

Muleshoe Team Wins Land Judging Contest — An FFA team from Muleshoe High School Saturday won the FFA division of a land judging contest held in connection with the Plainview Dairy Show. Members and coach of the team are shown above. They are left to right: Hugh Otwell, Richard Greene, Ronald Lewis and Charles Thomas, coach. Ronald Lewis ranked fourth in the individual placing.

Salk Vaccine Made Available For 422 Bailey County Youngsters

Salk vaccine in sufficient quantity to give 422 Bailey County children their first two shots will be on hand by the end of next week, and preparations are being made to begin the injections shortly thereafter.

Dr. B. O. McDaniel of the West Plains Hospital & Clinic staff, who is county health officer, will supervise the administration of the vaccine. He will be assisted by Dr. W. F. Birdsong, Dr. T. M. Slemmons, and Dr. L. T. Green, Jr., of the hospital, by the hospital nurses, and the school nurse, Mrs. Lula Gorrell.

Mrs. Gorrell recently attended the vaccine school, held in Fort Worth under auspices of the National Foundation for Infantile Paralysis.

Travis Reed, chairman of the Bailey County Chapter, will receive the vaccine in person from

the State Health Department in Austin. The county offered to furnish a car for the trip, and Reed will be accompanied to Austin by Sheriff Hugh Freeman. The two are awaiting instructions as to the day when they are to be there.

Mr. Reed will be given only enough vaccine for the two shots and later will receive additional vaccine for the third or "booster" shot prescribed for about a month after the second shot is given. He said there are 422 first and second grade students in Circleback, Bula, Three Way, and Muleshoe schools.

School authorities in the four districts are completing their part of the arrangement. Written consent of the parents must be obtained before the shots can be given.

It is said the first two injections will be given before the end of the school term, the final one to be given about a month after the date of the second shot.

Salk vaccine, named for one of the men who worked the hardest and most persistently to develop it, Dr. Jonas Salk of the University of Pittsburgh, has been under scrutiny of scientists for evaluation during the last year or so. It was administered to first and second graders last year; and results from this test and others

were examined and reported upon Tuesday.

All over the world, people breathed a sigh of relief and were joyful, when it was announced that day that Salk vaccine is 80 to 90 percent effective. The people felt that this dread disease, which as crippled so many and caused many deaths, apparently will soon become a controlled disease, like smallpox.

Newspapers, radio and television broadcasting stations devoted much of their space and time to the story, hailed as one of the most dramatic stories in the annals of medicine. Dr. Salk is considered certain to win the Nobel prize in the field of medicine; but he modestly gives credit to those others whose research work has made possible his development of the vaccine which will bear his name.

Commenters everywhere are giving a lot of praise to the National Foundation for Infantile Paralysis, which laid \$9 million on the line in a gamble that the Salk vaccine was the right vaccine. They furnished money to pay for the development of enough of the medicine to vaccinate first and second graders all over the nation.

No word has come from the National Foundation as to the future. Mr. Reed fears that people will feel that the emergency is over, and that they will not be as generous in their giving as in the past. He points out, however, that the National Foundation and the county chapters have obligations. There are many, many persons who are now being treated and there must be continuing care for them.

Only this week, the county chapter has acquired a patient. A young man who recently moved to the county, and who suffered an attack of polio many years ago, must have surgery on a foot.

Half of the money collected in the annual drive has been retained in the county to help pay for treatment of local cases, and half has been sent to the National Foundation. In cases of emergency, the chapter could borrow funds from the National Foundation.

Announcement of the success of the Salk vaccine was made on the tenth anniversary of the death of President Franklin D. Roosevelt, who was himself a polio victim, and who founded the national organization. He died at Warm Springs, Georgia, where polio victims are treated.

When will this immunization medicine be available to the average adult person? Some are optimistic, and estimate that as many as 40 million persons this year may be immunized. Mr. Reed is of the opinion that the vaccine will be offered to persons other than children and pregnant women in a few weeks. He said the American Medical Association has set a maximum price of \$15 on the three shots; but that locally the three probably will be given for \$9.

Moisture Total Tuesday .15 Inch

Muleshoe received a most welcome rain early Tuesday evening, moisture here measuring .15 inch, according to R. J. Klump, weather recorder.

It wasn't much rain, but it was the best that has fallen here in 1955. The shower put an end to a dust storm that had raged throughout the day.

\$40,000 Delinting Plant Constructed

A group of farmers have completed the construction of a \$40,000 Delinting Plant at Hub, located 18 miles north of Muleshoe. Their services include cleaning, saw-type delinting and treating cotton seeds.

Their ad will be found on another page of this issue.

Buy Interest In Tractor Firm

Homer Long and George Hicks have bought the interest of Lee and W. M. Pool, Jr., in the Hicks Tractor Co., they announced this week.

Mr. Hicks has been owner of a one-half interest for several years. Mr. Long has been employed with the firm for several years also. The firm is dealer for Ford tractors and equipment.

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 35, NUMBER 15

16 PAGES — SECTION II, 8 PAGES

THURSDAY, APRIL 14, 1955

HERE AT HOME

By J. M. FORBES

This Is SERIOUS!

Bailey County people have failed to raise their quota to support American Red Cross, and right now our retaining the county chapter is in jeopardy. We need to raise at least \$1,000 or else.

If you have investigated or even read the papers you will know that our county chapter has helped many a person who needed temporary assistance. Therefore this is not a brief for the Red Cross, the goodness of the program is conceded by the majority.

This IS an appeal to the good people of the county to open their hearts and their purse Friday when a group of volunteer workers will go out to complete the fund drive.

If they happen to miss you, it would bring you happiness if you'd look them up or mail a check. We just can't let this happen in Bailey County. This is a MUST.

WAYNE BRISTOW

We hired young Wayne Bristow, the gifted senior student in Muleshoe high to report on school activities. But his energy has slipped over into other fields and about the only thing he doesn't report on now is society—and he could do that, too. People have been nice to Wayne and we all appreciate it, but people just have to be nice to him because he's nice to people. Anyway, Wayne is doing a good job and we're very proud of him here at The Journal, just as we're proud of everybody around here.

This year, we'll have two boys graduating from high school. Single Gatewood has been working in the shop end of the paper for three years or more and has made an outstanding boy; he's intelligent, hard working, conscientious, quiet and unassuming; and he'll get ahead in the world.

From far away Mexico, Mo., a copy of The Mexico Evening Leader, sent to this editor by the Richard Smiths, and containing a marked article about J. S. Birdsell, of Wichita Falls, offering \$0 to any employee who will quit smoking.

We were not nearly so much interested in the article as in the Smiths, and their old folks, the Warners. It grieved us to see these people leave Muleshoe and still hope they will be headed back this way soon. Mr. Warner served on the school board and recently was its president for a year; Mrs. Warner is well known for her church and community activity.

As for Richard and family, we are "high" on them, too. Richard was by way of being a sort of model farmer to this editor; he worked hard and used his mind in his farming operations. Everybody misses all of them.

Maybe they are entirely satisfied and happy and we hope so. Mr. and Mrs. B. A. Dalton, taking their children in another part of the "show me" state, had a tough time staying out their first days. When they got back to Muleshoe, and found a 1934 sandstorm going full blast, they were as happy as can be.

Therman Sweatman, the gin-ner. They'll be putting cotton in the ground in two more weeks, provided the weather in meantime stays warm. That will give time for the ground to warm up. Most cotton planted last year did the best.

This writer can remember an

expert from one of our Plains experiment stations saying, in a public meeting: We have found that cotton planted after May 20 does better than cotton planted before that date. So, what's happened to our weather. It isn't socially fashionable, any more, to even consider that spring might hang on into summer like it did when I was just a broth of a boy.

Muleshoe's implement houses make up one of the big reasons why people keep coming to this metropolis of the West Plains. I went with the proprietor through one of our big machinery company plants this week and I was amazed at the amount of money it takes to maintain the kind of place that not one but several companies do maintain here in Muleshoe.

When I looked at the obsolete parts, paid for by this firm but no longer used on improved machines, my Scotch blood nearly froze. It takes lots of money, lots of faith in the people of the territory, lots of faith in his manufacturing people, and lots of faith in the future of the country to be the proprietor of an implement house. I think every major farm machinery manufacturer is represented here with the exception of Oliver; we are all proud of this fact and we recognize that these dealers are furnishing a farm service that makes our farm friends love to come to Muleshoe to do their business.

Stanford Rites Held At Earth

Funeral services for Leland D. Stanford, 62, were conducted at 2:30 p. m., Sunday in the Earth Methodist Church with the Rev. Eugene Matthews, pastor, officiating. Burial was in the Earth Cemetery under direction of the Lemons Funeral Home of Plainview.

Stanford, who farmed 3 miles east and 2 miles south of Earth, died at 11:45 a. m., Friday in the Amherst Hospital. He had been hospitalized since April 2 with head and chest injuries sustained when his pickup truck overturned near Earth.

Mr. Stanford was a member of the Methodist Church. He had lived in Earth community since 1937.

He is survived by his wife, Earth; and the following children: Mrs. Virgil Williams, Earth; Mrs. Oscar Winters, San Antonio; Bill Stanford, Earth; Mrs. Theo. Aetkinson, Muleshoe; Mrs. B. R. Lumpkin, Muleshoe; Mrs. Cecil Beavers, Stinnett; and Lucille Stanford, Earth.

Muleshoe Public Library Continues Its Steady Growth; 96 New Books

About this time of the year, everyone begins to take inventory. So, Mrs. E. R. Wright, of the Muleshoe Public Library, takes stock and finds that the readers have increased to more than one hundred-sixty per cent children and forty per cent adult.

Ninety-six new books have been added to the shelves — including fiction, non-fiction, mysteries, outdoor books, and books for boys and girls. Such popular titles as "Katherine", "View From Pompey's Head", "Power of Positive Thinking", "Captain Lightfoot", "The Silver Oar", and many others can be selected.

To insure continued use and appeal, several volumes have been mended and rebound, and approximately twenty copies

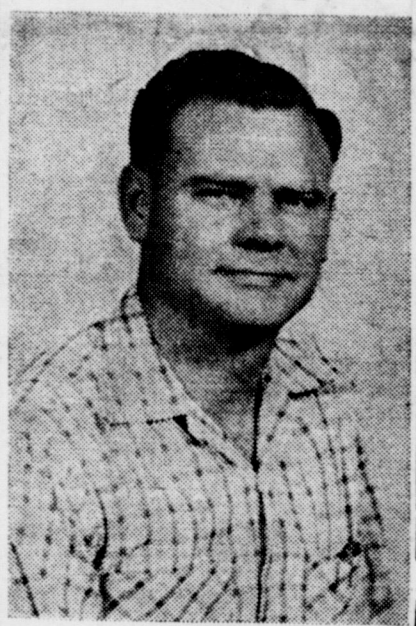

Postal Receipts Gain In Quarter

Postal receipts at Muleshoe continued to increase during the first quarter of this year over the same quarter of 1954. A. J. Gardner, postmaster, reports a 1 per cent gain for the first three months.

Receipts last year went past the \$40,000 mark and the postoffice went into first class.

January business totaled \$3,530.28; February receipts were \$2,129.50; and March receipts were \$3,470.60, making a total for the quarter of \$9,130.38. Last year first quarter receipts were \$9,038.48.

Local Manager

JIMMIE CRAWFORD

Jimmie Crawford, above, is the new manager of the Paymaster Gin and Elevator in Muleshoe. Mr. Crawford has been with Paymaster the last four years, a part of the time at Lockview Farm near Plainview, where Paymaster cottonseed are grown.

He succeeds Paul Scott, now a rural mail carrier here.

Muleshoe Public Library Continues Its Steady Growth; 96 New Books

have been donated by citizens of the community.

The Muleshoe Study Club has had, for several years, the Public Library, as a project and takes pride in its growth.

Recently, a Kidnap Breakfast was sponsored by the club and a gross sum of \$102 was added to the library fund.

The library, which is located in the courthouse, is open from 12:20 p. m. to 5:00 p. m., Monday through Friday, and Mrs. Wright invites you to come in and browse.

"Who hath a book Has friends at hand. And gold and gear At his command."

—W. D. Nesbit

Sesame Meeting Called

Sesame, the magic word which opened the cave of Ali Baba and his Forty Thieves, now represents a new crop that may help open the door to acreage control problems. The crop is no longer an experimental crop in Texas. This is the fourth year of commercial production in our state.

Jimmy Wedel of West Camp has grown it on an experimental basis and plans fifty acres this year. It was grown successfully under irrigation as near as Olton, Texas, last year.

Its drought resistant characteristics give it a special place for consideration by dryland farmers.

ers. It is sold on the world market much like wheat and rice and the price to farmers has been very stable through the years.

Robert L. Parker, manager of Texas Sesame Seed Growers of Paris, Texas, will come to Muleshoe for an open meeting in the District Courtroom in Muleshoe on Tuesday night, April 19.

Mr. Parker will use movies and will lecture on the important factors in the successful production of this new crop. He may be able to bring us up to date on the new Rio, non-shattering variety of Sesame that has just been released to certified growers. This

new variety is described as completely adapted to mechanical harvesting.

J. K. Adams, County Agricultural Agent, cordially invites everyone considering the need of a new crop on his farm to the meeting Tuesday night at 8:00 p. m., in the District Courtroom.

Jones Farm Store, in Muleshoe, has made arrangements to have plenty of Sesame planting seed on hand for all farmers desiring to grow this crop this year. A short time back he had a man in his store who knew all about the crop and invited farmers in to hear about Sesame.

Sunrise Service Grows Annually

Muleshoe's second annual "sunrise Easter service" ushered into the hearts of 400 local citizens the true meaning of the season as four Bailey County churches joined in a united effort to bring to life once again the thrilling scenes surrounding the resurrection of Christ.

Just before sunrise last Sunday morning the service began at Cox Drive-In Theatre here. After a prelude of music the invocation was given by Rev. James Todd, pastor of the First Christian Church here. Then one by one scenes familiar to the Easter season began to pass before those looking on from their cars.

First came the three crosses on which Christ and the two thieves were crucified, and "Were You There" was sung by Mrs. W. T. Stallings, Naomi Watson, and Nell Jacobs of the local Assembly of God Church. Pastor of the church, Rev. R. V. Luna narrated this scene.

"Christ Arose" sung by the Muleshoe High school chorus provided the background music for the First Methodist Church's presentation of the empty tomb. Narration was by Rev. Luther R. Kirk, of Plainview.

As the MHS chorus once again set the scene by singing "Holy God" those present saw Christ appear to the disciples in the upper room. One of the outstanding narrations of the morning was given for this scene by David Stephens of McMurry University. "The Emmaus Road" was the Progress Methodist Church's contribution to the service and preceding the narration by Rev. Carol Jones came two of the morning's most thrilling musical selections: "The Stranger of Galilee" sung by Inez Bobo and "The Holy City" as a trumpet, trombone and piano trio by Jimmy Wilkerson and Don and Lavon Copley.

As the sun rose over the beautiful scene of religious portrayal everyone joined in singing the "Alleluia Chorus" and Rev. Clarence Stephens of the First Methodist Church narrated the "Ascension."

Rev. R. V. Luna gave the benediction.

A bigger and better service is being planned for next Easter, one in which all the churches in the surrounding area will take an active part. Those of whom the responsibility of planning and direction falls hope that in the future this annual program will earn a prominent place on the local calendar.

Western Day Will Highlight FFA Rodeo

Muleshoe Roping Club arena will be the scene for the annual FFA Rodeo, sponsored by the local chapter, on Friday and Saturday nights, April 22 and 23. Five area chapters will have entries: Littlefield, Springlake, Ralls, Three Way, and Muleshoe.

Western Day at Muleshoe High school will set the stage for the weekend of cowboy festivities. Next Friday everyone in MHS will be dressed and will act like they did back in the "good ole days". The show will really get under way with a big parade Friday afternoon. The parade will be under the direction of John Fried, and will feature cowboys, cowgirls, and sheriffs' boys.

During the annual two night show teenagers from FFA chapters in Three Way, Littlefield, Springlake, and Ralls will try their hands at:

Calf Roping.
Flag Race.
Pee Wee Calf Riding.
Bareback bronc riding.
Barrell race (girls).
Bell Roping.

Willis Branson will furnish the stock for this year's show. No bull riding event is listed, but, there will be five animals on hand for exhibition.

Dead line for entries is Saturday, April 16.

Participants must be active FFA members with the exception of pee wee riders. Each contestant will file a waiver signed by his parents. Ribbons are to be awarded to the first five place winners and rosettes will be awarded to the three highest teams in the rodeo. Entries from each school are limited to four.

Senior Play Is Big Success

"Success!" That's the label for the 1955 Senior class play, "We Shook the Family Tree", which was presented in the MHS auditorium last Thursday night at 8 p. m.

From the first until the last move of the curtain the action was fast and hilarious. Outstanding of the night's laugh provokers were Wanda Cherry, Billy Ellis, and Keith Buhman. In the leading role of Hildegarde Dolson, Cherry really "shook the family tree" and you would have to see it to believe what fell out. As Hildegarde's brother Bob, Buhman brought the roar of the night when he charged onto the stage after his dad's boss wearing nothing but a pair of red, white and blue shorts. Billy Ellis served as the center of the night's plot. Freddie Sherman, the only kid in school who wore knickers.

Entertaining between acts was Muleshoe's "Mr. Personality", Jackie Henderson.

Also backing the production were the Senior sponsors Mrs. Jo Ann Zohn, and Mrs. Doris Brown. Stage managers were Gordon Wilson and Jack Jones. The very best of stage furnishings were

supplied by the Furniture Mart. Members of play cast included: Wanda Cherry, Bette Collins, La Van Bessie, Barbara Douglass, Mona Mitchell, Wanda Joyce Clements, Keith Buhman, Billy Ellis, Clinton Dillard, Jimmy Wilkerson, Sue Aetkinson, and Wayne Bristow.

Entertaining between acts was Muleshoe's "Mr. Personality", Jackie Henderson.

Mexican Workers Are Arriving

Quite a few Mexican laborers are being brought into the Muleshoe area now, it was learned today. Texas Producers Association, managed by Grace Benton, had brought in 150 in recent days, and were expecting more today.

Arvis Grogan, of Texas Harvesting Ass'n., reported a truck load of laborers arrived last night.

It was said the laborers are needed for tractor hands and in irrigation work.

ATTENTION FIDELIS CLASS MEMBERS AND OTHERS INTERESTED

There will be a food shower for Bill and Joyce Goebel of Wayland Friday. Please have the food at the home of Marie White by 2:00 p. m., Friday.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 11.773 miles of Gr., Strs., Flex. Base & Three-Crs. Surf. Treat., from Muleshoe to Needmore (Sec.), and from Muleshoe to Parmer C. L. on Highway No. SH 214 and FM 299, covered by C 461-1&7-6&4, in Bailey County, will be received at the Highway Department, Austin, until 9:00 A. M., April 19, 1955, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of W. H. Garrett, Resident Engineer, Littlefield, Texas, and Texas Highway Department, Austin. Usual rights reserved.

April 7-14-2tc.

NOTICE TO BIDDERS

Notice is hereby given that it is the intention of the Bailey County Commissioner's Court to purchase two (2) automobiles to be used by the Bailey County Sheriff's Department and the county will receive bids until 2:00 p. m., May 2, 1955 at the courthouse in Muleshoe, Texas for said automobiles. They are to be four-door sedans equipped with at least 117 horsepower motors, standard transmissions with or without overdrives, heavy duty generators, radios, heaters, and spotlights.

At part consideration Bailey County offers to trade in two (2) 1954 model Plaza two-door club sedans equipped with overdrives and heaters. The balance will be paid in cash out of the Bailey County General Fund.

The Court reserves the right to reject any or all bids.

GLEN WILLIAMS
County Judge

Lazbuddie News

* A pink and blue shower honoring Mrs. Everett McBroom was held on April 17, in the home of Mrs. C. C. Graef.

The table was centered with blue carnations and candy tuft fashioned in a diaper. The plate favors were tiny diapers.

Those present for the afternoon were: Mmes. Calvin Clark, Wayne Clark, Harold Wilson, James Ward, Anita Foster, W. H. Gammon, D. B. Ivy, Jack McBroom, Lewis Tuck, Clyde Monk, Neal Bradshaw, Harold White, Lloyd Vaughn, Ed Clark, Pete Mimms, Tricie Kyle, Tommie McGehee, George Crain, Wenona Gosner, and Jo Ann Thorn.

Many who were unable to attend sent gifts.

* The Brotherhood of the First Baptist Church of Lazbuddie met at the church on Friday night, April 9, for a fish fry. The fish were furnished by the pastor, Rev. C. K. Roberts, who recently went to Corpus Christi where he caught the fish. Sam Brownlee served in the position of the "fish frier" and did an excellent job.

Guest speaker for the occasion was Rev. Wayne Perry, pastor of the First Baptist Church in Sudan. He was accompanied by Bro. Wayne Brown also of Sudan.

Approximately thirty men were present for the program and supper.

* Mrs. Laura Trieder and daughter and family, Mr. and

Mrs. David Brown and Connie, are visiting in Corpus Christi.

* The Lazbuddie Senior Class, under the sponsorship of Delmar Clifton, the Texas history teacher, visited in the courtroom at Farwell, Monday, and heard the jurors picked and the other things that were done by the court.

* Several students from the various colleges were home for the Easter holidays. Winnie Paul Ham, daughter of Mr. and Mrs. Luther Ham, Howard Payne College in Brownwood; Rudolph Jesko, son of Mr. and Mrs. Matt Jesko, Texas University; Mitzi Ann Ivy, daughter of Mr. and Mrs. Jimmie Ivy, Amarillo Junior College; Jerry Gleason, son of Mr. and Mrs. Truman Gleason, Texas A. & M.; Barbara Hinkson, daughter of Mr. and Mrs. Frank Hinkson, Texas Tech; Jimmie Frank Carpenter, daughter of Mr. and Mrs. Howard Carpenter, Tech; and numerous others.

* Visitors in the Bert Gordon home over the Easter weekend were Mr. and Mrs. D. B. Gordon of Idalou; Mr. and Mrs. Preston Berry and Jerry, Lubbock; and Mr. and Mrs. Max Gordon, Kay, Billy Max and Charles Gordon, all of Post.

* Mr. and Mrs. Jimmie Ivy visited her mother in San Angelo over the weekend and Mrs.

Ivy's mother returned home with them to visit for a while.

* Several students from Lazbuddie schools spent Easter day in the MacKenzie State Park in Lubbock. There was also a group of Lazbuddie students who spent the day in the city park at Clovis, N. M. Both groups reported that they had a wonderful time.

* The W. M. U., of the Lazbuddie Baptist Church met in the church last Monday for the regular session. Those present for the meeting were: Mmes. Walter Steinbock, Ira Wimberley, Olen Ivy, Claude Heath, Raymond Houston, Wesley Barnes, Earl Peterson, Thomas Carrell, C. K. Roberts, Luther Ham, Carrie Withrow, and Bert Gordon.

* Those attending the Terria Blanca Youth Rally from Lazbuddie were Mr. and Mrs. Luther Ham, Mr. and Mrs. Welsey Barnes, Mr. and Mrs. C. K. Roberts, Mr. Wilson Clemens, Louise Ham, Imogene Treider, Winnie Paul Ham, Lois Vanlandingham, Maudine Barnes, Alice Gordon, and Jim Gordon. Lazbuddie Baptist is proud of the attendance banner which they took from Summerfield church. The Lazbuddie Church is also proud of the attendance banner which the men of the church brought from the Associational Brotherhood meeting in Tullia Tuesday night.

* The W. M. U., of the Lazbuddie Baptist Church held a banquet last Thursday night in the basement of the church in honor of the seniors of the Lazbuddie High school. Eighteen seniors and five faculty members attended.

* Easter was used in decorations. Those on the decoration committee were Mmes. Juel Treider, chairman; Walter Steinbock, and Dan Cargile.

All ladies of the church furnished food which was served to the guests by the Intermediate G. A.'s.

On the program committee were Mmes. Luther Ham and John Agee.

Speaker for the occasion was Dr. R. L. Dobson, language professor in Wayland College. He was accompanied by one of the students of Wayland who sang for the group.

* The lower grades of the Laz-

buddie Schools were given Easter parties by the various room mothers in each grade and the boys and girls had a wonderful time finding the Easter eggs which were hidden for them.

* Mr. and Mrs. W. D. Revel, former teachers in Lazbuddie Schools, visited various friends in the community over the weekend. The Revels are at the present located in Abernathy, Texas.

* The Lazbuddie Baptist Church is going to enter into its revival for the spring season Sunday, April 17. The revival will run through Sunday, April 24. Evangelist, Rev. Jesse Cooke, of Uvalde, is to be the preacher. Milton Martin, of Plainview, is in charge of singing. The public is more than welcome says Pastor C. K. Roberts, and the church would like to extend an invitation to everyone in the country who will attend. Services will be held twice daily, at 10:30 a. m., and at 8:00 p. m. There will be good singing and good preaching for everyone who will attend.

* There will be an amateur show on Friday night, April 15, at 8:15 p. m., in the school auditorium.

Everyone in the community is invited to attend.

* The Lazbuddie Longhorns will open their baseball season Friday, April 15, with a game at Friona. The Longhorns began practice this week and will need time to get in shape but expect to have a good team.

VISITED PARENTS DURING HOLIDAYS

Don Harmon, a student at Texas Tech, enjoyed the Easter holidays here with his parents, Mr. and Mrs. W. M. Harmon and his brother, Billy.

Don and Wanda Cherry were in Lubbock Sunday, where they attended services at the South Side Church of Christ and heard Hershell Dyer, of Lincoln, Neb., bring the message. Hershell is the son of "Happy" Dyer, of Muleshoe.

The congregation enjoyed a basket lunch at MacKenzie park following church services.

PARKER TO ADDRESS MEETING AT BOVINA

Robert Parker will address a

gathering of farmers at Bovina Monday night, April 18, at 8:30 p. m. The meeting will be held in American Legion Hall. He will discuss the growing of Sesame and contracts with farmers.

Mr. Parker is scheduled to address a gathering in the district courtroom here in Muleshoe on Tuesday night, April 19.

MERLE NORMAN COSMETIC STUDIO IN NEW BLDG.

The Merle Norman Cosmetic Studio, Mrs. Loranette Mason, owner, has moved this week from their former location with Tennie's Beauty Shop, in the Mathis building to the new Haney building, across street from the Alsup

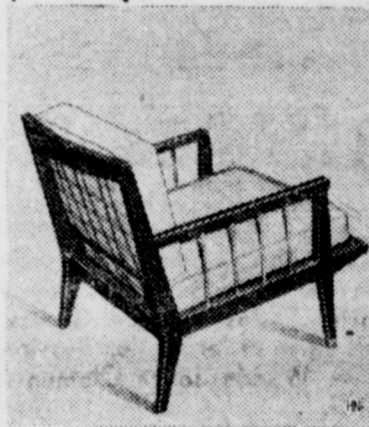

Dining Provincially

Metal dinette fashions will fit the Provincial home too. Here is a host and hostess around-the-table dinette presented in all the new modern metals and plastics, but which resembles an Early American or Provincial design. Table and chair legs are of brown metal, tipped with brass, and lastly, over the brass tip, there is a plastic glide to prevent floor marks. The table surface is Micalite Maple, with an apron of brass. It is extendable from 48" to 63". Chair seats and backs are upholstered in duran of a brown colonial chintz pattern and are foam-filled. Skirting provides the Provincial touch, relieving the Modern mood.

Cleaners on West First. They plan having a formal opening in the near future. Their ad will be found on another page of this issue.

Color For New Chairs

Highlights of this Modern chair are brass rods, cording, and a solid mahogany frame. The mahogany frame has a walnut finish or it may be had in any other color the homemaker desires—yellow, pink, green, or any other color to harmonize with the upholstered fabric. The cushions are covered in Nylon, and filled with foam rubber on cotton webbing.

Lions Club Wrestling Here Saturday Night Features Two Main Events

King Kong Cox, Jr.

A vertiable "jumping bean" from Argentina known as Mighty Zuma will present a new, to this section, — style of professional wrestling for the edification of Muleshoe fans Saturday night. Zuma, a short but highly conditioned 195-pounder who has taken the country by storm since entering the States nearly two years ago, meets glowering "Larry" "Caesar" Wright of Amarillo in the final and feature match of a double main event at the Muleshoe Junior High School gymnasium.

Veteran George Shindo Lopez, part Mexican, part Japanese, tangles with sprightly

King Kong Cox, Jr., in the first section of the twin bill.

Wrestling in Muleshoe is sponsored by the Muleshoe Lions Club, with profits going to Lions charities. Dee Clements is acting promoter. Saturday night's card will be the fourth to be presented here.

Fans are due to derive a big kick out of the appearance of the newcomer, Mighty Zuma, whose amazing aerial stunts and snake-like action have brought new life to the game in these parts and anxiety among rival wrestlers.

The swarthy little man simply swarms all over his opponent, jumping high and coming down hard. He executes a complete backward flip, winding up with his bare feet clutching his foe's head and neck, and sending him spinning to the canvas. Although he is short, only five-foot-five, Zuma is a match for men a foot taller and 20 pounds heavier. In the junior heavyweight and heavyweight ranks he seldom faces an opponent who doesn't outweigh and outreach him, but he is fully capable of taking care of himself.

SURRATS TO ARIZONA

Mr. and Mrs. Woodrow Surratt spent the weekend in Phoenix, Ariz., with his niece, Mrs. Ray George and family. They also visited with Mr. Surratt's two sisters from Riverside, Calif., who were also guests in the George home.

Third Carnegie Class Forming

A third class in Muleshoe for the Dale Carnegie Courses is being worked up this week. Perry Wampler, the area sponsor, will be here today and Friday to interview interested persons.

Everyone who is interested is invited to attend a meeting and free demonstration at Gerald's Cafe Friday night. Information may be obtained from Gerald Priboth or Lloyd Alsop, course graduates, who are directors for the projected class.

Too Late To Classify:

FOR SALE: Lumber sheds north of courthouse in Muleshoe. See Clay or Spencer Beavers. 15-1c.

IF YOU NEED a domestic water well or test hole drilled, contact J. N. Brink. Will trade 1953 Buick for late model pickup. Phone 4910, 1012 Ave. D, Muleshoe. We have new water well machinery. 16-16-2p.

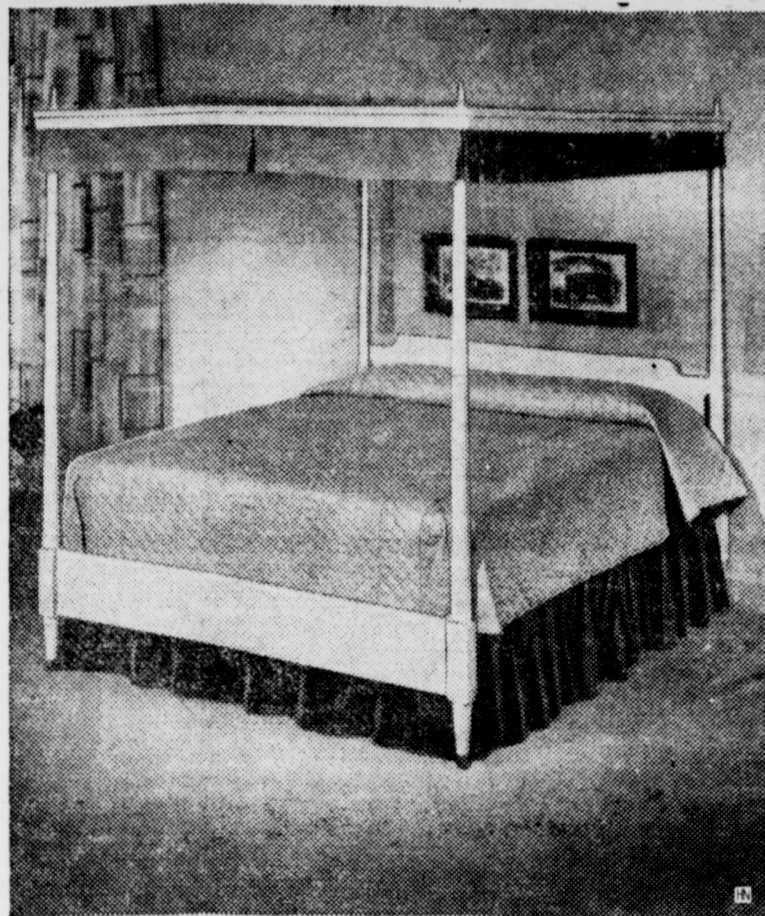

FOR RENT: Furnished house. Call 6920 after 1:00 p. m., or see Royce Garth at Crossroads Cafe. 4-15-1c.

FOR RENT: Furnished apartment, 3 rooms and bath. Call 5460 or see Mrs. Jack Lenderston. 5-15-1p.

FOR SALE: Used show cases and an assortment of equipment. Call 7600. 16-15-1c.

Dryland Farmer Plays Vital Role In Soil Conservation

THE MULESHOE JOURNAL, Thursday, April 14, 1955

Completely Traditional in theme, but streamlined to contemporary needs, is the four-poster in Modern design. This one comes with or without canopy. Even the canopy has been tailored to meet Contemporary standards. Matching dresser features brass or chrome bar pulls and legs of ebony, tipped in brass.

Bill Eubanks . . . member of the Blackwater Soil Conservation District's board of supervisors looks on as his new sprinkler system of irrigation does the job of putting out one half inch of moisture every thirty minutes.

The Eubanks Family at home . . . shown in the picture above is Bill in the living room of his home near Three Way with his fine family. Bill and Ruth have three children in Three Way schools.

Farmers Acutely Aware Of Need For Maintenance Of Their Soil

Keeping in step with the growth of the vast farming area surrounding the capital city of the West Plains the cooperators with the Blackwater Valley soil conservation district have made a number of very notable developments since the first of this year in the various means of land maintenance.

Outstanding among these projects is 216 acres of field leveling

done by Bill Millen.

It is apparent indeed that the farmers in this district recognize the need of maintaining the fertility of our land and preventing wind erosion by the 73 area farmers who have taken new steps since January in the management of crop residue, on 7,033 acres.

From the files of the government soil conservation office here

in Muleshoe we have compiled the statistics on all developments made in this SC district thus far in '55. The figures stack up like this:

Contour farming, 1,473 acres, seven farms; cover cropping, 519 acres, nine farms; crop residue management, 7,033, 73 farms; underground pipe, 28,933 feet, 17 farms; land leveling, 216 acres, one farm; terraces, 18.4 miles, three farms; diversion, 6,060 feet, two farms; waterways, 22.75 acres, two farms; and rotation hay and pasture, 61 acres, five farms.

In reference to the rotation of hay and pasture we must remember that most seedlings haven't been made for spring planted alfalfa.

Dr. Glenn Frank, former president University of Wisconsin, said, "Conservation is a sustained effort to make good the mistakes of our pioneer forefathers, who were content to take all they could get out of their immediate environment and then move on to fresh fields for exploitation."

Today here on the West Plains the last fresh fields are being turned under by the plow of growth and no longer is there room to move on when the wind takes the top soil or when the soil no longer has the fertility to produce a crop. "That country is rich whose people do the most with its land, its water, and its forests. The natural resources of America are the heritage of the whole nation and should be conserved and utilized for the benefit of all our people."

(Editor's Note): In the past four issues, The Journal has introduced to you the officers on the Blackwater Valley soil conservation district's board of supervisors. This week we round off our series of articles by introducing to you a member of the board, Bill Eubanks. However, this paper plans to continue its cooperation with this soil conservation district so that you can remain well informed as to the needs of the farming area surrounding the Capital of the West Plains.

Bill Eubanks farms 1,040 acres of land in the southern most sections of Bailey and Cochran Counties. All but a section of his land in this hard hit drought section is irrigated from five wells put down in 1950.

Cotton has always been Bill's money crop but in addition to that he also plants cotton, grain sorghums, blackeyed peas, sudan, and some wheat.

This year he is using a sprinkler system of irrigation for the first time. In commenting about the new system Eubanks says, "It's a lot more work than the way I've been doing it, but I

think it will pay off more in the long run."

When it comes to the main line of thought of any SCD board member, soil conservation, Bill believes that the dry-land farmer can do the most toward land maintenance by making the best use of his residue. (Blowing and not moisture conservation is his principle problem.)

Eubanks usually feeds 15 to 20 head of cattle, and his son, W. C., age 16, is now readying for show two "first class" fat calves.

W. C., a sophomore at Three Way High school, is a member of the top ranking Three Way FFA soil judging team.

Bill has lived in Bailey County since he moved to the West Plains from Coke County in 1930. He has lived on his present home site, 32 miles south of Muleshoe, since '34.

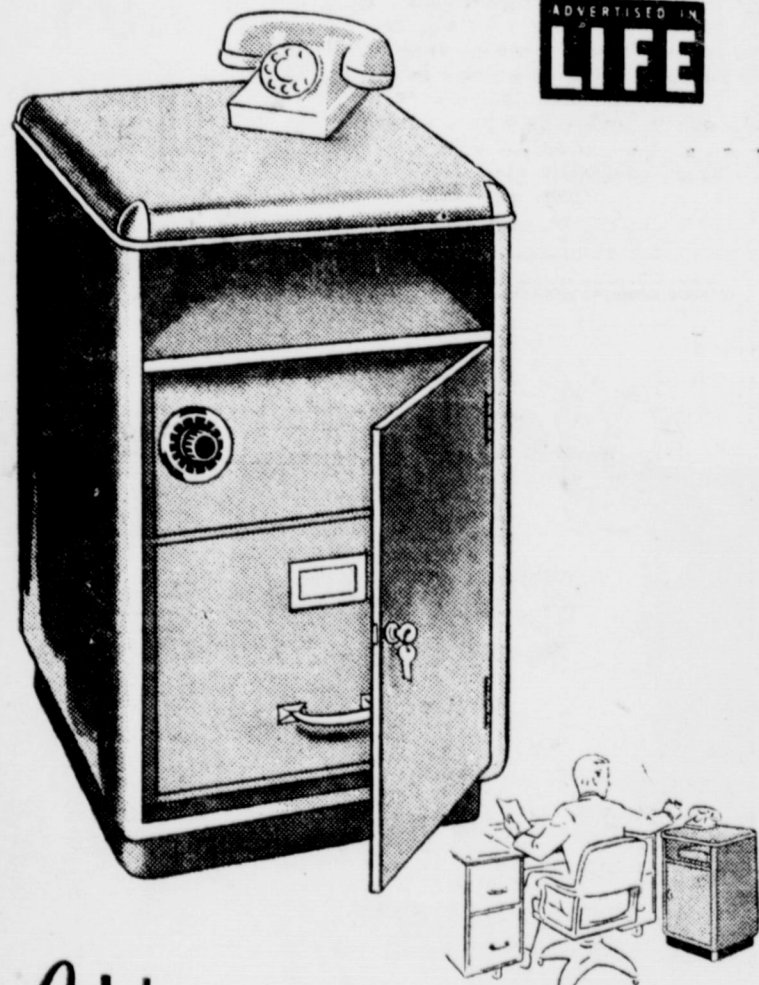

He and his wife, Ruth, have four children. W. C., Maudean, age 18, Karen, age 9, and Joy, age 5. This is Eubanks second year on the soil conservation board. He has been on the Co-op Gin board at Maple for six years and is now serving his third term as president.

"We Shook The Family Tree" and this is what fell out. Pictured above is the cast of the 1955 senior class production taken from the pages of the delightful book by Hildegard Dolson. They are, setting left to right: Keith Buhrman, Jimmy Wilkerson, Mona Mitchell, Bettie Collins, Wanda Cherry, and Billy Ellis, and standing in the same order: LaVon Bessire, Wayne Bristow, Barbara Douglass, Wanda Joyce Clements, Sue Actkinson, and Clinton Dillard.

Utilizing outside water and protecting land from erosion, that's the purpose of this waterway covering 22 acres of land on H. W. Sewell's farm, three miles east of West Camp. The land is farmed by the Austin Bros.

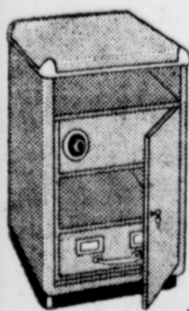

Coles' DESK COMPANION

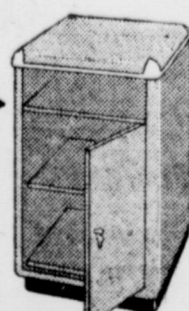

A desk high unit for top executives with a secret vault plus a ball-bearing letter file drawer, both hidden from view by outer door with lock and key. Shelf for phone books or catalogs. Heavy steel. Linoleum top with fine aluminum edging. 19" wide, 30 1/2" high, 19" deep. Green or Gray.

REDDY'S Farm Report

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT
SOUTHWESTERN PUBLIC SERVICE COMPANY

The modern ranch and farm has become a place where top production through efficient operation and management is the goal. In increasing numbers, farm and ranch managers are applying electricity to get desired results. Electricity can do for farm production what it has done for industry — produce more for less.

Mr. L. R. "Buck" Miller, of Pampa, Texas, is manager of the Schafer Ranch, and is proud of the savings that his ranch foreman, Ray Roles, is able to realize with his electric farm shop. Mr. Miller is equally proud of the choice Aberdeen Angus cattle that are raised on the ranch.

"My shop is a money maker the year round", Mr. Roles explains. "During the summer season we repair machinery on the spot, saving time and money. During the winter months we repair all our machinery and have it ready for the busy season, thereby eliminating costly last minute repairs."

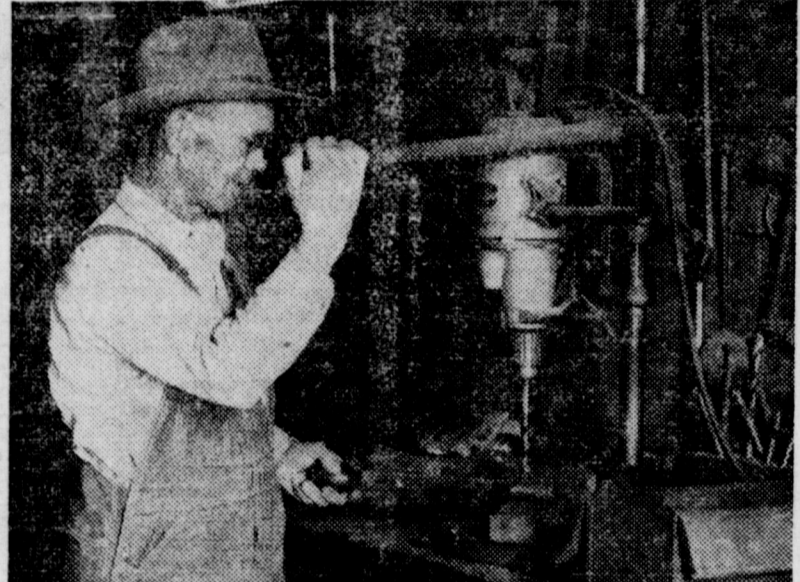

An electric welder, a 3/4 hp electric drill, and an electrically operated air compressor comprise the major electric tools in the Schafer Ranch shop. Evidence of this well equipped shop and Mr. Roles' skill is present at every turn on this modern ranch.

Mr. Roles has used his skill in putting the equipment and buildings at the Schafer Ranch in number one condition. If he needs a piece of equipment, and can't buy it, he builds it. Through the ingenious use of his electric welder and other shop tools, the foreman has built several machines to make the ranch operations more efficient.

A well equipped electric farm shop offers the farm operator the opportunity to cut his repair bills considerably and realize an even greater profit in time saved by making repairs on the spot. Additional profits are realized when all of the farm machinery is put in A-1 condition during the winter months when other work is not pressing. Experience on the Schafer Ranch shows that little time is lost due to repairs during the critical season.

This modern efficient farm trailer flanked by Mr. Roles and L. R. "Buck" Miller, Schafer Ranch foreman and manager, respectively, was an outmoded farm wagon before Mr. Roles overhauled it in the ranch electric shop. Everywhere you turn on the ranch, equipment has been repaired or improved to make it more useful.

Here is another profitable construction job performed in the Schafer Ranch electric shop. This trailer for the grain elevator makes the unit a handy time saving piece of equipment. Pictured here are Mr. Roles and Marvin Cooper, Southwestern Public Service Company Superintendent for the Pampa area.

This heavy duty electric drill and drill press, plus a good supply of hand tools, plus a good mechanic all add up to make this "pp a" money maker". Ray Roles, the ranch foreman, is operating the electric drill.

This modern efficient farm trailer flanked by Mr. Roles and L. R. "Buck" Miller, Schafer Ranch foreman and manager, respectively, was an outmoded farm wagon before Mr. Roles overhauled it in the ranch electric shop. Everywhere you turn on the ranch, equipment has been repaired or improved to make it more useful.

About Homemakers & Homemaking IN BAILEY COUNTY
By MOLLIE STINSON
Home Demonstration Agent

If you are cost-conscious, you want to take advantage of the low prices on the foods now in plentiful supply. Include them often in your menus, using them in a different way each time to keep family interest. During April, plan to use pork, beef, eggs, shrimp, and canned tuna for appetizing yet thrifty meals. Served in combination with macaroni, spaghetti and noodles, these plentiful foods are even more economical.

Use shrimp in a casserole with elbow spaghetti for a spring night supper. To make 4 servings, cook 4 ounces of spaghetti in boiling salted water just until tender. Drain and rinse. While spaghetti is cooking, brown 1/4 cup each of chopped onion and green pepper, and 1/2 clove garlic in butter or margarine. Stir in a tablespoon of flour and a half teaspoon of salt. Add 1 1/2 cups cooked tomatoes and cook mixture until thickened. Fold in at least 1 cup cooked shrimp. Mix the shrimp sauce with the cooked spaghetti and transfer to casserole. Sprinkle top with buttered bread crumbs and bake in a 350 degree F. oven for 30 minutes. Serve with buttered green beans, crisp relishes and bread sticks.

Use pork chops to make a tempting casserole you can name Tropical Pork Bake. Combine browned pork chops, cooked macaroni and pineapple slices for an appetizing menu headliner. Make a sweet-sour sauce to pour over the casserole, using pineapple juice and lemon juice.

Goldenrod Noodles is a dish that's appropriate for this time of year. It uses eggs which are now plentiful and of excellent quality. To make 4 servings of Goldenrod Noodles, cook 4 ounces noodles until tender. Drain and rinse. While noodles are cooking, hard-cook 4 eggs. Dice the eggs and add 1 cup medium white sauce, along with 2 tablespoons each of chopped green pepper and chopped pimiento. Serve the colorful sauce over the noodles. Complete the menu with buttered asparagus, fresh relishes and Parmesan toast.

Canned tuna matches up with elbow spaghetti for a satisfying spring main dish salad. Cook 4 ounces elbow spaghetti and mix with a 7 ounce can tuna, flaked, 2 hard-cooked eggs, diced, and sliced radishes and chipped green pepper. Mix in enough mayonnaise or salad dressing to moisten. Serve in crisp lettuce cups. Fresh from the oven muffins will make a sure hit served with the salad.

VISITED HERE
Mr. and Mrs. Fuston McCarty of Lubbock visited in Muleshoe over the weekend with his parents, Mr. and Mrs. Delma McCarty and other relatives and friends.

PTA Will Meet Monday Evening

The Elementary and High School P. T. A.'s, which have recently combined to make one organization, will meet at the High School, the coming Monday evening, April 18, at 8:00 o'clock.

The JayCees have charge of the program, which should prove interesting. They will climax the program with a film on the American Cancer Society. Interest has been very low this year in the PTA, but members are hoping that all teachers and parents will attend this meeting.

OES MEMBERS ATTENDED FRIONA FRIENDSHIP NITE
Several members of the Muleshoe OES attended Friendship Night and a salad supper at Friona the past Monday evening. They were: Billie Mathis, Lorane Green, Wynnie Dunn, Mr. and Mrs. Clyde Bray, Jewel Strong, Mary Farley, and Mr. and Mrs. John Thomson.

WENT FISHING
Mr. and Mrs. Buford Butts and Patricia, and Mr. and Mrs. Jim Cox and Edwin went to Lake Whitney and fished over the weekend. The Cox family returned home by way of Waco, while Mr. and Mrs. Butts and Patricia went on to Port Neches, where they visited her brother, Good Harden and family.

Notice To The Public

Just to let you know we are still in the Real Estate Business and would like to have your listings on what you have for sale or trade.

We are still located at the same place we have been ever since we landed in Muleshoe, nearly 7 years ago. We are still on the Radio, KVOW, 1490 on your radio, Littlefield, Texas, every Tuesday, Thursday & Saturday at 7:45 a. m.

We can get your property for sale before a lot of people in a short while. We are having a lot of calls for 80 and 160 acres, and up. If you want to sell or buy, be sure and see us before you do either one.

We have a buyer for a good 80 irri. farm with \$17,000 cash to pay down. He does not have to have possession, just wants rent for 1955. If you have this, let us know.

Located on Sudan and Lubbock Hi-way on East side of Muleshoe. Just across the street from Fiddling Fried's Feed Mill.

Easter Motif Used At Half Century Meeting Thursday

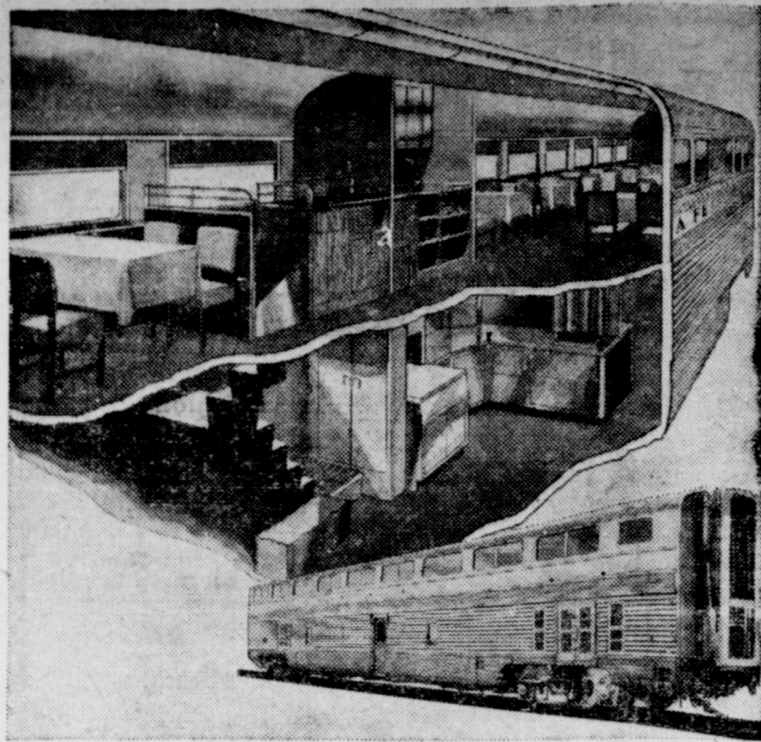

Members of the Half Century Club enjoyed a meeting last Thursday at the home of Mrs. Mary Young. Decorations were in the Easter motif.

The ladies played canasta

during the afternoon. Visitors attending were Mrs. Edelman, and Mrs. Nancy Walker and sons. April 21 is the date of the next meeting, and hostess will be Mrs. I. W. Harper.

Those attending the meeting were: Mmes. Jennie Panter, Berd Paul, Myrtle Harper, Anna Moeller, Sally Harden, Clara Williams, Beulah Carles, Ina Gross, Lulu Kistler, Hazel Farrell, Laura Gilbreath, and Hertha Walker.

Read The Journal Want-Ads.

Santa Fe Railway's transcontinental all chair-car train, El Capitan, will be completely equipped by mid-1956 with newly designed ultra-modern "Hi-Level" cars. Drawing shows double level arrangement of new "Hi-Level" dining car with upper deck devoted entirely to table space for 80 diners and lower deck containing a spacious kitchen. Inset is exterior view of the new chair cars which will seat 28 more passengers than cars on the present El Capitan. Passengers will ride on upper deck eight feet above the rails or four feet higher than in regular chair cars. Lower deck is devoted to space for baggage, rest rooms and service equipment.

"1954 SHIELD" FOR HIGHWAY COURTESY is presented to H. E. "Sonny" Box, Most Representative Hobbs Knight of the Road, at the awards program's April 5 banquet in Austin. After describing how Box had rendered assistance to two women and two small boys at an accident three miles south of Valley Mills last year, Colonel Homer Garrison Jr., director of the Department of Public Safety, at right, said, "Only consideration for his fellow man prompted Box's action... he's the kind of driver I wish we had behind the wheel of every commercial vehicle in the state." At left is W. E. Grace, vice president and general manager of Hobbs Manufacturing Company, Fort Worth trailer building firm which together with the Texas Safety Association and the public safety department's License & Weight Division sponsors the program that singled out 66 truck drivers for courteous acts last year.

4-H Girls Are Staging Bake Sale Saturday

Muleshoe 4-H'ers are raising money to send their delegate to district camp. The 5th and 6th grade 4-H girls are having a Hobo Day Saturday. If you want them to do a job for you, please call the Home Demonstration Agent at 2830. They will charge 40 cents an hour.

A bake sale will be held Saturday by the 7th and 8th grade girls. Wanda Chitwood is in charge of the bake sale. The baked goods will be on sale at Cashway and Piggly Wiggly.

Each club in the county will have a delegate to district camp in Lubbock, June 21, 22, and 23. This means that six girls from the county will attend. If enough money is raised by the clubs they plan to pay expenses for an adult leader to attend also.

Co. 4-H Dairy Foods Contest Is Friday Night

Ralph Mardis, president of the Chamber of Commerce, will award the prizes and ribbons to the winners of the Bailey County 4-H Dairy Foods Contest Friday night. The Chamber of Commerce is sponsoring this 4-H event and also the dress review to be held this summer.

Latest reports show that a total of twenty-six demonstrations

THE MULESHOE JOURNAL, Thursday, April 14, 1955

will be given by 4-H girls at the contest. All of the 6 clubs in the county will be represented in the contest, which will be held in the kitchen of Bailey County Electric Co-op in Muleshoe at 7:00 p. m. The time has been moved up to allow time for the many entries.

Mrs. Alma Altman, Mrs. Gertrude Fred, Mrs. Juanita Holt, Mrs. A. G. Taylor, Gracie Lou

Altman, Sandra Spence, Linda Holt, Phyllis Fred and Nan Johnson are members of the 4-H committee in charge of plans for the contest.

First place winners in the contest will represent Bailey County in the District Contest in Lubbock May 7. District winners will go to Roundup at A & M in June.

The public, especially parents and 4-H members not participating in the contest, are invited.

Brownies Practice For Los Planos Study Club Program

Brownie Scout Troop Nine met at the Junior High Band room Tuesday afternoon, April 12. Girls answering roll call and paying dues were: Marcia Nell Baker, Carolia Bass, Judy Kay Burge, Judy Kay Carter, Ellen Louise English, Linda Kay Floyd, Glenna Gail Guinn, Pamela Kerr, Linda Moore, J. Ann Nicewarner, Elaine Gulley, Betty Wilson, Ann White, and Lydia Wolfe.

Several girls were unable to attend due to illness. Mrs. Harvey Bass served punch and cookies to the group. The girls practiced the songs they are to sing on the Los Planos Study Club program.

The next meeting will be Tuesday, April 19, at 2:30 in the afternoon and plans will be made for the Investiture Service, to be held at the Scout Hut Friday evening, April 22. Mothers and dads will be guests.

Brownies Enjoy Easter Egg Hunt

Following a meeting in the band room Tuesday afternoon, members of troop nine, Brownie Scouts enjoyed an Easter egg hunt at the home of Mrs. Doris English.

Mothers helping were Mmes. Addudell, Bass, Guinn, Wolfe, and Lemon.

Decorations in the English home were in the Easter motif, and punch was served from a beautifully appointed table. The centerpiece consisted of an Easter bunny pulling a small wagon filled with snapdragons.

Moving pictures were made of the occasion.

Ladies attending the committee meeting following the hunt were Mmes. Harrie Wolfe, Lemons, Bass and English. They made plans for the investiture services April 22. Mothers and dads will be guests at this service.

Co-Workers View Colored Slides

Mrs. Harold Griffiths was hostess to the Co-Workers Class of the First Baptist Church, Thursday, April 7, at her home. Co-host was Mr. Griffiths.

After a grief business session, games were played and Mr. Griffiths entertained the group with colored picture slides. Most of the slides were taken at a Thanksgiving dinner last year in the home of Mr. and Mrs. E. R. Hale.

Refreshments of angel food cake, ice cream, fresh strawberries, and coffee were served to Rev. and Mrs. E. K. Shepherd, Lillie Williams and Mmes. Bert Remund, W. E. Payne, L. E. Roddam, H. L. Flanagan, M. T. Wilson, Myron Pool, Jr., and C. E. Layne.

Mrs. C. E. Layne, president of the class, thanked Mr. and Mrs. Griffiths for a very enjoyable evening, in behalf of the class members.

Closing prayer was led by Rev. Shepherd.

District Guild Meeting In Hereford Sunday

Mrs. Clarence Stephens and Mrs. A. C. Leveridge brought the program on "Unity of Faith" when members of the Wesleyan Service Guild of the First Methodist Church held a regular meeting Monday evening of this week.

Mrs. Fred Johnson, president, was in charge of business. The nominating committee reported that 1955-56 officers have been elected as follows: president, Mrs. Fred Johnson; vice-president, Mrs. M. M. Stemmmons; secretary, Elizabeth Harden; treasurer, Bess Edwards; promotion secretary, Mrs. Jim Burkhead. Other officers will be appointed by the president.

It was reported that Mrs. Gilbert Lamb, though still in the hospital, is improving. There will be a public installa-

tion Sunday evening, April 24, at the Church.

A district guild meeting is being held in Dimmitt the coming Sunday, April 17, and several attending the meeting indicated they would attend. Any member who was not present for the meeting, and would like to attend the district meeting is asked to call Mrs. Fred Johnson at 5530.

Refreshments were served to Mmes. Fred Johnson, A. S. Stovall, Homer Sanders, Sr., Jim Burkhead, Jesse Wright, A. C. Leveridge, and Clarence Stephens.

Luncheon Enjoyed By Fidelis Class

A luncheon was held April 7, at the home of Mrs. F. H. Davis for members of the Fidelis Class of the First Baptist Church.

Mrs. Joe Damron, president, was in charge of business, and the devotional was brought by Hattie Griffiths.

Mrs. E. K. Shepherd was a guest and members attending were: Mmes. R. D. Precure, Vera Broyles, Landrum Jones, Vival Lance, Lila Dutton, Ray Griffiths, W. B. McAdams, Joe Damron, and R. L. Jones.

On Wednesday of this week, seven members of the class enjoyed a Mexican dinner at the El Monterey in Clovis, N. M. They were: Mmes. Ray Griffiths, Arthur Crow, R. D. Precure, Landrum Jones, F. H. Davis, Joe Damron, and R. L. Jones.

Mrs. Bowers Hosts M'Shoe HD Club

Monday afternoon of this week, the Muleshoe Home Demonstration Club held their regular meeting at the home of Mrs. W. R. Bowers. Mrs. M. A. Allison was co-hostess.

An interesting demonstration was given by Mrs. Mollie Stinson, H. D. Agent. \$26.10 was netted on the bake sale April 5.

A new member was welcomed into the club. She is Mrs. Glen Stevenson.

Those present were: Mmes. C. E. Briscoe, M. E. Simmons, John Boydston, Alton Kriegel, Roy Carney, W. W. Smith, W. R. Bowers, Olen Dutton, S. L. Robinson, S. C. Caldwell, M. L. Oswalt, M. R. Oden, Lewis, H. G. Griffiths, T. F. Maddox, J. E. Day, M. A. Allison, C. H. Gillis, and Jean Landers.

Two Rebekahs Receive Degrees

Callie Smith presided over the regular weekly meeting of the Muleshoe Rebekah Lodge, Tuesday evening, April 12. She was assisted by the vice-grand, Mary Thomas.

Following opening exercises, initiation was held. Mrs. Bessie Purdy and Lucille Gross received

There Is Strength for YOU in Sacrificial Living

Religion is a stimulant —not an opiate

Live for the good of others, for the progress of just causes, for the coming of God's Kingdom

and you will find

STRENGTH and ABIDING HAPPINESS

for yourself and your world!

Dist. 4-A Meet Set For Fri. and Sat.

Friday and Saturday, the 15 and 16 of April, will be days of much activity for many high school students in West Texas. These are the days set for the District 4-A ISL literary and track meets.

Tomorrow at Morton, the literary meet will get underway with Muleshoe High school standing a good chance to bring home many high honors. Almost every literary department in the local school will be represented.

This year the MHS contestants in speech contests will have the aid of two top ranking coaches, Mrs. Horace Blackburn and Dale Allbright, of West Texas State College. Allbright is finishing the school year as speech and journalism teacher because of the resignation of Charles D. Clair.

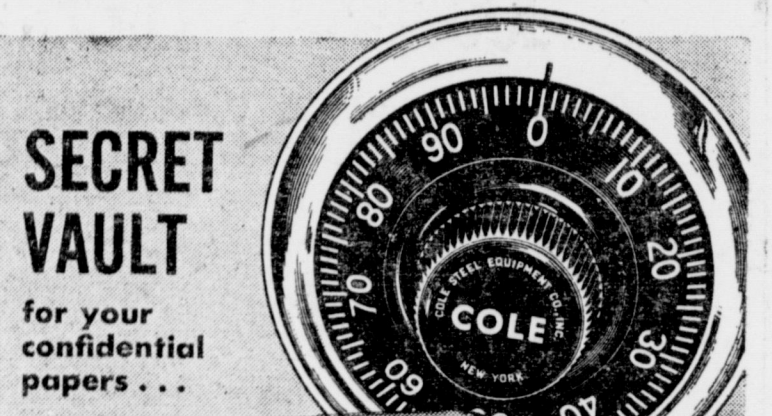

From the home town speech department four students will be sent to represent their school at

the district meet. Wanda Cherry and Linda Lou Lancaster are entered in the girls' senior declamation event. Mary Alice Baker goes as the school's only poetry reader, and Wayne Bristow will climax three years of extemporaneous speaking for MHS.

Jean Montgomery and Elaine Evans will be off to Lubbock tomorrow to defend the District 4-A tennis championship in doubles won by the local team last year. Jean and Linda Lou made up the pair in '54. Barbara Douglass is entered in singles competition. The tennis tourney will be staged on the Texas Tech courts and will be under the direction of George Philbrick.

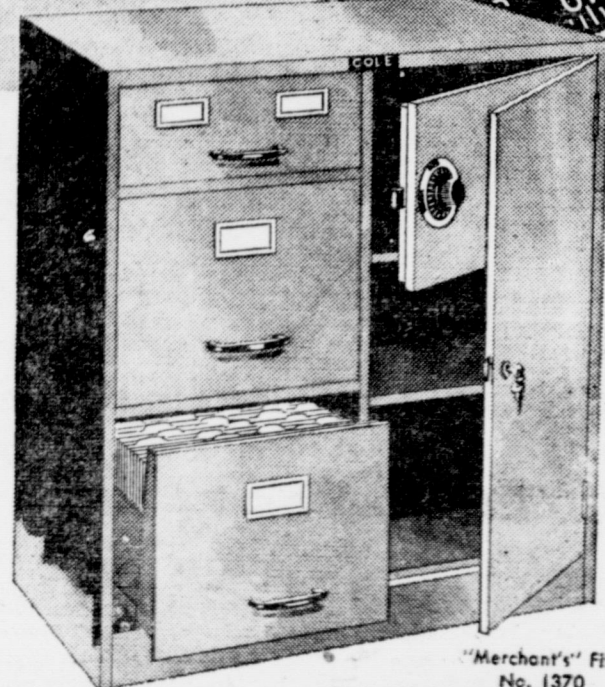

Golf competition under the direction of Warren Cantrell and Bud Sherrod will begin tomorrow morning on Lubbock's Hillcrest Course.

Saturday is the big day, with everyone set for the track events to be run on Texas Tech's nine-lane cinder track. Coach Bill Taylor's Mules are expected to come from under some big handicaps and make the usually fine showing at this year's district meet.

SECRET VAULT

the Rebekah Degree.

After initiation a number of interesting talks were given welcoming the new members. Refreshments of sandwiches, cookies, coffee and punch were served to nineteen members.

Joint Meeting Of PTAs Monday

Elementary and high school PTAs will meet Monday night, April 18, at 8 o'clock in the high school auditorium. The JayCees and Cub Scouts will be in charge of the program. Speaker will be Buddy Blackman.

There also will be an educational film on cancer. This will be a program every person in the community should be interested in.

May 9, 8 p. m., has been set for the installation of officers for the coming year.

Nicki Ellen Evans Is Dinner Honoree

Miss Nicki Ellen Evans was honored with a dinner, featuring cake and all the trimmings, on her seventh birthday, Sunday, April 3, at the home of her parents, Mr. and Mrs. Leonard Evans.

Attending the dinner and helping her celebrate were: Mrs. G. W. Nickel, Slaton; Mrs. W. E. Gwyn, Tyler; Mrs. P. E. Nickey, and daughter Shirley, Portales, N. M.; Lt. Jimmy Nickel, who is stationed with the Air Force in Florida; Mr. and Mrs. L. E. Nickel and sons, Tulla; and Mrs. Roberta Hotchkiss, Littlefield.

Progress WSCS Donates Sewing Machine For Korea

A treadle sewing machine for the women of Korea will be a gift from the Progress WSCS and M. Y. F., this summer. The society, at their regular meeting at the Progress Methodist Church Thursday, April 7, voted to pool funds with the M. Y. F., to buy the machine and to send it on the boat sailing from Texas in June.

Other business discussed included nomination and election of officers for the fiscal year beginning June 1. Joyce Walker was re-elected president to head a long list of officers. The coming trip to Amarillo was planned, also, the gift bazaar to be held the first week in May.

The new study topic of stewardship was then introduced by the teacher, Jean Carter. The worship center displayed a Bible with a dollar bill as book mark. The program included hymns: "Help Somebody Today", "Christianity and Wealth", by Jean Carter; "Christian Vocations", Joyce Walker; "Women and Wealth", Johnie Westbrook; "American Economic Foreign Policy", Vela Jones, and a prayer by Jean Carter.

Refreshments of cup cakes and punch were served to the following members: Mmes. Vela Gwyn, Elberta Wolfe, Jean Henry, Fern Davis, Ruth Cooper, Jean Carter, Mattie Griffin, Joyce Walker, Johnie Westbrook, Ruby Atkinson, and Vela Jones.

Guernsey Cow Sets Production Record

Peterborough, N. H. — A registered Guernsey cow, Harbin's H. I. Milly, owned by P. B. and Ralph Harbin, Muleshoe, produced 10,353 pounds of milk and 511 pounds of fat. This production represents approximately 4883 quarts of high-quality milk. This is according to the official Herd Improvement Registry record released by the American Guernsey Cattle Club. "Milly" was a six-year-old and was milked two times daily or 305 days and met calving requirements.

"Milly" is the daughter of the famous Guernsey sire, Gayhead's His Idol, that has 40 sons and tested daughters in the Performance Register of the American Guernsey Cattle Club.

This record was supervised by the A. & M. College of Texas.

HERE FROM LAS CRUCES

Mr. and Mrs. C. L. Seefeld and son Mike of Las Cruces, N. M., spent the Easter holidays here with Mrs. Seefeld's parents, Mr. and Mrs. Ernest McNatt and son Wayne. Mr. Seefeld is a student at State College in Las Cruces.

Increase In Finance Budget Aids In Growth Of Local Library

"Libraries are not made, they grow" . . . Augustine Birrell (1850-1933).

This is especially true of the library in Muleshoe High school. With the increase in the budget of a thousand dollars a year the school has been able to add a number of needed materials.

Previous to the year 1952 the only income the library had was the library fee of a dollar and a half charged each student each year, plus the fines for overdue books. Since 1952 the School Board generously has allowed \$1,000 per year in addition to the fees and fines, making approximately \$1,700 available to the li-

brary annually.

With this \$1700 a year it has been possible for MHS to add three new sets of Encyclopedias plus year books. The Encyclopedias are Encyclopedia Britannica, Americana, and World Book, and an additional set is planned for next Fall. Thirty-seven of the popular monthly magazines are received. The back issues of these magazines are filed away and used for term theme material by the students.

The Abridged Reader's Guide makes it possible to find the magazine articles dealing with a certain subject even five and six years back. The file of the "National Geographic", which by the

way is a gift subscription, dates back to 1946. Most of the others date back to 1950. A vertical file has also been set up in which newspaper articles, pamphlets and so forth are kept—this material is also available to the students for additional theme material. The school subscribes to Current Biography.

This is a set of books containing biographical sketches of the lives of prominent people of our day — each year in a separate volume. The file dates back to 1942. In addition to the above reference material the library has almanacs — World, Texas, and Information Please — biographical, historical and rhyming dictionaries, collective biographies, books of quotations and so forth.

In the last five years fourteen hundred books have been purchased and placed on the shelves. These books are fiction, biography, books of travel, science, poetry, history, etiquette, cook-

books, character building, etc. Through the card catalog it is possible to find books by certain authors if titles are not known.

Books, like anything else wear out, making it necessary to spend \$600 per year for re-binding. A card catalog case and magazine rack have been purchased—these two pieces of furniture are in oak, matching the charging desk and reading tables. The school is now attempting to find a large globe on an oak stand and a dictionary stand also in oak to match the furniture now in use.

In addition to the expenditures mentioned, we have incidentals for supplies, such as book pockets, date due slips, book cards, ink, paste, lacquer, and so forth. All in all MHS manages to use up to \$1700 and sometimes wish for more, but through the years with a continuing budget of the amount received — the Muleshoe High school library can and will grow into one of the finest in this area.

All the Muleshoe School Library facilities are available to people in this school area so long as certain rules are recognized. The school will be only too glad to be of service.

WAS IN CLOVIS

Hope King and Mildred Lambert were in Clovis, N. M., Monday on business.

Mr. and Mrs. A. S. Waldon visited Sunday in Amarillo.

BABSON ADVISES—

A Real "Gold Mine"

Babson Park, Mass., April 14—This week we will forget the stock market and consider something much more important, namely, some very valuable brain power which is going to waste. I have in mind especially the BRAINS of some of the so-called "physically handicapped".

1,000,000 WHEEL CHAIRS, CRUTCHES, AND CANES

There are 165,000,000 people in the U. S. I estimate that about 500,000 of these are handicapped from polio and other diseases; 1,500,000 are living disabled veterans from World Wars I and II; over 1,000,000 are crippled from accidents; and about 150,000 are totally blind. There are many more suffering from total deafness and even inability to speak.

These add up to 3,150,000, of which at least 1,000,000 have not the opportunity to make full use of their inherent talents.

Although they have pretty much been supplied with jobs of a kind, these 1,000,000 have not—as a rule—such jobs as will enable them to use their BRAINS as they would like. This especially applies to those in wheel chairs and on crutches because, quoting an employer: "A wheel chair messes up the routine of the office of factory". In these days of keen competition management fears anything which might interfere with the flow of products or sales.

MONEY VERSUS OPPORTUNITIES

The situation is becoming worse

every year due to increasing automobile accidents, of which 36,000 resulted last year in deaths for which there were total awards of perhaps \$400,000,000. Some will say that the non-fatal accidents and even polio can be offset by insurance which gives new limbs, new eyes, or even a fair chance to use one's brain. Yet, our brains are our most wonderful and valuable asset.

It is not more Government money these physically handicapped need, but more opportunity to do creative intellectual work. Remember that in the above figures I am not including any medical or emotional mental cases. I am interested here in those who have distinct talents. Although the many unselfish agents and counsellors of the Federal and State Governments are doing excellent work with the funds available, they deserve much more help.

LET US SAVE OVER \$2,000,000,000 PER YEAR

I estimate that of the above groups, one million adults are today able to use fully their brains and talents. However, much of this creative brain power and special talent is being overlooked. This is unfair to the nation, as well as to these people. Just think, with one million of these brains now idle, 8,000,000 working hours are lost daily, or more than 2,000,000,000 are lost each year. Based on only one dollar per hour, this means a loss of over \$2,000,000,000 per year.

To understand what the loss of these one million adult workers means, consider any city of about 3,000,000 population, such as Detroit, Boston, San Francisco, or Pittsburg, any one of which has 1,000,000 adult workers. This means the loss of as much creative brain power as is now engaged in the entire production work of one of the above cities. In saying this, I include bankers, merchants, professional men, as well as wageworkers.

PRaise FOR PRIVATE ORGANIZATIONS

Let me applaud all those private organizations now engaged in helping unfortunates. I particularly have in mind certain

**SAND HILLS PHILOSOPHER DISTURBED
Over Insistence Of The Experts
That His Farming Future Is Strong**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm discusses the future of agriculture this week, a subject he knows as much about as he does anything else.

Dear Editor: I was out here the other day reviewing my assets, going over in my mind what the agriculture situation is and trying to figure out if I was as well off as the amount of work I'm willing to put out would entitle me to be, and on the whole, despite the fact things could be a lot better, I guess you could say I'm still

getting along and after all when you say that, things are in normal shape. I was figuring up my assets on the margin of a newspaper and after I got through calculating I looked the paper over and ran into an article that set me to worryin'. In this article, the secretary of Agriculture was trying to prove that farmers are in fine shape and things ought to prove that way. Now I'll tell you, when the experts start trying to prove to me my future is secure, my first reaction is to begin wondering if something's wrong, and one of the arguments advanced by Sec. Benson didn't help a bit.

According to him, one of the reasons times are good and are gonna get better for the farmers is that he sees "a continuation of high domestic demand for food. As I understand this, he believes farming is secure because people are gonna keep on eating food, and in one sense he's right, that is, I believe it's a fairly safe prediction that there will never come a time when people will lose interest in something to eat, but on the other hand I doubt if there ever was a time in the past when they lost interest in that either, and everybody knows there have been times in the past when farmers were busted.

I tell you, basing farming prosperity on the proposition that there's gonna be a steady demand for food is hunting pretty hard for something to be optimistic about. I believe farming is gonna continue to be a good enterprise, but I ain't basing it on the idea it is gonna stay good every month out of the year forever because people like money.

I'd appreciate it if the experts would stop telling me when I'm well off. The minute I ain't, I'll know it.

Yours faithfully,
J. A.

CHRISTIAN SCIENCE SERVICE

How the law of divine Love revealed by Christ Jesus offers mankind redemption from sin and limitation will be set forth at Christian Science services Sunday in the Lesson-Sermon entitled "Doctrine of Atonement."

Selections to be read from "Science and Health with key to the Scriptures" by Mary Baker Eddy will include the following (19:6): "Jesus aided in reconciling man to God by giving a truer sense of Love, the divine Principles of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of spirit, — the law of divine Love."

The Golden Text is from Mark (10:45): "The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many."

Henderson With Forces In Germany

Today's Meditation

OUR REDEEMER LIVES
Read Romans 8:1-5.

Death is swallowed up in victory. (1 Corinthians 15:54.) Too long have people been frightened by shadows, including the shadow of death. Of all things mortal, the most mortal is death. Its lot is cast with things that perish. Even so, death is not victor even there; for when matter has gone back to its elements, it soon is snatched from death again and lifted into new forms by life.

John Donne was right when he wrote: "Death, be not proud, though some have called thee Mighty and dreadful, for thou art not so; One short sleep past, we wake eternally, And Death shall be no more: Death, thou shalt die."

Life has the victory. Christ, the master of life, gives that victory to all who cast in their lot with the eternal, to all "who walk not after the flesh, but after the Spirit." "The Spirit itself beareth witness with our spirit, that we are the children of God," and therefore immortal.

PRAYER
O God, help me this day to mind the things of the Spirit in joyous awareness of the fellowship of Christ. We pray in the name of our living Lord who taught us to pray, "Our Father who art in heaven. . . Amen."

THOUGHT FOR THE DAY
The life that is "hid" with Christ in God "can never die."
Carl G. Bader (Neb.)

**PROFITS
CAN YOU AFFORD
TO MISS 'EM?**

Amazing fuel savings. 3 to 4 seasons without overhaul.

Oil life increased 4 times. No carbon, sludge, "ping".

Stepped-up engine power.

**ENSIGN LP-GAS
CARBURETION**

You've heard how tractors using low-cost LP-Gas and Ensign Carburetors are scrapping customary performance standards. "Sure," you say, "I'd be sitting pretty with that kind of power, but I can't afford it." Stop a minute. Look at the facts, and you'll find that it is actually costing you money every day you delay switching to LP-Gas! Consider fuel costs. The per-gallon difference between your present fuel and LP-Gas will pay the modest cost of converting in a short time. Then you'll save dollars, while enjoying a more powerful, smoother running engine. Oil? With LP-Gas, lube oil life is 4 to 5 times longer! And, overhaul jobs are needed only every third or fourth season as LP-Gas leaves no carbon, gum or sludge.

See how switching to LP-Gas with Ensign carburetion pays dividends? Why not talk to your Authorized Ensign Dealer? Find out now about ALL the Ensign and LP-Gas advantages. . . You can't afford to miss 'em!

BEST BUY NEW; BETTER TRADE-IN, TOO!

Actual photo of the Plymouth Belvedere 4-door Suburban

LONGEST, ROOMIEST

Plymouth Suburbans—biggest in the low-price 3!

Plymouth's six new Suburbans are here—and they're the longest, roomiest cars of their type ever offered in the lowest-price field! Each offers you the most cargo space however you measure, plus a tail gate that folds flat to extend carrying capacity.

And each is strikingly beautiful, inside and outside.

Compare the figures below—consider Plymouth's other bonuses in styling, power, economy and safety—then come in and drive one of these big, versatile beauties. Do it today.

PLYMOUTH BEATS THE "OTHER 2" IN ALL DIMENSIONS!

	PLYMOUTH	LOW-PRICE CAR "A"	LOW-PRICE CAR "B"
Over-all length (in.)	208.8	197.1	197.6
Length loading deck (in.)* . .	53.8	46.3	51.0
Total loading area (sq. ft.)* .	28.8	27.9	26.0
Loading area, 2nd seat up (sq. ft.)* .	20.0	16.2	17.7
Loading area behind 3rd seat (sq. ft.)*†	10.0	No 3rd seat	8.7
Maximum width of cargo space (in.) . .	64.0	60.0	58.3

*Not including tail gate

†4-door models only

WHY PAY UP TO \$600 MORE FOR A CAR SMALLER THAN PLYMOUTH?

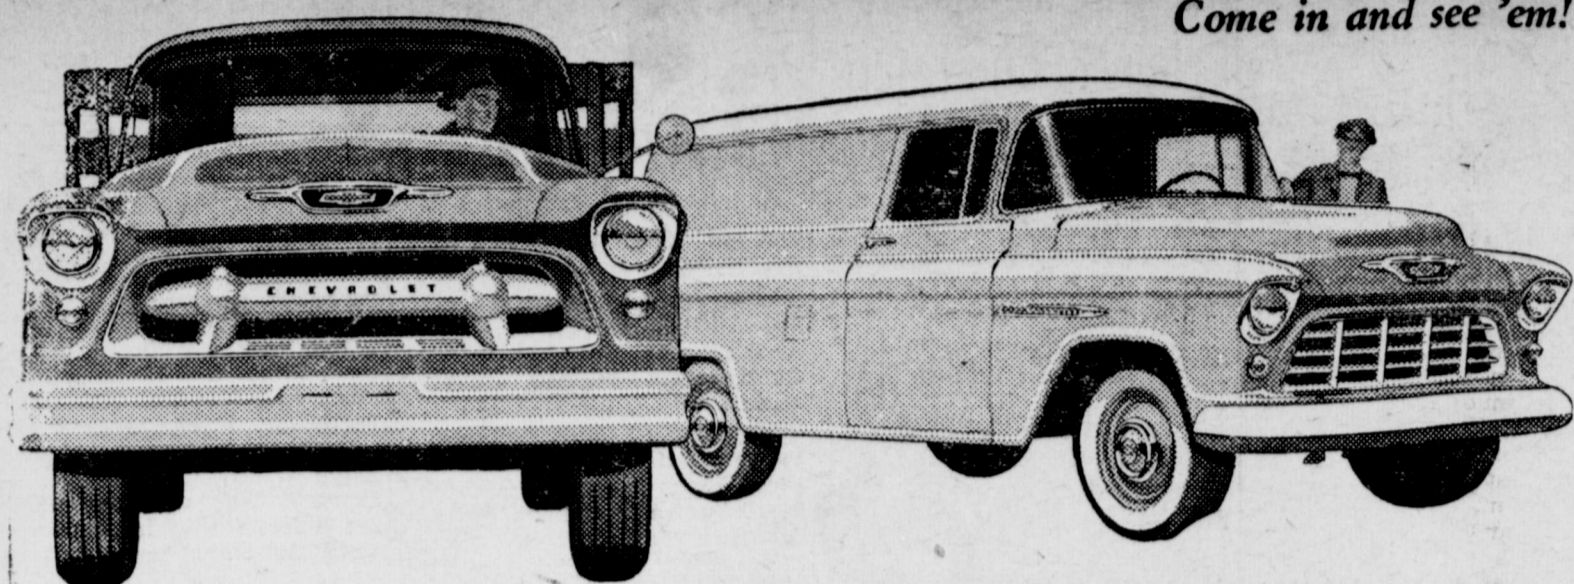

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, model for model, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!

**6
STUNNING
CHOICES**

2-doors, 4-doors,
6's, V-8's

ALL-NEW PLYMOUTH

Come in and see 'em!

NEW CHEVROLET *Task-Force* TRUCKS

—with a whole truckload of new advantages for you! Here's what happens when America's No. 1 truck builder pulls out all the stops! Here are some of the new advances ready to work for you right now.

Work Styling—a new approach to truck design! Two distinctively different styling treatments—one in light- and medium-duty models, another in heavy-duty!

Six powerful new "high-voltage" engines! With a modern 12-volt electrical system for increased generator capacity—plus many other new advances.

The last word in cab comfort and safety! New Sweep-Sight windshield for increased visibility. A new concealed Safety Step that stays clear of snow or mud.

New capacity—up to 18,000 lb. G.V.W. Offered in 2-ton models! This means you can do a lot more work on heavy hauling jobs with real savings.

New more durable, standard-width frames! New frames are of 34-inch width to accommodate special body installations. And they're more rigid!

All models available with new Power Steering! New Chevrolet Power Steering cuts turning effort up to 80 per cent... cushions road shock. Optional at extra cost.

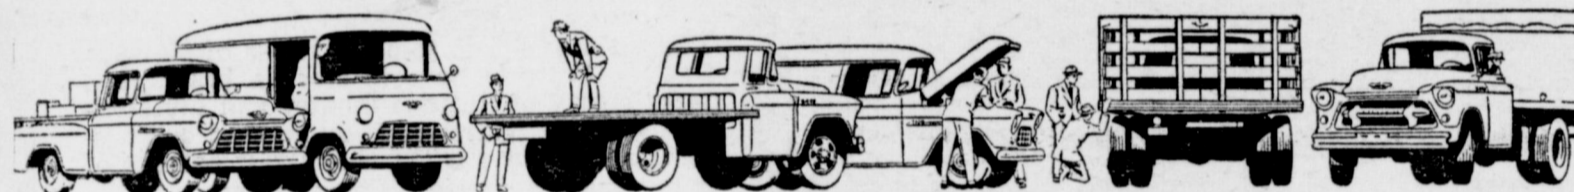

You can have new Overdrive or Hydra-Matic! Overdrive is optional on 1/2-ton models; truck Hydra-Matic on 1/2-, 3/4- and 1-ton models at extra cost.

Power Brakes standard on 2-ton models! This great power helper is yours at no extra cost on 2-ton models! Optional at extra cost on all other models.

Tubeless tires standard on 1/2-ton models! New tubeless tires give you greater protection against a blowout... deflate more slowly when punctured!

Come in and see the newest things in trucks!

MULESHOE, TEXAS

News Highlights From 3-Way

MOVE TO MULESHOE

Mrs. and Mrs. W. R. Byers moved to Muleshoe last week.

SUNDAY SCHOOL PARTY

The Women's Sunday School classes of Three Way Baptist Church enjoyed a party in the Ferguson home Monday evening.

Mrs. Ted Ferguson presided over the business meeting.

Mrs. Baker Johnson gave the devotional.

Games were played and refreshments served to Mrs. L. W. Chapman, D. C. Lindley, Donald Knox, Winnie Rush, Earl Bowers, Thurl Lemons, Frank Knox, Archie Sims, Bob Sandlin, Tom Franklin.

John Criner, Sam Green, Baker Johnson, Elmer Bateas, Frank Griffith, and the hostesses, Mrs. Jack Ferguson and Ted Ferguson.

BOWERS HAVE GUESTS

Mr. and Mrs. R. L. Heimerhaugh and Mrs. Louise Intlehouse of Los Angeles, Calif., were recent guests in the Earl Bowers home. Mrs. Himerhouse is an aunt and Mrs. Intlehouse a great aunt to Mrs. Bowers.

TO GINNERS MEETING

Mr. and Mrs. Millard Townsend and Jack Ferguson were among those from Three Way community attending the ginner convention at Dallas last week.

TO FT. WORTH

Mr. and Mrs. Thurl Lemons and children spent the Easter holidays at Fort Worth and Dallas. They planned to attend the icecapades while there.

EASTER VISITORS

Visitors in the community for Easter were Mr. and Mrs. Ed Neutzler and children of Lubbock, visiting Mrs. A. J. Neutzler and the Adolph Wittners. Mrs. Cook and children of Levelland, visited the Louie Jordans. Mr. and Mrs. L. C. Ruthart of Canyon, parents of Mrs. D. C. Lindley, visited in the Lindley home. Also, two brothers, Arlen and Donnell and family visited them.

ON SICK LIST

On the sick list the past week were Pam Bowers, Donna Shackelford and Deborah Rush. They had the mumps.

VISITED AT LEVELLAND

Mr. and Mrs. Elmer Bateas and children visited relatives at Levelland over the weekend.

REVIVAL MEETING IS IN PROGRESS

A revival meeting is in progress at Watson Baptist Church. Rev. C. R. Kinnard is the evangelist and Chester Petree is conducting song services. Rev. A. C. Lyles is the pastor. The meeting began Sunday, April 10 and will continue all week. Everyone is welcome to attend.

VISITED IN ANTON

Mrs. Frank Griffith and children and Mrs. Florence Bailey visited relatives in Anton Friday.

WERE IN AMARILLO

Mr. and Mrs. L. W. Chapman visited in Amarillo last week.

VISITED AT HALE CENTER

Mr. and Mrs. Tommy Galt and children spent the weekend at Hale Center visiting relatives.

30 ATTENDED CHURCH

Attendance at Monument Lake Methodist Church Sunday was 30. Attendance at Three Way Baptist Church 125, at Hicks Chapel Baptist Church 59.

HAD DINNER GUESTS

Dinner guests in the O. A. Warren home Sunday were their sons and families, Lawrence of Pettit, and O. A., Jr., of Levelland.

TRUSTEES ARE ELECTED

Newly elected trustees to serve on the Three Way School Board are Carl Pollard, Pete Tarlton, and Thillie Thelch. Other members of the Board are Baker Johnson, W. T. Parker, Jack Lowe and Bud Warren.

ENTERTAINED CLASS

Velva Warren entertained her class mates in her home Monday evening with an ice cream supper. They then went together to a movie.

WCS MET MONDAY

Monument Lake W.S.C.S. met Monday April 4 in the fellowship hall for quilting and redecorating the kitchen of the hall. An entire new unit of cabinets have been installed in the kitchen.

A covered dish luncheon was served at noon to Mrs. Leon Reeves, J. G. Arnn, Cass Stegall, Cecil Cole, John Shackelford, Krebbs and Pete Tarlton.

PTA TO MEET

ThreeWay PTA will meet Monday April 18. This is the last meeting of the year and everyone is urged to attend.

MOORE TO SPEAK

W. D. Moore of Muleshoe will speak at the 11 a.m. service Sunday at Monument Lake Methodist Church. A cordial welcome is extended to all.

GUESTS IN PHILLIPS HOME

Guests in the J. M. Phillips home were Mr. and Mrs. Lloyd

By MRS. FRANK GRIFFITHS

Pollard and boys of Bula, Hazel Cunningham and children, Mr. and Mrs. E.W. Kelton, Mrs. Boyd Magby and son of Muleshoe and Mr. and Mrs. Don Lamar and boys of Goodland.

LAMAR PLAYED WITH PIONEERS

Don Lamar played baseball with Clovis Pioneers in the game Thursday against the Plainview Ponies.

Rev. and Mrs. G.M. Pearson of Otis near Carlsbad N.M. were visitors at ThreeWay Baptist Church Sunday. Rev. Pearson brought the morning and evening messages.

Selita Mooney In Western Show

Selita Mooney of Muleshoe recently appeared in the "Swinging Doors", a western show sponsored by the Loulies and the "Y" Club in conjunction with Pioneer Roundup and Western Week at Sam Houston State College.

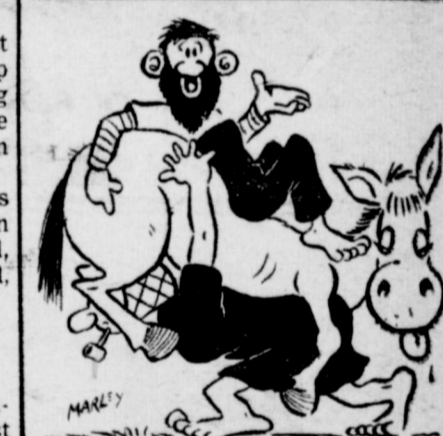

Selita is a junior home economics major. She is reporter of the Loulies, one of the women's social organizations on the campus; and she has been secretary of the Pennybacker Club, a club for home economics major or minors. She is also a member of the "Y", a religious organization. Selita is a 1952 graduate from Muleshoe High school and she is the daughter of Mr. M. F. Mooney.

IT'S A GIRL!

Mr. and Mrs. Dallas McCurry are the proud parents of a daughter, who arrived April 4, tipped the scales at 7 lbs., 7 oz. She has been named Denise Carolyn.

Mr. McCurry is serving with the 259th Missile Bt., in Mainz, Germany. Mrs. McCurry called him to tell him the good news on April 5.

Maternal grandparents are Mr. and Mrs. J. J. Redwine of Progress, and the paternal grandmother is Mrs. R. M. McCurry of Littlefield.

W. M. Pool, Jr. Lee Pool

"I just don't know how I ever got along without my **ELECTRIC CLOTHES DRYER!**"

... says Mrs. Orval Wallace
**1206 13th STREET
ABERNATHY, TEXAS**

"The feature that I like best about the clothes dryer is that it eliminates tiresome trips to the clothesline forever. Why we have a croquet court in our backyard now in the place where the clothesline used to be."

Mrs. Wallace has a completely all-electric laundry, with washer, dryer, ironer and electric water heater.

"The 'problems' of washday are ended with an all-electric laundry. I used to run short of diapers for the baby when the weather was too bad for line drying. Now, I can wash and dry clothes for the children in less than an hour. Also, many of the garments need little or no ironing when they come out of the dryer."

Make your washing, drying, ironing — water heating, too — modern, make them electric.

SEE YOUR REDDY KILOWATT APPLIANCE DEALER ABOUT THE WORLD'S GREATEST WIFE SAVER

SOUTHWESTERN PUBLIC SERVICE COMPANY

TRY ME FOR WATER-HEATING, TOO!

"I like our electric water heater," Mrs. Wallace says, "because there is always plenty of hot water. It's wonderful, too, to know that electric water heaters are completely safe. There's no chance of a low burning pilot light going out, and my table top model gives me an extra work space for folding and stacking my clothes as I take them out of the dryer."

Redwine Family Reunion Sunday

The home of Mr. and Mrs. J. J. Redwine was the setting for a family reunion Easter Sunday. The Redwines have thirteen children, and all were present.

Eleven of the children and their families attended church services together.

All but three of the grandchildren attended the reunion.

In all, there were thirty-two persons present for the dinner, which was served buffet style.

Following the dinner, moving pictures were made of the group. Those attending were: J. L. Redwine and family, D. L. Red-

Guild, Circle And WSCS To Install New Officers Soon

wine and family, A. E. and family, G. E. and family, J. O. and family, all of Muleshoe; J. C. Redwine and family, Friona; C. B. Redwine and family, Littlefield; Mr. and Mrs. J. B. Snead and family, Hereford; Mr. and Mrs. Billy Boatman and family, Hereford; Mr. and Mrs. O. R. Ashmore and daughter, New Deal; Mr. and Mrs. W. T. Brooks and family, Andrews; Mrs. Dallas McCurry and daughter, and Homer Redwine of the home.

old Morris; secretary of promotion, Mrs. W. F. Birdsong; secretary of missionary education and service, Mrs. W. F. Gable; secretary of Christian social relations and local church activities, Mrs. F. B. Pierson; secretary of student work, Mrs. Cecil Davis;

Secretary of childrens work, Mrs. H. M. Shofner; secretary of spiritual life, Mrs. W. D. Moore; secretary of literature and publications, Mrs. Morris Childers; secretary of supply work, Mrs. C. R. Farrell; secretary of status of women, Mrs. H. C. Holt; and secretary of missionary personnel, Mrs. R. O. Gregory.

Mrs. Weyer dismissed the meeting.

Those attending were: Mmes. H. Jay Weyer, Roy Bayless, S. C. Beavers, W. D. Moore, J. J. Gross, O. S. Richards, Arnold Morris, C. R. Farrell, Cecil Davis, Clarence Stephens, F. B. Pierson, Mervin Wilterding, Beulah Carles, W. F. Birdsong, and Floyd Adair. Mrs. Adair is a new member.

DINNER GUESTS

Dinner guests Sunday in the home of Mrs. Carrie Wilhite was Mr. and Mrs. J. E. Wilhite and children, Mr. and Mrs. Troy Atkinson and children and Mr. and Mrs. Lonnie Wilhite and children.

Mrs. Richards Was Program Chairman For Local WSCS

Mrs. O. S. Richards was leader of the program for the Muleshoe W. S. C. S., when that organization met at 2:30 in the afternoon Monday.

Fifteen members attended. The program opened with the group singing, "Hark The Voice of Jesus Calling". This was followed by prayer by Mrs. Richards, who took scriptures from I John 2:15. Mrs. Cecil Davis and Mrs. O. S. Richards favored the group with a duet, "May God Depend On You".

The study for the day was on the Fourth Assembly of the Woman's Division of Christian Service, which was held in Milwaukee, Wis., May 25-28, 1954.

Assisting on the program were Mmes. S. C. Beavers, J. J. Gross, and W. D. Moore.

Venette Wood And Preston Sechrist Married April 3

Venette Wood, daughter of Mr. and Mrs. Major Wood, and Preston Sechrist, son of Mrs. R. E. Martin of Floydada, were married April 3 at the Methodist parsonage in Muleshoe by Rev. Clarence Stephens, Methodist pastor.

Mrs. David Sechrist of Amarillo was matron of honor and Floyd Jones of Amarillo was best man. After a short honeymoon in Amarillo they returned to Floydada where he is employed by the H. & S. Construction Co.

Mrs. Sechrist was a graduate of Muleshoe High school in 1954 and Mr. Sechrist got his discharge from the U. S. Navy in January of 1954 as Seaman second class.

HOME FOR WEEKEND

Bill Willis, student at San Angelo Jr. College, visited his parents and friends in Muleshoe during the Easter holidays.

HOME FOR HOLIDAYS

Joannah Schuster, student at Texas Tech, visited during the Easter weekend with her parents, Mr. and Mrs. H. E. Schuster.

VISIT LT. KRIEGEL

Mr. and Mrs. Alvin Kriegel and sons, Nolan and Kenneth of the home and Lloyd of Texas Tech, visited over the weekend with another son and brother, 2nd Lt. Arlyn Kriegel, at Ellington Field, Houston. They were delighted to see a lot of rain in central and south Texas.

FROM SILVERTON

Easter holiday guests in the home of Mr. and Mrs. George Chambless was their son, Dick Chambless and family, of Silverton.

Air NOW you can have

Conditioning

in any of FORD'S 16 beautiful models

beats Texas heat... easy to operate... built for long life

FORD SelectAire AIR CONDITIONER

The new Ford SelectAire Air Conditioner was exhaustively tested in Texas and is specially designed for your fullest comfort.

The Ford SelectAire Air Conditioner is a complete system. It cools and dehumidifies air in summer—warms air in winter—defrosts or defogs windshield—provides fresh-air ventilation. All major units of the system are mounted forward of the instrument panel—none are in luggage compartment to rob you of valuable space, as in some systems.

It is very easy to use. For you regulate cooling, heating and ventilation—all with a single control unit which is mounted on the instrument panel.

Warm or cool air, as desired, is distributed across the floor of the car. Also, there are two fully adjustable registers on top of the instrument panel which permit air to be directed at any angle for maximum comfort or against the windshield for defrosting.

SelectAire Air Conditioning is available in any of Ford's 16 V-8-powered beauties for 1955. See the fine new Fords at your Ford Dealer's. And Test Drive one that's equipped with SelectAire Air Conditioning. You'll agree that Ford offers everything you need for top driving pleasure: eye-pleasing beauty—spirited Trigger-Torque power—smoother Angle-Poised Ride—and a spring-time interior climate throughout the year.

Mr. and Mrs. Richard Barnett, of Lubbock, visited his parents, M. and Mrs. C. A. Barnett and other relatives in Muleshoe Sunday.

FARMER COUNTY Farm Bureau News

By **RAYMOND EULER**

We hope all you parents have signed request for vaccination of your children with the Salk Vaccine against Polio. If this is a successful preventive, Polio will go down like smallpox and other former dread diseases that have been practically eliminated thru vaccination. It will also be another indication that the American people have not lost the spirit of "self help" in meeting personal and public problems, because you have paid the bill

THE MULESHOE COVER SHOP

Can Take Care of All YOUR FURNITURE AND CAR UPHOLSTERING for your FREE ESTIMATE M. L. JACKSON, Owner 1/2 Block East Cashway

by contributing liberally to the March of Dimes each year.

Every one is looking forward to a year of plenty of rain in our area again. For beauty and enjoyment, there is really no better weather than we have been having. It is noticeably true that everyone seems thankful for the underground water we have for irrigation, businessmen as well as farmers. They all know that has spelled the difference in prosperity and depression here. We will be happy when more evidence of conservation of this valuable resource shows up in some cases. Preparing the land before irrigation is just as important as having land prepared to receive a rain, so that it will not run off excessively. It is conservation in either case.

Mr. John Gregg, of Lubbock, an official of the National Cotton Council has requested an opportunity to speak with retail dry-goods merchants, bankers, mayors, ginners and others interested in the future of cotton. Farm Bureau arranged for such a meeting and invited a number of people to attend, at Bovina Legion Hall, Friday afternoon at 1:30. The public is welcome, too.

Marshall Formby, who has just returned from Russia, brings back a pretty poor work picture of agriculture operated under complete government domination. Free enterprise takes the cake, always, in the interest of the producer and the consumer.

Sesame seed is an interesting topic of conservation among most farmers now. News of success of the crop, in varying degrees, from high plains farms, seems to indicate that there may be several hundred acres planted in this county. Cummings Farm Store, as we understand it, will be the exclusive distributor of the seed this year. Talk to Doyle or Ennis about it.

Consider This: Turn not to the right hand nor to the left: remove thy foot from evil. Proverbs 4:27.

New Variety Of Sesame Adapted For Combine Use

Rio, a new non-shattering variety of sesame described as "completely adapted to mechanical harvesting" soon will be available to farmers.

Released jointly by the Texas Agricultural Experiment Station and the U. S. Department of Agriculture, Rio is now in the hands of certified growers and seed in quantity should be available for planting this fall.

Rio is better adapted to Texas growing conditions than other strains of non-shattering sesame but is expected to serve only until still better varieties are developed in an extensive sesame breeding program, say experiment research scientists.

Rio can be cut with a windrower, allowed to dry and then combined directly from the windrow.

Seed yields in experimental plantings at College Station have ranged up to 1,489 an acre under favorable growing conditions. It produces slightly higher yields under favorable conditions and lower yields under poor conditions than the shattering types. It also matures later than the shattering varieties now grown in Texas.

At some locations, the new variety has been resistant to Alternaria leaf spot but it shows no resistance to bacterial leaf spot.

The oil content of Rio is acceptable to the oilseed processing industry, averaging about 49 per cent. The crude protein content of the meal also is favorable. Meal remaining after oil extraction averages approximately 55 per cent crude protein.

Read The Journal Want-Ads.

Film Shown At Rotary Meeting

A film, "Dave Douglas, Citizen", was shown for the program at the Rotary Club's luncheon Tuesday. It is a plea for tax equalization, contending that Co-operative organizations do not pay their share of federal income taxes. Clyde Holt was in charge of the program, and James Crow was projectionist.

Rev. Clarence Stephens appeared before the club and asked for two volunteers to help finish the Red Cross drive Friday. Woodie Lambert and Bob Gregory volunteered and will join representatives of other groups at a breakfast Friday morning; Rev. Stephens thought all working together can finish in about two hours.

Mrs. Clyde Holt Given Certificate Of Appreciation

Mrs. Clyde Holt, executive secretary of Bailey County Chapter of the National Foundation of Infantile Paralysis, this week received a five year pin and a certificate of appreciation from the National Foundation which stated as follows:

"In appreciation for five years service with the National Foundation for Infantile Paralysis, Mrs. Clyde Holt is awarded this Certificate of Recognition. Your contribution to the fight against infantile paralysis is measured not only by what you have accomplished within your own chapter, but by the progress of the scientists whose work you have helped make possible".

(Signed) "Basil O'Connor, President
"The National Foundation for Infantile Paralysis, Franklin D. Roosevelt, Founder".

HERE FOR HOLIDAYS

J. B. Moore, student at A. & M. College, College Station, was home for the Easter holidays to visit with his parents, Mr. and Mrs. J. M. Moore and other relatives and friends. Other guests over the weekend in the Moore home were their daughter, Mrs. Murray Simmons and family, of Roby.

The Journal Want Ads always gets results.

Hunkes Are In New Location

Hunke Electric company is now in their new home across from King Bros. elevator north of the tracks. The Hunkes are open for business and welcome the people to drop by any time even though there are still some finishing touches to be made on the new building before the official opening. The new building which features a large warehouse and plenty of display room, is 100x20' and plenty of parking space is available for customers.

WEEKEND GUESTS

Weekend guests in the home of Mr. and Mrs. John Benson were Mr. and Mrs. D. C. Hensley and children, Charles and David, Clovis, N. M.; and Mr. and Mrs. Burnis Pierson and children Gloria Jean and Dennis of Canyon.

Want to feel like a pilot feels?

HOTTEST BUICK IN HISTORY
No wonder you see so many '55 Buicks on the highways — they're rolling up bigger sales than ever before in history — topping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflo*

We're not kidding.

When you try a '55 Buick with Variable Pitch Dynaflo, you'll feel like a pilot does when he heads his plane down a runway for take-off.

For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another way for better gas mileage in cruising.

Your propellers are whirling in oil, deep inside the Dynaflo unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.

But when you want instant acceleration—for quick getaway, or for a sudden safety-surge of emergency power—you just press the pedal way down, and—with absolute smoothness—you get

the action you want, and split-second quick.

It's the thrill that's the talk of the industry—performance unlike anything you have ever known before on the ground.

And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.

So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflo—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Local Delivered Price of the 1955 Buick SPECIAL Sedan, Model 48 (illustrated) is less than some models of the best-known smaller cars! Come in and check it!

Said a sleuth: Ah! The mystery's unraveled! About cars that "take off like a javelin." But with Dynaflo's switch Of its Variable Pitch— You were here. Now you're there. Boy, that's travelin'!

(Why don't you try a Buick?)

TEXAS SMALL CROP PROSPECTS

Dry weather, record freezes and blowing winds in the past few weeks have done their bit in adding to the burdens of Texas farmers this year. Many crops not actually destroyed were severely set back, meaning millions of dollars lost in time, labor seed and crop value.

The peach crop will be all most a complete failure in Texas as well as nine other early southern states. The freezes which took the peaches also caused extensive damage to early season vegetables in the state.

Most late spring potatoes in Central and Northeast Texas were frozen to the ground and harvest will be delayed two to three weeks. Early acreage watermelons of the Lower Valley and Falfurrias areas were not damaged by the cold but have suffered some damage from high winds. Considerable acreage in South and Central Texas was lost but not late enough to prevent replanting. The real problem was whether or not enough moisture would be available for re-seeding.

Also in South Texas, low temperatures delayed maturity of early spring tomatoes and high winds whipped vines and scarred the fruit. The real tomato loss was in Eastern and Northeast Texas. Most tomatoes at Yoakum and early sections were killed. In the Jacksonville area, limited acreage which had been set was killed and considerable damage was suffered by plants in cold frames. Replanting will depend on the availability of plants.

A few cantaloupes were lost in the Winter Garden area but no damage to this crop occurred

80 acres.

Designed for the Modern Home

Illustrated above is a Roper "arrange-able" built-in Gas cooking unit.

Naturally... it's Gas

The West Texas homemaker who is building a new home or remodeling her kitchen will be quick to appreciate the multiple advantages of a built-in gas range. They can be positioned for maximum convenience. The oven-broiler unit and convenient top burners eliminate stooping and bending. See your dealer, builder or architect. Install a modern, completely-automatic built-in gas range in your home.
