BETTER HOMES WEEK PLANNED

Committees Appointed for Home Demonstration Club Contests April 15-20

The Better Homes Chairmen of the Home Demonstration Clubs of Lynn County met in the county court room on Saturday, March 16. This meeting was for the purpose of planning the Better Homes Week, which is to be held in the American Legion Home April 15-20, according to Miss Thelma Greenwade.

The following committees were appointed:

Demonstration Home and Furnishing Committee: Mrs. R. W. Fenton, Chairman; Mrs. A. L. Faubion, Mrs. Lloyd R. McCormick, Mrs. J. E. Earles, Mrs. J. B. Vickery.

Program Committee: Mrs. W. Barton, Mrs. J. M. Sear, Mrs. Forrester, Mrs. Strain, Mrs. A. A. Lawson, Mrs. D. G. Cook, Mrs. Lloyd McCormick, Mrs. H. M. Bright, Mrs. E. V. Starnes, Mrs. J. B. Vickery, Mrs. G. W. Hickerson, Mrs. J. E. Earles.

Reception Committee: Mrs. J. E. Earles, Chairman; Mrs. J. A. Beasley, Mrs. A. A. Lawson, Mrs. Brightman, Mrs. Joe Unfried, Mrs. McCormick, Mrs. Spurgeon.

Publicity Committee: Mrs. Elliott, Chairman; Mrs. C. C. Williams, Mr. Ray Shaver, Mrs. Taylor White, Mrs. Carl Holden, Mrs. L. Lumsden, Mrs. J. F. Campbell, Mrs. E. M. Walker, Mrs. T. E. Clements.

The members of the program committee will meet on March 23 and plan out the program for the entire week. Don't fail to be at the American Legion Home Saturday, March 23, at 2:30 P. M.

SHALL WE HAVE FREE MAIL DELIVERY?

(Contributed)

The City of Tahoka is stepping right along in the path of progressiveness. The residences have recently been numbered, and now the streets are soon to be placed on metal standards at each street intersection. Both of these improvements are required by Uncle Sam before free mail delivery will be granted any city. The City officials have been generous and progressive in seeing that these requirements were provided. Now, there is one other requirement to be met before free mail delivery will be granted Tahoka.

This next step is one that the City officials can not, or do not, have the authority to provide as easily as they have the two mentioned requirements. It is a thing which is going to fall for the co-operation of a great number of our citizens. In order to get this thing over, it may be necessary for some to go just a little stronger than they feel financially able to do. This other requirement is the city free delivery is more concrete sidewalks in our city. If you are a property owner in Tahoka and your property has no sidewalks, you can help in this program by talking with Postmaster Parkhurst and getting details of the requirements and building your part of the sidewalks. It will not only give you a new convenience but a sidewalk will enhance the value of your property much more than the cost of the walk.

Finish New Roof For Court House

The work of placing a new roof on the court house was finished Wednesday, according to County Judge G. G. Brider. The new roof is guaranteed to stand up for a period of twenty years. The contract price for the job was \$1024.00.

BOX SUPPER PLANNED AT REDWINE CHURCH

A box supper at the Baptist Church at Redwine is announced for Friday night. The proceeds are to be used to defray the expense of a singing class to be conducted at Redwine. Everybody has a cordial invitation to attend.

Mr. R. N. Shepherd, Mr. and Mrs. B. Edwards, Mrs. Jack Appleton, Mrs. Windham, Mrs. Colleen, and perhaps others from Tahoka attended the South Plains Musical Contest held in the High School at Lubbock last Saturday.

Stolen Car Found In Altus, Oklahoma

Sheriff Sam Sanford was notified by officers at Altus, Oklahoma, last week that the car of A. R. Tyler of the Wells community in this county, which was stolen a few weeks ago, had been found at that place. The car had been abandoned by the thief, and officers had no clue to the identity of the guilty man. The car was uninjured, we understand.

KNIGHT PLANS NEW BUILDING

Will House City Bakery and Filling Station; Construction Will Start Soon

W. L. Knight has the plans drawn and will this week let the contract for a new brick building on the lot now occupied by the City Bakery. He expects work to begin within the next week or ten days.

The old kitchen now used in connection with the bakery will be moved away and the bakery building will be moved back east to about midway of the lot. The new building, comprising the present bakery building will be 29 by 106 feet. A brick veneer will cover the bakery wall while the remaining walls of the new building will be built of solid brick. The west end of the building, 29 by 50 feet will be built and used as a filling station; the middle section, 29 by 32 feet will be the bakery proper; while the remaining apartment, 29 by 24 feet on the east end, will comprise the kitchen and other necessary rooms.

Mr. Knight says that the building will be attractive from the outside and will be commodious and convenient inside.

The filling station, at the intersection of 2 highways, No. 9 and No. 84, is one of the best locations for such a business in town. The bakery will be well equipped and Mr. Knight says he expects to make it as good as the best in all this section of the state.

Skip Taylor Making Race For Mayor

Yielding to the solicitation of friends, W. S. (Skip) Taylor has authorized us to place his name in our announcement column as a candidate for mayor.

Mr. Taylor has been a citizen of Tahoka for the past eight years, engaged in the abstract business and has built up a reputation as being one of Tahoka's best citizens. For the past year he has been a member of the city council and is thoroughly familiar with the financial condition, the problems, and the needs of the city. Thoroughly business-like and conservative in the handling of the City's funds, yet Mr. Taylor is forward looking and progressive. He would never be an obstruction to the wheels of progress but on the other hand would give encouragement and assistance to every proper and worthwhile improvement. Mr. Taylor says that there will be no extravagance on the part of the city if he is elected Mayor, and yet on the other hand he will not be penurious and obstructive in his attitude to the hurt of the city. He believes in progress and in a business like expenditure of the public funds for every good and necessary public improvement.

Mr. Taylor's friends feel that it is to the interest of the city that he be elected and they urge upon the voters the most serious consideration of his qualifications.

THIRTEEN SETS OF TWINS IN SCHOOLS

At the Chamber of Commerce luncheon it was brought to light by I. T. Gilmer that the Graham schools had thirteen sets of twins attending this year. Last year, the school had eight sets of twins in attendance, an increase this year of five sets. No one can charge Young County with being at all in harmony with race suicide.—Graham Leader.

The farmers' short course held in Sweetwater recently was one of the most successful ventures ever sponsored by the board of city development, business men and a well known implement company. The program was entirely educational, having lectures, music and picture shows.

TAHOKA SHIPS 500 CARS FEED

Additional 100 to be Shipped; Surplus Feed Brings Farmer Big Money

More than 500 car loads of maize, kafir, and other sorghum grain heads have been shipped from Tahoka this season, according to reliable information gathered recently by the News. The indications are that at least a hundred car loads are yet to be shipped.

A car load of heads consists of about 20 tons, and when the shipping season shall have ended, therefore approximately 12,000 tons of these heads will have been shipped from our town. Figuring these heads at a valuation of \$17.00 per ton, which is probably a fair average, the surplus grain crop will have brought to Tahoka by the end of the season approximately \$200,000.

A few cars of threshed grains have been shipped and even a few cars of bundle feed. Fifteen or twenty cars of corn have also been shipped. In addition to this, every farmer is well supplied with feed and many of them are feeding hogs, chickens, turkeys, and cows on the surplus grain. Clearly, the sorghum grains have become a most important and profitable crop in Lynn county.

Five Local Prisoners Bound for Huntsville

Bud Russell, penitentiary agent, came by Tahoka Tuesday and left with five prisoners convicted in the last term of the district court, conveying them to Huntsville to be incarcerated in the penitentiary for the terms assessed on their trials.

Frank Smith, colored, was convicted of murder and sentenced to five years in the pen. He took no appeal. His offense was committed in the Gordon community a few months ago when he got into a difficulty with another negro and killed him.

Charley Wheeler, white, was convicted of burglarizing a store at Wilson several weeks ago. He was found guilty and was given two years in the pen.

The other three prisoners over whom a penitentiary sentence is hanging are the three young strangers who stole merchandise from several local stores on Monday of last week and pleaded guilty on Thursday.

Center of Street Will Be Paved

An order was passed by the city council at its meeting Monday night providing that bids should be received and acted upon Monday night, April 1, to put down concrete pavement in the unpaved portion of the street lying between the two blocks which the Post Office and the Security State Bank are situated. This will necessitate the removal of three trees in the middle of the street but it will give much more room for traffic.

T-BAR 4-H CLUB MEETS

The 4-H Club of T-Bar met at the school house Monday, March 11, 1929, the meeting date being moved up account of the short course.

As our President, Oleta McCarley, was absent the vice-President, Florence Perry took charge of the meeting.

Our sponsor, Mrs. J. B. Vickery was present, also nine old members and four new members were enrolled, namely, Marie Crawford, Bertie Pearl Childs, Marie Haynes, and Leta Mae McMillian.

The following work has been completed: 3 Aprons, 2 Dresses, 2 Slips, 104 eggs set, 5 button holds, 2 designs worked.

We attended to the unfinished business and adjourned until Thursday, March 21, 1929, with the help of the Home Demonstration agent, Miss Greenwade, and our new sponsor, Mrs. J. B. Vickery, we hope to have a real good club this year.—Florence Perry, Reporter.

Mrs. L. P. Teague, mother of Mrs. W. S. Anglin, is seriously sick at the Anglin residence. Her sons, E. O. and H. L. Teague of Littlefield and D. B. Teague of Stephenville, have been here at her bedside much of the time this week.

WILL INSTALL NEW LAUNDRY

Craft and Burdette Will Operate Modern Plant In Downtown Section

Tahoka is to have a well-equipped modern steam laundry soon. This announcement is authorized by Messrs. L. F. Craft and J. G. Burdette, who have already purchased the machinery and procured a part of the floor to operate it. They declined to state positively the exact location of the new enterprise but said that it would be somewhere in the business section of the city. It will be equipped with the most modern machinery and Mr. Craft asserts that they propose to make it one of the best small laundries to be found anywhere in this part of the state.

Mr. Burdette is operating a small laundry here now. Mr. Craft is operating a tailor shop and has built up a splendid business in this line, one of the best to be found on the South Plains. He is a successful business man and there can be no doubt but that they will make a success of the laundry and will at the same time afford the people of Tahoka and Lynn county the best laundry facilities right here at home.

D. Sanders Is Marshal Candidate

In our announcement column this week will be found the name of D. Sanders as a candidate for city marshal.

Mr. Sanders has had considerable experience as a peace officer, having served nearly four years as deputy sheriff under Wesley Simpson. He has been living in and near Tahoka most of the time for the past fifteen years, and he is known to practically every man and woman, boy and girl in Tahoka. Having had experience as a peace officer, he is thoroughly familiar with the duties of the office and feels that he can render efficient service.

In speaking of his candidacy, Mr. Sanders stated that he had no "boost" to give himself, that the people here know him, and if they see fit to honor him with this office he will do his best.

He will appreciate the vote and support of every citizen of the town.

Grassland House Destroyed by Fire

A farm house situated on the Double-U ranch and occupied by Raymond Young and family about four miles southwest of Grassland was destroyed by fire on Wednesday night of last week. The contents of the house including nearly all the personal effects of the family were also destroyed. A purse for the unfortunate family was taken up and many of their neighbors as well as the business people of Tahoka contributed to their need.

We did not learn the origin of the fire.

SHORT EXTENSION OF WATER LINE TO BE MADE HERE

The city council at its meeting Monday night authorized the extension of the water line for a distance of 1 block just in the rear of the Slaton home and other residences in that block. Four-inch pipe will be laid, it is said. This extension will serve several residences.

Clarence Strickland, who has been in jail here several weeks on a charge of having given a cold check to a business man, was taken to a sanitarium at Lubbock by Sheriff Sam Sanford Tuesday for an operation for appendicitis. Sam says that this is one prisoner that is proving to be quite expensive to the county, since the county will be compelled to pay for the operation.

Out of 70 4-H Club boys around Big Spring, 25 have decided to buy young Jersey calves from 6 to 12 months old, through co-operation of business men, and have pledged to raise three acres of cotton and two of maize—the cotton to pay off the note on the calf and the maize to feed the animal.

New County Agent Has Begun Work

Roy E. Shaver, Lynn County's new farm agent, arrived last Friday and is now ready to serve the farmers of Lynn county in any way that he can be of service. However, he has not yet been assigned an office by the commissioners' court, but this will probably be done this week.

Mr. Shaver comes to this place from Tulsa, where he was employed by dairy interests to test cows.

STREET SIGNS TO BE ERECTED

Erection of Signs Recently Received Is Authorized by The City Council

At a meeting of the city council Monday night, the city marshal was instructed to erect posts and to place thereon the names of the streets at all street intersections in the city. Contract for the purchase of these signs was made several weeks ago but they had not been received until just recently.

These signs will be of great assistance to strangers as well as to residents of the city and the council is to be commended for this progressive action.

4-H CLUB BOYS WIN AT EXHIBITING

The 4-H Club Boys of Garza county have made quite a showing for themselves in Fort Worth by winning 1st, 2nd, 3rd, 4th, and 5th prizes on their red maize.

This scale in the prize list goes to show that they have made excellent progress in their work this year under County Agent Knox Parr. About ten of the boys are in Fort Worth now with Mr. Parr but are expected home in a few days.—Post Dispatch.

Three Shoplifters Get Pen Sentence

Courts are often criticized for being slow, but it was quick work which the district court did in a case here last week.

Three young men showed up here Monday morning. They stole quite a quantity of merchandise from several stores in town, climbed into an old car they were driving, stepped on the gas and started south. Their larcenous activities had been discovered, however, and they were overtaken and arrested six miles south of town the same morning. The grand jury being in session, indictments were returned into court Tuesday, the three being indicted jointly for felony theft from J. A. Brashear & Son. This case was set for trial on Thursday and when the case was called the defendants pleaded guilty and a jury fixed their punishment at two years each in the penitentiary. Conviction for crime within four days after its commission is rare anywhere. It is exceedingly rare in Texas. The three young men, who are said to be "dope" fiends are now in the jail awaiting the coming of the penitentiary agent to convey them to one of the state prisons, and the agent is expected at a very early date.

The three young men gave their names as O. C. Bass, A. L. Lester, and C. W. Thomerson. It is not known from what state they originally came.

SLASH-L CLUB REPORTS

Slash-L Home Demonstration Club met Monday afternoon, March 18, at 2 o'clock, with nine old members present and three new ones. Miss Thelma Greenwade was also with us. Mrs. Val Perry brought an iron bedstead and refinished it, with Miss Greenwade's advice and help.

What-nots and corner shelves were about the most interesting thing of the day. Two of the members brought material and made one each while there, while others took patterns of them to their homes, where they could have more time for the work. Miss Greenwade also showed us the latest in drapery as well as other interesting things similar to that.

Everyone seems to be enthusiastic and we feel like we are going to learn something worth while. New members are cordially invited.—Reporter.

TAHOKA WINS DIST. CONTEST

Music Students Carried Away Many High Honors at Lubbock District Meet

Tahoka music pupils came back from Lubbock last Saturday where they contested with other towns for honors in the South Plains Music Contest, with the lion's share of the laurels.

The Tahoka High School Boys Glee Club won first place.

The Tahoka High School Male Quartet won first place.

Frank Sargent, Tahoka High School boy, won first place as tenor soloist.

The Tahoka High School girls Choral Club won second place, the first place going to Lubbock.

Miss Lucille Slaton of the Tahoka High School won second place in mezzo soprano, first place again going to Lubbock.

To Mrs. Jack Jackson is due almost entire credit for the splendid training that has been given these young people in music.

She worked faithfully under the direction and with the assistance of Supt. Baze to cultivate the unusual musical talent that so many of Tahoka's young people possess, and her efforts have been abundantly rewarded.

Mrs. Jackson and others accompanied this group of young people to Lubbock.

The South Plains district embraces several counties in this section. Lubbock, Slaton, Tahoka, and possibly other places had representatives in the various contests, and Tahoka won the major portion of them.

INTERESTING MANILA DAILY PAPER EXHIBITED HERE

C. C. Williams, secretary of the Tahoka Chamber of Commerce, exhibited to us this week a copy of a special issue of the Manila Bulletin published in Manila, Philippine Islands, dated February 1, 1929, and being No. 25 of Vol. 73 of this newspaper; which means that the paper was established more than 73 years ago. This special edition contained 76 pages and had the general appearance of any big American daily newspaper. Its pages, however, are filled with interesting information about the Philippine Islands.

From its pages we learn that the Philippine Archipelago contains 7,038 islands, that the land area amounts to 114,400 square miles, considerably less than half the area of Texas, but 94 per cent of the area is contained in the eleven largest islands, that only 2,441 of the islands are named while 6,637 of them have an area of less than one square mile each, that 30 of them have an area of over 100 square miles each, these being the only important ones.

We also learn that the total railway mileage in the islands is 792, and that motor buses and trucks do a thriving business.

They have picture shows, beauty parlors, and discussions of Prohibition. In fact, the islands seem to have become largely Americanized, even in the respect that the natives desire independence and are rather bitter, according to Mr. Williams, against America because complete independence has not been accorded them.

Mr. Williams taught four years in the Philippines and this mammoth edition of the Manila Bulletin was sent to him by a friend.

Neighbors Plover For Sick Friend

J. T. Owens out in the Edith community has some good neighbors. For a number of weeks he has been in the hospital and has been unable to do any work on the farm.

Last Friday the neighbors gathered in to break his land and to put it in condition for planting. About twenty-four men, with as many teams, gathered at his place that morning and pitched in according to A. R. McGonagill, and before night they had prepared more than a hundred acres of land for the planters. The twenty-four teams comprised 106 horses and it was a sight to behold. So unusual was the scene that a picture of it was taken, which we hope to be able to present to our readers some time soon.

JUDGE MORGAN DENOUNCES THE POLITICAL AUTOCRATS

Judge Morgan of Lamesa has sent us another communication giving his opinion of the Wirtz bill and denouncing those whom he designates as "would-be self-appointed political autocrats." Judge Morgan is a vigorous thinker, and writer and you will enjoy reading his communication whether you agree with him or not. His article follows:

As a sample of the present political regime in poor old Texas, the Wirtz Bill, a part of the grist of the legislative mill at Austin, indicates a purpose to manufacture a certain breed of Democrats by law. Indeed, "the

mills of the gods grind slowly but they grind exceedingly fine."

Conscience implanted in the human system may have been designed to serve as a monitor, a guide for human action, and our old Bill of Rights provides that "Every man shall worship his Creator according to the dictates of his own conscience." Who has any right to attempt to prescribe how any sovereign citizen of Texas shall vote?

Primary elections and secondary elections—run-offs—are purely political scheming and chicanery, fraudulent in fact and law. Every literate person well knows that there is no room, reason, or good use for partisanship in state politics in Texas, and any man who favors, endorses or ad-

vocates a continuation of the present regime in Texas exposes his want of recognition of the free exercise of individual conscience.

For the information of the would-be self-appointed political autocrats, they might be told that it is unnecessary for them to fence out from their self-righteous political inclosures the intelligent, conscientious voters of Texas, and they may stand assured that such voters have no desire or purpose to longer, homologue with the blind idolaters of party fealty, support of the nominee, however contrary to their conscience—however such people may not have but little if any real conscience in fact.

Considering this fistula, that has too long afflicted poor old Texas, it behooves every conscientious man and woman in Texas to quietly ignore the proponents and supporters of the Wirtz bill, and all candidates who run on its prescribed methods should be relegated to the shades of innocuous desuetude, as a proper and wholesome rebuke of autocratic audacity.

N. R. MORGAN AN ORDINANCE

Setting salaries for pending term and meeting night.

Be it ordained by the City Council of the City of Tahoka, Texas:

First, that there be one regular meeting night of the City Council on the first Monday in each month.

Second, that the salaries of the mayor and aldermen be \$2.00 per diem, the per diem limited to two meetings each month, commencing May 1, 1929.

Third, all ordinances and provisions in conflict with this ordinance are hereby repealed.

That this ordinance be in effect after due passage and publication as required by law.

Witness my hand this 4th day of March, A. D. 1929.

J. K. APPLEWHITE

Mayor of the City of Tahoka, Texas. Pro Tem.

Attest: Mrs. J. R. WALKER, Secretary of the City of Tahoka, Texas.

CLUB WILL HAVE SHAKESPEARIAN PARTY

The Phebe K. Warner Club has planned to have a Shakespearian party at Mrs. Slaton's home on April 5th.

The program will open with a roll call, the members to respond with quotations from Shakespeare.

UPSHAW SPEAKS HERE FOR PROHIBITION

Hon. W. D. Upshaw, ex-Congressman from Georgia, spoke at the Methodist Church here last night in defense of the Eighteenth Amendment and for its enforcement, but we have neither the time nor the space this week to give even a synopsis of his most excellent and entertaining address.

He was here under the auspices of the Anti-Saloon League and was introduced by Judge B. P. Maddox.

W. O. W. MEETING

There will be a meeting of the Woodmen of the World at the office of Uncle Ben Rogers Friday night, March 29. Important business to transact. All members are urged to attend.

MES. NICKLAUS AND WILLIAMS ENTERTAIN WITH BRIDGE PARTY

Mesdames W. W. Nicklaus and Nat Williams entertained a number of their friends in the latter's pretty new home on West North 4th street Thursday evening. The St. Patrick color scheme was used in the decorations, tally cards and favors. Mrs. Elbert Boullion was found to have won highest score.

Refreshments in two courses, consisting of a salad plate and the latter courses was brick ice cream and cake. The plate favors were beautiful red sweet peas.

Those enjoying the evening were Mesdames Jerry Nash, L. F. Craft, L. H. Base, G. M. Stewart, Elbert Boullion, Marshall Swan, W. B. Slaton, Hansford Tunnell, Robert King, Jack Alley, Buford Swan, Oscar Roberts, C. B. Townes, B. H. Robertson, Tom Lemond, Lane Moreland, L. E. Turrentine, Frank Hill and Miss Walden.

CANDIDATES FILE NAMES FOR CITY OFFICES

The following names have been filed with the city secretary to be printed on the official ballot as candidates for the offices indicated. The names of some of the announced candidates have not been filed with the city secretary but it is presumed they will be filed soon. Others will possibly be filed also. Here is the list as it stood at 12 o'clock today:

Mayor: C. H. Cain.
City Marshal: M. C. (Milt) Finch, D. Sanders, T. A. Wimberley.
Aldermen: J. S. Wells, S. E. Reid, L. C. Haney, W. L. Knight, J. D. Donaldson, Sid Sanders.

Three aldermen are to be elected.

MRS. OSCAR ROBERTS ENTERTAINS WITH BRIDGE

Mrs. Oscar Roberts entertained Saturday afternoon from 3 to 5 o'clock with a St. Patrick bridge party, in her pretty new home in West Tahoka.

The St. Patrick color scheme was used in the decorations, tally cards, and favors.

A dainty salad course was served to Mesdames Ben T. Brown of Britton, W. W. Nicklaus, Tom Lemond, L. E. Turrentine, A. D. Sanders, Jr., Buford Swan, W. B. Slaton, C. B. Townes, Jarry Nash, Hansford Tunnell, Robert King, Lee Roy Knight, Jack Alley, G. M. Stewart, Bill Burleson, M. O. Bridge, M. L. H. Base and Miss Frankie Wells.

WIMBERLY TALKS TO THE CITY VOTERS

Folks, I want to see everyone I can before the city election, but if I fail to see you don't forget that I want your vote, and if I am lucky enough to get the city marshal office I want to say this: I will make you just as good an officer as I know how. I am not going to promise you a big lot I will do and then do nothing. I will promise this, though, I will try to be fair to everyone and do the best I can under all circumstances and treat everybody alike, and if you cast your vote for me in the coming election I hope to show my appreciation by making you a good officer.

T. A. WIMBERLEY

MISSIONARY SOCIETY HAS INTERESTING PROGRAM

About twenty-five members of the Baptist Missionary Society attended the program given at the Church Monday.

Mrs. Caviness gave a very interesting report of her trip to the Mission Study Institute which met at Fort

Worth. Then she took charge of the program.

Subject—"White Races Meet."

Song.

Devotional—Mrs. Barnes.

Prayer—Mrs. Shepherd.

The Background of the American Negro—Mrs. Jackson.

Song.

A Quiz on the American Negro—

Mrs. Applewhite.

Prayer—Brother Shepherd.

At the close of the program a social hour was enjoyed. The St. Patrick color was carried out in the refreshments, which were very delicious.

There were three visitors. We are always glad to have them.—R. Porter

WHAT A SHOCK!
YOU CAN GET!
You know what a shock you're apt to get when you take hold of a rubber insulated ignition cable while the engine is running—even though the cable looks fine.
But did you ever get your mind off the shock long enough to think what it means? It means that only a part of the valuable high tension current from the coil is reaching the spark plugs.
The results are: slow getaway, more gas consumption, and crankcase dilution.
It will pay you to let us instal a set of Packard cables if your car has been run 10,000 miles.

NOTICE TO THE PUBLIC

Any erroneous reference upon the
reputation or standing of any indi-
vidual, firm or corporation, that may
appear in the columns of this news,
will be gladly corrected upon called
to our attention.

The bar as a whole is composed of
members of the highest character.
Many who make a specialty of the
fencing criminal business have ac-
quired the habit of resorting to any
kind of tactics necessary to win.
The more successful they are in keep-
ing their clients out of the penitentiary,
the greater their reputation as
criminal lawyers, and hence the
bigger their fees. They therefore
oppose any reform in procedure that
might deprive crooked lawyers of
the original and most profitable
method of justice more promptly
and certain. This is why the origi-
nal lawyers in the legisla-
ture fight all measures designed to
improve procedure. Some of the pen-
itent measures, possibly, are with
out merit, a few of them may be
sound, but there are quite a num-
ber of vital and highly meritorious
measures that should be adopted.
Exposure by the original lawyers to
the legislature who have thwarted
these reform measures are vain. The
press of the state should give im-
mediate publicity to their records.
Patriotic lawyers and laymen who
should denounce the attitude of
these friends of the crooks who close
the wheels of justice in the courts
and who struggle to death every re-
form measure introduced in the leg-
islature. Too many original lawyers
in that body.

A big dairy show is to be held at
Philvew for the week of April 1-5.
Many of our people should and some
doubtless will attend the show.
Hundreds of the finest dairy cows

will be shown. Single and expect
not only from the Plains section and
from Texas but from a number of
other states. Dairying has been
quite a feature of the country and
it can be carried on successfully on
the four Plains as anywhere in the
United States, perhaps. In fact it
is being carried on successfully in
Alabama and Louisiana and
the and is being given more and more
more attention by the people of Lynn
County. We hope that number
of our people attend.

WHEAT OTHERS
THINK

Some of our folks were reminded
of their school days on reading that
Yale university has been giving an-
nual prizes in honor of those who
celebrate the centenary of that
county. We hope that number
of our people attend.

Over in New Mexico a priest usually
repose on some inconspicuous
place. Better remove the thick layer
of dirt, or but a new copy put in
your living room table and con-
sider it a part of your collection.

There is no action of the entire
south Plains in the possibility
from an agricultural standpoint
than the vast virgin territory compris-
ing the northwest quarter of Lynn
County.

The editor of the Texas Advance
reports that a citizen of his town
has been complaining about a non-
stop dog yard. Our trouble is that
a few people complain about a donkey
driving in our front office.

Lightning struck a hole and killed
the cow in Van Land county. The
lightning was unpaired.

R. E. Key of this city and Gordon
King of Linn were business visitors
in Adkins last week and
plant a berry patch.

Whose horse went dead
And his little wife
And he lost her love
In a poker game
Tom's hurricane came
On a summer's day
And blew the house
Where he lives away
And the earthquake came
When he was sick
And swallowed the last
That his horse was on
Then the tax man came
On his annual report
And charged him \$4
With the hole in the ground
—Honey Grove Signal

The sponsors of the Bolters Bill,
so called, are having a good deal of
amusement now, reminiscent of the
young man who told his father he
was going to have some fun tickling
the heels of the mules that were leisurely
enjoying their noon-time intake
of water. The father warned him
but to no avail. The young adven-
turer drew near and tickled the heels
of the rear mule with the whip stock.
The father hurried to him and, pick-
ing him up, noted that the son had
lost four of his front teeth, had a
deep gash over his left eye and was
bleeding copiously at the nose. Tak-
ing the boy in his arms, he said:
"My son, you never will be as
party as you wish, but you'll be a
dam right amateur!"
These atypical politicians who see
doing their utmost to end the Tax-
as Democracy will be saying after
the 1936 election, "We didn't know it
was loaded!" —The Advance (Dallas)

At the time this heavy editorial is
being punched out on the old Under-
wood, we have not learned what Gov.
Moody has or expects to do with the
bill proposing to kick the House-
crates out of the party. But if he
is the man we think he is the legisla-
ture is going to have another job
passing a measure over his veto. We
can't see the sense in kicking out a
lot of good men who voted the Demo-
cratic ticket all their life only to
have their job with the Republicans
and hold the balance of power in Tex-
as. But that would be the quick-
est way to make a two party state
if that is what the legislature wants.
If they would stop at kicking out
Tom Love, Alvin Moody, Oscar Col-
quhoun and a few of the other pol-
itical leaders that talked supporting
some pie, or say go to it—but stop
at that.—Terry County Herald.

The Market Mail hastens to say
that just about all the present leg-
islature has allowed Gov. Moody to
do this session is to name the baby,
and thereby the Mail lays itself open
for an argument. Who informed the

A Quarter Million
NEW SIX CYLINDER CHEVROLETS on the road since JAN. 1st

To satisfy the overwhelming public demand for the
new Chevrolet Six, the Chevrolet Motor Company has
accomplished one of the most remarkable industrial
achievements of all time. In less than three months
after the first Chevrolet Six was delivered to the pub-
lic, the Chevrolet factories are producing 6,000 cars a
day. As a result, more than a quarter million new
Chevrolet Sixes have been delivered to date—and this
tremendous popularity is increasing every day! If you
have not yet seen and driven this remarkable car—
come in for a demonstration!

Just as an evidence of what the dairy cow means to the ordinary family, Mrs. J. S. Wells sold milk, cream and butter to the amount of \$55.00 during the month of February and has sold \$30.00 worth up to the present time this month, from four cows, two of which are mere heifers, in addition to all that was needed for family use, and Mrs. Wells says they use about a pound of butter a day. Mr. Wells states that every bite of feed they ate was raised on his farm; nothing was bought. The only expense was a little expense having the feed ground up. A few good dairy cows will bring in a big profit to any family.

J. L. Heare, Sante Fe agent here is of the opinion that the people of Lynn County are not giving as much attention to grape culture as it deserves. He says that grapes will thrive and produce bountifully with little or no irrigation, and where irrigation is possible the yield is heavy. He has a few vines on his premises and he knows from experience that grapes are a decided success here. He urges that more attention be given to grape culture in this county.

The News received a communication last week from a New Jersey subscriber, John W. Newton of Haddon Heights. Mr. Newton had a good word to say for the paper and expressed great surprise that Texas went for Hoover. His surmise was that the newspapers and the women did it. Well, a few newspapers and many women did it. Of course there were others who helped.

Mr. and Mrs. W. C. Cowan returned Friday from Hunt County, where they visited a sick relative. They report that that section of the state has had almost incessant rains the past few weeks and that no crops had been planted yet. Good rains had fallen as far west as Roscoe. They didn't enjoy the climate down in that country and were glad to get back home.

T. C. Leedy has torn away his old residence, one of the land marks of the town, and is erecting on the site a new modern and attractive stucco residence, in which he and Mrs. Leedy expect to spend the remainder of their days. Their many friends hope that they may live to enjoy it for many years.

A chartered Training School for Nurses is conducted in connection with the Sanitarium. Young women who desire to enter may address the Lubbock Sanitarium.

Dr. and Mrs. E. E. Callaway returned Sunday afternoon from an extended visit with relatives at Crowell, Wichita Falls, and Fort Worth. In the latter city they attended the Fat Stock Show, but Dr. Callaway says that his pleasure was greatly marred by the fact that the man who perished in the fire which destroyed the principal buildings of this institution was a life-long friend of his, they having been boys together.

Mr. and Mrs. Pete Brown of Lubbock were the Sunday guests of Mrs. Ollie Johnson.

Mrs. L. S. Kuykendall visited her daughter, Mrs. Grady Beard, in Fort Worth last week.

G. E. Hogan is in Archer City on business this week.

NEW HOME CLUB REPORTS INTERESTING MEETING

The New Home Demonstration Club met for an all day meeting with Mrs. J. B. Lowe on March 14. The program was, "The Livable Living Room" which was made very interesting by the demonstrations

presented. Miss Greenwade had several things of interest to present to the ladies. She discussed everything that a living room should contain. Discussing curtains, drapes, magazine racks, hanging book shelves, what-nots, and waste baskets, she had all of these to show us.

The ladies are doing splendid work with their eggs, chickens, cream, etc. The ones who were present reported the following: Eggs, setting, 70¢; Ba. by Chicks, 14¢; besides other improvements that they are doing.

Everyone brought lunch, and with the nice dinner Mrs. Lowe prepared we had a feast and enjoyed the day so very much.

Those present were: Mesdames G. N. McWhorter, W. W. Balch, W. V. Starnes, Creed Clements, F. Sutton, Miss Greenwade and the hostess, Will Robinson, Loyd McCormick, Mrs. Houston Stephens from Loraine was a visitor.

The ladies who miss these meetings are missing something really worth while. There are always things of interest and the club needs you. Please come and let's work together for a better club. The next meeting will be at the school building March 28, at 3 o'clock. Be there.—Reporter.

NOTICE OF AMERICAN LEGION MEETING

Notice is hereby given that the next regular meeting of the Marion

G. Bradley Post of the American Legion will be Thursday evening March 28. Important business to come up. Refreshments will be served. EMMETT FLEMING, P. C.
