TRAILERS CAUSE BOTTLENECK

In cotton harvesting, this scene of number of cotton trailers on an area gin yard shows why harvest is being delayed. The ginners are turning out the bales as fast as they can to get a good grade and turnout, but the trailers are still stacking up in most gin yards. (Staff Photo.)

TRAILERS HOLD UP HARVEST

Cotton Crop Is 75% Completed

Approximately 75 per cent of the Bailey county cotton crop has been harvested at press date, it was estimated by agricultural observers here this week. About 42,000 bales of cotton have been ginned or are on gin yards awaiting ginning at this time, the observers reported Wednesday. The 18 gins in Bailey county are ginning more than 7,000 bales per week, and are speeding up this figure somewhat, as more and more trailers jam the gin yards.

Most agricultural experts predict that Bailey County will produce about 52,000 bales this season. They are quick to point out that more than this number of bales will probably be ginned by the 18 county gins. But they state that a number of bales will be ginned in Bailey County that actually belong to farmers in Parmer and other counties.

Two figures should be reported on cotton ginned in this county, Agricultural Agent J. K. Adams told The Journal. "The actual number of bales ginned, but which included out of county cotton. In this way, we can get a truer picture of our actual production."

One of the annual production bottlenecks is occupying the scene again on gin yards this fall. That is the large number of cotton trailers waiting to be unloaded. Many farmers are piling machined cotton on the ground, awaiting return of trailers from the gins. Gins, on the other hand are working around the clock to turn out quality

bales, which takes time, thus slowing up the return of the trailers to the fields.

Adams said that until some process speeds up the ginning of cotton, the problem of trailer bottlenecks will be a continuing one.

Meanwhile, most of the Bracero laborers are leaving the area, as more and more farmers are turning to machine harvesting. Truckloads of Braceros are leaving the area daily, as the need for hands diminishes.

Free Chest X-Rays To Be Given Here December 6, 7, 8

The mobile x-ray unit of the Texas State Department of Health will be in Muleshoe December 6, 7, and 8 to give free chest x-rays to all Bailey county residents over the age of 15 years.

The unit will be set up in the 241 Chevrolet building on the main street and will be open from 1:30 pm on December 6; from 8:30 am till 5:30 pm on December 7, and from 9:30 am till 1 pm on December 8.

Muleshoe civic organizations are cooperating in the campaign to get free chest x-rays for local residents. The Lions, Rotary and Jaycees will furnish assistance in the form of labor and transportation. The Study Club will furnish hostesses and clerks, and several individuals will donate time to the project.

Irvin St. Clair is general chairman of the project.

All persons receiving the free x-ray will receive a written report on the findings made by

Legion Commander Addresses Post

Commander Limer, of the nine tenth district, American Legion was the guest speaker at the last meeting of the Ben Richardson post 403 in Muleshoe.

Limer stressed the importance of all veterans becoming members of the Legion so they can obtain many of the benefits they are entitled to. Limer went on to state that the cost of the GI bill will have been paid in full in extra income taxes paid by the increased earnings of veterans who took advantage of the opportunity to receive training or schooling under the bill.

Home Lighting Contest To Be Judged By Out Of Town Committee On December 21

The annual home lighting contest for the Christmas Season is being sponsored again this year by the Chamber of Commerce for Muleshoe residents.

Cash awards of \$25, \$15, and \$10 will be given the three home owners whose decorations are judged best by an out of town

Chamber of Commerce Home Lighting Contest
P. O. Box 846, Muleshoe, Texas

I wish to enter the Christmas lighting contest. I will have my decorations lighted between the hours of 6 pm and 10 pm on December 21 for the judges to see.

READER REACTION — In just a few words here's what one subscriber wrote his newspaper: "I have many fond memories of your newspaper and the people who have been connected with it. Not long ago . . . it occurred to me that in the files of your newspaper is the history of my life. Your newspaper has recorded the story of my birth, my childhood parties, my graduation from high school and later from college, my marriage, the arrival of my four children and the death of one of them — and now in more recent years your columns have been recording the arrival, one by one, of my grandchildren. Is it any wonder that your newspaper means so much in our home and that we look forward eagerly to receiving it each week?"

That is a story, in brief, of any newspaper . . . an intensely personal thing, close to the lives and thoughts and work and aspirations of most everyone in every community.

—Texas Press Association.

Among the latest to take note of the Muleshoe postcard with the cartoon of the western boy and the effete easterner kid is Pittman & Davis, tree ripened citrus fruit dealers, of Harlingen. One of the big wigs writes for some of the cards, says he has "some guys in mind to whom we wish to send this card", and winds up with this piece of philosophy:

"Our compliments to the author, Chambers of Commerce seldom have such a sense of humor."

Well, sir, you remember Mr. Panter, up in Nebraska, kept telling Clyde Bray he had clipped a cartoon from a magazine that we ought to see. Finally he brought it. Clyde gave it to us, we pasted on the insignia of Muleshoe, and had the engravers to make us a cut. We have now printed 1 bet twenty-seven thousand, eight hundred and eighty five postcards, which undoubtedly have been handed out and mailed to the far corners.

It's pretty cute, we think. And the Chamber will give you some of these postcards if you want to mail some out.

Changing Times

Fourteen antiquated steam locomotives rolled through Muleshoe Tuesday morning, destined for Houston and the scrap metal pile.

The old engines, scaly and screeching from neglect, were priced 4000, 39000 and 29000, and have all been replaced by more efficient, if less picturesque diesel engine units.

Santa Fe officials said Tuesday that except for a few of the large steam engines, retained for emergency use, the railroad company has converted to diesel locomotives entirely.

Dillinger eventually was slain by police July 19, 1934 outside a Chicago theater on a tip from the gangster's ex-girl friend later to become known as "The Lady In Red".

4-H Club Members Record Calendars To Be Presented

Three hundred Bailey and Parmer county 4-H club members will be given record keeping calendars this winter, courtesy of Muleshoe Liquefied Gas Co., county agent J. K. Adams announced this week.

Adams said the calendars will aid the 4-H club members to keep accurate records of their projects and the cost and income from each project. It is one of aims of the club, Adams said, to see that members have an accurate record of their project work. Records play an important part in tabulating achievements of individual club members.

In this connection, Adams urged all farmers in the county to keep complete records on each segment of their farming operation rather than the overall operation. In this way, he says, the farmer has a more complete record for tax purposes, and also knows more accurately what crops or operations are worthwhile to continue, and which are not paying off and should be discontinued.

TO CALIFORNIA

Mrs. Mattie Griffin of Progress Community, left last week for a few weeks visit with her children in California.

BEATS BROTHER'S 1954 RECORD

4-H Boy Wins Corn Contest

Royce Turner, of Muleshoe, raised a whopping 251.5 bushels of corn to the acre to win the annual Texas hybrid corn contest.

New records were set in this year's contest, which is sponsored by the Texas Certified Hybrid Seed Corn Association and the Texas Agricultural Extension Service.

Brother 1954 Winner
Last year, Royce's brother, Doyle Turner, won the state con-

test with a yield of 204.3 bushels per acre.

Royce planted Texas Hybrid 17-W on May 6 and harvested it Oct. 24. He irrigated the crop 5 times, cultivated it twice, and used 300 pounds of 16-20-0 and 6 pounds of anhydrous ammonia an acre at planting time. He will receive a \$100 cash award and a plaque and the designation of state champion.

Austin De Laughter of Route 3, Texarkana, Bowie County, came up with the highest yield without irrigation. His 13 acres of

Texas Hybrid 30 produced 175 bushels an acre. It was planted on April 1 and harvested on Sept. 8. It was cultivated 3 times and was fertilized with 600 pounds of 12-12-12 an acre and side-dressed with 150 pounds an acre of ammonium nitrate. De Laughter will receive from the hybrid association a \$50 cash award and a plaque.

Turner was first place winner in area 1. In Area 2 Cauthen Wimberley of Bynum, Hill County, won the \$50 award with a yield of 131.2 bushels an acre

without irrigation. In Area 3 De Laughter was the winner. In Area 4 R. E. House of Dim Box, Lee County with 152 bushels an acre (dryland) was tops and will receive a \$50 cash award. In Area 5 (irrigated) Otto Moser of De Kalb, Bowie County, was first with 178.6 bushels an acre. All area winners except 1 and 2 planted Texas Hybrid 30. Wimberley planted Texas Hybrid 32.

The estimated average yield for all Texas corn for 1955 is 23.5 bushels an acre—up 7½ bushels from 1954.

Junior Class Play To Be Presented In Auditorium Tonight

Dale Albright junior class sponsor, will direct the comedy "Father Knows Best", tonight, December 1 and 2 in the high school auditorium.

The play, which has become famous for spoofing family life, will feature Don Copley as father. Other members of the cast include Janelle Sedgewick, Annette Leveridge, Rose Lee Miller, Quine Elliott, Lewis Wimberly and Buford Watson. Evelyn Bratcher, Brenda Simmacher and LaVayne Gregory are also in the cast.

The junior class will use the play as one of their fund raising projects. Tickets are \$1 for reserved seats, and 75 and 50 cents for general admission.

Local Firemen Were Busy Sunday

The immediate area around Muleshoe did not escape unscathed when a series of gin fires Sunday destroyed cotton and trailers for a loss estimated by the Lubbock paper at \$250,000.

Muleshoe fire department was busy. They answered fire calls at Needmore, where the Co-op gin fire was said to have destroyed at least 14 bales.

And the truck went to Bovina to help control a blaze at a gin in Bovina. This blaze is reported to have destroyed about 195 bales of cotton and about 65 trailers.

Fiona and Dimmitt are reported to have had fires around gins. At Bula, in the southwest part of Bailey County, seven trailer loads of cotton and 20 bales of ginned cotton were consumed by flames in the Gaze gin yard, damage being estimated at about \$11,000.

And while a part of the fire boys were at Bovina with the old truck, another group of the volunteer firemen had to get the new truck and extinguish a local blaze. Some cleanings from Griffiths Elevator ignited, but the flames were quickly squelched.

International Show Honors Won By Teachers

The Texas Tech judging team won first place for the fourth straight year at the International Livestock show in Chicago on November 26.

Members of the team include Ray Riley of Littlefield, and Jim Gaede of Muleshoe.

Riley had second highest individual score and Gaede placed seventh. Both are seniors at Tech.

THANKSGIVING GUESTS

Guests for Thanksgiving in the R. L. Dillard home were her parents, Mr. and Mrs. Earnest Jackson, of Wellington.

Stores Stay Open Until Nine P. M. For Xmas Buyers

Most Muleshoe stores will remain open tonight (Thursday) until 9 p.m. The retail merchants will, for the most part, observe this late hour schedule for each Thursday night until Christmas.

The Journal is being published one day early this week, and will remain on the Wednesday publication schedule until the Christmas issue.

The early publication of the Journal is to conform to the Christmas season hours of Muleshoe merchants, in order that their advertising will be most effective and early week-end specials may be seen by all our subscribers.

Band Boosters Will Meet Tuesday

The Muleshoe Band Boosters club will meet December 6 at 8 pm in high school auditorium. The meeting was originally planned for Thursday night, but has been changed because of the late hours most stores will be keeping on Thursday night.

Ray Franz, president of the club, said a report on all activities this fall will be made at the Tuesday night meeting.

PLANS FOR 1956 ARE TOLD

Vegetable Project Set For Area

Bailey county farmers who are wondering what to plant on diverted cotton acres may have an answer in the projected plans of the Alexander Marketing Co., which has a packing and shipping plant in Muleshoe. Under the direction of Stan Barrett, the company, with headquarters in San Benito, Texas, plans to undertake a huge diversified vegetable growing and marketing program in the Bailey county area next spring.

In an interview this week, Mr. Barrett and Mr. Womble of the Alexander concern said the company is planning to put a large number of Bailey County farmers in the vegetable growing business.

The company officials believe that the Bailey County area is suitable for vegetable growing, and that factor plus a favorable freight rate over the California vegetable production centers, creates an almost ideal set up for vegetable growing here.

Lettuce and potatoes have been

grown in this area for several years now, and their merits have been proven. Although late seeding and early freezes set the lettuce crop back a bit this year, the vegetable people feel that lettuce is still one of the best crops for this area.

Next year, Alexander plans to begin production with lettuce and potatoes, plus such diversified vegetable crops as carrots, cabbage, onions, and perhaps some bell peppers.

Alexander Marketing is one of the largest produce firms in

the Southwest, and will finance farmers in vegetable production, or will contract to purchase vegetable crops in the field. The company will also buy vegetables across the scales at so much per crate.

One of the peculiar problems of the vegetable farmer is the rapidly changing market. Weather conditions in one part of the country can cause an immediate change in market prices and affect the entire market. This is one of the problems the new-comer to vegetable growing must understand.

Mr. Barrett, who has had considerable experience in both the growing and marketing of vegetables will act as advisor to any interested farmers who wish to go into vegetable production.

He will be glad to answer questions concerning the project from area farmers.

BRACEROS GOING BACK HOME

are seen in this staff photo. Typical of the exodus of the Mexican National laborers at this time of the year, when most farmers are machining their cotton, and the need for extra hands no longer exists. (Staff Photo)

Charlene Coulter County Delegate From Lucky Clover

Lucky Clover 4-H Club met Friday in the home of Margaret Durham, and elected Charlene Coulter as delegate to the Bailey County 4-H committee. Jo Ann Austin was elected as alternate. President of the Club, Bernice Clark, was automatically a member of the county committee.

Sandra Dill gave a demonstration on the proper way to set a table. A report on the last meeting of the National 4-H Clubs was given by Sharon Evans.

A demonstration on making cheese rarebit was given by the agent, Mrs. Mollie Stinson. She also spoke on keeping records in

4-H work. Charlene Coulter read the group in games.

Mrs. H. K. Thornton and Margaret served refreshments to Carolyn Wynn, Jo Ann Austin, Carolyn Burge, Mary Sanders, Sandra Dill, Bernice Clark, Charlene Coulter, Pat Barnett, Sharon Evans, Latoya Howell, Magann Lamb, and Mrs. R. R. Clark.

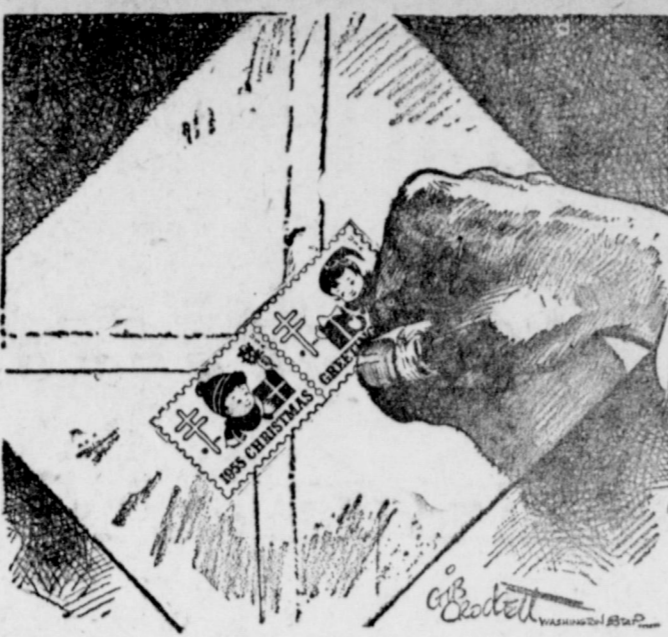

Next meeting will be a Christmas party in the home of Magann Lamb, December 9.

Needmore Girls 4-H Met Nov. 28

Needmore 4-H Girls met at the Community Center at Needmore, November 28, with Betty Sowder, president in charge.

Anette Schmitz gave a short demonstration on how to correct-

It Will Go Further With This Seal

ly set a table, and Elizabeth Morrow gave a demonstration on filing recipes.

Mrs. Stinson, agent, demonstrated making Welch Rabbit, and told the girls how the name originated.

Six members and one mother attended.

Miss Hoffman Sneaks To MYF

Steigrid Hoffman, 16 year old German exchange student, who is attending Muleshoe High School, and making her home with Mr. and Mrs. Gordon Murrah near Progress, spoke to MYF members recently in a meeting at Earth.

Sixty members attended. Those from Muleshoe making the trip were Linda Lou Lancaster, LaVon Copley, Ann Birdsong, Magann Lamb, Wesley Stephens, Don Gillespie, and Sen Stemmoms. Sponsors accompanying the group were Mmes. D. B. Lanaster, Gilbert Lamb, and Mrs. Clarence Stephens and Linda Beth.

Marvis Shivers Circle Met At Watson Home

Marvis Shivers Circle of Woman's Missionary Union of First Baptist Church met Monday evening, November 28, in the home of Mrs. John Watson.

Opening prayer was led by Mrs. Lela Barron. Miss Lillie Williams then led the group in the 23rd Psalm, and very ably discussed and explained it to the ladies.

Closing prayer was given by Mrs. H. L. Blackburn.

Following a short business session, delicious refreshments of fruit drink, coffee, and cake were served by the hostess to Miss Lillie Williams and Mmes. Bert B. Remund, Lois Shock, H. L. Flanagan, H. L. Blackburn, Lela Barron and E. H. Kennedy.

Seven Initiated Into National Teachers Sorority

Initiation ceremonies for new members of the Iota Cordelave of Kappa Kappa Iota, National Teacher's Sorority, were held Thursday evening seven o'clock of November, at the home of Mrs. Jessie Stovall.

A delicious buffet dinner was served, after which the following persons were initiated into the organization: Elizabeth Watson, Grace Whitley, Roberta Biles Blanche Johnson, Margaret Stemmoms, Ruth Dunn and Jimmie Dee Hepson. Roylene Hawkins and Joyce Walker will be initiated at a later date.

Others attending were: Janet McDonald, Ola B. Jones, Olene Bryant, Mary Ford, Beatrice Blackburn, Lois Witherspoon,

Nazarene Church To Open Fund Barrel January 1

The barrel opening date for the Nazarene Church has been changed to January 1, 1956.

The fund raising campaign to secure \$1,000 for a new parsonage is now underway, and church officials have expressed their appreciation of the wonderful response which the people of this area have given.

Mary B. Obenhaus, Christine Rutherford, Lillie Williams and Jo Ann Zahn.

Supper Honors College Students

Four visiting college students were guests of honor at a Thanks giving social Friday evening, November 25 at the Progress Methodist Church.

Ladies of the W.S.C.S., with Mrs. Albert Davis as chairman, prepared and served the supper in the parsonage dining room. The menu included roast chick-

en, dressing, cranberries, fruit salad, rolls, pie, and punch. After the meal the young people enjoyed games and singing in the MYF room.

Homecoming students honored were Elmer Ray Davis of E.N.M.U.; Sue Actkinson and Ralph Cooper, both of Texas Tech.; and John L. Thomson of Texas A.M.

Others attending the affair were: Paul McMahon, Patricia and Brenda Simmacher, Judy Murrah, Selgrid Hoffman, Patsy Murrah, Harold and Pat Cooper, Donna Actkinson, Ben Roming, Lucille Davis, Kenneth Powell, and the sponsor Mrs. Byron Gwyn.

Rev. C. T. Jackson and Mme. Vernon Roming, John Urteaga and Troy Actkinson also attended.

Each one of us knows in his heart when he has done unjustly, unkindly by his brother. And though he may present an unconcerned face to the world, the injustice, unkindness he has done will lay like a heavy, cold stone on his conscience, his soul—in the quiet of the night, alone with his God, he cannot escape it.

But the path of the just is as the shining light, that shineth more and more unto the perfect day.—(Proverbs 4:18.)

The portion of Floyd County within the boundary of the High Plains Underground Water Conservation District covers about 600,000 acres of land. (The total area of the county is 635,520 acres.) The underground reservoir in the Ogallala formation beneath the area within the district contained approximately 12,500,000 acre-feet of ground water in storage available for pumping in January, 1955. The above map was prepared from data compiled from a study of 831 logs of water wells and about 700 measurements of water levels in wells.

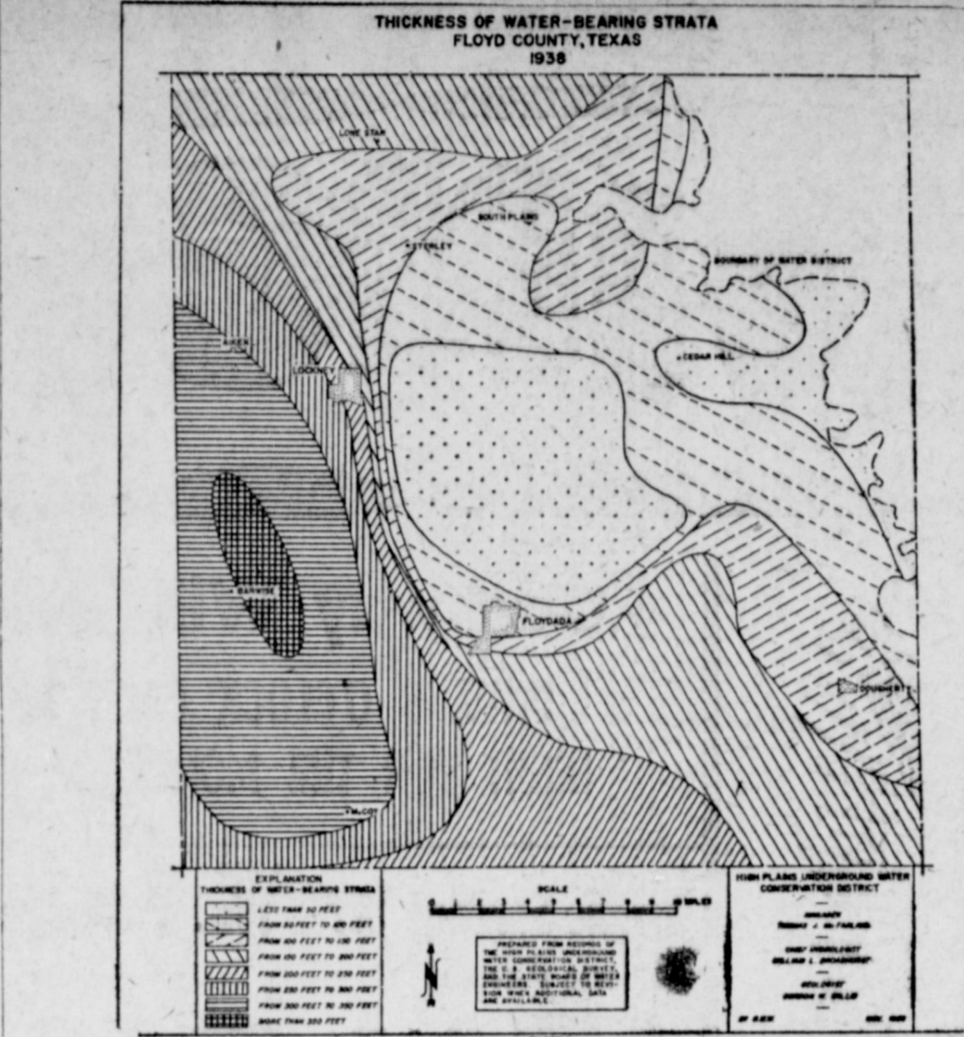

The map shows the thickness of the water-bearing strata between the water table and the redbeds in 1938 before an appreciable amount of water had been pumped from the reservoir.

The volume of water remaining in the underground reservoir was determined by subtracting the volume of material unwatered since 1938 from the total volume of saturated material in 1938 and multiplying the remainder by the coefficient of storage of 15 percent.

These data show that 14,400,000 acre-feet of water was in storage available for pumping in 1938, and that 1,900,000 acre-feet of water has been removed from storage since 1938. In other words, 13 percent of the volume of the available water has been removed from storage since 1938. In the portion of the county within the Water District, about 75% of the water removed from storage was removed from about 36% of the area.

The approximate quantity of underground water in storage, available for pumping, beneath an individual farm may be determined by multiplying the number of acres in the farm by the thickness of the water-bearing strata underlying the farm and then multiplying by the storage coefficient of 15 percent. Suppose the farm consists of 320 acres and has 200 feet of water-bearing strata underlying it, then 320 acres x 200 feet x 0.15 equals 9,600 acre-feet of water available for pumping. An acre-foot of water is the quantity required to cover one acre to a depth of one foot, and it is also equal to 43,560 cubic feet or 325,829 gallons.

An individual may use this in-

formation to determine, within reasonable limits, how long the quantity of underground water in storage beneath his farm will last at any annual rate of withdrawal. This assumes, of course, that his neighbors pump a comparable amount of water per acre on their farms.

This map and studies of this type are part of the regular hydrological work in progress by the staff of the Water District. Similar maps and information will be prepared as rapidly as practicable for all the counties within the Water District. Maps of Deaf Smith, Parmer, Castro, Potter, Randall, Armstrong, and Floyd Counties are now available.

Morris Services Conducted Sunday

Final services were held in the First Baptist Church at Portales, N. M., Sunday, Nov. 27 at 2:00 p. m., for Mr. G. C. Morris, a pioneer of this area.

Mr. Morris passed away Friday morning, Nov. 25, at the family home at 612 West 5th Street in Portales.

Before moving to Portales in 1941, Mr. Morris farmed near Muleshoe. He had made his home here since the early 20s. He was born July 29, 1886 in Franklin County, Texas, and was converted and united with the Baptist Church at an early age. In January 1908, he was united in marriage with Miss Ada Connelly, at Winnboro.

Survivors include his wife, a daughter, Mrs. Charlene Echols, one granddaughter, Mrs. Peggy Robinson, San Diego, Calif.; two great grandchildren, also of San

1955 graduate of Muleshoe high school. At Wayland, he is sports editor for the Trail Blazer, student paper, and vice-president of the freshman class.

Diego; a sister, Mrs. F. H. Williamson, of Winnboro; and four brothers: C. B. of Longview; W. J. of Winnboro; W. H. of Sulphur Springs and J. W. of Portales, N. M.

He was preceded in death by one daughter.

Rev. L. A. Doyle conducted the services. Interment was made in the Portales cemetery.

Weaver Daniel Is New Barber At Tonsorial Parlor

Weaver Daniel, of Olton has the job at Imperial, also, after Barber Shop. Daniel is married and has one child.

Johnny Henderson is back on the job at Imperial also, after breaking his leg and being hospitalized during the Thanksgiving holidays.

VISITED FRIONA O. E. S. CHAPTER

Visiting in the Friona Eastern Star Chapter Monday evening, were Mmes. Mary Farley, Ada Thompson, Wynnie Dunn, Viola Layne, Lucy McAdams, Myrtle Creamer and the Muleshoe Chapter Worthy Matron,

Lola Bray, and Worthy Patron, Buck Creamer.

Mrs. Margaret Wilson, Deputy Grand Matron, of Dimmitt, was making her official visit to Friona.

Expression Pupils Present Program

Mrs. Horace McAdams presented her expression pupils in a program in the home of Mr. and Mrs. Clyde Bray, Tuesday evening, November 22.

Those taking part in the program were: Wanda Harris, who gave, "The Morning Call," "A Young Housekeeper," and "The Tell Tale"; Julie McAdams, who read "Sour Grapes," and Ann Rusch who gave "A Puzzler and Mother's Love."

Jan Creamer read "Last and Least," "Her Choice," and "A Disappointment." Sheridan Porter gave "A Sweet Dream," "Odd Indeed," and "Papas Girl," and An-

dy Kay Thomas read "A Young Financier," "A Wise Maiden," "Not So Bad," and "Misery Loves Company."

Ben McAdams gave "Boys Conclusion," "The Best Way," and "A Drawback." To close the enjoyable program, Glen McAdams gave "Bedtime Bravery," "Good Things," and "A Question."

Cokes and cookies were served after the program.

Parents attending were Mr. and Mrs. Bennie Porter, Mr. and Mrs. Buck Creamer, Mr. and Mrs. Earl Harris, Sandra and Royce, Mr. and Mrs. Andy Thompson and Mrs. Phyllis Rusch.

A DEMOCRAT FARM AT A REPUBLICAN PRICE

—315 Acres. Near Bovina, all in cultivation and all just as tops as you can find anywhere, every inch of it will irrigate perfectly from one ditch. Two irrigation wells, complete with pumps and motors. One of the wells is brand new, in fact it was drilled only a few weeks ago. This is one of the best and cleanest farms in Farmer County and priced to match the farm program, at the ridiculous LOW. Low figure of \$200 per acre.

The Bula Bulldogs, district 2-B leaders, combined a sparkling ground and aerial attack at Jayton Thursday to rout the Jayton Jaybirds 48-19 and garner the Conference B, Region 1 championship before a Thanksgiving Day crowd of 800.

The game was the final one for both six-man teams. Coach Chaud Morrison's Bulldogs ended their season with a successful 11-0 record, while the Jaybirds, undisputed leaders of District 3-B, finished with a 9-3 mark.

Bula opened the scoring attack in the initial quarter with halfback Gerald Neel's 37 yard dash up the middle of the Jayton line into pay dirt. End Wendell Jones caught a pass for the extra point.

Over From Two
In the same quarter, Bulldog fullback Carl Halford, plunged over from the 2 yard stripe for

another Bula tally. Curtis Green, center, ran the extra point.

Before the halftime whistle sounded Bula had scored its third touchdown on a 60 yard pass play from quarterback Junior Austin to Jones. The same pass combination was good for the extra point.

During third quarter play, Neel kept up the Bula offensive with two more touchdowns, one on a 37 yard sprint down right end, and another on a 30 yard dash through the middle of the Jayton line. Halford scored both extra points by running.

40 Yard Pass
However, Coach Sonny Arthur's Jaybirds momentarily stopped the Bulldog tide in the end of the third canto when they scored their first six points on a 40 yard pass play from quarterback Darwin Murdoch to halfback Alex Long.

In the final stanza, Jayton kept up its attack and racked up another tally on fullback Donnie Duboise's 15 yard run around right end. But the game saw-sawed back to the Bulldogs, who scored their sixth touchdown on halfback Burley Roberts' 27 yard run through right end. Halford ran the extra point.

The Jaybirds returned, however and a 45 yard pass play from Murdoch to Duboise was good for the tally. A pass from Duboise to end Marvin Hall was good for the point.

Bula scored the final touchdown on a 15 yard run by Roberts around right end.

COACHES ADDRESS ROTARIANS TUESDAY

Coaches Wayne Mantooth and Bill Taylor brought members of the Rotary Club and their guests up to date on the athletic situation at Muleshoe high school at the club's noon luncheon Tuesday.

It amazed those present to hear the coaches say they were glad the football season is over.

Mostly the two discussed basketball prospects for the season that has just opened. Coach Taylor was pretty high on his girls team, although he reminded his listeners that the squad lost five fine players from the squad of last year.

Muleshoe's varsity lacks experience, but they're coming on very well. The eighth grade boys are showing a lot of promise.

John Miller had charge of the program. W. T. Bovell told about the club's Christmas candy sale program. The club will sell candy in two sizes of stockings to raise money for their community commitments.

Claude Faubus was a guest of the club.

ATTENDED CONVENTION

Mr. and Mrs. Bill Thomson and Mr. and Mrs. Harold King have been in Dallas this week, where the men have been attending a grain dealers convention.

and Mmes. Bruce Simmacher, Hulan Bass and Connie Dale Gupton.

The serving table was laid with a white organdy cloth over pink. Centering the table was an arrangement of pink carnations and green leaves sprinkled with silver, behind which stood silver candelabra bearing three white tapers. Pink satin streamers from the centerpiece bore the names, "Marilyn" and "David". White wedding bells with pink clappers and pink bows were also used to carry out the bride-elect's chosen colors of pink and white.

Miss Gupton is a senior student at the University of Texas, and her fiancé is in the Third Armored Division stationed at Ft. Knox, Ky.

All friends of the couple are invited to attend the wedding ceremony at the church, and the reception which is to follow in the Methodist parsonage.

NOW . . . Pittsburgh presents the NEW PAINT TWINS

Companion Finishes for walls, for trim

They're the newest experience in painting . . . Pittsburgh's twin paints for walls and trim . . . *Wallhide Rubberized Satin Finish* and *Satinhide Enamel*. Made from a new formula which gives them properties unobtainable before—a satin texture with elastic-like toughness. Tested to assure finest performance, like all Pittsburgh Paints.

* Wallhide Rubberized SATIN FINISH

Use it in living, dining and bedrooms for its beauty and durability. Apply it with brush, roller or spray . . . watch it glide on evenly to quick-dry with a soft, lovely sheen. One coat covers most surfaces—no primer or undercoater needed. Washable too!

* Satinhide Enamel

Satinhide matches its twin on all counts. Spreads easily, covers evenly, dries quickly on all wood and metal trim. Stubborn stains wash off easily . . . that's why it's ideal for kitchens and bathrooms. Anyone can do a satisfactory painting job with the Pittsburgh Twins!

BACKACHE

At this time of the year many people have pains through the lower back, Lumbago or Sciatica. Perhaps the most common form of rheumatic trouble, affect the lower back. It is a condition in which there is inflammation of the nerves themselves, and spasmodic or continuous contraction of the muscles to which they lead. You can't just "wear off" a rheumatic pain any more than you can expect a car frame to straighten out by itself after an accident.

A man, age 56, came to the clinic with Sciatica which he had suffered for many years. He also

had accompanying symptoms: nervousness, dizziness, weak kidneys, and bad eyes and ears. The correction of these conditions would perhaps seem to be beside the point, but it illustrates the over-all repair which place in the body while Chiropactic corrective care. An examination and spinal analysis and spinal X-rays, corrective adjustments brought immediate relief of the excruciating pain in the back; after a short while complete realignment of the spine was made and he now is free of backache.

FEMALE DISORDER

A young matron, age 28, mother of two children, came to our Wellington clinic for consultation and examination. Her entrance symptoms and history included migraine headaches, stomach disorder, nervousness, and eight months previous had suffered a miscarriage. She had two curetments and had hemorrhaged continuously for the entire eight months. After the spinal analysis and X-rays she was accepted as a patient and adjustments were begun. Gradually her symptoms diminished and in the recommended period

of time completely disappeared. She moved away from Wellington and two and one-half years later, we learned she was enjoying good health.

ARTHRITIS

A lady, age 35, came to the clinic with the following symptoms: Arthritis, with hands and fingers swollen; pains that ran both downward and upward in her spine. She was nervous; had backaches and tired easily. After having an examination and spinal analysis with spinal X-rays the cause was located. After corrective adjustments this case reports that her pains are a thing of the past. Her nervousness and backaches have disappeared. Her arthritis is greatly improved and her hands and fingers are not swollen. She has said many times, "I wouldn't take anything for what Chiropactic has done for me."

Enochs Girl Is Winner of Home Ec. Club Award

Winners of three major home economics awards at Texas Tech were announced Tuesday night by Home Economics Dean Wills Vaughn Tinsley.

They are Bette McGeehe of Canyon, who received the \$300 Borden Company Foundation Scholarship; Barbara Thurston of Plainview, winner of the \$75 Lubbock Panhellenic Society Scholarship; and Carolyn Reynolds, Enochs, recipient of the \$25 Home Economics Club Award.

Miss Reynolds, a sophomore, was named winner of the Home Economics Club Award for outstanding leadership, scholarship and interest in extra curricular

Keith Gaede Has Leading Role In WTSC Production

Keith Gaede, Muleshoe Junior will sing a leading tenor solo role in Hayden's "The Creation" to be presented Dec. 4 by the Oratorio Singers at West Texas State College.

Directed by Royal Brantley, assistant professor of music, the Singers were organized for the first time this fall, especially for the Hayden production. Weekly rehearsals have been held since September.

"The Creation" is a musical interpretation of the Biblical story of the world's creation, drawn directly from Genesis. The program, open to the public, will be given at 8 p. m., Dec. 4, in the WT Administration Building auditorium.

Son of Mr. and Mrs. Raymond C. Gaede, Keith is a music major. He is a member of the A Cappella Choir and Varsity Quartet. He has appeared in three productions, having starring roles in "Glanni Sohien", "Caki Fan Tutte", and "Singin' Billy".

activities during her freshman year.

She is Home Economics Club representative to the Association of Women Students and is active in the Wesley Foundation, Methodist students' organization. Her parents are Mr. and Mrs. H. A. Reynolds.

Views From Pleasant Valley

Regular community meeting was held Tuesday evening, November 22, with forty-seven persons attending.

John West reported that \$118 was netted on the turkey shoot, proceeds are to go to the building fund.

The chairman of each division, and their committees are to meet and report on their progress at the next meeting. Bonnie Haberer and Harold Allison are to be responsible for refreshments at this time.

Taking part on the program was Nan Allison, Frank Wuerlein, Sherry and Winston Allison, Jack Roubinek, Tommy Bickle, and Prilla Inman. Two band numbers were presented by the above group. They were: "Rock Around the Clock", and "Ain't She Sweet."

Also on the program were Veta and Carolyn Allison, who presented piano solos; Mrs. Haberer, who gave a reading entitled, "Old Fashioned Thanksgiving"; Susan Allison, who told the Thanksgiving Story; and Jack Roubinek, who played a trombone solo. Concluding number on the program was a twirling act by Sherry and Nan Allison.

Next meeting will be December 13.

Mrs. Doris Hess and daughter, Schariene, with her friend, Billy Martin, all of Amarillo, were recent guests in the home of Mr. Hess' brother and family, Mr. and Mrs. Claude Landers.

Pleasant Valley Cub Scouts presented the annual Thanksgiving program in Muleshoe, Tuesday evening, November 22.

Paul Landers and daughter, Belva, and Mrs. K. O. Bradley, all of Austin, spent Wednesday evening with Paul's parents, Mr. and Mrs. C. B. Landers. They were in their way home after a deer hunting trip near Belen, N. M.

Mr. and Mrs. C. B. Landers visited Saturday in Lubbock with their son and family, Mr. and Mrs. Bobby Landers and David.

Pleasant Valley ladies are making plans to organize a home demonstration club, and ask that all who are interested to meet at the community center, December 1, at 2:30 p. m.

Mr. and Mrs. Floyd Andreas and family spent Thanksgiving day in the home of her parents, Mr. and Mrs. Wiley Grizzle, of Roswell, N. M.

Those enjoying Thanksgiving day in the home of Mrs. Bonnie Haberer were Mrs. John Haberer, of Hereford; Mr. and Mrs. Ted Haberer and sons, Mr. and Mrs. Ben F. Ortega, Rev. and Mrs. C. T. J. Spain, and Charlotte, all of Garth; and Mr. and Mrs. Russell Haberer and daughters.

Mr. and Mrs. Forrest Simmons, of Earth, spent Sunday in the John West home.

Mr. C. D. Rogers is resting at home after a six weeks illness. He was able to go outside the first of the week.

Mrs. Bonnie Haberer, and John Haberer, of Hereford, attended the birthday party recently at the home of Ted Haberer in honor of Ted's sons, John O. and Donnie.

Mr. and Mrs. M. A. Kuehn, son and daughter, Roger and Vicki, of Dodge City, Kans., spent the Thanksgiving holidays.

in the home of her parents, Mr. and Mrs. C. D. Rogers.

Another load of hay has been donated by the community farmers, and is going to be taken soon to Girls Town, U. S. A., at Whiteface.

Mr. and Mrs. Russell Haberer attended the Springlake and Stinnett football game Saturday evening at Amarillo.

Pleasant Valley Skeet Club was organized Sunday afternoon, November 2 at the community center.

Membership is limited to twenty, and teen age boys as well as

older men may participate.

Each member is to pay \$6.85, which entitles them to a percentage of the ammunition and targets, and also an interest in the skeet traps.

Membership is to be kept strictly within the community.

Nineteen members have been accepted so far. They are: Ken and Bonnie Angeley, Frank and Edward Wurlein, Billy Free, Oayl Hammett, Leroy Hicks, John West, Oscar Allison, Bobby Broyles, Walter Hutton, Harold Allison, Ralph Broyles, Harry Eengelking, Winston Allison, Doyle Turner, Jim Grizzle, Tommy Bickle, and Forrest Green.

JayCees Plan For Negro Minstrel

Preliminary plans were made for the annual Negro minstrel at the JayCee board meeting Monday evening of this week. Tootie Middlebrook was appointed director of this year's minstrel and will announce his committees later.

Tentative date for the minstrel will be about the middle of February, the exact date to be announced later.

Plans were made for another membership drive to begin almost immediately.

Muleshoe Girls Lose Thriller to Olton Tuesday Night

FARMER COUNTY Farm Bureau News

By RAYMOND EULER

The United States Department of Agriculture made an announcement last week that we believe may be important to cotton farmers. The announcement was made regarding a newly developed machine and process for cleaning and restoring heavily soiled wall to wall cotton rugs. Presently, it is necessary to perform three operations to obtain the desired results. This one drawback has been one of the worst deterrents to the sale and installation of such cotton carpets in American homes. The machine and method work like this, according to the USDA report: "... uses large quantities of fresh, clean suds, which are actually worked through the carpet pile by a specially designed rotating brush and then sucked up through a vacuum nozzle at the outer edge of the

brush." Further information on this procedure can be obtained by writing Dr. C. H. Fisher, Southern Utilization Research Branch, 2100 Robert E. Lee Blvd., New Orleans 19, La. We hope some of the local Home Demonstration Clubs will avail themselves of this information.

USDA estimates that the cotton carry over for the '55-'56 season will be 14 million bales, one million more than the previous high of 13 million bales in 1939.

Farmer County Farm Bureau Directors will meet next Monday night, December 5. Remember that you are welcome to attend these meetings if you wish. They are held in the office in Ft. Worth.

It seems that "loyalty oaths" to political parties, being demanded by some politicians, are clear over on the radical side. Some of these same "demanders" were violently opposed to loyalty oaths to the United States of America for school teachers, whose influence is more prevalent than that of any other group.

If all of our economic problems, farms and otherwise, were limited to dollars and cents prin-

Charles King Hurt In Truck Accident Thursday Morning

Charles King is in Clovis Memorial Hospital, suffering from a broken leg, lacerations and bruises, sustained when the truck he was driving overturned five miles east of Farwell about 7 a.m. Thursday.

King was driving for Nickels' Gin, and was enroute from the Sudan camp back to the gin when he apparently fell asleep and lost control of the vehicle.

The truck ran into a tree and was demolished.

King is reported to be in satisfactory condition by his father-in-law, Eddie Lane of Muleshoe.

HOME FOR HOLIDAYS

Lloyd Kriegel was home from Texas Tech over the Thanksgiving holidays visiting his parents, Mr. and Mrs. A. Kriegel. Also home for the holidays was Agnes Meissner, also a Tech student.

Young's Brother Dies At Arlington

Jason Young, 58, died unexpectedly of a heart attack at his home in Arlington last Wednesday morning. He was a brother of Tye Young of Muleshoe.

Mr. Young, who had worked in the Tarrant County sheriff's department for several years, had suffered an earlier attack last spring, but seemed to be in good health until his fatal attack.

Funeral services were conducted in the chapel of Moore Funeral Home, Arlington, Saturday morning, and interment was in Arlington cemetery. Mr. Young is survived by his wife, two sons, two daughters, his mother, four brothers, and six sisters.

both of the University of Oklahoma, were Thanksgiving guests in the home of Earl and Johnny's parents, Mr. and Mrs. Earl Ladd.

Texas State 4-H Winners Named

FOUR Texas 4-H Club members have won state honors in the 1955 Beautification of Home Grounds, and Dairy Foods Demonstration programs. The winners were awarded 19-jewel wrist watches for their achievements.

Mary Pazzi, 18, of Victoria, is the 1955 State winner in the 4-H Beautification of Home Grounds program. Her 19-jewel wrist watch was provided by Mrs. Charles R. Walgreen of Chicago.

During her six years in club work, Mary Dolores improved the family's home surroundings by laying sidewalks, tearing down an old shed, replacing flower beds with shrubs, and making a new porch. Bushes were dug up, divided and replanted, trees set out and bulbs and annuals planted. Mary leveled the ground, spread sand and planted grass. She is recreation and junior leader of the Victoria County-Wide 4-H Club led by Mrs. B. B. Payne.

The State winners in the 4-H Dairy Foods Demonstration program are Ives June Casey, 15, of Rule, who gave the winning individual demonstration, and the team of Barbara Bernsen, 17, and Mary Bockholt, 15, both of Hobstown, who won in the team demonstration division. Each of the girls received a 19-jewel wrist watch from the Carnation Company.

Ives June, under the leadership of Mrs. H. Russell, presented a "Calories Count" as her winning demonstration. She carried 10 other projects, made 27 dairy foods exhibits, and was

Both programs are conducted under the direction of the Cooperative Extension Service.

Mary Pazzi, Ives June Casey, Barbara Bernsen, Mary Bockholt

Guests last Sunday in the home of Mrs. R. L. Jones were her children, Mr. and Mrs. Bob Jones and family, and Mr. and Mrs. W. G. Harlan and family.

SPENT THANKSGIVING DAY AT HOPKINS

Mr. and Mrs. E. H. Kennedy spent Thanksgiving with their son Harry Garrison and family, at Hopkins. Other relatives were at the Garrison home, from Wheeler. The Kennedys reported having a wonderful time.

Texas 4-H'er Wins Trip To Chicago

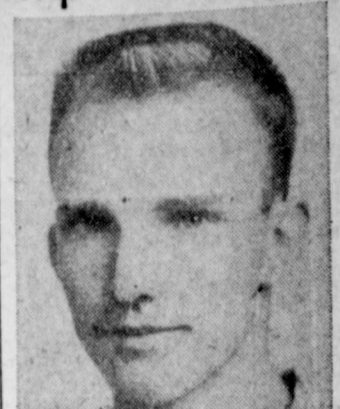

William Kolter, 18, of Wichita Falls, is among 24 of 4-H members in the Nation to attend the National 4-H Club Congress in Chicago, as a Sectional winner in the 4-H Achievement program. This award, one of the highest honors a 4-H Club member can obtain, is provided by the Ford Motor Company.

His selection as a sectional winner in the program was based on project accomplishment as well as club and community achievements.

William completed 65 projects during his nine years of club work. He raised 375 chickens, cultivated 3 1/2 acres of garden, improved 135 acres of rangeland, and practiced soil conservation on 90 acres. For the past three years, he has been a tractor maintenance Junior Leader. In 1954 he was a state tractor winner, and a delegate to the National 4-H Club Congress in Chicago.

William received numerous county, district and state awards on his 4-H projects and activities. Other projects he carried are field crops, in which he raised 180 acres of grain, beef, safety.

This program is conducted under the direction of the Cooperative Extension Service.

William Kolter electric, and home beautification. He is president of the Friberg 4-H Club of Wichita county, led by Mrs. George Emmert and Mrs. W. Martin.

Achievement awards also include twelve \$300 scholarships for national winners chosen from among the sectional winners. As state winner, William received a set of two miniature statues.

Enochs Echos

The Enoch Ladies Club met on Friday, Nov. 25 at the home of Mrs. Ed Auty, with 5 members present.

During a business meeting, plans were completed for the annual Christmas party also the club voted to send a gift to the adopted patient at an Abilene hospital.

Refreshments of cocoa, cheese crackers and pumpkin pie were served to mesdames: Dutch Cash, Ray Spence, Bob Newton, L. G. Fred and the hostess.

WEDDING SHOWER

A wedding shower was given Sunday, Nov. 27, for Mr. & Mrs. John William Gunter at the home of Mr. and Mrs. Zed Robinson. Approximately 60 or more guests registered in the brides book which was presided over by Miss Anna Margaret Gunter. Mrs. Byron Gunter served and Mrs. Lewis Jones poured the punch. The eight hostesses for the event were Mesdames Zed Robinson, Lewis Jones, J. L. Green, H. H. Snow, J. C. Snithr, M. J.

Gibson, W. L. Welch.

Mrs. Kenneth Cass and child, Robinson, Lewis Jones, J. L. Green in the home of her parents, Mr. and Mrs. Lewis J. Jones of Enoch.

Mrs. Lewis Jones was ill this week with flu which has been almost an epidemic in the Enoch community.

Rev. James Merrill, and his small daughter were ill recently with flu. Rev. Merrill is pastor of Enoch Methodist Church.

Mr. and Mrs. Duane Bryant and Richy of Lubbock, and Mr. and Mrs. Clifford Brassier and Cathy of Plainview, were Thanksgiving giving visitors at the home of Mr. and Mrs. W. M. Bryant of Morton, Rt. 2.

Mrs. W. A. Pool and boys Charles and Jim spent four days recently visiting in Lubbock with her mother, Mrs. Lillian Everitt, who has been ill.

Future of Fight Against Polio To Deped On January MOD Campaign

The future of the continuing fight against polio will depend in a large degree upon the success of next January's March of Dimes Campaign, according to a statement by Bill Wilson and W. W. "Pinkie" Barbour, co-chairmen of the Bailey County March of Dimes, returned last Wednesday from Dallas, where they attended a March of Dimes planning meeting.

Basil Connor, president of the National Foundation for Infantile Paralysis, headed the meeting, which was attended by five hundred volunteer leaders from Texas, Oklahoma, and south Arkansas.

"The Salk Polio Vaccine marks a great step forward, but polio isn't licked yet, and won't be until crippling polio is a thing of the past," according to the two local men. They said that this will only be when everyone who is susceptible to the disease has been vaccinated.

Wilson and Barbour said that the March of Dimes Campaign for 1956 had already begun in this county.

The National Foundation's school vaccine program has provided a large measure of polio protection for some 7,000,000 children this year, but the disease has claimed thousands of new victims, among the 53,000,000 remaining under age 20, who have received no vaccine, and a small percentage of individuals who do not respond to the vaccine.

"Thus, new polio patients are continuously added to the thousands who already rely on the March of Dimes for help. Even as we look hopefully to the future, we realize our obligations to those who still must be served."

Wilson and Barbour pointed out that the Salk Vaccine in 1954 was proved to be sixty to ninety percent effective, and that since that time it has increased in potency. This means that possibly, an even higher percentage of protection was given to those persons receiving at least two shots before the 1955 polio season.

Scientists are now seeking ways of improving the vaccine still further, the men learned at

Trip Award to 4-H Frozen Foods Winner

Della Borchardt, 21, of Orange Grove, Tex., is one of eight 4-H members in the Nation to be awarded a sectional trip to the National 4-H Club Congress in Chicago, for outstanding achievement in the Frozen Foods program. The all-expense trip is provided by the International Harvester Co.

Della Borchardt

During her 11 years in the project, Della preserved 302 quarts of fruits and vegetables and 664 pounds of meat and poultry by freezing. She learned much about freezing foods, including proper packaging, correct temperatures for freezing and storing, types of foods best adapted for freezing, and how to properly prepare food for freezing.

Most of the foods Della has frozen have been raised on their farm, including meat, chickens, citrus fruits and vegetables. She used many types of containers but prefers reusable jars and lined cartons. She has also frozen 95 pgs. of breads, cakes and pies, experimenting and bettering her methods.

In 1951, Della received a gold watch for her frozen foods project and also won many awards on her other projects in food.

This program is conducted under the direction of the Coopera-

tion Extension Service.

preparation, canning, clothing, poultry, garden, yard improvement and dress revue.

She is a member of the Orange Grove High School Club of Jim Wells county, led by Herbert Hince and Mrs. A. H. Hince.

From the eight sectional winners six will be selected for national awards of \$300 college scholarships.

News Highlights From Three Way

* Mrs. Millard Townsend visited relatives at Aspermont recently.

* Three Way High school girls played Bula girls in a basketball game last week at Bula. Both A and B teams were defeated.

* Mr. and Mrs. Jack Dyer left Wednesday afternoon to spend Thanksgiving at Honeygrove. She is home economics instructor at Three Way.

* Miss Peggy Fowler was hon-

ored with a birthday party in the Norman Underwood home Thursday evening, November 4.

* Refreshments of birthday cake and punch were served to 26 guests.

* Mr. and Mrs. Marcell Pipkin and children of Seminole and Mrs. Doris Pipkin and son of Andrews, visited in the home of Mr. and Mrs. Norman Underwood, Thanksgiving Day.

* Three Way PTA met Monday evening, November 21, for the Thanksgiving program and supper. Food for the supper was donated by the members, and plates sold for 50c and 50c. Receipts amounted to \$100. Proceeds will be used on the PTA project of beautifying the school grounds.

* Junior 4-H Club girls met in the Ted Thetford home Tuesday afternoon, to enjoy a program on table etiquette.

* Paulette and Teddy Thetford were on the sick list the past week.

* Mrs. Jack Dyer attended the Area L Service Education program at Borger, November 19, and reported an interesting program for homemaking instructors of the area.

CHRISTIAN SCIENCE SERVICES

The completeness and integrity of God's creation including spiritual man will be brought out at Christian Science services this Sunday.

The Lesson-Sermon entitled "God the Only Cause and Creator" will include the following verse from the King James Version of the Bible (Matt 7:18): "A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit."

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (539:19-22): "It is false to say that Truth and error commingle in creation. In parable and argument, this falsity is exposed by our Master as self-evidently wrong."

The Golden Text is from Isaiah (45:18): "Thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else."

R. T. Tibbigs, City.

Drive Carefully! Today Is S-D Day

Today, December 1, is national Safe Driving day. By presidential proclamation, the date has been set as one on which no fatalities or accidents occur from automobile traffic.

Safe driving is being stressed from November 21 through December 21, but December 1, is the particular day on which all motorists are urged to drive extra carefully to prevent accidents.

Law enforcement bodies and civic organizations are cooperating to promote S-D Day.

CARD OF THANKS

We wish to thank each one who sent cards, telephone calls, and telegrams to us, also for the beautiful flowers sent to my brother's funeral.

It is a great comfort to be remembered by friends in a time like this.

THE TYE YOUNGS.

FROM HEREFORD

Mr. and Mrs. Dan Thomson and children, of Hereford, visited here over the weekend with Mrs. Thomson's grandmother Mrs. N. J. Mathieson, and other relatives and friends.

members of the family were present, among them Mrs. Glenn Brannaman and children, of Van Horn. The Brannamans are former residents of the community.

MULESHOE

Mr. and Mrs. J. C. Terrell Observed 50th Wedding Anniversary With Open House

Mr. and Mrs. J. C. Terrell observed their Golden Wedding Anniversary Sunday, with open house at their home near Muleshoe.

Mr. and Mrs. Terrell greeted guests from 2:30 until 5:00 o'clock in the afternoon.

The serving table, covered with an ecru crocheted cloth, was centered with a beautiful arrangement of yellow roses, and leaves sprinkled with gold glitter.

Granddaughters Estelle Dawson, Lois Terrell and Helen Dawson, alternated at the punch service, and served cake.

Another granddaughter, Hattie Jo Dawson presided at the guest book.

Calling during the afternoon were: Mr. and Mrs. Cecil Davis, Mr. and Mrs. H. E. Schuster, Mr. and Mrs. W. A. Mathis, Mr. and Mrs. W. D. Lackey, Linda Ste-

phens, Rev. and Mrs. E. K. Shepherd, Mr. and Mrs. Eldon Page, Mr. and Mrs. W. O. Burford, Mrs. Will Harper, Mr. and Mrs. E. E. Dyer, Mrs. Effie Bray, Mrs. Beulah Motheral;

Grace Winn, Lois E. Shook, Mr. and Mrs. J. L. Alsop, Mr. and Mrs. M. E. Finley, Mrs. J. A. Johnson, Mr. and Mrs. B. H. Henley, Mrs. W. W. Smith, Mr. and Mrs. Cleo McCarmack, Johnnie McCarmack, Alexia Jan McCarmack, Mr. and Mrs. Darwin Terrell and children, Mr. and Mrs. Dewey Powell, Mr. and Mrs. Morton Powell and children, Mr. and Mrs. J. U. Dawson and family;

Mr. and Mrs. Onas Terrell, Mr. and Mrs. Chester Haney, Mr. and Mrs. Roy Simpson, Mrs. Dorothy Ward and children, Mrs. Cora Lewis Sterling, Mr. and Mrs. Earl Reeder and Ivan, Mrs. Willie Mae Reeder, Mr. and Mrs. J. W.

Terrell and children, Mr. and Mrs. Frank Hargott;

Mr. and Mrs. Robert Hargott and sons, Mr. and Mrs. E. L. Reeder and Ronney, Mrs. Ike Williams, Mr. and Mrs. Tom Lewis and Judy, Mr. and Mrs. Levi Harvey Dale Krebs, Mr. and Mrs. Brooks West and Ann, Bib Rhodes, and Mr. and Mrs. B. J. Doid, Jr., and children.

GUESTS IN THE LOCKER HOME

Guests Thursday through Sunday last week in the E. W. Locker home was her brother and sister-in-law, Mr. and Mrs. A. R. Henderson, of Alfalfa, Okla., and a nephew, Calvin Henderson, of Beaver, Okla.

THANKSGIVING GUESTS

Mr. and Mrs. C. J. McKnight had as guests in their home for Thanksgiving, their son and daughter-in-law, Mr. and Mrs. O. D. McKnight and children, Darrel and Marilyn, of Portales, N. M.

Wesleyan Guild Plans Dinner For Colored Children

Mrs. Ray Edwards was hostess as Wesleyan Guild members met in her home Monday of this week. Mrs. Fred Johnson, president of the class was in charge.

The meeting was opened by sentence prayers. Mrs. Buford Butts, who gave the devotional, opened that part of the program with a prayer, which members said in unison.

Mmes. Helen Ingle, Jesse Wright and Francis Gilbreath brought the interesting and informative program on "Women In The Church."

Mrs. Gilbreath reported that she contacted Miss Christine Raven, teacher at the Muleshoe Colored School concerning the annual Christmas party, which the Guild sponsors for the color-

ed children. This year, the guild will serve a turkey dinner to the children in Fellowship Hall.

Instead of exchanging Christmas gifts this year, Guild members voted to use the money to the benefit of some worthy family for a love offering.

Mrs. Ray Edwards volunteered to make posters for the X-ray Clinic, which is to be here soon.

It was reported that Mrs. Gilbert Lamb is in the hospital.

Next meeting will be at the home of Mrs. Fred Johnson.

Refreshments were served by the hostess to Elizabeth Hardin and Mmes. M. T. Slemmons, S.D. Slemmons, Helen Ingle, Jim Cox, A. C. Leveridge, Jim Burkhead, Jesse Wright, Homes Sanders, Jr., Lois Schoenberger, Delma McCarty, A. S. Stovall, Clarence Stephens, Buford Butts, Fred Johnson, and Francis Gilbreath.

FROM COLORADO

Mr. and Mrs. Dalton Murrain and family, of Colorado Springs, visited here last week with his mother, Mrs. Jesse Murrain, and other relatives.

Another guest in the Murrain home was her sister, Mrs. I. F. Morgan of Oklahoma. She has returned home after spending some two weeks here.

CARD OF THANKS

For the loving help and sympathy shown us by so many friends at our time of grief, we would like to express our gratitude.

We were indeed comforted by your kindnesses.

The Family Of Mrs. Lucy Layne

THANKSGIVING GUESTS

Dick, Neil, and Jack DeShazo spent the Thanksgiving holidays in Muleshoe, with friends and relatives. They have returned to their homes in Amarillo, Midland, and Canyon.

SUNDAY GUESTS

Sunday guests in the A. P. Lambert home were Mr. and Mrs. Bob Hartcock, of Plainview. Mr. Hartcock, a ministerial student, is educational director at the First Baptist Church here. Both Mr. and Mrs. Hartcock are students at Wayland College, Plainview.

SISTERS SPENT HOLIDAYS TOGETHER

Mrs. N. J. Matthiesen and her sisters, Mrs. Jennie Newman of Harlingen and Mmes. Georgia Brown, Roy Jones, and Aleck Richardson of Oklahoma City, spent Thanksgiving together in Roswell, N.M. It was the first time they had all been together in twenty-five years.

THURSDAY, DECEMBER 1, 1955

VISITED AT MELROSE

Mr. and Mrs. J. J. Harrol, of Lubbock, and Mr. and Mrs. Arthur Crow visited last Wednesday and Thursday in the Henry Harrol home at Melrose, N. M.

TO MIDLAND

Mr. and Mrs. Claude Sanders and Mr. and Mrs. Don Sanders were in Midland to spend Thanksgiving with Mr. and Mrs. George Neill.

Texan Wins Trip for 4-H Leadership

Don Elledge, 19, of Mabank, has been chosen one of eight sectional winners in the 4-H Leadership program. He will attend the National 4-H Club Congress in Chicago, as the guest of Edward Foss Wilson, meat-packing executive.

Don's record will now be considered for higher honors. Four \$500 college scholarships will be awarded each of the two high-ranking boys and girls, selected from the sectional winners.

Don has been a Junior Leader since 1949 and for the last two years has served as assistant leader for a club of 29 to 45 members. He served as club recreation leader and on the safety committee. He helped lead project tours and assisted in planning livestock shows, worked with younger 4-H members in their projects, exhibits and records.

Don served as chairman of the National 4-H Sunday program and gave demonstrations on health, first aid and safety. He arranged for his club to demonstrate new farm practices. He helped plan and lead 4-H projects, and taught handicraft at county camp. Don assisted in training younger 4-H members to become Junior Leaders, helped train judging teams, and helped recruit 82 new 4-H Club members.

He is secretary of the county Wildlife Preserve Organization made up of 15,000 acres and helped to organize an auxiliary club of which he was elected president. He was vice chairman of National Achievement Week. He was chosen as chairman of the National Soil and Water Conservation Committee, while attending the Young Outdoor Americans conference in Chicago. He was a delegate to the state Round-Up and chairman of the state Farm Youth committee. Don attended the National Leadership Training Camp, and is a member of the City youth council.

This program is conducted under the direction of the Cooperative Extension Service.

Don Elledge

ership Training Camp, and is a member of the City youth council.

In school Don is a member of the student center music committee, president of college discussion groups, a member of the public relations committee, and writes articles on the state Young Farmers magazine staff. He represented the Mabank High School at the state of Texas Convention of the association of student councils. He led a drive to bring more people to the polls to vote, and helped prepare and present state wide radio programs sponsored by the Collegiate 4-H Club.

He has given 281 talks, made 59 radio and TV appearances and has written 119 news articles. He completed 121 projects of which the major ones are, leadership, dairy, forestry, gardening, home improvement, canning, health and safety, recreation and rural arts, entomology and soil and water conservation. As state leadership winner, Don was presented a 19-jewel wrist watch.

Jimmie D. White With Fifth Air Force In Japan

HQ. FIFTH AIR FORCE, Nagoya, Japan — Airman Third Class Jimmie D. White, 21, son of Mr. and Mrs. Roy H. White, Route 3, Muleshoe, has arrived at Fifth Air Force for assignment as an aircraft mechanic with Fifth Air Force Flight Section.

A graduate of Muleshoe, class of 1952, Airman White entered the Air Force on December 2, 1952 at Amarillo. He was last stationed at Portland International Airport, Portland, Ore.

During his tour of duty with Fifth Air Force, Airman White will have an opportunity to study the Japanese people and to visit many of the scenic and historical areas of Japan.

Fifth Air Force is the air command responsible for protecting Japan and South Korea from surprise air attack.

TO AMARILLO

Mr. and Mrs. Ikey Bayless and his parents, Mr. and Mrs. Roy Bayless, went to Amarillo Thursday, to spend Thanksgiving in the home of Mr. and Mrs. Ed Bynum.

NOTICE TO CREDITORS OF ESTATE OF JAMES E. DUNCAN, DECEASED

Notice is hereby given that original letters of administration upon the estate of James E. Duncan, deceased, were granted to me, the undersigned, on the 17th day of October, 1955, by the County Court of Bailey County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address are Muleshoe, County of Bailey, State of Texas.

W. E. DUNCAN
Administrator of Estate
James E. Duncan.

New Use Found For Oil Of Sesame Seed

By John C. White, Commissioner

A MOUNTING FIGHT AGAINST THE PINK BOLLWORM

More Texas farmers than ever before are rallying against the worst of all cotton insect pests—the pink bollworm.

The Plant Quarantine Division of the Texas Department of Agriculture has had excellent cooperation with growers during this season.

In areas of the state where infestation has not been sufficient to force stalk destruction deadlines, many people have asked for voluntary plow-up dates.

Under terms of the program to become effective during the 1956 season, cotton farmers in Hidalgo, Willacy, Cameron, and Starr counties will post \$7.50 for each bale of cotton ginned to be put in the escrow fund. Growers who fail to meet the cotton stalk destruction will be required to pay for plow-up of their fields from their escrow fund, in addition to

penalties previously prescribed by law.

The First National Bank of McAllen, successful bidder to hold the multi-million dollar escrow fund, will return all money remaining in escrow to the growers 30 days after the plowup deadline. The only deduction will be 6 cents per bale to the bank for salary, material and service costs.

I am personally pleased to see this exerted effort being put forth by our Valley farmers to make their cotton insect-free.

NEW INSECTICIDE DEVELOPMENTS

Experiments with a new chemical which promises to be even more effective than DDT in combating the pink bollworm are being held on test plots over the state. The new chemical, Bayer No. 17147, is also believed to be effective against the boll weevil, whereas DDT is successful against pink bollworms only. It is also probable that fewer applications of the Bayer phosphorous compound would be necessary than the periodic treatments required when DDT is used.

With such intensive research on insecticides, compliance with our vital pink bollworm control regulations, and—most important—the full cooperation of Texas farmers, this threat to a major Texas cash crop will eventually be ended.

Muleshoe Student With Group of McMurry Singers

Jean Montgomery, former Muleshoe High school student, will leave Abilene Sunday (Dec. 4) with the McMurry College Chanters on the annual fall tour.

The 42-member mixed choral group will journey to communities in West Central Texas, singing in churches and high school assemblies. They will be accompanied by Dr. Richard C. von Ende, director.

The group will sing in Winters, Ballinger, Paint Rock, San Saba, Goldthwaite, Comanche, De Leon, Ranger and Eastland. The final performance will be in the First Methodist Church in Eastland Wednesday evening, after which they will return to Abilene.

Miss Montgomery, daughter of Mrs. Ethel Montgomery, held offices in the National Honor Society, Student Council, and senior class. She was Most Outstanding Girl on the all-district basketball team in high school.

After graduation in 1953, she plans to teach math in public schools. She is majoring in math and minoring in English at McMurry.

WERE IN OKLAHOMA

Mr. and Mrs. Clyde Bray spent five days last week visiting relatives and friends in Oklahoma.

On Sunday, the Brays visited her father, George Carpenter at Earth.

A recent discovery by a research chemist of the U. S. Department of Agriculture, Dr. Morton Berzoa, is a boost for sesame but it can mean plenty of trouble for bugs.

Cerebral Palsy Clinic To Be Held

Clinics for the examination of children with cerebral palsy will be held Thursday, December 8 and Thursday, January 12, in the Lubbock Cerebral Palsy Center, 3502 Ave. N, Lubbock.

The clinic scheduled for December 8 is planned for re-examination of cases who have been seen in the Treatment Center before and have been admitted for treatment. January 12 cases applying for care in the Center will be examined. Both clinics are scheduled from 8 a. m. to 12 noon.

Parents who wish to bring children to the Center for examination in either clinic are requested to register the children in advance of the clinic date. Information regarding the clinic may be obtained by writing Dr. Esther Snel, Director or call Lubbock, SH 4-7110.

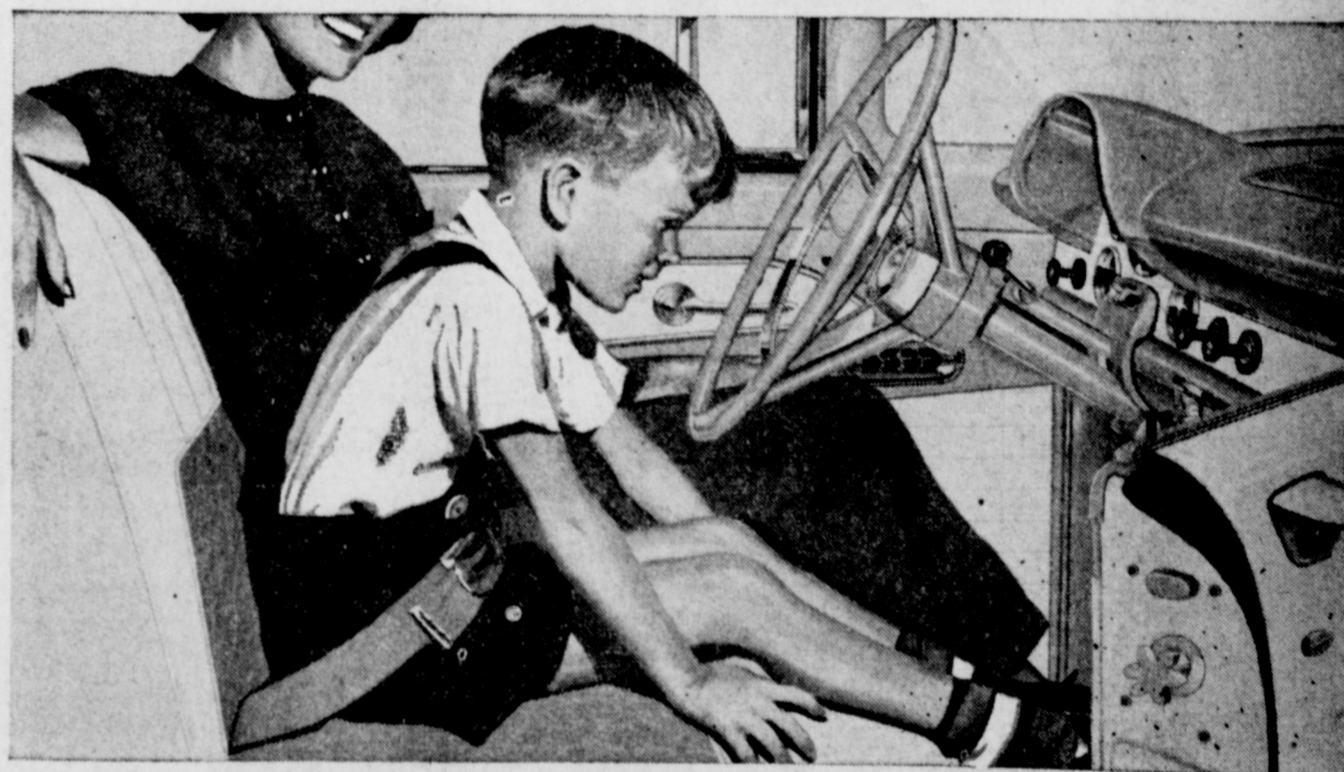

BOVELLS HAD THANKSGIVING GUESTS

Mr. and Mrs. W. T. Bovell had as Thanksgiving guests in their home, Mr. and Mrs. T. J. Bovell of Tahoka, Mr. and Mrs. Hulan Bass and son David, of Odessa, and Mr. and Mrs. Charles Bratcher.

VISITED AT DIMMITT

Mr. and Mrs. Dan Bray and family, were visiting in Dimmitt Sunday with Mr. and Mrs. Lynn Smith.

Now the greatest safety advance ever

Ford Lifeguard design

Ford's Lifeguard safety features include: the deep-center Lifeguard steering wheel to cushion you in case of accident . . . Lifeguard double-grip door locks to give added protection against doors springing open under shock . . . optional Lifeguard cushioning for instrument panel and sun visors to lessen injuries from impact . . . optional seat belts to hold riders in their seats.

See Thunderbird style throughout the line! Every one of Ford's 18 models has the glamorous Thunderbird's distinguished flair. You see it in the long, low silhouette . . . in the sweeping lines. You see it in the tasteful design of its massive grille . . . in that "hug-the-road" look. And Ford's fabulous new interiors are more evidence that it's truly the fine car at half the fine car price.

And the 202-h.p. Thunderbird V-8 Engine, too! This mighty, new V-8 engine is packed with CO-power . . . yet runs quiet and smooth as a breeze. Its deep-block V-design makes it more rigid . . . makes the engine last longer! It not only gives you lightning "CO" . . . but gives you assurance in its split-second passing power. Available in all Fordomatic Fairlane and Station Wagon models.

**BABSON DISCUSSES—
INSURANCE STOCKS**

Babson Park, Mass., Dec. 1 — Next to certain good chain store stocks, I believe that insurance stocks present the best opportunity to investors for a combination of security, growth, and income, provided the government does not foolishly interfere with the business.

GROWTH AND EQUITY PROVIDED

Fire and Casualty Insurance Stocks selling substantially below their estimated equity values should meet these three requirements. I do recognize that these stocks have gone up much during the past several years (along with the general run of good issues) because of their increased earnings, increased dividends and higher equity values. I also know of the unusual losses

most of these companies have suffered as a result of hurricanes.

An examination of fire and casualty stocks, however, shows that, based upon the distribution of funds in their investment portfolios and that selected stocks in this group can now be bought at substantial discounts below their equity values, the risks are relatively small.

DIFFERENT INSURANCE STOCKS COMPARED

As every reader of this column should have fire, casualty, and life insurance stock in some company, he should perhaps first buy the stock of the companies of which he holds a policy. Investors, however, who have surplus funds may like my ideas. Here are some suggestions:

COMPANY	Some Div. Pd. Eq. Yr. Since	Ind. An. Div.	Price	6/30/55 Net Worth or Eq. Per Share	Ratio: Price to Est. Invest. Earnings
Agri. Ins.	1864	\$1.60	37	\$ 64	18 1/2
Fire Asso. Phil	1858	2.20	38	89	16 1/2
Fremt's (Newk.)	1937	1.20	41	69	12
Great Am. Ins.	1873	1.50	39	61	15
Hanover Fire Ins.	1853	2.00	48	75	16 1/2
*Home Ins.	1874	2.00	51	78	20 1/2
Nat. Union Fire	1934	2.00	46	71	16
New Am. Cas.	1937	1.80	36	82	16 1/2
Sp'd. Fire & Ma.	1867	2.00	65	104	18 1/2

*I have invested my hard-earned savings in the Home Insurance Company, of which I was once a director. I have learned first-hand the high character of their officers and management.

PREMIUM RATES AND EARNINGS

The long, unbroken dividend record of these stocks through periods of good times, depressions, wars, great fires, and other national disasters appeals to me. This certainly attests to the soundness of their insurance business as well as to the soundness of the individual companies. The growth of equity values in insurance stocks over the years is evidence of the need of ever-increasing amounts of insurance sold. The increase in population could offset the unfavorable effect of inflation.

Fire insurance rates are established by state regulatory bodies on the basis of a continuing five-

year average of the loss experience. Rates are set so that the insurance industry as a whole is able to make a fair return on the business handled.

INVESTMENT TRUSTS

Insurance companies usually have the diversification and supervisory advantages of Investment Trusts or Mutual Funds; but in addition, have the insurance business profits. The funds of insurance companies consist of two major portions. First, there is the reserve which is set up against unearned premiums. This reserve is usually in highly liquid, high-grade assets which are quickly available on demand.

The second part of the insurance companies' portfolio consists of what may be described as the stockholders' equity, which serves as a kind of additional guarantee fund to protect policyholders and stockholders.

Now that all the turkey hash and hamburger hash (some of us couldn't afford turkey) has gone the way of all flesh, and Thanksgiving is just another memory why it is time to begin thinking about Christmas and it will be here almost before you know it too, won't it. Whew that was a long sentence.

But anyway the Muleshoe merchants are putting their best foot forward to make Christmas shopping at home not only easier, but almost an unquenchable desire. (How's that for a flight of fancy?)

The merchants are going to stay open late one night a week and I don't know what all, and if you spend your Christmas shopping money out of town, you are probably overlooking some real buys right here at home.

How about your favorite meal? Is it breakfast? It is with most men, but seldom is with women, which just goes to prove what I've always thought about them anyway. Breakfast is the starter of the day, and a good hearty meal will carry a man through several tough hours. Most women cringe at the thought of steak or fried chicken for breakfast, but those two items make a very tasty first meal of the day. In the Navy they serve beans and pie for breakfast on Saturday morning, and at sea, we frequently got salt mackerel and boiled potatoes for breakfast on Sunday morning. That, as revolting as it may sound, makes a good meal also. Lots of hot, black coffee, and most any food tastes good at breakfast except the insipid dry cereals.

property since Mrs. O'Leary's cow kicked over the lantern and burned Chicago to the ground! The first step was the inventing of a Fire Alarm System by John N. Gamewell of Newton, Mass. He was burned out in Chicago, Returning East, he interested Boston in the fire alarm idea. After getting these municipal fire alarm systems in the country's leading cities, the fire chiefs turned their attention to Sprinkler Systems under the leadership of George I. Rockwood of Worcester, Mass., of which company Wm. J. Carroll is now President.

As statistics were beginning to show that almost as many were being killed by automobiles (with corresponding losses to Insurance Companies) as by fires, the Gamewell laboratories worked upon traffic lights. With factories at Moline, Ill., they, under the leadership of Matthew Porosky, are spending millions to reduce life and accident losses from automobile accidents. Now the whole army of Fire Chiefs are urging the increased use of non-flammable furniture and textiles with the hope of preventing or stopping fires at their source.

FIRE LOSSES TOO HIGH
Notwithstanding the marvelous work that Gen. Mgr. Vincent of the National Board of Fire Underwriters is doing to lessen fire losses, these losses continue to climb. The official statistics show that over 26% of the fires reported from known causes are believed to be due to smoking and matches. This Board has a tremendous uphill task to com-

HEAVEN

The Journal has been furnished with a copy of verses entitled "Heaven" written by Gloria Dell Bearden, of Amarillo, daughter-in-law of Mr. and Mrs. W. R. Bearden of Muleshoe, and is publishing the verses so that others might enjoy the beautiful thoughts she expressed:

"What will Heaven be like?" the minister was asked one day. Beyond human imagination, but this is what I would say:

"Just like this earth, only many times as great. Everything there will be beautiful, the trees, the sky, and the lakes. The corruption of the earth there will be unknown. And there will be no one who feels he is walking alone. The Lord will be his Father, his neighbor and friend, and the most wonderful part of all, there will be no end."

—Gloria Dell Bearden

FROM PORTALES

Mr. and Mrs. Sam Sanders, of Portales, N. M., were guests in the Ike Bayless home, Monday.

pete with the cigarette advertising.

Without interfering with this advertising, the Fire Insurance Companies should supply the Board an equal amount of money to spend on newspaper advertising TO PREVENT FIRES, as the tobacco people spend on advertising. When the insurance companies provide such funds, you will see the fire losses per home begin to decline. The above hope is another reason why I am bullish on good fire and accident insurance stocks for the long pull, although these stocks may decline with the general market. Finally, the Insurance Business is basically a Christian co-operative enterprise where the fortunate people club together to help the unfortunate in case of fire, accident, or death.

PRAYER
Our Father, we thank Thee for Jesus Christ. We know that our happiness and peace are found in Him. Help us to be obedient to Thy just and holy will. Let Thy light shine in us and upon us as families and Christian communities. For our Redeemer's sake. Amen.

TEACHER FOR THE DAY
In Christ we have life abundant and peace.

Today's Meditation

Read Matthew 21:33-39.
How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth. (Isaiah 52:7.)

Advent means a new spirit, the dawn of a new life in our lives with the gift of God's beloved Son, Jesus Christ. It means God has given us His love and forgiveness, His loving kindness. In Christ, our peace with God is possible.

The source of peace for us lies in our response to Christ. When God's spirit controls our lives, we also become at peace with one another. Inner peace comes from trusting in God. In divine love and in the divine purpose of God we have assurance of the final victory of righteousness and peace in the world.

In Christ's spirit may we go forth in reverence, justice, and kindness, giving ourselves and living godly lives. In this way of living lies the hope of a warless world, a world of peace.

PRAYER
Our Father, we thank Thee for Jesus Christ. We know that our happiness and peace are found in Him. Help us to be obedient to Thy just and holy will. Let Thy light shine in us and upon us as families and Christian communities. For our Redeemer's sake. Amen.

TEACHER FOR THE DAY
In Christ we have life abundant and peace.

SAND HILLS PHILOSOPHER—

Really Takes To New Idea For Solving Complicated Farm Price Problem

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has run across the latest idea for solving the farm problem, his letter this week reveals.

Dear editor: While I don't like for the politicians to get hold of this I was just thinking one night this week as I was reading about the latest idea to solve the farm problem, personally I've had a farm problem out here long before anybody ever thought up a farm solution and I expect to have one after all the ideas to solve my problem have been thought up, but I was interested in this latest idea, the same as I am in all the old ones.

According to it, the trouble with the present price support program is that it produces a surplus, and the surplus it claims is produced mainly by the big farmers, the operators with many thousands of acres who produce on a factory type, assembly-line method.

Therefore, this newest idea, thought up by a man in New York, would start out with high price supports for the farmer who produces just a small amount, with the supports gradually falling off as a man's production went higher. This, the New Yorker said, would take care of the family-size farmer and give a little help to the biggest farmer, but not much, since he doesn't need much.

Well, I don't know about this, I've seen some little farmers who had money in the bank and a grin on their face, but on the whole it might work and I'd be willing at any rate to give it a trial, but I think the idea needs revising a little.

If you're going to pay a man on the basis of the less he produces the more he makes, you'll run into all sorts of complications.

What they need is a system of calculating the amount of effort it takes to get started to work and to stay with it. You ask some people, it's just harder for them to work than others. On the other hand, there are some people who just ain't happy unless they're working from daylight to dark. Therefore what we need, if they're going to think about paying a man a higher rate of pay for a smaller amount of production, is a system that takes into consideration how much effort it is for any given man to work at all. That's what I'd like to see the rate of pay based on. You have no idea how much money I could make under that system.

This thing has a lot of possibilities, but somebody is gonna object to it. You can't please everybody.

Yours faithfully,
J. A.

ALL-STEEL BEAUTY at a steal of a price

The 1956 Buick SPECIAL 4-Door, 6-Passenger Estate Wagon

NO uncertain terms, this one makes your travel hours prideful as well as practical. It's all Buick, you see—all 1956 Buick. Which means a new lift to anyone's spirit—from the new sweep-ahead look of it—the new might of its 322-cubic-inch V8 engine raised to lofty new power highs—the new size of its advanced Variable Pitch Dynaflo®—the true sweetness of its great new ride.

But it's a lot more than that. It's Buick's highly versatile Estate Wagon—now substantially lowered in price for 1956—and how much more practical can you get than that? For with this one, and for an easy-to-reach figure—you have a car with all the suavity and comfort of a smart sedan plus the all-duty handiness of a suburban vehicle. You have a car completely steel-bodied, so its exterior upkeep stays simple and inexpensive—and a car more than roomy enough to carry six and their gear. You have a covered platform that's wonderful for a host of things. It can take an inflated air mattress for sleeping. It can freight a small rowboat and camp equipment. It can hold vacation luggage, or golf clubs and such—or the results of a mad shopping spree, even if you go in for antique furniture.

You can even have the folding rear seat come, at your option, in a handy split-section arrangement that lets you carry both rear-seat passengers and extra-long loads like skis, or fishing rods, or young trees, or two-by-fours.

So what more can we say, except come see it. The Estate Wagon is available in Buick's two lowest-priced Series—the budget-tagged SPECIAL, and the great CENTURY. And, we report, both newly lowered in price for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Best Buick yet

Get 4-Season Comfort in your new Buick with FRIGIDAIRE CONDITIONING—now at a new low price.

Party Enjoyed In Church Dining Hall

GA's Class of the First Baptist Church enjoyed a party Saturday evening in the dining hall of the church. The class is under the sponsorship of Mrs. Cleon Davis.

Attending were: LaQuina Stone and Charles White, Nelda McCary and Jimmy Myers, Roselle Ellis and Wesley Stephens, Coralean Hicks, Darla Johnson, Kathy Phillips, and Rosemary Richards.

Rev. Stephens was a visitor.

The group sang, played games, listened to records, and enjoyed refreshments of sandwiches, cakes, potato chips, olives, apple pie and ice cream.

Miss Templeton, Sam Johnson Are Wed In Mississippi

Miss Mary Sue Templeton, of Pinson, Ala., and Mr. Sam Johnson, of Delores, Colo., exchanged wedding vows last Thursday afternoon at 2:00 o'clock, in the Church of Christ at Columbus, Miss.

James Staple performed the service.

The bride chose for her wedding a pink suit which she complemented with accessories of navy-blue. She wore a white orchid corsage.

For a wedding trip to Clovis and Portales, N. M., she wore a rust tweed suit, and black accessories.

Mr. and Mrs. Johnson will be at home in Lockney. He is a former resident of Muleshoe.

Carolyn Atchison, Charles Compton To Marry Dec. 25

Mr. and Mrs. R. T. Atchison, of Muleshoe, announce the engagement and approaching marriage of their daughter, Carolyn, to Charles Compton, son of Mr. and Mrs. L. J. Compton, 220 Uvalde Avenue, Lubbock.

Vows will be exchanged at 9:00 o'clock, Sunday morning, December 25, at the Main Street Baptist Church, Muleshoe.

All friends of the couple are invited to attend.

HERE FROM DALLAS

Mr. and Mrs. Charles Lewis, of Dallas, were here over the weekend visiting his parents, Dr. and Mrs. A. E. Lewis, and her father, Albert Carrol.

MRS. STEWART STILL IN TAYLOR HOSPITAL

Mrs. Lewis Stewart is still a patient in the Taylor Clinic at Lubbock, and is considered to be in serious condition.

RETURNED HOME FROM LOUISIANA

Mrs. L. V. Brockman and children, and Mrs. C. C. Coley, returned home Sunday from Springhill, La., where they had been visiting since last week.

VISITORS FROM LOCKNEY

Mr. and Mrs. Sam Johnson, of Lockney, spent Thursday of last week with "Pop" Dalton and family.

Lucy Hanks Circle Met November 17

Lucy Hanks Philathea Circle of the Methodist Church met Thursday evening, November 17, in the home of Mrs. Finley Pierson, with Mrs. Earl Harris as co-hostesses.

In the absence of the president, Mrs. Harold Allison, vice-president, was in charge of the business hour. Reports were made from the committees, and it was decided to have a rummage sale Saturday afternoon.

Christmas cards were distributed to members for sale.

Mrs. Arnold Morris, a guest from the W. S. C. S., of the Methodist Church, gave a report on the County Fair which was held in October, and presented a check to the circle as their part of the money made.

Mrs. Allison welcomed to the circle, three new members.

Mary Nell Chapman was in charge of the program, and gave a very interesting talk concerning the Christian mother, and her many duties to the church, club, school affairs, and her family.

Refreshments of pumpkin pie and coffee were served to Jeanie McVickers, Theresa Edwards, Pearl Gunstream, Charlene Bickel, Jean Gillespie, Ruth Fowler, Dorothy Weyer, Betty Cowan, Sammie Allison, Mary Nell Chapman, Margaret Adams, Jean Allison, Mmes. Arnold Morris, Payrene Harris, and F. B. Pierson.

The next regular meeting of the circle will be December 1, in the home of Betty Cowan.

The next regular meeting of the circle will be December 1, in the home of Betty Cowan.

Sunshine Club Hosts Families

Sunshine Club members and their families met in the home of Mr. and Mrs. Merle Barnhouse for their Thanksgiving dinner on Nov. 17. Each brought a covered dish.

A business session was held in the afternoon, also visiting was enjoyed.

Our next club meeting will be in the home of Mrs. George Chambliss, Dec. 8. Plans for our Christmas party will be discussed.

Those attending were: Mr. and Mrs. C. H. Odom, Mr. and Mrs. Billy Wilkens and daughter, Janice Sue; Mr. and Mrs. John Williams, Mrs. C. W. Patterson, Mr. and Mrs. George Chambliss, Mr. and Mrs. L. D. Tipton, and Mr. and Mrs. Merle Barnhouse.

THANKSGIVING GUESTS

Mr. and Mrs. Hershel Brawley, of Hobbs, N. M., enjoyed Thanksgiving dinner in the home of Mrs. Frank Wagon. Other guests were Mr. and Mrs. Charles Lewis, Albert Carrol, Mr. and Mrs. Glenn Dunn, and Donna Kay Dunn.

DAUGHTERS VISITED

Helen Dawson, of Wayland College, and Estelle Dawson, of Albuquerque, N. M., were Thanksgiving guests in the home of their parents, Mr. and Mrs. J. U. Dawson.

GUESTS IN HOME OF DAUGHTER

Mr. and Mrs. Boone Allison, of Lariat, enjoyed Thanksgiving day in the home of their daughter and son-in-law, Mr. and Mrs. Jim Moreland, at Clovis, N. M.

W. S. C. S. Members Enjoyed Meeting

W.S.C.S. of the First Methodist Church held a regular session at 2:00 o'clock in the afternoon Monday, November 28, with Mrs. W. D. Moore as leader.

Background music was furnished by Mrs. Cecil Davis.

Mrs. W. D. Moore offered a prayer, after which the lesson for the day was brought on the topic, "Women In The Church." The group sang, "Above The Hills Of Time", and Scripture was read from John 20:11-18.

The World Council of Churches was given by Mrs. Arnold Morris. Other ladies taking part on the program were Mmes. H. C. Holt, W. D. Moore, R. O. Gregory, and Clarence Stephens.

Program was closed with a prayer by Mrs. W. D. Moore.

Mrs. H. Jay Weyer conducted the business meeting. Mrs. Morris reported that flowers were sent to the funeral of Mrs. Lucy Layne from the W.S.C.S. Twenty telephone calls have been made to the sick.

Offering was taken for the Navaho Indians. A report was given by Mrs. Clarence Stephens on the December programs, and the Christmas party, which is to be held in her home with Mmes. C. R. Farrell, H. J. Weyer, and Arnold Morris assisting. The society will exchange gifts for Christmas and White Christmas also.

Attending were Mmes. Arnold Morris, C. R. Farrell, Clarence

Stephens, J. J. Gross, Blair, R. O. Gregory, H. C. Holt, H. Jay Weyer, and W. D. Moore. Meeting was dismissed by Mrs. Blair.

TWO FROM MULESHOE TO STUDENT CONFERENCE

ABILENE—Barbara Hinkson and Jimmie Carpenter, students at Texas Tech, were attending the Texas Methodist Student Movement Conference here Nov. 25-27.

Theology professor from Dallas and Boston delivered the major addresses at the TMSM conference, theme of which was "Christ and the Silent Generation."

Dr. Harold Ehrensperger, professor of religion and the arts at Boston University School of Theology; and the Rev. Joseph Mathews, assistant professor of Christian ethics at Perkins School of Theology, Dallas, were the featured speakers.

SONS HOME FOR THANKSGIVING

Clark Colson, of Carlsbad, N. M., and Eck Colson and family, of Clovis, N. M., were Thanksgiving guests in the home of their mother, Mrs. Vera Colson.

WEEKEND GUEST

Mrs. Mildred Lokey, of Slaton, was a guest last weekend in the H. G. Griffith home.

VISITED PARENTS

Mr. and Mrs. Gene Richardson, of Lubbock, visited here on Thanksgiving day with their parents, Mr. and Mrs. Bill Collins and Mr. and Mrs. Jess Richardson.

VISITED DAUGHTER

Mr. and Mrs. W. R. Bearden spent Thanksgiving day at Sudan in the home of their daughter, Mrs. B. W. Yeary.

SOMETHING NEW!

Something new in luggage is this smart cotton-coated group by Amelia Earhart. Individually designed with handsome monograms, the luggage features initials that are woven into the cotton-coated fabrics before the cases are constructed.

Something new in luggage is this smart cotton-coated group by Amelia Earhart. Individually designed with handsome monograms, the luggage features initials that are woven into the cotton-coated fabrics before the cases are constructed.

GUESTS IN BUTLER HOME

A guest this week in the home of Mr. and Mrs. Travis Butler is his mother, Mrs. J. W. Finch, of Clarksville. Guests in the Butler home for Thanksgiving were Mr. and Mrs. Leonard Porterfield, of Lubbock.

Mr. and Mrs. Butler wish to take this opportunity to thank all their friends who sent flowers and visited at the Lubbock hospital.

RETURNS HOME

Mrs. Zilpha Zimmer returned home Sunday evening from Friona, where she had been since Wednesday of last week with her brother, Lawrence Bracken.

LETTERS TO SANTA

Dear Santa: Will you please bring my little sister and I a Tiny Tears doll with a few other things. Please Santa don't forget our Mother and Daddy and the other little children.

The Little Barnett Sisters Marilyn and Charlotte

Dear Santa: I am five years old and try to be pretty good. Could you please bring me a ballet doll, doll house, and an accordion. Please remember the other little children.

I love you Diane Bryant

Dear Santa: I am almost 8 years old. I

would like a wrist watch, B-B gun and a Leather football Don't forget the other children. Love Mike Bryant.

Dear Santa: I am six years old and in the first grade. Would you please bring me an accordion a bride doll and a make-up kit. Please don't forget the other boys and girls.

Love, Debbie Lou Bryant

Dear Santa Claus: Please bring me two Roy Rogers guns. I go to school at Lazbuddie, Texas. I am seven years old, and in the second grade.

Love, Milton Leon Watson

Dear Santa. Please bring me a doll, make-up kit, bracelet, ring and a doll house.

I am 6 years old. Love, Terri Wiedebush

Dear Santa. We are 3 little boys who have been very good this year. We are Stanley 8, Clifford 6, and Stephen 3.

I, Stanley, would like to have a bicycle that both I and Clifford can ride. Clifford would like a punching bag and Stephen would like a tricycle.

Please remember all the little boys and girls on Christmas.

Love You, Stanley, Clifford and Stephen Black

Sure Sign of Better Crops...

ANOTHER FARM IRRIGATED with **McDowell COUPLING**

PORTABLE SPRINKLER IRRIGATION SYSTEM

It's this patented GASKET-COIL PRESSURE LOCK that makes McDowell Couplings work better, easier and faster.

In all sections of the country, McDowell Coupling portable sprinkler irrigation systems are proving their superiority. That's because the McDowell Coupling is the simplest, fastest, most efficient method of assembling or disassembling irrigation pipe.

In this design, water pressure provides a watertight seal and positive lock automatically—at both high and low pressures. No tools are required. And there are no yokes, latches or gadgets to break or wear out.

Texas Almanac 100th Anniversary Edition On Sale At Muleshoe Journal

The biggest Texas Almanac yet, celebrating its 100th anniversary, has just been published by the Dallas Morning News. The new book's 768 pages of reading matter, statistical tables, pictures charts and maps constitute the most complete reference book on Texas ever published. In addition to current information, the book contains much historical matter. It is on sale at the Muleshoe Journal.

The tremendous growth of Texas in recent years is shown by facts and figures on the development of all kinds of resources and activities in every branch of human endeavor, including history, population, oil and other minerals, water, soils, native plant and animal life, farming and livestock raising, manufacturing, transportation, government and education.

Among the thousands of facts, one finds such a variety as the attendance of Decatur Baptist College, value of hay grown in Texas in 1890, location of the Davy Crockett Wild Game Area, money taken by the state from tidelands oil, Montague County bank deposits, property damage by Texas tornadoes, name of the Mayor of Tlaga, shortest railroad in Texas and the altitude of Potato Top Peak.

One feature is the new census of Texas agriculture with county-by-county tables on present crop and livestock volumes and values, farm mechanization and irrigation. Special features include history of Texas cattle industry, description of Texas' wildflowers, survey of soils by regions and classes, kinds and value of minerals produced in each county location of more than 100 of Texas' largest ranches early Texas cattle trails and

Texas 4-H'ers Win Trips To Chicago

THREE Texas 4-H Club members have been selected as delegates to the 34th National 4-H Club Congress in Chicago, Nov. 27-Dec. 1, for their accomplishments in the 1955 National Poultry, Recreation and Rural Arts, and Soil and Water Conservation programs.

The work of Melton Frosch, 16, of Mabank, in conserving soil and water, has brought him state honors in the 4-H Soil and Water Conservation program. His award is an all-expense trip to the National 4-H Club Congress, provided by the Firestone Tire & Rubber Company.

Melton is a six-year member of the Kaufman County-Wide 4-H Club.

For a four-year demonstration he selected 25 acres of poor grassland, covered with trees, a creek, brush, undergrowth, etc. The first year he removed brush and undergrowth, leveled the land, used good fertilizer and mowed three times to keep down weeds. The second year he seeded Hairy Vetch, fertilized and mowed twice. The fourth year he built a small lake and terraces to control water, mowed twice and sodded the dam and outlet.

In four years he increased the grazing capacity from one cow per 1 1/2 acres for four months grazing to one cow per one and 2/3 acres for ten months grazing.

His local club leader is Mr. Floyd Thurman.

State 4-H Poultry honors have gone to Jimmy Pickett, 17, of Lago. His trip to the National 4-H Club Congress is provided by the National Committee on Boys and Girls Club Work.

Records covering his eight years in 4-H show that he raised 2541 chickens. Jimmy studied the best characteristics of many breeds and latest methods in feeding, housing and caring for his flock.

He won many cash awards with his entries. Through the sale of the prize winning exhibits he financed other projects and saved for his college education.

Jimmy raised 219 capons, 1,475 fryers, 235 turkeys, 139 rabbits, 3 beef calves, 21 dairy animals, and carried three electrical projects.

He is a member of the Lago 4-H Club led by Earl Pickett and W. N. Ander.

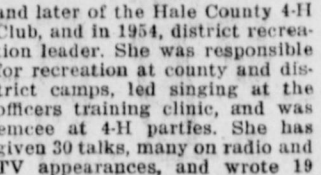

All these programs are conducted under the direction of the Cooperative Extension Service.

Jimmy Pickett

tables have little appetite appeal, and little food value. The skillful cook will save color and food by proper cooking.

Serve three vegetables each day—a green or yellow vegetable sweet or Irish potatoes, and one other vegetable. Here are some pointers to remember in cooking vegetables.

Use fresh, crisp vegetables. Cook in as little water as possible.

Cook vegetables in their skins whenever possible. Cook only until tender—don't overcook.

Cook most green and all yellow vegetables in a covered pan. Never use soda in cooking vegetables—it destroys part of the food value.

Serve vegetables as soon as possible after cooking. The longer they are exposed to heat and air the more vitamin C they will lose.

Family Business Centers Save Time and Worry.

Could you locate valuable papers, deeds, wills, insurance policies in a hurry in your home? Most of us do not anticipate emergencies such as fires, accidents or other disasters, but we do have times when we can't find important receipts or canceled checks simply because we do not have a well-planned place to put them.

Planned business centers are appearing in more homes these days. They provide a comfortable place to work for a few minutes each day; a place to keep a ready file on bills, canceled checks, important papers.

Mrs. Eula Newman, home management specialist for the Texas Agricultural Extension Service, says all you need is an

ample, comfortable, well lighted writing center, a comfortable chair, handy file for current materials, another file or storage place for back records, waste basket and desk supplies.

Some families have the writing desk handy for a business center; others are converting old kitchen cabinets and wash stands into business centers; and still others are making desks.

What can you file in your business center? Account books, addresses, automobile records, bank deposit slips, bank statements, receipts for bills paid, bills to be paid, health records, income tax returns, insurance information, tax forms, and a list of valuable papers you are keeping in a safety deposit box at the bank. Here, too you can keep the instruction books on household

equipment and any guarantees on your equipment.

Consider where and how you can plan your family business center. You'll find it a real source of satisfaction.

HOME ON FURLOUGH
Bob Martin, who is stationed at Shreveport, La., with the U. S. Air Force, is home on furlough, and visiting his parents, Mr. and Mrs. Abe Martin. Mr. Martin is pastor of the Church of Christ, at Lariat.

WEEKENDED HERE
Mr. and Mrs. Charles Snyder, of Dexter, N. M., spent the weekend with her parents, Mr. and Mrs. Walter Kemp.

ARE ATTENDING BIBLE CLASSES
Mrs. Ola B. Jones, Mrs. Zilpha Zimmer, and Roberta Biles are attending Bible Classes each Monday evening at E. N. M. U., Portales, N. M.

VISITED IN HOBBS
Mr. and Mrs. Albert Davis and family spent the Thanksgiving holidays with relatives at Hobbs, N. M. Their son Elmer, a student at E.N.M.U. was home, and accompanied them there.

FROM LUBBOCK
Mr. and Mrs. Bill Borum and daughter Kay, of Lubbock, were guests for Thanksgiving in the home of her parents, Mr. and Mrs. B. H. Bickel.

What gift grows bigger and better every day?

There's one Christmas gift you can give your wife, daughter or son—or, indeed, yourself—that will benefit your whole family. And you'll have the added pleasure of watching it grow bigger and better Christmas after Christmas!

The gift is a savings account in an insured Savings and Loan Association. You can open an account for as little as \$1 to \$5. You'll get

excellent returns. And your money will be safe—insured up to \$10,000 by the FSILC, an agency of the U. S. Government. What's more, you'll deal with friendly, experienced people.

Open an account at an insured Association right now! You'll be glad you did—this Christmas and every Christmas to come!

About Homemakers & Homemaking IN BAILEY COUNTY By MOLLIE STINSON Home Demonstration Agent

IDEAS FOR HOLIDAY DECORATIONS
Decorating the home for the holidays can be fun for the whole family. . . . Magazines and newspapers are full of clever ideas that can be adapted to every type of home and family. Family members are sure to have some original ideas to contribute, too. Pool ideas, and plan now to give your home a "special look" for the holidays.

CANDY WREATH—for the front door or table centerpiece. Simply cut wire and twist into a circle about 9 inches in diameter. With a narrow red ribbon, tie on cellophane-wrapped candy sticks so that they lie alternately outside and inside circle. Next, tie the cellophane-wrapped hard candy balls along the wire. When finished, the wreath should look full and very colorful. The center opening should be about the

size of a large (frosted) candle, if it is to be used as a centerpiece.

If wreath is hung, attach a long ribbon and tie a small pair of scissors so guests can cut off candy without destroying the wreath.

SNOWBALL MACHINE for coffee or table or special arrangement. Fill a fish bowl or other similar bowl 2/3 full of water. Add moth balls to the bowl—5 balls for each cup of water. Place bowl in sink or large container and add 1/3 cup of white vinegar and 1 teaspoon of baking soda for each cup of water.

When fizzing stops, the "snowballs" will come to the top, sink and bob. If action slows, add 12 teaspoon of soda for each cup of water.—For Variety, add color to the water, or place china figurines in the bottom of the bowl. (Modeling clay will hold objects in place.)

FESTIVE FRONT DOOR—Try covering the entire door completely with red all cloth. Paint a few notes and words of your favorite Christmas song on the oilcloth. Make the bars and notes wide enough to be seen easily.

Cook Vegetables The Right Way Save Color and Food Value
