Courthouse expected to be finished by end of December

BY MELISSA PERNER
 THE OZONA STOCKMAN

Renovations on the Crockett County Courthouse are expected to be finished by the end of the year.

At Monday's regular commissioners' court meeting, County Judge Fred Deaton said the roofing is finished on the outside of the courthouse, and that carpentry work, sanding the floors and painting is continuing in the inside courtroom on the second floor.

Deaton said no leaks have been found in the new roof.

"They are making a lot of headway over there," Deaton said.

TRAFFIC PAYMENTS ONLINE

Commissioners listened to a presentation by Leigh Sides, sales director of Trafficpayment.com. This website will allow people to pay for traffic and non-traffic citations online.

Sides said Trafficpayment.com serves more than 200 courts in Texas and Oklahoma and provides a way to pay citations online and over the phone with English and Spanish operators.

When a payment is made, emails are sent to the defendant, court clerk and Trafficpayment.com. There will also be a fee to the defendant for using the website. The average fee is \$13.95, Sides said.

"I don't do online payments, but I know a lot of people do. We do get a few inquiries. It's just another way to

do business," said Justice of the Peace Jim Hearne. "It's just another tool in the payment."

If a person does not want to pay online, information about the court or Justice of the Peace office will be available as well.

Trafficpayment.com has been in business for six years. The company is bonded and insured, Sides said.

Crockett County will also have its own website, along with an administrative site for the court clerk and Justice of the Peace office. Both warrants and citations will be listed on the site.

"I think it would be a convenience for people out of town and out of state," said Commissioner Alfredo Tobar.

Hearne said he wanted to look at the contract arrangement more. Deaton also said that the county attorney needs to read the contract before any approval can be made.

The commissioners tabled the item to the December meeting.

HEALTH AND WELLNESS CENTER RESOLUTION APPROVED

The commissioners approved a resolution to establish a Crockett County Health and Wellness Center in setting aside the land where the original north swimming pool located.

The land will be reserved for five years to give members of the Health and Wellness Center Board time to raise money for the center.

Seeking donations to help purchase military banners

Donations are currently being taken to help purchase banners with names of all active military personnel.

The military banners will cost \$100 to order. The banners will then be placed on the light poles around the town square and will follow to the bridge on State Highway 290.

Each banner will say: "Crockett County proud of your service" and it will list the name of individual serving.

There is one banner per military personnel. If a person has two serving, they may be able to add both names to one banner.

Fee must be paid prior to ordering banner.

Why are we doing this? Most people do not realize how many men and women from Ozona are serving in our Armed Forces.

By displaying the banners we can all see who is serving and we will be reminded every day of their service to our country as they represent Crockett County.

Ozona has approximately 43 of men and women currently serving in our Armed Forces.

Any parent with a son or daughter in the military that would like to purchase a banner, contact Frank Tambunga.

Any business that would like to sponsor a banner, make donations of \$100 payable to the Crockett County Veterans.

Thank You for all the parents and the sponsors that have ordered a banner.

TEXAS GARDEN CLUBS INC. NEWS

BY CHARLOTTE HARRELL
TEXAS GARDEN CLUBS INC.

"Tea in a Country Garden" was the theme of Texas Garden Clubs District VIII Fall Convention held in Coleman Oct. 30-31. Town and Country Garden Club and Cross Plains Garden Club hosted 50 garden club members who enjoyed dinner Friday night at Sara's Neighborhood Restaurant, where Kay Mitchell presented a demonstration of her fused glass jewelry.

Saturday, Sue Shields, President of the Town and Country Garden Club, called the meeting to order. Coleman's Webelos Pack 226, led by Darlene Faries, presented the flag ceremony. The Honorable Nick Poldrack, Mayor of Coleman, welcomed everyone to Coleman. District VIII Pamela Maresch of Ozona conducted the business meeting.

After a catered lunch by Sara's Neighborhood Restaurant, Master Judge Nan Markland presented "Afternoon at the Museum," where she introduced two new design categories: Niches and Buffet Table. Members of the Town and Country Garden Club also prepared a Table Design exhibition.

It should be noted that District VIII will have a \$500 scholarship available for next year for a graduating high school senior who plans on majoring in a gardening-related topic. Contact Winnie Barclay of Breckenridge for detailed information, at (254) 559-9621 or winbarclay@classicnet.net.

The only representative from the Ozona Garden Club at this convention, Pamela Maresch extended invitation to all District

VIII garden club members to the Spring Convention to be hosted by Ozona Garden Club April 9-10, 2010.

Would you believe that Elvis was one of several guests of honor at the Texas Garden Clubs Inc. Fall Convention in Texarkana? Now 152 TGC members can brag to the non-attending members about what they missed. District VIII was well represented by TGC Recording Secretary Charlotte Harrell of Ozona, TGC District VIII Director Pamela Maresch of Ozona, District VIII Second Assistant Director Sandra Browning of Snyder, TGC District VIII Jo Ann Denson of Stamford, TGC District VIII Trustee Carol Looney of Breckenridge and TGC District VIII State Nominating Committee Member Mary Sayre of Breckenridge. The Texarkana Council of Garden Clubs hosted the 79th annual fall convention at the La Crosse Hotel Oct. 22-23, led by Texas Garden Club President Jacki Simmers of Midland. National Garden Club President Renee Blaschke of Smithville, Texas, was also in attendance. Mel Wash and Melanie Thornton of Texarkana Council of Garden Clubs were co-hosts of the convention.

Thursday, members were treated to a bus tour of old downtown Texarkana, which included a lunch at the Texarkana Regional Arts and Humanities Center. Due to heavy rain, we toured the Ace of Clubs House Museum via video, rather than risk injuries to members who might find slippery stairs at the house difficult to navigate. We did make stop to tour the restored historic Perot Theater. Many groups are working together in Texarkana to stage

a renaissance of the downtown area. Texarkana has a rich history as a railroad hub, with tracks going north, south, east and west from the city.

At the Life Member banquet Friday night, Mayor Horace Shipp presented the program, using his 3,500 postcards to depict the history of Texarkana's development. Then, lo and behold, Elvis joined the festivities. There are pictures to prove that even ladies of a certain age still fall under the spell of Elvis, with much laughter and giggling in the air.

Friday morning, Mayor Stephen Mayo welcomed everyone to Texarkana. You see, there are two mayors in Texarkana, one in Texas and one in Arkansas. The duel city has much cooperation across state lines, though they admit to certain frictions from time to time.

Because "Under the Green Umbrella" is the theme of Texas Garden Clubs this administration, emphasis is placed on recycling, among other ways to go green. In keeping with this goal, members enjoyed a "Second Time Around" style show at the Friday luncheon. Over a dozen lovely models demonstrated that older fashions can be recycled with great success. In the afternoon Debora Bolding, former president of Red Dirt Master Gardeners gave a workshop on Pruning.

Friday night, after dinner, the Texarkana Council of Garden Clubs presented "Eclectic Design," narrated by Naomi Marksbury of the District III Judges Council.

The TGC Spring Convention will be hosted by District X (Dallas), using the theme, "Spotlight on the Green Umbrella," April 25-28, 2010.

A RARE MOTOR SCOOTER

The British Paratroopers needed some ground transportation during WW II so a very small motor scooter was developed that weighed only 75 pounds and could be folded up and parachuted. It had 98cc, 2 cycle engine and could go about 90 miles on 6 1/2 pints of a gas. It could carry 1 trooper and backpack. I saw a picture of one that was restored and also a picture of it before it was restored. Before it looked like a pile of junk. Looking at those pictures I was reminded of something in the Bible. Before we accepted Christ many of us had terrible lives or we lived in ways that were not pleasing to God. We are forgiven of those past ways and we get a new nature, when we accept Christ, (Romans 5:8, Colossians 3:13) but that is just the starting place. We are to continue to let Christ change or transform our lives, (James 4:1-10). It is not just Sunday morning in Church but a day by day process, (Romans 12:1&2). We do have a choice at any time in our lives we can stop the rebuilding process and never go any further. Many start with Christ but never go on, (Philippians 3:17-21). What a beautiful little motor scooter after the restoration process and how beautiful are the one's who let God transform their lives day by day.

See you in Church next Sunday.

Congressman Rodriguez issues statement on health care reform act

WASHINGTON, DC - U.S. Congressman Ciro D. Rodriguez, D-San Antonio, released the following statement on H.R. 3962, the Affordable Health Care for America Act.

CIRO D. RODRIGUEZ

"Today was a historic day for the U.S. House of Representatives. Today, we considered the most sweeping reform of America's healthcare system in decades. Although it wasn't an easy decision, I did vote for the bill despite its imperfections because this is change we need. In the end, we can't make the perfect the enemy of the good, and I look forward to working with my colleagues to improve it as it continues through the legislative process.

For weeks, I've met with and heard from thousands of constituents throughout the 23rd Congressional District, concerned about how this bill was going to affect them. Workers, parents, seniors, veterans, young people and business owners voiced the same question: "Why now and why this bill?"

The answer is that this bill delivers big on key items that will benefit all of us, whether we live in a big metropolis or a small, rural community. Under the Affordable Health Care for America Act:

- You can keep your own health insurance;

- Your prescription drugs will be cheaper;
- There won't be any more copayments for routine testing;

- Small businesses will get tax credits to help them offer insurance;

- The Medicare "doughnut hole" that has afflicted so many seniors will finally be closed;

- The deficit will be reduced by \$109 billion over the next 10 years!

In addition, H.R. 3962 injects more accountability into the system by attacking fraud and waste. It will ensure that people with pre-existing conditions get needed coverage, something often denied them currently by some insurance companies. And, importantly for the 23rd Congressional

District, we fought for and got concessions that allow providers to better serve our rural communities.

There is no better way to invest in ourselves than by keeping Americans healthy, productive and secure. Without a foundation for strong healthcare, our students don't succeed in school and our workforce can't compete in a global economy that is more competitive than ever.

We will fall behind. An unhealthy America is an expensive America and the longer we wait to fix that, the worse off we are. The Affordable Health Care for America Act is just that, affordable health care for the people of our great nation."

Congressman Ciro D. Rodriguez (TX-23) serves as a member of the powerful House Appropriations Committee and the Veterans Affairs Committee.

Rodriguez represents the 23rd Congressional District, which includes all or part of 20 Texas counties from San Antonio to El Paso.

For more information about Rodriguez, see his website at <http://rodriguez.house.gov> or contact his Press Secretary, Rebeca Chapa, at rebeca.chapa@mail.house.gov.

LOCAL DATA ADVISORY BOARD

Due to a new statute, the county now has to establish a local data advisory board. The board traces court cases from the sheriff's office to the district attorney's office or the county attorney's office and through the court system, Deaton said.

Sheriff's department, clerk's office, district attorney, county attorney and probation officers are all required to be on the board.

Meetings will be held quarterly. A plan has to be established by June 2010.

Board members approved were: Sheriff Roy Glenn Sutton and Chief Deputy Jimmy Semmler, Debbie Puckett and Lou Carson from the clerk's office, District Attorney Laurie English and Assistant District Attorney Steve Smith, County Attorney Jody Upham and Jed Davenport and Jerry Jimenez from the probation department.

OTHER ITEMS APPROVED:

- Purchasing a \$20,000 fuel system for the airport. Money is coming from a Texas Department of Transportation grant.

- Close the alley between Sonic and Crawford property between Avenue F and Avenue G.

- 2010 Cafeteria Plan for supplemental insurance.

- Hiring attorney Jona-

than Wells to draw up easement for emergency siren with Crockett County Water Control and Improvement District #1.

• Install street lights on Heraclio, Largo and Buena Vista streets and Avenue M.

Seventh Grade Lions earned district title, get third shutout

The Seventh Grade Lions earned the district title and got their third straight shutout defeating the Sonora Broncos 27-0 Thursday night.

The Lions would get things rolling after a 48-yard completion from Jayton Rodriguez to Ricky Porras put the Lions on the two-yard line. Dylan Perez would score on the sweep and Daniel Lombrana would add the two-point conversion.

The Lions would have a great defensive stand that

saw Fernando Sifuentes recover a Bronco fumble that would lead to a Rodriguez touchdown giving the Lions a 14-0 lead heading into half-time.

The Lions would take control of the ball to start the second half and take the full third quarter and into the fourth quarter that would end with Ryan Porras taking a Rodriguez pass in for the score. Chase De Hoyos would add the extra point.

The Lions defense would again stand strong forcing the Broncos to turn the ball over after a stop on fourth and eight.

After a big catch from Nathaniel Valdez set the Lions up on the two-yard line, Rodriguez would score on the next play giving the Lions a 27-0 lead.

The defense would come up with one more big play when Lombrana would intercept a Bronco pass to seal the victory.

"The guys had a great year and played hard on every down and never gave up. They are a special group and the future is bright for the Lions. The whole coaching staff would like to thank all the family and friends for their support and thank you for letting us be a part of your child's lives. It was defiantly a year to remember," said Coach John Esparza.

Eighth Grade Lions rally to beat Broncos

The Eighth Grade Lions rallied from behind to beat the Sonora Broncos 20-14 Thursday night.

The Lions trailed the whole first half 14-0, but came back from hard nose running of Saul Vargas and E.Z. Rivas.

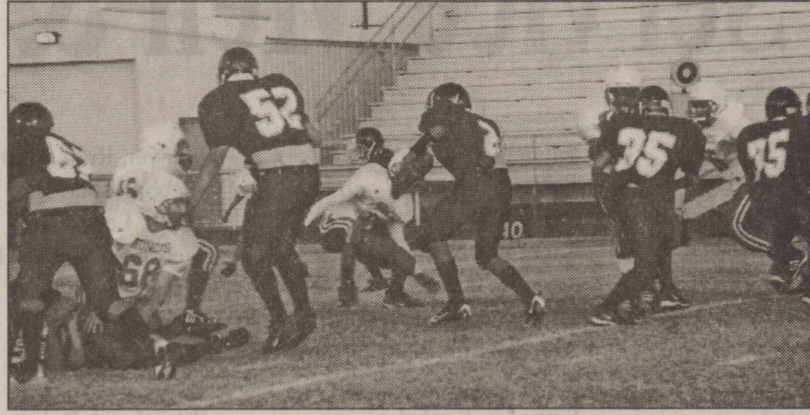

Vargas scored the first touchdown on a 45-yard run in the third quarter. His second touchdown came later in the third on a 30-yard run, making the score 14-12.

The Lions scored their third touchdown on a trick play when Vargas threw a pass and connected with Tyler Galindo. The two-point conversion was by Rivas.

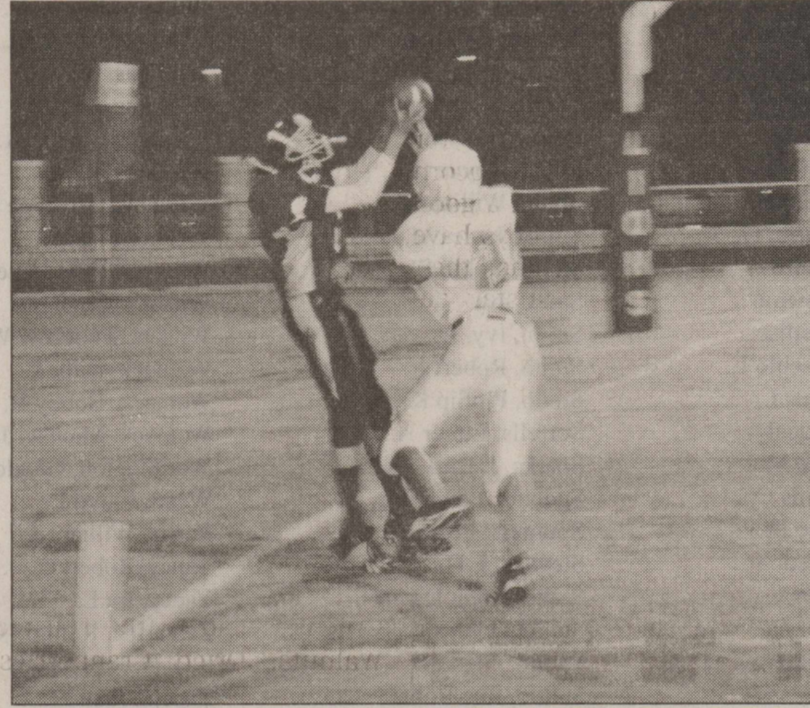

"Galindo played really well did a great job of getting open. He made some terrific catches, especially on that final drive. He also had interception," said Coach Amaro Villarreal. "The line opened up holes and did a good job of blocking downfield for the running back. (A.J. Ramos, Ruben Soliz, Norberto Quiroz, Hazel Damien, Jonathan Arredondo, Michael Ybarra, Emilio Mendez and Ely Montanez) They played really well led by Montanez and Vargas. Robbie Sanchez, Eric Dunes and Malcolm Hensley did a good of putting pressure on the quarterback. Michael Ybarra and Logan Glaspie had a lot of pressure on the quarterback. I am proud of the effort that the team gave me all year. Never give up attitude is what kept us in the game. To all the parents and fans thanks for giving the opportunity to work with you children and the support."

CHASE DEHOYOS (r.) recovers a fumble for the seventh grade Lions during their 27-0 victory on Nov. 5. Also in on the play are #1 Nathaniel Valdez, #20 Dylan Perez and #12 Ricky Porras.

SEVENTH GRADE LIONS MAKING A GOOD OFFENSIVE PLAY ARE: (r. to l.) #62 Rigo Rodriguez, #52 Fernando Sifuentes, #2 Jayton Rodriguez, #35 Daniel Lombrana and #75 Emmanuel Ortiz.

TYLER GALINDO PULLS IN THE WINNING TOUCHDOWN FOR THE eighth grade Lions.

Pack 153 Boy Scouts receive Bobcat Badge

Pack 153 awarded 19 new scouts their Bobcat Badge on Nov. 3 at the OHS Auditorium.

The Bobcat Badge is the first badge the boys earn after they join the scouting program. The boys will then start working on their achievements to earn their advancement badge.

Scouts receiving the Bobcat Badge were: Adrian Dominguez, Ethan Criswell, Tate Williams, Jace Savala, Jose Munoz, Leland Wellman, Austin Castro, Joe Salas, Jacob Childress, Sebastian De La Cruz, Nate Jackson, Peyton Rohan, Dillion McGrath, Joran Martin, Ivan Villarreal, Cobran Hernandez, Matthew Pena, Michael Morales and Anthony Hester.

After all the boys received their awards, Mr. Volpe, a teacher at Ozona High School, taught the scouts some things about astronomy.

He showed some pictures off of the Internet on his computer. The boys had many questions and had a great time.

All the boys then grabbed a snack on the way out of the building and joined Mr. Volpe outside to view through the binoculars set up on a tripod.

The Pack would like to thank the community for their support buying popcorn this year. We have had a good year selling and the boys have worked hard reaching their goals. The scouts will start delivering around Nov. 20.

Should any problems arise, or questions about the popcorn, call Benny Logan at 392-5470.

Proposition 4 - Establishes a national research university fund to help emerging research universities achieve national prominence as major research universities. Those pushing the proposal say it will provide funding similar to what elevated Texas A&M University and the University of Texas to first-tier status, providing jobs and stature for the state. Others questioned whether now is the time to spend such money.

JURY CONVENTS
YFZ RANCH MEMBER
A Schleicher County jury on Nov. 5 convicted Raymond M. Jessop of the Yearning For Zion ranch near Eldorado on charges of sexual assault of a child. He faces a 20-year prison sentence.

A state and federal raid on the ranch last spring resulted in the removal and temporary protective placement of more than 400 women and children who resided there.

The ranch is owned by a religious sect, the Fundamentalist Church of Jesus Christ of Latter Day Saints, which broke away from the Church of Jesus Christ of Latter-day Saints beginning in the 1890s.
