Business-Social Held By TEL Class

A business and social meeting was held Tuesday, May 11, by members of the T. E. L. Class of the First Baptist Church.

Mrs. Will Harper was hostess with the meeting being held at her home, and Mrs. W. B. Harlan served as co-hostess.

Mrs. Finley, president of the class was in charge of the business session. Reading the 37th chapter of Psalms. Mrs. Riddle brought the devotional for the day.

Following the business, Mrs. Gaddy, Fellowship Vice-president, conducted a social hour.

Delicious refreshments of pie and coffee were served to twelve members.

Over One Hundred Attended Musical

Following are the piano students who were featured in a "Parade of Music", Sunday, May 16, from 3:00 o'clock to 6:00 o'clock p. m., in the home of Mr. and Mrs. Sam McKinstry.

Kay Lenderson, Janet Franz, Alva Lee Shofner, Sylvia and Cynthia Pool, Patricia Butts, Davy Jean Anderson, Linda Lancaster, Jane Sanders, Nan and Susan Allison, Kay Landers, Barbara Simmons, Veta Allison, Kathy Moore, Sherry Allison, Charles King, Joyce Adams, Gary Smith, Tommye Welch, of Earth, and Jean Gammon, Carolyn and Barbara Hinkson, Earlene and Patricia Peterson, all of Lumberton.

Lime punch was served from a lace covered table, decorated by a centerpiece made of roses and greenery entwined on a golden musical staff and notes cleverly designed and arranged by Mmes. C. E. Moore and Jack Lenderson.

Beautiful arrangements of roses were placed on the two pianos.

Mrs. John Smith and Mrs. Ray Franz presided at the guest book where more than one hundred guests registered.

Mrs. Oscar Allison, daughter of Mrs. McKinstry, and Mrs. C. E. Moore greeted guests at the door. Mrs. L. J. Welch and Mrs. J. T. Shofner served the punch.

Hostesses for the occasion were Mmes. C. E. Moore, J. T. Shofner, Oscar Allison, L. J. Welch, and Ray Franz.

Special numbers rendered were two cornet solos by a guest, Jimmy Wilkerson, accompanied by Linda Lancaster, piano student of Mrs. McKinstry.

NEW GRANDDAUGHTER

A baby girl, Nancy Elizabeth, was born to Dr. and Mrs. Kenneth Osborn, of Lovington, N. M., Sunday, May 16. Mr. and Mrs. Osborn are well known here, and she is the daughter of Mr. and Mrs. Sam McKinstry. The McKinstrys and their daughter, Mrs. Harold Allison and Carolyn drove to Lovington Sunday following the "Parade of Music" hour and just missed the tornado which struck just a little west of town. They found the streets running full of water. They returned home Monday.

VISITED SISTER

Mr. and Mrs. L. E. Cross visited over the weekend in Lovington with her sister, Mrs. Annie Harrison.

Farewell Dinner Given In Honor Of Blaine Family

A farewell dinner was held at the First Baptist Church Monday evening honoring Rev. and Mrs. A. W. Blaine. Some one hundred persons attended.

The group sang several songs, after which Gayle Bowen brought the devotional.

A quartet composed of Doc Wilhite, George Hicks, E. R. Hale and Gayle Bowen, sang several selections.

Sherman Inman made a talk, then presented Rev. and Mrs. Blaine with several nice gifts from the church, including a night stand for their bedroom suite, an electric blanket, and a deep fryer.

FFA Father-Son Banquet Was Held Friday Evening

Friday evening, May 14, at 8:00 o'clock, the annual Father and

Son Banquet, sponsored by the Future Farmers of America, was held in the high school cafeteria. One hundred persons, including the boys, their fathers, and other guests, enjoyed barbecued beef with all the trimmings.

Neil Arnold, chapter president for the year, acted as master of ceremonies. The program began with the regular opening ceremony and special guests were recognized. These included members of the board of education, the faculty, the local roping club and runners up in the sweetheart race. Lou An Logan, chapter sweetheart for this year, was presented with a sweetheart bracelet and locket from the chapter.

Of special interest was the presentation of the first annual John Fried Award. The award provided \$25 to one outstanding member of each of the four agriculture classes. Awards are based on the overall project program in operation by the student as well as his interest and scholastic standing. This year the awards went to Neil Arnold, Ag. IV; John Thompson, Ag. III; Delbert Black, Ag. II; and John Lee Howard, Ag. I. John Fried made the presentation.

Bill Moore gave the group a very inspiring talk and the program closed with the regular closing ceremony.

Bible School To Begin At Progress Baptist Church

Progress Baptist Church will begin its annual Daily Vacation Bible School, Monday, May 24. The School will last five days, closing Friday, May 28. All children of the community are invited to attend, and transportation will be provided for all who will come.

Classes will be from 3:00 to 6:00 p. m., each afternoon. Formerly the school has been conducted during the morning hours. It is hoped that more children can attend during these afternoon hours. This will allow time for the younger children to sleep and rest before coming to school and still get home well before night.

The pastor of the church will serve as principal of the school, and the faculty will be made up of ladies of the church. All children are heartily invited.

VISITED PARENTS

Mr. and Mrs. C. B. Howard visited in Dimmitt over the weekend with her parents, Mr. and Mrs. J. D. Davis.

LIBRARY NEWS

Mrs. E. R. Wright, librarian, announces that the public library has received several new books. They are: Harbor Lights, by Anne Duffield; Key To Romance, by L. A. Cunningham; West of Denver, by Chuck Stanley; Rifles On The Rattlesnake, by Lee Floren; Death Cues The Pageant, by Ed Ainsworth; and The Corioli Affair, by Mary Deasy.

ATTENDED CONVENTION

Mr. and Mrs. A. J. Gardner visited last weekend at Waco with their son, Max, then went on to Austin where they attended a Postmasters Convention.

LEAVE FOR NEW YORK

Mr. and Mrs. Paul Gardner are planning to leave Sunday for a three weeks vacation to points of interest in the United States. Mrs. Gardner said they will take the southern route to New York. They will visit in Long Island, N. Y., with Mr. and Mrs. Ted Cummings, who formerly taught in the Muleshoe Schools. They also plan to spend some time in Washington, D. C.

GUESTS FOR EVENING

Rev. and Mrs. Clarence Stephens, Wesley and Lynda Beth, were guests for the evening meal Thursday in the home of Mr. and Mrs. Cecil Davis.

Engagement of Miss Doris LaRue Black To Herbert Williams Is Being Announced

DORIS LARUE BLACK

Mrs. Marie Gwyn Brown, Fair-

NOW YOU CAN LICK ATHLETE'S FOOT WITH KERATOLYTIC ACTION
T-4-L, a keratolytic fungicide, SLOUGHS OFF the tainted outer skin, exposing buried fungi and kills on contact. Leaves skin like baby's. In just ONE HOUR, if not pleased, your 40c back at any drug store. Today at DAM-ROD DRUG STORE. 20-37c.

field, California, announces the engagement and approaching marriage of her daughter, Doris LaRue Black, to Mr. Herbert Evans Williams, son of Mr. and Mrs. Cecil Evans Williams, Canadian.
Miss Black is the daughter of Howard Black, Lubbock. The wedding will take place on June 9, in the Cadet Chapel, West Point, New York.

Graduates Are Honored With A Patio Supper

Honoring their daughters, Helen, Marion Clark, Lola, Joy Dean and Ann, and the graduating seniors of Muleshoe High School, Mmes. Noel Woodley, Alf Stovall, C. E. Roark, M. F. Harris, and Dee Warner were hostesses Sunday evening for a patio supper which was held at the Woodley home.

The supper was held preceding baccalaureate services. Tables were laid with lovely pastel organdy cloths and centered with arrangements of red roses. The buffet was laid with a blue cutwork cloth and centered with an arrangement of red roses on star foam topped with a boy and girl graduate. Class colors and the class flower were used in the centerpiece.

A silver service was used with several silver trays holding sandwiches and other food.

Class sponsors, Mrs. Doris Brown and Miss Barbara Gaither were among the fifty-five who were present.

Guests attending were Supt. and Mrs. Jerry Kirk and daughter, Carolyn Sue, Principal and Mrs. J. R. Baker, and Mrs. Brown.

Seniors Honored With Breakfast

Mrs. Sam E. Fox was hostess Sunday morning at a breakfast at the Methodist Church honoring the graduating seniors.

Those honored were Misses Gwyn Workman, Ann Woodley, Doris Jean Copley, Helen Stovall, and Marion Clark Harris.

Elizabeth Farley was in charge of morning devotional which was followed by a song, "My Best To You", by Jean Montgomery, Barbara Douglass, Don Copley, and

Jimmie Wilkerson.

Breakfast was served in the play room. The long table was centered with an arrangement of red roses on a stairway, hung with miniature gift packages, and topped with a miniature boy and girl graduate.

Other decorations were in the graduation theme, using school colors.

Guests included LaVon Copey, Elizabeth Farley, LaVayne Gregory, Don Moore, Don Copley, Gaylord Tate, Barbara Douglass, Bo Bryant, Jimmie Wilkerson, Linda Lancaster, Jean Montgomery, Velta Gillis, Virginia Gillis, Darla Myers, Ann Woodley, Ginger Gaede, Marion Harris, Helen Stovall, Gwyn Workman, Betty Collins, Doris Jean Copley Stanley Fox, and Mrs. Noel Woodley, the class teacher.

IS IMPROVED

Donald Kemp, who was seriously burned by electricity some time ago, is still a patient in the Lubbock Methodist Hospital, and his condition is reported improved considerably.

WEEKENDED HERE

Mr. and Mrs. Leon Blair and daughter, Phylis, spent the week end in the home of Mr. and Mrs. David Wyer, Brenda and Kathy. The two couples spent a few hours in the Cecil Davis home Sunday evening. Mr. and Mrs. Blair formerly lived in Muleshoe.

There's NO Grain Storage Space Available For This Year's Crop

THE GOVERNMENT'S PROBLEM—

The government is committed by law to support the price of various grain crops. But today the government does not have sufficient space to store the grains they are taking over from last year's loans. To help solve this problem, the government will pay you 11 to 16 cents a bushel to re-seal your last year's crop on your own farm. It also will help you finance both aerating and storage facilities on your farm.

YOUR PROBLEM—

If no government storage is available, it is your problem to provide it if you participate in the price support program. And you must provide storage that will protect your grain from spoilage to be eligible.

You Can Solve Your Problem With A Quonset And Make Money By Doing It!

Every farmer who sells his crop at harvest time loses money. Prices are always lowest when the supply is greatest—at harvest time. Grain storage buildings and grain aerating equipment frequently pay for themselves in one year because of this rise in prices.

HERE ARE THE MONEY-MAKERS:

1. Qualify for a support program loan and get your Quonset now.
2. Receive 80 percent financing — 4 years at 4 percent.
3. Special five-year depreciation for income tax purposes now available on Quonsets for grain storage.
4. Get paid 11 to 16 cents for storing your grain, if re-sealing agreement is made.

Call us or come by for help in planning the building that will work for you. Play safe get a time tested proven QUONSET for GRAIN STORAGE.

BABSON DISCUSSES—

Vacant Land

Babson Park, Mass., May 20, 1954— Old houses may now be a sale. Women have gone crazy both over one-story houses (ranch type and over ultra-wide skirts. There is a style in houses like styles in dresses. Well built and well located large houses are now out of style. How long it will be before women get sensible and buy such houses again is anyone's guess.

FEAR OF WORLD WAR III

But one thing will always be in style, and that is vacant land, whether small city lots that can be used for parking, or fringe acreage just outside cities and towns. Thus far people have not taken seriously the fear of World War III, but now, with these "Evacuation Days", they are beginning to give up their rented city houses and buy in the suburbs.

If World War III should really look threatening, you will see a big boom in suburban property twenty miles out. Unless the price of land is frozen, it could double in value in a few weeks. Well-drained and well-located vacant land should not now be sold.

SOME THINGS BEING OVERDONE

If World War III threatens, farms outside big cities which cannot now be sold at a fair

price may again come into demand. I, however, am not bullish on all commercial farm land. This especially applies to many citrus groves, apple, peach, and other fruits orchards.

With the new big Federal power and irrigation projects, there may be a surplus of high-priced irrigation lands. Irrigation can be overdone, the same as the building of motels and the manufacturing of automobiles. We may be approaching a time when there will be too many filling stations and automobile agencies. More consolidations will be witnessed.

WHAT ABOUT INFLATION?

In view of what is happening in Indo-China, it now seems as if more inflation is inevitable. This may be hard on the housewife and those with fixed incomes, but it should help well-located vacant land and certain other real estate. In view of the preferred treatment received during World War II by the owners of business property, some vacant business property may now be a good purchase.

Inflation should also help farm crop prices and aid merchants. I am deeply bullish on the market prices of the securities of the drug and variety chains. Many of these stocks now yield from 5% to 10% and

should benefit from mild inflation. Too much inflation can harm everybody except the stock brokers, who are foolishly urging inflation along.

TAFF-HARTLEY AND INFLATION

I forecast that the proposed legislation to amend the Taft-Hartley Bill will remain buried until after the November elections. If it had passed Congress as President Eisenhower wanted, it would have made your dollar worth more. If it had passed amended as certain labor leaders wanted, it would have made your dollar worth less. As any action has now been delayed, its present effect on inflation will be nil.

Considering all other Congressional legislation to date, I forecast the net result will be mildly inflationary. This should help most land values and all producers. The ultimate consumer, however, will suffer from higher prices. Good mining properties should benefit. Hence, if you are selling vacant land, retain the mineral and oil rights. (These opinions of Roger W. Babson are published in this paper every Thursday.)

WELL KNOWN SINGER PASSED AWAY MAY 8

Earl Thompson, well known singer, and singing school instructor, passed away May 8, at the Methodist Hospital in Lubbock, following a heart attack.

He is survived by his wife, Oma, of 1910 25th St., in Lubbock and one son, Jack, also of Lubbock.

Among those who attended the funeral from Muleshoe, were his cousins: Mr. and Mrs. G. J. Garth, Mr. and Mrs. Bill Parker, and Mr. and Mrs. Rudolph Moraw.

WEEKENDED HERE

Rex Robinson of ENMU, of Portales, spent the past weekend here with his parents, Mr. and Mrs. Sylvan Robinson and friends.

WENT FISHING

Taking a fishing trip to Conchas Lake over the weekend were the following Muleshoe people: Mr. and Mrs. Elmo Evans and children, Mr. and Mrs. Morris Douglass, Mr. and Mrs. Julian Lenau and children, Mr. and Mrs. Howard Elliott and family, Mr. and Mrs. Bob Kimbrough, and Mr. and Mrs. Dudley Malone.

Two Men Qualify For Round Table

AUSTIN, May 19— R. M. Gregory, Great National Life and Marion F. Harris, Southwestern Life Ins. Co., have qualified for the Leaders Round Table of Texas for 1954, according to an announcement received today from John T. Kehoe, Jr., Dallas, chairman of the group.

The Round Table is comprised of more than 500 career life underwriters in Texas, and membership is based mainly on production qualification. It is the only honor group in the industry exclusively for agents.

The Round Table is a part of the Texas Association of Life Underwriters and will hold its annual meeting in conjunction with the convention of the Texas Association at the Driskill Hotel, Austin, June 24, 25, and 26.

FROM BOSQUE COUNTY

Mr. and Mrs. R. C. "Bob" Dyer of Iredell, Bosque County, are here for a visit with the families of her sisters, Mrs. Pat Bullock and Mrs. Arnold Alcorn.

VISITED RELATIVES

Mr. and Mrs. J. M. McAdams of Friona visited relatives in Muleshoe the past weekend.

VISITED HERE

Mrs. Ola Ragsdale of Baileyboro, visited in Muleshoe with Rufus Lee and his mother Wednesday, prior to their leaving for Hamilton County to make their home.

HELD REUNION

A reunion was held Sunday at the home of Mr. and Mrs. John Williams at Progress. Those attending were Mr. and Mrs. Lilly Swanner and neice, Louise Swanner, of Dublin, some surprise visitors, Mr. and Mrs. V. E. McGinn and children, also of Dublin, Mr. and Mrs. C. E. Blansett, Mr. and Mrs. H. W. Hackney, Mr. and Mrs. C. H. Odom, Mr. and Mrs. Johnny Williams, and Mrs. Edwards and son.

GUESTS FROM OREGON

Mr. and Mrs. Cliff Lewis and sons, Donnie and Steve, of Medford, Ore., were guests in the home of Mr. and Mrs. Cecil Davis Wednesday of last week. The Lewis family has been visiting the past three weeks in the home of her parents, Mr. and Mrs. Askew. They returned to Oregon Thursday.

Mrs. Annie Howard Funeral Services Were Held Tuesday

Mrs. Annie Eliza Howard, 95, passed away Sunday, May 16, 1954, at 8:30 p. m. She had made her home here with her daughter and son-in-law Mr. and Mrs. Jim Stokes and family.

JayCeas Install New Set Officers

New officers of the Muleshoe Junior Chamber of Commerce were installed at a banquet held Saturday night. James Crow succeeded Murrell Brown as president; Bill Wilson is first vice-president; James Mitchell, 2nd vice-president; Wayland Harris, secretary; Marion Waggoner, treasurer.

Sike Watkins is state director. Club directors are Pinky Barbours, Ray Franz, Middlebrook, Ralph Krebs, of Lubbock, gave the principal address. Irvin St. Clair was master of ceremonies. Invocation was given by Gayle Bowen, educational director of the first Baptist Church.

Joe Cummings 'King of Campus' At Alabama U.

Joe Cummings of Muleshoe, was selected 'King of the Campus' at the University of Alabama recently. This honor bestowed on some outstanding student each year. There were some 12 or 15 candidates.

Joe was selected as one of the outstanding Freshmen Football players in Southeastern Conference in his freshman year, 1950 season at Bama. He was held out 'red shirted' of competition the next year, 1951, to get more age, having entered the University at the age of 16 after finishing Muleshoe High School in May, 1950.

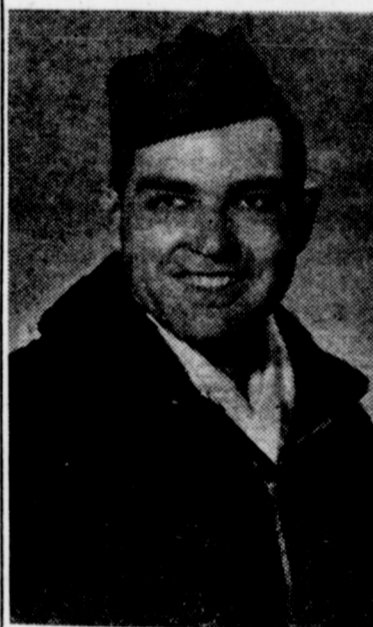

The next season, 1952, Joe started on his varsity ball playing and played in every game, starting several at end of season. Joe was second on the squad in number of passes caught and yardage for 1952 season. Alabama capped this season off by playing in the Orange Bowl, Jan. 1, 1953, at Miami, Florida, where Joe caught a pass for a touchdown.

Carnegie Class Plans Election

The Dale Carnegie Class met at the Legion Hall Thursday night last week for its twelfth session with Leonard Nussbaum instructing the class on "How To Conquer Fear and Worry". Many interesting talks were given.

Three copies of the book, "Biographical Roundup", went to James Thompson, Clovis, Mrs. Red Johnson and Sherman Inman of Muleshoe.

Muleshoe Airman Ordered To Japan

Airman Lesko was ordered to Japan. Parks Air Force Base, Calif. — A2c Bernard M. Lesko, son of Mr. and Mrs. Matt Lesko of Route 1, Muleshoe, has processed here with the 2349th Personnel Processing Group enroute to Japan.

Lazbuddie News

Mr. and Mrs. E. D. Hutchison and daughters, Sheryl Dene and small son Galyn Charles, Wynoka, Okla., Mrs. Annie Vaughn also of Wynoka, and Mr. and Mrs. Charles William Vaughn of El Paso, were here last weekend visiting relatives.

Miss Ruby Carney A. M. Batchelor To Be Married

Mr. and Mrs. Roy Carney are announcing the engagement and approaching marriage of their daughter, Ruby Jane, to Mr. Aaron Max Batchelor, son of Mr. and Mrs. Charlie Batchelor of Goldwathie.

Rebekah Lodge To Sponsor Candidate Speaking Here

Fern Davis, Noble Grand, presided over a session of the Muleshoe Rebekah Lodge Tuesday evening. During the business meeting, it was decided that the Candidate Speaking would be held here Friday night, May 23, at the I. O. F. Hall, and a supper will be served. Anyone wishing to attend is asked to bring a pie. The rest of the meal will be furnished by members.

Carlos Gruber To Discuss Communism In Unusual Services At West Camp

Rev. T. L. Pond, Pastor of the West Camp Baptist Church informs about some very unusual services at that church. The visiting speaker and musician is Carlos Gruber, Latvian by birth, Brazilian by adoption and now a citizen of the USA. He is an outstanding authority on Communism and the world situation generally, as well as an accomplished musician, singer and violinist.

break or The Second Coming of Christ." Besides discussing the above, Carlos Gruber will play his violin and sing in all the services. Rev. T. L. Pond, Pastor of the church, extends a most cordial invitation to all people of this area not to miss these most important and timely messages brought by one that has lived and suffered under Communism and can provide first hand information on the subject.

Harvey M Redford New Pastor Of First Christian

New PTA Officers Installed Monday

Muleshoe High School PTA met Monday night for the final meeting of the school year. Mrs. Horace Blackburn presided for the program which consisted of an interesting talk by Mrs. Gorrell, school nurse, on her work for the past year. Mrs. Bill Rutherford gave an interesting discussion on the PTA 14th District Conference which was held in Plainview in April.

Mr. and Mrs. J. D. McKinstry and Mrs. B. J. West, sisters of Mrs. Sam McKinstry, of Hagerman, N. M., spent Mother's Day with the McKinstry's and the Harold and Oscar Allison families. Mrs. West left Monday for Lovington, N. M., where she will visit in the Dr. Kenneth Osborn home. Mr. and Mrs. McKinstry remained for a longer visit.

The Weather table with dates from May 13 to 18 and corresponding temperatures.

Joe S. Damron Local Druggist Receives Award

Joe S. Damron, proprietor of Damron Rexall Drug, has been honored by Rexall Drug Co., for his outstanding record during the Company's 50th Anniversary year of 1953, according to information received by the local druggist today.

Mr. Damron has been awarded a specially inscribed gold watch as a personal memento of the occasion. In addition, he has been enrolled in the Rexall Golden Anniversary Club, whose members will have their names inscribed on a bronze plaque at the Company's world headquarters in Los Angeles.

Commenting on the honor, Mr. Damron attributed it to the increased patronage he had received from local shoppers during 1953. "People of this community responded wonderfully to the special values that I was able to offer them in 1953", he remarked.

- CLASS ROLL Girls list including names like Atkinson, Donna, Allison, Nan, Bartley, Barbara, Billingsley, Toni, etc.

Muleshoe Motor Wins 4 Letter Dealer Award

Appointment of Muleshoe Motor Co. as a Ford Four Letter Dealer for 1953 has been announced by C. I. Kenney, Dallas, district sales manager for Ford Motor Company.

In a letter to F. H. Jones, president of Muleshoe Motor, dealers in this territory for Ford, Mr. Kenney congratulated the local firm and all its staff for the fine performance they made last year. He said that plaque, pin, and other materials for display by the local company were being forwarded.

Grainmen Advise Close Study Of Sudan Situation

Apparently farmers of the Muleshoe country will plant much less sudan this year than they did last year and several local grainmen and agricultural observers have told The Journal they believe it would be well for the farmer to study the national situation before deciding about his sudan acreage.

Three grain men here have told The Journal they understand from their trade reports that Colorado and California farmers will greatly reduce their acreage this year.

It is true that the price lately has not been up to the market in other recent years, but that very fact may cause a general lessening of acreage nationally, creating an opportunity here, is the way some observers feel about it.

The paper, nor any grain man or agricultural worker is taking the position of advising the farmer what to plant; they merely feel that the farmer might profit by getting as many facts as he can before deciding what to do with the acres he formerly planted to cotton.

Grain men interviewed by the paper were unanimous in saying they do not believe the Muleshoe country should produce as big a sudan crop as was grown last year, one of the top years here in sudan production. But they do feel that seed purchases made so far indicate a big reduction and believe all hands, as said above, might study the situation closely.

Muleshoe, incidentally, has often been proclaimed the "Sudan Capital" of the nation, for more sudan seed originate here than from any other point in the country.

RELEASED FROM HOSPITAL
Mrs. David Anderson was released last week from the Lubbock Methodist Hospital, and reports that she is feeling much better.

VISITED IN BENJAMIN
Mrs. R. C. Giles and Dorothy were in Benjamin over the week end visiting with their mother and grandmother, Mrs. J. H. Redwine, and other relatives and friends.

Association To Meet In Muleshoe

Main Street Missionary Baptist church will be host to the Plains Baptist Association to be held at the church Friday and Saturday, May 28 and 29.

Rev. Ferguson, pastor, announced the following schedule for the program Friday evening - Song and devotional service 8 to 8:30, by James Flippo, and a special by Hopewell Church.

Saturday 10:15 to 10:30, song service. 10:30 to 11:10, sermon by Wayne Stout. 11:10 to 12, sermon by J. A. Welch. 12 to 1:30, lunch at the church. 1:30 to 2:00, business session. 2:00 to 2:30, sermon by M. E. Robinson. 2:30 to 3:00, sermon by J. B. Vickery.

Lt. Crow Shows Korean Slides

Lt. John Crow, of the Army Transportation Corps, here on leave for a visit with his family, showed a series of slides of pictures he took while on Iwo Jima, in Japan, and in Korea before the Rotary Club Tuesday noon. Rotarian Arthur Crow, John's father, had charge of the program.

John will return to the Army for duty but expects to be separated from the service in the next few months.

Guests included G. A. Paquin, attorney of Muleshoe; Billy Ellis junior Rotarian; Joe Salem Sudan Rotary club; Douglass Poe and Irvin Onstead, Littlefield Rotarians; and Brewer Neal, member of the Stamford Club.

Soybean Seed Are Available Now

J. K. Adams, county agent, has received word from Plains Co-operative Oil Mill, Lubbock, that they have a car of Soybean seed to be sold at their cost, \$5.25 per bushel. Mr. Adams thought some Bailey County farmers may be interested in planting some land to the crop.

It is recommended that 30 bushels per acre be planted; the seed are in two bushel sacks of 120 pounds, which means that each sack will plant 4 acres.

It was said Soybeans are selling for close to \$4 per bushel; Government loan next year is about \$2.20 per bushel; the mill at Lubbock will guarantee the loan or the market whichever is higher.

Lubbock Experiment Station was quoted as estimating that under irrigation Soybeans should produce 20 to 30 bushels per acre.

RETURNED HOME
Mrs. B. F. Chapman and daughter, Martha Jane, returned home last week from a month visit at Elgin with her father, R. L. Carter, Sr., and Mr. Chapman's father, B. F. Chapman, Sr.

Howard Pollard Kirk Holt To 4-H Round-Up

Howard Pollard and Kirk Holt are two lucky Bailey County boys, whose records of achievement in 4-H work entitles them to a trip to College Station to attend the 4-H Roundup, June 7 to 11.

Two boys and two girls from each county are allowed to make the trip each year.

Howard won the championship in the County Barrow Show earlier this spring, and Kirk is the county winner in the Sears Program, which is sponsored by the extension service.

Seniors Begin Week By Attending Church Services

Graduating seniors of Muleshoe High School started off a week of activities Sunday morning when they attended services at the Methodist Church in a group.

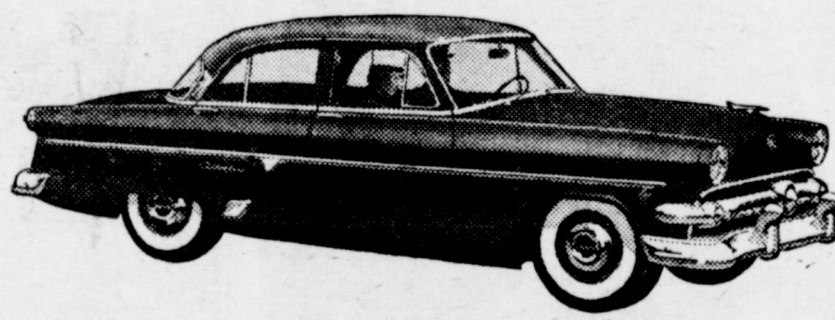

The center part of the Church had been decorated in the class colors, and red roses, the class flower. Fifty-one attended the services.

Monday evening, around fifty members of the class, their sponsors, Mrs. Brown and Miss Gaitheer, and mothers, Mrs. Clyde Holt, D. L. Morrison and Inman, journeyed to Clovis, N. M. where they enjoyed a Mexican supper and a picture show.

SAND HILLS PHILOSOPHER—

Differs With Historians On Selection Of World's Great Historical Events

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses history this week, a field as little known to him as some on his own un-worked farm.

Dear editor:
I was reading in a magazine the other day which got in my mail box by mistake and which I have put back in for proper mailin with the exception of two or three pages I tore out on account of some information they had I may read later on, where a bunch of historians have been sizing up all the major events in history as far back as it goes tryin to decide which have been the greatest.

Out of twenty-five great historical events, these experts picked the discovery of America as the greatest, with some of the others being the discovery of movable type, the discovery of the steam engine, the discovery of the electric light bulb, the perfection of the atom bomb, the discovery of the magnifying glass, etc.

Now I'm not an expert and I'm not sure what happened in the world yesterday, not to mention a hundred years ago, and can't speak with any authority, but while I will agree that the discovery of America was a mighty important event, especially for the people of Europe who otherwise would have had a hard time tryin to borrow money, the Indians Columbus found over here themselves wasn't much hand at makin loans, still I can sit down out here and list some other things which were even more important.

For example, I put the inven-

tion of installment buying ahead of the discovery of America or the light bulb either. I guess the discovery of America had to come first, but you eliminate installment buying and this country wouldn't do enough business to finance England more than a couple of weeks.

The atom bomb is a fine instrument, but it's way behind the rocking chair as far as I'm concerned. There may be a few finely-attuned minds which can get real pleasure out of splittin an atom, but they ain't nothing compared with the number who have mastered the pleasures of the rocking chair.

The discovery of the magnifying glass, which brought on the microscope, was a fine thing, but about the main thing it's done is enable a man to find out more things that're wrong with him.

Also, the invention of movable type was a fine thing, it beats writin with a hatchet on a cave wall, but it wasn't an un-mixed blessing; for every word of truth that's printed these days there must be 5,000 of the other kind, and a man that reads everything winds up more misinformed than he was when he started out, at the rate of 5,000 to 1.

What constitutes a great historical event depends on your viewpoint. I doubt if 10 years from now anybody on a quiz show can tell you who Private Schine is, and if they don't control them ato mbombs, they may not be able to tell you where Congress is.

Yours faithfully,
J. A.

RURAL LIFE SUNDAY

Springtime is an eternal reminder of the tug and pull of the earth on the heart of man.

Closely related to this is the urge to worship in some rural cathedral and to celebrate the re-birth of the soul with the springtime.

Rural Life Sunday, celebrated by many churches on May 23, affords us all an opportunity to remind ourselves of the importance of strong roots in America's search for continued freedom.

Out of our faith has come our freedom, as out of the strong rural churches in the past generations came to us our faith in simple things like seedtime and harvest, praying and working, and freedom and liberty.

America will never pay her debt to the rural churches of the past for their contribution.

But by being reminded of the importance of rural communities and rural welfare today, our people can put the future generation in debt to us.

So Rural Life Sunday once

Today's Meditation

CERTAINTY IN BELIEF

For I know that my Redeemer lives, and at last he will stand upon the earth. (Job 19:25. R. S. V.) Read Acts 4:7-12.

Reputed to be the first Protestant chapel built in the Philippines, Knox Memorial Church was remodeled last year to coincide with the celebration of our Golden Jubilee. After the celebration, our acting missionary pastor said: "This church would not be here were it not for the life, death, and resurrection of Jesus Christ. We would not even be here were it not for our belief in Christ Jesus."

How true were those faithful words of our pastor. Our beautifully remodeled church exhibits the faith of those who gave so that it might be used in the service of Christ. Christians from America and the Philippines joined hands to build and remodel it. Their faith in Jesus Christ made them do it gladly and sacrificially. My co-workers in this church would not be offering their consecrated Christian service if they did not believe in the living reality of Jesus Christ in their lives.

PRAYER

Our Father, we thank Thee for giving us Jesus Christ. We know He lives in our hearts because we are so happy in His service. Help us to anchor our faith in Him. In our blessed Redeemer's name. Amen.

THOUGHT FOR THE DAY

"We speak of what we know, and bear witness to what we have seen."

Juan Nabong, Lawyer (Phil.)

TO OKLAHOMA

Making a trip to Sulphur, Okla., over the weekend were Charles Waggoner, Ingle Gatewood, Jackie Parker, Doyle Rush, J. C. Gatewood, and Gene McKnight.

again has come to remind us of our need for strong roots, simple faith, and the multitudes of people who will pray in little white churches whose spires reach to the sky.

DR. TATE

Here is Dr. Willis M. Tate, youngest man to become president of Southern Methodist University. Dr. Tate was selected May 6 by the SMU Board of Trustees to succeed Dr. Umphrey Lee, who retired from the presidency recently for reasons of health and was given the newly created position of chancellor. Dr. Tate, SMU's fifth president, was an all-Southwest Conference tackle on SMU's championship football team of 1931. He was vice-president of SMU the past three years. He will be 43 May 18.

PARMER COUNTY Farm Bureau News

By RAYMOND EULER

Cotton Acreage Allotted To Your Farm, but not planted, MUST be turned back to your county ASC by June 4, if you are to receive historical credit for that acreage in 1955. We say this to supplement the ad that your Cotton Improvement Association has been running for several weeks. If you fail to make this release you will have no grounds for complaint about your 1955 allotment. Do it now.

Farm Bureau's noxious weed committee has resolved to present a resolution at the County Convention this fall, plugging for more effective and stringent certified seed legislation in Texas. Their attention was called

to some seed from other states bearing no Texas Tag, that, according to the state tag attached, contained now eed seed. Examination disclosed that there were seeds of noxious nature present. This happened last week. Immediately, Bruce Parr, Roy Euler, Aubrey Ellison and Joe Jones began to investigate. They found the distributor of the seed; went to see the State Seed Analyst in Lubbock and made arrangements with him to come and sample the seed. Paul Revier spent the entire next day making these checks. In the course of events, some delinted cotton seed was discovered that contained some delinted cockle burrs. Check the seed you buy before planting it this year. Next season, we believe legislation will have been passed that will take care of this for you.

We were glad to see John S. Thompson applying atricide to a couple of patches of bind weed southeast of Friona the other day. If you have any, now is the time to get rid of it.

County Agent Joe Jones has been making some test applications of Varsol No. 1 on Johnson grass in Farwell. He will be glad to talk to you about any weed problems you may have. In the mean time, an attempt is being made to obtain tubes of seeds, and plants of some of these noxious weeds so any one will know them when he sees them.

A visit to the Amarillo Air Force Base the other day convinced us that our tax money is being spent. We trust it is

being spent wisely for necessary defense.

Consider This: "Wisdom is the principal thing; therefore get wisdom; and with all thy getting get understanding."

ATTENDED BALL GAME

Mr. and Mrs. Claude Faubus and her parents, Mr. and Mrs. Jim Kemp attended a baseball game between Clovis and Borger at Clovis Sunday afternoon.

1. Says Mrs. Kimbrough, "I like the automatic feature of my electric oven. I put meats in to roast, then we go out and when we get back, our meal is ready to eat."

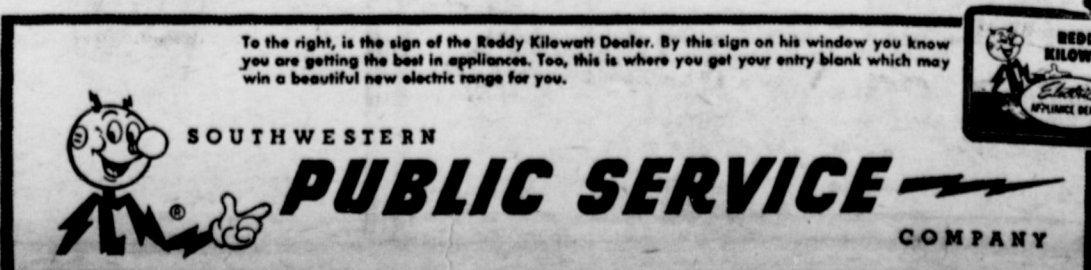

2. About storage space, Mrs. Kimbrough says, "My range has three big storage drawers. In these I keep all my pots, pans and cooking dishes. Even so, there's room for more."

3. Mr. Kimbrough listens with interest as his wife tells him how "electric cooking is faster than the old way I used to cook." You, too, will find this feature when you switch to electric cooking.

4. The easy-to-use controls on an electric range delight Mrs. Kimbrough as she says, "I find the controls are so easy to use and I always can be sure of getting the right heat for a particular cooking job."

YOU, TOO, CAN FIND THE FEATURE AND WIN AN ELECTRIC RANGE, FREE!!!

You could be the winner of one of six beautiful electric ranges to be given away. After you've seen an electric range in action at your Reddy Kilowatt Electric Appliance dealer's store, get an entry blank and tell in 25 words, or less, why you like a particular feature of electric cooking.

Snakebite Danger Warning Issued

AUSTIN, May 29 -- A warning about the dangers of snake bite has just been issued by Dr. Henry A. Holle, State Health Officer. A number of cases of snake bite are reported each year in Texas during the summer and early fall; however, few of these result fatally.

Most of the bites occur on the hands or feet, which indicates stepping or falling in the immediate vicinity of an unseen snake or picking up objects under similar conditions are the means of contracting snake bite.

The pain following the injection of the poison is most intense. Other symptoms are swelling, giddiness, difficult breathing, hemorrhage, weak pulse, and fainting.

One is unfortunate enough

to be bitten by a poisonous snake, such as the rattlesnake, the following first aid measures should be carried out.

After making proper incisions at the site of the wound, apply suction and continue for at least half an hour.

Apply a tourniquet above the site of the wound, releasing same every ten or fifteen minutes for about 5 seconds at a time.

If the proper antivenor serum is available, apply it according to directions, but most important of all is to remove as much of the poison as is possible so as to prevent its absorption.

Secure the services of a physician at the earliest possible moment.

If one is bitten by a poisonous snake DO NOT run or get overheated and DO NOT take any alcohol stimulants because circulation increased by alcohol of exercise serves to distribute the poison much more rapidly through the body.

DO NOT injure the tissues by injecting permanganate of potash, which is known to be of no value as an antidote.

DO NOT depend upon home remedies or so-called snake bite cures, for they are of no value.

G. D. Webb Receives Nat'n. Recognition On Castor Beans

Supplemental irrigation for castor beans proved to be a profitable practice during the 1933 drouth on the G. D. Webb farm in Bailey County.

Webb's experience with irrigation last season was reported to farm readers in the June issue of Capper's Farmer, national farm publication. The farm magazine gave this account:

"Plenty of irrigation water turned 14½ acres of castor beans into a record breaking cash crop for G. D. Webb, Bailey County, Texas. He harvested 2,140 pounds of beans and sold them for 9 cents a pound."

Webb planted 10 pounds of seed an acre and at first watered plants about every 3 weeks. "But after they were up 2 or 3 feet, we had to water them more often", Webb said.

"In the heat of the day if they wilted a little, we would start the water rolling. In 45 days after planting they were blooming."

The beans grew 6 feet tall and were a tangled wilderness by combining time, the magazine added. On September 15, Webb had planes defoliate the beans and combined the crop in October.

Webb said it pays to defoliate. It helped him avoid shattering loss and also get beans to market early while the price was highest.

Johnson Tours Harvester Truck Mfg. Facilities

Fred Johnson, of Johnson-Nix International Harvester Company motor truck dealer in Muleshoe, has returned from Fort Wayne, Indiana, and Springfield, Ohio, where he participated in a special tour of inspection of Harvester's motor truck manufacturing facilities. Mr. Johnson was a member of a group of dealers and their associates who made up the tour party.

"We were actually taken behind the scenes", Mr. Johnson said, "and observed what makes International Harvester the world's largest producer of a full line of motor trucks". The tour,

he explained, covered virtually every phase of International's engineering and motor truck production.

Mr. Johnson said he was particularly impressed with the modern efficiency of operation which makes every phase of engineering and manufacture, and the magnitude of Harvester's motor truck assembly lines.

At the close of the tour, and a program of hospitality at Fort Wayne, and at Springfield, representative units of most International basic chassis models produced by Harvester at the two plants were claimed by the dealers for transfer to their respective showrooms.

PORTALES STUDENT INJURED NEAR HERE

James Carroll Denny, ENMU student, is spending a few days in Green Hospital here as the result of an unusual auto accident Wednesday morning, May 5. His pickup struck the back end of another pickup, occupied by Mr. and Mrs. T. A. Miller who live about 17 miles west of town. The mishap occurred about 8 miles west on Clovis highway.

Mr. and Mrs. Miller were released after being treated for cuts and bruises. Young Denny said he had turned his head to see about his tarp and turned back too late to avoid the crash.

HAD GUESTS

J. W. Ellis and Mrs. Maude Jones had as guests in their home last week, Mrs. Frank Monkers, of Lawton, Okla., and Fay E. Ryan, of Mountain Park, Okla. Both are grandchildren of Mr. Ellis.

Also Mother's Day guests were Mr. and Mrs. H. B. Byerley and Robert Earl, of Petersburg. She is the daughter of Mrs. Jones.

World's First!

Phillips 66 presents the first All-Weather Motor Oil which has proved it meets the most exacting standard ever established for automobile lubrication... Mil-0-2104, Supplement 1 level.

The toughest standard ever set up for automobile lubrication is the Mil-0-2104 Supplement 1 test. New Trop-Artic is the first all-weather motor oil to meet the requirements of this test. It is an oil which will serve you winter and summer... an oil so good it can double the life of an automobile engine!

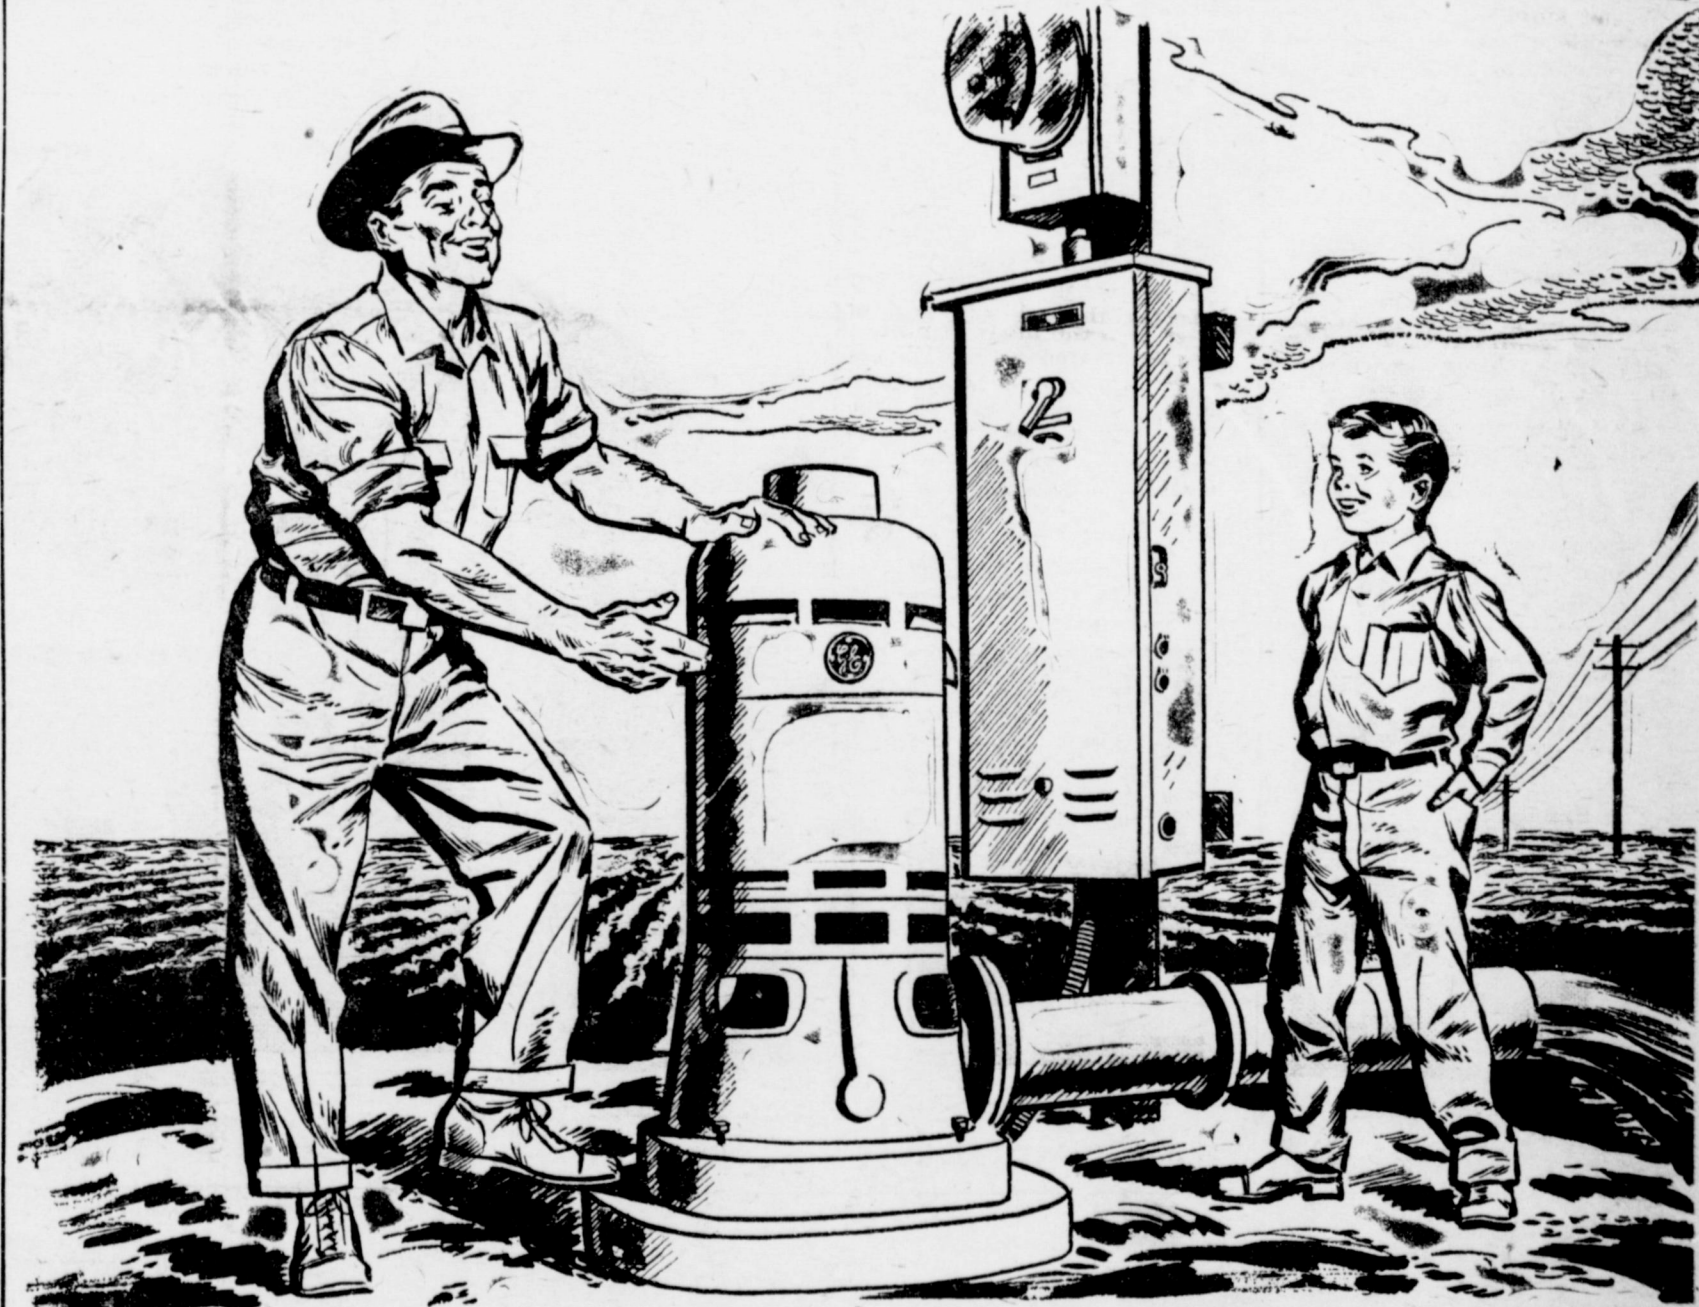

Compared to ordinary motor oils, new Trop-Artic reduces ring wear 40% or more. It cuts oil consumption 15% to 45%. It keeps pistons and bearings cleaner... longer-lasting. It saves you money by increasing gasoline mileage. This has been demonstrated in tests representing over 150,000 miles of driving.

Trop-Artic is truly an all-weather oil... S.A.E. 10W through S.A.E. 30. Therefore it flows instantly for easy starting at sub-zero temperatures, and yet it retains the film strength necessary to prevent engine wear under high temperature driving conditions. It isn't just heavy duty. It's double duty.

Any car, in any climate, at any time of the year will perform better with Phillips 66 Trop-Artic. It is a worthy companion product to Phillips 66 FLITE-FUEL, the new high performance gasoline recently introduced by Phillips. It pays to stop at the station where you see the Phillips 66 Shield.

PHILLIPS PETROLEUM COMPANY

Trop-Artic THE NEW All-Weather OIL THAT CAN DOUBLE THE LIFE OF YOUR MOTOR!

"Son, when you take over, this General Electric motor will still be driving our pump!"

"You see, son, General Electric built this motor to last longer. Look at that cast-iron construction—rain, sleet, or dust can't hurt this motor! We don't have to worry about steel bands rusting away. And no extra protection like a shed is necessary because this motor is fully protected against all kinds of weather.

"Another thing I like about G-E motors is that you don't have to lubricate them for a long time. When you do, there are only two places to take care of—one at the top and one at the bottom—both easy to get at.

"Notice that G-E control—protected against the weather just like the motor. It protects our motor against overloads, undervoltages, and short circuits. And I don't have to worry about you getting hurt because you can't open the panel while the power is on.

"General Electric knows our irrigation problems, and they have the engineering experience to give us the motor and control team that will do the best job. Yes, son, when you take over, profit by my experience. Insist on G-E motors and controls!"

Send for your 8-page bulletin on G-E pump motors and controls

only Plymouth dares compare!

now... part-by-part proof that Plymouth is America's "best-buy" low-price car!

No other low-price car would dare make a comparison like this: Plymouth engineers actually dismantled the three best-known low-price cars and compared them, part by part! Their findings, a few of which we've listed below, prove conclusively that Plymouth is far-and-away your "best buy" in the lowest-price field.

Here's just some of the overwhelming proof that Plymouth is "best buy"!

Comfort Level Seating

Both front and rear Plymouth seats are highest. Plymouth research found this more natural seating position gives greater posture protection and comfort.

Front Wheel Brakes

Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth, straight-line stops without "grabbing." The "other two" have only one brake cylinder in each front wheel.

Spark Plugs

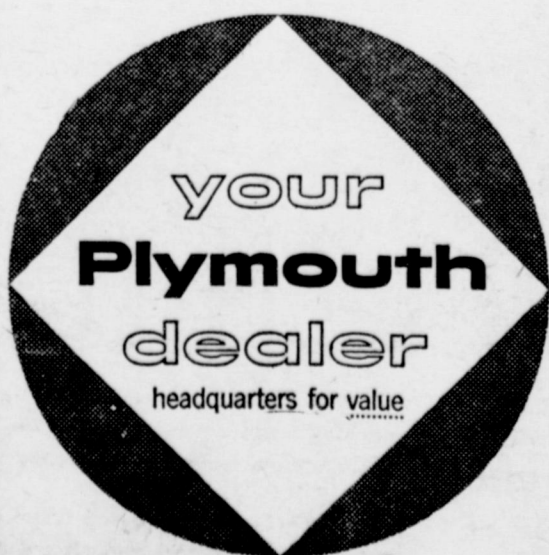

Because they last up to five times longer before re-setting is necessary, Plymouth uses resistor-type spark plugs. This type plug also produces smoother idling, better gas economy at low speeds.

Oil Bath Air Cleaner

An oil bath air cleaner can reduce engine wear as much as 90%. This unit is standard equipment on all Plymouth models; it is available only at extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

Go for a drive in America's "best-buy" low-price car!

Congratulations

THE MULESHOE JOURNAL, Thursday, May 20, 1954

Public Service Points With Pride To One Million Man Hours Of Safety

One million consecutive man-hours worked without a loss-time accident if the safety record achieved this week by the 1850 employees of the Southwestern Public Service Company. This is the longest continuous accident-free accomplishment in the company's history.

"This safety accomplishment, and we regard it as only our first goal, is of vital importance to our customers. It is safety which makes it possible for us to offer dependable, economical service to our customers. Accidents

are expensive in time and money, and we are best serving our customers when we reduce them to a minimum. Our employees have continued to work for this goal in the face of several setbacks, and now that they have reached their mark, you can be sure they will continue their efforts to add another million". A. R. Watson, Executive Vice-president and General Manager, said.

The accident-free period started on January 30 of this year, and remains uninterrupted at the moment, with, as Mr. Watson points out, 2,000,000 man-hours the next goal of the electric light and power company employees.

The 1,000,000 man-hour goal was first set in 1953. Last year the employees worked one 910,000 man-hour period without an accident. Time ran out on them before it was again possible to amass a million before the year's end.

The goal was re-established for 1954, and after a temporary set-back on January 29, the string of consecutive accident-free days, it takes nearly 3½ months for the 1850 employees to work a million hours, reached the mark this week.

To more dramatically portray the magnitude of this accomplishment it can be pointed out that it would take one man working 2,000 hours a year—that's 50 forty hour weeks, 500 years without an accident to work one million accident-free hours.

Southwestern Public Service Company's safety record is one of the most outstanding in the electric light and power industry. Last year, the industry averaged 11.50 lost-time accidents for every million man-hours worked, while Southwestern's figure was 4.52 per million man-hours. The 1954 figure for the Public Service Company is now down to 1.56 lost-time accidents for every million man-hours.

SHOPPED IN LUBBOCK

Source Of Water Of Plains Topic For Rotary Talk

George Green, Plainview irrigation development pioneer, manufacturer of irrigation pumps, and a long time student of the Plains supply of underground water, thinks the Plains water comes from the mountains and does not build up from recharge by rainfall.

He appeared before the Muleshoe Rotary Club Tuesday and in a twenty minute speech gave his reasons for thinking as he does and it makes convincing talk. He disagrees sharply with some of the geologists, he said, and admitted that the geologists have been studying this water and its supply for some 25 years.

It would be too slow a process he thinks for water that falls on the ground to soak back into the underground supply; it would be a mere trickle, and most water would be evaporated. In fact he thinks most lake water evaporates and does not sink into the earth.

Nowhere can you find the soil wet down to more than a few feet at the most. And if the soil between the surface and the water supply were to be saturated enough to permit seepage it would be too wet to plow for a long, long time.

He doesn't think it impossible for water to come onto the Plains from the Pecos Valley, for, he says, Carlsbad has about the same elevation as Plainview, Roswell about the same as Hereford. Actually, he said, the Pecos Valley is some 3000 feet higher in New Mexico than the elevation

The speaker was introduced by D. B. Lancaster. Guests included Doyle and Drew Watkins, Sudan Rotarians; Billy Ellis, the junior Rotarian; J. K. Adams, county agent; Coaches Leroy Scott and Elbert Johnson of high school, and the six boys they took to the State Interscholastic League meet in Austin last week end; G. R. Howell, Robert Richards, Jimmy Holt, Sammy Donaldson, Bill Willis, and Gaylord Tate. They were introduced by Rotarian Clyde Holt. Coach Scott in a short speech expressed his pride in the boys and the fine manner in which they conducted themselves and the fine showing that they made in the big meet, here.

HERE SUNDAY

Mr. and Mrs. W. H. Bethany and daughter, Mrs. W. B. Mason, Jr., and sons, Bill and Jeff, of Amarillo, and Mr. and Mrs. D. W. Harden and children of Hobbs, N. M., visited Sunday in the Buford Butts home.

Mexican Supper Enjoyed By Group Of OES Ladies

Mrs. Jim Cox, Worthy Matron of the Muleshoe Chapter of Eastern Star, entertained a number of past worthy matrons and past officers of the Muleshoe Lodge, with a Mexican supper at the El Monterey, in Clovis, N. M., one evening last week.

Twelve past worthy matrons enjoyed the occasion. They were: Elizabeth Harden and Mmes. Elizabeth Gardner, Mary Hart, Ruth McCarty, Beulah Carles, Naomi Alcorn, Betty Burkhead, Zula Crayle, Mary Collins, Truma Griffiths, M. F. Holt, and Viola Layne.

Past officers attending were Mmes. Lou Green, Jewel Strong, Lola Bray, Billie Mathis, Mildred Wingo, Mary Farley, Margaret Epting, and Ruby Cox.

Co-Worker Teacher Presented Gift

Mrs. Horace Blackburn was hostess to members of the Co-Workers Class of the First Baptist Church, at 730 Tuesday evening, May 4.

Mrs. C. E. Layne, president, was in charge of the meeting. Opening the session was a prayer led by the teacher, Miss Lillie Williams. Rev. A. W. Blaine brought a very inspiring devotional from the book of Hosea.

Following the business, Mrs. L. C. Roddam, secretary, read minutes of the last meeting.

Social hour was spent in answering questions on the Bible and Mrs. Blackburn played several sacred and popular selections on her new electric organ.

A birthday gift was presented to the teacher from the class and the group sang, "Happy Birthday To You", to Mrs. Lillie Williams. Mrs. George Hicks, and Mrs. Myron Pool, who all had birthdays in May.

Delicious refreshments were served to visitors: Rev. and Mrs. A. W. Blaine and Barbara, Mrs. O. H. Atchison of Levelland, and Mrs. A. C. Bray. And to members: Mmes. Jack Johnson, L. C. Roddam, H. L. Flanagan, Myron Pool, George Hicks, W. E. Payne, C. E. Layne, Miss Lillie Williams and the hostess, Mrs. Horace Blackburn.

Dale Carnegie Class Met Past Tuesday Evening

Tuesday evening, May 11, the Dale Carnegie Class met at the Legion Hall.

Blondy Ray and Lee Pool directed the A session. Some very interesting talks were given on "Which Session Has Helped You Most, And Why". All members of the class participated.

Leonard Nussbaum, of Amarillo, instructed the B session, the topic of which was "Crashing Through".

The award pencil was presented to Mrs. F. W. Jones, for receiving the most votes in the Crashing Through session.

Pink And Blue Shower Honors Mrs. Lois Kramer

On May 6, ladies of the Women's Society of Christian Service of the Progress Methodist Church, met at the Church for a business and social session. The meeting was under the direction of Mrs. Carrol Jones, president.

A large assortment of clothing has been received by the W. S. C. S., and two large boxes were packed for shipment to Korea. The next shipment will probably be packed for use of the Wesley Home at Amarillo.

An officer installation service was planned for May 23, to take place at the evening Church services. First program of the officer's training day, was planned for June 10.

Mrs. James Wedel taught the lesson, on "Alcohol". Mrs. Byron Gwyn brought a very inspirational devotional on "What Christians May Do".

"Rescue The Perishing", was sung by the group, and this was followed by an interesting talk by Mrs. Joe Walker.

Dance Recital Monday Night

Maurine Dunn will present about 60 of her dance pupils in recital the coming Monday night, May 24, in the high school auditorium.

Pupils from Bovina, Farwell, Friona, Muleshoe and vicinity are enrolled in the class. Children of pre-school age through high school are to take part in the recital.

Everyone is invited.

Last Meeting of Year Held By Los Planos Club

Arlene Phelps was hostess as members of the Los Planos Study Club held their last meeting of the year on May 11, at 6:30 in the evening.

A short business session was conducted by Jerri Farrell, retiring president.

Ruth Roberts installed officers for the coming year. They were: Elaine Damron, president; Joan Smith, vice-president; Edith Evans, recording secretary; Mary Nell Chapman, treasurer; Helen Schmitz, parliamentarian; Hattie Ray Jones, reporter; and Dian Reed, historian.

Elaine Damron named her committee for next year, and

Stevens-Haley Vows Repeated

Miss Glenda Stevens and Mr. Allen Haley were united in marriage at the First Presbyterian Church, Clovis, N. M., Wednesday, May 12, at 5:00 o'clock in the afternoon, with the Rev. William James, pastor of the church officiating.

The bride wore a pink tailored suit of cotton linen, trimmed in white with white accessories. Her corsage was an orchid.

Following a honeymoon in Albuquerque, N. M., and Pagosa Springs, Colo., Mr. and Mrs. Haley are at home in Muleshoe.

Epsilon Chi Meets Elects Officers

Epsilon Chi met at the R. E. A. Building May 12, with Jerri Farrell and Alta Mae Ellis serving as hostesses.

During the business meeting, new officers for the year 1954-55 were elected. They were Joy Finley, president; Ellen Gupton, vice-president; Helen Harvey, recording secretary; Joyce Alsup, corresponding secretary; Alta Mae Ellis, treasurer; and Flo Brown, parliamentarian. Mrs. Fred Johnson is to be educational director.

Mrs. Ray Franz presented an interesting and helpful program on "Participation."

Those present were: Joyce Alsup, Mary Anna Bryant, Alta Mae Ellis, Betty Glaze, Jane Griffiths, Ellen Gupton, Helen Harvey, Marjorie Precure, Marlene St. Clair, Lois Witherspoon, Jane Reese, Jerri Farrell, Mrs. Fred Johnson, and guests; Kay Kimbrough, Doris Hammett, Pat Glasscock, Margaret Hough, Cookie Bamert, and Sandra Mason.

TO WELLINGTON

Mrs. Tye Young is spending two or three days this week in Wellington. Making the trip to Wellington with her was her mother, Mrs. C. L. Lowery, and Mr. Young's mother, Mrs. J. H. Young.

Just one control "master-minds" the entire automatic operation... wash, rinse, spin-dry. Washes your way, automatically!

COUNTERFLO WATER ACTION

Surging, dynamic currents flow and counter-flow. Proved agitator cleaning for brighter, cleaner wash!

SWIRLWAY TRIPLE RINSE

Floths roll up and out of the tub. Warm spray, cool spray, plus deep over-flow rinse with agitator action.
