

Three Way Gridders, 23 Strong, To Battle Pettit Friday In Opener

Three Way high school's football squad will open their 1954 campaign Friday afternoon at 2:30 at Smyer. It is the first game of a schedule of eight games, their first home game being set down for Oct. 1, against Pettit.

Coach Spears made public a roster of 23 boys, whose average weight is high enough to surprise some Three Way followers. Boys weighing 165 to 175 pounds are sprinkled through the lineup. The schedule:

Sept. 17, Smyer there.
Sept. 24, Cotton Center here.
Oct. 1, Pettit here.
Oct. 8, Bula here.
Oct. 15, Spade here.
Oct. 22, Southland here.
Oct. 29, Lazbuddie there.

Suit Against Sheriff Freeman Is Dismissed

Judge E. A. Bills dismissed that part of the suit which was against Sheriff Hugh Freeman, brought by S. O. Workman against three peace officers, in district court here Wednesday. G. A. Paquin, attorney for the plaintiff gave notice of appeal.

The court's action did not affect Workman's suit against Joe Mack Waggoner and Garland Freeman, sheriff's deputies. He is suing for \$17,000 physical injuries and humiliation as the aftermath of an incident here earlier in the summer. A jury in county court subsequently found Workman not guilty on a DWI charge.

Thomas Manager Muleshoe Elevator

Archie Thomas, veteran grain man of this area, is the new manager of the Muleshoe Elevator, an elevator of the Kearns group, which has been doing business here a long time.

Mr. Thomas was transferred here from Dimmitt, where he has been manager of Kearns Elevator since 1950. He was employed with the firm at other points before that. Mr. Thomas, however, has always called Muleshoe his home, and now he feels that he is indeed "back home". He has moved his family back here from Dimmitt. He has been a resident of the county since 1923.

Bills Discusses Probation Law

District Judge E. A. Bills, speaking before the Lions Club here Wednesday, discussed his experience with the Texas probation law.

In five years, he related, he has exercised probation some 250 times. Of these cases, only 10 or 12 have been revoked or may have to be revoked. In nearly all cases the man on probation has made good and fully justified the court's judgement in granting probation.

Sam Fox had charge of the program and the speaker was introduced by Pat Bobo.

Sudan Hornets First Home Foes

Muleshoe's Mighty Mules will show their stuff before the home folks for the first time in this new football season Friday night, Sept. 17. They meet their ancient foes, Sudan's Hornets, who come here weighing about 10 pounds to the man more than the local eleven.

Coaches Leroy Scott and Bill Taylor announced a starting line-up little changed from the starters at Hereford last week. It goes like this:

L. E. — Keith Buhman.
L. T. — Don Moore.
L. G. — Doyle Henry.
C. — Joe Roark.
R. G. — Bobby Black.
R. T. — Leander Sims.
R. E. — Jackie Tidwell.
Q. B. — Eugene Shaw.
F. B. — G. R. Howell.
L. HB. — Charles Waggoner.
H. HB. — Doyle Rush.

Last week R. L. Gabbert started at right guard and Thurston Garrison at tackle. Both received slight injuries but will play some Friday night. Others who got into the fray at Hereford are: Buddy Pool, who played the entire game at defensive half; Gordon Wilson, defensive guard; and Stanley Fox, offensive end. Stanley will be the goal kicker some of these days. He's working at it. All three will see some action against Sudan.

The Hornets swamped New Deal last week, and a lot of the credit goes to 6 ft., 155 lb. Quarterback Lynch. Sudan's team averages about 165 to 155 for the Mules.

Observers are expecting a standing room only crowd at Benny Douglass stadium, and it wouldn't be surprising if 2000 crowd in to see these arch rivals match brawn, speed, and wits.

Roy Dyer Delegate To Corpus Christi

Roy Dyer, who has been in Corpus Christi on a deep sea fishing trip returned home this week and reported a very enjoyable trip.

Mr. Dyer was one of eighty-two delegates from this district to make the trip, which was sponsored by Graybar, distributors for Hot Point Appliances.

The delegates left for Corpus Christi last Friday and returned Tuesday night. On the way down they stopped at Dallas, where they witnessed the All-American football game between the Cleveland Browns and the Detroit Lions.

Mr. Dyer said fishing was not too good due to the rough water and the hurricane warnings which were out, but reported that all the men seemed to have a very good time.

Ray Ford Named Manager Worley Bros. Elevator

Ray Ford has been named manager of the Worley Bros. Elevator at Progress, 7 miles northwest of Muleshoe. The elevator, recently acquired by Worley Bros., formerly did business under the name Progress Grain Co.

Worley Bros are now erecting a large storage elevator at Farwell. Mr. Ford has been employed with a Muleshoe grain firm the last 18 months. He told The Journal his plant is ready for the influx of sorghum grain expected to begin in the next few days and will be open at all times.

Queen Contest To Be Saturday

Farm Bureau District 2 will select its queen from a large group of county queens the coming Saturday, September 18, and Ann Cole, Goodland, Bailey County's queen will be among the contestants. The contest will be staged at Lubbock Hotel as part of a district program that will last through the day.

Ann, who is the daughter of Mr. and Mrs. Cecil Cole, was selected at a county wide meeting held here earlier in the summer. Bill Millen, president of the county Farm Bureau, is urging a full attendance of the members and anyone else who is interested.

Howard And Kathy Pollard Win At Dist. Sears Show

Howard and Kathy Pollard, son and daughter of Mr. and Mrs. Carl Pollard of Stargill, represented Bailey County Saturday at Texas Tech in the District Sears Show. The two 4-H Club members won ninety dollars in prizes and put Bailey County on top of total winnings.

While Hale County won Grand Champion with a Poland China gilt and Lynn County won out in the boar division with a Duroc, Bailey County took Reserve in both divisions.

Howard won the honor with a Poland China male and Kathy duplicated the feat of her older brother with a Poland China gilt in the breeding gilt division.

Durocs, Hampshires, and Poland Chinas were shown, and about 150 people attended the show and barbecue.

Jim St. Clair Has First Bale For Bailey County

Bill Jim St. Clair, young Muleshoe farmer, produced the first bale of cotton in Bailey County for the crop of 1954. Nickels gin turned out the bale Saturday.

The gin bought the bale, paying the premium price of 50 cents a pound. They ginned the bale free.

St. Clair grew the cotton on his farm located at the edge of the city. Ted Haberger had ginned a bale here earlier, but the cotton was produced in Lamb County.

Cotton appears to be opening rapidly because of continued hot days.

Sanders Attend Lumbermen's Meet

Mr. and Mrs. H. S. Sanders, Jr., attended the 63rd Annual Convention of International Brotherhood of Woodmen of the World at the Shamrock Hotel in Houston, September 6 through 9.

Mr. Sanders was representative from the South Plains, Dist. No. 79.

A Round-up party was held Monday evening at the Detering Estate for members and their wives. A barbecue dinner was enjoyed and was followed by an outdoor show by the Sheriff's Mounted Posse of Harris County. This was followed by an informal dance, with music by Papa Celestius, an original Dixieland Band.

Formal opening of the convention was held on Tuesday. An outstanding speaker was Dr. McFarland. In the evening a buffet dinner was held on the terrace of the Shamrock pool, where the water show was presented by the Corkettes.

Wednesday, the group took a yacht trip down the Jouston Ship Channel to the San Jacinto battlegrounds. Here they had an opportunity to visit the Battle of San Jacinto monument. In the evening they enjoyed a dinner at the San Jacinto Inn which is famous for its sea foods and chicken.

The convention ended Wednesday evening with a dinner dance at the Houston Club.

While there, Mrs. Sanders attended the annual Wallpaper School at the University of Houston, under the directorship of Professor Taylor.

Youth Confesses Theatre Burglary Here 2 Weeks Ago

Loren Howard, 18 year old Muleshoe youth held in Clovis by police in connection with the Saturday night shooting of Dan Gentry, 18, operator of Dan's Place in Clovis, has confessed in a written statement that he burglarized the Valley Theatre in Muleshoe about two weeks ago.

Mrs. Hertha Walker reported to police at the time that several hundred dollars were missing. Sheriff Hugh Freeman said the youth admitted the burglary and failed to incriminate anyone else in the crime.

Howard was booked by Clovis police after the Gentry boy had been admitted to Memorial Hospital, where it is said his condition still is critical.

Investigation by Clovis police led to the recovery of a large variety of "loot" hidden in two homes there.

The burglary case will be brought to the attention of the Bailey County grand jury at its next session.

In connection with this case, William Hunt, another local boy, has confessed in a written statement that he received some of the money from Howard. His bond was set by Justice of the Peace Harold Mardis at \$2,500 in lieu of which he is being held in jail. He will await action of the November grand jury on the charge of receiving stolen property.

Enochs Cases

A confession that he burglarized two girls and the postoffice at Enoch's on the night of June 16 has been signed by Melvin Dean Barton, according to V. E. Bell, postal inspector, who gave the information to Sheriff Hugh Freeman. Bell said Barton is under indictment of grand juries at Lubbock and Tahoka on burglary charges, also under federal grand jury indictment.

Sheriff Freeman's records show that Barton was sentenced to the penitentiary for four years March 22, 1949 on a forgery charge by a Bailey County jury.

Shop Lifters

Two Mexicans, Lavato Alvino Carmel and DeLeon Avellino have made bond of \$1,000 each on the charge of burglarizing the Fashion Shop in Muleshoe September 2. A third man is sought in the case.

Mrs. Elizabeth Barnett, a partner in the firm, was engaged in conversation with the third man, who pretended interest in a \$50 dress. Immediately after the group left the store, she missed a dress that sells for \$100, and telephoned Hugh Freeman, Sheriff.

Some motor oils give good protection at low temperatures. Other oils are effective at high temperatures. But new TROP-ARTIC all-weather motor oil gives protection at all temperatures... from below zero to 180 degrees!

This explains why TROP-ARTIC is so much better than ordinary motor oils at preventing engine wear... so much better that it can even double engine life. TROP-ARTIC lets you start easier... saves you gasoline... saves 15% to 45% on oil consumption.

Phillips 66 TROP-ARTIC is the first all-weather oil which has proved it meets the highest standard ever established for automobile motor oils... the Mil-O-2104 Supplement 1 test. You can't buy a better oil for your car!

A Ride Is an Education!

There has never before been a time—since the beginning of the automotive industry—when you could learn as much about motor car performance in a single hour as you can today!

All you need do is slide behind the wheel of a new 1954 Cadillac—and head for the open highway.

That great Cadillac engine introduces you to a new measure of power and performance. It takes even the most challenging hills in easy stride—and sweeps you out of a difficult traffic situation with only the slightest pressure on the accelerator.

Cadillac's improved Hydra-Matic Drive is unbelievably responsive and silky and smooth—and takes you from a standing start to your desired rate of speed in one continuous flow of power.

You guide the car with only a feather-light touch on the wheel. It seems almost to follow the weight of your hand around the corners—and it takes you over the winding highway as if it were reading your mind.

Vision is so wide and clear that a single, sweeping glance acquaints you with traffic on every hand. Braking is unbelievably sure and easy. And you ride in such comfort and quiet that you seem to be resting in your favorite easy chair.

Yes, it's an education to take the wheel of a 1954 Cadillac—an education in all the good and wonderful things of motordom.

So stop in any time—slip into the driver's seat—and head for your favorite stretch of highway. You're in for the greatest surprise of your motoring life!

Coming To Tri-State Fair In Amarillo

SONJA HENIE, the incomparable ice skating star, who will stage the most lavish and beautiful ice spectacle in the history of the Panhandle-Plains region each day of the 1954 Tri-State Fair, Sept. 20-25. Over two hours of beauty, speed, breathtaking color and hilarious fun will be presented by a cast of more than 135 artists.

Nickels Builds Gin At Farwell, 4th For Family

An addition to the Nickels group of gins will soon be ready for business. It's a brand new gin plant now going up on a 23-acre site, in the east edge of Farwell, and it will be ready for service this fall.

Guy Nickels, who with his sons, J. A. and Ed own three other gins, said the new plant is a Continental & Mitchell product, and he predicts it will be one of the finest in this section.

It's all steel and all electric, and it's much like the Pleasant Valley gin, placed in operation in Pleasant Valley community northeast of Muleshoe last fall. A Moss lint cleaner is an equipment feature of which the Nickels are proud.

The Nickels family now own gins at Muleshoe, Pleasant Valley, Lariat, and Farwell. The Nickels gin here ginned the first bale of the season, so far as The Journal knows, in the county, turning out a bale last Wednesday.

day for Ted Haberer, who had another bale ready for Pleasant Valley gin Thursday.

Bennett Shows Old Film To Lions

Joe Bennett was in charge of the Lions Club program last week and surprised his audience by showing a "Banking Film", which turned out to be an oldie in which W. C. Fields the comedian gets mixed up with some bank robbers.

The Lions roared uproariously at the antics of the late great comedian, whose old films are widely sought after.

The club made plans for their carnival, which will be held here Sept. 20 through Sept. 25. The members voted not to sponsor the proposed second Carnegie class, since interest appeared to be lacking. They sponsored the first class, held here early in the summer.

MOTION PICTURES ARE YOUR BEST AND CHEAPEST ENTERTAINMENT

Lubbock Boosters Coming Sept. 23

Several busloads of Lubbock businessmen and a group of special entertainers will be in Muleshoe next Thursday morning to renew acquaintances with their friends and to give a personal invitation to the town to attend the Panhandle South Plains Fair in Lubbock from Sept. 27-Oct. 2. The group will arrive here at 11:20 a. m. and remain in town until 11:40 a. m.

While one group of businessmen visits friends in the business district, a second group will go to the schools where they will distribute souvenirs to the youngsters and leave free tickets for all of the students with school officials. All school students will be admitted to the Fair without charge on opening day, Monday, Sept. 27.

Special entertainment will be provided by radio and television personalities from KDUB-TV and KSEL. A Baldridge Bakery sound truck and the mobile telecasting unit of KDUB-TV will also be in the caravan.

Forty-four West Texas and Eastern New Mexico towns will be visited during five Good Neighbor trips planned by the Lubbock groups this year. The fifth trip was added this year to allow the groups more time in each town.

Hi Neighbor!

I'm your local Santa Fe agent. I work, vote, and pay taxes in this community. You and I share the same community problems and responsibilities.

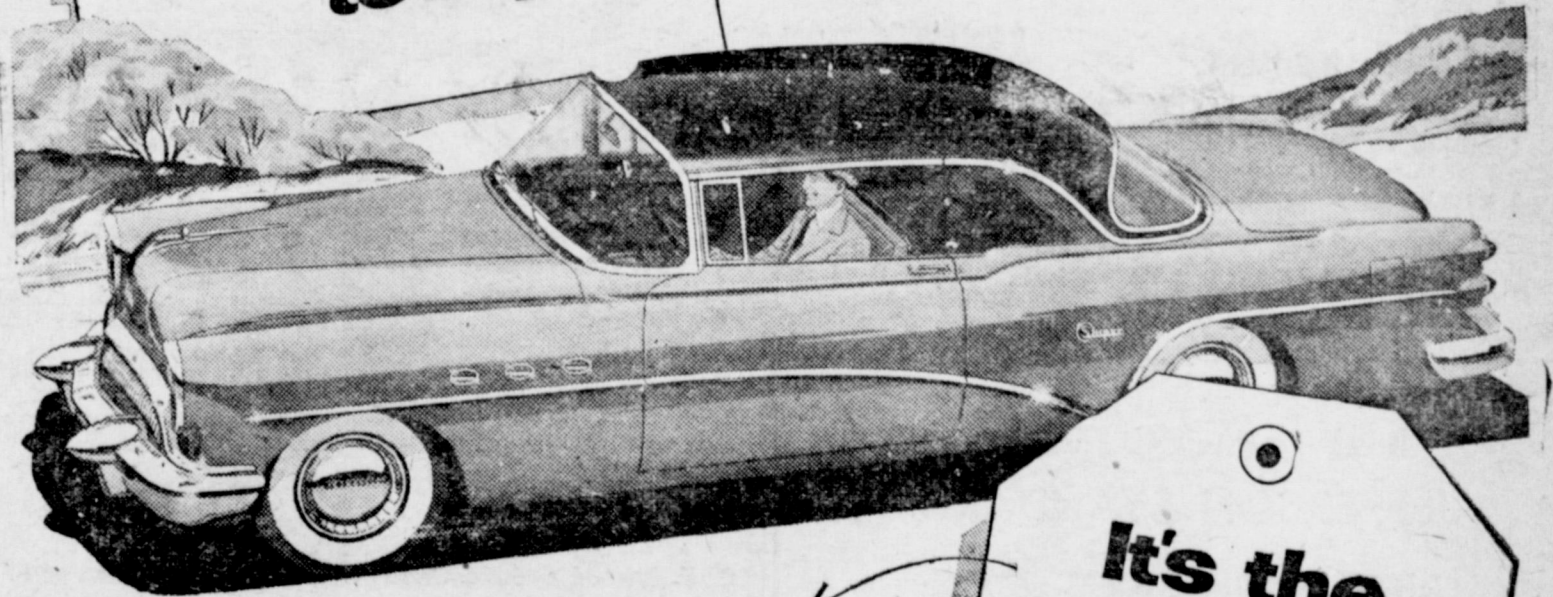

But, more than that... I'm in business in this town to give you expert freight and travel information. It's my job to see that you get the most from Santa Fe services and facilities.

Call on me any time. Let me handle all your travel and shipping needs.

Your Santa Fe Agents

It's the big Success today

You can read it in the sales figures—Buick's the car that's climbing to a phenomenal public preference. For Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And every month strengthens Buick's new leadership position. It's the "hot" car for style, for power, for performance—and, most emphatically, for value.

It's the Beautiful Buy right now

It's the "High Resale" car for years from now

No Wonder—
Buick Sales are Soaring!

With Buick's year-ahead beauty today, you'll be driving a car that's right up front in the style parade of tomorrow. And when you're ready to resell your Buick, it will still be fresh and new-looking, with the modern features the others will adopt in the coming years. And that means you're bound to get a higher resale price when you do trade it in. Drop in and see this beautiful buy right now.

SAND HILLS PHILOSOPHER—

Partly Agrees With Judge's Contention T. V. Doesn't Bring Out The Truth

Editor's note: The Sand Hills Philosopher on his Johnson grass farm must have visited somebody with a television set, his letter this week indicates.

Dear editor:

I've been looking at television lately, looked at it quite a bit during the recent campaign, and I was especially interested in an article I found in a newspaper which blew off the end of a cedar post which some farmer was hauling on his trailer and had tied there to warn traffic approaching from the rear.

According to this article, a Federal judge, in comment on the controversy over whether court trials and public hearings like Congressional investigating committees ought to be televised, said he was opposed to it, and he gave a peculiar reason.

He said it was all right for newspapers to cover trials and hearings, but there was something about a television camera and the knowledge millions of people were watching which "in-

spired witnesses to put on an act" and make it "impossible to get at the truth."

You know, I have noticed the same thing about the effect of television on some candidates. It seems to bring out everything from them but the truth.

I don't know why this is so, but the Judge sure has got a point. You put some candidates up in a television studio, turn the bright lights on them and start the cameras working, and while you'd think under such a public glare they'd bring out the truth if they had it in them, it doesn't work that way, and what they say sometimes covers everything except the truth.

But on second thought I do not say I agree entirely with the Judge. You can't blame it all on television. I have an idea that the knack of failing to tell the truth was perfected long before television was invented and I've noticed any sort of a public speaking platform has a tendency to cause some candidates to put on an act and make it impossible for the truth to come out. Blaming this situation on the television camera is about as unrealistic as blaming it on the pine boards they used to build public speaking-platforms out of.

In fact, I doubt if shining a light on a man and focusing a television camera on him has much bearing on the amount of truth he comes out with. I don't believe television has increased or decreased the amount of truth told, its presence or absence was here long before then, and probably will stay in about the same proportion, whether a man's television set is working or busted.

Yours faithfully,
 J. A.

Today's Meditation

THEY KINGDOM COME

Read Proverbs 3:13-20 or Matthew 13:44-48.
 The kingdom of heaven is like a merchant in search of fine pearls. (Matthew 13:45, RSV.)

Never shall I forget a visit I paid to Kano, in northern Nigeria. It is the southern gateway to the Sahara. In the famous market place, my companion halted me before a stall and introduced me to an Arab trader. Spread out in the open air was a collection of beads and colored glass. I dismissed the entire stock as valueless.

As we turned away, my friend said, "You thought that stall had nothing but rubbish, and this morning you were right. Nine times out of ten you would be right. But occasionally that stall includes among its rubbish a jewel from a Pharaoh's tomb. When that happens, if an expert is present, he can pick up a fortune for a few shillings."

So also is the kingdom of heaven. People undervalue it. As a result, they miss the best. With God's help, through Jesus Christ, anyone can be enough of an expert to discover the value of the kingdom of heaven.

PRAYER

O God of all grace, forgive us, we pray Thee, for our indifference and our blindness of heart. Help us to recognize Thy glory everywhere. As we see Thee today in the lives of our fellows, enable us to worship Thee by serving them. We ask this in the name of Jesus. Amen.

FORD'S THE LEADER

(and looks it!)

In fine-car feature after feature, Ford's far out front in its field. Only Ford gives you styling that will stay in style . . . new Ball-Joint ride and handling . . . high-spirited V-8 "Go"

It's no wonder so many people are swinging over to Ford! Ford offers more fine-car features than any other low-priced car.

You can see Ford's the leader in "looks." With its long, low, clean-cut lines, Ford's the acknowledged trend-setter in the industry. And Ford has interior luxury to match, with the latest in modern fabrics . . . the handsomest in trim.

And Ford acts the leader, too. Riding and handling are always smoother, easier because of Ford's revolutionary Ball-Joint Front Suspension (exclusive to Ford in the low-price field) that cushions the bumps of even the roughest roads and helps keep that new-car "feel" far longer.

Ford is the only car in its field with a V-8 engine, the 130-h.p. Y-block V-8. And Ford offers this V-8 "Go" today!

You may choose from three great transmissions: Fordomatic Drive, Overdrive, or Conventional Drive. For still greater driving ease and pleasure, you may make your Ford as automatic as you like with power assists . . . Power Steering, Power Brakes, Power Windows (both front and back), and a 4-Way Power Front Seat.

And with Ford's many, many other fine-car features such as suspended clutch and brake pedals, Center-Fill Fueling and the new Astra-Dial Control Panel, Ford is worth more when you sell. It's a proven fact that Ford returns more of its original cost, at resale, than any other car in the low-price field! Come in . . . Test Drive a Ford today, and see why.

YOU CAN'T MATCH IT!

Only Mercury offers you such extra power, famous economy, advanced styling—higher resale value too!

For example, you get an *entirely* new 161-horsepower overhead valve V-8—not an underpowered straight 8 or an old-fashioned 6 still offered by some cars.

You get new ball-joint front wheel suspension for easier handling, smoother driving—exclusive with Mercury in its class.

You enjoy Mercury's famous economy of operation, and low upkeep. For this is one of the most efficient Mercurys ever built.

You get clean, fresh, flow-together styling—not ungainly bumps, bulges, and fancy chrome tricks that tend to "date" a car.

Most important, you get proven value—a car that consistently holds the "class championship" for resale value according to independent national reports.

It adds up to this. You can't match a Mercury. And you can't match our deal. We invite you to come in and see for yourself.

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan — Sunday evening.

 CAN YOU AFFORD TO MISS 'EM?

Amazing fuel savings. 3 to 4 seasons without overhaul.

Oil life increased 4 times. No carbon, sludge, "ping".

Stepped-up engine power.

ENSIGN LP-GAS CARBURETION

You've heard how tractors using low-cost LP-Gas and Ensign Carburetors are scrapping customary performance standards. "Sure," you say, "I'd be sitting pretty with that kind of power, but I can't afford it." Stop a minute. Look at the facts, and you'll find that it is **actually costing you money** every day you delay switching to LP-Gas! Consider fuel costs. The per-gallon difference between your present fuel and LP-Gas will pay the modest cost of converting in a short time. Then you'll save dollars, while enjoying a more powerful, smoother running engine. Oil? With LP-Gas, lube oil life is 4 to 5 times longer! And, overhaul jobs are needed only every third or fourth season as LP-Gas leaves no carbon, gum or sludge.

See how switching to LP-Gas with Ensign carburetion pays dividends? Why not talk to your Authorized Ensign Dealer? Find out now about ALL the Ensign and LP-Gas advantages . . . You can't afford to miss 'em!

Muleshoe School News

HIGH SCHOOL PTA TO MEET MONDAY

A meeting of the High School P. T. A. has been scheduled for the coming Monday, September 20, at 8:00 p. m. The meeting will be held in the auditorium of the high school building.

To start the program off, Rev. Clarence Stephens, of the First Methodist Church will give a devotional. This will be followed by a "Get Acquainted Party" sponsored by the hostess committee, under the direction of Mrs. G. S. Dowell and Mrs. Horace Blackburn.

The hostess committee, under the direction of Mrs. Oscar Allison will serve refreshments following the business meeting.

All teachers and parents and anyone else who is interested are urged to attend.

SENIORS SPONSOR LUNCHEON

The senior class of Muleshoe High School will have the annual senior luncheon Wednesday September 29, at Fellowship Hall.

Members of the class will sell tickets at \$1 each.

This year, the city has been zoned, and only one group of students will call on each business firm.

A very delicious meal has been planned, and they will begin serving at 11:30.

ELEMENTARY PTA HELD FIRST MEETING

Muleshoe's Elementary P. T. A. held its initial meeting of this school year at 8:00 in the evening, September 13, at the Junior High School auditorium.

O. D. Ray, president, was in charge and conducted an open discussion among parents and teachers.

Troy Perkins, junior high principal, and Bill Parker, elementary principal, informed the group of a few of the school's policies.

Glenn Williams, County Judge and School Supt., elect, was the guest speaker for the evening. According to Mr. Williams, Parent-Teacher Association should be a place of mutual agreement between the parents and the teachers. "Our children are our most valuable asset, and should be allowed to develop physically, spiritually and mentally," stated Mr. Williams.

Mrs. Wilson Witherspoon and Miss Eddie Ray Glenn had charge of the registration.

Regular meetings of the P. T. A. will be held the second Monday evening of each month at 8:00 p. m. All parents and teachers are invited to attend.

FHA GIRLS HOLD INSTALLATION

F. H. A. Girls of Muleshoe High School held a candlelight installation ceremony, Monday evening, September 13, in room fourteen of the senior high school building.

Officers installed for this school year are: president, Elizabeth Farley; vice-president, Noretta Harrison; recording secretary, Shirley Matthiesen; treasurer, Shirley Black; historian, Marsha Dale Redwine; and parliamentarian, June Freeman.

Freshmen members were welcomed into the organization and introduced. They were then given instructions for initiation, which will be held Friday.

Sponsors and chapter mothers attending the meeting were: the teachers of the class, Miss Mary Frances Ford and Mrs. Thomas; and mothers, Mmes. Harrison, Mitchell, Black and Farley.

At the close of the meeting, refreshments were served.

PRINCIPAL SAYS PLEASE KEEP DOGS AT HOME

Bill Parker, Principal of the Muleshoe Elementary School, is calling attention to the seriousness of dogs being allowed to accompany the small children to school. The grounds have become overrun and some of the children are being bitten by these dogs. It is proving dangerous to all children on the grounds, said Mr. Parker, and he asks for the cooperation of everyone in this matter as it might prove serious should some dog carry the dread rabies disease.

Mules Lose Opener To Hereford 19 to 7

Muleshoe's Mules lost their first game of the season Friday night, bowing before a much heavier Hereford team 19 to 7 in a tussle that was much closer than the score would indicate.

For the Mules, outweighed 20 pounds to the man on the average, actually rolled up more yards gained, 357 yards to 305 for the Whitefaces. The Mules had 286 yards on the ground and gained 71 yards via the forward pass.

Especially for Muleshoe fans came with only 3 minutes left to play in the game, Eugene Shaw, the quarterback took a fourth down gamble when the Mules had the ball on their 33, and with one yard needed. Instead of kicking, Shaw flipped a pass into the flat to Charles Waggoner, the halfback, who was going away when he caught the ball and outran all nearby Whitefaces to score. Charles also ran over the extra point, so his was the only scoring for the Mules all night.

As the clock quickly ticked off the final seconds, Waggoner just missed a bid to break through for another touchdown. He was caught and as 33 seconds remained Shaw made about his prettiest run and seemed about to get away, but he, also was caught. Muleshoe barely missed other scoring opportunities when it seemed a TD was certain. Once on the two they couldn't get across; another time Jackie Tidwell, the end, who was clear in to the open, let a touchdown pass get away after it seemed he had it.

In the least critical or discouraged; they thought the Mules performed magnificently.

The Mules had 11 first downs to 12 for the big Whitefaces. Hereford's boys tried only four passes, completing two for 17 yards, but one was a touchdown pass. The herd scored in the first, third and fourth quarters. The work of Buddy Goffrey, back, and Wayne Smith, husky fullback was pretty devastating. Smith is a particularly hard running boy and a tough boy to handle.

Those were breaks of the game and might happen to anybody. No one who saw the game was

136 yards for his side. The Mules have a potentially explosive backfield in Rush, Waggoner, G. R. Howell and Shaw.

Starting line-up for the Mules: Eugene Shaw, quarter; Charles Waggoner, left half; Doyle Rush, right half; G. R. Howell, fullback; Jackie Tidwell, right end; Keith Buhman, left end; Leander Sims, left tackle; Doyle Henry, left guard; Joe Roark, center; R. L. Gabbert, right guard; Don Moore, right tackle.

Floydada, Olton Loom As Powers In District 2-AA

Two members of this district 2-AA demonstrated their power in football games of last Friday, although none played a conference game. Floydada flattened Ralls 42 to 0 and justified pre-season predictions that they would be conference championship contenders.

Olton downed Abernathy to the tune of 21 to 0 and showed they must be considered. However, Lockney, usually a power in district football, lost to Hale Center 41 to 6.

Tulia, another conference member, spent the night trying to protect themselves from the versatile Memphis Cyclones attack and lost, 18 to 0.

Meanwhile Muleshoe was losing to the powerful Hereford Whitefaces at Hereford, 19 to 7, before a crowd that completely filled the Hereford stadium. The Mules' next opponent, Su-

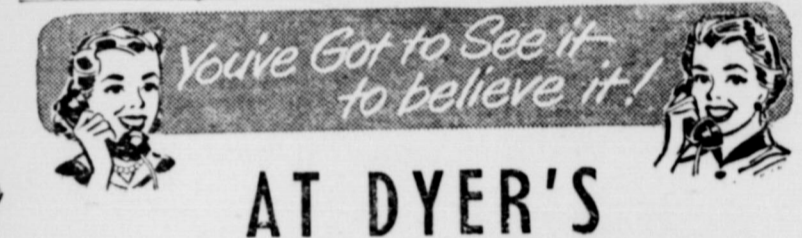

dan's Hornets, ran up a 27 to 0 score against New Deal. Bovins beat Springlake 27 to 35; Farwell downed Melrose, N. M., 18 to 0; Post and Morton tied 7 all; and Littlefield Wildcats continued their winning ways by defeating Tahoka 28 to 13.

DAVIS FAMILY HAD GUESTS
Visitors in the Cecil Davis home Sunday were Mr. and Mrs. Woodroe Fleming and daughter, Delores, Friona. Mr. Fleming is connected with the Mills-Fleming Gin Co. at Hub, north of Muleshoe. He is an old friend of Mr. Davis.

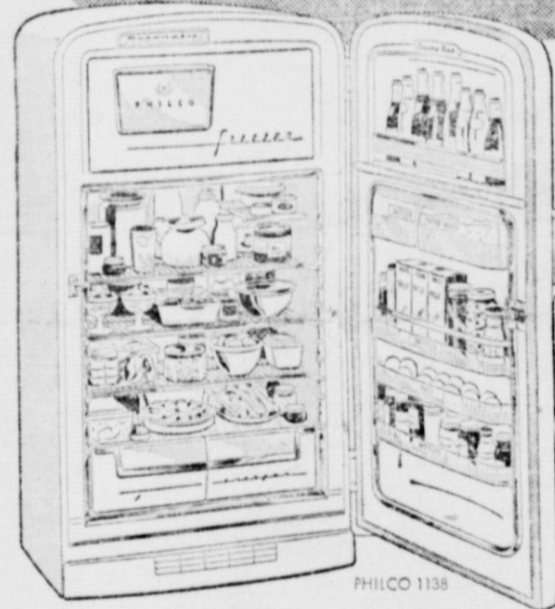

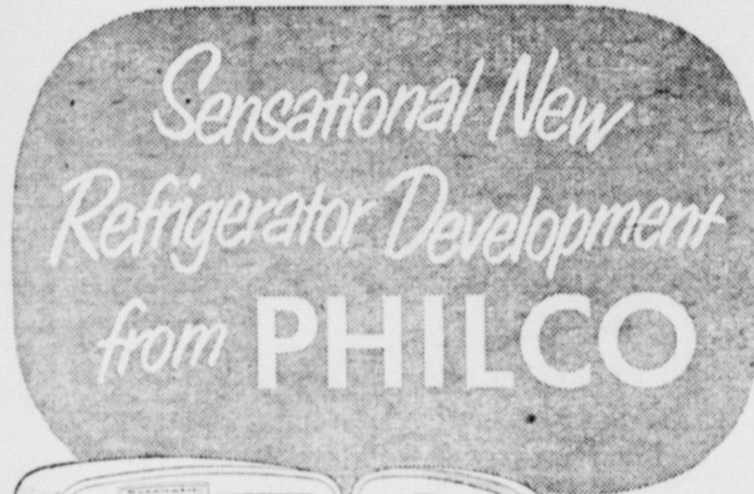

Others visiting in the Davis home were Rev. Stephens and Rev. Porterfield, and Mr. and Mrs. David Weyer and daughters, Brenda and Kathy.

LEFT TUESDAY
Mrs. John R. Dempster and son Butch and her parents, Mr. and Mrs. L. L. Cole, left Tuesday for Oklahoma City, where they will spend a week visiting relatives.

B-Team Loses To Littlefield

The Littlefield freshmen football team took on the Muleshoe Mules at Sealy Stadium at 7:30 Thursday night. The outcome was 34 to 6. Littlefield gaining the victory.

Littlefield racked up one touchdown in the first quarter, one in the second, two in the third and one in the fourth quarter. David Mordecai ran over 140 yards to score three of the four tallies. The fourth came when Miles Stevens passed a long 15 yard pass to Charlie Powell for six points.

The only Mule touchdown came in the second quarter when Dickie Johnson plowed over the goal line from the one-yard line.

BABSON DISCUSSES—

INSURANCE

New Boston, N. H., Sept. 16 — I believe in insurance — fire, life, and casualty — yes, and I include hurricane, accident, and sickness insurance. I especially like the Blue Cross and Blue Shield. Everyone should subscribe to these.

PRACTICE CHRISTIANITY

Apart from being a business, insurance is also a form of good sound Christianity in which every church member should enthusiastically join. Insurance is really all of us contributing to help ourselves and others who are in trouble. Instead of waiting for fire, death, or accident, and then "passing the hat", insurance companies collect the money first.

To interest people in taking out insurance consumes time and costs the insurance companies much money; also, bookkeeping and other expenses are high. But in a free nation I see no way of avoiding this expense. Even compulsory insurance costs something to "service", and it is

very easy for politics and even corruption to creep in. Therefore, I believe the present plan is best.

BUY ENOUGH DIFFERENT KINDS OF INSURANCE

A week or two ago, Greater Boston and Eastern New England were swept by a hurricane. Within about one hour, \$100,000,000 of property values was wiped out. A portion of this — such as beautiful trees — can be insured only at very high premium rates, but damage to buildings, life, etc., can be protected at reasonable insurance costs. (Incidentally, uninsured loss of trees can be deducted from your income tax.)

Since this hurricane I learn that very few people carry hurricane insurance. In fact, most people do not know what their insurance covers. For instance, manufacturers insure their F. O. B. goods until delivered to the merchant's nearest railroad station. The merchant insures at his store; but very few carry policies which protect the goods while being trucked between station and store. Be sure you have the right insurance, and enough of it.

READ YOUR POLICIES

Whether you are a manufacturer, or a storekeeper, or a humble citizen, you should read your policies. Get them all out tonight and read them. Anything not plainly covered will not be covered. Especially read what is in fine print. This advice strongly applies to accident and health insurance sold at low rates. An executor may try to collect on a \$10,000 accident policy and find that the accident must be in a train wreck — in order to collect. In fact, one company which sells accident insurance at very low rates insists you must be seated in a train when killed in order for your executors to collect.

Sickness insurance should be checked. A long list of diseases of which you have never heard are mentioned; but you may find no mention of heart disease, cancer, or some very common cause of death. I forecast that the time is coming when these accident and sickness policies will be compelled by law to state in large type what they DO NOT cover. In the meantime I beg that all my friends read their policies. If these policies do not cover every reasonable hazard which you can think of, get covered. For instance, if your wife should put a person's eye out with an open umbrella, are you insured against its costing you \$20,000?

GET LETTER FROM YOUR AGENT

Your insurance agent wants to be one of your best friends. He is truly interested in your welfare. Tell him you want everything covered and get a letter from him stating that everything, unless he mentions it in this letter to you, is covered. One other thought. In most states only perfectly sound insurance companies are allowed by law to operate; but this is not true in all states. Furthermore, some unscrupulous companies get around

CORPS OF INSECTS!

Grain Farmers Warned About Evils Of Storing In Infested Farm Bins

COLLEGE STATION, Sept. 14 — While Texas farmers fill their grain bins, a corps of destructive insects stands ready to take it out again. Old grain, trash, feed sacks and other objects furnish living quarters for insects which destroy thousands of bushels of farm-stored grain yearly.

Stores grain only in bins which have been thoroughly cleaned, warns Neal M. Randolph, extension entomologist. Rice or corn weevils and granary weevils are found in most Texas areas and are considered stored grain's number one enemy.

It's usually necessary to "sweep down" ceilings, walls and floors of storage structures to remove the debris. After sweeping, the work of protecting the grain has

only begun. Spray the inner bin surfaces with 1/2 and one-half percent DDT, methoxychlor or TDE. Apply two gallons for each 1,000 feet of surface.

Pyrethrins treated cloth bags may be bought from some dealers, Randolph says. Insect free grain can be kept that way several months by use of these bags.

But fumigants are perhaps the most widely used effective killer of grain pests. They are sold under various trade names or may be concocted at home. One part carbon tetrachloride to three parts ethylene dichloride is one such fumigant. Ten gallons of this material is recommended for 1,000 bushels of grain sorghum which is stored in a wooden structure. Seven and

one-half gallons should be used if the building is of steel construction.

Properly applied, fumigants will penetrate the grain, spelling death to insects up to a depth of 10 or 12 feet, the entomologist continues. Since grain often is infested before harvest, it should be treated upon storage. Inspections at two week intervals should be made and grain samples probed from various areas and depths. Randolph says it should be examined closely, the presence of weevils indicating need for fumigation.

With a coarse spray, apply the liquid to the entire grain surface. Be careful. The fumes are dangerous and must not be inhaled. The building should be closed for at least 24 hours, preferably four to five days. All granaries should be opened and aired out before entering again, the entomologist concludes.

Maxiene Black And Clinton Rogers Married Aug. 31 In Double Ring Ceremony

MR. AND MRS. CLINTON ROGERS (Photo By Cline)

Miss Maxiene Black, daughter of Mr. and Mrs. L. R. Black, was married to Clinton Eugene Rogers, August 31, at 7:30 in the evening, at the First Baptist Church in Muleshoe.

Parents of the bridegroom are Mr. and Mrs. Van Rogers, of Sudan.

The double ring ceremony was performed by Rev. J. V. Green, before a white archway entwined with greenery and centered with wedding bells. Flanking the archway were tall white tapers in candelabra.

Given in marriage by her father, the bride was lovely in a ballerina length gown of white nylon lace and net over satin. A bouffant skirt flared out from a tight fitting bodice, which featured a high neckline and sleeves which extended to points over the hands. Her fingertip veil of white nylon net, fell from a tiara of daisies. She carried a bouquet of white carnations atop a white Bible.

Shirley Black, sister of the bride was maid of honor. Her ballerina length gown of yellow organdy was worn with a white picture hat trimmed in yellow net, and she carried a bouquet of white carnations on a white Bible.

Wanda Ogletree, of Lubbock, was bridesmaid. Her gown of orchid organdy was identical to that of the maid of honor, as was her white picture hat which was trimmed in orchid net to

match her dress. She also carried a bouquet of white carnations on a white Bible.

Waymond Dunn, of Sudan, served the bridegroom as best man.

Ushers were Billy Black, brother of the bride, and Eldon West, of Sudan.

Mona Wilhite furnished soft music at the organ during the

exchange of vows. She also played the traditional wedding marches, and accompanied Pat Glasscock as she sang "Always". Following the ceremony, a reception was held in the church dining hall. Mrs. James McCain registered guests.

The serving table, covered with a cloth of white lace over pink and white gladioli. The three tiered wedding cake was topped with a miniature bride and groom. Marlene Martin poured the punch.

Following a wedding trip to Las Vegas and other points of interest in New Mexico, Mr. and Mrs. Rogers are at home in Muleshoe, near where he is engaged in farming. Mrs. Rogers will continue work at the Muleshoe State Bank where she has been employed for some time.

The bride is a graduate of Muleshoe High School, and the groom graduated from Sudan High School.

Out of town guests included Luther Slaughter, Saint Jo; Mr. and Mrs. Burl Rogers, Anton; Mr. and Mrs. E. A. Rogers, Sudan; Mr. and Mrs. Richard Black, Sudan; Mr. and Mrs. Travis Gilliland and Mr. and Mrs. James McCain, Denver City.
