Postal Receipts Gained In 1956

Muleshoe postoffice has posted a nice increase in receipts this year over last, a report issued by Arnold Alcorn, postmaster shows. His report covered the year through Dec. 24, when receipts for this year totaled \$48,767.65. Receipts for 1955 through the same date amounted to \$47,075.20, a gain for this year of \$1,692.45.

Meyers Farm Sale To Be January 8

M. D. "Buddy" Meyers, who farms a mile west and 1 1/2 miles south of Beck gin, is cutting down on his farming operations, and will sell considerable farm implements and machinery at public auction January 8 at 10:30 a.m.

The items to be sold include tractors, trucks and many implements and tools.

Col. Clayton Myers is auctioneer and Tom Morgan and M. J. Gibson will act as clerks for this sale.

Lunch will be served by the West Camp Home Demonstration Club.

A full list of items to be sold may be found elsewhere in this issue.

FICA Rate On Wages Increased To 4.5 Per Cent

Tax rates under the Federal Insurance Contributions Act (Social Security) and filing requirements under the Federal Unemployment Tax Act, have been changed by recent amendments to the law, according to Mr. Howard O. Nichols, Administrative Officer of the Lubbock office.

New F. I. C. A. rates on wages paid on or after January 1, 1957 will be 2-1/4 percent each for employers and employees, a total of 4 1/2 percent, Mr. Nichols said.

The changes in the Federal Unemployment Tax Act, he explained, provides that employers who had four or more employees on at least one day of each 20 calendar weeks during 1956 will be required to file Form 940 by January 31, 1957. The filing of Form 940, Annual Federal Tax Return of Employers, was formerly required of employers who had eight or more employees.

Mr. Nichols said that copies of this return have been sent to most of the employers in this district. However, he suggested that employers who have not received this form by January 8, obtain copies from the local Revenue office at Lubbock, Texas.

Farm Labor Days To Be Tuesdays

The weekly farm labor days, sponsored in Muleshoe by the local office of the Texas Employment Commission, will be held each Tuesday from 8:5 p.m. to 10:30 p.m. Maurice Oden, office manager reported this week.

Farm labor days are designed to bring together hands seeking work, and farmers seeking workers. There is no charge for the service and all farm personnel are welcome to make use of the service.

Bailey Gins Turned Out 69,883 Bales To Dec. 1; Record Production Seen

Bailey County ginnings registered a large increase in 1956 over those of 1955, according to a release of the Bureau of the Census.

To Dec. 1, 1956, gins in the county had turned out 69,883 bales, compared to 47,273 bales ginned to the same date in 1955.

COUNTY OFFICIALS TAKE OATH NEW YEARS DAY. These six county officials are shown as they repeated the oath of office in the courthouse January 1, preparatory to beginning their official duties. From left to right: J. J. Redwine, constable precinct 1; W. H. Eubanks, commissioner from precinct 3; Tom Morgan, precinct 1 commissioner; Carey Staford, tax assessor-collector; county sheriff Dee Clements, and county attorney Jack Young. Record Low Rain Reported In 1956

The year 1956, a year of record breaking highs in crop yields and generally good business conditions, broke still another record by showing the lowest amount of total rainfall for any year within the 34 year period in which rainfall records have been kept in Muleshoe.

Only 8.32 inches of moisture was recorded here at the Muleshoe weather station, to set an all time low since at least 1921. Lowest previous total annual rainfall was in 1954, when 10.16 inches fell. 1956 has another doubtful record in that it is the first year since at least 1921 when less than 10 inches of precipitation was recorded.

For the benefit of those having copies of The Journal Rainfall Record, here is how the year measured out in rainfall by months:

January, .11; February, 1.10; March, .60; April, .02; May, 1.52; June, 2.76; July, .74; August, .69; September, .48; October, .89; November, .00; and December, .00.

Although the rains were extremely light, they did fall at the right time for agricultural progress and farmers had moisture to plant on for the first time in the dry land areas in several years.

The Journal is indebted to Judge Klump for supplying figures for the rainfall and temperature records each week in The Journal.

New Year DOLLAR DAY Bargains MONDAY

PLAINVIEW — Hale County ginned 191,387 bales of cotton from the 1956 crop up to Dec. 1. The Census crop report showed it was the best crop in the county's history on the basis of average yield. The 154,000 harvested acres averaged 1.1 bale to the acre. There was some three-bale-in-acre cotton in the county.

Ideal planting, growing and harvesting conditions contributed a lot to the big crop. Harvest began earlier, the first week in September, and was concluded earlier, the first 10 days in December, than ever before.

Last year Hale County ginned 158,809 bales from approximately 162,000 acres.

Hale County was second only to Lubbock in number of bales ginned in Texas prior to Dec. 1. Lubbock had ginned 215,991. Hockley was in third place with 163,762.

West Texas Weed May Be Source of Cortisone Drug

The plant, Agave lecheguilla, (yuca) has been labeled by scientists of the U. S. Department of Agriculture as the most promising native plant yet found to yield substances that can be converted to cortisone, a drug widely used for treatment of arthritis, inflammatory eye diseases, asthma, and other painful ailments.

Chemists of the USDA's Agricultural Research Service have discovered in the plant a substance known as smilagenin, from which cortisone can be made by chemical means. Although higher yielding plant sources of cortisone — like drugs have been found, this one is potentially important because it grows in such profusion within the Nation's borders. The possible use for this unwanted plant is of particular interest to Texans for it covers thousands of square miles in far west Texas.

The scientists said, "If agave proves to be an economical source of cortisone, harvesting it may lead to recovery of land now ruined by this weed." They pointed out that the plant may also provide an emergency source of cordage fiber — normally imported — used in making rope and cord.

Plant hunters have searched remote areas of the Americas, India, and parts of Africa for plants containing substances from which cortisone and other medicals might be made. More than 2,000 species of plants have been shipped for chemical analysis.

Mr. and Mrs. Joe Smith and children, Carol and Ronnie, of Evergreen, Colo., have spent the holidays here with their relatives and former friends. He is the son of Mr. and Mrs. Tom Smith; they were joined here by Mr. and Mrs. Ed Gullett, Mrs. Smith's parents, who formerly lived here, now reside in Cave Springs, Mo.

Joe declares that he is the "Joe Smith" most nominated by the Neb. ask delegate at the Republican national convention for President. But he did attend a Joe Smith dinner, organized in Denver to honor Democratic candidate Adlai Stevenson; he and 12 other Joe Smiths.

NEALY STEINBOCK IN CONCERT AT PORTALES

Nealy Steinbock, of Muleshoe was among the 50 students taking part in the concert Sunday of the School of Music, Eastern New Mexico U., Portales. The Men's Glee Club and the Women's Glee Club voices were combined for the concert, presented under direction of David W. Scott, department professor.

JOE SMITHS HERE FROM COLORADO

Mr. and Mrs. Joe Smith and children, Carol and Ronnie, of Evergreen, Colo., have spent the holidays here with their relatives and former friends. He is the son of Mr. and Mrs. Tom Smith; they were joined here by Mr. and Mrs. Ed Gullett, Mrs. Smith's parents, who formerly lived here, now reside in Cave Springs, Mo.

Larry Hood Is First Baby Of The New Year

Larry Don Hood, six pounds, 12 ounces, was the first child reported to be born in Bailey County after midnight of December 31, and thus became the first baby of the year and the winner of a number of free gifts from Muleshoe merchants.

The child, son of Mr. and Mrs. Joe Hood, Jr., of Rt. 4, Muleshoe, arrived at 9:47 a. m. January 1, at West Pains Hospital, and went home with his parents that afternoon.

The father farms on the George Partee place. Local merchants traditionally greet the first arrival of each new year with gifts for the baby and its parents.

Bula Girls Win AAU Tourney In Dallas Dec. 29

Marlene Nichols led the Bula girls basketball team to a 62-59 victory over Cooper girls in the championship game of the Southwest AAU high school girls basketball tournament in Dallas Saturday.

Nichols pitched 39 points in pacing the Bula team to its uphill victory. Miss Nichols was chosen as the outstanding forward of the tournament, the second year she has won this honor.

Cooper had a 22-13 first quarter lead in the championship game, and led 32-29 at the half. Bula took over in the third quarter and wound up on the winning side of the scoreboard.

New Deal girls won third place in the tourney.

PETERSBURG GATHERING

Mrs. Maude E. Jones, of Muleshoe, spent Christmas week in the home of her daughter, Mrs. H. B. Byerley and Mr. Myerley in Petersburg. Other guests in the home were the Byerley's daughter, Mrs. Pat Campbell, Mr. Campbell and little daughter, Lea; their three sons, Coach H. B. Byerley, Jr., and family of Hale Center; Edward, a student in Lubbock Tech, his wife and baby son; also Robert Earl, the youngest son of the family.

County Officials Take Oaths Before Judge G. Williams

Four new county officials and two re-elected officials took the oath of office in Bailey County courthouse at 10 a. m. Tuesday before county judge Glen Williams, to begin their duties for the new year and new term of office.

Judge Williams administered the oath to incoming sheriff Dee Clements, tax assessor-collector Carey Staford, commissioner of precinct 3 W. H. Eubanks, and county attorney Jack Young. Also taking the oath as re-elected officials were Tom Morgan, commissioner of precinct 1, and J. J. Redwine, constable of precinct 1.

J. E. Layton, constable of precinct 4 had taken his oath of office on December 31, as he would not be able to be present for the formal swearing in ceremony.

Following the taking of oath, the commissioners court met briefly and approved the bonds of all new officials, and administered the oath of office to two new deputies, Joe Hodge and Jimmy Wilkerson.

Dalton Sisters On Club Program

The Dalton sisters, Carolyn and LaQuinta, presented a program of vocal selections at the Wednesday noon meeting of the Muleshoe Lions club.

Gil Lamb was in charge of the program, and Graves Nelson was program chairman.

Muleshoe-Bailey County Growth Shown In Year End Statistics

Muleshoe and Bailey county both continued the growth and prosperity through 1956 that has been commonplace for this community during the past few years. The phenomenal growth of Muleshoe and the economic prosperity of Bailey county have both come to the attention of many people from other areas and the West Plains has become a model of growth and prosperity.

In the year just ended, almost every business in town showed an increase over the previous twelve months, and rains during the planting season assured farmers one of the best crops they have had in several years, adding to the economy of the area.

Agriculture

The cotton crop this year of 1956, aided considerably by higher than usual production from the dryland area of county, totaled out and more than 68,000 bales, bringing an estimated \$9.5 million into local coffers. This, plus the hay, grain sorghum and vegetable crops, all contributed to making 1956 a banner year in agriculture in Bailey county.

The entire state of Texas had 3,610,000 bales for an estimated \$340,545,000, from cotton alone.

City Growth

The city of Muleshoe continued its pattern of rapid but stable growth, with an estimated half hundred new buildings being constructed at a cost well in excess of \$542,000, including both residences and business structures.

Only 24 building permits were issued at city hall, but most ob-

servers feel that at least twice that number of buildings were started during 1956.

Pioneer Gas Co. has informed The Journal that at the beginning of 1956, it had 1173 meters in operation, and showed a gain of 60 meter connections for the entire year. These new meters were divided between new residences and business places.

Population Increase

The population of the city and county showed a large increase also. Although actual population is not known, it is on record that 259 infants were born in the county during the year, and that only 68 deaths were recorded.

Of the births, 122 were girls and 137 were boys, reversing the trend of 1955 when the girls outnumbered the male births.

A total of 64 marriage licenses were issued, although more than that number of marriages were probably performed, considering the nearness of Clovis, a favorite Gretina Green for young couples in this vicinity.

Postal Receipts

Postal receipts, another good barometer of business conditions, showed an increase of \$2209.50, postmaster Arnold Alcorn has reported.

Receipts at the postoffice in 1955 totaled \$48,288.75, and in 1956 amounted to \$50,498.25. The best months of the year just passed for the postoffice were March, June, September and December. The influx of migrant labor and bracer farm hands probably accounted for the March, June and September increases, while the November-December rise in receipts was attributed to the holiday mailing which began unusually early this year in response to a plea by postal officials.

Jerry Kirk Named To Lead Chamber During New Year

Jerry Kirk, superintendent of Muleshoe schools was elected president of the Muleshoe Chamber of Commerce for 1957 at an organizational meeting held Monday morning in the Chamber offices.

Jack Morris, newly elected to the board of directors, was named vice-president for the new year, and Horace Edwards was elected treasurer.

Other new directors recently chosen in mail balloting are Dr. B. Z. Zeaty, Jeff Peeler, and Jack Young.

Retiring directors are Murl Wilson, Ralph Morris, Lloyd Alsop and Clio Middlebrook. Wilson has served as president during 1956.

The new officers and directors will take office at the annual banquet to be held January 11. Rev. Leon Hill of Amarillo will be the principal speaker for that event.

Justice Court Has Increase In Cases In Recent Period

Justice of Peace Joe Vaughn announced this week that the number of cases handled by his court, including small claims, examining trial docket, and both civil and criminal justice court, have increased from 794 during the 1953-54 period to 1149 during the 1955-56 period just ended.

Vaughn said that justice court civil cases had increased from 28 to 71 in the two periods covered, while criminal dockets had climbed from 633 to 868.

Epidemic of Measles Causes 203 Absentees

An outbreak of measles, reaching epidemic proportions, has caused a drop of more than 200 in attendance in Muleshoe elementary school, principal Frank Ford announced Wednesday, the first day of classes after the two-week holiday.

By grades, the absentees were:

first grade, 37 absent; second grade, 55; third grade, 47; fourth grade, 45; fifth grade, 19 absent.

Dr. B. O. McDaniel, health doctor, reported that the large number of cases of measles could be considered an epidemic among children at this time.

Ford said that out of his normal enrollment of 835, he had 203 absentees Wednesday, most of whom could be considered to be ill.

Merchants Agree On Store Hours

Members of the retail merchants committee of the Muleshoe Chamber of Commerce met last Thursday afternoon and entered into a general agreement as to store hours during the months of January and February.

Department and variety stores in Muleshoe will close at 5:30 p.m. on weekdays, and will remain open until 8 p.m. on Saturdays.

Grocery and other stores will have the same hours they have always kept.

Highway Department Authorizes \$26,700 For Roads In Bailey County

The State Highway Commission today authorized the marking of State Highway 214 over Farm-to-Market Roads 290, 1412, and 199 to provide a single numbered road from Adrian to Seminole.

The completion of Farm-to-Market Road 1412 in Parmer County provides a continuous route from Adrian to Muleshoe over these Farm-to-Market roads. State Highway 214 presently extends from Muleshoe to Seminole.

The numbering of this route as State 214 is to become effective upon the date that the revised edition of the 1957 Official Highway Travel Map carrying this change is released to the public.

Sam Lindley Heads March of Dimes For 1957 Fund Drive

The annual March of Dimes, fund raising campaign for the National Foundation for Infantile Paralysis, began in Bailey county January 2 under the chairmanship of Sam Lindley.

Iron lung replicas will be placed in public places to receive contributions, and tiny crutches will be sold on the street during the month long campaign, Lindley said.

MULES VARSITY SQUAD, coached by Wayne Mantooth, has shown a very creditable ball club thus far in the pre-conference season. Caprock Girl Scout Council To Come Into Being At Meeting Set For January 8

Eighteen months of work and planning will end in the realization of a dream come true for Girl Scout workers in nine South Plains Counties on January 8. This is the date set for the luncheon and Council meeting to vote into being the new proposed Caprock Council. This luncheon is to be at the Lubbock Hotel at 12:00 noon and tickets may be obtained from the Neighborhood Chairman in each town or the Girl Scout Office in Lubbock.

Included in the program for this meeting will be a review of Mary Bard's "Just Be Yourself". Girl Scout leaders say that a real love for children and for scouting shines through this very funny and human book. It is a book which one will enjoy reading and one which may encourage some serious thinking about the Brownie program.

The Caprock Council has been organized to coordinate the activities of Girl Scouting in Lubbock, Parmer, Bailey, Lamb, Hookley, Lynn, Crosby, Cochran, Terry and a part of Hale County. Professional help will be available to most of the troops in these counties for the first time, since only Lubbock had the services of a professional worker at the time of this council's proposed organization.

Through the council, extensive training for leaders will be offered, through which the entire program will profit. Camping facilities and activities, both day and established, will be enjoyed by scouts who have not had the benefit of such a program in the past.

It is hoped that every troop in the area will be represented at this meeting to show their gratitude to the hard working committees who have spent much time, effort and road miles in making this dream come true.

CHRISTMAS IN WELLS HOME

Mr. and Mrs. Clayton Wells had all their children home for Christmas. Also, Mrs. Wells' mother, Mrs. Lydia Issacs of Lubbock. Children present were: Mr. and Mrs. Claude Patton and Arlan Dale, and Miss Mary Beth Wells, of Lubbock; Mr. and Mrs. Wayne Doty, Karen, David and Jo Gaye, Mr. and Mrs. Glenn Chester and Curtis of Sudan; Robert, Kenny and Linda of the home.

Linda did not enjoy the family Christmas tree and dinner too much, on account of having the measles. Last year she had the mumps on Christmas Day.

Mr. and Mrs. Jimmie Monneyham, Don and Barbara, from Vian, Okla., visited during the Christmas holidays in Muleshoe and Lariat with friends and relatives.

Wanda Faye Rice and Jimmy Clyde Holt Married Sunday, December 23 At Sudan

MR. AND MRS. JIMMY CLYDE HOLT

(Photo by John Nail, Littlefield) Wanda Fay Rice became the bride of Jimmy Clyde Holt Sunday, Dec. 23, in an impressive double-ring ceremony performed in the First Methodist Church at Sudan at 3 o'clock in the afternoon by the Rev. Wayne O. Perry, pastor of the Sudan First Baptist Church.

Rites were read before an altar banked with baskets of white mums and fern trees accented by candelabra bearing white tapers, further enhanced by the Christmas greenery throughout the church.

Miss Mary Jo Holt, of Muleshoe, sister of the bridegroom, played traditional wedding music.

Given in marriage by E. L. Whitmire, a friend of the family, the bride was gowned in a waltz-length original model fashioned on princess lines of white satin with lace overblouse with scalloped neckline. Her shoulder length veil of illusion fell from a head piece of pearls and rhinestones. She carried a white Bible topped with a bridal bouquet of white ranunculi and seed pearls. The Bible, belonging to her mother, was for "something old and borrowed", for something blue, she wore a blue garter, and a penny in her shoe for "luck".

Maid of honor was Miss Willie Mae Rice, sister of the bride. She wore a dress of champagne satin, styled in the fashion of

the bride. Her bouquet was of frozen feather mums. Kathy Lynn Rice, sister of the bride, served as flower girl and was dressed in a peacock blue dress, also of princess lines, and carried a basket of white and rose petals.

Serving the groom as best man was Joe Sig Kimbrough of Muleshoe. Ushers were Eddie Will, Bill Black, Jackie Tidwell, all of Muleshoe and Keith Pitner of Snyder.

For their wedding trip to Austin, where the couple will make their home at 107 East 18th St., the bride chose a brown and black faille sheath with black duster and matching accessories.

Mrs. Holt, a daughter of Mrs. W. L. Rice and the late W. L. Rice of Sudan, is a graduate of Sudan High School, class of '55, and before her marriage was employed by the Western Texas Farm Labor Association in Muleshoe.

Mr. Holt, the son of Mr. and Mrs. Clyde Holt of Muleshoe, is a graduate of Muleshoe High School class of '54, where he was a star athlete, participating in football, basketball and track. He is a junior in the University of Texas, where he is attending on a track scholarship. He is a member of the mile relay team which won the highest honors last year, is also a quarter-mile and a half-mile star.

For the wedding the bride's mother wore a grey sheath dress,

VISITORS FROM CARLSBAD

Mr. and Mrs. R. E. Willis and children of Carlsbad, N. M., visited their mother, Mrs. Irma Willis over the holidays. They left Saturday to take Mrs. Willis' sister, Mrs. Mary Kennan, who has been here the past several weeks to Clyde, where she will make her home. The Willis are teachers in the Carlsbad schools. R. E. spent his youth in Muleshoe and is well known here.

HOLIDAY TRIP

Mr. and Mrs. R. C. Cline and family visited in Brownwood, Dallas, and Ft. Worth during the holidays just passed. They visited Mrs. Cline's parents, Mr. and Mrs. W. A. Eakin and daughter Ollie, in Brownwood, and Mr. Cline's sister and family, Mr. and Mrs. W. T. Duke in Dallas. Stopping in Ft. Worth, the Clines visited some old friends, Mr. and Mrs. W. T. Guthrie.

THE GEORGE HAINES ENTERTAIN RELATIVES

Mr. and Mrs. George Haines entertained numerous guests over the recent Christmas holidays in their home here. Among them were Mr. and Mrs. K. D. Myers of Crosbyton; Mr. and Mrs. Jim Henry Haines, Gallup, N.M.; Mr. and Mrs. B. A. Beauchamp and family, Sudan; Mr. and Mrs. Elbert Kelly and son, and Mrs. Fied Kelly, all of Lubbock; Mr. and Mrs. Ray Black, Mr. and Mrs. Delbert Black and Mr. and Mrs. H. C. Elliott and children, all of Muleshoe.

with matching accessories, and white carnation corsage. The groom's mother was dressed in brown with pink carnation corsage.

REHEARSAL COFFEE

Mrs. W. L. Rice and daughter Miss Willie Mae Rice were hostesses for a coffee following the wedding rehearsal held Saturday night at the church parlors of the Methodist Church for the bride party and close relatives.

Mr. and Mrs. Clyde Holt, the groom's parents, entertained with a rehearsal dinner at their home in Muleshoe, honoring the bride party and relatives of the families.

BRIDAL SHOWER

Honoring Miss Wanda Rice of Sudan, bride-elect of Jimmy Clyde Holt, of Muleshoe, a bridal shower was held Dec. 20 in the home of Mrs. E. L. Whitmire of Sudan. Joint hostesses were Mrs. Joe Kent, Orville Moore, Glenn Chester, G. W. Maxfield, L. W. Shafer, Benny Robinson, Inez Robinson, Grace Benton, and Miss Barbara Preston.

In the receiving line were the bride-elect, Miss Rice, her mother, Mrs. W. L. Rice, Mrs. E. L. Whitmire and Mrs. Clyde Holt, the groom-elect's mother.

Miss Willie Mae Rice presided over the registry table.

Mrs. Orville Moore presided at the refreshments table, assisted by Mrs. L. W. Shafer and Mrs. Benny Robinson. The table was laid with handmade lace cloth with a centerpiece of wedding bells and an archway, depicting an altar. Individual cakes, nuts and minis were served with coffee. Napkins were printed with Wanda and Jimmy, Dec. 23. Yuletide decorations were used throughout the house.

Clovis Ceremony Unites Shirley Horn And Ray Cline On December 23

MR. AND MRS. RAY CLINE

(Photo by Cline) The couple left December 24 for China Lake, Calif., Naval Base, where the groom is stationed. Both Miss Horn and Mr. Cline attended Muleshoe schools, and the groom entered the Navy in October, 1955.

DALTON CHILDREN HOME

Mr. and Mrs. B. A. Dalton had their children and families home for a part of the holidays. From Fort Worth came Mr. and Mrs. Alvin Dalton and their two children; from Sumerton, Ariz., Rev. and Mrs. B. A. Dickenson and two sons; Mr. and Mrs. Dwayne Burkhead and daughter, of Muleshoe, completed the guest list. Rev. Dickenson is pastor of the Baptist Church at Sumert.

CALDWELLS HAVE GUESTS DURING HOLIDAYS

The S. C. and Gene Caldwell's had as guests over the Christmas holidays their daughter and family, Mr. and Mrs. Alfred L. Clay and Wickett, of Long Beach, California; Mrs. John Furr, of Slaton, and friends, Mr. and Mrs. Melvin Cearley and son, of near Oakland, Calif., and Mr. and Mrs. Byron Meyers, of Lubbock.

ON COLORADO TRIP

Mr. and Mrs. Thurman White, their son, Cliff, and granddaughter, Debbie, spent several days last week at the Elmer Gollehon ranch, just outside of Colorado Springs, Colo. They returned home Sunday.

House Values For 1957

● A three bedroom home on 312 West 7th St. Livingroom has 472 sq. feet and this room is carpeted. The middle bedroom is carpeted, the other two bedrooms have hardwood floors, nice bathroom, kitchen with nice cabinet, breakfast nook, tile on floor. This house is absolutely built for living comfort, convenient, ample closet room throughout the entire house, detached garage, sidewalks and shrubs. We want you to see this home that is so well located for school. You drive by 312 West 7th, and see the location. Call us for appointment.

● A two bedroom house on E. 4th St., 522 is the house number. And you get a 100' east front and a corner lot at that. Priced: \$5,000.

● A very nice 4 room house, 517 East 1st St. Be sure you see the inside of this before you turn away. Priced, \$2,000.

● We have a 3 bedroom house, large living room, large basement, bath room and kitchen. Next door south, a nice 4 room house that will pay good revenue. These houses are on a 100' lot, east front. See these houses, 206 and 210 West 5th., here in Muleshoe. You can buy both houses for only \$10,000.

● We have these Farms you can buy and get possession now. 720 acres up on the Mexico line. Has an 8" well drilled and cased, 400' pump setting 350'. A 5 room house, a few utility buildings. This land is on a paved road, and the price is set up this way: 480 acres at \$150 per acre and 240 acres at \$75 per acre.

● 177 acres of dry land now, but it looks as though there is irrigation water. They are drilling a well next to this place. Keep check with us, this could be a cheap place. 38 acres cotton allotment. Priced, \$10,000.

● 160 acres with a 63 acre cotton allotment for 1957, 10 in. irrigation well, 3 bedroom house, attached garage. Priced, \$215 per acre.

● 320 acres in section next to irrigation well. Good possibilities of 4-5" wells that would water the 103.9 acres of cotton for 1957. Price, \$90 per acre. This is a level 320 and would certainly flood irrigate good.

● 320 acres, 8 in. well. A real nice 2 bed room home. This place is level for irrigation and a good clean place, extra good type soil. Priced, \$195 per acre.

● 320 A on paved road, 2 bed room house. Full pipe 6 in. well, 17 acres cotton, 20 acres wheat. Priced, \$125 per acre.

● 320 acres, 80 acres cotton allotment, 2-8" wells full pipe, 3-000 ft. underground pipe. Five room house, pressure water system. This is a good pullman clay type soil. Priced, \$275 per acre. \$50,000 will handle.

● 320 acres in Hub country 3 bed room house, 5 in. well, full pipe. 270 acres that water good, 50 acres pasture, has some slope, 40 acres cotton allotment, 65 acres wheat. Price of this, \$200 per acre. Now this place is rented for 1957, tenant will sell possession if wanted.

● 80 acres, 24 acres cotton allotment, 10 in. well, a good one. This is a good buy in an 80 acre tract. Priced, \$225 per acre, possession now.

● 360 acres, 140 acre cotton allotment, 2-5in. wells, 1 1/2 miles sprinkler system, 6 room house. Folks, if you want a cotton farm you better look this place over good, and located on paved road close to town. Priced for the whole setup, \$65,000. Possession now.

We certainly want you to visit with us this Year of 1957.

"Dust storms sure were bad news — till I switched to AMALIE L. P. G.!"

That old common-grade oil I used to use in these irrigation engines did let the dirt and dust and rust cake up in those engines! But worse than that, with butane or propane, it thickened up when it looked almost like gear-grease! Man, what a change with this AMALIE L. P. G. Oil!

AMALIE L. P. G. is more than just a good oil, it's a super oil. When you burn butane or propane (Liquid Petroleum Gas), ordinary oil won't do. It must be ENGINERED for L. P. G. And AMALIE L. P. G. is just that. 100% pure Pennsylvania—no other crude like it on earth. Special additives, to hold that dust, grit, etc., in suspension—so they filter out. And above all, it holds its viscosity—its "flowing" qualities. Give YOUR engines—and your bank balance—a break!

AUTOMATIC GAS WATER HEATER

* Facts show that "the hotter the water, the whiter the wash." And a modern GAS water heater such as this slim, trim, 1957 RHEEM delivers temperatures high enough to more than meet the most rigid laundering specifications. Add to this the fact that dependable GAS heats water faster than any other fuel—and you've got the best insurance there is for the lightest, whitest launderings that ever came out of a washer!

To Make Laundering Lighter... Washdays Brighter...

Smart Moderns go GAS!

AUTOMATIC GAS CLOTHES DRYER

* You've no idea how much lighter your washday load can be, 'til you've tried a work-saving GAS clothes dryer—minus all the lugging, lifting, stooping and stretching that go with old-fashioned line drying. Lightens the load on hubby's pocketbook, too. Did you know that it costs only about \$2.60 a year to dry clothes for a family of four... plus, the fact that GAS drying saves on clothes because it's easier on cloth fibers than outdoor drying. Any wonder, then, why Smart Moderns go GAS?

Muleshoe Basketball Teams Have One Of Best Seasons Since 1954 Campaign

By Billy Ellis

With the season at the midway point, Muleshoe's two basketball teams, the Mules and Mulettes, are in the midst of their best season since the 1954-55 campaign. With a combined record of 22 wins and only four defeats, the teams, with slightly less than half of their schedule completed are running ahead of the pace set by the teams that year, who had a combined won-lost record of 41-7.

Coach Wayne Mantooth's Mules, with a 10-3 record at this point, stand a good chance of bettering their 17-12 season slate of two years ago. That Mule team, led by set-shot artist Eugene Shaw, finished third in District 2-AA with a 4-4 conference mark.

This year's team has no individual standout as yet, as six different players have captured or tied for individual game scoring honors at various times this season. Junior Bill Black and senior Charles Jennings, also mainstays on the Mules' football team, have been outstanding in games so far.

Jennings' absence was attributed to the Mules' first loss, a 40-37 defeat at the hands of Spade. In the 53-48 loss to previously beaten Lockney in their last game, the Mules were without Jennings and also junior Bob Sanders, another sparkplug of the team this year.

The Mules depend for their rebound strength on their 6-2 center, sophomore Don "Oakie" Alexander and 6-3 senior forward and Lynda will live on the Shackelford place.

Classes will begin Monday, January 7 at the Three Way School.

Miss Wanda Price of Lubbock spent several days with her parents the past week.

Mr. and Mrs. R. B. Wittner and Terry, and Mr. and Mrs. Billy Knox and daughter, all of Lubbock, visited the Andrew Wittners last week.

AT STATE BANK
Troy Monroe is a new teller at Muleshoe State Bank. Monroe has been employed with the Citizens' National in Clovis, N. M. He will move his wife and their two children here as soon as a house is available.

the Mulettes have been without a tall postman, and that deficit appears to be the only drawback of the team this season, although it hasn't greatly hurt the squad as yet, as evidenced by the almost perfect record that has been posted.

While lack of offensive height has hurt the team on rebounds (the Mulettes have been at height disadvantage in almost every game), the absence of a post-man has tended to distribute the scoring more evenly. All three of the Mulettes' starting forwards, Sandy Briscoe, Shirley Mathiesen and Mary Jo Holt, are averaging above 10 points per game.

Stellar guard work by Jan Puckett, Bobbie King and Doris Childers has held opponents to an average of only 33.6 points per contest. Bright note about the team is that only one starter, Shirley Mathiesen, is a senior, so the nucleus of the Mulette squad will be eligible for play again next season.

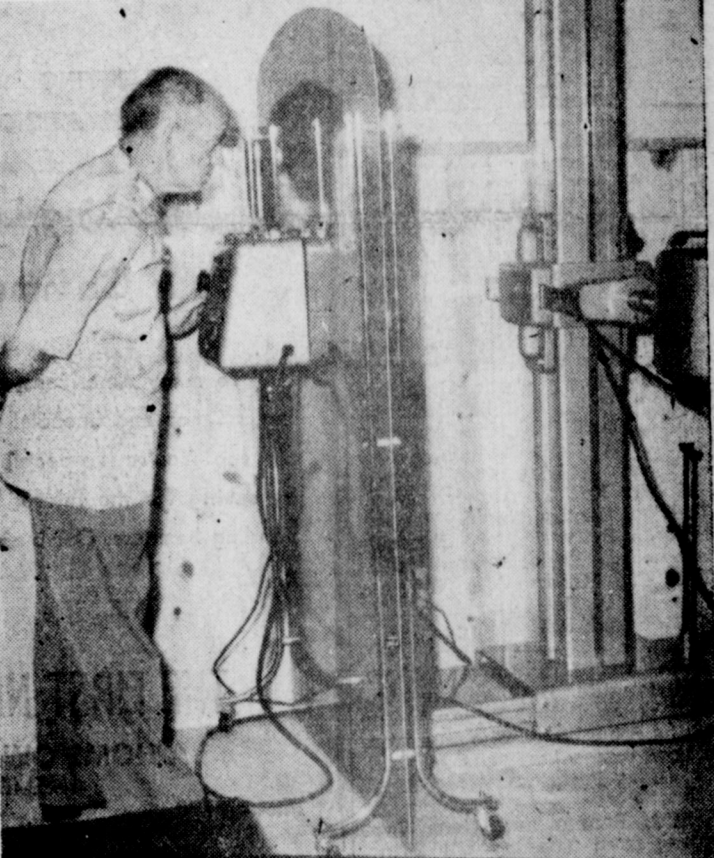

Both the Mules and Mulettes return to action this weekend, competing in the Amherst Invitational. The Mulettes face possibly their toughest opposition thus far in the opening round, as they meet the Lubbock girls at 5:30 p.m. Thursday. The Mules drew a first round bye, and will meet the Friona-Bovina winner at 6:45 Friday.

After this weekend only one non-conference tilt remains, with Farwell here Tuesday. The teams host Canyon next Friday to open district 1-AA play.

Resolve To Improve Your Health In 1957

This New Year Be Resolved To Protect Your Health By An All-around Health Program Which Should Include Periodic Examinations By Your Doctor of Chiropractic.

HEADACHES:
Case History: This man, age 51, consulted us at the Chiropractic Clinic the first week of the new year, 1956, suffering with severe headaches, extreme hurting in right side of neck into right shoulder and arm and predisposition to lower back, hip and leg rheumatism. Our Chiropractic examination located and revealed the cause of his nerve pressure and recommended service under Chiropractic. Corrective adjustments restored this man to health — free from pain and suffering.
As long as folks are active the need the services of Chiropractor — if ill health has retarded activity, Chiropractic is imperative!

PAINS IN LOWER BACK:
Case History: Lady, age 56, Symptoms and Case History: Patient's statement: "My lower spine and hip joints hurt me very bad. Occasionally the pain is so bad, it is unbearable. Also, my leg gets numb and hurts very much, hindering me from doing my work."
After an examination in the Chiropractic Clinic, where the So-Called Hopeless DO Get Well! the primary cause of her condition was found. The X-Ray pictures of her spine showed misalignments, distortions, and displacements of vertebrae. The nerve test analysis determined the amount of pressure on nerves in her spinal column. She decided to take a series of Chiropractic Health treatments to correct the cause of her disorders. She urges everyone to try CHIROPRACTIC FIRST to correct the cause of their disease or ailments.

Babson Discusses

REVOLUTIONARY INVENTIONS

Babson Park, Mass., Jan. 1. — The greatest efforts will be made to develop a small safe reactor which will enable homes to use uranium for fuel instead of oil, or gas, or coal. Next there will be more use of electronics to take the place of workers in factories. This is known as automation.

STENOGRAPHERS BEWARE!

The use of electronics which interests me most is to have a machine into which I can talk and have writing come out the other end! There are now several successful dictaphone machines which transfer the voice onto "receivers" such as blank flat phonograph records, or the standard wax cylinders, or electronic magnetic tape. I am told that the Soundscribe Company is perhaps the most progressive, but all are doing good work as far as they go.

All dictating machines, however, now need a pretty girl to take the material from the wax cylinder, or the flat record, or the electronic tape, and transfer it into written words on a sheet of paper by use of a typewriter. Great efforts, however, are being made to eliminate the need for this typist so that a person can dictate directly into a machine and have something come out which anyone can read. This would not require a typist.

RETURNING TO PHONETIC SPELLING

Some years ago there was a fine hotel at Lake Placid, New York, which promoted the Dewey Phonetic Spelling. Mr. Dewey wrote all his advertisements, circulars, letters, and even menus with phonetic spelling. Whether he did it to amuse the guests or to promote the phonetic idea, I do not know. One thing certain is that for any of these revolutionary dictating machines to succeed all children must be taught phonetic spelling. At the present time, three large corporations are trying to develop these new machines. Let me explain their three different methods of approach.

The International Business Machines Corporation is hoping to have its machine use the same alphabet we now use in letters. The Eastman Kodak Company may bring out a photographic me-

thod. Of course, the photography of still images was really a wonderful invention; then followed the photography of moving pictures. It is possible that these can be developed so that the spoken word will be photographed like a moving object. This is almost approached now by showing in television the expressions on people's faces; in fact, many listeners have the ability to read the lips of speakers. Photography experts will not be satisfied until they can photograph thoughts, as well as words.

THE ELECTRONIC METHOD OF WRITING "SHORTHAND"

Of the different systems, the electronic system interests me most although it requires forgetting the present alphabet and returning to the use of script writing. First came the telegraph with the dash and dot system; then came the telephone and TelAutograph; then followed the electronic-photograph and the magnetic tape. Few persons realize the wonderful electronic machine that is in their latest phonograph. When Thomas Edison invented the original phonographs, they were purely mechanical. Every spoken word made a wavy indentation on a wax cylinder, after which these wavy movements were exaggerated by levers which, at the other end, moved a thin metal diaphragm and faintly reproduced these spoken words. With a large horn the sound increased so that anyone, nearby, could hear them.

The modern phonographs, however, turn the waving motions which have been produced by the spoken words into electronic waves which, through the use of tubes, are greatly magnified. Radio Corporation of America is already transferring these words into wavy lines which some experts can read. This would be the ideal system; but it would require the use of almost a new written script something like "shorthand" which could be taught to every child. Even this, however, is not so revolutionary when you think that the "score" of music is an entirely different "alphabet" which millions of young people of all nations have learned to read and enjoy.

PARMER COUNTY Farm Bureau News

By RAYMOND EHLER

Tuesday night at five, we completed our journey of a little less than seven thousand miles. Time evolved was nine days. The route was Friona to Amarillo to Chicago, to Chattanooga, to Miami Beach, to New York, to Rochester, N. Y., to Detroit, to Gross Lake, Mich., to Flint, to Detroit, to Chicago, to Kansas City, Amarillo and back to Friona. These were the major stops.

The reason for the writers presence in Miami was not as a delegate, but as a service representative. We were privileged to hear several experts on selling service, as well as those directing their speeches toward the solution of the many problems confronting American Far-

mer speeches we heard was that of the national president of 4-H boys, a young man from Arkansas.

Sand Hills Philosopher Starts THE NEW YEAR OFF WITH A BRAND NEW PROPOSAL

Editor's note: The Sand Hills Philosopher on his Johnson grass farm takes a fresh start for the new year, his letter this week implies.

Dear editor: Here it is 1957 and naturally a thinking man's thoughts turn to Congress and the new session. I've always been noticing in a lot of papers lately where all sorts of proposals are being offered to Congress, from farming to hydrogen bomb problems, and since my interest is more along farming lines than hydrogen lines, I've been working on a plan for us farmers.

As I understand it, labor for example, has raised every time the cost of living goes up, and while I haven't been able to figure out a system that would work for farmers along this line, I have hit on a minor angle that might help a little.

It's farmer's taxes. Under the present system, a farmer's taxes are based on the value of his land and how much income he makes, but land values are no longer very dependable. That is, land is no good without water. It's not how much land a man has, it's how much rain that counts.

Consequently, I am proposing that Congress pass a law just as soon as it gets through appropriating its salary funds, stamp fund, office

fund, etc., basing a farmer's taxes on his rain gauge.

Every farmer knows what the average annual rainfall is for his area. Say it's 30 inches, just for example. Any year he gets less than 30, he gets 10 per cent off for each inch he's short. Based on 30 inches for a year, if he got 29, he'd get a 10 per cent discount on all his taxes, land and income taxes to boot. When he got down to 20 inches, you can see he wouldn't owe any taxes at all.

But my plan goes further than that. When he fell below 20 inches, having then reached zero in taxes due, he'd also get a 10 per cent bonus for each inch he fell short below 20.

This would go a long way to equalizing the effects of a drought. The way I see it, there's no sense in a man in prolonged drought not being able to enjoy all the pretty weather he's having and this new law would help him do it.

If you think this Rain Gauge Tax and Rebate System has any chance of passing, I hope you'll throw your influence behind it, and in the mean time, while you're looking for it, I'd appreciate your sending me the map showing the driest parts of the country and letting me know whether there's any land for sale there.

Yours faithfully, J. A.

ers. Of the six thousand in attendance, only a few hundred were delegates, the number based on the membership of each state represented. The temperature in Miami required day and night air conditioning.

VISITED NEW YORK

We went from Miami to Rochester, N. Y. where we visited a sister, and toured the famed Eastman College of Music where her husband, Ralph Bigelow is registrar.

From there we went to Gross Lake, Michigan to visit with Mr. and Mrs. Bill Bell. Mrs. Bell was our first office secretary, whom many of you remember. Mr. Bell is in the air plane repair and sales and flight instruction bus-

ness. The last planned stop was in Flint where our sister, Louise and her husband, Earl Mangold live. It was a very enjoyable trip. The High Plains still looks good.

President Katwasser, among other things, wrote letters to congressmen last week urging recognition of "split grades" of cotton for government loan. This was in line with resolutions approved by the membership previously.

QUINEIL ELLIOTT HAD WEEKEND HOUSE GUESTS

Quineil Elliott, daughter of Mr. and Mrs. Howard Elliott had four friends as house guests over the weekend. They are Ra-

mona McAdams, Hobbs, N. M.; Helen Hoffman, O'Donnell; Janet Hoyt, of Dallas, and Joanna Dawson of Dumas.

The five girls have had two years of training together in Girl Scout councilor training; they hope to make their friendship permanent by having a reunion once each year.

Today's Meditation

Read Luke 1:46-55.

And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, as it was told unto them. (Luke 2:20.)

It seemed to the happy shepherds that the very stars were singing, each star an angel of the heavenly host. Mankind could never again doubt the good will of God toward them, for He had sent His own Son in-

to the world for their salvation.

The birth of Christ was accompanied by a marvelous outburst of praise. Luke records five songs — the Beatitude of Elizabeth, the Magnificat of Mary, the Benedictus of Zacharias, and later on, the Gloria in Excelsis of the angels, and the Nunc Dimittis of Simeon.

Into the daily round, into the common life of these men and women came this outburst of song.

What was this but earth's prelude to the heavenly song, as all nations and people fall down

before the Lamb in the midst of the throne and sing, "Salvation unto our God who sitteth on the throne, and unto the Lamb?"

PRAYER

Lord, we thank Thee for the wonderful gift of Thy beloved Son, and for Thy redeeming love toward us. In the daily round of our lives inspire us with the joy of our salvation in Christ. In our Redeemer's name we pray. Amen.

THOUGHT FOR THE DAY

The love of Christ in us brings heavenly joy into our hearts and lives.

PROGRESS NEWS

Mrs. Arthur Cooper Phone 8536

FAMILIES ON THE MOVE

As usual the new year finds several families moving in or out of the community. The J. R. "Shorty" Walker Jr. family have returned here from Arizona and are living on the Verney Towns farm.

Mr. and Mrs. C. S. Otto have sold their place just south of Farm Road 1760 and have moved to Weatherford where her son lives. Mr. Otto's health is slightly improving.

Mr. and Mrs. Lester Baker bought their farm and moved there last weekend. The Bakers have three children, Alice 17, a senior in Plainview High school; Roy 14, an 8th grader and Larry 6, a 1st grader. They formerly lived near Providence.

Mr. and Mrs. Jimmy Clements, Denise, and Buddy moved the first of this week from the D. O. Smith place to Bovina, where he will farm about six miles west of town.

The Lewis Sanders family of Westcamp have bought the W. A. Roberts place and have moved a house there to remodel. They probably will not move until March.

BABY SUCCUMBS

Deep and heartfelt sympathy of this community is extended to Mr. and Mrs. Arthur Profit, whose baby, Jamie Inez, passed away early Monday morning, Dec. 31. The infant was born Nov. 28 in the West Plains Hospital and weighed only 3 lbs., 11 ounces. Most of her short life was spent in the hospital. She had been brought home several days before her death and was apparently well, when she lost consciousness and was dead before the family could arrive at the hospital with her.

Mr. and Mrs. George Corn, Lynn and Luanne visited her uncle, Mr. L. D. Tipton and Mrs. Tipton on Tuesday of last week. They were en route from their home

gram, and refreshments were served. Present were Mmes. L. D. Tipton, George Chambliss, Alkins, Muri Barnhouse, Gene Bandy, Bill Wilkins, the honoree and the hostess.

W. M. U. MEETS

The W. M. U. met at the Progress Baptist church Monday Dec. 31. Mrs. C. A. Bishop brought the devotional lesson, and Mrs. D. M. Marrow held the business session. Mrs. Ben Atkins dismissed with prayer.

RELATIVES ARE WRECK VICTIMS

Mr. and Mrs. A. W. Chiddix received the sad news that his niece and her husband, Mr. and Mrs. Troy Rice of Canyon were killed Saturday night in a car-train collision near Amarillo. The community extends sympathy to the bereaved relatives.

TWELFTH NIGHT PROGRAM

On Jan 6 at the Progress Methodist church at the regular Sunday evening service beginning at 7:30 the ladies of the Woman's Society of christian service will be in charge of a special Epiphany program. Epiphany is observance of the twelfth night after Christmas, when tradition says that the wise men found and worshipped the christ child. Everyone is invited to attend the special service.

Mr. and Mrs. George Corn, Lynn and Luanne visited her uncle, Mr. L. D. Tipton and Mrs. Tipton on Tuesday of last week. They were en route from their home

Safe 'n Sound

By LEE POOL

If you assaulted your neighbor with a deadly weapon you would be arrested and probably sent to prison, but you could kill your neighbor's whole family with your automobile and probably would not even lose your driver's license. Seriously automobile accidents are becoming one of the nations most deadly killers. The public rises up against a cold blooded killer, but when they read about a whole family being killed in an automobile accident they just say too bad, and shrug it off. So until we the public wakes up and does something to eliminate these accidents you can call Pool Insurance Agency and at least be sure of your own coverage.

WATCH NIGHT SERVICE
A dedicatory service of song, scripture, and prayer was the high point of a watch night observance on New Years Eve at the Progress Methodist Church. Refreshments of cookies and cokes, and games were enjoyed in the Fellowship Hall. The New Year was rung in with the church bell and with fireworks. Fourteen members of the Intermediate and Senior M. Y. F. and four adults were present.

SUNSHINE CLUB PARTY
Members of the Sunshine Club met for their Christmas party at the home of Mrs. Dave Coulter on Dec. 15. Mrs. Fay Hudson, daughter of Mr. and Mrs. John Williams, was honored with a bridal shower of many lovely and useful gifts. Then secret pals were revealed, and gifts exchanged by the club members. There was a short Christmas pro-
