"I wholly disapprove of what you say but will defend to the death your right to say it."—Voltaire.

Volume 38

Tahoka, Lynn County, Texas, Friday, September 26, 1942

Number 7

## Crowd Attends 6-County Food, Feed Meeting

A large number of visiting officials from neighboring counties and also a large number of Lynn county farmers and housewives attended the Food and Feed Defense meeting held in the American Legion Hall here Monday, and the published program was carried out largely as scheduled.

Miss Lida Cooper, district H. D. agent, who was to have spoken in the morning, did not arrive till noon and spoke only briefly late in the afternoon.

District Farm Agent K. J. Edwards, E. R. Eudaly of the A. & M. College Dairy Extension Service, and Miss Mattie Phenix, H. D. agent of Dawson county, were forenoon speakers.

Following lunch, Geo. McCarthy, Extension Poultry Specialist, Miss Allie Mae Tipps, new home supervisor in the F. S. A. office here, A. L. Smith, Extension Animal Husbandman, County Agent Don Turner, and Mrs. Pete Hegl of Tahoka, all had places on the program.

These discussions were said to be very fine and were greatly appreciated by the farmers and farm women of this county who were in attendance.

This meeting was financed by the Tahoka Chamber of Commerce, and the meats and all the more expensive foods used in the demonstrations were purchased from merchants. Some of the less expensive foods were furnished by home demonstration women, and all the foods were prepared by the women for use in these demonstrations.

A few, we understand, missed this meeting by reason of an error that appeared in this paper last week. Inadvertently the News stated that

(Continued on Back Page)

## Football Team Is Guest Of Rotary

The football boys of the Tahoka High School were the guests of individual Rotarians Thursday at the Rotary Club luncheon, and the principal speaker was "Stony" Wall of Lubbock, who discussed some of the new rules governing the game of football. The affair was arranged by Houston Spikes, and W. T. Hanes was program chairman for the day.

Mr. Wall, is well known as a college football referee, and possibly nobody in all this section of the state is more familiar with the rules, new and old, than is he. His talk was enjoyed very much by the boys and all football fans present.

The members of the team were introduced one by one to the club.

Preceding this, four high school girls sang two of the latest songs, one relating to the President's latest Fireside Chat, which were much enjoyed. Mrs. Marcus Edwards was the piano accompanist.

A number of other visitors were present, including J. M. Marshall and R. R. Adams of New Moore and Wells communities, Burton Hackney of Brownfield, Judge Louis B. Reed of Lamesa, and Coaches Leo Jackson and Hope Haynes.

Announcement was made that Ladies Night will be observed next Thursday night at the school gymnasium. School teachers and members of the school board will be special guests. The ladies are expected to leave their evening dresses and other finery at home, as the occasion will be strictly informal.

There will be no meeting of the club at the noon hour Thursday.

## Mrs. Rollin McCord's Father Dies Suddenly

Mrs. Rollin McCord received a telegram about noon last Saturday bringing her the sad and surprising information that her father, J. P. Lavoie had just died. He lived at Newmarket, New Hampshire. It is presumed that he suffered a heart attack, as he apparently was in good health a few weeks ago while Mrs. McCord was visiting there.

Surviving are the wife and nine children, all of whom with the exception of Mrs. McCord reside at Newmarket or in New York City. On account of the great distance, Mrs. McCord did not undertake to attend the funeral services.

## Tahoka High School Band Is Outstanding Music Organization

Tahoka High School's band, nattily dressed in uniforms of Royal blue and white, is one of the most colorful bands on the South Plains. The 1941 band, pictured above, consists of 41 members, largest it has ever been. As a feeder, there is also a junior band, and a Band Parents organization takes an active role in the band activities. John Hamblen is director.

## Knot Hole Gang Organized Here

Members of the Tahoka Rotary Club and the local schools are sponsoring a "Knot-Hole Gang" for grade school boys between the ages of 9 and 13.

This newly organized club will meet once a week in the grade school building under the supervision of John Kirkwood, grade school teacher.

Approximately 40 boys attended the first meeting Wednesday afternoon at the grade school building. Members of this organization will be admitted to the football games free if they live up to the rules and regulations set up by the sponsoring organizations.

"Knot-Hole Gang" members will be encouraged to attend Sunday School at some church each Sunday. Their school work will be expected to be average and their citizenship will be required to be above average.

The purpose of this organization is to create a desire in the members to be better citizens in their home, school, town and community.

## Merchants Visit Grassland People

A large number of Tahoka business men went out to Grassland Thursday night to meet with the people of that community in a social gathering at the school auditorium. Luncheon was served by the women of the Home Demonstration Club at Grassland.

Each Tahoka business man was supposed to have some citizen of the Grassland community as his guest at the luncheon.

This meeting is in progress as this issue of the paper is being published and it is impossible therefore to give a fuller report.

It was one of a series of such meetings being sponsored by the Tahoka Chamber of Commerce, one each month.

Leonard Craft was called to San Angelo Saturday night by the serious illness of his father, who was in a hospital there suffering from an attack of heart trouble. His father's home is at Blackwell. He left the father improving.

## New Tahoka Citizen

GARNIE ATKISSON

## New Minister For Church Of Christ

Elder Garnie Atkisson and family expect to arrive from Portales, New Mexico, today, the minister to begin his services immediately as minister for the Church of Christ here. His family consists of a wife and one child, a daughter.

Elder Atkisson has been making his home at Portales for many years. He attended Abilene Christian College two years, and comes to Tahoka well recommended. He succeeds Elder M. V. Showalter of Abilene as minister for the church here, Elder Showalter having recently resigned on account of the distance from Abilene being too great for him to make the trip weekly.

Elder Atkisson and family will occupy the Ward Eakin residence in Northwest Tahoka.

## WILSON TEACHERS HAVE FISH FRY

The teachers of the Wilson public schools staged a fish fry in the lunch room in the school building Monday night. It was just a social occasion and no program was rendered.

County Superintendent Lenore M. Tunnell was an invited guest.

Mr. and Mrs. J. L. Roddy and son were here from Pluvanna last Friday and Saturday visiting his uncle, H. L. Roddy, and family.

## Three Prisoners Carried To Pen

Sheriff B. L. Parker returned Wednesday night from Huntsville, where he had taken three prisoners and turned them over to penitentiary officials. These were prisoners who had been recently convicted in the district court here. They were Ivey Johnson, who was convicted of forgery and sentenced to two years in the penitentiary; C. L. Eggleston, also convicted of forgery and given two years; and L. J. James, colored, convicted of the burglary of the First National Bank of O'Donnell and given five years in the pen.

Mr. Parker returned by way of Austin, where he had business with the Comptroller's Department. He reports that he saw H. C. Story, formerly of Tahoka, who is one of the auditors in that department, and Eugene Upshaw, formerly of Belton, who always make inquiry of his old Bell county friends now residing in Lynn county.

## Three Youths Called By Draft

Three Lynn county youths are scheduled to leave Monday morning for the training camps under the Selective Service Act according to Mrs. Lois McMahon, secretary of the draft board.

These are John Carson Gable Jr., son of Mr. and Mrs. J. C. Gable of Tahoka, whose order number is 429; Harold Thomas Gibson, son of Mr. and Mrs. W. R. Gibson of O'Donnell, whose order number is 530; and Yourin Thomas Nolen, son of Mrs. Kate Nolen of Tahoka, whose order number is 534.

Another call has been issued for six men from Lynn county to be inducted on October 15. No selections to fill this call had been made up to Thursday morning.

## RED CROSS WORK

The Red Cross workers will have an all-day meeting each Tuesday for sewing and knitting, according to Mrs. H. L. Roddy, the supervisor. She also calls attention to the fact that the Red Cross sewing room is open each work day in the week, including Saturday.

Your participation in this work of love will be appreciated.

## English Is Opening Theatre Tonight

### Warning Is Given On Wheat Planting

By C. A. Lawrence, Secretary Lynn County AAA

With good season in the ground, many farmers will wish to plant some small grain for winter grazing. As wheat is a special allotment crop, a farmer who does not have a wheat allotment cannot seed pure wheat for winter grazing. Farmers who do not have wheat allotments may sow a wheat mixture composed of not to exceed one-half wheat with at least one-half barley, rye, or oats. This may be grazed through the winter and if we have a seasonable spring may be harvested for feed provided the barley, rye, or oats does not freeze out and comes on and matures with the wheat.

Farmers who persist in sowing pure wheat for grazing where a wheat allotment has not been established for their farm will be given some wheat allotment which will probably cause a downward reduction in the cotton allotment for the farm.

Wheat allotments, when once established, are not so easily gotten rid of. The allotment will apply to the farm until the crop is not seeded for three successive years.

We are very much concerned about farmers not abiding by this regulation about the sowing of small grain for grazing.

### Man Burned When Gasoline Explosion

While pouring gasoline from a can into the tank of a tractor out on the Marvin Hinkle farm in the Edith community about nine o'clock Thursday morning, Dorman Gandy spilled a little of the gasoline onto the hot exhaust pipe, whereupon it exploded throwing the burning gasoline practically all over him and causing injuries of the most painful and serious nature.

Dorman had sufficient presence of mind to throw himself on the ground and roll over and over until the fire was extinguished. Then he walked to a field a half mile away where a son of James Fenton was working, who took him to the Fenton home in his automobile, and B. L. Rudd hurried with him from there to Dr. Prohl's office here.

There is was found that his left side and his left arm and hand had been deeply burned. Much of the skin had been sloughed off. There was also a severe burn on the ankle of the left foot and a few minor burns on the left leg.

It was believed, however, that the injuries would heal satisfactorily under the physician's treatment.

Young Gandy, who is only 20 years of age, was operating a tractor and row binder attached, and was alone when the accident occurred.

### PAUL HEDRICK OPERATING LOCAL SERVICE STATION

Paul Hedrick, son of Mr. and Mrs. A. P. Hedrick of Redwine, is now operating the City Park Service Station. He invites his friends and others to visit him at his place of business.

### New Ada Show Is Among The Best In West Texas

The New Ada, West Texas' newest theatre, has its opening tonight (Friday) with the presentation of "Navy Blues," a brand new picture, especially selected for this opening, outstanding in stars and comedy features. This will be the first showing of this picture in West Texas.

The New Ada is one of the "swellest" motion picture theatres in all this section of the state. In every respect it is "tops." Equipped with the most modern sound equipment, new screens, new draperies, new lights, new seats, new carpets, the New Ada is one of the most elegant, most comfortable, and most satisfying show houses to be found anywhere.

One new feature that Mr. English is delighted with, is the new "love seats" at each end of the main tier of seats. These are each 30 inches, or a seat and a half, wide. They are to be found in none but the newest theatres but are being installed in practically all of these. Mr. English says that theatre people everywhere declare that these seats are proving to be exceedingly popular.

New neon signs have been installed at the front and a new cooling system at the rear.

It is expected that a great crowd will be here tonight to witness the opening event.

The Old Ada has been permanently closed. The English will continue to operate as heretofore.

### Tahoka Scouts In Honor Court

A court of honor, attended by other impressive ceremonies, was conducted at the Scout Hall in the W. O. W. building here Monday night. Scoutmaster A. R. Milliken was assisted by former Scoutmaster W. A. Reddell, Carl Griffing, and Claude Donaldson.

Edwin Jolly was given the award of Eagle Scout, the first time this honor has been conferred upon a Lynn county scout so far as the records show. It denotes a degree of learning and accomplishments in scouting that it attained by only a few scouts.

Bobby Ray Scott was advanced to first class and Bobby Ray Fuitts to second class. About ten other scouts received merit badges.

Among the coolful events at the meeting Monday night was the lighting of the council fire in the Council Ring on the grounds just north of the Hall. This fire was produced by the combustion of chemicals of variegated colors and was very beautiful.

The new council ring itself was christened Council Ring Good Citizenship.

An event of moral significance was the digging of a hole at the edge of the ring, in which the Boy Scouts figuratively cast all evil habits, and then a bridge was built over this hole into the council ring. One of the stringers for the bridge was laid by Carl Griffing and the other by Claude Donaldson; then the Boy Scouts themselves laid the floor.

A number of the parents of the boys were present to witness the proceedings but scout leaders say that the crowd of spectators was disappointingly small, indicating a lack of interest and of support of scouting in Tahoka by the people of the town generally. They earnestly crave this support, since they feel and know that the principles inculcated by the Scout organization are so wholesome and so helpful to the boys of Tahoka.

Mr. and Mrs. Alvin Dean of Hamlin were here over the week-end visiting their daughter, Mrs. Coy Fielder, and family. They were accompanied by another daughter, Mrs. D. O. Gray, and her husband, who live at Rotan.

## Tahoka Plays Lockney Tonight

A rapidly improving Bulldog football team which lost its first game to Class AA Lamesa 33 to 0, but, in spite of the loss of four men from the squad came back last week to take the flashy Andrews team 24 to 12, will meet the strong Lockney Longhorns on the Tahoka gridiron tonight at 8 o'clock.

Lockney comes here fresh from victory over the Canyon Eagles last week, 7 to 0. Though the Longhorns have only four lettermen back this year, as do the Bulldogs, too, that team is always one of the better Class A teams on the Plains. In fact,

there has scarcely been a time in the last ten or twelve years when Lockney was not a title threat in its district, 4-A.

Tonight's game promises to be a spectacular affair, as both teams are expected to show offensive power. Tahoka's squad has been improved to some extent by the addition of Buster Driver and Leland Mitchell. They will not start the game, but have given strength to the squad.

Last Friday night, in Tahoka's first home game of the season, Coach Leo Jackson's bunch were a vastly improved team over the one

that met Lamesa. Jackson used his entire squad, and many of the boys starred. Powerful drives by Cecil Curry, deceptive running by Duane McClintock and James Wells, a long gallop or two by "Hoss" Wells, and the heads-up quarterbacking and drives by "Sonny" Roberts, coupled boys, Jim Bob Curry, and a half with the line play of the Harvick dozen others proved too much for the Andrews Antelopes.

Andrews was not without its flash of power, however. Late in the first half, the visitors found a weakness in Tahoka's defense and pushed over

a touch. Late in the second half, with much of Tahoka's second string in the line-up, the Antelopes ran wild again to score. Roy Hinkle, a tackle, playing his first game as a backfield man, was a threat to Tahoka every time he took the ball, as were also fleet-footed Leo Barnes and J. A. Fowler.

Andrews brought her crack band, and Tahoka's colorful blue and white musical organization joined the visitors to add much interest to the ball game.

You can't

OIL QUALITY

You know it's tough to tell oil quality by looking at it. You can't even test it very quickly.

That is why, when you are buying a lubricant to protect your motor-car investment, it is so important to rely on the good name of the oil and its maker.

Millions of motorists know from experience that Phillips 66 Motor Oil is a lubricant with a good name, backed by a great name.

Yes sir! Phillips 66 is the name to remember when you make the regular 1,000-mile replacement, or put in lighter oil for the winter.

**Interesting Iceland Facts Revealed**

Due to its recent occupation by American military forces, Iceland is in the spotlight just now. Mrs. J. M. Scott of this city has received a copy of her old home town paper which carries a most interesting and informative letter from one of the soldier boys in Iceland. He thinks it is remarkable how the Icelanders have borne up under this sudden intrusion of so many "foreign" soldiers. In fact, he thinks they are most remarkable people in many ways.

Iceland was settled a thousand years ago by the Danes. The original stock has remained practically pure through all the years. The population now is about 100,000. Reykjavik, with a population of 20,000, is the chief seaport and the capital. It has a University as well as an Agricultural and Mechanical college.

Everybody in Iceland goes to school, it is declared, and there is not a person on the island more than seven years of age who is illiterate.

Women have equal rights with men in practically every respect. Female children take the name of the mother. The people are much more strict than Americans in observing their social and moral standards, but they have a sort of trial marriage. There is no double standard of morals, however.

The cultural and commercial life of the nation is molded more along the lines of the United States than of any European nation. Shell gasoline, Dodge automobiles, Kayser hosiery, are in general use. Much of the purchasing is done through cooperatives.

The Icelanders have had an effective Parliament for over a thousand years. They have a representative form of government similar to ours, and democracy in Iceland is as firmly established as it is in the United States.

The only native animals of Iceland are the fox and an occasional polar bear. But the early settlers introduced two animals which have become the very center of Icelandic life, the horse and the sheep. Wool is the principal product, much of it being exported. Horses are still used for field work and as draft animals, but we are not told what crops are raised, with the exception of fruits and hothouse vegetables. The lands in the valleys, however, are said to be exceedingly rich.

Naturally in that far northern latitude, the days are long in summer, while the sun scarcely gets above the horizon in mid-winter.

Naturally also the people are blondes. There are fewer ugly women in Iceland than anywhere else on earth, the writer declares, and there are many beautiful ones. The Icelanders stand remarkably straight and erect, hence their attractive appearance.

A story like this almost makes one wish he could spend his next vacation in Iceland.

**ATTEND NYA SCHOOL**

Miss Beatrice Grubbs, Hazel and Polly Jenkins, Adelia Latham, and Frankie Harvick returned last week from Lubbock, where they had been in an N. Y. A. training school the preceding four weeks. They will return at the end of a four weeks period at home, since the plan is for students to attend four weeks and then be out four weeks alternately. Miss Arley Lee Henderson accompanied the girls home last week and spent a few days here as the guest of Miss Polly Jenkins.

Dr. James E. West, chief Scout Executive of the Boy Scouts of America, New York, will visit Texas for the first time, coming to Lubbock Thursday, October 23. Scouts, Cubs, and all will be able to hear him that day, it is learned.

Miss Greta Applewhite, who recently entered the University of Texas, has been pledged by the Phi Mu Greek letter sorority at that institution.

**Tom Connally Is Speaker At Fair's Defense Program**

Dallas, Sept. 24.—With plans virtually complete for National Defense Day at the State Fair of Texas on Sunday, Oct. 12, more than 150,000 persons are expected to hear the stirring address of Senator Tom Connally of Texas.

As chairman of the powerful foreign relations committee of the United States Senate, Senator Connally is expertly qualified to deliver an address befitting the occasion, intended and destined to be the greatest patriotic gathering ever held in the Southwest.

R. L. Thomas, general chairman for the event, announced that National Defense Day at the fair has been planned to "foster unity among the people of Texas and to bring this state back of President Roosevelt in his administration of foreign affairs. Since the president issued his 'shoot first' order, we believe that our boys who are on the firing line deserve the full support and backing of the people of Texas."

Gov. Coke R. Stevenson will introduce Senator Connally at ceremonies scheduled to begin in the State Fair's huge Cotton Bowl at 3 p. m. The 45,000 seats of the Cotton Bowl are expected to be filled for the address, while loud speakers distributed over the fair grounds will bring the talk to 100,000 or more others. Radio will carry the address throughout the State and Southwest.

Scores of civic and patriotic organizations in every section of the state have heartily endorsed National Defense day and many of them will send groups to attend the ceremonies. Invitations to participate have been extended to 500 military and veterans' organizations, including the American Legion, Veterans of Foreign Wars and units of the Texas Defense Guard. An effort is being made to have Lynn U. Stambaugh, new national commander of the American Legion, come here for the celebration.

Mr. and Mrs. Jesse Gurley and sons returned Monday night from a week's vacation that took them to San Angelo and to Corpus Christi.

Mrs. K. G. Nolen came home Sunday after being under treatment in Lubbock for 15 days.

**CITATION BY PUBLICATION**

The State of Texas.  
To: Marion Lafayette Waller and the Unknown Heirs of Marion Lafayette Waller, deceased, Greeting:  
You and each of you are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 3rd day of November, A. D., 1941, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 15th day of Sept., 1941. The file number of said suit being No. 1411.

The names of the parties in said suit are: Emily Viola Waller, Maud Cook (a widow), Christopher C. Waller, John Henry Waller, Myrtle McNeil (a widow), Elsadie Roena Franklin (a widow), Willie Alma Phillips and husband, Lester Phillips, and Wallace W. Waller and Bryan J. Waller, as Plaintiffs, and Marion Lafayette Waller and the Unknown Heirs of Marion Lafayette Waller, as Defendants.

The nature of said suit being substantially as follows, to wit: Plaintiffs sue in trespass to try title for the title and possession of two tracts of land situated in Lynn County, Texas, and described in separate tracts, as follows:

First Tract: All of the North One-half of the Northeast One-fourth and all of the North One-half of the Northwest One-fourth of Survey No. 429, in Block 9, surveyed by virtue of Certificate No. 131 issued to the E. L. & R. R. Co., and containing 160 acres of land.

Second Tract: All of the South Forty acres of Survey No. 435, in Block 9, surveyed by virtue of Certificate No. 169 issued to the T. T. Ry. Co.

Plaintiffs further allege that said land constituted a portion of the community estate of W. A. Waller and his wife, Mary Margaret Waller, both now deceased; that plaintiffs are all of the living children and heirs of Mary Margaret Waller, deceased; that such heirship has been established by a judgment of the County Court of Lynn County, Texas; and that the plaintiff, Emily Viola Waller, is the sole beneficiary under the will of W. A. Waller, deceased, which has been admitted to probate in

the County Probate Court of Lynn County, Texas.

Plaintiffs pray judgment for the title and possession of said land, writ of restitution, rents, damages, removal of cloud from title and for general and special relief.

Plaintiffs' petition is endorsed as follows: "This action is brought as well to try title as for damages." Issued this 15th day of September, 1941.

Given under my hand and seal of said Court, at office in Tahoka, Texas, this 15th day of September, A. D., 1941. (SEAL)

HATTIE SERVER, Clerk, District Court, Lynn County, Texas. 6-476

Miss Agnes Anderson of Waco is here spending a few days with her sister and family, Mrs. A. J. Edwards. She came Monday.

**BUYS EXPERIENCED STORM SCARE AT ROCKPORT**

Fred Bucy and Tahoka friends were somewhat uneasy Tuesday about Mrs. Bucy and children, who are at Rockport, on the Gulf coast, when news came out that the tropical storm might possibly strike that area of the coast. However, later in the day Fred received a wire from his wife at Beeville stating that they had gone there as a safety measure.

Center of the storm, however, had struck the coast further northeast.

Mrs. Bucy and the children have been in Rockport for several weeks, where Mrs. Bucy is seeking relief from hay fever and asthma. Fred says she is improving, but probably will not return home until the first frost.

The children are attending school there.

This new "trackless tank, mounted on heavy duty Firestone ground grip pneumatic tires, recently was tested at Fort Myer, Va., and may be adopted for reconnaissance purposes. After the new defense machine was witnessed in action by high army officials and Secretary of War Stimson, preliminary reports indicated that the rubber-tired tank might be altered to carry more armament. Bullet-proof tires and tubes enable these units to operate under gun fire.

**Giant Worms Are Displayed Here**

It is devoutly to be hoped that those giant worms that were discovered on a tomato plant Tuesday by Mrs. Baxley of the Morgan community, captured by her and her husband, and then turned over to John Heck of Wilson, agricultural expert, for such attention as he might see fit to give them—it is to be hoped that they do not become as numerous as some other worms that thrive in this plains country.

Mr. Heck loaded the beasties into his Cadillac and brought them to Tahoka, and they soon made a call at the News office. Numbers of people in town inspected them during the day, usually standing back cautiously at a safe distance somewhat like one would keep out of the way of a caged rattlesnake.

These worms really are vicious-looking animals but in fact they seem to be harmless. Having a broad, large head and a kind of proboscis that can be protruded out at great length or drawn back into the worm's head at will, colored somewhat like a rattlesnake but having a tail that looks more like a head than a tail, these are indeed strange specimens of the worm family—and nobody in all these diggin's can be found who ever before saw a worm as large as this variety.

This worm belongs to the same family as the worms which were brought into the News office a couple of weeks ago by Guy Smith of the New Lynn-Gordon community. His wife found a whole battalion of them eating up her ornamental vines growing about the porch.

No, we hope this breed doesn't get started, for even if they are otherwise harmless a couple of them could almost eat up a bale of hay in a day's time.

**MEETING OF O. E. S. IS ANNOUNCED**

The regular meeting of the Tahoka Chapter, Order of Eastern Star, will be held Friday night, October 3, at 7:30 p. m.

Mrs. Troy Copelin returned Monday night from the bedside of her father, B. T. Ussery, who has been seriously ill in Baylor Hospital in Dallas the past four weeks following an attack of pneumonia. He was still very ill when she left.

**WILLIE WALDRIP WRITES FROM SHEPPARD FIELD**

The News editor has received the following communication from Pvt. Willie M. Waldrip, which is self-explanatory.

I have changed address from Parks Air College, East St. Louis, to Sheppard Field, Wichita Falls. Please send The Lynn County News to my new address here.

I like this new field very much, though it is not completed yet.

Sheppard Field will be a technical school where enlisted men will be taught Aircraft Mechanics. It is located about six miles out of Wichita Falls. School will probably start the first of October or thereabout.

I was transferred from the Puerto Rican Department to G. H. D. and was sent to Sheppard Field. From all indications now I will probably be an instructor in the technical school here. I graduated from Parks Air College the 10th of September with an average grade of 93 for the six months course there.

Hoping to receive the paper soon, I remain—W. M. Waldrip Jr.

**BAPTIST YOUNG PEOPLE MEET AT BROWNFIELD**

The young people of this Association will meet with the Brownfield church Monday evening at 6:30. This will be a good meeting for all young people to attend, and we are hoping to take several cars from our church. Mary Beth Roddy is the president of this group.

All who wish to go will meet at the Church at 5:30 p. m.

The Brotherhood will have a called meeting Monday night. The last meeting was held during the Association and few men were able to attend, and there are some items of business that need to be discussed, therefore this meeting is called, and all men of our church are urged to be present.

**The program for the week:**

**Sunday**  
9:45 a. m. Sunday School.  
11:00 a. m. Morning Worship. Let's pledge more than enough for our budget this first Lord's day.  
7:00 p. m. Training Union. There is a place for you.

8:00 p. m. Evening Worship. Pastor will bring second of series of sermons on ten rules for living.

**Monday**  
3:00 p. m. W. M. U. Executive meeting with Mrs. Coy Fielder.  
3:00 p. m. Sunbeams at Church.  
4:30 p. m. G. A. A.  
5:30 p. m. Leave for Brownfield.  
8:00 p. m. Brotherhood.

**Tuesday**

PHONE 39 — WE DELIVER — KIDWELL & HICKS

## ODDS & ENDS

by Eec Eye,  
the Elder

There is one freshman Senator up in Washington that seems destined to go places. He is already winning a place in the sun. No, we are not talking about the gentleman from Texas—Heck, no!

The gentleman we have in mind has no hill-billy band, though we do like hill-billy music ourselves, in its place. He doesn't make speeches every week over the radio. He didn't rise at his seat in the Senate and tell his colleagues what's what the second day after he got there. He hasn't even made a speech in the Senate yet that we have heard of—but we'll bet he could make a whiz-bang jamb-up good one, any time he might feel it necessary and proper for him to do so.

We refer to the gentleman from Arizona, the able and experienced Ernest W. McFarland of the Supreme Court of that state who last summer unhorsed the noted Senator Ashurst, who had been a member of the U. S. Senate for some twenty-eight years.

And the other day, in just the most easy and natural way imaginable, he took the play away from

such notables in that august body as Senators Nye and Bennett Clark—if a Washington correspondent is to be believed—not on the floor of the Senate but in a committee room—turning Nye's face very red and leaving the spectators gasping.

That Senate committee dominated by isolationists, which recently undertook to "investigate" the motion picture industry, was in session doing its stuff. It was undertaking to show that the industry has been disseminating pro-war propaganda through its screen products, and Senator Nye himself was making some broad statements, and seemingly he was getting by with it.

Then Senator McFarland decided to take a hand. He had been in Washington only since January and was still a "freshman" among a bunch of "sagacious seniors," like Nye and Clark and Wheeler, but he saw an opening. He began to ask Nye for specific facts to support his broad statements. Nye tried to evade and to dodge, but as a prosecuting attorney and then as a defense attorney, McFarland had conducted many a telling cross-examination of witnesses in the courts of Arizona, and he kept pinning Nye down to the facts, and Nye couldn't give 'em.

That "upstart" from Arizona had quietly but tactfully led him into about the most embarrassing experience of his Senatorial career.

Having served brilliantly as a district attorney in Arizona, then as a defense attorney, and finally as a member of the Supreme Court of that state, McFarland had long ago won his spurs in the far Southwest; otherwise, he could not have defeated Ashurst last year. In his late forties, he is yet young enough to serve a long time in the U. S. Senate, if he proves to be as able, honest, and patriotic as his record up to now would indicate. Keep your eye, folks, on that new Senator from Arizona.

As for the motion picture industry, there is obviously a lot of evil connected with that business. Its productions too often are merely designed to bring in the coin regardless of the moral effect they may have upon those who sit before the screen, and the methods that the big boys in the industry employ may be cold-blooded; but we can see no sense in that Washington investigation designed to show that the industry has been disseminating pro-British and anti-Hitler propaganda. What patriotic American hasn't been doing so—with the exception of a little bunch of politicians up at Washington, who have been busy dealing out misery for the President and giving comfort and encouragement to Hitler?

And right here is a good place to say that, personally, we are proud of our own Senator Tom Connally. He has been no "yes" man, no mere rubber stamp; he has differed with the President strongly on some occasions, but he has ably and unfailingly supported the President's foreign policy; he has seen the menace that Hitler and Nazism brings to this country, and he has fought them with all his might incessantly. And Tom Connally has climbed up rung by rung through the years until now he stands among the four or five ablest and most influential members of the United States Senate. Texas will remain a power in the councils of this nation as long as Tom Connally is a member of that body.

And, already, we are wondering who will be Connally's Texas colleague after 1942. That will be settled in the Democratic primaries next summer. It is likely that there will be several candidates, and it is not likely that any one of them will receive a majority of all the votes cast in the first primary. In that event, there will be a run-off. It is hardly conceivable that the

present incumbent can win in such a contest, though admittedly he has become a most astute professional politician, and of course his hat will be in the ring.

Lyndon Johnson, doubtless, will be in the race. Gerald Mann will probably be in it if he is not a candidate for governor. Dan Moody may run. Martin Dies might try it again. Ex-Governor James V. Allred, now on the federal bench in Houston, might become a candidate. And doubtless there will be some in the race who have not yet been mentioned or even thought of. We hope that a strong man wins—strong in ability, in integrity, in qualifications of every sort. Personally, we are going to support, in our feeble way, that kind of man, and only that kind.

There is a great future in this country. In the first place, Uncle Sam is going to see to it that neither Hitler nor Hitlerism rules the world. To make sure of that, we must become supreme on the seas. We must be prepared to assert and maintain the freedom of the seas for the commerce of the world at any and all times. To that end we are now building the greatest navy in the world. And we are running ahead of schedule in the building of it. That is fine.

We must build and maintain the greatest air force in the world. We are making marvelous progress in that line. Aviation schools are being established everywhere. Aircraft factories running full blast manufacturing the best fighting machines on earth. Young men entering aviation training by the thousands.

Incidentally, we drove out to Rainbow City Sunday afternoon and took a birdseye view of the twin-motor bomber training school being built there. If you haven't seen that thing, it would do you good to take a look. We expect to take another look at it about two months from now. It's a big thing, folks, and it makes you rather proud of your country, proud of the young men of our country, proud of this great democratic way of life we have over here.

True, it is regrettable that we

### EDWARD McMILLAN TELLS OF WORK ABOARD NAVAL SHIP

The News editor has received a communication from Edward McMillan, former employee in the News printing establishment, now in the U. S. Navy on the U. S. S. Oklahoma, from which we quote. Says Edward:

"I finally got settled down and am glad to get back to my work in a print shop.

"I like the ship better than I did the training station at San Diego. There are so many different things one can do to take his time and learn a trade if he desires."

Edward then proceeds to describe the equipment in the printing shop that is maintained on the ship, which would be of little interest to most of our readers. "There are five of us in the shop," he says.

"I am at the present in San Francisco Bay. From the ship we can see the Golden Gate bridge, and at night it is lighted with amber-colored light and is a real sight for a land lover from the middle states. I have been in Long Beach, Bakersfield, Oakland, Los Angeles, and several small towns.

"There are about 1500 men on the ship and 200 officers and 'Gold Braids.' There is every kind of shop on the ship, including a jail and a court room."

Edward is a graduate of the Tahoka high school of the class of 1941. He volunteered for service in the Navy.

Little Miss Maralou Cook, two-year-old daughter of Mr. and Mrs. A. G. Cook of Fort Worth, is here this week visiting her grandmother, Mrs. Bob Rusk, and other relatives.

must build all this war equipment—regrettable that we can't live our lives in peace; but it is a fine thing to know that there is one great, virile people, who are willing and will soon be prepared to fight, if need be, to preserve and maintain the principles of democracy and the rights of the individual upon which our government is founded—to stop in his tracks any and every dictator who shall challenge these rights.

### NOTICE TO BIDDERS

Notice is hereby given that the Commissioners Court of Lynn County, Texas, will, on the 13th day of October, 1942, at 10 o'clock a. m., in its usual meeting place in the court house at Tahoka, Texas, proceed to receive and consider competitive bids for the purchase of the following described road machinery: One 2-wheel hydraulic scraper of not less than 5 cubic yards capacity; and will at such time let a contract therefor if any bid be accepted; all such bids to be made as required by law; and if any bid be accepted it is the intention of the Court to issue time warrants on said County in payment of all or part of such proposed contract, in the maximum amount of \$2100.00, to bear six per cent interest per annum, the last maturity date of such warrants to be not later than the year of 1944.

CHESTER CONNOLLY, County Judge; by Order of the Commissioners Court. 7-24p.

Mr. and Mrs. L. P. Cox of Plainview were here Sunday visiting their daughter, Miss Marie Cox of the F. S. A. office.

Jo Lehman, who has entered the University of Texas as a student, has been pledged by the Sigma Alpha Mu fraternity.

### Mrs. Della Gaither Died Recently

E. B. Gaither returned Sunday afternoon from Turlock, California, where he had been called on the Sunday before by the death of his mother, Mrs. Della Gaither.

Mrs. Gaither, who lived in Turlock, was found dead in her bed on Sunday morning, Sept. 14, her death resulting supposedly from an attack of heart trouble during the night.

E. B. Gaither of this city and all her other children were present for her funeral services, which were held at Beaumont, California, on Tuesday, Sept. 16.

Mrs. Gaither had lived in Tahoka about sixteen years previous to her removal to California about four years ago. Her home in Tahoka was the residence just west of the old Central Ward school building, now occupied by Mrs. Ella Davis.

Her husband preceded her in death about twenty years. She is survived by four sons, including E. B. of Tahoka, and nine grandchildren.

### Lubbock Boosters Were Here Tuesday

A group of Lubbock business men accompanied by a band of radio entertainers were here Tuesday advertising the Panhandle South Plains Fair to be held in Lubbock October 6-11 inclusive.

Announcement of the entertainment and the fine line of exhibits expected to be on display was made and a number of musical numbers were given.

Very little advance notice of the coming of the group had been made since the announcement of the scheduled visit did not reach the News office last week until the next day after the paper was published. If the visit had been announced in advance, the visitors doubtless would have had more auditors than they did have.

### TAHOKA MADE REGULAR NAVY RECRUITING STATION

The Navy Recruiting Station at Lubbock has announced that, due to the excellent results obtained in applications last Monday, Sept. 15, at the post office in Tahoka, they will make this a regular one day station. Young men of this community will have the opportunity to make application for the Regular Navy or the Naval Reserve at the post office every Monday, starting September 29.

All applicants for enlistment must furnish proof of place and date of birth.

J. B. McPherson of Levelland was here greeting old friends Wednesday.

### County Officials Indicted At Post

Indictments charging County Attorney N. C. Outlaw with assault with intent to murder and Commissioner J. W. Stotts with unlawfully carrying a pistol were returned Monday by the Garza county grand jury.

These indictments grew out of a shooting affair that occurred on the streets of Post on July 16. The charge against Outlaw is a felony, that against Stotts a misdemeanor.

The grand jury adjourned without returning any other indictments. The docket of the Garza county court is very light, it is said.

C. A. Duckett of Waco left Tuesday after a few days visit here with his brother, G. M. Duckett.

### Walker Officiates In Tech Football Game

Prentice Walker, who was admitted to the Southwestern Football Officials Association last year, "worked" his first big college game last Saturday night when he was called upon to umpire the Texas Tech-A. C. C. game.

Walker has been in demand for high school game, and has officiated in a number of Class AA games the past few years. Friday night he was referee of the game between Lamesa High and Thomas Edison High of San Antonio.

While attending North Texas at Denton, Walker was known throughout the Southwest for his stellar backfield performance.

Leslie "Broadway" Browning, high school vocational agriculture teacher, is also officiating in a number of high school games. Browning was a star in the line while attending Texas Tech.

### CONGRATULATIONS!

To Mr. and Mrs. A. G. Cook of Fort Worth, who are the proud parents of a 9½ pound boy born September 16. The little fellow has been named Joe Wesley.

To Mr. and Mrs. H. C. Montgomery, in northern Lynn County, on the birth of a son, Jerry Don, last Friday, Sept. 19.

To Mr. and Mrs. B. M. McKee of Tahoka on the birth of a 11½ pound son last Sunday.

To Mr. and Mrs. Clarence Overman of T-Bar on the birth of an 8½ pound son Sunday.

Tommie Davis, who had been residing at Turlock, California, and his friends, Mr. and Mrs. Harry Miller of that place, accompanied E. B. Gaither back to Tahoka, arriving last Sunday, and are visiting with the Mrs. Ella Davis and the E. B. Gaither families.

Trade In Tahoka and Save!

### New Speaker At Lecture Series

Beginning the second phase of the lecture course offered the people of Tahoka by the Retail Merchants Association, Dr. J. O. Ellsworth, head of the department of business administration and economics at Texas Tech, will speak in the district court room at 8 p. m. next Tuesday. Dr. Ellsworth is highly recommended as an expert in his line and an interesting and entertaining speaker.

The first three lectures of the series were given by Dr. T. C. Root of the same department. From 40 to 50 people heard him at each of his three talks.

The lecture course deals with credit, collection, and salesmanship.

### NYA Is Offering Service To Youth

According to Jennings T. Lewis, NYA Area Director, a regular itinerant service is being re-established throughout the 24 counties of Area 2.

Jack Wester, counselor, will be in Tahoka in the county judge's office at the court house on Wednesday of each week from 9 to 10:30 a. m. for the purpose of discussing the NYA program with youths and others who are interested.

There are many excellent opportunities available to youth between ages of 16 to 24 years, who are single, out of school, and unemployed. Any youth interested should get in touch with the NYA counselor on his visit to this community. He will be glad to discuss the local, area-wide, or state-wide NYA projects which offer work experiences and training.

Dr. Emil Prohl says that he has been called many many things in his brief span of life but that this is the first time he may properly be called Uncle. He now has a little nephew, the son of his Dentist brother and wife in Dallas, born on September 17. He thinks the boy will bear the name Napoleon. The Doctor certainly is all pepped up about it.

Charley Thompson of Littlefield, real estate salesman, was a visitor in Tahoka Wednesday and called at the News office. Charley says that Lynn county farmers have been his best customers. Last year he located seventeen of them on the Spade Ranch near Littlefield.

### CORRECTION IN AD.

**Fruit Cookies**  
Broadcast by Mary Lee Taylor, September 23, 1941

1½ cups all-purpose flour  
1 teaspoon cinnamon  
¼ teaspoon salt  
½ teaspoon soda  
½ cup seedless raisins, halved  
½ cup soft butter or other shortening  
1 cup light brown sugar, lightly packed  
1 egg  
½ cup Fat Milk  
1½ teaspoons vinegar  
½ cup shredded coconut

Turn on oven and set at moderate (375°F.). Sift flour before measuring. Resift with cinnamon, salt and soda. Fold raisins into flour mixture. Put soft butter in mixing bowl. Add brown sugar gradually, mixing until light and fluffy. Beat in egg vigorously. Add flour mixture alternately with mixture of milk and vinegar. Begin and end with flour mixture. Beat until smooth after each addition. Drop by teaspoons onto greased baking sheet. On half of cookies, sprinkle tops with equal portions of coconut. Bake on oven shelf slightly above center for 15 minutes, or until cookies are brown. Remove from baking sheet at once. Makes about 5 dozen.

### Storms Damage Texas Coast

A tropical hurricane that swept in from the Gulf Monday night and lashed the entire coast country Tuesday with furious winds that blew with a velocity of 45 to 110 miles per hour in different localities caused the loss of an unknown number of lives and did property damage estimated Wednesday at ten million dollars.

The heaviest damage was to rice crops in the Gulf Coast region, but there was also heavy damage to other crops and to buildings and various kinds of property in many coast towns. Rockport, Matagorda, Bay City, Galveston, Houston, and many other cities and towns suffered much loss.

Carlsbad, Roswell, and other towns along the Pecos River in New Mexico have also suffered great property damage and some loss of life the past week from torrential floods that roared down the Hondo and mountain streams in the vicinity of Carlsbad. In the flood waters that swept down through Carlsbad Saturday night, two persons are known to have been drowned and ten others were still missing at latest published reports from that city. There was also much destruction to property.

The Hondo, becoming a raging torrent, inundated the entire western portion of Roswell to a depth of three or four feet, and many families were compelled to flee to higher ground for safety. The Hondo empties into the Pecos just below Roswell.

This was followed by cloudbursts in eastern and northern New Mexico which sent the upper Pecos on a rampage and resulted in much property damage by flood waters.

Heavy rains also fell on the plains of Texas Sunday and Monday in the vicinity of Littlefield and further west.

There have been some light showers and a lot of cloudy weather here, but this section has escaped the floods this week.

Esther Cleveland, second daughter of President and Mrs. Grover C. Cleveland, was the only child ever born in the White House. She was born September 9, 1893.

### Tahoka Teachers Elect Officers

Officers of the Tahoka Teachers Association were elected at the first faculty meeting of the year Wednesday night at the high school building.

The following officers were elected: John Hamblen, president; Hope Haynes, vice president; Miss Nell McLeroy, secretary-treasurer; and Miss Ruby Nell Smith, reporter.

Tahoka teachers have as their 1941-42 project an extensive study of the twelve grade school system and to make an evaluation of the local schools.

Mrs. Frances Dunagan and Mrs. Linnie Finch recently visited the George R. Bean primary school in Lubbock to observe the twelve year plan as used in that school. They gave a report to the teachers in a unique radio program at the meeting. "If teachers will teach children instead of books, it will add zest to our profession life and joy to our teaching," was the closing statement on the program.

### PHEBE K. WARNER CLUB STUDIES READERS' DIGEST

The Phebe K. Warner Club met at Mrs. R. L. Richardson's home Tuesday, Sept. 23. Mrs. Winston Wharton acted as chairman in the absence of Mrs. A. P. Edwards, president.

Mrs. R. W. Fenton gave a parliamentary drill.

The club discussed Readers' Digest subjects. Mrs. Fred Hegl gave a discussion on "We Can't Do Business With Hitler." Mrs. E. R. Edwards discussed "Shake Hands With the Dragon." Mrs. A. L. Pace discussed "America's Great Mistake."

Members attending were: Mrs. E. R. Edwards, R. W. Fenton, Fred Hegl, Walter Mathis, A. L. Pace, E. H. Prohl, R. L. Richardson, D. G. Ridge, Truett Smith, G. M. Stewart, E. M. Walker, Woodrow Walker, Winston Wharton. Mrs. A. O. Conley was a visitor.

### NO DOUBLE PARKING

Double parking on business streets of Tahoka is not permitted by the ordinances of the city, and as complaint has been made to me about this practice, the public is hereby notified that hereafter double parking will not be allowed.—W. M. Lee, City Marshal.

### Hands Across The Pacific

America's sympathy to war-torn China in her struggle for democracy was symbolized in Dallas by the handclasp of Nathan Adams, chairman of the Texas campaign for United China Relief, and Little Maria Yium, 3, youngest member of Dallas' Chinese colony. The state drive for funds to provide medical aid, food and other needs of China's desperate war victims is being launched with a goal of \$200,000 toward the national fund of \$5,000,000. Contributions should be sent to Mr. Adams, care of the First National Bank, Dallas.

### Jeanne Simmons Is Married In California

Miss Jeanne Simmons, daughter of Mr. and Mrs. G. W. Simmons of this city, was married to Mr. Earl Carlton of Los Angeles in that city on Saturday, September 13, and the young couple are at home at 614 West Sixtieth Street in that city.

Mrs. Carlton is a graduate of Tahoka High School, having received her diploma last May. She is also a graduate of Fontaine's Maniken School of Los Angeles.

Mr. Carlton is a graduate of the University of Southern California at Los Angeles and is now holding a responsible position with a steel plant in that city.

He and Miss Simmons first met two years ago while she was visiting a sister in Los Angeles.

Hosts of friends in Tahoka will wish for her all the best joys of life.

### BAND PARENTS HOLD YEAR'S FIRST MEETING

At a social and business meeting of the Tahoka Band Parents held in the home of Mrs. Harley Henderson, president, Tuesday night, plans were discussed for work during the current school year.

Regular social meetings of parents of band students will be held each third Tuesday night in the month, the next one to be held Tuesday, October 20, in the school gymnasium with Mrs. John Hamblen, Mrs. Lois Shafer, and Mrs. R. L. Richardson as hostesses. Games of "42" and dominoes will be played and refreshments served.

There is no charge for membership in this organization, and all parents, brothers and sisters, or interested individuals are invited to attend and enjoy the games. However, the organization hopes to promote some idea this year to raise funds for benefit of the band.

"42" was played at the Tuesday night meeting, and refreshments of hot chocolate, sandwiches and cookies were served by the hostesses, Mrs. Henderson and Mrs. Frank Hill.

The senior band now has 51 members, according to John Hamblen, director, and much interest is being manifested in the organization both by students and citizens of the community.

Officers of the organization, in addition to Mrs. Henderson are: Mrs. A. C. Weaver, vice president; Mrs. Carl Griffing, secretary and treasurer.

Mrs. Garland Pennington and Mrs. W. H. Kenley left Wednesday morning for Belton to attend a meeting of the State Executive Board of the Women's Missionary Union of Texas in that city on Thursday and Friday. These ladies are respectively the president and the corresponding secretary of the associational W. M. U. of the Brownfield Baptist Association.

Rev. and Mrs. George A. Dale, were in Lubbock Tuesday and Tuesday night visiting their daughter-in-law, Mrs. George T. Dale, who underwent a serious major operation at the Plains Hospital Monday morning.

Alternative mean's "choice between two things," or "one of two things." It should not be applied to one or more than two things.

# This Town Needs Your Patronage Today

## STORY ABOUT THE TRAVELING SALESMAN . . .

The wandering salesman shows everything from books to libraries, from hose to cosmetics, coffee to cure - all, shoes to rain coats. He uses your living room for his display room. He makes his prospects feel as though they are getting a bargain by telling them he can sell cheaper because he does not have any high rent to pay and a lot of clerks to hire. He may be right on that—but that isn't all! He does not pay city, school and personal taxes, nor does he contribute to local civic improvements or enterprises. He takes your money and moves on to the next town leaving nothing but his receipt and merchandise.

Every purchase you make in your community is an investment. It buys security and satisfaction, because your local merchant can give you sound merchandising service. Local business contributes to the future progress of your community.

**Try Your Home Town First**

The local merchant deserves your loyal support. Their business increases the value of your home and safeguards future security and greater opportunities for your children.

So, spend what you can where you earn it and trade with those whom you meet daily. These are trustworthy, honest, and help you out with a little credit when things look bad.

## Mahon Back In Washington, D. C.

George Mahon, Congressman from this District, was back in his Washington office this week after having spent three weeks visiting in various portions of his District.

Early last week while en route to Washington, he visited Army maneuvers in Louisiana where a half million soldiers are engaged in mock warfare for the purpose of increasing the efficiency of our armed forces. Mahon reported that he saw a few of the enlisted men from the 19th Texas District.

In commenting on the maneuvers, Mahon said that the West Texas boys were measuring up to their full responsibility. "It is not a pleasant task for the boys to face the severe hardships occasioned by the maneuvers," he said, "but I can testify from observation that the boys can really take it. The thing that impressed me most was the physical toughness and the high moral quality of the men. The modern youth does not lack the physical stamina and the hardihood of his predecessors.

"The soldiers are the ones, and about the only ones, who are making real sacrifices for national defense. They deserve 100 percent cooperation from labor and capital and from the people generally."

Mahon is a member of the War Department Appropriations Committee, and he visited the maneuvers in company with Army officials and other committee members.

### GOV. STEVENSON HEADS DEFENSE BOND COMMITTEE

Washington, D. C.—Secretary Mudgett has announced that Governor Coke Stevenson of Texas has accepted Honorary Chairmanship of his State Committee for organization of the Treasury's National Savings Program.

The committee headed by the Governor is now projecting a statewide campaign to further the sale of Defense Savings Bonds and Stamps.

### CITATION BY PUBLICATION

To Richard L. Lowery, Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. on the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 20th day of October, A. D. 1941, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 6th day of September, 1941. The file number of said suit being No. 1407. The names of the parties in said suit are: Bulah May Lowery as Plaintiff, and Richard L. Lowery as Defendant. The nature of said suit being substantially as follows, to wit: Plaintiff was married to defendant April 22, 1925, and lived with him as his wife until January 1st, 1941, when by reason of defendant's cruel and harsh treatment and improper conduct towards plaintiff and of such nature as to render their living together insupportable, plaintiff permanently abandoned defendant. There are no children as fruits of said marriage (natural or adopted). Plaintiff prays for decree of divorce, for restoration of her maiden name, Bulah May Jenkins, for other and further relief, special and general, etc.

Issued this 6th day of September, 1941. Given under my hand and seal of said Court at office in Tahoka, Texas, this 6th day of September, A. D., 1941. (Seal) HATTIE SERVER, Clerk District Court, Lynn County, Texas. 64c

Mrs. Floyd Davis of Midway underwent a tonsillectomy here on September 16.

The Duchess was so angry the other day when she came in from town that I looked for her to bite herself any minute.

It seems that she'd stalled the car right in the middle of the heaviest Saturday afternoon traffic where people just came up and stood and stared at her while she tried to make it go again.

"You know what?" she fumed. "One man came and put his foot up on the car fender, pulled up his sock and hooked his supporter, then walked away without even offering to help." Then she added: "And his leg was hairy, too!"

When I asked her if she expected him to grow moss on his leg, it didn't seem to help matters much. To tell the truth, I've worn half-length socks with elastic in the tops so long that I'd forgotten men ever wore socks any more. But I'll never forget the time when as a young buck I was tipping the light fantastic in a swank ballroom and looked down to find both my socks supporters dragging on the floor. I jerked them off that night and cast them into the outer darkness and have never owned a pair since.

Cajun Young tells me that the day he got married he set his wife straight on one score. "It's my bird dog first, honey," he told her, "then you."

Cajun admits that started things wrong right at the beginning and he's never managed to straighten them out since. His parents are French and her's German, and he says you can read the newspapers any day now and tell just about how he stands around home.

A new neighbor moved into the old Reynolds house last week. His name was Tumbleweed Tyler. He arrived with a T-model sagging with children, chicken coops, hound dogs, and a bass fiddle. He claims he's lived in every state in the Union and in most of the possessions and that a man who stays holed up in one place all the time isn't doing right by his children.

"Can't learn 'em nothing stuck in one place all the time," Tumbleweed avows. "Take me now—I've moved so regular that every Monday morning my chickens fly down from the roost and cross their legs, ready to have them tied. Me and the younguns know what's going on in this world."

Joe Peter's wife admits that Tumbleweed Tyler's offspring have had their wits sharpened by their ramblings or something. The day they arrived they found and robbed both nests of those two old brown Leghorn hens Mrs. Peters had been following out into the tall weeds along the creek for days in hopes of collecting eggs before some varmint did.

### 127TH DISTRICT ROTARY CLUBS BUY DEFENSE SAVINGS BONDS

Amarillo, Sept. 25.—The Rotary clubs of the 127th district are defense bond minded, according to Cal Farley, district governor.

Mr. Farley reports that in addition to the district itself buying defense bonds that the treasurers of 32 clubs have yielded funds for purchase of U. S. Defense Savings Bonds.

In addition, almost every club in the district and zones of Rotarians have contributed personally and as clubs to the British Relief Fund sponsored by Rotary International. Gifts to this fund are sent to Rotarians in England, many of whom have suffered great loss and privations. It has also been the policy of Rotary International to render aid to Rotarians in other countries engaged in conflict, although Germany and Italy have banned Rotary Clubs both in their own and in the conquered countries.

### CARD OF THANKS

The consoling words spoken and the tokens of sympathy given to me in the dark hours that have followed since receiving the sad news of the death of my father are appreciated by me more than I can express in words. It was indeed thoughtful of the choir of the Baptist Church to express their tender sympathy in flowers. I shall always treasure in my heart the great kindness shown by so many friends. Mrs. Rollin McCord.

Now, whenever Mrs. Peters wants to find a hen nest out in the weeds she just gets out and stalks Tumbleweed's children while they're stalking her hens.

"Luck's rode with me," observed Pecos Turner. "I've lived where there wasn't a dividing fence from the Rio Grande to the Missouri River. I've seen the high mountains and the blue ocean. I've straddled good horses and drove cattle. I've whooped her up with the boys and I've lone-wolfed it down the back trails where every man's gun was turned on me. I've fought and prowled and loved a good woman. All along the trail, drunk or sober, I've played my cards like they was dealt. I've found life a highly entertaining game and any time I cash in my chips now, I'm the winner."

### PLEDGER COLEMAN ARE LEAVING FOR EL PASO

Pledger (Pete) Coleman came in Monday night from Fort Bliss, El Paso, where he is employed in the ordinance department as a mechanic. His job is to repair army cars, tanks, trucks, and all kinds of army equipment that is mounted on wheels.

His mission home was to rent out their residence, furnished, and to take Mrs. Coleman back with him.

Pete has been engaged in the general repair business here for a long time and is known by everybody. During all these years he has been a member of the Tahoka Volunteer Fire Department, and recently served as city fire marshal. Mrs. Coleman has been active in religious work and is a cultured, capable, and useful woman.

Many friends here regret their leaving Tahoka and hope that their stay away will not be too long.

### YOUNG PEOPLE MEET IN BROWNFIELD

The Young people's organization of the Brownfield Baptist Association with Mary Beth Roddy, of Tahoka, president, is planning its quarterly meeting in the Brownfield Baptist Church next Monday evening, Sept. 29.

Young people from all over the Association are asked to bring their picnic lunch which will be served on the church lawn at 6 o'clock, followed by a short recreational period. At 7:30 the program, in charge of Mrs. Collins Webb of New Home will be held in the auditorium of the church. Stewardship will be the theme, with Rev. Avery Rogers, pastor of the church, bringing the sermon. Conferences and special numbers and reports will be on the program also.

Mrs. Webb of New Home, who is Young People's leader of this Association, gives every young person a cordial invitation to attend this meeting.

Mrs. Oran Short left last week in company with her parents, Mr. and Mrs. F. E. Walters of Brownfield, for Goodrich and other points in Kansas, where the parents formerly lived. They expected to be gone two weeks.

### BROWNFIELD SS CLASS GUEST OF TAHOKA CLASS

The Estherian Sunday School class and the Ruth Sunday School Class of Brownfield were entertained with a covered dish luncheon in the home of Mrs. Andrew Cooper, member of the Estherian Class, Tuesday, Sept. 23. Mrs. Cooper was a former member of the Ruth Sunday School Class of Brownfield.

The members and teacher present from Brownfield were: Mmes. C. L. Green, teacher, Kyle Adams, Nathan Evans, D. A. Brown, Joe Havener Jr., Ted Hardy, B. K. Rhea, John Haynes, John B. Bowlin, Elton C. Marcum, James Moses, Wayne Mullins, R. D. Shewmake Jr., Earl McCutcheon, Roy Swindle, and Glenn Hambey.

Those present from the Estherian class were: Mmes. H. L. Blackburn, teacher, Andrew Cooper, hostess, Everton Nevill, Alex Nevill, Glenn Boydston, Kermit Brown, and Reid Parker.

The Estherian class had a brief business meeting after the departure of the guests.

Mrs. D. H. Goodnough went down to Fort Worth Wednesday to spend a week or more with Mr. and Mrs. A. G. Cook and to help them start off their new little son, Joe Wesley, in the way he should go.

T. Garrard, who recently moved from Tahoka to O'Donnell to take the position of rural mail carrier on Route No. 1 out of that city, came up Monday after he had made his day's run just to greet his friends. T. says that his route lies in three counties, Lynn, Dawson, and Borden, running away down toward Gail; but the longer it is the better he likes it.

Jack and Jerry King each had his tonsils removed at a local clinic on September 15, and have made satisfactory recovery.

## County Teachers Will Meet Here

School teachers of Lynn County will meet Wednesday night, October 1, at 7:30, on the Tahoka football field for a picnic supper and business meeting.

The Lynn County Teachers Association, which is a unit of the state organization, will elect officers to serve the association during this school year. Supt. W. T. Hanes of Tahoka was president of the organization in 1940-41. The business meeting will take place at 8:30 o'clock.

Teachers are asked to bring picnic lunches and faculty members of the Tahoka Schools will furnish the drink. Lynn county teachers will also organize the Lynn County Interscholastic League at this first meeting.

## County Meet . . .

Continued from Page 1

The meeting would be held Tuesday whereas it was to be held on Monday. The publishers deeply regret this error. The Legion Hall was filled to capacity, however, in spite of the error.

Among the out-of-county visitors here, the following have been listed:

B. J. Baskin, county agent of Dawson county; F. W. Medley, county agent of Borden county; Homer Thompson, county agent of Garza county; Edward Hyman, county agent of Scurry county; Miss Carolyn Dixon, home demonstration agent of Crosby county; Miss Martha O. Brent, home supervisor, F. S. A., Lubbock; Miss Ruth McGee, home supervisor, F. S. A., Lamesa; Miss Jean Bain, home supervisor, F. S. A., Post; Miss Myriene Cannon, home supervisor, F. S. A., Brownfield; Miss Argen Hix, home supervisor, F. S. A., Levelland; Davis F. Pounds, Farm Security Administrator, Levelland; U. D. Kendrick, F. S. A., Big Spring; O. M. Fowler, F. S. A., Midland; Miss Mattie Phenix, home demonstration agent of Dawson county; Miss Estella Rabel, home demonstration agent of Howard county; Miss Gerlie Plache, home supervisor, F. S. A., Big Spring; Frank A. Wilson of Snyder; Mrs. C. W. Shaffer of Lamesa; Mrs. V. B. Hohn of Dawson county; Nolan von Roeder of Knapp; Ray Grace, soil conservation service, Lubbock; Mr. and Mrs. S. R. Kemp of Garza county; Miss Jonell Bolander of Meadow.

A. & M. College representatives here were: Miss Lida Cooper, Dist. H. D. Agent; K. J. Edwards, Dist. Farm Agent; A. L. Smith of Animal Husbandry Extension Service; E. R. Eudaly, A. & M. Extension Dairy Service; Geo. McCarthy, poultry husbandman, A. & M. Extension service; W. E. Morgan, Economist, Extension Service.

## Collier Re-elected Druggist Director

West Texas druggists in convention at Lubbock last week re-elected Wynne Collier of Tahoka to the board of directors of the organization. He was first elected to the board at the Abilene convention last year.

The West Texas druggists organization is said to be one of the largest regional organizations of the trade, even surpassing the Texas state association in attendance at the annual conventions.

Mr. and Mrs. Roy Leslie of Quitaque were visitors in Tahoka Tuesday afternoon and Wednesday, the guests of Mr. and Mrs. W. M. Harris while here. Mr. Leslie for a number of years was local manager for the West Texas Gas Company, and he has held the same position at Quitaque since he left here.

Mrs. S. H. Holland spent several days last week with her daughter, Mrs. Harvey Johnson, and Mr. Johnson at Seminole.

## Legion Auxiliary Has Busy Meeting

The Legion Auxiliary met on its regular meeting night, September 23, at the Legion Hall, in a goody number.

Our president being absent, the meeting was called to order by the third vice-president, Mrs. R. L. Richardson, who is quite efficient in Auxiliary work, and who brought to our attention a number of things that should be planned and worked out in the near future, so that we might start our year off in a good way.

A committee was appointed by our president to work out a program, and the most interesting part, a good feed, for our next meeting night.

We are hoping that every one who may be called upon by the committee will cooperate in a big way. —A Member.

Mrs. Ella Davis returned home Monday, after spending the week end with relatives at Cisco, Putnam, and Moran.

## W. M. U. OFFICERS TO MEET

All new officers of the Baptist W. M. U., including chairman of each standing committee and each Circle chairman, are asked to meet in Mrs. Coy Fielder's home at 2:30 o'clock next Monday afternoon, September 29.

Planning the year's work and other important business is to be attended to.

Elwayne Nevill of Randolph Field spent the week end here with the home folks. He was accompanied by Miss Beryl Robertson, dietitian in the State Hospital in San Antonio, who came to visit her parents, Mr. and Mrs. W. O. Robertson. Elwayne is the son of Mr. and Mrs. J. L. Nevill who enlisted in the aviation service several months ago.

## STATED MEETINGS of

Tahoka Lodge No. 1041 the first Tuesday night in each month at 8:30 Members urged to attend. Visitors welcome.

JACK WELCH, W. M. H. L. RODDY, Secretary.
