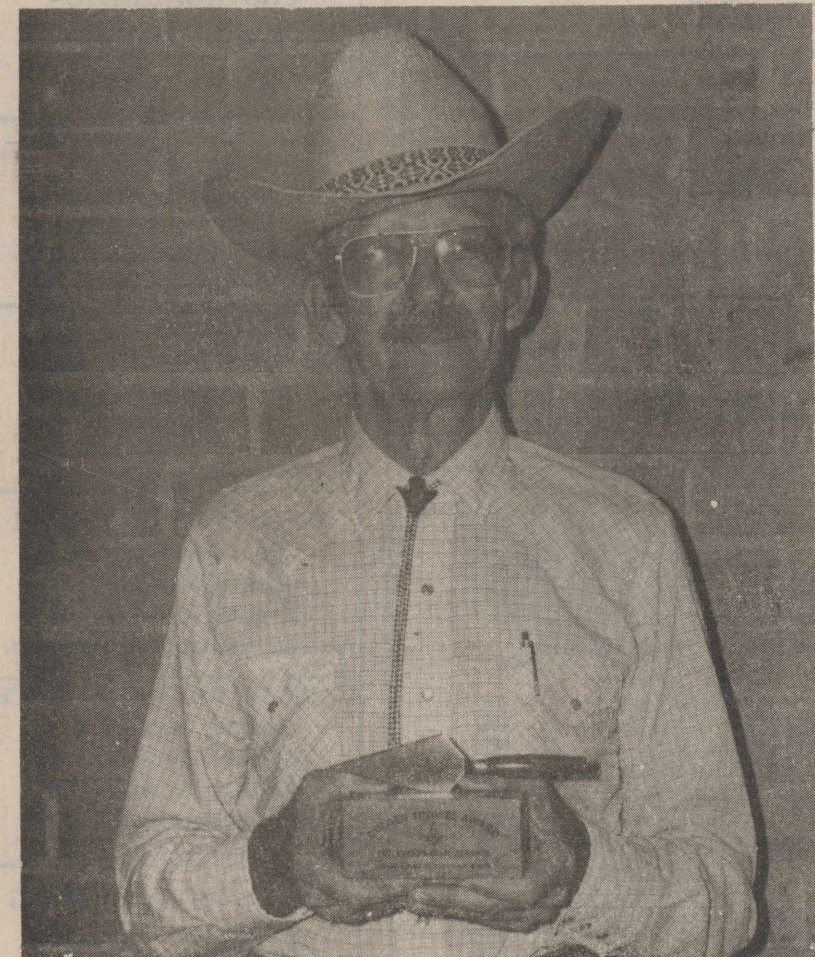

Directors reviewed applications for the position of administrator. Reference checks were not acceptable, and Ann Fagan-Cook will continue to search for new applicants for the position.

Valedictorian Ora Louise Cox spoke on "Some Problems and Purposes of Education", and Salutatorian Walter Escue talked about "What I Expected of American Youth". Musical entertainment for the evening was performed by Norman Heath playing the cornet solo "Carnival of Venice" and Crystelle Carson's piano solo, "Traumerel".

Others on the program were: Miss Ruth Graydon, Rev. Eugene Slater, Dr. R. N. Richardson, C. S. Denham and Rev. Clyde Childers.

The list of class members included: Helen Lucille Armentrout, Posey Baggett, Doris Louise Bunger, Crystelle Carson, Bettie Lou Coates, Ora Louise Cox, Walter Escue, Jeff

Claudie Creighton Buried Tuesday

Claudie Simpson Butler Creighton of Christoval died Monday, June 5, 1995, in Golden Years Nursing Center in Christoval.

Funeral service was held at 2 p.m. Tuesday, June 13, at the Christoval Baptist Church with the Rev. Buddy Trull officiating. Graveside service was at 4 p.m. in Cedar Hill Cemetery in Ozona.

Mrs. Creighton was born July 26, 1903, in Eden. She married Ben Butler in 1923, and he preceded her in death in 1966.

She was a telephone operator for 35 years, beginning with Ozona Telephone Company in March of 1927. After a move to Marfa where she worked in a jewelry store, she returned to Ozona and went to work for the San Angelo Telephone Company in May of 1930.

Thought of by many as one of Ozona's treasures, she worked on four different switchboards, three of them were one position. The last one, a two position board, was installed in 1954 and was in use when Ozona converted to dial in June 1958. She worked as an operator, then as chief operator until

dial conversion in 1958. She stayed on as cashier until the business office closed July 1, 1965.

She worked for the credit bureau for 11 years. She was a member of the Christoval Baptist Church.

Claudie Butler and T. C. Creighton were married in January 1978. He died Jan. 15, 1994.

Survivors include one stepdaughter, Janice Grizzle of Bowie, AZ; two nieces, Merle Boyd of San Angelo and Grace Ann Urbank of Tyler; four stepgrandchildren; two sisters-in-law, Margaret Tabb and Grace Williams, both of Ozona; and several great-nieces and nephews.

XI Sigma Omega Ends Year With Party

On May 22, 1995, the outgoing officers hosted an end of year party for members of Xi Sigma Omega at the Party Barn. While enjoying pizza and ice cream, members discussed and unanimously approved several new members.

Afterward, the pool and hot tub were enjoyed by the following members: Roylan Sullivan, Donna Her-ring, Janet Smith, Susan Buchanan, Cynthia Hokit, Paula Westmoreland, Shannon Hunnicutt, Leslie Wilson and Pam Tarr.

In-Home And Family Support Vital To Texans With Disabilities

By Jeri and Walter Winslett, Smithville, Texas

When our son Jess was born eight years ago, our lives changed forever. Of course, every parent learns that his life is never the same after the birth of a child. But with Jess, we faced a host of challenges many mothers and fathers do not. Jess has cerebral palsy, lives his life in a wheelchair, has vision difficulties and a seizure disorder. He has trouble communicating and doing anything for himself. In short, for the past eight years we have devoted most of our time, energy and resources to this fragile little boy.

Those who have never had the experience of raising a child with a serious disability cannot begin to understand the sense of isolation and disconnection that goes along with such a responsibility. Jess requires constant attention and assistance. Even now, a night's sleep is often interrupted to soothe a distraught youngster. Emotionally and financially, the situation has been draining.

For us, having periods of respite has proven crucial. We simply must have a few hours to ourselves once in awhile to rest and rejuvenate. On occasion, we need to be able to completely leave our home in Smithville for overnight trips. For years, we relied on faithful friends who were willing to step in for a few hours or a day at a time.

Our situation improved dramatically in 1988 when we discovered a wonderful program run by the Texas Department of Mental Health and Mental Retardation. The program is called In-Home and Family Support and it provides a small monthly stipend for families who have a member with a disability. The stipend can be used for any number of services, from respite to transportation to rehabilitation therapies of all types. Families of low and middle incomes are eligible to draw up to \$300 a month, or up to \$3,600 a year, depending upon indi-

vidual needs. Funding is also available for a one-time allotment of up to \$3,600 for physical modifications to a residence or the purchase or lease of special equipment.

The beauty of the program is that it offers choices. We were not subject to the dictates of a rigid set of guidelines. We were free to tailor a set of services to meet our needs. For us, of course, the money has gone to pay for respite care for Jess. Now we are able to go out a few evenings a month and occasionally take our other son, now 6, on a few excursions. We have also used some of the money for speech therapy classes for Jess.

We used the one-time \$3,600 grant to make some much-needed structural changes in our home. We have a three-story house, which has meant carrying Jess in his wheelchair up flights of stairs. We have been able to install an elevator, add a wheelchair-accessible bathroom and add storage space for Jess' equipment. The one-time payment did not cover all the expenses of the modifications, but it helped enormously.

In-Home and Family Support is a unique, user-friendly government program. Families are not subjected to miles of red tape, mountains of forms to fill out and constant interviews. It is an investment in and an affirmation of people with disabilities who want to live at home and the families who support them.

For us, In-Home and Family Support has made a huge difference in the quality of our lives. Likewise, it has provided help and hope to more than 5,000 other individuals with disabilities and their families. Currently, Texas MHMR has almost 3,900 on waiting lists for this valuable program. The agency has asked the Legislature to provide additional funding so thousands more Texans can benefit from In-Home and Family Support. We cannot think of any more efficient or productive way to spend the taxpayers' dollars.

Volunteers Needed For EMS

Volunteers are needed to help provide Emergency Medical Services for Crockett County. Due to upcoming regulations Crockett County EMS will be facing changes, especially in the staffing of the ambulances during the day shifts. Crockett County EMS is seeking interested citizens who will help supply the much needed demand of Emergency Medical Services in the area.

Angelo Community Hospital (ACH) will be providing an Emergency Medical Technician--Basic (EMT/B) class at the Crockett County EMS building. Since AH will be underwriting this class, the cost is

minimal. For those who might be interested in a shorter course, an Emergency Care Attendant (ECA) will be combined with the EMT class. Currently the EMS must have at least two ECA's on a unit.

So, if you are retired and would like a challenge, or you have a desire to help your fellow neighbor, or you would just like to be prepared for an medical emergency, this is a great opportunity to began.

If you have any questions about the classes or Crockett County EMS, please contact Doug Meador at 392-5240 as soon as possible.

Barbi Baldrige And Nate Sprinkle United In Marriage Saturday, June 10

Barbi Ruth Baldrige and Nathanael William Sprinkle were united in marriage Saturday, June 10, 1995, at two o'clock in the afternoon in the First Baptist Church of Jayton with Rev. David Cook, pastor of First Baptist Church of Princeton, officiating.

The bride is the daughter of Buddy and Bonnie Baldrige of Jayton, granddaughter of Mr. and Mrs. Bill Carson of Ozona and Mr. and Mrs. Joe Baldrige of Lubbock, and great-granddaughter of Mrs. Ira Carson of Ozona.

Parents of the bridegroom are Margaret Sprinkle of Huntsville and Bill Sprinkle, also of Huntsville. He is the grandson of Mr. and Mrs. Cecil Meadows of San Angelo and Mrs. Metha Sprinkle of Alpine.

The altar was flanked with votive candle towers immersed in floral arrangements of greens featuring red roses, white daisies, yellow freesia, fuschia mini-carnations and blue stock atop white pedestals. Green garlands and white bows draped the railings. A wooden cross draped with a garland of greens and flowers stood in the central

baptistry overlooking the occasion. A white pedestal entwined with greenery held the unity candle, and white kneeling benches also adorned the altar area.

The bride, given in marriage by her father, wore a floor-length gown of white taffeta by Lisa Marie. A portrait collar of basketwoven taffeta scattered with tiny white ribbon roses and edged with pearls and clear sequins on Venetian lace framed her shoulder, with short puff sleeves beneath. The fitted bodice, extending into a V-front and back, was enhanced with a band of basketweave. Diamond-shaped lace motifs with basketweave inserts embellished with ribbon roses, pearls and clear sequins decorated the skirt front and the cathedral-length train. A large candybox bow of basketwoven taffeta graced the back waistline.

Her cathedral-length veil of Chantilly lace was purchased in Venice by her great-grandmother, Mrs. Ira Carson, and was worn by the bride's mother when she was wed. Borrowed from her grandmother, Norma Carson, was a pearl necklace (her wedding gift from Mr. Carson). The bride's blue garter was made by Lydia May, sister of the bridegroom. In her shoe were the coins which her mother and her grandmother also used.

The bride's attendants wore teal-length cotton floral dresses of wedge-wood blue enhanced with white lace panels on the bodice. Maid of honor was Brook Baldrige, sister of the bride, of Jayton. Kamie McCurry and Regina Browning of Lubbock, Lydia May of San Marcos and Katie Bryant of Okmulgee, OK, served as bridesmaids. Katlynn Barnett of St. Joseph, LA, was flower girl, and Sunny Glosion of Jayton carried a mother-of-pearl Bible purchased in Israel. The bridesmaids carried European-tied bouquets of mixed spring flowers, and halos of white daisies graced the young girls' heads.

In black tuxedos with wedgewood blue bowties and cummerbunds were best man Mark Sprinkle, brother of the bridegroom of Las Cruces, NM; David Sprinkle, also a brother of the bridegroom of Austin; Ferrel Gage, Alpine; Jamie Scott, Big Spring; and Matt Rinehart, Fort Davis. B. J. Baldrige, brother of the bride, of Jayton and Marshall Kennedy of Alpine served as ushers. Jerod Cook of Princeton was ring bearer.

Bill Sprinkle, father of the bridegroom, was pianist, and Patricia Hamilton of Jayton was organist. Rev. Kelly Barnett of St. Joseph, LA, former pastor of First Baptist Church of Fort Davis, sang "There Is Love", and Melissa Gage of Alpine sang "How Beautiful" while the couple knelt to observe the Lord's Supper together after exchanging vows. The tiny loaf of bread was baked by the bridegroom's grandmother, Metha Sprinkle, and the small silver chalice and plate, purchased in Jerusalem near the site of the Upper Room, was a wedding gift from the bride's parents.

A reception followed in the fellowship hall. A long, serpentine table, placed against a background of vine-covered lattice, held both the bride

Meals On Wheels Menu

Monday, June 19
Salisbury Steak, Okra Gumbo, Buttered Corn, Bread, Cake Squares

Tuesday, June 20
Rotini in Meat Sauce, Green Salad, Bread

and bridegroom's cakes. Flanking a silver punch fountain in the center of the table were Great-grandmother Baldrige's silver candelabums, with tall white tapers, and epergnes containing arrangements of red roses, white daisies, yellow freesia, fuschia mini-carnations, blue stock and greenery.

Registering guests were Tonya Peek and Heather Hill, cousin of the bride. Other cousins of the bride assisting were: Marisa McCall and Amanda Carson, who handed out scrolls, and Julie Lawford and Haley Carson, who served the bride's cake. Serving punch were Kelly Kennedy and Kristin Cozart. Mitzi Cook poured coffee, and Coletti Barnett and Evelyn McAnelly, aunt of the bridegroom,

served the bridegroom's cake. Other houseparty members were: Cathy Carson and Carol McCall, aunts of the bride; Linda Kelley, Barbara Glosion, Mani Foster and Tondi Jeter. After a wedding trip to Mexico, the couple will be at home in Dallas where he is employed by E Systems of Garland, and the bride will attend Baylor School of Nursing in the fall. Out-of-town guests included: Mr. and Mrs. Billy Carson and Amanda, Mrs. Crystelle Childress, Mr. and Mrs. Bill Clegg, Mr. and Mrs. John Beckham, Judge and Mrs. Jeffrey Sutton, and Mr. and Mrs. Ira Childress, all of Ozona. Also attending were Mr. and Mrs. Greg Lawford of Lubbock, Haley Carson and Chelsey of San Antonio.

Mrs. Luis Valdez

Miss Pullen, Mr. Valdez Exchange Vows

Sarah Jean Pullen became the bride of Luis Adan Valdez Saturday, May 27, 1995, in Ozona. Mr. Rodney Hamon, pastor of Ozona Church of Christ, officiated the candlelight double-ring ceremony.

The bride is the daughter of Dan Sims Pullen of Ozona and the late Katrina Hardberger Pullen. Parents of the bridegroom are Mrs. Celia Jiner Valdez of Alpine and the late Raul C. Valdez.

Vows were spoken before an altar decorated with an arrangement of purple iris, Queen Anne's lace, fern and purple statice. Candelabras held lighted tapers. Music for the ceremony was provided by Lou Chapman at the piano and soloist Lezlie Valdez of Van Horn, niece of the bridegroom, who sang "When I Fall In Love" and "I Will Be There For You".

The fitted bodice with Sabrina neckline of the bride's candlelight natural silk gown was trimmed in seed pearls and sequins. Seed pearls also accented the short sleeves.

Her full skirt extended into a cathedral train. A waist-length veil was held by a tiara of natural silk trimmed in pearls. For something old she wore her mother's pearl necklace. Her garter was something borrowed, and she wore blue topaz earrings.

White roses, white freesia and white Queen Anne's lace filled the bridal bouquet.

Susan Pullen of San Antonio, sister of the bride, was maid of honor. Bridesmaids were Sharron Buckner of Austin, Liza Hinojosa of Falfurrias and Patricia Duron of Austin.

Their formal-length, off-the-shoulder dresses were of gold natural silk. Each carried a bouquet of purple iris with white Queen Anne's lace.

Flower girls for the ceremony were Victoria Valdez of Austin and Carlee Goree of San Angelo. They wore floor-length white satin dresses with lace collars and bow sashes at the waists. Pearl barrettes adorned their hair.

Attending the bridegroom as best man was Robert Buckner of Austin. Groomsmen were Raul Valdez of Charlotte, NC, Beto Hinojosa of Falfurrias and Robert Sosa of San Antonio. Serving as ushers were Adam Valdez of Charlotte, NC, and Martin Childress of Ozona.

Joshua Dan Pullen of San Antonio and Grady Childress of Ozona were ringbearers.

The bridegroom wore a black full-dress tuxedo, and his attendants were attired in black double-breasted tuxedos.

A registry table at the church was attended by Sacha Ashworth of Austin. On the table along with a photograph of the bride was a picture of her mother in her wedding gown.

The wedding reception was held at Fair Park Convention Center where guests were seated at tables decorated with hurricane lamps surrounded by rings of purple flowers and greenery.

The bride's table held a four-tiered wedding cake atop a fountain decorated with greenery. The cake's top layer held a porcelain bride and bridegroom. Six satellite cakes surrounded the bridal cake. They were decorated in the center with gold pearl beads, white confectionary roses and ribbons.

Punch was poured from a silver bowl on this table, and a champagne fountain was on a nearby table. Julie Childress attended the bride's table.

The bridegroom's cake, made by the bride's classmate, Carri Chandler, was a chocolate cheesecake decorated with dark chocolate. White chocolate leaves decorated the cake, and the top was piped with white chocolate and whipped cream.

Miss Chandler attended the bridegroom's table which was decorated

with a photograph of him as a baby and young boy. A crystal bowl held golf tees with the bride and bridegroom's names and wedding date inscribed.

A buffet of chicken and beef fajitas, beans and rice was served. Later, guests danced to the music of Los Tejanos.

The bride is a graduate of Ozona High School. She attended Howard College in San Angelo and is attending Austin Community College. She is employed by Greater Texas Federal Credit Union in Austin.

The bridegroom is a graduate of Alpine High School. He earned a bachelor's degree in political science and a master's of public administration at Sul Ross University in Alpine. He is employed by Texas Municipal League in Austin.

Following a wedding trip to Cancun, Mexico, the couple are at home in Austin.

First Baptist Offering Summer Program for Kids

The First Baptist Church will be opening their gym to junior high and high school and college students on Tuesday and Friday nights.

Tuesday nights have been reserved for junior high kids from 7:30 to 10 p.m., and Friday nights are reserved for high school and college kids from 9 p.m. to midnight.

Basketball, volleyball and other board games will be available.

All young people in the community in these age groups are welcome to come during the above specified times.

"Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away.

"For that ye ought to say, if the Lord will, we shall live, and do this, or that.

James 4:14-15

Justin Moran Wins National 4-H Trip To Memphis

Justin Moran, a 9-year 4-H member from Crockett County, has been chosen as a member of the Texas delegation to the 4-H Youth Issues Congress in Memphis, TN, Nov. 24-28. Justin is the son of Joe and Tina

Moran and a 1995 graduate of OHS.

Moran was awarded the trip to Memphis during ceremonies at Texas 4-H Roundup last week at Texas A&M University. With 74 applicants for this honor, 40 finalists received interviews and 30 were selected for the delegation based on 4-H record and a proposed community service plan.

The event, which replaces National 4-H Congress, is intended to provide an issues-based educational experience that develops leadership skills while recognizing contributions and accomplishments of the 4-H youth involved. Over 850 youth, representing several million 4-H youth in 33 states, will participate, in addition to youth from all 50 states in the national Fashion Revue.

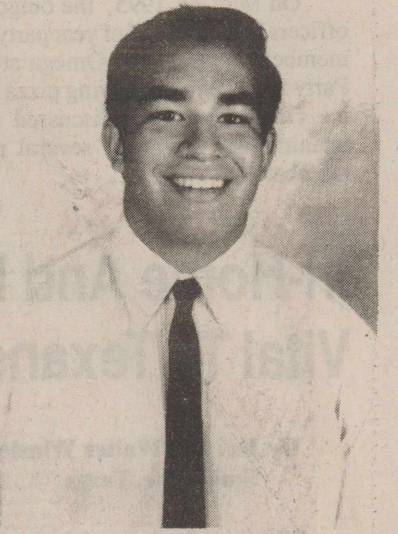

Highlights of the event include a National Town Meeting, addressing youth issues to be downlinked to youth in the participants' communities and across the country. The national 4-H Fashion Revue will be held in conjunction with the event, and cultural tours and entertainment will cover all tastes from rock-n-roll to the classics. Community service activities with an

educational focus ranging from work with the Memphis Zoo to the Pink Palace Museum - will be provided. Outstanding speakers, educational workshops, and many other fun activities are part of the Congress.

Justin Moran is a current Texas 4-H Council member who has been most active in the Field and Stream and Rifle projects. He was honored at the 1995 San Antonio Livestock Show Rural Youth Banquet, is a 4-H Gold Star recipient, and has received the 4-H Senior Achievement Award. He has qualified for state competition in Rifle and has been a teen leader in the Rifle and Field and Stream projects. He recently received the Crockett County Fair Association Agriculture Scholarship.

Moran plans to attend college at Tarleton State University and major in agriculture. He is particularly interested in wildlife management and research and the preservation of natural resources.

For more information about opportunities available in 4-H, contact the Crockett County Extension Office at 392-2721. Educational programs

Justin Moran

such as 4-H which are conducted through the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Monty Price Ministries Message Comes To Ozona

The preaching and teaching ministry of Monty Price has spanned for nearly a decade. As a rodeo cowboy, Monty was delivered by God's power from alcohol and barroom brawling, to step forward and deliver God's message of grace and mercy with genuine simplicity. Monty continues to compete as a calf roper and team roper. Monty, along with his wife, Susan, and their two children, Leann and Jake, live on a ranch in Iraan where they pastor Faith Fellowship Church. Along with the duties of pastoring, you'll find Monty and his family ministering at cowboy church services at rodeos in Texas.

Monty Price's article will now be appearing weekly in The Ozona Stockman. Monty Price Ministries, Box 366, Iraan, Texas 79744, 915-392-2477.

Monty, along with his daughter, Leann, will be ministering the cowboy church services at the World Championship Goat Roping on Sunday, June 25, at 10 a.m. On Saturday during the performance, a very special friend of Monty's will be doing ammin-concert during the goat roping - Christian country singer Ken Holloway. Ken was nominated for Christian Male Vocalist of the Year in 1995. His voice has often been compared with the likes of Randy Travis.

"We know you will enjoy it," said Price. "Hope to see you there."

I guess it would startle most folks if they actually counted the number of times that they make statements or promises that they will never keep. Words are often thrown around with very little thought. Often times, people don't even expect promises or statements from others to be carried out. We have somehow lost the value of our words. In today's times, a man's word is so often no longer his bond.

Since people let us down and have broken or gone back on their word so much, I can't help but think that we have allowed God's Word to fall into this same category. Without even realizing it, we hold little value to God's promises! The good news is - God always **Keeps His Word**. Contrary to some doubters, Jesus **will** come back to the Earth. There will be a day of judgement. There is a place called Heaven and you can go there. Please be reminded that the Bible states that, "God is not a man that He should lie ..." And please be reminded that, "Heaven and Earth may pass away, but God's word **will** be fulfilled."

One final thing; God stated in the Bible that He has set His love upon you...and He means it. You can't make God not love you...You have "His" Word on it!

Garden Variety Anxiety

By Dennis J. Prutow

We are all anxious to use our gifts and talents, to grow in our relationships and work. That's positive; but there is a problem. We put so much energy into the necessities of food, clothing, housing and transportation, we lose the big picture. This is particularly true when anxiety rules the roost. We worry and fret. We are sucked into a downward spiral like so much dirty wash water.

The Bible warns us about this. "And the one on whom seed was sown among the thorns, this is the man who hears the word, and the worry of the world, and the deceitfulness of riches choke the word, and it becomes unfruitful" (Matthew 13:22). Worry and anxiety are weeds growing in our gardens. They choke the words of life. We fail to bear real fruit in our relationships and in our work.

The words of life come from God. They are words concerning God's kingdom, the Good News of God's ultimate control over all of life. When we understand these wonderful words, we rest secure. We grasp the significance of the gospel song, "He's got the whole world in His hands; He's got you and me brother in his hands." We "seek first His (God's) kingdom and His righteousness" knowing God's promise, "All these things (you worry about) shall be added to you" (Matthew 6:33).

6-12-95...Carlos Borrego reported that a mobile telephone was stolen from his company vehicle while it was parked on 6th Street. Sheriff's deputies are investigating the offense.

Esquivel Graduates From Basic Training

Air Force Airman Petra R. Esquivel graduated from Air Force basic training at Lackland Air Force Base, San Antonio.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Esquivel is the daughter of Guillermo V. and Maria Rios of Ozona. She is a 1994 graduate of Ozona High School.

Outdoor Precautions Can Help Avoid Tick-Borne Diseases

As Texans increase their outdoor activities with the coming of spring, they need to be mindful that some of nature's creatures, specifically ticks, not only can cause discomfort, but also may cause serious illness.

Julie Rawlings, of the Texas Department of Health's (TDH) Infectious Disease Epidemiology and Surveillance Division, said, "Lyme disease, Rocky Mountain spotted fever (RMSF), and human ehrlichiosis (HE) transmitted through tick bites, are natural health threats in Texas. These diseases have been reported mainly among pet owners, hikers, campers, hunters and others who work outdoors or with animals." Infection occurs when ticks transmit disease bacteria while they feed.

Although several species of tick can carry organisms that cause diseases, the lone star variety, which enjoys biting humans, often is the suspected vector. Rawlings said that about 1 to 2 percent of lone star ticks tested carry the Lyme disease organism, called a spirochete. "A larger percentage may carry the organisms that cause RMSF and HE," Rawlings added.

Lyme disease, first identified in Lyme, Conn., in 1976, has become widespread in the U.S. Of the 1,050 possible Lyme disease cases reported in Texas since 1990, at least 318 have met the case criteria of the U.S. Centers for Disease Control and Prevention's definition of the illness.

Rawlings said, "Of the confirmed Lyme disease cases in Texas, all but a small percentage have occurred in the eastern half of the state."

Lyme disease symptoms often mimic those of other diseases, except for a characteristic reddish rash which sometimes surrounds a tick bite. If untreated with antibiotics, Lyme disease can advance from flu-like symptoms and rash to painful—even permanent—damage to joints and nervous system.

Rocky Mountain spotted fever also can be a serious disease. The first symptoms are also flu like, and there often is sudden onset of high fever, headache and muscle aches. A rash that spreads rapidly over the entire body, even the palms of the hands and the soles of the feet, often appears a few days later. Prompt medical attention is extremely important because RMSF can be fatal if treatment is delayed. Since 1980, at least 441 cases of RMSF have been confirmed in Texas.

Human ehrlichiosis is similar to RMSF, but is a newly recognized disease. The first case was reported from Arkansas in 1987. Since then, the disease has been reported from at least 30 states, including Texas. Symptoms include fever and headache and a rash—seen in approximately 30 percent of

patients. About 2 to 5 percent of HE patients die.

While tick-borne diseases are treatable, knowledge of the symptoms and a few easy precautions can greatly reduce the likelihood of exposure or advanced illness.

When outdoors, especially in wooded areas or tall grass:

- * Wear long sleeves and long pants, with pantlegs tucked into socks or boots. Tuck shirt tails into pants and use tape to seal the area where pants overlap socks or boot tops.

- * Wear light-colored clothing to make ticks more visible.

- * Use insect repellents containing "DEET" on the skin or "permethrin" on clothing and footwear.

- * Avoid high grass and foliage when possible, since ticks on vegetation cling to passing animals.

- * Keep pets out of infested areas, and regularly inspect them for ticks. Both dogs and cats are susceptible to these diseases.

- * After being outdoors, wash all clothing worn and inspect yourself and your children's bodies for ticks. Remove any attached ticks with tweezers, grasping as close to the head as possible, tugging until the tick is freed. Avoid crushing the tick's body. The less time a tick remains attached, the less likely it is of transmitting disease.

- * Live ticks removed from humans can be tested at a TDH laboratory to determine whether they carry the bacteria that causes Lyme disease, RMSF or HE.

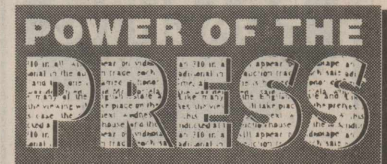

Ybarra, Hignight To Attend Water Camp

Jeffrey Ybarra and Jason Hignight of Crockett County have been selected to attend Texas 4-H Water Camp in July at Monahans. The two will be sponsored by the Emerald Underground Water Conservation District and the Crockett County Water Control District #1.

The two will be among the 15 boys and 15 girls from across the state who will become better aware of water issues and appreciate the implications of agricultural, industrial, municipal and home water use on water quality and supply. The camp features field trips, tours, and hands-on group project work. While lots of fun and recreation are planned, the camp focuses on water quality and conservation education.

This is the fifth Water Camp, and it has been a huge success from the standpoint of the 4-H members involved. They have enjoyed working in the lab on special projects, developing public speaking and leadership skills, learning about career opportunities, and making friends from across the state.

Ybarra and Hignight will be available to make presentations to civic and school groups when they return. To find out more about water camp, special programs, or opportunities in 4-H, contact the Crockett County Extension Office at 392-2721. Educational programs conducted by the Texas Agricultural Extension Service—such as 4-H—are open to all citizens without regard to socioeconomic level, race, color, sex, religion, national origin or disability.

Readers Hungry For Information

Reading the newspaper, it seems, is a great way to whet your appetite. More than three-fourths of shoppers surveyed recently said they would be buying at least some groceries because of ads for a particular store in the newspaper.

SUMO WRESTLING was a big hit in more ways than one at the 1995 All-Night Graduation Party held at Fair Park Convention Center. Rob Whiteside and Keith Olive help as Andres De La Garza prepares to demonstrate the art of sumo wrestling to an amused group of party-goers.
photo by Joyce Young

Hotheadedness Is Not "Cool"

Summer heat, combined with humidity, poses a potentially deadly threat to Texans.

Health officials warn that heat stress, or hyperthermia, causes about 200 deaths and thousands of illnesses each year in the U.S. The victims are usually the elderly, the very young, or people weakened by other illnesses, although prolonged heat stress can be fatal to anyone.

Dr. Erik K. Svenkerud, medical consultant for the Bureau of Disease Control and Epidemiology at the Texas Department of Health (TDH), said that high temperature alone is physically tolerable to most people. Combined with high humidity though, heat can cause a person's natural cooling system, perspiration, to work overtime. "If a person fails to replace fluids and salts they lose during perspiration," Dr. Svenkerud said "dehy-

dration can follow."

The symptoms of dehydration include muscle cramps, dizziness, nausea, low blood pressure and headaches. "These are serious warning signs," Dr. Svenkerud said. "Anyone with these symptoms should immediately find shade, ventilation and fluids...preferably water...to drink until the symptoms subside."

He explained that if fluids are not soon replaced, heat stroke can follow, causing sudden weakness, headache, confusion leading to loss of consciousness, brain damage and death.

To avoid overheating, Dr. Svenkerud said, people should wear light-colored, loose-fitting clothing and drink more than their normal intake of water. Those with heart or respiratory conditions or who take medications should be alert to any signs of physical problems.

Children can develop dehydration, especially quickly during hot, humid weather, and also need increased fluids and light clothing. In addition, they, as well as pets, should not be left in cars or hot buildings.

"One of the best ways to know whether to take special precautions on a given day is to follow a local weather forecast. Although forecasts cannot be exact, meteorologists usually are accurate enough to predict approximate temperatures and humidity," Dr. Svenkerud added.

Forecasters often refer to a "heat stress index," a numeric table which reflects how hot the air will feel to humans. A heat stress reading of 105 degrees is considered very dangerous, yet it can occur while thermometer readings are still in the mid-80s.

**Brook Baldrige
Valedictorian At Jayton**

Miss Brook Baldrige, daughter of Buddy and Bonnie Baldrige, finished as valedictorian of her class at Jayton High School. She is the granddaughter of Mr. and Mrs. Bill Carson of Ozona, and Mr. and Mrs. Joe E. Baldrige of Lubbock, and the great-granddaughter of Mrs. Ira Carson of Ozona.

In addition to being an honor graduate and member of the National Honor Society, Miss Baldrige received the John Phillip Sousa band award, the athletic sportsmanship award (as a junior and a senior), the R. N. Pierce Award for Excellence (both junior and senior years), and was co-MVP for the Jayton Lady Jays basketball team. She was selected to the Six-Man Coaches' Association All-State Team and will participate in the association's All-Star game in Wichita Falls on July 15.

Throughout her high school career, Brook represented her school in many activities. She was a member of the Lady Jays basketball team that was district champions, bi-district champions, area champions and regional qualifiers for four years. In her junior year she was a starter on the team that was state runner-up. Brook also competed on the Lady Jays track team where she was a regional qualifier in the 400m relay, the 800m relay, the 1600m relay and the triple jump. As a senior she was part of the Lady Jays golf team that was the district champion and a regional qualifier.

Brook, an accomplished pianist, also was a member of the Jayton Jaybird Band where she played flute and bells. The Jaybird band won a sweepstakes each year of Brook's high school career. She was a member of the one act play cast for two years and was honorable mention all star cast as a junior. Other school activities included student council (VP her senior year), FHA, cheerleader, National Honor Society (president her senior year), class secretary and class president.

In addition, Brook participated in a wide variety of UIL literary events during her years at Jayton. She participated in number sense, calculator, mathematics and science. She qualified for regional competition in feature writing, ready writing and accounting.

As a senior, Brook was chosen by her classmates as Most Likely to Succeed, Best All-Around Girl and Friendliest. She was also listed in Who's Who Among American High School Students.

Brook will attend Hardin Simmons University in Abilene next fall.

Ozona Teams Participate In Second Year Of Baseball

Neal Ulmer, Stockman Sportswriter

No baseball strikes here as it is the summer sport for youths to participate in Ozona. This is the second year that Ozona has fielded teams for the Texas Teen-Age Baseball-Softball.

The Texas Teen-Age (TTA) is a non-profit, tax exempt organization

offering a summer recreation program for Texas girls and boys ages 13-18. This organization promotes good sportsmanship, team cooperation, fair play, discipline/self control, and competition on an equal basis.

According to Coach Edward Fierro, this is Ozona's second year to participate. Ozona started playing in

this organization to better improve the athletes and prepare them for high school U.I.L. baseball competition.

In the high school age group there are five divisions which are: freshman, sophomore, junior, high-junior, and senior. Ozona has three teams that compete in the junior division. The three Ozona teams are: Lilly Pirates coached by Edward Fierro and Frank Moran, Ozona Sox coached by Alex Castaneda, and the Longhorns coached by David Delgado and Ray Don Myers.

Fierro said that Ozona teams compete with local and out-of-town teams in the divisions. In the area, Ozona competes in Division I which also includes Sonora. Making up Division II Crane, Iraan, Rankin, and McCamey.

As of June 6, the Lilly Pirates have a 3-0 record which includes one forfeit. The Longhorns have a 1-1 record which includes one forfeit and the Ozona Sox are 0-2.

Ozona will be hosting a tournament Thursday-Saturday, June 15, 16, and 17. Tournament officials hope to have six to eight teams. There will be a \$90 entry fee per team. The Ozona tournament team will be composed of team members from all three Ozona teams.

A district tournament will be held on July 17 in Crane. The top two teams from each division will compete in the district tournament. The state tournament will be on July 25 with the site still to be determined.

The feeling of friendship is like that of being comfortably filled with roast beef; love, like being enlivened with champagne.

—Samuel Johnson

STATE 4-H ROUNDUP PARTICIPANTS at Texas A&M University - Jason Hignight placed fourth with a rabbit demonstration, JoLynn Vannoy was first in the comedian/poet division of the Share-the-Fun contest, and Eli Hernandez placed fifth in the family life division.

photo by Neal Ulmer

4-H's Represent County At State

Ten 4-H members from Crockett County enjoyed plenty of hectic activity, contests and fun during Texas 4-H Roundup at Texas A&M University last week. Attending from Ozona were JoLynn Vannoy, Justin Moran, Tara Wilkins, Amy Laughlin, Casey Upham, Lynne Haire, John Clayton Childress, Slate Williams, Eli Hernandez and Jason Hignight. They were accompanied by adult leaders Nancy Vannoy, Neal Ulmer and Donnie Laughlin, and by County Extension Agents Billy Reagor and Tedra Ulmer.

On Thursday, Eli Hernandez placed fifth in the family life educational Activity demonstration contest, and Hignight placed fourth with his rabbit demonstration. JoLynn Vannoy won first place in the comedian/poet category of Share-the-Fun, and performed on stage during assembly that evening. During the assembly, a segment was taped for CBS This Morning on Aug. 22, and the Texas 4-H Council took the stage a final time to Bon Jovi's "Blaze of Glory," descending into the orchestra pit dressed in black dusters and hats.

On Monday, June 5, Vannoy interviewed for a scholarship and Moran interviewed for a national trip (see related stories). They were well-rewarded on Tuesday, when Vannoy received a \$10,000 4-H scholarship and Moran received a trip to Memphis, TN, in November. Both 4-H'ers were recognized during the opening assembly, where Moran was also recognized as a State Council member from District VI.

During the trip, 4-H members stayed in dorms and enjoyed activities such as nightly dances, swimming, touring the campus and Corps of Cadets museum and meeting new friends. For more information about 4-H opportunities, contact the Crockett County Extension office at 392-2721. Educational programs such as 4-H which are conducted through the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

On Wednesday, the wool judging team of Vannoy, Wilkins, Laughlin and Upham competed and placed fourth. The range evaluation team of Haire, Childress and Williams placed seventh. Jason Hignight competed in the Texas 4-H Fashion Show, and Vannoy served as one of the narrators for the show. She had been selected earlier through a videotape audition contest.

Training Begins In September For Concealed Handgun License

Texas interested in obtaining a license to carry a concealed handgun will be able to start the required firearms training program as soon as the law goes into effect on Sept. 1, DPS Director James R. Wilson said.

"We have an internal task force up and running to do what needs to be done to make this new law work," Wilson said. "We anticipate that we will start training firearms instructors this summer, and our goal is to have these instructors licensed and able to start training interested citizens after Sept. 1."

Wilson said the department is currently developing forms, procedures and rules in order to begin accepting applications for concealed handgun licenses on Sept. 1.

"Texans need to remember that the current weapons laws remain in effect until Jan. 1, 1996," Wilson said.

"In the meantime, we ask the public's patience as we get this program set up," Wilson said. "We will make an announcement to the public when our training classes have been set, with instructions on how to enroll. But the department is not currently accepting fees or application requests for instructors or licenses."

The director cautioned that no

firearms instructors or training facilities have been approved by the department at this time. "When instructors and training facilities have been approved, this information will be released to the public. We will be issuing periodic updates to keep the public informed on policies and procedures as they are developed."

When application request cards for licenses are available, which is expected to be mid-August, they will be distributed to all areas of the state, Wilson said. Applicants who meet the basic qualifications will be able to submit these request forms to the DPS at that time.

"A complete application packet will be furnished to those who request it," Wilson said. "That application, with required forms and fees, may be submitted to the department after Sept. 1. The validity of the information provided in the application will be verified by a background investigation conducted by the department."

The director also stressed that under the new concealed handgun law, a private or public employer has the right to prohibit those with concealed handgun licenses from carrying a concealed weapon on the premises of the business.

Letters To The Editor

Dear Editor,

This letter is in regards to an accident that occurred on May 7, 1995 and the accident report written by the D.P.S. investigating officer, Castulo Bilano Jr. After purchasing an accident report for insurance claims, legal claims and to satisfy our own curiosities I was to put it simply, appalled, at the inconsistencies and in my opinion, serious errors in the report.

It was suggested to me that maybe a discussion with Bilano would be a good idea to clarify in my opinion errors in his report that seemed to me incomprehensible. At the meeting or should I say confrontation Bilano at one point became agitated and rude. My questions, statements, etc. were being interpreted and cut short by remarks of "what's your point, make your point, get to the point. Are you an expert?" and "I'm not wasting any more time on this" the discussion ended abruptly when Bilano got his pen and some paper and said to me, "This is

how the accident happened." This Mr. Bilano would no doubt have been a waste of my time most importantly yours for I was present not merely forming an opinion.

So here are the points or points I was trying to make.

Report states: it is the opinion of the investigator (Mr. Bilano) the driver of the vehicle (Rosie Gonzalez) was not paying attention and also driving to fast.

Point: In leaving approximately 75 ft. of skid marks to impact and adding to that distance traveled while making the decision to brake and actual reaction time to me sir, that is definitely paying attention.

Point: As stating we were going to fast. Does a car brake in the same distance on wet pavement as it does on dry? On May 6 & 7 we received approximately 1/2 inch of rain. Can you actually say we were speeding by measuring the skid marks?

Point: Isn't it a fact that a vehicle

turning left in a two lane two way road must yield not to one lane but to both. It is undeniably obvious the truck driver did not properly yield to right of way to both lanes in that he turned and stopped in our lane upon noticing our vehicle approach the intersection (with a green light).

Upon closing, I will say that an effort to get authorization for medical treatment for Rosie Gonzalez, Michelle Gonzales, and myself was refused by the company involved in the accident by stating that the driver of our vehicle was given a citation for DUI or DWI. This information was no doubt given to safety officer by the truck driver involved, for what purpose

Sincerely,
Rodolfo "Cheo" Vargas

CROCKETT COUNTY 4-H CLUB'S 23rd Annual Horsemanship Clinic was held June 10 at the rodeo arena with 23 students attending. The clinic was conducted by Cassie O'Neal and Vanessa Mason, animal science students at Texas A&M University. photo by Neal Ulmer

4-H Horsemanship School Held June 9-10

The Crockett County 4-H Club hosted a 4-H Horsemanship School this past Friday and Saturday. Vanessa Mason from New Mexico and Kass O'Neal from South Carolina, students at Texas A&M University, traveled from College Station to teach the school.

Twenty-four 4-H members from Crockett Co., Sutton Co. and Edwards Co. attended the two-day school. In-

struction began at 8:00 a.m. each morning and continued until about 5:00 p.m. each afternoon, with short breaks in both morning and afternoon sessions and a break for lunch. A hotdog lunch was provided on Saturday by NatGas of Ozona and cooked by Ed Hale. Snacks for the morning and afternoon breaks were donated by several parents from each of the counties participating.

Instruction was given in the areas of safety, proper equipment and its use, leg and rein aids, functional horsemanship, gait transitions, teaching a horse to respond to bit pressure, suppling exercises, leads, circles, backing and stopping.

Adult Horse Club leaders who helped with the school were Kay and Eddie Stewart, Ed Hale and Lucy Humphrey.

Dispelling Myths About Healthy Weight

COLLEGE STATION - While Americans have become more health conscious, some still may have a difficulty separating myths from realities when it comes to nutrition and physical activity.

"You can never be too thin" is definitely one of those myths, said Carol Suter, professor and nutrition specialist with the Texas Agricultural Extension Service at Texas A&M University.

"In reality, being too thin or too heavy increases your chance of developing health problems," she said. "A healthy weight depends on how much of your weight is fat and where that fat is located in your body."

Other factors also help determine an individual's healthy weight, she said. For example, healthy weight will be influenced by whether a person has weight-related medical problems, such as elevated cholesterol or diabetes, or a family history of such problems.

Assuming that the scale is the best way to determine if you're fit or fat is another way that people too often arrive at the wrong conclusion.

"The scale does not reflect your body composition," Suter said. "The body is more than just mass. It's muscle mass, skeletal mass, fat mass and organs, which includes the skin."

The scale does not differentiate between fluid or fat weight, she said. It does not take into account that:

-It takes 3,500 calories to make one pound of fat.

-Two cups of water weigh one pound.

-Sudden weight changes are usually from fluid shifts in the body.

-If your weight suddenly rises five pounds, it would require consuming an extra 17,500 calories.

More sophisticated measuring techniques such as the bioelectric impedance do a reasonable job in calculating fat, Suter said.

"However, experts believe that there still is not a clear method to determine optimal body weight - that which is optimal for good health, for peak performance or for appearance."

The waist-to-hip ratio is a simple way to determine if your weight is a

health risk, she said. Measure around your waist and the largest part of your hips. Divide the number of waist inches by those of the hips to obtain the risk ratio. The high-risk ratio is 0.95 or above for men, and 0.80 or above for women.

Nutritionists agree that a low-calorie diet is a good way to achieve a healthy weight, but not the best way when it becomes extreme. Chronic dieting, under-eating, or skipping meals can contribute to a sluggish metabolism, which could make it harder to lose weight.

"Fueling your metabolism is like stoking a fire," Suter said. "If you remove the wood, the fire will diminish. To fuel the metabolism, a sufficient amount of calories must be consumed or the body will slow down to compensate."

Proper dieting requires following the recommended daily allowances of the USDA Food Guide Pyramid, she said.

Another myth is that "increasing aerobic activity guarantees that you'll reach your metabolic peak." While aerobic exercise such as cycling or jogging can help boost metabolism, research shows that strength training, such as weight lifting, plays a vital role. Weight-bearing activities help build and maintain muscle growth. The more muscle you have, the more calories you burn.

There are many reasons for people to add regular activity to their lives, Suter said. It helps individuals reach and stay at a healthy body weight, reduces body fat, can lower blood pressure, lowers some blood fats (total cholesterol), but raises the "good" kind (HDL cholesterol), improves blood flow, and increases strength and endurance.

However, be careful in selecting an exercise routine, especially if you have a health problem. Experts recommend that before deciding on any exercise or diet plan, consult a doctor, dietitian, exercise specialist or all three. Remember, too, that activity with weights and other fitness equipment requires proper training and usage to avoid injuries.

Cardiovascular Disease Accounts For One-Fourth Of 1992 Deaths In County

Forty-one percent of the 126,787 deaths of Texas residents in 1992 were from cardiovascular diseases, according to figures released from the American Heart Association, Texas Affiliate. These figures were taken from the 1994 American Heart Association, Texas Affiliate, Cardiovascular Death Statistics report which was compiled from information recently released by the Texas Department of Health.

Cardiovascular disease remains the state's number one killer, claiming the lives of 52,846 Texans in 1992. According to the Texas Department of Health's Bureau of Vital Statistics, cancer follows, killing 29,995. In the same year, accidents accounted for 5,987 deaths and 2,382 people in Texas died of human immunodeficiency virus (HIV) infection.

In Crockett County in 1992, the statistics show that eight of the 31 people, 25.8%, of those who died here, died from cardiovascular disease. The figures for 1991 were 29 deaths, six of which were cardiovascular, for 20.7%. The figure was higher in 1987 with 12 cardiovascular disease deaths out of 30 for 40.0% percent. In 1982, there were 10 cardiovascular disease deaths out of 44 in Crockett County for 22.7%.

Across the state, death rates from heart attack, stroke and other cardiovascular diseases are declining. Total deaths from cardiovascular diseases have dropped from 45.9 percent in 1982 to 41 percent in 1992. Advances in medical treatment and healthier lifestyles in recent years have undoubtedly played a part in this decline, but there's still a long way to go.

Preventing heart disease and stroke is the first priority of the American Heart Association. To support this goal the American Heart Association provided \$6.4 million for cardiovascular research in Texas last year. The association also reached nearly five million Texas youth and adults with interactive educational programs. These programs, which focus on reducing cardiovascular disease deaths, were conducted in school, work, health care and community sites.

A non-profit health organization funded mainly by private donations, the American Heart Association, Texas Affiliate is the state's largest voluntary health organization dedicated to reducing disability and death from heart and blood vessel diseases.

CFSA News

The 1994 Emergency Feed Program ended on April 14, 1995. Final checks have been prepared and are ready for producers to pick up.

Crockett County is eligible to go into the 1995 Feed Program if conditions become more than 40% below normal. The county Committee will monitor conditions and do what is necessary.

Producers who have a July 1, 1995 deadline on their ACP practices need to complete the practice by that date or file for an extension. Extension forms were available in the office. A producer can apply for only one extension on the practice. The extension can run for 90, 60 or 30 days.

If you need more information, stop by the CFSA office or call 392-3702.

Loan Applications Being Accepted For Economic Injury Disaster Loans

Businesses depending on farmers and ranchers in Crane, Crockett, Pecos, Reeves, Terrell and Ward Counties can now apply for low interest economic injury disaster loans from the U. S. Small Business Administration. These loans are available to help businesses meet normal operating expenses that cannot be met due to the effects of a disaster. Drought which occurred April 15, 1992, through Sept. 19, 1994, caused many farmers and ranchers to experience reduced incomes which may have had an adverse economic effect on businesses depending upon these producers. Farmers and ranchers are not eligible for this loan program but may be eligible for disaster assistance through other Federal agencies. However, nurseries that are victims of drought disasters can apply.

To obtain an application or receive additional information, interested business owners may call the SBA toll-free at 1-800-366-6303 or TDD 817-267-4688 for the hearing impaired. The deadline for filing applications is Nov. 30, 1995.

Due to the drought, many producers experienced crop losses and were not able to purchase goods and services at normal levels. Businesses that are dependent upon these producers may have experienced decreased sales, reduced gross profit margins, increased accounts receivable or difficulty in moving inventories at normal levels. To the extent these problems have caused the business difficulty in meeting its normal obligations, these loans may be of assistance. The loan can help a business meet installments on long-term debt, accounts payable and overhead expenses that would have been met had the disaster not occurred. Refinancing of long-term debt, however, is not eligible under this program. The loan is designed for those businesses with substantial disaster-related financial needs of the business. Interest rates are four percent (4%) and terms may extend to 30 years depending upon the repayment ability of the individual applicant. To qualify, businesses must be small by SBA's size standard. Businesses which can meet their financial needs through other sources are not eligible.

David Crockett 5K Romp Aug. 5

The first ever David Crockett 1 K Fun Run and 5 K Romp will be held in Ozona Aug. 5. The run will start at the county park at 7:30 a.m. T-shirts will be given to all 5 K participants with a \$12 entry fee. All participants in the 1 K will receive ribbons.

To enter, contact Martha Villarreal at 392-2780 or Adrienne Cook at 392-2953.

Following the run, the Ozona Chamber of Commerce will host the famous David Crockett Birthday Festival.

Keeping an eye on Texas

Drug busts along border

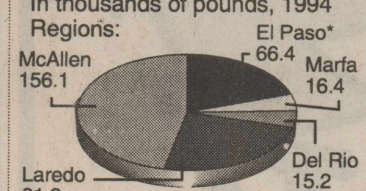

The U.S. Border Patrol reports 6,170 drug arrests along the southwestern border of the U.S. in fiscal year 1994. Marijuana was the drug seized in the majority of cases—525,403 pounds in 1994 compared with 32,862 pounds of cocaine. Texas totals were highest, with the McAllen region seeing the most marijuana seized.

32,000 Americans Are Waiting

You, or someone you love, could be one of the 32,000 desperate Americans waiting to get a donor organ ... or to die.

About 7,500 of them probably won't get the kidney, heart, or liver they need, in time!

Over 600 of them are age 10 or younger.

WHAT CAN YOU DO TO HELP?

**AARP Chapter
4774
The Senior Side**
By Betty Bullard

Well, here it is the middle of June, the year is half gone and I haven't even started any of the projects I planned in my new year's resolutions. I'm still plodding along the same trails at the same pace, and don't see any possibility of making any changes in the near future.

I'll be traveling this summer, accompanied by one or the other of my children, severely limited because I don't fly. The only time I have flown was in J. Cleo Thompson's jet when Roy Lee ripped his leg open, and Mr Thompson had Roy and I flown to San Angelo in his jet. I loved the flight even under those circumstances; it's not that I'm afraid of flying, even commercial flights, but I am afraid of airports. With their reputation for losing things and my reputation for getting lost, there's no telling where I would end up. I am ambidextrous, so right and left, and north and south mean nothing to me. A road map is confusion in print, they will lie to you too. That's why I am always ending up in places I hadn't planned to be.

The last time I really got lost was going from here to Midland through Barnhart. Somewhere I made a wrong turn, (or thought I had) I drove and drove, finally stopped a pickup and asked the man how to get to Cotton Flat. He gave me three sets of directions, saw my confusion, and said "Follow me, Mam" for which I was extremely grateful. I made mental notes so I would know how to come back.

On the way back I was doing real well (I thought) until I came to the same stop sign for the second time. This time I took the left hand turn, went a couple of miles, hit a major road, had no idea where I was, took another left hand turn, drove about 10 miles and saw a sign that said Rankin 32 miles, I didn't know how I got there, but I knew where I was. I have found if I keep the gas tank full and just keep on going, I'll get there. If I get lost, I'll get found. If I have to stop and ask someone where I am, they are always very courteous, if they laugh at me, I just laugh right back. A lot of roads, some I don't know how I got there, or why but what difference does it make where we have been, this is where we are now.

The question is, "Where do we go from here?" Are you where you wanted to be at this time in your life? If not, keep your tank full, and keep on trucking, you are never finished until you give up. Come on down and join us in AARP, we are still planning, still achieving and still up and running, and not ready to give up yet.

There are no whole truths; all truths are half-truths. It is trying to treat them as whole truths that plays the devil.
—Alfred North Whitehead

THE EASTERN STAR CHAPTER #287 of Ozona entertained the Master Masons of Ozona Lodge #747 with a western party June 9. Seated left to right are: Maxine Brown, Worthy Patron Leonard Hillman, Worthy Matron Mary Hillman, guest speaker and Master Mason James Scott and Carolyn Glass from San Angelo and R. L. Brown. Marsha Tomlinson provided the music for the event.
photo by Neal Ulmer

**Perry Ranch Hosts
Hunter Education Camp**

The Gene Perry Ranch in Crockett County hosted the Hunter Education Camp this past weekend. Some 14 young people attended the three-day camp, where they learned about hunting laws, proper use of several different types of firearms and archery equipment, how to identify different types of wildlife and poisonous snakes, and wilderness survival.

The camp is open to both boys and girls between the ages of 12 and 16 at no cost to the participant. Meals, lodging, firearms and ammunition are provided by the Texas Game Warden's Association and several local donors. Instructors are qualified and each participant who completes the course receives his or her hunter certification. In order to be a legal hunter, young people over the age of 12 must now have their hunter certification.

Students were: Hyatt Harvey and Billie Ryan of Midland, George Reid IV, George Reid II and Sharon Reid of Austin, Carey Peek of Avery, Kenneth James of Carlsbad, and from Ozona Jamie Tebbets, Stephen Tarr, Chad Flanagan, Travis Vordick, Dustin Shaffer, Shannon Vanderburg, Bryan Perry, Anthony Lindsey, David Vanderburg and Will Collett.

Adults helping were: W. D. Haire, Dee Keilers, James Montgomery, Bob Harris, Mary Humphrey, Ed Collett, Will Collett, Jerry Perry, Ricky Perry, Ray Shelton, George Reid, Sharon Reid, Gina Ogle and game wardens Chuck Cosper, Don Jackson, Freddie Cervantez, and Juan Carlos Flores.

Cooking for the crowd was Harvey Hill.

ASU To Offer "Star Program" This Summer

June 8 -- The summer "star program" at the Angelo State University Planetarium will examine the many accomplishments of the Voyager spacecraft. The Voyager mission was the most successful unmanned space mission to the planets of the outer Solar System. The Voyager Encounters reviews the history of the exploration of the planets Jupiter, Saturn, Uranus, and Neptune from the first glimpses through the telescope by Galileo to the spectacular close-up views returned by the Voyager's cameras.

The program begins Thursday, June 8, and will be presented every Thursday evening and Saturday afternoon through Aug. 17.

Through an exciting blend of slides, special effects, music, video, and narration, The Voyager Encounters takes the audience to the realm of the mysterious gaseous, giant planets examines in detail the fantastic storm systems, moons, and rings of these giant worlds. Using the planetarium star projector, the show will also highlight the summer night sky, identifying the brightest stars and planets currently visible.

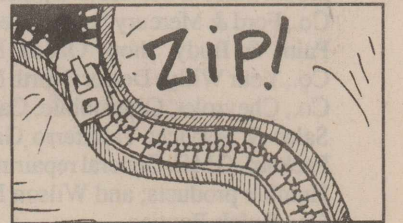

The Angelo State University Planetarium is one of the largest and one of the most technically sophisticated planetariums on a university campus in the country. There is none larger in the state. It is located on the first floor of the Vincent Nursing-Physical Science Building on the ASU campus. Show times for The Voyager Encounters are Thursday evening at 8 p.m. and Saturday afternoons at 2 p.m.. Tickets for the show are \$3.00

general admission and \$1.50 for students, senior citizens, and ASU faculty and staff. For further information call 942-2136. For current astronomy updates call 942-2188.

Fussell, Laura Graves, Mary Louise Harvick, Willie Joe Hubbard, Tommy Proctor Kirby, Billie Jean Linthicum, Myrtle Luther, William Beecher Montgomery, Margaret Elizabeth Owens, Phillip Schneeman, Emily Smith, Mary Alyce Smith, Clifton Warren Taliaferro, Mary Frances West and Joe David Williams.

A scant collection of work samples from the forties included a June 12-13, 1945, program made for the Evangelistic Conference of the Pecos Valley Baptist Association hosted by Ozona's First Baptist Church, the baccalaureate program for the Class of 1947 and the program for the April 29, 1949, senior play, "Uncle Fred Flits By".

Play cast members were: Chris Perner, Ray Piner, Armond Hoover, Roberta Ortiz, Rosalie Friend, Bud Hoover, Bill Melton, Ann Harvick, Lin Hicks, Betty Jane Schwabe, Betty Jo Thompson, J. G. Huffstetler, Frank Parr and Charlie Davidson.

A list of program sponsors contained the names of six motor companies: James Motor Co., Dodge & Plymouth Sales & Service; Melton Motor Co., Ford & Mercury Sales & Service, Paint & Body Shop; Ozona Motor Co., Your Willys Dealer; North Motor Co., Chevrolet, Oldsmobile, Cadillac Sales & Service; Taliaferro Garage, Packard, GMC, General repairing and Humble products; and Wilson Motor Co., Buick-Pontiac.

Other businesses on the program were: Hi-Way Cafe, Crawford Barber Shop, Foxworth-Galbraith Lumber Co., Mike's Grocery & Cafe, Saunders Flowers, Ozona National Bank, Pridemore Brothers (Cosden Products,

Wholesale & Retail), Cooke's Market (hot barbecue), House of Flowers & Gifts, Iva's Beauty Shop, Miller Firestone Service, Williams Grocery, Ozona Audit Company, Meinecke's Grocery, Ellis Food Market, Kyle Cleaners, Ozona Dress Shop, Ratliff Hardware & Furniture Co., City Cafe, The Ozona Stockman, Eddie's Paint & Repair, E. B. Baggett, Jr. (general insurance agent), C. G. Morrison's, Ozona Boot & Saddlery, Crockett County Water Control & Improvement District No. 1, South Texas Lumber Company, Hotel Ozona, Ozona Laundry and Dry Cleaners (Phone 164 - We clean anything but a guilty conscience), Steak House Cafe, Ozona Butane Co. and Ozona Coffee Shop.

In a roll call of Ozona businesses today, only seven of these would be listed.

The fifties' file yielded a March 13-14, 1958, program for the 51st annual convention of the Mid-Texas Education Association, District XI of the Texas State Teachers' Association. Although the meeting was held in San Angelo, the program was printed here under the direction of L.B.T. Sikes.

A July 20, 1956, program for the 3rd Annual Ozona Water Carnival & Bathing Beauty Revue listed 53 entries plus 23 entries in the little girls' revue.

The Texas Federation of Music Clubs, sixth district, held its 33rd annual convention in Ozona October 8-10, 1959, hosted by the Ozona Music Club. Oct. 10 was the Federation's 26th annual junior day, and the program lists youths from Ozona and other towns as performers.

In 1958 on May 8, the Ozona Music Club celebrated National Music Week with a recital by students of Mrs. Lovella Dudley, Miss Mae Ellington, Joe Kreklow, Miss Dorothy Price and Miss Cleona Quiet.

Miss Quiet's piano students gave a Valentine's Day recital consisting of 18 segments according to a program with no year date. Her programs for May of 1958 and 1959 expanded to 22 and 27, respectively. A program for May of 1954 listed 35 segments, mostly single songs.

In May of 1951, pupils of Mrs. Neal Hannah presented a more condensed recital of 13 segments according to her program.

"As the Twig is Bent, so Grows the Tree" was the theme for the May 12, 1956, recital by pupils of Dorothy Montgomery School of Dance. Costumes were designed by Mrs. Montgomery and executed by Mrs. Faye Drake, Mrs. Dillon Merritt, Mrs. Cecil Hubbard and mothers.

In 1959, when director Corbett Smith led the OHS band in spring concert, there were 58 musicians listed on a program which included the numbers Proud Heritage, Thendara Overture, First Suite in Eb, Holiday in Paris, First Movement, Unfinished Symphony, Carnival of Venice (featuring a flute solo by Becky Davidsons), Twilight Moods and Malaguena.

The Methodist Church held services of dedication for its building on Jan. 28, 1951, including a burning of the note, and the first quarter's calendar of activities printed for First Baptist Church in 1953 proclaimed the previous year as giving the largest

number of additions (members) to the church in its 61 year history.

Hill Country Firemen's Association held its annual convention in Ozona Aug. 14, 1956, at the Ranch Theater, and on Oct. 16 of an unspecified year, the San Angelo Community Players were in Ozona to present "Arsenic & Old Lace". Sponsored by Beta Rho of Epsilon Sigma Alpha, the play began at 8:18 p.m. on a Saturday

Names of sponsors for the program reflected a change in the times, or perhaps in interest. In addition to the aforementioned businesses listed on the senior play program, Williams Grocery, Kyle Cleaners, C. G. Morrison Co., Hotel Ozona, Ozona Boot & Saddlery, South Texas Lumber, Ozona National Bank, North Motor Co., Foxworth-Galbraith Lumber Co., E. B. Baggett, Jr., North Motor Co., Hi-Way Cafe, Ratliff Hardware & Furniture and Crockett County Water Control, there were: Ozona Drug, Ranch Drug, Joseph's Department Store, Wallis Jewelry, The Ratliff Store, Little Mexico Cafe, Empire Southern Gas Co., Ozona Oil Co., H. C. Collett Texaco Station, Pridemore & Allen Gulf Station, Flying W Lodge, Wylie Sinclair Station, North Grocery and M&M Cafe.

A senior class play of the period (on an undated program) was The Vampire Bat with cast members: Jim Brown, Suzanne Dale, Elizabeth Pearson, Jerry Gilliam, Durwood Wylie, Beverly Killingsworth, Bobby Estes, Mary Lou Johnigan, Judy Patterson, Jess Marley, Earl Malone and Genelle Childress.

Three junior classes presented The Death & Life of Larry Benson, You Can't Beat the Drums, and The Little Dog Laughed.

Cast of the Bensons included: Jayne Cole, Betty Baggett, Pam Perner, Janet North, Becky Cullins, Glenda Friend, Leroy Drago, Johnny Childress, Charlotte Johnigan, Judy Black, Darrell Rasberry, Bobby Tabb and Gary Stewart.

Playing in the Drums were: Dianne Phillips, Marilee Dale, Billy Bob Holden, Mills Tandy, Alleane Young, Tommy Spurgers, Molly Sue Richardson, Jerry Jacobs, Johnny Cooper and Bobby Sutton.

The cast of The Little Dog Laughed was made up of: Genelle Childress, Jimmy Carroll, Dartha Melton, Durwood Wylie, Carolyn Mayfield, Gwynell Walker, Jonathon Burton, Wanda McCaleb, Joe Clayton, Bobby Estes, Liz Pearson, Beverly Killingsworth, Judy Patterson, Mary Jo Ward, Suzann Dale, Mary Lou Johnigan, Linda Kay Leath, Lanny Brentz, Owen Wagner and Chris Hagelstein.

A 1951 promotion program for Ozona Junior High School showed 29 students advancing to high school on May 21. They were: Serald Brownrigg, Curtis Bruton, Charlie Black, Sandra Brewer, Betty Cunningham, Kent Chapman, Pat Cooper, Myrtle Mae Everett, Barbara Fields, Robert Freeman, Charles Hale, Jane Hallford, Barbara Hendricks, John Lee Henderson, Sammie Houston, Frankie Jones, Tom Kincaid, Della Mae Mason, Ronnie McMullan, Doyle Newcom, Lynn Parker, Nancy Perdue, Ann Ratliff, Hugh Russell, Kay Simmons, Dan Smith, Tommy Smallwood, Betty Walley and Glenda Wilson. Lynn Parker was valedictorian of the OHS Class of 1955 and Sammy Martinez Jr. the salutatorian.

1955 graduates were: Earl Berry, Charlie Black, Sandra Brewer, Alceath Brown, Serald Brownrigg, Curtis Bruton, John Edward Butterfield, Herman Carroll, Kent Chapman, Patricia Cooper, Myrtle Mae Everett, Barbara Fields, Robert Freeman, Charles Goodman, Patty Ann Hardesty, John Lee Henderson, Sammie Houston, Jody Jones, Della Mae Mason, Sammy Martinez, Serafin Maskill, Hilda Montes, Lucrecia Montes, Ronnie McMullan, Lynn Parker, Nancy Perdue, Ann Ratliff,

Antonio Rodriguez, Guadalupe De la Rosa, Hugh Russell, Fred Shoubrouck, Charles Sowders and John Sowders.

Making their mark in 1958 when Rosa, Hugh Russell, Fred Shoubrouck, and Charles Sowders and John Sowders.

Stanley Williams salutatorian were: Bill Black, James Burton, Jonathan Burton, Joe Clayton, Melchor Cardenas, Genelle Childress, Herminia Delgado, Rodney Franklin, Clayton Friend, Larry George, Alma Ingham, Delma Martinez, Carolyn Mayfield, Dartha Dee Melton, Wanda McCaleb, Ronnie Paulk, Jesus Ramos, Alicia Rodriguez, Bobby Vargas, Gwynell Walker, Mary Jo Ward, Mark White, Stan Williams and Jacob Young Jr.

The program for the Woman's Forum style show tea held Feb. 23, 1957, was The Gentle Look. Local models wore fashions from Maurice of San Angelo, The Cottage, Martha's Kiddie Shop & Florence Hat Shop.

A Pageant of Spring was the Feb. 22, 1958, theme for the style show tea with Mrs. Pleas Childress as commentator. In 1959 at the ninth annual Forum style show tea, Mrs. Pete Jacoby was commentator for Your Future in Fashion.

The Stockman printing files hold recollections of the sixties in the basketball program dedicated to the

memory of J. A. Pelto, yearbooks from Woman's Forum, Eastern Star, Ozona Garden Club, Ozona Youth Rodeo, the 1964 agricultural conservation program Crockett Country handbook, Ozona Woman's League handbook, programs from recitals, graduations, baccalaureates and plays by second and third grade students as well as the 1962 Christmas dinner menu with a message from Major W. C. Bowman, commander at the Ozona Air Force Station.

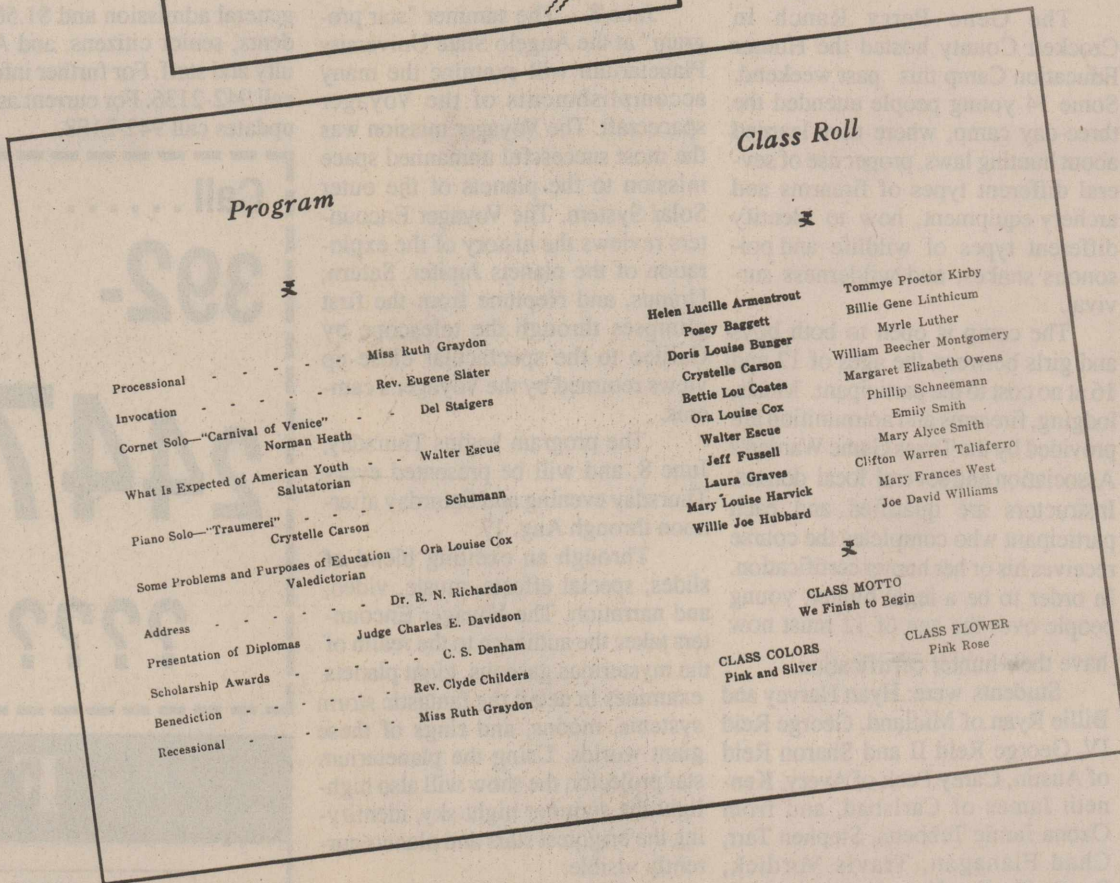

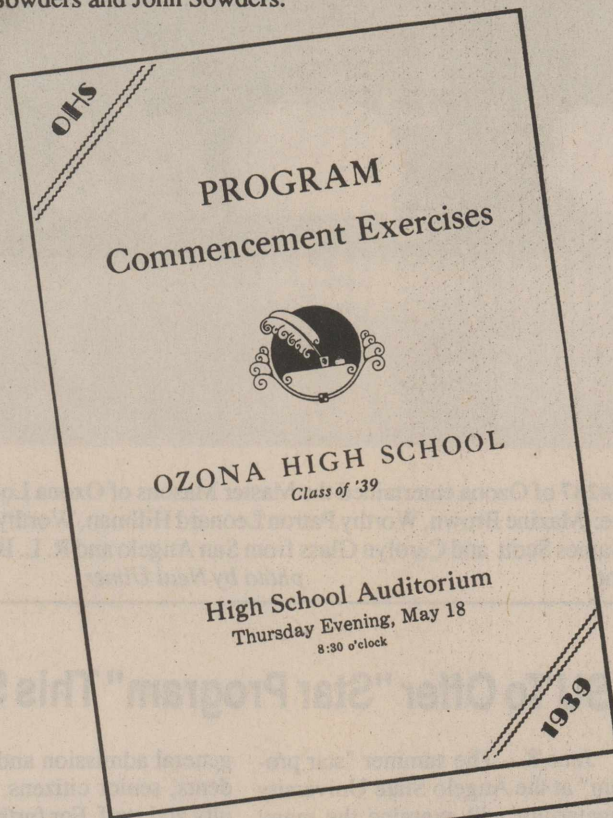

By 1971, the Crockett County 4-H Livestock Show had reached its 24th year, the program shows, and that same year the Ozona Chamber of Commerce held its 7th annual banquet.

The seniors of 1974 presented a "rollicking, frolicking" night of western entertainment March 18 with cast members: Oliver Payne, Harvey Weant, Jimmy Gillit, Jim West, Rick Hunicutt, Gary Mitchell, Lara Sue Arledge, Karen Williams, Teresa Shaw, Amy Glynn, Pat Sanker and Martha Flores.

Students kept right on graduating, and Rev. Keith Bailey, pastor of First Baptist Church, in 1971 had published for the senior class, courtesy of Ozona National Bank, a six page inspirational booklet.

League, Forum and Ozona Garden Club members continued their work as evidenced by the many yearbooks. Among the assortment of basketball, graduation and baccalaureate programs was the 1976-77 installation program for the Ozona Chapter of the Order of the Eastern Star with 64 members. Donna Hightower was Worthy Matron and Scottie Houston Worthy Patron.

And so, my beginning of the "easy" job of cleaning out files ended with an accumulation of treasures, and this only from the "programs" section. Much more waits for another time when I'm "too tired to work".

Public Notices

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Energy Production Corporation, 7557 Rambler Road, Suite 600, Dallas, Texas 75231, has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject into the San Andres, A. C. Hoover, Well Numbers 12, 16, and 21. The proposed injection wells are located 20 miles East from Iraan, in the Shannon (San Andres) Field in Crockett County. Fluid will be injected into strata in the subsurface depth interval from 2100 to 2450 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/463-6790).

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Gibbs Drlg. Co., Box 794, Iraan, TX 79744 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Soma Sand, Thompson, Well Number B-2. The proposed injection well is located 4 miles East, Iraan, TX, in the Noelke, in Crockett County. Fluid will be injected into strata in the subsurface depth interval from 1304 to 1314 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/463-6790).

PUBLIC NOTICE

The Commissioners Court will be accepting applications for the positions of lifeguard.

All applicants must currently be certified as a lifeguard or attend certification classes. The County will pay the fee of \$85 per person for the Public Pool lifeguards certification.

Applications may be picked up at and returned to the Crockett County Auditor's Office or mailed to John Stokes, Crockett County Auditor, P.O. Box 989, Ozona. Applications will be accepted until 5:00 p.m. on June 30, 1995. 2c18
