Leroy Scott Resigns As Mule Pilot; Workouts Start On Aug. 22 At MHS

With only two weeks remaining until workouts start for the 1955 football season, the athletic department at Muleshoe High School was left needing one head coach this week following the surprise resignation of Mule pilot Leroy "Speedy" Scott.

Leaving Muleshoe to take a position in the insurance department of the First State Bank of Morton, Scott comments that he hates to leave Muleshoe, but that he feels that his move is a wise one.

Superintendent of Schools, Jerry R. Kirk, said the school does not have anyone in mind at the present time to replace Scott, but that applications are now being taken in order to find a capable man to work with the 55-56 Mule football and basketball squads.

In the midst of this confusion time continues to move along toward the opening game of the '55 football season when the Mules will clash with the Hereford Whitefaces at Benny Douglass Stadium on September 9. The local team will begin to prepare for the rugged District 2AA competition on August 22.

As it has always been in the past, District 2AA promises to be one of the State's toughest and most unpredictable loops. After losing its perennial power, Floyd Ada, the district picks up a couple of new members this term that are likely to make things just as uncomfortable for the other four teams.

Lack of weight has already been labeled as the biggest problem facing the Mules this season.

Local Merchants Give Rodeo Prizes

In cooperation with the Muleshoe Roping Club several local merchants have donated extra prizes for the eighth annual rodeo which will be staged here on August 18-19-20.

The Club is extremely grateful to these merchants for their help and ask any other businesses interested in donating prizes for the entries in the show's six big events, contact Jack Julian or Ruth Briscoe before next Thursday.

The following merchants have donated the following as extra prizes for the three day show:

C. R. Anthony Co., a Belguin Beaver hat for the best Saddle Bronce rider.

Cashway Grocery and Market, a hat for the champion bare back bronce rider.

Piggly Wiggly, a hat to the champion double mugging roping.

Perry Bros., one lariet rope to the fastest time in calf roping and another for the fastest time in double mugging.

Remund-Wilson, one pair of Tuf-Nut 13 oz. rider pants to first bull rider to be thrown in each show, and a pair to the first bull rider to be thrown in each show, and a pair to the first bare-back rider to be thrown in each night's show.

Robinson's Shoe Shop, a Western hat to the Ladies Barrel Race Winner and a pair of boots to the champion bull rider.

Leigons Re-Open Cafe Tomorrow

Leigon Cafe will be open for business tomorrow after remodeling due to a fire which began in the kitchen and damaged the building throughout, two weeks ago.

Temporary equipment will be used until new equipment arrives here. James and "Skipper" Leigon ask that all their former friends and customers call on them soon and they promise to have everything back to normal in the near future.

Free coffee and doughnuts will be given to their customers all day Friday.

CELEBRATE ANNIVERSARY

Celebrating their First Anniversary in business in Muleshoe, the Lindsey Credit Jewelry, Mr. and Mrs. V. T. Lindsey, proprietors, are this week running an anniversary sale. The Lindseys came here from Tullia and their business is located in the Wooley building on Main Street. Their ad in detail will be found on another page of this issue.

Blondy Ray Opens Sat.

MODERN THROUGHOUT — that's Blondy Ray's new Conoco service station, located on the south corner of Muleshoe's main intersection. Blondy will be back in business here this Saturday in a big way and invites all his many friends to stop and look over the new place of business.

Five pounds of sugar will be given away each purchase of ten gallons of gas or more, and as always there will be quick service and a ready smile for everyone.

Second Chance Offered To Take Second Polio Shot

While most towns reported a sharp drop in the number of people taking the second dose of Salk Anti-Polio vaccine from the group reporting for the first shots in April, Bailey County Health Officer, Dr. E. O. MacDaniel, reports that the number taking the second shot here was only 75 less than those receiving free shots of the new vaccine, 297 took shots the first time and 212 were on hand at the West Plains Hospital here August 3.

Dr. MacDaniel said those who took the first shot and failed to receive the second dose could still do so by reporting to the hospital next Wednesday, August 17.

In cooperation with the State of Texas the National Polio Foundation carries the expense of both shots, necessary for complete inoculation.

School supplies on sale at the Journal Office, Pens, Ink, Paper anything you need call 7220.

School To Start On September 5

Monday September 5, is the official date for opening of Muleshoe schools for the 1955-56 term. This was announced this morning by Supt. Jerry Kirk, who had returned late Wednesday after a trip to interview prospective new teachers.

Mr. Kirk said further details concerning registration, date for buses to run, and for opening the lunch room, etc., will be announced through The Journal in later issues.

Only detail he announced was a faculty meeting, set for Wednesday, August 31, and registration, scheduled Sept. 1 and 2.

Hall County Reunion Aug. 21

Former residents and old settlers of Hall County will meet for their eleventh annual reunion at McKenzie State Park, in Lubbock on Sunday, August 21.

An all day affair, the main events are scheduled to take place between eleven and four p. m., lunch will be served picnic and family style about one p. m.

TWO MEN DONATE LAND

Right Of Way For Four Laning Highway 84 Sought By County

Jones Will Head Red Raider Club

About 40 people attended the stage meeting of Muleshoe Red Raider Club Monday night and heard three Texas Tech coaches bring them an optimistic picture of Tech's athletic future.

Present to do the talking were: Wyatt Posey, football line coach; Buzz Warren, backfield coach; and Gene Gibson, assistant basketball coach.

Tech's Red Raiders are flexing their muscles, with a fine bunch of boys that are eagerly looking forward to their first game, to be played against Texas U at Austin September 17. They meet another Southwestern Conference team, the TCU Horned Frogs, at Lubbock, September 24.

Gibson told the local sports enthusiasts that Tech this year is leaving the small college class. The Tech quintet this year is taking on the powers up in the midwest, some of the cleverest teams in the nation, and they have entered the All College Tournament to be held in Oklahoma, one of the country's top basketball tourneys. Tech will bring top rung basketball to Lubbock this year, playing in their new coliseum. All told, the coaches indicated, the future for Tech athletic teams has never appeared brighter.

In a short business session, the local club elected Chief Jones, president; chose Leon Grissom of Bovina, vice-president; and made Lloyd Aloop, secretary. A social meeting, to include the ladies, will be held later in the year.

Frona Man Dies In Elevator Fall

Gorden Wesley Horton, about 55, was the father of a grain elevator being constructed here. He was pronounced dead on arrival at the hospital at 2:30 p. m.

Mr. Horton, a resident of Bovina, had been employed on the addition to the Frona Wheat Growers elevator for several weeks. He had been a resident of this part of Farmer County for many years.

Details of the accident were not known, workman removing forms from the top of the elevator said it appeared Mr. Horton stepped off a scaffolding as he attempted to dodge one of the moving pieces of equipment.

Mr. Horton was the father of Mrs. Jim Guinn of Frona. The Guinn family were in an automobile collision Saturday and Mr. and Mrs. Guinn and two daughters were slightly injured. He is a brother of Allen Guinn of Muleshoe.

Eighth Annual Rodeo To Begin Here Thursday

Muleshoe's annual three day rodeo will get under way in a big way next Thursday night at the Muleshoe Roping Club's arena. The show will begin at 8:15 each evening.

Six big events have been scheduled by the rodeo committee, and a long list of entries, all determined to best the rugged stock to be furnished by Sonny Wood, promise a thrill a minute to the expected crowds.

Events to be featured in this eighth annual, non-professional amateur rodeo, are: calf roping, double mugging, saddle bronc riding, bull riding, bareback riding, and ladies barrel race.

Clayton Myers, well known auctioneer of this area, has been obtained to announce this year's show.

A big dance will follow the show each night at the American Legion Home, featuring the music of the "Eythm Ramblers".

The office of A. S. Stovall, local cotton buyer, is being used as rodeo headquarters by clerk, Ruth Briscoe. The books will close Thursday, August 18, at noon.

Kent Furniture Enjoys Promising Grand Opening Day

Kent Furniture enjoyed an extremely successful grand opening last Saturday. The first of the day's visitors was waiting when the doors opened at eight.

The children were given free balloons and there were combs and dust cloths for the grown-ups.

New furniture, purchased by the Kents during their recent trip to the Southwest Market in Dallas, was still arriving Saturday to be added to an already wide choice of beautiful home furnishings.

An air conditioned for cool shopping comfort and featuring attractive interior designs, Kent Furniture promises to be one of Muleshoe's most pleasant stops during any shopping tour.

The store is located next door to Remund-Wilson Drygoods on North Main Street.

TO LUBBOCK

Mrs. Eva Aloop and Mrs. Jerry Phipps were in Lubbock Monday of this week attending to business.

Conversion of U. S. Highway 84 to a 4 lane divided road has moved closer with recent action of Bailey County Commissioners' Court which has been working for some time to secure right of way requested by the Texas Highway Department.

This week, the Commissioners' Court requested the Department through District Engineer McCarty, Lubbock, to stop the 4 lane system about 1/4 to 1/2 mile east of Muleshoe city limits, in order to eliminate purchase of right of way along developed city property.

This would save several thousand dollars for Bailey County. Furthermore, it would help to slow down traffic headed thru Muleshoe.

It has been estimated by the Commissioners' Court, that to purchase needed right of way and to move an electric high-line, would entail the expenditure of \$18,000. The county officials did not feel the county's financial situation would permit this outlay. Should the Department agree to end the 4-lane system at a point about opposite the city dumpground, the officials feel the financial outlay for right of way will be much less and the project will be in the county's reach.

The \$18,000 estimate was a minimum investment. As a matter of fact, the officials feel that to acquire 100 feet additional along the highway would involve the purchase of about 100 acres of land along the 8.9 miles between Muleshoe and the Lamb County line, some of it in the city of Muleshoe, where potato

sheds, gins, concrete works, etc., exist, and the total might well run much more.

The county has sent men to prop along the route. To have received two

The county actually is asking for 60 feet of easements, at no cost to the county and 40 feet reservation. This last 40 feet is to be kept available to the county, and to be paid for at an agreed price. The county can, and probably will before the divided highway is built, enter into condemnation proceedings against property desired.

\$294,000 To Build Road
Marshall Formby, a member of the Texas Highway Commission, speaking here last week before a civic gathering, said the commission has appropriated \$294,000 to build the highway from Muleshoe to the Lamb County line, a distance of 8.9 miles.

Judge Glen Williams told The Journal that if Bailey County purchases right of way, the Highway Department will proceed at once to build the road, even though they do not have right of way through Lamb County.

It is known that highway officials envision the eventual completion of a four lane divided highway between Lubbock and Clovis, on Highway 84. The Bailey County segment is an important gap in that project.

MHS Band To Make Trip To Dallas For Wilcy Moore Night, Aug. 25

Thursday night, August 25 has been declared Wilcy Moore Night by the Dallas Eagles in honor of their star outfielder from Muleshoe. The Eagles will meet Oklahoma City in that night's game. Preceding the game both Wilcy and his home town will be honored.

Plans on the local scene concerning the night are taking shape fast, as Dallas has set this Saturday as the deadline for arrangements to be completed here.

A bus will be chartered by Muleshoe to transport the Muleshoe High School band to Dallas for the big night. The local Lions Club is sponsoring the band on the trip and plans have been made to canvas the city between eight and nine o'clock tomorrow morning in an attempt to raise approximately \$800 which will

be needed to cover the expense of the trip.

Several cars are going to be needed in addition to the bus and anyone planning to make the trip should contact the Muleshoe Chamber of Commerce or the Lions Club as soon as possible.

More than \$200 has already been donated to make it possible for the band to make the trip without any plea being made. When the Lions Club calls tomorrow morning everyone in Muleshoe is urged to give any amount they can afford.

A special section has already been reserved in the Dallas stands for a large delegation from Muleshoe, so lay your plans now to attend.

Use the Journal Want ads They get results. Phone 7220 or 5400, Muleshoe, Texas.

MORE STORAGE NEEDED

Rotarians Hear Details City's Water System

W. E. Young, city water superintendent here since 1942, described for members of the Rotary Club the present sewer and water system of Muleshoe, its needs and limitations, when the club met Tuesday noon. B. A. Dalton was in charge of the program.

The superintendent said the city now operates three water wells, which haven't had much rest this summer; there are more than 1100 water meters now and 900 sewer connections. Pumping has been very high since the advent of summer weather, biggest day's pumping being 1,700,000 gallons.

More storage and an additional well for better water supply are needed now, and Muleshoe's growth promises to put further strain on the water department, Young told his listeners. The city now has a total storage of 350,000 gallons; a million gallons would not be too much.

In case of fire, citizens ought to cut off their hydrants at home during the fire's duration; then the city pumps would be able to furnish plenty of water at good pressure to fight the fire.

Mr. Young accompanied by

talk by showing water samples and actually carrying out a water test. Sand in the bottom of a jar indicated that the water was being pumped into the underground storage, but being pumped out and used before the sand could settle to the bottom.

Mr. Young described the functions of two lagoons recently built for sewage disposal. The lagoons dispose of the waste in such a way as to eliminate odors. The lagoon plan has the endorsement of the State Health Department. Surplus waters, after purification, will be used to irrigate crops on the land of Ollie Jones, in the neighborhood of the disposal site. The system is recommended as being sanitary and efficient and much less expensive than commercial disposal plants.

At the conclusion of the talk, those present asked many questions, which the speaker answered and all agreed it was a most interesting and informative program.

Guests of the club included Thurman Kent, member of the Sweetwater club who is moving here; and Derrill Moore, Waverly, Rotarian.

Sheriff, Tax Offices Of County May Be Separated

BAILEY COUNTY people are being given the opportunity to decide whether the county should separate the sheriff and tax assessor-collector.

This week the Commissioners' Court ordered that an election be held to determine whether the voters favor this move. September 19 is the date for the election.

Last autumn Texas voters approved an amendment to the state constitution, which permits counties of population of less than 10,000 to vote on separation of the offices. Previously, separation has been mandatory when the county attained ten

thousand people. If the people approve, there will be a sheriff's office completely distinct and separate from the tax office in this county.

The commissioners' court said the coming election will be given full publicity, and everyone in the county will have the opportunity to learn about it, and to express their preference. At present, Hugh Freeman is the elected sheriff, tax assessor and collector for Bailey County.

Election machinery will be set

up in all 7 voting precincts, and provisions will be made for absentee voting. Judge Glen Williams told The Journal.

He pointed out one thing: Only property tax paying voters will be eligible to vote in this election.

SPENT DAY AT MACKENZIE PARK

Mrs. Clea Williams and children, Mrs. Phyllis Rusch and children, and Monnie Creamer spent Sunday at McKenzie State Park in Lubbock.

Kent Furniture Welcomes Crowds to Grand Opening Sat., August 6

Crowds View New Methodist Parsonage

Approximately 125 guests reg-
ged last Sunday afternoon be-
tween 2:30 and 4:30, during the
in house at the new Metho-
d parsonage here.

The ranch style, pink brick,
one was completed in late May
and Rev. Clarence Stephens and
family moved in on May 30.
The rooms are featured includ-
ing three bed rooms, two baths,
kitchen, dining room, living room,
bureau and utility room, com-
plete with a double garage.
Committees from the Wesley-
an Sunday School Class of the
First Methodist Church handled
arrangements for the "open
house". Mrs. Bernard Phelps was
overall chairman of those

ing group served as
heads: Mrs. Buford
Clay Beavers,
Mrs. Morris Childers,
Mrs. A. S. Sto-
l was co-hostess Mrs. Mervin
terding, and Mrs. Bill Moore

APPTED FOR GREAT PLAINS

FHA Is Announcing New Credit Program

etails of a new credit pro-
gram tailored to the needs of
farmers and ranchers in the
Great Plains area, combining es-
tablished real estate and produc-
tion loan programs of the Farm-
ers Home Administration with a
greatly expanded emergency in-
come program, was announced to-
day by Cy Henson, County Super-
visor.
The loans will be available in
Bailey County and applications
may be filed at the Farmers Home
Administration office at Muleshoe.
The program is an out-
growth of recommendations
made at the Great Plains Agricul-
tural Conference called by Sec-
retary Benson and held last May
and June 2 in Denver.
Loans will be made for reseed-
ing and the establishment of
islands and other approved
conservation and land use prac-
tices including soil and water
conservation control measures; de-
velopment and improvement of
irrigation and irrigation water
applies, repair and improvement
of existing farm buildings, and
purchase of additional land
needed to enlarge a farm to a
family-type size.
Loans also may be made to
purchase livestock, farm equip-
ment, farm equipment repairs,
fertilizer, feed, insectic-
ides, farm supplies, and for
payment of interest and taxes.
A carefully developed Farm
Home Plan will be a part of
processing of each loan. It is
intended that loans shall be
made prior to proper classifica-
tion of the land involved, and
Farm and Home Plan will
be filed into consideration, such
things as the type of farming
being suited to the land, and bor-
rowers will be required to follow
management practices rec-
ommended locally as best for their
particular type of land.
The regular production loans
bear 5 percent interest,
which is fixed by law; real estate
loans on family-sized farms are
3 percent, and the special em-
ergency loans will be at 3 per-
cent. Terms in all instances will
be geared to the expected repay-
ment ability of the applicant.
Previously, emergency loans
were limited to credit needed an-
nually by farmers or ranchers
carry on normal operations.
The expanded emergency loans,
which will continue to supply
credit supplied by regular
programs are expected to help
farmers or ranchers finance ma-
jor reorganizations when that is
necessary to stabilize their oper-
ations.
In addition to the expanded

Housewarming Honors Mr. and Mrs. Glen Williams

Mr. and Mrs. Glen Williams
were honored Wednesday even-
ing, August 3, with a surprize
housewarming party.
Gifts were displayed on the
dining table, which was centered
with a basket of floss and honey-
suckle. Many persons who were
unable to attend sent gifts.
Punch and cookies were served
by the hostesses, Meses. Charlie
Phipps, W. F. Bandy, W. O. Burris
and Conrad Williams.
Those attending were: Mr. and
Mrs. H. C. Holt, Mr. and Mrs.
Robert Harrison and daughters,
Mrs. H. S. Sanders Jr., Mrs. M.
C. McNatt, Mr. and Mrs. Horace
Hutton, Mr. and Mrs. Charlie
Phipps, Jane and Geraldine, Mr.
and Mrs. W. F. Bandy and Kathy,
Mr. and Mrs. Earl Jameson and
children, Mr. and Mrs. Virgil
Phipps, Mrs. W. O. Burris and
children, Mrs. Conrad Williams
and children.

Lions To Sponsor Band To Dallas

A Letter from Mrs. Wilcy
Moore, received by the Muleshoe
Chamber of Commerce last week
started a few civic minded people
working at full speed. It seems
that sometime ago the wife of
Muleshoe's representation in the
Dallas eagle's outfield, was chat-
ting with the Eagle's publicity
chairman and as always some
crack was made about the
Moore's home town. At that point
Mrs. Moore proceeded to inform
the group present that not only
do some very fine ball players
come from Muleshoe, but some
fine musicians as well.
That statement started the
ball to rolling because the pub-
licity man quickly challenged
Mrs. Moore to have the local
MHS Band in Dallas for the last
game of the season between
Dallas and Oklahoma City. She
was told that if this could be
done that the club would declare
that night, "Wilcy Moore Night"
and both Wilcy and his home
town would be honored.
Last week as the word of what
was going on leaked out a
round town several local or-
ganizations begin to come up
with money to be used to send
the band to Dallas for the big
night. Finally the project was
the one good push needed in
the regular meeting of the
Lions Club yesterday. After
thorough discussion of what
plans had been made thus far
the Lions voted to take the job
of raising enough money for
the trip to be made possible
for every member of the MHS
Band.

Dick Hale Will Operate Local Dusting Service

In recent years throughout the
Southland a new business has
earned the label "important" in
the books of cotton farmers and
those planting other crops which
are plagued by insects each sum-
mer. That business is aerial in-
sect control.
This year several dusting ser-
vices have been offered to West
Plains farmers by pilots operat-
ing out of Muleshoe. The latest
arrival on the local scene is the
Hale Dusting Service, owned and
operated by Dick Hale.
Hale who is working in coop-
eration with the Muleshoe Co-op
Gin Company here, offers both
dusting and spraying services to
local farmers, using a new Piper
PA-15A.
Dick, a handsome young pilot
from Corpus Christi, Texas, has
been flying for ten years and
holds a clean record of "no acci-
dents." He now has eight years
experience as a dust pilot.
Born and raised on the Gulf
Coast, Hale still operates a farm
near Corpus Christi where the cor-
pus Christi were the early
years. The future to drop by the
early growing season makes it
possible for him to dust crops
in West Texas after his own har-
vest each year. He served in the
Navy during World War II, but
did not take up flying until af-
ter his discharge.
He plans to work with the Gin
here each season, and invites
those whom he hopes to be serv-
ing in the future to drop by the
office and get acquainted. He can
also be reached by calling 7940.
His ad appears on another page
of this paper.

Rebekahs To Have Concession Stand At Rodeo

Muleshoe Rebekah Lodge met
in regular session Tuesday even-
ing, with Nobel Grand, Mary
Thomas presiding.
After the business discussion,
the Rebekah Degree was con-
ferred upon T. W. Berry.
The hall was beautifully de-
corated with bouquets of dahlias
and gladiolus. Refreshments of
punch and cookies were served to
seventeen members.
Muleshoe Rebekah Lodge will
have a concession stand at the
rodeo, which is to be held Aug-
ust 18, 19, and 20. Each member
is urged to help.

Four Locals Win At Conchas Races

Muleshoe boasted four entries
in the boat races sponsored by
the Clovis Boat Club at Conchas
Lake Sunday, August 7, and all
four brought home trophies.
Bob Kimbrough placed third
in his class with a 14 foot fish-
ing boat, driven by a 25 hp. mo-
tor. Don Mickie Sanders' 14 foot
fishing boat, powered by a 40
hp. motor, finished second. H. A.
Douglass, Jr., claimed a second
place rating with his 13 foot
racing boat with a 40 hp. motor;
and Bill Barnett finished third in
the same class.

Devotion Given By Mrs. Moore At WSCS Meeting

Ladies of the Wesleyan Service
Guild of the First Methodist
Church met in general session,
Monday afternoon with Mrs. H.
Jay Weyer, president in charge.
Mrs. W. D. Moore gave the
devotion. She took her program
from the monthly program book,
Given proceeding prayer, the
theme of the program was, "Ex-
cept The Lord Keep The City."
Mrs. Clay Beavers and Mrs. Clara
Willman gave discussions on the
program.
One visitor, Mrs. Nora Step-
hens, mother of Rev. Clarence
Stephens, and twelve members
were present.
All officers and secretaries are
asked to please be present Mon-
day, August 15, in the church, to
make quarterly reports.
There will be no regular pro-
gram at this meeting.
Members are asked to keep in
mind the first quarterly lunch-
eon, which is to be held Mon-
day, August 15, at Fellowship
Hall.

Don Keith Briggs To Receive Degree

Don Keith Briggs, of Muleshoe,
is one of more than 320 Texas
Tech students scheduled to re-
ceive degrees at summer com-
mencement exercises, Friday, Aug-
ust 26, as announced by Presi-
dent, E. N. Jones. Don will re-
ceive a degree in Mechanical En-
gineering.
This year's exercises will be
held on the administration Build-
ing green, beginning at 7:15 p.m.
Commencement speaker will
be the honorable Waggoner Carr,
Lubbock member of the Texas
House of Representatives and a
member of the Texas Tech class
of 1940.
Crafts, nature study, ceremon-
ials, 4-H records, hikes, and a
game tournament among
the activities scheduled for the
camp.

Portales and Muleshoe Men Confer On Roads

Portales and Muleshoe men sat down yester-
day in the New Meico city to eat together and
discuss the general road situation of Eastern
New Mexico and the West Plains of Texas, con-
nections between the two communities, and in
particular, U. S. Highway 70.

George Hicks and Harroll
Griffiths, representing the high-
way and transportation commit-
tee of the Muleshoe Chamber of
Commerce, were joined by
County Judge Glen Williams and
Commissioner of Prec. 2 Woodie
Couch. On the Portales side were
some 12 members of the Cham-
ber of Commerce highways com-
mittee.
A spokesman for the local men
said: "We were cordially receiv-
ed by the New Mexico men. A
spirit of harmony and friendly
cooperation was evident through-
out the meeting."
It was understood representa-
tives of Bailey County, Texas,
and Roosevelt County, New Mex-
ico, went over the present net-
work of farm-to-market roads on

Col. Alsup Home After 3 Years In West Germany

Lt. Col. Hershel Alsup, Mrs.
Alsup and their son, John, are
back at home after a three
year tour of duty in West Ger-
many. They lived at Wurzburg,
Bavaria, where he was executive
office of the U. S. Army hospi-
tal.
The family traveled by train
to the French coast, where they
boarded the liner, United States
for the voyage home. Coming by
train from New York, they were
met by members of the family
here Wednesday at Clovis.
Col. Alsup has been in the
service 14 1/2 years. He gradu-
ated from Baylor U. in 1952, spe-
cializing in hospital administra-
tion. He will report Sept. 1 to
Madigan General Hospital, Fort
Lewis, Tacoma, Wash., as ex-
ecutive officer. He was pleased
that Brig. Gen. Wilson, a Texas
man whom he met in Europe,
simultaneously will become the
commanding officer of the hospi-
tal.
Hershel is a son of Mr. and
Mrs. J. L. Alsup and was raised
here. After an absence of three
years, he scarcely recognized the
town due to its rapid growth.
Old landmarks have given way
to modern buildings. Last night
it was sort of a family reunion,
with Mr. and Mrs. Lloyd Alsup,
Mr. and Mrs. Charles Alsup and
children, of Muleshoe, Mr. and
Mrs. Raines Sparks and children,
of Lubbock joining with the pa-
rents in making the returned
family welcome.

Marriage Told Dana, Freeman

Mr. and Mrs. Roy Dana, of
San Bernardino, Calif., are an-
nouncing the marriage of their
daughter, Gene Renea Carmen
Sylvia, to Mr. Hulan K. Freeman,
son of Mr. and Mrs. Hugh Free-
man, of Muleshoe.
Vows were exchanged July 1.

ASC Community Elections For 1956 August 15 Deadline For Voting In

All farmers and ranchers of
Bailey County are hereby advis-
ed that on August 15, 1955, an
election will be held for the pur-
pose of electing community com-
mitteemen and alternate com-
mitteemen for 1956. The ballot
will include the following who
have been nominated either by
committee or by petition:
"A" COMMUNITY
Carl Barnert, "Pete" Black,
Robert Byrd, Bill Gaede, Ross
Goodwin, M. D. Myers, W. Lewis
Scogins, James P. Wedel, and
Dick Willman.
"B" COMMUNITY
John Gunter, Sr., William M.
Harmon, Dargin Kirk, W. E. Lat-
imer, Garvin Long, Jack Lowe,
Homer Richardson, Truitt L.
Smith, Pete Tarilton, and Johnnie
Wheeler.
"C" COMMUNITY
Raymond H. Akin, Oscar S.
Bartley, Clarence L. Cannon,

Mrs. Self received many lovely gifts.

Attending were the honoree and Mr. Self, Mr. and Mrs. Hershel Arnold and family, Clovis.

Muleshoe FFA News

By WAYNE BRISTOW

Muleshoe High School's vocational agriculture teachers, Charles Thomas and Bill Bickle spent their time "on the go" last week attending the annual meeting of State vocational agriculture teachers in Dallas; then returning home in time to make the Swine Show at Lubbock.

Bickle and Thomas registered along with more than one thousand other ag teachers from all over the State of Texas when they arrived in Dallas on August 2. The different activities at the gathering of FFA sponsors took place in the Baker Hotel.

Each morning was spent in a general session where the teachers heard speakers of State wide interest discuss the problems facing the vocational agricultural teacher today. In the afternoon the groups from the individual parts of Texas met to work out the problems of their immediate area.

The four day meeting came to an end Friday at noon and the local teachers were home for the weekend.

Monday and Tuesday of this week was spent at the swine show in Lubbock, sponsored by the animal husbandry department of Texas Tech College, in cooperation with the West Texas Duroc Breeders Association, Texas Chester White Breeders Association, Panhandle Plains Poland China Breeders Association, and the Texas Swine Breeders Association.

With all the above organizations, whose prime interest is swine, connected with the event, one can begin to imagine the thorough program presented. The program got under way with registration in Aggie Auditorium at 8:30 Monday morning.

One of the outstanding speakers during the two day swine program was the secretary of the National Poland-China Record Association, C. W. Mitchell. His topic was, "Certified Hog Program," as he spoke at 1:15 Monday.

Another interesting feature of the show was a type conference at ten Monday morning during which several classes of swine were judged. The group gathered again at 1:45 Tuesday afternoon to view the carcasses of the animals they had judged previously.

The entire two day conference was evaluated Tuesday afternoon by Marvin Bridges, president of the Texas Swine Breeders Association.

From weeks such as this it can be seen that the teaching of vocational agriculture in West Texas schools requires a full twelve month schedule.

Mrs. F. W. Green returned home on Tuesday night, from Houston, where she has been some time with her relatives.

Mr. and Mrs. Lacy M. Hardage and son, Billy, are vacationing in Arizona.

The Claude Watkins family is spending some time in the northern United States and Canada.

FROM WHITEFACE
Mr. and Mrs. Forest Pittman, of Whiteface, visited Wednesday in the E. W. Johnson home.

TO WEEKEND HERE
Ida Crowley, of Slaton, will be here this weekend to visit in the Raymond Gaede home.

FROM HALE CENTER
Mr. and Mrs. Cecil Osborn and girls from Hale Center are visiting in the home of her mother, Mrs. L. D. Taylor of Texaco.

COTTON PROBLEM goes to White House, President Eisenhower and Secretary of Agriculture Benson (right) hear Senator George D. Coa, explain the need for a program to step up export sales of cotton and at the same time defend U. S. textile mills from unfair foreign competition. Dean of the U. S. Senate, the Georgia legislator led more than 100 ranking members of Congress to the White House to seek prompt action.

Bates Reunion Held In Lubbock
The Bates reunion honoring Mrs. Victoria Bates on her 82nd birthday, August 2, was held at the MacKenzie State Park, Sunday, July 31.

Those attending were two sons, Melvin Bates and family, Hooks; Alvin Bates and family, Pleasant Plains, Ark.; and four daughters with their husbands and families. They were: Mr. and Mrs. Tom Watson, Muleshoe; Mr. and Mrs. L. H. Calvin, Cache, Okla.; Mr. and Mrs. Roy George, Enochs; Mr. and Mrs. Josh Randolph, Lubbock; and Mrs. Elmer Hawkins, Sallane, Calif.

A host of grandchildren, great-grandchildren and friends, seventy in number, also attended.

One daughter, Mrs. Ruby Childress, of Phoenix, Ariz., was unable to attend.

A radio was presented to the honoree for a birthday gift.

SINGING AT NEEDMORE ASSEMBLY OF GOD
There will be a singing at 2:30 in the afternoon, Sunday August 14, at the Assembly of God Church at Needmore.

Lazbuddie News

By Jim Gordon

Mrs. J. W. Crim spent the latter part of last week in Amarillo attending the Camp meeting of her church. She returned home the last part of the weekend.

Richard Gordon is recovering from a tonsillotomy undergone in the West Plains Hospital and Clinic on Monday morning.

Mr. and Mrs. Bert Gordon and family spent Sunday in Brownfield attending the reunion of their folks. All of her brothers and sisters were there along with all accepting two of the grandchildren and one great grandchild. Mrs. Gordon's niece, Carol Brown, of Midland is spending a week with Alice Gordon.

Visitors in the Luther Ham home are three of his four daughters. Mrs. Jim Delmar and Jammie, of Lancaster, Texas; Louise Ham, of Odessa; and Minnie Paul Ham, who is at present in the home but attends Texas Tech in Lubbock.

Earl Peterson, Jr. was in the hospital in Muleshoe for two days last week while he recovered from a severe chest and head cold.

Mr. and Mrs. Gene Forrester, of route 3, are the proud parents of a baby girl, born in the West Plains Clinic and Hospital in Muleshoe, on August 2. The new arrival was named Darlene Estelle. This is the second child for the Forresters. Their first is a son, David.

Step in . . . and command the most modern truck power on any job!

New Chevrolet Task-Force Trucks

Seven new "high-voltage" high-compression valve-in-head engines!

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that does your kind of hauling best.

Shortest-stroke V8's in any leading truck! They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The result is less piston travel per mile . . . longer engine life.

Modern 12-volt electrical system! It delivers twice the punch for quicker cold-weather starting. It also provides a hotter, fatter spark for better ignition.

Come in and command the most modern truck power for your job!

Year after year . . . America's best-selling truck! **CHEVROLET**

Guess Who Lives Here

A FARM HOME of the Muleshoe and Bailey County territory is pictured above. It should be familiar to many of The Journal's readers. First person who gets his mail to the post office here, and first person who gets his mail on a route or at another post office correctly identifying this farmstead will receive two tickets to COX DRIVE-IN THEATRE. Phone The Journal, 7220 or 5400 and submit your guess, come to the office or mail a card.

John Gregg Of Nat'l. Cotton Council To Address Parmer County Farm Bureau

How a brighter future can be shaped for cotton, the nation's leading agricultural commodity, will be the topic discussed by John T. Gregg, West Texas representative of the National Cotton Council when he addresses a meeting arranged by Parmer County Farm Bureau, Friday, August 19 at 8:30 p. m. is the time and date set for the meeting in the Friona School Auditorium, according to Gilbert Kaltwasser, Farm Bureau President.

In a statement made in advance of his talk, Gregg said "Cotton has made tremendous strides in the past fifteen years. Since the National Cotton Council was founded in 1939, domestic consumption has gone up by 3 million bales a year. A virtual revolution has taken place in operating methods all the way from the farm to the mill. The cotton industry has built a new competitive power and a new confidence to push on to ever greater achievements."

The Council field representative warned, however, that efforts cannot slacken. "While

to increase the consumption of cotton and cottonseed products, both at home and abroad. To achieve that end, programs are devised to sell more cotton through advertising and promotion, to improve cotton quality through scientific research, to increase efficiency through modern farming, and to stimulate greater understanding of cotton's problems and the importance of cotton's place in the national economy.

Cotton has been waging a life-and-death competitive struggle for every market it holds. It has won more battles than it has lost. But the fight goes on. To win new victories, the programs which have already accomplished so much for cotton must have the continued support of the entire industry," he declared.

Mr. Gregg will illustrate his talk with charts and other visual aids. He will trace the full story of the Council's efforts to boost cotton consumption.

IT'S A GIRL!
Mr. and Mrs. Johnny Glasscock are the proud parents of a daughter, Jo Beth, who arrived at 2:10 p.m. Sunday, in Lubbock Methodist Hospital.

The young lady weighed 7 lbs. 10 oz.

Grandparents are Mr. and Mrs.

Euel Porter Sings At First Baptist

Euel Porter, one of the Southern Baptist Convention's most outstanding figures musically speaking, visited in Muleshoe over the weekend and sang at the local First Baptist Church during the morning worship service Sunday. Porter selected the solo, "The Holy City" for the service.

He and his wife Christine were the guests of Mr. and Mrs. Ray Griffiths, who have been close friends of the music director for a number of years. The Porters arrived here Friday night and left for their home in Abilene late Sunday afternoon.

Porter recently returned to Texas after directing the "Music Week" activities at the Southern Baptist Assembly at Ridgecrest, North Carolina. This week he will direct a music encampment at Lueders, Texas, then he will climax his busy summer schedule by directing a week of music in Atlanta, Ga.

For a number of years Porter has headed the music department at Hardin-Simmons University in Abilene, and directed music in Abilene's First Baptist Church. This year he will end his career with Hardin-Simmons and take a new position as head of the music department at Baylor University in Waco, Texas.

4H Boys Attend Dist. Encampment

A large group of Bailey County 4-H boys left Muleshoe Tuesday morning for Lubbock, where they are attending the district 4-H Encampment at the Lubbock Fair Grounds.

Furnishing transportation for the trip was Jack Little, adult leader of 4-H in the county, who took the boys in his new truck. J. K. Adams, county agent, also accompanied the boys.

During the three day encampment, Tuesday through Thursday, the boys will enjoy outdoor sports and other activities.

Making the trip were: Hansford Tunnell, Tom Byars, Duane Stevens, Wesley Warren, Jerry Dawson, Ross Langham, Jack Carney, Richard Goodwin, Burt Kitchens, Burl Mardis, Ronald Rogers, Mike Pollard, Norvell Roberts, Ronald Julian; Jerry Hutton, Gary Hicks, Don Cepley, Loyd Warren, Glenn Murray, Coy Mason, Larry Pollard, Curtis Pierce, Freddie Carter, Charles Latimer, John F. Cary, Kenneth Hastey, Kirk Holt, Rodney Blackwood, and Howard Pollard.

LEFT TUESDAY
Lee and Myron Pool left Tuesday of this week for a fishing trip to Crede, Colo.

HERE FROM FT. WORTH
Mrs. J. W. Ray and infant son of Ft. Worth, and Mrs. Clifford Brandon and children, of Chickasha, Okla., are visiting her sister this week, Mrs. Lee Pool.

FROM HEREFORD
Mr. and Mrs. Price Prather of Hereford, spent the past Sunday in the N. J. Matthesen home.

WEEKEND IN RUIDOSO

Scilla Mooney and Dorothy Lowery enjoyed the past weekend in cool Ruidoso, N. M.

TOURING COLORADO

Mr. and Mrs. Murl Wilson are spending their vacation, touring Colorado.

TO RUIDOSO

Mr. and Mrs. L. K. Dean and son Leland enjoyed a week's vacation in Ruidoso, N. M. last week. They left Muleshoe on Tuesday and returned Sunday.

THE MULESHOE JOURNAL, Thursday, August 11, 1955, Page 5

FROM OKLAHOMA

Mr. and Mrs. Gavinn Self of Oklahoma City, are visiting this week in the home of Mr. and Mrs. O. M. Self.

Sunday guests in the Self home were Mr. and Mrs. Hershel Arnold and family, of Clovis, N. M.

TO GRAND CANYON

Mr. and Mrs. W. A. Finn and son Don, and Darrell Lancaster, son of Mr. and Mrs. D. B. Lancas-

ter, will leave Saturday for a tour of Arizona, Nevada and California. Some of the points of interest they expect to visit are Grand Canyon, Las Vegas, and Los Angeles.

RETURNED TO DALLAS

Ginger Gaede returned to Dallas Sunday Afternoon after visiting here for a few days with her parents, Mr. and Mrs. Raymond Gaede and other relatives and friends.

For the FIRST Time...
"Powrdyne" Gas Engine with Diesel Strength...

CASE

"400"

America's Finest Tractor in the 50 h.p. class...

First modern tractor engine ever built basically as a diesel and then adapted to gasoline, LP gas and distillate is the Powrdyne engine of the Case "400." It has the same five-bearing crankshaft and extra-strong construction as the Case "400" Diesel. Powrdyne combustion chamber puts a new twist into gas turbulence, provides lugging power for hard pulls, economy at all loads. Come in and see the sturdiest-built, sweetest-running engine you ever saw in an easy-riding, easy-handling tractor.

ENJOYED TRIP

Mr. and Mrs. Roy Hogan and daughter Myra have just returned from what they termed a very enjoyable trip. They visited in Spearman with their daughter and son-in-law, Mr. and Mrs. E. J. Calloway and family, then went to Liberal, Kans., where they visited friends. Returning by way of Shamrock, they visited a niece who was ill, then went into Oklahoma, where they visited in Mangum, Hollis, Granite and Altus.

Mr. Hogan reported that it rained on them nearly every where they went, and that crops, as a whole, were better everywhere this year, that she had seen in a good many years.

SEIDS TOUR SOUTH

Mr. and Mrs. John Seid and their son Bobby recently returned to Muleshoe after making a ten day trip through the Southland, beginning with a tour of East Texas and Oklahoma, the Seids vacation finally carried them as

HURT IN ACCIDENT

Mr. and Mrs. Jim Guinn, of Friona, and their two daughters were injured in an automobile collision near Hereford Saturday afternoon. Mr. Guinn is a brother of Allen Guinn of Muleshoe. The four were released from Hereford hospital after examination and treatment.

They also visited such interesting spots as Biloxi Miss., and New Orleans, La.

On their return trip the Seids stopped to visit with Mrs. Seid's brothers, Dr. L. P. Ferguson, of Ft. Worth, and O. W. Ferguson, of Dallas.

Vows Exchanged In Baptist Church Unite Miss Middlebrook, Lt. McCain

MRS. HARRY MCCAIN

(Photo by Cline Cain, of Gladewater.)

In an impressive ceremony at the First Baptist Church, Sunday afternoon, August 7, at 3:00 o'clock, Miss Wanda Middlebrook and 2 Lt. Harry McCain, Jr., were united in marriage. Parents of the bride are Mr. and Mrs. W. L. Middlebrook of Muleshoe, and the groom's parents are Mr. and Mrs. H. W. Mc-

embossed organdy over white taffeta. The full skirt stemmed from a waist designed with puff sleeves and sweetheart neckline. Her fingertip length veil of illusion fell from a tiara of seed pearls, and she wore elbow length gauntlets. Her bouquet of a white orchid and stephanotis, was carried atop a white Bible.

Mrs. B. B. Bittition, of Dallas, was her sister's matron of honor. Her ballerina length gown of blue embossed organdy over taffeta, was made identical to that of the bride. She carried a colonial bouquet of pink gladiolus and pink carnations.

Bridesmaids were Mona Ellen Wilhite and Mary Ford, of Morton. Their gowns of pink embossed organdy, were identical to that of the bride and matron of honor. They also carried colonial bouquets of pink gladiolus and carnations.

L. S. Grantham, of Gladewater, served as best man. Groomsmen were Wayne Bristow and Billy Ellis.

Candles were lighted by Mona Ellen Wilhite and Mary Ford, and ushers were Wayne Bristow and Billy Ellis.

L. S. Grantham, soloist, was accompanied at the organ by Miss Karolene Towns as he sang, "Because", "Saviour Like A Shepherd Lead Us", and "The Lord's Prayer". Miss Towns also rendered the traditional wedding marches.

RECEPTION FOLLOWED:

Immediately following the ceremony, a reception followed in the dining hall of the church. As guests arrived, they were registered in the bride's book by Robbie Richardson, of Seminole.

Covered with a cloth of white lace over pink, the serving table was centered with bouquets of bridal attendants. The three tiered wedding cake was topped with a miniature bride and groom. Punch and cake were served by Velta Gillis and Jean Montgomery.

Following a honeymoon thru the southern states and points of interest in Florida, Lt. and Mrs. McCain will make their home in Schoctawhatchee, Fla., near Pensacola and Elgin AFB, where he is stationed. Mrs. McCain will teach in the Schoctawhatchee High School this fall.

The bride is a graduate of Sulphur Bluff High School and ETSC, and was a teacher in the Muleshoe High School last year. Prior to his enlistment in the Air Force, Lt. McCain graduated from ETSC and attended one year at Southwestern Hechnological Seminary, at Ft. Worth.

Out of town guests attending the wedding ceremony included the grandparents of the bride, Mr. and Mrs. Ben Hayslip, of Commerce; her aunt, Mrs. R. W. Stewart, Lubbock; her brother-in-law, Bob Bittition and son Robbie, Dallas; and Mr. and Mrs. Leslie Trawick, of Lubbock.

Deborah Toten Feted On Her 2nd Birthday

Deborah Lynn Toten was feted with a lawn party on her second birthday, August 8, at her home. Mrs. Toten served cake and ice cream to those present for the occasion.

Attending were: Theresa Toten, Jennie Owens, Brenda Kimbrough, Kathy Gaede, Jana Beth Logan, Karen and Deborah Sue Parks, and Mmes. Bob Kimbrough, Bill Gaede, and H. T. Toten.

Unable to attend, but sending gifts were: Mrs. T. R. White, Cliff White, and Rhonda Bland.

Winsome Class Met In Barron Home August 1

Mrs. Lela Barron hosted members of the Winsome Sunday School Class of the First Baptist Church in her home last Monday evening, August 1.

During the business session, the president appointed committees to select the new officers for the coming year, and Mrs. Prewett brought the interesting devotional.

Refreshments were served by the hostess following the business meeting.

The following ladies were present: Mmes. Prewett, Jennie Bell Phillips, Dorothy Barron, Oneta Sedgewick, Dorothy Rae Harlan, Mildred Redwine, Frances King, and Helen Lee.

Chicken Fry Is Being Planned At Needmore

Residents of the Needmore and Baileyboro communities are invited to attend a joint chicken-fry, Thursday, August 18. Time has been set at 7:00 p.m., and the community club house is the meeting place.

Everyone is invited to attend. Each family is asked to bring a chicken, a covered dish, cake or pie, and silver.

Sponsoring the occasion is the Home Demonstration Club.

Bailey Co. F B Queen Contest To Be Held Friday Evening, August 12

Eight Bailey County lovelies will compete for the crown of Bailey County Farm Bureau Queen, in a contest to be held tomorrow evening, Friday, August 12, at 8:00 o'clock in the High School Auditorium.

They are: Gail Arnn, Kay Cole, Doris Ann Fields, Kay Willman, Jay Carney, Bettie Moore, Marcia Dale Redwine and Paula Griffiths.

Miss Arnn is the daughter of Mr. and Mrs. J. G. Arnn, of the Goodland Community. She is eighteen, and was a freshman last term at Texas Tech. Her major is Business Administration.

During her school years at Three Way High School, she was chosen, "Miss ThreeWay High" and in her junior and senior years, was all-around player on the Girls Basketball Team.

Marcia Dale Redwine will be a junior student in Muleshoe High School this fall. She is 5' 6 1/2", has auburn hair and blue eyes. She is FHA president, student council historian, and takes an avid interest in all sports.

Her parents are Mr. and Mrs. J. L. Redwine.

Miss Cole's parents are Mr. and Mrs. Cecil Cole of the Three Way community. She is sixteen years of age, and will be a junior in Three Way High School, when the fall term begins. In '54, she was "Football Sweetheart". She is head majorette in the high school band, and last year was secretary of the sophomore class.

Miss Willman is the daughter of Mr. and Mrs. Dick Willmon, will be a senior in Muleshoe High School this fall. She is a majorette in the high school band. Standing 5' 2", Kay has black hair and hazel eyes.

Jay Carney is the daughter of Mr. and Mrs. Roy Carney. Blonde haired and blue eyed, Miss Carney is an outstanding 4-H Club worker in the county. She was first place winner in the recent Bailey County Dress Review, and is an apt horsewoman, having performed and won prizes in several area rodeos.

Bettie Moore will be a junior this year in Muleshoe High School. She is sixteen years of age, and is the daughter of Rev. and Mrs. A. E. Moore of the Three Way Community.

Miss Fields, sixteen year old daughter of Mr. and Mrs. R. L. Fields, will be a junior in Muleshoe High School this year. She has black hair and blue eyes. Last year, she was chosen by Bailey County 4-H boys, as their sweetheart, and went on to win the District Sweetheart Contest. She is an active worker in the Order of Rainbow for Girls in Muleshoe.

Bailey County's queen will be awarded \$50. for formal attire to be worn in the district contest to be held at Lubbock in September. The two runner-ups will receive \$15 each.

District winners will receive an expense paid trip to the State Convention in November, and the State Farm Bureau Queen and her matron escort will be allowed \$500 expenses to the American Farm Bureau Convention in Chicago, Ill., in December. The remaining twelve district queens will receive beautiful wrist watches.

Miss Kay Cole, last year's Bailey County Farm Bureau Queen, will crown the girl who is elected queen this year.

Musical entertainment will be furnished throughout the evening, and following the contest, there will be a watermelon feast behind the high school auditorium.

Everyone in the county is invited to attend this contest and watermelon feast, and support the girl of their choice. At this writing, judges for the contest had not been selected.

District Governor, Nelson, To Visit Local Lions Club

District Governor W. T. "Dub" Nelson, of Childress, will visit the Muleshoe Lions Club in its regular meeting next Wednesday, August 17.

Nelson, who is employed by the Morton Company, has been given a year's leave of absence with pay, by the company so that it would be possible for him to serve the Lions Clubs of this

area, as District Governor. At the present time he is touring District 2-TI and meeting with each of the clubs in the district.

For a number of years Nelson has served in many offices in Lionism. Last year he held the office of Deputy District Governor, and received his promotion to the office which he now holds this year.

MORRISONS TO CALIF.

Mr. and Mrs. D. L. Morrison Sr., left Tuesday afternoon for Fort Ord, Calif., to visit their son Billy Joe who is in the First Infantry Division stationed at Fort Ord. They will return the first of next week.

TEETER'S SWEET SHOP IS REOPENING TODAY

Reopening of Teeter's Sweet Shop, located on Ave. E. across from Bovell Motor Supply, is reopening for business today. Mr. and Mrs. Walter Teeter, after a nice long summer vacation are back on the job, making their now famous donuts, home baked pies, ect.

The Teeter's have a nice, clean little shop, and they thoroughly enjoy having people visit them.

FROM LITTLEFIELD

M. O. Wilson, of Littlefield, spent Sunday visiting in the home of Mr. and Mrs. R. C. Cline.

Three Way Schools To Open Aug. 29

August 29 has been set as the opening date for the Three Way Public Schools.

An assembly of all parents or students in the school will precede the opening of the '55-'56 school term. The parents will gather at the school at 3 p. m., on August 23, to inspect improvements which have been made in the school plant this summer and to be given the plans for the coming school year.

A list of the faculty and the assignment of teachers will be completed at a date in the near future, says superintendent of schools, Archie Sims. Details concerning registration will also be released soon.

Youth Revival Is Scheduled At The First Baptist Here

Each night this week "cottage prayer meetings" have been conducted in homes in and around Muleshoe in preparation for the youth led revival meeting which will begin this Sunday, August 14 at the First Baptist Church, and run through August 21.

This week of prayer will be climaxed with an all night "prayer chain" which will begin Saturday night and end Sunday morning.

Evangelist, Charles Osborn, and singer, Tommy Dempsey will arrive here Monday and will start their work in the campaign in the Monday evening services.

An invitation is extended by the church, its pastor, E. K. Shepherd, and especially the young people of the church to everyone to join in the services each morning at seven a. m., and each evening at eight p. m. Coffee and doughnuts will be served at 7:30 each day following the morning services.

There will be prayer meetings according to age groups preceding the evening services at 7:30 p. m.

FURNITURE SIGNS OF THE TIMES—A giant chaise lounge, five feet in diameter, was a show stopper at the recent Southwest Furniture Market in Dallas. This lounge and other king-sized upholstered furniture are expected to be shown in Southwestern furniture stores in months to come. More and more extra-large furniture is being manufactured to meet consumer demand for greater seating capacity in television-equipped rooms. And, as the attractive model shows here, there is plenty of room for more than one person on this lounge manufactured by the Davis Upholstering Company, Inc., of Fort Worth. The fabric is tan matelasse nub.

Bailey County Delegates Report On State HD Club Meeting At Ft. Worth

Mrs. S. C. Caldwell reported this week on the State Home Demonstration meeting, which she and Mrs. Ruby Jane Batchelor, attended in Ft. Worth last week, as delegates of Bailey County.

The two ladies left Lubbock last Tuesday morning on a chartered bus, along with thirty-four ladies from District 2. Mrs. Caldwell was a hostess on the bus. The first stop was at Seymour, where the group enjoyed a chicken dinner.

Following their arrival in Ft. Worth at 9:00 a. m., Tuesday, Mrs. Caldwell and Mrs. Batchelor acquired their room on the fifth floor of Hotel Texas, and as they had that evening free, went window shopping.

The meeting, which was held on the fourteenth floor of Hotel Texas, got underway Wednesday morning, with a welcome address by Bill King, manager of the Ft. Worth Chamber of Commerce. His address was followed by an interesting review of the book, "Women of the Bible," by Mrs. Dean, Woman's Editor of the Ft. Worth Star Telegram. The book, which is to be published in the near future, was written by Mrs. Dean.

and in cotton production, which is made up of 18 counties. This district also contains one of the largest producing oil fields in the state.

On Thursday afternoon, workshops were conducted. Mrs. Caldwell reported that she attended the workshop on "Health and Safety," and Mrs. Batchelor attended the "Recreation" workshop.

Dr. Johnson Whitaker, of the Texas Extension Service, gave an interesting talk Thursday evening on "Better Cornmeal and Grits." Also, an interesting talk on highway safety, was given by Captain J. B. Carlyle, of Austin.

Friday, the closing day of the meeting, the business session was held. During this session, plans were made for work during the coming year, and Mrs. Bonnie Cox, of the Extension Service, reviewed the highlights of the meeting.

"Health In Three Dimensions" a talk by Dr. Aubrey Gates, Field Director of the American Medical Association, closed the meeting.

The ladies returned home Friday afternoon.

Wesleyan Guild Presented With A Certificate At District Meeting

Mrs. Clafence Stephens hosted members of the Wesleyan Sunday School Class of the First Methodist Church in her home, Monday evening of this week.

Meeting opened with each member repeating her favorite passage from the Bible.

During the business hour, Mrs. Ray Edwards gave an interesting report on her recent trip to Lubbock, where she attended the School of Missions. A report was given by Mrs. M. M. Slemmons, Clyde Bray and Fred Johnson, on their trip to Ceta Canyon and the District Guild Meeting, July 23 and 24. Mrs. Johnson, president of the class, presented the Guild with a certificate of recognition, which she received at the meeting.

Fifty Guilds were represented at the district meeting, and Mule-

shoe was one of twenty, who received the certificates. To meet the requirements, the guilds had to complete all thirteen goals set forth at the first of the year.

Devotional was given by Lois Schoenberger, who closed with a prayer. Program was presented in an interesting manner by Mmes. Jim Burkhead and Francis Gilbreath.

Mrs. Johnson read a poem to close the program. Guild members voted to assist the Philathea Circle and W. S. C. S. with the County Fair, an annual affair, which will be held later this year.

Next meeting will not be held on the regular date, which would be August 22, due to the fact that family night has been planned for the evening of August 24. A meeting place has not yet been

decided upon for the September 12 meeting.

Refreshments were served to three visitors, Mrs. Nora Stephens, Linda Stephens and Patricia Butts, and a returned member, Mrs. Walt Colbert.

Others members enjoying the refreshments were Elizabeth Harden and Mmes. Lois Schoenberger, S. D. Slemmons, T. M. Slemmons, Clyde Bray, Ray Edwards, Fred Johnson, Francis Gilbreath, Gilbert Lamb, Buford Butts, Jim

Burkhead and Opal Thompson.

ATTENDED REUNION
Mr. and Mrs. Jack Lenderson and Kay, Mr. and Mrs. S. O. Workman and family, Mr. and Mrs. W. B. Fowler, and Mrs. W. T. Fowler, attended a family reunion in Littlefield over the weekend at the home of Ivan Fowler.

Miss Middlebrook Shower Honoree

A bridal shower honoring Miss Wanda Middlebrook, bride elect of 2-Lt. Harry McCain Jr., was held last Tues. evening from 7:00 until 9:00 o'clock, in the lovely home of Mrs. Horace Blackburn.

In the receiving line was the honoree, her mother, Mrs. W. L. Middlebrook, and Mrs. D. L. Morrison, Sr. Guests were registered in the bride's book by Miss Mary Ford of Morton.

Pink and pale green, chosen colors of the honoree, were carried

out in decorations and appointments. Centering the serving table was a beautiful bouquet of pink gladiolus, and a miniature bride and groom.

Refreshments of punch and cake were served, and guests were escorted to the den in the Blackburn home, where the many gifts were on display.

Approximately twenty-five guests called, and many who were unable to attend, sent gifts.

Willing Workers Discussed Mission Work At Meeting

Willing Workers Sunday School Class of the First Baptist Church held their regular monthly session at the home of Louise Wilson early this week.

Devotional was brought by Wilma Davis.

Mission work for the coming year was discussed, and a committee for nominating officers for the year was appointed.

Refreshments were served following the business to: Mmes. Lida Wilhite, Lena Thomas, Eva Alsop, Lucille Harp, Wilma Davis, Melba Phipps, and Grace Young, by the hostess.

ATTENDED MEETING
Mr. and Mrs. Morris Nowland and family, and Mr. and Mrs. Harvey Bass and family, were in Andrews Saturday and Sunday attending a Primitive Baptist Association.

They reported a good meeting.

An Automatic Gas Water Heater

1. Costs less to buy
2. Costs less to install
3. Costs less to maintain
4. Costs less to operate

INSTALL an automatic water heater in your home on which you can rely—naturally... it will be GAS. Day in and day out you can always rely on an automatic Gas water heater to give you plenty of hot water... safely... dependably... and economically. The fast recovery of a gas water heater enables the modern homemaker to wash load after load of clothes in her automatic washing machine without waiting for water to heat. See your gas appliance dealer or master plumber and ask him to install a dependable water heater in your home.

MINIMUM RECOMMENDATIONS FOR NORMAL HOT WATER REQUIREMENTS

Insects Reported Light In District

District Agent, Weldon H. Jones reports that weather conditions have been favorable over the area for growth and fruiting of cotton during the past week. While fruiting was generally satisfactory some very rapidly growing cotton was slow in setting squares.

Aphid infestation increased in many fields throughout the area. While some cotton showed reductions in populations due to increased beneficial insect activity, other fields had sufficient infestations to show honeydew on plants. Control applications have been made in limited areas.

Damaging fleahoppers infestations were reported in some fields of late planted cotton. In practically all cases such populations were found on cotton where insecticides had not been used. Bollworm activity increased somewhat over last week. Heaviest infestations were reported in Dawson, Garza, Howard, Martin, Mitchell, Terry and Scurry Counties. Infestations were sufficient to require control in a number of fields in Crosby, Cochran, Hale, Lubbock and Swisher Counties. Since bollworm moths are appearing in larger numbers in cotton fields and since conditions are favorable for development of the insect, frequent checks should be made for presence of eggs and small worms. As damaging infestations develop, good control can be secured when plants are thoroughly covered with proper dosages of recommended insecticides.

Lycus bugs were found in light to occasional fairly heavy infestations on cotton in Bailey, Deaf Smith, Floyd, Garza and Lamb counties. The insects were generally found in greater numbers on cotton near alfalfa. Cabbage loopers appeared in

tion and growth. Another, sulfanilamide one of the wonder drugs slows down an insect's metabolism.

None of the experimental chemicals act as insecticides, which are almost immediately deadly to insects. But in some instances, the larvae-to-adult development period is being extended so as to prevent maturity. One of the most interesting of these experiments concerns the development of the house fly. Some flies have a resistance to DDT. Against others, the insecticide is still effective.

Experiments have proved that in the cases of the DDT-resistant flies, the growth-stunting chemicals are more effective than with those flies that are non-resistant. Therefore, stunting chemicals pick up where DDT leaves off. The chemicals used in these fly larvae-development tests is piperonyl butoxide, a non-toxic compound which appears to be one of the most promising of all the experimental drugs. By adding this chemical to other insecticides, tests indicate that larvae development can be markedly reduced.

In the case of DDT-resistant flies, only 3 per cent of the resistant flies became fully developed whereas 16 per cent of the normal flies survived.

Testing Soil Is First Step In Improvement

COLLEGE STATION, August 10 — The chemical laboratory with its test tubes, machines and expert technicians is needed by the farmer to secure for him information which can be used to increase yields and returns from farming.

The soil testing laboratory is needed for diagnosing the ailments of unproductive soils, especially, if the trouble comes from a lack of plant food in the soil. M. K. Thornton, extension agricultural chemist, reports that last year 9,415 soil samples were handled by the laboratory which he directs for the Texas A. & M. College System. "Too few of the state's farms and ranches are represented by this number," says Thornton. Right now he advises farmers who will soon be planting their fall grains, legumes and winter pastures to submit soil samples.

Several days are required to complete the laboratory work on a sample; analyze the results and write up the recommended practices and fertilizers (if needed). Improving moisture conditions over the state give promise for planting conditions far above those of past year, says the specialist and greatly enhance the chances for a successful fall and winter growing season.

The report from the laboratory will show the amount of organic matter in the soil; nitrogen (computed); soil reaction; available phosphoric acid; available potash; available lime and soluble salts. Thornton's recommendations will cover such items as the kinds and amounts of fertilizers needed for particular crops and cropping practices.

Finally, Thornton makes this suggestion. If you need information on how to take soil samples or mailing directions, visit the county agent in your county. Chances are good he can show you demonstrations on what soil

larger numbers in many fields throughout the area. In most cases infestations were not sufficient to warrant control.

Hog Prices May Go Lower Yet

COLLEGE STATION, August 10 — Texas hog prices in early July were more than \$6.00 per hundred under those of a year earlier. Indications now point to slightly lower prices when the spring pig crop begins to move to market, says C. B. Bates, farm management specialist for the Texas Agricultural Extension Service.

He reports there is little chance for the market to hold during the fall and winter months ahead because of the increase in the 1955 spring pig crop.

The spring pig crop in the nation was up nine per cent over last year and three per cent above the 10-year average. In Texas the increase was 22 per cent above 1954 and hog production was expanded in all areas of the state.

Here are suggestions from Bates on meeting the expected price decline. Full fed hogs to be marketed as soon as possible; testing has been worth to other farmers.

plan to market at 1800 to 2000 pounds rather than at heavier weights; give consideration to selling some of the pigs as feeders if prices are favorable; avoid marketing unfinished hogs—discounts are heavy; if grain is needed, buy at harvest time and store to capacity of storage facilities; sell old sows and replace with good gilts and improve the quality of the breeding herd.

The one bright spot at the present time, says Bates, is the prospect for good corn and grain sorghum crops in the state. This heavy supply of grain may maintain the present corn-hog ratio—now around 13. Most likely, he says, grain prices will rise somewhat above support levels following harvest.

Bales Elected To National Angus Association

Douglas and Eunice Bales of Muleshoe, have been elected to membership in the American Aberdeen-Angus Breeders' Association at Chicago, announces Secretary Frank Richards.

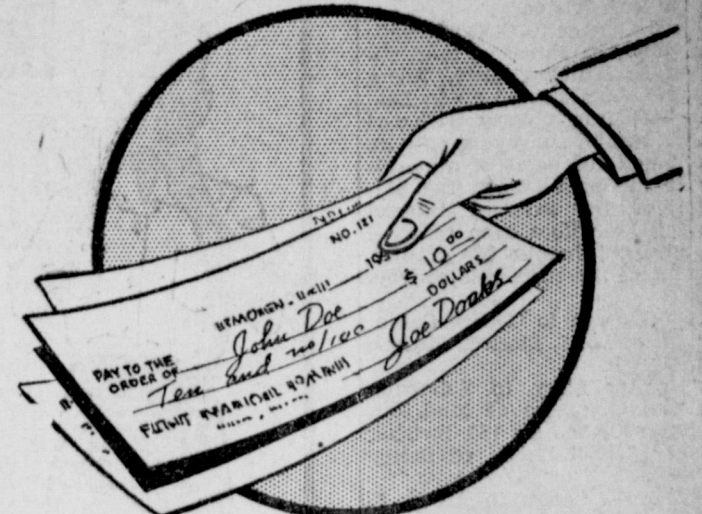

The Bales were among the 43 purebred Aberdeen-Angus breeders from Texas elected to membership during the past month.

Cecil Henson Named Supervisor For Farmers Home

As of August 1, 1955, Cecil P. Henson was assigned County Supervisor of Bailey County for

Farmers Home Administration to replace Arch T. Fowler. Mr. Henson came to Muleshoe from Perryton, Texas where he was employed with F. H. A.

Mr. Fowler was promoted to area supervisor and will headquarter at Muleshoe. Mr. Fowler will service Muleshoe, Littlefield, Plainview and Floydada units.

STUNTING INSECT GROWTH
Still another new weapon is being perfected in man's continual war against harmful insects. Texas and U. S. D. A. entomologists are studying effects of chemicals which inhibit the normal development of insects by slowing down their growing processes. This is a new and unique approach which shows early chances of success.

1955 Texas Tech Schedule

Sept. 17—University of Texas... at Austin (N)
Sept. 24—Texas Christian... at Lubbock
Oct. 1—Oklahoma A&M... at Stillwater
Oct. 8—Texas Western... at El Paso (N)
Oct. 22—Univ. of Houston... at Houston (N)
Oct. 29—West Texas State... at Lubbock (N)
Nov. 5—U. of Arizona... at Lubbock (H)
Nov. 12—University of Tulsa... at Tulsa
Nov. 19—College of the Pacific... at Lubbock
Nov. 26—Hardin-Simmons U... at Lubbock

TEXAS TECH COACHES—Coach DeWitt Weaver (left), seeking a fourth Border Conference title in five tries, confers with his assistants, (from the left) Bud Sherrod, Wyatt Posey, Dee Andros, Beattie Feathers, and Buzz Warren.

Texas Tech's Red Raiders open with two Southwest Conference foes in facing probably their toughest schedule in history this fall.

University of Texas, whose Longhorns have never lost an opener in Memorial Stadium, will be the Raiders' opponent in Austin Sept. 17, a night game. Just a week later, Sept. 24 DeWitt Weaver's Raiders must play dark-horse Texas Christian University in Lubbock.

No breathers are to be found on the card. Two terrific obstacles to the Raiders' winning their 11th Border Conference championship in 17 tries will be the best Texas Western and University of Arizona teams in those schools' histories.

Besides Texas and TCU, the Raiders' non-conference slate includes tough Oklahoma A&M, re-building Tulsa and Houston, and College of Pacific, best independent on the Pacific Coast. Conference games are with Texas Western, West Texas, Arizona, COP, and Hardin-Simmons.

In Tech's own Jones Stadium the Raiders face TCU, West Texas State, Arizona (homecoming), College of the Pacific, and Hardin-Simmons. To see these five games, a record-breaking number of fans, 7,000 are buying season tickets.

Jimmie Wilson, business manager of athletics, is still selling season tickets, at \$15.25 each. Mail orders should be accompanied by an additional 25 cents to cover mailing charges.

WELLBORN TAKES ADVANCED COURSE IN HAIR STYLING

Curtis Wellborn returned Saturday from Ft. Worth where he completed an advanced course in hair styling and cutting under Vernon Isbell. His ad will be found on another page of this issue.

FARMER COUNTY Farm Bureau News

By RAYMOND EULER

"If you are true to number one, God; And to number two, your fellow man; And to number three, the company for which you work; You need never worry about number four — You."

Investigators for the United States Department of Labor paid us a visit last week. They suggested we urge you farmers who may need Mexican laborers this fall, to come in and apply for approval by that department now, while it is convenient. Then, when you need a crew, we can get them for you on short notice. It takes about eight days for your application to be approved.

It looks like the Queen Contest will be better than ever Friday night. The number of entries is smaller than last year, because the committee thought it might work out better that way. If it doesn't they'll probably accept forty entries again next year, as they did last year. Twenty will probably be the number this time. You won't want to miss the show. It's free.

Johannesburg, South Africa imposes a fine of \$2,800, 10 years in jail, or both upon persons convicted of drunken driving. We rather doubt if there is much DWI in Johannesburg.

A county wide National Cotton Council meeting will be held in the Friona Auditorium Friday night, August 19. Farm Bureau Directors has scheduled this meeting for the new Bovina Auditorium, but it won't be ready by then.

Rhxa Farm Bureau and Home Demonstration Club people had to postpone their meeting, to have been held at the Floyd Schlenker farm last Friday night. It rained. But you can be sure they'll all be on hand when the next date is announced.

Another Farm Bureau Victory on the national legislative angle was realized when Congress hiked the limit for sales of surplus commodities to foreign nations under Public Law 480 from \$700 million to \$1.5 billion. An effort to gain exemption on these products from preferred cargo legislation was unsuccessful, however. (Foreign ship lines are allowed to furnish transportation for products they buy on no more than 50% of their purchases).

Consider This: He that oppresseth the poor to increase his riches, and he that giveth to the rich, shall surely come to want. Proverbs 22:16.

Mr. and Mrs. M. D. Gunstream are new residents of Muleshoe, coming here from Memphis, Tenn. They have two sons, Danny 11, and Tommy, 8. They are members of the Methodist Church. Mr. Gunstream is vice-president of the new First National Bank here.

CHRISTIAN SCIENCE SERVICES God's inexhaustible goodness and abundance will be brought out in the Lesson-Sermon entitled "Soul" which will be read in Christian Science churches on Sunday.

Bible passages will include the admonition of Christ Jesus with regard to man's sustenance: "And seek not ye what ye shall eat, or what ye shall drink, neither be ye doubtful of mind. For all these things do the nations of the world seek after: and your Father knoweth that ye have need of these things. But rather seek ye the kingdom of God; and all these things shall be added unto you" (Luke 12:29-31).

Also emphasizing the importance of looking to Soul, God, rather than to mammon for happiness, a correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (60:29-31): "Soul has infinite resources with which to bless mankind, and happiness would be more readily attained and would be more secure in our keeping, if sought in Soul".

BABSON DECLARES—

Mental Health and Vacations

Gloucester, Mass., Aug. 11—According to statistics, one out of every ten U. S. citizens will sometime be in a mental hospital. About one-half of our hospital beds are at present occupied by such cases. Probably every reader of this column has some relative or friend so afflicted.

MOST OF US ARE A LITTLE "CRAZY"

Most doctors believe that some drug may be discovered to cure mental disorders. For years, India's doctors have made a drug from "snakeroot". Now doctors are experimenting with a drug called L. S. D. This is made from a fungus which grows upon rye. I understand it is related to ergot, which many women have depended upon for years.

Perhaps many not now in hospitals should take chlorpromazine, reserpine, or some other to be taken only on the advice of a physician, because we are all unbalanced on some one or more subjects! With many people it is money, with others it is sex, with others it is abnormal ambition, or pride, or fear. If we all obeyed the Tenth Commandment (Exodus 20:17), there surely would be fewer "break-downs". The fact is that those who are unbalanced about a majority of things, or about the more unpopular things, are called insane!

AN UNSOLVED QUESTION

A few days spent by me at the Gravity Research Foundation at New Boston, N. H., makes me wonder if gravity may be a factor in causing people to be unbalanced. Certainly if I were considered so afflicted, I would try different locations, climates, and altitudes; that is, to change the gravity pull on my brain. Some brains are surely more sensitive to gravity than the brains of others.

Here is an unsolved question which psychiatrists are asking: "Why is it that some people can go to the edge of a high building without any discomfort or sense of danger, while other people are sorely tempted to jump off? Two persons cannot necessarily withstand the same gravity pull. When a person jumps out of a high window of a hotel, is he truly insane or merely exposing an abnormally sensitive brain needlessly to a dangerous gravity pull?"

WHAT ABOUT THE MOON?

I find that the Gravity Foundation has many evidences showing the effect of the moon on the brains of hospital patients. There seems to be a correlation between "full" or "no moon" periods and accidents, fires, and even crimes. Druggists will tell you that their sales of sedative pills (such as phenobarbital) vary with the phases of the moon. Since the "full moon" can lift millions of tons of water to cause "high tides", it must have an effect on certain sensitive human brains, which consist mostly of nerve tissue and water.

Why is it that vacations do some people so much good this time of year? Why do those who feel most in need of a vacation find it necessary to "take a trip somewhere"? The answer may be that they need a change in their gravity pull. Taking a trip to some different place may be for them like coming down to the ground from the roof of a high building. Perhaps your brain is strong enough so that you can take your vacation resting at home; but perhaps not.

PERSONALITY OF RELIGION Personally, I believe that the main reason for the present increase in mental upsets, heart and other troubles, is the decrease in Sunday observance, family prayers, and practicing the Golden Rule. Newspapers tell how church "attendance" is increasing; but this is mainly a symptom of tension from or a reaction of careless living. It should help prevent nervous breakdown, but is no cure of itself.

I forecast that when doctors finish their studies of insanity, heart diseases, aching limbs, ulcers, and many other ailments, they will conclude that Jesus is truly entitled to be called "The Great Physician". Instead of taking pills, it may do our health more good to sit quietly alone for half an hour a few days each week in an "Open Church". For detailed free information thereon, address Open-Church Association, 58 Middle Street, at Gloucester, Mass., where I am now enjoying my vacation.

Today's Meditation

Read II Corinthians 6:16-18 Glorify God in your body, and in your spirit, which are God's (I Corinthians 6:20.)

The Apostle Paul, in his First Epistle to the Corinthians, emphasizes the importance of glorifying God in the body as well as in spirit. Too frequently we neglect, or totally forget, the

SAND HILLS PHILOSOPHER ENDORSES— Big Industrialist's Idea Of Taking Off And Doing Nothing But Loafing

Editor's note: The Sand Hills Philosopher on his Johnson grass farm thinks he has found a man who thinks like he does, his letter this week reveals:

Dear editor: When a man has his own opinions confirmed, it makes him feel good.

I read in a newspaper last night about a big industrialist who has turned his resort home over to a bunch of big brains for two weeks of meditation and loafing, and right now they are up at his place, taking things easy and thinking.

The newspapers seemed to think this was unusual and news worthy, but I'd like to point out it's the system I've been using for years out here on my Johnson grass farm.

As I understand the deal, this industrialist invites a bunch of scientists, business men, professors, etc., to come out to his place and just loaf. He doesn't assign them anything to think about, just lets it develop. His contention is that if you turn some good minds loose and let them pursue their own course with all the leisure they want, something is bound to result.

I believe he is absolutely right, and I have clipped the article out of the paper and have pasted it on the wall, to explain my absence during plowing weather to my wife.

However, there is one flaw in his system. He invites the brains to come out and think for a couple of weeks. It's not long enough.

It takes a lifetime. Thinking is not something a man can decide he will do between 10 and 10:30 each morning, or for two weeks in the summer. It's something he has to stay with pretty close, day and night, week after week, right through one crop season and in to another. A man who lets his work get in the way of his thinking, ain't thinking hard enough.

But this industrialist has the right idea, he doesn't expect anything definite and positive to come from the thinking session. Wholeness of body and soul which Paul emphasizes so clearly. As Christians, we acknowledge Christ as our spiritual Master in all things.

To function most effectively as Christians, we as individuals must care for the physical as well as the spiritual side of living. Good health, which Jesus restored to so many, is a goal which is not possible for all of us. Nevertheless we must do the best we can and regard our broken, pain-racked bodies as temples in which and through which to glorify God. Good living habits, moderation in diet, exercise within our limitation, and relaxation—these will help us function most effectively for the Master. "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?"

PRAYER Teach us, our heavenly Father, the importance of taking care of Thy temple that this stewardship, which Thou hast given to each of us, will not be neglected. Strengthen us to do Thy holy will, to glorify Thee in body and in spirit, which are Thine. In Christ's name we pray, Amen.

THOUGHT FOR THE DAY What daily living habits can I change to improve my physical and spiritual health? Robert E. Van Demark (South Dakota)

That's the way it ought to be. Lots of times I've spent the whole day thinking and when my wife asks, well, what came of it, what conclusions have you arrived at, I have no answer. There are some thoughts so profound they can't be expressed, and they're the safest kind to deal in.

Yours faithfully, J. A.

HUGE EXPANSION SEEN

Production of Atomic Power For Peace Uses Expected To Exceed Imagination

(The following is the sixth of a series of seven articles disclosing the highlights and sidelights which have accompanied the nation's development of atomic energy. Prepared at the Hanford atomic energy plant, the series deals with the human things which followed in the wake of the first historic announcement that man had harnessed the atom. It touches upon the things which lie ahead.)

BY BILL JURY

General Electric News Bureau Hanford Atomic Plant

In the industrial world of the next decade, radiation from the widespread use of radioactive materials for peaceful purposes may exceed by tens of millions of times the worlds present supply of radium.

But radiation hazards on any foreseeable scale are controllable, according to one of the nation's foremost experts on radiation, and eventually workers should be able to protect themselves from "normal" radiation in an atomic plant just as they now guard themselves from acids in other industries.

Dr. Herbert M. Parker, General Electric company scientist at the Hanford atomic energy plant near Richland, Washington, has said that people working in future power plants or factories using radioactive materials easily can be protected from external radiation. Harm from radioactive materials deposited inside the bodies of human beings also can be prevented, but this may involve imposing excessively high safety standards, at least until some of the present unknowns have been solved.

Dr. Parker, who has been working on radiation protection ever since the beginning of the nation's atomic efforts 12 years ago, points out that the atomic energy industry was spawned in safety—at the expense of considerable investment in radiation protection. Safety precautions at the plutonium-manufacturing works at Hanford by necessity are all-encompassing, and some of the protective clothing worn by employees are grotesque and weird by today's fashion standards. But much of the paraphernalia

Safety Campaign Getting Results

The summer-long Slow Down and Live traffic safety campaign is achieving good results in spite of the heaviest traffic volume in the history of transportation, according to William M. Greene, chairman of the National Conference of State Safety Coordinators, sponsors of the 101-day highway safety program.

According to virtually complete figures released today by J. O.

Musick, coordinator, there were 403 traffic fatalities over the 78-hour July Fourth weekend accounting for 3.8 percent increase over the 394 deaths experienced during the July Fourth weekend last year. These figures are based on reports from all 48 states and the District of Columbia.

Fatality results for Memorial Day and July Fourth, the two holidays encompassed thus far in the 1955 program, show a slight increase of only seven-tenths of one percent over the same period last year.

"This small increase is particularly gratifying in view of our tremendous increase in traffic volume this year," Mr. Greene said. "If we can continue to hold our fatality experience to this level we can count the 1955 Slow Down and Live campaign a success measurable by several score living human beings."

By regions, the July Fourth results showed a 4.2 percent reduction in the mid-west and 3.1 percent reduction in the south central area of the United States over last year's experience. The southwest area held even and there were increases of 10.4 percent in the far west and 29 percent in the northeast section.

Fourteen states made substantial reductions. They were led by North Dakota and Vermont which reduced fatalities 100 percent. Other states with decreases were Nebraska, 83.3 percent; Arizona, 72.2 percent; Montana, 66.0 percent; West Virginia, 60.0 percent; Florida, 54.5 percent; Delaware, 50.0 percent; Texas, 50.0 percent; Ohio, 40.9 percent; Indiana, 40.0 percent; Michigan, 38.8 percent; Wisconsin, 36.3 percent and Alabama, 21.4 percent.

There were no deaths in Vermont, North Dakota or the District of Columbia, and seven states held exactly even: Connecticut, Maryland, New Hampshire, Rhode Island, Kentucky, Mississippi and Oklahoma.

Commenting on the record for Texas, Coordinator Musick said: "Although the record for Texas is incomplete covering traffic fatalities during the Fourth of July holidays, we estimate that a substantial reduction will have been effected over the same period last year."

FROM ODESSA William Otte, of Odessa, was visiting Sunday in Muleshoe with friends, and attended church services Sunday morning at the Church of Christ.

Only Pontiac DELIVERS ALL THESE CLEAR-CUT ADVANTAGES!

THERE'S NO POWER LIKE STRATO-STREAK POWER! Here is the heart of Pontiac's terrific performance—the all-new, ultramodern Strato-Streak V-8! This masterpiece of engine design will deliver up to 200 horsepower with Pontiac's 4-barrel carburetor, an extra-cost option. Get behind the wheel and see what Pontiac Strato-Streak power really means!

SUPERIOR BEAUTY—Here's one advantage you can spot as far as you can see! Pontiac's smart combination of Twin-Streaked hood and Vogue Two-Toning is generally acknowledged to be the major style advance of the year. SUPERIOR PERFORMANCE—The Strato-Streak V-8, too, sets this car apart from any other. It is the industry's most modern engine—filled with "firsts" that pay off in 200-horsepower* action and the greatest thrift in Pontiac history. SUPERIOR SIZE—There's 124 or 122 inches of road-leveling wheelbase under Pontiac's spacious Body by Fisher. And that means a solid sense of security not surpassed by any car. SUPERIOR HANDLING EASE—There's extra security, too, in the lightning response of Pontiac's brakes, steering and acceleration. Even parking is a pleasure with action like this.

SUPERIOR COMFORT—What's your idea on this score? Big, soft seats? Ample shoulder and leg room? A cushioned ride? Regal luxury? That's Pontiac comfort and it won't be topped by anything on the road. Yet a Pontiac fits any new-car budget! Find out how little it takes to join the swing to Pontiac. *with 4-barrel carburetor, an extra-cost option. Pontiac PONTIAC'S GREATEST YEAR... THE STATE OF TEXAS COUNTY OF BAILEY KNOW ALL MEN BY THESE PRESENTS: THAT WHEREAS, under date of the 16th., day of December, A. D. 1954, a partnership was made and entered into by and between Robert D. Benefield and Gerald G. Green, to conduct a business under the firm name of "B AND G, GROCERY" as a retail grocery store in Muleshoe, Bailey County, Texas, and WHEREAS, it is now the desire of the said partners to dissolve the said partnership by mutual consent, and for the said Gerald G. Green, to purchase the interest of the said Robert D. Benefield, for the amount of \$1560.00, and WHEREAS, the said Gerald G. Green is to assume all debts of the business now existing as of this date, including any debt on the fixtures, stock, merchandise, etc., and WHEREAS, all debts owed by the said partners individually shall be paid individually and shall not now or in the future be an obligation of said business, and WHEREAS, a notice of this agreement shall be published in the MULESHOE JOURNAL, Muleshoe, Texas, as required by law. NOW THEREFORE BE IT RESOLVED, that we, Robert D. Benefield and Gerald G. Green, do by these presents dissolve the partnership heretofore existing by and between them under the firm name of "B AND G, GROCERY," Muleshoe, Texas. BE IT FURTHER RESOLVED, that from this date forward, said business shall now be owned by Gerald G. Green, individually, as the said Gerald G. Green has paid the amount above stipulated to the said Robert D. Benefield, receipt of which is hereby acknowledged and confessed by the said Robert D. Benefield, and be it further resolved that the said Gerald G. Green assume the debts of said business as hereinabove stipulated, and the said Robert D. Benefield herein quit claims any interest that he has by virtue of said partnership to the said Gerald G. Green, his heirs and assigns forever. WITNESS OUR HANDS IN TRIPPLICATE, THIS 10th., DAY OF AUGUST, A. D. 1955. Robert D. Benefield Gerald G. Green THE STATE OF TEXAS COUNTY OF BAILEY BEFORE ME, the undersigned authority, in and for Bailey County, Texas, on this day personally appeared Robert D. Benefield and Gerald G. Green, both known to me to be the persons whose names are subscribed to the above and foregoing instrument and each acknowledged before me that they signed the same for the purposes and considerations therein expressed. GIVEN UNDER MY HAND AND SEAL OF OFFICE, THIS 10th. DAY OF AUGUST, A. D. 1955. Karl L. Lovelady Notary Public Bailey County, Texas seal

Marilyn Gupton Writes The Journal This Week From City Of Rome, Italy

Miss Marilyn Gupton, foreign correspondent for The Journal, writes us this week from a far-away place, which at one time or another, all of us have dreamed of going: Rome, Italy. Her article this week concerns a mode of travel she highly recommends to those traveling abroad, especially young people.

Hosteling through Europe is a completely different way for young people to travel, as compared with that in most sections of the United States. However, in the Eastern part of our country, where distances are decidedly shorter, the opportunity for cheaper and more extensive travel, by means of hostels, is available to young wanderlusts.

The English and European hostels were originally set up for young people, who were traveling by means of cycles or hiking. Now motor vehicles, such as motorcycles are allowed, and hostellers may travel by auto in some countries. However, automobiles are forbidden in Holland and Germany.

Many American students traveling through Europe take advantage of this less expensive and popular mode of travel, and stay in hostels. A bed for one night, plus breakfast, usually costs around 70c in American money. Facilities for buying and preparing your own food are available in most hostels, provided you have your own cooking and eating utensils. Sleeping sacks, (consisting of two sheets sewed together), are required and can be rented in most hostels; however, it is advisable to have your own personal sleeping sack. Blankets are provided by the management.

Bathing facilities in hostels have been a constant source of curiosity as we stop each time. They may be the kind we found in Hawick, Scotland, where bathing water had to be pumped by hand, and drinking water was found in a spring several hundred yards from the hostels. One large hostel in London had hot running water.

In many of the areas which were bombed during the war, hostels have been rebuilt. For instance, the hostel in Freiburg, Germany, is constructed along new modern lines. Many of the older hostels have been converted from large, two and three story homes, chateaus, or castles. Arcen Dinur, at one time a castle on the banks of Lock Lomand, Scotland, is now the world's largest hostel, with facilities for 300.

We have enjoyed staying in the hostels in small villages and out-of-the-places, where in some cases the upper floors of private residences have been set aside for travelers. In these homes we gained the opportunity to observe European home life. In Genral, Belgium, a few kilometers from Brussels, we were pleasantly surprised when the warden, (who spoke only French) finally made us understand, through gestures that we were welcome to use her washing machine. To us, this was a welcome offer, since we find it is a job to keep our clothes clean, while traveling constantly.

In order for hostel facilities to become available to us on this trip, we had to become members of The American Youth Hostel Association. Our membership cards, which cost us \$3, entitle us to stay in any hostel affiliated

MAJORETTES LEAD THE WAY TO FAIR — Four South Plains high school majorettes add color and beauty to the cover of this year's Panhandle South Plains Fair catalogue which has been mailed to more than 3,000 persons. The young "cover girls" are, left to right: Ann Shropshire, 17, daughter of Mr. and Mrs. H. H. Shropshire, Rt. 1, Tokio, a senior at Brownfield High School; Linda Fent, 15, daughter of Mr. and Mrs. I. Carolyn Hatch, 13, daughter of Mr. and Mrs. Ed Hatch, Lamesa, a student at Lamesa Junior High School; and Kay Dunlop, 16, daughter of Mr. and Mrs. M. W. Dunlop, Route 2, Lubbock, V. Fent, Star Route 3, Olton, a junior at Olton High School; a junior at New Deal High School. The Fair will be held in Lubbock from September 26 through October 1.

Rainbow Assembly Invited To Tea

Muleshoe's Order of Rainbow for Girls met the past Thursday evening in the Masonic Hall, for a business meeting.

Petition of Magann Lamb was read, and an invitation was read from the Floydada Assembly to attend a Friendship Night and Salad Supper there, August 22.

Amarillo's Pala Duro Assembly has invited the Assembly here to attend a tea honoring Miss Melba Jo McNeil, Grand Faith, from 3:00 to 5:00 p. m., August 14.

One visitor attended the meeting. She was Mickey Jo Mills, of Brady.

with the International Youth Hostel Association.

This mode of travel is an excellent way to meet other young people of the various countries. I definitely recommend it as an economical and interesting way to travel abroad.

Initiation will be held at the next meeting, August 18, for Carolyn Scott.

Bobby Robinson Party Honoree

Bobby Robinson was honored on his fourteenth birthday, Friday evening, with a surprise party at the Howard Elliott home.

Following games and dancing, the group enjoyed ice cream and cake.

Guests were Jim Pat Patterson, Max King, Johnny Johnson, Arthur Splawn, Joe Gross, Charles White, Mona Shafer, Melba Johnson, Wanda Chitwood, Shirley Lane, Pauline and Sandy Bristow, and Roberta Elliott.

VISITS LAST WEEK

Mr. and Mrs. Nowell Banks and daughter, Mrs. Mark Overton and children of Chickasha, Okla., visited last week in the Kenneth Bristow home.

ATTENDED FUNERAL SERVICES MONDAY

Mr. and Mrs. Horace Blackburn and her mother, Mrs. A. C. Bray, returned home Tuesday, where they attended funeral services for his father, Mr. A. M. Blackburn, of Durant.

Mr. Blackburn passed away Friday evening, and funeral services were held at 10:00 a. m., Monday morning. He is survived by his wife.

TO CAMP MARY WHITE

Mr. and Mrs. Howard Elliott traveled to Camp Mary White, near Ruidoso, N. M., over the weekend, where they picked up their daughter, Quineil, who has spent the past month at the camp.

TO HOUSTON

Mr. and Mrs. Vance Wagon and daughter, Mrs. Charles Mayhugh left Sunday for Temple, where he stayed to go through the Scott and White Clinic, while Mrs. Wagon and Mrs. Mayhugh went to Houston.

RETURNED HOME

Butch Jeter, son of Mr. and Mrs. Bill Jeter, of Springdale, Ark., visited four days this week in the home of his grandparents, Mr. and Mrs. Bill Collins.

VISITORS FROM ARKANSAS

Mrs. Virgie Jeter, daughter Mary Beth, grandson Butch Jeter and Gwen Turbyfield, and Mrs. Earlene Howard, and son Tim, of Springdale, Ark., visited here the past weekend with relatives and friends.

VISITED BROTHER

Mr. and Mrs. Wiley Baker and children and Greta Venible, visited last Thursday, Friday and Saturday in Farmington, N. M., with Wiley's brother, J. M. Baker and family.

ATTENDED SINGING

Gerald and Betty Curtiss were dinner guests the past Sunday in the Wiley Baker home. During the afternoon the Baker family and Mr. and Mrs. Curtiss attended the singing service at the Lariat Church of Christ.

HERE FROM HAMILTON

Mr. and Mrs. Curtis Humphries and daughters, Glida and Betty of Hamilton visited here last weekend with Mrs. Lou Green.

LOOKING AFTER PROPERTY

R. H. Garvey of North Cowden, was here this week looking after his property interests near Muleshoe.

ATTENDED SERVICES

Buck Wood was in Sentinel, Okla., over the weekend, where he attended funeral services for his step-sister, Mrs. Raymond Rielling. Services were held at 2:30 p. m., Saturday.

SPENT EVENING WITH MOTHER

Mr. and Mrs. Charles Julian and family, Ft. Worth; Mr. and Mrs. Elvie Julian and family,

Bayleyboro; Mr. and Mrs. Dan Thomson and family, Bayleyboro; Mr. and Mrs. Jack Julian and children, Muleshoe; Edith Witt and sons, Eddie and Todd, and Mrs. A. C. Scarbrough, of Muleshoe, spent an enjoyable evening last week in the home of Mr. and Mrs. N. J. Matthiesen. Ice cream was served.

WE'RE TRADING HIGH, WIDE - and then some!

So-you get a triple bonus in today's top-selling Buick

1 Bonus Trade-In Allowance
— biggest in our history

2 Bonus Buy

— because Buick is the thrill of the year in style, power, performance, value.

3 Bonus Resale

— because a Buick always resells high — brings you more money when you trade it in

Bonus Beauty in Hardtops

Even the new hit in hardtops—the 4-Door Riviera—is included in our profit-sharing bonus deals today. Shown here is the low-price Buick SPECIAL, 6-Passenger, 4-Door Riviera, Model 43. Also available in the supremely powered CENTURY Series as Model 63.

YOU can come in right now on a Buick dividend distribution that's like money in the bank for you. And a look at the nation's new-car sales figures will tell you why.

This year, Buick is doing far better than just outselling all cars in America except the two most widely known smaller ones. This year, Buick sales are soaring past every high-water mark in the book—past 600,000 cars—and we're still going strong.

So we're declaring an extra dividend—for you. On top of the long trade-in allowances we have been making all year, we're adding a profit-sharing bonus allowance.

But you'll be getting a lot more than a great deal. You'll be getting a great car—the hottest-selling Buick in history.

You'll be getting Buick's far-in-advance

styling, Buick's mightiest V8 power, Buick's highly envied all-coil-spring ride, Buick's extra size and room and comfort and solidity of structure. And you'll be getting the performance thrill of the year—Variable Pitch Dynaflo*—the switch-pitch transmission that's taken the country by storm.

Come in today and see for yourself that there's never been a car like this before—and never a deal so easy to make.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick—

Biggest-selling Buick in History!
