Henry Whitefield Funeral Services Held Here Friday

Funeral services for Henry Alonzo Whitefield, 70, were held November 26 at 3 pm from Muleshoe Church of Christ, with Ebb Randol, pastor, officiating. Mr. Whitefield, who had resided here since 1929, passed away November 25 in West Plains Hospital after an illness of 17 days. He was born in Nashville, Tenn., May 5, 1884. Pallbearers were Reece Lowery, Charles Lowery, Truman Lowery, Eugene Lowery, James Taylor, and J. W. Dear.

Mrs. Lillie Hall Services Conducted At Circleback

Funeral services for Mrs. Lillie O. Hall, 82, a resident of the Circleback community since 1932, were conducted at 2:30 pm Thursday, November 25, from the Circleback Baptist Church, with Minister J. E. Moore of the Muleshoe Mission Baptist Church, and Ebb Randol of the Muleshoe Church of Christ, officiating. Mrs. Hall had been a patient in the West Plains Hospital and Clinic since June of this year. She passed away at 3:45 pm Tuesday, November 23. She was born in Bonham county. Her husband, who farmed for a number of years near Circleback, preceded her in death in 1912. Survivors include a brother; Luther Slaughter, Saint Jo; three daughters: Mrs. Ollie Matney, Vernon; Mrs. Irene Holder, Archer City; Mrs. Katherine Rogers, Muleshoe; five sons: Jim, Luther, and Eual, all of Muleshoe; Logan, of Waurika, Okla.; and F. I. of Sudan. Thirty grandchildren and twenty-five great grandchildren also survive. Burial was in the Sudan Cemetery under direction of Hammonds Funeral Home, of Littlefield.

HERE FOR THANKSGIVING
Miss Mary Jean Carpenter, of Northwest Texas Nursing school of Amarillo, and Miss Jimmie F. Carpenter, student at Texas Tech, spent Thanksgiving with their parents and sister, Mr. and Mrs. H. S. Carpenter and Susie.

Treasure Trail Merchants Are Being Contacted Now; Drawings Scheduled To Be Held At 5 PM On Dec. 14

Reshuffled District 2-AA Conference Is Announced; LFD Comes In, Floydada Out

After three weeks of conferences and revisions and changes, Conference 2-AA in High School football has emerged with six teams including Muleshoe, in preparation for 1955-56 district play. Included in the conference this year, in addition to Muleshoe are Olton, Lockney, and Tulia, all in 2-AA this past season. Added to this group are Littlefield, which won 6-AA district title this season and Dimmitt, from 2-A conference this year, and minus Floydada, which goes into 5-AA next season. Superintendent Jerry Kirk of Muleshoe received confirmation of the conference lineup earlier this week, after which an organizational meeting was held to schedule conference games for next season.

Because some of the schools in the newly created district have not held their organizational meetings as yet, the schedule for next season has not been confirmed. As soon as confirmation is complete for all district play games, the schedule will be released to the Journal. The shuffling and scrambling of teams in the conference began when Littlefield was taken out of 6-AA because of the distance between LFD and some of the other teams in the district. Placing Littlefield in 2-AA caused the district to have one too many teams, and with the consolidation of 6 and 7-AA, created another area problem of district lineups. The present lineup in 2-AA should present some interesting gridiron fare for area fans next fall.

Muleshoe merchants are being contacted this week for participation in the annual Treasure Trail promotion, sponsored by the Retail Merchants committee of the Chamber of Commerce, of which Howard Cox is chairman.

Cox met with the committee Tuesday afternoon, and set the date for the Treasure Trail at December 14, with drawings to be held by all participating merchants at 5 pm, with the exception of the bank, which must of necessity hold its drawing during banking hours. Participating merchants will be given window cards and a supply of registration blanks, as well as participating in newspaper advertising of the event. Shoppers may register anytime during the day of the 14, and need not make a purchase in order to register. The merchant will display the winners name in his store window, and the winner need not be present in order to win. Merchandise will be displayed in each participating store. A full page advertisement will appear in next week's issue of The Journal listing the names of all participating merchants in the Treasure Trail. Last year about 45 merchants took part in the Treasure Trail but the committee expressed the belief that many more would take part this year.

TEC Reports Heavy Turnover Of Farm Labor In November

Maurice Oden, of the local Texas Employment Commission reports a busy month for November. His report shows that he referred 776 people to agricultural jobs, 530 of which were hired. He placed 59 crews averaging about nine people to the crew. He also referred 12 people to non-agricultural jobs, of which seven were hired, making a total of 537 placements for the month. Oden reports a surplus of labor now, and urges farmers desiring workers, either for short-time or year-round, to contact him. He plans to help conduct the Farm Labor Day Clinic to be held at the Texas Employment Commission Office in Littlefield Monday, Dec. 6 and hopes to see some of the farmers from the Muleshoe area there to interview "year-round job" applicants. Anyone desiring further information in regard to the Clinic should contact him at his office in the Muleshoe Court House.

COMPLETES BEAUTY COURSE
Bernice Hendrix, of the Main Street Beauty Shop, has just completed a course in 4-way Hair Styling at the Isabelle School of Beauty Culture in Lubbock. Her ad will be found on another page of this issue.

Goodfellows Seek Names of Children For Annual Distribution of Christmas Toys

The Goodfellows have completed their organization and are getting ready to see that all children get a package from Santa Claus this Christmas. Most of the Ladies clubs have stated that they will help in the drive to secure toys, dolls, etc., and all toys will be assembled again this year at the City Hall where they will be repaired and packaged for the young boys and girls. The Goodfellows are thankful for the movie that Howard and Jean Cox are giving December 7. The only admission to the movie that night is to bring a toy, doll, or anything that a child can use as a gift for Christmas. As you know no personal mention is made of the people who work in the Goodfellow cause, and all you have to do to help is to contact one of the Goodfellows and he or she will see that you are given a job. Last year 141 children were given a Santa Claus visit; more will be helped this year.

Williams Farm Sale Set Dec. 13

Glen Williams and Conrad Williams are announcing a public auction sale of farm equipment at the Glen Williams place Monday, Dec. 13. The sale will begin at 10 am and ladies of the Monument Lake Methodist Church WSCS will serve lunch. Glen Williams recently was elected county judge of Bailey County and he is closing his farming operations and will move his family to Muleshoe. The place is 32 miles southwest of Muleshoe, 30 miles northwest of Morton, 10 miles north and 3 west of Goodland, or 1 mile north and 3 1/2 miles west of Stegall. A list of the property to be offered at auction will be found on another page of this paper. Col. Kenneth Bozeman will cry the sale, which will be clerked by Tom Morgan.

Goodfellow Movie At Cox Drive-In To Benefit Needy Kids

Any new or usable second-hand toy will be sufficient admission to Cox Drive-In Theatre Tuesday night, for the special Goodfellow benefit showing of Dan Dailey in "The Kid From Left Field." All toys donated for the special feature film will be used by the Muleshoe Goodfellows to be distributed to needy children at Christmas time. Howard Cox, manager of the theatre said this week that only toys would be accepted as admission to the theatre for Tuesday night, and that he hoped a large number of donations of toys would be made for the needy children.

Rites Held Tuesday For Tom D. Lewis, A Former Resident

Funeral services were conducted at 2 pm November 30 for Tom D. Lewis, 64, of Halfway community, a former Muleshoe resident. Rev. J. Henry Cox, pastor of Olton First Baptist Church officiated, with interment in Plainview Memorial Park. Mr. Lewis passed away Sunday in a Plainview hospital following a heart attack. He moved to Halfway community in 1951 from Muleshoe where he had resided for 25 years. He lived at Lampasas before moving to Muleshoe. He is survived by his wife; two daughters, six sons, three brothers and three sisters.

Financial Reports Of School Year Offered Patrons

Copies of the 1954 financial statement of Muleshoe Schools are available on request at the Superintendent's office. Superintendent Jerry Kirk announced this week that school patrons may obtain copies of the financial statement by coming by his office and asking for them.

1955 Cotton Acreage Allotment For Bailey County Set at 102,986 Acres; Notices Being Mailed By ASC

Scouting Film At Lions Club Meet
A full-color sound movie on the value of Boy Scouting was enjoyed by the Lions Club at their weekly luncheon meeting at Gerald's Cafe this week. The program was presented in connection with the recent organization of a second Boy Scout troop in Muleshoe under the sponsorship of the Lions club. O'Neil Rockey, Scoutmaster of the new troop spoke briefly before the film was shown, explaining that the troop now has five members, and is growing with each meeting.

Santa Claus, complete with bright red fur trimmed suit and high black boots will be in Muleshoe at 2:30 pm Saturday, December 4, on the C & H Chevrolet lot. Santa will arrive aboard one of the big red fire trucks of the Muleshoe Fire Department and will visit with the kiddies and pass out gifts of candy to all who come to see him. Santa will spend considerable time talking to the youngsters, finding out whether they have been good boys and girls, and hearing what they hope to find under the Christmas tree this year.

Not only will he be here Saturday, but will return next Saturday, December 11, and again on the 18th, as well as putting in an appearance December 14, date of the gigantic Treasure Trail day in Muleshoe. In addition, the jolly old gentleman will be in local stores and on the street every day during Christmas week, up to and including Christmas eve. So it is probable that every child who goes downtown will have an opportunity to meet the kindly old gent, and whisper each cherished dream into his receptive ear. Christmas decorations have been put up on downtown streets and local merchants have their fabulous stocks of Christmas gifts and toys on display this week in preparation for the rush of Christmas shoppers.

Street decorations include garlands of colored lights across main streets, plus gay yuletide decorations on lamp standards on Main street. A special home decorations contest is being sponsored by the Muleshoe Chamber of Commerce for home owners here. Prizes amounting to \$50 will be awarded homes judged best by a secret committee of judges, according to manager Ray Franz. The judging will be held at a secret time between Dec. 17 and 21, and first prize of \$25, second prize of \$15, and third prize of \$10 will be announced in the December 23 issue of The Journal. Entry blanks will be published in The Journal next week, and all householders are eligible to enter the contest, Franz said. Howard Cox is chairman of the Christmas program committee.

Good Cattle Sell For Good Prices

The Hi-Plains Polled Hereford Association held its third annual sale at Clovis, N. M., November 20, selling 32 bulls for an average of \$367 each and 10 heifers at an average of \$308 each. Top sale bull was sold by Jim Gill, Coleman, Texas, for \$1,500. Redwine & Osborn, of Muleshoe, sold the next high bull for \$1,200. Allen Gill, of Coleman, sold his bull for \$1,000 and Sam A. Hughes, Carlsbad, N. M., sold the top heifer for \$900. Directors of the Hi-Plains association are Dr. A. E. Lewis and A. E. Redwine of Muleshoe; F. T. Schlenker, Friona; Royce Pamber, Portales, N. M.; W. O. Dunlap, Jr., Tatum, N. M.; and secretary is Jesse M. Osborn, Muleshoe.

HOME FOR HOLIDAYS

Roger Gorrell, student at the University of Texas was home over the Thanksgiving holidays, visiting his mother Mrs. Lula Gorrell and friends here.

TO DALLAS

Mr. and Mrs. Wilcy Moore are planning to spend this weekend in Dallas with friends.

E. R. "Jiggs" Baker Funeral Rites Read At Morton Nov. 27

Funeral services for Elvis Ray "Jiggs" Baker, were held at the First Baptist Church in Morton at 2 pm, November 27. Cause of death was listed as the accidental discharge of a gun, which Baker was taking out of a closet, and discharged as he reached to pick it up. His wife was in the garage at the time of the accident, Wednesday, Nov. 26. Mr. Baker had moved to Lubbock one week prior to his death, from Denver City. He had recently opened the Steak House in that city. Jiggs attended grade school in Muleshoe, and the family moved to Morton in 1935. Singleton Funeral Home of Morton was in charge of services, with interment in Tech Memorial Park in Lubbock. He is survived by his wife; two daughters; Donna, eight, and Kay, who is seven; his parents, Mr. and Mrs. A. Baker, of Morton; three brothers, "Butch" of Muleshoe, Ray of Denver City, and Don of Morton.

New Shamrock Service Station and Cafe To Open Friday and Saturday

Friday and Saturday of this week mark the opening of the new Redwine Shamrock Service Station and Leigon Shamrock Cafe on west highway 70-84 in Muleshoe. The new modern service station is owned and operated by J. O. and D. L. Redwine, and features Shamrock gasoline and lubricants and Goodyear tires and tubes. Opening days will feature free gifts for all who attend the formal opening. Leigon Shamrock Cafe will give free coffee and donuts to all who visit their new

and modern cafe and Shamrock Service will give a five pound sack of sugar to all who purchase 10 gallons or more of Shamrock gasoline during the two day opening. Leigon Shamrock Cafe is operated by Mr. and Leigon, formerly of Lovelland

The Leigons have four children, and plan to move to Muleshoe as soon as housing arrangements have been completed. J. O. and D. L. Redwine are well known Muleshoe residents. Leigon has resided here several

Lee And Upton Engagement Announced

MISS NANCY SUE LEE

Mr. and Mrs. Leland C. Lee, of Dimmitt, announce the engagement and approaching marriage of their daughter, Nancy Sue, to Joe D. Upton, son of Mr. and Mrs. Onard Upton, of Muleshoe.

The wedding will take place on December 23, at the Church of Christ in Dimmitt.

Fox Home Setting For Xmas Party

The lovely home of Mrs. Sam Fox was the setting for the Christmas party of the Wesleyan Sunday School class, Wednesday afternoon, December 1.

Beautiful decorations were in the Christmas motif. Mrs. Buford Butts, who was in charge of the program for the day spoke on "Let's Keep Christmas". Answering roll call, each one present gave some Christmas tradition. Each one then wrote a letter to Santa, and Mrs. Gilbert Lamb won the prize for the best letter.

Christmas music was played softly in the background throughout the afternoon to fur-

ther add to the festive occasion. Refreshments of sandwiches, olives, potato chips, coffee, and punch, were served by Mrs. Fox. One visitor attended the party. She was Opal Jean Pool. Members present were Mmes. Buford Butts, Jim Burkhead, Morris Childers, Clay Beavers, A. J. Gardner, Arnold Morris, F. B. Pierson, O. S. Richards, M. Wilterding, A. A. Young, E. O. Gregory, Gilbert Lamb, and Clarence Stephens.

JETER IMPROVES

The Journal learns that Earl Jeter, former Muleshoe man, now living with his family at Springdale, Ark., is improving nicely after undergoing surgery. A leg was removed and Mr. Jeter now has his new artificial leg and is getting along with it just fine.

MR. AND MRS. RICHARD BARNETT

Vera Lou Priddy And Richard Barnett Wed In Candlelight Ceremony At Clovis

Soft candlelight and pink set the scene for the recent afternoon wedding service uniting Miss Vera Lou Priddy, daughter of Mr. and Mrs. Jack Priddy of 1320 Axtell, Clovis, N. M., and Richard P. Barnett, son of Mr. and Mrs. C. A. Barnett of Muleshoe.

Rev. William A. James read the double ring service in the First Presbyterian Church. A lovely altar setting was arranged before a background of palms. Pink hand-dipped cathedral tapers in a graduated candelabra gave a pyramid effect.

On the floor where the bridal party stood, the highlight was an arch covered in greenery and pink mums, with a pink flocked wedding bell hanging in the center. The arch was flanked on either side by large baskets of pink mums and palms. A white satin kneeling bench centered the arrangement.

A white runner marked the bridal aisles. Pews, marked with pink satin bows and large pink mums, completed the church decorations and further emphasized the bride's chosen theme of pink. Given in marriage by her father, the bride was attired in a gown of white Chantilly lace and nylon net. The molded bodice of lace had a portrait neckline outlined with pleated illusion. Chantilly mitts tapered to points over her wrists. The bouffant skirt of alternate panels of illusion and lace extended into a circular train. Her chapel length veil of illusion and lace fell from a small jeweled crown.

Tradition was followed by the bride with a family heirloom bracelet for something old and borrowed earrings from the matron of honor. A string of pearls, a gift from the groom for something new and the traditional

blue garter and an old coin were the final touches. For her bridal flowers, Miss Priddy carried a cascade arrangement of white tea roses and white orchid accented by loop streamers and leaves of seed pearls.

Miss Jean Arnot, organist, played a prelude of nuptial selections and accompanied Dick Daugherty in singing "Because", "I Love Thee" and "The Lord's Prayer". The traditional marches were used for the processional and recessional.

Mrs. Bill Williams attended the bride as matron of honor. Bridesmaids were Mrs. Winfred Crosby of Amherst, and Mrs. Hank Paskowitz, Miss Janice Garrison, cousin of the bride, was

flower girl.

They wore identical gowns of antique taffeta in iridescent mauve design in fitted bodices, and ballet length skirts. Pink satin cummerbunds met in the back to form dress length flouncers. Their bandeau were also of pink satin. Pink rosebuds and croton leaves in crescent shaped bouquets were attached to matching mauve muffs.

Miss Freeda Daugherty and Charles Richardson, cousins of the bride, were candlelighters. Miss Daugherty's gown was

identical to attendants' dresses. Forrest Wade, Jr., was the best man. Groomsmen and ushers were Charles Roark and Bill Gaede.

Mrs. Priddy, mother of the bride, wore a grey wool dress with winter white accessories. Mrs. Barnett, mother of the groom, wore a Copenhagen blue wool dress with white accessories. Both had orchid corsages.

RECEPTION FOLLOWED Following the ceremony, the bridal party was feted at a reception in the church lounge. The bridal party greeted guests at the guest's book. Laid with a white hand cutwork linen cloth, the serving table was centered with a tiered wedding cake and pink and white centerpiece. Assisting with the serving were

Miss Doris Ann Fields and Miss Shirley Mathiesen.

The couple left immediately following the reception, for a wedding trip to New Orleans. For traveling, the bride wore a brown imported flannel suit with brown accessories and a white orchid corsage.

Mrs. Barnett was graduated from Clovis High School. She attended Eastern New Mexico University, where she was a member of Sigma Beta Chi. Until her marriage she worked at the Clovis Air Force Base. Mr. Barnett was graduated from Muleshoe High School and attended Abilene Christian College in Abilene, before entering the Air Force. The couple plan to make their home in Lubbock, where he will resume his studies at Texas Tech.

Mollie Jordan And Bill Stinson Are Wed On Anniversary Of Bride's Grandparents

On the wedding anniversary of her maternal grandparents, November 27, Miss Mollie Jordan became the bride of Mr. Bill Stinson in a ceremony performed at the home of her parents.

The bride is the daughter of Mr. and Mrs. Emmitt Jordan, of Kaufman. She graduated with honors from Texas Technological College where she was president of Theta Sigma, honorary Journalism fraternity, editor of the Candle, Phi Upsilon Omicron magazine, vice-president of Forum, an organization of thirteen senior girls selected for their leadership in campus activities, a member of Alpha Chi, honorary organization for juniors and seniors, and the Home Economic Club. While at Texas Tech, she received the Lubbock Panhellenic Society Scholarship for her freshman year and the Borden Company Foundation Scholarship for her senior year for scholastic achievement in the division of home economics. She was also listed in Who's Who in American Colleges and Universities.

The bridegroom is the son of Mr. and Mrs. C. C. Stinson, of 4014 twenty-first street, Lubbock. He served four years in the Air Force and is now a junior student at Texas Tech.

The bride was given in marriage by her father. She wore a two piece royal blue velvet dress trimmed with seed pearls and a white hat embellished with pearls. She carried a cascade bouquet of carnations centered with a white purple-throated orchid.

Rev. Foy Thomas performed the ceremony. Mrs. Phil Sterker presented violin music. She was

Gregory-Wisian Engagement Told

MISS BETTY GREGORY

Mr. and Mrs. Jim Gregory of Earth, are announcing the engagement and approaching marriage of their daughter, Betty, to Hilbert Lee Wisian, of Springlake, son of Mr. and Mrs. Hilbert Wisian.

The wedding will take place at the Earth Methodist Church, Sunday, December 19, at 4:00 in the afternoon.

All friends of the couple are invited to attend.

High Winds Cause Two Cotton Fires

High winds caused two minor cotton fires Friday, with little damage done in either fire.

Friday afternoon, two trailers of cotton caught fire from burr burner sparks at the Co-op gin here, but city firemen quickly extinguished the blaze before much damage was done.

Gin employees hastily removed trailers from nearby to prevent the fire from spreading on the gin lot.

Friday night, a small fire was reported at Progress gin, caused by the burr burner, but local firemen reported slight damage.

CHILDREN WERE GUESTS

Mr. and Mrs. N. C. Moore had as dinner guests in their home Thanksgiving day their children, Don Moore and family, Wiley Moore and family, and Mr. and Mrs. Bob Glass and family. Also, his brother Wiley Moore and wife, of Hollis, Okla. The Mr. Moore of Hollis is Wiley's namesake, and is the former relief pitcher for the New York Yankees.

Friday, the elder Wiley Moore and Mr. and Mrs. N. C. Moore, drove to Carlsbad, N. M., where they toured the Caverns. The Moores returned to their home in Hollis Saturday.

Funeral Services For Doris Dorsey Held Here Nov. 24

Funeral services for Doris Daphne Dorsey, were conducted at 2:00 pm Wednesday, November 24, from the First Baptist Church of Muleshoe.

Doris Daphne was born April 17, 1935, at Muleshoe, and was nineteen years of age. She passed away at the West Plains Hospital, where she had been a patient for some two weeks, at 5:45 am, Tuesday, November 23.

Rev. J. E. Moore and Rev. E. K. Shepherd officiated at the funeral services. Interment was in Muleshoe cemetery, with Singleton Funeral Home of Muleshoe, in charge of arrangements. Pallbearers were Bill Kelton, Clifton Finley, Clarence Wilhite, Doc Wilhite, Spud Thomas, and Arch Fowler.

Survivors include her mother and step-father, Mr. and Mrs. Murl Stevenson, three brothers: Gaylon Dorsey and wife, Ft. Worth; Dewey Dorsey and family, Corona, Calif.; and Weldon Stevenson, of the home.

Out of town relatives attending funeral services included her grandparents, Mr. and Mrs. C. G. Nicholson, of McClean; Mr. and Mrs. L. H. Nicholson and Mrs. Sam Jones, McClean; Mr. and Mrs. Troy Dorsey, Canyon; Mr. and Mrs. Delmar McCarty and daughter, Mrs. Oran Dorsey, Mrs. Ernestine Wallace, and Mr. and Mrs. Clay Crossland, all of Pampa; Mr. and Mrs. C. R. Stevenson

and Mr. and Mrs. Glenwood Bona, Borger; Mr. and Mrs. Bub Shafer and family, Tatum, N. M.; and Mr. and Mrs. Robert Reagan, of near Muleshoe.

Former Residents Adopt New Babies

Two sisters of Mrs. Margaret Collins and their husbands recently were enabled to adopt babies simultaneously. Both couples live in Corcoran, Calif.

Mr. and Mrs. Pat Hargrove adopted a baby girl, Susan Gail. They have a daughter, who is now 16. Mrs. Hargrove is the former Lillian Roach, of Muleshoe.

Mr. and Mrs. Earl Wilkins, who were childless, adopted a boy, Earl Lee, who is only three days older than Susan Gail. Mrs. Wilkins is the former Christine Roach, of Muleshoe. The two couples have had their applications in for a long time and are overjoyed at the successful end to their efforts.

Girl Cagers Pound Farwell 49-37 In Home Game Monday

The Muleshoe girls basketball team got the "54-55" season off to a roaring start Monday night, defeating the Farwell girls 49-37 in the first scheduled game of the fall season, after a number of scrimmage games earlier this year.

Farwell got the toss at the beginning of play, but fine defensive work by the locals rang up 10 points for the home team in the first two minutes of play. The local defensive trio kept Farwell from scoring until three minutes before the first quarter whistle, at which time the Mulettes had racked up 12 points, and when the first stanza ended, the score was 18-4 favoring the Mulettes.

The second quarter ended with Muleshoe leading 28-17, after some fine heads-up ball playing by both teams. Scoring increased steadily for both sides in the third quarter, which ended in Muleshoe's favor 41-28.

Farwell scored 16 points on field goals and 21 on free throws. Muleshoe's field goals totaled 36, and free shots 16.

High pointer for Farwell was Hulfaker with 15 points.

Jean Montgomery, Mulette post forward racked up 23 points, and Barbara Douglass scored 17 points. Donna Wright scored 8 points.

The next game will be December 7, at Friona. A complete schedule was printed in the last issue of The Muleshoe Journal.

ATTEND PHILCO MEETING
Mr. and Mrs. E. E. Dyer, Mrs. Roy Dyer and Mrs. Howard Cox attended a Philco meeting in Amarillo, Monday.

VISITED PARENTS
Mr. and Mrs. Vance Wagnon and daughters Delores and Mrs. Charles Mayhugh and daughter, visited in Atkin, Okla., over the Thanksgiving holidays, with Mrs. Wagnon's parents, Mr. and Mrs. R. R. Shook.

DINED AT LAVISTA
Mr. and Mrs. Lonnie Arnold met her sister and brother-in-law, Mr. and Mrs. Oscar Stancell, of Plainview, at the LaVista in Clovis, N. M., last Thursday and enjoyed a Thanksgiving dinner.

Miss Marlene Cargile and Don McDonald Married In Afternoon Ceremony Nov. 21

MR. AND MRS. DON McDONALD

(Photo by Cline)
The Lazbuddie Baptist Church was the scene at 4:00 o'clock in the afternoon, November 21, of the wedding of Miss Marlene Cargile and Mr. Don McDonald.

Vows were repeated before an archway of candelabra and white gladiolus, flanked by large baskets of white and pink chrysanthemums and greenery.

The Rev. H. L. Morris read the double-ring ceremony.

Glenise Holly, soloist, sang "I Love You Truly", and "The Lord's Prayer". She was accompanied at the piano by Miss Jay McDonald, sister of the groom, who also rendered the traditional wedding marches. Miss Holley is a cousin of the bride.

Parents of the couple are Mr. and Mrs. D. W. Cargile, of Route 1, Muleshoe, and Mr. and Mrs. J. H. McDonald, of Farwell.

Given in marriage by her father, the bride wore a lovely in a traditional gown of white tulle and lace over satin. Fashioned with a bodice and peplum of lace, the dress featured a high neckline and sleeves which came to points over the hands. The bouffant skirt was waltz length.

A tiara of seed pearls and sequins caught her fingertip length veil of illusion. She carried a bouquet of pink feathered carnations on a white Bible.

Bridesmaids, Clara Jean Jesko and Imogene Trieder, wore dresses of blue tulle over taffeta, featuring sweetheart necklines edged in seed pearls, and waltz length skirt. Their blue veils were attached to white hats, and they wore blue mitts which were sprinkled with seed pearls. They carried crescent bouquets of pink carnations.

Danny Rue Cargile was her sisters maid of honor. She wore a waltz length dress of blue tulle over taffeta, with a Chantilly lace redingote. A blue veil fell

from her white lace hat, and she wore lace mitts. Her crescent bouquet was of white carnations.

Candlelighters, Louise Ham and Glenda Hall wore pink waltz length dresses of tulle over taffeta and pink carnation shoulder corsages.

Best man was Paul Jesko, and ushers were Joe Cox, Farwell, and Max Crim, of Muleshoe.

At the reception which followed, guests were registered in the bride's book by Mrs. Juel Trieder, Clara Jean Jesko, Imogene Trieder, Louise Ham, and Glenda Hall, presided at the bride's table, which was laid with a white crocheted cloth over blue, and centered with a white floral arrangement and candles. On one end of the table was the punch service, while at the other end was the three tiered wedding cake, which was topped with a miniature bride and groom standing under an archway.

For a wedding trip to Carlsbad, N. M., the bride wore a black velveteen suit with ice blue accessories and a pink carnation corsage.

The couple will be at home near Lazbuddie, where the groom will be engaged in farming.

Out of town guests attended from Brownfield, Littlefield, Sudan, Afton, Farwell, and Paducah.

Goodland Bible Study Club Met In L. A. Tippie Home; Brenda Griffith-J. I. Perrin Share Birthday Honors

BIBLE STUDY MET

The Goodland Bible Study Club met in the home of Mrs. L. A. Tippie, Tuesday afternoon, November 23, and studied the 15 and 16 chapters of Acts.

Mrs. Frank Knox prepared the questions covering the lesson.

Members present were: Mmes. Tommy Galt, Leon Reeves, Cass Stegall, Louise Jordan, Pete Tarlton, Clint Everett, Frank Knox and the hostess.

Thanksgiving refreshments of pumpkin pie and coffee were served.

BASKETBALL TEAMS PLAYED AT BLEDSOE

The High school girls and boys basketball teams played at Bledsoe Tuesday evening. The girls, although showing improvement, were defeated. The boys won their game.

BASKETBALL TOURNAMENT FOR GRADE SCHOOLERS

Grade school basketball teams will play in the Bledsoe tournament this week. Sam Green is coach for the girls and the boys' coach is Mr. Spears.

FLEW TO OKLAHOMA

Mr. and Mrs. Conrad Williams and children flew to Oklahoma in their private plane, to spend Thanksgiving with relatives.

TO ARKANSAS

Mr. and Mrs. Clyde Lines and Clyde, Jr., spent Thanksgiving in Arkansas.

MRS. BAILEY VISITS IN ANTON AND LUBBOCK

Mrs. Florence Bailey visited relatives at Anton and Lubbock over the weekend. Among those she visited were nephews Johnny and Clinton Joiner.

GUESTS OF POLLARDS

Mr. and Mrs. Glenn Williams and daughters Betty and Gwyn, of Muleshoe, were guests in the Carl Pollard home Friday.

SPENT HOLIDAYS AT CHILDRESS

Mrs. Helen Gay, Home Economics teacher at Three Way, spent Thanksgiving weekend at Childress.

IT'S A GIRL

Mr. and Mrs. Edwin Neutzler are the parents of a daughter, Rena Faye, who arrived at the Cochran County Hospital, November 25.

The little lady weighed 7 lbs., 12 oz. at her arrival.

The Neutzlers also have a son.

GRIFFITH-PERRIN OBSERVE BIRTHDAYS

Brenda Griffith shared birthday honors with her cousin, J. I. Perrin, of Morton, with a turkey dinner in the Griffith home, Friday, November 26.

Guests were Mrs. Frank Perrin and children Patsy and Junior, of Morton; Misses Sue Warren,

and Virginia Pollard.

VISITED AT LUBBOCK

Mr. and Mrs. Andrew Wittner and Mr. and Mrs. Billy Knox, spent Thanksgiving in Lubbock with Mr. and Mrs. R. B. Wittner.

4-H Boy To Receive Two Awards, Plaque For Corn Production

Doyle Turner, Pleasant Valley 4-H boy, not only won top honors in the 1954 Texas Hybrid Corn Production program but set a new all-time yield record in doing it. His Texas Hybrid 30, under irrigation, made a whopping 204.3 bushels an acre. This compares with a state average of 80 bushels an acre.

The program is sponsored by the Texas Certified Hybrid Seed Corn Growers Association. E. S. Fry, San Antonio, is president; M. D. Lacy, State Department of Agriculture, Austin, secretary-treasurer of the Association and W. B. Coke, extension agronomist supervised the program.

Doyle irrigated his crop four times. He followed the recommendations from the A & M Soils Testing Laboratory by using 200 pounds of 16-20-0 fertilizer at planting time. A side-dressing of nitrogen was also recommended but by date Doyle planned to make the application, the corn was too tall. Three tons of composted cotton burs were plowed under 12 inches deep in January and he spaced the plants 13 inches apart in the row.

He will receive two \$50 awards, one for first place in his area and another for "Champion Corn Grower of the State" and a plaque for top yield under irrigation.

J. H. Moore, Jr., of Bowie county produced 123.8 bushels an acre to top the field in the nonirrigated class. He too used Texas Hybrid 30. No fertilizer was used because soil tests showed none was needed. A crop of vetch and oats was turned under in March prior to planting. He used 12 inch row spacing. He will receive a \$50 area award and a plaque as the state's top dryland corn grower.

Other winners by areas, their yields and hybrid used were as follows. In the West and South Texas irrigated area following Turner were second Alphonse Huseman, Castro county, 158.9 bushels and Texas Hybrid 28; third Royce Turner, twin brother of Doyle, Lamb county, 158.6 bushels and Texas Hybrid 30; fourth Joe Nelson, Castro county, 137.4 and fifth E. L. Hochstein also of Castro and both planted Texas Hybrid 28.

Coke points out that Texas Corn Hybrids were first available in 1941 and have each year since increased in popularity. This year, he says, 72.5 percent of all corn planted in the state was planted to hybrids. All hybrids used in the program, he adds, were developed by the Texas Agricultural Experiment Station.

VISITED IN LUBBOCK

Mr. and Mrs. J. L. Alsop spent Thanksgiving day in Lubbock with her mother, Mrs. R. B. Sparks. Mrs. Lloyd Alsop also visited in Lubbock over the holiday with her mother, Mrs. Lillian Batey.

Holt Wins Medal In Gruelling Race

Hasn't been much heard of Jimmy Clyde Holt since he became a freshman at the University of Texas with a four year scholarship for track, but now we learn Jimmy is carrying on down there just like he did at Muleshoe high.

In a two and a quarter mile race at Houston Nov. 20, under AAU auspices, Jimmy came in 6 in a group of 100 boys and won a nice medal. He was the only freshman to win a medal. Jimmy starred in track, football, and basketball at Muleshoe high.

His parents went down to Austin for the A & M and Texas Thanksgiving Day game and Jimmy came home with them to spend the weekend.

CROP Now Offers 20-1 Returns For Overseas Relief

By Rev. Carrol M. Jones
District CROP Director

The Christian Rural Overseas Program an agent of Church World Service now offers twenty dollars of relief to the destitute people of other lands for each dollar that you contribute. Twenty bales of cotton will go to war weary Korea for every bale of cotton you may give. A ton of grain will go to starving people for every 100 pounds of grain that you give.

This tremendous increase comes out of government surplus commodities and helps to reduce these surpluses. The government has already set aside the commodities. Your gift (1 in 20 parts) moves the surplus into the hands of those who are unable to buy them.

Has there ever been a time when so little would provide so much? Can anyone refuse to help under such favorable conditions? Now is the time! Let a land of plenty that has been spared the ravages of war and starvation come to the aid of those who through no fault of their own are homeless, cold, and hungry! Now after Thanksgiving let us give thanks in a way that counts. May God forgive us if we fail humanity in this crucial hour while the whole world waits for a demonstration of Christian love and brotherhood!

Give cotton an amount through your gin. Give grain in any amount through your grain dealer. Give money in any amount through the local bank or mail it directly to CROP, c/o Rev. Carrol M. Jones, Muleshoe, Texas.

FROM PORTALES

Dr. and Mrs. John Coleman and daughter Susan, of Portales, N. M., and Mr. and Mrs. Bill Mayben and daughter Sherry, spent Thanksgiving day here in the home of the ladies' parents, Mr. and Mrs. Jesse Osborn.

1955 Agricultural Outlook—

Domestic Demand For Agricultural Products Depends On World Market

There is an unknown factor that could cause significant changes in the domestic demand picture. In analyzing the outlook for domestic demand, one basic assumption is made and that is

that the international situation will remain as is. Any decrease in the broad defense effort will have a tendency to decrease demand. Any increase in the defense effort will have a tendency

to increase demand. International developments should again be watched closely in 1955.

Brief Summary of Economic Factors Affecting Agriculture (Sept. 1953 vs. Sept. 1954)

On the unfavorable side: Industrial production is down. Civilian employment is slightly down. Unemployment is up. Production worker's payrolls are down. Prices received by farmers are down. Prices paid are up. Parity ratio is down. Government purchases of goods and services are down.

On the favorable side: Outlay for new construction is up. Wholesale prices of all commodities are about the same. Consumer price index is about the same.

Economic activity, a measure of demand, in 1954 has been at a slightly lower level than in 1953. In 1955, economic activity and the flow of income to consumers is likely to run near or slightly below that of 1954.

Domestic demand for food and other farm products is expected to continue high in 1955. However, there is little possibility

that it will be as high as 1954.

Government expenditures for national security purposes are scheduled for further reductions in 1955. The continued rise in State and local government expenditures will be a strong offset, but not strong enough to completely offset the expected decline in national security spending.

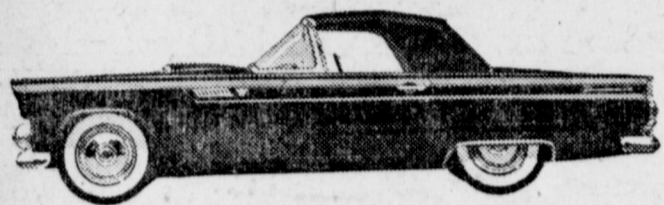

Business investments in new plants and equipment has been gradually declining through 1954 and this trend will continue into 1955 in view of the substantial expansion which has occurred in recent years.

Personal savings continued to rise into the first quarter of 1954, but since early 1954, consumer buying has increased at the expense of personal savings. However, the maintenance of consumer buying power has supported a record level of consumer expenditures for goods and services in 1954. Sales of durable goods in the first three quarters of 1954 were down 6 percent from a year earlier. Expenditures for nondurable goods were up a little with outlays for food slightly higher

This Weeks Mystery Farm

CAN YOU IDENTIFY THE MYSTERY FARM? If you are the first correctly to identify the farmstead pictured below, you will be awarded two tickets to Cox Drive-In Theatre in Muleshoe. Watch The Journal each week for a picture of an attractive farm home of the Muleshoe country.

Just phone The Journal and inform us where you live and whose farm you think this is. There will be two tickets each for the first out of city dweller and the first city resident to telephone or call at this office. Phone 5400 and 7220.

and purchases of clothing and shoes a little lower during the first three quarters of 1954 compared with the same period in 1953. Expenditures for services

continued to rise to offset the decline in sales of durable goods. Installation credit extended in the first three quarters of 1954 was down 10 percent from a year

earlier. The high level of residential construction activity seems likely to continue during 1955, reflecting easier credit terms.

Population growth will add another 2½ million consumers in 1955. However, their ability to consume will depend on the amount of money they have to spend.

Any increase or decrease in the total purchasing power will affect farm prices. With prospects for continuing large supplies of farm products in 1955 and with the prospect that domestic demand may be slightly less in 1955, the index of prices received by farmers may average lower than in 1954.

Bula Bulldogs To Meet Roaring Springs Friday For Six-Man Regional Playoffs

Scoring in the first three quarters, the Bula Bulldogs, co-champions of District 2-B six-man football, took a hard earned 19-12 bi-district title from the Pollett Panthers in a Thanksgiving Day game played at Folett. Surprise marked the game, the Panthers having a 30 pound weight advantage over the Bulldogs.

Lloyd Vaughn scored first in the first quarter on a 32 yard pass from quarterback Gerald Neel. Fullback Carl Wayne Hallford bucked over from the half yard marker to give the Bulldogs a 12-6 halftime lead. A seven yard move by Hallford in the third quarter gave

the Bulldogs a 19-16 lead, and Hallford made the other lone point after three tries. Clarence Yanks scored in the second and third quarter for the Panthers to end the scoring in the game.

Coach Claude Morrison and Supt. H. A. Reynolds of Bula met with Roaring Springs officials after the game and set the regional playoffs for next Friday night at either Floydada or Matador, Roaring Springs having won the right to choose the area of play.

Bula will receive \$75 plus half the gate receipts as their share of the game.

Roaring Springs defeated Weindert 41-40 in the bi-district game as Haskell November 18.

Bula tied with Lazbuddie for co-championship honors in 2-B district, but an 11-7 edge gave the Bulldogs the right to represent the district in the regional playoff. The team has a record of nine wins, one tie and no losses.

Things are bound to come to the man who advertises while he waits.

Methodist Church History—

Pioneer Diary Reveals Organization of Sunday School In Tent On Platform

To continue with our history of the Muleshoe Methodist church, we start with the old diary of Mrs. W. B. Gwynn, now deceased, who was one of the charter members of the church, and an entry dated November, 1913, tells of the organization of a Methodist Sunday School in the home of Mr. and Mrs. Gwynn and their home at that time was a tent erected on a wooden platform; there were no houses in Muleshoe at that time. Reverend Chester Mardis, son of Mrs. C. C. Mardis of Muleshoe, who is now pastor of the Methodist Church in Deer Lodge, Montana, came to help organize the Sunday School and Mr. Gwynn was the Superintendent. Mrs. J. L. Taylor of Muleshoe, Byron Gwynn of

Progress and Mrs. Roland Bigham of Muleshoe are children of Mr. and Mrs. Gwynn and there are six other children, all still living. Mrs. Bigham recalls that the Sunday School was held in their home for several months until they moved to the country. One of the last entries in Mrs. Gwynn's diary, in 1941, tells about Mrs. Gwynn being honored as "Queen for the Day" as the Methodist Church in Muleshoe as a charter member.

When the old Hurley Methodist congregation moved into Muleshoe in 1914 Sunday School was held in the Santa Fe depot with Reverend Watenburger presiding and Mr. A. C. Gaede, as Sunday School Superintendent.

A letter addressed to Mrs. Beulah Carles from Reverend W. M. Pearce gives much interesting information and there we find the names of Mr. and Mrs. M. F. Smith, Mr. and Mrs. W. B. Gwynn and Mr. and Mrs. A. J. Tays listed in the reorganization of the Methodist Church in Muleshoe in June, 1914. Muleshoe was taken off the Bovina Circuit in the fall of 1914 and did not have a pastor for three years, but in 1917, Brother Gaede wrote to Presiding Elder O. P. Kiker at Amarillo, asking that a pastor be sent to Muleshoe and telling him that new Methodists were moving in all the time—the Hardens, the Harts, and many others—so in November, 1917, the Conference sent to Muleshoe the Reverend D. C. Ross, who came up from Lubbock on the train twice a month.

Mrs. I. W. Harden tells us she recalls that the Missionary Society, as the W. S. C. S. was called in those days, met regularly in the homes of members.

The old church building continued to be used as a community church, and after the Santa Fe decided the present lots owned by the Methodist Church to them, in July, 1920, the Church purchased the old church building from the Golden Land Company, and the building was moved to its present location by Mr. I. F. Willman, and he had a Rumley Tractor, too. Union services were held in the church until the Methodist Parsonage was built in 1925 and a full time resident pastor was sent to Muleshoe, who was Reverend J. D. Farmer, and at that time Mr. A. C. Gaede again became Sunday School Superintendent.

In 1937 the old building was remodeled into its present floor plan and in 1942 Fellowship Hall was built with the generous help of the people of Muleshoe.

And now we are embarking upon a new project for a modern Methodist church for Muleshoe and vicinity. This project was started under the guiding hand of Reverend H. W. Hanks and will become a reality with the continuing help of Reverend Clarence Stephens, our present pastor.

QUALITY YOU CAN MEASURE By Your Car's Performance

Here is quality in the making. Shamrock's clean, modern McKee Refinery is the site and symbol of the quality you expect under the big, green and white Shamrock.

New Shamrock Cloud Master premium is quality... refined especially for today's high compression engines.

The heavy, carbon forming "Bottom End" of the crude oil is gone. Only clean burning fractions of the crude, free of gum forming copper and corrosive sulphur, are blended into this quality motor fuel. High Octane com-

ponents assure smooth power. Protective additives mean longer, trouble-free operation.

Here is quality proved in the motors of thousands of cars from Wyoming to Texas... Kansas to Arizona. If your car has a high compression engine, get the power you paid for by using new Shamrock Cloud Master Gasoline.

Shamrock Quality... measure it by your car's performance.

Your Shamrock dealer now offers new Master-matic credit service... makes credit card purchases fast, accurate and convenient.

CHRISTMAS SHOP AT HOME

Thanksgiving has passed and the official Christmas shopping season has begun. Muleshoe merchants are displaying a wonderland of exciting Christmas gifts for every person on your shopping list, from the youngest to the very oldest. Manufacturers have outdone themselves this year to provide the most tempting array of items for your choice ever assembled, and the choosing will not be easy, so large is the selection.

Shoppers will have a hard time finding a more complete or greater assortment of Christmas merchandise anywhere on the Plains, and need go no further than down town to satisfy their every want.

We urge shoppers to shop Muleshoe this year. There might be larger stores in larger towns, but we think Muleshoe merchants are offering you just as varied an array of gifts this year as may be found anywhere.

Prices are reasonable at home, service is better, and you keep Muleshoe money in Muleshoe to help the growth of your town.

Shop at home this Christmas.

SAND HILLS PHILOSOPHER SAYS—

Wants "Going To Washington For Help" Reserved Mostly For Americans

Editor's note: The Sand Hills Philosopher on his Johnson grass farm must be planning on asking Washington for help, his letter this week indicates.

Dear editor:

In nearly every paper I've run into out here lately there's been an article about the leader of some country payin a visit to Washington, and I started keepin count of em.

In the last thirty days the Premier of France, the Chancellor of Germany, the ex-Queen of England, the Premier of Japan, the Prime Minister of Sweden, the Prime Minister of Denmark, the Prime Minister of Ceylon, the King of Greece, the Emperor of Ethiopia, the President of Turkey and the Governor General of Canada, all have paid visits to Washington.

This is a pretty impressive list and lends considerable authority to the idea that Washington is now the center of the world, and while it's not my job to be advisin Washington, I would like to suggest that the people up there not let this thing go to their head.

While the purpose of so much visitin no doubt is laid to cementing good relations and seekin advice, I would like to cau-

tion Washington to go a little easy. When a man goes in to see his banker for advice, it generally ain't advice he's seeking, but a loan. He already knows what he wants to do, he's in there just to see if he can swing the money to do it with.

If all these countries want advice, they got telephones and could call up Washington and get it, but I have a feelin advice ain't it at all.

Of course it's only natural that they should go to Washington for money, but that's the trouble with spreading our form of government too far. As I understand it, goin to Washington for money is an American heritage, perfected by years of painstaking effort by every American who ever sought help from that source, which takes in practically everybody in one way or another, and while I would be the last to argue against such a system, I think you can spread the notion too far out.

It's one thing to preach the American system throughout the world, but there are some aspects of it we ought to reserve for ourselves, and goin to Washington for help tops the list.

Yours faithfully,
J. A.

GUESTS FROM AMARILLO

Saved From The Round File

By
Carroll Pouncey

Wonder how many people who signed petitions asking that the McCarthy censure hearings be discontinued even know why it is proposed that he be censured. It is plain that the censure is for the purpose of chastising Joe for his treatment of fellow senators and others during his recent three ring circus, and not because he is hot after the scummunists.

Hope folks will get straightened out on this score before they go too far into something they know nothing about.

As far as we know, there are no petitions now being circulated either for or against the censure hearings, here in Muleshoe. But our mail is bulging every day or so with broadsides from either the anti-McCarthy forces or old Joe himself.

Actually, not many people really care whether Joe is censured (whatever that will amount to) or not, but the urge to get on the bandwagon is strong, and the herd instinct is stronger, especially in the big cities. This accounts for a lot of the sound and fury, we think.

Have you heard anything about some aircraft company planning to build a huge plant out in the sandhills. Thought so, for this one has been cropping up periodically for over a year now, and no one knows anything about it except they heard it.

Actually, it may not be anything more than wishful thinking, but the idea is not impractical at all. We have a lot of water, cheap power, and the government's de-concentration program for spreading industries out into the hinterlands away from the large populations masses will probably cause some such things to actually happen.

It would be nice if it did happen, and if you hear anything let us know.

How do you like the new cars? Most of them are out now and those who can afford to must be having a hard time making up their mind about which of the new beauties they want this year. Think this year has brought out more really graceful looking cars than any since 1935.

How many thousands of dollars would you guess is spent out of town by folks who live in Muleshoe, and who depend on our town for a livelihood. Probably the figure, if it were known, would be surprising, because it seems pretty certain that there are a lot of our folks who think that just because a salesman is from another and larger town, he can offer them better merchandise than they can get at home. It ain't necessarily so.

Not only that, but how much do these out of town peddlers do for Muleshoe. They take it all out of town, and spend little more than the price of a meal once or twice a week here.

When all the fund drives are held, how much does the peddler contribute to Muleshoe's welfare.

Babson Discusses— Babson Looks Ahead 50 Years

Babson Park, Mass., Dec. 2 — Part of our Fiftieth Anniversary celebrated recently in Wellesley, Mass., was spent looking ahead fifty years to the year 2004. Dr. E. F. W. Alexanderson, a disciple of Steinmetz and a long-time engineer-researcher for General Electric and the Radio Corporation of America, made some startling statements. If he and the other speakers did not hold such very important positions today, we would take these statements "with a grain of salt", but under the circumstances they deserve attention. Here's what we predict for fifty years from now.

ON OUR TREMENDOUS MATERIAL PROGRESS
Our offspring will look back on the 1954 era as one of primitive existence. Automation will have taken over completely, not only in the factory, but also in the home and on the farm. For example, Dr. Alexanderson predicts that the business executive will live in the country and commute to work by helicopter over a special frequency air line channel which will pilot his plane automatically and safely to its destination. The busy business executive won't have to go to the office so often, for he will have private TV circuits between his home and his office and can go into conference or look in on any part of his factory by means of numerous television eyes. He will be able to go to his summer place in the mountains and, again by means of private TV circuits, see and talk with his children back home. By the same means, he can look in on his cattle or into his chicken house. A button pushed at his mountain house will carry an impulse via short wave to the chicken house back on the farm, and the chickens will be fed and the eggs collected, sized, and boxed, automatically.

Machines will be powered by atomic capsules, and by 2004 we will consume as much power in one year as we did in all the years from 1 A. D. to 1954! Homes and working establishments will all be air-conditioned. Electronic ovens will cook our food in seconds. Foods will be wrapped and sealed in inexpensive plastics and will keep crisp, fresh and deliciously palatable indefinitely. People will be healthier and happier. They will live to be a hundred with no debilitating effects. This age will be known as the atomic age — an era of unprecedented technological ad-

Very little, for naturally he must support such things in his own town.

So, by and large if you are doing business with an out of town supplier, how about trying to find out if you can get it at home first. Chances are you can.

In the days when women wore wasp waists men sometimes got stung.

ON GOVERNMENT AND BUSINESS

Mrs. Ivy Baker Priest, Treasurer of the United States, predicts that one half of our elective and appointive officials will be women in 2004 — half of the House of Representatives, and a third of the Senate. The Secretary of State will be a woman. Through the efforts of women the world over, there will be an effective outlawing of war.

In predicting business trends of the future, considerably more emphasis will be given to sampling, market analysis, and discovering what people think and why they think that way. This kind of analysis will enable us to predict human behavior and business trends far more accurately than is now possible.

ON EDUCATION AND MAN
Both Miss Margaret Clapp, President of Wellesley College, and Dr. Alexanderson are concerned about the kind of civilization our technological advances

will leave us with in 2004. Both fear that science, if pursued on a straight materialistic plane, will lead man into some real trouble. There is a serious fear in the minds of many educators lest education today is too concerned with teaching facts rather than developing thinking men and women of character and stature who know why as well as how.

A good climate for business and a soundly administered government do not just happen. They are the products of able leadership. And leadership, good or bad, is more closely tied to our religious and educational system than we may like to admit. Good leadership depends on excellence of instruction in church, school, and college. In the last analysis, what we do with our technological advances—whether we shall have peace or war, progress of decline in the art of living in 2004—may well depend on the kind of churches, schools, and colleges you and I want and on the financial support we give them today.

RETURNED TO TECH

Jack Wilterding returned to Texas Tech Monday after spending the Thanksgiving holidays here with his mother, Mrs. Leota Wilterding.

CARD OF THANKS

To the doctors and nurses of the West Plains Hospital and Clinic, your kindness and sympathy shown our mother and grandmother during her illness while a patient there, will always be remembered with deep gratitude.

WSCS Bazaar Will Be December 4

November 29, at 2:30 in the afternoon, the W. S. C. S. of the Muleshoe First Methodist Church met in the sanctuary of the church for a regular session. Eight members and one visitor attended.

After the group sang, "In Christ There Is No East or West", Mrs. H. Jay Wyer brought the devotional on the subject, "The

Heart of the Eternal". The scripture was taken from John 3:16. Following this Mrs. Wyer offered prayer.

The study, "India, Pakistan, and Ceylon", was concluded by Mrs. Wyer.

The group then sang, "Jesus Shall Reign."

Mrs. I. W. Willman presented an interesting map study of India.

Mrs. H. Jay Wyer was in charge of the business session. It was decided that the bazaar will begin Saturday, December 4, at 10:30 am, and last all day. It

will be held in the Southwestern Public Service Building.

Mrs. F. B. Pierson will take orders for any kind of food at any time. They will be filled by the W. S. C. S. members. Proceeds will go to the building fund for the new church.

The next meeting will be held December 6, at 2:30 in the sanctuary. Mrs. Joe Salem, of Sudan, will be guest speaker. Following the meeting a tea will be held in the home of Rev. and Mrs. Clarence Stephens.

Members attending were: Mmes. H. Jay Wyer, I. F. Will-

Engagement Of Carol Buhrman And Franklin Mann Is Being Announced

MISS CAROL BUHRMAN

Mercury Adds New Line In 1955 Montclair Series To Be Shown Today In Murray Dial Showrooms Dec. 2

1955 MERCURY TO BE SHOWN TODAY

Beauty and performance are combined in the completely new Mercury for 1955 through the utilization of new styling, new power plants and other mechanical improvements. A choice of two engines—one developing 188 horsepower and the other 198 horsepower—is offered. Entirely new body styling, including canted headlights, full-scope windshield and a distinctively different rear end appearance, has been combined with sparkling new interior trims and fabrics. Shown here is a 1955 Mercury Monterey hardtop coupe.

An entirely new automobile—the Mercury Montclair—has been added to the line of completely new Mercury cars for 1955. Making its debut in the automotive field, the Montclair joins the Monterey and the Custom series which have been strikingly restyled and re-engineered. All the new Mercurys will be on display in Murray Dial showrooms December 2, today.

Mercury for 1955 includes 10 models in the three series. The wheelbase has been increased to 119 inches and exterior dimensions increased two inches in length and two inches in width. Mercurys in the Monterey and Custom series are one inch lower than previous models, while the low-silhouette Montclair is two-and-one-half inches lower. The rear tread is three inches wider and the frame is one inch closer to the ground.

The bold lines of the completely new bodies represent an evolution of basic Mercury styling. A full-scope windshield provides greater driving vision, and canted headlights give a forward rake to the lower, wider front end. The smooth-flowing line carries along the side to a more massive rear quarter panel with tail lamps designed to blend into the overall styling theme.

The 1955 Mercury offers two high-compression overhead valve V-8 engines to give maximum performance at low and medium speeds as well as better acceleration and passing ability.

The Montclair will feature a 198 horsepower engine with 286 pound-foot torque at 2500 rpm's and 8.5 to 1 compression ratio. The Monterey and Custom series will feature a 188 horsepower engine developing a 274 pound-foot torque at 2500 rpm's and 7.6 to 1 compression ratio. Both engines have displacement of 292 cubic inches, and 3.75 bore and 3.30 stroke.

Extensive improvements have been made in performance, durability and cooling and in reducing the noise level at all speeds. A new four-barrel carburetor results in better breathing and improved hot and cold

starting. A redesigned oil bath air cleaner with less restriction utilizes a new concept in con-duit-type tuning for quieter operation.

Both Mercury engines have a new 18 millimeter conical seat spark plug—the only car in its field with this new direct sealing plug.

Dual exhausts are standard equipment on all Montclairs and Montereys, reducing back pressure and increasing top speed. A new Y-exhaust system is standard on the Custom series, where dual exhausts may be obtained as optional equipment.

The Merc-O-Matic transmission has been redeveloped to handle the considerably higher torque of the 1955 Mercury engines. A combination of a hydraulic torque converter and planetary gearing, the new Merc-O-Matic has a larger torque converter than in previous years. A fast getaway from a standstill is provided by a start in low gear with throttle wide open through a specially designed kickdown while the selector is in drive position.

Mercury's bigger engines and its new Merc-O-Matic transmission made it possible to reduce the rear axle ratio to 3.15 from

3.54, another factor in improving fuel economy. Rear axle ratio has been reduced to 3.73 from 3.91 with the new larger conventional transmission.

VISITS FROW LEBANON

Guests in the home of Mrs. Carrie Wilhite Monday of this week was Mrs. Richard Crosthwait, of Beirut, Lebanon and her father, Fred Matney, of Wichita Falls.

Mr. and Mrs. Crosthwait have been living in Lebanon for some three years now, and say that they really like it there. They formerly resided here, as did Mr. Matney. Her husband did not accompany her on the trip.

HERE FOR THANKSGIVING

Joe Upton, student at Texas Tech, Lubbock, was here visiting his parents, Mr. and Mrs. Onard Upton and other relatives and friends during the Thanksgiving holidays.

DICTIONARIES for sale at The Journal office.

CROP Director Attends Meeting

Rev. Carrol M. Jones, district director for the Christian Rural Overseas Plan left Monday for Ft. Worth to attend a State meeting of CROP representatives. He joined Rev. Ellis Todd in Plainview, who accompanied him to Ft. Worth.

Reports from CROP representatives recently returned from Asia and Europe were heard at the meeting. Plans for a special CROP Christmas package were also discussed. The conference concluded Tuesday.

Rev. Jones has been assigned a district including Muleshoe, Y. L., Progress, West Camp, Lazbuddie, Farwell, Oklahoma Lane, Lariat, Bovina, and Friona. He will visit gins and grain dealers in the territory to arrange for the managers of the businesses to receive contributions to CROP.

He also reports that a special 16mm film on CROP is available for showing to groups in this area.

Progress Methodist Church plans to send between four and ten thousand dollars worth of surplus commodities overseas.

SPENT HOLIDAYS HERE

Spending the holidays here with his parents, Mr. and Mrs. Scott Donaldson, was Sammy Donaldson, student at Texas Tech.

CARD OF THANKS

We wish to express our heartfelt thanks to the doctors, nurses and everyone who helped in any way during the illness and at the passing of our loved one, Doris Daphne.

Also, thanks for the lovely flowers and the food. May God bless each of you in our prayer.

Mr. and Mrs. Muri Stevenson and son Weldon

Mr. and Mrs. Gaylon Lorsey
Mr. and Mrs. Dewey Dorsey and family.

HERE FROM CALIFORNIA

FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Positive Relief

The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex. Ar-Pan-Ex was perfected by a noted scientist of a world-famed university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stubborn enemy.

Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine that provides longer lasting relief. Ar-Pan-Ex is exclusively perfected to curb chronic, deep-seated pain.

Why AR-PAN-EX Helps
Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-wracked muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pain.

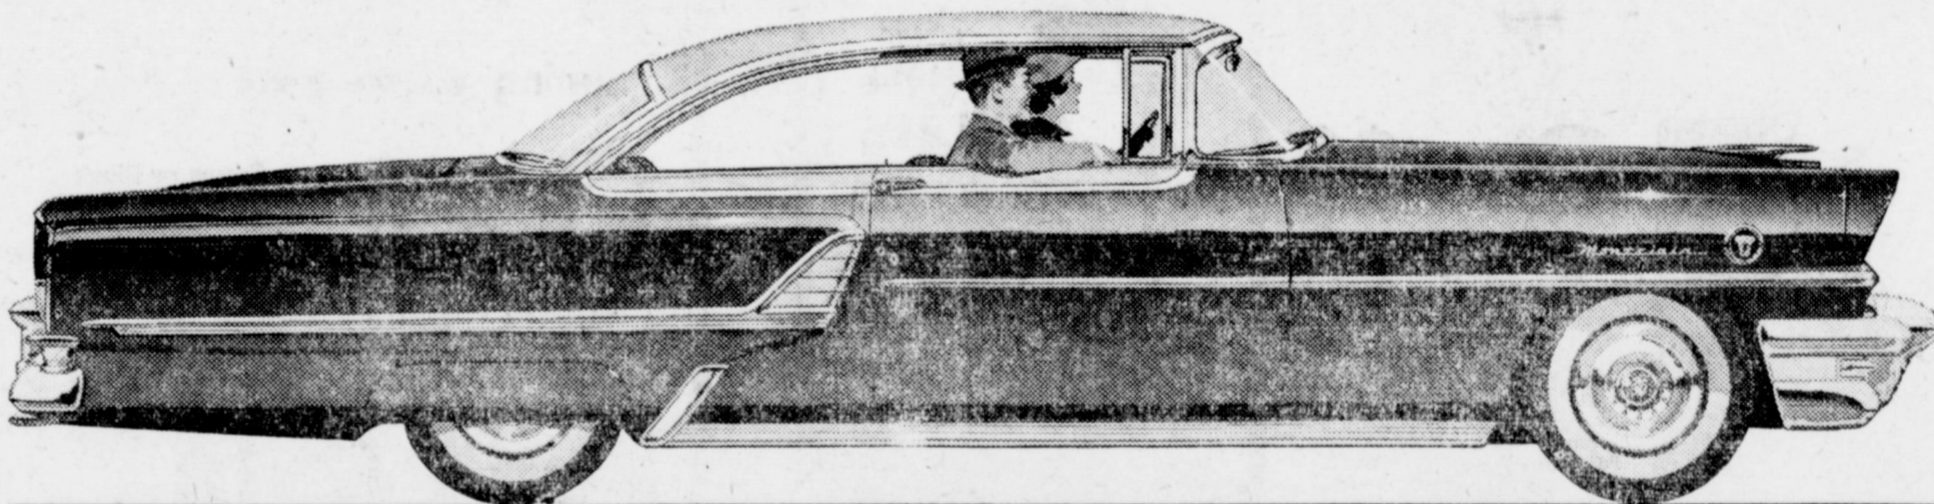

Nothing Like AR-PAN-EX
Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions.
Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If you doubt its efficacy, it, he will be glad to order it for you.

AMERICA'S MOST ADVANCED NEW CAR—1955 MERCURY

3 new series! 10 stunning models! New 198-horsepower Super-Torque V-8!

Starring a completely new and different series—The Mercury Montclair—highest styled, highest powered Mercury ever built

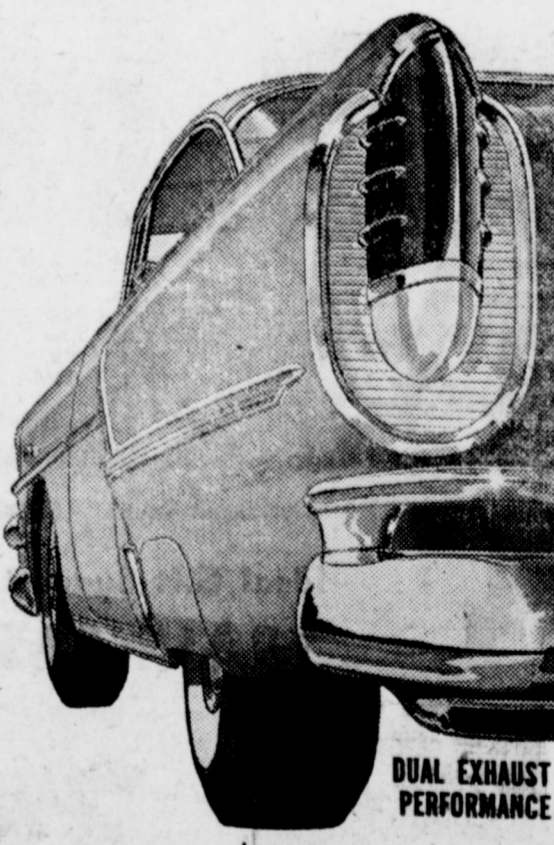

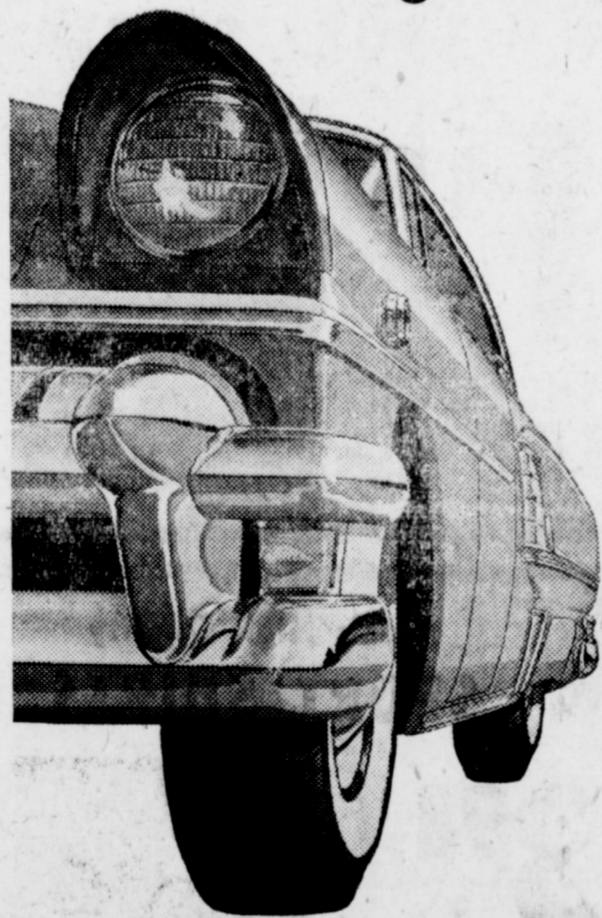

And all 1955 Mercurys are far bigger, longer, lower!

For 1955, Mercury introduces an entirely new, out-of-the-future car that looks and goes like 1960.

You are offered a whole new line-up of models that are bigger all over—in size, in power, in value. You get a daring new freshness of line and colors. And under the hood—in every series—there's super power. There's a new SUPER-TORQUE V-8 engine with 4-barrel carburetor in every model, 198 hp in the Montclair, 188 hp in the Monterey and Custom.

But stop in at our showroom and get all the news firsthand. Get the facts on Mercury's new instant acceleration at any speed. See the exciting sweep of Mercury's new Full-Scope windshield... the dual-exhaust systems at no extra cost on the Montclair and Monterey...

Most important, there's a far wider range of series and models to choose from—the new ultra-low Montclair series, the popular Monterey series, and the economy-minded Custom series.

NEW TUBELESS TIRES AT NO EXTRA COST ON ALL 1955 MERCURYS

By John C. White, Commissioner

Cotton farmers will decide Dec. 14 whether they want to accept the acreage controls proposed for the 1955 crop.

In previous years, when farmers were asked to choose between lowered parity and unrestricted production or a high parity level and crop quotas, they have voted to accept the controls. They seem to feel that less cotton and a reasonable assurance of a fair price is the better deal. If they follow the same pattern this December, then next year's crop quota is scheduled for a drastic reduction.

The Secretary of Agriculture has ruled that the cotton acreage will be cut back 15 percent in 1955. This means only 18,113,208 acres can be planted as compared with the 21.4 million acres allowed this past season. The new

quota is the very bottom figure allowed by farm law.

A minimum quota next year may work a great hardship in areas where cotton is the main cash crop. In some sections of Texas, cotton is the primary agricultural commodity. No other crop offers comparable income. As a result, the gross profits from cotton can drop 15 percent in those areas.

Some government planners will work hard to make the 15 percent reductions "stick" in cotton planting despite any opposition which may arise to the program. Economists claim that the 1954 crop was far larger than expected when the first production estimate was released in late summer. Any more cotton will be a drag on the market, they claim.

It is true that original 1954 estimates were very low. Subsequent increase in estimates proved this—and incidentally made it extremely difficult to plan any sort of orderly marketing system. Critics point out, and with some justification, that if estimates are to be made at all, they should be reasonably accurate if the industry is to benefit from them.

At this point, acreage controls appear to be the most logical choice in the December election. With the recent shift in power in Washington, then it is fairly cer-

GOVERNOR TALKS TB — Governor Allan Shivers and Mrs. Joella Terrill Butler discuss the tuberculosis toll in Texas as the governor prepares to sign official memorandum calling on Texans to buy and use Christmas Seals. His signature designates November 22 through December 25 as Christmas Seal Month in Texas. The traditional Seal Sale provides the sole support for the work of the Texas Tuberculosis Association and its affiliated organizations throughout the state. Mrs. Butler, of Wichita Falls, is president of the state association.

tain that cotton acreages will be of Texas will welcome such a somewhat increased. Many areas increase.
