

Revival Begins At Progress Baptist Friday, August 20

Progress Baptist Church will begin a ten day revival meeting Friday evening, August 20. There will be both morning and evening services each day. Evening services will begin at 8:00 o'clock, the hour for morning services has not been set.

Evangelist for the revival will be Rev. Bruce Giles, of Hagerman, N. M. Rev. Giles is well known in this area, having been

pastor at Earth several years before going to Hagerman. David Polston, of Portales, N. M., will have charge of the music for the revival. Polston is an excellent singer and is well known by many people in this area.

The Progress Church extends a cordial invitation to everyone to attend these services. Worship with them, and experience a warm personal spiritual revival.

During the Shiver's administration the average school teacher's salary has been increased more than \$1,100.00 per year. (Paid Pol. Adv.)

ESTERBROOK pens, points, pencils, at The Journal.

New Jewelry Store Opens

Above is a picture of the interior of the new Lindsey Jewelry Store, located in the newly decorated Wooley building, on main street in Muleshoe. Standing behind the counter are Mr. and Mrs. Lindsey and daughter, Charlene. The Lindseys come here from Perry, Okla.

The picture was taken on the formal opening day of the store, Friday, August 6, by Clines' Studio.

AFTERNOON GUESTS

Afternoon guests Sunday in the home of Mrs. C. D. Julian were Mr. and Mrs. Price Prather, of Hereford.

VISITED BROTHER

Mr. and Mrs. Wiley Baker and family visited in Shallowater over the weekend with her brother, W. B. Sooter and family.

Approximately 4,000 more miles of Farm to Market Roads will be built in the next two years, if Allan Shivers is re-elected. (Paid Pol. Adv.)

Allan Shivers personally went to Washington and fought for and helped obtain additional cotton allotments this year, for this area. (Paid Pol. Adv.)

Allan Shivers carried the box where he and Mrs. Shivers live 11 to 1. (Paid Pol. Adv.)

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *sure* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Allan Shivers has supported isolation in the past 20 years. every major piece of school leg. (Paid Pol. Adv.)

LETS FACE THE FACTS

EXPERIENCE AND QUALIFICATIONS COME BEFORE PERSONALITIES

Judge CECIL H. TATE

HAS BOTH EXPERIENCE AND QUALIFICATIONS, AND HIS RECORD AS COUNTY JUDGE OF BAILEY COUNTY PROVES THIS POINT.

During the time that Judge Tate has been our County Judge the farmers have received the following paved rural roads:

1. From Muleshoe north to Parmer County line.
2. From Lamb County line west through Bula, Enochs and Goodland to New Mexico line.
3. From Maple to Cochran County line.
4. From Maple through Three-Way, Baileyboro to Needmore.
5. From Maple, Three-Way road west through Stegall to New Mexico line.
6. From Lamb County line West through Fairview community to Morton Highway.
7. From Needmore East through Circleback to Lamb County line.
8. From Clovis Highway West by Muleshoe Ranch 9 miles.
9. From Clovis Highway West through Westcamp to New Mexico line.
10. From Clovis Highway at Puckett's Store North to Parmer County line.
11. From Plainview Highway through Y-L to Parmer County line.

Judge Tate is not claiming full credit for these roads, but we know that he has always been co-operative and helped to get them built.

As Juvenile Judge of the county, Judge Tate has constantly worked to help our children to become useful citizens, and he has recently unofficially appointed a group of leading citizens of the county to help him in this much needed work.

Judge Tate has always helped the aged people secure their OLD AGE ASSISTANCE, helped the blind in their grants, and helped mothers who needed assistance for dependent children.

Judge Tate is a straight Democrat and has never gone over to the Republican Party.

You farmers know that Judge Tate has been for 90% parity on all farm products, helped establish Rural Electric Lines, and is now working to help you get a rural telephone.

The Office of County Judge now has several times more court work to do than it formerly had: liquor violations, added traffic violations, drivers safety responsibility laws, and added probate responsibilities, plus all misdemeanor law violations. This is technical work, and requires the services of a person trained in the law. Judge Tate has that experience.

The welfare of our school children should come first in our lives, and Judge Tate as County Superintendent has constantly worked for better schools in Bailey County. During Judge Tate's tenure of office the per capita apportionment for each child of school age has grown from about \$20.00 per year to over \$68.00 per year. Judge Tate knows our school laws and has constantly worked to see that every child in Bailey County received the best education available.

As Chairman of the Commissioners' Court, Judge Tate has seen to it that your tax dollar was spent to do you the most good. The business of Bailey County is a big business (we now have over \$11,000.00 in property values in the county) and it requires a man with plenty of business experience to handle it properly.

Judge Tate has at all times given of his time to civic responsibilities necessary towards the betterment and growth of our County and City. No man could do more.

Why change when you already have someone getting the job done?

Judge Tate merits your vote — "Vote for—

Judge CECIL H. TATE

for County Judge on August 28, and you will not go wrong."

(This ad prepared, edited, and paid for by Citizens of Bailey County from every place in the county, and it was not solicited by Judge Tate, and was placed in publication without his knowledge.)

LOW-PRICED most-for-your-money PICKUP!

Ford F-100 Pickup, 4,800 lbs. GVW. The only Pickup that gives you a choice of two modern overhead-valve, Low-Friction engines, 115-h.p. Six or 130-h.p. V-8... plus five transmission options, including Fordomatic Drive, and exclusive Power Brakes at worth-while extra cost.

Only Ford gives you so much Pickup for your money! Take your choice of V-8 or Six—ultra-modern, short-stroke design provides slower piston speeds, cuts internal friction and power waste for gas-saving economy, reduces engine wear, prolongs engine life! New Driverized Cab gives you Ford exclusives like seat shock snubbers and non-sag springs—and more glass area than any other standard cab! Ford gives you big 45-cubic foot loadspace... one of the largest Pickup boxes in this field!

Only Ford gives you Triple Economy: gas-saving power—driver-saving ease—trip-saving capacity. And, with all its exclusive features and work-saving advantages, the Ford Pickup is a Low-PRICED Pickup. Get the most Pickup for your money! See your Ford Dealer!

National Drive Against Litter Being Launched

The Journal has received a letter from Mrs. William J. Walters, New Brunswick, N. J., president of the National Council of State Garden Clubs, in which she announces the formation of an organization known as "Keep America Beautiful, Inc."
 "The growing volume of litter along America's streets and highways, in its parks and on its beaches, concerns everyone who takes pride in the appearance of his community", Mrs. Walters writes. "What was a minor nuisance only a few years ago has become a major problem."
 Keep America Beautiful, Inc., has three principal objectives:
 1. To create a public awareness of litter and of the individual's responsibility for it.
 2. To stimulate widespread public participation in cleaning up existing litter.
 3. To prevent future litter by combination of education, public opinion pressure and law enforcement.
 "We frankly", Mrs. Walters writes "want to attract to our ranks an increasing number of those who take pride in their homes and their communities and who, because of the pride, will want to be a part of Keep America Beautiful."
 More than 30 national organizations, including the Garden Club group have accepted the responsibility of representation on an Advisory Council to work with the industrial leaders who constitute the directorate of Keep America Beautiful.

9:00 a. m., and 8:15 p. m. The evangelist is a former Sudan man, Rev. Joe Surret, pastor of Mayfield Baptist Church, Hale Center. Ivin Wozencraft is directing the music. He is educational director of the Mayfield Church.
 A large crowd is expected to attend the services on Sunday and preparation is being made to provide the noon meal by members of the church.

Everyone is invited to attend all of the services, and if you wish, you may bring a picnic basket Sunday. But whether you bring the basket or not, make your plans now to attend these homecoming services.

Baptist Ass'n. Meets In Clovis

Primitive Baptists of this section are reminded that the association will be held in Clovis, at the Curry County Fair grounds, beginning Thursday night and extending through Sunday.
 Mrs. M. G. Bass notified The Journal about the association. This is the West Texas Primitive Baptist Association.
 There will be services morning, afternoon, and evening Friday and Saturday. A night service will be held Thursday, and a morning service Sunday will end the association.

Circleback Church Has Homecoming Services Sunday

The First Baptist Church, Circleback, will observe homecoming services, Sunday, August 22, at the church. All friends, members, former members, and pastors, are invited to attend the all day service.
 These services will climax an eight day revival which began Sunday, August 15. Services are being conducted twice daily, at

EMERGENCY
MARCH OF DIMES
 AUGUST 16 TO 31

PARITY

Parity means equality. When applied to farm prices, parity means that a bushel of wheat or corn, a bale of cotton, or a ton of alfalfa should buy about the same amount of manufactured goods that it did in an average normal period.

Manufacturers of goods organize to maintain a fair and profitable business. If necessary, ask for and receive protective tariffs against ruinous competition from foreign countries. If our manufacturers receive and are entitled to protective tariffs, our farmers should be entitled to parity prices.

Farmers are not demanding full parity — only 90% parity. **JUDGE RALPH YARBOROUGH** advocates 90% parity.

Labor, farming and capital are all equally important. Labor and farming come first. Capital is the fruit of labor and farming. There is often a tendency to put the cart before the horse. Some believe that by favoring capital it will leak down to farmers and working people, making everyone happy. On the contrary, only when farmers and workers receive parity do we all seem to enjoy a measure of prosperity.

RALPH YARBOROUGH favors parity. He stands for fairness to all, favors to none

PARMER COUNTY Farm Bureau News
By RAYMOND EULER

RED RIVER, N. M. — We came up here for a few days of quiet and rest among the pines and mountains. Before we arrived we met three Parmer County families leaving the place. They were the Curtis Murphree, Red White and Noel Wood families. Saturday morning we ran into the Keith Blackburns. Then, Saturday night we saw Jimmie Charles and Marion Fite families. The Roy Millers and Ralph Smiths were in our party, so it seems that this is a popular vacation spot for people from our part of the country.

The cost, considering the quality of facilities cannot properly be labeled economical. A horse-back ride into the mountains along old gold mine properties and the chance to fish for trout just outside the cabin door, do to some extent, compensate for these other, soon forgotten inequities. This time of year, too, it feels good to pull a cold foot back under the cover.

Ten ordinary horses with bridle and saddle rent for 50 per cent more here than 60 mechanical horses with equipment and operator at home.

Eighteen hundred and fifty pounds of atlatide have been claimed from the 4,000 pounds reserved at Parmer County Implement Company by County Commissioners. This is for treatment of bind weed. If there are bind weeds on country right of ways adjoining your land, go down and pick up some atlatide. You can also put it for use on your land at the reduced price during this operation.

Mrs. Melba Miller, Mrs. A. J. Ellison, Mrs. Jeanne Graham and Mrs. W. C. Williams have done excellent jobs in securing entries and sponsors for the Farm Bureau Queen Contest. We'd like to see every eligible girl in the country have a chance at the interesting and valuable awards offered to winners.

The March of Dimes Emergency Drive is not just a sudden idea. It is necessary, funds are needed to complete experimental inoculations and to treat and rehabilitate bodies damaged by polio, but whose lives were saved with MOD funds and facilities. You'll be glad you had a part in helping these boys and girls live and walk.

Consider This: Forsake the foolish, and live; and go in the way of understanding. Prov. 9:6.

SLIM WHITMAN

One of the many Western entertainment stars who will appear in the Grand Ole Opry show at the Panhandle South Plains Fair in Lubbock from Sept. 27-Oct. 2, will be Slim Whitman. Among the other top singers who will also be on hand will be Webb Pierce, the Wilburn Brothers and the Wandering Boys. Other top-flight entertainers will be announced later.

Approximately 4,000 more miles of Farm to Market Roads will be built in the next two years, if Allan Shivers is re-elected. (Paid Pol. Adv.)

CARD OF THANKS

The Calvary Baptist Church, Rev. A. C. Graham, pastor, takes this means to express our appreciation for everyone who helped to make our recent revival a great success. Dr. Ben D. Johnson, pastor of the Tabernacle Baptist Church, Lubbock, was the evangelist.

The Lord so graciously saved souls and added to the church. We invite you to attend our services next Lord's Day, and hear Rev. Graham discuss a very important subject, "How May I Know I Am Saved"? Come and

hear what the Bible says about it. **WERE AT RED RIVER** Mr. and Mrs. Shirley Kizer and family were at Red River, N. M., last weekend, fishing and relaxing.

**An Open Letter
To The People Of Bailey County**

On July 24th 66% of the voters of Bailey County voted for a change in the county judge's office. In voting for me 42% of them indicated that I would be acceptable to them, thus placing me in the lead. I sincerely appreciate this expression of confidence and thank you for it.

Now as the runoff campaign draws near its close I am justly proud of the fact that I have campaigned strictly upon my own merits and have not at any time tried to discredit either of the other candidates, and I never shall. I would love to be your next county judge and all I ask is an opportunity to prove myself to you. I appreciate the importance of this office and understand its duties, and feel that my experience and education is sufficient to enable me to execute those duties in a manner that will meet with your approval. If I am elected I feel that I can carry on as your county judge without any confusion, without any additional expense to the county and without hurting anyone's feelings. Also if I am elected I plan to quit farming and move to town where I will be in a position to give my undivided attention to the affairs of the office, and I will never use it for my own personal gain.

I am a life long Democrat and as your county judge I would keep your best interests uppermost in my mind, work for those things which I believe to be the best for the most people and remain true to the time honored principles for which the democratic party has always stood. After a modest tenure of service I would voluntarily turn the office back to you in good shape. So let me urge you to be sure and vote on August 28th and in so doing;

GIVE A NEW MAN A CHANCE

Emergency Polio Drive Necessary To Maintain Treatment For Patients

RECORD NUMBER OF POLIO PATIENTS NEEDING HELP THIS YEAR

GIVE TO THE **EMERGENCY** MARCH OF DIMES-NOW!

NEW YORK, Aug. 15 — Current shortages of March of Dimes funds are creating a threat to the care of polio patients now in hospitals in many parts of the country, it was revealed yesterday by Basil O'Connor, president of the National Foundation for Infantile Paralysis.

Chapters are so far in areas in payments to hospitals for patients receiving National Foundation assistance that in some place hospital payrolls cannot be met until funds are received from the Emergency March of Dimes.

"The National Foundation in 16 years has provided \$196,000,000 in financial aid for patients unable to meet costs of care themselves," Mr. O'Connor explained in an interview at his office, 120 Broadway. "Now, because many chapters are without funds, there is real emergency for these hospitals. Good care means medical, nursing and physical therapy services, and equipment such as respirators,

all of which cost money. Without them, the high standard of care for polio patients that has been achieved over the years is imperiled."

The Emergency March of Dimes is seeking \$20,000,000 nationally the amount by which the January March of Dimes fell short. The need, increased by a \$26,500,000 polio prevention program, was for \$75,000,000 of which only \$55,000,000 was raised in January, Mr. O'Connor said. This year's polio vaccine trials and purchase of gamma globulin supplies have exhausted reserve for patient aid, he added.

The Central Carolina Convalescent Hospital in Greensboro, N. C. has notified the National Foundation that 51 chapters at the end of July owed almost \$100,000 and, if some of these payments are not made promptly, its bi-monthly payroll cannot be met.

The Wolff Hobe, rehabilitation unit of the Southwestern Polio-myelitis Respiratory Center in

Poetic Former Citizen, Pioneer Here Wants Muleshoe Decal In Far Oregon

Sometime back The Journal told its readers their Chamber of Commerce had provided an attractive decal for use on their autos. Now Ray Franz, manager has received a request from distant Oregon, and the request is in rhyme. Read this:

1904 S. E. Ellis
Portland 2, Oregon
August 14, 1954

Chamber of Commerce
Muleshoe, Texas
"Howdy", Friends;
Although I am a few miles from my home town, I like to boast about it and keep the "tall tales" growing for the eager ears of the Great North West. Since I am the son of an early pioneer

who settled twelve miles west of Muleshoe, in 1907, I have a storehouse of stories and anecdotes both long and short, comical or sad, true or false, it doesn't matter, for my audience seems to be all ears.

It never fails to bring a smile every time the postman sees the name Muleshoe. Quote "Some name, must be a unique place to have a 'handle' like that, ha-ha. "I agree, it is a wonderful place in a wonderful, state if it wouldn't get so darn hot." End quote. However, a little objection to the climatic condition

does not entice me to sell-out my home-state.

I want to sell these people on Texas. "The most beautiful state that I know" where they can have a choice of altitude, climate, industry and even the mode of travel. "And still be in Texas" and a wide open panorama to investigate the stories I've been telling. To make a Big Deal of this kind, I need a little help and I see in The Muleshoe Journal August 5, where your Chamber of Commerce is willing to cooperate.

Two thousand decals for you is too many.
Indeed, I am far away and haven't any.
So listen to an honest request And send me your very, very

Decals, 2 or 3, I'll guarantee With every long mile There will be a smile And from those who love so well to jest, Will ask questions about the "Old West."
What more do I need With this good lead?
A DECAL from your Chamber of Commerce
One that will challenge the whole universe.
So hurry up, pass them out near and far,

I'd like one for my own private car.
Good luck,
Vaughn W. Johnson
Thirty-one other states have an income tax. Thirty-three have a general sales tax. Texas has neither, and will not as long as Allan Shivers is Governor of Texas. (Paid Pol. Adv.)
Allan Shivers has supported every major piece of school legislation in the past 20 years. (Paid Pol. Adv.)

SEW EASY TO MAKE, this dress has two button-in bibs. One to match and one to contrast.

Houston, Texas, has wired the National Foundation that without chapter payments due, amounting to \$22,924, it may be forced to suspend operation of the unit, although if per diem costs were promptly met the home would be self-sustaining. The hospital director added that a "present epidemic of poliomyelitis in this area will shortly place even greater demand upon this essential facility for care and rehabilitation."

The Herman Kiefer Hospital in Detroit is owed over \$125,000, by chapters and the Children's Hospital of San Francisco urgently needs \$64,598 due from chapters. Mr. O'Connor stated. Up to now, he said, calls for about \$6,000,000 had come to national headquarters from 719 chapters but less than \$4,000,000 could be sent.

JESSE WALDROP

has completed a course in advanced Hair Styling and 4-Way Shaping at Isabell's University of Beauty Culture in Lubbock, and invites you to see her for the latest in hair styles.

You girls who will soon be leaving for college or entering school will want your hair styled in the very latest fashion, so call Jesse—

IF YOU WERE GOVERNOR OF TEXAS WHAT WOULD YOU HAVE DONE?

—Statement by Adlai Stevenson, (Aug. 19, 1952) upholding Truman's veto of the tidelands bill, handed to Governor Shivers at Springfield, Ill.

- IF ... You considered the future and welfare of TEXAS the most important part of your public career, and
- IF ... You knew that the future of TEXAS was vested in the education and training of TEXAS youth, and
- IF ... You knew that the loss of Texas tidelands would mean depriving TEXAS school children of \$32,000,000 annually in educational funds, and
- IF ... The democratic convention in session at Amarillo in September, 1952, INSTRUCTED you to do all within your power to RETAIN THE TIDELANDS FOR TEXAS and protect this income for TEXAS SCHOOL CHILDREN, and

FINALLY ... IF ... WITH THIS IN MIND, YOU SAT FACE TO FACE WITH ONE OF THE PRESIDENTIAL CANDIDATES AND ASKED HIM IF HE WOULD SUPPORT TEXAS IN ITS RIGHTFUL FIGHT TO RETAIN THE TIDELANDS FOR TEXAS — FOR THE SCHOOL CHILDREN — AND THE ANSWER WAS NO — VERIFIED BY LETTER!

THEN, I ASK YOU ... WOULD'N'T YOU, OTHERS WHO PREFER THE TEXAS WAY OF LIFE?
HONESTLY, PUT TEXAS AND TEXAS SCHOOL CHILDREN FIRST? I HAD TEXAS IN MY HEART! SO ...
THAT'S EXACTLY WHAT I DID ! ! ! !

WOULDN'T YOU HAVE REMAINED A TRUE TEXAS DEMOCRAT ALONG WITH MILLIONS OF

WON'T YOU HELP ME SAVE TEXAS FOR TEXANS?

RESPECTFULLY,
Allan Shivers

Recipe of the Week

Low Calorie Salad Dressing*
1 clove garlic.
1/2 green pepper, chopped.
2 radishes, chopped.
2 hard-cooked egg yolks, mashed.

6 tablespoons cottage cheese.
1 teaspoon salt.
1/4 teaspoon paprika.
3 tablespoons lemon juice.
1/2 cup buttermilk.

Rub inside of bowl with garlic. Combine green pepper, radishes, and egg yolks in bowl, add remaining ingredients, mix thoroughly. Pour over hearts of lettuce or any green salad.

Call JayCees For A Ride To Polls

As a community service, the JayCees have announced plans to furnish transportation to the polls August 28, for all who have no other way to get there.

It is every American citizens right and duty to vote, and the JayCees are trying to make it as easy as possible for everyone to fulfill this obligation.

Seventeen Present For Rebekah Meet

Seventeen members were present as the Muleshoe Rebekah Lodge met in regular session this week, with Noble Grand Myrtle Freeman, presiding.

Myrtle expressed her appreciation to everyone who helped with the concession stand at the Rodeo, and especially to the merchants who donated and helped. Merchants helping were: Wiedebush and Childers, Johnson and Pool, Cashway, Blackburn Food, Cox Drive-In, Pick and Pack, John Fried and Berry Electric.

Bernice Weber, of Starlight Rebekah Lodge No. 11, of Winnebago, Miss., was introduced and welcomed.

Members, remember August 24 is the date for initiation, so everyone come.

One visitor was present for the meeting.

Allan Shivers carried the box where he and Mrs. Shivers live 11 to 1.

Three From WSCS Attend Seminar Services Sunday

Mmes. Clay Beavers, Bill Moore, and H. Jay Wyr, members of the Muleshoe W. S. C. S., spent Tuesday in Tulsa, attending the Plainview District Seminar.

Mrs. Wyr reported that the day was very beneficial to them, and that they enjoyed it very much.

This seminar is similar to the School of Missions of the Methodist Church, which was recently held in Lubbock. The ladies spent the day planning the study courses to be used by the W. S. C. S. for the coming year.

At the noon hour, a delicious lunch was enjoyed.

Linda McCormick Shower Honoree

Miss Linda McCormick, bride-elect of Mr. Dan Orick, of Phoenix, Ariz., was the honoree of a bridal shower at the Fellowship Hall of the Methodist Church, at 8:00 in the evening, August 17.

Hostesses were Mmes. A. W. Scarbrough and L. D. Cannon, of Muleshoe, and Mrs. Leonard Bradford, of Clovis, N. M.

The serving table was covered with an ecru lace cloth, and the centerpiece was composed of a huge varicolored doily, on which a beautiful arrangement of yellow roses and white pom poms was placed.

Delores Cannon presided at the guest register.

Punch and cake were served by Norene Clark and Mmes. Bradford, Scarbrough, and Cannon.

The many beautiful and useful gifts were on display on a table near the front of the hall.

Those attending were: Delores Cannon, and Mmes. W. W. Mullens, W. F. Mullens, George Har-

ris, C. M. McMahon, Ruby and Evelene, N. L. Witcher, J. C. Hoover, Roy Clark and Norene, Van McCormick, Norman Emfinger and Linda, W. A. McCormick, L. F. McCormick, Oran Carter, Horace Weaver, Gene Hokem, D. J. Harris and Maxine, J. A. McCormick and Sonnie, and Linda Graham, Ruthie Shellburne, and Kathryn McCormick. Many who could not attend sent gifts.

ITS A BOY-

Dr. and Mrs. Otto Smith, of Texas City, are the proud parents of a son, Wade, born Tuesday morning, August 17. The young gentleman weighed 8 lbs., 6 oz., at his arrival.

Dr. Smith is a former Muleshoe boy.

Grandparents are Mr. and Mrs. W. J. Johnson, of Rockford, Ill., and Mr. and Mrs. W. W. Smith of Star Route 1, Muleshoe.

UNDERWENT SURGERY

Little Jackie Lynn Burris, infant son of Mr. and Mrs. W. O. Burris, of Stegall, underwent major surgery in the Littlefield Hospital, Wednesday morning.

At last reports, Jackie was still asleep under the influence of ether, and doctors think he will be fine in a few days.

ITS A BOY!

Mr. and Mrs. Marcus McCormick, of Phoenix, are happy to announce the arrival of their son, Marcus, Jr. The young man weighed 8 lbs., and 5 oz.

Grandparents are Mr. and Mrs. Paul Orick, of Phoenix, Ariz., and Mr. and Mrs. L. F. McCormick of Muleshoe.

VISITED BROTHER

Ruth Williams spent four days last week visiting her brother, Jim Armstrong, in Clifton, Colo.

Allan Shivers carried the box where Mr. and Mrs. Yarborough live, 3 to 1. Do a man's neighbor know him better than you and I? (Paid Pol. Adv.)

Allan Shivers carried the box where he and Mrs. Shivers live 11 to 1. (Paid Pol. Adv.)

Northside Church Of Christ Meeting To Begin Aug. 29

The Northside Church of Christ here in Muleshoe wishes to take this opportunity to invite everyone to attend the services of their meeting, which begins Sunday, August 29, and continues through September 5.

Marcus W. McCormick, of Phoenix, Ariz., will be the evangelist. Marcus is well known here, having completed school at Muleshoe High. He is the son of Mr. and Mrs. L. F. McCormick, who reside here.

Services will be held at 10:30 a. m., each Sunday, and at 8:00 o'clock each evening.

THIS STAR PUPIL is trimly fitted for class in a lustrous, washable dress of Orlon and cotton.

Farmers! Make Big Savings! Use Low-cost Philgas Tractor Fuel!

Convert your tractor! Compared to gasoline, Philgas can save you several cents a gallon. These savings will soon pay the cost of conversion. And Philgas is easy and safe to use. No waste from spilling, overflow or evaporation, because the filling system is completely enclosed.

Clean-burning . . . thrifty! Save as much as 50% on engine maintenance costs. No cylinder wall washing. Long ring and valve life. Low cylinder wear. For a thrifty fuel with exceptionally high energy content (100 octane plus), get high-quality Philgas.

All-purpose fuel! Use Philgas to heat your home, for cooking, hot water and refrigeration! Use it also for heating stock tanks, chick brooders, and other needs around your farm. Install a central tank for all your needs. Low cost fuel. Convenient, clean, dependable!

And remember . . . your local Philgas distributor is fully qualified to make dependable installations, to provide prompt and courteous service. See him today.

Philgas is distributed by

MULESHOE LIQUEFIED GAS CO.

THANKEE! THANKEE!

As chairman of arrangements for the Muleshoe Rodeo Parade, I wish to express my personal thanks and that of the Roping Club for the assistance and cooperation extended to me.

Special thanks go to:

- MULESHOE AMERICAN LEGION
- HIGH SCHOOL BAND
- REBEKAH LODGE
- GIRL SCOUTS
- G. A. PAQUIN
- BOY SCOUTS
- CUB SCOUTS

And anyone else who had any part in helping to make the parade the success that it was.

And Thanks Also to

All Members of Mounted Units In The Parade
And the following who helped with the meal served to the riders and their families and in other ways:

- Wiedebush & Childers
- Blackburn Food Market
- Mead's Fine Bread
- Thomas Slaughter House
- Robinson Shoe Shop
- Clovis VFW

And Remember, Folks -

That, although we're mighty proud of our parade this year, we aim to make it bigger and better and quite a lot longer next year, with more mounted groups and more horses than ever.

PHONE 5730

SUDAN HIGHWAY

MULESHOE

BAILEY COUNTY

... IS ENTITLED TO **THE TRUTH!**

Ralph Yarborough has claimed that ALLAN SHIVERS deserted Texas teachers in their request for a pay raise.

HERE ARE THE FACTS - THE TRUTH!

The "Teacher Pay Bill" never got to ALLAN SHIVERS' office. It was returned to the legislature by the Comptroller for lack of funds. This is a constitutional provision!

ALLAN SHIVERS COULD NOT SIGN A BILL HE NEVER RECEIVED!

ALLAN SHIVERS JOINED IN APPOINTING A COMMITTEE TO ARRIVE AT A FIGURE SATISFACTORY TO ALL CONCERNED. THE FIGURE OF \$402.00 ANNUAL RAISE WAS AGREED UPON.

ALLAN SHIVERS CALLED A SPECIAL SESSION OF THE LEGISLATURE AND LED THE SUCCESSFUL FIGHT FOR THE RAISE. THEY FOUND THE MONEY! THE TEACHERS GOT THEIR RAISE. ONLY BECAUSE OF THE GOVERNOR'S FIRM BELIEF THEY DESERVED IT.

ALLAN SHIVERS WILL BE RECORDED ALONG WITH MIRABEAU B. LAMAR AS A GREAT LEADER IN EDUCATION.

DON'T SURRENDER YOUR STATE!

Ann Cole, Bailey Co. Farm Bureau Queen

MISS ANN COLE

Above is a picture of Miss Ann Cole, daughter of Mr. and Mrs. Cecil Cole of the Three Way Community, who has been elected Farm Bureau Queen of Bailey County for 1955. Ann won the title over about twenty other Bailey County beauties, in a contest held at the High School Auditorium, August 9.

Ann will represent Bailey County in the District Farm Bureau Queen Contest to be held in Lubbock sometime in September.

A picture of the three runners-up in the contest will appear in next week's issue of The Journal.

CARD OF THANKS

I wish to thank all my friends of Bailey County for their contributions and friendship they showed me in my hour of trouble. May God bless each of you.

Homer O. Huff, Jr.

Allan Shivers has supported every major piece of school legislation in the past 20 years. (Paid Pol. Adv.)

Due to Allan Shivers, the Texas Public Schools have been enriched by \$32,000,000 already in cash receipts from bonuses on the Tide Lands. (Paid Pol. Adv.)

During the Shivers' Administration more miles of Farm to Market roads and state Highways have been built than in any other period. (Paid Pol. Adv.)

MARCUS IS WELL KNOWN IN MULESHOE, HAVING FINISHED SCHOOL HERE

Voc. Ag. Offers Many Fine Things For Freshmen In Muleshoe High

What does the Freshman Boy do in Vocational Agriculture? First of all he attends class along with other freshmen boys for two periods each school day. Vocational Agriculture is a subject which first tries to teach a boy about farming. It is not a class room subject nor a text book subject. The boy does not even sit alone in a seat as he might do in other subjects, but he is seated around a table learning to work with other boys. In these two hours of class throughout the year he does many things to increase his learning and to build his character and manhood. The boy in vocational agriculture learns by doing.

Along with his class room work there will be field trips, project tours, and work with his individual project. Now what about this project that is spoken of so often? The best way to learn is by doing and to do this the boy carries out a productive project that is designed to help him to make decisions for his own as well as to turn in a profit financially.

A productive project can be al-

most any type of farm enterprise. It may take the form of crops or livestock. However most Freshmen boys are interested in livestock and therefore more of them will follow this line. The livestock project may be for show or for straight production, the important thing is that the boy must make a complete set of plans and carry an accurate set of records on the project.

There is usually less money in the show circuit unless the boy has a winner. This is due to the added cost of livestock feed and more work necessary for most show projects. However if the boy has enough determination and is willing to work much satisfaction may be derived from showing in the big show.

Most Freshmen boys will content themselves with showing in the local shows and maybe at district shows such as Plainview or Lubbock.

Many Freshmen boys will be interested in buying a gilt or a heifer and developing them into production. Many times for the beginner this is a very satisfac-

Rev. W. T. White Evangelist For Nazarene Revival

The Nazarene Revival which started Wednesday, August 18 will continue until August 29, according to announcement of Rev. Jess Rains, pastor of the local church.

Rev. W. T. White, evangelist, of Clearwater, Kans., is in charge of the services. Only recently entering evangelism, Rev. White has been considered an outstanding pastor since 1922. His pastorate includes churches in Arkansas, Texas and Oklahoma. His last charge having been Tulsa's First Church. During the pastoral years, he also initiated the erection of several new church sanctuaries.

The church and its pastor extend a hearty welcome to all.

Along with his production projects, each boy will do several project jobs. These jobs are designed to help the boy increase his skills in certain basic jobs on the farm that are not a part of his project. He will also be encouraged to complete an improvement project. This is usually a project such as wiring the barn for electricity or piping water to the pig pens. It is a project that will help to improve the value of the farmstead, and at the same time make conditions better for the whole family.

Perhaps one of the most interesting activities that the Freshman boy will participate in, will be joining the Future Farmers of America. This is a national organization of, by, and for boys studying vocational agriculture in high schools in the United States. It is the sponsoring organization for many of the activities that each boy participates in throughout the year. Here in Muleshoe the first high point that faces the boy is initiation into the Chapter as a Green Hand.

First he learns to recite the creed by memory and then he is allowed to participate in initiation ceremonies and receive his Green Hand pin. This initiation is looked on with much apprehension by many boys but it must be remembered that several hundred boys have gone through the ceremonies and all have survived. It is also to be stressed that the parents of all boys are cordially invited to each and every meeting and most of all to the initiation ceremonies.

Muleshoe school has a good set of facilities and equipment to help the boy who enrolls in agriculture and these facilities are being improved from time to time. Two teachers, Charles Thomas and Bill Bickel are on duty at all times to serve the boy, his parents, and the community in general and their aim is to help the Freshman boy in such a way that he can look back at the end of the year and say, "I am glad that I took AG." Come by bring your boy and get acquainted with the Freshman Agriculture program in Muleshoe High school.

Temperature Guide For Eggs Given

Switch porridge to eggs in the old nursery rhyme about "hot porridge, cold porridge" and you have a modern housewife's perplexing situation. She knows eggs should be kept cold to hold fresh quality, but when do you take the chill off the egg for cooking?

These five temperature guides will solve the riddle of how cold should an egg be, says Miss Mollie Jordan, Bailey County Home Demonstration Agent.

Remove eggs from the refrigerator about an hour in advance of separating whites and yolks. Separation is easiest with an egg at 50 to 60 degrees F.

For cake-making, eggs combine with other ingredients best at room temperature.

Whipping goes faster and egg whites produce greater volume when the chill is off and egg whites are from 64 to 77 degrees F.

To cook eggs without cracking the shell, take the chill off the egg before its hot water bath, or put cold eggs in cold water and

bring both to simmering temperatures together.

Hard-cooked eggs put up the least fuss losing their shells when they are cooled off. Dunking eggs in cold running water as soon as they are cooked prevents formation of a dark-colored layer around the yolk. Chilling makes them firmer, thus easier to slice for garnishes or to separate yolk from white for stuffing.

Mystery Farm Bartlett Place

The Mystery Farm in last week's paper was that of the W. F. Bartlett place. Mrs. Bartlett came in and identified the farm as theirs, and picked up the free picture.

First person in the city to correctly identify the farm was Laura Jean Presley, and first person living in the country to make correct identification was Shirley Burelsmith.

Both have two tickets each to the Cox Drive-In Theatre awaiting them at The Journal office.

ESTERBROOK pens, points, pencils, at The Journal.

Versatile, Young Co-Ed Holds Many Home-Canning Awards

Everywhere, it seems, home canning enthusiasts are appearing in lower and lower age brackets. Young people, for instance, like Beatrice Luoma, the charming 20-year-old Finnish-American girl who, over the past nine years has won innumerable blue ribbons for her outstanding work in home canning.

"I've been home canning as long as I can remember; canning everything I could lay my hands on," says this attractive young co-ed. As the oldest of nine children, living on a farm near Floodwood, Minnesota, Beatrice helped her mother with canning as a youngster; started winning home-canning prizes from her first days as a member of the 4-H when she was a mere 11 years old, and has continued rolling up a high score for her home canning ever since. In 1933, she demonstrated at the St. Louis County Fair (Minnesota), where she also won the championship for her canned vegetables; and that same year she took the blue ribbon at the Minnesota State Fair.

Last year, Beatrice put up over 100 quarts of pickles with the results again proving this young lady's remarkable ability for successful food preservation. Her sliced cucumber pickles, which she says are more tender when peeled, are made like this:

6 cups sliced cucumbers	1 green pepper
1 pound onions	1/4 cup salt

Wash and peel cucumbers. Slice thin. Peel and slice onions. Seed and shred pepper. Mix vegetables, add salt, cover with lid and let stand at least 3 hours.

Place in a colander to drain excess liquid; and then rinse well by running cold water over the mixed vegetables. Add to hot syrup (given below) and heat slowly to just below boiling, stirring occasionally. Put in Ball Mason Jars; seal with Ball Dome Lids.

Syrup: Mix ingredients, bring slowly to boiling point and boil five minutes.

2 cups brown sugar	1 tsp. mustard seed
1/2 tsp. turmeric	1/2 tsp. celery seed
1/2 tsp. ground clove	2 cups mild cider vinegar

In two years, when Beatrice Luoma graduates from the University of Minnesota, where she's now majoring in home economics, her experience and knowledge in the homemaking arts will become doubly useful. For she plans to combine a career in Extension work with marriage to a young geologist.

Today, the many hobbies of this popular young college girl include square dancing, water skiing, church work, writing for a school paper, and cheer leader. But of them all, home canning, she finds, is the most challenging and rewarding. And, it was due in large measure to her keen interest in, and aptitude for, home canning that this personable young woman eventually decided upon a career in the home economics field.

JESSE WALDROP COMPLETES BEAUTY COURSE

Jesse Waldrop, operator at the Muleshoe Beauty Shop, has completed a course in Advanced Hair Styling at the Isabell School of Beauty Culture in Lubbock. Her ad will be found on another page of this edition.

DYERS ATTEND TV AND RADIO SHOWING

Mr. and Mrs. Roy Dyer attended the showing of the "55 line of TV and Radios at the Her-ring Hotel in Amarillo, Monday.

HAVE RETURNED

Mr. and Mrs. Eugene Black and sons Stanley and Clifford, have just returned after visiting in Illinois, with the H. T. McClure family, and in Excelsior Springs, Mo., with Mrs. Laura Cox. They report lots of rain in those states and very good crops of soy beans and corn.

Lazbuddie Boosters Stage Affair To Raise Needed Funds

As part of their campaign to raise money for the purpose of lighting the new high school (football and baseball fields), the Lazbuddie Booster Club held a meeting last Friday evening, August 13. Many prizes were given. Master of ceremonies was Denton Thompson.

Frank Spitzer won the greased pig contest. The pig was donated by Clark Blackburn.

In the awarding, prizes and winners are as follows: 1st prize, calf, won by Kenneth Precure. 2nd prize, 1000 gallons butane, donated by J. C. Scruggs, and won by Mae Mahon. 3rd prize, pig, donated by Bill Brown, won by Lloyd Ellis. 5th prize, radio, donated by Harvey Bass Appliance, Muleshoe, won by Richard Engelking.

MRS. LUCILLE CHERRY ATTENDS BEAUTY CLINIC

Lucille Cherry, hair stylist at the Muleshoe Beauty Shop, completed a special post-graduate clinic this week on European and American hair styles at Isbell's University of Beauty Culture in Fort Worth.

Instructors included Vernon Isbell, nationally known craftsman and president of the International Master Ladies Hairdressers; Mayme Isbell, president of Isbell's and widely recognized beauty consultant; and Sterling Powell, one of the nation's leading young hair stylists.

(Continued from Page 1)

Rotary

typed and bound, had reservations for them at a local motor court and saw that the couple did not lack for attention and entertainment during their stay here.

Mrs. Debenport attended the luncheon Tuesday. Other guests included Mrs. Gregory, Mrs. J. M. Forbes; Malloy Lowery, son-in-law of E. O. Baker; John Holland, Lubbock Rotarian; John Garrett, member of the Clovis club; and Marvin White, Phoenix, Ariz., brother-in-law of Rotarian Onard Upton.

Emergency Feed Plan Announced

Bailey County has been designated by the Secretary of Agriculture as a drought disaster county for the Emergency Feed Program. Under this program assistance may be made available to enable farmers and stockmen to acquire feed required by them to maintain their basic foundation herds of livestock during this emergency period. This will include feed grains but the program does not cover any cotton seed products such as was included in last year's program.

Anyone interested in the emergency feed program can get information and make application for the feed at the county Farmers Home Administration office in Muleshoe located next to the post office.

Information and make application for the feed at the county Farmers Home Administration office in Muleshoe located next to the post office.

RILCO POSTFREE Utility Building

PROVIDES 100% USABLE SPACE FOR
Machine Sheds, Storage Buildings, Loafing or Feeding Barns

NEED a sturdy, practical farm building in a hurry? With Rilco Utility Rafters, your building is already half built! Rilco Rafters are factory fabricated from dry Douglas Fir permanently bonded with waterproof glue. No cutting or fitting on the job is needed. And once the frame is up, the building can be covered with wood shingles, composition shingles or sheet metal. Rilco buildings are available in various spans and may be built any length. Engineered rafter-to-foundation connections assure extra strength and rigidity. Continuous framing from foundation to roof ridge eliminates posts, braces, and provides highly attractive appearance. We'll be glad to show you the many advantages in erecting your next building with these labor and time saving Rafters.

Record Setting School Year Seen

Educators Urge Parents To Plan Now For Return Of Children To Classes

With the opening of the new school term scheduled for but a few weeks hence, school authorities are stepping up their summer long activities aimed at stretching educational facilities to take care of the greatest enrollments in history.

Their problems do in fact reach beyond the immediate community to embrace the colleges of the nation as well, where higher learning will be sought by more girls and boys than ever before.

Greatest Increase Is Grade School

It is variously estimated that the total number of youths enrolled in all educational institutions in the country, including the hordes of beginners as well as the grade school, high school and college youth, will exceed 40,000,000.

Greatest increases in enrollment however will be experienced in the grade schools where the number of pupils has been multiplying for years as more families have more children ready for the great adventure each year.

Plagued by shortages of classrooms and shortages of teachers, educational authorities will require more cooperation than ever before from everyone, in maintaining the high American standards of learning and in safeguarding the welfare of the children.

Police and health officials already are cooperating to launch

appropriate drives. But the major share of the cooperation must come from the parents of the school children themselves. The parents are the only ones who can deal specifically with the best interests of the individual child.

Role Parents Play

Parents will be responsible for sending the youngsters back to classes with their minds prepared to resume learning, their bodies well clothed and their physical condition sound.

And it is earnestly recommended that parents undertake to make those preparations immediately instead of delaying until the last minute when the rush will interfere with careful planning.

Proper preparation of children for the return to learning after a summer of freedom is construed today as permitting the child to take part in the planning. Clothes must be purchased, shoes must be fitted, supplies must be assembled.

Giving the youngsters an opportunity to exercise some choice in acquiring these needs, certainly will make them more interested in the use to which they will be put—namely for school wear.

Early shopping for the children's requirements is especially important in order to assure proper fit. The sooner parents take them into the stores for fittings and selections, the more certain can they be that good values and appropriate things are being

chosen.

Wearables On Display

All of the leading stores in the city are cooperating in this phase of preparing the youngsters for the return to learning, by putting their "back to school" merchandise on display early. Complete selections are now available.

Appointments should be made with doctors now for medical, dental and eye checkups. Mothers should review the diet requirements of their children in preparation for the coming term after a summer of comparative relaxation.

Parents of teen-agers are advised to encourage their restless young, in every way they know how, to apply themselves to learn with a view to continuing their education in college.

Jimmie L. Green Instructor In Ag. At WTSC, Canyon

A South Plains man, Jimmie L. Green of Enochs, has been appointed instructor in agriculture at West Texas State College for the 1954-5 session, according to President James P. Cornette. Green succeeds Dr. Clark Harvey, who has resigned to accept a position at Texas Technological College.

A 1950 graduate of Texas Tech, Green received the B. S. with a major in agronomy and farm machinery. He completed work for the M. S. degree in May at Tech, majoring agronomy and agricultural economics. He held a graduate research fellowship until he received his graduate degree.

Green served in the army from November 1950 until August 1953 with the 45th Infantry Division, with overseas duty in Japan and Korea. He was awarded the Combat Infantry Badge and the Purple Heart.

At Tech, Green was a member of the Aggie Club, Plant Industry Club and the Honorary Aggie Club.

FFA Boy And Registered Pigs

Pictured above with some of his Registered Poland China hogs is Neal Arnold, son of Mr. and Mrs. Lonnie Arnold of near Needmore. Neal has been an outstanding FFA boy, serving during the past year as Chapter President. His leadership has carried the boys throughout the school year. He is carrying a good crops program as well as the breeding stock pictured above.

Three Way School Begins New Term August 30: Faculty Members Chosen

Three Way School will open for the new term on Monday, August 30, according to information furnished The Journal by Archie Sims, superintendent.

Faculty of the school is virtually complete, Mr. Sims reports. The only teacher that the school needs now is a coach for 6 man football and for basketball. Mr. Ridgeley, coach last year, resigned recently to coach at Grady,

N. M., and anyone who is interested in this job should contact Mr. Sims or any member of the school board.

Members of the board are: Bak. F. Johnson, president; W. T. Parker, secretary; L. E. Warren, I. B. Davis, Jack Lowe, Clyde Price and Cecil Cole.

Grades:
 Mrs. Chellie Bradley, Mrs. Maude Davis, Miss Marie Johnson, Miss Vada Mae Frasier, Gerald Elder, Mrs. Katherine Sims, Mrs. Juanez Green, and Sam Green.

High School: English Mrs. Laverne Green (no relation to Juanez and Sam Green); home economics; Mrs. Helen Gay, commercial and high school principal; John Criner; Roy Crawford, the Ag. teacher, has been elected earlier.

When all teachers are assigned the grade that they will teach, this will be published and qualifications given. Bus foreman is Garvin Bridges, and building custodian is Oran Reeves. Carey Stafford is tax assessor and collector for the district.

TO LUBBOCK

Members of the Muleshoe H. D. Club traveled to Lubbock Tuesday for the annual Club picnic, which was held at MacKenzie State Park.

VISITED HERE

A guest in the S. C. Caldwell home the past week has been June Harris, niece of Mrs. Caldwell. While she was here June attended the big Muleshoe Rodeo.

LEAVING FOR NEBRASKA

C. L. "Happy" Dyer and son C. L. Dyer, Jr., and family, of Lubbock, are leaving today for Lincoln, Neb., where they will visit for about ten days with their son and brother, Hershel Dyer and wife.

AT COWLES

Mr. and Mrs. Charles Lenau are vacationing at Cowles, N. M.

BABSON DISCUSSES—
Our Foreign Policy

Gloucester, Mass., Aug. 19 — I am disturbed by the recent trend in our foreign relations. Despite the expenditures of billions of dollars abroad in military and economic aid, we have not been having much success in selling America and American ideas to other people.

Our foreign relief and rehabilitation programs, including the great Marshall Plan which, together with Point Four, did so much to put Western Europe back on its feet, were good ideas. They stimulated economic activity here at home and they aided countless millions of people in Europe and Asia. But they served also to antagonize some people abroad and to create mistrust.

POOR SALES WORK
In other words, our Government spent much time, effort, and money on a big promotional campaign that almost fizzled. Why? I think we failed because our official personnel abroad — our salesmen, if you will — did not know exactly what they were selling and did not trouble to

ascertain the real needs of the foreign countries which were their "customers". That was not good diplomacy, or good politics, or good business. Although we are a mighty nation, we cannot afford such poor "sales performance."

Our foreign policy has been directed by a number of very capable men. I do not blame them for the fact that it has backfired so often in recent years. They have had hard sledding, with crisis following upon crisis. They improvised, and perhaps did the best they could. Meanwhile, the State Department has provided good berths for generous contributors to political party "war chests."

MORE EFFICIENT FOREIGN SERVICE NEEDED
We need more efficiency and ability in the State Department. And particularly in the Conduct of Its Overseas Operations. Next year, Congress should give careful study to effecting improvements. It could provide for recruiting Foreign Service personnel by establishing scholarship

training programs somewhat like the one which has worked so well for the Navy's Reserve Officer Training Corps.

An alternate measure would be the founding of a Foreign Service Academy to train men and women especially for overseas service in the diplomatic field. This new academy would be supervised carefully by the Government itself. Its standards would be comparable to those of West Point or Annapolis which have had great success in their respective fields. Money will not secure promotion in either of these institutions.

INCENTIVES ARE LACKING
While we are waiting for Congress to decide how best to recruit and train Foreign Service officers, something should be done about improving the morale and performance of those who now represent our interests abroad. I am told that the Foreign Service Officers' Camps is at the lowest numerical strength in five years — and this at a time when world tensions are very high. Promotions among these men are too uncommon. Few incentives for doing a better job are offered to them.

Men have served in the Foreign Service for as long as 20 years without having passed more than two years of that service in the United States itself. Such a condition of exile is poor policy. These men cannot be effective exponents of the American way of life unless they are given frequent opportunities to come back home. How else are they to obtain really first-hand knowledge of the needs which should shape our national policy?

LET'S FACE REALITY
We have developed a dynamic domestic economy which has met many challenges. We should also have a dynamic foreign policy. Our frontiers now lie well beyond our shores. There must be a way to attract our best men to work for our interests abroad. We must find that way if we are to preserve our own freedom and get our share of the world's raw materials, of which we stand so much in need. Our national security itself lies in the balance and depends upon more friendly allies.

I forecast that the State Department will be reorganized and operated as carefully as the Army, Navy or Air Force Departments. No one can become a recognized general or admiral by making a monetary contribution to a political party. Some day, I forecast, the State Department will cease being used to pay off political debts to large party contributors, or to help support lame-duck politicians.

**SAND HILLS PHILOSOPHER LEAPS
At Chance To Accept Government's
Urgent Plea For More Inventions**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is being swept off his feet by a news article, his letter this week reveals. Probably doesn't like to stay on his feet anyway.

Dear editor:
One of the best pieces of news I've ever read turned up out here yesterday in a copy of a newspaper which I had used to spread out on the ground under my tractor while I was working on it. I was tinkering with the crankcase drain when I glanced down and saw the headline on this article and since it was fairly shady where I was I just stayed stretched out under the tractor and read it, knowing there wasn't any danger of oil dripping on me as the crankcase has been empty since week before last when I drained it to get enough oil to drive my car to town, and in case I ever need to use the tractor, I'll switch it back. Never did believe in hoarding oil.

According to this article, the government needs about 200 inventions to improve different phases of the armed services, and has sent out an emergency appeal to the American public.

askin us to get busy. That's just the kind of a job I've been lookin for, and I will accept.

With the government shy on inventions for the army and long on agricultural products, I can't see any sense in farmin in August, pilin up more surpluses and gettin the price support program so flexible it's limber-legged, and will get to work on this new assignment immediately.

I don't know what I can invent, but the hours and the workin conditions suit me fine and I got confidence the government will treat me right in the way of a salary.

Workin with your brain beats workin with a tractor all to pieces. Doesn't take any lubricin oil, no sharp turns at the fence now, ain't stirrin up any dust, ain't addin to the surplus, and you can do it stretched out under a tree in the shade.

Up to now, I've had difficulty convincin some people I wasn't loafin when I was out here on my farm hunched over in deep thought, recognizin that unless we solve the world problems there may not be too much point

to farmin anyway, but with this new job of inventin, a whole lot less naggin ought to take place. If there's one thing an inventor needs, it's peace and quiet.

Yours faithfully
J. A.

**Those Having Seen
Active Duty Are
Entitled To Vote**

Former members of the Armed Forces, the U. S. Maritime Service or the U. S. Merchant Marine who have seen active duty within the last 18 months are entitled to vote in the August 23 run-off primary without the payment of the poll tax, according to a ruling by Attorney General John Ben Shepperd.

Shepperd said the waiver also applies to any person who is now on extended active duty as a member of any of the reserve components of the Armed Forces, a selective service draftee, a member of the National Guard, the U. S. Maritime Service or the U. S. Merchant Marine.

The Texas Constitution prohibits members of the "regular" military establishments from voting. Voters covered by Shepperd's ruling are not required to ac-

company their application for an absentee ballot by either a poll tax receipt or an exemption certificate, though the county clerk may require the voter to make a statement setting forth his military status.

HOME FROM CAMP

Mr. and Mrs. Jack Lenderson went after their daughter Kay last weekend, who has been at Camp Davis, N. M., for the past month. Making the trip with the Lendersons was Judy Angeley and Joan Green.

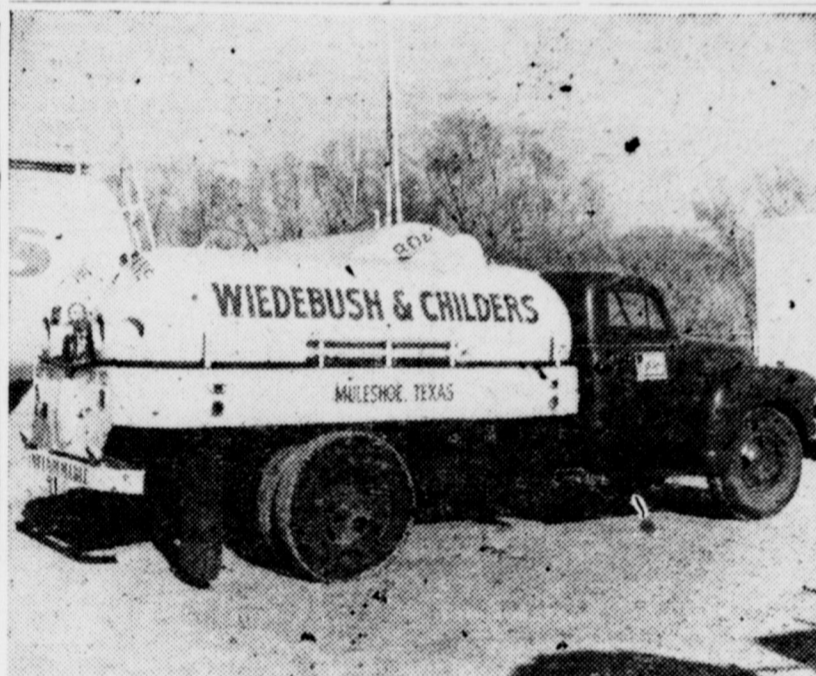

By ROY DYER

All kinds of things happen on the "My Little Margie" show on television . . . but one recent event won't be seen by televisioners. The Director of the show, Hal Yates, was explaining to Charlie Farrell and Gale Storm, the stars that a kangaroo being used in the episode being filmed was harmless. As he finished, the Australian import, apparently sizing up Yates as a good sparring partner, lashed out with a combination right and left foot. The director went to the floor for the full count.

Elsa Lanchester, wife of Charles Laughton, succumbed to telefilms when she was offered the role of a romantic cook in Somerset Maugham's story, "Creative Impulse". It'll be seen on Henry Fonda's "Star and the Story" series.

Singer Mary Martin will be seen on the first of the Monday night "spectaculars" October 18 being produced by Leland Hayward. To help her she'll have the services of three top names in the theatrical world . . . Joseph Cotton, David Niven, and Cyril Ritchard. The show is called "Tonight at 8:30". It's one of Noel Coward's all-time hits, containing three half-hour playlets.

That word "spectacular" is being used a lot for the big shows being prepared for televiewing this fall and winter. And you'll use the same word when you see the screen light up on your TV set after our technicians have tuned it up for the coming season. Call DYER HARDWARE & FURNITURE, Phone 2590, Muleshoe.

The hit that's changing the sales standings puts you way ahead 3 ways

THIS year Buick has done what no other car has done in more than a generation. This year Buick has moved into the lofty circle of America's three top sales leaders — a circle once dominated only by the so-called "low-price three." For today, Buick is outselling all other cars in the nation except two of these "low-price three." And each new month's sales figures strengthen Buick's new sales leadership.

You can't do better — if you want the best buy for your new-car money — than to look into the soaring success that is Buick today. You'll find this glamorous new-day beauty puts you way ahead in three important ways — that's for sure. So drop in on us — tomorrow at the latest — and see for yourself that Buick is the buy of the year, hands down.

- 1. More new car for your money**
Buick prices start close to the lowest—just a few dollars above those of the traditional "low-price three." But those few more dollars for a Buick get you a lot more automobile — more room, more comfort, more V8 power, more ride steadiness, more solid durability—plus the advanced "tomorrow" styling that has taken the country by storm.
- 2. More money for your present car**
With our great and growing sales volume, we can offer you a bigger trade-in allowance on your present car when you buy a new Buick. After all, the more new cars we sell, the better deal we can make with you. So you get the benefit of our great success in the form of a higher trade-in allowance.
- 3. More dollars when you trade**
Because Buick's broad panoramic windshield has started a whole new styling trend, you can be sure that today's Buick will keep its modern look for years to come. So you are assured of a higher resale figure when you trade it in later on.

Come see for yourself why — **Buick Sales are Soaring!**

ARIZONIANS VISITED

Mr. and Mrs. Edd Cleaver and daughter Connie, of Winslow, Ariz., visited here last week in the home of Mr. and Mrs. Bob Kimbrough. Edd and Bob were stationed together in Georgia, when they were in the Armed Services. While they were here, the two families went to Carlsbad, N. M., and took a tour of the Caverns.

Mrs. J. Parsley Shower Honoree

Saturday afternoon, August 14, at the lovely country home of Mrs. O. N. Jennings, Mrs. Jerry Parsley was honored with a "Pink and Blue" shower, between the hours of 4:00 and 6:00 o'clock.

Hostesses other than Mrs. Jennings were Meses. Cecil Davis, Claude Farrell, C. D. Gupton, Clyde Waggoner, and Arnold Morris.

The serving table was covered with a lovely white lace dinner cloth, over pink, and centered with a beautiful arrangement of pink and white asters. Tall blue candles tied with pink satin ribbons, and placed in crystal candelabra, completed the centerpiece.

Bouquets of roses and shasta daisies were placed at various points of interest throughout the house.

As guests arrived they were welcomed by Mrs. C. D. Gupton, after which they registered in the guest book, and were served refreshments of delicious frosted pineapple punch and individual

cakes iced in pink and blue. Favors of pink and white mints, and nuts were also served.

Joan Montgomery poured the punch. Gifts were placed on a card table and opened by the honoree in the presence of the guests.

Those attending were: Mrs. James Carter and daughters Jo and Sandy, Amarillo; Mrs. Ted Magness, Amarillo; Misses Joan Montgomery and Elizabeth Harden, and Meses. Wilma Singer, V. H. Montgomery, F. B. Pierson, Clarence Stephens, Harold Wyer, Phillip Garrett, H. Jay Wyer, Buford Butts, Roy Jordan, Hulan Bass, and M. F. Blackman and daughter Marsha Lynn.

Many who were unable to attend sent gifts.

Fidelis Class Members Honor Mrs. Shepperd

Members of the Fidelis Class of the First Baptist Church, met last Thursday morning at 9:30 at the home of Mrs. Marie White, for a business meeting and tea honoring the new pastor's wife, Mrs. Shepperd.

The meeting was opened with a prayer by Mrs. Shepperd, after which Truma Griffiths brought the beautiful devotional from the book of John. Mrs. Griffiths also read a lovely poem, "A Wild Rose", by Ellen Willis.

Marie White presided over the business meeting.

The serving table was laid with a lovely white lace cloth, and centered with a beautiful arrangement of yellow gladiolus. Coffee was served from a lovely silver service, with rolls.

Those attending were Meses. Mable Dowell, Dorothy Green, Opal Morrison, Jewel Pool, Lou

EXPECTED HOME

Mr. and Mrs. Charlie Felts and son Dick, of Lariat, are expected home this week after touring several of the states in the Pacific Northwest.

Son: "Say Dad, what does it mean when the paper says some man was sent to a convention as a delegate-at-large?"
Dad: "It means that his wife didn't go with him."

Seventeen Present For Half Century Club Breakfast

Seventeen were present at the Half Century Club breakfast last Thursday morning, at 9:30 o'clock at the home of Mrs. Myrtle Harpe.

Following a breakfast of bacon

and eggs, hot biscuits, and coffee, the ladies played canasta.

Co-hostess was Mrs. Joe Crowley of Amarillo, daughter of the hostess.

Present were: Meses. Anna Moeller, Daisy Engram, Lula Kistler, Beulah Carles, Mattie Duke, Hazel Farrell, Sweetie Johnson, Mary Young, Myrtle Alsup, Berdie Paul, Jennie Panter, Alpha Julian, Pearl Moore and a visitor, Madge Clements.

The next meeting will be held August 26.

Forty Present As "Family Night", Of Dorcas Class Held

About forty persons were present for the fried-chicken supper last Friday evening, August 13, as the Dorcas Sunday School class of the First Baptist Church had their annual "Family Night" at the home of Mr. and Mrs. Doc

Wilhite.

Cakes and ice cream were especially prepared to help celebrate the birthdays of several members. Three whose birthdays fall on August 11 are: Wilma Gilbreath, Ruth Fowler and Mona Towns. Ludell Wilhite's birthday was July 27, and Pauline Jamison's was August 12. August 15 was Rev. Shepperd's birthday.

After the supper, games were directed by Mrs. Fowler. Games were followed by group singing. According to Rita Johnson, president of the class, the September meeting will be held with the Winsome Class.

Visitors present were Rev. and Mrs. Shepperd, Mr. and Mrs. Bud Holden and daughters, and Mr. and Mrs. Sherman Inman and Judy.

Eight Present As HD Council Meets

Bailey County Home Demonstration Council met at the Courthouse Monday afternoon, with eight members and the agent present.

It was decided to have family life, recreation, clothing and a few programs on civil defense, in the year book for another year. Mrs. Maltby, delegate, gave a report on the state meeting which was held recently at Dallas.

Miss Jordan will give a demonstration on making outdoor fireplaces at the last meeting in October.

Present for the meeting were Meses. G. T. Maltby, W. W. Couch, Roy Carney, Joy Jones, J. E. Day, T. Haley, Wilbur Thomas, and S. C. Caldwell. All clubs in the county were represented.

Beginning in September, council will meet at 2:30.

VISITED PARENTS

Mr. and Mrs. Jack Baker spent Sunday afternoon in Anton with her parents, Mr. and Mrs. A. A. Mitchell.

ON EXTENDED TOUR

Mr. and Mrs. Boone Allison, of Lariat, are on an extended two week tour of the northwestern states. They left last week.

VISITED HERE

Mr. and Mrs. Arthur Askew and Mrs. Camella Pierce visited Mrs. G. T. Guess last week in the home of Mr. and Mrs. Cecil Davis. Mrs. Pierce is Mrs. Askew's mother, and resides in Turkey.

VISITED SUNDAY

Mr. and Mrs. R. D. Ross and children Lanham and Merijohn, visited Sunday in the home of their friends, Cecil and Melva Davis.

TO PLAINVIEW

David Wyer and Cecil Davis drove to Plainview the 15th. Cecil joined a group of P. C. A. Directors who flew to Houston, for the annual state wide training school. David visited relatives while there.

VISITS HERE

Mrs. John Dawkins of De Leon, has been visiting in the home of her daughter and family, Mr. and Mrs. R. D. Ross.

It was necessary to give three blood transfusions to save a girl's life, and a healthy young Scot came forward. For the first pint of blood the patient gave him \$50. For the second pint she gave

him \$25. The third time she had so much Scotch blood in her that she merely said thank you.

IN TIMELY STYLE she'll wear a "Johnny" collar atop her sweater, going back to class with a dainty new bracelet watch.

THE STAR Agriculture

Released by
The Texas Department of Agriculture

By John C. White, Commissioner

DROUTH CROP LOSSES

A conservative estimate of losses due to the drouth on only two major crops would amount to more than \$139 million thus far this year.

About 75 counties comprising the heart of Texas could be termed critical due to drouth conditions. This area would follow a line from Grayson County on the Red River, south to Washington County, southwest to Wilson, northwest to Midland-Odessa and a portion of the plains.

This 75 county area generally produces approximately two million bales of Texas' annual cotton crop. About 500,000 bales in this territory has been lost to the weather this year due to lack of growth or premature openings.

Figuring each bale worth about \$250, this means a minimum loss of \$125 million in cotton alone.

Approximately 17 million bushels of Texas' average 80 million bushel grain sorghum crop is grown in this area. But the critical area has lost about half that

crop, or about 8 million bushels. Using \$1.80 per bushel as a base figure, then the drouth has cost us about \$14,400 in grain sorghum losses.

About three million head of cattle normally graze in this 75 county area. The grass and pastureland is 3/4 gone due to lack of moisture.

It is impossible to accurately estimate this loss resulting from pasture damage, prematureing of cattle and depletion of foundation herds but the figure would be tremendous.

"Little rain and no water" is becoming a familiar story to Texas. Inadequate moisture is almost a "normal" condition. Farmers and ranchers in many parts of the state are badly in need of some type of relief.

A grain and hay program has been inaugurated thus far to help combat the serious conditions. The next few weeks will tell whether the program is a success or if it was a case of "too little too late".

ANNOUNCEMENT

The Calvary Baptist Church takes pleasure in inviting you to their revival which is now in progress.

At this time we plan to close Sunday night, August 15. This means you have only this week to take advantage of attending these services.

Dr. Ben D. Johnson is bringing the messages and what messages they are! You will be blessed if you will come and hear this Holy Spirit filled Gospel preacher discuss world events in the light of the scriptures.

"Come thou with us and we will do thee good."

A. C. Graham, Pastor

TO ARRIVE HERE

Mr. and Mrs. Charles Lewis are expected here today for a short stay. They have been staying in Houston with Mrs. Lewis' mother, Mrs. Ab Carroll, who is in the hospital there.

ing the Master of Education degree.

HOME FOR WEEK

Mrs. Charles Mayhugh, who has been receiving treatment in a Houston hospital, is in Muleshoe to spend the week with relatives and friends. She will return to Houston for more treatment Sunday.

GUESTS FROM DALLAS

Mr. and Mrs. M. S. Myers, of Dallas, were recent guests in the home of Mr. and Mrs. Jack Lenderson. The two families traveled over to Red River, N. M., last weekend.

SON WAS GUEST

Mr. and Mrs. Roy Brashier had as guests over the weekend their son, Glenn Brashier and family, of Carlsbad, N. M.

RETURNED HOME

Mary Foyles, who has been visiting here for the past five weeks with her uncle T. W. Berry and family, returned to her home at Arkansas City, Kan., Sunday.

PUBLIC NOTICE PUBLIC HEARING ON PROPOSED COUNTY BUDGET

I am hereby authorized, acting in my capacity as County Judge, of Bailey County, Texas, to give Public Notice to the Citizens of said Bailey County, Texas, as authorized by law, that a public hearing will be held in the Commissioners' Court Room, at the Bailey County Courthouse, on Monday the 23rd day of August A. D., 1954, at 10:00 o'clock a. m., on the proposed County Budget for the year beginning on January 1st, 1955; and the Commissioners' Court will consider said Budget, after the hearing had on said date. Any taxpayer and the General Public are invited to attend and participate in said hearing at said Place on said date and hour hereinabove stated.

Witness my official hand and seal, this the 9th day of August A. D., 1954.

CECIL H. TATE,
County Judge, Bailey County,
Texas
(SEAL)

Three From Here Candidates For Degrees At WTSC

Three persons from Muleshoe are among 249 candidates for degrees who expect to participate in summer commencement exercises at West Texas State College on Aug. 20. Two-thirds, or 160 of those expecting to complete degree requirements, are seeking the masters degree.

Dr. Henry H. Hill, president of George Peabody College for Teachers, Nashville, Tenn., will be the commencement speaker, according to Dr. James P. Cornette, president of WTSC. Graduation activities for candidates begin Aug. 18 at 8 p. m., when Dr. and Mrs. Cornette honor students at a reception at their home. Graduation exercises will be held Aug. 20 at 8 p. m. in the main auditorium.

From Muleshoe are Eddie Raye Glenn, Guy Wayne Killiam, Mrs. Laura Coble Killian. All are seek-

ADULT EDUCATION PROGRAM

Always in Season— in your home freezer

A garden and a home freezer are perfect companions. Those fruits and vegetables that you raised at a cost of just a few cents a pound stay "in season" all year-round when you store them in a home freezer.

And even if you don't grow your own food, a freezer has saving ways for you. You can take advantage of every special buy that comes along, whether it's a basket of fruit or a side of beef.

Economy is always "in season", and you get year-round economy—and better meals—when you own a home freezer.

Congressman Feared Abandoning Of 90% Parity May Have Adverse Effect

TO: County Offices of Extension Service, FHA, ASC Committees, Farm Groups, Farmers etc.

Dear Friends: Secretary of Agriculture Benson is, no doubt, completely sincere in believing that the flexible or so-called sliding scale, support procedure for handling the basic farm crops will tend to discourage overproduction. He thinks that, with lower supports and lower prices for farm products, farmers will tend to decrease their production, that if you cut the farmer's income on crops he will produce less. To me, this seems to be a foolish assumption. I feel that, if supports are lowered, the farmer will have to seek to produce a larger volume in order to get sufficient income to carry on. But regardless of that factor, I feel that an adequate support price is in the public interest.

The backbone of the 90% parity support program for crops was broken on July 2, when, under heavy Administration pressure

the House passed a modified flexible support program. Recently the 90% support program lost again in the Senate. It seems clear that the 90% program is on the way out. I think the consequences of this action will be very adverse to the farmer. The blow is being softened for 1955 by way of set-aside programs, etc., which are provided for in the new farm bill. The real, damaging blow to agriculture which is now being set in motion will not have its full impact until 1956 and 1957. In other words, the real impact will come later, and people should not be misled by the sugar-coating which is proposed for 1955.

Producers with good cause are greatly disturbed over the kind of programs which may be placed in effect next year with respect to diverted acres—acres diverted from cotton, wheat, and probably milo. Secretary Benson has advised the House and Senate Committees on Agriculture that he will place into operation next year a

program which will control the use by farmers of these so-called diverted acres. I think we will all agree that, if we reduce the acreage of a crop where there is surplus production, it does not make much sense to use the so-called diverted acres for the production of other crops which are in surplus. On the other hand, for producers to be put in too much of a straight jacket, so to speak, with respect to the use of diverted acres, could bring on very serious difficulties.

A committee in the Department of Agriculture in Washington, D. C., under the direction of Mr. H. Laurence Manwaring, a Deputy Administrator of the Commodity Stabilization Service, is working on the details of a diverted acres program for 1955.

I am strongly of the opinion that farmers and farm groups should give the question of diverted acres very serious study and make recommendations to Mr. Manwaring and to Mr. Claude McCan, State Director of ASC, College Station, Tex. I have personally explained our problems in this field to officials here, seeking to be helpful, but I think grass-roots recommendations are necessary.

The subject is too big for full coverage in this letter. Our cotton acreage is allocated in Texas, generally speaking, on a percentage of cropland basis. Individual histories on cotton farms with respect to other crops vary drastically. If great care is not used in making the program sufficiently elastic, many producers could very well be seriously damaged. The general idea seems to be that the year 1953 will be a major factor as a base in working out the diverted acres program. But, as I say, the subject is too big for this letter. I hope farm groups in West Texas will give this matter immediate consideration and suggest ideas which probably should be embodied in the diverted acres program. I shall be glad to pass along to appropriate officials any suggestions which are forwarded to me. I welcome your calling upon me at any time.

Yours sincerely,
George Mahon

FORMER RESIDENTS VISIT HERE OVER WEEKEND

Guests over the weekend of Mr. and Mrs. Clyde Holt and Mrs. Irma Willis were Mr. and Mrs. R. E. Willis, daughter Nita, son Roy of Carlsbad, N. M., who were returning home from attending the University of Idaho at Moscow; Mr. and Mrs. Ferel Little, sons Royce and Steve, of Stephenville, who were on their way to Denver, Colo., for a vacation trip. Mr. Little is Secretary-Treasurer of the Stephenville Farm Loan Association. Mr. Willis and Mr. and Mrs. Little were all former residents of Muleshoe.

IN ALBUQUERQUE

Mr. and Mrs. L. S. Barron and children are visiting this week in Albuquerque, N. M., with his sister, Mrs. George Vaughn and family.

HERE FOR WEEKEND

Mrs. Bartley and daughters Frances and Glynn, of Amarillo, spent the weekend here with their son and brother, Leo Bartley and wife. They were joined here by Pvt. Gene Bartley and his friend, of Ft. Bliss.

SHEER DELIGHT!

Sheer cottons help beat the heat of mid-summer days, and milady goes about her activity in comfort and style. Here, a gossamer sheer chambray in pearl grey is designed for town shopping, afternoon outings, and other daytime occasions by Nali-Bee. Its simple, sleeveless design makes the sheer cotton even more comfortable and fresh looking.

IT'S PERFORMANCE THAT COUNTS!

GET PHILLIPS 66

Flite-Fuel

FOR YOUR CAR... the only gasoline with the added super aviation fuel component Di-isopropyl. A Phillips exclusive!

Phillips was the first to make Di-isopropyl and also HF Alkylate. Until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed restrictions and these powerful aviation components can be blended into Phillips 66 FLITE-FUEL for your car.

FLITE-FUEL provides increased power, higher anti-knock and greater fuel economy. You benefit from Phillips 66 controlled volatility and the clean burning qualities that result from natural and aviation gasoline components. Get FLITE-FUEL at stations where you see the orange and black Phillips 66 Shield.

REVOLUTIONARY NEW OIL CAN REDUCE WEAR 40%

WORLD'S FIRST! Phillips 66 TROP-ARTIC is the first all-weather motor oil to meet the highest standard ever established for automobile motor oil.

Compared to ordinary motor oils, new TROP-ARTIC can reduce wear 40% or more. It cuts oil consumption 15% to 45%. It keeps pistons cleaner. TROP-ARTIC can even double the life of your car's motor.

TROP-ARTIC is a worthy companion to new Phillips 66 FLITE-FUEL. They go together for better engine performance.

PHILLIPS PETROLEUM COMPANY

Here's why more people are buying Fords

FORD already has "tomorrow's" features

Ford brings you features today that the other low-priced cars can offer, at best, sometime in the future. Only Ford in the low-price field has the long, low styling of cars to come—free from bumps and bulges. Only Ford has modern Ball-Joint Suspension! And only Ford has a V-8 engine—the type other makers are swinging to!

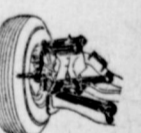

FORD'S Y-block V-8—the only V-8 in its field —is the industry's most modern engine

The world's leading maker of V-8's brings you the brilliant new 130-h.p. Y-block V-8. Its deeper-block construction makes it stronger, quieter running. Its lower-friction design lengthens engine life, cuts gas waste.

FORD gives you Ball-Joint Suspension for easier riding and handling

Ball-Joint Front Suspension is the greatest chassis advance in 20 years. It does away with old-fashioned kingpins. You get superbly easy handling... a far smoother ride. And wear points are cut from 16 to 4.

FORD'S worth more when you sell it, too

Analysis of used car prices shows that Fords return a higher proportion of their original cost at trade-in time than any other car! When you consider Ford's low initial cost... Ford's low running cost... and Ford's high resale value... it's easy to see that Ford is your best buy.

And we are giving the best deals in 30 years

So many more people are buying Fords that our overhead on each car is less. We can afford to allow you more. See us today for the greatest deal on the greatest car—a "Worth More" '54 Ford.

Get the score and you'll get a Ford

Pfc. Billy Eddins Completed Course

Army Pfc. Billy J. Eddins, 27, son of Mr. and Mrs. Wendell O. Eddins, Sudan, recently completed the information and education leaders course at Fort Riley, Kan. During the 40-hour course, Eddins was instructed in the techniques of discussion leadership which will enable him to conduct information and education lectures.

Assigned to Company A of the 114th Engineer Battalion, Eddins entered the Army in July, 1953. He is a former student at Texas Technological College.

Cpl. Carl Duncan Assigned To 772d Police Battalion

Corporal Carl F. Duncan, of Muleshoe, has recently been assigned to the famed 772d Military Police Battalion in Korea. For the 23 year old soldier it will be his second tour of duty in the war-scarred land.

The "Seven-Seven-Deuce", as it is known in the Far East, provides railway security for all UN personnel, supplies, equipment and material shipped over the Korean National Railroad.

Unlike most units, the "Deuce" has its four lettered companies and their many detachments situated throughout the length and breadth of the South Korean peninsula to facilitate the functioning of its mission of railway security.

During Cpl. Duncan's previous tour of duty in Korea he served as a foot soldier with the famed 2nd Division and wears the Purple Heart for his efforts.

The Texas soldier should find the 772d MP Battalion a welcome relief. Now he will ride rains over the same land he formerly walked over, and riding always did best walking.

Social Security Representative To Be Here Aug. 25

Mr. John G. Hutton, manager of the Lubbock social security office, said today that the proposed changes in social security monthly benefits now being considered by Congress have caused a number of people to contact the Lubbock office for details.

Mr. Hutton emphasized that no definite information is yet available at his office about how possible changes in benefits may affect any individual.

If changes are made in the social security law, all persons receiving monthly social security checks will be notified directly. Thus it will not be necessary for them to contact the Lubbock office about their possible new benefit amounts at this time.

Mr. Hutton urged all beneficiaries to await notice direct to them instead of contacting the Lubbock office. This action will make it possible to handle current work much faster and will in no way be to the disadvantage of those now receiving monthly checks.

Our representative will be in Muleshoe at the Post Office at 9:30 a. m. on August 25 and will be glad to assist in all matters pertaining to social security.

VISITED SON

Mr. and Mrs. F. B. Pierson visited last Wednesday evening in Lubbock, at the home of their son and daughter-in-law, Mr. and Mrs. Bill Pierson.

SCHOLARS AHOY! The sailing theme essays to be one of the big classroom fashions this year.

Pool Attended Showing of 1955 Zenith Radio, TV

W. M. Pool of Johnson-Pool and Mrs. Pool recently attended a showing of the new 1955 line of Zenith radios and television held by Nunn Electric Supply Corporation in Lubbock.

"The most advanced power plant in television today is a fea-

ture of Zenith Radio Corporation's 1955 deluxe series TV. Zenith's basic chassis delivers a 20,000 volt drive to the picture tube, which Zenith engineers declare is the most powerful high voltage chassis commercially produced for direct view, black and white television", said Mr. Pool.

Thirty-seven new models of the 1955 Zenith television line were shown to Mr. Pool. "We have a model of Zenith television to fit the requirements of any person interested in purchasing a television set. Models ranging in price from \$169.95 to \$1285.00", stated Mr. Pool.

"The new 1955 Zenith television

line incorporates many features sought after by the buying public, including Cine-beam picture tube with Cine-lens pictures glass, 20,000 volts of picture power, high-fidelity sound system, and many other features including "top-tuning", a notable innovation that gives a "new look" to TV. It's a marked advance in handling controls of picture and sound", stated Mr. Pool.

Johnson-Pool will have a display of the 1955 Zenith television line soon and Mr. Johnson and Mr. Pool cordially invite the people of Muleshoe to come in and see this new line of Zenith television sets.

GRANDDAUGHTER TO VISIT

Mr. and Mrs. A. S. Stovall are going after their granddaughter, Susan Durham of Austin, the latter part of the week, and she will spend the next two weeks with them. The Stovalls' son-in-law, and Susan's dad, recently received his PHD Degree from the University of Texas at Austin, and has been hired as an instructor at Oklahoma A & M at Stillwater, Okla. During the two weeks Susan is visiting here, her mother and father will move to Stillwater.

SISTER IS GUEST

Mr. and Mrs. I. W. Haney have

as their guests this week, her sister and brother-in-law, Mr. and Mrs. W. R. Galloway, of Elk City, Okla.

TO RED RIVER

Mr. and Mrs. J. W. Watson, and her father, J. W. Bailey, are planning to leave today for Red River, N. M., where they will spend the weekend.

PARENTS ARE HERE

Mr. and Mrs. M. C. Beddingfield, of Greenville, are spending the week here with their son, Jack Beddingfield and family.

RETURNED FROM MASS.

Mr. and Mrs. J. E. Day returned last Thursday afternoon from Norwood, Mass., where they had been for the past month visiting their son, T. W. Day and wife.

Norwood is located just out of Boston, Mass. Mr. Day reported that it was really beautiful up there and rained nearly every day they were there. He said that when they left 35 inches of rain had already fallen there this year.

Mr. and Mrs. Day said they had a wonderful time. They made the trip by train.
